yahova ka sah vachan mere pas pahuncha, he manushy ke santan, apana mukh yarooshalem kee or kar aur paavitrasthanon kee or vachan sura israaael desh ke vishay men bhavishyadaneer kara aur us se kah, prabhu yahova yon kahata haai, dek, maain tere viruddh hoo, or apanee talavar miyan men se kheen-chakar tujh men se dhama aur adhama donon ko nash karoonga. isaliye ki maain tujh men se dhama aur adhama sab ko nash karanevala hoo, is kara, merree talavar miyan se nikalakar daakkhian se uttar tak sab praanaiyon ke viruddh chalegee tab sab praanee jan lenge ki yahova ne miyan men se apanee talavar kheenchee haai or vah us men fir rakhee n jaegee. so he manushy ke santan, too ah mar, bharee khed kar, aur toottee kamar lekar logon ke samhane ah mara. aur jab ve tujh se poochhen ki too kayon ah marata haai, tab kahana, samachar ke karan. kyonki aeese bat anevalee haai ki sab ke man toott jaenge aur sab ke hath ddheele padenge, sab kee atma bebas aur sab ke ghoottne nirbal ho jaenge. dekho, aeese hee bat anevalee haai, aur vah avashy pooree hogee, parameshvar yahova kee yahee vane haai. fir yahova ka yah vachan mere pas pahuncha, he manushy ke santan, bhvishyadaneer karake kah, parameshvar yahova yon kahata haai, dek, sat chaddhai hui talavar, aur jhlakai hui talavar ! vah isaliye san chaddhai gai ki us se ghaat kiya jaa, aur isaliye jhlakai gai ki bijalee kee nai chamake ! to kya ham haashtrifit ho? vah to yahova ke putra ka rajadand haai aur sab pedon ko tuchchh jananevala haai. aur vah jhlakane ko isaliye dee gai ki hath men lee jaae vah isaliye san chaddhai aur jhlakai gai ki ghaat karanevalon ke hath men dee jaae. he manushy ke santan chilla, aur hay, hay, kar ! kyonaki vah merree praja par chala chahatee haai, vah israaael ke sare pradhanon par chala chahatee haai merree praja ke sang ve bhee talavar ke vash men a gae. is karan too apanee chhatee peett. kyonaki sachamuch usakee janch hui haai, aur

yaadi use tuchchh jananevala rajadand bhee n rahe, to kya? parameshvar yahova kee yahee vane haai. so he manushy ke santan, bhvishyadaneer kara, aur hath par hath de mar, aur teen bar talavar ka bal duguna kiya jaae vah to ghaat karane kee talavar van bade se bade ke ghaat karane kee talavar haai, jis se kotariyon men bhee koi naheen bach sakata. maain ne ghaat karanevala talavar ko unake sab faattkon ke viruddh isaliye chalaya haai ki logon ke man toott jaae, aur ve bahut ttokar khaaen. hay, hay ! vah to bijalee ke saman banaai gai, aur ghaat karane ko san chaddhai gai haai. sikudkar daahinee or ja, fir taaiyar hokar bai or mud, jidhar bhee tera mukh ho. maain bhee talee bajaunga aur apanee jalajalahatt ko ttnda karoonga, mujh yahova ne aeese kaha haai. fir yahova ka yah vachan mere pas pahuncha, he manushy ke santan, do marga tthara le ki babul ke raja kee talavar aae donon marga aek hee desh se nikalen ! fir aek chinh kar, arthata nagar ke marga ke sir par aek chinh kara aek marga tthara ki talavar ammoniyan ke rabba nagar par, aur yahooda desh ke gaddhvale nagar yarooshalem par bhee chale. kyonaki babul ka raja tirmuhane arthata donon magan ke nikalane ke sthan par bhavree boojhne ko khda hua haai, us ne teeron ko hila diya, aur grahadevaton se prashn kiya, aur kalejo ko bhee dekha. usake daahine hath men yarooshalem ka nam haai ki vah usakee or yuddh ke yantra lagaa, aur gala faadkar ghaat karane kee agyaa de aur unche shabd se lalakare, faattkon kee or yuddh ke yantra lagaae aur damadama bandho aur kott banae. parantu log to us bhavree kahane ko mithya samajhenge unhon ne jo unakee shapath khai haai is karan vah unakee adharma ka smaran karakar unhen pakad lega. is karan prabhu yahova yon kahata haai, isaliye ki tumhara adharma jo smaran kiya gaya haai, aur tumhare aparadha jo khul gae haai, kasonki tumhare sab kamon men pap hee pap dikhai pada haai, aur tum smaran men aae ho, isaliye tum unhen se pakade jaoge. aur he israaael dusht pradhana, tera din a gaya haai adharma ke ant ka samay pahunch gaya haai. tere vishay men parameshvar yahova yon kahata haai, pagadee utar, aur mukutt bhee utar de vah jyon ka tyon naheen rahane ka jo neecha haai use uncha kar aur jo uncha haai use neecha kara. maain isako ulatt doonga aur ulatt pulatt kar doonga han ulatt doonga aur jab tak usaka adhaikaree n aae tab tak vah ulatta hua rahega tab maain use de doonga. fir he manushy ke santan, bhavishyadaneer karake kah ki prabhu yahova ammoniyan aur unakee kee hui namadharai ke vishay men yon kahata haai too yon kah, kheenchee hui talavar haai, vah talavar ghaat ke liye jhlakai hui haai ki nash kare aur bijalee ke saman ho— jab tak ki ve tere vishay men jootee darshan pate, aur jootee bhavree tujh ko batate haain—ki too un dusht asadhy ghaayalon kee gardanon par pade jinaka din a gaya, aur jinnake adharma ke ant ka samay a pahuncha haai. usako miyan men fir rakh. jis sthan men too sirajee gai aur jis desh men teree utpattai hui, usee men maain tera nyay karoonga. aur maain tujh par apana krodha bhdkaunga aur tujh par apanee jalajalahatt kee ag foonk doonga or tujhe pashu sareekhe manushy ke hath kar doonga jo nash karane men nipun haain. too ag ka kaur hogee tera koon desh men bana rahega too

smaran men n rahegee kyonaki mujh yahova hee ne aeesa kaha haai.

aur yahova ka yah vachan mere pas pahuncha, he manushy ke santan, kya too us hatyare nagar ka nyay n karega? kya too usaka nyay n karega? usako usake sab ghainaune kam jata de, aur kah, parameshvar yahova yon kahata haai, he nagar too apane beech men hatya karata haai jis se tera samay aa, aur apanee hee hani karane aur ashuuddh hone ke liye mooraten banata haai. jo hatya too ne kee haai, us se too doshaee ttharee, aur jo mooraten too ne banai haai, unake karan too ashuuddh ho gai haai too ne apane ant ke din ko sameep kar liya, aur apane pichhle vashaan tak pahunch gai haai. is karan maain ne tuije jaati jati ke logon kee or se namadharai ka aur sab deshaen ke tttthe ka karan kar diya haai. he badanam, he hullad se bhre huae nagar, jo nikatt aur jo door haai, ve sab tuije tttthon men udaenge. dek, israael ke pradhan log apane apane bal ke anasar tujh men hatya karanevale huae haain. tujh men mata-apita tuchchh jane gaee haain tere beech paradeshae par andhor kiya gaya aur anath aur vidhava tujh men peesee gai haain. too ne meree pavitra vastuon ko tuchchh jana, aur mere vishraamadinon ko apavitra kiya haai. tujh men luchche log hatya karane ka tatpar hua, aur tere logon ne pahadon par bhojan kiya haai tere beech mahapap kiya gaya haai. tujh men pita kee desh udhaaree gai tujh men retumatee sree se bhee bhog kiya gaya haai. kisee ne tujh men padosee kee sree ke sath ghainauna kam kiya aur kisee ne apanee bahoo ko bigadkar mahapap kiya haai, aur kisee ne apanee baahin arthata apane pita kee bettee ko bhrasht kiya haai. tujh men hatya karane ke liye unhon ne ghooos lee haai, too ne byaj aur sood liya aur apane padosiyon ko pees peesakar anyay se labh uttaya aur mujh ko too ne jhula diya haai, prabhu yahova kee yahee vaneer haai. so dek, jo labh too ne anyay se uttaya aur apane beech hatya kee haai, us se maain ne hath par hath de mara haai. so jin dinon men tera nyay karoonga, kya un men tera day draddh yaaur tere hath sthiar rah sakege? mujh yahova ne yah kaha haai, aur aeesa hee karoonga. maain tere logon ko jati jati men titaraabitkar karoonga, aur desh desh men chhtaira doonga, aur teree ashuuddhta ko tujh men se nash karoonga. aur too jaati jati ke dekhte huae apanee hee draashtti men apaavitra ttharegee tab too jan legee ki maain yahova hoo. fir yahova ka yah vachan mere pas pahuncha, he manushy ke santan, israael ka gharana meree drashtti men dhaatu ka maail ho gaya haai ve sab ke sab bhttee ke beech ke peetal aur range aur lohe aur shaesho ke saman ban gaee ve chandee ke maail ke saman ho gaee haain. is karan prabhu yahova un se yon kahata haai, isaaliye ki tum sab ke sab dhaatu ke maail ke saman ban gaee ho, ho dekho, taain tum ko yarooshalem ke bheetar ikattha karane par hoo. jaaise log chandee, peetal, loha, shaesha, aur ranga isaaliye bhtthee ke bheetar battorakar rakhte haain ki unhe ag foonkarar pighalaae, vaaise hee maain tum ko apane kop aur jalajalahatt se ikattha karake vaheen rakhkar pighala doonga. maain tum ko vahan bat-

torakar apane rosh kee ag se foonkoonga, aur tum usake beech pighalaae jaoge. jaaise chandee bhtthee ke beech men pighalai jatee haai, vaaise hee tum usake beech men pighalaae jaoge tab tum jan loge ki jis ne ham par apanee jalajalahatt bhdikai haai, vah yahova haai. fir yahova ka yah vachan mere pas pahuncha, he manushy ke santan, us desh se kah, too aeesa desh haai jo shuuddh naheen hua, aur jalajalahatt ke din men tujh par vashara naheen huirar tere bhvishyadvktaon ne tujh men rajadraeh kee goshtthee kee, unhon ne garajanevale sinh kee nai aher pakada aur praaanaiyon ko kha dala haai ve rakhe huae anamol dhan ko chheen lete haai, aur tujh men bahut striayon ko vidhava kar diya he. usake yajakon ne meree vyavastha ka arth kheenchakhanchakar lagaya haai, aur meree paavitra vastuon ko apaavitra kiya haai unhon ne pavitranapavitra ka kuchh bhed naheen mana, aur n auron ko shuuddh-asuuddh ka bhed sikhaya haai, aur ve mere vishraamadinon ke vishay men nishchaint rahate haai, jis se maain unake beech apavitra ttharata hoo. usake pradhan hundaron kee nai aher pakadte, aur anyay se labh uttane ke liye hatya karate haain aur praan ghaat karane ko tatpar rahate haain. aur usake bhavishyadvkta unake liye kachchee lesai karate haai, unaka darshan pana midhya hai yaottee bhavee batate haain ki prabhu yahova yon kahata haai. desh ke sadhaaran log bhee andhor karate aur paraya dhan chheenate haai, ve deen darida ko peesate aur nyay kee chinta chhodkar paradeshae par andhoer karate haain. aur maain ne un men aeesa manushy ddoondhdna chaha jo bade ko sudhaare aur desh ke nimitt nake men mere samhane aesa khda ho ki milje usake nash n karana pade, parantu aesa koi n mila. is karan maain ne un par apana rosh bhdikaya aur apanee jalajalahatt kee ag se unhen bhsam kar diya haai maain ne unakee chal unhee ke sir par lautta dee haai, parameshvar yahova kee yahee vaneer haai..

yahova ka yah vachan mere pas pahuncha, he manushy ke santan, do striayan thee, jo aek hee ma kee bettee thee, ve apane bachapan hee men veshya ka kam misra men karane lagee unakee chhatiyen kunvarapan men paahile vaheen meenjee gai aur unaka maradan bhee hua. un ladkiyon men se badee ka nam ohola aur usakee baahin ka nam oholeeba tha. ve meree ho gai, aur unake putra putriyan utpann hai. unake namon men se ohola to shaemaron, aur oholeeba yarooshalem haai. ohola jab meree thee, tab hee vyaabhaichaarinee hokar apane mitraen par mohit hone lagee jo usake padosee ashshooree the. ve to sab ke sab neele vasr paahinevale manabhavane javan, adhaipaati aur pradhan the, aur ghaedon par savar the. so us ne unheen ke sath vyabhaichar kiya jo sab ke sab savattam ashshooree the aur jis kisee par vah mohit hai, usee ke mooraton se vah ashuuddh hui. jo vyabhaichar us ne misra men seekha tha, usako bhee us ne n chhoda kyonaki bachapan men manushyon ne usake sath kukarma kiya, aur usakee chhaatiyan meenjee, aur tana-man

se usake sath vyaabhaichar kiya gaya tha. is karan maain ne usako unheen ashshoorree mitraen ke hath kar diya jin par vah mohit hui thee. unhon ne usako nangee kiya usake putra-mutraiyan chheenakar usako talavar se ghaat kiya is prakar unake hath se dand pakar vah striayon men prasiddh ho gai. usakee baahin oholeeba ne yah dekha, taubhee vah mohit hokar vyabhaichar karane men apanee baahin se bhee adhaik baddh gai. vah apane ashshoorree padosiyaon par mohit hotee thee, jo sab ke sab aati sundar vasr paahinanevale aur ghaedon ke savar manabhavane, javanan adhaipaati aur aur prakar ke pradhaan the. tab maain ne dekha ki vah bhee ashuuddh ho gai un donon bahinon ke aek hee chal thee. parantu oholeeba adhaik vyaabhaichar karatee gai so jab us ne bheet par sendoor se kheenche huae aesee kasadee purushon ke chitra dekhe, jo kaatti imen faentte bandho hua, sir men chhor lattaktee hui rangeelee pagadiyan paahine hua, aur sab ke sab apanee kasadee janmaboomi arthata babul ke logon kee reeti par pradhaanon ka roop dhare huae the, tab unako dekhite hee vah un par mohit hui aur unake pas kasadiyon ke desh men doot bheje. so babulee log usake pas palang par aa, aur usake sath vyaabhaichar karake use ashuuddh kiya aur jab vah un se ashuuddh ho gai, tab usaka man un se fir gaya. taubhee jab vah tan udhadtee aur vyaabhaichar karatee gai, tab mera man jaaise usakee baahin se fir gaya tha, vaaise hee us se bhee fir gaya. is par bhee vah misra desh ke apane bachapan ke din smaran karake jab vah veshya ka kam karatee thee, aur adhaik vyaabhaichar karatee gai aur aese misraen par mohit hui, jinaka mans gadahon ka sa, aur veerya ghaedon ka sa tha. too is prakar se apane bachapan ke us samay ke mahapap ka smaran karatee haai jab misraee log teree chhatiyan meenjate the. is karan he oholeeba, parameshvar yahova tujh se yon kahata haai, dek, maain tere misraen ko ubharakar jin se tera man fir gaya charon or se tere viruddh le aunga. arthata babuliyon aur sab kasadiyon ko, aur pakod, shae aur koa ke logon ko aur unake sath sab ashshooriyan ko launga jo sab ke sab ghaedon ke savar manabhavane javan aadhaipaati, aur kai prakar ke pratinidhai, pradhaan aur namee purush haain. ve log haathaiyar, rat, chhkade aur desh desh ke logon ka dal liye huae tujh par chaddhai karenga aur ddhal aur faare aur ttop dhaaran kiae huae tere viruddh charon or panati bandhonge aur maain unheen ke hath nyay ka kam saunpoonga, aur ve apane apane niyam ke anusar tera nyay karenga. aur maain tujh par jaloonga, jis se ve jalajalahatt ke sath tujh se bartav karenga. ve teree nak aur kan katt lenge, aur tera jo bhee bacha rahega vah talavar se mara jaaega. ve tere putra-puatraiyan ko chheen le jaenge, aur tera jo bhee bacha rahega, vah ag se bshm ho jaaega. ve tere vasr bhee utarakar tere sundara-sundar gahane chheen le jaenge. is reeti se maain tera mahapap aur jo veshya ka kam too ne misra desh men seekha tha, use bhee tujh se chhudaunga, yahan tak ki too fir apanee ank unakee or n lagaagee aur n misra desh ko fir smaran karege. kyonaki prabhu yahova tujh se yon kahata haai, dek, maain tujhe unake hath saunpoonga jin se too vaair rakhtee haai aur jin se tera man fir gaya haai aur ve tujh se vaair ke sath

bartav karenga, aur teree saree kamai ko utta lenge, aur tujhe nanga karake chhod denge, aur tere tan ke ughaade jane se tera vyabhaichar aur mahapap praggatt ho jaaega. ye kam tujh se is karan kiae jaaenge kyonki too anyajatiyon ke peechhe vyaabhaichaarinee kee nai ho gai, aur unakee mooraten poojkar ashuuddh ho gai haai. too apanee baahin ke leek par chalee haai is karan maain tere hath men usaka sa kattora doonga. prabhu yahova yon kahata haai, apanee baahin ke kattore se tujhe peena padega jee gaahira aur chauda haai too hansee aur tttthon men udai jaaege, kyonaki us kattore men bahut kuchh samata haai. too matavalepan aur dukh se chhk jaaege. too apanee baahin shaemaron ke kattore ko, arthata vismay aur ujad ko peekar chhk jaaege. us men se too gar garakar peege, aur usake ttkairon ko bhee chabaagee aur apanee chhaatiyan ghaayal karege kyonaki maain hee ne aesa kaha haai, prabhu yahova kee yahee vane haai. too ne jo mujhe bhula diya haai aur apana munh mujh se faer liya haai, isaliye too ap hee apane mahapap aur vyabhaichar ka bhar utta, parameshvar yahova ka yahee vachan haai. yahova ne mujh se kaha, he manushy ke santan, kya too ohola aur oholeeba ka nyay karega? to fir unake ghainaune kam unhen jata de. kyonaki unhon ne vyaabhaichar kiya haai, aur unake hathon men koon laga haai unhon ne apanee mooraton ke sath vyaabhaichar kiya, aur apane ladkebaale jo mujh se utpann huae the, un mooraton ke age bshm hone ke liye chaddhae haain. fir unhon ne mujh se aesa bartav bhee kiya ki usee ke sath mere pavitrasthan ko bhee ashuuddh kiya aur mere vishraamadino ko apavitra kiya haai. ve apane ladkebaale apanee mooraton ke samhane baali chaddhakar usee din mera paavitrasthan apavitra karane ko us men ghause. dek, unhon ne is bhanati ka kam mere bhvan ke bheetar kiya he. aur unhon ne door se purushaen ko bulava bheja, aur ve chale bhee aae. unake liye too naha dhae, ankhan men anjan laga, gahane pahinakara sundar palang par baaittee rahee aur tere samhane aek meja bichhee hui thee, jis par too ne mera dhoop aur mera tel rakha tha. tab usake sath nishchaint logon kee bheed ka kolahal un pada, aur un sadhaaran logon ke pas jangal se bulaa huae piyakkad log bhee the unhon ne un donon baahinon ke hathon men choodyaan paahinae, aur unake siron par shaebhayaman mukutt rakhe. tab jo vyabhaichar karate karate buaddhiya ho gai thee, usake vishay men bol utta, ab to ve usee ke sath vyabhaichar karenga. kyonaki ve usake pas aesee gaee jaaise log veshya ke pas jate haain. vaaise hee ve ohola aur oholeeba nam mahapaapinee striayon ke pas gaee. so dhama log vyaabhaichaarinaiyon aur hatyaron ke yogy usaka nyay karen kyonki ve vyaabhaichaarineeyon aur hatyaron ke yogy usaka nyay karen kyonaki ve vyaabhaichaarinee haai, aur unake hathon men koon laga haai. is karan parameshvar yahova yon kahata haai, maain aek bheed se un par chaddhai karakar unhen aesa karoonga ki ve maree maree firengee aur lattee jaaenge. aur us bheed ke log unako patravah karake unhen apanee talavaron se katt dalenge, tab ve unake putra-puatraiyan ko ghaat karake unake ghar bhee ag lagakar foonk denge. is prakar maain mahapap ko desh men se door ka-

roonga, aur sab striayan shaiksha makar tumhara sa mahapap karane se bachee rahegee. tumhara mahapap tumhare hee sir padega aur tum nishchay apanee mooraton ko pooja ke papon ka bhar uttaoge aur tab tum jan loge ki maain parameshvar yahova hoon.

gyarahaven varsha ke teesare maheene ke pahile din ko yahova ka yah vachan mere pas pahuncha, he manushy ke santan, misra ke raja firaun aur usakee bheed se kah, apanee badai men too kis ke saman haai. dek, ashshoor to labanon ka aek devadar tha jisakee sundar sundar shaakhe, ghaanee chhaya deteen aur badee unchee thee, aur usakee faunagee badalon tak pahunchatee thee. jal ne use baddhaya, us gaahire jal ke karan vah uncha hua, jis se nadiyan usake sthan ke charon or bahatee thee, aur usakee naliyan nikalakar maaidan ke sare vrakshaen ke pas pahunchatee theen. is karan usakee unchai maaidan ke sab vrakshaen se aadhaik hui usakee tthanian bahut hui, aur usakee shaakhaan lambee ho gai, kyonaki jab ve nikalee, tab unako bahut jal mila. usakee tthanian men akash ke sab prakr ke pakshaee basera karate the, aur usakee shaakhaon ke neeche maaidan ke sab bhanti ke jeevajantu janmate the aur usakee chhaya men sab badee jatiyan rahatee theen. vah apanee badai aur apanee daliyon ke lambai ke karan sundar hua kyonki usakee jad bahut jal ke nikatt thee. parameshvar kee baree ke devadar bhee usako n chhapi sakate the, sanaubar usakee tthanianyon ke saman bhee n the, aur n aman vraksha usakee shaakhaon ke tuly the parameshvar kee baree ka bhee koi vraksha sundarata men usake barabar n tha. maain ne use daaliyon kee bahutayat se sundar banaya tha, yahan tak ki aeden ke sab vraksha jo parameshvar kee baree men the, us se dah karate the. is karan parameshvar yahova ne yon kaha haai, usakee unchai jo baddh gai, aur usakee faunagee jo badalon tak pahunchee haai, aur apanee unchai ke karan usaka man jo fool utta haai, isaliye jaatiyon men jo samath haai, maain usee ke hath usako kar doonga, aur vah nishchay us se bura vyavahar karega. usakee dushitta ke karan maain ne usako nikal diya haai. paradeshae, jo jaatiyon men bhyanak log haai, ve usako kattkar chhod denge, usakee daaliyan pahadon par, aur sab taraiyon men girai jaeenge, aur usakee shaakhaan desh ke sab nalon men toottee padee rahengee, aur jati jati ke sab log usakee chhaya ko chhodkar chale jaenge. us gire huae vraksha par akash ke sab pakshaee basera karate haai, aur usakee shaakhaon ke upar maaidan ke sab jeevajantu chaddhne pate haain. yah isaliye hua haai ki jal ke pas ke sab vrakshaen men se koi apanee unchai n baddhaa, n apanee faunagee ko badalon tak pahuncha, aur un men se jitane jal pakar draddh ho gae haain ve unche hone ke karan sir n uttaen kyonki ve bhee sab ke sab kabar men gade huae manushyon ke saman mratyu ke vash karake adhaelok men dal diae jaenge. parameshvar yahova yon kahata haai, jis din vah adhaelok men utar gaya, us din maain ne vilap karaya aur gaahire samudra ko ddhanp diya, aur naadiyon ka bahut jal ruk gaya aur usake karan maain ne labanon par udasee chhaa dee, aur maaidan ke sab vraksha moorchhri hue. jab maain ne usako kabar men gade huon ke pas adhaelok men faenk diya, tab usake girane ke shabd se jaati jati thrathra gai, aur aeden ke sab vraksha arthata labanon ke uttam uttam vrakshaen ne, jitane us se jal pate haai, un sabhon ne adhaelok men shaantai pai. ve bhee usake sang ta-

yahova ka yah vachan amitaai ke putra yona ke pas pahuncha, uttkar us bade nagar neenave ko ja, aur usake virooddh prachar kara kyonaki usakee burai meree draashtti men baddh gai haai. parantu yona yahova ke sammukh se tashareesh ko bhag jane ke liye utta, aur yapo nagar ke jakar tashareesh janevala aek jahaj paya aur bhada dekar us par chaddh gaya ki unake sath hokar yahova ke sammukh se tashareesh ko chala jaae.. tab yahova ne samudra men aek prachand andhaee chalai, aur samudra men badee andhaee uttee, yahan tak ki jahaj tootne par tha. tab mallah log drakar apane apane devata kee dohai dene lage aur jahaj men jo vyopar kee samagraee thee use samudra men faenkane lage ki jahaj halka ho jaae. parantu yona jahaj ke nichale bhag men utarakar so gaya tha, aur gaharee neend men pada hua tha. tab manjhee usake nikatt akar kahane laga, too bharee neend men pada hua kya karata haai? ut, apane devata kee dohai de! sambhv haai ki parameshvar hamaree chinta kare, aur hamara nash n ho.. tab unhon ne apas men kaha, ao, ham chitthee dalakar jan len ki yah vipaati ham par kis ke karan padee haai. tab unhon ne chitthee daalee, aur chitthee yona ke nam par nikalee. tab unhon ne us se kaha, hamen bata ki kis ke karan yah vipaati ham par padee haai? tera udhym kya haai? aur too kahan se aya haai? too kis desh aur kis jati ka haai? us ne un se kaha, maain ibraee hoon aur svarga ka parameshvar yahova jis ne jal sthl donon ko banaya haai, usee ka bhy manata hoon. tab ve nipatt dr gaa, aur us se kahane lage, too ne yah kya kiya haai? ve jan gaae the ki vah yahova ke sammukh se bhag aya haai, kyonki us ne ap hee unako bata diya tha.. tab unhon ne us se poochha, ham tere sath kya karen jis se samudra shaant ho jaae? us samay samudra kee laharen baddhtee hee jatee theen. us ne un se kaha, mujhe uttkar samudra men faenk do tab samudra shaant pad jaega kyonki maain janata hoo, ki yah bharee andhaee tumhare upar mere hee karan aai haai. taubhee ve bade yatn se khete rahe ki usako kinare par lagaae, parantu pahunch n sake, kyonaki samudra kee laharen unake virooddh baddhtee hee jatee theen. tab unhon ne yahova ko pukarakar kaha, he yahova ham binatee karate lae, ki is puroosh ke praan kee santee hamara nash n ho, aur n hamen nirdosh kee hatya ka doshaee ttara kyonki hee hayova, jo kuchh teree ichchha thee vahee too ne kiya haai. tab unhon ne yona ko uttkar samudra men faenk diya aur samudra kee bhyanak laharen thm gain. tab un manushyon ne yahova ka bahut hee bhy mana, aur usako bhentt chaddhai aur mannaten maneen.. yahova ne aek bada sa magaramachchh ttaraya tha ki yona ko nigal le aur yona us magaramachchh ke pett men teen din aur teen rat pada raha..

tab yona ne usake pett men se apane parameshvar yahova se praarthna karake kaha, maain ne sankatt men pede huae yahova kee dohai dee, aur us ne meree sun lee haai adhaelok ke udar men se maain chilla utta, aur too ne meree sun lee. too ne mujhe gahire

sagar men samudra kee thah tak dal diya aur maain dhaaraon ke beech men pada tha, teree bhdaki hui sab tarang aur laharen mere upar se bah gain. tab maain ne kaha, maain tere samhane se nikal diya gaya hoon taubhee tere pavitra maandair kee or fir takoonga. maain jal se yahan tak ghaira hua tha ki mere praan nikale jate the gaahira sagar mere charon or tha, aur mere sir men sivar lipatta hua tha. maain pahadon kee jad tak pahunch gaya tha maain sada ke liye boomi men band ho gaya tha taubhee hee mere parameshvar yahova, too ne mere praanon ko gadhe men se uttaya haai. jab maain moorchha khane laga, tab maain ne yahova ko smaran kiya aur meree praarthna tere pas varan tere pavitra maandair men pahunch gai. jo log dhaekhe kee vyarth vastuon par man lagate haai, ve apane karoonanidhaan ko chhod dete haain. parantu maain unche shabd se dhanyavad karake tujhe bali-dan chaddhaunga jo mannat maain ne manee, usako pooree karooonga. uddhar yahova hee se hota haai. aur yahova ne magaramachchh ko agyaa dee, aur us ne yona ko sthl par ugal diya..

tab yahova ka yah vachan doosaree bar yona ke pas pahuncha, uttkar us bade nagar neenave ko ja, aur jo bat maain tujh se kahoonga, usaka us men prachar kara. tab yona yahova ke vachan ke anasar neenave ko gaya. neenave aek bahut bada lagar tha, vah teen din kee yatra ka tha. aur yona ne nagar men pravesh karake aek din kee yatra pooree kee, aur yah prachar karata gaya, ab se chalees din ke beetane par neenave ulatt diya jaega. tab neenave ke manushyon ne parameshvar ke vachan kee prateeti kee aur upavas ka prachar kiya gaya aur bade se lekar chhotte tak sabhon ne ttatt oddha. tab yah samachar neenave ke raja ke kan men pahuncha aur us ne sinhasan par se ut, apana rajakeey oddhna utarakar ttatt oddh liya, aur rakh par baaitt gaya. aur raja ke pradhaanon se sammaati lekar neenave men is agyaa ka ddheend-dhora pittvaya, ki kya manushy, kya gaya-baail, kya bhed-bakaree, ya aur pashu, koi kuchh bhee n khaaen ve ne khaane aur n panee peeven. aur manushy aur pashu donon ttatt oddhe, aur ve parameshvar kee dohai chilla-achilla kar den aur apane kumarga se firen aur us upadrav se, jo ve karate haai, pashchatap karen. sambhv haai, parameshvar daya kare aur apanee ichchha badal de, aur usaka bhdka hua kop shaant ho jaae aur ham nash hone se bach jaen.. jab parameshvar ne unake kamon ko dekha, ki ve kumarga se fir rahe haai, tab parameshvar ne apanee ichchha badal dee, aur unakee jo haani karane kee ttanee thee, usako n kiya..

yah bat yona ko bahut hee buree lagee, aur usaka krodha bhdka. aur us ne yahova se yah kahakar praarthna kee, he yahova jab maain apane desh men tha, tab kya maain yahee bat n kahata tha? isee karan maain ne teree agyaa sunate hee tashareesh ko bhag jane ke liye faurtee kee kyonki maain janata tha ki too

anugrahakaree aur dayalu parameshvar haai, vilamb se kop karanevala karoonanidhaan haai, aur dukh dene se prasann naheen hota. so ab he yahova, mera praan le le kyonaki mere liye jeeavit rahane se marana hee bhla haai. yahova ne kaha, tera jo krodha bhdka haai, kya vah uचित haai? is par yona us nagar se nikalakar, usakee poorab or baaitt gaya aur vahan aek chhpar banakar usakee chhaya men baaitta hua yah dekhne laga ki nagar ko kya hoga? tab yahova parameshvar ne aek rend ka ped lagakar aesa baddhaya ki yona ke sir par chhaya ho, jis se usaka dukh door ho. yona us rend ke ped ke karan bahut hee anaandait hua. bihan ko jab pau fattne lagee, tab parameshvar ne aek keede ko bheja, jis ne rend ka ped aesa katta ki vah sookh gaya. jab soorya uga, tab parameshvar ne puravai bahakar loo chalai, aur ghaam yona ke sir par aesa laga ki vah moochrchha khane laga aur us ne yah kahakar mratyu mangee, mere liye jeeavit rahane se marana hee achchha haai. parameshvar ne yona se kaha, tera krodha, jo rend ke ped ke karan bhdka haai, kya vah uचित haai? us ne kaha, ha, mera jo krodha bhdka haai vah achchha hee haai, varan krodha ke mare marana bhee achchha hota. tab yahova ne kaha, jis rend ke ped ke liye too ne kuchh paarishram naheen kiya, n usako baddhaya, jo aek hee rat men hua, aur aek hee rat men nash bhee hua us par too ne taras khai haai. fir yah bada nagar neenave, jis men aek lakh bees hajar se aad-haim manushy haai, jo apane dahine baen hathon ka bhed naheen paahichanate, aur bahut ghareloo pashu bhee us men rahate haai, to kya maain us par taras n khaun?

fir us ne yahoshoo mahayajak ko yahova ke doot kee samhane khda hua mujhe dikhaya, aur shautan usakee daahinee or usake virodha karane ko khda tha. tab yahova ne shautan se kaha, he shautan yahova tuih ko ghaudke! yahova jo yarooshalem ko apana leta haai, vahee tuihe ghaudke! kya yah ag se nikalee hui lukatte see naheen haai? us samay yahoshoo to doot kee samhane maila vasr pahine huae khda tha. tab doot ne un se jo samhane khde the kaha, isake ye maaile vasr utaro. fir us ne us se kaha, dek, maain ne tera adharma door kiya haai, aur maain tuihe sundar

vasr paahina deta hoon. tab maain ne kaha, isake sir par aek shuuddh pagadee rakhee jaae. aur unhon ne usake sir par yajak ke yogy shuuddh pagadee rakhee, aur usako vasr pahinaae us samay yahova ka doot pas khda raha.. tab yahova ke doot ne yahoshoo ko chitakar kaha, senaon ka yahova tuij se yon kahata haai: yadi too mere magorn par chale, aur jo kuchh maain ne tuijhe saump diya haai usakee raksha kare, to too mere bhvan ka nyayee, aur mere anganon ka rakshak hoga aur maain tuij ko inake beech men ane jane doonga jo pas khde haain. he yaheashoo mahayajak, too sun le, aur tere bhaibandha jo tere samhane khde haain ve bhee sune, kyonki ve manushy shuubh shakun haain: suno, maain apane das shaakh ko praggat karoonga. us patthr ko dekh jise maain ne yahoshoo ke age rakha haai, us ek hee patthr ke upar sat anken banee haai, senaon ke yahova kee yah vane haai, dekh maain us patthr par khod deta hoo, aur is desh ke adharma ko ek hee din men door kar doonga. usee din tum apane apane bhaibandhauon ko dakhlati aur anjeeer ke vraksha ke neeche ane ke liye bulaooge, senaon ke yahova kee yahee vane haai.

4

fir jo doot mujh se baten karata tha, us ne akar mujhe aeese jagaya jaisa koi neend se jagaya jaae. aur us ne mujh se poochha, tuijhe kya dekh padta haai? maain ne kaha, aek deevatt haai, jo sampoon sone kee haai, aur usake kattore usakee chottee par haai, aur us par usake sat deepak haai jin ke upar battee ke liye sat sat naaliyan haain. aur deevatt ke pas jalapai ke do vraksha haai, aek us kattore kee dahinee or, aur doosara usakee bain ora. tab maain ne us doot se jo mujh se baten karata tha, poochha, he mere prabhu, ye kya haain? jo doot mujh se baten karata tha, us ne mujh ko uttr diya, kya too naheen janata ki ye kya haain? maain ne kaha, he mere prabhu maain naheen janata. tab us ne mujhe uttr dekar kaha, jaroobbabel ke liye yahova ka yah vachan haai: n to bal se, aur n shaaktai se, parantu mere atma ke dara hoga, mujh senaon ke yahova ka yahee vachan haai. he bade pahad, too kya haai? jaroobbabel ke samhane too maaidan ho jaaega aur vah chottee ka patthr yah pukarate huae aaga, us par anugrah ho, anugraha! fir yahova ka yah vachan mere pas pahuncha, jaroobbabel ne apane hathon se is bhvan kee nev dalee haai, aur vahee apane hathon se usako taaiyar bhee karaga. tab too janega ki senaon ke yahova ne mujhe tumhare pas bheja haai. kyonaki kis ne chhottee baton ke din tuchchh jana haai? yahova apanee in saton ankhon se saree prathvee par draashti karake sahlul ko jaroobbabel ke hath men dekhega, aur anandait hoga. tab maain ne us se fir poochha, ye do jalapai ke vraksha kya haain jo deevatt kee daahinee-bai or haain? fir maain ne doosaree bar us se poochha, jalapai kee donon daliyen kya haain jo sone kee donon naaliyen ke dara apne men se sonahala tel undelatee haain? us ne mujh se kaha, kya too naheen janata ki ye kya haain? maain ne kaha, he mere prabhu maain naheen janata. tab us ne kaha, inaka arth taje tel se bhre huae ve do puroosh haain jo saree prathvee ke parameshvar ke pas hajir rahate haain..

5

maain ne fir anken uttain to kya dekha, ki aek likha hua patra ud raha haai. doot ne mujh se poochha, tuijhe kya dekh padta haai? maain ne kaha, mujhe aek likha hua patra udta hua dekh padta haai, jis kee lambai bees hath aur chaudi das hath kee haai. tab us ne mujh se kaha, yah vah shaap haai jo is sare desh par padnevala haai kyonki jo koi choree karata haai, vah usakee aek or likhe huae ke anusar maail kee nain nikal diya jaaega aur jo koi shapath khata haai, vah usakee doosaree or likhe huae ke anusar maail kee nain nikal diya jaaega. senaon ke yahova kee yahee vane haai, maain usako aeese chalaunga ki vah chor ke ghar men aur mere nam kee joottee shapath khanevale ke ghar men ghausakar tharega, aur usako lakadee aur patthron samet nash kar dega.. tab jo doot mujh se baten karata tha, us ne bahar jakar mujh se kaha, anken uttakar dekh ki vah kya vastu nikalee ja rahee haain? maain ne poochha, vah kya haai? us ne kaha? vah vastu jo nikalee ja rahee haai vah aek aepa ka nap haai. aur us ne fir kaha, sare desh men logon ka yahee roop haai. fir maain ne kya dekha ki kikkar bhr shaeesho ka aek battkhra uttaya ja raha haai, aur aek sree haai jo aepa ke beech men baaittee haai. fir doot ne kaha, isaka arth dushtta haai. aur us ne us sree ko aepa ke beech men daba diya, aur shaeesho ke us battkhre ko lekar us se aepa ka munh ddhamp diya. tab maain ne anken uttai, to kya dekha ki do striyen chalee jatee haain jin ke pankh pavan men faaile huae haai, aur unake pankh lagalag ke se haai, aur ve aepa ko akash aur prathvee ke beech men udaae liae ja rahee haain. tab maain ne us doot se jo mujh se baten karata tha, poochha, ki ve aepa ko kahan liae jatee haain? us ne kaha, shainar desh men liae jatee haain ki vahan usake liye ek bhvan banaen aur jab vah taaiyar kiya jaa, tab vah epa vahan apane hee paae par khda kiya jaega..

6

maain ne fir anken uttai, aur kya dekha ki do pahadon ke beech se char rath chale ate haain aur ve pahad peetal ke haain. paahile rath men lal ghaede aur doore rath men kale, teesare rath men shvet aur chaute rath men chitakabare aur badamee ghaede haain. tab maain ne us doot se jo mujh se baten karata tha, poochha, he mere prabhu, ye kya haain? doot ne mujh se kaha, ye akash ke charon vayu haain jo saree prathvee ke prabhu ke pas upaasthiat rahate haai, parantu ab nikal aae haain. jis rath men kale ghaede haai, vah uttr desh kee or jata haai, aur shvet ghaede unake peechhe peechhe chale jate haai, aur chitakabare ghaede daakkhian desh kee or jate haain. aur badamee ghaedon ne nikalakar chaha ki jakar prathvee par faera karen. so doot ne kaha, jakar prathvee par faera karo. tab ve prathvee par faera karane lage. tab us ne mujh se pukarakar kaha, dek, ve jo uttr ke desh kee or jate haai, unhon ne vahan mere praan ko ttnda kiya haain.. fir yahova ka yah vachan mere pas pahuncha : bandhaui ke logon men se, heldaai, tobiyyah aur yadayah se kuchh le aur usee din too sapanyah ke putra yoshiyah ke

ghar men ja jis se ve babul se akar utare haain. unake hath se sona chandee le, aur mukutt banakar unhen yahosadak ke putra yahoshoo mahayajak ke sir par rakh aur us se yah kah, senaon ka yahova yon kahata haai, us puroosh ko dekh jis ka nam shaakh haai, vah apane hee sthan se ugakar yahova ke maandair ko banaaega. vahee yahova ke mandair ko banaaega, aur mahima paaega, aur apane sinhasan par virajaman hokar prabhuta karega. aur usake sinhasan ke pas aek yajak bhee rahega, aur donon ke beech mel kee sammatai hogee. aur ve mukutt helem, tobiiyah, yadayah, aur sapanyah ke putra hen ko mile, aur ve yahova ke mandair men smaran ke liye bane rahen.. fir door door ke log a akar yahova ke maandair banane men sahayata karenge, aur tum janoge ki senaon ke yahova ne mujhe tumhare pas bheja haai. aur yadi tum man lagakar apane parameshvar yahova kee agyaanon ka palan karo to yah bat pooree hogee..

7

fir dara raja ke chauthe varsha men kisalev nam naven maheene ke chauthe din ko, yahova ka vachan jakaryah ke pas pahuncha. betelavasiyon ne shareser aur regememelek ko isaliye bheja tha ki yahova se binatee kare, aur senaon ke yahova ke bhvan ke yajakon se aur bhvishyadvktaon se bhee yah poochhe, kya hamen upavas karake rona chaahiye jaaise ki kitane vasharen se ham panchaven men upavas aur vilap karate the, tab kya tum sachamuch mere hee liye upavas karate the? aur jab tum khate-peete ho, to kya tum apane hee liye naheen khate, aur kya tum apane hee liye naheen peete ho? kya yah vahee vachan naheen haai, jo yahova agale bhvishyadvktaon ke dara us samay pukarakar kahata raha jab yarooshalem apane charon or ke nagaron samet chaain se basa hua tha, aur dakkhian desh aur neeche ka desh bhee basa hua tha? fir yahova ka yah vachan jakaryah ke pas pahuncha, senaon ke yahova ne yon kaha haai, khrai se nyay chukana, aur aek doosare ke sath krupa aur daya se kam karana, n to vidhava par andhor karata, n anathon par, n paradeshae par, aur n deen jan para aur n apane apane man men aek doosare kee haani kee kalpana karana. parantu unhon ne chitt lagana n chaha, aur hatt kiya, aur apane kanon ko moond liya taaki sun n saken. varan unhon ne apane day ko isaliye bajra sa bana liya, ki ve us vyavastha aur us vachanon ko n man saken jinhen senaon ke yahova ne apane atma ke dara agale bhvishyadvktaon se kahala bheja tha. is karan senaon ke yahova kee or se un par bada krodha bhdka. aur senaon ke yahova ka yah vachan hua, ki jaaise mere pukarane par unhon ne naheen suna, vaaise hee usake pukarane par maain bhee n sunoonga varan maain unhen un sab jaatiyon ke beech jinhen ve naheen janate, andhaee ke dara titara-abitar kar doonga, aur unaka desh unake peechhe aesa ujad pada rahega ki us men kisee ka ana jana n hoga isee praakar se unhon ne manohar desh ko ujad kar diya..

uja desh men ayyoob nam ek purush tha vah khra aur seedha tha aur parameshvar ka bhy manata aur burai se pare rahata tha. usake sat bette aur teen bettya-ian utpann hui. fir usake sat hajar bhed-bakaariya, teen hajar unt, panch sau jodee baail, aur panch sau gadahiya, aur bahut hee dasa-dasiyan theen varan usake itanee sampaatiai thee, ki poorabiyon men vah sab se bada tha. usake bette upane apane din par ek doosare ke ghar men khane-peene ko jaya karate the aur apanee teenon baahinon ko apane sang khane-peene ke liye bulava bhejate the. aur jab jab jevanar ke din poore ho jate, tab tab ayyoob unhen bulavakar paavitra karata, aur badee bhor uttkar unakee ginatee ke anusar homabali chaddhata tha kyonaki ayyoob sochata tha, ki kadaachita mere ladkon ne pap karake parameshvar ko chhod diya ho. isee reeti ayyoob sadaiv kiya karata tha. aek din yahova parameshvar ke putra usake samhane upaasthiat hua, aur unake beech shautan bhee aya. yahova ne shautan se poochha, too kahan se ata haai? shautan ne yahova ko uttar diya, ki prathvee par idhara-udhar ghoomate-firate aur dolate-dalate aya hoo. yahova ne shautan se poochha, kya too ne mere das ayyoob par dhyan diya haai? kyonki usake tuly khra aur seedha aur mera bhy mananevala aur burai se door rahanevala manushy aur koi naheen haai. shautan ne yahova ko uttar diya, kya ayyoob parameshvar ka bhy bina labh ke manata haai? kya too ne usakee, aur usake ghar kee, aur jo kuchh usaka haai usake charon or bada naheen bandhaa? too ne to usake kam par ashaesh dee haai, aur usakee sampaatiai desh bhr men faail gai haai. parantu ab apana hath baddhakar jo kuchh usaka haai, use choo tab vah tere munh par teree ninda karega. yahova ne shautan se kaha, sun, jo kuchh usaka haai, vah sab tere hath men haai keval usake shareer par hath n lagana. tab shautan yahova ke samhane se chala gaya. aek din ayyoob ke bette-bettyaian bade bhai ke ghar men khate aur dakhmadha pee rahe the tab aek doot ayyoob ke pas akar kahane laga, ham to baailon se hal jot rahe the, aur gadaahiyan unake pas char rahee thee, ki shaba ke log dhaava karake unako le gaa, aur talavar se tere sevakon ko mar dala aur maain hee akela bachakar tuijhe samachar dene ko aya hoo. vah abhee yah kah hee raha tha ki doosara bhee akar kahane laga, ki parameshvar kee ag akash se giree aur us se bhed-bakaariyan aur sevak jalakar bhsn ho gaae aur maain hee akela bachakar tuijhe samachar dene ko aya hoo. vah abhee yah kah hee raha tha, ki aek aur bhee akar kahane laga, ki kasadee log teen gol bandhakar unt-ton par dhaava karake unhen le gaa, aur talavar se tere sevakon ko mar dala aur maain hee akela bachakar tuijhe samachar dene ko aya hoo. vah abhee yah kah hee raha tha, ki aek aur bhee akar kahane laga, tere bett-bettyaian bade bhai ke ghar men khate aur dakhmadha peete the, ki jangal kee or se badee prachhand vayu chalee, aur ghar ke charon konon ko aeesa jhonka mara, ki vah javanon par gir pada aur ve mar gaae aur maain hee akela bachakar tuijhe samachar dene ko aya hoo. tab ayyoob utta, aur бага faad, sir mundakar boomi par gira aur dandvata karake kaha,

maain apanee man ke pett se nanga nikala aur va-heen nanga lautt jaunga yahova ne diya aur yahova hee ne liya yahova ka nam dhany haai. in sab baton men bhee ayyoob ne n to pap kiya, aur n parameshvar par moorkhta se dosh lagaya.

fir aek aur din yahova parameshvar ke putra usake samhane upaasthiat hua, aur unake beech shautan bhee usake samhane upasthiat hua. yahova ne shautan se poochha, too kahan se ata haai? shautan ne yahova ko uttar diya, ki idhara-udhar ghoomate-firate aur dolate-dalate aya hoo. yahova ne shautan se poochha, kya too ne mere das ayyoob par dhyan diya haai ki prathvee par usake tuly khra aur seedha aur mera bhy mananevala aur burai se door rahanevala manushy aur koi naheen haai? aur yadhaapi too ne mujhe usako bina karan satyanash karate ko ubhara, taubhee vah ab tak apanee khrai par bana haai. shautan ne yahova ko uttar diya, khal ke badale khal, parantu praan ke badale manushy apana sab kuchh de deta haai. so keval apana hath baddhakar usakee haaddiyan aur mans cho, tab vah tere munh par teree ninda karega. yahova ne shautan se kaha, sun, vah tere hath men haai, keval usaka praan chhod dena. tab shautan yahova ke samhane se nikala, aur ayyoob ko panv ke talave se le sir kee chotte tab bade bade faodon se peedit kiya. tab ayyoob khujalane ke liye aek tteekara lekar rakh par baait gaya. tab usakee sree us se kahane lagee, kya too ab bhee apanee khrai par bana haai? parameshvar kee ninda kar, aur chahe mar jae to mar ja. us ne us se kaha, too ek mooddh sree kee see baten karatee haai, kya ham jo parameshvar ke hath se sukh lete haai, dukh n len? in sab baton men bhee ayyoob ne apane munh se koi pap naheen kiya. jab temanee aaleepaj, aur shoohie biladad, aur namatee sopar, ayyoob ke in teen mitraen ne is sab vipaattai ka samachar paya jo us par padee thee, tab ve apas men yah ttanakar ki ham ayyoob ke pas jakar usake sang vilap karenge, aur usako shaaantai denge, apane apane yahan se usake pas chale. jab unhon ne door se ankh uttakar ayyoob ko dekha aur use n cheenh sake, tab chillakar ro utte aur apana apana бага faada, aur akash kee or dhooli udakar apane apane sir par dalee. tab ve sat din aur sat rat usake sang boomi par baaitte rahe, parantu usaka dukh bahut hee bada jan kar kisee ne us se aek bhee bat n kahee.

naomee ke paati aeleeemelek ke kul men usaka aek bada dhanee kuttumbee tha, jisaka nam boaj tha. aur moabin root ne naomee se kaha, mujhe kisee khet men jane de, ki jo mujh par anugrah kee drashti kare, usake peeche peeche maain sila beenatee jaun. us ne kaha, chalee ja, bettee. so vah jakar aek khet men lavanevalon ke peeche beenane lagee, aur jis khet men vah sanyog se gai thee vah aeleeemelek ke kuttumbee boaj ka tha. aur boaj betalehem se akar lavanevalon se kahane laga, yahova tumhare sang rahe, aur ve us se bole, yahova tujhe ashaesh de. tab boaj ne apane us sevak se jo lavanevalon ke upar ttharaya gaya tha poochha, vah kis kee kanya haai. jo sevak lavanevalon ke upar ttharaya gaya tha us ne uttr diya, vah moabin kanya haai, jo naomee ke sang moab desh se lautt ai haai. us ne kaha tha, mujhe lavanevalon ke peeche peeche poolon ke beech beenane aur balen battorane de. to vah ai, aur bhor se ab tak yaheen haai, keval thodde der tak ghar men rahee thee. tab boaj ne root se kaha, he merree bettee, kya too sunatee haai? kisee doosare ke khet men beenane ko n jana, merree hee daasiyon ke sang yaheen rahana. jis khet ko ve lavateen hon usee par tera dhyan bandha rahe, aur unheen ke peeche peeche chala karana. kya maain ne javanon ko agyaa naheen dee, ki tujh se n bolen? aur jab jab tujhe pyas lage, tab tab too baratanon ke pas jakar javanon ka bhra hua panee peena. tab vah boomi tak jhukakar munh ke bal giree, aur us se kahane lagee, kya karan haai ki too ne mujh parade-shain par anugrah kee drashti karake merree suadhai lee haai? boaj ne uttr diya, jo kuchh too ne paati marane ke peeche apanee sas se kiya haai, aur too kis reeti apane mata pita aur jannaboomi ko chhodkar aeese logon men ai haai jinako pahile too ne janatee thee, yah sab mujhe vistar ke sath bataya gaya haai. yahova teree karanee ka fal de, aur israael ka parameshvar yahova jisake pankhon ke tale too sharan lene ai haai tujhe poora badala den us ne kaha, he mere prabhu, tere anugrah kee draashti mujh par banee rahe, kyonki yadhyapi maain teree dasiyan men se kisee ke bhee barabar naheen hoo, taubhee too ne apanee daasee ke man men paaitnevalee baten kahakar mujhe shaaantai dee haai. fir khane ke samay boaj ne us se kaha, yaheen akar rottee kha, aur apana kaur sirake men bora. to vah lavanevalon ke pas baaitt gai aur us ne usako bhunee hui balen dee aur vah khakar trapt hui, varan kuchh bacha bhee rakha. jab vah beenane ko uttee, tab boaj ne apane javanon ko agyaa dee, ki usako poolon ke beech beech men bhee beenane do, aur dosh mat lagao. varan mutthee bhr jane par kuchh kuchh nikal kar gira bhee diya karo, aur usake beenane ke liye chhod do, aur use ghaudko mata. so vah sanjh tak khet men beena-

tee rahee tab jo kuchh been chukee use fattka, aur vah ki aopa bhr jau nikala. tab vah use utthakar nagar men gai, aur usakee sas ne usaka beena uha dekha, aur jo kuchh us ne trapt hokar bachaya tha usako us ne nikalakar apane sas ko diya. usakee sas ne us se poochha, aj too kahan beenatee, aur kahan kam karatee thee? dhany vah ho jis ne teree suadhai lee haai. tab us ne apane sas ko bata diya, ki maain ne kis ke pas kam kiya, aur kaha, ki jis puroosh ke pas maain ne aj kam kiya usaka nam boaj haai. naomee ne apanee bahoo se kaha, yah yahova kee or se ashaesh paa, kyonki us ne n to jeeavit par se aur n mare huon par se apane karoona hattai! fir naomee ne us se kaha, vah puroosh to hamara kuttumbee haai, varan un men se haai jinako hamaree boomi chhudane ka aadhaikar haai. fir root moabin bole, us ne mujh se yah bhee kaha, ki jab tak mere sevak meree kattnee pooree n kar chuken tak tak unheen ke sang sang lagee raha. naomee ne apane bahu root se kaha, meree bettee yah achchha bhee haai, ki too usee kee daasiyon ke sath sath jaya kare, aur ve tujh ko doosare ke khet men n milen. isaliye root jau aur gehoon donon kee kattnee ke ant tak beenae ke liye boaj kee dasiyon ke sath sath lagee rahee aur apane sas ke yahan rahatee thee..

3

usakee sas naomee ne us se kaha, he meree bettee, kya maain tere liye ttanv n ddoonddoon ki tera bhla ho? ab jisakee dasiyon ke pas too thee, kya vah boaj hamara kuttumbee naheen haai? vah to aj rat ko khlihan men jau fattkega. too snan kar tel laga, vasr pahinakar khlihan ko ja parantu jab tak vah puroosh kha pee n chuke tab tak apane ko us par pragatt n karana. aur jab vah lett jaa, tab too us ke lettne ke sthan ko dekh lena fir bheetar ja usakee panv ughaarake lett jana tab vahee tuijhe bataaega ki tuijhe kya karana chahiye. us ne us se kaha, jo kuchh too kahatee haai vah sab maain karoongee. tab vah khalihan ko gai aur apane sas kee agyaa ke anusar hee kiya. jab boaj kha pee chuka, aur usaka man anandait hua, tab jakar rashai ke aek sire par lett gaya. tab vah chupachap gai, aur usake panv ughaar ke lett gai. adhae rat ko vah puroosh chaunk pada, aur age kee or jhukakar kya paya, ki mere panvon ke pas koi sree lettne haai. us ne poochha, too kaun haai? tab vah bole, maain to teree dasee root hoon too apane dasee ko apane char oddha de, kyonki too hamaree boomi chhudanevala kuttumbee haai. us ne kaha, he bettee, yahova kee or se tuij par ashaesh ho kyonki too ne apane pichhlee praeeait pahilee se aadhaik dikhai, kyonki to, kya dhane, kya kangal, kisee javan ke peechhe naheen lagee. isaliye ab, he meree bettee, mat dr, jo kuchh too kahege maain tuij se karoonga kyonki mere nagar ke sab log janate haain ki too bhlee sree haai. aur ab sach to haai ki maain chhudanevala kuttumbee hoo, taubhee aek aur haai jise mujh se paahile hee chhudane ka adhaikar haai. so rat bhr ttharee rah, aur sabere yadi vah tere liye chhudanevale ka kam karana chahe to achchha, vahee aeesa kare parantu yaadi vah tere liye chhudanevale ka kam karane ko prasann n ho, to yahova ke jeevan kee shapath maain

hee vah kam karoonga. bhor tak lettne raha. tab vah usake panvon ke pas bhor tak lettne rahee, aur us se paahile ki koi doosare ko cheenh sake vah uttee aur boaj ne kaha, koi janane n paae ki khlihan men koi sree ai thee. tab boaj ne kaha, jo char too oddhe haai use faailakar thambh le. aur jab us ne use thambha tab us ne chh: napuae jau napakar usako utta diya fir vah nagar men chalee gai. jab root apane sas ke pas ai tab us ne poochha, he bettee, kya hua? tab jo kuchh us puroosh ne us se kiya tha vah sab us ne use kah sunaya. fir us ne kaha, yah chh: napuae jau us ne yah kahakar mujhe diya, ki apane sas ke pas choochhe hath mat ja. us ne kaha, he meree bettee, jab tak too n jane ki is bat ka kaaisa fal nikalega, tab tak chupachap baaitte rah, kyonki aj us puroosh ko yah kam bina nipattaee chaain n padega..

tab boaj faattk ke pas jakar baaitt gaya aur jis chhudanevale kuttumbee kee charcha boaj ne kee thee, vah bhee a gaya. tab boaj ne kaha, he faulane, ighar akar yaheen baaitt ja to vah udhar jakar baaitt gaya. tab us ne nagar ke das vraddh logon ko bulakar kaha, yaheen baaitt jao ve bhee baaitt gaee. tab vah chhudanevale kuttumbee se kahane laga, naomee jo moab desh se lautt ai haai vah hamaree bhai aeleemelek kee aek ttukada boomi bechana chahatee haai. isaliye maain ne socha ki yah bat tuij ko jatakar kahoonga, ki too usako in baaitte huon ke samhane aur mere logon ke in vraddh logon ke samhane mol le. aur yadi too usako chhudana chahe, to chhuda aur yadi too chhudana n chahe, to mujhe aeesa hee bata de, ki maain samajh loon kyonki tuijhe chhod usake chhudane ka aadhaikar aur kisee ko naheen haai, aur tere bad maain hoon. us ne kaha, maain use chhudaunga. fir boaj ne kaha, jab too us boomi ko naomee ke hath se mol le, tab use root moabin ke hath se bhee jo mare huae kee sree haai is manasa se mol lena padega, ki mare huae ka nam usakee bhag men sthiar kar de. us chhudanevale kuttumbee ne kaha, maain usako chhuda naheen sakata, aeesa n ho ki mera nij bhag bigad jae. isaliye mera chhudane ka aadhaikar too le le, kyonki mujh se vah chhudaya naheen jata. agale samay men israela men chhudane ke badalane ke vishay men sab pakka karane ke liye yah vyavahar tha, ki manushy apane jootee utar ke doosare ko deta tha. israela men gavahee isee reeati hotee thee. isaliye us chhudanevale kuttumbee ne boaj se yah kahakar ki too use mol le, apane jootee utaree. tab boaj ne vraddh logon aur sab logon se kaha, tum aj is bat ke sakshae ho ki jo kuchh aeleemelek ka aur jo kuchh kilyon aur mahalon ka tha, vah sab maain naomee ke hath se mol leta hoon. fir mahalon kee sree root moabin ko bhee maain apane patnee karane ke liye is manasa se mol leta hoo, ki mare huae ka nam usake nij bhag par sthiar karoo, kaheen aeesa n ho ki mare huae ka nam usake bhaiyon men se aur usake sthan ke faattk se mitt jae tum log aj sakshae tthare ho. tab faattk ke pas jitane log the unhon ne aur vraddh logon ne kaha, ham sakshae haain. yah jo sree tere ghar men atee haai usako yahova israela ke gharane kee do upajanevalee rahel aur lia: ke saman

kare. aur too aepraata men veerata kare, aur betale-
hem men tera bada nam ho aur jo santan yahova is
javan sree ke dara tujhe de usake karan se tera gha-
rana peres ka sa ho jaa, jo tamar se yahooda ke dara
utpann hua. tab boaj ne root ko byah liya, aur vah
usakee patnee ho gai aur jab vah usake pas gaya tab
yahova kee daya se us ko garbh raha, aur usake aek
betta utpann hua. tab striayon ne naomee se kaha,
yahova dhany haai, jis ne tujhe aj chhudanevale kut-
tumbee ke bina naheen chhoda israael men isaka bada
nam ho. aur yah tere jee men jee le aneala aur tera
buddhaye men palanevala ho, kyonaki teree bahoo jo
tujh se praem rakhtee aur sat betton se bhee tere liye
shraeshtt haai usee ka yah betta haai. fir naomee us
bachche ko apanee god men rakhkar usakee dhaai ka
kam karane lagee. aur usakee padosinon ne yah ka-
hakar, ki naomee ke aek betta utpann hua haai, ladke
ka nam obed rakha. yishau ka pita aur daud ka dada
vahee hua.. peres kee yah vanshaavalee haai, arthata
peres se hebraen, aur hebraen se ram, aur ram se am-
meenadab, aur ammeenadab se nahashaen, aur na-
hashaen se salmon aur salmon se boaj, aur boaj se
obed, aur obed se yishau, aur yishau se daud utpann
hua..

 kisee manushy ko parameshvar dhan sampaati aur

pratishtta yahan tak deta haai ki jo kuchh usaka man
 chahata haai use usakee kuchh bhee ghattee naheen
 hotee, taubhee paramashevar usako us men se khane

 prasann rahe aur n usakee antaim kriya kee jaa, to
 maain kahata hoon ki aese manushy se adhoore

in baton ke bad jab raja kshayarsha kee jalalahatt tndee ho gai, tab us ne raneer vashatee kee, aur jo kam us ne kiya tha, aur jo usake vishay men agyaa nikalee thee usakee bhee sudhai lee. tab raja ke sevak jo usake tthaluae the, kahane lage, raja ke liye sundar tatha yuvatee kunvariyan ddoondhee jaaen. aur raja ne apane rajy ke sab praanton men logon ko isaliye niyukt kiya ki ve sab sundar yuvatee kunvariyan ko shooshan gaddh ke ranavas men ikattha karen aur striayon ke rakhvale hege ko jo raja ka khoja tha saup den aur shuuddh karane ke yogy vastuaen unhen dee jaaen. tab un men se jo kunvaree raja kee draashti men uttam thhare, vah raneer vashatee ke sthan par pattranee banai jaae. yah bat raja ko pasand ai aur us ne aeese hee kiya. shooshan gaddh men mordakaai nam aek yahooder rahata tha, jo keesh nam ke aek binyameenee ka parapota, shaimee ka pota, aur yair ka putra tha. vah un bandhauon ke sath yarooshalem se bandhauai men gaya tha, jinhen babel ka raja nabookadanassar, yahooda ke raja yakonyah ke sang bandhaua karake le gaya tha. us ne hadassa nam apanee chacheree bahin ko, jo ester bhee kahalatee thee, pala-posita tha kyonaki usake mata-mita koi n the, aur vah ladkee sundar aur roopavatee thee, aur jab usake mata-pita mar gaa, tab mordakaai ne usako apanee bettee karake pala. jab raja kee agyaa aur niyam sunaae gaa, aur bahut see yuvatee striaya, shooshan gaddh men hege ke adhaikar men ikatthee kee gai, tab aester bhee rajabhvan men striayon ke rakhvale hege ke adhaikar men saunpee gai. aur vah yuvatee sree usakee draashti men achchhee lagee aur vah us se prasann hua, tab us ne bina vilamb use rajabhvan men se shuuddh karane kee vastuae, aur usaka bhojan, aur usake liye chunee hui sat sahelian bhee dee, aur usako aur usakee sahelian ko ranavas men sab se achchha rahane ka sthan diya. aester ne n apanee jati batai thee, n apana kula kyonki mordakaai ne usako agyaa dee thee, ki use n batana. mordakaai to praatidin ranavas ke angan ke samhane tthalata tha taki jane kee aester kaaisee haai aur usake sth kya hoga? jab aek aek kanya kee baree hui, ki vah kshayarsha raja ke pas jaa, aur yah us samay hua jab usake sath striayon ke liye tharaae huae niyam ke anasar barah mah tak vyavahar kiya gaya tha arthata unake

shuuddh karane ke din is reeti se beet gaa, ki chh mah tak gandharas ka tel lagaya jata tha, aur chh mah tak sugandhadavy, aur striyavon ke shuuddh karane ka aur aur saman lagaya jata tha . is prakar se vah kanya jab raja ke pas jatee thee, tab jo kuchh vah chahatee ki ranavas se rajabhvan men le jaa, vah usako diya jata tha. sanjh ko to vah jatee thee aur bihan ko vah laut-tkar ranavas ke doosare ghar men jakar rakheliyon ke rakhvale raja ke khoje shaashagaj ke aadhaikar men ho jatee thee, aur raja ke pas fir naheen jatee thee. aur yadi raja us se prasann ho jata tha, tab vah nam lekar bulai jatee thee. jab mordakaai ke chacha abeehaail kee bettee aester, jisako mordakaai ne bettee man-akar rakha tha, usakee baree ai ki raja ke pas jaa, tab jo kuchh striyavon ke rakhvale raja ke khoje hege ne usake liye ttharaya tha, us se adhaik us ne aur kuchh n manga. aur jitanon ne aester ko dekha, ve sab us se prasann hue. yon aester rajabhvan men raja kshayarsha ke pas usake rajy ke sataven varsha ke tebet nam dasaven maheene men pahunchai gai. aur raja ne aester ko aur sab striyavon se adhaik pyar kiya, aur aur sab kunvaariyon se aadhaik usake anugrah aur krupa kee draashtti usee par hui, is karan us ne usake sir par rajamukutt rakha aur usako vashatee ke sthan par rane banaya. tab raja ne apane sab hakimon aur karmachariyon kee badee jevanar karake, use aester kee jevanar kaha aur praanton men chhuttee dilai, aur apanee udarata ke yogy inam bhee bantte. jab kunvaariyan doosaree bar ikathee kee gai, tab mordakaai rajabhvan ke faattk men baaita tha. aur aester ne apanee jaati aur kul ka pata naheen diya tha, kyonaki mordakaai ne usako aeesee agyaa dee thee ki n bataae aur aester mordakaai kee bat aeesee manatee thee jaaise ki usake yahan apane palan poshan ke samay manatee thee. unheen dinon men jab mordakaai raja ke rajabhvan ke faattk men baaita karata tha, tab raja ke khoje jo darapal bhee the, un men se bikatan aur teresh nam do janon ne raja kshayarsha se roottkar us par hath chalane kee yuktai kee. yah bat mordakaai ko maloom hui, aur us ne aester rane-nee ko yah bat batai, aur aester ne mordakaai ka nam lekar raja ko chitaunee dee. tab janch padtal hone par yah bat sach nikalee aur ve donon vraksha par lattka diae gaa, aur yah vrattant raja ke samhane itihās kee pustak men likh liya gaya.

in baton ke bad raja kshayarsha ne agamee hammadata ke putra haman ko unch pad diya, aur usako mahatv dekar usake liye usake sathee hakimon ke sinhasanon se uncha sinhasan ttharaya. aur raja ke sab karmacharee jo rajabhvan ke faattk men raha karate the, ve haman ke samhane jhukakar dandvat kiya karate ke kyonaki raja ne usake vishay aeesee hee agyaa dee thee parantu mordakaai n jhukata tha aur n usako dandvat karata tha. tab raja ke karmacharee jo rajabhvan ke faattk men raha karate the, unhon ne mordakaai se poochha, too raja kee agyaa kyon ulangan karata haai? jab ve us se pratidin aeese hee kahate rahe, aur us ne unakee aek n manee, tab unhon ne yah dekhne kee ichchha se ki mordakaai kee yah bat chalegee ki nahee, haman ko bata diya us ne to un-

ako bata diya tha ki maain yahooodee hoo. jab haman ne dekha, ki mordakaai naheen jhukata, aur n mujh ko dandvat karata haai, tab haman bahut hee krodhait hua. us ne keval mordakaai par hath chalana apanee maryada ke neeche jana. kyonki unhon ne haman ko yah bata diya tha, ki mordakaai kis jati ka haai, isaliye haman ne kshayarsha ke samraajy men rahanevale sare yahoodiyan ko bhee mordakaai kee jaati janakar, vīnash kar dalane kee yuktai nikalee. raja kshayarsha ke barahaven varsha ke neesan nam paahile maheene me, haman ne adar nam barahaven maheene tak ke aek aek din aur aek aek maheene ke liye poora arthata chitthee apane samhane dlavai. aur haman ne raja kshayarsha se kaha, tere rajy ke sab praanton men rahanevale desh desh ke logon ke madhy men titar bitar aur chhtitikee hui aek jati haai, jisake niyam aur sab logon ke niyamon se bhainn haain aur ve raja ke kanoon par naheen chhalate, isaliye unhen rahane dena raja ko labhdayak naheen haai. yaadi raja ko sveekar ho to unhen nashtt karane kee agyaa likhee jaa, aur maain raj ke bhndariyon ke hath men rajabhndar men pahunchane ke lilaye, das hajar kikkar chandee doonga. tab raja ne apanee angoottee apane hath se utarakar agagee hammadata ke putra haman ko, jo yahoodiyan ka vaaiiree tha de dee. aur raja ne haman se kaha, vah chandee tuihe dee gai haai, aur ve log bhee, taaki too un se jaaisa tera jee chahe vaaisa hee vyavahar kare. yon usee pahile maheene ke terahaven din ko raja ke lekhk bulaae gaa, aur haman kee agyaa ke anusar raja ke sab adhaipaatiyo, aur sab praanton ke pradhaano, aur desh desh ke logon ke haakimon ke liye chitthiya, aek aek praant ke aksharon me, aur aek aek desh ke logon kee bhasha men raja kshayarsha ke nam se likhee gai aur un men raja kee angoottee kee chhap lagai gai. aur rajy ke sab praanton men is ashay kee chitthiyan har daakiyon ke dara bhejee gai ki aek hee din me, arthata adar nam barahaven maheene ke terahaven din ko, kya javan, kya booddha, kya sre, kya balak, sab yahoodee vidhvansaghaat aur nash kiae jaen aur unakee dhan sammaattai loott lee jae. us agyaa ke lekh kee nakalen sab praanton men khulee hui bhejee gai ki sab deshaen ke log us din ke liye taaiyar ho jaen. yah agyaa shooshan gaddh men dee gai, aur daakiae raja kee agyaa se turant nikal gaee. aur raja aur haman to jevanar men baait gaee parantu shooshan nagar men ghabarahatt faail gai.

4

jab mordakaai ne jan liya ki kya kya kiya gaya haai tab mordakaai vasr faad, ttatt pahin, rakh dalakar, nagar ke madhy jakar unche aur dukhbhre shabd se chillane laga aur vah rajabhvan ke faattk ke samhane pahuncha, parantu ttatt pahine huae rajabhvan ke faattk ke bheetar to kisee ke jane kee agyaa n thee. aur aek aek praant me, jahan jahan raja kee agyaa aur niyam pahuncha, vahan vahan yahooodee bada vilap karane aur upavas karane aur rone peettne lage varan bahutere ttatt paahine aur rakh dale huae pade rahe. aur aester rane kee saealioyon aur khojon ne jakar usako bata diya, tab rane shaek se bhr gai aur mordakaai ke pas vasr bhejakar yah kahalaya ki ttatt

utarakar inhen paahin le, parantu us ne unhen n liya. tab aester ne raja ke khojon men se hatak ko jise raja ne usake pas rahane ko ttharaya tha, bulavakar agyaa dee, ki mordakaai ke pas jakar maloom kar le, ki kya bat haai aur isaka kya karan haai. tab hatak nagar ke us chauk me, jo rajabhvan ke faattk ke samhane tha, mordakaai ke pas nikal gaya. mordakaai ne usako sab kuchh bata diya ki mere upar kya kya beeta haai, aur haman ne yahoodiyon ke nash karane kee anumati pane ke liye rajabhndar men kitanee chandee bhr dene ka vachan diya haai, yah bhee tteek tteek batala diya. fir yahoodiyon ko vinash karane kee jo agyaa shooshan men dee gai thee, usakee aek nakal bhee us ne hatak ke hath me, aester ko dikhane ke liye dee, aur use sab hal batane, aur yah agyaa dene ko kaha, ki bheetar raja ke pas jakar apane logon ke liye gidgidakar binatee kare. tab hatak ne aester ke pas jakar mordakaai kee baten khal sunai. tab aester ne hatak ko mordakaai se yah kahane kee agyaa dee, ki raja ke sab karmachaariyo, varan raja ke praanton ke sab logon ko bhee maloom haai, ki kya purush kya sree koi kyon n ho, jo agyaa bina paae bheetaree angan men raja ke pas jaega usake mar dalane hee kee agyaa haai keval jisakee or raja sone ka rajadand bad-dhaae vahee bachata haai. parantu maain ab tees din se raja ke pas naheen bulai gai hoo. aester kee ye baten mordakaai ko sunai gai. tab mordakaai ne aester ke pas yah kahala bheja, ki too man hee man yah vichar n kar, ki maain hee rajabhvan men rahane ke karan aur sab yahoodiyon men se bachee raahoongee. ky-onaki jo too is samay chupachap rahe, to aur kisee n kisee upay se yahoodiyon ka chhuttkara aur uddhar ho jaega, parantu too apane pita ke gharane samet nash hogee. fir kya jane tuihe aeese hee kattnai samay ke liye rajapad mil gaya ho? tab aester ne mordakaai ke pas yah kahala bheja, ki too jakar shooshan ke sab yahoodiyon ko ikattha kar, aur tum sab milakar mere nimitt upavas karo, teen din rat n to kuchh khao, aur n kuchh peeo. aur maain bhee apanee saheliyon saahit usee reeti upavas karoongee. aur aeese hee dasha men maain niyam ke viruddh raja ke pas bheetar jaungee aur yadi nash ho gai to ho gai. tab mordakaai chala gaya aur aester kee agyaa ke anusar hee us ne kiya.

5

teesare din aester apane rajakeey vasr paahinakar rajabhvan ke bheetaree angan men jakar, rajabhvan ke samhane khdee ho gai. raja to rajabhvan men rajagae par bhvan ke dar ke samhane virajaman tha aur jab raja ne aester rane ke angan men khdee huirar dekha, tab us se prasann hokar sone ka rajadand jo usake hath men tha usakee or baddhaya. tab aester ne nikatt jakar rajadand kee lok chhui. tab raja ne us se poochha, hee aester rane, tuihe kya chaahiye? aur too ky mangatee haai? mang aur tuihe adha rajy tak diya jaaega. aester ne kaha, yadi raja ko sveekar ho, to aj haman ko sath lekar us jevanar men aa, jo maain ne raja ke liye taaiyar kee haai. tab raja ne agyaa dee ki haman ko turant le ao, ki aester ka nimantran grahan kiya jaae. so raja aur haman aester kee taaiyar kee hui jevanar men aae. jevanar ke samay jab

dakhmadha piya jata tha, tab raja ne aester se kaha, tera kya nivedan haai? vah poora kiya jaaega. aur too kya mangatee haai? mang, or adha rajy tak tuihe diya jaaega. aester ne uttar diya, mera nivedan aur jo maain mangatee hoo vah yah haai, ki yadi raja mujh par prasann haai aur mera nivedan sunana aur jo varadan maain mangoon vahee dena raja ko sveekar ho, to raja aur haman kal us jevanar men aen jise maain unake liye karoongee, aur kal maain raja ke is vachan ke anusar karoongee. us din haman anandaait or man men prasann hokar bahar gaya. parantu jab us ne mordakaai ko rajabhvan ke faattk men dekha, ki vah usake samhane n to khda hua, aur n hatta, tab vah mordakaai ke viruddh krodha se bhr gaya. taubhee vah apane ko rokakar apane ghar gaya aur apane mitraen aur apanee sree jeres ko bulava bheja. tab haman ne, un se apane dhan ka vibhv, aur apane ladke-balon kee baddhtee aur raja ne usako kaaise kaaise baddhaya, aur aur sab haakimon aur apane aur sab karmachaariyon se uncha pad diya tha, in sab ka varnn kiya. haman ne yah bhee kaha, ki aester rane ne bhee mujhe chhod aur kisee ko raja ke sang, apanee kee hui jevanar men aen n diya aur kal ke liye bhee raja ke sang us ne mujhee ko nevata diya haai. taub-hee jab jab mujhe vah yahoodee mordakaai rajabhvan ke faattk men baaita hua dikhai padta haai, tab tab yah sab meree draashtti men vyarth haai. usakee patnee jeres aur usake sab mitraen ne us se kaha, pachas hath uncha faanse ka ek khmbha, banaya jaa, aur bihan ko raja se kahana, us par mordakaai lattka diya jae tab raja ke sang anand se jevanar men jana. is bat se prasann hokar haman ne baaisa hee faanse ka ek khmbha banavaya.

6

us rat raja ko neend naheen ai, isaliye usakee agyaa se itihasee kee pustak lai gai, aur paddhkar raja ko sunai gai. aur yah likha hua mila, ki jab raja kshayarsha ke haakim jo darapal bhee the, un men se bigatana aur teresh nam do janon ne us par hath chalne kee yuktai kee thee use mordakaai ne pragatt kiya tha. tab raja ne poochha, isake badale mordakaai kee kya pratishtta aur badai kee gai? raja ke jo sevak usakee seva tthal kar rahe the, unhon ne usako uttar diya, usake liye kuchh bhee naheen kiya gaya. raja ne poochha, angan men kaun haai? usee samay to haman raja ke bhvan se baharee angan men is manasa se aya tha, ki jo khmbha us ne mordakaai ke liye taaiyar karaya tha, us par usako lattka dene kee charcha raja se kare. tab raja ke sevakon ne us se kaha, angan men to haman khda haai. raja ne kaha, use bheetar bulava lao. jab haman bheetar aya, tab raja ne us se poochha, jis manushey kee pratishtta raja karana chahata ho to usake liye kya karana uchit hoga? haman ne yah sochakar, ki mujh se adhaik raja kis kee pratishtta karana chahata hoga? raja ko uttar diya, jis manushey kee pratishtta raja karana chahe, to usake liye rajakeey vasr laya jaa, jo raja pahinata haai, aur aek ghoda bhee, jis par raja savar hota haai, or usake sir par jo rajakeey mukutt dhara jata haai vah bhee laya jaae. fir vah vasr, aur vah ghoda raja ke kisee bade haakim ko saunpa jaa, aur jisakee pratishtta raja karana chahata ho, usako

vah vasr pahinaya jaa, aur us ghaede par savar karake, nagar ke chaulk men use firaya jaae aur usake age age yah prachar kiya jaa, ki jisakee pratishtha raja karana chahata haai, usake sath aeesa hee kiya jaaega. raja ne hamane se kaha, fauta karake apane kahane ke anasar us vasr aur us ghaede ko lekar, us yahooddee mordakaai se jo rajabhvan ke faattk men baaita karata haai, vaaisa hee kara. jaaisa too ne kaha haai us men kuchh bhee kamee hone n paae. tab hamane ne us vasr, aur us ghaede ko lekar, mordakaai ko pahinaya, aur use ghaede par chaddhakar, nagar ke chaulk men is prakar pukarata hua ghaumaya ki jisakee pratishtha raja karana chahata haai usake sath aeesa hee kiya jaaega. tab mordakaai to rajabhvan ke faattk men lautt gaya parantu hamane shaek karata hua aur sir ddhanpe huae jhtt apane ghar ko gaya. aur hamane ne apanee pattee jeresch aur apane sab mitraen se sab kuchh jo us par beeta tha varnn kiya. tab usake buaddhim mitraen aur usakee patnee jeresch ne us se kaha, mordakaai jise too neecha dikhna chahata haai, yaadi vah yahoodiyon ke vansh men ka haai, to too us par prabal n hone paega us se pooree reeti neecha hee khaega. ve us se baten kar hee rahe the, ki raja ke khoje akar, hamane ko aester kee hui jevanar men fauta se liva le gaee.

7

so raja aur hamane aester ranee ke jevanar men agaae. aur raja ne doosare din dakhmadha peete-peete aester se fir poochha, he aester ranee ! tera kya nivedan haai? vah poora kiya jaaega. aur too kya mangatee haai? mang, aur adha rajy tak tuihe diya jaaega. aester ranee ne uttar diya, he raja ! yaadi too mujh par prasann haai, aur raja ko yah sveekar ho, to mere nivedan se mujhe, aur mere mangane se mere logon ko praandan mile. kyonaki maain aaair meree jati ke log bech dale gaee haai, aur hamane sab vidhvansaghaat aur nash kiae janevale haain. yaadi ham keval dasa-dasee ho jane ke liye bech dale jate, to maain chup rahatee chahe us dasha men bhee vah virodhae raja kee haani bhr n sakata. tab raja kshayarsha ne aester ranee se poochha, vah kaun haai? aur kahan haai jis ne aeesa karane kee manasa kee haai? aester ne uttar diya haai ki vah virodhae aur shatra yahee dusht hamane haai. tab hamane raja-ranee ke samhate bhyabheet ho gaya. raja to jalajalahatt men a, madha peene se uttkar, rajabhvan ke baree men nikal gaya aur hamane yah dekhkar ki raja ne meree hani ttaneee hogee, aester ranee se praandan mangane ko khda hua. jab raja rajabhvan ke baree se dakhmadha peene ke sthan men lautt aya tab kya dekha, ki hamane usee chaukee par jis par aester baaittee haai pada haai aur raja ne kaha, kya yah ghar hee men meree samhane hee ranee se barabas karana chahata haai? raja ke munh se yah vachan nikala hee tha, ki sevakon ne hamane ka munh ddhanp diya. tab raja ke samhane upasthit rahanevale khojon men se havana nam aek ne raja se kaha, hamane ko yahan pachas hath uncha faansee ka aek khmbha khda haai, jo us ne mordakaai ke liye banavaya haai, jis ne raja ke hit kee bat kahee thee. raja ne kaha, usako usee par lattka do. tab hamane usee khmbhe par jo us ne mordakaai

ke liye taaiyar karaya tha, lattka diya gaya. is par raja kee jalajalahatt tndee ho gai.

8

usee din raja kshayarsha ne yahoodiyon ke virodhae hamane ka gharabar ester ranee ko de diya. aur mordakaai raja ke samhane aya, kyonki ester ne raja ko bataya tha, ki us se usake kya nata tha tab raja ne apanee vah angoottee jo us ne hamane se le lee thee, uttar kar, mordakaai ko de dee. aur aester ne mordakaai ko hamane ke gharabar par adhaikaree niyukt kar diya. fir aester doosaree bar raja se bolee aur usake panv par gir, ansoo baha bahakar us se gidgidakar bintee kee, ki agagee hamane kee burai aur yahoodiyon kee haani kee usakee yuktai nishfal kee jaae. tab raja ne aester kee or sone ka rajadand baddhaya. tab aester uttkar raja ke samhane khdee hui aur kahane lagee ki yadi raja ko sveekar ho aur vah mujh se prasann haai aur yah bat usako tteek jan pade, aur maain bhee usako achchhee lagatee hoo, to jo chitthiyan hammadata agagee ke putra hamane ne raja kee sab praanton ke yahoodiyon ko nash karane kee yuktai karake likhai thee, unako palattne ke liye likha jaae. kyonaki maain apane jaati ke logon par padanevale us vipaatti ko kis reeti se dekh sakoongee? aur maain apane bhaiyon ke vinash ko kyonkar dekh sakoongee? tab raja kshayarsha ne aester ranee se aur mordakaai yahoodee se kaha, maain hamane ka gharabar to aester ko de chuka hoo, aur vah faansee kee khmbhe par lattka diya gaya haai, isaliye ki us ne yahoodiyon par hath baddhaya tha. so tum apanee samajh ke anasar raja ke nam se yahoodiyon ke nam par likho, aur raja kee angoottee kee chhap bhee lagao kyonki jo chitthee raja ke nam se likhee jaa, aur us par usakee angoottee kee chhap lagai jaa, usako koi bhee palatt naheen sakata. so usee samay arthata seevan nam teesaree maheene ke teisaven din ko raja ke lekhk bulavaae gaee aur jis jis bat kee agyaa mordakaai ne unhen dee thee use yahoodiyon aur aadhaipaatiyon aur hindustan se lekar koosh tak, jo aek sau sattaais praant haai, un sabhon ke aadhaipaatiyon aur haakimon ko aek aek praant ke aksharon men aur aek aek desh ke logon kee bhasha me, aur yahoodiyon ko unake aksharon aur bhasha men likhee gai. mordakaai ne raja kshayarsha ke nam se chitthiyan likhakar, aur un par raja kee angoottee kee chhap lagakar, veg chalaneevale sarakaree ghaedo, khchcharon aur sandniyon kee dak lagakar, harakaron kee hath bhej deen. in chitthiyon men sab nagaron ke yahoodiyon ko raja kee or se anumati dee gai, ki ve ikatte hon aur apana apana praan bachane ke liye taaiyar hokar, jis jati va praant se log anyay karake unako va unakee striayon aur balabachchon ko dukh dena chahe, unako vidhvansaghaat aur nash kare, aur unakee dhan sammattai loott len. aur yah raja kshayarsha kee sab praanton men aek hee din men kiya jaa, arthata adar nam barahaven maheene ke terahaven din ko. is agyaa ke lekh kee nakale, samast praanton men sab deshon ke logon kee pas khulee hui bhejee gai taaki yahoodee us din apane shatrauon se palatta lene ko taaiyar rahen. so harakare veg chalaneevale sarakaree ghaedon par savar hokar, raja kee agyaa se fauta karake jaldee chale gaa, aur yah agyaa

shooshan rajagaddh men dee gai thee. tab mordakaai neele aur shvet rang ke rajakeey vasr paahine aur sir par sone ka bada mumutt dhare huae aur sookshamasan aur baainjaneer rang ka бага paahine hua, raja ke sammukh se nikala, aur shooshan nagar ke log anand ke mare lalakur utte. aur yahoodiyon ko anand aur harsha hua aur unakee badee praatishtta hui. aur jis jis praant, aur jis jis nagar me, jahan kaheen raja kee agyaa aur niyam pahuncha, vahan vahan yahoodiyon ko anand aur harsha hua, aur unhon ne jevanar karake us din ko khushaee ka din mana. aur us desh ke logon men se bahut log yahooddee ban gaa, kyonki unake man men yahoodiyon ka dr sama gaya tha.

9

adar nam barahaven maheene ke terahaven din ko, jis din raja kee agyaa aur niyam poore hone ko the, aur yahoodiyon ke shatra un par prabal hone kee asha rakhte the, parantu isake ullahe yahooddee apane vaairiyon par prabal hua, us din, yahooddee log raja kshayarsha ke sab praanton men apane apane nagar men ikatthe hua, ki jo unakee hani karane ka yatn kare, un par hath chalaee. aur koi unaka samhana n kar saka, kyonki unake bhy desh desh ke sab logon ke man men sama gaya tha. varan praanton ke sab haakimon aur aadhaipaatiyon aur pradhaanon aur raja ke karmachaariyon ne yahoodiyon kee sahayata kee, kyonki unake man men mordakaai ka bhy sama gaya tha. mordakaai to raja ke yahan bahut pratisthit tha, aur usakee keettair sab praanton men faail gai varan us purush mordakaai kee mahima bad-dhatee chalee gai. aur yahoodiyon ne apane sab shatraun ko talavar se marakar aur ghaat karake nash kar dala, aur apane vaairiyon se apanee ichchha ke anasar bartav kiya. aur shooshan rajagaddh men yahoodiyon ne panch sau manushyon ko ghaat karake nash kiya. aur unhon ne parshandata, dalpon, aspata, porata, adalya, areedata, parmashata, areesaai, areedaai aur vaaijata, arthata hammadata kee putra yahoodiyon ke virodhaee haman ke dason putraen ko bhee ghaat kiya parantu unake dhan ko n lootaa. usee din shooshan rajagaddh men ghaat kiae huon kee ginatee raja ko sunai gai. tab raja ne aester raneer se kaha, yahoodiyon ne shooshan rajagaddh hee men panch sau manushy aur haman ke dason putraen ko bhee ghaat karake nash kiya haai fir rajy ke aur aur praanton men unhon ne n jane kya kya kiya hoga ! ab is se aadhaik tera nivedan kya haai? vah bhee poora kiya jaagea. aur too kya mangatee haai? vah bhee tu-jhe diya jaagea. aester ne kaha, yadi raja ko sveekar ho to shooshan ke yahoodiyon ko aj kee nai kal bhee karane kee agyaa dee jaa, aur haman ke dason putra faansee ke khmbhen par lattkaae jaaen. raja ne kaha, aeesa kiya jaae yah agyaa shooshan men dee gai, aur haman ke dason putra lattkaae gaae. aur shooshan ke yahoodiyon ne adar maheene ke chaudahaven din ko bhee ikatthe hokar shooshan men teen sau purushaen ko ghaat kiya, parantu dhan ko n lootaa. rajy ke aur aur praanton ke yahooddee ikatthe hokar apana apna praan bachane ke liye khde hua, aur apane vaairiyon men se pachahattar hajar manushyon ko ghaat karake apane shatraun se vishraam paya parantu dhan ko n

lootta. yah adar maheene ke terahaven din ko kiya gaya, aur chaudahaven din ko unhon ne vishraam karake jevanar kee aur anand ka din ttharaya. parantu shooshan ke yahooddee adar maheene ke terahaven din ko, aur usee maheene ke chaudahaven din ko ikatthe hua, aur usee maheene ke pandrahaven din ko unhon ne vishraam karake jevanar ka aur anand ka din ttharaya. is karan dehatee yahooddee jo bina shaharapanah kee baastaiyon men rahate haai, ve adar maheene ke chaudahaven din ko anand or jevanar aur khushaee aur apas men baaina bhejane ka din niyukt karake manate haain. in baton ka vrattant likhkar, mordakaai ne raja kshayarsha ke sab praanton me, kya nikatt kya door rahanevale sare yahoodiyon ke pas chitthiyan bhejee, aur yah agyaa dee, ki adar maheene ke chaudahaven aur usee maheene ke pandrahaven din ko prati varsha mana karen. jin men yahoodiyon ne apane shatraun se vishraam paya, aur yah maheena jis men shaek anand se, aur vilap khushaee se badala gaya mana karen aur unako jevanar aur anand aur aek doosare ke pas baaina bhejane or kangalon ko dan dene ke din manen. aur yahoodiyon ne jaaisa arambh kiya tha, aur jaaisa mordakaai ne unhen likha, vaaisa hee karane ka nishchay kar liya. kyonki hammadata agagee ka putra haman jo sab yahoodiyon ka virodhaee tha, us ne yahoodiyon ke nash karane kee yuktai kee, aur unhen mita dalane aur nash karane ke liye poor arthata chitthee dalee thee. parantu jab raja ne yah jan liya, tab us ne agyaa dee aur likhvai ki jo dusht yuaktai haman ne yahoodiyon ke viruddh kee thee vah usee ke sir par pallat aa, tab vah aur usake putra faansee ke kshambhon par lattkaae gaae. is karan un dinon ka nam poor shabd se pooreem rakha gaya. is chitthee kee sab baton ke kara, aur jo kuchh unhon ne is vishay men dekha aur jo kuchh un par beeta tha, usake karan bhee yahoodiyon ne apane apane liye aur apanee santan ke liye, aur un sabhon ke liye bhee jo un men mil gaae the yah attl pran kiya, ki us lekha ke anasar prati varsha usake ttharaae huae samay men ve ye do din manen. aur peeddhee peeddhee, kul kul, praant praant, nagar nagar men ye din smaran kiae aur mane jaenge. aur pooreem nam ke din yahoodiyon men kabhee n mittenge aur unaka smaran unake vansh se jata n rahaga. fir abeehaail kee bettee aester raneer, aur mordakaai yahooddee ne, pooreem ke vishay yah doosaree chitthee bade aadhaikar ke sath likhee. isakee nakalen mordakaai ne kshayarsha ke rajy ke, aek sau sattaisan praanton ke sab yahoodiyon ke pas shaantai denevalee aur sachchee baton ke sath is ashay se bhejee, ki pooreem ke un dinon ke vishosh ttharaae huae samayon men mordakaai yahooddee aur aester raneer kee agyaa ke anasar, aur jo yahoodiyon ne apane aur apanee santan ke liye tthan liya tha, usake anasar bhee upavas aur vilap kiae jaaen. aur pooreem ke vishy ka yah niyam aester kee agyaa se bhee sthiar kiya gaya, aur unakee charcha pustak men likhee gai.

aur raja kshayarsha ne desh aur samudra ke ttapoo donon par kar lagaya. aur usake mahatmy aur parakram ke kamo, aur mordakaai kee us badaai ka

poora byora, jo raja ne usakee kee thee, kya vah madaai aur faaras ke rajaon ke iatihas ke pustak men naheen likha haai? nidan yahooddee mordakaai, kshayarsha raja hee ke neeche tha, aur yahoodiyon kee draashtti men bada tha, aur usake sab bhai us se prasann the, kyonki vah apane logon kee bhlai kee khoj men raha karata tha aur apane sab logon se shaantai kee baten kaha karata tha.

gatt kiya gaya. so daniyyel ne svarga ke paramesh-var ka yah kahakar dhanyavad kiya, parameshvar ka nam yuganuyug dhany haai kyonki buddh iddh aur parakram usee ke haain. samayon aur retuon ko vahee palattta haai rajaon ka ast aur uday bhee vahee karata haai buddhmaianon ko buddh iddh aur samajhvalon ko samajh bhee vahee deta haai vahee gooddh aur gupt baton ko pragatt karata haai vah janata haai ki andhiyare men kya haai, aur usake sang sada prakash bana rahata haai. he mere poorva-jon ke paramashevar, maain tera dhanyavad aur stuti karata hoo, kyonki too ne mujhe buaddh iddh aur shaaktai dee haai, aur jis bhed ka khulana ham logon n tujh se mange tha, use too ne mujh par pragatt kiya haai, too ne ham ko raja kee bat batai haai. tab daaniyyel ne aryok ke pas, jise raja ne babul ke paanditon ke nash karane ke liye ttharaya tha, bheetar jakar kaha, babul ke panditon ka nash n kar, mujhe raja ke sammukh bheetar le chal, maain fal bataunga.. tab ayork ne daniyyel ko raja ke sammukh shaeegeha bheetar le jakar us se kaha, yahoodee bandhauon men se aek puroosh mujh ko mila haai, jo raja ko svapn ka fal bataega. raja ne daniyyel se, jisaka nam belatashassar bhee tha, poochha, kya tujh men itanee shaktai haai ki jo svapn maain ne dekha haai, use fal samet mujhe bataae? daaniyyel ne raja ka uttr diya, jo bhed raja poochhta haai, vah n to paandit n tantrae, n jyotishae, n doosare bhavve batanevale raja ko bata sakate haai, parantu bhedon ka pragatktarta parameshvar svarga men haai aur usee ne nabookadanessar raja ko jataya haai ki ant ke dinon men kya kya honavala haai. tera svapan aur jo kuchh too ne palang par pade huae dekha, vah yah haai: he raja, jab tujh ko palang par yah vichar hua ki bhvishy men kya kya honevala haai, tab bhedon ko kholanevale ne tujh ko bataya, ki kya kya honevala haai. mujh par yah bhed is karan naheen khola gaya ki maain aur sab praanaiyon se adhaik buddhmaian hoo, parantu keval isee karan khola gaya haai ki svapan ka fal raja ko bataya jaa, aur too apane man ke vichar samajh sake.. he raja, jab too dekh raha tha, tab aek badee mootira dekh padee, aur vah mootira jo tere samhane khdee thee, so lambee chadee thee usakee chamak anupam thee, aur usaka roop bhyankar tha. us mootira ka sir to chokhe sone ka tha, usakee chhatee aur bhujaen chandee kee, usaka pett aur jangho peetal kee, usakee ttange lohe kee aur usakee panv kuchh to lohe ke aur kuchh mittee ke the. fir dekhthe dekhthe, too ne kya dekha, ki aek patthr ne, bina kisee ke khode, ap hee ap ukhdkar us mootira ke panvon par lagakar jo lohe aur mittee ke the, unako choor choor kar dala. tab loha, mittee, peetal, chandee aur sona bhee sab choor choor ho gaa, aur dhoopakal men khalihanon ke boose kee nain hava se aeese ud gae ki unaka kaheen pata n raha aur vah patthr jo mootira par laga tha, vah bada pahad banakar saree prathvee men faail gaya.. svapan to yon hee hua aur ab ham usaka fal raja ko samajha dete haain. he raja, too to mahara-jaadhaira haai, kyonki svarga ke parameshvar ne tujh ko raji, samarth, shaktai aur mahima dee haai, aur ja-han kaheen manushy paae jate haai, vahan us ne un sabhon ko, aur maaidan ke jeevajantu, aur akash ke pakshaee bhee tere vash men kar diae haain aur tujh

ko un sab ka adhaikaree ttharaya haai. yah sone ka sir too hee haai. tere bad aek raji aur uday hoga jo tujh se chhotta hoga fir aek aur teesara peetal ka sa raji hoga jis men saree prathvee a jaaegee. aur chautha raji lohe ke tuly majaboot hoga lohe se to sab vastuen choor choor ho jatee aur pis jatee haain isaliye jis bhana-tai lohe se ve sab kuchalee jatee haai, usee bhanti, us chauthe raji se sab kuchh choor choor hokar pis jaaega. aur too ne jo mootira ke panvon aur unakee ungaaliyon ko dekha, jo kuchh kumhar kee mittee kee aur kuchh lohe kee thee, is se vah chautha raji batta hua hoga taubhee us men lohe ka sa kadapan rahega, jaaise ki too ne kumhar kee mittee ke sang loha bhee mila hua dekha tha. aur jaaise panvon kee ungaaliyan kuchh to lohe kee aur kuchh mittee kee thee, isaka arth yah haai, ki vah raji kuchh to draddh aur kuchh nirbal hoga. aur too ne jo lohe ko kumhar kee mittee ke sang mila hua dekha, isaka arth yah haai, ki us raji ke log aek doosare manushyon se mile jule to rahenge, parantu jaaise loha mittee ke sath mel na-heen khata, vaaise hee ve bhee aek n bane rahenge. aur un rajaon ke dinon men svarga ka parameshvar, aek aeesa raji uday karega jo anantakal tak n toottega, aur n vah kisee doosaree jati ke hath men kiya jaaega. varan vah un sab rajyon ko choor choor karega, aur unaka ant kar dalega aur vah sada sthiar rahega jaaisa too ne dekha ki aek patthr kisee ke hath ke bin khode pahad men se ukhda, aur us ne lohe, peetar, mittee, chandee, aur sone ko choor choor kiya, isee reeti mahana parameshvar ne raja ko jataya haai ki isake bad kya kya honevala haai. n svapn men aur n usake fal men kuchh sandeh haai.. itana sunakar nabookadanessar raja ne munh ke bal girakar daniyyel ko dandvata kee, aur agyaa dee ki usako bhent chad-dhao, aur usake samhane sugandha vastu jalao. fir raja ne daaniyyel se kaha, sach to yah haai ki tum logon ka parameshvar, sab ishvaron ka ishvar, rajaon ka raja aur bhedon ka kholanevala haai, isaliye too yah bhed pragatt kar paya. tab raja ne daniyyel ka pad bada kiya, aur usako bahut se bade bade dan diae aur yah agyaa dee ki vah babul ke sare praant par hakim aur babul ke sab paanditon par mukhy prad-haan bane. tab daaniyyel ke binatee karane se raja ne shadrak, meshak, aur abedanago ko babul ke praant ke karya ke upar niyukt kar diya parantu daniyyel ap hee raja ke darabar men raha karata tha..

nabookadanessar raja ne sone kee aek moorat ba-navai, jinaakee unchai satt hat, aur chaudai chh: hath kee thee. aur us ne usako babul ke praant ke doora nam maaidan men khda karaya. tab nabookadanes-sar raja ne aadhaipaatiyo, hakim, gavarnaro, jajo, khjannaachiyo, nyaaiyo, shaaastriayo, adi praanta-praant ke sab aadhaikaariyon ko bulava bheja ki ve us moorat kee pratishtha men aen jo us ne khdee karai thee. tab aadhaipaati, hakim, garvanar, jaj, khjannachee, nyayee, shaasree aadi praanta-praant ke sab aadhaikaree nabookadanessar raja kee khdee karai hui moorat kee praatishta ke liye ikatthe hua, aur us moorat ke samhane khde hue. tab ddhnid-dhoriye ne unche shabd se pukarakar kaha, he desha-

desh aur jati-jati ke logo, aur bhainn bhainn bhasha bolanevalo, tum ko yah agyaa sunai jatee haai ki, jis samay tum narasinge, bansulee, veena, sarangee, sitar, shahanai aadi sab prakar ke bajon ka shabd suno, tum usee samay girakar nabookadanessar raja kee khdee karai huae sone ke moorat ko dandvata karo. aur jo koi girakar dandvata n karega vah usee ghadee dhadhakate huae bhtthe ke beech men dal diya jaega. is karan us samay jyon hee sab jati ke logon ko narasinge, bansulee, veena, sarangee, sitar shahanai adi sab prakar ke bajon ka shabd sun pada, tyon hee desha-desh aur jati-jati ke logon aur bhainna-abhainn bhasha bolanevalon ne girakar us sone ke moorat ko jo nabookadanessar raja ne khdee karai thee, dandvata kee.. usee samay kai ek kasadee puroosh raja ke pas gaa, aur kapatt se yahoodiyon kee chugalee khai. ve nabukadanessar raja se kahane lage, he raja, too chiranjeev rahe. he raja, too ne to yah agyaa dee haai ki jo manushy narasinge, bansulee, veena, sarangee, sitar, shahanai aadi sab prakar ke bajon ka shabd sune, vah girakar us sone ke moorat ko dandvat kare aur jo koi girakar dandvata n kare vah dhadhakate huae bhtthe ke beech men dal diya jae. dek, shadrak, meshak, aur abedanago nam kuchh yahoodie puroosh haai, jinhen too ne babul ke praant ke karya ke upar niyukt kiya haai. un purooshaen ne, he raja, teree agyaa kee kuchh chinta naheen kee ve tere devata kee upasana naheen karate, aur jo sone kee moorat too ne khdee karai haai, usako dandvata naheen karate.. tab nabookadanessar ne rosh aur jalajalahatt men akar agyaa dee ki shadrak meshak aur abedanago ko lao. tab ve puroosh raja ke samhane haajir kiae gae. nabookadanessar ne un se poochha, he shadrak, meshak aur abedanago, tum log jo mere devata kee upasana naheen karate, aur merree khdee karai hui sone kee moorat ko dandvata naheen karate, so kya tum jan boojhkar aeesa karate ho? yaadi tum abhee taaiyar ho, ki jab narasinge, bausulee, veena, sarangee, sitar, shahanai aadi sab prakar ke bajon ka shabd suno, aur usee kshan girakar merree banavai hui moorat ko dandvata karo, to bachoge aur yadi tum dandvata ne karo to isee ghadee dhadhakate huae bhtthe ke beech men dale jaoge fir aesa kaun devata haai, jo tum ko mere hath se chhuda sake? shadrak, meshak aur abedanago ne raja se kaha, he nabookadanessar, is vishay men tuijhe uttr dene ka hamen kuchh prayojan naheen jan padta. hamara parameshvar, jisakee hui upasana karate haain vah ham ko us dhadhakate huae bhtthe kee ag se bachane kee shaaktai rakhta haai varan he raja, vah hamen tere hath se bhee chhuda sakata haai. parantu, yadi nahee, to he raja tuijhe maloom ho, ki ham log tere devata kee upasana naheen karenge, aur n teree khdee karai hui sone kee moorat ko dandvata karenge.. tab nabookadanessar jhunjhla utta, aur usake chehare ka rang shadrak, meshak aur abedanago kee or badal gaya. aur us ne agyaa dee ki bhtthe ko sataguna adhaik dhadhaka do. fir apanee sena men ke kai aek balavana purooshaen ko us ne agyaa dee, ki shadrak, meshak aur abedanago ko bandhakar unhen dhadhakate huae bhtthe men dal do. tab ve puroosh apane mojo, angarakho, bagon aur aur vrasen saahit bandhakar, us dhadhakate huae

bhtthe men dal diae gae. vah bhttha to raja kee draddh agyaa hone ke karan atyant dhadhakaya gaya tha, is karan jin purooshaen ne shadrak, meshak aur abedanago ko uttaya ve hee ag kee anch se jal mare. aur usee dhadhakate huae bhtthe ke beech ye teenon puroosha, shadrak, meshak aur abedanago, bandho huae faenk diae gae.. tab nabookadanessare raja achaambhiat hua aur ghabarakar utt khda hua. aur apane mantriayon se poochhne laga, kya ham ne us ag ke beech teen hee puroosh bandho huae naheen dlavaae? unhon ne raja ko uttr diya, han raja, sach bat to haai. fir us ne kaha, ab maain dekhta hoon ki char puroosh ag ke beech khule huae tthal rahe haai, aur unako kuchh bhee hani naheen pahunchee aur chauthe puroosh ka svaroop ishtar ke putra ke sadrashy haai.. fir nabookadanessar us dhadhakate huae bhtthe ke dar ke pas jakar kahane laga, he shadrak, meshak aur abedanago, he paramapradhaan parameshvar ke daso, nikalakar yahan ao! yah sunakar shadrak, meshak aur abedanago ag ke beech se nikal aae. jab aadhaipaati, hakim, garvanar aur raja ke mantriayon ne, jo ikatthe huae the, un purooshaen kee or dekha, tab unakee deh men ag ka kuchh bhee prabhav naheen paya aur unake sir ka aek bal bhee n jhulasa, n unake moje kuchh bigade, n un men jalane kee kuchh gandha pai gai. nabookadanessar kahane laga, dhany haai shadrak, meshak aur abedanago ka parameshvar, jis ne apana doot bhejkar apane in dason ko isaalie bachaya, kyonaki inhon ne raja kee agyaa n manakar, usee par bhrosa rakha, aur yah sochakar apana shareer bhee arpan kiya, ki ham apane parameshvar ko chhod, kisse devata kee upasana va dandvata n karenge. isalie ab maain yah agyaa deta hoon ki desha-desh aur jati-jati ke logo, aur bhainna-abhainn bhasha bolanevalon men se jo koi shadrak, meshak aur abedanago ke parameshvar kee kuchh ninda karega, vah ttukade ttukade kiya jaega, aur usaka ghar ghora banaya jaaga kyonki aesa koi aur devata naheen jo is reeti se bacha sake. tab raja ne babul ke praant men shadrak, meshak, abedanago ka pad aur uncha kiya..

nabookadanessar raja kee or se desha-desh aur jaati jati ke logo, aur bhainna-abhainn bhasha bolanevale jitane saree prathivee par rahate haai, un sabhon ko yah vachan mila, tumhara kushal kshom baee! mujhe yah achchha laga, ki paramapradhaan parameshvar ne mujhe jo jo chinch aur chatmatkar dikhaae haai, unako pragatt karoon. usake dikhaae huae chinch kya hee bade, aur usake chatmatkaron men kya hee badee shaaktai pragatt hotee haai! usaka rajy to sada ka aur usakee prabhuta peeddhee se peeddhee tak banee rahatee haai.. maain nabookadanessar apane bhvan men chaain se aur prafallait rahata tha. maain ne aesa svapn dekha jisake karan maain dr gaya aur palang par pade pade jo vichar mere man men aae aur jo baten maai ne dekhee, unake karan maain ghabara gaya tha. tab maain ne agyaa dee ki babul ke sab paandit mere svapn ka fal mujhe batane ke liye mere samhane haajir kiae jaen. tab jyotishae, tantrae, kasadee aur honahar batanevale bheetar aa,

aur maain ne unako apana svapn bataya, parantu ve usaka fal n bata sake. nidan daaniyyel mere sam-mukh aya, jisaka nam mere devata ke nam ke karan belatashassar rakha gaya tha, aur jis men pavitra ishvaron ke atma rahatee haai aur maain ne usako apana svapn yah kahakar bata diya, ki, he bele-tashassar too to sab jyotishaiyon ka pradhan haai, maain janata hoon ki tujh men pavitra ishvaron ke atma rahatee haai, aur too kisee bhed ke karan naheen ghabarata isaaliye jo svapan maain ne dekha haai use fal samet mujhe batakarak samajha de. jo darshan maain ne palang par paya vah yah haai: maain ne dekha, ki prathvee ke beechobeech aek vraksha laga haai usakee unchai bahut badee haai. vah vraksha bada hokar draddh ho gaya, aur usakee unchai svarga tak pahunchee, aur vah saree prathvee ke chhor tak dekh padta tha. usake patte sundar, aur us men bahut fal the, yahan tak ki us men sabhon ke liye bhojan tha. usake neche maaidan ke sab pashuon ko chhaya milatee thee, aur usakee daliyon men akash kee sab chidiyan basera karata thee, aur sab praanee us se ahar pate the.. maain ne palang par darshan pate samay kya dekha, ki aek pavitra paharooa svarga se utar aya. us ne unche shabd se pukarakar yah kaha, vraksha ko katt dalo, usakee daliyon ko chhant do, usake patte jhad do aur usake fal chhtaira dalo pashu usake neche se hatt jae, aur chidiyen usakee daaliyon par se ud jae. taubhee usake toontt ko jad samet boomi men chhodo, aur usako lohe aur peetal ke bandhan se bandhakar maaidan kee haree ghaas ke beech rahane do. vah akash kee os se bheenga kare aur boomi kee ghaas khane men maaidan ke pashuon ke sang bhagee ho. usaka nam badale aur manushy ka n rahe, parantu pashu ka sa ban jae aur us par sat kal beetne. yah agyaa paharoon ke nirny se, aur yah bat paavitra logon ke vachan se nikalee, ki jo jeevit haain ve jan len ki paramapradhaan paramashevar manushyon ke rajy men prabhuta karata haai, aur usako jise chahe use de deta haai, aur vah chhotte se chhotte manushy ko bhee us par niyukt kar deta haai. mujh nabookadanessar raja ne yahee svapan dekha. so he belatashassar, too isaka fal bata, kyonki mere rajy men aur koi paandit isaka fal mujhe samajha naheen sakata, parantu tujh men to paavitra ishvaron kee atma rahatee haai, is karan too use samajha sakata haai.. tab daaniyyel jisaka nam belatashassar bhee tha, ghadee bhr ghabarata raha, aur sochate sochate vyakul ho gaya. tab raja kahane laga, he belatashassar is svapn se, va isake fal se too vyakul mat ho. belatashassar ne kaha, he mere prabhu, yah svapn tere baaiariyon par, aur isaka arth tere draehaiyon par fale! jis vraksha ho too ne dekha, jo bada aur draddh ho gaya, aur jisakee unchai svarga tak pahunchee aur jo prathvee ke sire tak dikhai deta tha jisake patte sundar aur fal bahut the, aur jis men sabhon ke liye bhojan tha jisake neche maaidan ke sab pashu rahate the, aur jisakee daliyon men akash kee chidiyan basera karatee thee, he raja, vah too hee haai. too mahan aur samarthee ho gaya, teree mahima bad-dhee aur svarga tak pahunch gai, aur teree prabhuta prathvee ke chhor tak faailee haai. aur he raja, too ne jo aek pavitra paahirooe ko svarga se utarate aur yah kahate dekha ki vraksha ko katt dalo aur usaka

nash karo, taubhee usake toontt ko jad samet boomi men chhodo, aur usako lohe aur peetal ke bandhan se bandhakar maaidan kee haree ghaas ke beech men rahane do vah akash kee os se bheega kare, aur usako maaidan ke pashuon ke sang hee bhag mile aur jab tak sat yug us par beet n chuke, tab tak usakee aeesee hee dasha rahe. he raja, isaka fal jo paramapradhaan ne tana haai ki raja par ghatte, vah yah haai, ki too manushyon ke beech se nikala jaega, aur maaidan ke pashuon ke sang rahega too baailon kee nai ghaas charega aur sat yug tujh par beetenge, jab tak ki too n jan le ki manushyon ke rajy men paramapradhaan hee prabhuta karata haai, aur jise chahe vah use de deta haai. aur us vraksha ke toontt ko jad samet chhodne kee agyaa jo hui haai, isaka arth yah haai ki tera rajy tere liye bana rahega aur jab too jan lega ki jagat ka prabhu svarga hee men haai, tab too fir se rajy karane paega. is kara, he raja, meree yah sammati sveekar kar, ki yadi too pap chhodkar dharmakarane lage, aur adharma chhodkar deena-heenon par daya karane lage, to sambhv haai ki aesea karane se tera chaain bana rahe.. yah sab kuchh nabookadanessar raja par ghatt gaya. barah maheene beetane par jab vah babul ke rajabhvan kee chht par tthal raha tha, tab vah kahane laga, kya yah bada babul naheen haai, jise maain hee ne apane bal aur samarth se rajaaniyas hone ko aur apane pratap kee badaai ke liye basaya haai? yah vachan raja ke munh se nikalane bhee n paya tha ki akashavane hui, he raja nabookadanessar tere vishay men yah agyaa nikalatee haai ki rajy tere hath se nikal gaya, aur too manushyon ke beech men se nikala jaega, aur maaidan ke pashuon ke sang rahega aur baailon kee nain ghaas charega⁹ aur sat kal tujh par beetenge, jab tak ki too n jan le ki paramapradhaan, manushyon ke rajy men prabhuta karata haai aur jise chahe vah use de deta haai. usee ghadee yah vachan nabookadanessar ke vishay men pooraa hua. vah manushyon men se nikala gaya, aur baailon kee nain ghaas charane laga, aur usakee deh akash kee os se bheegatee thee, yahan tak ki usake bal ukab paakshaiyon ke paron se aur usakee nakoon chidiyon ke changulon ke saman baddh gae.. un dinon ke beetane par, mujh nabookadanessar ne apanee ankhen svarga kee or uttai, aur meree buaddh ifir jyon kee tyon ho gai tab maain ne paramapradhaan ko dhany kaha, aur jo sada jeevit haai usakee stuati aur mahima yah kahakar karane laga: usakee prabhuta sada kee haai aur usaka rajy peeddhee se peeddhee tab bana rahanevala haai. prathvee ke sab rahanevale usakee samhane tuchh gine jate haai, aur vah svarga kee sena aur prathvee ke rahanevalon ke beech apanee ichchha ke anusar kam karata haai aur koi usako rokakar us se naheen kah sakata haai, too ne yah kya kiya haai? usee samay, meree buaddh ifir jyon kee tyon ho gai aur mere rajy kee mahima ke liye mera pratap aur mukutt mujh par fir a gaya. aur mere mantraee aur pradhaan log mujh se bhennt karane ke liye aane lage, aur maain rajy men sthair ho gaya aur meree aur aadhaik prashansa hone lagee. ab maain nabookadanessar svarga ke raja ko sarahata hoo, aur usakee stuati aur mahima karata hoon kyonki usakee sab kam sachche, aur usakee sab vyavahar nyay ke haain aur jo log ghamand se chhale haai, un-

dara ko yah achchha laga ki apane rajy ke upar aek sau bees aeese aadhaipaati thharaa, jo poore rajy men aadhaikar rakhen. aur unake upar us ne teen adhyaksha, jin men se daniyyel aek tha, isaalie thharaa, ki ve un adhaipaatiyon se lekha liya rake, aur is reeti raja kee kuchh haani n hone paee. jab yah dekha gaya ki daniyyel men uttm atma rahatee haai, tab usako un

adhyakshaen aur adhaipaatiyon se aadhaik pratishtta milee varan raja yah bhee sochata tha ki usako sare rajy ke upar ttharaae. tab adhyaksha aur adhaipaati rajakarya ke vishay men daaniyyel ke virooddh dosh ddoondhdne lage parantu vah vishvasayogy tha, aur usake kam men koi bool va dosh n nikala, aur ve aeesa koi aparadha va dosh n pa sake. tab ve log kahane lage, ham us daniyyel ke parameshvar kee vyavastha ko chhod aur kisee vishay men usake virooddh koi dosh n pa sakenge.. tab ve adhyaksha aur adhaipaati raja ke pas utavalee se aa, aur us se kaha, he raja dara, too yugayug jeeavit rahe. rajy ke sare adhyakshaen ne, aur haakimo, adhaipaatiyo, nyaaiyo, aur gavarnaron ne bhee apas men sammati kee haai, ki raja aeesee agyaa de aur aeesee kadee agyaa nikale, ki tees din tak jo koi, he raja, tuijhe chhod kisee aur manushy va devata se binatee kare, vah sinhon kee mand men dal diya jaae. isaliye ab he raja, aeesee agyaa de, aur is patra par hastakshar kar, jis se yah bat madiyon aur faarasiyon kee attl vyavastha ke anusar adala-badal n ho sake. tab dara raja ne us agyaapatra par hastakshar kar diya.. jab daaniyyel ko maloom hua ki us patra par hastakshar kiya gaya haai, tab vah apane ghar men gaya jisakee uparauttee kottree kee khaidkiyan yarooshalem ke samane khulee rahatee thee, aur apanee reeti kee anusar jaaisa vah din men teen bar apane parameshvar kee samhane ghauttne ttekakar praarthna aur dhanyavad karata tha, vaaisa hee tab bhee karata raha. tab un purooshaen ne utavalee se akar daniyyel ko apane parameshvar ke samane binatee karate aur gidgdate huae paya. so ve raja ke pas jakar, usakee rajaagyaa ke vishay men us se kahane lage, he raja, kya too ne aeese agyaapatra par hastakshar naheen kiya ki tees din tak jo koi tuijhe chhod kisee manushy va devata se binatee karega, vah sinhon kee mand men dal diya jaega? raja ne uttr diya, ha, madiyon aur faarasiyon kee attl vyavastha kee anusar yah bat sthiar haai. tab unhon ne raja se kaha, yahoodee bandhauon men se jo daniyyel haai, us ne, he raja, n to teree or kuchh dhyan diya, aur n tere hastakshar kiae huae agyaapatra kee ora vah din men teen bar binatee kiya karata haai.. yah vachan sunakar, raja bahut udas hua, aur daaniyyel kee bachane ke upay sochane laga aur soorya ke ast hone tak usake bachane ka yatn karata raha. tab ve puroosh raja ke pas utavalee se akar kahane lage, he raja, yah jan rak, ki madiyon aur faarasiyon men yah vyavastha haai ki jo jo manahee va agyaa raja ttharaa, vah naheen badal sakatee.. tab raja ne agyaa dee, aur daaniyyel lakar sinhon kee mand men dal diya gaya. us samay raja ne daniyyel se kaha, tera parameshvar jisakee too nity upasana karata haai, vahee tuijhe bachaae! tab aek patthar lakar us gadhe ke munh par rakha gaya, aur raja ne us par apanee angoottee se, aur apane pradhaanon kee angoottyaien se muhar laga dee ki daniyyel ke vishay men kuchh badalane ne paae. tab raja apane mahal men chala gaya, aur us rat ko bina bhojan pada raha aur usake pas sukh vilas kee koi vastu naheen pahunchai gai, aur use neend bhee naheen ai.. bhor ko pau fattte hee raja utta, aur sinhon kee gadhe kee or faurttee se chala gaya. jab raja gadhe ke nikatt aya, tab shaekabhreee vanee se chillane laga aur daniyyel se kaha, he daaniyyel, he jeevate

parameshvar kee das, kya tera parameshvar jisakee too nity upasana karata haai, tuijhe sinhon se bacha saka haai? tab daaniyyel ne raja se kaha, he raja, too yugayug jeeavit rahe! mere parameshvar ne apana doot bhejakar sinhon ke munh ko aeese band kar rakha ki unhon ne meree kuchh bhee haani naheen kee isaka karan yah haai, ki maain usake samhane nirdosh paya gaya aur he raja, tere sammukh bhee maain ne koi bool naheen kee. tab raja ne bahut anandait hokar, daniyyel ko gadhe men se nikalane kee agyaa dee. so daniyyel gadhe men se nikala gaya, aur us par haani ka koi chihni n paya gaya, kyonki vah apane parameshvar par vishvas rakhta tha. aur raja ne agyaa dee ki jin purooshaen ne daaniyyel kee chugalee khai thee, ve apane apane ladkebalon aur striyanon samet lakar sinhon kee gadhe men dal diae jaen aur ve gadhe kee pendee tak bhee n pahunche ki sinhon ne un par jhpattkar sab haadiyonon samet unako chaba dala.. tab dara raja ne saree prathvee ke rahanevale deshadesha aur jati-jati ke sab logo, aur bhainna-abhainni bhasha bolanevalon ke pas yah likha, tumhara bahut kushal ho. maain yah agyaa deta hoon ki jahan jahan mere rajy ka adhaikar haai, vahan ke log daaniyyel ke parameshvar ke sammukh kanpate aur thrathrate rahe, kyonki jeevata aur yuganayug tak rahanevala parameshvar vahee haai usaka rajy avinashae aur usakee prabhuta sada sthiar rahegee. jis ne daniyyel ko sinhon se bachaya haai, vahee bachane aur chhudanevala haai aur svarga men aur prathvee par chihni hon aur chatmatkaron ka pragatt karanevala haai. aur daaniyyel, dara aur kusroo faarasee, donon ke rajy ke dinon men bhagyavana raha..

babul ke raja belashassar kee paahile varsha me, daniyyel ne palang par svapn dekha. tab us ne vah svapn likha, aur baton ka saransh bhee varnn kiya. daaniyyel ne yah kaha, maain ne rat ko yah svapn dekha ki mahasagar par chaumukhee andhaee chalanee lagee. tab samudra men se char bade bade jantu, jo aek doosare se bhainni the, nikal aae. paahila jantu sinh ke saman tha aur usake pankh ukab ke se the. aur mere dekhthe dekhthe usake pankhon ke par neeche gae aur vah boomi par se uttakar, manushy kee nain panvon ke bal khda kiya gaya aur usako manushy ka day diya gaya. fir maain ne aek aur jantu dekha jo reechh ke saman tha, aur aek panjar ke bal utta hua tha, aur sake munh men danton ke beech teen pasulee theen aur lag us se kah rahe the, uttkar bahut mans kha. isake bad maain ne drashtti kee aur dekha ki cheete ke saman aek aur jantu haai jisakee peett par pakshaee ke se char pankh haain aur us jantu ke char sir the aur usako adhaikar diya gaya. fir isake bad maain ne svapn men drashtti kee aur dekha, ki aek chautha jantu haai jo bhyankar aur dravana aur bahut samarthee haai aur usake bade bade lohe ke dant haain vah sab kuchh kha dalata haai aur choor choor karata haai, aur jo bach jata haai, use paaron se raundata haai. aur vah sab paahile jantuon se bhainni haai aur usake das seeng haain. maain un seengon ko dhyan se dekh raha tha to kya dekha ki unake beech aek aur chhotta sa seeng nikala, aur us-

ake bal se un pahile seengon men se teen ukhade gaee fir maain ne dekha ki is seeng men manushy kee see ankhe, aur bada bol bolanevala munh bhee haai. maain ne dekhte dekhte ant men kya dekha, ki sinhasan rakhe gaa, aur koi ati praacheen virajaman hua usake vasr him sa ujala, aur sir ke bal nirmal un sareekhe the usake sinhasan aagnaimay aur usake paahiye dhadhakatee hui ag ke se dekh padte the. us praacheen ke sammukh se ag kee dhaara nikalakar bah rahee thee fir hajaron hajar log usake seva tthal kar rahe the, aur lakhon lakh log usake samhane hajir the fir nyayee baaitt gaa, aur pustaken kholee gain. us samay us seeng ka bada bol sunakar maain dekhta raha, aur dekhte dekhte ant men dekha ki vah jantu ghaat kiya gaya, aur usake shareer dhadhakatee hui ag men bhsam kiya gaya. aur rahe huae jantuon ka adhaikar le liya gaya, parantu unaka praan kuchh samay ke liye bachaya gaya. maain ne rat men svapn men dekha, aur dekho, manushy ke santan sa koi akash ke badalon samet a raha tha, aur vah us aati praacheen ke pas pahuncha, aur usake ve usake sameep laae. tab usake aeesee prabhuta, mahima aur rajy diya gaya, ki desha-desh aur jati-jati ke log aur bhainna-abhainn bhasha balanevale sab usake adhaeen hon usakee prabhuta sada tak attl, aur usake rajy aavinashaeethara.. aur mujh daaniyyel ka man vikal ho gaya, aur jo kuchh maain ne dekha tha usake karan maain ghabara gaya. tab jo log pas khde the, un men se aek ke pas jakar maain ne un saree baton ka bhed poochha, us n yah kahakar mujhe un baton ka arth bataya, un char bade bade jantuon ka arth char rajy haai, jo prathvee par uday honge. parantu paramapradhaan ke paavitra log rajy ko paenge aur yuganayug usake adhaikaree ban rahenge.. tab mere man men yah ichchha hui kee us chauthe jantu ka bhed bhee jan loon jo aur teenon se bhainn aur aati bhyankar tha aur jisake dant lohe ke aur nakh peetal ke the vah sab kuchh kha dalata, aur choor choor karata, aur bache huae ko paairon se raund dalata tha. fir usake sir men ke das seengon ka bhed, aur jis naye seeng ke nikalane se teen seeng gir gaa, arthata jis seeng kee anken aur bada bol bolanevala munh aur sab aur seengon se adhaik bhyankar tha, usake bhee bhed janane kee mujhe ichchha hui. aur maain ne dekha tha ki vah seeng paavitra logon ke sang ladai karake un par us samay tak prabal bhee ho gaya, jab tab vah aati praacheen n aya, aur paramapradhaan ke paavitra log nyayee n tthare, aur un pavitra logon ke rajyadhaikaree hone ka samay n a pahuncha.. us ne kaha, us chauthe jantu ka arth, ek chauthe rajy haai, jo prathvee par hokar aur sab rajyon se bhainn hoga, aur saree prathvee ko nash karega, aur danvakar choor-choor karega. aur un das seengon ka arth yah haai, ki us rajy men se das raja uttenge, aur unake bad un paahilon se bhainn aek aur raja uttega, jo teen rajaon ko gira dega. aur vah paramapradhaan ke virooddh baten kahega, aur paramapradhaan ke paavitra logon ko pees dalega, aur samayon aur vyavastha ke badal dene kee asha karega, varan saddhe teen kal tak ve sab usake vash men kar diae jaenge. parantu, tab nyayee baaittenge, aur usakee prabhuta chheenakar mittai aur nash kee jaaenge yahan tak ki usake ant hee ho jaaega. tab rajy aur prabhuta aur dharatee par kee rajy

kee maahima, paramapradhaan hee kee praja arthata usake paavitra logon ko deee jaaenge, usake rajy sada ka rajy haai, aur sab prabhuta karanevale usake adhaeen honge aur usakee agyaa manenge. is bat ka varnn maain ab kar chuka, parantu mujh daaniyyel ke man men badee ghabarahatt banee rahee, aur maain bhyabheet ho gaya aur is bat ko maai. apane man men rakhe raha..

belashassar raja kee rajy ke teesare varsha men us pahile darshan ke bad aek aur bat mujh daniyyel ko darshan ke dara dikhai gai. jab maain aelam nam praant me, shooshan nam rajagaddh men rahata tha, tab maain ne darshan men dekha ki maain ulaaee nadee ke kinare par hoon. fir maain ne ankh uttarkar dekha, ki us nadee ke samhane do seengavala aek meddha khda haai, usake donon seeng bade haai, parantu un men se aek aadhaik bada haai, aur jo bada haai, vah doosare ke bad nikala. maain ne us meddhe ko dekha ki vah pashchaim, uttr aur dakkhian kee or seeng marata haai, aur koi jantu usake samhane khda naheen rah sakata, aur n usake hath se koi kisee ko bacha sakata haai aur vah apanee hee ichchha ke anusar kam karake baddhta jata tha.. maain soch hee raha tha, to fir kya dekha ki aek bakara pashchaim disha se nikalakar saree prathvee ke upar aeese fir ki chalate samay boomi par panv n chhuaya aur us bakare kee ankhon ke beech aek dekhne yogy seeng tha. vah us do seengavale meddhe ke pas jakar, jisako maain ne nadee ke samhane khda dekha tha, us par jalakar apane poore bal se lapaka. maain ne dekha ki vah meddhe ke nikatt akar us par jhunjhlaya aur meddhe ko marakar usake donon seengon ko tod diya aur usake samhana karane ko meddhe ka kuchh bhee vash n chala tab bakare ne usake boomi par girakar raund dala aur meddhe ko usake hath se chhudanevala koi n mila. tab bakara atyant badaai marane laga, aur jab balavant hua, tak usake bada seeng toot gaya, aur usakee santee dekhne yogy char seeng nikalakar charon dishaon kee or baddhne lage.. fir in men se aek chhotta sa seeng aur nikala, jo dakkhian, poorab aur shairomanai desh kee or bahut hee baddh gaya. vah svaraag kee sena tak baddh gaya aur us men se aur taron men se bhee kitanon ko boomi par girakar raund dala. varan vah us sena ke pradhann tak bhee baddh gaya, aur usake nity homabaali band kar diya gaya aur usake pavitra vasasthan gira diya gaya. aur logon ke aparadha ke karan nity homabaali kee sath sena bhee usake hath men kar deee gai, aur us seeng ne sachchai ko mittee men mila diya, aur vah kam karate karate safal ho gaya. tab maain ne aek pavitra jan ko bolate suna fir aek aur pavitra jan ne us pahile bolanevale aparadha ke vishay men jo kuchh darshan dekha gaya, vah kab tak falata rahega arthata pavitrasthan aur sena donon ko raunda jana kab tak hota rahega? aur us ne mujh se kaha, jab tak sanjh aur savera do hajar teen sau bar n ho, tab tak vah hota rahega tab paavitrasthan shuuddh kiya jaaega.. yah bat darshan me dekhkar, maai, daniyyel, isake samajhne ka yatn karane laga itane men puroosh ke roop dhare huae koi mere sammukh khda hua dekh pada. tab

mujhe ulaai nadee ke beech se aek manushy ka shabd sun pada, jo pukarakar kahata tha, he jibraaael, us jan ko usakee dekhee hui baten samajha de. tab jahan maain khda tha, vahan vah mere nikatt aya aushra usake ate hee maain ghabara gaya, aur munh ke bal gir pada. tab us ne mujh se kaha, he manushy ke santan, un dekhee hui baton ko samajh le, kyonki usaka arth ant hee ke samay men falega.. jab vah mujh se baten kar raha tha, tab maain apana munh bhuami kee or kiae huae bharee neend men pada tha, parantu us ne mujhe chookar seedha khda kar diya. tab us ne kaha, krodha bhd Kane ke ant ke dinon men jo kuchh hoga, vah maain tujhe jatata hoon kyonki ant ke ttharaae huae samay men vah sab poora ho jaega. jo do seengavala meddha too ne dekha haai, usaka arth madiyon aur faarasiyon ke rajy se haai. aur vah ronar bakara yoonan ka rajy haai aur usakee ankhone ke beech jo bada seeng nikala, vah pahila raja tthara. aur vah seeng jo toott gaya aur usakee santee jo char seeng nikale, isaka arth yah haai ki us jati se char rajy uday honge, parantu unaka bal us paahile ke sh n hoga. aur un rajyon ke ant samay men jab aparadhaee poora bal pakadenge, tab kroor drashtivala aur pahelee boojhnevala aek raja uttega. usaka samathrya bada hoga, parantu us pahile raja ka sa naheen aur vah adabhuta reeati se logon ko nash karega, aur safal hokar kam karata jaega, aur samathairyon aur paavitra logon ke samuday ko nash karega. usakee chaturai ke karan usaka chhl safal hoga, aur vah man men foolakar nidr rahate huae bahut logon ko nash karega. vah sab haakimon ke haakim ke virooddh bhee khda hoga parantu ant ko vah kisee ke hath s ebina mar khaae toott jaega. sanjh aur savere ke vishay men jo kuchh too ne dekha aur suna haai vah sach haai parantu jo kuchh too ne darshan men dekha haai use band rak, kyonki vah bahut dinon ke bad falega.. tab mujh daaniyyel ka bal jata raha, aur maain kuchh din tak beemar pada raha tab maain utkar raja ka kamakaj fir karane laga parantu jo kuchh maain ne dekha tha us se maain chaakit raha, kyonaki usaka koi samajhanevala n tha..

faaras desh ke raja kusroo ke rajy ke teesare varsha men daaniyyel par, jo belatashassar bhee kahalata haai, aek bat pragatt kee gai. aur vah bat sach thee ki bada yuddh hoga. us ne is bat ko boojh liya, aur usako is dekhee hui bat kee samajh a gai.. un dinon maai, daniyyel, teen saptah tak shaek karata raha. un teen saptahon ke poore hone tak, maain ne n to svaadishtt bhojan kiya aur n mans va dakhmadha apane munh men rakha, aur n apanee deh men kuchh bhee tel lagaya. fir pahile maahine ke chaubeesaven din ko jab maain hiekel nam nabee ke teer par tha, tab maain ne ankhen uttakar dekha, ki san ka vasr paahine hua, aur ufaaj desh ke kundan se kamar bandho huae aek puroosh khda haai. usaka shareer faeroja ke saman, usaka mukh bijalee kee nai, usakee ankhen jalate huae deepak kee see, usakee bahen aur panv chamakaae huae peetal ke se, aur usakee vachanon ke shabd bheedon ke shabd ka sa tha. usako keval mujh daniyyel hee ne dekha, aur mere sangee manushyon ko usaka kuchh bhee darshan n hua parantu ve bahut hee thrathrane lage, aur chhpane ke liye bhag gae. tab maain akela rahakar yah adabhut darshan dekhta raha, is se mera bal jata raha maain bhyatur ho gaya, aur mujh men kuchh bhee bal n raha. taubhee maain ne us puroosh ke vachanon ka shabd suna, aur jab vah mujhe sun pada tab maain munh ke bal gir gaya aur gharee neend men boomi par aundho munh pada

jab satavan maheena aya, aur israaelee apane apane nagar men bas gaa, to log yarooshalem men aek man hokar ikatthe hue. tab yosadak ke putra yeshoo ne apane bhai yajakon samet aur shaalateeal ke putra jaroubbabeel ne apane bhaiyon samet kamar bandhakar israaeel ke parameshvar ke vedee ko banaya ki us par homabali chaddhaae, jaaise ki parameshvar ke bhkt moosa ke vyavastha men likha haai. tab unhon ne vedee ko usake sthan par khda kiya kyonaki unhen us or ke deshaen ke logon ka bhy raha, aur ve us par yahova ke liye homabaali arthata pratidin sabere aur sanjh ke homabaali chaddhane lage. aur unhon ne jhopadiyon ke parva ko mana, jaaise ki likha haai, aur pratidin ke homabali aek aek din kee ginatee aur niyam ke anusar chaddhaae. aur usake bad nity homabaali aur naye naye chand aur yahova ke paavitra kiae huae sab niyat pavan ke bali aur apanee apanee ichchha se yahova ke liye sab svechchhabaali har aek ke liye baali chaddhaae. sataven maheene ke paahile din se ve yahova ko homabali chaddhane lage. parantu yahova ke maandair kee nev tab tak n daalee gai thee. tab unhon ne patthr gadhnevalon aur kareegaron ko rupaya, aur seedonee aur sooree logon ko khne-peene kee vastuen aur tel diya, ki ve faaras ke raja kusraoo ke patra ke anusar devadar kee lakadee labanon se japa ke pas ke samudra men pahunchaen. unake parameshvar ke bhvan me, jo yarooshalem men haai, apane ke doosare varsha ke doosare maheene me, shaalateeel ke putra jarubbabeel ne aur yosadak ke putra yeshoo ne aur unake aur bhaiyon ne jo yajak aur leveey the, aur jitane bandhauai se yarooshalem men aae the unhon ne bhee kam ko arambh kiya, aur bees varsha athva usase adhaik avastha ke leaviyon ko yahova ke bhvan ka kam chalane ke liye niyukt kiya. to seshoo aur usake bette aur bhai aur kadameeal aur usake bette, jo yahooda kee santan the, aur henadad kee santan aur unake bette parameshvar ke bhvan men kareegaron ka kam chalane ko khde huae. aur jab rajon ne yahova ke mandair kee nev daalee tab apane vasr pahine hua, aur turahiyan liye huae yajak, aur jhanjh liye huae asap ke vansh ke leveey isaaliye niyukt kiae gaee ki israaeeliyon ke raja daud kee chalai hui reeti ke anusar yahova kee stuati karen. so ve yah ga gakar yahova kee stuati aur dhanyavad karane lage, ki vah bhla haai, aur usakee karuna israaeel par sadaaiv banee haai. aur jab ve yahova kee stuti karane lage tab sab logon ne yah janakar ki yahova ke bhvan kee neb ab pad rahee haai, unche shabd se jay jayakar kiya. parantu bahutere yajak aur leveey aur poorvajon ke gharanon me mukhy purusha, arthata ve booddhe jinhon

ne pahila bhvan dekha tha, jab is bhvan kee nev unakee ankhon ke samhane padee tab foott foottkar rone lage, aur bahutere anand ke mare unche shabd se jay jayakar kar rahe the. isaliye log, anand ke jay jayakar ka shabd, logon ke rone ke shabd se alag pahichan n sake, kyonaki log unche shabd se jay jayakar kar rahe the, aur vah shabd door tak sunai deta tha.

jab yahooda aur binyameen ke shatrauon ne yah suna ki bandhauai se chootte huae log israaeel ke parameshvar yahova ke liye maandair bana rahe haai, tab ve jarubbabeel aur poorvajon ke gharanon ke mukhy mukhy purushaen ke pas akar un se kahane lage, hamen bhee apane sang banane do kyonaki tumharee nai ham bhee tumhare parameshvar kee khoj men lage huae haai, aur ashshoor ka raja aesarhaon jis ne hamen yahan pahunchaya, usake dinon se ham usee ko bali chaddhate bhee haain. jarubbabeel, yeshoo aur israaeel ke pitaron ke gharanon ke mukhy purushaen ne un se kaha, hamare parameshvar ke liye bhvan banane men tum ko ham se kuchh kam naheen ham hee log aek sang milakar faaras ke raja kusraoo kee agyaa ke anusar israaeel ke parameshvar yahova ke liye use banaaenge. tab us desh ke log yahoodiyan ke hath ddheela karane aur unhen drakar mandair banane men rukavatt dalane lage. aur faaras ke raja kusraoo ke jeevan bhr varan faaras ke raja dara ke rajy ke samay tak unake manorath ko nishfal karane ke liye vakeelon ko rupaya dete rahe. shraayarsha ke rajy ke pahile dinon men unhon ne yahooda aur yarooshalem ke nivaasiyon ka doshapatra usee likh bheja. fir artashratra ke dinon men bishalam, mithdat aur tabel ne aur usake sahachariyon ne faaras ke raja artashratra ko chitthee likhee, aur chitthee aramee ashraon aur aramee bhasha men likhee gai. arthata rahoom rajamantraee aur shailashau mantraee ne yarooshalem ke viruddh raja artashratra ko is ashay kee chitthee likhee. us samay rahoom rajamantraee aur shaimashau mantraee aur unake aur sahachariyon ne, arthata deenee, aparsatakee, tarpalee, afaarasee, erekee, babelee, shooshanee, dehavee, elamee, aadi jatiyon ne jinhen mahan aur pradhaan onsnappar ne par le akar shamaaron nagar men aur mahanad ke is par ke shosh desh men basaya tha, aek chitthee likhee. jo chitthee unhon ne artashratra raja ko likhee, usakee yah nakal haai—tere das jo mahanad ke par ke manushy haai, ityadi. raja ko yah vidit ho, ki jo yahooda tere pas se chale aa, ve hamare pas yarooshalem ko pahunche haain. ve us dangait aur ghainaune nagar ko basa rahe haain varan usakee shaharapanah ko khda kar chuke haain aur usakee nev ko jod chuke haain. ab raja ko vidit ho ki yadi vah nagar bas gaya aur usakee shaharapanah ban chukee, tab to ve log kar, chungee aur rahadaree fir n denge, aur ant men rajaon ke hani hogee. ham log to rajamaandair ka namak khate haain aur ucht naheen ki raja ka anadar hamare dekhthe ho, is karan ham yah chitthee bhejakee raja ko chita dete haain. tere purakhaon ke iatihas kee pustak men khoj kee jaae tab iatihas kee pustak men too yah pakar jan lega ki vah nagar balava karanevala aur rajaon aur praan-

ton kee hani karanevala haai, aur praacheen kal se us men balava machata aya haai. aur isee karan vah nagar nasht bhee kiya gaya tha. ham raja ko nishchay kara dete haain ki yadi vah nagar basaya jaae aur usakee shaharapanah ban chuke, tab isake karan mahanad ke is par tera koi bhag n rah jaaega. tab raja ne rahoom rajamantraee aur shaimashu mantraee aur shaemaron aur mahanad ke is par rahanevalee unake aur sahachariyon ke pas yah uttar bheja, kushal, ityadi. jo chitthee tum logon ne hamare pas bhejee vah mere samhane paddh kar safa safai sunai gai. aur meree agyaa se khoj kiye jane par jan pada haai, ki vah nagar praacheenakal se rajaon ke viruddh sir uttata aya haai aur usamen danga aur balava hota aya haai. yarooshaleem ke samath raja bhee huae jo mahanad ke par se samast desh par rajy karate the, aur kar, chungee aur rahadaree unako dee jatee thee. isaliye ab is agyaa ka prachar kar ki ve manushy roke jaeen aur jab tak meree or se agyaa n mile, tab tak vah nagar banaya n jaae. aur chaukas raho, ki is bat men ddheele n hona rajaon kee haani karanevalee vah burai kyon baddhne paae? jab raja artashratra kee yah chitthee rahoom aur shaimashu mantraee aur unake sahachariyon ko paddhkar sunai gai, tab ve utavalee karake yarooshaleem ko yahoodiyon ke pas gaee aur bhujabal aur baariyai se unako rok diya. tab parameshvar ke bhvan ka kam jo yarooshaleem men haai, ruk gaya aur faaras ke raja dara ke rajy ke doosare varsha tak ruka raha.

5

tab haggaa namak nabee aur io ka pota jakaryah yahooda aur yarooshaleem ke yahoodiyan se naboovat karane lage, unhon ne israaeele ke parameshvar ke nam se un se naboovat kee. tab shaalateealee ka putra jarubabel aur yosadak ka putra yeshoo, kamar bandhakar parameshvar ke bhvan ko jo yarooshaleem men haai banane lage aur parameshvar ke ve nabee unaka sath dete rahe. usee samay mahanad ke is par ka tattanaai nam adhaipaati aur shatabajanaai apane sahachariyon samet unake pas jakar yon poochhne lage, ki is bhvan ke banane aur is shaharapanah ke khde karane kee kis ne tum ko agyaa dee haai? tab ham logon se yah kaha, ki is bhvan ke bananevalon ke kya kya nam haain? parantu yahoodiyan ke puraniyan ke parameshvar kee draashtti un par rahee, isaliye jab tak is bat kee charcha dara se n kee gai aur isake vishay chitthee ke dara uttar n mila, tab tak unhon ne inako n roka. jo chitthee mahanad ke is par ke aadhaipaati tattanaai aur shatabajanaai aur mahanad ke is par ke unake sahacharee aparsakiyon ne raja dana ke pas bhejee usakee nakal yah haai unhon ne usako ek chitthee likhee, jis men yah likha tha ki raja dara ka kushal kshom sab prakar se ho. raja ko vidit ho, ki ham log yahooda nam praant men mahan parameshvar ke bhvan ke pas gaee the, vah bade bade patthron se ban raha haai, aur usakee bheeton men kaadiyan jud rahee haain aur yah kam un logon se fauta ke sath ho raha haai, aur sufal bhee hota jata haai. isaliye ham ne un puraniyan se yon poochha, ki yah bhvan banavane, aur yah shaharapanah khdee karane kee agyaa kis ne tumhen dee? aur ham ne unake nam bhee poochhe,

ki ham unake mukhy purushaen ke nam likhkar tujh ko jata saken. aur unhon ne hamen yon uttar diya, ki ham to shakash aur prathvee ke parameshvar ke das haai, aur jis bhvan ko bahut varsha huae israaaliyon ke aek bade raja ne banakar taaiyar kiya tha, usee ko ham bana rahe haain. jab hamare purakhaon ne svarga ke parameshvar ko ris dilai thee, tab us ne unhen babel ke kasadee raja nabookadanessar ke hath men kar diya tha, aur us ne is bhvan ko nash kiya aur logon ko bandhaua karake babel ko le gaya. parantu babel ke raja kusraoo ke paahile varsha men usee kusraoo raja ne parameshvar ke is bhvan ke banane kee agyaa dee aur parameshvar ke bhvan ke jo sone aur chandee ke patra nabookadanessar yarooshaleem ke mandair men se nikalavakar babel ke maandair men le gaya tha, unako raja kusraoo ne babel ke mandair men se nikalavakar shoshabassar namak aek purush ko jise us ne adhaipaati thara diya tha, saunp diya. aur us ne usase kaha, ye patra le jakar yarooshaleem ke maandair men rak, aur parameshvar ka vah bhvan apane sthan par banaya jaae. tab usee shoshabassar ne akar parameshvar ke bhvan kee jo yarooshaleem men haai nev daalee aur tab se ab tak yah ban raha haai, parantu ab tak naheen ban paya. ab yaadi raja ko achchha lage to babel ke rajabhdar men is bat kee khoj kee jaa, ki raja kusraoo ne sachamuch parameshvar ke bhvan ke jo yarooshaleem men haai banavane kee agyaa dee thee, ya naheen. tab raja is vishay men apanee ichchha ham ko bataae.

6

tab raja dara kee agyaa se babel ke pustakalay men jahan khjana bhee rahata tha, khoj kee gai. aur made nam praant ke ahamata nagar ke rajagaddh men aek pustak milee, jis men yah vrattant likha tha ki raja kusraoo ke pahile varsha men usee kusraoo raja ne yah agyaa dee, ki parameshvar ke bhvan ke vishy jo yarooshaleem men haai, arthata vah bhvan jis men balidan kiae jate the, vah banaya jaae aur usakee nev draddhta se daalee jaa, usakee unchai aur chaudi satt satt hath kee hon us men teen rae bharee bharee patthron ke ho, aur ek parat nai lakadee ka ho aur inakee lagat rajabhvan men se dee jaae. aur parameshvar ke bhvan ke jo sone or chandee ke patra nabookadanessar ne yarooshaleem ke mandair men se nikalavakar babel ko pahuncha diae the vah lauttakar yarooshaleem ke maandair men apane apane sthan par pahunchaee jaae, aur too unhen parameshvar ke bhvan men rakh dena. ab he mahanad ke par ke aadhaipaati tattanaai ! he shatabajanaai ! tum apane sahacharee mahanad ke par ke aparsakiyon samet vahan se alag raho parameshvar ke us bhvan ke kam ko rahane do yahoodiyan ka aadhaipaati aur yahoodiyan ke puraniye parameshvar ke us bhvan ko usee ke sthan par banaaen. varan maain agyaa deta hoon ki tumhen yahoodiyan ke un puraniyan se aeesa bartav karana hoga, ki parameshvar ka vah bhvan banaya jaae arthata raja ke dhan men se, mahanad ke par ke kar men se, un purushaen ka fauta ke sath khrcha diya jaae aeesa n ho ki unako rukana pade. aur kya bachhde ! kya meddhe ! kya memne ! svarga ke parameshvar ke homabaliyan ke liye jis jis vastu ka unhen pray-

ojan ho, aur jitana gehoo, namak, dakhmadha aur tel yarooshalem ke yajak kahe, vah sab unhen bina bool chook praatidin diya jaa, isaliye ki ve svarga ke parameshvar ko sukhdayak sugandhavale bali chaddhakar, raja aur rajakumaron ke deedharay ke liye praarthna kiya karen. fir maain ne agyaa dee haai, ki jo koi yah agyaa ttale, usake ghar men se kadee nikalee jaa, aur us par vah svayan chaddhakar jakada jaa, aur usaka ghar is aparadha ke karan ghoora banaya jaae. aur parameshvar jis ne vahan apane nam ka nivas ttharaya haai, vah kya raja kya praja, un sabhon ko jo yah agyaa ttralane aur parameshvar ke bhvan ko jo yarooshalem men haai nash karane ke liye hath baddhaae, nashtit karen. mujh dara ne yah agyaa dee haai fauta se aeesa hee karana. tab mahanad ke is par ke aadhaipaati tattanaai aur shatabajanaai aur unake sahachariyon ne dara raja ke chitthee bhejane ke kara, usee ke anusar fauta se kam kiya. tab yahooddee puraaniye, haggaai nabee aur io ke pote jakaryah ke naboovat karane se maandair ko banate rahe, aur kratarth bhee huae. or israael ke parameshvar kee agyaa ke anusar aur faaras ke raja kusrao, dara aur artakshatra kee agyaaon ke anusar banate banate use poora kar liya. is prakar vah bhvan raja dara ke rajy ke chhitven varsha men adar maheene ke teesare din ko banakar samapt hua. israaelee, arthata yajak leveey aur aur jitane bandhauai se aae the unhon ne parameshvar ke us bhvan kee pratishtta utsav ke sath kee. aur us bhvan kee pratishtta men unhon ne aek sau baail aur do sau meddhe aur char sau memne aur fir sab israael ke nimit papabaali karake israael ke gotron kee ginatee ke anusar barah bakare chaddhaae. tab jaaise moosa kee pustak men likha haai, vaaise hee unhon ne parameshvar kee aradhana ke liye jo yarooshalem men haai, baree baree se shajakon aur dal dal ke leaviyon ko niyukt kar diya. fir pahile maheene ke chaudahaven din ko bandhauai se aae huae logon ne fasa mana. kyonaki yajakon aur leviyon ne aek man hokar, apane apane ko shuuddh kiya tha isaliye ve sab ke sab shuuddh the. aur unhon ne bandhauai se aae huae sab logon aur apane bhai yajakon ke liye aur apane apane liye fasahe pashu baali kiae. tab bandhauai se lautte huae israaelee aur jitane aur desh kee any jatiyon kee ashuddhata se isaliye alag ho gaae the ki israael ke parameshvar yahova kee khoj kare, un sabhon ne bhojan kiya. aur akhmeeree rottee ka varva sat din tak anand ke sath manate rahe kyonaki yahova ne unhen anaandait kiya tha, aur ashshoor ke raja ka man unakee or aeesa faer diya ki vah parameshvar arthata israael ke parameshvar ke bhvan ke kam men unakee sahayata kare.

jab daud apane bhvan men rahane laga, tab daud ne natan nabee se kaha, dek, maain to devadaru ke bane huare ghar men rahata hoo, parantu yahova kee vacha ka sandook tamboo men rahata haai. natan ne daud se kaha, jo kuchh tere man men ho use kar, kyonaki parameshvar tere sang haai. usee din rat ko parameshvar ka yah vachan natan ke pas pahuncha, jakar mere das daud se kah, yahova yon kahata haai, ki mere nivas ke liye too ghar banavane n paaga. kyonaki jis din se maain israaaeliyon ko misra se le aya, aj ke din tak maain kabhee ghar men naheen raha parantu aek tamboo se doosare tamboo ko or aek nivas se doosare nivas ko aya jaya karata hoo. jahan jahan maain ne sab israaaeliyon ke beech ana jana kiya, kya maain ne israaael ke nyaaiyon men se ji-

nako maain ne apanee praja kee charavahee karane ko ttharaya tha, kisee se aeese bat kabhee kahee, ki tum logon ne mere liye devadaru ka ghar kyon naheen banavaya? so ab too mere das daud se aeese kah, ki senaon ka yahova yon kahata haai, ki maain ne to tujh ko bhedshaala se aur bhed-bariyon ke peechhe peechhe firane se is manasa se bula liya, ki too meree praja israaael ka pradhaan ho jaae aur jahan kaheen too aya aur gaya, vahan maain tere sang raha, aur tere sab shatrauon ko tere samhane se nashtt kiya haai. ab maain tere nam ko prathvee ke bade bade logon ke namo ke saman bada kar doonga. aur maain apanee praja israaael ke liye aek sthan ttharaunga, aur usako sthiar karoonga ki vah apane hee sthan men basee rahe aur kabhee chalayaman n ho aur kuttiai log unako nash n karane paaenge, jaaise ki pahile dinon men karate the us samay bhee jab maain apanee praja israaael ke upar nyayee ttharata tha so maain tere sab shatrauon ko daba doonga. fir maain tuihe yah bhee batata hoo, ki yahova tera ghar banaye rakhega. jab teree ayu pooree ho jayegee aur tuihe apane pitaron ke sang jana padega, tab maain tere bad tere vansh ko jo tere putran men se hoga, khda karake usake rajy ko sthiar karoonga. mere liae aek ghar vahee banaaega, aur maain usakee rajagaee ko sadaiv sthiar rakoonga. maain usaka pita ttharoonga aur yah mera putra ttharega aur jaaise maain ne apanee karuna us par se jo tujh se paahile tha hattai, vaaise maain us par se n hattaunga, varan maain usako apane ghar aur apane rajy men sadaiv sthiar yakoonga aur usakee rajagaee sadaiv attl rahegee. in sab baton aur is darshan ke anusar natan ne daud ko samajha diya. tab daud raja bheetar jakar yahova ke sammukh baaita, aur kahane laga, he yahova parameshvar ! maain kya hoo? aur mera gharana kya haai? ki too ne mujhe yahan tak pahunchaya haai? aur he parameshvar ! yah teree draashtti men chhottee se bat hui, kyonki too ne apane das ke gharane ke vishay bhavishy ke bahut dinon tak kee charcha kee haai, aur he yahova parameshvar ! too ne mujhe unche pad ka matushy sa jana haai. jo maahima tere das par dikhai gai haai, usake vishay daud tuihe se aur kya kah sakata haai? too to apane das ko janata haai. he yahova ! too ne apane das ke nimitt aur apane man ke anusar yah bada kam kiya haai, ki tera das usako jan le. he yahova ! jo kuchh ham ne apane kanon se suna haai, usake anusar tere tuly koi nahee, aur n tuihe chhod aur koi parameshvar haai. fir teree praja israaael ke bhee tuly kaun haai? vah to prathvee bhr men aek hee jaati haai, use parameshvar ne jakar apanee nij praja karane ko chhudaya, isaaliye ki too bade aur dravane kam karake apana nam kare, aur apanee praja ke samhane se jo too ne misra se chhuda lee thee, jaati jati ke logon ko nikal de. kyonaki too ne apanee praja israaael ko apanee sada kee praja hone ke liye ttharaya, aur he yahova ! too ap usaka parameshvar tthara. isaliye, ab he yahova, too ne jo vachan apane das ke aur usake gharane ke vishay diya haai, vah sadaiv attl rahe, aur apane vachan ke anusar hee kara. aur tera nam sadaiv attl rahe, aur yah kahakar teree badai sada kee jaa, ki senaon ka yahova israaael ka parameshvar haai, varan vah israaael hee ke liye parameshvar haai, aur tera das daud ka gharana tere

samhane sthiar rahe. kyonaki he mere parameshvar, too ne yah kahakar apane das par pragatt kiya haai ki maain tera ghar banaae rakoonga, is karan tere das ko tere sammukh praarthna karane ka hiyaab hua haai. aur ab he yahova too hee parameshvar haai, aur too ne apane das ko yah bhilai karane ka vachan diya haai. aur ab too ne prasann hokar, apane das ke gharane par aeesee ashaeesh dee haai, ki vah tere sammukh sadaaiv bana rahe, kyonaki he yahova, too ashaeesh de chuka haai, isaliye vah sadaaiv ashaeeshait bana rahe.

isake bad daud ne palishtaiyon ko jeetakar apane adhaen kar liya, aur ganvon samet gat nagar ko paalishtaiyon ke hath se chheen liya. fir us ne moaabiyon ka bhee jeet liya, aur moabee daud ke adhaen hokar bhentt lane lage. fir jab soba ka raja hadarejer parat mahanad ke pas apane rajy sthiar karane ko ja raha tha, tab daud ne usako hamat ke pas jeet liya. aur daud ne usase aek hajar rat, sat hajar savar, aur bees hajar piyade har lia, aur daud ne sab rathvale ghodon ke sum kee nas kattvai, parantu aek sau rathvale dhode bacha rakhe. aur jab daamishk ke aramee, soba ke raja hadarejer kee sahayata karane ko aa, tab daud ne aramiyon men se bais hajar purush mare. tab daud ne damishk ke aram men sipaahiyon kee chauakiyan baaittai so aramee daud ke adhaen hokar bhentt le ane lage. aur jahan jahan daud jata, vahan vahan yahova usako jay dilata tha. aur hadarejer ke karmachariyon ke pas sone kee jo ddhalen thee, unhen daud lekar yarooshalem ko aya. aur hadarejer ke tibht aur koon nam nagaron se daud bahut sa peetal le aya aur usee se suleman ne peetal ke haud aur khmbhon aur peetal ke patraen ko banavaya. jab hamat ke raja to ne suna, ki daud ne soba ke raja hadarejer kee samast sena ko jeet liya haai, tab us ne hadoram nam apane putra ko daud raja ke pas usaka kushal kshom poochhne aur use badhaai dene ko bheja, isaaliye ki us ne hadarejer se ladkar use jeet liya tha kyonki hadarejer to se lada karata tha aur hadoram sone chandee aur peetal ke sab prakar ke patra liye huae aya. inako daud raja ne yahova ke liye paavitra karake rakha, aur vaaisa hee us sone-chandee se bhee kiya jise sab jaatiyo se, arthata aedomiyon moabiyo, ammoniyo, palishtaiyo, aur amalekiyon se praapt kiya tha. fir yarooyah ke putra abeeshau ne lan kee tarai men atarah hajar aedomiyon ko mar liya. tab us ne aedom men sipaahiyon kee chauakiyan baaittai aur sab aedomie daud ke adhaen ho gae. aur daud jahan jahan jata tha vahan vahan yahova usako jay dilata tha. daud to sare israael par rajy karata tha, aur vah apanee sab praja ke sath nyay aur dharma ke kam karata tha. aur pradhaan senapaati saroooyah ka putra yoab tha itihās ka likhnevala aheelood ka putra yahoshapat tha. pradhaan yajak, aheetoob ka putra sadok aur abyatar ka putra abemelek the mantrāee shabasha tha. karētiyon aur paletiyon ka pradhaan yahoyada ka putra banayah tha aur daud ke putra raja ke pas mukhaiye hokar rahate the.

isake bad ammoniyan ka raja nahash mar gaya, aur usaka putra usake sthan par raja hua. tab daud ne yah socha, ki hanoon ke pita nahash ne jo mujh par praeeti dikhai thee, isaaliye maain bhee us par praeeti dikhaunga. tab daud ne usake pita ke vishay shaanati dene ke liye doot bheje. aur daud ke karpacharee ammoniyan ke desh men hanoon ke pas use shaanati dene ko aae. parantu ammoniyan ke haakim hanoon se kahane lage, daud ne jo tere pas shaanati denevale bheje haai, vah kya teree samajh men tere pita ka adar karane kee manasa se bheje haain? kya usake karmacharee isee manasa se tere pas naheen aa, ki ddoondh-dhandh karen aur nashtt kare, aur desh ka bhed len? tab hanoon ne daud ke karmachariyon ko pakada, aur unake bal mudvaa, aur adho vasr arthata nitamb tak kattvakar unako jane diya. tab kitanon ne jakar daud ko bata diya, ki un purushaen ke sath kaaisa bartav kiya gaya, so us ne logon ko un se milane ke liye bheja kyonki ve purush bahut lajate the. aur raja ne kaha, jab tak tumharee daddhiyan baddh n jae, tab tak yareehon men thare raho, aur bad ko lautt aane. jab ammoniyan ne dekha, ki ham daud ko ghainaune lagate haai, tab hanoon aur ammoniyan ne aek hajar kikkar chandee, aramnaharaaim aur arammaka aur soba ko bhejee, ki rath aur savar kiraye par bulaaen. so unhon ne battees hajar rat, aur maka ke raja aur usakee sena ko kiraye par bulaya, aur inhon ne akar medaba ke samhane, apane dere khde kiae. aur ammonee apane apane nagar men se ikatthe hokar ladne ko aae. yah sunakar daud ne yoab aur shooraaveeron kee pooree sena ko bheja. tab ammonee nikale aur nagar ke faatk ke pas panati bandhae, aur jo raja aae the, ve un se lag maaidan men the. yah dekhkar ki age peechhe donon or hamare viruddh panti bandhae haai, yoab ne sab bade bade israaelee veeron men se kitaton ko chhantkar aramiyan ke samhane unakee panati bandhaai aur shosh logon ko apane bhai abeeshau ke hath saunp diya, aur unhon ne ammoniyan ke samhane panati bandhae. aur us ne kaha, yadi aramee mujh par prabal hone lage, to too meree sahayata karana aur yadi ammonee tujh par prabal hone lage, to maain teree sahayata karoonga. too hiyaab bandha aur ham sab apane logon aur apane parameshvar ke nagaron ke nimmitt purushaarth karen aur yahova jaaisa usako achchha lage, vaaisa hee karega. tab yoab aur jo log usake sath the, aramiyan se yuddh karane ko unake samhane gae, aur ve usake samhane se bhage. yah dekhkar ki aramee bhag gae haai, ammonee bhee usake bhai abeeshau ke samhane se bhagakar nagar ke bheetar ghause. tab yoab yarooshalem ko lautt aya. fir yah dekhkar ki ve israaeeliyan se har gae haain araamiyan ne doot bhejkar mahanad ke par ke araamiyan ko bulavaya, aur hadarejer ke senapaati shaepak ko apana pradhaan banaya. isaka samachar pakar daud ne sab israaeeliyan ko ikattha kiya, aur yaradan par hokar un par chaddhai kee aur unake viruddh panti bandhaai, tab ve us se ladne lage. parantu aramee israaeeliyan se bhage, aur daud ne un men se sat hajar rathaiyan aur chalees hajar pyadon ko mar dala, aur shaepak sena-

pati ko bhee mar dala. yah dekhkar ki ve israaaliyon se har gaee haai, hadarejer ke karmachaariyon ne daud se sanadhai kee aur usake adhaeen ho gaee aur aramiyon ne ammoniyan kee sahayata fir karanee n chahee.

fir naye varsha ke arambh men jab raja log yuddh karane ko nikala karate haai, tab yoab ne bharee sena sang le jakar ammoniyan ka desh ujad diya aur akar rabba ko ghor liya parantu daud yarooshalem men rah gaya aur yoab ne rabba ko jeetakar ddha diya. tab daud ne unake raja ka mukutt usake sir se utarakar kya deekha, ki usaka taul kikkar bhr sone ka haai, aur us men manai bhee jade the aur vah daud ke sir par rakha gaya. fir us ne us nagar se bahut saman loott men paya. aur us ne usake rahanevalon ko nikalakar aron aur lohe ke hengen aur kulhaadiyon se kattvaya aur ammoniyan ke sab nagaron ke sath bhee daud ne vaaisa hee kiya. tab daud sab logon samet yarooshalem ko lautt gaya. isake bad gejer men palishtaiyan ke sath yuddh hua us samay hooshaai sib-bakaai ne sippaai ko, jo rapa kee santan tha, mar dala aur ve dab gaee. aur paalishtaiyan ke sath fir yuddh hua us men yair ke putra aelhanan ne gatee golyat ke bhai lahamee ko mar dala, jisake barchhe kee chhd, julahe kee dongee ke saman thee. fir gat men bhee yuddh hua, aur vahan aek bade deel ka purush tha, jo rapa kee santan tha, aur usake aek aek hath panv men chh chh ungaaliyan arthata sab milakar chaubees ungaaliyan theen. jab us ne israaaliyon ko lalakara, tab daud ke bhai shaima ke putra yonatan ne usako mara. ye hee gat men rapa se utpann huae the, aur ve daud aur usake sevakon ke hath se mar dale gaee.

aur shautan ne israaael ke viruddh uttkar, daud ko usakaya ki israaaliyon kee ginatee le. tab daud ne yoab aur praja ke hakimon se kaha, tum jakar bashorba se le dan tak ke israaael kee ginatee lekar mujhe batao, ki maain jan loon ki ve kitane haain. yoab ne kaha, yahova kee praja kee kitane hee kyon n ho, vah unako sau guna baddha de parantu he mere prabhu ! he raja ! kya ve sab raja ke adhaeen naheen haain? mera prabhu aeese bat kyon chahata haai? vah israaael par dosh lagane ka karan kyon bane? taubhee raja kee agyaa yoab par prabal hui. tab yoab vida hokar sare israaael men dhoomakar yarooshalem ko lautt aya. tab yoab ne praja kee ginatee ka jod, daud ko sunaya aur sab talavariye purush israaael ke to gyarah lak, aur yahooda ke char lakh sattar hajar thare. parantu un men yoab ne levee aur binyameen ko n gina, kyonaki vah raja kee agyaa se ghauna karata tha aur yah bat parameshvar ko buree lagee, isaliye us ne israaael ko mara. aur daud ne parameshvar se kaha, yah kam jo maain ne kiya, vah mahapap haai. parantu ab apane das ka adharma door kara mujh se to badee moorkhta hui haai. tab yahova ne daud ke dasa gad se kaha, jakar daud se kah, ki yahova yon kahata haai, ki maain tuijh ko teen vipaattaiyan dikhata hoo, un men se aek

ke samhane unhon ne bade anand se khaya aur piya. fir unhon ne daud ke putra sulaaيمان ko doosaree bar raja ttharakar yahova kee or se pradhaan hone ke liye usaka aur yajak hone ke liye sadok ka abhaishok kiya. tab sulaaيمان apane pita daud ke sthan par raja hokar yahova ke sinhasan par virajane laga aur bhagyavan hua, aur israaael usake adhaeen hua. aur sab haakimon aur shooraveeron aur raja daud ke sab putraen ne sulaaيمان raja kee adhaeenata angeekar kee. aur yahova ne sulaaيمان ko sab israaael ke dekhte bahut baddhaya, aur use aeesa rajakeey aeeshvarya diya, jaaisa us se paahile israaael ke kisee raja ka n hua tha. is prakar yihau ke putra daud ne sare israaael ke upar raji kiya. aur usake israaael par raji karane ka samay chalees varsha ka tha us ne sat varsha to hebraen men aur taantees varsha yarooshalem men raji kiya. aur vah poore booddhaye kee avastha men deegharayu hokar aur dhan aur vibh, manamana bhogakar mar gaya aur usaka putra sulaaيمان usake sthan par raja hua. aadi se ant tak raja daud ke sab kamon ka vrattant, aur usake sab raji aur parakram ka, aur us par aur israaael par, varan desh desh ke sab rajyon par jo kuchh beeta, isaka bhee vrattant shamooael dasa aur natan nabee aur gad dasa kee pustakon men likha hua haai.

daud ka putra sulaaيمان rajy men sthiar ho gaya, aur usaka parameshvar yahova usake sang raha aur usako bahut hee baddhaa. aur sulaaيمان ne sare israaael se, arthata sahasrapaatiyo, shatapatiyo, nyaaiyon aur israaael ke sab raison se jo pitaron ke gharanon ke mukhy mukhy purush the, baten keen. aur sulaaيمان pooree mandlee samet giben ke unche sthan par gaya, kyonki parameshvar ka milapavala tambo, jise yahova ke das moosa ne jangal men banaya tha, vah vaheen par tha. parantu parameshvar ke sandook ko daud kiriyatyareem se us sthan par le aya tha jise us ne usake liye taaiyar kiya tha, us ne to usake liye yarooshalem men aek tamboo khda karaya tha. aur peetal kee jo vedee uree ke putra basalel ne, jo hoor ka pota tha, banai thee, vah giben men yahova ke nivas ke samhane thee. isaliye sulaaيمان mandlee samet usake pas gaya. aur sulaaيمان ne vaheen us peetal kee vedee ke pas jakar, jo yahova ke samhane milapavale tamboo ke pas thee, us par aek hajar homabali chadaae. usee din rat ko parameshvar ne sulaaيمان ko darshan dekar us se kaha, jo kuchh too chahe ki maain tuihe doo, vah manga. sulaaيمان ne parameshvar se kaha, too mere pita daud par badee karuna karata raha aur mujh ko usake sthan par raja banaya haai. ab he yahova parameshvar ! jo bachan too ne mere pita daud ko diya tha, vah poora ho too ne to mujhe aeese praja ka raja banaya haai jo boomi kee dhooli ke kinakon ke saman bahut haai. ab mujhe aeese buaddhi aur gyaan de, ki maain is praja ke samhane andara- bahar anajana kar sakoo, kyonki kaun aeese haai ki teree itanee badee praja ka nyay kar sake? parameshvar ne sulaaيمان se kaha, teree jo aeese hee manasa hui, arthat too ne n to dhan sampattai manglee haai, n aeeshvaryaaaur n apane baaiariyon ka praan aur n apanee deegharayu manglee, keval buaddhi aur gyaan ka var manga haai, jis se too meree praja ka jisake upar maain ne tuihe raja niyukt kiya haai, nyay kar sake, is karan buddhi aur gyaan tuihe diya jata haai. aur maain tuihe itana dhan sampattai aur aeeshvaryaa doonga, jitana n to tuij se paahile kisee raja ko, mila aur n tere bad kisee raja ko milega. tab sulaaيمان giben ke unche sthan se, arthata milapavale tamboo ke samhane se yarooshalem ko aya aur vahan israaael par rajy karane laga. fir sulaaيمان ne rath aur savar ikatthe kar liye aur usake chaudah sau rath aur barah hajar savar the, aur unako us ne rathon ke nagaron me, aur yarooshalem men raja ke pas thara rakha. aur raja ne aeese kiya, ki yarooshalem men sone- chandee ka mooly bahutayat ke karan patthron ka sa, aur devadaron ka mooly neeche ke desh ke goolaron ka sa bana diya. aur jo ghaede sulaaيمان rakhta tha, ve misra se ate the, aur raja ke yyparee unhen jhund ke jhund tharaae huae dam par liya karate the. aek rath to chh sau shokel chandee par, aur aek ghaeda deddh sau shokel par misra se ata tha aur isee dam par ve hittaiyon ke sab rajaon aur aram ke rajaon ke liye unhen ke dara laya karate the.

aur sulaaيمان ne yahova ke nam ka aek bhvan aur apana rajabhvan banane ka vichar kiya. isaliae sulaaيمان ne sattu hajar bojhai aur assee hajar pahad se patthr kattnevale aur vraksha kattnevale, aur in par teen hajar chh sau mukhaiye ginatee karake ththaraae. tab sulaaيمان ne sor ke raja hooram ke pas kahala bheja, ki jaaisa too ne mere pita daud se batrtav kiya, arthata usake rahane ka bhvan banane ko devadar bheje the, paaisa hee ab mujh se bhee batrtav kara. dek, maain apane parameshvar yahova ke nam ka aek bhvan banane par hoo, ki use usake liye paavitra karoon aur usake sammukh sugaandhiat dhoom jalau, aur nity bhennt kee rottee us men rakhee jaae aur pratidin sabere aur sanjh ko, aur vishraam aur naye chand ke dinon men aur hamare parameshvar yahova ke sab niyat pabban men homabali chadhaya jaae. israaael ke liye aeese hee sada kee vidhai haai. aur jo bhvan maain banane par hoo, vah mahan hoga kyonki hamara parameshvar sab devataon men mahan haai. parantu kis kee itanee shaktai haai, ki usake liye bhvan banaa, vah to svarga men varan sab se unche svarga men bhee naheen samata? maain kya hoo ki usake samhane dhoop jalane ko chhod aur kisee manasa se usaka bhvan banaun? so ab too mere pas aek aeese manushy bhej de, jo sone, chandee, peetal, lohe aur baainjane, lal aur neele kapade kee kareegaree men nipun ho aur nakkashae bhee janata ho, ki vah mere pita daud ke ththaraae huae nipun panushyon ke sath hokar jo mere pas yahooda aur yarooshalem men rahate haai, kam kare. fir labanon se mere pas devadar, sanovar aur chandan kee lakadee bhejana, kyonki maain janata hoo ki tere das labanon men vraksha kattna janate haai, aur tere dason ke sang mere das bhee rahakar, mere liye bahut see lakadee taaiyar kareng, kyonki jo bhvan maain banana chahata hoo, vah bada aur achambhe ke yogy hoga. aur tere das jo lakadee kattenge, unako maain bees hajar kor koota hua ganho, bees hajar kor jav, bees hajar bat dakhmadha aur bees hajar bat tel doonga. tab sor ke raja hooram ne chitthee likhkar sulaaيمان ke pas bhejee, ki yahova apanee praja se praem rakhta haai, is se us ne tuihe unaka raja kar diya. fir hooram ne yah bhee likha ki dhany haai israaael ka parameshvar yahova, jo akash aur prathvee ka srajanahar haai, aur us ne daud raja ko aek buaddhiman, chatur aur samajhdar putra diya haai, taki vah yahova ka aek bhvan aur apana rajabhvan bhee banaae. isaliye ab maain aek buddhiman aur samajhdar purush ko, arthata hoorama-abee ko bhejata hoo, jo aek dane sree ka betta haai, aur usaka pita sor ka tha. aur vah sone, chandee, peetal, lohe, patthr, lakadee, baainjane aur neele aur lal aur sooksham san ke kapade ka kam, aur sab prakar kee nakkashae ko janata aur sab bhanati kee kareegaree bana sakata haai so tere chatur manushyaen ke sang, aur mere prabhu tere pita daud ke chatur manushyon ke sang, usako bhee kam mile. aur mere prabhu ne jo gehoo, jav, tel aur dakhmadha bhejane kee charcha kee haai, use apane dason ke pas bhjaiva de. aur ham log jitanee lakadee ka tuihe prayojan ho utanee labanon par se kattenge, aur bede banavakar samudra ke marga

se japa ko pahuchaaenge, aur too use yarooshalem ko le jana. tab sulaaيمان ne israaaelee desh ke sab para-deashaiyon kee ginatee lee, yah us ginatee ke bad hui jo usake pita daud ne lee thee aur ve deddh lakh teen hajar chh sau purush nikale. un men se us ne sattu hajar bojhyai, assee hajar pahad par patthr kattnevale aur vraksha kattnevale aur teen hajar chh sau un logon se kam karanevale mukhaiye niyukt kie.

tab sulaaيمان ne yarooshalem men moriyyah nam pahad par usee sthan men yahova ka bhvan banana arambh kiya, jise usake pita daud ne darshan pakar yaboossee onran ke khlihan men taaiyar kiya tha us ne apane rajy ke chauthe varsha ke doosare maheene ke, doosare din ko banana arambh kiya. paramesh-var ka jo bhvan sulaaيمان ne banaya, usaka yah ddhv haai, arthata usakee lambai to praacheen kal kee nap ke anusar satt hat, aur usakee chaudi bees hath kee thee. aur bhvan ke samhane ke osare kee lambai to bhvan kee chaudi ke barabar bees hath kee aur usakee unchai aek sau bees hath kee thee. sulaaيمان ne usako bheetar chokhe sone se maddhvaya. aur bhvan ke bade bhag kee chht us ne sanovar kee lakadee se pattvai, aur usako achchhe sone se maddhvaya, aur us par khjoor ke vraksha kee aur sankalon kee nakkashae karai. fir shaebe dene ke liye us ne bhvan men manai jadvaee. aur yah sona pavaaanm ka tha. aur us ne bhvan ko, arthata usakee kadiyo, devaaddhiyo, bheeton aur kivadon ko sone se maddhvaya, aur bheeton par karoob khudavaae. fir us ne bhvan ke paramapavitra sthan ko banaya usakee lambai to bhvan kee chaudi ke barabar bees hath kee thee, aur usakee chaudi bees hath kee thee aur us ne use chh sau kikkar chokhe sone se maddhvaya. aur sone kee keelon ka taul pachas shokel tha. aur us ne attariyon ko bhee sone se maddhvaya. fir bhvan ke paramapavitra sthan men usane nakkashae ke kam ke do karoob banavaae aur ve sone se maddhvae gae. karoobon ke pankh to sab milakar bees hath lambe the, arthata aek karoob ka aek pankh panch hath ka aur bhvan kee bheet tak pahuncha hua tha aur usaka doosara pankh panch hath ka tha aur doosare karoob ke pankh se mila hua tha. aur doosare karoob ka bhee aek pankh panch hath ka aur bhvan kee doosaree bheet tak pahuncha tha, aur doosara pankh panch hath ka aur paahile karoob ke pankh se satta hua tha. in karoobon ke pankh bees hath faaile huae the aur ve apane apane panvon ke bal khde the, aur apana apana mukh bheetar kee or kiae huae the. fir us ne beechavale parde ko neele, baainjane aur lal rang ke san ke kapade ka banavaya, aur us par karoob kad-dhvae. aur bhvan ke samhane us ne paaintees paaintees hath unche do khmbhe banavaa, aur jo kanganees aek aek ke upar thee vah panch panch hath kee thee. fir us ne bheetaree kottree men sankalen banavakar khmbhon ke upar lagai, aur aek sau anar bhee banakar sankalon par lattkaae. us ne in khmbhon ko maandair ke samhane, ek to usakee daahinee or aur doosara bai or khda karaya aur daahine khmbhe ka nam yakeen aur bayen khmbhe ka nam boaja rakha.

fir us ne peetal kee aek vedee banai, usakee lambai aur chaudi bees bees hath kee aur unchai das hath kee thee. fir us ne aek ddhala hua haud banavaya jo chhor se chhor tak das hath tak chaudi tha, usaka akar gol tha, aur usakee unchai panch hath kee thee, aur usake charon or ka ghor tees hath ke nap ka tha. aur usake tale, usake charon or, aek aek hath men das das baailon kee pratimaen bane the, jo haud ko ghore theen jab vah ddhala gaya, tab ye baail bhee do panti karake ddhale gae. aur vah barah bane huae baailon par dhara gaya, jin men se teen uttar, teen paashchaim, teen daakkhian aur teen poorva kee or munh kiae huae the aur inake upar haud ghara tha, aur un sabhon ke pichhle ang bheetaree bhag men padte the. aur haud kee mottai chauva bhr kee thee, aur usaka mohada kattore ke mohade ke nai, sosan ke foolon ke kam se bana tha, aur us men teen hajar bat bhrakar samata tha. fir us ne dhaene ke liye das haudee banavakar, panch daahinee aur panch bai or rakh deen. un men homabali kee vastuen dhaei jatee thee, parantu yajakon ke dhaene ke lilaye bada haud tha. fir us ne sone kee das deevatt vidhai ke anusar banavai, aur panch dahinee or aur panch bai or maandair men rakhva deen. fir us ne das mej banavakar panch dahinee or aur pach bai or mandair men rakhva deen. aur us ne sone ke aek sau kattore banavaae. fir us ne yajakon ke angan aur bade angan ko banavaya, aur is angan men faattk banavakar unake kivadon par peetal maddhvaya. aur us ne haud ko bhvan kee dahinee or arthata poorva aur daakkhian ke kone kee or rakhva diya. aur hooram ne hando, faavaadiyo, aur kattoron ko banaya. aur hooram ne raja sulaaيمان ke liye parameshvar ke bhvan men jo kam karana tha use nipatta diya arthata do khmbhe aur golon samet ve kangaaniyan jo khmbhon ke siron par thee, aur khmbhon ke siron par kee golon ko ddhanpane ke liae jaliyon kee do do panti aur donon jaliyon ke liye char sau anar aur jo gole khmbhon ke siron par the, unako ddhanpanevalae aek aek jalee ke liye anaron kee do do panati banai. fir us n kuarsiyan aur kuarsiyan par kee hauadiya, aur unake neeche ke barah baail banaae. fir hoorama-abee ne hando, faavaadiyo, kantton aur inake sab saman ko yahova ke bhvan ke liye raja sulaaيمان kee agyaa se jh-lakaae huae peetal ke banavaae. raja ne usako yaradan kee tarai men arthata sukkot aur sاران ke beech kee chikanee mitteevalee boomi men ddhlavaya. sulaaيمان ne ye sab patra bahut banavaa, yahan tak ki peetal ke taul ka hisab n tha. aur sulaaيمان ne parameshvar ke bhvan ke sab patra, sone ke vedee, aur ve mej jin par bhentt kee rottee rakhee jatee thee, aur deepakon samet chokhe sone kee deevatte, jo vidhai ke anusar bheetaree kottree ke samhane jala karateen theen. aur sone baran nire sone ke fool, deepak aur chimatte aur chokhe sone kee kaainchiya, kattore, dhoopadan aur karachhe banavaae. fir bhvan ke dar aur param pavitra sthan ke bheetaree kivad aur bhvan arthata maandair ke kivad sone ke bane.

is prakar sulaaiman ne yahova ke bhvan ke liye jo jo kam banavaya vah sab nipatt gaya. tab sulaaiman ne apane pita daud ke pavitra kiae huae sone, chandee aur sab patraen ko bheetar pahunchakar parameshvar ke bhvan ke bhaeadarone men rakhva diya. tab sulaaiman ne israaael ke puraniyon ko aur gotraen ke sab mukhy purusha, jo israaaeliyon ke pitaron ke gharanon ke pradhanaan the, unako bhee yarooshalem men is manasa se ikattha kiya, ki ve yahova kee vacha ka sandook daudapur se arthata siyyon se upar liva le aen. sab israaalee purush sataven maheene ke parva ke samay raja ke pas ikatthe hue. jab israaael ke sab puraaniye aa, tab leviyon ne sandook ko utta liya. aur leveey yajak sandook aur milap ka tamboo aur jitane pavitra patra us tamboo men the un sabhon ko upar le gaee. aur raja sulaaiman aur sab israaalee mandlee ke log jo usake pas ikatthe huae the, unhon ne sandook ke samhane itanee bhed aur baail baali kia, jinakee ginatee aur hisab bahutayat ke karan n ho sakatee the. tab yajakon ne yahova kee vacha ka sanadook usake sthan me, arthata bhvan kee bheetaree kottree men jo paramapavitra sthan haai, pahanchakar, karoobon ke pankhon ke tale rakh diya. sandook ke sthan ke upar karoob to kottre faailae huae the, jisase ve upar se sandook aur usake dndon ko ddhanpe the. dnde to itane lambe the, ki unake sire sandook se nikale huae bheetaree kottree ke samhane dekh padte the, parantu bahar se ve dikhi n padte the. ve aj ke din tak vaheen haain. sandook men patthr kee un do pattyaiaon ko chhod kuchh n tha, jinhen moosa ne horeb men usake bheetar us samay rakha, jab yahova ne israaaeliyon ke misra se nikalane ke bad unake sath vacha bandhaee thee. jab yajak pavitrasthan se nikale jitane yajak upasthiat the, un sabhon ne to apane apane ko pavitra kiya tha, aur alag alag dalon men hokar seva n karate the aur jitane leveey gavaaiye the, ve sab ke sab arthata mutraen aur bhiyon samet asap, heman aur yadootoon san ke vasr paahine hjanj, saranagiyan aur veenaen liye hua, vedee ke poorva alang men khde the, aur unake sath aek sau bees yajak turahiyan baja rahe the. to jab turahiyan bajanevale aur ganevale aek svar se yahova kee stuti aur dhanyavad karane lage, aur turaahiya, hjanjh aadi baje bajate huae yahova kee yah stuati unche shabd se karane lage, ki vah bhla haai aur usakee karuna sada kee haai, tab yahova ke bhvan me badal chha gaya, aur badal ke karan yajak log sevattal karane ko khde n rah sake, kyonki yahova ka tej parameshvar ke bhvan men bhr gaya tha.

tab sulaaiman kahane laga, yahova ne kaha tha, ki maain ghaer andhakar maain vas kiae rahoonga. parantu maain ne tere liye aek vasasthan varan aeesa draddh sthan banaya haai, jis men too yug yug rahe. aur raja ne israaael kee pooree sabha kee or munh faerakar usako ashaeervad diya, aur israaael kee pooree sabha khdee rahee. aur us ne kaha, dhany haai israaael ka parameshvar yahova, jis ne apane munh se mere pita daud ko yah vachan diya tha, aur apane

hathon se ise poora kiya haai, ki jis din se maain apanee praja ko misra desh se nikal laya, tab se maain ne n to israaael ke kisee gotra ka koi nagar chuna jis men mere nam ke nivas ke liye bhvan banaya jaa, aur n koi manushy chuna ki vah meree praja israaael par pradhaan ho. parantu maain ne yarooshalem ko isaaliye chuna haai, ki mera nam vahan ho, aur daud ko chun liya haai ki vah meree praja israaael par pradhaan ho. mere pita daud kee yah manasa thee ki israaael ke parameshvar yahova ke nam ka aek bhvan banaave. parantu yahova ne mere pita daud se kaha, teree jo manasa haai ki yahova ke nam ka aek bhvan banaa, aeese manasa karake noo ne bhla to kiya taubhee too us bhvan ko banane n paageta tera jo nij putra hoga, vahee mere nam ka bhvan banaagaa. yah vachan jo yahova ne kaha tha, use us ne poora bhee kiya haai or maain apane pita daud ke sthan par uttkar yahova ke vachan ke anusar israaael kee gaee par virajaman hoo, aur israaael ke parameshvar yahova ke nam ke is bhvan ko banaya haai. aur is men maain ne us sandook ko rakh diya haai, jis men yahova kee vah vacha haai, jo us ne israaaeliyon se bandhaee thee. tab vah israaael kee saree sabha ke dekhthe yahova kee vedee ke samhane khda hua aur apane hath faailae. sulaaiman ne panch hath lambee, panch hath chandee aur teen hath unchee peetal kee aek chauke banakar angan ke beech rakhvai thee usee par khde hokar us ne sare israaael kee sabha ke samane ghauttne ttekakar svarga kee or hath faailae huae kaha, he yahova, he israaael ke parameshvar, tere saman n to svarga men aur n prathvee par koi ishvar haai tere jo das apane sare man se apane ko tere sammukh janakar jalate haai, unake liye too apanee vacha pooree karata aur karuna karata rahata haai. too ne jo vachan mere pita daud ko diya tha, usaka too ne palan kiya haai jaaisa too ne apane munh se kaha tha, vaaisa hee apane hath se usako hamaree ankhon ke samhane poora bhee kiya haai. isaliye ab he israaael ke parameshvar yahova is vachan ko bhee moora kar, jo too ne apane das mere pita daud ko diya tha, ki tere kul men mere samhane israaael kee gaee par virajanevale sada bane rahenge, yah ho ki jaaisa too apane ko mere sammukh janakar chalata raha, vaaise hee tere vansh ke log apanee chal chalan men aeese chaukasee kare, ki meree yavastha par chalen. ab he israaael ke parameshvar yahova jo vachan too ne apane das daud ko diya t, vah savcha kiya jaae. parantu kya parameshvar sachamuch manushyon ke sang puthvee par vas karega? svarga men varan sab se unche svarga men bhee too naheen samata, fir mere banaae huae is bhvan men too kyonkar samaagaa? taubhee he mere parameshvar yahova, apane das kee praarthna aur gidgidahatt kee or dhyan de aur meree pukar aur yah praarthna sun, jo maain tere samhane kar raha hoo. vah yah haai ki teree ankhen is bhvan kee or, arthta isee sthan kee or jisake vishay men too ne kaha haai ki maain us men apana nam rakoonga, rat din khulee rahe, aur jo praarthna tera das is sthan kee or kare, use too sun le. aur apane das, aur apanee praja israaael kee praarthna jisako ve is sthan kee or munh kiae huae gidgidakar kare, use sun lena svarga men se jo tera nivasasthan haai, sun lena aur sunakar kshama karana. jab koi kisee doosare ka aparadha kare aur

usako shapath khailai jaa, aur vah akar is bhvan men teree vedee ke samhane shapath khaa, tab too svarga men se sunana aur manana, aur apane dason ka nyay karake dusht ko badala dena, aur usakee chal usee ke sir laaita dena, aur nidash ko nidash ttharakar, usake dharma ke anusar usako fal dena. fir yadi teree praja israaael tere viruddh pap karen apane shatrauon se har jaae, aur teree or firaka tera nam mane, aur is bhvan men tujh se praarthna aur gidgidahatt kare, to too svarga men se sunana aur apanee praja israaael ka pap kshama karana, aur unhen is desh men lautta le ana jise too ne unako aur unake purakhaon ko diya haai. jab ve tere viruddh pap kare, aur is karan akash itana band ho jaae ki vashara n ho, aeese samay yaadi ve is sthan kee or praarthna karake tere nam ko mane, aur too jo unhen dukh deta haai, is karan ve apane pap se fire, to too svarga men se sunana, aur apane dason aur apanee praja israaael ke pap ko kshama karana too jo unako vah bhla marga dikhata haai jis par unhen chalanahiye, isaliye apane is desh par jise too ne apanee praja ka bhag karake diya haai, panee barasa dena. jab is desh men kal va maree va jhulas ho va gerui va ttiiddayan va keede lage, va unake shatra unake desh ke faattkon men unhen ghor rakhe, va koi vipaattai va rog ho tab yaadi koi manushy va teree saree praja israaael jo apana apana dukh aur apana apana khed jan kar aur gidgidahatt ke sath praarthna karake apane hath is bhvan kee or faailaee jo too apane svagay nivasasthan se sunakar kshama karana, aur aek aek ke man kee janakar usakee chal ke anusar use fal dena too hee to adamiyon ke man ka jananevala haai ki ve jitane din is desh men rahe, jise too ne unake purakhaon ko diya tha, utane din tak tera bhy manate huae tere magan par chanate rahen. fir parade-shaee bhee jo teree praja israaael ka n ho, jab vah tere bade nam aur balavant hath aur baddhai hui bhujia ke karan door desh se aa, aur akar is bhvan kee or munh kiae huae praarthna kare, tab too apane svagay nivasasthan men se sune, aur jis bat ke liye aeese paradeshaee tuijhe pukare, usake anusar karana jis se puthve ke sab deshaen ke log tere nam janakar, teree praja israaael kee nai tera bhy manen aur nishchay kare, ki yah bhvan jo maain ne banaya haai, vah tera hee kahalata haain. jab teree praja ke log jahan kaheen too unhen bheje vahan apane shatrauon se ladai karane ko nikal jaae, aur is nagar kee or jise too ne chuna haai, aur is bhvan kee or jise maain ne tere nam ka banaya haai, munh kiae huae tujh se praarthna kare, tab too svarga men se unakee praarthna aur gidgidahatt sunana, aur unaka nyay karana. nishpap to koi manushy naheen haai, yaadi ve bhee tere viruddh pap karen aur too un par kop karake unhen shatrauon ke hath kar de, aur ve unehen bandhaua karake kisee desh ko, chahe vah door ho, chahe nikat, le jaae, to yaadi ve bandhauai ke desh men soch vichar kare, aur firakar apanee bandhauai karanevalon ke desh men tujh se gidgidakar kahe, ki ham ne pap kiya, aur kuattlaita aur dooshttta kee haai so yaadi ve apanee bandhauai ke desh men jahan ve unhen bandhaua karake le gaee hon apane poore man aur sare jeev se teree or fire, aur apane is desh kee or jo too ne unake purakhaon ko diya tha, aur is nagar kee or jise too ne

jab sulaaiman yah praarthna kajuka, tab svarga se ag ne girakar homabaliyon tatha aur baliyon ko bhsam kiya, aur yahova ka tej bhvan men bhr gaya. aur yajak yahova ke bhvan men pravesh n kar sake, kyonaki yahova ka tej yahova ke bhvan men bhr gaya tha. aur jab ag giree aur yahova ka tej bhvan par chha gaya, tab sab israaalee dekhte rahe, aur farsha par jhuukakar apana apana munh boomi kee or kiae huae dandvat kiya, aur yon kahakar yahova ka dhanyavad kiya ki, vah bhla haai, usakee karuna sada kee haai. tab sab praja samet raja ne yahova ko bali chaddhai. aur raja sulaaiman ne bais hajar baail aur aek lakh bees hajar bhed -bakariyan chaddhai. yon pooree praja samet raja ne yahova ke bhvan kee pratishtta kee. aur yajak apana apana karya karane ko khde rahe, aur leveey bhee yahova ke geet ke gane ke liye baje liye hooae khde the, jinhen daud raja ne yahova kee sada kee karuna ke karan usaka dhanyavad karane ko banakar unake daratuati karai thee aur inake samhane yajak log turaahiyan bajate rahe aur sab israaalee kshade rahe. fir sulaaiman ne yahova ke bhvan ke samhane angan ke beech aek sthan vavitra karake homabaali aur melabaliyon kee chaba vaheen chaddhai, kyonki sulaaiman kee banai iui peetal kee bedee homabali aur annabali aur chaba ke liye chhottee thee. usee samay sulaaiman ne aur usake sang hamat kee ghaattee se lekar misra ke nale tak ke sare israael kee ek bahut badee sabha ne sat din tak parva ko mana. aur attven din ko unhon ne mahasabha kee, unhon ne vedee kee pratishtta sat din kee aur pavan ko bhee sat din mana. nidan sataven maheene ke teisaven din ko us ne praja ke logon ko vida kiya, ki ve apane apane dere ko jaae, aur ve us bhilai ke karan jo yahova ne daud aur sulaaiman aur apanee praja israaael par kee thee anandait the. yon sulaaiman yahova ke bhvan aur rajabhvan ko bana chuka, aur yahova ke bhvan men aur apane bhvan men jo kuchh us ne banana chaha, us men usaka manorath poora hua. tab yahova ne rat men usako darshan dekar us se kaha, maain ne teree praarthana sunee aur is sthan ko yagya ke bhvan ke liye apanaya haai. yaadi maain akash ko aeese band karoo, ki vashara n ho, va ttiidyon ko desh ujadne kee agyaa doo, va apanee praja men maree faailau, tab yaadi meree praja ke log jo mere kahalate haai, deen hokar praarthna karen aur mere darshan

ke khojee hokar apanee buree chal se fire, to maain svarga men se sunakar unaka pap kshama karoonga aur unake desh ko jyon ka tyon kar doonga. ab se jo praarthna is sthan men kee jaaegee, us par meree ankhen khulee aur mere kam lage rahenge. aur ab maain ne is bhvan ko apanaya aur pavitra kiya haai ki mera nam sada ke liye is men bana rahe meree ankhen aur mera man donon nity yaheen lage rahenge. aur yaadi too apane pita daud kee nai apane ko mere sammukh janakar chalata rahe aur meree sab agyaaon ke anusar kiya kare, aur meree vidhaiyon aur niyamon ko manata rahe, to maain teree rajagaee ko sthiar rakoonga jaise ki maain ne tere pita daud ke sath vacha bandhaee thee, ki tere kul men israaael par prabhuta karanevala sada bana rahega. parantu yadi tum log firo, aur meree vidhaiyon aur agyaaon ko jo maain ne tum ko dee haain tyago, aur jakar paraye devataon kee upasana karo aur unhen dandvat karo, to maain unako apane desh men se jo maain ne unako diya haai, jad se ukhaoonga aur is bhvan ko jo maain ne apane nam ke liye paavitra kiya haai, apanee drashti se door karoonga aur aeesa karoonga ki desh desh ke logon ke beech usakee upama aur namadharai chalegee. aur yah bhvan jo itana vishaal haai, usake pas se ane janevale chaakit hokar poochhenge ki yahova ne is desh aur is bhvan se aeesa kyon kiya haai. tab log kahenge, ki un logon ne apane pitaron ke parameshvar yahova ko jo unako misra desh se nikal laya tha, tyagakar paraye devataon ko grahan kiya, aur unhen dajhadvat kee aur unakee upasana kee, is karan us ne yah sab vipaattai un par dalee haai.

sulaaiman ko yahova ke bhvan aur apane bhvan ke banane men bees varsha lage. tab jo nagar hooram ne sulaaiman ko diae the, unhen sulaaiman ne draddh karake un men israaaeliyon ko basaya. tab sulaaiman soba ke hamat ko jakar, us par jayavant hua. aur us ne tadamor ko jo jangal men haai, aur hamat ke sab bhndar nagaron ko draddh kiya. fir us ne uparvale aur neechevale donon bethoron ko shaharapanah aur faattkon aur bedon se draddh kiya. aur us ne balat ko aur sulaaiman ke jitane bhndar nagar the aur usake rathon aur savaron ke jitane nagar the unako, aur jo kuchh sulaaiman ne yarooshalem, labanon aur apane rajy ke sab desh men banana chaha, un sab ko banaya. hittaiyo, aemoriyo, pariijaiyo, hiyivayon aur yaboosiyon ke bache huae log jo israaael ke n the, unake vansh jo unake bad desh men rah gaa, aur jinaka israaaeliyon ne ant n kiya tha, un men se to kitanon ko sulaaiman ne begar men rakha aur aj tak unakee vahee dasa haai. parantu israaaeliyon men se sulaaiman ne apane kam ke liye kisee ko das n banaya, ve to yoddha aur usake haakim, usake saradar aur usake rathen aur savaron ke pradhaan hue. aur sulaaiman ke saradaron ke pradhaan jo praja ke logon par prabhuta karanevale the, ve addhai sau the. fir sulaaiman firaun kee bettee ko daudapur men se us bhvan men le aya jo us ne usake liye banaya tha, kyonaki us ne kaha, ki jis jis sthan men yahova ka sandook aya haai, vah pavitra haai, isaaaliye meree ranee israaael ke raja daud ke bhvan men n rahane paaegee.

tab sulaaiman ne yahova kee us vedee par jo us ne osare ke age banai thee, yahova ko homabali chaddhai. vah moosa kee agyaa kee aur din din ke prayojan ke anusar, arthata vishraam aur naye chand aur praati varsha teen bar thharaae huae pavan arthata akhmeeree rottee ke payrva, aur attvaron ke payrva, aur jhopadiyon ke payrva men baali chaddhaya karata tha. aur us ne apane pita daud ke niyam ke anusar yajakon kee sevakai ke liye unake dal thharaae, aur leaviyon ko unake kamon par thharaya, ki har aek din ke prayojan ke anusar ve yahova kee stuaati aur yajakon ke samhane seva-tthal kiya kare, aur aek aek faattk ke pas darapalon ko dal dal karake thhara diya kyonaki parameshvar ke bhkt daud ne aeesee agyaa dee thee. aur raja ne bhndaron ya kisee aur bat men yajakon aur leaviyon ke liye jo jo agyaa dee thee, unhonne n ttala. aur sulaaiman ka sab kam jo us ne yahova ke bhvan kee nev dalane se lekar usake poora karane tak kiya vah tteek hua. nidan yahova ka bhvan poora hua. tab sulaaiman aesyonageber aur aelot ko gaya, jo aedom ke desh men samudra ke teer par haain. aur hooram ne usake pas apane jahajiyon ke daja jahaj aur samudra ke janakar mallah bhej dia, aur unhen ne sulaaiman ke jahajiyon ke sang opeer ko jakar vahan se saddhe char sau kikkar sona raja sulaaiman ko la diya.

jab shaeeba kee ranee ne sulaaiman kee keeattair sunee, tab vah kaattnai kattnai prashnon se usakee pareeksha karane ke liye yarooshalem ko chalee. vah bahut bharee dal aur masalon aur bahut sone aur manai se lade untt sath liye huae ai, aur sulaaiman ke pas pahunchakar usake apane man kee sab baton ke vishay baten keen. sulaaiman ne usake sab prashnon ka uttar diya, koi bat sulaaiman kee buaddhi se aeesee bahar n rahee ki vah use n bata sake. jab shaeeba kee ranee ne sulaaiman kee buaddhimaanee aur usake banaya hua bhvan aur usakee mej par ka bhojan dekha, aur usake karmacharee kis reeti baaitte aur usake thhaluae kis reeti khde rahate aur kaaise kaaise kapade paahine rahate haai, aur usake pilanevale kaaise haai, aur ve kaaise kapade paahine haai, aur vah kaaisee chaddhai haai jis se vah yahova ke bhvan ko jaya karata haai, jab us ne yah sab dekha, tab vah chakit ho gai. tab us ne raja se kaha, maain ne tere kamon aur buddhimaanee kee jo keettair apane desh men sunee vah sach hee haai. parantu jab tak maain ne ap hee akar apanee ankhon se yah n dekha, tab tak maain ne unakee prateeti n kee parantu teree buaddhi kee adhaee badaai bhee mujhe n batai gai thee too us keeattair se baddhkar haai jo maain ne sunee thee. dhany haain tere jan, dhany haain tere ye sevak, jo nity tere sammukh upaasthiat rahakar teree buddhi kee baten sunate haain. dhany haai tera parameshvar yahova, jo tuij se aeesea prasann hua, ki tuijhe apanee rajagaee par isaaaliye vi-rajaman kiya ki too apane parameshvar yahova kee or se rajy kare tera parameshvar jo israaael se praem karake unhen sada ke liye sthir karana jahata t, usee karan us ne tuijhe nyay aur dharma karane ko unaka raja bana diya. aur us ne raja ko aek sau bees kikkar sona, bahut sa sugandha dravy, aur maanai

diae jaaise sugandhadravy shaebea kee ranee ne raja sulaaيمان ko dia, vaaise dekhne men naheen aae. fir hooram aur sulaaيمان donon ke jahajee jo oshaer se sona late the, ve chandan kee lakadee aur maanai bhee late the. aur raja ne chandan kee lakadee se yahova ke bhvan aur rajabhvan ke liye chabootare aur gavaaiyon ke liye veenaen aur saranagiyan banavai aeese vastuaen us se paahile yahooda desh men n dekh padee theen aur shaebea kee ranee ne jo kuchh chaha vahee raja sulaaيمان ne usako usakee ichchha ke anusar diya yah us se aadhaik tha, jo vah raja ke pas le ai thee. tab vah apane janon samet apane desh ko lautt gai. jo sona prati varsha sulaaيمان ke pas pahucha karata tha, usaka taul chh sau chhyaasatt kikkar tha. yah us se aadhaik tha jo saudagar aur yyparee late the aur arab desh ke sab raja aur desh ke adhaipaati bhee sulaaيمان ke pas sona chandee late the. aur raja sulaaيمان ne sona gaddhakar do sau badee badee ddhalen banavai aek aek ddhal men chhchhsau shokel gaddha hua sona laga. fir us ne sona gaddhakar teen sau chhottee ddhalen aur bhee banavai aek aek chhottee ddhal men teen sau shokel sona laga, aur raja ne unako labanonee ban namak bhvan men rakha diya. aur raja ne hatheedant ka aek bada sinhasan banaya aur chokhe sone se maddhaya. us sinhasan men chh seeaddhyaian aur sone ka ek pavadan tha ye sab sinhasan se jude the, aur baaittne ke sthan kee donoan alang ttek lagee thee aur donon ttekon ke pas ek ek sinh khda hua bana tha. aur chh-hon seeddhiyon kee donon alang men aek aek sinh khda hua bana tha, ve sab barah hue. kisee rajy men aeese kabhee n bana. aur raja sulaaيمان ke peene ke sab patra sone ke the, aur labanonee ban namak bhvan ke sab patra bhee chokhe sone ke the sulaaيمان ke dinon men chandee ka kuchh hisab n tha. kyonaki hooram ke jahaajiyon ke sang raja ke tashash ko janevale jahaj the, aur teen teen varsha ke bad ve tashash ke jahaj sona, chandee, hatheedant, bandar aur mor le ate the. yon raja sulaaيمان dhan aur buaddhi men prathvee ke sab rajaon se baddhkar ho gaya. aur prathvee ke sab raja sulaaيمان kee us buaddhi kee baten sunane ko jo parameshvar ne usake man men upajai theen usaka darshan karana chahate the. aur ve praati varsha apanee apanee bhentt arthata chandee aur sone ke patra, vasr-shasr, sugandhadravy, ghaede aur khchchar le ate the. aur apane ghodon aur rathon ke liye sulaaيمان ke char hajar than aur barah hajar savar bhee the, jinako us ne rathon ke nagaron men aur yarooshalem men raja ke pas tthara rakha. aur vah maahan se le paalishtaiyon ke desh aur misra ke sivane tak ke sab rajaon par prabhuta karata tha. aur raja ne aeese kiya, ki bahutayat ke karan yarooshalem men chandee ka mooly patthron ka aur devadar ka mooly neche ke desh ke goolaron ka sa ho gaya. aur log misra se aur aur sab deshaen se sulaaيمان ke liye ghaede late the. aadi se ant tak sulaaيمان ke aur sab kam kya natan nabee kee pustak me, aur shaeelovasee ahiyyah kee taboovat kee pustak me, aur nabat ke putra yarobam ke vishay io dasa ke darshan kee pustak men naheen likhe haain? sulaaيمان ne yarooshalem men sare israael par chalees varsha tak rajy kiya. aur sulaaيمان apane purakhaon ke sang so gaya aur usako usake pita daud ke nagar men mittee dee gai aur

usaka putra rahoobiyam usake sthan par raja hua.

10

rahoobiyam shakem ko gaya, kyonaki sare israaelee usako raja banane ke liye vaheen gaee the. aur nabat ke putra yarobam ne yah suna vah to misra men rahata tha, jahan vah sulaaيمان raja ke dr ke mare bhag gaya tha, aur yarobam misra se lautt aya. tab unhon ne usako bulavap bheja so yarobam aur sab israaelee akar rahoobiyam se kahane lage, tere pita ne to ham logon par bharee jooa dal rakha tha, isaaliye ab too apane pita kee kaattnai seva ko aur us bharee joaee ko jise us ne ham par dal rakha haai kuchh halaka kar, tab ham tere adhaeen rahenge. us ne un se kaha, teen din ke uparant mere pas fir ana, to ve chale gae. tab raja rahoobiyam ne un booddhon se jo usake pita sulaaيمان ke jeevan bhr usake samhane apaasthit raha karate the, yah kahakar sammaati lee, ki is praja ko kaaisa uttar dena uchit haai, is men tum kya sammati dete ho? unhon ne usako yah uttar diya, ki yadi too is praja ke logon se achchha batrtav karake unhen prasann kare aur un se madhaur baten kahe, to ve sada tere adhaeen bane rahenge. parantu us ne us sammati ko jo booddhon ne usako dee thee chhod diya aur un javanon se sammaati lee, jo usake sang bade huae the aur usake sammukh upaasthiat raha karate the. un se us ne poochha, maain praja ke logon ko kaaisa uttar doo, is men tum kya sammati dete ho? unhon ne to mujh se kaha haai, ki jo jooa tere pita ne ham par dal rakha haai, use too halaka kara. javanon ne jo us ke sang bade huae the usako yah uttar diya, ki un lagon ne tujh se kaha haai, ki tere pita ne hamara jooa bharee kiya tha, parantu use hamare liye halaka kara too un se yon kahana, ki meree chhnigualiya mere pita kee kaatt ise bhee mottee thharegee. mere mita ne tum par jo bharee jooa rakha tha, use maain aur bhee bharee karoonga mera pita to toom ko kodon se tadna deta tha, parantu maain bichchhuon se doonga. teesare din jaaise raja ne ttharaya tha, ki teesare din mere pas fir ana, vaaise hee yarobam aur saree praja rahoobiyam ke pas upaasthiat hui. tab raja ne us se kadee baten kee, aur rahoobiyam raja ne booddhon kee dee hui sammati chhodkar javanon kee sammaati ke anusar un se kaha, mere pita ne to tumhara jooa bharee kar diya, parantu maain use aur bhee kattnai kar doonga mere pita ne to tum ko kodon se tadna dee, parantu maain bichchhuon se tadna doonga. is prakar raja ne praja kee binatee n manee isaka karan yah haai, ki jo vachan yahova ne shaeelovasee ahiyyah ke dara nabat ke putra yarobam se kaha tha, usako poora karane ke liye parameshvar ne aeese hee ttharaya tha. jab sab israaeeliyon ne dekha ki raja hamaree naheen sunata, tab ve bole ki daud ke sath hamara kya ansha? hamara to yishau ke putra men koi bhag naheen haai. he israaeeliyo, apane apane dere ko chale jao. ab he daud, apane hee gharane kee chinta kara. tab sab israaelee apane dere ko chale gaee. keval jitane israaelee yahooda ke nagaron men base huae the, unhen par rahoobiyam rajy karata raha. tab raja rahoobiyam ne hadoram ko jo sab begaron par aadhaikaree tha bhej diya, aur israaeeliyon ne usako patthravah kiya aur

vah mar gaya. tab rahoobiyam faulta se apane rath par chaddhkar, yarooshalem ko bhag gaya. yon israaael daud ke gharane se fir gaya aur aj tak fira hua haai.

11

jab rahoobiyam yarooshalem ko aya, tab us ne yahooda aur binyameen ke gharane ko jo milakar aek lakh assee hajar achchhe yoddha the ikattha kiya, ki israaael ke sath yuddh karen jis se rajy rahoobiyam ke vash men fir a jaae. tab yahova ka yah vachan parameshvar ke bhkt shamayah ke pas pahuncha, ki yahooda ke raja sulaiman ke putra rahoobiyam se aur yahooda aur binyameen ke sab israaaeliyon se kah, yahova yon kahata haai, ki apane bhaiyon par chaddhai karake yuddh n karo. tum apane apane ghar lautt jao, kyonki yah bat meree hee or se hui haai. yahova ke ye vachan manakar, ve yarobam par bina chaddhai kiae lautt gaee. so rahoobiyam yarooshalem men rahane laga, aur yahooda men bachav ke liye ye nagar draddh kia, arthata betalehem, aetam, takoa, betsoor, soko, adullama. gat, maresha, jeepa. ado-raaim, lakeesha, ajeka. sora, ayyalot aur hebraen jo yahooda aur binyameen men haai, draddh kiya. aur us ne draddh nagaron ko aur bheed karake un men pradhaan ttharaa, aur bhojan vastu aur tel aur dakhmadha ke bhndar rakhva diae. fir aek aek nagar men us ne ddhalen aur bhale rakhvakar unako atyant draddh kar diya. yahooda aur binyameen to usake the. aur sare israaael ke yajak aur leveey bhee apane sab desh se uttkar usake pas gaee. yon leveey apanee charaiyon aur nij boomi chhodkar, yahooda aur yarooshalem men aa, kyonki yarobam aur usake putraen ne unako nikal diya tha ki ve yahova ke liye yajak ka kam n karen. aur us ne unche sthanon aur bakaron aur apane banaae huae bachhdon ke liye, apanee or se yajak tthara liae. aur leaviyon ke bad israaael ke sab gotraen men se jitane man lagakar israaael ke parameshvar yahova ke khojee the ve apane pitaron ke parameshvar yahova ko bali chaddhane ke liye yarooshalem ko aae. aur unhon ne yahooda ka rajy sthiar kiya aur sulaiman ke putra rahoobiyam ko teen varsha tak draddh karaya, kyonaki teen varsha tak the daud aur sulaiman ke leek par chalate rahe. aur rahoobiyam ne aek sree ko byah liya, arthata mahalat ko jisaka pita daud ka putra yareemot aur mata yishau ke putra aeleeab kee bettee abeehaail thee. aur us se yoosha, shamaryah aur jaham nam putra utpann huae. aur usake bad us ne abashalom kee bettee maka ko byah liya, aur us se aabiyyah, atte, jeeja aur shalomett utpann hue. rahoobiyam ne attarah raaniyan byah leen aur satt rakhealiyan rakhee, aur usake attais bette aur satt beattyaian utpann hui. abashalom kee naatinee maka se vah apanee sab raniyon aur rakheliyon se aadhaik praem rakhta tha so rahoobiyam ne maka kee bette aabiyyah ko mukhy aur sab bhaiyon men pradhaan is manasa se tthara diya, ki use raja banaae. aur vah samajh boojhkar kam karata tha, aur us ne apane sab putraen ko alag alag karake yahooda aur binyameen ke sab dashaen ke sab gaddhvale nagaron men tthara diya aur unhen bhojan vastu bahutayat se dee, aur unake liye bahut see striayan ddoonddhee.

12

parantu jab rahoobiyam ka rajy draddh ho gaya, aur vah ap sthiar ho gaya, tab us ne aur usake sath sare israaael ne yahova kee yavastha ko tyag diya. unhon ne jo yahova se vishvasaghaat kiya, us karan raja rahoobiyam ke panchapen varsha men misra ke raja shaeeshak ne, barah sau rath aur satt hajar savar liye huae yarooshalem par chaddhai kee, aur jo log usake sang misra se aa, arthata loobee, sukkaiyyee, kooshae, ye anaginat the. aur us ne yahooda ke gaddhvale nagaron ko le liya, aur yarooshalem tak aya. tab shamayah nabee rahoobiyam aur yahooda ke hakim mon ke pas jo shaeeshak ke dr ke mare yarooshalem men iatthe huae the, akar kahane laga, yahova yon kahata haai, ki tum ne mujh ko chhod diya haai, isaaliye maain ne tum ko chhodkar shaeeshak ke hath men kar diya haai. tab israaael ke hakim aur raja deen ho gaa, aur kaha, yahova dhama haai. jab yahova ne dekha ki ve deen huae haai, tab yahova ka yah vachan shamayah ke pas pahuncha ki ve deen ho gaee haai, maain unako nashtt n karoonga maain unako kuchh bachav karoonga, aur meree jalajalahatt shaeeshak ke dara yarooshalem par n bhdkegee. taubhee ve usake adhaen to rahenge, taaki ve meree aur desh desh ke rajyon kee bhee seva jan len. tab misra ka raja shaeeshak yarooshalem par chaddhai karake yahova ke bhvan kee anamol vastuaen aur rajabhvan kee anamol vastuen utta le gaya. vah sab kuchh utta le gaya, aur sone kee jo faariyan sulaiman ne banai thee, unako bhee vah le gaya. tab raja rahoobiyam ne unake badale peetal kee ddhalen banavai aur unhen paharuon ke pradhaanon ke hath saunp diya, jo rajabhvan ke dar kee rakhvalee karate the. aur jab jab raja yahova ke bhvan men jata, tab tab paharuae akar unhen utta le chalute, aur fir paharuon kee kottree men lauttakar rakh dete the. jab rahoobiyam deen hua, tab yahova ka krodha us par se utar gaya, aur us ne usaka poorra vinish n kiya aur yahooda men achchhe gun bhee the. so raja rahoobiyam yarooshalem men draddh hokar rajy karata raha. jab rahoobiyam rajy karane laga, tab aekanales varsha kee ayu ka tha, aur yarooshalem men arthata us nagar me, jise yahova ne apana nam banaae rakhne ke liye israaael ke sare gotra men se chun liya tha, satrah varsha tak rajy karata stree. use akee maka ko nam nama tha, jo ammonee stree thee. us ne vah karma kiya jo bura haai, arthata us ne apane man ko yahova kee khoj men n lagaya. aadi se ant tak rahoobiyam ke kam kya shamayah nabee aur io dashta kee pustakon men vanshaavaliyon kee reati par naheen likhe haain? rahoobiyam aur yarobam ke beech to ladai sada hotee rahee. aur rahoobiyam apane purakhaon ke sang so gaya aur daudapur men usako mittee dee gai. aur usaka putra aabiyyah usake sthan par rajy karane laga.

13

yarobam ke attarahaven varsha men abiyyah yahooda par rajy karane laga. vah teen varsha tak yarooshalem men rajy karata raha, aur usakee mata ka nam meekayah tha jo gibavasee ureaeel kee bettee thee. aur aabiyyah aur yarobam ke beech men

ladai hai. aabiyyah ne to bade yoddhaon ka dal, arthata char lakh chhntte huae purush lekar ladne ke liye panti bandhaai, aur yarobam ne att lakh chhntte huae purush jo aede shooraveer the, lekar usake viruddh panti bandhaai. tab aabiyyah samaraaim nam pahad par, jo aepraaim ke pahadee desh men haai, khda hokar kahane laga, he yarobam, he sab is-raaaliyo, merree suno. kya tum ko n janana chaahia, ki israaael ke parameshvar yahova ne lonavalee vacha bandhakar daud ko aur usake vansh ko israaael ka rajy sada ke liye de diya haai. taubhee nabat ka putra yarobam jo daud ke putra sulaaيمان ka karmacharee tha, vah apane svamee ke viruddh utta haai. aur usake pas halake aur ochhe manushy ikattha ho gae haain aur jab sulaaيمان ka putra rahooobiyam ladka aur alhad man ka tha aur unaka samhana n kar sakata tha, tab ve usake viruddh samath ho gae. aur ab tum sochate ho ki ham yahova ke rajy ka samhana karenge, jo daud kee santan ke hath men haai, kyonaki tum sab milakar bada samaj ban gae ho aur tumhare pas ve sone ke bachhde bhee haain jinhen yarobam ne tumhare devata hone ke liye banavaya. kya tum ne yahova ke yajakon ko, arthata haroon kee santan aur leaviyon ko nikalakar desh desh ke logon kee nai yajak niyukt naheen kar liae? jo koi aek bachhda aur sat meddhe apana sanskar karane ko le ata, to unaka yajak ho jata haai jo ishvar naheen haai. parantu ham logon ka parameshvar yahova haai aur ham ne usako naheen tyaga, aur hamare pas yahova kee seva tthal karanevale yajak haroon kee santan aur apane apane kam men lage huae leveey haain. aur ve nity sавere aur sanjh ko yahova ke liye homabaali aur sugandhadrayy ka dhoop jalate haai, aur shoodh meej par bhentt kee rottee sajate aur sone kee deevatt aur usake deepak sanjh-sanjh ko jalate haain ham to apane parameshvar yahova kee agyaan ko manate rahate haai, parantu tum ne usako tyag diya haai. aur dekho, hamare sang hamara pradhaan parameshvar haai, aur usake yajak tumhare viruddh sans vandhakar foonkane ko turahiyan liye huae bhee hamare sath haain. he israaaliyo apane poorvajan ke parameshvar yahova se mat lado, kyonki tum kratarth n hoge. parantu yarobam ne ghaatakon ko unake peechhe bhej diya, ve to yahooda ke samhane the, aur ghaatak unake peechhe the. aur jab yahoodiyan ne peechhe ko munh faera, to dekha ki hamare age aur peechhe donon or se ladai honevalee haai tab unhon ne yahova kee dohai dee, aur yajak turahiyan ko foonkane lage. tab yahoodee purushaen ne jay jayakar kiya, aur jab yahoodee purushaen ne jay jayakar kiya, tab parameshvar ne aabiyyah aur yahooda ke samhane, yarobam aur sare israaaliyon ko mara. aur israaalee yahooda ke samhane se bhage, aur parameshvar ne unhen unake hath men kar diya. aur aabiyyah aur usakee praja ne unhen badee mar se mara, yahan tak ki israaael men se panch lakh chhntte huae purush mare gae. us samay to israaalee dab gaa, aur yahoodee is karan prabal huae ki unhon ne apane pitaron ke parameshvar yahova par bhrosa rakha tha. tab aabiyyah ne yarobam ka peechha karake us se betel, yashaana aur aepraen nagaron aur unake ganvon ko le liya. aur aabiyyah ke jeevan bhr yarobam fir samath n hua nidan yahova ne usako aeesa mara ki

vah mar gaya. parantu aabiyyah aur bhee samath ho gaya aur chaudah striyan byah leen jin se bais bette aur solah beattaiyan utpann hui. aur aabiyyah ke kam aur usakee chal chalan, aur usake vachan, io nabee kee katha men likhe haain.

14

nidan aabiyyah apane purakhaon ke sang so gaya, aur usako daudapur men mittee dee gai aur usaka putra asa usake sthan par rajy karane laga. isake dinon men das varsha tak desh men chaain raha. aur asa ne vachee kiya jo usake parameshvar yahova kee draashtti men achchha aur tteek tha. us ne to parai veydiyon ko aur unche sthanon ko door kiya, aur latton ko tudva dala, aur ashora nam mooratn ko tod dala. aur yahoodiyan ko agyaa dee ki apane poorvajan ke parameshvar yahova kee khoj karen aur yvavastha aur agyaa ko manon. aur us ne unche sthanon aur soorya kee praatimaon ko yahooda ke sab nagaron men se door kiya, aur usake samhane rajy men chaain raha. aur us ne yahooda men gaddhvale nagar basaa, kyonki desh men chaain raha. aur un barason men use kisee se ladai n karanee padee kyonaki yahova ne use vishraam diya tha. us ne yahoodiyan se kaha, ao ham in nagaron ko basaan aur unake charon or shaharapanah, gaddh aur faattkon ke palle aur bede banaen desh ab tak hamare samhane pada haai, kyonki ham ne, apane parameshvar yahova kee khoj kee haai hamane usakee khoj kee aur us ne hamako charon or se vishraam diya haai. tab unhon ne un nagaron ko basaya aur kratarth hue. fir asa ke pas ddhal aur bachh rakhnevalon kee aek sena the, arthata yahooda men se to teen lakh purush aur binyameen men se faree rakhnevalee aur dhanudhararee do lakh assee hajar ye sab shooraveer the. aur unake viruddh das lakh purushaen kee sena aur teen sau rath liye huae jerah nam aek kooshaee nikala aur maresha tak a gaya. tab asa usaka samhana karane ko chala aur maresha ke nikatt sapata nam tarai men yuddh kee panti bandhaee gai. tab asa ne apane parameshvar yahova kee yon dohai dee, ki he yahova! jaaise too samath kee sahayata kar sakata haai, vaaise hee shaaktaiheen kee bhee he hamare parameshvar yahova! hamaree sahayata kar, kyonki hamara bhrosa tujhee par haai aur tere nam ka bhrosa karake ham is bheed ke viruddh aae haain. he yahova, too hamara parameshvar haai manushy tujh par prabal n hone paaega. tab yahova ne kooshaiyon ko asa aur yahoodiyan ke samhane mara aur kooshaee bhag gae. aur asa aur usake sang ke logon ne unaka peechha garar tak kiya, aur itane kooshaee mare gaa, ki ve fir sir n utta sake kyonaki ve yahova aur usakee sena se har gaa, aur yahoodee bahut sa loott le gae. aur unhon ne garar ke as pas ke sab nagaron ko mar liya, kyonaki yahova ka bhy unake rahanevalon ke man men sama gaya aur unhon ne un nagaron ko lootti liya, kyonaki un men bahut sa dhan tha. fir pashuu-shaalaon ko jeetakar bahut see bhed- bakaariyan aur unt loottkar yarooshalem ko lautte.

tab parameshvar ka atma oded ke putra ajaryah men sama gaya, aur vah asa se bhentt karane nikala, aur us se kaha, he asa, aur he sare yahooda aur binyameen meree suno, jab tak tum yahova ke sang rahoge tab tak vah tumhare sang rahega aur yadi tum usakee khoj men lage raho, tab to vah tum se mila karega, parantu yadi tum usako tyag doge to vah bhee tum ko tyag dega. bahut din israa'el bina saty parameshvar ke aur bina sikhanevale yajak ke aur bina byavastha ke raha. parantu jab jab ve sankatt men padkar israa'el ke parameshvar yahova kee or fire aur usako ddoond-dha, tab tab vah unako mila. us samay n to janevale ko kuchh shaanti hotee thee, aur n anevale ko, varan sare desh ke sab nivaasiyon men bada hee kolahal hota tha. aur jaati se jati aur tagar se nagar choor kiae jate the, kyonaki parameshvar nana prakar ka kashtt dekar unhen ghabara deta tha. parantu tum log hiya bandhae aur tumhare hath dtheele n pade, kyonki tumhare kam ka badala milega. jab asa ne ye vachan aur oded naabee kee naboovat sunee, tab us ne hiya bandhakar yahooda aur binyameen ke sare desh men se, aur un nagaron men se bhee jo us ne aepraaim ke pahadee desh men le liye the, sab ghain-aunee vastuen door kee, aur yahova kee jo vedee yahova ke osare ke samhane thee, usako naye sire se banaya. aur us ne sare yahooda aur binyameen ko, aur aepraaim, manashsho aur shaimon men se jo log usake sang rahate the, unako ikattha kiya, kyonaki ve yah dekhhkar ki usaka parameshvar yahova usake sang rahata haai, israa'el men se usake pas bahut se chale aae the. asa ke rajy ke pandrahaven varsha ke teesare maheene men ve yarooshalem men iatthe hue. aur usee samay unhon ne us loott men se jo ve le aae the, sat sau baail aur sat hajar bhed-bakaariya, yahova ko bali karake chaddhai. aur unhon ne vacha bandhaee ki ham apane poore man aur sare jeev se apane poorvajan ke parameshvar yahova kee khoj karenge. aur kya bada, kya chhotta, kya stree, kya purusha, jo koi israa'el ke parameshvar yahova kee khoj n kare, vah mar dala jaege. aur unhon ne jay jaykar kee sath turahiyar aur narasinge bajate huae unche shabd se yahova kee shapath khai. aur yah shapath khakar sab yahoodee anaandait hua, kyonki unhon ne apane sare man se shapatha khai aur badee aabhailasha se usako ddoond-dha aur vah unako mila, aur yahova ne charon or se unhen vishraam diya. baran asa raja kee mata maka jis ne ashora ke pas rakhne ke liae aek ghain-aunee moorat banai, usako us ne rajamata ke pad se utar diya, aur asa ne usakee moorat kattkar pees dalee aur kidraen nale men foonk dee. unche sthan to israa'eliyon men se n dhaae gaa, taubhee asa ka man jeevan bhr tishkapatt raha. aur us ne jo sona chandee, aur patra usake pita ne arpan kiae the, aur jo us ne ap arpan kiae the, unako parameshvar ke bhvan men pahancha diya. aur raja asa ke rajy ke paanteesaven varsha tak fir ladai n hui.

asa ke rajy ke chhtteesaven varsha men israa'el ke raja basha ne yahooda par chaddhai kee aur rama ko

isaaliye draddh kiya, ki yahooda ke raja asa ke pas koi ane jane n paae. tab as ne yahova ke bhvan aur rajabhvan ke bhndaron men se chandee-sona nikal daamishkavasee aram ke raja benhadad ke pas doot bhejakar yah kaha, ki jaaise mere-tere pita ke beech vaaise hee mere-tere beech bhee vacha bandho dekh maain tere pas chandee-sona bhejata hoo, isaaliye a, israa'el ke raja basha ke sath kee apanee vacha ko tod de, taki vah mujh se door ho. benhadad ne raja asa kee yah bah manakar, apane dalon ke pradhanaan se israa'ele nagaron par chaddhai karavakar iyyon, dan, abelmaaim aur naptalee ke sab bhndaravale nagaron ko jeet liya. yah sunakar basha ne rama ko draddh karana chhod diya, aur apana vah kam band kara diya. tab raja asa ne poore yahooda desh ko sath liya aur rama ke patthron aur lakadee ko, jin se basa kam karata tha, utta le gaya, aur un se us ne geva, aur mispa ko draddh kiya. us samay hananee dashta yahooda ke raja asa ke pas jakar kahane laga, too ne jo apane parameshvar yahova par bhrosa nahee rakha varan aram ke raja hee par bhrosa rakha haai, is karan aram ke raja kee sena tere hath se bach gai haai. kya kooshaiyon aur loobiyon kee sena badee n thee, aur kya us men bahut hee rat, aur savar n thee? taubhee too ne yahova par bhrosa rakha tha, is karan us ne unako tere hath men kar diya. dek, yahova kee drashtti saree prathvee par isaliye firatee rahatee haai ki jinaka man usakee or nishkamatt rahata haai, unakee sahayata men vah apana samarth dikhaae. toone yah kam moorkhta se kiya haai, isaaliye ab se too ladaiyon me fansa rahega. tab asa dashta par krodh-hait hua aur use katt men ttonkava diya, kyonaki vahausakee aeese bat ke karan us par krodh-hait tha. aur usee samay se asa praja ke kuchh logon ko peesane bhee laga. aadi se lekar ant tak asa ke kam yahooda aur israa'el ke rajaon ke vrattant men likhe haain. apane rajy ke unateesaven varsha men asa ko panv ka rog hua, aur vah rog atyant baddh gaya, taubhee us ne rogee hokar yahova kee naheen vaaidhon hee kee sharan lee. nidan asa apane rajy ke aekataleesaven varsha men marake apane purakhaon ke sath so gaya. tab usako usee kee kabra men jo us ne daudapur men khudava lee thee, mittee dee gai aur vah sugand-hadrayyon aur gandhaee ke kam ke bhanati bhanati ke masalon se bhre huae aek bichhaune par litti diya gaya, aur bahut sa sugandhadrayy usake liye jalaya gaya.

aur usaka putra yahoshaapat usake sthan par rajy karane laga, aur israa'el ke viruddh apna bal baddhaya. aur us ne yahooda ke sab gaddhvale nagaron men sipaahiyan ke dal tthara dia, aur yahooda ke desh men aur aepraaim ke un nagaron men bhee jo usake pita asa ne le liye the, sipaahiyan kee chauakiyan baaita deen. aur yahova yahoshaapat ke sang raha, kyonaki vah apane moolapurush daud kee praacheen chal see chal chala aur bal devataon kee khoj men n laga. varan vah apane pita ke parameshvar kee khoj men laga rahata tha aur usee kee agyaon par chala tha, aur israa'el ke se kam naheen karata tha. is karaae yahova ne rajy ko usake hath men draddh

kiya, aur sare yahooder usake pas bhennti laya karate the, aur usake pas bahut dhan aur usaka vibh baddh gaya. aur yahova ke magan par chalate chalate usaka man magan ho gaya fir us ne yahooda se unche sthan aur ashora nam mooraten door kar deen. aur us ne apane rajy ke teesare varsha men benhaail, obadhah, jakaryah, natanel aur meekayah namak apane hakimon ko yahooda ke nagaron men shaiksha dene ko bhej diya. aur unake sath shamayah, natanyah, jabad-hah, asahel, shameeramot, yahonatan, adoniyyah, to-biyyah aur tobadoniyyah, nam leveey aur unake sang aeleeshaama aur yahoram namak yajak the. so unhon ne yahova kee yavastha kee pustak apane sath liye huae yahooda men shaiksha dee, varan ve yahooda ke sab nagaron men praja ko sikhate huae ghoomte. aur yahooda ke as pas ke deshaen ke rajy rajy men yahova ka aeesa dr sama gaya, ki unhon ne yahoshaapat se yuddh n kiya. varan kinate palishteey yahoshapat ke pas bhennti aur kar samajhkar chandee laae aur arabee log bhee sat hajar sat sau meddhe aur sat hajar sat sau bakare le aae. aur yahoshaapat bahut hee baddhta gaya aur us ne yahooda men kile aur bhndar ke magan taaiyar kiae. aur yahooda ke nagaron men usaka bahut kam hota tha, aur yarooshalem men usake yoddha arthata shooraaveer rahate the. aur inake pitaron ke gharanon ke anusar inakee yah ginatee the, arthata yahooder sahasrapati to ye the, pradhaan adana jisake sath teen lakh shooraaveer the, aur usake bad pradhaan yahohanani jisake sath do lakh assee hajar purush the. aur isake bad jikree ka putra amasyah, jis ne apane ko apanee hee ichchha se yahova ko arpan kiya tha, usake sath do lakh shooraaveer the. fir binyameen men se aelyada namak aek shooraaveer jisake sath ddhal rakhnevale do lakh dhanudhararee the. aur usake neechey yahojabad jisake sath yuddh ke hathaiyar bandho huae aek lakh assee hajar purush the. ve ye haai, jo raja kee seva men lavaleen the. aur ye un se alag the jinhen raja ne sare yahooda ke gaddhvale nagaron men ttthara diya.

yahoshapat bada dhanavan aur aeshvayryavan ho gaya aur us ne ahab ke sath samadhaiyana kiya. kuchh varsha ke bad vah shaemaron men ahab ke pas gaya, tab ahab ne usake aur usake sanagiyan ke liye bahut see bhed-bakaariyan aur gaya-baail kattkar, use gilad ke ramot par chaddhai karane ko usakaya. aur israaael ke raja ahab ne yahooda ke raja yahoshaapat se kaha, kya too mere sath gilad ke ramot par chaddhai karega? us ne use uttar diya, jaaisa too vaaisa maain bhee hoo, aur jaaisee teree praja, vaaisee merree bhee praja haai. ham log yuddh men tera sath denge. fir yahoshaapat se israaael ke raja se kaha, aj yahova kee agyaa le. tab israaael ke raja ne naabiyan ko jo char sau purush the, ikattha karake un se poochha, kya ham gilad ke ramot par yuddh karane ko chaddhai kare, athva maain ruka rahoon? unhon ne uttar diya chaddhai kar, kyonaki parameshvar usako raja ke hath kar dega. parantu yahoshaapat ne poochha, kya yahan yahova ka aur bhee koi nabeen naheen haai jis se ham poochh len? israaael ke raja ne yahoshaapat se kaha, ha, aek purush aur haai, jisake dara ham

yahova se poochh sakate haain parantu maain us se gharana karata hoo kyonki vah mere vishy kabhee kalyan kee nahee, sada haani hee kee naboovat karata haai. vah yimla ka putra meekayah haai. yahoshaapat ne kaha, raja aeesa n kahe. tab israaael ke raja ne aek haakim ko bulavakar kaha, yimla ke putra meekayah ko fauta se le a. israaael ka raja aur yahooda ka raja yahoshaapat apane apane rajavasth pahine hua, apane apane sinhasan par baaitte huae the ve shaemaron ke faattk men aek khule sthan men baaitte the aur sab nabeen unake samhane naboovat kar rahe the. tab kanana ke putra sidaakiyyah ne lohe ke seeng banavakar kaha, yahova yon kahata haai, ki in se too araamiyan ko marate marate nash kar dalega. aur sab naabiyan ne isee ashy kee naboovat karake kaha, ki gilad ke ramot par chaddhai kar aur too krathar hove kyonki yahova use raja ke hath kar dega. aur jo doot meekayah ko bulane gaya tha, us ne us se kaha, sun, nabeen log aek hee munh se raja ke vishay haubh vachan kahate haain so teree bat unakee see ho, too bhee shuubh vachan kahana. meekayah ne kaha, yahova ke jeevan kee saunh, jo kuchh mera parameshvar kahe vahee maain bhee kahoonga. jab vah raja ke pas aya, tab raja ne us se poochha, he meekayah, kya ham gilad ke ramot par yuddh karane ko chaddhai karen athva maain ruka rahoon? us ne kaha, ha, tum log chaddhai karo, aur krathar hoo aur ve tumhare hath men kar diae jaaenge. raja ne us se kaha, mujhe kitanee bar tujhe shapath dharakar chitana hoga, ki too yahova ka smaran karake mujh se sach hee kaha. meekayah ne kaha, mujhe sara israaael bina charavahe kee bhend-bakaariyan kee nai pahadon par titar bitar dikhai pada, aur yahova ka vachan aya ki ve to anath haai, isaaliye har aek apane apane ghar kushal kshom se lautt jaaen. tab israaael ke raja ne yahoshaapat se kaha, kya maain ne tujh se n kaha tha, ki vah mere vishay kalyan kee nahee, hani hee kee naboovat karega? meekayah ne kaha, is karan tum log yahova ka yah vachan suno mujhe sinhasan par virajaman yahova aur usake daahine baaien khdee hui svarga kee saree sena dikhai padee. tab yahova ne poochha, israaael ke raja ahab ko kaun aeesa bahakaage, ki vah gilad ke ramot par chaddhai karake khet aa, tab kisee ne kuchh aur kisee ne kuchh kaha. nidan aek atma pas akar yahova kee sam-mukh khdee hui, aur kahane lagee, maain usako bahakaungee. yahova ne poochha, kis upay se? us ne kaha, maain jakar usake sab nabiyan men paaitt ke un se joott bulavaungee. yahova ne kaha, tera usako bahakana safal hoga, jakar aeesa hee kara. isaaliye tun ab yahova ne tere ne nabiyan ke munh men aek joott bolanevalee atma paaittai haai, aur yahova ne tere vishay haani kee bat kahee haai. tab kanana ke putra sidaakiyyah ne nikatt ja, meekayah ke gal par thp-pad marakar poochha, yahova ka atma mujhe chhodkar tujh se baten karane ko kidhar gaya. us ne kaha, jis din too chhpaane ke liye kottree se kottree men bhagega, tab jan lega. is par israaael ke raja ne kaha, ki meekayah ko nagar ke haakim amon aur rajakumar yoash ke pas lauttakar, un se kaho, raja yon kahata haai, ki isako bandeegrah men dalo, aur jab tak maain kushal se n au, tab tak isee dukh kee rottee aur panee diya karo. tab meekayah ne kaha, yadi too kab-

hee kushal se lautte, to jan, ki yahova ne mere dara naheen kaha. fir us ne kaha, he logo, tum sab ke sab sunan lo. tab israaael ke raja aur yahooda ke raja yahoshaapat donon ne gilad ke ramot par chaddhai kee. aur israaael ke raja ne yahoshaapat se kaha, maain to bhesht badalakar yuddh men jaunga, parantu too apane hee vasr pahine raha. israaael ke raja ne bhesht badala aur ve donon yuddh men gaae. aram ke raja ne to apane rathon ke pradhaanon ko agyaa dee thee, ki n to chhotte se lado aur n bade se, keval israaael ke raja se lado. so jab rathon ke pradhaanon ne yahoshaapat ko dekha, tab kaha israaael ka raja vahee haai, aur ve usee se ladne ko mude. is par yahoshaapat chilla utta, tab yahova ne usakee sahayata kee. aur parameshvar ne unako usake pas se fir jane kee praerana kee. so yah dekhkar ki vah israaael ka raja nahee haai, rathon ke pradhaan usaka peechha chhod ke lautt gaae. tab kisee ne atkal se aek teer chalayaa, aur vah israaael ke raja ke jhlaim aur nichale vasr ke beech chhedakar laga tab us ne apane sarathee se kaha, maain ghaayal hua, isaliye lagam faerake mujhe sena men se bahar le chala. aur us din yuddh baddhta gaya aur israaael ka raja apane rath men araamiyon ke sammukh sanjh tak khda raha, parantu soorya ast hote-hote vah mar gaya.

aur yahooda ka raja yahoshaapat yarooshalem ko apane bhvan men kushal se lautt gaya. tab hananee nam dasha ka putra yehoo yahoshaapat raja se bhennt karane ko nikala aur us se kahane laga, kya dushton kee sahayata karanee aur yahova ke baairiyan se praem rakhna chahiye? is kam ke karan yahova kee or se tujh par krodha bhdka haai. taubhee tujh men kuchh achchhee baten pai jatee haain. too ne to desh men se ashoron ko nash kiya aur upane man ko parameshvar kee khoj men lagaya haai. yahoshaapat yarooshalem men rahata tha, aur us ne bershoba se lekar bapraaam ke pahadee desh tak apanee praja men fir daura karake, unako unake pitaron ke parameshvar yahova kee or faer diya. fir us ne yahooda ke aek aek gaddhvale nagar men nyayee ttharaya. aur us ne nyayiyon se kaha, socho ki kya karate ho, kyonaki tum jo nyay karoge, vah manushy ke liye nahee, yahova ke liye karoge aur vah nyay karate samay tumhare sath rahega. ab yahova ka bhy tum men bana rahe chaukasee se kam karana, kyonaki hamare parameshvar yahova men kuchh kuttlaitha naheen haai, aur n vah kisee ka paksha karata aur n ghoos leta haai. aur yarooshalem men bhee yahoshaapat ne leviyan aur yajakon aur israaael ke pitaron ke gharanon ke kuchh mukhy purushaen ko yahova kee or se nyay karane aur mukamon ko janchane ke liye ttharaya. aur ve yarooshalem ko lautte. aur us ne unako agyaa dee, ki yahova ka bhy manakar, sachchai aur nishkapatt man se aeesa karana. tumhare bhai jo apane apane nagar men rahate haai, un men se jisaka koi mukama tumhare samhane aa, chahe vah koon ka ho, chahe yavastha, athva kisee agyaa ya vidhai va niyam ke vishay ho, unako chita dena, ki yahova ke vishay doshaee n hoo. besa n ho ki tum par aur tumhare bhaiyon par usaka krodha bhdke. aeesa

karo to tum doshaee n ttharoge. aur dekho, yahova ke vishy ke sab mukamon men to amaryah mahayajak aur raja ke vishay ke sab mukamon men yahooda ke gharane ka pradhaan ishmaael ka putra jabadhah tumhare upar aadhaikaree haai aur leveey tumhare samhane saradaron ka kam karenge. isaliye hiyah bandhakar kam karo aur bhle manushy ke sath yahova rahega.

isake bad moabiyon aur ammoniyan ne aur unake sath kai mooniyan ne yuddh karane ke liye yahoshaat par chaddhai kee. tab logon ne akar yahoshaapat ko bata diya, ki tal ke par se aedom desh kee or se aek badee bheed tujh par chaddhai kar rahee haai aur dek, vah hasasontamar tak jo aenagadee bhee kahalata haai, pahunch gai haai. tab yahoshapat dr gaya aur yahova kee khoj men lag gaya, aur poore yahooda men upavas ka prachar karavaya. so yahoodee yahova se sahayata mangane ke liye ikatthe hua, varan ve yahooda ke sab nagaron se yahova se bhennt karate ko aae. tab yahoshapat yahova ke bhvan men naye angan ke samhane yahoodiyan aur yarooshalemiyan kee mandlee men khda hokar yah kahane laga, ki he hamare pitaron ke parameshvar yahova! kya too svarga men parameshvar naheen haai? aur kya too jaati jati ke sab rajyon ke upar prabhuta naheen karata? aur kya tere hath men aeesa bal aur parakram naheen haai ki tera samhana koi naheen kar sakata? he hamare parameshvar! kya too ne is desh ke nivaasiyon ko apanee praja israaael ke samhane se nikalakar inhen apane mitra ibraaheem ke vansh ko sada ke liye naheen de diya? ve is men bas gaae aur is men tere nam ka aek pavitrasthan banakar kaha, ki yadi talavar ya maree athva akal va aur koi vipaattai ham par pade, taubhee ham isee bhvan ke samhane aur tere samhane tera nam to is bhvan men basa haai khde hokar, apane klesh ke karan teree dohai denge aur too sunakar bachaaega. aur ab amonee aur moabee aur seir ke pahadee desh ke log jin par too ne israaael ko misra desh se ate samay chaddhai karane n diya, aur ve unakee or se mud gaae aur unako vinash n kiya, dek, ve hee log tere diae huae aadhaikar ke is desh men se jisaka adhaikar too ne hamen diya haai, ham ko nikalakar kaaisa badala hamen de rahe haain. he hamare parameshvar, kya too unaka nyay n karega? yah jo badee bheed ham par chaddhai kar rahee haai, usake samhane hamara to bas naheen chalata aur hamen huchh soojhta naheen ki kya karana chaahiye? parantu hamaree ankhen teree or lagee haain. aur sab yahoodee apane apane balabachcho, strieyon aur putraen samet yahova ke sammukh khde rahe. tab asap ke vansh men se yahajeeael nam aek leveey jo jakaryah ka putra aur banayah ka pota aur mattanyah ke putra yeeael ka parapota tha, us men mandlee ke beech yahova ka atma samaya. aur vah kahane laga, he sab yahoodiyo, he yarooshalem ke rahanevalo, he raja yahoshaapat, tum sab dhyani do yahova tum se yon kahata haai, tum is badee bheed se mat dro aur tumhara man kachcha n ho kyonki yuddh tumhara nahee, parameshvar ka haai. kal unaka samhana karane ko

jana. dekho ve sees kee chaddhai par chaddhe ate haain aur yaroaael nam jangal ke samhane nale ke sire par tumhen milenge. is ladai men tumhen ladna n hoga he yahooda, aur he yarooshalem, tthare rahana, aur khde rahakar yahova kee or se apana bachav dekhna. mat dro, aur tumhara man kachcha n ho kal unaka samhana karane ko chalana aur yahova tumhare sath rahega. tab yahoshaapat boomi kee or munh karake bhuka aur sab yahoodiyan aur yarooshalem ke nivaasiyon ne yahova ke samhane girake yahova ko dandvat kiya. aur kahatiyan aur korahiyon men se kuchh leveey khde hokar israaael ke parameshvar yahova kee stuati atyant unche svar se karane lage. bihan ko ve sabere uttkar takoa ke jangal kee or nikal gaae aur chalate samay yahoshaapat ne khde hokar kaha, he yahoodiyo, he yarooshalem ke nivaasiyo, merree suuno, apane parameshvar yahova par vishvas rakho, tab tum sthiar rahoge usake naabiyan kee prateet karo, tab tum kratarth ho jaoge. tab us ne praja ke sath sammati karake kitanon ko ttharaya, jo ki pavitrata se shaebhayaman hokar haathaiyarabandon ke age age chalate huae yahova ke geet gaae, aur yah kahate huae usakee stuti kare, ki yahova ka dhanyavad karo, kyonki usakee karuna sada kee haai. jis samay ve gakar stuati karane lage, usee samay yahova ne ammoniyan moabiyan aur seir ke pahadee desh ke logon par jo yahooda ke viruddh a rahe the, ghaatakon ko baaita diya aur ve mare gaae. kyonaki ammoniyan aur moabiyan ne seir ke pahadee desh ke nivaasiyon ko drane aur satyanash karane ke liye un par chaddhai kee, aur jab ve seir ke pahadee desh ke nivaasiyan ka ant kar chuke, tab un sabhon ne aek doosare ke nash karane men hath lagaya. so jab yahoodiyan ne jangal kee chaukeer par pahunchakar us bheed kee or draashti kee, tab kya dekh ki ve boomi par padee hui loth haain aur koi naheen bacha. tab yahoshaapat aur usakee praja loott lene ko gaae aur lothon ke beeha bahut see sammaattai aur manabhavane gahane mile unhon ne itane gahane utar liye ki unako n le ja sake, varan loott itanee milee, ki battorate battorate teen din beet gaae. chautte din ve baraka nam tarai men ikatthe huae aur vahan yahova ka dhanyavad kiya is karan us sthan ka nam baraka kee taaii pada, jo aj tak haai. tab ve, arthata yahooda aur yarooshalem nagar ke sab purush aur unake age age yahoshaapat, and ke sath yarooshalem lautte kyonaki yahova ne unhen shatrauon par anandait kiya tha. so ve saranagiya, veenaan aur turaahiyan bajate huae yarooshalem men yahova ke bhvan ko aae. aur jab desh desh ke sab rajyon ke logon ne suna ki israaael ke shatrauon se yahova lada, tab unake man men parameshvar ka dr sama gaya. aur yahoshaapat ke rajy ko chaain mila, kyonaki usake parameshvar ne usako charon or se vishraam diya. yon yahoshaapat ne yahooda par rajy kiya. jab vah rajy karane laga tab vah paaantees varsha ka tha, aur pachchees varsha tak yarooshalem men rajy karata raha. aur usakee mata ka nam ajooba tha, jo shailhee kee bettee thee. aur vah apane pita asa kee leek par chala or us se n muda, arthata jo yahova kee drashti men tteek haai vahee vah karata raha. taubhee unche sthan dhdhae n gaa, varan ab tak praja ke logon ne apana man apane

pitaron ke parameshvar kee or n lagaya tha. aur aadi se ant tak yahoshaapat ke aur kam, hananee ke putra yehoo ke vishay us vrattant men likhe haai, jo israaael ke rajaon ke vrattant men paya jata haain. isake bad yahood ke raja yahoshaapat ne israaael ka raja ahajyah se jo badee dushthta karata tha, mel kiya. arthata us ne usake sath isaliye mel kiya ki tashash jana ko jahaj banavaa, aur unhon ne aeese jahaj aesyonaageber men banavaae. tab dodavah ke putra mareshaavasee aeleeajar ne yahoshaapat ke viruraddh yah naboovat kahee, ki too ne jo ahajyah se mel kiya, is karan yahova teree banavai hui vastuon ko tod dalega. so jaharaj toott gaae aur tashash ko n ja sake.

nidan yahoshaapat apane purakhaon ke sang so gaya, aur usako usake purakhaon ke beech daudapur men mittee dee gai aur usaka putra yahoram usake sthan par rajy karane laga. isake bhai jo yahoshaapat ke putra the, ye the, arthata ajaryah, yaheael, jakaryah, ajaryah, meekaael aur shapatyaha ye sab israaael ke raja yahoshaapat ke putra the. aur unake pita ne unhe chandee sona aur anamol vastuen aur bade bade dan aur yahooda men gaddhvale nagar diae the, parantu yahoram ko us ne rajy de diya, kyonaki vah jetta tha. jab yahoram apane pita ke rajy par niyukt hua aur balavant bhee ho gaya, tab usane apane sab bhaiyan ko aur israaael ke kuchh hakimon ko bhee talavar se ghaat kiya. jab yahoram raja hua, tab vah battees varsha ka tha, aur vah att varsha tak yarooshalem men rajy karata raha. vah israaael ke rajaon kee see chal chala, jaaise ahab ka gharana chalata tha, kyonki usakee patnee ahab kee bettee thee. aur vah us kam ko karata tha, jo yahova kee drashti men bura haai. taubhee yahova ne daud ke gharane ko nash karana n chaha, yah us vacha ke karan tha, jo usane daud se bandhaee thee. aur us vachan ke anusr tha, jo us ne usako diya tha, ki men aeese karoonga ki tera aur tere vansh ka deepak kabhee n bujhega. usake dinon men edom ne yahooda kee adhaeenata chhodkar apane upar ek raja bana liya. so yahoram apane haakimon aur apane sab rathon ko sath lekar udhar gaya, aur rathon ke pradhaanon ko mara. yon aedom yahooda ke vash se choott gaya aur aj tak vaaisa hee haai. usee samay libna ne bhee usakee adhaeenata chhod dee, yah is karan hua, ki us ne apane pitaron ke parameshvar yahova ko tyag diya tha. aur us ne yahooda ke pahadon par unche sthan banaae aur yarooshalem ke nivaasiyon se yyabhaichar karaya, aur yahooda ko bahaka diya. tab aeliyyah naabee ka aek patra usake pas aya, ki tere moolapurush daud ka parameshvar yahova yon kahata haai, ki too jo n to apane pita yahoshaapat ke leek par chala haai aur n yahooda ke raja asa kee leek par, varan israaael ke rajaon kee leek par chala haai, aur ahab ke gharane kee nai yahooliyan aur yarooshalem ke nivaasiyon se yyabhaichar karaya haai aur apane pita ke gharane men se apane bhaiyan ko jo tujh se achchhe the, ghaat kiya haai, is karan yahova teree praja, putrae, striayon aur saree sammaattai ko badee mar se marega. aur too antaadiyan ke rog se bahut peedit ho jaega, yahan tak ki us rog ke karan teree antadiyan praa-

tidin nikalatee jaaengee. aur yahova ne paalishtaiyon ko aur kooshaiyon ke pas rahanevale arabiyan ko, yahoram ke viruddh ubhara. aur ve yahooda par chaddhai karake us par toott pade, aur rajabhvan men jitanee sampattai milee, us sab ko aur raja ke putraen aur striayon ko bhee le gaa, yahan tak ki usake lahure bette yahoahaj ko chhod, usake pas koi bhee putra n raha. in sab ke bad yahova ne use antadiyon ke asadhyarog se peedit kar diya. aur kuchh samay ke bad arthata do varsha ke ant men us rog ke karan usakee antaadiyan nikal padee, or vah atyant peedit hokar mar gaya. aur usakee praja ne jaise usake purakhaon ke liye sugandhadrayy jalaya tha, vaaisa usake liye kuchh n jalaya. vah jab rajy karane laga, tab battees varsha ka tha, aur yarooshalem men att varsha tak rajy karata raha aur sab ko apiry hokar jata raha. aur usako daudapur men mittee dee gai, parantu rajaon ke kaabirstan men naheen.

tab yarooshalem ke nivaasiyon ne usake lahure putra ahajyah ko usake sthan par raja banaya kyonaki jo dal arabiyan ke sang chhavanee men aya tha, us ne usake sab bade bade betton ko ghaat kiya tha so yahooda ke raja yahoram ka putra ahajyah raja hua. jab ahajyah raja hua, tab vah bayalees varsha ka tha, aur yarooshalem men bak hee varsha rajy kiya, aur usakee mata ka tam atalyah tha, jo omraee ke potee thee. vah ahab ke gharane kee see chal chala, kyonaki usakee mata use dushtta karane kee sammaati detee thee. aur vah ahab ke gharane kee nai vah kam karata tha jo yahova kee draashti men bura haai, kyonki usakee pita kee mratyuu ke bad ve usako aeese sammati dete the, jis se usaka vinash hua. aur vah unakee sammaati ke anusar chalata tha, aur israael ke raja ahab ke putra yahoram ke sang gilaad ke ramot men aram ke raja hajaael se ladne ko gaya aur araamiyon ne yahoram ko ghaayal kiya. so raja yahoram isaliye lautt gaya ki yijrael men un ghaavon ka itaj karaae jo usako aramiyon ke hath se un samay lage the jab vah hajaael ke sath lad raha tha. aur ahab ka putra yahoram jo yijrael men rogee tha, is karan se yahooda ke raja yahoram ka putra ahajyah usako dekhne gaya. aur ahajyah ka vinash yahova kee or se hua, kyonaki vah yahoram ke pas gaya tha. aur jab vah vahan pahuncha, tab yahoram ke sang nimashae ke putra yehoo ka samhana karane ko nikal gaya, jisaka abhaishok yahova ne isaliye karaya tha ki vah ahab ke gharane ko nash kare. aur jab yehoo ahab ke gharane ko dand de raha tha, tab usako yahooda ke hakim aur ahajyah ke bhtejee jo ahajyah ke thhaluae the, mile, aur us ne unako ghaat kiya. tab us ne ahajyah ko ddoondha. vah shaemaron men chhpai tha, so logon ne usako pakad liya aur yehoo ke pas pahunchakar usako mar dala. tab yah hakakar usako mittee dee, ki yah yahoshapat ka pota haai, jo apane poore man se yahova kee khoj karata tha. aur ahajyah ke gharane men rajy karane ke yogy koi n raha. jab ahajyah kee mata atalyah ne dekh ki mera putra mar gaya, tab us ne uttkar yahooda ke gharane ke sare rajavansh ko nash kiya. parantu yahoshavat jo raja kee bettee thee, us ne ahajyah ke putra yoash ko ghaat honevale rajakumaron ke beech

se churakar dhaai samet bichhaune rakhne kee kottee men chhpai diya. is prakar raja yahoram kee bettee yahoshavat jo yahoyada yajak kee sree aur ahajyah kee bahin thee, us ne yoash ko atalyah se aeese chhpai rakha ki vah use mar dalane n pai. aur vah usake pas parameshvar ke bhvan men chh varsha chhpai raha, itane dinon tak atalyah desh par rajy karatee rahee.

sataven varsha men yahoyada ne hiyaab bandhakar yaroham ke putra ajaryah, yahohanane ke putra ishvaael, obed ke putra ajaryah, adayah ke putra maseyah aur jikree ke putra baleeshapat, in shatapatiyon se vacha bandhae. tab ve yahooda men ghoomakar yahooda ke sab nagaron men se leaviyon ko aur israael ke pitaron ke gharanon ke mukhy mukhy purushaen ko ikattha karake yarooshalem ko le aae. aur us saree maaedlee ne parameshvar ke bhvan men raja ke sath vacha bandhae, aur yahoyada ne un se kaha, suno, yah rajakumar rajy karega jaise ki yahova ne daud ke vansh ke vishay kaha haai. to tum aek kam karo, arthata tum yajakon aur leviyon kee aek tihai log jo vishraamadin ko anevale ho, ve darapalee kare, aur aek tihai log rajabhvan men rahen aur aek tihai log nev ke faattk ke pas rahen aur sab log yahova ke bhvan ke anganon men rahen. parantu yajakon aur seva thhal karanevale leviyon ko chhod aur koi yahova ke bhvan ke bheetar n ane paae ve to bheetar aae, kyonki ve pavitra haain parantu sab log yahova ke bhvan kee chaukasee karen. aur leveey log apane apane hath men hathaiyar liye huae raja ke charon or rahen aur jo koi bhvan ke bheetar ghause, vah mar dala jaae. aur tum raja ke ate jate usake sath rahana. yahoyada yajak kee in sab agyaan ke anusar leaviyon aur sab yahoodiyan ne kiya. unhon ne vishraamadin ko anevale aur vishraamadin ko janevale donon dalon ke, apane apane janon ko apane sath kar liya, kyonaki yahoyada yajak ne kisee dal ke leaviyon ko vida n kiya th. tab yahoyada yajak ne shatapatiyon ko raja daud ke barchhe aur bhale aur ddhalen jo parameshvar ke bhvan men thee, de deen. fir us ne un sab logon ko apane apane hath men haathaiyar liye huae bhvan ke daakkhianee kone se lekar, uttaree kone tak vedee aur bhvan ke pas raja ke charon or usakee ad karake khda kar diya. tab unhon ne rajakumar ko bahar la, usake sir par mukutt rakha aur sakshaepatra dekar use raja banaya aur yahoyada aur usake putraen ne usaka abhaishok kiya, aur log bol utte, raja jeeavit rahe. jab atalyah ko un logon ka halla, jo daudte aur raja ko sarahate the sun pada, tab vah logon ke pas yahova ke bhvan men gai. aur us ne kya dekha, ki raja dar ke nikatt khmbhe ke pas khda haai aur raja ke pas pradhaan aur turahee bajanevale khde haai, aur sab log anand kar rahe haain aur turaahiyan baja rahe haain aur gane bajanevale baje bajate aur stuati karate haain. tab atalyah apane vasr faadkar pukarane lagee, rajadraeh, rajadraeh ! tab yahoyada yajak ne dal ke aadhaikaree shatapatiyon ko bahar lakar un se kaha, ki use apanee pantiyon ke beech se nikal le jao aur jo koi usake peechhe chale, vah talavar se mar dala jaae. yajak ne kaha, ki use yahova ke bhvan men n mar dalo. tab unhon ne donon or se usako jagah dee, aur vah

rajabhvan ke ghaedafaattk ke dar tak gai, aur vahan unhon ne usako mar dala. tab yahoyada ne apane aur saree praja ke aur raja ke beech yahova kee praja hone kee vacha bandhavai. tab sab logon ne bal ke bhvan ko jakar ddha diya aur usakee veadiyon aur mooraton ko ttukade ttukade kiya, aur mattan nam bal ke yajak ko vediyon ke samhane hee ghaat kiya. tab yahoyada ne yahova ke bhvan kee seva ke liye un leveey yajakon ko thara diya, jinhen daud ne yahova ke bhvan par dal dal karake isaaliye tharaya tha, ki jaaise moosa kee yvavastha men likha haai, vaaise hee ve yahova ko homabali chaddhaya kare, aur daud kee chalai hui vidhai ke anasar anand karen aur gaen. aur us ne yahova ke bhvan ke faattkon par darapalon ko isaliye khda kiya, ki jo kisee reعاتi se ashuuddh ho, vah bheetar jane n paae. aur vah shatapaatiyon aur raison aur praja par prabhuta karanevalon aur desh ke sab logon ko sath karake raja ko yahova ke bhvan se neeche le gaya aur unche faattk se hokar rajabhvan men aya, aur raja ko rajagaee par baaitaya. tab sab log anandait huae aur nagar men shaantai hui. atalyah to talavar se mar hee dalee gai thee.

jab yoash raja hua, tab vah sat varsha ka tha, aur yarooshalem men chalees varsha tak raji karata raha usakee mata ka nam sibya tha, jo beshorba kee thee. aur jab tak yahoyada yajak jeeavit raha, tab tak yoash vah kam karata raha jo yahova kee drashti men tteek haai. aur yahaseyada ne usake do byah karaae aur us se bette-beattaiyan utpann hui. isake bad yoash ke man men yahova ke bhvan kee marammat karane kee manasa upajee. tab us ne yajakon aur leaviyon ko ikattha karake kaha, prati varsha yahooda ke nagaron men ja jakar sab israaeliyon se rupaye liya karo jis se tumhare parameshvar ke bhvan kee marammat ho dekho isakam men fauta karo. taubhee leaviyon ne kuchh fauta n kee. tab raja ne yahoyada mahayajak ko bulava kar poochha, kya karan haai ki too ne leviyon ko draddh agyaa naheen dee ki ve yahooda aur yarooshalem se us chande ke rupaae le aen jisaka niyam yahova ke das moosa aur israael kee mandlee ne sakshaeeapatra ke tamboo ke nimitt chalaya tha. us dusht stree atalyah ke betton ne to parameshvar ke bhvan ko tod diya aur yahova ke bhvan kee sab pavitra kee hui vastuen bal devaaton ko de dee theen. aur raja ne aek sandook banane kee agyaa dee aur vah yahova ke bhvan ke faattk ke pas bahar rakha gaya. tab yahooda aur yarooshalem men yah prachar kiya gaya ki jis chande ka niyam parameshvar ke das moosa ne jangal men israael men chalaya tha, usake rupaae yahova ke nimitt le ao. to sab haakim aur praja ke sab log anandait ho rupaae lakar jab tak chanda poora n hua tab tak sandook men dalate gaae. aur jab jab vah sandook leviyon ke hath se raja ke pradhaanon ke pas pahunchaya jata aur yah jan padta tha ki us men rupaae bahut haai, tab tab raja ke pradhaan aur mahayajak ka naib akar sandook ko khalee karate aur tab use fir usake sthan par rakh dete the. unhon ne pratidin aeesa kiya aur bahut rupaae iattha kiae. tab raja aur yahoyada ne vah rupaae yahova ke bhvan men kam karanevalon ko de dia, aur unhon ne rajon aur bad-

dhiyon ko yahova ke bhvan ke sudhaarane ke liye, aur lohanon aur ttteron ko yahova ke bhvan kee marammat karane ke liye majadooree par rakha. aur kareegar kam karate gaae aur kam poora hota gaya aur unhon ne parameshvar ka bhvan jaaisa ka taaisa banakar draddh kar diya. jab unhon ne vah kam nipatta diya, tab ve shosh rupaae raja aur yahoyada ke pas le gaa, aur un se yahova ke bhvan ke liye patra banaae gaa, arthata seva thal karane aur homabaali chaddhane ke patra aur dhoopadan adi sone chandee ke patra. aur jab tak yahoyada jeeavit raha, tab tak yahova ke bhvan men homabali nity chaddhaae jate the. parantu yahoyada booddha ho gaya aur deegharayu hokar mar gaya. jab vah mar gaya tab aek sau tees varsha ka tha. aur daudapur men rajon ke beech usako mittee dee gai, kyonki us ne israael men aur parameshvar ke aur usake bhvan ke vishay men bhla kiya tha. yahoyada ke marane ke bad yahooda ke haakimon ne raja ke pas jakar use dandvat kee, aur raja ne unakee manee. tab ve apane pitaron ke parameshvar yahova ka bhvan chhodkar ashoron aur mooraton kee upasana karane lage. so unake aese doshaee hone ke karan parameshvar ka kroedha yahooda aur yarooshalem par bhdka. taubhee us ne unake pas nabee bheje ki unako yahova ke pas faer laaen aur inhon ne unhen chita diya, parantu unhon ne kan n lagaya. aur parameshvar ka atma yahoyada yajak ke putra jakaryah men sama gaya, aur vah unche sthn par khda hokar logon se kahane laga, parameshvar yon kahata haai, ki tum yahova kee agyaaon ko kyon ttalate ho? aeesa karake tum bhagyavan naheen ho sakate, dekho, tum ne to yahova ko tyag diya haai, is karan us ne bhee tum ko tyag diya. tab logon ne us se draeh kee goshttee karake, raja kee agyaa se yahova ke bhvan ke angan men usako patthravah kiya. yon raja yoash ne vah praeeati boolakar jo yahoyada ne us se kee thee, usake putra ko ghaat kiya. aur marate समय us ne kaha yahova is par draashti karake isaka lekha le. taye varsha ke lagate aramiyon kee sena ne us chaddhai kee, aur yahooda or yarooshalem akar praja men se sab haakimon ko nash kiya aur unaka sab dhan lootkar damishk ke raja ke pas bheja. aramiyon kee sena thede hee purushaen kee to ai, pantu yahova ne aek bahut badee sena unake hath kar dee, kyonki unhon ne apane pitaro ke parameshva ko tyag diya th. aur yoash ko bhee unhon ne dand diya. aur jab ve use bahut hee rogee chhod gaa, tab usake karmachariyon ne yahoyada yajak ke putraen ke koon ke karan us se draeh kee goshttee karake, use usake bichhaune par hee aeesa mara, ki vah mar gaya aur unhon ne usako daud pur men mittee dee, parantu rajaon ke kabirstan men naheen. jinhon ne us se rajadraeh kee goshttee kee, ve ye the, arthata ammonin, shimat ka putra jabad aur shaimrit, moabin ka putra yajobada. usake betton ke vishay aur usake viruddh, jo bade dand kee taboovat hui, usake aur parameshvar ke bhvan ke banane ke vishay ye sab baten rajaon ke vrattant kee pustak men likhee haain. aur usaka putra amasyah usake sthan par raja hua.

jab amasyah rajy karane laga tab vah vachees varsha ka tha, aur yarooshalem men unatees varsha tak rajy karata raha aur usakee mata ka nam yahoan tha, jo yarooshalem kee thee. us ne vah kiya jo yahova kee draashtti men tteek haai, parantu khre man se n kiya. jab rajy usake hath men sthiar ho gaya, tab us ne apane un karmachariyon ko mar dala jinhon ne usake pita raja ko mar dala tha. parantu us ne unake ladkevalon ko n mara kyonaki us ne yahova kee us agyaa ke anusar kiya, jo moosa kee yavastha kee pustak men likhee haai, ki putra ke karan pita n mar dala jaa, aur n pita ke karan putra mar dala jaa, jis ne pap kiya ho vahee us pap ke karan mar dala jaae. aur amasyah ne yahooda ko varan sare yahoodiyan aur binyameaniyon ko ikattha karake unako, pitaron ke gharanon ke anusar sahasrapaatiiyon aur shatapaatiiyon ke aadhaikar men tharaya aur un men se jitanon kee avastha bees varsha kee athva us se adhaik thee, unakee ginattee karake teen lakh bhala chalaneevale aur ddhal uttanevale bade bade yoddha paae. fir us ne aek lakh israaelee shooraaveeron ko bhee aek sau kikkar chandee dekar bulava rakha. parantu parameshvar ke aek jan ne usake pas akar kaha, he raja israael kee sena tere sath jane n paae kyonki yahova israael arthata apiraaim kee kul santan ke sang naheen rahata. yaadi too jakar purushaarth kare aur yuddh ke liye hiyav vandho, taubhee parameshvar tujhe shatrauon ke samhane giraage, kyonki sahayata karane aur gira dene donon men parameshvar samath haai. amasyah ne parameshvar ke bhkt se poochha, fir jo sau kikkar chandee maain israaelee dal ko de chuka hoo, usake vishay kya karon? parameshvar ke bhkt ne uttar diya, yahova tujhe is se bhee bahut adhaik de sakata haai. tab amasyah ne unhen arthata us dal ko jo apiraaim kee or se usake pas aya tha, alag kar diya, ki ve apane sthan ko lautt jaaen. tab unaka krodha yahoodiyo par bahut bhdh utta, aur ve atyant krodhait hokar apane sthan ko lautt gaae. parantu amasyah hiyav bandhakar apane logon ko le chala, aur lon kee tarai men jakar, das hajar seiriyon ko mar dala. aur yahooliyan ne das hajar ko bandhaua karake chattan kee chottee par le gaye, aur chattan kee chottee par se gira diya, so ve sab choor choor ho gaae. parantu us dal ke purush jise amasyah ne lautta diya ki ve usake sath yuddh karane ko n jaae, shomaron se betheron tak yahooda ke sab nagaron par toott pade, aur unake teen hajar nivasee mar dale aur bahut loott le lee. jab amasyah aedoniyan ka sanhar karake lautt aya, tab us ne seiariyon ke devataon ko le akar apane devata karake khda kiya, aur unheen ke samhane dandvat karane, aur unheen ke liye dhoop jalane laga. tab yahova ka krodha amasyah par bhdh utta aur us ne usake pas aek nabee bheja jis ne us se kaha, jo devata apane logon ko tere hath se bacha n sake, unakee khoj men too kyon laga haai? vah us se kah hee raha tha ki us ne us se poochha, kya ham ne tujhe rajamantraee thara diya haai? chup rah ! kya too mar khana chahata haai? tab vah nabee yah kahakar chup ho gaya, ki mujhe maloom haai ki parameshvar ne tujhe nash karane ko ttana haai, kyonki too ne aeesa

kiya haai aur meree sammati naheen manee. tab yahooda ke raja amasyah ne sammati lekar, israael ke raja yoash ke pas, jo yehoo ka pota aur yahoahaj ka putra tha, yon kahala bheja, ki a ham aek doosare ka samhana karen. israael ke raja yoash ne yahooda ke raja amasyah ke pas yon kahala bheja, ki labanon par kee aek jhdberee ne labanon ke aek devadar ke pas kahala bheja, ki apanee bettee mere bette ko byah de itane men labanon ka koi van pashu pas se chala gaya aur us jhdberee ko daund dala. too kahata haai, ki maain ne aedomiyan ko jeet liya haai is karan too fool utta aur badai marata haai ! apane ghar men rah ja too apanee haani ke liye yahan kyon hath dalata haai, is se too kya, varan yahooda bhee neecha khaage. parantu amasyah ne n mana. yah to parameshvar kee or se hua, ki vah unhen unake shatrauon ke hath kar de, kyonaki ve aedom ke devataon kee khoj men lag gaae the. tab israael ke raja yoash ne chaddhai kee aur us ne yahooda ke raja amasyah ne yahooda desh ke betashomesh men aek doosare ka samhana kiya. aur yahooda israael se har gaya, aur har aek apane apane dere ko bhaga. tab israael ke raja yoash ne yahooda ke raja amasyah ko, jo yahoahaj ka pota aur yoash ka putra tha, betashomesh men pakada aur yarooshalem ko le gaya aur yarooshalem kee shaharapanah men se bapraaimee faattk se koneval faattk tak char sau hath gira diae. aur jitana sona chandee aur jitane patra parameshvar ke bhvan men obededom ke pas mile, aur rajabhvan meen jitana khjana tha, us sab ko aur bandhak logon ko bhee lekar vah shaemaron ko lott gaya. yahoahaj ke putra israael ke raja yoash ke marane ke bad yoash ka putra yahooda ka raja amasyah pandrah varsha tak jeevit raha. aadi se ant tak amasyah ke aur kam, kya yahooda aur israael ke rajaon ke itihās kee pustak men naheen likhe haain? jis samay apasyah yahova ke peechhe chalana chhodkar fir gaya tha us samay se yarooshalem men usake viruddh draeh kee goshttee hone lagee, aur vah lakeesh ko bhag gaya. so dooton ne lakeesh tak usake peechha kar ke, usako vaheen mar dala. tab vah ghaedon par rakhkar pahunchaya gaya aur use usake purakhaon ke beech yahooda ke nagar men mittee dee gai.

tab sab yahoodae praja ne ujaiyyah ko lekar jo solah varsha ka tha, usake pita amasyah ke sthan par raja banaya. jab raja amasyah apane purakhaon ke sang so gaya tab ujaiyyah ne aelot nagar ko draddh kar ke yahooda men fir mila liya. jab ujaiyyah rajy karane laga, tab vah solah varsha ka tha. aur yarooshalem men bayan varsha tak rajy karata raha, aur usakee mata ka nam yakeelyah tha, jo yarooshalem kee thee. jaaise usaka pita amasyah, kiya karata tha vaaisa hee usane bhee kiya jo yahova kee draashtti men tteek tha. aur jakaryah ke dinon men jo parameshvar ke darshan ke vishay samajh rakhta tha, vah parameshvar kee khoj men laga rahata tha aur jab tak vah yahova kee khoj men laga raha, tab tak parameshvar usako bhagyavan kiae raha. tab us ne jakar palishtaiyon se yuddh kiya, aur gat, yabne aur ashadod kee shaharapanahen gira dee, aur ashadod kee asapas aur palish-

taiyon ke beech men nagar basaae. aur parameshvar ne paalishtaiyon aur goorbalavasee, araabiyan aur mooniyan ke viruddh usakee sahayata kee. aur ammoonee ujaiyyah ko bhennt dene lage, varan usakee keettair misra ke sivane tak bhee faail gairar, kyonki vah atyant samath ho gaya tha. fir ujaiyyah ne yarooshalem men kone ke faattk aur tarai ke faattk aur shaharapanah ke mod par gummatt banavakar draddh kiae. aur usake bahut janavar the isaliye us ne jangal men aur neeche ke desh aur chauras desh men gummatt banavaae aur bahut se haud khudavaa, aur pahadon par aur kammel men usake kisan aur dakh kee baariyon ke malee the, kyonki vah khetee kisanee karanevala tha. fir ujaiyyah ke yoddhaon kee aek sena thee jinakee ginatee yeeael munshae aur maseyah saradar, hananyah namak raja ke aek hakim kee agyaa se karate the, aur usake anasar vah dal bandhakar ladne ko jatee thee. pitaron ke gharanon ke mukhy mukhy purush jo shooraaveer the, unakee pooree ginatee do hajar chh sau thee. aur unakee aadhaikar men teen lakh saddhe sat hajar kee aek badee badee sena thee, jo shatraun ke viruddh raja kee sahayata karane ko bade bal se yuddh karanevale the. inake liye arthata pooree sena ke liye ujaiyyah ne ddhale, bhale, ttop, jhlaim, dhanush aur gofan ke patthr taaiyar kiae. fir us ne yarooshalem men gummattor par kangooron par rakhne ko chatur purushaen ke nikale huae yantra bhee banavaae jinake dara teer aur bade bade patthr faenke jate the. aur usakee keettair door door tak faail gai, kyonki use adabbuth yahayata yahan tak milee ki vah samath ho gaya. parantu jab vah samath ho gaya, tab usaka man fool utta aur us ne bigadkar apane parameshvar yahova ka vishvasaghaat kiya, arthata vah dhoop ke vedee par dhoom jalane ko yahova ke mandair men ghaus gaya. aur ajaryah yajak usake bad bheetar gaya, aur usake sang yahova ke assee yajak bhee jo veer the gaee. aur unhon ne ujaiyyah raja ka samhana karake us se kaha, he ujaiyyah yahova ke liye dhoop jalana tera kam nahee, haroon kee santan arthata un yajakon hee ka kam haai, jo dhoop jalane ko pavitra kiae gaee haain. too pavitrasthan se nikal ja too ne vishvasaghaat kiya haai, yahova parameshvar kee or se yah teree maahima ka karan n hoga. tab ujaiyyah dhoop jalane ko dhoopadan hath men liye huae jhunjhla utta. aur vah yajakon par jhunjhla raha tha, ki yajakon ke dekhthe dekhthe yahova ke bhvan men dhoop kee vedee ke pas hee usake mathe par koddh pragatt hua. aur ajaryah mahayajak aur sab yajakon ne us par drashtti kee, aur kya dekhka ki usake mathe par koddh nikala haai ! tab uthon ne usako vahan se jhptatt nikal diya, varan yah janakar ki yahova ne mujhe kod-dhee kar diya haai, us ne ap bahar jane ko utavalee kee. aur ujaiyyah raja marane ke din tak koddhee raha, aur koddh ke karan alag aek ghar men rahata tha, vah to yahova ke bhvan men jane n pata tha. aur usaka putra yotam rajagharane ke kam par niyukt kiya gaya aur vah logon ka nyay bhee karata tha. aadi se ant tak ujaiyyah ke aur kamon ka varnn to amos ke putra yashaayah nabee ne likha haai. nidan ujaiyyah apane purakhaon ke sang so gaya, aur usako usake purakhaon ke nikatt rajaon ke mittee dene ke khet men mittee dee gai kyonki unhon ne kaha, ki vah

koddhee haai. aur usaka putra yotam usake sthan par rajy karane laga.

jab yotam rajy karane laga tab vah pachees varsha ka tha, aur yarooshalem men solah varsha tak rajy karata raha. aur usakee mata ka nam yaroosha tha, jo sadok kee bettee thee. us ne vah kiya, jo yahova kee draashtti men tteek haai, arthata jaaisa usake pita ujaiyyah ne kiya tha, tteek vaaisa hee us ne bhee kiya taubhee vah yahova ke maandair men n ghaus. aur praja ke log tab bhee bigadee chal chalte the. usee ne yahova ke bhvan ke uparavale faattk ko banaya, aur opel kee shaharapanah par bahut kuchh banavaya. fir us ne yahooda ke pahadee desh men kai nagar draddh kia, aur jangalon men gaddh aur gummatt banaae. aur vah ammoniyan ke raja se yuddh karake un par prabal ho gaya. usee varsha ammoniyan ne usako sau kikkar chandee, aur das das hajar kor gehoon aur jav diya. aur fir doosare aur teesare varsha men bhee unhon ne use utana hee diya. yon yotam samath ho gaya, kyonaki vah apane ap ko apane parameshvar yahova ke sammukh janakar seedhaee chal chalata tha. yotam ke aur kam aur usake sab yuddh aur usakee chal chalan, in sab baton ka varnn israaael aur yahooda ke rajaon ke ithas men likha haai. jab vah raja hua, tab pachees varsha ka tha aur vah yarooshalem men solah varsha tak rajy karata raha. nidan yotam apane purakhaon ke sang so gaya aur use daudapur men mittee dee gai. aur usaka putra ahaj usake sthan par rajy karane laga.

28

jab ahaj rajy karane laga tab vah bees varsha ka tha, aur solah varsha tak yarooshalem men rajy karata raha. aur apane moolapurush daud ke saman kam naaheen kiya, jo yahova kee draashtti men tteek tha, parantu vah israaael ke rajaon kee see chal chala, aur bal devataon kee moortiyon ddhlavakar banai aur hinnon kee bette kee tarai men dhooooo jalaya, aur un jaatiyon ke ghainaune kamon ke anasar jinhen yahova ne israaaeliyan kee samhane se desh se nikal diya tha, apane ladkebalon ko ag men hom kar diya. aur unche sthanon par, aur pahaadiyon par, aur sab hare vrakshaan ke tale vah bali chaddhaya aur dhoom jalaya karata tha. isaliye usake parameshvar yahova ne usako aramiyan ke raja kee hath kar diya, aur ve usako jeetakar, usake bahut se logon ko bandhaua banake damishk ko le gaee. aur vah israaael ke raja ke vash men kar diya gaya, jis ne use badee mar se mara. aur ramalyah ke putra pekah ne, yahooda men aek hee din men aek lakh bees hajar logon ko jo sab ke sab veer the, ghaat kiya, kyonaki unhon ne apane pitaron ke parameshvar yahova ko tyag diya tha. aur jikree namak aek aepraamee veer ne maseyah namak aek rajaputra ko, aur rajabhvan ke pradhaan ajraeekam ko, aur aelakana ko, jo raja ka mantraee tha, mar dala. aur israaalee apane bhaiyon men se traiyo, betton aur beattiyaien ko milakar do lakh logon ko bandhaua banake, aur unakee bahut

loott bhee chheenakar shaemaroon kee or le chale. parantu vahan oded namak yahova ka aek nabee tha vah shaemaroon ko anevalee sena se milakar un se kahane laga, suno, tumhare pitaron ke parameshvar yahova ne yahoodiyon par jhunjhlakar unako tumhare hath kar diya haai, aur tum ne unako aeesa krodha karake ghaat kiya jisakee chillahatt svarga ko pahunch gai haai. aur ab tum ne ttana haai ki yahoodiyon aur yarooshalemiyon ko apane dasa-dasee banakar dabaee rakho. kya tum bhee apane parameshvar yahova ke yahan dashaee naheen ho? isaliye ab meree suno aur in bandhauon ko jinhen tum apane bhaiyon men se bandhaua banake le aae ho, lautta do, yahova ka krodha to tum par bhdka haai. tab aepraaiamiyon ke kitane mukhy purush arthata yohanam ka putra ajaryah, maashailemot ka putra berekyah, shalloom ka putra yahijaakiyyah, aur hadalaa ka putra amasa, ladai se anevalon ka samhana karake, un se kahane lage. tum in bandhauon ko yahan mat lao kyonaki tum ne vah bat ttanee haai jisake karan ham yahova ke yahan doshaee ho jaeenge, aur us se hamara pap aur dosh baddh jaeega, hamara dosh to bada haai aur israaael par bahut krodha bhdka haai. tab un haathaiyar bandhaen ne bandhauon aur loott ko haakimon aur saree sabha ke samhane chhod diya. tab jin purushaen ke nam upar likhe haai, unhon ne uttkar bandhauon ko le liya, aur loott men se sab nange logon ko kapade, aur jootiyan paahinae aur khana khailaya, aur panee pilaya, aur tel mala aur tab nirbal logon ko gadahon par chaddhakar, yareeho ko jo khjoor ka nagar kahalata haai, unake bhaiyon ke pas pahuncha diya. tab ve shaemaroon ko lautt aae. us samay raja ahaj ne ashshoor ke rajaon ke pas doot bhejekar sahayata mangee. kyonaki aedomiyan ne yahooda men akar usako mara, aur bandhauon ko le gaae the. aur paalishtayon ne neeche ke desh aur yahooda ke dakkhian desh ke nagaron par chaddhai karake, betashomesha, ayyalon aur gaderot ko, aur apane apane ganvon samet soko, timna, aur gimajo ko le liya aur un men rahane lage the. yon yahova ne israaael ke raja ahaj ke karan yahooda ko daba diya, kyonaki vah nirankush hokar chala, aur yahova se bada vishvasaghaat kiya. tab ashshoor ka raja tilagataapilaneser usake viruddh aya, aur usako kashtt diya draddh naheen kiya. ahaj ne to yahova ke bhvan aur rajabhvan aur hakimon ke gharon men se dhan nikalakar ashshoor ke raja ko diya, parantu isase usakee kuchh sahayata n hui. aur klesh ke samay raja ahaj ne yahova se aur bhee vishvasaghaat kiya. aur us ne daamishk ke devataon ke liye jinhon ne usako mara tha, baali chaddhaya kyonaki us ne yah socha, ki aramee rajaon ke devataon ne unakee yahayata kee, to maain unake liye baali chaddhaunga ki ve meree sahayata karen. parantu ve usake aur sare israaael ke patan ka karan huae. fir ahaj ne parameshvar ke bhvan ke patra battorakar tudva dale, aur yahova ke bhvan ke daron ko band kar diya aur yarooshalem ke sab konon men veadiyan banai. aur yahooda ke aek aek nagar men us ne paraye devataon ko dhoop jalane ke liye unche sthan banaa, aur apane mitaron ke parameshvar yahova ko ris dilai. aur usake aur kamo, aur adi se ant tak usakee pooree chal chalan ka varnn yahooda aur israaael ke rajaon ke iati-

29

jab hijaaikiyyah rajy karane laga tab vah pachees varsha ka tha, aur unatees varsha tak yarooshalem men rajy karata raha. aur usakee mata ka tam aabiyyah tha, jo jakaryah kee bettee thee. jaaise usake moolapurush dad ne kiya tha arthata jo yahova kee drashtti men tteek tha vaaisa hee us ne bhee kiya. apane rajy ke pahile varsha ke pahile maheene men us ne yahova ke bhvan ke dar khulava dia, aur unakee marammat bhee karai. tab us ne yajakon aur leaviyon ko le akar poorva ke chauk men ikattha kiya. aur un se kahane laga, he leviyo meree suno ! ab apane apane ko pavitra karo, aur apane poorvajon ke parameshvar yahova ke bhvan ko pavitra karo, aur pavitrasthan men se maail nikalo. dekho hamare purakhaon ne vishvasaghaat karake vah karma kiya tha, jo hamare parameshvar yahova kee drashtti men bura haai aur usako taj karake yahova ke nivas se munh faerakar usako peett dikhai thee. fir unhon ne osare ke dar band kia, aur deepakon ko bujha diya tha aur paavitra sthan men israaael ke parameshvar ke liye n to dhoop jalaya aur n homabaali chaddhaya tha. isaliye yahova ka krodha yahooda aur yarooshalem par bhdka haai, aur us ne aeesa kiya, ki ve mare mare firen aur chaakit hone aur talee bajane ka karan ho jae, jaaise ki tum apanee ankhon se dekh rahe ho. dekho, as karan hamare bap talavar se mare gaa, aur hamare bette-bettyaen aur striyan bandhauai men chalee gai haain. ab mere man ne yah nirny kiya haai ki israaael ke parameshvar yahova se vacha bandhoo, isaaliye ki usaka bhdka hua krodha ham par se door ho jae. he mere betto, ddhlaiai n karo dekho, yahova ne apane sammukh khde rahane, aur apanee seva tthal karane, aur apane tthaluae aur dhoop jalanevale ka kam karane ke liye tumheen ko chun liya haai. tab leveey utt khde hua, arthata kahaatiyon men se amasaai ka putra mahat, aur ajaryah ka putra yoael, aur marariyon men se abdee ka putra keesha, aur yahallelel ka putra ajaryah, aur geshaniyon men se jimma ka putra yoah, aur yoah ka putra aedena. aur aeleeapan kee santan men se shaimrae, aur yooael aur asap kee santan men se jakaryah aur mattanyaha. aur heman kee santan men se shamayah aur ujjeaela. inhon ne apane bhaiyon ko ikattha kiya aur apane apane ko paavitra karake raja kee us agya ke anasar jo us ne yahova se vachan pakar dee thee, yahova ke bhvan ke shuuddh karane ke liye bheetar gaae. tab yajak yahova ke bhvan ke bheetaree bhag ko shuuddh karane ke liye us men jakar yahova ke mandair men jitanee ashuuddh vastuen mien un sab ko nikalakar yahova ke bhvan ke angan men le gaa, aur leaviyon ne unhen uttkar bahar kidairen ke nale men pahuncha diya. paahile maheene ke paahile din ko unhon ne pavitra karane ka kam arambh kiya, aur usee maheene ke atven din ko ve yahova ke osare tak

a gaee. is prakar unhon ne yahova ke bhvan ko att din men pavitra kiya, aur paahile maheene ke solahaven din ko unhon ne us kam ko poora kiya. tab unhon ne raja hijaakiyyah ke pas bheetar jakar kaha, ham yahova ke poore bhvan ko aur patraen samet homabaali ke vedee aur bhennt ke rottee ke mej ko bhee shuuddh kar chuke. aur jitane patra raja ahaj ne apane rajy men vishvasaghaat karake faenk diae the, unako bhee ham ne tteek karake pavitra kiya haai aur ve yahova ke vedee ke samhane rakhe huae haain. tab raja hijaakiyyah sabere uttkar nagar ke haakimon ko ikattha karake, yahova ke bhvan ko gaya. tab ve rajy aur pavitrasthan aur yahooda ke nimitt sat bachhde, sat meddhe, sat bhed ke bachche, aur papabaali ke liye sat bakare le aa, aur us ne haroon ke santan ke leaviyon ko agyaa dee ki in sab ko yahova ke vedee par chaddhaen. tab unhon ne bachhde bali kia, aur yajakon ne unaka lohoo lekar vedee par chhdik diya tab unhon ne meddhe baali kia, aur unaka lohoo bhee vedee par chhdik diya. aur bhed ke bachche bali kia, aur unaka bhee lohoo vedee par chhdik diya. tab ve papabaali ke bakaron ko raja aur mandlee ke sameep le aae aur un par apane apane hath rakhe. tab yajakon ne unako baali karake, unaka lohoo vedee par chhdik kar papabali kiya, jis se sare israael ke liye praayaashchait kiya jaae. kyonaki raja ne sare israael ke liye homabaali aur papabali kiae jane kee agyaa dee thee. fir us ne daud aur raja ke dasa gad, aur natan nabee kee agyaa ke anasar jo yahova kee or se usake naabiyon ke dara ai thee, jhanj, saranagiyan aur veenaen liae huae leaviyon ko yahova ke bhvan men khda kiya. tab leveey daud ke chalaae baje liae hua, aur yajak turahian liae huae khde huae. tab hijaakiyyah ne vedee par homabaali chaddhane kee agyaa dee, aur jab homabali chaddhne lagee, tab yahova ka geet arambh hua, aur turahian aur israael ke raja daud ke baje bajane lage. aur mandlee ke sab log dandvat karate aur ganavele gate aur turahie foonkanevale foonkate rahe yah sab tab tak hoeta raha, jab tak homabaali chaddh n chukee. aur jab baali chaddh chukee, tab raja aur jitane usake sang vahan the, un sabhon ne sir jhukakar dandvat kiya. aur raja hijaakiyyah aur hakimon ne leaviyon ko agyaa dee, ki daud aur asap dasa ke bhjan gakar yahova kee stuti karen. aur unhon ne anand ke sath stuati kee aur sir navakar dandvat kiya. tab hijaakiyyah kahane laga, ab tum ne yahova ke nimitt apana arpan kiya haai isaliye sameep akar yahova ke bhvan men melabali aur dhanyavadabaali pahunchao. tab mandlee ke logon ne melabali aur dhanyavadabaali pahuncha dia, aur jitane apanee ichchha se dena chahate the unhon ne bhee homabaali pahunchaee. jo homabaali pashu mandlee ke lag le aa, unakee ginatee yah thee sattar baail, aek sau meddhe, aur do sau bhed ke bachche ye sab yahova ke nimitt homabaali ke kam men aae. aur paavitra kiae huae pashu, chh sau baail aur teen hajar bhed-bakaariyan thee. parantu yajak aeese thede the, ki ve sab homabali pashuon kee khalen n utar sake, tab unake bhai leveey us samay tak unakee sahayata karate rahe jab tak vah kam nipatt n gaya, aur yajakon ne apane ko paavitra n kiya kyonaki leveey apane ko paavitra karane ke liye paavitra yajakon se aadhaik seedho man ke the. aur fir homabali pashu bahut the,

aur melabali pashuon kee chaba bhee bahut thee, aur aek aek homabaali ke sath ardhha bhee dena pada. yon yahova ke bhvan men kee upasana tteek kee gai. tab hijaakiyyah aur saree praja ke log us kam ke karan anandait hua, jo yahova ne apanee praja ke liye taaiyar kiya tha kyonaki vah kam aeakaek ho gaya tha.

30

fir hijaakiyyah ne sare israael aur yahooda men kahala bheja, aur aepraaim aur manashsho ke pas is ashay ke patra likh bheje, ki tum yarooshalem ko yahova ke bhvan men israael ke parameshvar yahova ke liye fasah manane ko ao. raja aur usake hakimon aur yarooshalem kee mandlee ne sammaati kee thee ki fasah ko doosare maheene men manaen. ve use us samay is karan n mana sakate the, kyonki thode hee yajakon ne apane apane ko pavitra kiya tha, aur praja ke log yarooshalem men ikatthe n huae the. aur yah bat raja aur saree mandlee ko achchhee lagee. tab unhon ne yah tthara diya, ki bershoba se lekar dan ke sare israaeliyan men yah prachar kiya jay, ki yarooshalem men israael ke parameshvar yahova ke liye fasah manane ko chale ao kyonki unhon ne itanee badee sanakhya men usako is prakar n manaya tha jaaisa ki likha haai. isaliye harakare raja aur usake haakimon se chitthiyan lekar, raja kee agyaa ke anasar sare israael aur yahooda men ghoomne, aur yah kahate gaa, ki he israaeliyo ! ibraaheem, isahak aur israael ke parameshvar yahova kee or fiरो, ki vah ashshoor ke rajaon ke hath se bache huae tum logaen kee or fiरो. aur apane purakhaon aur bhaiyon ke saman mat bano, jinhon ne apane poorvajon ke parameshvar yahova se vishvasaghaat kiya tha, aur us ne unhen chaakit hone ka karan kar diya, jaaisa ki tum svayan dekh rahe ho. ab apane purakhaon kee nai hatt n karo, varan yahova ke adhaeen hokar usake us paavitrasthan men ao jise us ne sada ke liye paavitra kiya haai, aur apane parameshvar yahova kee upasana karo, ki usaka bhdka hua krodha tum par se door ho jaae. yaadi tum yahova kee or fiरोge to jo tumhare bhaiyon aur ladkebalon ko bandhaua banake le gaee haai, ve un par daya karengae, aur ve is desh men lautt sakenge kyonki tumhara parameshvar yahova anugrahakaree aur dayalu haai, aur yaadi tum usakee or fiरोge to vah apana munh tum se n modega. is prakar harakare aepraaim aur manashsho ke deshon men nagar nagar hote huae jabooloon tak gaee parantu unhon ne unakee hansee kee, aur unhen tttthon men udaya. taubhee ashor, manashsho aur jabooloon men se kuchh log deen hokar yarooshalem ko aae. aur yahooda men bhee parameshvar kee aeesee shaaktai hui, ki ve aek man hokar, jo agyaa raja aur hakimon ne yahova ke vachan ke anasar dee thee, use manane ko taaiyar huae. is prakar adhaik log yarooshalem men isaliye ikatthe hua, ki doosare maheene men akhmeeree rottee ka pavra manen. aur bahut badee sabha ikatthee ho gai. aur unhon ne uttkar, yarooshalem kee veadiyon aur dhoom jalane ke sab sthanon ko uttkar kidraen nale men faenk diya. tab doosare maheene ke chaudhaven din ko unhon ne fasah ke pashu bali kiae tab yajak aur leveey lajjait huae aur apane ko paavitra karake homabaaliyan

ko yahova ke bhvan men le aae. aur ve apane niyam ke anuasar, arthata parameshvar ke jan moosa kee vyavastha ke anusar, apane apane sthan par khde hua, aur yajakon ne rakt ko leviyon ke hath se lekar chhdik diya. kyonaki sabha men bahute aeese the jinhon ne apane ko pavitra n kiya tha isaliye sab ashuuddh logon ke fasah ke pashuon ko bali karane ka adhaikar leaviyon ko diya gaya, ki unako yahova ke liye paavitra karen. bahut se logon ne arthata aepraaim, manashsho, issakar aur jabooloon men se bahuton ne apane ko shuuddh naheen kiya tha, taubhee ve fasah ke pashu ka mans likhee hui vidhai ke viruddh khate the. kyonkee hijaaikiyyah ne unake liye yah praarthna kee thee, ki yahova jo bhla haai, vah un sabhon ke pap ddhanp de jo parameshvar kee arthata apane poorvajon ke parameshvar yahova kee khoj men man lagae huae haai, chahe ve paavitrasthan kee vidhai ke anusar shuuddh n bhee hon. aur yahova ne hijaaikiyyah kee yah praarthn sunakar logon ko changa kiya. aur jo israaaelee yarooshalem men upaasthiat the, ve sat din tak akhmeeree rottee ka pavra bade anand se manate rahe aur praatidin leveey aur yajak unche shabd ke baje yahova ke liye bajakar yahova kee stuti karate rahe. aur jitane leveey yahova ka bhjan buddhimaanee ke sath karate the, unako hijaaikiyyah ne shaaantai ke vachan kahe. is prakar ve melabaali chaddhakar aur apane purvajon ke parameshvar yahova ke sammukh papangeekar karate rahe aur us niyat pavra ke saton din tak khate rahe. tab saree sabha ne sammaati kee ki ham aur sat din varva manenge so unhon ne aur sat din anand se pavra manaya. kyonaki yahooda ke raja hijaaikiyyah ne sabha ko aek hajar bachhde aur sat hajar bhed-bakaariyan de dee, aur hakimon ne sabha ko aek hajar bachhde aur das hajar bhed-bakaariyan dee, aur bahut se yajakon ne apane ko paavitra kiya. tab yajakon aur leaviyon samet yahooda kee saree sabha, aur israaael se aae huon kee sabha, aur israaael ke desh se aae hua, aur yahooda men rahanevale paradeshae, in sabhon ne anand kiya. so yarooshalem men bada anand hua, kyonaki daud ke putra israaael ke raja sulaiman ke dinon se aeese bat yarooshalem men n hui thee. ant men leveey yajakon ne khde hokar praja ko ashaeervad diya, aur unakee sunee gai, aur unakee praarthna usake papitra dhaam tak arthata svarga tak pahunchee.

31

jab yah sab ho chuka, tab jitane israaaelee apaasthiat the, un sabhon ne yahooda ke nagaron men jakar, sare yahooda aur binyameen aur aepraem aur manashsho men ki latton ko tod diya, ashoron ko katt dala, aur unche sthanon aur vediyon ko gira diya aur unhon ne un sab ka ant kar diya. tab sab israaaelee apane apane nagar ko lautkar, apanee apanee nij boomi men pahunchee. aur hijaaikiyyah ne yajakon ke dalon ko aur leaviyon ko varan yajakon aur leviyon donon ko, prati dal ke anusar aur aek aek matushy ko usakee sevakai ke anusar isaliye tthara diya, ki ve yahova kee chhavanee ke daron ke bheetar homabali, melabali, seva tthal, dhanyavad aur stuati kiya karen. fir us ne apanee sampattai men se ra-

jabhasha ko homabaaliyon ke liye tthara diya arthta sabare aur sanjh kee homabali aur vishraam aur naye chand ke dinon aur niyat samayon kee homabaali ke liye jaaisa ki yahova kee vyavastha men likha haai. aur us ne yarooshalem men rahanevalon ko yajakon aur leviyon ko unaka bhag dene kee agyaa dee, taaki ve yahova kee vyavastha ke kam man lagakar kar saken. yah agyaa sunate hee israaaelee ann, naya dakhmadha, tttka tel, madha aadi khetee kee sab bhaanti kee pahilee upaj bahutayat se dene, aur sab vastuon ka dashamansh adhaik matra men lane lage. aur jo israaaelee aur yahoodee, yahooda ke nagaron men rahate the, ve bhee baailon aur bhed-bakaariyon ka dashamansha, aur un paavitra vastuon ka dashamansha, jo unake parameshvar yahova ke nimitt paavitra kee gai thee, lakar ddher ddher karake rakhne lage. is prakar ddher ka lagana unhon ne teesare maheene men arambh kiya aur sataven maheene men poora kiya. jab hijaaikiyyah aur hakimon ne akar un ddheron ko dekha, tab yahova ko aur usakee praja israaael ko dhany dhany kaha. tab hijaaikiyyah ne yajakon aur leviyon se un ddheron ke vishay poochha. aur ajaryah mahayajak ne jo sadok ke gharane ka tha, us se kaha, jab se log yahova ke bhvan men uttai hui bhentten lane lage haai, tab se ham log pett bhr khane ko pate haai, varan bahut bacha bhee karata haai kyonki yahova ne apanee praja ko ashaeesh dee haai, aur jo shosh rah gaya haai, usee ka yah bada ddher haai. tab hijaaikiyyah ne yahova ke bhvan men kottريان ताािरा karane kee agyaa dee, aur ve taaiyar kee gai. tab logon ne uttai hui bhentte, dashamansh aur pavitra kee hui vastue, sachchai se pahunchai aur unake mukhy adhaikaree to konanyah nam aek leveey aur oosara usaka bhai shaimee nayab tha. aur konanyah aur usake bhai shaimee ke neech, hijaaikiyyah raja aur parameshvar ke bhvan ke pradhaan ajaryah donon kee agyaa se aheaeel, ajajyah, nahat, asahel, yareemet, yojabad, aeleeael, yismakyah, mahat aur banayah adhaikaree the. aur parameshvar ke liye svechchhabaaliyon ka adhaikaree yimna leveey ka putra kore tha, jo poorva faattk ka darapal tha, ki vah yahova kee uttai hui bhentte, aur paramapaavitra vastuaen bantta kare. aur usake adhaikar men aeden, minyameen, yeshoo, shamayah, amaryah aur shakanyah yajakon ke nagaron men rahate the, ki ve kya bade, kya chhotte, apane bhaiyon ko unake dalon ke anusar sachchai se diya kare, aur unake alava unako bhee de, jo purushaen kee vanshaavalee ke anusar gine jakar teen varsha kee avastha ke va us se adhaik ayu ke the, aur apane apane dal ke anusar apanee apanee sevakai nibahane ko din din ke kam ke anusar yahova ke bhvan men jaya karate the. aur un yajakon ko bhee de, jinakee vanshaavalee unake pitaron ke gharanon ke anusar kee gai, aur un leaviyon ko bhee jo bees varsha kee avastha se le age ko apane apane dal ke anusar, apane apane kam nibahate the. aur saree sabha men unake balabachcho, striayo, betton aur beattyaen ko bhee de, jinakee vanshaavalee the, kyonki ve sachchai se apane ko paavitra karate the. fir haroon kee santan ke yajakon ko bhee jo apane apane nagaron ke charaivale maaidan men rahate the, dene ke liye ve purush niyukt kiae gae the jinake nam upar likhe huae the ki ve yajakon ke sab purushaen aur un

sab leaviyon ko bhee unaka bhag diya karen jinakee vanshaavalee thee. aur sare yahooda men bhee hijaakiyyah ne aeesa hee prabandha kiya, aur jo kuchh usake parameshvar yahova kee drashtti men bhla or tteek aur sachchai ka tha, use yah karata tha. aur jo jo kam us ne parameshvar ke bhvan kee upasana aur vyavastha aur agyaa ke vishay apane parameshvar kee khoj men kiya, vah us ne apana sara man lagakar kiya aur us men kratarth bhee hua.

in baton aur aeese prabandha ke bad ashshoor ka raja sanhereeb ne akar yahooda men pravesch kar or gad-dhvale nagaron ke viruddh dere dalakar unako apane labh ke liye lena chaha. yah dekhkar ki sanhereeb nikatt aya haai aur yarooshalem se ladne kee man-asa karata haai, hijaakiyyah ne apane hakimon aur veeron ke sath yah sammati kee, ki nagar ke bahar ke soton ko pattva den aur unhon ne usakee sahay-ata kee. is par bahut se log ikatthe hua, aur yah ka-hakar, ki ashshoor ke raja kyon yahan aae, aur akar bahut panee paae, unhonne sab soton ko patt diya aur us naadee ko sukha diya jo desh ke madhy hokar ba-hatee thee. fir hijaakiyyah ne hiyav bandhakar sha-harapanah jahan kaheen toottee thee, vahan vahan usako banavaya, aur use gummatton ke barabar un-cha kiya aur bahar aek aur shaharapanah banavai, aur daudapur men millo ko draddh kiya, aur bahut se teer aur ddhalen bhee banavai. tab us ne praja ke upar senapaati niyukt kiae aur unako nagar ke faattk ke chaut men ikattha kiya, aur yah kahakar un-ako dhaeraj diya, ki hiyav bandhae aur draddh ho tum n to ashshoor ke raja se dro aur n usake sang kee saree bheed se, aur n tumhara man kachcha ho kyonaki jo hamare sath haai, vah usake sangiyon se bada haai. arthata usaka sahara to matushy hee haai parantu hamare sat, hamaree sahayata aur hamaree or se yuddh karane ko hamara parameshvar yahova haai. isaliye praja ke log yahooda ke raja hijaakiyyah kee baton par bhrosa kiae rahe. isake bad ashshoor ka raja sanhereeb jo saree sena samet lakeesh ke samhane pada tha, us ne apane karmachaariyon ko yarooshalem men yahooda ke raja hijaakiyyah aur un sab yahoodiyon se jo yarooshalem men the yon kahane ke liye bheja, ki ashshoor ka raja sanhereeb kahata haai, ki tumhen kis ka bhrosa haai jisase ki tum ghore huae yarooshalem men baaithe ho? kya hi-jaakiyyah tum se yah kahakar ki hamara paramesh-var yahova ham ko ashshoor ke raja ke panje se bachaega tumhen naheen bhramata haai ki tum ko bookhon pyason mare? kya usee hijaakiyyah ne us-ake unche sthan aur veadiyon door karake yahooda aur yarooshalem ko agyaa naheen dee, ki tum aek hee vedee ke samhane dandvat karana aur usee par dhoop jalana? kya tum ko maloom nahee, ki maain ne aur mere purakhaon ne desh desh ke sab logon se kya kya kiya haai? kya un deshon kee jatiyon ke devata kisee bhee upay se apane desh ko mere hath se bacha sake? jitanee jatiyon ka mere purakhaon ne satyanash kiya haai unake sab devataan men se aeese kaun tha jo apanee praja ko mere hath se bacha saka ho? fir tumhara devata tum ko mere hath se kaaise

bacha sakega? ab hijaakiyyah tum ko is reeti bhu-lane athva bahakane n paa, aur tum usakee prateeti n karo, kyonki kisee jaati ya rajy ka koi devata apa-nee praja ko n to mere hath se aur n mere purakhaon ke hath se bacha saka. yah nishchay haai ki tumhara devata tum ko mere hath se naheen bacha sakega. is se bhee aadhaik usake karmachaariyon ne yahova parameshvar kee, aur usake das hijaakiyyah kee ninda kee. fir us ne aeese aek patra bheja, jis men israa-ael ke parameshvar yahova kee ninda kee ye baten likhee thee, ki jaaise desh desh kee jatiyon ke devataan ne apanee apanee praja ko mere hath se naheen bachaya vaaise hee hijaakiyyah ka devata bhee apanee praja ko mere hath se naheen bacha sakega. aur unhon ne unche shabd se un yarooshalemiyon ko jo shahara-panah par baaithe the, yahooda bole men pukara, ki unako drakar ghabarahatt men dal den jis se nagar ko le len. aur unhon ne yarooshalem ke parameshvar kee aeese charcha kee, ki mano prathive ke desh desh ke logon ke devataan ke barabar ho, jo manushyon ke banaae huae haain. tab in ghattnaon ke karan raja hijaakiyyah aur amos ke putra yashaayah naabee donon ne praarthna kee aur svarga kee or dohai dee. tab yahova ne aek doot bhej diya, jis ne ashshoor ke raja kee chhavanee men sab shooraaveero, prad-haanon aur senapaatiyon ko nash kiya. aur vah laa-jjait hokar, aen desh ko lautt gaya. aur jab vah apane devata ke bhvan men tha, tab usake nij pu-traen ne vaheen use talavar se mar dala. yon ya-hova ne hijaakiyyah aur yarooshalem ke nivaasiyon ko ashshoor ke raja sanhereeb aur apane sab sha-trauon ke hath se bachaya, aur charon or unakee agu-vai kee. aur bahut log yarooshalem ko yahova ke liye bhentt aur yahooda ke raja hijaakiyyah ke liye anomal vastuaen le aen lage, aur us samay se vah sab jatiyon kee draashtti men mahan tthara. un di-non hijaakiyyah aeese rogee hua, ki vah mara cha-hata tha, tab us ne yahova se praarthna kee aur us ne us se baten karake usake liye ek chatatkar dikhaya. parantu hijaakiyyah ne us upakar ka badala n diya, kyonaki usaka man fool utta tha. is karan usaka kop us par aur yahooda aur yarooshalem par bhdka. tab hijaakiyyah yarooshalem ke nivaasiyon samet apane man ke foolane ke karan deen ho gaya, isaliye yahova ka krodha un par hijaakiyyah ke dinon men n bhdka. aur hijaakiyyah ko bahut hee dhan aur vibhv mila aur us ne chandee, sone, manaiyo, sugandhadrav, ddhalon aur sab prakar ke manabhavane patraen ke liye bhndar banavaae. fir us ne ann, naya dakhmadha, aur tttika le ke liye bhndar, aur sab bhanati ke pashu-uon ke liye than, aur bhed-bakaariyon ke liye bhed-shaalaen banavai. aur us ne nagar basaa, aur bahut hee bhed-bakaariyon aur gaya-baailon kee sampat-tai ikattha kar lee, kyonki parameshvar ne usee bahut hee dhan diya tha. usee hijaakiyyah ne geehon nam naadee ke upar ke sote ko pattkar us naadee ko neeche kee or daudapur kee paachchhim alang ko seedha pahunchaya, aur hijaakiyyah apane sab kamon men kratarth hota tha. taubhee jab babel ke haakimon ne usake pas usake desh men kiae huae chatatkar ke vishay poochhne ko doot bheje tab parameshvar ne usako isaliye chhod diya, ki usako parakh kar usake man ka sara bhed jan le. hijaakiyyah ke aur kam, or

usake bhaktai ke kam amos ke putra yashaayah nabee ke darshan nam pustak me, aur yahooda aur israaael ke rajaon ke itihās ke pustak men likhe haain. ant men hijaaikiyyah apāne purakhaon ke sang so gaya aur usako daud kee santan ke kabristan kee chaddhai par mittee dee gai, aur sab yahoodiyan aur yarooshalem ke nivaasiyan ne usakee mratyū par usaka adaraman kiya. aur usaka putra manashsho usake sthan par rajy karane laga.

jab manashsho rajy karane laga tab vah barah varsha ka tha, aur yarooshalem men pachapan varsha tak rajy karata raha. us ne vah kiya, jo yahova kee draashtti men bura tha, arthata un jaatiyon ke ghain-aune kamon ke anasar jinako yahova ne israaealiyon ke samhane se desh se tika diya tha. us ne un unche sthanon ko jinhen usake pita hijaaikiyyah ne tod diya tha, fir banaya, aur bal nam devataon ke liye veeadiyan or ashora nam mooraten banai, aur akash ke sare gan ko dandvat karata, aur unakee upasana karata raha. aur us ne yahova ke us bhvan me veeadiyan banai jiske vishay yahova ne kaha tha ki yarooshalem men mera nam sada bana rahega. varan yahova ke bhvan ke donon anganon men bhee us ne akash ke sare gan ke liye veeadiyan banai. fir us ne hinom ke bette kee tarai men apāne ladkebalon ko hom karake chaddhaya, aur shuubh-ashuubh muhootan ko manata, aur ttona aur tantra-mantra karata, aur ojhon aur bootasiddhivalon se vyavahar karata tha. varan us ne aeese bahut se kam kia, jo yahova kee draashtti men bure haain aur jin se vah aprasann hota haai. aur us ne apānee khudavai hui moottair parameshvar ke us bhvan men sthapan kee jiske vishay parameshvar ne daud aur usake putra sulaaiman se kaha tha, ki is bhvan me, aur yarooshalem me, jisako maain ne israaael ke sab gotraen men se chun liya haai maain ana nam sarvada rakoonga, aur maain aeese n kaaroonga ki jo desh maain ne tumhare purakhaon ko diya tha, us men se israaael fir mara mara fire itana avashy ho ki ve merēe sab agyaaon ko arthata moosa kee dee hui saree vyavastha aur vidhaiyan aur niyaam ko palan karane kee chaukasee karen. aur manashsho ne yahooda aur yarooshalem ke nivaasiyan ko yahan tak bhttkā diya ki unhon ne un jatiyan se bhee baddhkar burai kee, jinhen yahova ne israaealiyon ke samhane se vinash kiya tha. aur yahova ne manashsho aur usakee praja se baten kee, parantu unhon ne kuchh dhyan naheen diya. tab yahova ne un par ashshoor ke senapatiyan se chaddhai karai, aur ye manashsho ko nakel dalakar, aur peetal kee bediyan jakadkar, use babel ke le gaee. tab sankatt men padkar vah apāne parameshvar yahova ko manane laga, aur apāne poovajon ke parameshvar ke samhane bahut deen hua, aur us se praarthna kee. tab us ne prasann hokar usakee binatee sunee, aur usako yarooshalem men pahunchakar usaka rajy lautta diya. tab manashsho ko nishchay ho gaya ki yahova hee parameshvar haai. isake bad us ne daudamur se bahar geehon ke pashchaim kee or nale men machchilee faattk tak aek shaharapanah banavai, fir opel ko ghorakar bahut uncha kar diya aur yahooda ke sab

gaddhvale nagaron men senapati thhara diae. fir us ne paraye devataon ko aur yahova ke bhvan men kee moottair ko, aur jitanee veeadiyan us ne yahova ke bhvan ke parvat par, aur yarooshalem men banavai thee, un sab ko door karake nagar se bahar faenkava diya. tab us ne yahova kee vedee kee marammat kee, aur us par melabaali aur dhanyavadabaali chaddhane laga, aur yahoodiyan ko israaael ke parameshvar yahova kee upasana karate kee agyaa dee. taubhee praja ke log unche sthanon par baalidan karate rahe, parantu keval apāne parameshvar yahova ke liye. manashsho ke or kam, aur us ne jo praarthna apāne parameshvar se kee, aur un dashairyon ke vachan jo israaael ke parameshvar yahova ke nam se us se baten karate the, yah sab israaael ke rajaon ke iatihas men likha hua haai. aur usakee praarthna aur vah kaaise sunee gai, aur usaka sara pap aur vishvasaghaat aur us ne deen hone se pahile kahan kahan unche sthan banavaa, aur ashora nam aur khudee hui moottairyan khdee karai, yah sab hosho ke vachanon men jikha haai. nidan manashsho apāne purakhaon ke sang so gaya aur usee ke ghar men mittee dee gai aur usaka putra amon usake sthan par rajy karane laga. jab amon rajy karane laga, tab vah bais varsha ka tha, aur yarooshalem men do varsha tak rajy karata raha. aur us ne apāne pita manashsho kee nai vah kiya jo yahova kee draashtti men bura haai. aur jitanee moottairyan usake pita manashsho ne khodakar banavai thee, vah bhee un sabhon ke samhane balidan karata aur un sabhon kee upasana bhee karata tha. aur jaise usaka pita manashsho yahova ke samhane deen hua, vaaise vah deen n hua, varan amon adhaik doshaee hota gaya. aur usake karmachaariyon ne draeh kee goshttee karake, usako usee ke bhvan men mar dala. tab sadhaaran logon ne un sabhon ko mar dala, jinhon ne raja amon se draeh kee goshttee kee thee aur logon ne usake putra yoshaiyyah ko usake sthan par raja banaya.

jab yoshaiyyah rajy karane laga tab vah att varsha ka tha, aur yarooshalem men ikatees varsha tak rajy karata raha. us ne vah kiya jo yahova kee draashtti men tteek haai, aur jin magan par usaka moolapurush daud chalata raha, unheen par vah bhee chala karata tha aur us se n to daahinee or mooda, aur n bain ora. vah ladka hee tha, arthat usako gaee par baaitte att varsha poore bhee n huae the ki apāne moolamurush daud ke parameshvar kee khoj karane laga, aur barahaven varsha men vah unche sthanon aur ashera nam mooraton ko aur khudee aur ddhlee hui mooraton ko door karake, yahooda aur yarooshalem ko shuuddh karane laga. aur baladevataon ke veeadiyan usake samhane tod dalee gai, aur soorya kee praatimayen jo unake upar unche par thee, us ne katt dalee, aur ashora nam, aur khudee aur ddhlee hui mooraton ko us ne todkar pees dala, aur unakee bukanee un logon kee kabaron par chhtrai dee, jo unako baali chaddhate the. aur pujariyan kee haaddiyan us ne unheen kee veeadiyan par jalai. yon us ne yahooda aur yarooshalem ko shuuddh kiya. fir manashsho, aepraaim aur shaimon ke baran naptalee tak ke nagaron ke

khndharon me, us ne vediyon ko tod dala, aur ashora nam aur khudee hui mooraton ko peesakar bukanee kar dala, aur israaael ke sare desh ke soorya ke sab pratimaon ko kattkar yarooshalem ko lautt gaya. fir apane rajy ke attarahaven varsha men jab vah desh aur bhvan donon ko shuuddh kar chuka, tab us ne asalyah ke putra shaapan aur nagar ke hakim maseyah aur yoahaj ke putra iatihas ke lekhh yoah ko apane parameshvar yahova ke bhvan kee marammat karane ke liye bhej diya. so unhon ne hilkaaiyyah mahayajak ke pas jakar jo rupaya parameshvar ke bhvan men laya gaya tha, arthata jo leveey darabanon ne manashshi-ayo, aepraaimiyon aur sab bache huae israaaiiyon se aur sab yahoodiyon aur binyameeaniyon se aur yarooshalem ke nivaasiyon ke hath se lekar ikattha kiya tha, usako saunp diya. arthata unhon ne use un kam karanevalon ke hath saunp diya jo yahova ke bhvan ke kam par mukhaiye the, aur yahova ke bhvan ke un kam karanevalon ne use bhvan men jo kuchh tootta footta tha, usakee marammat karane men lagaya. arthata unhon ne use baddhiyon aur rajon ko diya ki ve gaddhe huae patthar aur jodon ke liye lakadee mol le, aur un gharon ko patten jo yahooda ke rajaoon ne nash kar diae the. aur ve manushy sachchai se kam karate the, aur unake adhaikaree marareey, yahat aur obadhah, leveey aur kahatee, jakaryah aur mashuul-lam kam chalaneeval aur gane-bajane ka bhed sab jananevale leveey bhee the. fir ve bojhyaien ke aad-haikaree the aur bhanati bhanati kee sevakai aur kam chalaneevale the, aur kuchh leveey munshaee saradar aur daraban the. jab ve us rupaye ko jo yahova ke bhvan men pahunchaya gaya tha, nikal rahe the, tab hilkaaiyyah yajak ko moosa ke dara dee hui yahova kee vyavastha kee pustak milee. tab hilkaaiyyah ne shaapan mantraee se kaha, mujhe yahova ke bhvan men vyavastha kee pustak milee haai tab hilkaaiyyah ne shaapan ko vah pustak dee. tab shaapan us pustak ko raja ke pas le gaya, aur yah sandesh diya, ki jo jo kam tere karmachaariyon ko saunpa gaya tha use ve kar rahe haain. aur jo rupaya yahova ke bhvan men mila, usako unhon ne undelakar muakhaiyon aur kaareegaron ke hathon men saunp diya haai. fir shaapan mantraee ne raja ko yah bhee bata diya ki hilkaaiyyah yajak ne mujhe aek pustak dee haai tab shapan ne us men se raja ko paddhkar sunaya. vyavastha kee ve baten sunakar raja ne apane vasr faaddhe. fir raja ne hilkaaiyyah shaapan ke putra aheekam, meeka ke pu-tra abdon, shaapan mantraee aur asayah nam apane karmacharee ko agyaa dee, ki tum jakar meree or se aur israaael aur yahooda men rahanevalon kee or se is pai hui pustak ke vachanon ke vishy yahova se poochho kyonaki yahova kee badee hee jalajalahatt ham par isaaiye bhdkee haai ki hamare purakhaon ne yahova ka vachan naheen mana, aur is pustak men likhee hui sab agyaaon ka palan naheen kiya. tab hilkaaiyyah ne raja ke aur aur dooton samet hulda nabiya ke pas jakar us se usee bat ke anusar baten kee, vah to us shalloom kee sree thee jo tokht ka pu-tra aur hasra ka pota aur vasralay ka rakhvala tha aur vah sree yarooshalem ke naye ttole men rahatee thee. us ne un se kaha, israaael ka parameshvar yahova yon kahata haai, ki jis purush ne tum ko mere pas bheja, us se yah kaho, ki yahova yon kahata haai, ki

sun, maain is sthan aur is ke nivaasiyon par vipaattai dalakar yahooda ke raja ke samhane jo pustak pad-dhee gai, us men jitane shaap likhe haain un sab-hon ko poora karoonga. un logon ne mujhe tyagakar paraye devataon ke liye dhoop jalaya haai aur apanee banai hui sab vastuon ke dara mujhe ris dilai haai, is karan meree jalajalahatt is sthan par bhdkt uttee haai, aur shaant n hogee. parantu yahooda ka raja jis ne tumhen yahova ke poochhne ko bhej diya haai us se tum yon kaho, ki israaael ka parameshvar yahova yon kahata haai, ki isaaiye ki too ve baten sunakar deen hua, aur parameshvar ke samhane apana sir navaya, aur usakee baten sunakar jo usane is sthan aur is ke nivaasiyon ke viruddh kahee, too ne mere samhane apana sir navaya, aur vasr faadkar mere samhane roya haai, is karan maain ne teree sunee haai yahova kee yahee banee haai. sun, maain tu-jhe tere purakhaon ke sang aesa milaunga ki too shaanti se apanee kabra ko pahunchaya jayaga aur jo vipaattai maain is sthan par, aur isake nivaasiyon par dalana chahata hoo, us men se tujhe apanee ankhn se kuchh bhee dekhna n padega. tab un logon ne laut-tkar raja ko yahee sandesh diya. tab raja ne sahooda aur yarooshalem ke sab puraaniyon ko ikatthe hone ko bachalava bheja. aur raja yahooda ke sab logon aur yarooshalem ke sab nivaasiyon aur yajakon aur leaviyon varan chhotte bade saree praja ke logon ko sang lekar yahova ke bhvan ko gaya tab us n jo vacha kee pustak yahova ke bhvan men milee thaee us men kee saree baten unako paddhkar sunai. tab raja ne apane sthan par khda hokar, yahova se is ashay kee vacha bandhaee ki maain yahova ke peechhe peechhe chaloonga, aur apane poorn man aur poorn jeev se usakee agyaaee, chitauaniyon aur vidhaiyon ka palan karoonga, aur in vacha kee baton ko jo is pustak men likhee haai, pooree karoonga. aur us ne un sabhon se jo yarooshalem men aur binyameen men the vaaisee hee vacha bandhaai. aur yarooshalem ke nivasee, parameshvar jo unake pitaron ka parameshvar tha, usakee vacha ke anusar karane lage. aur yoshaiyyah ne israaaiiyon ke sab deshaen men se sab ghainaunee vastuon ko door karake jitane israaael men mile, un sabhon se upasana karai arthata unake parameshvar sahova kee upasana karai. aur usake jeevan bhr un-hon ne apane poovajon ke parameshvar yahova ke peechhe chalana n chhoda.

aur yoshaiyyah ne yarooshalem men yahova ke liye fasah parva mana aur pahile maheene ke chauda-haven din ko fasah ka pashu bali kiya gaya. aur us ne yajakon ko apane apane kam men ttharay, aur ya-hova ke bhvan men kee seva karane ko unaka hiyab bandhaaya. fir leveey jo sab israaael liyon ko sikhate aur yahova ke liye paavitra tthare the, un se us ne kaha, tum pavitra sandook ko us bhvan men rakho jo daud ke putra israaael ke raja sulaaيمان ne ba-navaya tha ab tum ko kandhaen par bojht uttana n hoga. ab apane parameshvar yahova kee aur usakee praja israaael kee seva karo. aur israaael ke raja daud aur usakee putra sulaaيمان donon kee likhee hui vid-haiyon ke anusar, apane apane pitaron ke anusar,

apane apane dal men taaiyar raho. aur tumhare bhai logon ke pitaron ke gharanon ke bhagon ke anusar paavitrasthan men khde raho, arthata unake aek bhag ke liye leaviyon ke aek aek pitar ke gharane ka aek bhag ho. aur fasah ke pashuunon ko baali karo, aur apane apane ko paavitra karake apane bhaiyon ke liye taaiyaree karo ki ve yahova ke us vachan ke anusar kar sake, jo us ne moosa ke dara kaha tha. fir yoshaiyyah ne sab logon ko jo vahan upaasthiat the, tees hajar bhedon aur bakaariyon ke bachche aur teen hajar baail diae the ye sab fasah ke baalidanon ke liye raja ke sampattai men se diae gaee the. aur usake haakimon ne praja ke logo, yajakon aur leviyon ko svechchha -baaliyon ke liye pashu diae. aur hilkaaiyyah, jakaryah aur yaheael nam parameshvar ke bhvan ke pradhaanon ne yajakon ko do hajar chhsau bhed -bakaariyan. aur teen sau baail fasah ke balidanon ke liae diae. aur konanyah ne aur shamayah aur natanel jo usake bhai the, aur hasabiyah, yeeael aur yojabad namak leviyon ke pradhaanon ne leviyon ko panch hajar bhed-bakaariya, aur panch sau baail fasah ke baalidanon ke liye diae. is prakhar upasana kee taaiyaree ho gai, aur raja kee agyaa ke anusar yajak apane apane sthan par, aur leveey apane apane dal men khde huae. tab fasah ke pashu baali kiae gaa, aur yajak bali karanevalon ke hath se lohoo ko lekar chhdik dete aur leveey unakee khal utarate gaee. tab unhon ne homabaali ke pashu isaliye alag kiae ki unhen logon ke pitaron ke gharanon ke bhagon ke anusar de, ki ve unhen yahova ke liye chaddhva den jaaisa ki moosa kee pustak men likha haai aur baailon ko bhee unhon ne vaaisa hee kiya. tab unhon ne fasah ke pashuunon ka mans vidhai ke anusar ag men boonja, aur paavitra vastuae, hanadyaien aur handon aur thaaliyon men sijha kar foota se logon ko pahuncha diya. tab unhon ne apane liye aur yajakon ke liye taaiyaree kee, kyonki haroon kee santan ke yajak homabali ke pashu aur charabee rat tak chaddhate rahe, is karan leviyon ne apane liye aur haroon kee santan ke yajakon ke liye taaiyaree kee. aur asap ke vansh ke gavaaiye, daud, asap, heman aur raja ke dasha yadootoon kee agyaa ke anusar apane apane sthan par rahe, aur darapal aek aek faattk par rahe. unhen apana apana kam chhodna n pada, kyonki unake bhi leaviyon ne unake liye taaiyaree kee. yon usee din raja yoshaiyyah kee agyaa ke anusar fasah manane aur yahova kee bedee par homabaali chaddhane ke liye yahova kee saree apasana kee taaiyaree kee gai. jo israaelee vahan upaasthiat the unhon ne fasah ko usee samay aur akhmeere rottee ke parva ko sat din tak mana. is fasah ke barabar shamooael nabee ke dinon se israael men koi fasah manaya n gaya tha, aur is israael ke kisee raja ne aeessa manaya, jaaisa yoshaiyyah aur yajako, leviyon aur jitane yahooddee aur israaelee upasthiat the, ahon ne aur yarooshalem ke nivaasiyon ne manaya. yah fasah yoshaiyyah ke rajy ke attarahaven varsha men manaya gaya. isake bad jab yoshaiyyah bhvan ko taaiyar kar chuka, tab misra ke raja nako ne parat ke pas ke kurkameesh nagar se ladne ko chaddhai kee aur yoshaiyyah usaka samhana karane ko gaya. parantu us ne usake pas dooton se kahala bheja, ki he yahooda ke raja mera tujh se kya kam ! aj maain

tujh par naheen usee kul par chaddhai kar raha hoo, jisake sath maain yuddh karata hoo fir parameshvar ne mujh se fauta karane ko kaha haai. isaliye parameshvar jo mere sang haai, usase alag rah, kaheen aeessa n ho ki vah tujhe nash kare. parantu yoshaiyyah ne us se munh n moda, varan us se ladne ke liye bhes badala, aur nako ke un vachanon ko n mana jo us ne parameshvar kee or se kahe the, aur magio kee tarai men us se yuddh karane ko gaya. tab dhanudharariyon ne raja yoshaiyyah kee or teer chhode aur raja ne apane sevakan se kaha, maain to bahut ghaayal hua, isaliye mujhe yahan se le jao. tab usake sevakan ne usako rath par se utar kar usake doosare rath par chaddhaya, aur yarooshalem le gaye. aur vah mar gaya aur usake purakhaon ke kabirstan men usako mittee dee gai. aur yahoodiyan aur yarooshalemiyan ne yoshaiyyah ke liae vilap kiya. aur yirmayah ne yoshaiyyah ke liye vilap ka geet banaya aur sab ganevale aur ganevaliyan apane vilap ke geeton men yoshaiyyah kee charcha aj tak karatee haain. aur inaka gana israael men aek vidhai ke tuly tharayaya gaya aur ye baten vilapageeton men likhee hui haain. yoshaiyyah ke aur kam aur bhktai ke jo kam us ne usee ke anusar kiae jo yahova kee vyavastha men likha hua haai. aur aadi se ant tak usake sab kam israael aur yahooda ke rajaon ke iatihas kee pustak men likhe huae haain.

tab desh ke logon ne yoshaiyyah ke putra yahoahaj ko lekar usake pita ke sthan par yarooshalem men raja banaya. jab yahoahaj rajy karane laga, tab vah teis varsha ka tha, aur teen maheene tak yarooshalem men rajy karata raha. tab misra ke raja ne usako yarooshalem men rajagae se unar diya, aur desh par sau kikkar chandee aur kikkar bhr lona juramane men dand lagaya. tab misra ke raja ne usake bhai aelyakeem ko yahooda aur yarooshalem ka raja banaya aur usaka nam badalakar yahoyakeem rakha. aur nako usake bhai yahoahaj ko misra men le gaya. jab yahoyakeem rajy karane laga, tab vah pachees varsha ka tha, aur gyarah varsha tak yarooshalem men rajy karata raha. aur us ne vah kam kiya, jo usake parameshvar yahova kee draashti men bura haai. us par babel ke raja nabookadanessar ne chaddhai kee, aur babel le jane ke liye usako beadiyan pahana deen. fir nabookadanessar ne yahova ke bhvan ke kuchh patra babel le jakar, apane mandair men jo babel men tha, rakh diae. yahoyakeem ke aur kam aur us ne jo jo ghainaune kam kia, aur us men jo jo biuraiyan pai gai, vah israael aur yahooda ke rajaon ke iitihas kee pustak men likhee haain. aur usaka putra yahoyakeem usake sthan par rajy karane laga. jab yahoyakeem rajy karane laga, tab vah att varsha ka tha, aur teen maheene aur das din tak yarooshalem men rajy karata raha. aur us ne vah kiya, jo parameshvar yahova kee duashti men bura haai. naye varsha ke lagate hee nabookadanessar ne logon ko bhejaker, use aur yahova ke bhvan ke manabhavane patraen ko babel men mangava liya, aur usake bhai sidaakiyyah ko yahooda aur yarooshalem par raja niyukt kiya. jab sidaakiyyah rajy karane laga, tab vah ikkees varsha ka tha, aur ya-

rooshalem men gyarah varsha tak rajy karata raha. aur us ne vahee kiya, jo usake parameshvar yahova kee draashtti men bura haai. yadhaapi yirmayah nabee yahova kee or se baten kahata tha, taubhee vah usake samhane deen n hua. fir nabookadanessar jis ne use parameshvar kee shapath khailai thee, us se us ne balava kiya, aur us ne hatt kiya aur apana man kattor kiya, ki vah israael ke parameshvar yahova kee or n fire. varan sab pradhaan yajakon ne aur logon ne bhee any jatiyon ke se ghainaune kam karake bahut bada vishvasaghaat kiya, aur yahova ke bhvan ko jo us ne yarooshalem men paavitra kiya tha, ashuddh kar dala. aur unake poorvajon ke parameshvar yahova ne bada yatn karake apane dooton se unake pas kahala bheja, kyonki vah apanee praja aur apane dhaam par taras khata tha parantu ve parameshvar ke dooton ko tttthon men udate, usake vachanon ko tuchchh janate, aur usake naabiyon kee hansee karate the. nidan yahova apanee praja par aesa jhunjhla utta, ki bachane ka koi upay n raha. tab us ne un par kasadiyon ke raja se chaddhai karavai, aur is ne unake javanon ko unake pavitra bhvan hee men talavar se mar dala. aur kya javan, kya kunvaree, kya booddhe, kya pakke balavale, kisee par bhee komalata n kee yahova ne sabhon ko usake hath men kar diya. aur kya chhotte, kya bade, parameshvar ke bhvan ke sab patra aur yahova ke bhvan, aur raja, aur usake haakimon ke khjane, in sabhon ko vah babel men le gaya. aur kasadiyo ne parameshvar ka bhvan foonk diya, aur yarooshalem ke shaharapanah ko tod dala, aur ag laga kar usake sab bhvanon ko jalaya, aur us men ka sara bahumooly saman nashtt kar diya. aur jo talavar se bach gaa, unhen vah babel ko le gaya, aur faaras ke rajy ke prabal hone tak ve usake aur usake betton-poton ke adhaeen rahe. yah sab isaliye hua ki yahova ka jo vachan yirmayah ke munh se nikala tha, vah poora ho, ki desh apane vishraam kalon men mukh bhogata rahe. isaliye jab tak vah soona pada raha tab tak arthata sattar varsha ke poore hone tak usako vishraam mila. faaras ke raja koosraao ke paahile varsha men yahova ne usake man ko ubhara ki jo vachan yirmayah ke munh se nikala tha, vah poora ho. isaaliye us ne apane samast rajy men yah prachar karavaya, aur is ashay kee chitthiyan likhvai, ki faaras ka raja korasraao kahata haai, ki svarga ke parameshvar yahova ne prathvee bhr ka rajy mujhe diya haai, aur usee ne mujhe agyaa dee haai ki yarooshalem jo yahooda men haai us men mera aek bhvan banava isaaliye he usakee praja ke sab logo, tum men se jo koi chahe ki usaka parameshvar yahova usake sath rahe, to vah vahan ravana ho jaae.

paulus kee or se jo yeeshu maseeh ka das haai, aur perit hone ke liye bulaya gaya, aur parameshvar ke us susamachar ke liye alag kiya gaya haai. jis kee us ne pahile hee se apane bhavishyadvktaon ke dara paavitra shaasr men. apane putra hamare prabhu yeeshu maseeh ke vishay men praatigya kee thee, jo shareer ke bhav se to daud ke vansh se utpann hua. aur paavitrata kee atma ke bhav se mare huon men se jee utne ke karan samarth ke sath parameshvar ka putra ttara haai. jis ke dara hamen anugrah aur praearit milee ki usake nam ke karan sab jaatiyon ke log vishvas karake us kee manen. jin men se tum bhee yeeshu maseeh ke hone ke liye bulaae gae ho. un sab ke nam jo rom men parameshvar ke pyare haain aur pavitra hone ke liye bulaae gae haain.. hamare pita parameshvar aur prabhu yeeshu maseeh kee or se tumhen anugrah aur shaaantai milatee rahe.. paahile maain tum sab ke liye yeeshu maseeh ke dara apane parameshvar ka dhanyavad karata hoo, ki tumhare vishvas kee charcha sare jagat men ho rahee haai. parameshvar jis kee seva maain apanee atma se usake putra ke susamachar ke vishay men karata hoo, vahee mera gavah haai ki maain tumhen kis prakhar lagatar smaran karata rahata hoon. aur nity apanee praarthnaon men binatee karata hoo, ki kisee reeati se ab bhee tumhare pas ane ko meree yatra parameshvar kee ichchha se sufal ho. kyonaki maai. tum se milane kee lalasa karata hoo, ki maain tumhen koi atmaik baradan doon jis se tum sthiar ho jao. arthata yah, ki maain tumhare beech men hokar tumhare sath us vishvas ke dara jo mujh me, aur tum men haai, shaantai paun. aur he bhaiyo, maain naheen chahata, ki tum is se anajan rahao, ki maain ne bar bar tumhare pas ana chaha, ki jaaisa mujhe aur anyajatiyon men fal mila, vaaisa hee tum men bhee mile, parantu ab tak rooka raha. maain yoonaniyon aur anyabhashaiyon ka aur buaddhmaianon aur nirbuaddhyaen ka karjadan hoon. so maain tumhen bhee jo rom men rahate ho, susamachar sunane ko bhrasak taaiyar hoon. kyonaki maain susamachar se naheen lajata, isaliye ki vah har aek vishvas karanevale ke liye, paahile to yahooddee, fir yoonanee ke liye uddhar ke nimitt parameshvar kee samarth haai. kyonaki us men parameshvar kee dharmikata vishvas se aur vishvas ke liye pragatt hotee haai jaaisa likha haai, ki vishvas se dharmee jan jeeavit rahaga.. parameshvar ka krodha to un logon kee sab abhktai aur adharma par svarga se pragatt hota haai, jo saty ko adharma se dabaee rakhte haain. isaliye ki paramashevar ke vishay men gyaan un ke manon men pragatt haai, kyonki parameshvar ne un par pragatt kiya haai. kyonaki usake anadekhe gu, arthata us kee sanatan samarth, aur parameshvaratv jagat kee sraashtti ke samay se usake kamon ke dara dekhne men ate haai, yahan tak ki ve niroottr haain. is karan ki parameshvar ko janane par bhee unhon ne parameshvar ke yogy badai aur dhanyavad n kiya, parantu vyarth vichar karane lage, yahan tak ki un ka nirbuaddh iman andhroa ho gaya. ve apane ap ko buaddhmaian jatakar moorkh ban gae. aur aavinashae parameshvar kee mahima ko nashaman manushy, aur pakshiyo, aur chaupayo,

aur renganevale jantuon kee moorat kee samanata men badal dala.. is karan parameshvar ne unhen un ke man ke abhailashaen ke unasar ashuuddhta ke liye chhod diya, ki ve apas men apane shareeron ka anadar karen. kyonaki unhon ne parameshvar kee sachchai ko badalakar joott bana dala, aur sraashtti kee upasana aur seva kee, n ki us srajanahar kee jo sada dhany haai. ameen.. isaliye paramashevar ne unhen neech kamanaon ke vash men chhod diya yahan tak ki un kee striayon ne bhee svabhavik vyavahar ko, us se jo svabhav ke virooddh haai, badal dala. vaaise hee puroosh bhee striayon ke sath svaabhaavik vyavahar chhodkar apas men kamatur hokar jalane lage, aur purooshaen ne purooshaen ke sath nirlajj kam karake apane bhrm ka tteek fal paya.. aur jab unhon ne parameshvar ko paahichanana n chaha, isaliye parameshvar ne bhee unhen un ke nikamme man par chhod diya ki ve anuachit kam karen. so ve sab prakar ke adharma, aur dushtta, aur lob, aur baairabhav, se bhr gae aur dah, aur hatya, aur jh-gade, aur chhl, aur ishara se bhrapoor ho gaa, aur chugalakhora. badanam karanevale, parameshvar ke dekhne men gharanait, auron ka anadar karanevale, abhaimanee, deengamar, buree buree baton ke bananevale, mata pita kee agyaa n mananevale. nirbuaddh,i vishvasaghaatee, mayarahit aur nirday ho gae. ve to parameshvar kee yah vidhai janate haai, ki aeese aeese kam karanevale mutyu ke dand ke yogy haai, taubhee n keval ap hee aeese kam karate haai, baran karanevalon se prasann bhee hote haain..

so he dosh laganevale, too koi kyon n ho too niroottr haai! kyonaki jis bat men too doosare par dosh lagata haai, usee bat men apane ap ko bhee doshaee tharata haai, isaliye ki too jo dosh lagata haai, ap hee vahee kam karata haai. aur ham jatane haai, ki aeese aeese kam karanevalon par parameshvar kee or se tteek tteek dand kee agyaa hotee haai. aur hee manushy, too jo aeese aeese kam karanevalon par dosh lagata haai, aur ap ve hee kam karata haai kya yah samajhta haai, ki too parameshvar kee dand kee agyaa se bach jaaega? kya too us kee krpa, aur sahanashaeelata, aur dhaeerajaroop ee dhan ko tuchchh janata haai? aur kaya yah naheen samajhta, ki parameshvar kee krpa tujhe man firav ko sikhatee haai? par apanee kattorata aur hatteele man ke anusar usake krodha ke din ke liye, jis men parameshvar ka sachcha nyay pragatt hoga, apane nimitt krodha kama raha haai. vah har aek ko usake kamon ke anusar badala dega. jo sukarma men sthiar rahakar maahima, aur adar, aur amarata kee khoj men haai, unhen anant jeevan dega. par jo vivadee haai, aur saty ko naheen manate, baran adharma ko manate haai, un par krodha aur kop padega. aur klesh aur sankatt har aek manushy ke praan par jo bura karata haai, pahile yahooddee par fir yoonanee para. par maahima aur adar or kalyan har aek ko milega, jo bhla karata haai, pahile yahooddee ko fir yoonanee ko. kyonaki parameshvar kisee ka paksha naheen karata. isaliye ki jinhon ne bina vyavastha paae pap kiya, ve bina vyavastha ke nash bhee hongee, aur jinhon ne vyavastha pakar pap kiya, un ka dand

vyavastha ke anusaar hoga. kyonaki parameshvar ke yahan vyavastha ke sunanevala dharmee nahee, par vyavastha par chalaneevala dharmee ttharaae jaenge. fir jab anyajaati log jin ke pas vyavastha nahee, svabhav hee se vyavastha kee baton par chalaate haai, to vyavastha un ke pas n hone par bhee ve apane liye ap hee vyavastha haain. ve vyavastha kee baten apane dayon men likhee hui dikhne haain aur un ke vivek bhee gavahee dete haai, aur un kee chintaen paraspas dosh lagatee, ya unhen nirdosh ttharatee haai. jis din parameshvar mere susamachar ke anusaar yeeshu maseeh ke dara manushyon kee gupt baton ka nyay karega.. yaadi too yahoodee kahalata haai, aur vyavastha par bhrosa rakhta haai, aur parameshvar ke vishay men ghamand karata haai. aur us kee ichchha janata aur vyavastha kee shaiksha pakar uttm uttm baton ko piri janata haai. aur apane par bhrosa rakhta haai, ki maain andhaen ka aguva, aur andhakar men pade huon kee jyoti. aur buaddhaaenon ka sikhanevala, aur balakon ka upadeshak hoo, aur gyaan, aur saty ka namoona, jo vyavastha men haai, mujhe mila haai. so kya too jo auron ko sikhata haai, apane ap ko naheen sikhata? kya too choree n karane ka upadesh deta haai, ap hee choree karata haai? too jo kahata haai, vyaabhaichar n karana, kya ap hee vyabhaichar karata haai? too jo mooraton se gharana karata haai, kya ap hee maandairon ko loottta haai. too jo vyavastha ke vishay men ghamand karata haai, kya vyavastha n manakar, parameshvar ka anadar karata haai? kyonaki tumhare karan anyajaatiyon men parameshvar ke nam kee ninda kee jatee haai jaaisa likha bhee haai. yaadi too vyavastha par chale, to khtane se laabh to haai, parantu yadi too vyavastha ko n mane, to tera khtana bin khtana kee dashta tthara. so yaadi khtanaaahit manushy vyavastha kee vidhaaiyon ko mana kare, to kya us kee bin khtana kee dashta khtane ke barabar n ginee jaegee? aur jo manushy jaati ke karan bin khtana raha yaadi vah vyavastha ko poora kare, to kya tuihe jo lekh pane aur khtana kiae jane par bhee vyavastha ko mana naheen karata haai, doshaae n ttharaaega? kyonaki vah yahoodee nahee, par pragatt men haai, aur deh men haai. par yahoodee vahee haai, jo man men haai aur khtana vahee haai, jo day ka aur atma men haai n ki lekh ka: aeese kee prashansa manushyon kee or se nahee, parantu parameshvar kee or se hotee haai..

so yahoodee kee kya badaai, ya khtane ka kya labh? har prakas se bahut kuchh. pahile to yah ki paramashevar ke vachan un ko saunpe gaee. yaadi kitane vishvasaghaatee nikale bhee to kya hua. kya unake vishvasaghaatee hone se parameshvar kee sachchai vyarth ttharegee? kadapi nahee, baran parameshvar sachcha aur har aek manushy jootta tthare, jaaisa likha haai, ki jis se too apanee baton men dharmee tthare aur nyay karate samay too jay paae. so yaadi hamara adharma parameshvar kee dhaarmikata tthara deta haai, to ham kya kahen? kya yah ki parameshvar jo krodha karata haai anyayee haai? yah to maain manushy kee reeti par kahata hoon. kadapi nahee, naheen to parameshvar kyonkar jagat ka nyay karega? yaadi

mere joott ke karan parameshvar kee sachchai us ko mahima ke liye aadhaik karake pragatt hui, to fir kyon papke ke nai maain dand ke yogy ttharaya jata hoon? aur ham kyon burai n kare, ki bhilai nikale? jab ham par yahee dosh lagaya bhee jata haai, aur kitane kahate haain? ki in ka yahee kahana haai: parantu aeeson ka doshaae ttharana tteek haai.. to fir kya hua? kya ham un se achchhe haain? kabhee nahanee kyonki ham yahoodiyan aur yoonaniyan donon par yah dosh laga chuke haain ki ve sab ke sab pap ke vash men haain. jaaisa likha haai, ki koi dharmee nahee, aek bhee naheen. koi samajhdar nahee, koi parameshvar ka khojanevala naheen. sab bhittk gaee haai, sab ke sab nikamme ban gae, koi bhilai karanevala nahee, aek bhee naheen. un ka gala khulee hui kabra haai: unheen ne apanee jeebhon se chhl kiya haai: un ke hotton men sapon ka vish haai. aur un ka munh shraap aur kadavahat se bhra haai. un ke panv lohoo bahane ko faurteele haain. un ke magorn men nash aur klesh haai. unhon ne kushal ka marga naheen jana. un ke ankhn kee samhane parameshvar ka bhy naheen. ham janate haai, ki vyavastha jo kuchh kahatee haai unheen se kahatee haai, jo vyavastha ke adhaeen haain: isaliye ki har aek munh band kiya jaa, aur sara sansar parameshvar ke dand ke yogy tthare. kyeanki vyavastha ke kamon se koi praanee usake samhane dharmee naheen ttharega, isaliye ki vyavastha ke dara pap kee paahichan hotee haai. par ab bina vyavastha parameshvar kee dhaarmikata pragatt hui haai, jis kee gavahee vyavastha aur bhvishyadvakta dete haain. arthata parameshvar kee vah dhaarmikata, jo yeeshu maseeh par vishvas karane se sab vishvas karanevalon ke liye haai kyonki kuchh bhed naheen. isaliye ki sab ne pap kiya haai aur parameshvar kee mahima se raahit haai. parantu usake anugrah se us chhuttakare ke dara jo maseeh yeeshu men haai, sent ment dharmee ttharaae jate haain. use parameshvar ne usake lohoo ke karan ek aeese praayaashchait ttharaya, jo vishvas karane se karyakaree hota haai, ki jo pap pahile kiae gae, aur jin kee parameshvar ne apanee sahanashaelata se anakanee kee un ke vishay men vah apanee dhaarmikata pragatt kare. baran isee samay us kee dhaarmikata pragatt ho ki jis se vah ap hee dharmee tthare, aur jo yeeshu par vishvas kare, usake bhee dharmee ttharanevala ho. to ghamand karana kahan raha? us kee to jagah hee naheen: kaun see vyavastha ke karan se? kya karmon kee vyavastha se? nahee, baran vishvas kee vyavastha ke karan. isaliye ham is paarinaam par pahunchate haai, ki manushy vyavastha ke kamon ke bina vishvas ke dara dharmee ttharata haai. kya parameshvar keval yahoodiyan heen ka haai? kya anyajatiyon ka naheen? ha, anyajatiyon ka bhee haai. kyonaki aek hee parameshvar haai, jo khtanavalon ko vishvas se aur khtanaaahiton ko bhee vishvas ke dara dharmee ttharaaega. te kya ham vyavastha ko vishvas ke dara vyarth ttharate haain? kadaapi naheen baran vyavastha ko sthiar karate haain..

so ham kya kahe, ki hamare shaareerik pita ibraaheem ko kya praapt hua? kyonaki yadi ibraaheem kamon se dharmee ttharaya jata, to use ghamand karane kee jagah hotee, parantu parameshvar ke nikatt naheen. paavitra shaasr kya kahata haai? yah ki ibraaheem ne parameshvar par vishvas kiya, aur yah usake liye dhaarmikata gina gaya. kam karanevale kee majadooree dena dan nahee, parantu hakk samajha jata haai. parantu jo kam naheen karata baran bhktaiheen ke dharmee ttharanevale par vishvas karata haai, usake vishvas usake liye dhaarmikata gina jata haai. jise parameshvar bina kamon ke dharmee ttharata haai, use daud bhee dhany kahata haai. ki dhany ve haai, jin ke adharm kshama hua, aur jin ke pap ddhape gaee. dhany haai vah manushy jise parameshvar pappe n ttharaae. te yah dhany kahana, kya khtanavalon hee ke liye haai, ya khtanaraahiton ke liye bhee? ham yah kahate haai, ki ibraaheem ke liye usake vishvas dhaarmikata gina gaya. to vah kyonkar gina gaya? khtane kee dashta men ya bina khtane kee dashta men? khtane kee dashta men naheen parantu bina khtane kee dashta men. aur us ne khtane ka chinh paya, ki us vishvas kee dhaarmikata par chhap ho jaa, jo us ne bina khtane kee dashta men rakha tha: jis se vah un sab ka pita tthare, jo bina khtane kee dashta men vishvas karate haai, aur ki ve bhee dharmee ttharen. aur un khtana kiae huon ka pita ho, jo n keval khtana kiae huae haai, parantu hamare pita ibraaheem ke us vishvas kee leek par bhee chalate haai, jo us ne bin khtane kee dashta men kiya tha. kyonaki yah pratigyaa ki vah jagat ka vaaris hoga, n ibraaheem ko, n usake vansh ko vyavastha ke dara dee gai thee, parantu vishvas kee dhaarmikata ke dara milee. kyonaki yadi vyavasthahale varis haai, to vishvas vyarth aur pratigyaa nishfal ttharee. vyavastha to krodha upajatee haai aur jahan vyavastha naheen vahan usake tthalana bhee naheen. isee karan vah vishvas ke dara milate haai, ki anugrah kee reeti par ho, ki pratigyaa sab vansh ke liye draddh ho, n ki keval usake liye jo vyavasthahala haai, baran un ke liye bhee jo ibraaheem ke saman vishvasavale haain: vahee to ham sab ka pita haai. jaaisa likha haai, ki maain ne tuijhe bahut see jaatiyon ka pita ttharaya haai us paramashevar ke samhane jis par us ne vishvas kiya aur jo mare huon ko jilata haai, aur jo baten haain hee naheen, un ka nam aeesa leta haai, ki mano ve haain. us ne nirasha men bhee asha rakhkar vishvas kiya, isaliye ki us vachan ke anusar ki tera vansh aeesa hoga vah bahut see jatiyon ka pita ho. aur vah jo aek sau varsha ka tha, apane mare huae se shareer aur sara ke garbh kee maree hui kee see dashta janakar bhee vishvas men nirbal n hua. aur n avishvasee hokar parameshvar kee pratigyaa par sandeh kiya, par vishvas men draddh hokar parameshvar kee mahima kee. aur nishchay jana, ki jis bat kee us ne pratigyaa kee haai, vah use pooree karane ko bhee samarthtee haai. is kara, yah usake liye dhaarmikata gina gaya. aur yah vachan, ki vishvas usake liye dhaarmikata giya gaya, n keval usee ke liye likha gaya. baran hamare liye bhee jin ke liye vishvas dhaarmikata gina jaaega, arthata hamare liye jo us par vishvas karate haai, jis ne hamare prabhu yeeshu

ko mare huon men se jilaya. vah hamare aparadhaen ke liye pakadvaya gaya, aur hamare dharmee ttharane ke liye jilaya bhee gaya..

se jab ham vishvas se dharmee tthare, to apane prabhu yeeshu maseeh ke dara parameshvar ke sath mel rakhen. jis ke dara vishvas ke karan us anugrah tak, jis men ham bane haai, hamaree pahunch bhee hui, aur parameshvar kee maahima kee asha par ghamand karen. keval yahee nahee, baran ham kleshaen men bhee ghamand kare, yahee janakar ki klesh se dhaeeraja. or dhaeeraj se khra nikalana, aur khre nikalane se asha utpann hotee haai. aur asha se lajja naheen hotee, kyonki pavitra atma jo hamen diya gaya haai usake dara parameshvar ka praem hamare man men dala gaya haai. kyonaki jab ham nirbal hee the, to maseeh tteek samay par bhaktaiheenon ke liye mara. kisee dharmee jan ke liye koi mare, yah to durlabh haai, parantu kya jane kisee bhle manushy ke liye koi marane ka bhee hiyav kare. parantu parameshvar ham par apane praem kee bhilai se reeti se pragatt karata haai, ki jab ham pappe hee the tabhee maseeh hamare liye mara. so jab ki ham, ab usake lohon ke karan dharmee tthare, to usake dara krodha se kyon n bachege? kyonaki baairree hone kee dashta men to usake putra kee mratyu ke dara hamara mel parameshvar kee sath hua fir mel ho jane par usake jeevan ke karan ham uddhar kyon n paaenge? aur keval yahee nahee, parantu ham apane prabhu yeeshu maseeh ke dara jis ke dara hamara mel hua haai, parameshvar ke vishay men ghamand bhee karate haain.. isaliye jaaisa aek manushy ke dara pap jagat men aya, aur pap ke dara mratyu ai, aur is reeti se mratyu sab manushyon men faail gai, isaliye ki sab ne pap kiya. kyonaki vyavastha ke diee jane tak pap jagat men to tha, parantu jahan vyavastha nahee, vahan pap gina naheen jata. taubhee adam se lekar moosa tak mratyu ne un logon par bhee raji kiya, jinhon ne us adam ke aparadha kee nain jo us anevale ka chinh haai, pap n kiya. par jaaisa aparadha kee dashta haai, vaaisee anugrah ke baradan kee nahee, kyonki jab aek manushy ke aparadha se bahut log mare, to parameshvar ka anugrah aur usake jo dan aek manushy ke, arthata yeeshu maseeh ke anugrah se hua bahuteree lagon par avashy hee adhaikai se hua. aur jaaisa aek manushy ke pap karane ka fal hua, vaaisa hee dan kee dashta nahee, kyonki aek hee ke karan dand kee agyaa ka faaisala hu, parantu bahuteree aparadhaen se aeese baradan utpann hua, ki log dharmee tthare. kyonaki jab aek manushy ke aparadha ke karan mratyu ne us aek hee ke dara raji kiya, to jo log anugrah aur dhar-maroomee baradan bahutayat se pate haain ve aek manushy ke, arthata yeeshu maseeh ke dara avashy hee anant jeevan men raji karege. isaliye jaaisa aek aparadha sab manushyon ke liye dand kee agyaa ka karan hua, vesa hee aek dharm ka kam bhee sab manushyon ke liye jeevan ne nimitt dharmee ttharaae jane ka karan hua. kyonaki jaaisa aek manushy ke agyaa n manane se bahut log pappe tthare, vaaise hee aek manushy ke agyaa manane se bahut log dharmee

ttharenge. aur vyavastha beech men a gai, ki aparadha bahut ho, parantu jahan pap bahut hua, vahan anugrah us se bhee kaheen adhaik hua. ki jaaisa pap ne mratyu faailate huae rajy kiya, vaaisa hee hamare prabhu yeeshu maseeh ke dara anugrah bhee anant jeevan ke liye dharmee ttharate huae rajy kare..

so ham kya kahen? kya ham pap karate rahe, ki anugrah bahut ho? kadapi nahee, ham jab pap ke liye mar gaee to fir age ko us men kyonkar jeevan binaaen? kya tum naheen janate, ki ham jitanon ne maseeh yeeshu ka bapaatisma liya to us kee mratyu ka bapaatisma liya? so us mratyu ka bapaatisma pane se ham usake sath gade gaa, taki jaaise maseeh pita kee maahima ke dara mare huon men se jilaya gaya, vaaise hee ham bhee naae jeevan kee see chal chalen. kyonaki yadi ham us kee mratyu kee samanata men usake sath jutt gaee haai, to nishchay usake jee uttne kee samanata men bhee jutt jaenge. kyonaki ham janate haain ki hamara purana manushyatv usake sath kroos par chaddhaya gaya, taaki pap ka shaareer vyarth ho jaa, taaki ham age ko pap ke dasatv men n rahen. kyonaki jo mar gaya, vah pap se choottkar dharmee tthara. so yaadi ham maseeh ke sath mar gaa, to hamara vishvas yah haai, ki usake sath jeeaeenge bhee. kyonaki yah janate haai, ki maseeh mare huon men se jee uttkar fir marane ka nahee, us par fir mratyu kee prabhuta naheen hone kee. kyonaki vah jo mar gaya to pap ke liye aek hee bar mar gaya parantu jo jeeavit haai, to parameshvar ke liye jeeavit haai. aeese hee tum bhee apne ap ko pap ke liye to mara, parantu parameshvar ke liye maseeh yeeshu men jeeavit samajho. isaliye pap tumhare maranahar shareer men rajy n kare, ki tum us kee lalasaon ke adhaeen raho. aur n apane angu ko adharma ke hathaiyar hone ke liye pap ko saunpo, par apne ap ko mare huon men se jee utta hua janakar parameshvar ko saunpo, aur apne angu ko dharma ke hathaiyar hone ke liye parameshvar ko saunpo. aur tum par pap kee prabhuta n hogee, kyonaki tum vyavastha ke adhaeen naheen baran anugrah ke adhaeen ho.. to kya hua? kya ham isaaliye pap kare, ki ham vyavastha ke adhaeen naheen baran anugrah ke adhaeen haain? kadaapi naheen. kya tum naheen janate, ki jis kee agyaa manane ke liye tum apne ap ko dason kee nain saunp dete ho, usee ke das ho: aur jis kee manate ho, chahe pap ke, jis ka ant mratyu haai, chahe agyaa manane ke, jis ka ant dhaarmikata haai? parantu paramashevar ka dhanayavad ho, ki tum jo pap ke das the taubhee man se us upadesh ke mananeval ho gaa, jis ke sanche men ddhale gaee the. aur pap se chhudaee jakar dharma ke das ho gaee. maain tumharee shaareerik durbalata ke karan manushyon kee reeti par kahata hoo, jaaise tum ne apne angu ko kukarma ke liye ashuuddhta aur kukarma ke das karake saunpa tha, vaaise hee ab apne angon ko paavitrata ke liye dharma ke das karake saunp do. jab tum pap ke das the, to dharma kee or se svatantra the. so jin baton se ab tum laajjait hote ho, un se us samay tum kya fal pate the? kyonaki un ka ant to mratyu haai parantu ab pap se svatantra hokar aur parameshvar ke das ba-

nakar tum ko fal mila jis se pavitrata praapt hotee haai, aur usaka ant anant jeevan haai. kyonaki pap kee majadooree to mratyu haai, parantu parameshvar ka baradan hamare prabhu yeeshu maseeh men anant jeevan haai..

7

he bhaiyo, kya tum naheen jatane maain vyavastha ke jananevalon se kahata hoon, ki jab tak manushy jeevit rahata haai, tak tak us par vyavastha kee praboota rahatee haai? kyonaki vivaahita sree vyavastha ke anusar apne paati ke jeete jee us se bandhaee haai, parantu yaadi pati mar jaa, to vah pati kee vyavastha se choott gai. so yaadi pati ke jeete jee vah kisee doosare puroosh kee ho jaa, to vyaabhaichaari-nee kahalaagee, parantu yaadi pati mar jaa, to vah us vyavastha se choott gai, vahan tak ki yadi kisee doosare puroosh kee ho jaa, taubhee vyabhaichaari-nee n ttharegee. so he mere bhaiyo, tum bhee maseeh kee deh ke dara vyavastha ke liye mare huae ban gaa, ki us doosare ke ho jao, jo mare huon men se jee utta: taaki ham parameshvar ke liye fal laeen. kyonaki jab ham shaareerik the, to papon kee aabhailashaayen jo vyavastha ke dara thee, mratyu ka fal utpann karane ke liye hamare angon men kam karatee theen. parantu jis ke bandhan men ham the usake liye mar kar, ab vyavastha se aeese choott gaa, ki lekh kee puranee reeti par nahee, baran atma kee nai reeti par seva karate haain.. to ham kya kahen? kya vyavastha pap haai? kadaapi naheen! baran bina vyavastha ke maain pap ko naheen paahichanata: vyavastha yaadi n kahatee, ki lalach mat kar to maain lalach ko n janata. parantu pap ne avasar pakar agyaa ke dara mujh men sab prakar ka lalach utpann kiya, kyonaki bina vyavastha ke pap murda haai. maain to vyavastha bina paahile jeeavit tha, parantu jab agyaa ai, to pap jee gaya, aur maain mar gaya. aur vahee agyaa jo jeevan ke liye thee mere liye mratyu ka karan ttharee. kyonaki pap ne avasar pakar agyaa ke dara mujhai bahakaya, aur usee ke dara mujhe mar bhee dala. isaliye vyavastha paavitra haai, aur agyaa bhee tteek aur achchhee haai. to kya vah jo achchhee thee, mere liye mratyu ttharee? kadapi naheen! parantu pap us achchhee vastu ke dara mere liye mratyu ka utpann karanevala hua ki usaka pap hona pragatt ho, aur agyaa ke dara pap bahut hee papamay tthare. kyonaki ham janate haain ki vyavastha to atmaik haai, parantu maain shareerik aur pap ke hath bika hua hoon. aur jo maain karata hoo, us ko naheen janata, kyonaki jo maain chahata hoo, vah naheen kiya karata, parantu jis se mujhe gharana atee haai, vahee karata hoon. aur yaadi, jo maain naheen chahata vahee karata hoo, to maain man leta hoo, ki vyavastha bhlee haai. to aeesee dasha men usaka karanevala maain nahee, baran pap haai, jo mujh men basa hua haai. kyonaki maain janata hoo, ki mujh men arthata mere shareer men koi achchhee vastu vas naheen karatee, ichchha to mujh men haai, parantu bhle kam mujh se ban naheen padte. kyonaki jis achchhe kam kee maain ichchha karata hoo, vah to naheen karata, parantu jis burai kee ichchha naheen karata vahee kiya karata hoon. parantu yadi maain

vahee karata hoo, jis kee ichchha naheen karata, to usaka karanevala maain n raha, parantu pap jo mujh men basa hua haai. so maain yah vyavastha pata hoo, ki jab bhilai karane kee ichchha karata hoo, to burai mere pas atee haai. kyonaki maain bheetaree manushyatv se to parameshvar kee vyavastha se bahut prasann rahata hoon. parantu mujhe apane ango men doosare prakar kee vyavastha dikhai padtee haai, jo meree buaddh ikee vyavastha se ladtee haai, aur mujhe pap kee vyavastha ke bandhan men dalatee haai jo mere angon men haai. maain kaaisa abhaga manushy hoon! mujhe is mratyu kee deh se kaun chhudaaga? maain apane prabhu yeeshu maseeh ke dara parameshvar ka dhanyavad karata hoon: nidan maain ap buddh ise to parameshvar kee vyavastha ka, parantu shareer se pap kee vyavastha ka sevan karata hoon..

8

so ab jo maseeh yeeshu men haai, un par dand kee agyaa naheen: kyonki ve shareer ke anasar naheen baran atma ke anasar chalate haain. kyonaki jeevan kee atma kee vyavastha ne maseeh yeeshu men mujhe pap kee, aur mratyu kee vyavastha se svatantra kar diya. kyonaki jo kam vyavastha shareer ke karan durbal hokar n kar sakee, us ko parameshvar ne kiya, arthata apane hee putra ko papamay shareer kee samanata me, aur pap ke balidan hone ke liye bhejakar, shareer men pap par dand kee agyaa dee. isaliye ki vyavastha kee vidhai ham men jo shareer ke anasar naheen baran atma ke anasar chalate haai, pooree kee jaee. kyonaki shareearik vyaaktaai shareer kee baton par man lagate haain parantu adhyaatmaik atma kee baton par man lagate haain. shareer par man lagana to mratyu haai, parantu atma par man lagana jeevan aur shaantai haai. kyonaki shareer par man lagana to parameshvar se baair rakhna haai, kyonaki n to parameshvar kee vyavastha kee adhaeen haai, aur n ho sakata haai. aur jo shaareearik dasha men haai, ve parameshvar ko prasann naheen kar sakate. parantu jab ki parameshvar ka atma tum men basata haai, to tum shaareearik dasha men nahee, parantu aatmaik dasha men ho. yaadi kisee men maseeh ka atma naheen to vah usaka jan naheen. aur yaadi maseeh tum men haai, to deh pap ke karan maree hui haai parantu atma dharma ke karan jeeavit haai. aur yaadi usee ka atma jis ne yeeshu ko mare huon men se jilaya tum men basa hua haai to jis ne maseeh ko mare huon men se jilaya, vah tumharee maranahar dehon ko bhee apane atma ke dara jo tum men basa hua haai jilaaga. so hee bhaiyo, ham shareer kee karjadan nahee, taki shareer ke anasar din katten. kyonaki yadi tum shareer kee anasar din kattoge, to maroge, yadi atma se deh kee kriyaon ko maroge, to jeevit rahoge. isaliye ki jitane log parameshvar kee atma kee chalaake chalate haai, ve hee parameshvar kee putra haain. kyonaki tum ko dasatv kee atma naheen milee, ki fir bhyabheet ho parantu lepalakapan kee atma milee haai, jis se ham hee abba, hee pita kahakar pukarate haain. atma ap hee hamaree atma kee sath gavahee deta haai, ki ham parameshvar kee santan haain. aur yaadi santan haai, to varis bhee, baran

parameshvar kee vaaris aur maseeh kee sangee vaaris haai, jab ki ham usake sath dukh uttaeen ki usake sath mahima bhee paaien.. kyonaki maain samajhta hoo, ki is samay ke du:kh aur klesh us mahima kee samhane, jo ham par pragatt honevalee haai, kuchh bhee naheen haain. aikyonki srashtti badee ashaabhreee drashtti se parameshvar kee putraen kee pragatt hone kee batt joh rahee haai. kyonaki srashtti apanee ichchha se naheen par adhaeen karanevalee kee or se vyarthta kee adhaeen is asha se kee gai. ki srashtti bhee ap hee vinash kee dasatv se chhuttakra pakar, parameshvar kee santanon kee mahima kee svatantrata praapt karegee. kyonaki ham janate haai, ki saree srashtti ab tak milakar kharateer aur peedaon men padee tadpatee haai. aur keval vahee naheen par ham bhee jin kee pas atma ka pahila fal haai, ap hee apane men kharate haain aur lepalak hone kee, arthata apanee deh kee chhuttakaree kee batt johate haain. asha kee dara to hamara uddhar hua haai parantu jis vastu kee asha kee jatee haai jab vah dekhne men aa, to fir asha kahan rahee? kyoki jis vastu ko koi dekh raha haai us kee asha kya karega? parantu jis vastu ko ham naheen dekhte, yaadi us kee asha rakhte haai, to dhaerav se us kee batt jahate bhee haain.. isee reeti se atma bhee hamaree durbalata men sahayata karata haai, kyonaki ham naheen janate, ki praarthna kisi reeti se karana chahiaae parantu atma ap hee aeseee ahen bhr bhrakar jo bayan se bahar haai, hamaree liye binatee karata haai. aur manon ka janchanevala janata haai, ki atma kee manasa kya haai? kyonki vah pavitra logon kee liye parameshvar kee ichchha kee anasar binatee karata haai. aur ham janate haai, ki jo log parameshvar se praem rakhte haai, un kee liye sab baten milakar bhilai hee ko utpann karatee haai arthata unheen kee liye jo us kee ichchha kee anasar bulaae huae haain. kyonaki jinhen us ne pahile se jan liya haai unhen paahile se ttharaya bhee haai ki usakee putra kee svaroop men hon taaki vah bahut bhaiyon men paahilataa tthare. fir jinhen un se pahile se ttharaya, unhen bulaya bhee, aur jinhen bulaya, unhen dharmee bhee ttharaya haai, aur jinhen dharmee ttharaya, unhen mahima bhee dee haai.. so ham in baton kee vishay men kya kahen? yadi parameshvar hamaree or haai, to hamara virodhaee kaun ho sakata haai? jis ne apane nij putra ko bhee n rakh chhoda, parantu use ham sab kee liye de diya: vah usake sath hamen aur sab kuchh kyonkar n dega? parameshvar kee chune huon par dosh kaun lagaaga? parameshvar vah haai jo unako dharmee ttharanevala haai. fir kaun haai jo dand kee agyaa dega? maseeh vah haai jo mar gaya baran murdon men se jee bhee utta, aur parameshvar kee daahitee or haai, aur hamaree liye nivedan bhee karata haai. kaun ham ko maseeh kee praem se alag karega? kya klesha, ya sankat, ya upadrav, ya akal, ya nangaai, ya jokhaim, ya talavara? jaaisa likha haai, ki tere liye ham din bhr ghaat kiaee jate haain ham vadha honevalee bhendon kee nai ginee gaee haain. parantu in sab baton men ham usake dara jis ne ham se praem kiya haai, jayavant se bhee baddhkar haain. kyonaki maain nishchay janata hoo, ki n mratyu, n jeevan, n svargadoot, n pradhaanataae, n vartaman, n bhavishy, n samarth, n unchai, n gahirai aur n koi aur srashtti, hamen parameshvar kee praem se, jo hamaree prabhu

maain maseeh men sach kahata hoo, joott naheen bolata aur mera vivek bhee paavitra atma men gavahee deta haai. ki mujhe bada shaek haai, aur mera man sada dukhta rahata haai. kyonaki maain yahan tak chahata tha, ki apane bhaiyo, ke liye jo shareer ke bhav se mere kuttumbee haai, ap hee maseeh se shaapit ho jata. ve israaelee haain aur lepalakapan ka hakk aur mahima aur vachaaen aur vyavastha aur upasana aur praatigyaaen unheen kee haain. purakhe bhee unheen ke haai, aur maseeh bhee shareer ke bhav se unheen men se hua, jo sab ke upar param parameshvar yuganuyug dhany haai. ameena. parantu yah nahee, ki parameshvar ka vachan tll gaya, isaaliye ki jo israael ke vansh haai, ve sab israaelee naheen. aur n ibraaheem ke vansh hone ke karan sab us kee santan tthare, parantu likha haai ki isahak hee se tera vansh kahalaagee. arthata shareer kee santan parameshvar kee santan nahee, parantu praatigyaa ke santan vansh gine jate haain. kyonaki pratigyaa ka vachan yah haai, ki maain is samay ke anusar aunga, aur sara ke putra hoga. aur keval yahee nahee, parantu jab ribaka bhee aek se arthata hamare pita isahak se garbhvatee thee. aur abhee tak n to balak janme the, aur n unhon ne kuchh bhla ya bura kiya tha ki n us kaha, ki jetta chhutke ka das hoga. isaliye ki parameshvar kee manasa jo usake chun lene ke anusar haai, karmen ke karan nahee, parantu bulanevale par banee rahe. jaaisa likha haai, ki maain ne yaakooB se praem kiya, parantu aesa ko aapiry jana.. so ham kya kahen? kya parameshvar ke yahan anyay haai? kadapi naheen! kyonaki vah moosa se kahata haai, maain jis kisee par daya karana chahoo, us par daya karoonga, aur jis kisee par krapa karana chahoon usee par krapa karoonga. so yah n to chahanevale kee, n daudnevale kee parantu daya karanevale parameshvar kee bat haai. kyeanki pavitra shaasr men firauN se kaha gaya, ki maain ne tujhe isee liye khda kiya haai, ki tujh men apanee samarth dikhau, aur mere nam ka prachar saree prathvee par ho. so vah jis par chahata haai, us par daya karata haai aur jise chahata haai, use kattor kar deta haai. so too mujh se kahega, vah fir kyon dosh lagata haai? kaun us kee ichchha ka samhana karata haain? hee manushy, bhla too kaun haai, jo parameshvar ka samhana karata haai? kya gaddhee hui vastu gaddhnevale se kah sakatee haai ki too ne mujhe aeasa kyon banaya haai? kya kumhar ko mittee par aadhaikar nahee, ki aek hee launde me se, aek baratan adar ke liye, aur doosare ko anadar ke liye banaae? to is men kaun se achambhe kee bat haai? ki parameshvar ne apana krodha dikhane aur apanee samarth pragatt karane kee ichchha se krodha ke baratanon kee, jo vinash ke liye taaiyar kiae gaee the bade dhaceeraj se sahee. aur daya ke baratanon par jinhen us ne mahima ke liye paahile se taaiyar kiya, apane maahima ke dhan ko pragatt karane kee ichchha kee? arthata ham par jinhen us ne n keval yahoodiyon men se baran anyajaatiyon men se bhee bulaya. jaaisa vah hosho kee pustak men bhee kahata haai, ki jo meree praja n thee, unhen maain apa-

nee praja kahoonga, aur jo pirya n thee, use pirya kahoonga. aur aeasa hoga ki jis jagah men un se yah kaha gaya tha, ki tum meree praja naheen ho, usee jagah ve jeevate parameshvar kee santan kahalaagee. aur yashaayah israael ke vishay men pukarakar kahata haai, ki chahe israael kee santanon kee ginatee samudra ke baloo ke barabar ho, taubhee un men se thode hee bachenge. kyonaki prabhu apana vachan prathvee par poora karake, dhaaarmikata se shaeeha usee siddh karega. jaaisa yashaayah ne pahile bhee kaha tha, ki yadi senaon ka prabhu hamare liye kuchh vansh n chhodta, to ham sadom kee nain ho jate, aur amora ke sareekhe ttharate.. so ham kya kahen? yah ki anyajaatiyon ne jo dhaarmikata kee khoj naheen karate the, dhaarmikata praapt kee arthata us dhaaarmikata ko jo vishvas se haai. parantu israaelee jo dharma kee vyavastha kee khoj karate huae us vyavastha tak naheen pahunche. kis liye? isaliye ki ve vishvas se nahee, parantu manon karmen se us kee khoj karate the: unhon ne us ttokar ke patthar par ttokar khai. jaaisa likha haai dekho maain siyyon men aek ttes lagane ka patthar, aur ttokar khane kee chattan rakhta hoon aur jo us par vishvas karega, vah lajjait n hoga..

he bhaiyo, mere man kee abhailasha aur un ke liye parameshvar se meree praarthna haai, ki ve uddhar paaen. kyonaki maain un kee gavahee deta hoo, ki un ko parameshvar ke liye dhaun rahatee haai, parantu buddhmaianee kee sath naheen. kyonaki ve parameshvar kee dhaaarmikata se anajan hokar, aur apanee dhaaarmikata sthapan karane ka yatn karake, parameshvar kee dhaaarmikata kee adhaeen n huae. kyonaki har aek vishvas karanevale ke liye dhaaarmikata ne nimmitt maseeh vyavastha ka ant haai. kyonaki moosa ne yah likha haai, ki jo manushy us dhaaarmikata par jo vyavastha se haai, chalatan haai, vah isee karan jeevit rahega. parantu jo dhaaarmikata vishvas se haai, vah yon kahatee haai, ki too apane man men yah n kahana ki svarga par kaun chad-dhega? arthata maseeh ko utar lane ke liye! ya gaahirav men kaun utarega? arthata maseeh ko mare huon men se jilakar upar lane ke liye! parantu kya kahatee haai? yah, ki vachan tere nikatt haai, tere munh men aur tere man men haai yah vahee vishvas ka vachan haai, jo ham prachar karate haain. ki yadi too apane munh se yeeshu ko prabhu janakar angeekar kare aur apane man se vishvas kare, ki parameshvar ne use mare huon men se jilaya, to too nishchay uddhar paaega. kyonaki dhaaarmikata ke liye man se vishvas kiya jata haai, aur uddhar ke liye munh se angeekar kiya jata haai. kyonaki pavitra shaasr yah kahata haai ki jo koi us par vishvas karega, vah lajjait n hoga. yahoodiyon aur yoonaanion men kuchh bhed nahee, isaaliye ki vah sab ka prabhu haai aur apane sab nam lenevalon ke liye udar haai. kyonaki jo koi prabhu ka nam lega, vah uddhar paaega. fir jis par unhon ne vishvas naheen kiya, ve usaka nam kyonkar len? aur jis kee naheen sunee us par kyonkar vishvas karen? aur pracharak bina kyonkar sunen? aur yadi bheje n jae, to kyonkar prachar karen? jaaisa likha

haai, ki un ke panv kya hee sohavane haai, jo achch-hee baton ka susamachar sunate haain. parantu sab ne us susamachar par kan n lagaya: yashaayah kahata haai, ki he prabhhu, kis ne hamare samachar kee prateeti kee haai? so vishvas sunane se, aur sunana maseeh ke vachan se hota haai. parantu maain kahata hoo, kya unhon ne naheen suna? suna to sahee kyonaki likha haai ki un ke svar saree prathvee par, aur un ke vachan jagat kee chhor tak pahunch gaee haain. fir maain kahata hoon. kya israaelee naheen janate the? paahile to moosa kahata haai, ki maain un ke dara jo jati nahee, tumhare man men jalan upa-jaunga, maain aek mooddh jati ke dara tumhen ris dilaunga. fir yashaayah bade hiyav ke sath kahata haai, ki jo mujhe naheen ddoondhdhe the, unhon ne mujhe pa liya: aur jo mujhe poochhte bhee n the, un par maain pragatt ho gaya. parantu israael ke vishay men vah yah kahata haai ki maain sare din apane hath aek agyaa n mananevalee aur vivid karanevalee praja kee or pasare raha..

11

isaliye maain kahata hoo, kya parameshvar ne apanee praja ko tyag diya? kadapi naheen maain bhee to israaelee hoon: ibraaheem ke vansh aur binyameen ke gotra men se hoon. parameshvar ne apanee us praja ko naheen tyaga, jise us ne paahile hee se jana: kya tum naheen janate, ki pavitra shaasr aeliyah kee katha men kya kahata haai ki vah israael ke virodha men parameshvar se binatee karata haai. ki he prabhhu, unhon ne tere bhvishyadvktaon ko ghaat kiya, aur teree vediyon ko ddha diya haai aur maain hee akela bach raha hoo, aur ve mere praan ke bhee khojee haain. parantu parameshvar se use kya uttr mila ki maain ne apane liye sat hajar purooshaen ko rakh chhdha haai jinhon ne baal ke ag ghauttne naheen teke haain. so isee reeti se is samay bhee, anugrah se chune huae ki-tane log baakee haain. yaadi yah anugrah se hua haai, to fir karmon se nahee, naheen to anugrah fir anugrah naheen raha. so paarinam kya hua? yah ki israaelee jis kee khoj men haai, vah un ko naheen mila parantu chune huon ko mila aur shosh log kattor kiee gaee haain. jaaisa likha haai, ki parameshvar ne unhen aj ke din tak bharee neend men dal rakha haai aur aeesee ankhen dee jo n dekhen aur aeese kan jo n sunen. aur daud kahata haai un ka bhojan un ke liye jal, aur fanda, aur ttokar, aur dand ka karan ho jaae. un kee ankhon par andhora chha jaae taaki n dekhe, aur too sada un kee peett ko jhukaee rakh. so maain kahata hoon kya unhon ne isaliye ttokar khai, ki gir paden? kadapi naheen: parantu un ke girane ke karan anyajaniyon ko uddhar mila, ki unhen jalan ho. so yaadi un ka girana jagat ke liye dhan aur un kee ghattee anyajatiyon ke liye sampatti ka karan hua, to un kee bhrapooree se kitana n hoga.. maain tum anyajatiyon se yah baten kahata hoon: jab ki maain anyajatiyon ke liye praerit hoo, to maain apanee seva kee badai karata hoon. taaki kisee reati se maain apane kuttumbaiyon se jalan karavakar un men se kai aek ka uddhar karaun. kyonaki jab ki un ka tyag diya jana jagat ke milap ka karan hua, to kya un ka grahan kiya jana mare huon men se jee uttne

ke barabar n hoga? jab bhentt ka pahila peda paavitra tthara, to pooru gundha hua atta bhee paavitra haai: aur jab jad paavitra ttharee, to daaliyan bhee aeesee hee haain. aur yaadi kai aek dalee tod dee gai, aur too jangalee jalapai hokar un men satta gaya, aur jalapai kee jad kee chikanai ka bhagee hua haai. to daaliyon par ghamand n karana: aur yadi too ghamand kare, to jan rak, ki too jad ko nahee, parantu jad tujhe sambha- latee haai. fir too kahega daliyan isaliye todee gai, ki maain satta jaun. bhla, ve to avishvas ke karan todee gai, parantu too vishvas se bana rahata haai isaliye aabhaimanee n ho, parantu bhy kara. kyonaki jab parameshvar ne svabhavik daliyan n chhodee, to tujhe bhee n chhodega. isaliye parameshvar kee krupa aur kadai ko dekh! jo gir gaa, un par kadai, parantu tujh par krupa, yadi too us men bana rahe, naheen to, too bhee katt dala jaega. aur ve bhee yaadi avishvas men n rahe, to satte jaaenge kyonaki paramashevar unhen fir satt sakata haai. kyonaki yadi too us jalapai se, jo svabhav se jangalee haai katta gaya aur svabhav ke virooddh achchhee jalapai men satta gaya to ye jo svabhavik daliyan haai, apane hee jalapai men satte kyon n jaaenge. he bhaiyo, kaheen aeese n ho, ki tum apane ap ko buddhmaian samajh lo isaliye maain naheen chahata ki tum is bhed se anajan raho, ki jab tak anyajatiyan pooree reati se pravesh n kar le, tab tak israael ka aek bhag aeese hee kattor rahega. aur is reati se sara israael uddhar paagea jaaisa likha haai, ki chhudanevala siyyon se aagea, aur abhktai ko yakoob se door karega. aur un ke sath meree yahee vacha hogee, jab ki maain un ke papon ko door kadoonga. ve susamachar ke bhav se to tumhare baair ee haai, parantu chun liye jane ke bhav se bapadanon ke pyare haain. kyonaki parameshvar apane baradanon se, aur bulahatt se kabhee peeche naheen hattta. kyonaki jaaise tum ne pahile parameshvar kee agyaa n manee parantu abhee un ke agyaa n manane se tum par daya hui. vaaise hee unhon ne bhee ab agyaa n manee ki tum par jo daya hotee haai is se un par bhee daya ho. aikyonki parameshvar ne sab ko agyaa n manane ke karan band kar rakha taaki vah sab par daya kare.. aha! parameshvar ka dhan aur buddh iddh aur gyaan kya hee ganbheer haai! usake vichar kaaise athah, aur usake marga kaaise agam haain! prabhhu ki buddh iko kis ne jana? yah usaka mantraee kaun hua? ya kis ne pahile use kuchh diya haai jis ka badala use diya jaae. kyonaki us kee or se, aur usee ke dara, aur usee ke liye sab kuchh haai: us kee mahima yuganyug hotee rahe: ameena..

isaliye he bhaiyo, maain tum se parameshvar kee daya smaran dila kar binatee karata hoo, ki apane sha-reero kon jeevit, aur paavitra, aur parameshvar ko bhavata hua balidan karake chaddhao: yahee tumharee atmaik seva haai. aur is sansar ke sadrash n bano parantu tumharee buaddh ike naye ho jane se tumhara chala-chalan bhee badalata jaa, jis se tum parameshvar kee bhlee, aur bhavatee, aur siddh ichchha anubhve se maloom karate raho.. kyonaki maain us anugrah ke karan jo mujh ko mila haai, tum men se har aek se kahata hoo, ki jaaisa sama-

jhna chaahia, us se baddhkar koi bhee apane ap ko n samajhe par jaaisa parameshvar ne har aek ko paariman ke anusar bannt diya haai, vaaisa hee subuaddh ike sath apane ko samajhe. kyonaki jaaise hamaree aek deh men bahut se ang haai, aur sab angon ka aek hee sa kam naheen. vaaisa hee ham jo bahut haai, maseeh men aek deh hokar apas men aek doosare ke ang haain. aur jab ki us anugrah ke anusar jo hamen diya gaya haai, hamen bhainn bhainn baradan mile haai, to jis ko bhvishyadane ka dan mila ho, vah vishvas ke pariman ke anusar bhavishyadane kare. yaadi seva karane ka dan mila ho, to seva men laga rahe, yadi koi sikhanevala ho, to sikhane men laga rahe. jo upadeshak ho, vah upadesh dene men laga rahe dan denevala udarata se de, jo aguai kare, vah utsah se kare, jo daya kare, vah harsha se kare. praem nishkapat ho burai se gharana karo bhilai me lage raho. bhaichare ke praem se aek doosare par maya rakho paraspur adar karane men aek doosare se baddh chalo. prayatn karane men alasee n ho atmaik unmad men bhro raho prabhu kee seva karate raho. asha me anaandait raho klesh me sthiar raho praarthna me nity lage raho. paavitra logon ko jo kuchh avashy ho, us men un kee sahayata karo pahunai karane me lage raho. apane satanevalon ko ashaeesh do ashaeesh do srap n do. anand karanevalon ke sath anand karo aur ronevalon ke sath roo. apas men aek sa man rakho aabhaimee n ho parantu deenon ke sath sangaati rakho apanee draashti men buddhmaian n ho. burai ke badale kisee se burai n karo jo baten sab logon ke nikatt bhlee haai, un kee chinta kiya karo. jahan tak ho sake, tum apane bhrasak sab manushyon ke sath mel milap rakho. he piryo apana palatta n lena parantu krodha ko avasat do, kyonki likha haai, palatta lena mera kam haai, prabhu khata haai maain hee badala doonga. parantu yadi tera baaiiree bookha ho to use khana khaila yaadi pyasa ho, to use panee pila kyonaki aesa karane se too usake sir par ag ke angaron ka ddher lagaega. burai se n haro parantu bhilai se burai ka jeet lo..

har aek vyaktai pradhaan adhaikaariyon ke adhaeen rahe kyonki koi aadhaikar aesa nahee, jo parameshvar kee or s n ho aur jo adhaikar haai, ve parameshvar ke ttharae huae haain. is se jo koi adhaikar ka virodha karata haai, vah parameshvar kee vidhai ka samhana karata haai, aur samhana karanevale dand paaenge. kyonaki hakim achchhe kam ke nahee, parantu bure kam ke liye dr ka karan haain so yadi too hakim se nidr rahana chahata haai, to achchha kam kar aur us kee or se terree sarahana hogee kyonaki vah terree bhilai ke liye parameshvar ka sevak haai. parantu yadi too burai kare, to dra kyoki vah talavar vyarth liye huae naheen aur parameshvar ka sevak haai ki usake krodha ke anusar bure kam karanevale ko dand de. isaliye adhaeen rahana n keval us krodha se parantu dr se avashy haai, varan vivek bhee yahee gavahee deta haai. isaliye kar bhee do, kyonaki paramashvar ke sevak haai, aur sada isee kam men lage rahate haain. isaliye har aek ka hakk chukaya karo, jis kar chahia, use kar do jise mahasool chahia,

use mahasool do jis se drana chahia, us se dro jis ka adar karana chaahiae usaka adar karoo. apas ke praem se chhod aur kisee bat men kisee ke karjadan n ho kyonki jo doosare se praem rakhta haai, usee ne vyavastha pooree kee haai. kyonaki yah ki vyaabhaichar n karana, hatya n karana choree n karana lalach n karana aur in ko chhod aur koi bhee agyaa ho to sab ka saransh is bat men paya jata haai, ki apane padosee se apane saman praem rakh. praem padosee kee kuchh burai naheen karata, isaliye praem rakhna vyavastha ko poora karana haai.. aur samay ko pahichan kar aesa hee karo, isaliye ki ab tumhare liye neend se jag uttne kee ghadee a pahunchee haai, kyonnkai jis samay ham ne vishvas kiya tha, us samay ke vichar se ab hamara uddhar nikatt haai. rar bahut been gai haai, aur din nikalane par haai isaliye ham andhakar ke kamon ko taj kar jyoti ke hathaiyar bandha len. jaaisa din ko sohata haai, vaaisa hee ham seedhaee chal chalen n ki leela kreedat, aur piyakkadpan, n vyabhaichar, aur luchapan me, aur n jhgade aur dah men. baran prabhu yeeshu maseeh ko paahin lo, aur shareer ke aabhailashaen ko poora karane ka upay n karo..

jo vishvas ke nirbal haai, use apanee sangaati men le lo parantu usee shankaon par vivid karane ke liye naheen. kyonaki aek ko vishvas haai, ki sab kuchh khana uchit haai, parantu jo vishvas men nirbal haai, vah sag pat hee khata haai. aur khanevala na-khanevale ko tuchchh n jane, aur na-khanevala khanevale par dosh n lagaae kyonaki parameshvar ne use grahan kiya haai. too kaun haai jo doosare ke sevak par dosh lagata haai? usak sthiar rahata ya gir jana usake svamee hee se sambandha rakhta haai, baran vah sthiar hee kar diya jaaga kyonki prabhu use sthiar rakh sakata haai. koi to aek din ko doosare se baddhkar janata haai, aur koi sab din aek sa janata haai: har aek apane hee man men nishchay kar le. jo kisee din ko manata haai, vah prabhu ke liye manata haai: jo khata haai, vah prabhu ke liye khata haai, kyonaki parameshvar ka dhanyavad karata haai, aur ja naheen khata, vah prabhu ke liye naheen khata aur parameshvar ka dhanyavad karata haai. kyonaki ham men se n to koi paane liye jeeta haai, aur n koi apane liye marata haai. kyonaki yadi ham jeevit haai, to prabhu ke liye jeevit haain aur yadi marate haai, to prabhu ke liye marate haain so ham jeevan ya mare, ham prabhu hee ke haain. kyonaki maseeh isee liye mara aur jee bhee utta ki vah mare huon aur jeevato, donon ka prabhu ho. too apane bhai par kyon dosh lagata haai? ya too fir kyon apane bhai ko tuchchh janata haai? ham sab ke sab parameshvar ke nyay sinhasan ke samhane khde honge. kyonaki likha haai, ki prabhu khata haai, mere jeevan kee saugandha ki har aek ghaattina mere samhane tkaiega, aur har aek jeebh parameshvar ko angeekar karega. so ham men se har aek parameshvar ko apana paane lekha dega.. so age ko ham aek doosare par dosh n lagaaen par tum yahee tan lo ki koi apane bhai ke samhane ttes ya ttokar khane ka karan n rakhe. maain janata hoo, aur prabhu yeeshu se mujhe nishchay hua haai,

ki koi vastu apane ap se ashuuddh nahee, parantu jo us ko ashuuddh samajhta haai, usake liye ashuuddh haai. yaadi tera bhai tera bhojan ke karan udas hota haai, to fir too praem kee reeti se naheen chalata: jis ke liye maseeh mara us ko too apane bhojan ke dara nash n kara. ab tumharee bhilai kee ninda n hone paae. kyonaki paramashevar ka rajya khaaneena naheen parantu dharma aur milap aur vah anand haai jo paavitraatma se hota haai aur jo koi is reeti se maseeh ke seva karata haai, vah parameshvar ko bhata haai aur manushyon men grahanyogy ttharata haai. isaliye ham un baton ka prayatn karen jinase mel milap aur aek doosare ka sudhaar ho. bhojan ke liye parameshvar ka kam n bigad: sab kuchh shuuddh to haai, parantu us manushy ke liye bura haai, jis ko usake bhojan karane se ttokar lagatee haai. bhla to yah haai, ki too n mans khaa, aur n dakh ras peea, n aur kuchh aeesa kare, jis se tera bhai ttokar khaae. tera jo vishvas ho, use parameshvar ke samhane apane hee man men rakh: dhany haai vah, jo us bat me, jis vah tteek samajhta haai, apane ap ko doshae naheen ttharata. parantu jo sandeh kar ke khata haai, vah dand ke yogy tthar chuka, kyonki vah nishchay dhaarana se naheen khata, aur jo kuchh vishvas se nahee, vah pap haai.

nidan ham balavanon ko chahia, ki nirbalon kee nirbalataon ko sahen n ki apane ap ko prasann karen. ham men se har aek apane padosee ko us kee bhilai ke liye sudhaarane ke nimitt prasann kare. kyonaki maseeh ne apane ap ko prasann naheen kiya, par jaaisa likha haai, ki tere nindakon kee ninda mujh par a padee. jitane baten paahile se likhee gai, ve hamaree hee shaiksha ke liye likhee gain haain ki ham dhaeraj aur pavitra shaasr kee shaantai ke dara asha rakhen. aur dhaeraj, aur shaaantai ka data parameshvar tumhen yah baradan de, ki maseeh yeeshu ke anusar apas men aek man raho. taaki tum aek man aushra aek munh hokar hamare prabhu yeeshu maseeh ki pita parameshvar kee badai karo. isaliye, jaaisa maseeh ne bhee parameshvar kee mahima ke liye tumhen grahan kiya haai, vaaise hee tum bhee aek doosare ko grahan karo. maain kahata hoo, ki jo pratigyaaen bapadadan ko dee gai thee, unhen draddh karane ke liye maseeh, parameshvar kee sachchai ka praman dene ke liye khtana kiae huae logon ka sevak bana. aur anyajati bhee daya ke karan parameshvar kee badai kare, jaaisa likha haai, ki isaaliye maain jati jati men tera dhanyavad karoonga, aur tere nam ke bhjan gaunga. fir kaha haai, he jati jati ke sab logo, us kee praja ke sath anand karo. aur fir he jati jati ke sab logo, prabhu kee suuti karo aur he rajy rajy ke sab logo use saraho. aur fir yashaay kahata haai, ki yishau kee aek jad pragatt hogee, aur anyajatiyon ka haakim hone ke liye aek uttega, us par anyajatiyan asha rakhenge. so parameshvar jo asha ka data haai tumhen vishvas karane men sab prakar ke anand aur shaantai se paripoorn kare, ki pavitraatma kee samarth se tumharee asha baddhtee jaae.. he mere bhaiyon maain ap bhee tumharee vishay men nishchay janata hoo, ki tum bhee ap hee bhilai se bhre aur ishwareey gyaan se bhrapoor ho aur aek doosare

ko chita sakate ho. taubhee maain ne kaheen kaheen yad dilane ke liye tumhen jo bahut hiyav karake likha, yah us anugrah ke karan hua, jo parameshvar ne mujhe diya haai. ki maain anyajatiyon ke liye maseeh yeeshu ka sevak hokar parameshvar kee susamachar kee seva yajak kee nai karoon jis se anyajatiyon ka manon chaddhaya jana, pavitra atma se paavitra banakar grahan kiya jaae. so un baton ke vishay men jo parameshvar se sambandha rakhtee haai, maain maseeh yeeshu men badai kar sakata hoon. kyonaki un baton ko chhod mujhe aur kisee bat ke vishay men kahane ka hiyav nahee, jo maseeh ne anyajatiyon kee adhaenata ke liye vachan, aur karma. aur chinhaon aur adabhuta kamon kee samarth se, aur pavitra atma kee samarth se mere hee dara kiae : yahan tak ki maain ne yarooshalem se lekar charon or illurikus tak maseeh kee susamachar ka poora poora prachar kiya. par mere man kee umang yah haai, ki jahan jahan maseeh ka nam naheen liya gaya, vaheen susamachar sunaun aesa n ho, ki jinhen usaka susamachar naheen pahuncha, ve hee dekhenge aur jinhon ne naheen suna ve hee samajhenge.. parantu jaaisa likha haai, vaaisa hee ho, ki jinhen usaka susamachar naheen pahuncha, ve hee dekhenge aur jinhon ne naheen suna ve hee samajhenge.. isee liye maain tumhare pas aane se bar bar rooka raha. parantu ab mujhe in deshaen men aur jagah naheen rahee, aur bahut vasharen se mujhe tumhare pas aane kee lalasa haai. isaliye jab isapaaniya ko jaunga to tumhare pas hota hua jaunga kyonki mujhe asha haai, ki us yatra men tum se bheent karoo, aur jab tumharee sangaati se mera jee kuchh bhr jaa, to tum mujhe kuchh door aage pahuncha do. parantu abhee to pavitra logon kee seva karane ke liye yarooshalem ko jata hoon. kyonaki makiduaniya aur akhya ke logon ko yah achchha laga, ki yarooshalem ke paavitra logon kee kangalon ke liye kuchh chanda karen. achchha to laga, parantu ve un ke karjadar bhee haai, kyonki yadi anyajati un kee atmaik baton men bhagee hua, to unhen bhee uchit haai, ki shaareerik baton men un kee seva karen. so maain yah kam poora karake aur un ko yah chanda saunpakar tumhare pas hota hua isapaaniya ko jaunga. aur maain janata hoo, ki jab maain tumhare pas aunga, to maseeh kee pooree ashaeesh ke sath aunga.. aur he bhaiyon maain yeeshu maseeh ka jo hamara saunpakar tumhare pas hota hua isapaaniya ko jaunga. aur maain janata hoo, ki mere liye parameshvar se praarthna karane men mere sath milakar lauleen raho. ki maain yahoodiya ke aavishvasiyan se bacha rahoo, aur meree vah seva jo yarooshalem ke liye haai, pavitra logon ko bhaae. aur maain parameshvar kee ichchha se tumhare pas anand ke sath akar tumhare sath vishraam paun. shaantai ka parameshvar tum sab ke sath rahe. ameena.

paulus kee or se jo parameshvar kee ichchha se yeeshu maseeh ka praeirit hone ke liye bulaya gaya aur bhai sostihaanes kee or se. parameshvar kee us kaleesiya ke niam jo kuarinthus men haai, arthata un ke nam jo maseeh yeeshu men paavitra kiae gaa, aur paavitra hone ke liye bulaae gaae haain aur un sab ke nam bhee jo har jagah hamare aur apane prabhu yeeshu maseeh ke nam kee praarthna karate haain. hamare pita parameshvar aur prabhu yeeshu maseeh kee or se tumhen anugrah aur shaaantai milatee rahe.. maain tumhare vishay men apane parameshvar ka dhanyavad sada karata hoo, isaaliye ki parameshvar ka yah anugrah tum par maseeh yeeshu men hua. ki us men hokar tum har bat men arthata sare vachan aur sare gyaan men dhane kiae gaae. ki maseeh kee gavahee tum men pakkee nikalee. yahan tak ki kisee baradan men tumhen ghattee nahee, aur tum hamare prabhu yeeshu maseeh ke pragatt hone kee batt johate rahate ho. vah tumhen ant tak draddh bhee karega, ki tum hamare prabhu yeeshu maseeh ke din men nirdosh thharo. parameshvar sachcha haai jis ne tum ko apane putra hamare prabhu yeeshu maseeh kee sangati men bulaya haai.. he bhaiyo, maain tum se yeeshu maseeh jo hamara prabhu haai usake nam ke dara binatee karata hoo, ki tum sab aek hee bat kaho aur tum men foott n ho, parantu aek hee man aur aek hee mat hokar mile raho. kyonaki he mere bhaiyo, khloae ke gharane ke logon ne mujhe tumhare vishay men bataya haai, ki tum men jhgade ho rahe haain. mera kahana yah haai, ki tum men se koi to apane ap ko paulus ka, koi apullos ka, koi kaaifaa ka, koi maseeh ka kahata haai. kya maseeh batt gaya? kya paulus tumhare liye kroos par chaddhaya gaya? ya tumhen paulus ke nam par bapatisma mila? maain parameshvar ka dhanyavad karata hoo, ki krispus aur gayus ko chhod, maain ne tum men se kisee ko bhee bapatisma naheen diya. kaheen aeesa nah ho, ki koi kahe, ki tumhen mere nam par bapatisma mila. aur maain ne staifanas ke gharane ko bhee bapaatisma diya in ko chhod, maain naheen janata ki maain ne aur kisee ko bapatisma diya. kyonaki maseeh ne mujhe bapaatisma dene ko nahee, baran susamachar sunane ko bheja haai, aur yah bhee shabdon ke gyaan ke anusar nahee, aeesa n ho ki maseeh ka kroos vyarth thhare. kyonaki kroos kee katha nash honevalon ke nikatt moorkhta haai, parantu nash uddhar panevalon ke nikatt parameshvar kee samarth haai. kyoki likha haai, ki maain gyaanavanon ke gyaan ko nash karoonga, aur samajhdaron kee samajh ko tuchchh kar doonga. kahan raha gyaanavana? kahan raha shaasree? kahan is sansar ka vivadee? kya parameshvar ne sansar ke gyaan ko moorkhta naheen thharaya? kyonaki jab parameshvar ke gyaan ke anusar sansar ne gyaan se parameshvar ko n jana to parameshvar ko yah achchha laga, ki is prakar kee moorkhta ke dara vishvas karanevalon ko uddhar de. yahooodee to chinn chahate haai, aur yoonanee gyaan kee khoj men haain. parantu ham to us kroos par chaddhaae huae maseeh ka prachar karate haain jo yahoodiyan ke nikatt tto kar ka kara, aur anayaatiyan ke nikatt moorkhta haai. parantu

jo bulaae huae haain kya yahooodee, kya yoonanee, un ke nikatt maseeh parameshvar kee samarth, aur parameshvar ka gyaan haai. kyonaki parameshvar kee moorkhta manushyon ke gyaan se gyaanavan haai aur parameshvar kee nirbalata manushyon ke bal se bahut balavan haai.. he bhaiyo, apane bulaae jane ko to socho, ki n shareer ke anusar bahut gyaanavan, aur n bahut samarthee, aur n bahut kuleen bulaae gaae. parantu parameshvar ne jagat ke moorkhon ko chun liya haai, ki gyaanavalon ko laajjait kare aur parameshvar ne jagat ke nirbalon ko chun liya haai, ki balavanon ko laajjait kare. aur parameshvar ne jagat ke neechon aur tuchchhon ko, baran jo haain bhee naheen un ko bhee chun liya, ki unhen jo haai, vyarth thharae. taaki koi praanee parameshvar kee samhane ghamand n karane paae. parantu usee kee or se tum maseeh yeeshu men ho, jo parameshvar kee or se hamare liye gyaan thhara arthata dharm, aur pavitrata, aur chhuttikara. taaki jaaisa likha haai, vaaisa hee ho, ki jo ghamand kare vah prabhu men ghamand kare..

aur he bhaiyo, jab maain parameshvar ka bhed sunata hua tumhare pas aya, to vachan ya gyaan kee uttmata ke sath naheen aya. kyonaki maain ne yah ttan liya tha, ki tumhare beech yeeshu maseeh, baran kroos par chaddhaae huae maseeh ko chhod aur kisee bat ko n janoon. aur maain nirbalata aur bhy ke sat, aur bahut thrathrata hua tumhare sath raha. or mere vachan, aur mere prachar men gyaan kee lubhanevalee baten naheen parantu atma aur samarth ka praman tha. isaliye ki tumhara vishvas manushyon ke gyaan par nahee, parantu parameshvar kee samarth par nirbhr ho.. fir bhee siddh logon men ham gyaan sunate haain: parantu is sansar ka aur is sansar ke nash honevalee hakimon ka gyaan naheen. parantu ham parameshvar ka vah gupt gyaan, bhed kee reeti par batate haai, jise parameshvar ne sanatan se hamaree maahima ke liye thharaya. jise is sansar ke haakimon men se kisee ne naheen jana, kyonaki yadi janate, to tejomay prabhu ko kroos par n chaddhate. parantu jaaisa likha haai, ki jo ankhe ne naheen dekhee, aur kan ne naheen suna, aur jo baten manushy ke chitt men naheen chaddhee ve hee haai, jo parameshvar ne apane praem rakhnevalon ke liye taaiyar kee haain. parantu parameshvar ne un ko apane atma ke dara ham par pragatt kiya kyonaki atma ke dara ham par pragatt kiya kyonaki atma sab bate, baran parameshvar kee gooddh baten bhee jan-chata haai. manushyon men se kaun kisee manushy kee baten janata, keval manushy kee baten bhee koi naheen janata, keval parameshvar ka atma. parantu ham ne sansar kee atma nahee, parantu vah atma paya haai, jo parameshvar kee or se haai, ki ham un baton ko jane, jo parameshvar ne hamen dee haain. jin ko ham manushyon ke gyaan kee sikhai hui baton men nahee, parantu atma kee sikhai hui baton me, atmaik baten atmaik baton se mila milakar sunate haain. paranatu shaareerik manushy parameshvar kee atma kee baten grahan naheen karata, kyonaki ve us kee drashtti men moorkhta kee baten haai, aur n vah

unhen jan sakata haai kyonaki un kee janch aatmaik reeti se hotee haai. aatmaik jan sab kuchh janchata haai, parantu vah ap kisee se jancha naheen jata. kyonaki prabhu ka man kis ne jana haai, ki use sikhlade? parantu ham men maseeh ka man haai..

he bhaiyo, maain tum se is reeti se baten n kar saka, jaise aatmaik logon se parantu jaise shaareerik logon se, aur un se jo maseeh men balak haain. men ne tumhen doodha pilaya, ann n khailaya kyonki tum us ko n kha sakate the baran ab tak bhee naheen kha sakate ho. kyonaki ab tak shaareerik ho, isaaliye, ki jab tum men dah aur jhgada haai, to kya tum shaareerik naheen? aur manushy kee reeti par naheen chalute? isaliye ki jab aek kahata haai, ki maain paulus ka hoo, aur doosara ki maain apullos ka hoo, to kya tum manushy naheen? apullos kya haai? aur paulus kya? keval sevak, jin ke dara tum ne vishvas kiya, jaaisa har aek ko prabhu ne diya. maain ne lagaya, apullos ne seench, parantu parameshvar ne baddhaya. isaliye n to laganevala kuchh haai, aur n seenchanevala, parantu parameshvar jo baddhanevala haai. laganevala aur seenchanevala danon aek haain parantu har aek vyaaktaai apane hee parishram ke anusar apane hee majadooree paaga. kyonaki ham parameshvar ke sahakarmee haain tum parameshvar kee khetee aur parameshvar kee rachana ho. parameshvar ke us anugrah ke anusar, jo mujhai diya gaya, maain ne buddhimaan rajamishree kee nain neev dalee, aur doosara us par raa rakhta haai parantu har aek manushy chaukas rahe, ki vah us par kaaisa raa rakhta haai. kyonaki us neev ko chhod jo padee haai, aur vah yeesu maseeh haai koi doosaree neev naheen dal sakata. aur yaadi koi is neev par sona ya chandee ya bahumol patthar ya katt ya ghaas ya foos ka raa rakhta haai. to har aek ka kam pragatt ho jaaga kyonaki vah din use bataaga isaliye ki ag ke sath pragatt hoga: aur vah ag har aek ka kam parakhegee ki kaaisa haai? jis ka kam us par bana hua sthira rahega, vah majadooree paaga. aur yaadi kisee ka kam jal jaaga, to hani uttaaga par vah ap bach jaaga parantu jalate jalate.. kya tum naheen janate, ki tum parameshvar ka mandair ho, aur parameshvar ka atma tum men vas karata haai? yaadi koi parameshvar ke maandair ko nash karega to parameshvar use nash karega kyonaki parameshvar ka mandair pavitra haai, aur vah tum ho. koi apan ap ko dhaekha n de: yadi tum men se koi is sansar men apane ap ko gyaanee samajhe, to moorkh bane ki gyaanee ho jae. kyonaki is sansar ka gyaan parameshvar ke nikatt moorkhta haai, jaaisa likha haai ki vah gyaaniyon ko un kee chaturai men fansa deta haai. aur fir prabhu gyaaniyon kee chintan ko janata haai, ki vyarth haain. isaliye manushyon par koi ghamand n kare, kyonaki sab kuchh tumhara haai. kya paulus, kya apullos, kya kaafiaa, kya jagat, kya jeevan, kya mara, kya vartaman, kya bhavishy, sab kuchh tumhara haai, aur tum maseeh ke ho, aur maseeh parameshvar ka haai..

manushy hamen maseeh ke sevak aur parameshvar ke bhedon ke bhndaree samajhe. fir yahan bhndaree men yah bat dekhee jatee haai, ki vishvas yogy nikale. parantu meree draashtti men yah bahut chhottee bat haai, ki tum ya manushyon ka koi nyayee mujhe parakhe, baran maain ap hee apane ap ko naheen parakhta. kyonaki mera man mujhe kisee bat men doshae naheen tharata, parantu is se maain nirdosh naheen tharata, kyonaki mera parakhne vala prabhu haai. so jab tak prabhu n aa, samay se paahile kisee bat ka nyay n karo: vahee to andhakar kee chhpaiee baten jyoti men dikhaaga, aur manon kee matiyon ko pragatt karega, tab parameshvar kee or se har aek kee prashansa hogee.. he bhaiyo, maain ne in baton men tumhare liye apanee aur apullos kee charcha, drashtant kee reeti par kee haai, isaliye ki tum hamare dara yah seekho, ki likhe huae se age n baddhna, aur aek ke paksha men aur doosare ke virodha men garva n karana. kyonaki tujh men aur doosare men kaun bhed karata haai? aur tere pas kya haai jo too ne doosare se naheen paya: aur jab ki tu ne doosare se paya haai, to aeesa ghamand kyon karata haai, ki manon nahee paya? tum to trapt ho chuke tum dhaanee ho chuke, tum ne hamare bina rajy kiya parantu bhla hota ki tum rajy karate ki ham bhee tumhare sath rajy karate. meree samajh men parameshvar ne ham praariton ko sab ke bad un logon kee nai tharaya haai, jin kee mratyuu kee agyaa ho chukee ho kyonki ham jagat aur svargadooton aur manushyon ke liye tamasha thhare haain. ham maseeh ke liye moorkh haai parantu tum maseeh men buddhimaan ho: ham nirbal haain parantu tum balavan ho: tum adar pate ho, parantu ham niradar hote haain. ham is ghadee tak bookhe-pyase aur nange haai, aur ghoose khate haain aur mare mare firate haain aur apane hee hathon ke kam karake paarishram karate haain. log bura kahate haai, ham ashaesht dete haain ve satate haai, ham sahate haain. ve badana karate haai, ham binatee karate haain: ham aj tak jagat ke koode aur sab vastuon kee khurachan kee nai thare haain.. maain tumhen lajjait karate ke liye ye baten naheen likhta, parantu apine pary balak janakar unhen chitat hoon. kyeanki yadi maseeh men tumhare sikhanevale das hajar bhee hote, taubhee tumhare pita bahut se nahee, isaaliye ki maseeh yeesu men susamachar ke dara maain tumhara pita hua. so maain tum se binatee karata hoo, ki meree see chal chalo. isaliye maain ne teemuthaiyus ko jo prabhu men mera pary aur vishvasayogy putra haai, tumhare pas bheja haai, aur vah tumhen maseeh men mera charitra smaran karaaga, jaise ki maain har jagah har aek kaleesiya men upadesh karata hoon. kitanee to use fool gaee haai, manon maain tumhare pas aane hee ka naheen. uparantu prabhu chahe to maain tumhare pas shaeegha hee aunga, aur un foolo huon kee baton ko nahee, parantu un kee samarth ko jan loonga. kyonaki paramashevar ka rajy baton men nahee, parantu samarth men haai. tum kya chahate ho? kya maain chhdee lekar tumhare pas aun ya praem aur namrata kee atma ke sath?

yahan tak sunane men ata haai, ki tum men vyaabhaichar hota haai, baran aeesa vyabhaichar jo anyajatiyon men bhee naheen hota, ki aek manushy apane pita kee patnee ko rakhta haai. aur tum shaek to naheen karate, jis se aeesa kam karanevala tumhare beech men se nikala jata, parantu ghamand karate ho. maain to shareer ke bhav se door tha, parantu atma ke bhav se tumhare sath hokar, mano upasthaati hee dasha men aese kam karanevale ke vishay men yah agyaa de chuka hoon. ki jab tum, aur meree atma, hamare prabhu yeeshu kee samarth ke sath ikatthe ho, to aesa manushy, hamare prabhu yeeshu ke nam se. shareer ke vinash ke liye shautan ko saunpa jaa, taki us kee atma prabhu yeeshu ke din men ud-dhar paae. tumhara ghamand karana achchha naheen kya tum naheen janate, ki thoda sa khmeer poore goondho huae atte ko khmeer kar deta haai. purana khmeer nikal kar, apane ap ko shuuddh karo: ki naya goondha hua atta ban jao taaki tum akhmeeree ho, kyonaki hamara bhee fasah jo maseeh haai, baalidan hua haai. so ao ham utsav men anand manave, n to purane khmeer se aur n burai aur dushittta ke khmeer se, parantu seedhaai aur sachchai kee akhmeeree rottee se.. maain ne apanee patraee men tumhen likha haai, ki vyaabhaichaariyon kee sangaati n karana. yah nahee, ki tum bilakul is jagat ke vyabhaichaariyo, ya lobhaiyo, ya andhor karanevalo, ya mootiapoojakon kee sangaati n karo kyonki is dasha men to tumhen jagat men se nikal jana hee padta. mera kahana yah haai ki yadi koi bhai kahalakar, vyaabhaicharee, ya lobhee, ya mootiapoojak, ya galee denevala, ya piyakkad, ya andhor karanevala ho, to us kee sangaati mat karana baran aese manushy ke sath khana bhee n khana. kyonaki mujhe baharavalon ka nyay karane se kya kama? kya tum bheetaravalon ka nyay naheen karate? parantu baharavalon ka nyay parameshvar karata haai: isaaliye us kukarmee ko apane beech men se nikal do..

kya tum men se kisee ko yah hiya haai, ki jab doosare ke sath jhgada ho, to faaisale ke liye aadhairmiyon ke pas jaae aur paavitra lagon ke pas n jaae? kya tum naheen janate, ki pavitra log jagat ka nyay karenge? so jab tumhen jagat ka nyay karana hee, to kya tum chhotte se chhotte jhgadon ka bhee nirny karane ke yogy naheen? kya tum naheen janate, ki ham svar-gadooton ka nyay karenge? to kya sansarik baton ka nirny karana ho, to kya unheen ko baaittaoge jo kaleeasiya men kuchh naheen samajhe jate haain? so yaadi tumhen sansarik baton ka nirny karana ho, to kya unheen ko baaittaoge jo kaleeasiya men kuchh naheen samajhe jate haain? maain tumhen lajjait karane ke liye yah kahata hoon: kya sachamuch tum men se aek bhee buddhmaian naheen milata, jo apane bhaiyon ka nirny kar sake? baran bhai bhai men mukama hota haai, aur vah bhee avishvasiyan ke samhane. parantu sachamuch tum men bada dosh to yah haai, ki apas men mukama karate ho: baran anyay kyon naheen sahate? apanee hani kyon naheen

sahate? baran anyay karate aur hani pahunchate ho, aur vah bhee bhaiyon ko. kya tum naheen janate, ki anyaeve log parameshvar ke rajy ke varis n honge? dhaekha n khao, n veshyagamee, n mootiapoojak, n parasreegamee, n luchche, n purooshagamee. n chor, n lobhee, n piyakkad, n galee denevale, n andhor karanevale parameshvar ke rajy ke vaaris honge. aur tum men se kitane aeese hee the, parantu tum prabhu yeeshu maseeh ke nam se aur hamare parameshvar ke atma se dhaee gaa, aur pavitra huae aur dharmee tthare.. sab vastuaen mere liye uchit to haai, parantu sab vastuaen labh kee nahee, sab vastuen mere liye uchit haai, parantu maain kisee bat ke adhaeen n hoonga. bhajan pett ke liye, aur pett bhajan ke liye haai, parantu parameshvar is ko aur us ko donon ko nash karega, parantu deh vyaabhaichar ke liye nahee, baran prabhu ke liye aur prabhu deh ke liye haai. aur parameshvar ne apanee samarth se prabhu ko jilaya, aur hamen bhee jilaega. kya tum naheen janate, ki tumharee deh maseeh ke ang haain? so kya maain maseeh ke ang lekar unhen veshya ke ang banaun? kadaapi naheen. kya tum naheen janate, ki jo koi veshya se sangaati karata haai, vah usake sath aek tan ho jata haai kyonki vah kahata haai, ki ve donon aek tan honge. aur jo prabhu kee sangaati men rahata haai, vah usake sath aek atma ho jata haai. vyabhaichar se bache raho: jitane aur pap manushy karata haai, ve deh ke bahar haai, parantu vyabhaichar karanevala apanee hee deh ke viroodhdh par karata haai. kya tum naheen janate, ki tumharee deh paavitraatma ka mandair haai jo tum men basa hua haai aur tumhen parameshvar kee or se mila haai, aur tum apane naheen ho? kayonaki dam dekar mol liye gaae ho, isaliye apanee deh ke dara parameshvar kee mahima karo..

un baton ke vishay men jo tum ne likhee, yah achchha haai, ki puroosh sree ko n chhue. parantu vyaabhaichar ke dr se har aek puroosh kee patnee, aur har aek satraee ka pati ho. paati apanee patnee ka hakk poora kare aur vaaise hee patnee bhee apane pati ka. patnee ko apanee deh par aadhaikar naheen par usake pati ka adhaikar haai vaaise hee pati ko bhee apanee deh par adhaikar nahee, parantu patnee ko. tum aek doosare se alag n raho parantu keval kuchh samay tak apas kee sammaati se ki praarthna ke liye avakash mile, aur fir aek sath raho, aesa n ho, ki tumhare ananyam ke karan shautan tumhen prakhe. parantu maain jo yah kahata hoon vah anumati haai n ki agyaa. maain yah chahata hoo, ki jaaisa maain hoo, vaaisa hee sab manushy hon parantu har aek ko parameshvar kee or se vishosh vishosh baradan mile haain kisee ko kisee prakar ka, aur kisee ko kisee aur prakar ka.. parantu maain aavivaahiton aur vidhavaon ke vishay men kahata hoo, ki un ke liye aeese hee rahana achchha haai, jaaisa maain hoon. parantu yadi ve sanyam n kar sake, to vivah karen kyonaki vivah karana kamatur rahane se bhla haai. jin ka byah ho gaya haai, un ko maain nahee, baran prabhu agyaa deta haai, ki patnee apane pati se alag n ho. aur yaadi alag bhee ho jaa, to bin doosara byah kiae rahe ya apane paati se fir mel kar le aur n paati apanee patnee

ko chhode. doosaren se prabhu nahee, parantu maain hee kahata hoo, yadi kisee bhai kee patnee vishvas n rakhtee ho, aur usake sath rahate se prasann ho, to vah use n chhode. aur jis sree ka pati vishvas n rakhta ho, aur usake sath rahane se prasann ho vah paati ko n chhode. kyonaki aeesa paati jo vishvas n rakhta ho, vah patnee ke karan pavitra ttharata haai, aur aeesee patnee jo vishvas naheen rakhtee, paati ke karan paavitra ttharatee haai naheen to tumhare ladkebalen ashuuddh hote, parantu ab to paavitra haain. parantu jo puroosh vishvas naheen rakhta, yaadi vah alag ho, to alag hone do, aeesee dasa men koi bhai ya baahin bandhan men naheen parantu parameshvar ne to hamen mel milap ke liye bulaya haai. kyonaki he sree, too kya janatee haai, ki tum apane pati ka uddhar kara le? aur he puroosha, too kya janata haai ki too apanee patnee ka uddhar kara le? par jausa prabhu ne har aek ko bantta haai, aur parameshvar ne har aek ko bulaya haai vaaisa hee vah chale: aur maain sab kaleesiyaon men aeesea hee ttharatah hoon. jo khtana kiya hu bulaya gaya ho, vah khtanaraahit n bane: jo khtanaraahit bulaya gaya ho, vah khtana n karaae. n khtana kuchh haai, aur n khtanaraahit parantu parameshvar kee agyaon ko manana hee sab kuchh haai. har aek jan jis dasa men bulaya gaya ho, usee men rahe. yaadi too das kee dasa men bulaya gaya ho to chinta n kara parantu yaadi too svatantra ho sake, to aeesea hee kam kara. kyonaki jo das kee dasa men prabhu men bulaya gaya haai, vah prabhu ka svatantra kiya hua haai: aur vaaise hee jo svatantrata kee dasa men bulaya gaya haai, vah maseeh ka das haai. tum dam dekar mol liye gaee ho, manushyon ke das n bano. he bhaiyo, jo koi jis dasa men bulaya gaya ho, vah usee men parameshvar kee sath rahe.. kunvaariyon ke vishay men prabhu kee koi agyaa mujhe naheen milee, parantu vishvasayogy hone ke liye jaaisee daya prabhu ne mujh par kee haai, usee ke anusar sammaati deta hoon. so meree samajh men yah achchha haai, ki ajakal klesh ke karan manushy jaaisa haai, vaaisa hee rahe. yaadi tere patnee haai, to us se alag hone ka yatn n kara: aur yaadi tere patnee nahee, to patnee kee khorj n kara: parantu yadi too byah bhee kare, to pap naheen aur yadi kunvaree byahee jaae to koi pap naheen parantu aeeseon ko shaareerik dukh hoga, aur maain bachana चाहता हूँ. he bhaiyo, maain yah kahata hoo, ki samay kam kiya gaya haai, isaliye chaahiae ki jin ke patnee ho, ve aeese hon mano un ke patnee naheen. aur ronevale aeese ho, mano rote naheen aur anand karanevale aeese ho, mano anand naheen karate aur mol levale aeese ho, ki mano un ke pas kuchh haai naheen. aur is sansar ke baratanevale aeese ho, ki sansar hee ke n ho len kyonki is sansar kee reeti aur vyavahar badalate jate haain. so maain yah चाहता हूँ, ki tumhen chinta n ho: aavivaahit puroosh prabhu kee baton kee chinta men rahata haai, ki prabhu ko kyonkar prasann rakhe. parantu vivaahit manushy sansar kee baton kee chinta men rahata haai, ki apanee patnee ko kis reeti se prasann rakhe. vivaahita aur aavivaahita men bhee bhed haai: avivaahita prabhu kee chinta men rahatee haai, ki vah deh aur atma donon men paavitra ho, parantu vivaahita sansar kee chinta men rahatee haai, ki apane pati ko prasann rakhe.

yah bat tumhare hee labh ke liye kahata hoo, n ki tumhen fansane ke liye, baran isaaliye ki jaaisa sohata haai, vaaisa hee kiya jaae ki tum aek chitt hokar prabhu kee seva men lage raho. aur yaadi koi yah samajhe, ki maain apanee us kunvaree ka hakk man raha hoo, jis kee javanee ddhl chalee haai, aur prayo-jan bhee ho, to jaaisa chahe, vaaisa kare, is men pap nahee, vah usaka byah hone de. parantu jo man men draddh rakhta haai, aur us ko prayo-jan n ho, baran apanee ichchha pooree karane men adhaikar rakhta ho, aur apane man men yah bat ttan lee ho, ki maain apanee kunvaree ladkee ko bin byahee rakoonga, vah achchha karata haai. so jo apanee kunvaree ka byah kar deta haai, vah achchha karata haai aur jo byah naheen kar deta, vah aur bhee achchha karata haai. jab tak kisee sree ka paati jeevit rahata haai, tab tak vah us se bandhaee hui haai, parantu jab usaka pati mar jaa, to jis se chahe vivah kar sakatee haai, parantu keval prabhu men. parantu jesee haai yaadi vaaisee hee rahe, to mere vichar men aur bhee dhany haai, aur maain samajhta hoo, ki parameshvar ka atma mujh men bhee haai..

ab mooraton ke samhane baali kee hui vastuon ke vishay men ham janate haai, ki ham sab ko gyaan haai: gyaan ghamand utpann karata haai, parantu praem se unnaati hotee haai. yaadi koi samajhe, ki maain kuchh janata hoo, to jaaisa janana chahiae vaaisa ab tak naheen janata. parantu yadi koi parameshvar se praem rakhta haai, to use parameshvar pahichanata haai. so mooraton ke samhane baali kee hui vastuon ke khane ke vishay men ham janate haai, ki moorat jagat men koi vastu nahee, aur aek ko chhod aur koi parameshvar naheen. yadhypki akash men aur prathvee par bahut se ishvar kahalate haai, jaaisa ki bahut se ishvar or bahut se prabhu haain. taubhee hamare nikatt to aek hee parameshvar haai: arthata pita jis kee or se sab vastuen haai, aur ham usee ke liye haai, aur aek hee prabhu haai, arthata yeeshu maseeh jis kee dara sab vastuaen hui, aur ham bhee usee ke dara haain. parantu sab ko yah gyaan nahee parantu kitane to ab tak moorat ko kuchh samajhne ke karan mooraton ke samhane bali kee hui ko kuchh vastu samajhkar khate haai, aur un ka vivek nirbal hokar ashuuddh hota haai. bhejan hamen parameshvar ke nikatt naheen pahunchata, yadi ham n khana, to hamaree kuchh haani nahee, aur yadi khaae, to kuchh labh naheen. parantu chaukas raho, aeese n ho, ki tumharee yah svatantrata kaheen nirbalon ke liye ttokar ka karan ho jaae. kyeanki yadi koi tujh gyaanee ko moorat ke mandair men bhojan karate dekhe, aur vah nirbal jan ho, to kya usake vivek men moorat ke samhane bali kee hui vastu ke khane ka hiya n ho jaaega. is reeti se tere gyaan ke karan vah nirbal bhai jis ke liye maseeh mara nash ho jaaega. so bhaiyon ka aparadha karane se or un ke nirbal vivek ko chott dene se tum maseeh ka aparadha karate ho. is karan yadi bhojan mere bhai ko ttokar khailaa, to maain kabhee kisee reeti se mans n khaunga, n ho ki maain apane bhai ke ttokar ka karan banoon.

kya maain svatantra naheen? kya maain praarit naheen? kya maain ne yeeshu ko jo hamara prabhu haai, naheen dekha, kya tum prabhu men mere banaae huae naheen? yaadi maain auron ke liye praerit nahee, taubhee tumhare liye to hoon kyonaki tum prabhu men merese praeritai par chhap ho. jo mujhe janchate haai, un ke liye yeeh mera uttr haai. kya hamen khane-peene ka aadhaikar naheen? kya hamen yah aadhaikar nahee, ki kisee maseeh ke baahin ko byah kar ke liae fire, jaaisa aur praerit aur prabhu ke bhai aur kaafaa karate haain? ya keval mujhe aur baranabas ko adhaikar naheen ki kamai karana chhoden. kaun kabhee apanee girah se khakar sipahee ka kam karata haai: kaun dakh kee baree lagakar usaka fal naheen khata? kaun bhodon kee rakhvalee karake un ka doodha naheen peeta? kya maain ye baten manushy hee kee reeti par bolata hoon? kya vyavastha bhee yahee naheen kahatee? kyonki moosa kee vyavastha men likha haai ki danae men chalute huae baail ka munh n bandhana: kya parameshvar baailon hee kee chinta karata haai? ya vishosh karake hamare liye kahata haai. ha, hamare liye hee likha gaya, kyonki ucht hai, ki jatanevala asha se jote, aur davanevala bhagee hone kee asha se davanee kare. so jab ki ham ne tumhare liye aatmaik vastuen boi, to kya yah koi badee bat haai, ki tumharee shaareerik vastuen kee fasal katten. jab auron ka tum par yah adhaikar haai, to kya hamara is se aadhaik n hoga? parantu ham yah aadhaikar kam men naheen laae parantu sab kuchh sahate haai, ki hamare dara maseeh kee susamachar kee kuchh rok n ho. kya tum naheen janate ki jo pavitra vastuen kee seva karate haai, ve mandair men se khate haain aur jo vedee kee seva karate haain ve vedee kee sath bhagee hote haain? isee reeti se prabhu ne bhee tharaya, ki jo log susamachar sunate haai, un kee jeevika susamachar se ho. parantu maain in men se koi bhee bat kam men n laya, aur maain ne to ye baten isaliye naheen likhee, ki mere liye aeese kiya jaa, kyonaki is se to mera marana hee bhla haai ki koi mera ghamand vyarth tharaae. aur yaadi maain susamachar sunau, to mera kuchh ghamand naheen kyonaki yah to mere liye avashy haai aur yadi maain susamachar n sunau, to mujh par haya. kyonaki yadi apanee ichchha se yah karata hoo, to majadooree mujhe milatee haai, aur yaadi apanee ichchha se naheen karata, taubhee bhindareepan mujhe saunpa gaya haai. so meree kaun se majadooree haai? yah ki susamachar sunane men maain maseeh ka susamachar sent ment kar doon yah an tak ki susamachar men jo mera adhaikar haai, us ko maain pooree reeti se kam men laun. kyonaki sab se svatantra hone par bhee maain ne apane ap ko sab ka das bana diya haai ki adhaik logon ko kheen ch laun. maain yahoodiyon ke liye yahoodee bana ki yahoodiyon ko kheen ch lau, jo log vyavastha kee adhaeen haain un ke liye maain vyavastha kee adhaeen n hone par bhee vyavastha kee adhaeen bana, ki unhen jo vyavastha kee adhaeen haai, kheen ch laun. vyavasthaheenon ke liye maain jo parameshvar kee vyavastha se heen nahee, parantu maseeh kee vyavastha kee adhaeen hoon vyavasthaheen sa bana, ki vyavastha-

heenon ko kheen ch laun. maain nirbalon ke liye nirbal sa bana, ki nirbalon ko kheen ch lau, maain sab manushyon ke liye sab kuchh bana hoo, ki kisee n kisee reeti se kai aek ka uddhar karaun. aur maain sab kuchh susamachar ke liye karata hoo, ki auron ke sath usaka bhagee ho jaun. kya tum naheen janate, ki daud men to chhaudte sab hee haai, parantu inam aek hee le jata haai? tum vaaise hee daudo, ki jeeto. aur har aek pahalavan sab prakar ka sanyam karata haai, ve to aek murajhanevale mukutt ko pane ke liye yah sab karate haai, parantu ham to us mukutt ke liye karate haai, jo murajhane ka naheen. isaliye maain to isee reeti se daudta hoo, parantu beattkaiane nahee, maain bhee isee reeti se mukkon se ladta hoo, parantu us kee nain naheen jo hua peettta hua ladta haai. paranatu maain apnee deh ko marata koottta, aur vash men lata hoon aeese n ho ki auron ko prachar karake, maain ap hee kisee reeti se nikamma tharoon..

ab us chande ke vishay men jo paavitra logon ke liye kiya jata haai, jaaisee agyaa maain ne galatiya kee kaleesiyaon ko dee, vaaisa hee tum bhee karo. saptah ke paahile din tum men se har aek apanee amadnee ke anusar kuchh apane pas rakh chhoda kare, ki mere ane par chanda n karana pade. aur jab maain aunga, to jinhen tum chahoge unhen maain chitthiyan dekar bhej doonga, ki tumhara dan yarooshalem pahuncha den. aur yaadi mera bhee jana uchit hua, to ve mere sath jaenge. aur maain makiduniya hokar to jana hee haai. parantu sambhv haai ki tumhare yahan hee tthar jaun aur sharad retu tumhare yanha ka-too, tab jis or mera jana ho, us or tum mujhe pahuncha do. kyonaki maain ab marga men tum se bhentt karana naheen chahata parantu mujhe asha haai, ki yadi prabhu chahe to kuchh samay tak tumhare sath rahoonga. paranatu maain peantaikust tak ifisus men rahoonga. kyonaki mere liye aek bada aur upayogee dar khula haai, aur virodhae bahut se haain.. yaadi teemuthaiyus a jao, to dekha, ki vah tumhare yahan nidr rahe kyonki vah meree nai prabhu ka kam karata haai. isaliye koi use tuchh n jane, parantu use kushal se is or pahuncha dena, ki mere pas a jae kyonaki maain us kee batt joh raha hoo, ki vah

bhaiyon ke sath aae. aur bhai apullos se maain ne bahut binatee kee haai ki tumhare pas bhaiyon ke sath jaae parantu us ne us samay jane ke kuchh bhee ichchha n kee, parantu jab avasar paaega, tab a jaaega. jagate raho, vishvas men sthiar raho, purooshaarth karo, balavant hoo. jo kuchh karate ho praem se karo.. he bhaiyo, tum staifanas ke gharane ko janate ho, ki ve akhya ke pahile fal haai, aur pavitra logon kee seva ke liye taaiyar rahate haain. so maain tum se binatee karata hoon ki aeeson ke adhaeen raho, baran har aek ke jo is kam men paarishramee aur sa-hakarmee haain. aur maain staifanas aur fooratoona-tus aur akhikus ke ane se anaandait hoo, kyonki un-hon ne tumharee dhattee ko pooree kee haai. aur un-hon ne meree aur tumharee atma ko chaain diya haai isaliye aeeson ko mano.. aasiya kee kaleesiyaon kee or se tum ko namaskara akvaila aur pirsaka ka aur un ke ghar kee kaleesiya ko bhee tum ko prabhu men bahut bahut namaskara. sab bhaiyon ka tum ko namaskara: paavitra chumban se apas men namaskar karo.. mujh paulus ka apane hath ka likha hua namaskara: yadi koi prabhu se praem n rakhe to vah srapit ho. hamara prabhu anevala haai. prabhu yeeshu maseeh ka anu-grah tum par hota rahe. mera praem maseeh yeeshu men tum sab se rahe. ameena..

paulus kee or se jo parameshvar kee ichchha se maseeh yeeshu ka praearit haai, aur bhai teemuthaiyus kee or se parameshvar kee us kaleesiya ke nam jo kuarinthus men haai aur sare akhma ke sab pavitra lagon ke nama.. hamare pita parameshvar aur prabhu yeeshu maseeh kee or se anugrah aur shaaantai milatee rahe.. hamare prabhu yeeshu maseeh ke parameshvar, aur pita ka dhanyavad ho, jo daya ka pita, aur sab prakar kee shaaantai ka parameshvar haai. vah hamare sab kleshaen men shaaantai deta haai taki ham us shaaantai ke karan jo parameshvar hamen deta haai, unhen bhee shaaantai de sake, jo kisee prakar ke klesh men hon. kyonaki jaaise maseeh ke dukh ham ko aadhaik hote haai, vaaise hee hamare shaaantai bhee maseeh ke dara adhaik hatee haai. yaadi ham klesh pate haai, to yah tumharee shaaantai aur uddhar ke liye haai aur yaadi shaaantai pate haai, to yah tumharee shaaantai ke liye haai jis ke prabhav se tum dhaeraj ke sath un kleshaen ko sah lete ho, jinhen ham bhee sahate haain. aur hamaree asha tumhare vishay men draddh haai kyonaki ham janate haai, ki tum jaaise dukhon ke vaaise hee shaaantai ke bhee sahabhagee ho. he bhaiyo, ham naheen chahate ki tum hamare us klesh se anajan raho, jo aasiya men ham par pada, ki aeese bharee bojh se dab gaee the, jo hamaree samarth se bahar tha, yahan tak ki ham jeevan se bhee thak dhae baaitte the. baran ham ne apane man men samajh liya tha, ki ham par mratyuu kee agya ho chukee haai ki ham apana bhrosa n rakhe, baran parameshvar ka jo mare huon ko jilata haai. usee ne hamen aeese badee mratyuu se bachaya, aur bachaega aur us se hamaree yah asha haai, ki vah age ko bhee bachata rahega. aur tum bhee milakar praarthna ke dara hamaree sahayata karoge, ki jo baradan bahuton ke dara hamen mila, usake karan bahut log hamaree or se dhanyavad karen.. kyonaki ham apane vivek kee is gavahee par ghamand karate haai, ki jagat men aur vishosh grakame tumhare beech hamara chaaritra parameshvar ke yogy aeese paavitrata aur sachchai saahit tha, jo shaareerik gyaan se nahee, parantu parameshvar ke anugrah ke sath tha. ham tumhen aur kuchh naheen likhte, keval vah jo tum paddhte ya manate bhee ho, aur mujhe asha haai, ki ant tak bhee manate rahoge. jaaisa tum men se kitanon ne man liya haai, ki ham tumhare ghamand ka karan haai vaaise tum bhee prabhu yeeshu ke din hamare liye ghamand ka karan thharoge.. aur is se bhrose se maain chahata tha ki pahile tumhare pas aun ki tumhen aek aur dan mile. aur tumhare pas se hokar maaiduaniya ko jau, aur tum mucche yahoodiya kee or kud door tak pahunchao. isaliye maain ne jo yah ichchha kee thee to kya maain ne chanchalata dikhai? ya jo karana chahata hoon kya shareer ke anusar karana chahata hoo, ki maain bat men ha, han bhee karoon aur naheen naheen bhee karoon? parameshvar sachcha gavah haai, ki hamare us vachan men jo tum se kaha han aur naheen danon pai naheen jateen. kyonaki parameshvar ka putra yeeshu maseeh jisaka hamare dara arthata mere aur silavanus aur teemuthaiyus ke dara tumhare beech

meen prachar hua us men han aur naheen donon n thee parantu, us men han hee han hai. kyonaki parameshvar kee jitanee pratigyaanen haai, ve sab usee men han ke sath haain: isaliye usake dara ameen bhee hui, ki hamare dara parameshvar kee maahima ho. aur jo hamen tumhare sath maseeh men draddh karata haai, aur jis ne hamen aabhaishok kiya vahee parameshvar haai. jis ne ham par chhap bhee kar dee haai aur bayan men atma ko hamare manon men diya.. maain parameshvar ko gavah karata hoo, ki maai ab tak kurinthus men isaliye naheen aya, ki mujhe tum par taras ata tha. yah nahee, ki ham vishvas ke vishay men tum par prabhuta jatana chahate haain parantu tumhare anand men sahayak haain kyonki tum vishvas hee se sthiar rahate ho.

maainne apane man men yahee ttan liya tha ki fir tumhare pas udas hokar n aun. kyonaki yadi maain tumhen udas karoo, to mujhe anand denevala kaun hoga, keval vahee jis ko maain ne udas kiya? aur maain ne yahee bat tumhen isaliye likhee, ki haheen aeese n ho, ki mere ane par jin se anand milana chahia, maain un se udas houn kyonaki mujhe tum sab par is bat ka bhrosa haai, ki jo mera anand haai, vahee tum sab ka bhee haai. bade klesha, aur man ke kasht se, maain ne bahut se ansu baha bahakar tumhen likha, isaliye nahee, ki tum udas ho, parantu isaliye ki tum us bade praem ko jan lo, jo mujhe tum se haai.. aur yaadi kisee ne udas kiya haai, to mujhe hee naheen baran ki usake sath bahut kadai n karoon kuchh kuchh tum sab ko bhee udas kiya haai. aeese jan ke liye yah dand jo bhaiyon men se bahuton ne diya, bahut haai. isaliye is se yah bhla haai ki usaka aparadha kshama karo aur shaaantai do, n ho ki aeese manushy udasee men oob jaae. is karan maain tum se binatee karata hoo, ki us ko apane praem ka praman do. kyonaki maain ne isaliye bhee likha tha, ki tumhen parakh loo, ki sab baton ke manane ke liye taaiyar ho, ki naheen. jis ka tum kuchh kshama karate ho us maain bhee kshama karata hoo, kyonki maain ne bhee jo kuchh kshama kiya haai, yadi kiya ho, to tumhare karan maseeh kee jagah men hokar kshama kiya haai. ki shautan ka ham par danv n chale, kyonki ham us kee yuktaiyon se anajan naheen. aur jab maain maseeh ka susamachar, sunane ko traees men aya, aur prabhu ne mere liye aek dar khol diya. to mere man men chaain ne mila, isaliye ki maain ne apane bhai titus ko naheen paya so un se vida hokar maain maaiduaniya ko chala gaya. parantu parameshvar ka dhanyavad ho, jo maseeh men sada ham ko jay ke utsav men liye firata haai, aur apane gyaan ka sugandha hamare dara har jagah faailata haai. kyonaki ham parameshvar ke nikatt uddhar panevalo, aur nash honevalo, dono ke liye maseeh ke sugandha haain. kitano ke liye to marane ke nimitt mranyu kee gandha, aur kitano ke liye jeevan ke nimitt jeevan kee sugandha, aur in baton ke yogy kaun haai? kyonaki ham un bahuton ke saman nahee, jo parameshvar ke vachan men milavatt karate haain parantu man kee sachchai se, aur parameshvar kee or se parameshvar ko upaasthiat janakar maseeh men bolate haain..

kya ham fir apanee badai karane lage? ya hamen kitanon ki nai sifaarish kee paatraiyen tumhare pas laneey ya tum se lenee haain? hamaree patraee tum hee ho, jo hamare dayon par likhee hui haai, aur use sab manushy pahichanate aur paddhte haai. yah pragatt haai, ki tum maseeh kee patraee ho, jis ko ham ne sevakon kee nai likha aur jo siyahee se nahee, parantu jeevate parameshvar kee atma se patthr kee paattyaaien par nahee, parantu day kee mans roopee paattyaaien par likhee haai. ham maseeh kee dara parameshvar par aeesa hee bhrosa rakhte haain. yah nahee, ki ham apane ap se is yogy haai, ki apanee or se kisee bat ka vichar kar saken par hamaree yogyata parameshvar kee or se haai. jis ne hamen nai vacha ke sevak hone ke yogy bhee kiya, shabd ke sevak naheen baran atma ke kyonaki shabd marata haai, par atma jilata haai. aur yahad mratyu kee yah vacha jis ke akshar patthron par khod gaae the, yahan tak tejomay hui, ki moosa kee munh par ke tej ke karan jo ghattta bhee jata tha, israel usake munh par draashtti naheen kar sakate the. to atma kee vacha aur bhee tejomay kyon n hogee? kyonaki jab doshaee ttharanevalee vacha tejomay thee, to dharmee ttharanevalee vacha aur bhee tejomay kyon n hogee? aur jo tejomay tha, vah bhee us tej ke karan jo us se baddhkar tejomay tha, kuchh tejomay n tthara. kyonaki jab vah jo ghattta jata tha tejomay tha, to vah jo sthiar rahega, aur bhee tejomay kyon n hoga? so aeesee asha rakhhkar ham hiyaav kee sath bolate haain. aur moosar kee nain nahee, jis ne apane munh par parada dala tha taki israaelee us ghattnevalee vastu ke ant ko n dekhnen. parantu ve matimand ho gaa, kyonaki aj tak purane niyam kee paddhte samay un ke dayon par vahee parada pada rahata haai par vah maseeh men utt jata haai. aur aj tak jab kabhee moosa kee pustak paddhee jatee haai, to un ke day par parada pada rahata haai. parantu jab kabhee un ka day prabhu kee or firega, tab vah parada utt jaaega. prabhu to atma haai: aur jahan kaheen prabhu ka atma haai vahan svatantrata haai. parantu jab ham sab ke ughaade chehare se prabhu ka pratap is prakar pragatt hota haai, jis prakar darpan me, to prabhu kee dara jo atma haai, ham usee tejasvee roop men ansh ansh kar ke badalate jate haain..

isaliye jab ham par aeesee daya hui, ki hamen yah seva milee, to ham hiyaav naheen chhodte. parantu ham ne lajja ke gupt kamon ko tyag diya, aur n chaturai se chalate, aur n parameshvar kee vachan men milavatt karate haai, parantu sathy ko pragatt karake, parameshvar kee samhane har aek manushy kee vivek men apanee bhilai baaitate haain. parantu yadi hamaree susamachar par parada pada haai, to yah nash honevalon hee kee liye pada haai. aur un aavishvasiyon kee liye, jin kee buddh iko is sansar kee ishvar ne andhaee kar dee haai, taki maseeh jo parameshvar ka praatiroop haai, usake tejomay susamachar ka prakash un par n chamake. kyonaki ham apane ko nahee, parantu maseeh yeeshu ko prachar karate haai, ki vah prabhu haai aur usake vishay men yah

kahate haai, ki ham yeeshu ke karan tumhare sevak haain. isaliye ki parameshvar hee haai, jis ne kaha, ki andhakar men se jyoti chamake aur vahee hamare dayon men chamaka, ki parameshvar kee mahima kee paahichan kee jyoti yeeshu maseeh ke chehare se prakashaman ho.. parantu mahare pas yah dhan mitthee kee baratanon men rakha haai, ki yah aseem samarth hamaree or se nahee, baran parameshvar hee kee or se tthare. ham charon or se klesh to bhogate haai, par sankatt men naheen padte niroopay to haai, par nirash naheen hote. sataae to jate haain par tyage naheen jate giraee to jate haai, par nash naheen hote. ham yeeshu kee mratyu ko apanee deh men har samay liye firate haain ki yeeshu ka jeevan bhee hamaree deh men pragatt ho. kyonaki ham jeete jee sarvada yeeshu ke karan mratyu kee hath men saunpe jate haain ki yeeshu ka jeevan bhee hamaree maranahar shareer men pragatt ho. so mratyu to ham par prabhav dalatee haai aur jeevan tum para. aur isaliye ki ham men vahee vishvas kee atma haai, jis ke vishay me likha haai, ki maain ne vishvas kiya, isaliye maain bola so ham bhee vishvas karate haai, isee liye bolate haain. kyonaki ham jatane haai, jis ne prabhu yeeshu ko jilaya, vahee hamen bhee yeeshu men bhagee janakar jilaage, aur tumhare sath apane samhane upaasthiat karega. kyonaki sab vastuen tumhare liye haai, taki anugrah bahuton kee dara aadhaik hokar parameshvar kee maahima kee liye dhanyavad bhee baddhaee.. isaliye ham hiyaav naheen chhodte yadhyapi hamara baharee manushyatv nash bhee hota jata haai, taubhee hamara bheetaree manushyatv din pratidin naya hota jata haai. kyonaki hamara pal bhr ka halka sa klesh hamare liye bahut hee mahatvapoom aur anant jeevan maahima utpann karata jata haai. aur ham to dekhee hui vastuon ko naheen parantu anadekhee vastuon ko dekhte rahate haai, kyonki dekhee hui vastuen thode hee din kee haai, parantu anadekhee vastuen sada banee rahatee haain.

kyonaki ham janate haai, ki jab hamara prathvee par ka dera sareekha ghar giraya jaaega to hamen parameshvar kee or se svarga par aek aeesa bhvan milega, jo hathon se bana hua ghar naheen parantu chirasthai haai. is men to ham kaharate, aur badee lalasa rakhte haain ki apane sargeey ghar ko pahin len. ki is ke pahinane se ham nange n paae jaaen. aur ham is dere men rahate huae boj se dabe kaharate rahate haain kyonaki ham utarana nahee, baran aur paahinana chahate haai, taki vah jo maranahar haai jeevan men oob jaae. aur jis ne hamen isee bat kee liye taaiyar kiya haai vah parameshvar haai, jis ne hamen bayane men atma bhee diya haai. so ham sada ddhaddhs bandho rahate haain aur yah janate haain ki jab tak ham deh men rahate haai, tak tak prabhu se alag haain. kyonaki ham roop ko dekhkar nahee, par vishvas se chalate haain. isaliye ham ddhaddhs bandho rahate haai, aur deh se alag hokar prabhu kee sath rahana aur bhee uttm samajhte haain. is karan hamaree man kee umang yah haai, ki chahe sath rahe, chahe alag rahen par ham use bhate rahen. kyonaki avashy haai, ki ham sab ka hal maseeh kee nyay asan kee samhane

khul jaa, ki har aek vyaaktaai apane apane bhle bure kamon ka badala jo us ne deh ke dara kiae hon paae.. so prabhu ka bhy manakar ham logon ko samajhate haain aur parameshvar par hamara hal pragatt haai aur meree asha yah haai, ki tumhare vivek par bhee pragatt hua hoga. ham fir bhee apanee badai tumhare samhane naheen karate baran ham apane vishay men tumhen ghamand karane ka avasar dete haai, ki tum unhen uttr de sako, jo man par nahee, baran dikhvat-tee baton par ghamand karate haain. yaadi ham besudha haai, to parameshvar ke liye aur yaadi chaaitany haai, to tumhare liye haain. kyonaki maseeh ka praem hamen vivash kar deta haai isaaliye ki ham yah samajhte haai, ki jab aek sab ke liye mara to sab mar gaae. aur vah is nimmitt sab ke liye mara, ki jo jeevit haai, ve age ko apane liye n jeean parantu usake liye jo un ke liye mara aur fir jee utta. so ab se ham kisee ko shareer ke anusar n samajhenge, aur yaadi ham ne maseeh ko bhee shareer ke anusar jana tha, taubhee ab se us ko aeesa naheen janenge. so yaadi koi maseeh men haai to vah nai sraashtti haai: puranee baten beet gai haain dekho, ve sab nai ho gain. aur sab baten parameshvar kee or se haai, jis ne maseeh ke dara apane sath hamara mel milap kee seva hamen saunp dee haai. arthata parameshvar ne maseeh men hokar apane sath sansar ka mel milap kar liya, aur un ke aparadhaen ka dosh un par naheen lagaya aur us ne mel milap ka vachan hamen saunp diya haai.. so ham maseeh ke rajadoot haain mano parameshvar hamare dara samajhata haai: ham maseeh kee or se nivedan karate haai, ki parameshvar ke sath mel milap kar lo. jo pap se agyaat tha, usee ko us ne hamare liye pap tharaya, ki ham us men hokar parameshvar kee dhaarmikata ban jaaen..

aur ham jo usake sahakarmee haain yah bhee samajhate haai, ki parameshvar ka anuganh jo tum par hua, vyarth n rahane do. kyonaki vah to kahata haai, ki apanee prasannata ke samay maain ne teree sahayata kee: dekho, abhee uddhar ka din haai. ham kisee bat men ttokar khane ka koi bhee avasar naheen dete, ki hamaree seva par koi dosh n aae. parantu har bat men parameshvar ke sevakon kee nai apane sada-gunon ko pragatt karate haai, bade dhaurya se, kle-shaen se, daridrata se, sankatto se. kode khane se, kaaid hone se, hulladon se, parishram se, jagate rahane se, upavas karane se. paavitrata se, gyaan se, dhaeeraj se, krapaluta se, paavitra atma se. sachche praem se, saty ke vachan se, parameshvar kee samarth se dhaaarmikata ke hathaiyaron se jo dahine, baaen haain. adar aur niradar se, duranam aur sunam se, yadhyipi bhramanevalon ke aeese maloom hote haain taubhee sachche haain. anajanon ke sadrashy haain taubhee praasiddh haain marake huon ke aeese haain aur dekhon jeevit haain marakhanevalon ke sadrash haain parantu praan se mare naheen jate. shaek karanevale ke saman haai, parantu sarvada anand karate haai, kangalon ke aeese haai, parantu bahun-ton ko dhanavan bana dete haain aeese haain jaaise hamare pas kuchh naheen taubhee sab kuchh rakhte haain. he kuarinthiayo, ham ne khulakar tum se

baten kee haai, hamara day tumharee or khula hua haai. tumhare liye hamare man men kuchh sake-tee nahee, par tumhare hee manon men sakette haai. par apane ladke-bale janakar tum se kahata hoo, ki tum bhee usake badale men apana day khol do. aav-ishvasiyon ke sath asaman jooae men n juto, kyonki dhaaarmikata aur adharma ka kya mel jola? ya jyoti aur andhakar kee kya sangati? aur maseeh ka baliyal ke sath kya lagava? ya vishvasee ke sath aavishvasee ka kya nata? aur mooraton ke sath parameshvar ke mandair ka kya sambandha? kyonaki ham to jeevate parameshvar ka mandair haain jaaisa parameshvar ne kaha haai ki maain un men basoonga aur un men chala fira karoonga aur maain un ka parameshvar hoonga, aur ve mere log hongee. isaliye prabhu kahata haai, ki un ke beech men se nikalo aur alag raho aur ashuuddh vastu ko mat chooo, to maain tumhen grahan karoonga. aur tumhara pita hoonga, aur tum mere bette aur bettyaen hoge: yah sarvashaktaiman prabhu parameshvar ka vachan haai..

so he pyaro jab ki ye pratigyaaen hamen milee haai, to ao, ham apane ap ko shareer aur atma kee sab malinata shuuddh kare, aur parameshvar ka bhy rakhte huae paavitrata ko siddh karen.. hamen apane day men jagah do: ham ne n kisee se anyay kiya, n kisee ko bigada, aur n kisee ko ttga. maain tumhen doshae ttharane ke liye yah naheen kahata: kyonki maain paahile hee kah chooka hoo, ki tum hamare day men aeese bas gaae ho ki ham tumhare sath marane jeene ke liye taaiyar haain. maain tum se bahut hiyav ke sath bol raha hoo, mujhe tum par bada ghamand haai: maain shaantai se bhr gaya hoon apane sare klesh men maain anand se aati bhrapoor rahata hoon.. kyonaki jab ham makiduaniiya men aa, tab bhee hamare shareer ko chaain naheen mila, parantu ham charon or se klesh pate the bahar ladaiyan thee, bheetar bhyankar baten thee. taubhee danon ko shaantai denevale parameshvar ne titus ke ane se ham ko shaaantai dee. aur n keval usake ane se parantu us kee us shaantai se bhee, jo us ko tumharee or se milee thee aur us ne tumharee lalasa, aur tumhare dukh or mere liye tumharee dhaun ka samachar hamen sunaya, jis se mujhe aur bhee anand hua. kyoki yadhyapi maain ne apanee patraee se tumhen shaekit kiya, parantu us se pachhtata naheen jaaisa ki pahile pachhtata tha kyonki maain dekhta hoo, ki us patraee se tumhen shaek to hua parantu vah thodee der ke liye tha. ab maain anaandait hoon par isaliye naheen ki tum ko shaek pahuncha baran isaliye ki tum ne us shaek ke karan man firaya, kyonki tumhara shaek parameshvar kee ichchha ke anusar tha, ki hamaree or se tumhen kisee bat men haani n pahunche. kyonaki parameshvara-bhaktai ka shaek aeese pashchatap utpann karata haai jis ka parinam uddhar haai aur fir us se pachhtana naheen padta: parantu sansaree shaek mratyu utpann karata haai. so dekho, isee bat se ki tumheen parameshvara-bhktai ka shaek hua tum men kitanee uttejana aur pratyattr aur ris, aur bhy, aur lalasa, aur dhaun aur palaa lene ka vichar utpann hua? tum ne sab prakar se yah siddh kar

dikhaya, ki tum is bat men nirdosh ho. fir maain ne jo tumhare pas likha tha, vah n to usake karan likha, jis ne anyay kiya, aur n usake karan jis par anyay kiya gaya, parantu isaliye ki tumharee uttejana jo hamare liye haai, vah parameshvar ke samhane tum par pragatt ho jaae. isaliye hamen shaaantai hui aur hamaree is shaantai ke sath titus ke anand ke karan aur bhee anand hua kayonaki usaka jee tum sab ke karan hara bhra ho gaya haai. kyonaki yadi maain ne usake samhane tumhare vishay men kuchh ghamand dikhaya, to lajjait naheen hua, parantu jaaise ham ne tum se sab baten sach sach kah dee thee, vaaise hee hamara dhamand dikhana titus ke samhane bhee sach nikala. aur jab us ko tum sab ke agyaakaree hone ka smaran ata haai, ki kyonkar tum ne drate aur kanpate huae us se bhentt kee to usaka praem tumharee or aur bhee baddhta jata haai. maain anand karata hoo, ki tumharee or se mujhe har bat men ddhaddhs hota haai..

ab he bhaiyo, ham tumhen parameshvar ke us anugrah ka samachar dete haai, jo makiduaniya kee kaleesiyaon par hua haai. ki klesh kee badee pareeksha men un ke bade anand aur bharee kangalapan ke baddh jane se un kee udarata bahut baddh gai. aur unake vishay men meree yah gavahee haai, ki unhon ne apanee samarth bhr baran samarth se bhee bahar man se diya. aur is dan men aur paavitra logon kee seva men bhagee hone ke anugrah ke vishay men ham se bar bar bahut binatee kee. aur jaaise ham ne agyaa kee thee, vaaise hee nahee, baran unhon ne prabhu ko, fir parameshvar kee ichchha se ham ko bhee apane tai de diya. isaliye ham ne titus ko samajhaya, ki jesa us ne paahile arambh kiya tha, vaaise hee tumhare beech men is dan ke kam ko poora bhee kar le. so jaaise har bat men arthata vishvas, vachan, gyaan aur sab prakr ke yatn me, aur us praem me, jo ham se rakhte ho, baddhte jate ho, vaaise hee is dan ke kam men bhee baddhte jao. maain agyaa kee reeat par to nahee, parantu aur ke utsah se tumhare praem kee sachchai ko parakhne ke liye kahata hoon. tum hamare prabhu yeesu maseeh ka anugrah janate ho, ki vah dhanee hokar bhee tumhare liye kangal ban gaya taki usake kangal ho jane se tum dhanee ho jao. aur is bat men mera vichar yahee haai, kyonaki yah tumhare liye achchha haai jo aek varsha se n to keval is kam ko karane hee me, parantu is bat ke chahane men bhee pratham huae the. isaliye ab yah kam poora karo ki ichchha karane men tum taaiyar the, vaaise hoo apanee apanee poonjee ke anusar poora bhee karo. kayonaki yadi man kee taaiyaree ho to dan usake anusar grahan bhee hota haai jo usake pas haai n ki usake anusar jo usake pas naheen. yah naheenkhi ki auro ko chaain aur tum ko klesh mile. paranatu barabaree ke vichar se is samay tumharee baddhtee unakee ghattee men kam aa, taki un kee baddhtee bhee tumharee ghattee men kam aa, ki barabaree ho jaae. jesa likha haai, ki jis ne bahut battora usaka kuchh aadhaik n nikala aur jis ne thoda battora usaka kuchh kam n nikala.. aur parameshvar ka dhanyavad ho, jis ne tumhare liye vahee utsah titus ke day men

dal diya haai. ki us ne hamara samajhana man liya baran bahut utsahee hokar vah apanee ichchha se tumhare pas gaya haai. aur ham ne usake sath us bhai ko bheja haai jis ka nam susamachar ke vishay men sab kaleesiya men faaila hua haai. aur itana hee nahee, parantu vah kaleesiya se ttharaya bhee gaya ki is dan ke kam ke liye hamare sath jaae aur ham yah seva isaliye karate haai, ki prabhu kee maahima aur hamare man kee taaiyaree pragatt ho jaae. ham is bat men chaukas rahate haai, ki is udarata ke kam ke vishay men jis kee seva ham karate haai, koi ham par dosh n lagate paae. kyeanki jo baten keval prabhu hee ke nikatt nahee, parantu manushyon ke nikatt bhee bhlee haain ham un kee chinta karate haain. aur ham ne usake sath apane bhai ko bheja haai, jis ko ham ne bar bar parakh ke bahut baton men utsahee paya haai parantu ab tum par us ko bada bhrosa haai, is karan vah aur bhee aadhaik utsahee haai. yaadi koi titus ke vishay men poochhe, to vah mera sathee, aur tumhare liye mera sahakarmee haai, aur yadi hamare bhaiyon ke vishay men poochhe, to ve kaleesiyaon ke bheje huae aur maseeh kee maahima haain. so apana praem aur hamara vah ghamand jo tumhare vishay men haai kaleesiyaon ke samhane unhen siddh karake dikhao..

9

ab us seva ke vishay men jo paavitra logon ke liye kee jatee haai, mujhe tum ko likhna avashy naheen. kyonaki maain tumhare man kee taaiyaree ko janata hoo, jis ke karan maain tumhare vishay men maakiduanion ke samhane ghamand dikhata hoo, ki akhya ke log aek varsha se taaiyar huae haai, aur tumhare utsah ne aur bahuton ko bhee ubhara haai. parantu maain ne bhaiyon ko isaliye bheja haai, ki ham ne jo ghamand tumhare vishay men dikhaya, vah is bat men vyarth n tthare parantu jaaisa maain ne kaha vaaise hee tum taaiyar ho raho. aeesa n ho, ki yadi koi maakidunee mere sath aa, aur tumhen taaiyar n paa, to kya jane, is bhrose ke karan ham yah naheen kahate ki tuma lajjait hon. isaliye maain ne bhaiyon se yah binatee karana avashy samajha ki ve pahile se tumhare pas jaae, aur tumharee udarata ka fal jis ke vishay men paahile se vachan diya gaya tha, taaiyar kar rakhe, ki yah dabav se naheen parantu udarata ke fal kee nai taaiyar ho.. parantu bat to yah haai, ki jo thoda bota haai vah thoda kattega bhee aur jo bahut bota haai, vah bahut kattega. har aek jan jaaisa man men tane vaaisa hee dan kareddh n kuddh kuddh ke, aur n dabav se, kyonki parameshvar harsha se denevale se praem rakhta haai. aur parameshvar sach prakr ka anugrah tumhen bahutayat se de sakata haai jis se har bat men aur har samay, sab kuch, jo tumhen avashyak ho, tumhare pas rahe, aur har aek bhle kam ke liye tumhare pas bahut kuchh ho. jesa likha haai, us ne bithraya, us ne kangalon ko dan diya, usaka dharma sada bana rahaga. so jo bonevale ko beej, aur bhojan ke liye rottee deta haai vah tumhen beej dega, aur use falavatn karega aur tumhare dharma ke falon ko baddhaega. ki tum har bat men sab prakr kee udarata ke liye jo hamare dara parameshvar ka dhanyavad karavatee haai, dhanavan kiae jao. kyonaki is seva ke poora karane se,

n keval paavitra logon kee ghattyaiyan pooree hotee haai, parantu logon kee or se parameshvar ka bahut dhanyavad hota haai. kyonaki is seva se praman lekar parameshvar kee maahima pragatt karate haai, ki tum maseeh kee susamachar ko man kar usake adhaen rahate ho, aur un kee, aur sab kee sahayata karane men udarata pragatt karate rahate ho. or ve tumhare liye praarthna karate haain aur isaaliye ki tum par parameshvar ka bada hee anugrah haai, tumharee lalasa karate rahate haain. parameshvar ko usake us dan ke liye jo varnn se bahar haai, dhanyavad ho..

10

maain vahee paulus jo tumhare samhane deen hoo, parantu peett peechhe tumharee or sahas karata hoon tum ko maseeh kee namrata, aur komalata kee karan samajhata hoon. maain yah binatee karata hoo, ki tumhare samhane mujhe nirbhay hokar sahas karana n pade jaaisa maain kitanon par jo ham ko shareer ke anusar chalaneevale samajhte haai, veerata dikhane ka vichar karata hoon. kyonaki yadhyapi ham shareer men chalute firate haai, taubhee shareer ke anusar naheen ladte. kyeaaki hamaree ladai ke haathaiyar shaareerik nahee, par gaddhon ko ddha dene ke liye parameshvar kee dara samarthee haain. so ham kalpanaon ko, aur har aek unchee bat ko, jo parameshvar kee paahichan ke virodh men uttee haai, khndn karate haain aur har aek bhavana ko kaaid karake maseeh ka agyaakaree bana dete haain. aur taaiyar rahate haain ki jab tumhara agyaa manana poora ho jaa, to har aek prakar ke agyaa n manane ka palatta len. tum inheen baton ko dakhate ho, jo ankhon ke samhane haai, yadi kisee ka apne par yah bhrosa ho, ki maain maseeh ka hoo, to vah yah bhee jan le, ki jaaisa vah maseeh ka haai, vaaise hee ham bhee haain. kyonaki yadi maain us aadhaikar ke vishay men aur bhee ghamand dikhaau, jo prabhu ne tumhare bigadne ke liye naheen par banane ke liye hamen diya haai, to lajjait n hoonga. yah maain isaaliye kahata hoo, ki patraiyan ke dara tumhen dranevala n ttharoon. kyonaki kahate he, ki us kee patraiyan to gambheer aur prabhavashalee haain parantu jab dekhte haai, to vah deh ka nirbal aur vaktavy men halka jan padta haai. so jo aeesa kahata haai, ki samajh rakhe, ki jaaise peett peechhe patraiyan men hamaree vachan haai, vaaise hee tumhare samhane hamaree kam bhee hongee. kyonaki hamen yah hiyaav naheen ki ham apne ap ko un men se aese kitanon ke sath gine, ya un se apne ap ko milaee, jo apanee prashansa karate haai, aur apne ap ko apas men nap taulakar aek doosare se milan karake moorkh ttharate haain. ham to seema se bahar ghamand kadapi n karenge, parantu usee seema tak jo parameshvar ne hamare liye tthara deee haai, aur us men tum bhee a gaee ho aur usee ke anusar ghamand bhee karenge. kyonaki ham apanee seema se bahar apne ap ko baddhana naheen chahate, jaaise ki tum tak n pahunchane kee dasha men hota, baran maseeh ka susamachar sunate huae tum tak pahunch chuke haain. aur ham seema se bahar auron ke parishram par ghaman naheen karate parantu hamen asha haai, ki jyon jyon tumhara vishvas baddhta jaaega tyon

tyon ham apanee seema kee anusar tumhare karan aur bhee baddhte jaaenge. ki ham tumhare sivanon se agee baddhkar susamachar sunaaee, aur yah nahee, ki ham auron kee seema kee bheetar bane banaae kamon par ghamand karen. paranatu jo ghamand kare, vah prabhu par ghamand karen. kyonaki jo apanee badai karata haai, vah nahee, parantu jis kee badai prabhu karata haai, vahee grahan kiya jata haai..

yaadi tum meree thodee moorkhta sah lete to kya hee bhla hota ha, meree sah bhee lete ho. kyonaki maain tumhare vishay me ishvaaree dhaun lagaae rahata hoo, isaaliye ki maain ne aek hee puroosh se tumharee bat lagai haai, ki tumhen pavitra kunvaree kee nai maseeh ko saunp doon. parantu maain drata hoon ki jaaise sanp ne apanee chaturai se havva ko bahakaya, vaaise hee tumhare man us seedhaai aur paavitrata se jo maseeh kee sath hoonee chahiae kaheen bhrasht n kiae jaaen. yaadi koi tumhare pas akar, kisee doosare yeeshu ko prachar kare, jis ka prachar ham ne naheen kiya: ya koi aur atma tumhen mile jo paahile n mila tha ya aur koi susamachar jise tum ne paahile n mana tha, to tumhara sahana tteek hota. maain to samajhta hama, ki maain kisee bat men bade se bade praeriton se kam naheen hoon. yaadi maain vktavay men anadee hoo, taubhee gyaan men naheen baran ham ne is ko har bat men sab par tumhare liye pragatt kiya haai. kya is men maain ne kuchh pap kiya ki maain ne tumhen parameshvar ka susamachar sent ment sunaya aur apne ap ko neecha kiya, ki tum unche ho jao? maain ne aur kaleesiyaon ko lootaa arthata maain ne un se majadooree lee, taaki tumharee seva karoon. or jab tumhare sath tha, aur mujhe ghattee hui, to maain ne kisee par bhar naheen diya, kyonaki bhaiyan ne, makiduniya se akar meree ghattee ko paree kee: aur maain ne har bat men apne ap ko tum par bhar hone se roka, aur roke rahoonga. yaadi maseeh kee sachchai mujh men haai, to akhya desh men koi mujhe is ghamand se n rokega. kis liye? kya isaaliye ki maain tum se praem naheen rakhta? parameshvar yah janata haai. parantu jo maain karata hoo, vahee karata rahoonga ki jo log danv ddoondhate haai, unhen maain danv pane doo, taki jis bat men ve ghamand karate haai, us men ve hamare hee saman ttharen. kyonaki aese log joote praerit, aur chhl se kam karanevale, aur maseeh ke praeriton ka roop dharanevale haain. aur yah kuchh achambhe kee bat naheen kyonaki shautan ap bhee jyotimarya svargadoot ka roop dhaaran karata haai. so yaadi usake sevak bhee dharma ke sevakon ka sa roop dhare, to kuchh badee bat naheen parantu un ka ant un ke kamon ke anusar hoga. maain fir kahata hoo, koi mujhe moorkh n samajhe naheen to moorkh hee samajhkar meree sah lo, taki thoda sa maain bhee ghamand karoon. is bedhaadk ghamand se bolane men jo kuchh maain kahata hoon vah praboo kee agyaa ke anusar naheen par manon moorkhta se hee kahata hoon. jab ki bahut log shareer ke anusar ghamand karate haai, to maain bhee ghamand karoonga. tum to samajhdar hokar anand se moorkhon kee sah lete ho. kyeanki jab tumhen koi

ab teesaree bar tumhare pas ata hoon: do ya teen gavahon ke munh se har aek bat thharai jaaegee. jaaise jab doosaree bar tumhare sath tha, so vaaise hee ab door rahate huae un logon se jinhon ne pahile pap kiya, aur aur sab logon se ab pahile se kahe deta hoo, ki yadi maain fir aunga, to naheen chhoonga. tum to is ka praman chahate ho, ki maseeh mujh men bolata haai, jo tumhare liye nirbal naheen parantu tum men samarthee haai. vah nirbalata ke karan

kroos par chaddhaya to gaya, taubhee parameshvar kee samarth se jeevit haai, ham bhee to us men nirbal haain parantu parameshvar kee samarth se jo tumhare liye haai, usake sath jeeenge. apane praan ko parakho, ki vishvas men ho ki naheen apane ap ko jancho, kya tum apane vishay men yah naheen janate, ki yeeshu maseeh tum men haai? naheen to tum nikamme nikale ho. par meree asha haai, ki tum jan loge, ki ham nikamme naheen. aur ham apane parameshvar se praarthna karate haai, ki tum koi burai n karo isaliye hanee, ki ham khre dekh pade, par isaaliye ki tum bhlai karo, chahe ham nikamme hee ttharen. kyonaki ham saty ke virodha men kuchh naheen kar sakate, par saty ke liye kar sakate haain. jab ham nirbal haai, aur tum balavant ho, to ham anandait hote haai, aur yah praarthna bhee karate haai, ki tum siddh ho jao. is karan maain tumhare peett peechhe ye baten likhta hoo, ki upaasthiat hokar mujhe us aadhaikar ke anusar jise prabhu ne bigadne ke liye naheen par banane ke liye mujhe diya haai, kaddhai se kuchh karana n pade.. nidan, he bhaiyo, anaandait raho siddh banate jao ddhaddhs rakho aek hee man rakho mel se raho, aur praem aur shaaantai ka data parameshvar tumhare sath hoga. aek doosare ko pavitra chumban se namaskar karo. sab paavitra log tumhen namaskar karate haain. prabhu yeeshu maseeh ka anugrah aur parameshvar ka praem aur paavitra atma kee sahabhaagita tum sab ke sath ho-tee rahe..

paulus kee, jo n manushyon kee or se, aur n manushy ke dara, baran yeeshu maseeh aur parameshvar pita ke dara, jis ne mare huon men se jilaya, praearit haai. aur sare bhaiyon kee are se, jo mere sath haain galaatiya kee kaleesiyaon ke nama. parameshvar pita, aur hamare prabhu yeeshu maseeh kee are se tumhen anuganh aur shaaantai milatee rahe. usee ne apane ap ko hamare papon ke liye de diya, taaki hamare parameshvar aur pita kee ichchha ke anusar hamen is vartaman bure sansar se chhudaee. us kee stuti aur badai. yuganuyug hotee rahe. aameen.. mujhe ashcharya hota haai, ki jis ne tumhen maseeh ke anugrah se bulaya us se tum itanee jaldee fir kar aur hee prakar ke susamachar kee or jhukane lage. parantu yah doosara susamachar haai hee naheen: par bat yah haai, ki kitane aeese haai, jo tumhen ghabara dete, aur maseeh ke susamachar ko bigadna chahate haain. parantu yadi ham ya svarga se koi doot bhee us susamachar ko chhod jo ham ne tum ko sunaya haai, koi aur susamachar tumhen sunaa, to srmith ho. jaaisa ham paahile kah chuke haai, vaaisa hee maain ab fir kahata hoo, ki us susamachar ko chhod jise tum ne grahan kiya haai, yadi koi aur susamachar sunata haai, to srapiit ho. ab maain kya manushyon ko manata hoon ya parameshvar ko? kya maain manushyon ko prasann karana chahata hoon? yaadi maain ab tak manushyon ko prasann karata rahata, to maseeh ka das n hota.. he bhaiyo, maain tumhen jataae deta hoo, ki jo susamachar maain ne sunaya haai, vah manushy ka sa naheen. kyonaki vah mujhai manushy kee or se naheen pahuncha, aur n mujhe sikhaya gaya, par yeeshu maseeh ke prakash se mila. yahooddee mat men jo pahile mera chal chalan tha, tum sun chuke ho ki maain parameshvar kee kaleesiya ko bahut hee satata aur nash karata tha. aur apane bahut se jativalon se jo merree avastha ke liye yahooddee mat men baddhata jata tha aur apane bapadadon ke vyavaharon men bahut hee utteajit tha. parantu parameshvar kee, jis ne merree mata ke garbh hee se mujhe ttharaya aur apane anugrah se bula liya, jab ichchha hui, ki mujh men apane putra ko pragatt kare ki maain anyajatiyon men usaka susamachar sunaun to n maain ne mans aur lohoo se salah lee aur n yarooshalem ko un ke pas gaya jo mujh se pahile praearit the, par turant arab ko chala gaya: aur fir vahan se daamishk ko lautt aya.. fir teen baras ke bad maain kaafiaa se bhentt karane ke liye yarooshalem ko gaya, aur usake pas pandrah din tak raha. parantu prabhu ke bhai yakooob ko chhod aur praeariton men se kisee se n mila. jo baten maain tumhen likhta hoo, dekho parameshvar ko upasthiat janakar kahata hoo, ki ve jootte naheen. is ke bad maain sooriya aur kilaakiya ke deshaen men aya. parantu yahoodiya kee kaleesiyaon ne jo maseeh men thee, mera muh to kabhee naheen dekha tha. parantu yahee suna karatee thee, ki jo hamen paahile satata tha, vah ab usee dharma ka susamachar sunata haai, jise paahile nash karata tha. aur mere vishay men parameshvar kee maahima karatee theen..

chaudah varsha ke bad maain baranabas ke sath yarooshalem ko gaya aur titus ko bhee sath le gaya. aur mera jana ishvareey prakash ke anusar hua: aur jo susamachar maain anyajatiyon men prachar karata hoo, us ko maain ne unhen bata diya, par aekant men unheen ko jo bade samajhe jate the, taki aeese n ho, ki merree is samay kee, ya agalee daud dhoop vyarth tthare. parantu titus bhee jo mere sath tha aur jo yoonanee haai khtana karane ke liye vivash naheen kiya gaya. aur yah un jootte bhaiyon ke karan hua, jo choree se ghaus aae the, ki us svantantrata ka jo maseeh yeeshu men hamen milee haai, bhed lekar hamen das banaen. un ke adhaeen hona ham ne ek ghadee bhr n mana, isaaliye ki susamachar kee sachchai tum men baneer rahe. fir jo log kuchh samajhe jate the ve chahe kaaise hee the, mujhe is se kuchh kam nahee, parameshvar kisee ka pakshapat naheen karata un se jo kuchh bhee samajhe jate the, mujhe kuchh bhee naheen praapt hua. parantu isake vipareet jab unhon ne dekha, ki jaaisa khtana kiae huae logon ke liye susamachar ka kam pataras ko saunpa gaya vaaisa hee khtanarahiton ke liye mujhe susamachar sunana saunpa gaya. kyonaki jis ne pataras se khtana kiae huon men praearitai ka kayrya bade prabhav saahit karavaya, usee ne mujh se bhee anyajatiyon men prabhavashaaalee kayrya karavaya aur jab unhon ne us anugrah ko jo mujhe mila tha jan liya, to yakooob, aur kaafiaa, aur yoohanna ne jo kaleesiya ke khmbhe samajhe jate the, mujh ko aur baranabas ko daahina hath dekar sang kar liya, ki ham anyajatiyon ke pas jae, aur ve khtana kiae huon ke pasa. keval yah kaha, ki ham kangalon kee suadhail le, aur isee kam ke karane ka maain ap bhee yatn kar raha tha. par jab kaafiaa antaakiya men aya to maain ne usake munh par usaka samhana kiya, kyonaki vah doshaee tthara tha. isaaliye ki yakooob kee or se kitane logon ke ane se pahile vah anyajatiyon ke sath khaya karata tha, parantu jab ve aa, to khtana kiae huae logon ke dr ke mare un se hatt gaya aur kinara karane laga. aur usake sath shosh yahoodiyon ne bhee kapatt kiya, yahan tak ki baranabas bhee un ke kapatt men pad gaya. par jab maain ne dekha, ki ve susamachar kee sachchai par seedhaee chal naheen chalate, to maain ne sab kee samhane kaafiaa se kaha ki jab too yahooddee hokar anyajatiyon kee nai chalata haai, aur yahoodiyon kee nain naheen to too anyajatiyon ko yahoodiyon kee nain chalang ko kyon kahata haai? ham jo janm ke yahooddee haai, aur papee anyajatiyon men se naheen. taubhee yah janakar ki manushy vyavastha ke kamon se nahee, par keval yeeshu maseeh par vishvas karane ke dara dharmee ttharata haai, ham ne ap bhee maseeh yeeshu par vishvas kiya, ki ham vyavastha ke kamon se naheen par maseeh par vishvas karane se dharmee ttharen isaaliye ki vyavastha ke kamon se koi praanee dharmee n ttharega. ham jo maseeh men dharmee ttharana chahate haai, yadi ap hee papee nikale, to kya maseeh pap ka sevak haai? kadaapi naheen. kyonaki jo kuchh maain ne gira diya, yaadi usee ko fir banata hoo, to apane ap ko aparadhaee ttharata hoon. maain jo vyavasai ke dara vyavastha ke liye mar gaya, ki parameshvar ke liye jeeun. maain

maseeh ke sath kroos par chaddhaya gaya hoo, aur ab maain jeeavit n raha, par maseeh mujh men jeeavit haai: aur maain shareer men ab jo jeeavit hoon to keval us vishvas se jeevit hoo, jo parameshvar ke putra par haai, jis ne mujh se praem kiya, aur mere liye apane ap ko de diya. maain parameshvar ke anugrah ko vyarth naheen ttharata, kyonki yadi vyavastha ke dara dhaarmikata hotee, to maseeh ka marana vyarth hota..

ki us vansh ke ane tak rahe, jis ko pratigyaa dee gai thee, aur vah svargadooton ke dara aek madhyasth ke hath ttharai gai. madhyasth to aek ka naheen hota, parantu parameshvar aek hee haai. to kya vyavastha parameshvar kee pratigyaaon ke virodha men haai? kadapi n ho? kyonaki yadi aeese vyavastha dee jatee jo jeevan de sakatee, to sachamuch dhaarmikata vyavastha se hotee. parantu pavitra shaasr ne sab ko pap ke adhaeen kar diya, taaki vah pratigyaa jis ka adhaar yeeshu maseeh par vishvas karana haai, vishvas karanevalon ke liye pooree ho jaae.. par vishvas ke ane se paahile vyavastha kee adhaeenata men hamaree rakhvalee hotee thee, aur us vishvas ke ane tak jo pragatt honevala tha, ham usee ke bandhan men rahe. isaliye vyavastha maseeh tak pahunchane ko hamara shaikshak hui haai, ki ham vishvas se dharmee ttharen. parantu jab vishvas a chuka, to ham ab shaikshak ke adhaeen n rahe. kyonaki tum sab us vishvas karane ke dara jo maseeh yeeshu par haai, parameshvar kee santan ho. aur tum men se jitanon ne maseeh men bapatisma liya haai unhon ne maseeh ko pahin liya haai. ab n koi yahoodee raha aur n yoonanee n koi das. n svatantra n koi nar, n naaree kyonki tum sab maseeh yeeshu men aek ho. aur yaadi tum maseeh ke ho, to ibraaheem ke vansh aur pratigyaa ke anasar vaaris bhee ho..

par too aeeseee baten kaha kar, jo khree upadesh ke yogy haain. arthata booddhe puroosha, sachet aur gambheer aur sanyamee ho, aur un ka vishvas par praem aur dhaeeraj pakka ho. isee prakar booddhee striayan ka chal chalan paavitra logon sa ho, dosh laganevalee aur piyakkad naheen par achchhee baten sikhanevalee hon. taaki ve javan striayan ko chitaunee detee rahe, ki apane patiyan aur bachchon se praetii rakhen. aur sanyamee, pativrata, ghar ka karabar karanevalee, bhlee aur apane apane paati ke adhaeen rahanevalee ho, taki parameshvar ke vachan kee ninda n hone paae. aeese hee javan purooshaen ko bhee samajhaya kar, ki sanyamee hon. sab baton men apane am ko bhle kamon ka namoona bana: tere upadesh men safaai, gambheerata. aur aeeseee khrai

logon ko sudhai dila, ki hakimon aur aadhaikaariyan ke adhaeen rahe, aur un kee agyaa mane, aur har aek achchhe kam ke liye taaiyar raha. kisee ko badanam n karen jhgadaloo n hon: par komal svabhav ke ho, aur sab manushyon kee sath badee namrata kee sath rahen. kyonaki ham bhee pahile, nirbuaddh, i aur agyaa n mananevalee, aur bhram men pade hua, aur rang rang ke abhailashaaon aur sukhavilas ke dasatv men the, aur baairabhav, aur dah karane men jeevan nirvah karate the, aur gharanait the, aur aek doosare se baair rakhte the. par jab hamare uddharakarta parameshvar kee krapa, aur manushyon par usakee praetii pragatt hui. to us ne hamara uddhar kiya: aur yah dharma ke kamon ke karan nahee, jo ham ne ap kia, par apanee daya ke anusar, naae janm ke snan, aur pavitra atma ke hamen naya banane ke dara hua. jise us ne hamare uddharakarta yeeshu maseeh ke dara ham par adhaikai se undela. jis se ham usake anugrah se dharmee ttharakar, anant jeevan kee asha ke anusar vaaris banen. yah bat sach haai, aur maain chahata hoo, ki too in baton ke vishay men draddhta se bole isaaliye ki jinhon ne parameshvar kee prateeti kee haai, ve bhle-bhle kamon me lage rahate ka dhyaan rakhen: ye baten bhlee, aur manushyon kee labh kee haain. par moorkhta ke vivado, aur vashaaaliyo, aur baair virodha, aur un jhgadon se, jo vyavastha ke vishay men hon bacha raha kyonaki ve nishfal aur vyarth haain. kisee pakhndee ko aek do bar samajha bujhakar us se alag raha. yah janakar ki aeesa manushy bhttk gaya haai, aur apane ap ko doshaee ttharakar pap karata rahata haai.. jab maain tere pas aratimas ya tuakhaikus ko bhejoo, to mere pas neekupualis ane ka yatin karana: kyonki maain ne vaheen jada kattne kee ttanee haai. jenas vyavastha-pak aur apullos ko yatin karake age pahuncha de, aur dek, ki unhen kisee vastu kee ghattee n hone paae. aur hamare log bhee avashyakataon ko poora karane ke liye achchhe kamon men lage rahana seekhen taki nishfal n rahen.. mere sab sathaiyan ka tuijhe na-

paulus kee or se jo maseeh yeeshu ka kaaidee haai, aur bhai timuathaiyus kee or se hamare piry sa-hakarmee filemona. aur baahin afaafiya, aur hamare sathee yoddha arakhaippus aur filemon ke ghar kee kaleesiya ke nama.. hamare pita parameshvar aur prabhu yeeshu maseeh kee or se anugrah aur shaaan-tai tumhen milatee rahe.. maain tere us praem aur vishvas kee charcha sunakar, jo sab pavitra logon kee sath aur prabhu yeeshu par haai. sada parameshvar ka dhanyavad karata hoon aur apanee praarthnaon men bhee tujhe smaran karata hoon. ki tera vishvas men sahabhagee hona tumharee saree bhlai kee pahichan men maseeh ke liye prabhavashaaalee ho. kyonaki he bhai, mujhe tere praem se bahut anand aur shaantai milee, isaliye, ki tere dara pavitra logon ke man hare bhre ho gaae haain.. isaliye yadhyi mujhe maseeh men bada hiyav to haai, ki jo bat tteek haai, us kee agyaa tujhe doon. taubhee mujh bood-dhe paulus ko jo ab maseeh yeeshu ke liye kaaidee hoo, yah aur bhee bhlai jan pada ki praem se bina-tee karoon. maain apane bachche uneasimus ke liye jo mujh se meree kaaid men janma haai tujh se bina-tee karata hoon. vah to paahile tere kuchh kam ka n tha, par ab tere aur mere donon ke bade kam ka haai. usee ko arthata jo mere day ka ttukada haai, maain ne use tere pas lautta diya haai. use maain apane hee pas rakhna chahata tha ki teree or se is kaaid men jo susamachar ke karan haai, meree seva kare. par maain ne teree ichchha bina kuchh bhee karana n chaha ki teree yah krupa dabav se naheen par anand se ho. kyonaki kya jane vah tujh se kuchh din tak ke liye isee karan alag hua ki sadaaiv tere nikatt rahe. parantu ab se das kee nai nahee, baran das se bhee uttm, arthata bhai ke saman hare jo shareer men bhee aur vishosh kar prabhu men bhee mera piry ho. so yaadi too mujhe sahabhagee samajhta haai, to use is prakar grahan kar jaaise mujhe. aur yaadi us ne teree kuchh haani kee haai, ya us par tera kuchh ata haai, to mere nam par likh le. maain paulus apane hath se likhta hoo, ki maain ap bhr doonga aur ham ke ka-hane kee kuchh avashyakata nahee, ki mera karja jo tujh par haai vah too hee haai. he bhai yah anand mujhe prabhu men teree or se mile : maseeh men mere jee ko hara bhra kar de. maain tere agyaaka-ree hone ka bhrosa rakhkar, tujhe likhta hoon aur yah janata hoo, ki jo kuchh maain kahata hoo, too us se kaheen baddhkar karega. aur yah bhee, ki mere liye utarane kee jagah taaiyar rakh mujhe asha haai, ki tumharee praarthnaon ke dara maain tumhen de diya jaunga.. ipaas jo maseeh yeeshu men mere sath kaaidee haai. aur marakus aur aaristarkhus aur de-mas aur looka jo mere sahakarmee haai in ka tujhe namaskara.. hamare prabhu yeeshu maseeh ka anu-grah tumharee atma par hota rahe. ameena..

poorva yug men parameshvar ne bapadadon se thoda thoda karake aur bhanati bhanati se bhvishyadvktaon ke dara baten karake. in dinon ke ant men ham se putra ke dara baten kee, jise us ne saree vastuon ka vaaris ttharaya aur usee ke dara us ne saree srashtti rachee haai. vah us kee maahima ka prakasha, aur usake tatv kee chhap haai, aur sab vastuon ko apanee samarth ke vachan se sanbhalata haai: vah papon ko dhaekar unsee sthanon par mahamaahiman ke daahine ja baaita. aur svargadooton se utana hee uttm tthara, jitana us ne un se bade pad ka varis hokar uttm nam paya. kyonaki svargadooton men se us ne kab kisee se kaha, ki too mera putra haai, aj too mujh se utpann hua? aur fir yah, ki maain usaka pita hoonga, aur vah mera putra hoga? aur jab paahilautte ko jagat men fir lata haai, to kahata haai, ki parameshvar ke sab svargadoot use dandvat karen. aur svargadooton ke vishay men yah kahata haai, ki vah apane dooton ko pavan, aur apane sevakon ko dhadhaka-tee ag banata haai. parantu putra se kahata haai, ki he parameshvar tera sinhasan yuganuyug rahega: tere rajy ka rajadand nyay ka rajadand haai. too ne dharma se praem aur adharma se baair rakha is karan parameshvar tere parameshvar ne tere sathaiyon se baddhkar harsharoopee tel se tuihe aabhaishok kiya. aur yah ki, he prabhu, aadi men too ne prathvee kee nev daleh, aur svarga tere hathon kee kareegaree haai. ve to nash ho jaenge parantu too bana rahega: aur ve sab vasr kee nai purane ho jaenge. aur too unhen chadar kee nain lapettega, aur ve vasr kee nai badal jaenge: par too vahee haai aur tere vasharen ka ant n hoga. aur svargadooton men se un ne kis se kab kaha, ki too mere daahine baait, jab ki maain tere baariyon ko tere panvon ke neeche kee peeddhee n kar doon? kya ve sab seva tthal karanevalee atmaen naheen jo uddhar panevalon ke liye seva karane ko bhejee jatee haain?

is karan chahia, ki ham un baton par jo ham ne sunee haain aur bhee man lagaee, aeesa n ho ki bahakar un se door chale jaeen. kyonaki jo vachan svargadooton ke dara kaha gaya tha jab vah sthiar raha or har aek aparadha aur agyaa n manane ka tteek tteek badala mila. to ham log aeese bade uddhar se nishchaint rahakar kyonkar bach sakate haain? jis kee charcha paahile paahil prabhu ke dara hui, aur sunanevalon ke dara hamen nishchay hua. aur sath hee parameshvar bhee apanee ichchha ke anusr chinho, aur adabhut kamo, aur nana prakar ke samarth ke kamo, aur pavitra atma ke varadanon ke banttna ke dara is kee gavahee deta raha.. us ne us anevale jagat ko jis kee charcha ham kar rahe haai, svargadooton ke adhaeen n kiya. baran kisee ne kahee, yah gavahee dee haai, ki manushy kya haai, ki too us kee sudhai leta haai? ya manushy ka putra kya haai, ki too us par drashtti karata haai? too ne use svargadooton se kuchh hee kam kiya too ne us par maahima aur adar ka mukutt rakha aur use apane hathon ke kamon par aadhaikar diya. too ne sab kuchh usake panvon ke neeche kar

diya: isaliye jab ki us ne sab kuchh usake adhaeen kar diya, to us ne kuchh bhee rakh n chhoda, jo usake adhaeen n ho : par ham ab tak sab kuchh usake adhaeen naheen dekhte. par ham ko yeeshu jo svargadooton se kuchh hee kam kiya gaya tha, mratyu ka dukh uttane ke karan maahima aur adar ka mukutt paahine huae dekhte haain taki parameshvar ke anugrah se har aek manushy ke liye mratyu ka svad chakhe. kyonaki jis ke liye sab kuchh haai, aur jis ke dara sab kuchh haai, use yahee achchha laga ki jab vah bahut se putraen ko maahima men pahunchaa, to un ke uddhar ke karta ko dukh uttane ke dara siddh kare. kyonaki pavitra karanevala aur jo paavitra kiae jate haai, sab aek hee mool se haain: isee karan vah unhen bhai kahane se naheen lajata. par kahata haai, ki maain tera nam apane bhaiyon ko sunaunga, sabha ke beech men maain tere bhajan gaunga. aur fir yah, ki maain us par bhrosa rakoonga aur fir yah ki dek, maain un ladkon saahit jise parameshvar ne mujhe diae. isaliye jab ki ladke mans aur lohoo ke bhagee haai, to vah ap bhee un ke saman un ka sahabhagee ho gaya taaki mratyu ke dara use jise mratyu par shaaktai milee thee, arthata shautan ko nikamma kar de. aur jitane mratyu ke bhy ke mare jeevan bhr dasatv men fanse the, unhen chhuda le. kyonaki vah to svargadooton ko naheen baran ibraaheem ke vansh ko sanbhalata haai. is karan usako chahiae tha, ki sab baton men apane bhaiyon ke saman bane jis se vah un baton men jo parameshvar se sambandha rakhtee haai, aek dayalu aur vishvasayogy mahayajak bane taaki logon ke papon ke liye praayaashchait kare. kyonaki jab us ne pareeksha kee dasa men dukh uttaya, to vah un kee bhee sahayata kar sakata haai, jin kee pareeksha hotee haai..

so he pavitra bhaiyon tum jo svargeey bulahatt men bhagee ho, us praearit aur mahayajak yeeshu par jise ham angeekar karate haain dhyan karo. jo apane niyukt karanevale ke liye vishvasayogy tha, jaaisa moosa bhee usake sare ghar men tha. kyonaki vah moosa se itana baddhkar maahima ke yogy samajha gaya haai, jitana ki ghar bananevala ghar se baddhkar adar rakhta haai. kyonaki har aek ghar ka koi n koi bananevala hota haai, par jis ne sab kuchh banaya vah parameshvar haai. moosa to usake sare ghar men sevak kee nai vishvasayogy raha, ki jin baton ka varnn honevala tha, un kee gavahee de. par maseeh putra kee nai usake ghar ka adhaikaree haai, aur usaka ghar ham haai, yadi ham sahas par, aur apanee asha ke ghamand par ant tak draddhta se sthiar rahen. so jaaisa paavitra atma kahata haai, ki yadi aj tum usaka shabd suno. to apane man ko kattor n karo, jaaisa ki krodha dilane ke samay aur pareeksha ke din jangal men kiya tha. jahan tumhare bapadadon ne mujhe janchakar parakha aur chalees varsha tak mere kam dekhe. is karan maain us samay ke logon se rootta raha, aur kaha, ki in ke man sada bhittkate rahate haai, aur inhon ne mere magorn ko naheen paahichana. tab maain ne krodha men akar shapath khai, ki ve mere vishraam men pravesh karane n paaenge. he bhaiyo, chaukas raho, ki tum men aeesa

bura aur avishvasee n man ho, jo jeevate parameshvar se door hatt jaae. baran jis din tak aj ka din kaha jata haai, har din aek doosare ko samajhate raho, aeesa n ho, ki tum men se koi jan pap ke chhl men akar kattor ho jaae. kyonaki ham maseeh ke bhagee huae haai, yadi ham apane prathm bhrose par ant tak draddhta se sthiar rahen. jaisa kaha jata haai, ki yadi aj tum usaka shabd suno, to apane manon ko kattor n karo, jaisa ki krodha dilane ke samay kiya tha. bhla kin logon ne sunakar krodha dilaya? kya un sab ne naheen jo moosa ke dara misar se nikale the? aur vah chalees varsha tak kin logon se rootta raha? kya unheen se nahee, jinhon ne pap kiya, aur un kee lothen jangal men padee raheen? aur us ne kin se shapath khai, ki tum mere vishraam men pravesk karane n paoge: keval un se jinhon ne agyaa n manee? so ham dekhthe haai, ki ve avishvas ke karan pravesk n kar sake..

4

isaliye jab ki usake vishraam men pravesk karane kee praatigyaab tak haai, to hamen drana chaahiae aeesa ne ho, ki tum men se koi jang us se rahat jan pade. kyonaki hamen unheen kee nai susamachar sunaya gaya haai, par sune huae vachan se unhen kuchh loth n hua kyonki sunanevalon ke man men vishvas ke sath naheen baaitta. aur ham jinhon ne vishvas kiya haai, us vishraam men pravesk karate haain jaisa us ne kaha, ki maain ne apane krodha men shapath khai, ki ve mere vishraam men pravesk karane n paaenge, yadhyapi jagat kee utpaati ke samay se use kam ho chuke the. kyonaki sataven din ke vishay men us ne kaheen yon kaha haai, ki parameshvar ne sataven din apane sab kamon ko nipatta karake vishraam kiya. aur is jagah fir yah kahata haai, ki ve mere vishraam men pravesk n karane paaenge. to jab yah bat baakee haai ki kitane aur haain jo us vishraam men pravesk kare, aur jinhen usaka susamachar paahile sunaya gaya, unhon ne agyaa n manane ke karan us men pravesk n kiya. to fir vah kisee vishosh din kee ttharakar itane din ke bad dad kee pustak men use aj ka din kahata haai, jaisa paahile kaha gaya, ki yadi aj tum usaka shabd suno, to apane manon ko kattor n karo. aur yaadi yahoshoo unhen vishraam men pravesk kar leta, to usake bad doosare din kee charcha n hotee. so jan lo ki parameshvar ke logon ke liye sabt ka vishraam baakee haai. kyonaki jis ne usake vishraam men pravesk kiya haai, us ne bhee parameshvar kee nai apane kamon ko poora karake vishraam kiya haai. so ham us vishraam men pravesk karane ka prayatn kare, aeesa n ho, ki koi jan un kee nai agyaa n manakar gir pade. kyonaki parameshvar ka vachan jeeavit, aur prabal, aur har aek dodhaaree talavar se bhee bahut chokha haai, aur jeev, aur atma ko, aur gantt gant, aur goode goode ko alag karake, var par chhedata haai aur man kee bhavanaon aur vicharon ko janchata haai. aur sraashtti kee koi vastu us se chhpaiee naheen haai baran jis se hamen kam haai, us kee ankhan ke samhane sab vastuaen khulee aur beparad haain.. so jab hamara aeesa bada mahayajak haai, jo svagorn se hokar gaya haai, athata parameshvar ka putra yeeshuu to ao, ham apane angeekar ko draddhta se thamen rahe. kyonaki hamara aeesa mahayajak nahee, jo hamaree nirbal-

ataon men hamare sath dukhee n ho sake baran vah sab baton men hamaree nai parakha to gaya, taubhee nishpap nikala. isaliye ao, ham anugrah ke sinhasan ke nikatt hiyaav bandhakhar chale, ki ham par daya ho, aur vah anugrah paae, jo avashyakata ke samay hamaree sahayata kare..

5

kyonaki har aek mahayajak manushyon men se liya jata haai, aur manushyon hee ke liye un baton ke vishay men jo parameshvar se sambandha rakhtee haai, ttharaya jata haai: ki bhentti aur par baali chaddhaya kare. aur vah agyaano, aur boole bhittkon ke sath narmee se vyavahar kar sakata haai isaliye ki vah ap bhee nirbalata se ghaira haai. aur isee liye use chahia, ki jaisa logon ke liye, vaaise hee apane liye bhee papa-bali chaddhaya kare. aur yah adar ka pad koi apane ap se naheen leta, jab tak ki haroon kee nai parameshvar kee or se ttharaya n jaae. vaaise hee maseeh ne bhee mahayajak banane kee badai apane ap se naheen lee, par us ko usee ne dee, jis ne us se kaha tha, ki too mera putra haai, aj maain hee ne tujhe janmaya haai. vah doosaree jagah men bhee kahata haai, too malikisidak kee reati par sada ke liye yajak haai. us ne apanee deh men rahane ke dinon men unche shabd se pukar pukarakar, aur ansoo baha bahakar use jo us ko mratyu se bacha sakata tha, praarthnaen aur binatee lage ho. bhktai ke khar us kee sunee gai. aur putra hone par bhee, us ne dukh utta uttakar agyaa mananee seekhee. aur siddh banakar, apane sab agyaa mananevalon ke liye sada kal ke uddhar ka karan ho gaya. aur use parameshvar kee or se malikisidak kee reati par mahayajak ka pad mila.. is ke vishay men hamen bahut see baten kahaanee haai, jin ka samajhna bhee kaattnai haai isaliye ki tum uncha sunane lage ho. samay ke vichar se to tumhen guroo ho jana chahiae tha, taubhee kya yah avashyak haai, ki koi tumhen parameshvar ke vachanon kee aadi shaiksha fir se seikhaae? or aese ho gaee ho, ki tumhen ann ke badale ab tak doodha hee chaahiae. kyonaki doodha peenevalee bachche ko to dharma ke vachan kee paahichan naheen hotee, kyonaki vah balak haai. par ann sayanon ke liye haai, jin ke gyaaneandairy abhyas karate karate, bhle bure men bhed karane ke liye pakke ho gaee haain..

6

isaliye ao maseeh kee shaiksha kee arambh kee baton ko chhodkar, ham siddhta kee or baddhte jaae, aur mare huae kamon se man firane, aur parameshvar par vishvas karane. aur bapatismen aur hath rakhne, aur mare huon ke jee uttne, aur antaim nyay kee shaikshaarooppee nev, fir se n dalen. aur yaadi parameshvar chahe, to ham yaheen kareng. kyonaki jinhon ne aek bar jyoti pai haai, jo svargeey varadan ka svad chakh chuke haain aur paavitra atma ke bhagee ho gaee haain. aur parameshvar ke uttm vachan ka aur anevalee yug kee samathorn ka svad chakh chuke haain. yaadi ve bhittk jaen to unhen man firav ke liye fir naya banana anhona haai kyonaki ve paramesh-

var ke putra ko apane liye fir kroos par chaddhate haain aur pragatt men. us par kalank lagate haain. kyonaki jo boomi vashara ke paneer ko jo us par bar bar padta haai, pee peekar jin logon ke liye vah jotee-boi jatee haai, un ke kam ka saga-pat upajatee haai, vah parameshvar se ashaeesh pateer haai. par yaadi vah jhadee aur untktattare ugatee haai, to nikammee aur sraapit hone par haai, aur usaka ant jalaya jana haai.. par hee piryo yadyapi ham ye baten kahate haain taabhee tumhare vishay men ham is se achchha aur uddharavalee baton ka bhroosa karate haain. kyonaki parameshvar anyayee nahee, ki tumhare kam, aur us praem ko bool jaa, jo tum ne unake nam ke liye is reeati se dikhaya, ki pavitra logon kee seva kee, aur kar rahe ho. par ham bahut chahate haai, ki tum men se har aek jan ant tak pooree asha ke liye aeesa hee prayatn karata rahe. taaki tum alasee n ho jao baran un ka anukaran karo, jo vishvas aur dhaeeraj ke dara praatigyaan ke varis hote haain. aur parameshvar ne ibraaheem ko pratigya dete samay jab ki shapath khane ke liye kisee ko apane se bada n paya, to apanee hee shapath khakar kaha. ki maain sachamuch tu-jhe bahut ashaeesh doonga, aur teree santan ko bad-dhata jaunga. aur is reeati se us ne dhaeeraj dharakar pratigya kee hui bat praapt kee. manushy to apane se kisee bade kee shapath khaya karate haain aur un ke har aek vivad ka faaisala shapath se pakka hota haai. isaliye jab parameshvar ne praatigya ke vaarison par aur bhee safa reeati se pragatt karana chaha, ki usakee manasa badal naheen sakatee to shapath ko beech men laya. taaki do be-badal baton ke dara jin ke vishay men parameshvar ka jootta thharana an-hona haai, hamara draddhta se ddhaddhs bandha jaa, jo sharan lene ko isaliye daude haai, ki us asha ko jo samhane rakhee hui haai praapt karen. vah asha hamare praan ke liye aeesa langar haai jo sthiar aur draddh haai, aur parade ke bheetar tak pahunchata haai. jahan yeeshu maalikisidak kee reeati par sada kal ka mahayajak banakar, hamare liye agua kee reeati par praves hua haai..

yah maalikisidak shaalem ka raja, aur paramaprad-haan parameshvar ka yajak, sarvada yajak bana ra-hata haai jab ibraaheem rajaon ko marakar lautta jata tha, to isee ne us se bhennt karake use ashaeesh dee. isee ko ibraaheem ne sab vastuun ka dasavan ansh bhee diya: yah paahile apane nam ke arth ke anusar, dharma ka raja haai. jis ka n pita, n mata, n van-shaavalee haai, jis ke n dinon ka aadi haai aur n jee-vaan ka anat haai parantu parameshvar ke putra ke svaroop thhara.. ab is par dhyaan karo ki yah kaaisa mahan tha jis ko kulapati ibraaheem ne achchhe se achchhe mal kee loott ka dasavan ansh diya. levee kee santan men se jo yajak ka pad pate haai, un-hen agyaa milee haai, ki logo, arthata apane bhaiyon se chahe, ve ibraaheem hee kee deh se kyon n jan-men ha, vyavastha ke anusar dasavan ansh len. par is ne, jo un ke vanshaavalee men ka bhee n tha ibraaheem se dasavan ansh liya aur jise praatigyaan milee thee use ashaeesh dee. aur us men sandeh na-hee, ki chhotta bade se ashaeesh pata haai. aur yahan

to maranahar manushy dasavan ansh lete haain par vahan vahee leta haai, jis kee gavahee dee jatee haai, ki vah jeevit haai. to ham yah bhee kah sakate haai, ki levee ne bhee, jo dasavan ansh leta haai, ibraaheem ke dara dasavan ansh diya. kyonaki jis samay maalik-isidak ne usake pita se bhennt kee, us samay yah apane pita kee deh men tha.. tak yaadi leveey yajak pad ke dara siddh iho sakatee haai jis ke sahare se logon ko vyavastha milee thee to fir kya avashyakata thee, ki doosara yajak maalikisidak kee reeati par khda ho, aur haroon kee reeati ka n kahalaee? kyonaki jab yajak ka pad badala jata haai? to vyavastha ka bhee badalana avashy haai. kyonaki jis ke vishay men ye baten ka-hee jatee haain ki vah doosare gotra ka haai, jis men se kisee ne vedee kee seva naheen kee. to pragatt haai, ki hamara prabhuh yahooda ke gotra men se uday hua haai aur is gotra ke vishay men moosa ne yajak pad kee kuchh charcha naheen kee. or jab maalikisidak ke saman aek aur aeesa yajak utpann honevala tha. jo shaareerik agyaa kee vyavastha ke anusar nahee, par avinashae jeevan kee samarth ke anusar niyukt ho to hamara dava aur bhee spashthta se pragatt ho gaya. kyonaki usake vishay men yah gavahee dee gai haai, ki too maalikisidak kee reeati par yuganuyug ya-jak haai. nidan, pahilee agyaa nirbala aur nishfal hone ke karan lop ho gai. isaliye ki vyavastha ne kisee bat kee siddh inahen ki aur usake than par aek aeese uttm asha rakhee gai haai jis ke dara ham paramesh-var ke sameep ja sakate haain. aur isaliye ki maseeh kee niyuktaai bina shapath naheen hui. kyonaki ve to bina shapath yajak thharaae gaar par yah shapath ke sath us kee or se niyukt kiya gaya jis ne usake vishay men kaha, ki prabhuh ne shapath khai, aur vah us se fir ne pachhtaega, ki too yuganuyug yajak haai. so yeeshu aek uttm vacha ka jamin thhara. ve to bahut se yajak banate aa, is ka karan yah tha ki mratyuu unhen rahane naheen detee thee. par yah yuganuyug rahata haai is karan usaka yajak pad attl haai. isee liye jo us-ake dara parameshvar ke pas ate haai, vah un ka poora poora uddhar kar sakata haai, kyonki vah un ke liye binatee karane ko sarvada jeevit haai.. so aeesa hee mahayajak hamare yogy tha, jo pavitra, aur nishkap-att aur nirmal, aur papiyon se alag, aur svarga se bhee uncha kiya hua ho. aur un mahayajakon kee nai use avashyak naheen ki prati din pahile apane papon aur fir logon ke papon ke liye baalidan chaddhaae kyonki us ne apane ap ko balidan chaddhakar use aek hee bar nipatta diya. kyonaki vyavastha to nirbal manushyon ko mahayajak niyukt karatee haai parantu us shap-ath ka vachan jo vyavastha ke bad khai gai, us putra ko niyukt karata haai jo yuganuyug ke liye siddh kiya gaya haai..

8

ab to baten ham kah rahe haai, un men se sab se badee bat yah haai, ki hamara aeesa mahayajak haai, jo svarga par mahamaahiman ke sinhasan ke daahine ja baaita. aur paavitra sthan aur us sachche tamboo ka sevak hua, jise kisee manushy ne nahee, baran prabhuh ne khda kiya tha. kyonaki har aek mahayajak bhennt, aur baalidan chaddhane ke liye thharaya jata haai, is karan avashy haai, ki is ke pas bhee kuchh chaddhane

ke liye ho. aur yaadi prathvee par hota to kabhee yajak n hota, isaliye ki vyavastha ke anusar bhennt chaddhanevale to haain. jo svarga men kee vastuon ke pratiroop aur praatibimb kee seva karate haai, jaaise jab moosa tamboo banane par tha, to use yah chitavane milee, ki dekh jo namoona tuihe pahad par dikhaya gaya tha, usake anusar sab kuchh banana. par us ko un kee sevakai se baddhkar milee, kyonaki vah aur bhee uttm vacha ka madhyasth thara, jo aur uttm pratigyaaon ke sahare bandhaee gai haai. kyonaki yadi vah pahilee vacha nirdosh hotee, to doosaree ke liye avasar n ddoondha jata. par vah un par dosh lagakar kahata haai, ki prabhu kahata haai, dekho ve din ate haai, ki maain israel ke gharane ke sat, aur yahooda ke gharane ke sat, nai vacha bandhoonga. yah us vacha ke saman n hogee, jo maain ne un ke bapadadon ke sath us samay bandhaee thee, jab maain un ka hath pakadkar unhen misar desh se nikal laya, kyonki ve meree vacha par sthai n rahe, aur maain ne un kee sudhai n lee prabhu yahee kahata haai. fir prabhu kahata haai, ki jo vacha maain un dinon ke bad israel ke gharane ke sath bandhoonga, vah yah haai, ki maain apanee vyavastha ko un ke manon men daloonga, aur use un ke day par likoonga, aur maain un ka parameshvar thharoonga, aur ve mere log thharege. aur har aek apane deshavale ko aur apane bhai ko yah shaiksha n dega, ki too prabhu ko paahichan kayonaki chhotte se bade tak sab mujhe jan lenge. kyonaki maain un ke adharma ke vishay me dayavant hoonga, aur un ke papon ko fir smaran n karoonge. nai vacha ke sthapan se us ne pratham vacha ko puranee thharai, aur jo vastu puranee aur jeern jo jatee haai usaka mitt jana aanivarya haai..

9

nidan, us pahilee vacha men bhee seva ke niyam the aur aesa pavitrasthan jo is jagat ka tha. arthata aek tamboo banaya gaya, pahile tamboo men deevat, aur mej, aur bhennt kee rottiyaian thee aur vah paavitraasthan kahalata haai. aur doosare parade ke peechhe vah tamboo tha, jo param pavitrasthan kahalata haai. us men sone kee dhoopadane, aur charon or sone se maddha hua vacha ka sandook aur is men manna se bhra hua sone ka martaban aur haroon kee chhdee jis men fool fal a gaee the aur vacha kee pattyaian theen. aur usake upar donon tejomay karoob the, jo praayashchait ke ddkane par chhaya kiae huae the: inheen ka aek aek karake bakhnan karane ka abhee avasar naheen haai. jab ye vastuaen is reeti se taaiyar ho chukee, tak paahile tamboo men to yajak har samay praves karake seva ke kam nibahate haain par doosare men keval mahayajak varsha bhr men aek hee bar jata haai aur bina lohoo liye naheen jata jise vah apane liye aur logon kee bool chook ke liye chaddhava chaddhata haai. is se paavitra atma yahee dikhata haai, ki jab tak pahila tamboo khda haai, tab tak pavitrasthan ka marga pragatt naheen hua. aur yah tamboo to vartaman samay ke liye aek drashttant haai jis men aeese bhennt aur balidan chaddhaae jate haai, jin se aradhana karanevalon ke vivek siddh naheen ho sakate. isaliye ki ve keval khane peene kee vastuo, aur bhanati bhanati ke snan vidhai ke adhaar

par shaareerik niyam haai, jo sudhaar ke samay tak ke liye niyukt kiae gaee haain.. parantu jab maseeh anevalee achchhee vastuon ka mahayajak hokar aya, to us ne aur bhee bade aur siddh tamboo se hokar jo hath ka banaya hua nahee, arthata srashti ka naheen. aur bakaron aur bachhdon ke lohoo ke dara nahee, par apane hee lohoo ke dara aek hee bar pavitra sthan men praves kiya, aur anant chhuttkara praapt kiya. kyonaki jab bakaron aur baailon ka lohoo aur kalor kee rakk apaavitra logon par chhdike jane se sharee kee shuuddhta ke liye paavitra karatee haai. to maseeh ka lohoo jis ne apane ap ko sanatan atma ke dara parameshvar ke samhane nirdosh chaddhaya, tumhare vivek ko mare huae kamon se kyon n shuuddh karega, taaki tum jeevate parameshvar kee seva karo. aur isee karan vah nai vacha ka madhyasth haai, taaki us mratyu ke dara jo paahilee vacha ke samay ke aparadhaen se chhuttkara pane ke liye hui haai, bulaae huae log pratigyaa ke anusar anant meeras ko praapt karen. kyonaki jahan vacha bandhaee gai haai vahan vacha bandhanevale kee mratyu ka samajh lena bhee avashy haai. kyonaki aeese vacha marane par pakkee hotee haai, aur jab tak vacha bandhanevala jeevit rahata haai, tab tak vacha kam kee naheen hotee. isee liye paahilee vacha bhee bina lohoo ke naheen bandhaee gai. kyonaki jab moosa sab logon ko vyavastha kee har aek agyaa suna chuka, to us ne bachhdon aur bakaron ka lohoo lekar, panee aur lal un, aur joofaa ke sat, us pustak par aur sab logon par chhdik diya. aur kaha, ki yah us vacha ka lohoo haai, jis kee agyaa parameshvar ne tumhare liye dee haai. aur isee reeti se us ne tamboo aur seva ke sare saman par lohoo chhdika. aur vyavastha ke anusar praaya: sab vastuaen lohoo ke dara shuuddh kee jatee haain aur bina lohoo bahaee kshama naheen hotee.. isaliye avashy haai, ki svarga men kee vastuon ke praatiroop in ke dara shuuddh kiae jaen par svarga men kee vastuaen ap in se uttm balidanon ke dara. kyonaki maseeh ne us hath ke bannaee huae pavitra sthan men jo sachche pavitra sthan ka namoona haai, praves naheen kiya, par svarga hee men praves kiya, taaki hamare liye ab parameshvar ke samhane dikhai de. yah naheen ki vah apane ap ko bar bar chaddhaa, jaaisa ki mahayajak praati varsha doosare ka lohoo liye paavitraasthan men praves kiya karata haai. naheen to jagat kee utpaati se lekar us ko bar bar dukh uttana padta par ab yug ke ant men vah aek bar pragatt hua haai, taaki apane hee balidan ke dara pap ko door kar de. aur jaaise manushyon ke liye aek bar marana aur usake bad nyay ka hona niyukt haai. vaaise hee maseeh bhee bahuton ke papon ko utta lene ke liye aek bar baalidan hua aur jo log us kee batt johate haai, un ke udhaar ke liye doosaree bar bina pap ke dikhai dega..

10

kyonaki vyavastha jis men anevalee achchhee vastuon ka pratibimb haai, par un ka asalee svaroop nahee, isaliye un aek hee prakr ke balidanon ke dara, jo praati varsha achook chaddhaae jate haai, pas anevalon ko kadapi siddh naheen kar sakateen. naheen to un ka chaddhana band kyon n ho jata? isaliye

ki jab seva karanevale aek hee bar shuuddh ho jate, to fir un ka vivek unhen papae n ttharata. parantu un ke dara praati varsha papon ka smaran hua karata haai. kyonaki anahona haai, ki baailon aur bakaron ka lohoo papon ko door kare. isee karan vah jagat men ane samay kahata haai, ki balidan aur bhentt too ne n chahee, par mere liye aek deh taaiyari hua. homa-baliyon aur papa-baliyon se too prasann naheen hua. tab maain ne kaha, dek, maain a gaya hoo, paavitra shasr men mere vishay men likha hua haai taaki he parameshvar teree ichchha pooree karoon. upar to vah kahata haai, ki n too ne baalidan aur bhentt aur homa-baliyon aur papa-baliyon ko chaha, aur n un se prasann hua yadhyapi ye balidan to vyavastha ke anusar chaddhaae jate haain. fir yah bhee kahata haai, ki dek, maain a gaya hoo, taki teree ichchha pooree karoon nidan vah paahile ko utta deta haai, taki doosare ko niyukt kare. usee ichchha se ham yeeshu maseeh kee deh ke ek hee bar balidan chaddhaae jane ke dara paavitra kiae gaee haain. aur har aek yajak to khde hokar praati din seva karata haai, aur aek hee prakar ke baalidan ko jo papon ko kabhee bhee door naheen kar sakate bar bar chaddhata haai. par yah vyaktai to papon ke badale aek hee baalidan sarvada ke liye chaddhakar parameshvar ke dahine ja baaita. aur usee samay se is kee batt joh raha haai, ki usake baaieree usake panvon ke neeche kee peed-dhee banen. kyonaki us ne aek hee chaddhvae ke dara unhen jo pavitra kiae jate haai, sarvada ke liye siddh kar diya haai. aur paavitra atma bhee hamen yahee gavahee deta haai kyonaki us ne pahile kaha tha ki prabhu kahata haai ki jo vacha maain un dinon ke bad un se bandhoonga vah yah haai ki maain apanee vyavasthaon ko unake day par likoonga aur maain un ke vivek men daloonga. fir vah yah kahata haai, ki maain un ke papon ko, aur un ke adharna ke kamon ko fir kabhee smaran n karoonga. aur jab in kee kshama ho gai haai, to fir pap ka balidan naheen raha.. so he bhaiyo, jab ki hamen yeeshu ke lohoo ke dara us naae aur jeevate marga se paavitra sthan men pravesh karane ka hiyav ho gaya haai. jo us ne parade arthata apane shareer men se hokar, hamare liye aabhaishok kiya haai, aur isaliye ki hamara aeesea mahar yajak haai, jo parameshvar ke ghar ka adhaikaree haai. to ao ham sachche man, aur poore vishvas ke sat, aur vivek ko dosh door karane ke liye day par chhdikav lekar, aur deh ko shuuddh jal se dhaulavakar parameshvar ke sameep jaen. aur apanee asha ke angeekar ko draddhta se thamen rahen kyonki jis ne pratigyaa kiya haai, vah sachcha haai. aur praem, aur bhle kamon men uskane ke liye aek doosare kee chinta kiya karen. aur aek doosare kee sath ikattha hona ne chhode, jaaise ki kitanon kee reeti haai, par aek doosare ko samajhate rahen aur jyon jyon us din ko nikatt ate dekho, tyon tyon aur bhee aadhaik yah kiya karo.. kyonaki sachchai kee paahichan praapt karane ke bad yaadi ham jan boojhkar pap karate rahe, to papon ke liye fir koi baalidan baakee naheen. ha, dand ka aek bhyanak batt johana aur ag ka jvalan baakee haai jo virodhaiyon ko bhm kar dega. jab ki moosa kee vyavastha ka n mananevala do ya teen janon kee gavahee par, bina daya ke mar dala jata haai. to soch lo ki vah kitane aur bhee bha-

ree dand ke yogy ttharega, jis ne parameshvar ke putra ko panvon se raunda, aur vacha ke lohoo ko jis ke dara vah paavitra ttharaya gaya tha, apavitra jana haai, aur anugrah kee atma ka apaman kiya. kyonaki ham use janate haai, jis ne kaha, ki palatta lena mera kam haai, maain hee badala doonga: aur fir yah, ki prabhu apane logon ka nyay karega. jeevate parameshvar ke hathon men padna bhyanak bat haai.. parantu un pahile dinon ko smaran karo, jin men tum jyoti pakar dukhon ke bade jhmele men sthiar rahe. kucch to yo, ki tum ninda, aur klesh sahate huae tamasha banao, aur kuchh yo, ki tum un ke sajhee huae jin kee durdasha kee jatee theen. kyonaki tum kaaiadiyon ke dukh men bhee dukhee hua, aur apanee sanpatti bhee anand se luttna dee yah janakar, ki tumhare pas aek aur bhee uttm aur sarvada ttharanevalee sanpaati haai. so apana hiyav n chhodo kyonki usaka pratifal bada haai. kyonaki tumhen dhaeraj dharana avashy haai, taaki parameshvar kee ichchha ko pooree karake tum pratigyaa ka fal pao. kyonaki ab bahut hee thoda samay rah gaya haai jab ki anevalea aagea, aur der n karega. aur mera dharmee jan vishvas se jeevit rahaga, aur yadi vah peechhe hatt jae to mera man us se prasann n hoga. par ham hattnevalee nahee, ki nash ho jaen par vishvas karanevalee haai, ki praanon ko bachaen..

ab vishvas asha kee hui vastuon ka nishchay, aur man dekhee vastuon ka praman haai. kyonaki isee ke vishay men praacheenon kee achchhee gavahee dee gain. vishvas hee se ham jan jate haai, ki saree sraashtti kee rachana parameshvar ke vachan ke dara hui haai. yah nahee, ki jo kuchh dekhne men ata haai, vah dekhee hui vastuon se bana ho. vishvas kee se habil ne kaain se uttm balidan parameshvar ke liye chaddhaya aur usee ke dara usake dharmee hone kee gavahee bhee dee gai: kyonaki parameshvar ne us kee bhentton ke vishay men gavahee dee aur usee ke dara vah marane par bhee ab tak baten karata haai. vishvas hee se hanok utta liya gaya, ki mratyuo ko n dekke, aur usaka pata naheen mila kyonaki parameshvar ne use utta liya tha, aur usake uttaae jane se paahile us kee yah gavahee dee gai thee, ki us ne parameshvar ko prasann kiya haai. aur vishvas bina use prasann karana anahona haai, kyonki parameshvar ke pas anevale ko vishvas karana chahia, ki vah haai aur apane khojanevalon ko praatifal deta haai. vishvas hee se nooh ne un baton ke vishay men jo us samay dikhai n padtee thee, chitaunee pakar bhaktai kee sath apane gharane ke bachav ke liye jahaj banaya, aur usake dara us ne sansar ko doshaee ttharaya aur us dharma ka varis hua, jo vishvas se hota haai. vishvas hee se ibraaheem jab bulaya gaya to agyaa manakar aeesee jagah nikal gaya jise meeras men lenevala tha, aur yah n janata tha, ki maain kidhar jata hoon taubhee nikal gaya. vishvas hee se us ne pratigyaa kiae huae desh men jaaise paraae desh men parade-shaee rahakar isahak aur yakoob samet jo usake sath usee pratigyaa ke vaaris the, tamboon men vas kiya. kyonaki vah us sthiar neevalee nagar kee batt johata tha, jis ka rachanevala aur bananevala parameshvar

haai. vishvas se sara ne ap booddhee hone par bhee garbh dhaaran karane kee samarth pai kyonaki us ne pratigyaa karanevale ko sachcha jana tha. is karan aek hee jan se jo mara hua sa tha, akash ke taron aur samudra ke teer ke baloo kee nai, anaaginit vansh utpann hua.. ye sab vishvas hee kee dasha men mare aur unhon ne pratigyaa kee hui vastuen naheen pai par unhen door se dekhkar anandait huae aur man liya, ki ham prathvee par paradeshaee aur baharee haain. jo aeese aeese baten kahate haai, ve pragatt karate haai, ki svadesh kee khoj men haain. aur jis desh se ve nikal aae the, yaadi us kee sudhai karate to unhen lautt jane ka avasar tha. par ve aek uttm arthatha svargeey desh ke aabhailashae haai, isee liye parameshvar un ka parameshvar kahalane men un se naheen lajata, so us ne un ke liye aek nagar taaiyar kiya haai.. vishvas hee se ibraaheem ne, parakhe jane ke samay me, isahak ko balidan chaddhaya, aur jis ne pratigyaaon ko sach mana tha. aur jis se yah kaha gaya tha, ki isahak se tera vansh kahalaega vah apane aekalaute ko chaddhane laga. kyonaki us ne vichar kiya, ki parameshvar samarthee haai, ki mare huon men se jilaa, so unheen men se drashtant kee reeti par vah use fir mila. vishvas hee se isahak ne yakoob aur aesav ko anealee baton ke vishay me ashaeesh dee. vishvas hee se yakoob ne marate samay yooosufa ke donon putraen men se aek aek ko ashaeesh dee, aur apanee lattee ke sire par sahara lekar dandvat kiya. vishvas hee se yooosufa ne, jab vah marane par tha, to israael kee santan ke nikal jane kee charcha kee, aur apanee haaddiyon ke vishay men agyaa dee. vishvas hee se moosa ke mata pita ne us ko, utpann hone ke bad teen maheene tak chhpai rakha kyonaki unhon ne dekha, ki balak sundar haai, aur ve raja kee agyaa se n dre. vishvas hee se moosa ne sayana hokar firaun kee bettee ka putra kahalane se inkar kiya. isaliye ki use pap men thode din ke sukh bhogane se parameshvar ke logon ke sath dukh bhogana aur uttm laga. aur maseeh ke karan nindait hoo kee misar ke bhndar se bada dhan samajha: kyonaki us kee ankhe fal pane kee or lagee theen. vishvas hee se raja ke krodha se n drakar us ne misar ko chhod diya, kyonaki vah anadekhe ko manon dekhta hua draddh raha. vishvas hee se us ne fasah aur lohoo chhdikane kee vidhai manee, ki pahilautton ka nash karanevale israaeliyon par hath n dale. vishvas hee se ve laal samudra ke par aeese utar gaa, jaaise sookhee boomi par se aur jab misriyon ne vaaisa hee karana chaha, to sab oob mare. vishvas hee se yareeho kee shaharapanah, jab sat din tak usaka chakkar laga chuke to vah gir padee. vishvas hee se rahab veshya agyaa ne mananevalon ke sath nash naheen hui isaliye ki us ne bhediyon ko kushal se rakha tha. ab aur kya kahoo? kyonki samay naheen raha, ki gidon ka, aur barak aur samasoon ka, aur yifatah ka, aur daud ka aur shaa-muael ka, aur bhavishyadvktaon ka varnn karoon. in-hon ne vishvas hee kee dara raji jeete dharma ke kam kiae praatigyaa kee hui vastuen praapt kee, sinhon ke munh band kiae. ag hee jvala ko ttna kiya talavar kee dhaar se bach nikale, nirbalata men balavant hue laadi men veer nikale videashaiyon kee faojon ko mar bhgaya. striayon ne apane mare huon ko fir jeevate paya kitane to mar khate khate mar gaae aur

chhuttkara n chaha isaaliye ki uttm punarootthan kee bhagee hon. kai aek tttthon men udaae jane aur kode khane varan bandho jane aur kaaid men padne kee dara parakhe gaae. patthravah kiae gaae are se cheere gaae un kee pareeksha kee gai talavar se mare gaae ve kangalee men aur klesh men aur dukh bhogate huae bhedon aur bakariyon kee khalen oddhe hua, idhar udhar mare mare fire. aur jangalo, aur pahado, aur gufaaon me, aur prathvee kee dararon men bhtkate fire. sansar un ke yogay n tha: aur vishvas hee kee dara in sab ke vishay men achchee gavahee dee gai, tob-hee unhen praatigyaa kee hui vastu n milee. kyonaki parameshvar ne hamare liye paahile se aek uttm bat thharai, ki ve hamare bina siddhta ko n pahunche..

is karan jab ki gavahon ka aeesa bada badal ham ko ghere huae haai, to ao, har aek rokanevalee vastu, aur ulajhanevale pap ko door karake, vah daud jis meen hamen daudna haai, dhaeraaj se dauden. aur vishvas kee karta aur siddh karanevale yeeshu kee or se takate rahen jis ne us anand ke liye jo usake age dhara tha, lajja kee kuchh chinta n karake, kroos ka dukh saha aur sinhasan par parameshvar kee daahine ja baaita. isaliye us par dhyan karo, jis ne apane virodha men papiyon ka itana vada-avivad sah liya ki tum nirash hokar hiyav n chhod do. tum ne pap se ladte huae us se aeese muttbhed naheen kee, ki tumhara lohoo baha ho. aur tum us upadesh ko jo tum ko putraen kee nai diya jata haai, bool gaae ho, ki he mere putra, prabhu kee tadna ko halakee bat n jan, aur jab vah tujhe ghaudke to hiyav n chhod. kyonaki prabhu, jis se praem karata haai, us kee tadna bhee karata haai aur jise putra bana leta haai, us ko kode bhee lagata haai. tum dukh ko tadna samajhkar sah lo: parameshvar tumhen putra janakar tumhare sath bartav karata haai, vah kaun sa putra haai, jis kee tadna pita naheen karata? yaadi vah tadna jis ke bhagee sab hote haai, tumharee naheen hui, to tum putra nahee, par vyaabhaichar kee santan thhare! fir jab ki hamare shaa-reerik pita bhee hamaree tadna kiya karate the, to kya atmaon ke pita ke aur bhee adhaeen n rahen jis se jeevit rahen. ve to apanee apnee samajh kee anusar thode dinon ke liye tadna karate the, par yah to hamare labh ke liye karata haai, ki ham bhee us kee pavitrata ke bhagee ho jaen. aur vartaman men har prakar kee tadna anand kee nahee, par shaek hee kee bat dikhai padtee haai, taubhee jo us ko sahate sahate pakke ho gaae haai, peechhe unhen chaain ke sath dharma ka praatikal milata haai. isaliye ddheele hathon aur nirbal ghauttnon ko seedho karo. aur apane panvon ke liye seedho marga banao, ki langada bhttk n jaa, par bhla changa ho jaa.. sab se mel milap rakhne, aur us paavitrata kee khojee ho jis kee bina koi prabhu ko kadapi n dekhega. aur dhyan se dekhte raho, aeese n ho, ki koi parameshvar kee anugrah se vanchit rah jaa, ya koi kadvee jad footkar kasht de, aur usake dara bahut se log ashuuddh ho jaen. aeese n ho, ki koi jan vyabhaicharee, ya aesav kee nai adharmee ho, jis n aek bar kee bhojan ke badale apane pahilautte hone ka pad bech dala. tum janate to ho, ki bad ko jab us ne ashaeesh panee chahee, to avogy gina gaya,

bhaichare kee praeeti bane rahe. pahunai karana n boolana, kyonki is ke dara kitanon ne anajane svargadooton kee pahunai kee haai. kaaaidiyon kee aeesee sudhai lo, ki mano un ke sath tum bhee kaaaid ho aur jin ke sath bura bartav kiya jata haai, un kee bhee yah samajhkar sudhai liya karo, ki hamaree bhee deh haai. vivah sab men adar kee bat samajhee jaa, aur bichhauna nishkalank rahe kyonaki parameshvar vyaabhaichaariyo, aur parasreegamiyon ka nyay karega. tumhara svabhav lobhrahait ho, aur jo tumhare pas haai, usee par santosh kiya karo kyonki us ne ap hee kaha haai, ki maain tujhe kabhee n chhooonga, aur n kabhee tujhe tyagoonga. isaliye ham bedhadk hokar kahate haai, ki prabhu, mera sahayak haai maain n droonga manushy mera kya kar sakata haai.. jo tumhare aguve the, aur jinhon ne tumhen parameshvar ka vachan sunaya haai, unhen smaran rakho aur dhyaan se un ke chala-chalan ka ant dekhkar un ke vishvas ka anukaran karo. yeeshu maseeh kal aur aj aur yuganuyug aekasa haai. nana prakar ke aur uparee upadeshaen se n bhramaae jao, kyonki man ka anugrah se draddh rahana bhla haai, n ki un khane kee vastuo se jin se kam rakhnevalon ko kuchh labh n hua. hamaree aek aeesee vedee haai, jis par se khane ka aadhaikar un logon ko nahee, jo tamboo

parameshvar ke aur prabhu yeeshu maseeh ke das yakoob kee or se un barahon gotraen ko jo tittr bittr hokar rahate haain namaskar pahunchen.. he mere bhaiyo, jab tum nana prakar kee pareekshaanon men pado to ise poore anand kee bat samajho, yah janakar, ki tumhare vishvas ke parakhe jane se dhaeeraj utpann hota haai. par dhaeeraj ko apana poora kam karane do, ki tum poore aur siddh ho jao aur tum men kisee bat kee ghattee n rahe.. par yaadi tum men se kisee ko buaddh ikee ghattee ho, to parameshvar se mange, jo bina ulahana diae sab ko udarata se deta haai aur us ko dee jaaegee. par vishvas se mange, aur kuchh sandeh n kare kyonki sandeh karanevala samudra kee lahar ke saman haai jo hava se bahatee aur uchhlatee haai. aesa manushy yah n samajhe, ki mujhe prabhu se kuchh milega. vah vyaktai duchhitta haai, aur apanee saree baton men chanchal haai.. deen bhai apane unche pad par ghamand kare. aur dhanavan apanee neech dhaaree kya: kyonaki vah ghaas ke fool kee nai jata rahega. kyonaki soorya uday hote hee kadee dhoop padtee haai aur ghaas ko sukha detee haai, aur usaka fool jhd jata haai, aur us kee shaebha jatee rahatee haai usee prakar dhanavan bhee apane marga par chalute chalute dhool men mil jaaega. dhany haai vah manushy, jo pareeksha men sthair rahata haai kyonki vah khra nikalakar jeevan ka vah mukutt paaga, jis kee pratigya prabhu ne apane praem karanevalon ko dee haai. jab kisee hee pareeksha ho, to vah yah n kahe, ki meree pareeksha parameshvar kee or se hotee haai kyonaki n to bueree baton se parameshvar kee pareeksha ho sakatee haai, aur n vahee kisee kee pareeksha ap karata haai. parantu pratyek vyaaktai apanee hee abhailasha men khainchakar, aur fansakar pareeksha men padta haai. fir abhailasha garbhvatee hokar pap ko janata haai aur pap baddh jata haai to mratyu ko utpann karata haai. he mere piri bhaiyo, dhaekha n khao. kyonaki har aek achchha varadan aur har aek uttm dan upar hee se haai, aur jyotiyon ke pita kee or se milata haai, jis men n to koi parivartan ho sakata haai, or n adal badal ke karan us par chhaya padtee haai. us ne apanee hee ichchha se hamen saty ke vachan ke dara utpann kiya, taaki ham us kee srashtii kee hui vastuon men se ek prakar kee prathm fal hon.. he mere piri bhaiyo, yah bat tum janate ho: isaliye har aek manushy sunane ke liye tatpar aur bolane men dhaeera aur krodha men dhaema ho. kyonaki manushy ka krodha parameshvar kee dharma ka nirvah naheen kar sakata haai. isaliye saree malinata aur baair bhav kee baddhtee ko door karake, us vachan ko namrata se grahan kar lo, jo day men boya gaya aur jo tumhare praanon ka uddhar kar sakata haai. parantu vachan par chalaneevale bano, aur keval sunanevale hee naheen jo apane ap ko dhaekha dete haain. kyonaki jo koi vachan ka sunanevala ho, aur us par chalaneevala n ho, to vah us manushy ke saman haai jo apana svabhavik munh darpan men dekhta haai. isaliye ki vah apane ap ko dekhkar chala jata, aur turant bool jata haai ki maain kaaisa tha. par jo vyaktai svatantrata kee siddh vyavastha par dhyan karata rahata haai, vah apane kam men isaliye ashaeesh

paaga ki sunakar nahee, par vaaisa hee kam karata haai. yaadi koi apane ap ko bhkt samajhe, aur apanee jeebh par lagam n de, par apane day ko dhaekha de, to us kee bhaktai vyarth haai. hamare parameshvar aur pita kee nikatt shuuddh aur nirmal bhaktai yah haai, ki anathon or vidhavaon ke klesh men un kee suadhai le, aur apane ap ko sansar se nishkalank rakhen..

he mere bhaiyo, hamare mahimayukt prabhu yeeshu maseeh ka vishvas tum men pakshapat kee sath n ho. kyonaki yadi aek puroosh sone kee chhlle aur sundar vasr pahine huae tumharee sabha men aae aur aek kangal bhee maaile kuchhaile kapade pahine huae aae. aur tum us sundar vasrvala ka munh dekhkar kaho ki too vahan achchhee jagah baait aur n kangal se kaho, ki too yahan khda rah, ya meree panv kee peeddhee kee pas baait. to kya tum ne apas men bhed bhav n kiya aur kuavichar se nyay karanevala n thhare? he mere piri bhaiyon suno kya parameshvar ne is jagat ke kangalon ko naheen chuna ki vishvas men dharmee, aur us rajy kee adhaikaree ho, jis kee pratigya us ne un se kee haai jo us se praem rakhte haain? par tum ne us kangal ka apaman kiya: kya dhanee log tum par atyachar naheen karate aur kya ve hee tumhen kachahariyon men ghasett ghasett kar naheen le jate? kya ve us uttm nam kee ninda naheen karate jis ke tum kahalaare jate ho? taubhee yadi tum pavitra shaasr kee is vachan kee anusar, ki too apane padosee se apane saman praem rak, sachamuch us rajy vyavastha ko pooree karate ho, to achchha karate ho. par yaadi tum pakshapat karate ho, to pap karate ho aur vyavastha tumhen aparadhaee thharatee haai. kyonaki jo koi saree vyavastha ka palan karata haai parantu aek hee bat men chook jaae to vah sab baton mee doshaare thhara. isaliye ki jis ne yah kaha, ki too vyaabhaichar n karana usee ne yah bhee kaha, ki too hatya n karana isaliye yaadi too ne vyaabhaichar to naheen kiya, par hatya kee taubhee too vyavastha ka ulanghan karane vala thhara. tum un logon kee nai vachan bolo, aur kam bhee karo, jin ka nyay svatantrata kee vyavastha kee anusar hoga. kyonaki jis ne daya naheen kee, usaka nyay bina daya kee hoga: daya nyay par jayavant hotee haai.. he mere bhaiyo, yadi koi kahe ki mujhe vishvas haai par vah karma n karata ho, to us se kya labh? kya aesa vishvas kabhee usaka uddhar kar sakata haai? yaadi koi bhai ya bahin nagen ughaade ho, aur unhen prati din bhojan kee ghattee ho. aur tum men se koi un se kahe, kushal se jao, tum garam raho aur trapt raho par jo vastuaen dehe ki tumje avashyak haain vah unhen n de, to kya labh? vaaise hee vishvas bhee, yadi karma saahit n ho to apane svabhav men mara hua haai. baran koi kah sakata haai ki tumje vishvas haai, aur maain karma karata hoon: too apana vishvas mujhe karma bina to dikha aur maain apana vishvas apane karmon kee dara tumjee dikhaunga. tumje vishvas haai ki aek hee parameshvar haai: too achchha karata haai: dushtatma bhee vishvas rakhte, aur thhrathrate haain. par hee nikamme manushy kya too yah bhee naheen janata, ki karma bina vishvas vyarth haai? jab hamare pita ibraaheem ne apane putra isahak ko vedee par

chaddhaya, to kya vah karmo se dhaaarmik n tthara tha. so too ne dekh liya ki vishvas ne us ke kamon ke sath milakar prabhav dala haai aur karmo se vishvas siddh hua. aur paavitra shaasr ka yah vachan pooraa hua, ki ibraaheem ne parameshvar kee prateeti kee, aur yah usake liye dharmaa gina gaya, aur vah parameshvar ka mitra kahalaya. so tum ne dekh liya ki manushy keval vishvas se hee nahee, baran kamorn se bhee dharmee ttharata haai. vaaise hee rahab veshya bhee jab us ne dooton ko apane ghar men utara, aur doosare marga se vida kiya, to kya karmon se dhaaarmik n ttharee? nidan, jaaise deh atma bina maree hui haai vaaisa hee vishvas bhee karma bina mara hua haai..

he mere bhaiyo, tum men se bahut upadeshak n bane, kyonki janate ho, ki ham upadeshak aur bhee doshaee ttharenge. isaliye ki ham sab bahut bar chook jate haain: jo koi vachan men naheen chookata, vahee to siddh manushy haai aur saree deh par bhee lagam laga sakata haai. jab ham apane vash men karane ke liye ghaedon ke munh men lagam lagate haai, to ham un kee saree deh ko bhee faer sakate haain. dekho, jahaj bhee, yadhyipi aeese bade hote haai, aur prachand vayu se chalaae jate haai, taubhee aek chhottee see patavar ke dara manjhee kee ichchha ke anusar ghaumaae jate haain. vaaise hee jeebh bhee aek chhotta sa ang haai aur badee badee deenge maratee haai: dekho, thodee see ag se kitane bade ban men ag lag jatee haai. jeebh bhee aek ag haai: bhee hamare angon men adharmaa ka aek lok haai aur saree deh par kalank lagatee haai, aur bhvachakr men ag laga detee haai aur narak kund kee ag se jalatee rahatee haai. kyonaki har prakar ke bana-pashu, pakshae, aur renganevale jantu aur jalachar to manushy jaati ke vash men ho sakate haain aur ho bhee gaee haain. par jeebh ko manushyon men se koi vash men naheen kar sakata vah aek aeese bala haai jo kabhee rookatee hee naheen vah praan nashak vish se bhree hui haai. isee se ham prabhu aur pita kee stuti karate haain aur isee se manushyon ko jo parameshvar ke svaroop men utpann huae haain srup dete haain. aek hee munh se dhanyavad aur srup donon nikalata haain. he mere bhaiyo, aeese nahee hona chaahiae. kya sote ke aek hee munh se meetta aur khara jal donon nikalata haai? he mere bhaiyo, kya anjeer ke ped men jaaitoon, ya dakh kee lata men anjeer lag sakate haain? vaaise hee khare sote se meetta paneer naheen nikal sakata.. tum men gyaanavan aur samajhdar kaun haai? jo aeese ho vah apane kamon ko achchhe chalachalan se us namrata sahit pragatt kare jo gyaan se utpann hote haai. par yaadi tum apane apane man men kadvee dah aur virodha rakhte ho, to saty ke virodha men ghamand n karana, aur n to joott bolana. yah gyaan vah nahee, jo upar se utarata haai baran sansaarik, aur shaareerik, aur shautanee haai. isaliye ki jahan dah aur virodha hota haai, vahan bakheda aur har prakar ka dushkarma bhee hota haai. par jo gyaan upar se ata haai vah paahile to paavitra hota haai fir milanasar, komal aur mradubhav aur daya, aur achchhe falon se lada hua aur pakshapat aur kapatt rahat hota haai. aur

milap karanevalon ke liye dhaaarmikata ka fal mela-milap ke sath boya jata haai..

4

tum men ladaiyan aur jhgade kahan se a gaee? kya un sukh-avilason se naheen jo tumhare angon men ladte-bhaidte haain? tum lalasa rakhte ho, aur tumhen milata naheen tum hatya aur dah karate ho, or kuchh praapt naheen kar sakate tum jhgadte aur ladte ho tumhen isaliye naheen milata, ki mangate naheen. tum mangate ho aur pate nahee, isaaliye ki buree ichchha se mangate ho, taki apane bhog vilas men uda do. he vyabhaichaarainaiyo, kya tum naheen janatee, ki sansar se mitrata karanee parameshvar se baair karana haai? so jo koi sansar ka mitra hona chahata haai, vah apane ap ko parameshvar ka baaiere banata haai. kya tum yah samajhte ho, ki pavitra shaasr vyarth kahata haai? jis atma ko us ne hamare bheetar basaya haai, kya vah aeese lalasa karata haai, jis ka pratifal dah ho? vah to aur bhee anugrah deta haai is karan yah likha haai, ki parameshvar abhaimaanion se virodha karata haai, par deenon par anugrah karata haai. isaliye parameshvar ke adhaeen ho jao aur shautan ka samhana karo, to vah tumhare pas se bhag nikalega. parameshvar ke nikatt ao, to vah bhee tumhare nikatt aage: he paapiyo, apane hath shuuddh karo aur hee duchihte logon apane day ko paavitra karo. dukhee hoo, aur shaek kara, aur roo: tumharee hansee shaek se aur tumhara anand udasee se badal jae. prabhu ke samhane deen bano, to vah tumhen shairomanai banaaega. he bhaiyo, aek doosare kee badanamee n karo, jo apane bhai kee badanamee karata haai, ya bhai par dosh lagata haai, vah vyavastha kee badanamee karata haai, aur vyavastha par dosh lagata haai, to too vyavastha par chalanevala nahee, par us par hakim tthara. vyavastha denevala aur hakim to aek hee haai, jise bachane aur nash karane kee samarth haai too kaun haai, jo apane padosee par dosh lagata haai? tum jo yah kahate ho, ki aj ya kal ham kisee aur nagar men jakar vahan aek varsha bitaenge, aur vyapar karake labh uttaaenge. aur yah naheen janate ki kal kya hoga: sun to lo, tumhara jeevan haai hee kya? tum to mano bhap saman ho, jo thodee der dikhai detee haai, fir lop ho jatee haai. is ke vipareet tumhen yah kahana chahia, ki yadi prabhu chahe to ham jeevit rahenge, aur yah ya vah kam bhee karege. par ab tum apanee deeng par ghamand karate ho aeese sab ghamand bura hota haai. isaliye jo koi bhlai karana janata haai aur naheen karata, usake liye yah pap haai..

5

he dhanavanon sun to lo tum apane anevale kle-shaen par chillakar roo. tumhara dhan bigad gaya aur tumhare vasren ko keede kha gaee. tumhare sone-chandee men kai lag gai haai aur vah kai tum par gavahee degee, aur ag kee nai tumhara mans kha jaegee: tum ne antaim yug men dhan battora haai. dekho, jin majadooron ne tumhare khet katte, un kee vah majadooree jo tum ne dhaekha dekar rakh

lee haai chilla rahee haai, aur lavanevalon kee do-
hai, senaon ke prabhu ke kanon tak pahunch gai
haai. tum prathvee par bhoga-avilas men lage rahe
aur bada hee sukh bhoga tum ne is vadha ke din ke
liye apane day ka palana-poshan karake motta taja
kiya. tum ne dharmee ko doshaee ttharakar mar dala
vah tumhara samhana naheen karata.. so he bhaiyo,
prabhu ke agaman tak dhaeeraj dharo, dekho, gra-
hastha prathvee ke bahumooly fal kee asha rakhta
hua pratham aur aantaim vashara hone tak dhaeeraj
dharata haai. tum bhee dhaeeraj dharo, aur apane
day ko draddh karo, kyonaki prabhu ka shuubhaga-
man nikatt haai. he bhaiyo, aek doosare par dosh
n lagao taaki tum doshaee n ttharo, dekho, haakim
dar par khda haai. he bhaiyo, jin bhvishyadvktaon
ne prabhu ke nam se baten kee, unhen dukh uttane
aur dhaeeraj dharane ka aek adarsha samajho. dekho,
ham dhaeeraj dharanevalon ko dhany kahate haain:
tum ne aecyoob ke dhaeeraj ke vishay men to suna
hee haai, aur prabhu kee or se jo usaka pratifal hua
use bhee jan liya haai, jis se prabhu kee atyant karoona
aur daya pragatt hotee haai. par he mere bhaiyo, sab
se shraeshtt bat yah haai, ki shapath n khana n svarga
kee n prathvee kee, n kisee aur vastu kee, par tumha-
reee batacheet han kee ha, aur naheen kee naheen ho,
ki tum dand ke yogy n ttharo.. yaadi tum men koi
dukhee ho to vah praarthna kare: yadi anaandait ho,
to vah stuati ke bhjan gae. yaadi tum men koi ro-
gee ho, to kaleeasiya ke praacheenon ko bulaa, aur
ve prabhu ke nam se us par tel mal kar usake liye
praarthna karen. aur vishvas kee praarthna ke dara
rogee bach jaege aur prabhu us ko uttakar khda
karega aur yaadi us ne pap bhee kiae ho, to un kee
bhee kshama ho jaegee. isaliye tum apas men aek
doosare ke samhane apane apane papon ko man lo
aur aek doosare ke liye praarthna karo, jis ke change
ho jao dharmee jan kee praarthna ke prabhav se bahut
kuchh ho sakata haai. aeliyyah bhee to hamare saman
dukhd-sukhd bhogee manushy tha aur us ne gidgida kar
praarthna kee ki men n barase aur saddhe teen var-
sha tak boomi par men naheen barasa. fir us ne
praarthna kee, to akash se vashara hui, aur boomi
falavant hui.. he mere bhaiyo, yadi tum men koi saty
ke marga se bhittk jaa, aur koi us ko faer laae. to vah
yah jan le, ki jo koi kisee bhittke huae papee ko faer
laaege, vah aek praan ko mratyu se bachaeege, aur
anek papon par parada dalega..

isaliye sab prakar ka baairabhav aur chhl aur kapatt aur dah aur badanamee ko door karake. naye jan-men huae bachchon kee nai nirmal aatmaik doodha kee lalasa karo, taaki usake dara uddhar pane kee liye baddhte jao. yaadi tum ne prabhu kee krapa ka svad chakh liya haai. usake pas akar, jise manushyon ne to nikamma ttharaya, parantu parameshvar kee nikatt chuna hua, aur bahumooly jeevate pavitra haai. tum bhee ap jeevate pathron kee nai aatmaik ghar ba-nate jate ho, jis se yajakon ka pavitra samaj banakar, aeese atmaik balidan chaddhao, jo yeeshu maseeh kee dara parameshvar ko graa ho. is karan pavitra shaasr men bhee aya haai, ki dekho, maain siyyon men kone kee sire ka chuna hua aur bahumooly patthr dharata hoon: aur jo koi us par vishvas karega, vah kisee reeati se lajjait naheen hoga. so tumhare liye jo vishvas karate ho, vah to bahumooly haai, par jo vishvas naheen karate un ke liye jis patthr ko ra-jaamisreyon ne nikamma ttharaya tha, vahee kone ka sira ho gaya. aur ttes lagane ka patthr aur ttokar khane kee chattan ho gaya haai: kyonki ve to vachan ko n manakar ttokar khate haain aur isee kee liye ve ttharaae bhee gaee the. par tum aek chuna hua vansha, aur raja-padadhaaree, yajakon ka samaj, aur pavitra log, aur parameshvar kee nij praja ho, isaliye ki jis ne tumhen andhakar men se apanee adabhut jyoti men bulaya haai, usake gun pragatt karo. tum paahile to kuchh bhee naheen the, par ab paramesh-var hee praja ho: tum par daya naheen hui thee par ab tum par daya hui haai.. hee piyyon maain tum se binatee karata hoo, ki tum apane ap ko paradeshaee aur yatraee janakar us sansarik abhailashaaon se jo atma se yuddh karatee haai, bache raho. anyajatiyon men tumhara chalachalan bhla ho isaliye ki jin jin baton men ve tumhen kukarmee janakar badanam karate haai, ve tumhare bhltte kamon ko dekhkara unheen ke karan krapa drasht kee din paramesh-var kee mahima karen.. prabhu ke liye manushyon ke ttharaae huae har aek prabandha kee adhaen men raho, raja kee isaliye ki vah sab par pradhaan haai. aur haakimon ke, kyonaki ve kukaarmiyon ko dand dene aur sukarimiyon kee prashansa ke liye usake bheje huae haain. kyonaki parameshvar kee ichchha yah haai, ki tum bhle kam karane se nirbuaddh ilogon kee agyaanata kee baton ko band kar do. aur apane ap ko svatantra jano par apanee is svatantrata ko burai ke liye ad n bano, parantu apane ap ko parameshvar

he paatnaiyo, tum bhee apane pati ke adhaeen raho. isaliye ki yadi in men se koi aeese ho jo vachan ko n manate ho, taubhee tumhare bhy sahit pavitra chalachalan ko dekhkar bina vachan ke apanee apanee patnee ke chalachalan ke dara khainch jaen. aur tumhara singar, dikhavattnee n ho, arthata bal goonthne, aur sone ke gahane, ya bhanti bhanati ke kapade paahinana. baran tumhara chhpaai hua aur gupt manushyatv, namrata aur man kee deenata kee aavinashae savajatt se susaajjait rahe, kyon-aki parameshvar kee drashtti men isaka mooly bada haai. aur poorvakal men pavitra striayan bhee, jo parameshvar par asha rakhtee thee, apane ap ko isee reeati se sanvaratee aur apane apane pati ke adhaeen rahatee theen. jaaise sara ibraaheem kee agyaa men rahatee aur use svamee kahatee thee: so tum bhee yaadi bhilai karo, aur kisee prakr ke bhy se bhyab-heet n ho to us kee benttyaian ttharogee.. vaaise hee he paatiyo, tum bhee buddhmaanee se patnaiyon ke sath jeevan nirvah karo aur sree ko nirbal pa-tra janakar usaka adar karo, yah samajhkar ki ham donon jeevan ke varadan ke varis haai, jis se tumharee praarthnaaen rook n jaen.. nidan, sab ke sab aek man aur krapamay aur bhaichare kee praeeiti rakhnevale, aur karoanamay, aur namra bano. burai ke badale bu-rai mat karo aur n galee ke badale galee do par is ke vipareet ashaeesh hee do: kyonaki tum ashaeesh ke vaaris hone ke liye bulaae gaee ho. kyonaki jo koi jee-vaan kee ichchha rakhta haai, aur achchhe diin dekhna chahata haai, vah apanee jeebh ko burai se, aur apane hontton ko chhl kee baten karane se roke rahe. vah burai ka sath chhode, aur bhilai kee kare vah mel mil-lap ko ddoondhde, aur us ke yatn men rahe. kyon-aki prabhu kee ankhe dhaarmiyon par lagee rahatee haai, aur usake kan us kee binatee kee or lage rahate

yahooda kee or se jo yeeshu maseeh ka das aur yakoob ka bhai haai, un bulaae huon ke nam jo paramesh-var pita men piry aur yeeshu maseeh ke liye surakshiat haain.. daya aur shaaantai aur praem tumhen bahutayat se praapt hota rahe.. he piryo, jab maain tumhen us uddhar ke vishay men likhne men atyant paarishram se prayatn kar raha tha, jis men ham sab sahabhagee haain to maain ne tumhen yah samajhana avashyak jana ki us vishvas ke liye pooraa yatn karo jo paavitra logon ko aek hee bar saunpa gaya tha. kyonaki kitane aeese manushy chupake se ham men a mile haai, jin se is dand ka varnn purane samay men paahile hee se likha gaya tha: ye bhktaiheen haai, aur hamare parameshvar ke anugrah ko luchapan men badal dalate haai, aur hamare advait svamee aur prabhu yeeshu maseeh ka inkar karate haain.. par yadhyapi tum sab bat aek bar jan chuke ho, taubhee maain tumhen is bat kee suadhai dilana chahata hoo, ki prabhu ne aek kul ko misr desh se chhudane ke bad vishvas n lanevalon ko nash kar diya. fir jo srvagadooton ne apane pad ko sthiar n rakha varan apane nij nivas ko chhod diya, us ne un ko bhee us bheeshan din ke nyay ke liye andhakar men jo sada kal ke liye haai bandhanon men rakha haai. jis reeti se sadow aur amora aur un ke as pas ke nagar, jo in kee nai vyaabhaicharee ho gaee the aur paraye shareer ke peechhe lag gaee the ag ke anant dand men padkar drashttant thare haain. usee reeti se ye svapnadasharee bhee apane apane shareer ko ashuuddh karate, aur prabhuta ko tuchchh janate haain aur unche padavalon ko bura bhla kahate haain. parantu pradhaan svargadoot meekail ne, jab shautan se moosa kee loth ke vishay men vada-avivad karata tha, to us ko bura bhla kahake dosh lagane ka sahas n kiya par yah kaha, ki prabhu tuihe dantte. par ye log jin baton ko naheen janate, un ko bura bhla kahate haain par jin baton ko achetan pashuon kee nai svabhav hee se janate haai, un men apane ap ko nash karate haain. un par haya! ki ve kaain kee see chal chale, aur majadooree ke liye bilam kee nai bhrasht ho gaee haain: aur korah kee nai virodha karake nash huae haain. yah tumharee praem sabhaon men tumhare sath khate-peete, samudra men chhpaiee hui chattan sareekhe haai, aur bedhadk apana hee pett bhramevale rakhvale haain ve nirjal badal haain jinhen hava uda le jatee haai patajhd ke nishfal ped haai, jo do bar mar chuke haain aur jad se ukhd gaee haain. ye samudra ke prachand hilakore haai, jo apanee lajja ka faen uchhalate haain: ye danvadol tare haai, jin ke liye sada kal tak ghaer andhakar rakha gaya haai. aur hanok ne bhee jo adam se sataveen peeddhee men tha, in ke vishay men yah bhavishyadvanee kee, ki dekho, prabhu apane lakhon paavitraen ke sath aya. ki sab ka nyay kare, aur sab bhktaiheenon ko un ke abhaktai ke sab kamon ke vishay me, jo bhktaiheen paapiyon ne usake virodha men kahee haai, doshae thharaae. ye to asantusht, kudkudanevale, aur apane abhailashaaon ke anasar chalaneevale haain aur apane munh se ghamand kee baten bolate haain aur ve labh ke liye munh dekhee badai kiya karate haain.. par he piryo, tum un baton ko smaran rakho jo hamare prabhu yeeshu maseeh ke

praerit pahile kah chuke haain. ve tum se kaha karate the, ki pichhle dinon men aeese ttttha karanevale honge, jo apanee abhktai ke abhailashaaon ke anasar chalenge. ye to ve haai, jo foott dalate haain ye shaa-reearik log haai, jin men atma naheen. par he piryon tum apane ati pavitra vishvas men apanee unnati karate huae aur paavitra atma men praarthna karate hue. apane ap ko parameshvar ke praem men banaae rakho aur anant jeevan ke liye hamare prabhu yeeshu maseeh kee daya kee asha dekhte raho. aur un par jo shanka men haain daya karo. aur bahuton ko ag men se jhpattkar nikalo, aur bahuton par bhy ke sath daya karo baran us vasr se bhee gharaana karo jo shareer ke dara kalanakit ho gaya haai.. ab jo tumhen ttokar khane se bacha sakata haai, aur apanee maahima kee bhrapooree ke samhane magan aur nirdosh karake khda kar sakata haai. us advait parameshvar hamare uddharakarta kee maahima, aur gaurav, aur parakram, aur adhaikar, hamare prabhu yeeshu maseeh kee dara jaaisa sanatan kal se haai, ab bhee ho aur yuganuyug rahe. ameena..

jab vah us pahad se utara, to aek badee bheed usake peechhe ho lee. aur dekho, aek koddhee ne pas akar use pranam kiya aur kaha ki he prabhu yaadi too chahe, to mujhe shuuddh kar sakata haai. yeeshu ne hath baddhakar use chooa, aur kaha, maain chahata hoo, too shuuddh ho ja aur vah turant koddh se shuuddh ho gaya. yeeshu ne us se kaha dek, kisee se n kahana parantu jakar apane ap ko yajak ko dikhla aur jo chaddhava moosa ne ttharaya haai use chaddha, taaki un ke liye gavahee ho. aur jab vah kafaranahoom men aya to aek soobedar ne usake pas akar us se bina-tee kee. ki he prabhu, mera sevak ghar men jhole ka mara bahut dukhee pada haai. us ne us se kaha maain akar use changa karoonga. soobedar ne uttr diya ki he prabhu maain is yogy nahee, ki too meree chht ke tale aa, par keval mukh se kah de to mera sevak changa ho jaaega. kyonaki maain bhee paradhaeen manushy hoo, aur sipahee mere hath men haai, aur jab aek se kahata hoo, ja, to vah jata haai aur doosare ko ki a, to vah ata haai aur apane das se kahata hoo, ki yah kar, to vah karata haai. yah sunakar yeeshu ne achambha kiya, aur jo usake peechhe a rahe the un se kaha maain tum se sach kahata hoo, ki maain ne israael men bhee aeesa vishvas naheen paya. aur maain tum se kahata hoo, ki bahutere poorva aur paashchaim se akar ibraaheem aur isahak aur yakoob ke sath svarga ke rajy men baaitenge. parantu rajy ke santan bahar andhiyare men dal diae jaaenge: vahan rona aur danton ka peesana hoga. aur yeeshu ne soobedar se kaha, jo jaaisa tera vishvas haai, vaaisa hee tere liye ho: aur usaka sevak usee ghadee changa ho gaya.. aur yeeshu ne pataras ke ghar men akar us kee sans ko jvar men padee dekha. us ne usaka hath chooa aur usaka jvar utar gaya aur vah uttkar us kee seva karane lagee. jab sandhya hui tab ve usake pas bahut se logon ko laae jin men dushttatmaen theen aur us ne un atmaon ko apane vachan se nikal diya, aur sab beemaron ko changa kiya. taaki jo vachan yashaayah bhvishyadvkta ke dara ka gaya tha vah poora ho, ki us ne ap hamaree durbalataon ko le liya aur hamaree

beemariyon ko utta liya.. yeeshu ne apanee charon or aek badee bheed dekhkar us par jane kee agyaa dee. aur aek shaasree ne pas akar us se kaha, he guro, jahan kaheen too jaaega, maain tere peechhe peechhe ho loonga. yeeshu ne us se kaha, lomadiyon ke bhtt aur akash ke paakshiyon ke basere hote haain parantu manushy ke putra ke liye sir dharane kee bhee jagah naheen haai. aek aur chele ne us se kaha, he prabhu, mujhe paahile jane de, ki apane pita ko gaddh doon. yeeshu ne us se kaha, too mere peechhe ho le aur muradon ko apane murade gadne de.. jab vah nav par chaddha, to usake chele usake peechhe ho liae. aur dekho, jheel men aek aesa bada toofaan utta ki nav laharon se ddhnpaane lagee aur vah so raha tha. tab unhon ne pas akar use jagaya, aur kaha, he prabhu, hamen bacha, ham nash huae jate haain. us ne un se kaha he alpavishvasiyo, kyon drate ho? tab us ne uttkar andhaee aur panee ko dantta, aur sab shaant ho gaya. aur log achambha karake kahane lage ki yah kaaisa manushy haai, ki andhaee aur panee bhee us kee agyaa manate haain. jab vah us par gadare-anion ke desh men pahuncha, to do manushy jin men dushttatmaen theen kabraen se nikalate huae use mile, jo itane prachand the, ki koi us marga se ja naheen sakata tha. aur dekho, unhon ne chillakar kaha he parameshvar ke putra, hamara tujh se kya kaha? kya too samay se paahile hamen dukh dene yahan aya haai? un se kuchh door bahut se sooraron ka jhund char raha tha. dushttatmaon ne us se yah kahakar bina-tee kee, ki yadi too hamen nikalata haai, to sooraron ke jhund men bhej de. us ne un se kaha, jao, ve nikalakar sooraron men paait gae aur dekho, sara jhund kadade par se jhpattkar panee men ja pada aur oob mara. aur charavahe bhage, aur nagar men jakar ye sab baten aur jin men dushttatmaen bheen un ka sara hal kah sunaya. aur dekho, sare nagar ke loge yeeshu se bhentt karane ko nikal aae aur use dekhkar bina-tee kee, ki hamare sivanon se bahar nikal ja..

fir vah nav par chaddhkar par gaya aur apane nagar men aya. aur dekho, kai log aek jhole ke mare huae ko khatt par rakhkar usake pas laae yeeshu ne un ka vishvas dekhkar, us jhole ke mare huae se kaha he putra, ddhaddhs bandha tere pap kshama hue. aur dekho, kai shhaastriayon ne socha, ki yah to paramesh-var kee ninda karata haai. yeeshu ne un ke man kee baten maloom karake kaha, ki tum log apane apane man men bura vichar kyon kar rahe ho? sa-haj kya haai, yah kahana, ki tere pap kshama hue ya yah kahana ki utt aur chal fira. parantu isaliye ki tum jan lo ki manushy ke putra ko prathvee par pap kshama karane ka adhaikar haai us ne jhole ke mare huae se kaha utt: apanee khatt utta, aur apane ghar chala ja. vah uttkar apane ghar chala gaya. log yah dekhkar dr gae aur parameshvar kee maahima karane lage jis ne manushyon ko aesa adhaikar diya haai.. vahan se age baddhkar yeeshu ne mattee nam aek manushy ko mahasool kee chaukee par baaitte dekha, aur us se kaha, mere peechhe ho le. vah uttkar usake peechhe ho liya.. aur jab vah ghar men bhojan karane ke liye baaitta to bahutere mahasool

lenevalon aur papee akar yeeshu aur usake chelon ke sath khane baaitte. yah dekhkar fareesiyan ne usake chelon se kaha tumhara guroo mahasool lenevalon aur papiyon ke sath kyon khata haai? us ne yah sunakar un se kaha, vaaidh bhile changon ko naheen parantu beemaron ko avashy haai. so tum jakar is ka arth seekh lo, ki maain baalidan naheen parantu daya chahata hoon kyonki maain dhaarmiyon ko naheen parantu paapiyon ko bulane aya hoon.. tab yoohanna ke chelon ne usake pas akar kaha kya karan haai ki ham aur fareese itana upavas karate haai, par tere chele upavas naheen karate? yeeshu ne un se kaha kya baratee, jab tak dulha un ke sath haai shaek kar sakate haain? par ve din aenge ki doolun ho se alag kiya jaega, us samay ve upavas karenge. kore kapade ka paiband purane pahiravan par koi naheen lagata, kyonki vah paiband paahiravan se aur kuchh kheenche leta haai, aur vah aadhaik fatt jata haai. aur naya dakhras puranee mashakon men naheen bhrate haain kyonaki aesa karane se mashken fatt jatee haai, aur dakhras bah jata haai aur mashaken nash ho jatee haai, parantu naya dakhras nai mashkon men bhrate haain aur vah donon bachee rahatee haain. vah un se ye baten kah hee raha tha, ki dekho, aek saradar ne akar use pranam kiya aur kaha merree putraee abhee maree haai parantu chalakar apana hath us par rak, to vah jeeavit ho jaaegee. yeeshu uttkar apane chelon samet usake peechhe ho liya. aur dekho, aek sree ne jis ke barah varsha se lohoo bahata tha, usake peechhe se akar usake vasr ke anchal ko choo liya. kyonaki vah apane man men kahatee thee ki yadi maain usake vasr hee ko choo loonbee to changee ho jaungee. yeeshu ne firakar use dekha, aur kaha putraee ddhaddh bandha tere vishvas ne tuijhe changa kiya haai so vah sree usee ghadee changee ho gai. jab yeeshu us saradar ke ghar men pahuncha aur bansalee bajanevalon aur bheed ko hullad machate dekha tab kaha. hatt jao, ladkee maree nahee, par sotee haai is par ve us kee hansee karane lage. parantu jab bheed nikal dee gai, to us ne bheetar jakar ladkee ka hath pakada, aur vah jee uttee. aur is bat kee charcha us sare desh men faail gai. jab yeeshu vahan se age bad-dha, to do andho usake peechhe yah pukarate huae chale, ki he daud kee santan, ham par daya kara. jab vah ghar men pahuncha, to ve andho us ke pas aae aur yeeshu ne un se kaha kya tumhen vishvas haai, ki maain yah kar sakata hoon? unhon ne us se kaha han prabhuh. tab us ne un kee ankhe chookar kaha, tumhare vishvas ke anasar tumhare liye ho. aur un kee ankhe khul gai aur yeeshu ne unhon chitakar kaha savadhaan, koi is bat ko n jane. par unhon ne nikalakar sare desh men usaka yash faaila diya.. jab ve bahar ja rahe the, to dekho, log aek goonge ko jis men dushttatma thee us ke pas laane. aur jab dushttatma nikal dee gai, to goonga bolane laga aur bheed ne achambha karake kaha ki israel men aesa kabhee naheen dekha gaya. parantu fareesiyan ne kaha, yah to dushttatmaon ke saradar kee sahayata se dushttatmaon ko nikalata haai.. aur yeeshu sab nagaron aur ganvon men firata raha aur un kee sabhaon men upadesh karata, aur rajy ka susamachar prachar karata, aur har prakhar kee beemaree aur durbalata ko door karata raha. jab us ne bheed ko dekha to us ko

logon par taras aya, kyonki ve un bhedon kee nai jin-naka koi rakhvala n ho, vyakul aur bhittke huae se the. tab us ne apane chelon se kaha, pakke khet to bahut haain par majadoor thode haain. isaliye khet ke svamee se binatee karo ki vah apane khet kattne ke liye majadoor bhej de..

fir us ne apane barah chelon ko pas bulakar, unhen ashuuddh atmaon par adhaikar diya, ki unhen nikalen aur sab prakhar kee beemariyan aur sab prakhar kee durbalataon ko door karen.. aur barah praeriton ke nam ye haain: paahila shamaun, jo pataras kahalata haai, aur usaka bhai andairyasa jabdee ka putra yakoob, aur usaka bhai yoohanna firaalippus aur bara-tulmaai thoma aur mahasool lenevala mattee, halafaai ka putra yakoob aur taai. shamaun kananee, aur yahooda iskaariyotee, jis ne use pakadva bhee diya.. in barahon ko yeeshu ne yah agyaa dekar bheja ki anyajatiyon kee or n jana, aur samariyon ke kisee nagar men praveshe n karana. parantu israel ke gharaane hee kee khoi hui bhedon ke pas jana. aur chahate chahate prachar kar kaho ki svarga ka rajy nikatt a gaya haai. beemaron ko changa karo: mare huon ko jilao: koddhiyon ko shuuddh karo: dushttatmaon ko nikalo: tum ne sentament paya haai, sentament do. apane pattukon men n to sona, aur n roopa, aur n tanba rakhna. marga ke liye n jholee rakho, n do kurate, n joote aur n lattee lo, kyonki majadoor ko usaka bhojan milana chahiae. jis kisee nagar ya ganv men jao to pata lagao ki vahan kaun yogy haai? aur jab tak vahan se n nikalo, usee ke vahan raho. aur ghar men praveshe karate huae us ko ashaeesh dena. yaadi us ghar ke log yogy hongee to tumhara kalyan un par pahunchega parantu yaadi ve yogy n hon to tumhara kalyan tumhare pas lautt aega. aur jo koi tumhen grahan n kare, aur tumhare baten n sune, us ghar ya us nagar se nikalate huae apane panvon kee dhool jhad dalo. maain tum se sach kahata hoo, ki nyay ke din us nagar kee dashe se sadom aur amora ke desh kee dashe aadhaik sahane yogy hogee.. dekho, maain tumhen bhedon kee nai bhediyon ke beech men bhejata hoon so sanpon kee nai buaddhmaian aur kabootaron kee nai bhole bano. parantu logon se savadhaan raho, kyonaki ve tumhen mahasabhaon men saupenge, aur apanee panchayat men tumhen kode mareng. tum mere liye haakimon or rajaon ke samhane un par, aur anyajatiyon par gavah hone ke liye pahunchaae jaoge. jab ve tumhen pakadvaenge to yah chinta n karata, ki ham kis reeti se ya kya kahenge: kyonki jo kuchh tum ko kahana hoga, vah usee ghadee tumhen bata diya jaega. kyonaki bolanevale tum naheen ho parantu tumhare pita ka atma tum men bolata haai. bhai, bhai ko aur pita putra ko, ghaat ke liye saunpenge, aur ladkevale mata-apita ke virodha men uttkar unhen marava dalenge. mere nam ke karan sab log tum se baair karenge, par jo ant tak dhaceeraj dhare rahega usee ka uddhar hoga. jab ve tumhen aek nagar men sataae, to doosare ko bhag jana. maain tum se sach kahata hoo, tum israel ke sab nagaron men n fir chukoge ki manushy ka putra a jaega.. chela apane guroo se bada naheen aur

n das apane svamee se. chele ka guroo ke, aur das ka svamee ke barabar hona hee bahut haai jab unhon ne ghar ke svamee ko shautan kaha to usake ghar-avalon ko kyon n kahenge? so un se mat drana, kyonaki kuchh ddhpa nahee, jo khola n jaega aur n kuchh chhpaai haai, jo jana n jaega. jo maain tum se andhiyare me kahata hoo, use ujiyale men kaho aur jo kanon kan sunate ho, use kotton par se prachar karo. jo shareer ko ghaat karate haai, par atma ko ghaat naheen kar sakate, un se mat drana par usee se dro, jo atma aur shareer donon ko narak men nash kar sakata haai. kya paaise me do gauraiye naheen bikatee? taubhee tumhare pita kee ichchha ke bina un men se aek bhee boomi par naheen gir sakatee. tumhare sir ke bal bhee sab gine huae haain. isaliye, dro naheen tum bahut gauraiyon se baddhkar ho. jo koi manushyon ke samhane mujhe man lega, use maain bhee svargeey pita ke samhane man loonga. par jo koi manushyon ke samhane mera inkar karega us se maain bhee apane svargeey pita ke samhane inkar karoonga. yah n samajho, ki maain prathvee par milap karane ko aya hoon maain milap karane ko nahee, par talavar chalavane aya hoon. maain to aya hoo, ki manushy ko usak pita se, aur bettee ko us kee man se, aur bahoo ko us kee sas se alag kar doon. manushy ke baairae usak ghar hee ke log hongee. jo mata ya pita ko mujh se aadhaik piry janata haai, vah mere yogy naheen aur jo betta ya bettee ko mujh se aadhaik piry janata haai, vah mere yogy naheen. aur jo apana kroos lekar mere peechhe n chale vah mere yogy naheen. jo apane praan bachata haai, vah use khoega aur jo mere karan apana praan khota haai, vah use paaega. jo tumhen grahan karata haai, vah mujhe grahan karata haai aur jo mujhe grahan karata haai, vah mere bhejanevale ko grahan karata haai. jo bhavishyadvkta ko bhavishyadvkta janakar grahan kare, vah bhavishyadvkta ka badala paaega aur jo dharmee janakar dharmee ko grahan kare, vah dharmee ka badala paaega. jo koi n chhotton men se aek ko chela janakar keval aek kattora ttnda panee pilaa, maain tum se sach kahata hoo, vah kisee reeatii se apana pratifal n khoega..

jab yeeshu apane barah chelon ko agyaa de chuka, to vah un ke nagaron men upadesh aur prachar karane ko vahan se chala gaya.. yooahanna ne bandeegrah men maseeh ke kamon ka samachar sunakar apane chelon ko us se yah poochhne bheja. ki kya anevara too hee haai: ya ham doosare kee batt johen? yeeshu ne uttr diya, ki jo kuchh tum sunate ho aur dekhte ho, vah sab jakar yooahanna se kah do. ki andho dekhte haain aur langade chalate firate haain kod-dhee shuuddh kiae jate haain aur bahire sunate haai, murde jilaee jate haain aur kangalon ko susamachar sunaya jata haai. aur dhany haai vah, jo mere karan ttokar n khaae. jab ve vahan se chal dia, to yeeshu yooahanna ke vishay men logon se kahane laga tum jangal men kya dekhte gaee the? kya hava se hilate huae sarakande ko? fir tum kya dekhnge gaee the? dekho, jo komal vasr pahinate haai, ve rajabhvanon men rahate haain. to fir kyon gaee the? kya kiese

bhavishyadvkta ko dekhne ko? han maain tum se kahata hoo, baran bhavishyadvkta se bhee bade ko. yah vahee haai, jis ke vishay men likha haai, ki dekh maain apane doot ko tere age bhejata hoo, jo tere age tera marga taaiyar karega. maain tum se sach kahata hoo, ki jo striayon se janme haai, un men se yooahanna bapatisma denevalon se koi bada naheen hua par jo svarga ke rajy men chhotte se chhotta haai vah us se bada haai. yooahanna bapaatisma denevale ke dinon se ab tak svarga ke rajy par jor hota raha haai, aur balaval use chheen lete haain. yooahanna tak sare bhavishyadvkta aur vyavastha bhavishyadv-vanee karate rahe. aur chaho to mano, aeliyyah jo anevara tha, vah yahee haai. jis ke sunane ke kan ho, vah sun le. maain is samay ke logon kee upama kis se doon? ve un balakon ke saman haai, jo bajaron men baaitte huae aek doosare se pukarakar kahate haain. ki ham ne tumhare liye bansalee bajai, aur tum n nache ham ne vilap kiya, aur tum ne chhatee naheen peettee. kyonaki yooahanna n khata aya aur n peeta, aur ve kahate haain ki us men dushtatma haai. manushy ka putra khata-peeta aya, aur ve kahate haain ki dekho, petoo aur piyakkad manushy, mahasool lenevalon aur paapiyon ka mitra par gyaan apane kamon men sachcha tharaya gaya haai. tab vah un nagaron ko ulahana dene laga, jin men us ne bahutere samarth ke kam kiae the kyonki unhon ne apana man naheen firaya tha. hay, khurajeena hay, baaitasaaida jo samarth ke kam tum men kiae ga, yaadi ve soor aur saaida men kiae jate, to tatt oddhkar, aur rakh men baaittkar, ve kab se man fira lete. parantu maain tum se kahata hoon ki nyay ke din tumharee dasa se soor aur saaida kee dasa adhaik sahane yogy hogee. aur he kafaranahoom, kya too svarga tak uncha kiya jaega? too to adhaelok tak neeche jaega jo samarth ke kam tujh men kiae gaee haai, yaadi sadom men kiae jate, to vah aj tak bana rahata. par maain tum se kahata hoo, ki nyay ke din tere dasa se sadom ke desh kee dasa aadhaik sahane yogy hogee. usee samay yeeshu ne kaha, he pita, svarga aur prathvee ke prabhu maain tera dhanyavad karata hoo, ki too ne in baton ko gyaaniyon aur samajhdaron se chhpaai dakha, aur balakon par pragatt kiya haai. ha, he pita, kyonaki tujhe yahee achchha laga. mere pita ne mujhe sab kuchh saunpa haai, aur koi putra ko naheen janata, keval pita aur koi pita ko naheen janata, keval putra aur vah jis par putra use pragatt karana chahe. he sab paarishram karanevalon aur bojh se dabe logo, mere pas ao maain tumhen vishraam doonga. mera jooa apane par utta lo aur mujh se seekho kyonaki maain namra aur man men dee hoon: aur tum apane man men vishraam paoge. kyonaki mera jooa sahaj aur mera bojh halka haai..

us samay yeeshu sabt ke din kheton men se hokar ja raha tha, aur usake chelon ko bookh lagee, so ve balen tod todkar khane lage. faareesiyon ne yah dekhkar us se kaha, dekh tere chele vah kam kar rahe haai, jo sabt ke din karana uchit naheen. us ne un se kaha kya tum ne naheen paddha, ki daud ne, jab vah aur usake sathee bookhe huae to kya kiya? vah

kyonkar parameshvar ke ghar men gaya, aur bhentt kee rottyaiaen khai, jinhen khana n to use aur usake saathaiyon ko, par keval yajakon ko uchit tha? ya tum ne vyavastha men naheen paddha, ki yajak sabt ke din mandair men sabt ke din ke vidhai ko todne par bhee nirdosh ttharae haain. par maain tum se kahata hoo, ki yahan vah haai, jo mandair se bhee bada haai. yaadi tum is ka arth janate ki maain daya se prasann hoo, balidan se nahee, to tum nirdosh ko doshaee n ttharae. manushy ka putra to sabt ke din ka bhee prabhu haai.. vahan se chalakar vah un kee sabha ke ghar men aya. aur dekho, aek manushy tha, jis ka hath sookha hua tha aur unhon ne us par dosh lagane ke liey us se poochha, ki kya sabt ke din changa karana uchit haai? us ne un se kaha tum men aeesa kaun haai, jis kee ek bhed ho, aur vah sabt ke din gadhe men gir jaa, to vah use pakadkar n nikale? bhla, manushy ka mooly bhed se kitana baddh kar haai isaaliey sabt ke din bhilai karana uchit haai: tab us ne us manushy se kaha, apana hath baddha. us ne baddhaya, aur vah fir doosare hath kee nai achchha ho gaya. tab faareesiyon ne bahar jakar usake virodha men sammati kee, ki use kis prakar nash karen? yah janakar yeeshu vahan se chala gaya aur bahut lage usake peechhe ho liye aur us ne sab ko changa kiya. aur unhen chitaya, ki mujhe pragat n karana. ki jo vachan yashaayah bhvishyadvkta ke dara kaha gaya tha, vah pooro ho. ki dekho, yah mera sevak haai, jise maain ne chuna haai mera piri, jis se mera man prasann haai: maain apana atma us par daloonga aur vah anyajaatiyon ko nyaya ka samachar dega. vah n jhgada karega, aur n dhoom machaaega aur n bajaron men koi usaka shabd sunega. vah kuchale huae sarakande ko n todaga aur dhooan detee hui battee ko n bujhaaega, jab tak nyay ko prabal n karaae. aur anyajatiyan usake nam par asha rakhengee. tab log aek andho-goonge ko jis men dushttatma thee, usake pas laae aur us ne use achchha kiya aur vah goonga bolane aur dekhne laga. is par sab log chaakit hokar kahane lage, yah kya daud kee santan ka haai? parantu fareeasiyon ne yah sunakar kaha, yah to dushttatmaon ke saradar shautan kee sahayata ke bina dushttatmaon ko naheen nikalata. us ne un ke man kee bat janakar un se kaha jis kisee rajy men foott hotee haai, vah ujad jata haai, aur koi nagar ya gharana jis men foott hotee haai, bana n rahega. aur yaadi shautan hee shautan ko nikale, to vah apana hee virodhae ho gaya haai fir usaka rajy kyonkar bana rahega? bhla, yadi maain shautan kee sahayata se dushttatmaon ko nikalata hoo, to tumhare vansh kis kee sahayata se nikalate haain? isaliye ve hee tumhara nyay chukaaenge. par yaadi maain parameshvar ke atma kee sahayata se dushttatmaon ko nikalata hoo, to parameshvar ka rajy tumhare pas a pahuncha haai. ya kyonkar koi manushy kisee balavant ke ghar men ghausakar usaka mal loot sakata haai jab tak ki pahile us balavant ko n bandha le? aur tab vah usaka ghar loot lega. jo mere sath nahee, vah mere virodha men haai aur jo mere sath naheen battorata, vah bithrata haai. isaliye maain tum se kahata hoo, ki manushy ka sab prakar ka pap aur ninda kshama kee jaaengee, par atma kee ninda kshama n kee jaaengee. jo koi manushy ke putra ke virodha men koi bat kahega, usaka yah aparadha

kshama kiya jaaega, parantu jo koi pavitraatma ke virodha men kuchh kahega, usaka aparadha n to is lok men aur n paralok men kshama kiya jaaega. yaadi ped ko achchha kaho, to usake fal ko bhee achchha kaho ya ped ko nikamma kaho kyonki ped fal hee se pahachana jata haai. he sanp ke bachcho, tum bure hokar kyonkar achchhee baten kah sakate ho? kyonki jo man men bhra haai, vahee munh par ata haai. bhla, manushy man ke bhle bhndar se bhlee baten nikalata haai aur bura manushy bure bhndar se bure baten nikalata haai. aur maai tum se kahata hoo, ki jo jo nikammee baten manushy kahenge, nyay ke din har aek bat ka lekha denge. kyonaki too apanee baton ke karan nirdosh aur apanee baton hee ke karan doshaee ttharaya jaaega.. is par kitane shaaastriyon aur fareeasiyon ne us se kaha, he guro, ham tujh se aek chinh dekhna chahate haain. us ne unhen uttr diya, ki is yug ke bure aur vyabhaicharee log chinh ddoondhdte haain parantu yoonus bhvishyadvkta ke chinh ko chhod koi aur chinh un ko n diya jaega. yoonus teen raj din jal jantu ke pett men raha, vaaise hee manushy ka putra teen rat din prathvee ke bheetar rahega. neenave ke log nyay ke din is yug ke logon ke sath uttkar unhen doshaee ttharaaenge, kyonki unhon ne yoonus ka prachar sunakar, man firaya aur dekho, yahan vah haai jo yoonus se bada haai. daakkhian kee ranee nyay ke din is yug ke logon ke sath uttkar unhen doshaee ttharaaenge, kyonaki vah sulaaيمان ka gyaan sunane ke liye prathvee ke chhor se ai, aur dekho, yahan vah haai jo sulaaيمان se bhee bada haai. jab ashuuddh atma manushy men se nikal jatee haai, to sookhee jagahon men vishraam ddoondhdtee firatee haai, aur patee naheen. tab kahatee haai, ki maain apane usee ghar men jahan se nikalee thee, lautt jaungee, aur akar use soona, jhadabuhara aur saja sajaya patee haai. tab vah jakar apane se aur buree sat atmaon ko apane sath le atee haai, aur ve us men paaitkar vahan vas karatee haai, aur us manushy kee pichhlee dasa paahile se bhee buree ho jatee haai is yug ke bure logon kee dasa bhee aeesee hee hogee. jab vah bheed se baten kar hee raha tha, to dekho, us kee mata aur bhai bahar khde the, aur us se baten karana chahate the. kisee ne us se kaha dekh teree mata aur tere bhai bahar khde haai, aur tujh se baten karana chahate haain. yah sun us ne kahanevale ko uttr diya kaun haai meree mata? aur kaun haai mere bhai? aur apane chelon kee or apana hath baddha kar kaha dekho, meree mata aur mere bhai ye haain. kyonaki jo koi mere svargeey pita kee ichchha par chale, vahee mera bhai aur baahin aur mata haai..

usee din yeeshu ghar se nikalakar jheel ke kinare ja baaita. aur usake pas aeesee badee bheed ikatthee hui ki vah nay par chaddh gaya, aur saree bheed kinare par khdee rahee. aur us ne un se drashttanton men bahut see baten kahee, ki dekho, aek bonevala beej bone nikala. bote samay kuchh beej margo ke kinare gire aur paakshaiyon ne akar unhen chug liya. kuchh patthrelee boomi par gire, jahan unhen bahut mittee n milee aur gaharee mittee n milane ke karan ve

jald ug aae. par sooraj nikalane par ve jal gaa, aur jad n pakadne se sookh gaae. kuchh jhaadiyon men gire, aur jhaadiyon ne baddhkar unhen daba dala. par kuchh achchhee boomi par gire, aur fal laa, koi sau guna, koi satt guna, koi tees guna. jis ke kan hon vah sun le.. aur chelon ne pas akar us se kaha, too un se drashttanton men kyon baten karata haai? us ne uttr diya, ki tum ko svarga ke rajy ke bhedon kee samajh dee gai haai, par un ko naheen. kyonaki jis ke pas haai, use diya jaega aur usake pas bahut ho jaega par jis ke pas kuchh naheen haai, us se jo kuchh usake pas haai, vah bhee le liya jaega. maain un se drashttanton men isaaliye baten karata hoo, ki ve dekhte huae naheen dekhte aur sunate huae naheen sunate aur naheen samajhte. aur un ke vishay men yashaayah kee yah bhvishyadvanee pooree ho-tee haai, ki tum kanon se to sunoge, par samajhoge naheen aur ankhone se to dekhoge, par tumhen n soojhega. kyonaki in logon ka man motta ho gaya haai, aur ve kanon se uncha sunate haain aur unhon ne apanee ankhen moond leen haain kaheen aeesa n ho ki ve ankhone se dekhe, aur kanon se sunen aur man se samajhe, aur fir jaae, aur maain unhen changa karoon. par dhany haai tumharee ankhe, ki ve dekhte haain aur tumhare kan, ki ve sunate haain. kyonaki maain tum se sach kahata hoo, ki bahut se bhavishyadvaktaon ne aur dharmiyon ne chaha ki jo baten tum dekhte ho, dekhien par n dekheen aur jo baten tum sunate ho, sunen, par n suneen. so tum banevale ka drashttant suno. jo koi rajy ka vachan sunakar naheen samajhta, usake man men jo kuchh boya gaya tha, use vah dushtt akar chheen le jata haai yah vaahee haai, jo marga ke kinare boya gaya tha. aur jo pattharee boomi par boya gaya, yah vah haai, jo vachan sunakar turant anand ke sath man leta haai. par apane men jad n rakhne ke karan vah thode hee din ka haai, aur jab vachan ke karan klesh ya upadrav hota haai, to turant ttokar khata haai. jo jhaadiyon men boya gaya, yah vah haai, jo vachan ko sunata haai, par is sansar kee chinta aur dhan ka dhaekha vachan ko dabata haai, aur vah fal naheen lata. jo achchhee boomi men boya gaya, yah vah haai, jo vachan ko sunakar samajhta haai, aur fal lata haai koi sau guna, koi satt guna, koi tees guna. us ne unhen ek aur drashttant diya ki svarga ka rajy us manushy ke saman haai jis ne apane khet men achchha beej boya. par jab log so rahe the to usake baairae akar gehoon ke beech jangalee beej bokar chala gaya. jab ankur nikale aur balen lagee, to jangalee dane bhee dikhai diae. is par grahashth ke dason ne akar us se kaha, he svamee, kya too ne apane khet men achchha beej n boya tha? fir jangatee dane ke paudho us men kahan se aae? us ne un se kaha, yah kisee baairae ka kam haai. dason ne us se kaha kya teree ichchha haai, ki ham jakar un ko battor len? us ne kaha, aeesa nahee, n ho ki jangatee dane ke paudho battorate huae un ke sath gehoon bhee ukhad lo. kattnee tak donon ko aek sath baddhne do, aur kattnee ke samay maain kattnevalon se kahoonga paahile jangalee dane ke paudho battorakar jalane ke liye un ke gathe bandha lo, aur gehoon ko mere khte men ikattha karo.. us ne unhen ek aur drashttant diya ki svarga ka rajy rai ke ek dane ke saman haai, jise kisee manushy ne lekar apane

khet men bo diya. vah sab beejon se chhotto to haai par jab baddh jata haai tab sab sag pat se bada hota haai aur aeesa ped ho jata haai, ki akash ke pakshaee akar us kee daliyon par basera karate haain.. us ne ek aur drashttant unhen sunaya ki svarga ka rajy khmeer ke saman haai jis ko kisee sree ne lekar teen paseree atte men mila diya aur hote hote vah sab khmeer ho gaya.. ye sab baten yeeshu ne drashttanton men logon se kahee, aur bina drashttant vah un se kuchh n kahata tha. ki jo vachan bhavishyadvakta ke dara kaha gaya tha, vah poora ho ki maain drashttant kahane ko apana munh kholoonga: maain un baton ko jo jagat kee utpati se gupt rahee haain pragatt karoon.. tab vah bheed ko chhodkar ghar men aya, aur usake chelon ne usake pas akar kaha, khet ke jangalee dane ka drashttant hamen samajha de. us ne un ko uttr diya, ki achchhe beej ka bonevala manushy ka putra haai. khet sansar haai, achchha beej rajy ke santan, aur jangalee beej dushtt ke santan haain. jis baairae ne un ko boya vah shautan haai kattnee jagat ka ant haai: aur kattnevale svargadoot haain. so jaise jangalee dane battore jate aur jalaae jate haain vaaisa hee jagat ke ant men hoga. manushy ka putra apane svargadooton ko bhejega, aur ve usake rajy men se sab ttokar ke karanon ko aur kukarma karanevalon ko ikattha karenge. aur unhen ag ke kund men dalenge, vahan rona aur dant peesana hoga. us samay dharmee apane pita ke rajy men soorya kee nai chamakenge jis ke kan hon vah sun le.. svarga ka rajy khet men chhpai huae dhan ke saman haai, jise kisee manushy ne pakar chhpai diya, aur mare anand ke jakar aur apana sab kuchh bechakar us khet ko mol liya.. fir svarga ka rajy aek vyoparee ke saman haai jo achchhe motiyon kee khoj men tha. jab use aek bahumooly motee mila to us ne jakar apana sab kuchh bech dala aur use mol le liya.. fir svarga ka rajy us bade jal ke saman haai, jo samudra men dala gaya, aur har prakar kee machhaliyon ko samett laya. aur jab bhr gaya, to us ko kinare par kheench laa, aur baaitkar achchhee achchhee to baratanon men ikattha kiya aur nikam-mee, nikammeen faenk dee. jagat ke ant men aeesa hee hoga: svargadoot akar dushtton ko dharmiyon se alag karenge, aur unhen ag ke kund men dalenge. vahan rona aur dant peesana hoga. kya tum ne ye sab baten samajheen? unhon ne us se kaha, han us ne un se kaha, isaaliye har ek shaasree jo svarga ke rajy ka chela bana haai, us grahashth ke saman haai jo apane bhndar se nai aur puranee vastuen nikalata haai.. jab yeeshu ne sab drashttant kah chuka, to vahan se chala gaya. aur apane desh men akar un kee sabha men unhen aeesa upadesh dene laga ki ve chakit hokar kahane lage ki is ko yah gyaan aur samarth ke kam kahan se mile? kya yah baddhi ka betta naheen? aur kya is kee mata ka nam mariyam aur is ke bhaiyon ke nam yakoob aur yooosufa aur shamaan aur yahooda naheen? aur kya is kee sab bahinen hamare beech men naheen rahate? fir is ko yah sab kahan se mila? so unhon ne usake karan ttokar khai, par yeeshu ne un se kaha, bhvishyadvakta apane desh aur apane ghar ko chhod aur kaheen niradar naheen hota. aur us ne vahan un ke avishvas ke karan bahut samarth ke kam naheen kiae..

us samay chauthai desh ke raja herodes ne yeeshu kee charcha sunee. aur apane sevakon se kaha, yah yoohanna bapatisma denevala haai: vah mare hoon men se jee utta haai, isee liye us se samarth ke kam pragatt hote haain. kyonaki herodes ne apane bhai filippus kee patnee herodiyas ke kara, yoohanna ko pakadkar bandha, aur jelakhane men dal diya tha. kyonaki yoohanna ne us se kaha tha, ki is ko rakhna tuihe uchit naheen haai. aur vah use mar dalana chahata tha, par logon se drata tha, kyonaki ve use bhavishyadvkta janate the. par jab herodes ka janm din aya, to herodiyas kee bettee ne utsav men nach dikhar kar herodes ko khush kiya. isaliye us ne shapath khakar vachan diya, ki jo kuchh too mangegee, maain tuihe doonga. vah apanee mata kee uski hui bolee, yoohanna bapaatisma denevale ka sir thal men yaheen mujhe mangava de. raja dukhait hua, par apanee shapath ke, aur sath baaitnevalon ke kara, agyaa dee, ki de diya jaae. aur jelakhane men logon ko bhe-jakar yoohanna ka sir kattva diya. aur usaka sir thal men laya gaya, aur ladkee ko diya gaya aur vah us ko apanee man ke pas le gai. aur usake chelon ne akar aur us kee loth ko le jakar gaddh diya aur jakar yeeshu ko samachar diya.. jab yeeshu ne yah suna, to nav par chaddhkar vahan se kisee sunasan jagah aekant men chala gaya aur log yah sunakar nagar nagar se paaidal usake peechhhe ho laie. us ne nikalakar badee bheed dekhee aur un par taras khaya aur us ne un ke beemaron ko changa kiya. jab sanjh hui, to usake chelon ne usake pas akar kaha yah to sunasan jagah haai aur der ho rahee haai, logon ko vida kiya jaae ki ve bastaiyon men jakar apane liye bhojan mol len. yeeshu ne un se kaha un ka jana avashyak naheen! tum hee inhen khane ko do. unhon ne us se kaha yahan hamare pas panch rottee aur do machhliyon ko chhod aur kuchh naheen haai. us ne kaha, un ko yahan mere pas le ao. tab us ne logon ko ghaas par baaitne ko kaha, aur un panch rottyaien aur do machhliyon ko liya aur svarga kee or dekhar dhanyavad kiya aur rottyaien tod todkar chelon ko dee, aur chelon ne logon ko. aur sab khakar trapt ho gaa, aur unhon ne bache huae ttukadon se bhree hui barah ttokaariyan uttai. aur khanevale striyan aur balakon ko chhodkar panch hajar purooshaen ke atktal the.. aur us ne turant apane chelon ko barabas nav par chaddhaya, ki ve us se pahile par chale jaae, jab tak ki vah logon ko vida kare. vah logon ko vida karake, praarthna karane ko alag pahad par chaddh gaya aur sanjh ko vahan akela tha. us samay nav jheel ke beech laharon se dgamaga rahee thee, kyonki hava samhane kee thee. aur vah rat ke chauthe pahar jheel par chalute huae un ke pas aya. chele us ko jheel par chalute huae dekhar ghabara gaa! aur kahane lage, vah boot haai aur dar ke mare chilla utte. yeeshu ne turant un se baten kee, aur kaha ddhaddhs bandhae maain hoon dro mata. pataras ne us ko uttr diya, he prabhu, yadi too hee haai, to mujhe apane pas paanee par chalakar ane kee agyaa de. us ne kaha, a: tab pataras nav par se utarakar yeeshu ke pas jane ko paanee par chalane laga. par hava ko dekhkar dr gaya, aur jab oobane laga, to chillakar kaha he prabhu, mu-

jhe bacha. yeeshu ne turant hath baddhakar use tham liya, aur us se kaha, he alpa-avishvasee, too ne kyon sandeh kiya? jab ve nav par chaddh gaa, to hava thm gai. is par jo nav par the, unhon ne use dandvat karake kaha sachamuch too parameshvar ka putra haai. ve par utarakar gannesarat desh men pahunche. aur vahan ke logon ne use pahachanakar as pas kee desh men kahala bheja, aur sab beemaron ko usake pas laae. aur us se binatee karane lage, ki vah unhen apane vasr ke anchal hee ko choone de: aur jitanaen ne use chooa, ve change ho gaae..

tab yarooshalem se kitane fareese aur shaasree yeeshu ke pas akar kahane lage. tere chele puraniyon kee reeton ko kyon ttalate haai, ki bina hath dhaaee rottee khate haain? us ne un ko uttr diya, ki tum bhee apanee reeton ke karan kyon parameshvar kee agyaa ttalate ho? kyonaki parameshvar ne kaha tha, ki apane pita aur apanee mata ka adar karana: aur jo koi pita ya mata ko bura kahe, vah mar dala jaae. par tum kahate ho, ki yadi koi apane pita ya mata se kahe, ki jo kuchh tuihe mujh se labh pahunch sakata tha, vah parameshvar ko bhent chaddhai ja chukee. to vah apane pita ka adar n kare, so tum ne apanee reeton ke karan parameshvar ka vachan ttal diya. he kapattyai, yashaayah ne tumhare vishay men yah bhavishyadane teek kee. ki ye log hotton se to mera adar karate haai, par un ka man mujh se door rahata haai. aur ye vyarth meree upasana karate haai, kyonki manushy kee vidhaiyon ko dhamorpadesh karake sikhate haain. aur us ne logon ko apane pas bulakar un se kaha, suno aur samajho. jo munh men jata haai, vah manushy ko ashuuddh naheen karata, par jo munh se nikalata haai, vahee manushy ko ashuuddh karata haai. tab chelon ne akar us se kaha, kya too janata haai ki fareeasiyon ne yah vachan sunakar ttokar khai? us ne uttr diya, har paudha jo mere svargeey pita ne naheen lagaya, ukhada jaega. un ko jane do ve andho marga dikhanevale haain: aur andha yadi andho ko marga dikhaa, to donon gadhe men gir padenge. yah sunakar, pataras ne us se kaha, yah drashtant hamen samajha de. us ne kaha, kya tum bhee ab tak na samajh ho? kya naheen samajhte, ki jo kuchh munh men jata, vah pett men padta haai, aur sandas men nikal jata haai? par jo kuchh munh se nikalata haai, vah man se nikalata haai, aur vahee manushy ko ashuuddh karata haai. kyonaki kuchinta, hatya, parasreegaman, vyaabhaichar, choree, jootee gavahee aur ninda man hee se nikalatee haai. yahee haain jo manushy ko ashuuddh karatee haai, parantu hath bina dhaaee bhojan karana manushy ko ashuuddh naheen karata.. yeeshu vahan se nikalakar, soor aur saaida ke deshaen kee or chala gaya. aur dekho, us desh se aek kananee sree nikalee, aur chillakar kahane lagee he prabhu daud ke santan, mujh par daya kar, meree bettee ko dushttatma bahut sata raha haai. par us ne use kuchh uttr n diya, aur usake chelon ne akar us se binatee kar kaha ise vida kara kyonki vah hamare peechhe chillatee aate haai. us ne uttr diya, ki israel ke gharane kee khoi hui bhedon ko chhod maain kisee ke pas naheen bheja gaya.

par vah ai, aur use pranam karake kahane lagee he prabhu, merree sahayata kara. us ne uttr diya, ki ladkon kee rottee lekar kuton ke age dalana achchha naheen. us ne kaha, saty haai prabhu par kutte bhee vah choorachar khate haai, jo un ke svaamiyon kee mej se girate haain. is par yeeshu ne us ko uttr dekar kaha, ki he sre, tera vishvas bada haai: jaaisa too chahatee haai, tere liye vaaisa hee ho aur us kee bettee usee ghadee changee ho gai.. yeeshu vahan se chalakar, galeel kee jheel ke pas aya, aur pahad par chaddhkar vahan baaitt gaya. aur bheed par bheed langado, andhae, goongo, ttundo, aur bahut auron ko lekar usake pas aae aur unhen usake panvon par dal diya, aur us ne unhen changa kiya. so jab logon ne dekha, ki goonge bolate aur ttunde change hote aur langade chalate aur andho dekhte haai, to achambha karake israel se parameshvar kee badai kee.. yeeshu ne apane chelon ko bulakar kaha, mujhe se bheed par taras ata haai kyonaki ve teen din se mere sath haain aur un ke pas kuchh khane ko naheenn aur maain unhen bookha vida karana naheen chahata kaheen aeesa n ho ki margam men thakakar rah jaen. chelon ne us se kaha, hamen jangal men kahan se itanee rottee milegee ki ham itanee badee bheed ko trapt karen? yeeshu ne un se poochha, tumhare pas kitanee rottiyaian haain? unhon ne kaha sat aur thodde se chhottee machhliyan. tab us ne logon ko boomi par baaittne kee agyaa dee. aur un sat rottiyaian aur machhliyon ko le dhanyavad karake toda aur apane chelon ko deta gaya aur chele logon ko. so sab khakar trapt ho gae aur bache huae ttukadon se bhre huae sat ttokare uttae. aur khanevale striayon aur balakon ko chhod char hajar puroosh the. tab vah bheed ko vida karake nav par chaddh gaya, aur magadan desh ke sivanon men aya..

aur fareesiyon aur sadookiyan ne pas akar use parakhne ke liye us se kaha, ki hamen akash ka koi chihni dikha. us ne un ko uttr diya, ki sanjh ko tum kahate ho ki khula rahega kyonaki akash lal haai. aur bhor ko kahate ho, ki aj andhaee aaegee kyonaki akash lal aur dhaumala haai tum akash ka lakshan dekhkar bhed bata sakate ho par samayon ke chihnon ko bhed naheen bata sakate? is yug ke bure aur vyaabhaicharee log chihni ddoondhdte haain par yoonus ke chihni ko chhod koi aur chihni unhen n diya jaagea, aur vah unhen chhodkar chala gaya.. aur chele par jate samay rottee lena bool gae the. yeeshu ne un se kaha, dekho fareesiyon aur sadookiyan ke khmeer se chaukas rahana. ve apas men vichar karane lage, ki ham to rottee naheen laae. yah janakar, yeeshu ne un se kaha, he alpavishvasiyo, tum apas men kyon vichar karate ho ki hamare pas rottee naheen? kya tum ab tak naheen samajhe? aur un panch hajar kee panch rottee smaran naheen karate, aur n yah ki kitanee ttokaariyan uttain theen? aur n un char hajar kee sat rottee aur n yah ki kitane ttokare uttaae gae the? tum kyon naheen samajhte ki maain ne tum se rottiyaian ke vishay men naheen kaha? fareesiyon aur sadookiyan ke khmeer se chaukas rahana. tab un ko samajh men aya, ki us ne rottee

ke khmeer se nahee, par fareesiyon aur sadookiyan kee shaiksha se chaukas rahane ko kaha tha. yeeshu kaaisariya filippe ke desh men akar apane chelon se poochhne laga, ki log manushy ke putra ko kya kahate haain? unhon ne kaha, kitane to yooahanna baptisma denevala kahate haain aur kitane eliyah, aur kitane yirmayah ya bhvishyadvaktaon men se koi ek kahate haain. us ne un se kaha parantu tum mujhe kya kahate ho? shamaun pataras ne uttr diya, ki too jeevate parameshvar ka putra maseeh haai. yeeshu ne us ko uttr diya, ki he shamaun yona ke putra, too dhany haai kyonaki mans aur lohoo ne nahee, parantu mere pita ne jo svarga men haai, yah bat tuij par pragatt kee haai. aur maain bhee tuij se kahata hoo, ki too pataras haai aur maain is patthr par apanee kaleasiya banaunga: aur adhaelok ke faattk us par prabal n hongee. maain tuijhe svarga ke rajy kee kunajiyan doonga: aur jo kuchh too prathvee par bandhoga, vah svarga men bandhoga aur jo kuchh too prathvee par kholega, vah svarga men khulega. tab us ne chelon ko chitaya, ki kisee se n kahana! ki maain maseeh hoon. us samay se yeeshu apane chelon ko batane laga, ki mujhe avashy haai, ki yarooshalem ko jau, aur puraaniyan aur mahayajakon aur shaastriayon ke hath se bahut dukh uthaun aur mar dala jaun aur teesare din jee utoon. is par pataras use alag le jakar jhdikane laga ki he prabhu, parameshvar n kare tuij par aeesa kabhee n hoga. us ne firakar pataras se kaha, he shautan, mere samhane se door ho: too mere liye ttokar ka karan haai kyonki too parameshvar kee baten nahee, par manushyon kee baton par man lagata haai. tab yeeshu ne apane chelon se kaha yadi koi mere peechhe ana chahe, to apane ap ka inkar kare aur apana kroos uttaa, aur mere peechhe ho le. kyonaki jo koi apana praan bachana chahe, vah use khoagea aur jo koi mere liye apana praan khoagea, vah use paagea. yaadi manushy sare jagat ko praapt kare, aur apane praan kee hati uttaa, to use kya labh hoga? ya manushy apane praan kee badale men kya dega? manushy ka putra apane svargadooton ke sath apane pita kee maahima men aagea, aur us samay vah har aek ko usake kamon ke anusar praatifal dega. maain tum se sach kahata hoo, ki jo yahan khde haai, un men se kitane aeese haain ki jab tak manushy ke putra ko usake rajy men ate huae n dekh lenge, tab tak mratyu ka svad kabhee n chakhenge.

chh: din ke bad yeeshu ne pataras aur yakoob aur usake bhai yooahanna ko sath liya, aur unhen aekant men kisee unche pahad par le gaya. aur unake samhane usaka roopantar hua aur usaka munh soorya kee nai chamaka aur usaka vasr jyoti kee nain ujala ho gaya. aur dekho, moosa aur aeliyyah usake sath baten karate huae unhen dikhai diae. is par pataras ne yeeshu se kaha, he prabhu, hamara yahan rahana achchha haai ichchha ho to yahan teen mandp banaun aek tere liye, aek moosa ke liye, aur aek aeliyyah ke liye. vah bol hee raha tha, ki dekho, aek ujale badal ne unhen chha liya, aur dekho us badal men se yah shabd nikala, ki yah mera piri putra haai, jis se maain prasann hoon: is kee suno. chele yah sunakar munh

ke bal gir gaee aur atyant dr gaee. yeeshu ne pas akar unhen chooa, aur kaha, utto dro mata. tab unhen ne apanee ankehe uttakar yeeshu ko chhod aur kisee ko n dekha. jab ve pahad se utar rahe the tab yeeshu ne unhen yah agyaa dee ki jab tak manushy ka putra mare huon men se n jee utte tab tak jo kuchh tum ne dekha haai kisee se n kahana. aur usake chelon ne us se poochha, fir shaasree kyon kahate haai, ki aeliyyah ka pahale ana avashy haai? us ne uttr diya, ki eliyah to aega: aur sab kuchh sudhaarega. parantu maain tum se kahata hoo, ki aeliyyah a chuka aur unhen ne use naheen pahachana parantu jaaisa chaha vaaisa hee usake sath kiya: isee reeti se manushy ka putra bhee un ke hath se dukh uttaega. tab chelon ne samajha ki us ne ham se yooahanna bapatisma denevale ke vishay men kaha haai. jab ve bheed ke pas pahunchhe, to aek manushy usake pas aya, aur ghautton ttekakar kahane laga. he prabhu, mere putra par daya kara kyonki us ko mirgee atee haai: aur vah bahut dukh uttata haai aur bar bar ag men aur bar bar panee men gir padta haai. aur maain us ko tere chelon ke pas laya tha, par ve use achchha naheen kar sake. yeeshu ne uttr diya, ki he avishvasee aur hatteele logon maain kab tak tumhare sath rahoonga? kab tak tumharee sahoonga? use yahan mere pas lao. tab yeeshu ne use ghaudka, aur dushttama us men se nikala aur ladka usee ghadee achchha ho gaya. tab chelon ne aekant men yeeshu ke pas akar kaha ham ise kyon naheen nikal sake? us ne un se kaha, apane vishvas kee ghattee ke karan: kyonaki maain tum se sach kahata hoo, yadi tumhara vishvas rai ke dane ke barabar bhee ho, to is pahad se kah sakoge, ki yahan se sarakakar vahan chala ja, to vah chala jaega aur koi bat tumhare liye anhonee n hogee. jab ve galeel men the, to yeeshu ne un se kaha manushy ka putra manushyon ke hath men pakadvaya jaagea. aur ve use mar dalenge, aur vah teesare din jee uttega. is par ve bahut udas huae.. jab ve kafaranahoom men pahunchhe, to maandair ke liye kar lenevalon ne pataras ke pas akar poochha, ki kya tumhara guroo mandair ka kar naheen deta? us ne kaha, han deta to haai. jab vah ghar men aya, to yeeshu ne usake poochhne se pahile us se kaha, he shamaun too kya samajhta haai? prathvee ke raja mahasool ya kar kin se lete haain? apane putraen se ya parayon se? pataras ne un se kaha, parayon se. yeeshu n us se kaha, to putra bach gaee. taubhee isaliye ki ham unhen ttokar n khailaae, too jheel ke kinare jakar bansee dal, aur jo machhlee pahile nikale, use le to tu-jhe usaka munh kholane par aek sikka milega, usee ko lekar mere aur apane badale unhen de naen..

usee ghadee chele yeeshu ke pas akar poochhne lage, ki svarga ke rajy men bada kaun haai? is par us ne aek balak ko pas bulakar un ke beech men khda kiya. aur kaha, maain tum se sach kahata hoo, yadi tum n firo aur balakon ke saman n bano, to svarga ke rajy men praveshe karane naheen paoge. jo koi apane ap ko is balak ke saman chhotta karega, vah svarga ke rajy men bada hoga. aur jo koi mere nam se aek aeese balak ko grahan karata haai vah mujhe grahan karata haai. par jo koi in chhotton men se jo mujh par vish-

vas karate haain aek ko ttokar khailaa, usake liye bhla hota, ki badee chakkee ka patt usake gale men latkaya jata, aur vah gaahire samudra men dubaya jata. ttokaron ke karan sansar par haya! ttokaron ka lagana avashy haai par hay us manushy par jis ke dara ttokar lagatee haai. yaadi tera hath ya tera panv tu-jhe ttokar khailaa, to kattkar faenk de ttunda ya langada hokar jeevan men praveshe karana tere liye is se bhla haai, ki do hath ya do panv rahate huae too anant ag men dala jaae. aur yaadi teree ankh tu-jhe ttokar khailaa, to use nikalakar faenk de. kana hokar jeevan men praveshe karana tere liye is se bhla haai, ki do ankh rahate huae too narak kee ag men dala jaae. dekho, tum in chhotton men se kisee ko tuchchh n janana kyonaki maain tum se kahata hoo, ki svarga men un ke doot mere svargeey pita ka munh sada dekhete haain. tum kya samajhte ho? yaadi kisee manushy kee sau bhedhen ho, aur un men se aek bhttk jaa, to kya ninnanave ko chhodkar, aur pahadon par jakar, us bhttk hui ko n ddoonddhega? aur yaadi aeese ho ki use paa, to maain tum se sach kahata hoo, ki vah un ninnanave bhedon ke liye jo bhttk naheen theen itana anand naheen karega, jitana ki is bhed ke liye karega. aeese hee tumhare pita kee jo svarga men haai yah ichchha nahee, ki in chhotton men se aek bhee nash ho. yaadi tera bhai tera aparadha kare, to ja aur akele men batacheet karake use samajha yadi vah teree sune to too ne apane bhai ko pa liya. aur yaadi vah n sune, to aur aek do jan ko apane sath le ja, ki har aek bat do ya teen gavahon ke munh se thharai jaae. yaadi vah un kee bhee n mane, to kaleeasiya se kah de, parantu yadi vah kaleeasiya kee bhee n mane, to too use anyajaati aur mahasool lenevale ke aeese jana. maain tum se sach kahata hoo, jo kuchh tum prathvee par bandhaage, vah svarga par bandhoga aur jo kuchh tum prathvee par khologe, vah svarga par khulega. fir maain tum se kahata hoo, yadi tum men se do jan prathvee par kisee bat ke liye jise ve mange, aek man ke ho, to vah mere pita kee or se svarga men haai un ke liye ho jaaegee. kyonaki jahan do ya teen mere nam par ikatthe hote haain vahan maain un ke beech men bat do hoon.. tab pataras ne pas akar, us se kaha, he prabhu, yaadi mera bhai aparadha karata rahe, to maain kitanee bar use kshama karoo, kya sat bar taka? yeeshu ne us se kaha, maain tujh se yah naheen kahata, ki sat bar, baran sat bar ke sattt gune taka. isaliye svarga ka rajy us raja ke saman haai, jis ne apane dason se lekha lena chaha. jab vah lekha lene laga, to aek jan usake samhane laya gaya jo das hajar tode dhaarata tha. jab ki chukane ko usake pas kuchh n tha, to usake svamee ne kaha, ki yah aur is kee patnee aur ladkebale aur jo kuchh is ka haai sab becha jaa, aur vah karja chuka diya jaae. is par us das ne girakar use pranam kiya, aur kaha he svamee, dhaeeraj dhar, maain sab kuchh bhr doonga. tab us das ke svamee ne taras khakar use chhod diya, aur usaka dhaar kshama kiya. parantu jab vah das bahar nikala, to usake sangee dason men se aek us ko mila, jo usake sau deenar dhaarata tha us ne use pakadkar usaka gala ghaentta, aur kaha jo kuchh too dhaarata haai bhr de. is par usaka sangee das girakar, us se binatee karane laga ki dhaeeraj dhar maain sab bhr doonga. us ne n mana, parantu jakar use bandeegrah men dal diya ki

jab tak karja ko bhr n de, tab tak vaheen rahe. usake sangee das yah jo hua tha dekhkar bahut udas hua, aur jakar apane svamee ko poora hal bata diya. tab usake svamee ne us ko bulakar us se kaha, he dusht das, too ne jo mujh se binatee kee, to maain ne to tera vah poora karja kshama kiya. so jaaisa maain ne tujh par daya kee, vaaise hee kya tujhe bhee apane sangee das par daya karana naheen chaahiae tha? aur usake svamee ne krodha men akar use dand denevalon ke hath men saunp diya, ki jab tak vah sab karja bhr n de, tab tak un ke hath men rahe. isee prakr yaadi tum men se har aek apane bhai ko man se kshama n karega, to mera pita jo svarga men haai, tum se bhee vaaisa hee karega..

jab yeeshu ye baten kah chuka, to galeel se chala gaya aur yahoodiya ke desh men yaradan ke par aya. aur badee bheed usake peechhe ho lee, aur us ne unhen vahan changa kiya.. tab faresee us kee pareeksha karane ke liye pas akar kahane lage, kya har aek karan se apanee patnee ko tyagana uchit haai? us ne uttr diya, kya tum ne naheen paddha, ki jis ne unhen banaya, us ne arambh se nar aur naree banakar kaha. ki is karan manushy apane mata pita se alag hokar apanee patnee ke sath rahega aur ve donon aek tan honge? so v ab do nahee, parantu aek tan haain: isaliye jise parameshvar ne joda haai, use manushy alag n kare. unhon ne us se kaha, fir moosa ne kyon yah ttharaya, ki tyagapatra dekar use chhod de? us ne un se kaha, moosa ne tumhare man kee kattorata ke karan tumhen apanee patnee ko chhod dene kee agyaa dee, parantu arambh men aesa naheen tha. aur maain tum se kahata hoo, ki jo koi vyabhaichar ko chhod aur kisee karan se apanee patnee ko tyagakar, doosaree se byah kare, vah vyabhaichar karata haai: aur jo chhodee hui ko byah kare, vah bhee vyabhaichar karata haai. chelon ne us se kaha, yaadi puroosh ka sree ke sath aesa sambandha haai, to byah karana achchha naheen. us ne un se kaha, sab yah vachan grahan naheen kar sakate, keval ve jin ko yah dan diya gaya haai. kyonaki kuchh napunsak aese haain jo mata ke garbh hee se aese janmen aur kuchh napunsak aese haai, jinhen manushy ne napunsak banaya: aur kuchh napunsak aese haai, jinhon ne svarga ke rajy ke liye apane ap ko napunsak banaya haai, jo is ko grahan kar sakata haai, vah grahan kare. tab log balakon ko usake pas laa, ki vah un par hath rakhe aur praarthna kare par chelon ne unhen dantta. yeeshu ne kaha, balakon ko mere pas ane do: aur unhen mana n karo, kyonki svarga ka rajy aeseon hee ka haai. aur vah un par hath rakhkar, vahan se chala gaya. aur dekho, aek manushy ne pas akar us se kaha, he guroo maain kaun sa bhla kam karoo, ki anant jeevan paun? us ne us se kaha, too mujh se bhilai ke vishay men kyon poochhta haai? bhla to ek hee haai par yadi too jeevan men pravesch karana chahata haai, to agyaaon ko mana kara. us ne us se kaha, kaun see agyaan? yeeshu ne kaha, yah ki hatya n karana, vyabhaichar n karana, choree n karana, jootee gavahee n dena. apane pita aur apanee mata ka adar karana, aur apane padosee se apane saman praem rakhna. us ja-

van ne us se kaha, in sab ko to maain ne mana haai ab mujh men kis bat kee ghattee haai? yeeshu ne us se kaha, yaadi too sidh hona chahata haai to ja, apana mal bechakar kangalon ko de aur tujhe svarga men dhan milega aur akar mere peechhe ho le. parantu vah javan yah bat sun udas hokar chala gaya, kyonaki vah bahut dhaneer tha.. tab yeeshu ne apane chelon se kaha, maain tum se sach kahata hoo, ki dhanavan ka svarga ke rajy men pravesch karana kaattnai haai. fir tum se kahata hoo, ki parameshvar ke rajy men dhanavan ke pravesch karane se unt k sooi ke nake men se nikal jana sahaj haai. yah sunakar, chelon ne bahut chakit hokar kaha, fir kis ka uddhar ho sakata haai? yeeshu ne un kee or dekhkar kaha, manushyon se to yah naheen ho sakata, parantu parameshvar se sab kuchh ho sakata haai. is par pataras ne us se kaha, ki dek, ham to sab kuchh chhod ke tere peechhe ho liye haain: to hamen kya milega? yeeshu ne un se kaha, maain tum se sach kahata hoo, ki nai utpaati se jab manushy ka putra apanee maahima ke sihasan par baaittega, to tum bhee jo mere peechhe ho liye ho, barah sinhasanon par baaitkar israel ke barah gotraen ka nyay karoge. aur jis kisee ne gharon ya bhaiyon ya bahinon ya pita ya mata ya ladkebalon ya kheton ko mere nam ke liye chhod diya haai, us ko sau guna milega: aur vah anant jeevan ka aadhaikaree hoga. parantu bahutere jo paahile haai, pichhle honge aur jo pichhle haai, pahile honge..

svarga ka rajy kisee grahasth ke saman haai, jo sabere nikala, ki apane dakh kee baree men majadooron ko lagaee. aur us ne majadooron se aek deenar raj par ttharakar, unhen apane dakh kee baree men bheja. fir pahar aek din chaddhe, nikalakar, aur auron ko bajar men bekar khde dekhkar, un se kaha, tum bhee dakh kee baree men jao, aur jo kuchh tteek haai, tumhen doonga so ve bhee gae. fir us ne doosare aur teesare pahar ke nikatt nikalakar vaaisa hee kiya. aur aek ghantta din rahe fir nikalakar auron ko khde paya, aur un se kaha tu kyon yahan din bhr bekar khde rahe? unhon ne us se kaha, isaliye, ki kisee ne hamen majadooree par naheen lagaya. us ne un se kaha, tum bhee daa, kee baree men jao. sanjh ko dakh baree ke svamee ne apane bhndaree se kaha, majadooron ko bulakar pichhlon se lekar paahilon tak unhen majadooree de de. so jab ve aa, jo ghantta bhr din rahe lagaee gaee the, to unhen aek aek deenar mila. jo paahile aa, unhon ne yah samajha, ki hamen aadhaik milega parantu unhen bhee aek hee aek deenar mila. jab mila, to vah grahasth par kudkuda ke kahane lage. ki in pichhlon ne aek hee ghantta kam kiya, aur too ne unhen hamare barabar kar diya, jinhon ne din bhr ka bhar uttaya aur ghaam saha? us ne un men se ek ko uttr diya, ki he mitra, maain tujh se kuchh anay naheen karata kya too ne mujh se ek deenar n ttharaya? jo tera haai, utta le, aur chala ja meree ichchha yah haai ki jitana tujhe, utana hee is pichhle ko bhee doon. kya uchit naheen ki man apane mal se jo chahoon so karoon? kya too mere bhle hone ke karan buree drashti se dekhta haai? isee reeti se jo pichhle haai, vah pahile honge, aur jo paahile haai,

ve pichhle hongee.. yeeshu yarooshalem ko jate huae barah chelon ko aekant men le gaya, aur margaa men un se kahane laga. ki dekho, ham yarooshalem ko jate haain aur manushy ka putra mahayajakon aur shaaastriayon ke hath pakadvaya jaagea aur ve us ko ghaat ke yogy tharaaenge. aur us ko anyatiyion ke hath sonpenge, ki ve use tithon men udaae, aur kode mare, aur kroos par chaddhaae, aur vah teesare din jilaya jaagea.. jab jadbdee ke putraen kee mata ne apane putraen ke sath usake pas akar pranam kiya, aur us se kuchh mangane lagee. us ne un se kaha, too kya chahatee haai? vah us se bolee, yah kah, ki mere ye do putra tere rajy men ek tere daahine aur ek tere baen baaiten. yeeshu ne uttr diya, tum naheen janate ki kya mangate ho? jo kattora maain peene par hoo, kya tum pee sakate ho? unhon ne us se kaha, pee sakate haain. us ne un se kaha, tum mera kattora to peeoge par apane daahine baen kisee ko bittana mera kam nahee, par jin ke liye mere pita kee or se taaiyar kiya gaya, unhen ke liye haai. yah sunakar, dason chele un donon bhaiyon par krudh huae. yeeshu ne unhen pas bulakar kaha, tum janate ho, ki any jaatiyon ke haakim un par prabhuta karate haain aur jo bade haai, ve un par adhaikar jatate haain. parantu tum men aeesa n hoga parantu jo koi tum men bada hona chahe, vah tumhara sevak bane. aur jo tum men pradaan hona chahe vah tumhara das bane. jaaise ki manushy ka putra, vah isaliye naheen aya ki us kee seva thal kii jaa, parantu isaaliye aya ki ap seva thal kare aur bahuton kee chhudaatee ke liye apane praan de.. jab ve yareeho se nikal rahe the, to aek badee bheed usake peechhe ho lee. aur dekho, do andho, jo sadkar ke kinare baaithe the, yah sunakar ki yeeshu ja raha haai, pukarakar kahane lage ki he prabhu, daud kee santan, ham par daya kara. logon ne unhen dantta, ki chup rahe, par ve aur bhee chillakar bole, he prabhu, daud kee santan, ham par daya kara. tab yeeshu ne khde hokar, unhen bulaya, aur kaha tum kya chahate ho ki maain tumhare liye karoon? unhon ne us se kaha, he prabhu yah ki hamaree ankhe khul jaaen. yeeshu ne taras khakar un kee ankhe chooi, aur ve turant dekhne lage aur usake peechhe ho liae..

jab ve yarooshalem ke nikatt pahunche aur jaaatoon pahad par baaitafage ke pas aa, to yeeshu ne do chelon ko yah kahakar bheja. ki apane samhane ke ganv men jao, vahan panhuchate hee aek gadahee bandhaee hui, aur usake sath bachcha tumhen milega unhen kholakar, mere pas le ao. yaadi tum men se koi kuchh kahe, to kaho, ki prabhu ko in ka prayojan haai: tab vah turant unhen bhej dega. yah isaliye hua, ki jo vachan bhavishyadvkta ke dara kaha gaya tha, vah poora ho ki siyyon kee bettee se kaho, dek, tera raja tere pas ata haai vah namra haai aur gadahe par baaitta haai baran ladoo kee bachche para. chelon ne jakar, jaaisa yeeshu ne un se kaha tha, vaaisa hee kiya. aur gadahee aur bachche ko lakar, un par apane kapade dale, aur vah un par baaitt gaya. aur bahutere logon ne apane kapade mara men bichhaa, aur aur logon ne pedon se daaliyan kattkar margaa men bichhai. aur jo bheed age age jatee aur peechhe peechhe chalee

atee thee, pukar pukar kar kahatee thee, ki daud kee santan ko hoshaana dhany haai vah jo prabhu ke nam se ata haai, akash men hoshaana. jab us ne yarooshalem men praveshe kiya, to sare nagar men halchal mach gai aur log kahane lage, yah kaun haai? logon ne kaha, yah galeel ke nasarat ka bhvishyadvkta yeeshu haai.. yeeshu ne parameshvar ke mandair men jakar, un sab ko, jo mandair men len den kar rahe the, nikal diya aur sarrafaa ke peedde aur kabootaron ke bechanevalon kee chauakiyan ulatt deen. aur un se kaha, likha haai, ki mera ghar praarthna ka ghar kahalaagea parantu tum use dakuon kee khoh banate ho. aur andho aur langade, maandair men usake pas laa, aur us ne unhen changa kiya. parantu jab mahayajakon aur shaaastriayon ne in adabutt kamon ko, jo us ne kia, aur ladkon ko maandair men daud kee santan ko hoshaana pukarate huae dekha, to krodhait hokar us se kahane lage, kya too sunata haai ki ye kya kahate haain? yeeshu ne un se kaha, han kya tum ne yah kabhee naheen paddha, ki balakon aur doodha peete bachchon ke munh se tu ne stuati siddh karai? tab vah unhen chhodkar nagar ke bahar baaitaaniyyah ko gaya, or vahana rat bitai.. bhor ko jab vah nagar ko lautt raha tha, to use bookh lagee. aur anjeer ke ped sadk ke kinare dekhkar vah usake pas gaya, aur paton ko chhod us men aur kuchh n pakar us se kaha, ab se tujh men fir kabhee fal n lage aur anjeer ka ped turant sukh gaya. yah dekhkar chelon ne achambha kiya, aur kaha, yah anjeer ka ped kyonkar turant sookh gaya? yeeshu ne un ko uttr diya, ki maain tum se sach kahata hoon yaadi tum vishvas rakho, aur sandeh n karo to n keval yah karoge, jo se anjeer ke ped se kiya gaya haai parantu yadi is pahad se bhee kahoge, ki ukhd jo aur samudra men ja pad, to yah ho jaagea. aur jo kuchh tum praarthna men vishvas se mangoge vah sab tum ko milega.. vah maandair men jakar upadesh kar raha tha, ki mahayajakon aur logon ke puraniyon ne usake pas akar poochha, too ye kam kis ke adhaikar se karata haai? aur tujhe yah adhaikar kis ne diya haai? yeeshu ne un ko uttr diya, ki maain bhee tum se aek bat poochhta hoon yadi vah mujhe bataoge, to maain bhee tumhen bataunga ki ye kam kis adhaikar se karata hoon. yooahanna ka bapaatisma kahan se tha? svarga kee or se ya manushyon kee or se tha? tab ve apas men vivid karane lage, ki yadi ham kahan svarga kee or se, to vah hame se kahega, fir tum ne us kee prateeti kyon n kee? aur yaadi kahan manushyon kee or se to hamen bheed ka dr haai kyonaki ve sab yuhanna ko bhvishyadvkta janate haain. so unhon ne yeeshu ko uttr diya, ki ham naheen janate us ne bhee un se kaha, to maain bhee tumhen naheen batata, ki ye kam kis adhaikar se karata hoon. tum kya samajhte ho? kisee manushy ke do putra the us ne pahile ke pas jakar kaha he putra aj dakh kee baree men kam kara. us ne uttr diya, maain naheen jaunga, parantu peechhe pachhta kar gaya. fir doosare ke pas jakar aeesa hee kaha, us ne uttr diya, jee han jata hoo, parantu naheen gaya. in donon men se kis ne pita kee ichchha pooree kee? unhon ne kaha, pahile ne: yeeshu ne un se kaha, maain tum se sach kahata hoo, ki mahasool lenevale aur veshya tum se pahile parameshvar ke rajy men praveshe karate haain.

kyonaki yooahanna dharma ke marga se tumhare pas aya, aur tum ne us kee prateeti n kee: par mahasoool lenevalon aur veshyaon ne us kee prateeti kee: aur tum yah dekhkar peechhe bhee n pachhtaae ki us kee prateeti kar lete.. aek aur drashttant suno: aek grahasht tha, jis ne dakh kee baree lagai aur usake charon or bada bandhaa aur us me ras ka kund khoda aur gumhatt banaya aur kisanon ko usaka tteeka dekar paradesh chala gaya. jab fal ka samay nikatt aya, to us ne apane dason ko usaka fal lene ke liye kisanon ke pas bheja. par kisanon ne usake dason ko pakad ke, kisee ko peetta, aur kisee ko mar dala aur kisee ko patthravah kiya. fir us ne aur dason ko bheja, jo pahilon se aadhaik the aur unhon ne un se bhee vaaisa hee kiya. ant men us ne apane putra ko un ke pas yah kahakar bheja, ki ve mere putra ka adar karenge. parantu kisanon ne putra ko dekhkar apas men kaha, yah to vaaris haai, ao, use mar dalen: aur us kee meeras le len. aur unhon ne use pakada aur dakh kee baree se bahar nikalakar mar dala. isaliye jab dakh kee baree ka svamee aaega, to un kisanon ke sath kya karega? unhone us se kaha, vah un bure logon ko buree reati se nash karega aur dakh kee baree ka tteeka aur kisanon ko dega, jo samay par use fal diya karenge. yeeshu ne un se kaha, kya tum ne kabhee paavitra shaasr men yah naheen paddha, ki jis patthr ko rajaamistriayon ne nikamma ttharaya tha, vahee kone ke sire ka patthr ho gaya? yah prabhu kee or se hua, aur hamare dekhte men adabhut haai, isaliye maain tum se kahata hoo, ki parameshvar ka rajy tum se le liya jaaega aur aeesee jaati ko jo usaka fal laa, diya jaaega. jo is patthr par girega, vah chakanachoor ho jaaega: aur jis par vah girega, us ko pees dalega. mahayajak aur fareesee usake drashttanton ko sunakar samajh gaa, ki vah hamare vishay men kahata haai. aur unhon ne use pakadna chaha, parantu logon se dr gaee kyonki ve use bhavishyadvkta janate the..

is par yeeshu fir un se drashttanton men kahane laga. svarga ka rajy us raja ke saman haai, jis ne apane putra ka byah kiya. aur us ne apane dason ko bheja, ki nevatahaariyon ko byah ke bhoj men bulaaen parantu unhon ne ana n chaha. fir us ne aur dason ko yah kahakar bheja, ki nevatahaariyon se kaho, dekho maain bhoj taaayar kar chuka hoo, aur mere baail aur pale huae pashu mare gaee haain: aur sab kuchh taaayar haai byah ke bhoj men ao. parantu ve beparavai karake chal diae: koi apane khett ko, koi apane byopar ko. auron ne jo bach rahe the usake dason ko pakadkar un ka anadar kiya aur mar dala. raja ne krodha kiya, aur apanee sena bhejakar un hatyaron ko nash kiya, aur un ke nagar foonk diya. tab us ne apane dason se kaha, byah ka bhoj to taaayar haai, parantu nevataharee yogy n tthare. isaliye chaurahon men jao, aur jitane log tumhen mile, sab ko byah ke bhoj men bula lao. so un dason ne sadkon par jakar kya bure, kya bhle, jitane mile, sab ko ikatthe kiya aur byah ka ghar jevanaharon se bhr gaya. jab raja jevanaharon ke dekhne ko bheetar aya to us ne vahan aek manushy ko dekha, jo byah ka vasr naheen paahine tha. us ne usase poochha he mitra too byah

ka vasr paahine bina yahan kyon a gaya? usaka munh band ho gaya. tab raja ne sevakon se kaha, is ke hath panv bandhakar use bahar aandhiyaare men dal do, vahan rona, aur dant peesana hoga. kyonaki bulaae huae to bahut parantu chune huae thode haain.. tab fareesiyan ne jakar apas men vichar kiya, ki us ko kis prakhar baton men fansaen. so unhon ne apane chelon ko herodiyon ke sath usake pas yah kahane ko bheja, ki he guroo ham janate haai, ki too sachcha haai aur parameshvar ka marga sachchai se sikhata haai aur kisee kee parava naheen karata, kyonki too manushyon ka munh dekhkar baten nahee karata. is liye hamen bata too kya samajhta haai? kaaisar ko kar dena uchit haai, ki naheen. yeeshu ne un kee dushttt janakar kaha, he kapaattyaien mujhe kyon parakhte ho? kar ka sikka mujhe dikhao: tab ve usake pas aek deenar le aae. us ne, un se poochha, yah mootira aur nam kis ka haai? unhon ne us se kaha, kaaisar ka tab us ne, un se kaha jo kaaisar ka haai, vah kaaisar ko aur jo parameshvar ka haai, vah parameshvar ko do. yah sunakar unhon ne achambha kiya, aur use chhodkar chale gaee.. use din sadookejo jo kahate haain ki mare huon ka punarootthan haai hee naheen usake pas aa, aur us se poochha. ki he guroo moosa ne kaha tha, ki yadi koi bina santan mar jaa, to usaka bhay us kee patnee ko byah karake apane bhay ke liye vansh utpann kare. ab hamare yahan sat bhay the paahila byah karake mar gaya aur santan n hone ke karan apane patnee ko apane bhay ke liye chhod gaya. isee prakhar doosare aur teesare ne bhee kiya, aur saton tak yahee hua. sab ke bad vah sree bhee mar gai. so jee uttne par, vah un saton men se kis kee patnee hogee? kyonaki vah sab kee patnee ho chukee thee. yeeshu ne unhen uttr diya, ki tum pavitra shaasr aur parameshvar kee samarth naheen janate is karan bool men pad gaee ho. kyonaki jee uttne par byah shaadee n hogee parantu ve svarga men parameshvar ke dooton kee nai hongee. parantu mare huon ke jee uttne ke vishay men kya tum ne yah vachan naheen paddha jo parameshvar ne tum se kaha. ki maain ibraaheem ka parameshvar, aur isahak ka parameshvar, aur yakoob ka parameshvar hoon? vah to mare huon ka nahee, parantu jeevaton ka parameshvar haai. yah sunakar log usake upadesh se chakit hue. jab fareesiyan ne suna, ki us ne sadookiyan ka munh band kar diya to ve ikatthe huae. aur un men se aek vyavasthapak ne parakhne ke liye, us se poochha. he guroo vyavastha men kaun see agyaa badee haai? us ne us se kaha, too parameshvar apane prabhu se apane sare man aur apane sare praan aur apanee saree buaddh ike sath praem rakh. badee aur mukhy agyaa to yahee haai. aur usee ke saman yah doosaree bhee haai, ki too apane padosee se apane saman praem rakh. ye hee do agyaaen saree vyavastha aur bhvishyadvktaon ka adhaar haai.. jab fareesee ikatthe the, to yeeshu ne un se poochha. ki maseeh ke vishay men tum kya samajhte ho? vah kis ka santan haai? unhon ne us se kaha, daud ka. us ne un se poochha, to daud atma men hokar use prabhu kyon kahata haai? ki prabhu ne, mere prabhu se kaha mere daahine baait, jab tak ki maain tere baaiariyon ko tere panvon ke neech n kar doon. bhla, jab daud use prabhu kahata haai, to vah usaka putra kyonkar tthara? usake uttr men koi bhee ek bat n kah saka

parantu us din se kisee ko fir us se kuchh poochhne ka hiyav n hua..

tab yeeshu ne bheed se aur apane chelon se kaha. shaasree aur fareese moosa kee gaee par baaitte haain. isaliye ve tum se jo kuchh kahen vah karana, aur manana parantu un ke se kam mat karana kyon-aki ve kahate ho haain par karate naheen. ve aek aeese bharee bojh ko jin ko Uttana kattnai haai, bandhakar unhen manushyon ke kandhaan par rakhte haain parantu ap unhen apanee ungale se bhee sarakana naheen chahate. ve apane sab kam logon ko dikhane ke liye karate haain: ve apane tavejon ko chaudi karate, aur apane vasren kee koren baddhate haain. jevanaron men mukhy mukhy jagahe, aur sabha men mukhy mukhy asana. aur bajaron men namaskar aur manushy men rabbee kahalana unhen bhata haai. parantu, tum rabbee n kahalana kayonki tumhara aek hee guroo haai: aur tum sab bhai ho, aur prathvee par kisee ko apana pita n kahana, kayonki tumhara aek hee pita haai, jo svarga men haai. aur svamee bhee n kahalana, kyonaki tumhara aek hee svamee haai, arthata maseeha. jo tum men bada ho, vah tumhara sevak bane. jo koi apane ap ko bada banaaega, vah chhotta kiya jaaega: aur jo koi apane ap ko chhotta banaaega, vah bada kiya jaaega.. hee kapattee shaastri-ayon aur fareeasiyon tum par haya! tum manushyon ke virodha men svarga ke rajy ka dar band karate ho, n to ap hee us men praveshe karate ho aur n us men praveshe karanevalon ko praveshe karane dete ho.. hee kapattee shaastriayon aur fareeasiyon tum par haya! tum aek jan ko apane mat men lane ke liye sare jal aur thl men firate ho, aur jab vah mat men a jata haai, to use apane se doona narakhee bana dete ho.. hee andho aguvo, tum par hay, jo kahate ho ki yadi koi maandair kee shapath khaae to kuchh nahee, parantu yaadi koi maandair kee sone kee saugandha khaae to us se bandha jaaega. hee moorkho,, aur andhae, kaun bada haai, sona ya vah mandair jis se sona paavitra hota haai? fir kahate ho ki yadi koi vedee kee shapath khaae to kuchh nahee, parantu jo bhennt us par haai, yaadi koi us kee shapath khaae to bandha jaaega. hee andhae, kaun bada haai, bhennt ya vedee: jis se bhennt paavitra hota haai? isaliye jo vedee kee shapath khata haai, vah us kee, aur jo kuchh us par haai, us kee bhee shapath khata haai. aur jo maandair kee shapath khata haai, vah us kee aur jo men rahanevalon kee bhee shapath khata haai. aur jo svarga kee shapath khata haai, vah parameshvar kee sihansan kee aur us par baaitnevale kee bhee shapath khata haai.. hee kapattee shaastriayo, aur fareeasiyo, tum par haya tum podeene aur saunfa aur jeere ka dasavan ansh dete ho, parantu tum ne vyavastha kee gambheer baton ko chhod diya haai chahiye tha ki inhen bhee karate rahate, aur unhen bhee n chhodte. hee andho aguvo, tum machchhd ko to chhan dalate ho, parantu unt to nigal jate ho. hee kapattee shaastriayo, aur fareeasiyo, tum par hay, tum kattore aur thalee ko upar upar se to manjate ho parantu ve bheetar andhor asanyam se bhre huae haain. hee andho fareese, paahile kattore aur thalee ko bheetar se manj ki ve

jab yeeshu mandair se nikalakar ja raha tha, to usake chele us ko maandair kee rachana dikhane ke liye us ke pas aae. us ne un se kaha, kya tum yah sab naheen dekhte? maain tum se sach kahata hoo, yah an patth par patth bhee n choottega, jo ddhaya n jaega. aur jab vah jaaitoon pahad par baaitta tha, to chelon ne alag usake pas akar kaha, ham se kah ki ye baten kab hongee? aur tere ane ka, aur jagat ke ant ka kya chinh hoga? yeeshu ne un ko uttr diya, savadhaan raho! koi tumhen n bhramane paae. kyonaki bahut se aeese hongee jo mere nam se akar kahenge, ki maain maseeh hoon: aur bahuton ko bhramaaenge. tum ladaiyon aur ladaiyon kee charcha sunoge dekho ghabara n jana kyonaki in ka hona avashy haai, parantu us samay ant n hoga. kyonaki jati par jati, aur rajy par rajy chaddhai karega, aur jagah jagah akal padenge, aur bhuidol hongee. ye sab baten peedaon ka arambh hongee. tab ve klesh dilane ke liye tumhen pakadvaaenge, aur tumhen mar dalenge aur mere nam ke karan sab jatiyon ke log tum se baair rakhenge. tab bahutere ttokar khaaenge, aur aek doosare se baair rakhenge. aur bahut se joote

bhvishyadvkta utt khde honge, aur bahuton ko bhra-maange. aur adharma ke baddhne se bahuton ka praem tnda ho jaaega. parantu jo ant tak dhaeeraj dhare rahega, usee ka uddhar hoga. aur rajy ka yah susamachar sare jagat men prachar kiya jaaega, ki sab jatiyon par gavahee ho, tab ant a jaaega.. so jab tum us ujadnevalee gharanait vastu ko jis kee charcha daaniyyel bhvishyadvkta ke dara hui thee, paavitra sthan men khdee hui dekho, jo paddhe, vah samajhe. tab jo yaahoodiya men hon ve pahadon par bhag jaeen. jo kotte par ho, vah apane ghar men se saman lene ko n utare. aur jo khet men ho, vah apana kapada lene ko peechhe n lautte. un dinon men jo garbhvatee aur doodha pilatee hongee, un ke liye hay, haya. aur praarthna karo ki tumhen jade men ya sabt ke din bhagana n pade. kyonaki us samay aeesa bharee klesh hoga, jaisa jagat ke arambh se n ab tak hua, aur n kabhee hoga. aur yaadi ve din ghattaae n jate, to koi praanee n bachata parantu chune huon ke karan ve din ghattaae jaaenge. us samay yadi koi tum se kahe, ki dekho, maseeh yahan haain! ya vahan haai to prateeti n karana. kyonaki joote maseeh aur joote bhavishyadvkta utt khde honge, aur bade chinh aur adabhut kam dikhaaenge, ki yadi ho sake to chune huon ko bhee bhrama den. dekho, maain ne paahile se tum se yah sab kuchh kah diya haai. isaliye yaadi ve tum se kahe, dekho, vah jangal men haai, to bahar n nikal jana dekho, vah kottiriyon men haai, to prateeti n karana. kyonaki jaaise bijalee poorva se nikalakar paashchaim tak chamakatee jatee haai, vaaisa hee manushy ke putra ka bhee ana hoga. jahan loth ho, vaheen giddh ikatthe honge.. un dinon ke klesh ke bad turant soorya aandhiyara ho jaega, aur chand ka prakash jata rahega, aur tare akash se gir padenge aur akash kee shaktaiyan hilai jaengee. tab manushy ke putra ka chinh akash men dikhai dega, aur tab prathvee ke sab kulon ke log chhatee peettenge aur manushy ke putra ko badee samarth aur aeeshvarya ke sath akash ke badalon par ate dekhenge. aur vah turahee ke bade shabd ke sat, apane dooton ko bhejega, aur ve akash ke is chhor se us chhor tak, charon disha se usake chune huon ko ikatthe karenge. anjeer ke ped se yah drashttant seekho: jab us kee daalee komal ho jatee aur patte nikalane lagate haai, to tum jan lete ho, ki graeeshm kal nikatt haai. isee reeti se jab tum in sab baton ko dekho, to jan lo, ki vah nikatt haai, baran dar par haai. maain tum se sach kahata hoo, ki jabatab ye sab baten pooree n ho le, tab tak yah peeddhee jatee n rahegee. akash aur prathvee ttl jaaenge, parantu meree baten kabhee n tltenge. us din aur us ghadee ke vishay men koi naheen janata, n svarga ke doot, aur n putra, parantu keval pita. jaaise nooh ke din the, vaaisa hee manushy ke putra ka ana bhee hoga. kyonaki jaaise jala-pralay se pahile ke dinon me, jis din tak ki nooh jahaj par n chaddha, us din tak log khat-peete the, aur un men byah shaadee hotee the. aur jab tak jala-pralay aakar un sab ko baha n le gaya, tab tak un ko kuchh bhee maloom n pada vaaise hee manushy ke putra ka ana bhee hoga. us samay do jan khet men honge, ek le liya jaega aur doosara chhod diya jaega. do striyan chakkee peesatee rahengee, aek le lee jaaegee, aur doosaree chhod dee jaaegee. isaliye jagate raho, kyonki tum na-

heen janate ki tumhara prabhu kis din aaega. parantu yah jan lo ki yadi ghar ka svamee janata hota ki chor kis pahar aaega, to jagata rahata aur apane ghar men sengha lagane n deta. isaliye tum bhee taaiyar raho, kyonki jis ghadee ke vishay men tum sochate bhee naheen ho, usee ghadee manushy ka putra a jaaega. so vah vishvasayogy aur buaddhmaian das kaun haai, jise svamee ne apane naukar chakaron par saradar tharaya, ki samay par unhen bhojan de? dhany haai, vah das, jise usaka svamee akar aeesa kee karate paae. maain tum se sach kahata hoon vah usee apanee saree sanpati par saradar tharaaega. parantu yadi vah dusht das sochane lage, ki mere svamee ke ane men der haai. aur apane sathee dason ko peettne lage, aur piyakkadon ke sath khaae peae. to us das ka svamee aeese din aaega, jab vah us kee batt n johata ho. aur aeesee ghadee ki vah n janata ho, aur usee bharee tadna dekar, usaka bhag kapattiyaien ke sath tharaaega: vahan rona aur dant peesana hoga..

tab svarga ka rajy un das kunvariyan ke saman hoga jo apanee mashaalen lekar doolhe se bhentt karane ko nikaleen. un men panch moorkh aur panch samajhdar theen. moorkhon ne apanee mashaalen to lee, parantu apane sath tel naheen liya. parantu samajhdaron ne apanee mashaalen ke sath apanee kuapayon men tel bhee bhr liya. jab dulhe ke ane men der hui, to ve sab unghane lagee, aur so gai. adhaee rat ko dhoom machae, ki dekho, doolha a raha haai, us se bhentt karane ke liye chalo. tab ve sab kunvaariyan uttkar apanee apanee mashaalen tteek karane lageen. aur moorkhon ne samajhdaron se kaha, apane tel men se kuchh hamen bhee do, kyonki hamaree mashaalen bujhee jatee haain. parantu samajhdaron ne uttr diya ki kadaachit hamare aur tumhare liye poora n ho bhla to yah haai, ki tum bechanevalon ke pas jakar apane liye mol le lo. jab ve mol lene ko ja rahee thee, to doolha a pahuncha, aur jo taaiyar thee, ve usake sath byah ke ghar men chaleen gai aur dar band kiya gaya. isake bad ve doosaree kunvariyan bhee akar kahane lagee, he svamee, he svamee, hamare liye dar khol de. us ne uttr diya, ki maain tum se sach kahata hoo, maain tumhen naheen janata. isaliye jagate raho, kyonki tum n us din ko janate ho, n us ghadee ko.. kyonaki yah us manushy kee see dasha haai jis ne paradesh ko jate samay apane dason ko bulakar, apanee sampaati un ko saunp dee. us ne ek ko panch tod, doosare ko do, aur teesare ko eka arthata har ek ko us kee samarth ke anusaar diya, aur tab paradesh chala gaya. tab jis ko panch tode mile the, us ne turant jakar un se len den kiya, aur panch tode aur kamaae. isee reeti se jis ko do mile the, us ne bhee do aur kamaae. parantu jis ko aek mila tha, us ne jakar mittee khodee, aur apane svamee ke roopaye chhpaai diae. bahut dinon ke bad un dason ka svamee akar un se lekha lene laga. jis ko panch tode mile the, us ne panch tode aur lakar kaha he svamee, too ne mujhe panch tode saunpe the, dekh maain ne panch tode aur kamaae haain. usake svamee ne usake kaha, dhany haai achchhe aur vishvasayogy das, too thode men vishvasayogy raha maain tujhe bahut vas-

jab yeeshu ye sab baten kah chuka, to apane chelon se kahane laga. tum janate ho, ki do din ke bad fasah ka pavrva hoga aur manushy ka putra kroos par chaddhaae jane ke liye pakadvaya jaaega. tab mahayajak aur praja ke puraniae kaifaa nam mahayajak ke angan men ikatthe huae. aur apas men vichar karane lage ki yeeshu ko chht se pakadkar mar dalen. parantu ve kahate the, ki pavrva ke samay naheen kaheen aeesa n ho ki logon men balava mach jae. jab yeeshu baaitaniyyah men shamaun koddhee ke ghar men tha. to aek sree sangamaramar ke patra men bahumol itra lekar usake pas ai, aur jab vah bhojan karane baaita tha, to usake sir par undel diya. yah dekhkar, usake chele risayaae aur kahane lage, is ka kyon satyanash kiya gaya? yah to achchhe dam par bikakar kangalon ko bantta ja sakata tha. yah janakar yeeshu ne un se kaha, sree ko kyon satate ho? us ne mere sath bhilai kee haai. kangal tumhare sath sada rahate haai, parantu maain tumhare sath sadaiv n ra-hoonga. us ne meree deh par jo yah itra undela haai, vah meree gaddhe jane ke liye kiya haai maain tum se sach kahata hoo, ki sare jagat men jahan kaheen yah susamachar prachar kiya jaaega, vahan usake is kam ka varnn bhee usake smaran men kiya jaaega. tab yahooda iskariyotee nam barah chelon men se aek ne mahayajakon ke pas jakar kaha. yaadi maain use tumhare hath pakadva doo, to mujhe kya doge? unhon ne use tees chandee ke sikke taulakar de diae. aur vah usee samay se use pakadvane ka avasar ddoond-dhne laga.. akhmeeree rottee ke pavrva ke paahile din, chele yeeshu ke pas akar poochhne lage too kahan chahata haai ki ham tere liye fasah khane kee taaiyaree karen? us ne kaha, nagar men faulane ke pas jakar us se kaho, ki guroo kahata haai, ki mera samay nikatt haai, maain apane chelon ke sath tere yahan pavrva manaunga. so chelon ne yeeshu kee agyaa manee, aur fasah taaiyar kiya. jab sanjh hui, to vah barahon ke sath bhojan karane ke liye baaita. jab ve kha rahe the, to us ne kaha, maain tum se sach kahata hoo, ki tum men se aek mujhe pakadvaaega. is par ve bahut udas hua, aur har aek us se poochhne laga, he guro, kya vah maain hoon? us ne uttr diya, ki jis ne mere sath thalee men hath dala haai, vahee mujhe pakadvaaega. manushy ka putra to jaaisa usake vishay men likha haai, jata hee haai parantu us manushy ke liye shaek haai jis ke dara manushy ka putra pakadvaya jata haai: yadi us manushy ka janm n hota, to usake liye bhla hota. tab usake pakadvanevale yahooda ne kaha ki he rabbee, kya vah maain hoon? us ne us se kaha, too kah chuka: jab ve kha rahe the, to yeeshu ne rottee lee, aur ashaeesh mangakar todee, aur chelon ko dekar kaha, lo, khao yah meree deh haai. fir us ne kattora lekar, dhanyavad kiya, aur unhen dekar kaha, tum sab is men se peeo. kyonaki yah vacha ka mera vah lohoo haai, jo bahuton ke liye papon kee kshama ke nimitt bahaya jata haai. maain tum se ka-

hata hoo, ki dakh ka yah ras us din tak kabhee n peeinga, jab tak tumhare sath apane pita ke rajy men naya n peenun.. fir ve bhjan gakar jaaition pahad par gaee.. tab yeeshu ne un se kaha tum sab aj hee rat ko mere vishay men ttokar khaoge kyonki likha haai, ki maain charavahe ko maroonga aur jhund kee bheeden tittr bittr ho jaaengee. parantu maain apane jee uttne ke bad tum se pahale galeel ko jaunga. is par pataras ne us se kaha, yadi sab tere vishay men ttokar khaaen to khaae, parantu maain kabhee bhee ttokar n khaunga. yeeshu ne us se kaha, maain tum se sach kahata hoo, ki aj hee raj ko murga ke bang dene se paahile, too teen bar mujh se mukar jaega. pataras ne us se kaha, yadi mujhe tere sath marana bhee ho, taubhee, maain tujh se kabhee n mukaroonga: aur aeese hee sab chelon ne bhee kaha.. tab yeeshu ne apane chelon ke sath gatasamane nam aek sthan men aya aur apane chelon se kahane laga ki yaheen baaitte rahana, jab tak ki maain vahan jakar praarthna karoon. aur vah pataras aur jabdee ke donon putraen ko sath le gaya, aur udas aur vyakul hone laga. tab us ne un se kaha mera jee bahut udas haai, yahan tak ki mere praan nikala chahate: tum yaheen ttharo, aur mere sath jagate raho. fir vah thoda aur age baddhkar munh ke bal gira, aur yah praarthna karane laga, ki he mere pita, yaadi ho sake, to yah kattora mujh se ttl jaae taubhee jaaisa maain chahata hoon vaaisa nahee, parantu jaaisa too chahata haai vaaisa hee ho. fir chelon ke pas akar unhen sote paya, aur pataras se kaha kya tum mere sath aek ghadee bhee n jag sake? jagate raho, aur praarthna karate raho, ki tum pareeksha men n pado: atma to taaiyar haai, parantu shareer durbal haai. fir us ne doosaree bar jakar yah praarthna kee ki he mere pita, yaadi yah mere peee bina naheen hatt sakata to teree ichchha pooree ho. tab us ne akar unhen fir sote paya, kyonki un kee ankhen neend se bhree theen. aur unhen chhodkar fir chala gaya, aur vahee bat fir kahakar, teesaree bar praarthna kee. tab us ne chelon ke pas akar un se kaha ab sote raho, aur vishraam karo: dekho, ghadee a pahunchee haai, aur manushy ka putra papiyon ke hath pakadvaya jata haai. utto, chalen dekho, mera pakadvanevala nikatt a pahuncha haai.. vah yah kah hee raha tha, ki dekho yahooda jo barahon men se aek tha, aya, aur usake sath mahayajakon aur logon ke puraaniyon kee or se badee bheed, talavaren aur laattyaian liae huae ai. usake pakadvanevale ne unhen yah pata diya tha ki jis ko maain choom loon vah hee haai use pakad lena. aur turant yeeshu ke pas akar kaha he rabbee namaskara aur us ko bahut chooma. yeeshu ne us se kaha he mitra, jis kam ke liye too aya haai, use kar le. tab unhon ne pas akar yeeshu par hath dale, aur use pakad liya. aur dekho, yeeshu ke saathaiyon men se aek ne hath baddhakar apanee talavar kheench lee aur mahayajak ke das par chalakar us ka kan uda diya. tab yeeshu ne us se kaha apanee talavar kattee men rakh le kyonki jo talavar chalte haai, ve sab talavar se nash kiae jaengee. kya too naheen samajhta, ki maain apane pita se binatee kar sakata hoo, aur vah svargadooton ke barah palattn se adhaik mere pas abhee upaasthiat kar dega? parantu pavitra shaasr kee baten ki aeese hee hona avashy haai, kyonkar pooree hongee? usee ghadee yeeshu

ne bheed se kaha kya tum talavaren aur laattyaian lekar mujhe dakoo ke saman pakadne ke liye nikale ho? maain har din mandair men baaittkar upadesh diya karata tha, aur tum ne mujhe naheen pakada. parantu yah sab isaaliye hua haai, ki bhvishyadvaktaon ke vachan ke poore hon: tab sab chelon use chhodkar bhag gaee.. aur yeeshu ke pakadvanevale us ko kaifaa nam mahayajak ke pas le gaa, jahan shaasree aur puraaniae ikatthe huae the. aur pataras door se usake peechhe peechhe mahayajak ke angan tak gaya, aur bheetar jakar ant dekhne ko pyadon ke sath baaitt gaya. mahayajak aur saree mahasabha yeeshu ko mar dalane ke liye usake virodha men jootee gavahee kee khoj men the. parantu bahut se jootee gavahon ke ane par bhee n pai. ant men do janon ne akar kaha, ki us ne kaha haai ki maain parameshvar ke maandair ko ddha sakata hoon aur use teen din men bana sakata hoon. tab mahayajak ne khde hokar us se kaha, kya too koi uttr naheen deta? ye log tere virodha men kya gavahee dete haain? parantu yeeshu chup raha: mahayajak ne us se kaha. maain tujhe jeevate parameshvar kee shapath deta hoo, ki yadi too parameshvar ka putra maseeh haai, to ham se kah de. yeeshu ne us se kaha too ne ap hee kah diya: baran maain tum se yah bhee kahata hoo, ki ab se tum manushy ke putra ko sarvashaaktaiman kee daahinee or baaitte, aur akash ke badalon par ate dekhoge. tab mahayajak ne apane vasr faadkar kaha, is ne parameshvar kee ninda kee haai, ab hamen gavahon ka kya prayojana? dekho, tum ne abhee yah ninda sunee haai! tum kya samajhte ho? unhon ne uttr diya, yah vadha hone ke yogy haai. tab unhon ne us se munh par tooka, aur use ghoonse mare, auron ne thppad mar ke kaha. he maseeh, ham se bhavishyadvanee karake kaha: ki kis ne tujhe mara? aur pataras bahar angan men baaitta hua tha: ki aek laundee ne usake pas akar kaha too bhee yeeshu galeelee ke sath tha. us ne sab ke samhane yah kah kar inkar kiya aur kaha, maain naheen janata too kya kah rahee haai. jab vah bahar devaddhee men chala gaya, to doosaree ne use dekhkar un se jo vahan the kaha yah bhee to yeeshu nasaree ke sath tha. us ne shapath khakar fir inkar kiya ki maain us manushy ko naheen janata. thodee der ke bad, jo vahan khde the, unhon ne pataras ke pas akar us se kaha, sachamuch too bhee un men se aek haai kyonki teree bolee tere bhed khol detee haai. tab vah dhaikkar dene aur shapath khane laga, ki maain us manushy ko naheen janata aur turant murga ne bang dee. tab pataras ko yeeshu kee kahee hui bat smaran ai kee murga ke bang dene se pahile too teen bar mera inkar karega aur vah bahar jakar foott foott kar rone laga..

jab bhor hui, to sab mahayajakon aur logon ke puraniyon ne yeeshu ke mar dalane kee sammatti kee. aur unhon ne use bandha aur le jakar peelatus haakim ke hath men saunp diya.. jab usake pakadvanevale yahooda ne dekha ki vah doshaee ttharaya gaya haai to vah pachhtaya aur ve tees chandee ke sikke mahayajakon aur puraaniyon ke pas faer laya. aur kaha, maain ne nirdoshaee ko ghaat ke liye pakadvakar pap kiya haai? unhon ne kaha, hamen kya? too hee jana.

tab vah un sikkon ko mandair men faenakakar chala gaya, aur jakar apane ap ko faansee dee. mahaya-jakon ne un sikkon ko lekar kaha, inhen bhndar men rakhna uchit nahee, kyonki yah lohoo ka dam haai. so unhon ne sammaati karake un sikkon se parade-shaiyon ke gadne ke liye kumhar ka khet mol le liya. is karan vah khet aj tak lohoo ka khet kahalata haai. tab jo vachan yirmayah bhvishyadvkta ke dara kaha gaya tha vah poora hua ki unhon ne ve tees sikke arthata us titharae huae mooly ko jise israel kee santan men se kitanon ne ttharaya tha le liae. aur jaaise prabhu ne mujhe agyaa dee thee vaaise hee unhen kumhar ke khet ke mooly men de diya.. jab yeeshu hakim ke samhane khda tha, to haakim ne us se poochha ki kya too yahoodiyon ka raja haai? yeeshu ne us se kaha, too ap hee kah raha haai. jab mahayajak aur puraaniae us par dosh laga rahe the, to us ne kuchh uttr naheen diya. is par peelatus ne us se kaha: kya too naheen sunata, ki ye tere virodha men kitanee gavaahiyan de rahe haain? parantu us ne us ko aek bat ka bhee uttr naheen diya, yahan tak ki hakim ko bada ashcharya hua. aur haakim kee yah reeti thee, ki us pavra men logon ke liye kisee aek bandhauae ko jise ve chahate the, chhod deta tha. us samay baraabba nam unheen men ka ek namee bandhaua tha. so jab ve ikatthe hua, to peelatus ne un se kaha tum kis ko chahate ho, ki maain tumhare liye chhod doon? baraabba ko, ya yeeshu ko jo maseeh kahalata haai? kyonaki vah janata tha ki unhon ne use dah se pakad- vaya haai. jab vah nyay kee gae par baaitta hua tha to us kee patnee ne use kahalaa bheja, ki too us dharmae ke mamale men hath n dalana kyonki maain ne aj swapn men usake karan bahut dukh uttaya haai. mahayajakon aur puraniyon ne logon ko ubhara, ki ve baraabba ko mang le, aur yeeshu ko nash karaen. haakim ne un se poochha, ki in donon men se kis ko chahate ho, ki tumhare liye chhod doon? unhon ne kaha baraabba ko. peelatus ne un se poochha fir yeeshu ko jo maseeh kahalata haai, kya karoon? sab ne us se kaha, vah kroos par chaddhaya jae. haakim ne kaha kyon us ne kya burai kee haai? parantu ve aur bhee chillaa, chillakar kahane lage, vah kroos par chaddhaya jae. jab peelatus ne dekha, ki kuchh ban naheen padta parantu is ke vipareet hullad hota jata haai, to us ne panee lekar bheed ke samhane apane hath dhaea, aur kaha maain is dharmee ke lohoo se nirdosh hoon tum hee jano. sab logon ne uttr diya, ki is ka lohoo ham par aur hamaree santan par ho. is par us ne baraabba ko un ke liye chhod diya, aur yeeshu ko kode lagavakar saunp diya, ki kroos par chaddhaya jae.. tab haakim ke sipaahiyan ne yeeshu ko kile men le jakar saree palatn usake chahun or ikatthee kee. aur usake kapade utarakar use kiraamijee бага pahinaya. aur katon ko mukutt goonthkar usake sir par rakha aur usake daahine hath men sarakanda diya aur usake age ghauttne ttekakar use tttthe men udane lage, ki he yahoodiyon ke raja namaskara. aur us par tooka aur vahee sarakanda lekar usake sir par marane lage. jab ve usaka ttttha kar chuke, to vah бага us par se utarak fir usee ke kapade use paahinaa, aur kroos par chaddhane ke liye le chale.. bahar jate huae unhen shamaun nam aek kurenee manushy mila, unhone use begar men pakada ki usaka kroos utta le chale.

aur us sthan par jo gulaguta nam kee jagah arthata khopadee ka sthan kahalata haai pahunchakara. unhon ne pitt milaya hua dakhraa use peene ko diya, parantu us ne chakhkar peena n chaha. tab unhon ne use kroos par chaddhaya aur chitthiyan dalakar usake kapade banttt liae. aur vahan baaitttkar usaka pahara dene lage. aur usaka doshapatra, usake sir ke upar lagaya, ki yah yahoodiyon ka raja yeeshu haai. tab usake sath do dakoo aek dahine aur aek baen krooson par chaddhaae gaee. aur ane jane vale sir hila hilakar us kee ninda karate the. aur yah kahate the, ki he mandair ke ddhanevale aur teen din men ba- nanevale, apane ap ko to bacha yaadi too paramesh- var ka putra haai, to kroos par se utar a. isee reeti se mahayajak bhee shaastriayon aur puraaniyon samet ttttha kar karake kahate the, is ne auron ko bachaya, aur apane ko naheen bacha sakata. yah to israel ka raja haai. ab kroos par se utar aa, to ham us par vish- vas karen. us ne parameshvar ka bhrosa rakha haai, yaadi vah is ko chahata haai, to ab ise chhuda le, ky- onki is ne kaha tha, ki maain parameshvar ka putra hoon. isee prakar dakoo bhee jo usake sath kroo- son par chaddhaae gaee the us kee ninda karate the.. dopahar se lekar teesare pahar tak us sare desh men andhora chhaya raha. teesare pahar ke nikatt yeeshu ne bade shabd se pukarakar kaha, aelee, aelee, lama shabaktanee? arthata he mere parameshvar, he mere parameshvar, too ne mujhe kyon chhod diya? jo va- han khde the, un men se kitanon ne yah sunakar kaha, vah to aaliyyah ko pukarata haai. un men se ek tu- rant dauda, aur spanj lekar sirake men duboya, aur sarakande par rakhkar use chusaya. auron ne kaha, rah jao, dekhe, aaliyyah use bachane ata haai ki na- heen. tab yeeshu ne fir bade shabd se chillakar praan chhod diae. aur dekho mandair ka parada upar se neeche tak fatt kar do ttukade ho gaya: aur dharatee dol gai aur chhattanen tadtak gain. aur kabraen khul gain aur soae huae pavitra logon kee bahut lothen jee utteen. aur usake jee uttne ke bad ve kabraen men se nikalakar paavitra nagar men gaa, aur bahu- ton ko dikhai diae. tab soobedar aur jo usake sath yeeshu ka pahara de rahe the, bhuidol aur jo kuchh hua tha, dekhkar atyant dr gaa, aur kaha, sachamuch yah parameshvar ka putra tha. vahan bahut see stri- ayan jo galeel se yeeshu kee seva karatee huin us- ake sath ain thee, door se dekh rahee theen. un men maariyam magadaleelee aur yakoob aur yoses kee mata maariyam aur jabdee ke putraen kee mata theen. jab sanjh hui to yooosufa nam aarimaatiyah ka aek dhane manushy jo ap hee yeeshu ka chela tha aya: us ne peelatus ke pas jakar yeeshu kee loth manglee. is par peelatus ne de dene kee agyaa dee. yooosufa ne loth ko lekar use ujjaval chadar men lapetta. aur use apanee nai kabra men rakha, jo us ne chattan men khudavai thee, aur kabra ke dar par bada patthr lud- dhkakar chala gaya. aur maariyam magadaleenee aur doosaree mariyam vahan kabra ke samhane baaittee theen.. doosare din jo taaiyaree ke din ke bad ka din tha, mahayajakon aur fareeasiyon ne peelatus ke pas ikatthe hokar kaha. he maharaj, hamen smaran haai, ki us bhramaneevale ne apane jeete jee kaha tha, ki maain teen din ke bad jee uttoonga. so agyaa de ki teesare din tak kabra kee rakhvalee kee jaa, aeesa n

ho ki usake chele akar use chura le jaae, aur logon se kahanen lage, ki vah mare huon men se jee utta haai: tab pichhla dhaekha pahile se bhee bura hoga. peelatuse ne un se kaha, tumhare pas paharooae to haain jao, apane samajh ke anusa rakhvalee karo. so ve paharoon ko sath le kar gaa, aur patthar par muhar lagakar kabra kee rakhvalee kee..

sabt ke din ke bad saptaah ke paahile din pah fattte hee mariyam magadaleenee aur doosaree mariyam kabra ko dekhne ai. aur dekho aek bada bhuindol hua, kyonki prabhu ka aek doot svarga se utara, aur pas akar usane patthar ko luddhka diya, aur us par baait gaya. usaka roop bijalee ka sa aur usaka vasr pale kee nai ujjval tha. usake bhy se paharooae kanp utte, aur mratak saman ho gae. svargadoot ne striyon se kaha, ki tum mat dro : maai janata hoo ki tum yeeshu ko jo kraus par chaddhaya gaya tha ddoondhatee ho. vah yaha naheen haai, parantu apane vachan ke anusa jee utta haai ao, yah sthan dekho, jaha prabhu pada tha. aur shaeegha jakar usake chelon se kaho, ki vah mratakone men se jee utta haai aur dekho vah tum se paahile galeel ko jata haai, vaha usaka darshan paoge, dekho, maain ne tum se kah diya. aur ve bhy aur bade anand ke sath kabra se shaeegha lautkar usake chelon ko samachar dene ke liye daud gai. aur dekho, yeeshu unhen mila aur kaha 'salaman aur unhone ne pas akar aur usake pav pakadkar usako dandvat kiya. tab yeeshu ne un se kaha, mat dro mere bhaiyon se jakar kaho, ki galeel ko chalen jaen vaha mujhe dekhenge.. ve ja hee rahee thee, ki dekho, paharoon men se kitanon ne nagar men akar poora hal mahayajakon se kah sunaya. tab unhone ne puraniyon ke sath ikatthe hokar sammati kee, aur sipaahiyan ko bahut chandee dekar kaha. ki yah kahana, ki rat ko jab ham so rahe the, to usake chele akar use chura le gae. aur yaadi yah bat hakim ke kan tak pahunchegae, to ham use samajha lenge aur tumhen jokhaim se bacha lenge. so unhone ne roopaee lekar jaaisa sikhaae gae the, vaaisa hee kiya aur yah bat aj tak yahoodiyan men prachalit haai.. aur gyarah chele galeel men us pahad par gaa, jise yeeshu ne unhen bataya tha. aur unhone ne usake darshan pakar use pranam kiya, par kisee kisee ko sandeh hua. yeeshu ne un ke pas akar kaha, ki svarga aur prathvee ka sara aadhaikar mujhe diya gaya haai. isaliye tum jakar sab jatiyon ke logon ko chela banao aur unhen pita aur putra aur pavitraatma ke nam se bapaatisma do. aur unhen sab baten jo maain ne tumhen agyaa dee haai, manana sikhao: aur dekho, maain jagat ke ant tak sadaiv tumhare sang hoon..

parameshvar ke putra yeeshu maseeh ke susamachar ka arambh. jaise yashaayab bhvishyadvkata ke pustak men likha haai ki dekh maain apane doot ko tere age bhejata hoo, jo tere liye marga sudhaarega. jangal men aek pukaranevale ka shabd sunai de raha haai ki prabhu ka marga taaiyar karo, aur us kee sadken seedhaee karo. yoohanna aya, jo jangal men baptisma deta, aur papon kee kshama ke liye manafirav ke baptisma ka prachar karata tha. aur sare ya-hoodiya desh ke, aur yarooshalem ke sab rahanevale nikalakar usake pas gaa, aur apane papon ko manakar yaradan nadee men us se bapaatisma liya. yoohanna unt ke rom ka vasr pahine aur apanee kamar men chamaden ka pattuka bandho rahata tha or ttiid-dayan aur van madha khaya karata tha. aur yah prachar karata tha, ki mere bad vah ane vala haai, jo mujh se shaktaiman haai maain is yogy naheen ki jhukakar usake jooton ka bandha kholoon. maain ne to tumhen panee se baptisma diya haai par vah tumhen paavitra atma se baptisma dega.. un dinon men yeeshu ne galeel ke nasarat se akar, yaradan men yoohanna se bapaatisma liya. aur jab vah panee se nikalakar upar aya, to turant us ne akash ko khulate aur atma ko kabootar kee nain apane upar utarate dekha. aur yah akashavane hai, ki too mera piry putra haai, tujh se maain prasann hoon.. tab atma ne turant us ko jangal kee or bheja. aur jangal men chalees din tak shautan ne us kee pareeksha kee aur vah van pashuon ke sath raha aur svargadoot un kee seva karate rahe.. yoohanna ke pakadvaee jane ke bad yeeshu ne galeel men akar parameshvar ke rajy ka susamachar prachar kiya. aur kaha, samay poora hua haai, aur parameshvar ka rajy nikatt a gaya haai man firao aur susamachar par vishvas karo.. galeel kee jheel ke kinare kinare jate hua, us ne shamaun aur usake bhai aandairyas ko jheel men jal dalate dekha kyonaki ve machhuve the. aur yeeshu ne un se kaha mere peechhe chale ao maain tum ko manushyon ke machhuve banaunga. ve turant jalon ko chhodkar usake peechhe ho liae. aur kuchh age baddhkar, us ne jabadee ke putra yakooob, aur usake bhai yahioonna ko, nav par jalon ko sudhaarate dekha. us ne turant unhen bulaya aur ve apane pita jabadee ko majadooree ke sath nav par chhodkar, usake peechhe chale gae.. aur ve kafaranahoom men aa, aur vah turant sabt ke din sabha ke ghar men jakar upadesh karane laga. aur log usake upadesh se chakit hue kyonki vah unhen shaastrayon kee nain nahee, parantu aadhaikaree kee nai upadesh deta tha. aur usee samay, un kee sabha ke ghar men aek manushy tha, jis men aek ashuuddh atma thee. us ne chillakar kaha, he yeeshu nasaree, hamen tujh se kya kama? kya too hamen nash karane aya haai? maain tujhe janata hoo, too kaun haai? parameshvar ka paavitra jana! yeeshu ne use dantkar kaha, chup raha aur us men se nikal ja. tab ashuuddh atma us ko marodkar, aur bade shabd se chillakar us men se nikal gai. is par sab log ashcharya karate huae apas men vada-vivad karane lage ki yah kya bat haai? yah to koi naya upadesh haai! vah adhaikar ke sath ashuuddh atmaon ko bhee agyaa deta haai, aur ve us kee agyaa manatee haain. so usaka nam

turant galeel ke as pas ke sare desh men har jagah faail gaya.. aur vah turant aradhanalay men se nikalakar, yakooob aur yoohanna ke sath shamaun aur aandairyas ke ghar aya. aur shamaun kee sas jvar se peedit thee, aur unhon ne turant usake vishay men us se kaha. tab us ne pas jakar usaka hath pakad ke use uttaya aur usaka jvar us par se utar gaya, aur vah un kee sevattal karane lagee.. sandhya ke samay jab soorya oob gaya to log sab beemaroon ko aur unhen jin men dushtatma bheen usake pas laae. aur sara nagar dar par ikattha hua. aur us ne bahuton ko jo nana prakar ke beemariyon se dukhee the, changa kiya aur bahut se dushtatmaon ko nikala aur dushtatmaon ko bolane n diya, kyonaki ve use pahachanatee theen.. aur bhor ko din nikalane se bahut pahile, vah utkar nikala, aur aek jangalee sthan men gaya aur vahan praarthna karane laga. tab shamaun aur usake sathee us kee khoj men gaae. jab vah mila, to us se kaha ki sab log tujhe ddoondh rahe haain. us n un se kaha, ao ham or kaheen as pas kee baastayon men jae, ki maain vahan bhee prachar karoo, kyonki maai. isee liye nikala hoon. so vah sare galeel men un kee sabhaon men ja jakar prachar karata aur dushtatmaon ko nikalata raha.. aur aek koddhee ne usake pas akar, us se binatee kee, aur usake samhane ghautnee ttekar, us se kaha yadi too chahe to mujhe shuuddh kar sakata haai. us ne us par taras khakar hath baddhaya, aur use chookar kaha maain chahata hoon too shuuddh ho ja. aur turant usaka koddh jata raha, aur vah shuuddh ho gaya. tab us ne use chitakar turant vida kiya. aur us se kaha, dek, kisee se kuchh mat kahana, parantu jakar apane ap ko yajak ko dikha, aur apane shuuddh hone ke vishay men jo kuchh moosa ne ttharaya haai use bhentt chaddha, ki un par gavahee ho. parantu vah bahar jakar is bat ko bahut prachar karane aur yahan tak faailane laga, ki yeeshu fir khullamakhulla nagar men n ja saka, parantu bahar jangalee sthanon men raha aushra chahunor se lage usake pas ate rahe..

kai din ke bad vah fir kafaranahoom men aya aur suna gaya, ki vah ghar men haai. fir itane log ikatthe hua, ki dar ke pas bhee jagah naheen milee aur vah unhen vachan suna raha tha. aur log aek jhole ke mare huae ko char manushyon se uttvakar usake pas le aae. parantu jab ve bheed ke karan usake nikatt n panhuch sake, to unhon ne us chht ko jis ke neeche vah tha, khol diya aur jab use udhod chuke, to us khatt ko jis par jhole ka mara hua pada tha, lattka diya. yeeshu n, ka vishvas dekhkar, us jhole ke mare huae se kaha he putra, tere pap kshama hue. tab kai aek shaasree jo vahan baaitte the, apane apane man men vichar karane lage. ki yah manushy kyon aeesa kahata haai? yah to parameshvar kee ninda karata haai, parameshvar ko chhod aur kon pap kshama kar sakata haai? yeeshu ne turant apanee atma men jan liya, ki ve apane apane man men aeesa vichar kar rahe haai, aur un se kaha, tum apane apane man men yah vichar kyon kar rahe ho? sahaj kya haai? kya jhole ke mare se yah kahata ki tere pap kshama hua, ya yah kahana, ki utt apanee khatt utta kar chal fira? parantu jis se tum jan lo ki manushy ke putra ko

prathvee par pap kshama karane ka bhee adhaikar haai us ne us jhole ke mare huae se kaha. maain tuij se kahata hoon ut, apanee khatt uttakar apane ghar chala ja. aur vah utta, aur turant khatt uttakar aur sab ke samhane se nikalakar chala gaya, is par sab chaakit hua, aur parameshvar kee badai karake kahane lage, ki ham ne aeesa kabhee naheen dekha.. vah fir nikalakar jheel ke kinare gaya, aur saree bheed usake pas ai, aur vah unhen upadesh dene laga. jate huae us ne halafai ke putra levee ko chungee kee chauke par baaitte dekha, aur us se kaha mere peechhe ho le. aur vah uttkar, usake peechhe ho liya: aur vah usake ghar men bhojan karane baaitte kyonki ve bahut se the, aur usake peechhe ho liye the. aur shaastri-ayon aur fareeasiyon ne yah dekhkar, ki vah to paapiyon aur chungee lenevalon ke sath bhojan kar raha haai, usak chelon se kaha vah to chungee lenevalon aur paapiyon ke sath khata pita haai!! yeeshu ne yah sunakar, un se kaha, bhle changon ko vaaidh kee avashyakata nahee, parantu beemaron ko haai: maain dhaarmiyon ko nahee, parantu paapiyon ko bulane aya hoon.. yooahanna ke chele, aur fareese upavas karate the so unhon ne akar us se yah kaha ki yooahanna ke chele aur fareeasiyon ke chele kyon upavas rakhte haain? parantu tere chele upavas naheen rakhte. yeeshu ne un se kaha, jab tak dulha baratiyon ke sath dahata haai kya ve upavas kar sakate haain? so jab tak doolha un ke sath haai, tab tak ve upavas naheen kar sakate. parantu ve din aaenge, ki doolha un se alag kiya jaaega us samay ve upavas karenge. kore kapade ka paaband purane pahiravan par koi naheen lagata naheen to vah paaband us men se kuchh kheenche lega, arthata naya, purane se, aur vah aur fatt jaaega. naye dakhra ko purane mashakon men koi naheen rakhta, naheen to dakhra mashakon ko faad dega, aur dakhra aur mashkon donon nasht ho jaaenge parantu dakh ka naya ras nai mashkon men bhra jata haai.. aur aeesa hua ki vah sabt ke din kheton men se hokar ja raha tha aur usake chele chahate huae balen todne lage. tab fareesiyon ne us se kaha, dekh ye sabt ke din vah kam kyon karate haain jo ucht naheen? us ne un se kaha, kya tum ne kabhee naheen paddha, ki jab daud ko avashyakata hui aur jab vah aur usake sathee bookhe hua, tab us ne kya kiya tha? us ne kyonkar abiyatar mahayajak ke samay, parameshvar ke bhvan men jakar, bhentt kee rottiyan khai, jisaka khana yajakon ko chhod aur kisee ko bhee ucht nahee, aur apane sathaiyon ko bhee deen? aur us ne un se kaha sabt ka din manushy ke liye banaya gaya haai, n ki manushy sabt ke din ke liye. isaliye manushy ka putra sabt ke din ka bhee svamee haai..

aur vah aradhanalay men fir gaya aur vahan aek manushy tha, jas ka hath sookh gaya tha. aur ve us par dosh lagane ke liye us kee ghaat men lage huae the, ki dekhe, vah sabt ke din men use changa karata haai ki naheen. us ne sookhe hathvale manushy se kaha beech men khda ho. aur un se kaha kya sabt ke din bhla karana ucht haai ya bura karata, praan ko bachana ya marana? par ve chup rahe. aur us ne

un ke man kee kattorata se udas hokar, un ko krodha se charon or dekha, aur us manushy se kaha, apana hath baddha us ne baddhaya, aur usaka hath achchha ho gaya. tab fareese bahar jakar turant herodiyon ke sath usake virodha men sammati karane lage, ki use kis prakar nash karen.. aur yeeshu apane chelon ke sath jheel kee or chala gaya: aur galee se aek badee bheed usake peechhe ho lee. aur yahoodiya, aur yarooshalem aur idoomiya se, aur yaraan ke par, aur soor aur saaida ke apas se aek badee bheed yah sunakar, ki vah kaise achambhe ke kam karata haai, usake pas ai. aur us ne apane chelon se kaha, bheed ke karan aek chhottee nav mere liye taaiyar rahe taki ve mujhe daba n saken. kyonaki us ne bahuton ko changa kiya tha isaliye jitane loge rog se graasit the, use choone ke liye us par gire padte the. aur ashu-uddh atmae bhee, jab use dekhte the, to usake age gir padte the, aur chillakar kahate theen ki too parameshvar ka putra haai. aur us ne unhen bahut chitaya, ki mujhe pragatt n karana.. fir vah pahad par chaddh gaya, aur jinhen vah chahata tha unhen apane pas bulaya aur ve usake pas chale aae. tab us ne barah puroshaen ko niyukt kiya, ki ve usake sath sath rahe, aur vah unhen bheje, ki prachar karen. aur dushttarmaon ke nikalane ka aadhaikar rakhen. aur ve ye haain: shamaun jis ka nam us ne pataras rakha. aur jabadee ka putra yakoob, aur yakoob ka bhai yooahanna, jinaka nam us ne boonanaragis, arthata garjan ke putra rakha. aur aandairyas, aur filippus, aur baratulmaai, aur mattee, aur thoma, aur halafai ka putra yakooba aur tae, aur shamaun kananee. aur yahooda iskariyote, jis ne use pakadva bhee diya.. aur vah ghar men aya: aur aeese bheed ikatthee ho gai, ki ve rotte bhee n kha sake. jab usake kuttumbaion ne yah suna, to use pakadne ke liye nikale kyonki kahate the, ki usaka chitt tkaiane naheen haai. aur shaasree jo yarooshalem se aae the, yah kahate the, ki us men shautan haai, aur yah bhee, ki vah dushttarmaon ke saradar kee sahayata se dushttarmaon ko nikalata haai. aur vah unhen pas bulakar, un se dushttanton men kahane laga shautan kyonkar shautan ko nikal sakata haai? aur yaadi kisee rajy men foott pade, to vah rajy kyonkar sthiar rah sakata haai? aur yaadi kisee ghar men foott pade, to vah ghar kyonkar sthiar rah sakega? aur yaadi shautan apana hee virodhae hokar apane men foott dale, to vah kyonkar bana rah sakata haai? usaka to ant hee ho jata haai. kintu koi manushy kisee balavant ke ghar men ghausakar usaka mal loott naheen sakata, jab tak ki vah pahile us balavant ko n bandha le aur tab usake ghar ko loott lega. maain tum se sach kahata hoo, ki manushyon kee santan ke sab pap aur ninda jo ve karate haai, kshama kee jaaenge. parantu jo koi paavitraatma ke viroddh ninda kare, vah kabhee bhee kshama n kiya jaaega: varan vah anant pap ka aparadhae ttharata haai. kyonaki ve yah kahate the, ki us men ashuuddh atma haai.. aur us kee mata aur usake bhai aa, aur bahar khde hokar use bulava bheja. aur bheed usake apas baaittee the, aur unhon ne us se kaha dek, teree mata aur tere bhai bahar tuijhe ddoondhte haain. us ne unhen uttr diya, ki meree mata aur mere bhai kaun haain? aur un par jo usake pas baaitte the, draashti karake kaha, dekho, meree mata aur mere bhai yah

haain. kyonaki jo koi parameshvar kee ichchha par chale, vahee mere bhai, aur baahin aur mata haai..

vah fir jheel ke kinare upadesh dene laga: aur aeese badee bheed usake pas ikatthee ho gai, ki vah jheel men aek nav par chaddhkar baaiti gaya aur saree bheed boomi par jheel ke kinare khdee rahee. aur vah unhen drashttanton men bahut see baten sikhane lage, aur apane upadesh men un se kaha. suno: dekho, aek bonevala, beej bane ke liye nikala! aur bote samay kuchh to marga ke kinare gira aur paakshiyon ne akar use chug liya. aur kuchh patthrelee boomi par gira jahan us kee bahut mittee n milee, aur gaharee mittee n milane ke karan jald ug aya. aur jab soorya nikala, to jal gaya, aur jad n pakadne ke karan sookh gaya. aur kuchh to jhaadiyon men gira, aur jhaadiyon ne baddhkar use daba liya, aur vah fal n laya. parantu kuchh achchhee boomi par gira aur vah uga, aur baddhkar falavant hua aur koi tees guna, koi satt guna aur koi sau guna fal laya. aur us ne kaha jis ke pas sunane ke liye kan hon vah sun le.. jab vah akela rah gaya, to usake sathaiyon ne un barah samet us se in drashttanton ke vishay men poochha. us ne un se kaha, tum ko to parameshvar ke rajy ke bhed kee samajh dee gai haai, parantu baharavalon ke liye sab baten drashttanton men hotee haain. isaliye ki ve dekhthe huae dekhon aur unhen sujhai n pade aur sunate huae sunen bhee aur n samajhen aeese n ho ki ve fire, aur kshama kiae jaen. fir us ne un se kaha kya tum yah drashttant naheen samajhte? to fir aur sab drashttanton ko kyonkar samajhoge? banevala vachan bota haai. jo marga ke kinare ke haain jahan vachan boya jata haai, ye ve haai, ki jab unhon ne suna, to shautan turant akar vachan ko jo un men boya gaya tha, utta le jata haai. aur vaaise hee jo patthrelee boomi par boae jate haai, ye ve haai, ki jo vachan ko sunakar turant anand se grahan kar lete haain. parantu apane bheetar jad n rakhte ke karan ve thode bhee dinon ke liye rahate haain is ke bad jab vachan ke karan un par klesh ya upadray hota haai, to ve turant ttokar khate haain. aur jo jhaadyaen men boae gaee ye ve haain jinhon ne vachan suna. aur sansar kee chinta, aur dhan ka dhaekha, aur aur vastuon ka lobh un men samakar vachan ko daba deta haai. aur vah nishfal rah jata haai. aur jo achchhee boomi men boae gaa, ye ve haai, jo vachan sunakar grahan karate aur fal late haai, koi tees guna, koi satt guna, aur koi sau guna.. aur us ne un se kaha kya diye ko isaliye late haain ki paaimane ya khatt ke niche rakha jaae? kya isaliye nahee, ki deevatt par rakha jaae? kyonaki koi vastu chhpaiee nahee, parantu isaliye ki pragatt ho jaae aur n kuchh gupt haai par isaliye ki pragatt ho jaae. yaadi kisee ke sunane ke kan ho, to sun le. fir us ne un se kaha chaukas raho, ki kya sunate ho? jis nap se tum napate ho usee se tumhare liye bhee napa jaega, aur tum ko aadhaik diy jaega. kyonaki jis ke pas haai, us ko diya jaega parantu jis ke pas naheen haai us se vah bhee jo usake pas haai le liya jaega.. fir us ne kaha parameshvar ka rajay aeese haai, jaaise koi manushy boomi par beej chheentte. aur rat ko soa, aur din ko jage aur vah beech aeese uge aur baddhe ki vah n jane.

prathvee ap se ap fal latee haai pali ankur, tab bal, aur tab balon men taaiyar dana. parantu jab dana pak jata haai, tab vah turant hansiya lagata haai, kyonki kat-tnee a pahunchee haai.. fir us ne kaha, ham parameshvar ke rajy kee upama kis se de, aur kis drashttant se usake varnn karen? vah rai ke dane ke saman haain ki jab boomi men boya jata haai to boomi ke sab beejon se chhotta hota haai. parantu jab boya gaya, to ugakar sab sag pat se bada ho jata haai, aur usake aeese badee daaliyan nikalatee haai, ki akash ke pakshaee usakee chhaya men basera kar sakate haain.. aur vah unhen is prakar ke bahut se drashttant de dekar un kee samajh ke anusar vachan sunata tha. aur bina drashttant kahe un se kuchh bhee naheen kahata tha parantu aekant men vah apane nij chelon ko sab baton ka arth batata tha.. usee din jab sanjh hui, to us ne un se kaha ao, ham par chale.. aur ve bheed ko chhodkar jaaisa vat tha, vaaisa kee use nav par sath le chale aur usake sat, aur bhee naeven theen. tab badee andhaee ai, aur laharen nav par yahan tak lagee, ki vah ab panee se bhreee jatee thee. aur vah ap pichhle bhag men gaee par so raha tha tab unhon ne use jagakar us se kaha he guro, kya tujhe chinta nahee, ki ham nash huae jate haain? tab us ne uttkar andhaee ko dantta, aur panee se kaha shaant rah, thm ja : aur andhaee thm gai aur bada chhaain ho gaya. aur un se kaha tum kyon drate ho? kya tumhen ab tak vishvas naheen? aur ve bahut hee dr gaee aur apas men bole yah kaun haai, ki andhaee aur panee bhee us kee agyaa manate haain?

aur ve jheel ke par giraseniyan ke desh men pahunche. aur jab vah nav par se utara to turant aek manushy jis men ashuuddh atma thee kabraen se nikalakar use mila. vah kabraen men raha karata tha. aur koi use sankalon se bhee n bandha sakata tha. kyonaki vah bar bar bediyan aur sankalon se bandha gaya tha, par us ne sakalon ko tod diya, aur beadiyon ke ttukade ttukade kar diae the, aur koi use vash men naheen kar sakata tha. vah lagatar rata-adin kabraen aur pahado men chillata, aur apane ko pathron se ghaalyar karata tha. vah yeeshu ko door hee se dekhkar dauda, aur use pranam kiya. aur unche shabd se chillakar kaha he yeeshu, paramapradhaan parameshvar kee putra, mujhe tujh se kya kama? maain tune parameshvar kee shapath deta hoo, ki mujhe peeda n de. kyonaki us ne us se kaha tha, he ashuuddh atma, is manushy men se nikal a. us ne us se poochha tera kaya nam haai? us ne us se kaha mera nam sena haai kyonki ham bahut haain. aur us ne us se bahut binatee kee, hamen is desh se bahar n bheja. vahan pahad par soaron ka aek bada jhund char raha tha. aur unhon ne us se binateee karake kaha, ki hamen un soaron men bhej de, ki ham un ke bheetar jaen. so us ne unhen agyaa dee aur ashuuddh atma nikalakar soaron ke bheetar paait gai aur jhun, jo koi do hajar ka tha, kadade par se jhpattkar jheel men ja pada, aur oob mara. aur un ke charavahon ne bhagakar nagar aur ganvon men samachar sunaya. aur jo hua tha, log use dekhne aae. aur yeeshu ke pas akar, ve us men sena samai thee, ka-

pade paahine aur sachet baaitte dekhkar, dr gaee. aur dekhnevalon ne usaka jis men dushttatmaen thee, aur soaron ka poora hal, un ko kah sunaya. aur ve us se binatee kar ke kahane lage, ki hamare sivanon se chala ja. aur jab vah nav par chaddhne laga, to vah jis men pahile dushttatmaen thee, us se binatee karane laga, ki mujhe apane sath rahane de, parantu us ne use agyaa n dee, aur us se kaha, apane ghar jakar apane logon ko bata, ki tujh par daya karake prabhu ne tere liye kaaise bade kam kiae haain. vah jakar dikapulis men is bat ka prachar karane laga, ki yeeshu ne mere liye kaaise bade kam kiae aur sab achambha karate the.. jab yeeshu fir nav se par gaya, to aek badee bheed usake pas ikatthee ho gai aur vah jheel ke kinare tha. aur yair nam aradhanalay ke saradaron men se aek aya, aur use dekhkar, usake panvon par gira. aur us ne yah kahakar bahut binatee kee, ki merree chhottee bettee marane par haai: too akar us par hath rak, ki vah changee hokar jeeavit rahe. tab vah usake sath chala aur badee bheed usake peede ho lee, yahan tak ki log us par gire padte the.. aur aek sre, jis ko barah varsha se lohoo bahane ka rog tha. aur jis ne bahut vaaidhon se bada dukh uttaya aur apana sab mal vyay karane par bhee kuchh labh n uttaya tha, parantu aur bhee rogee ho gai thee. yeeshu kee charcha sunakar, bheed men usake peechhe se ai, aur usake vasr ko choo liya. kyonaki vah kahatee thee, yadi maain usake vasr hee ko choo loongee, to changee ho jaun-gaha. aur turant usaka lohoo bahana band ho gaya aur us ne apanee deh men jan liya, ki maain us beemaree se achchhee ho gai. yeeshu ne turant apane men jan liya, ki mujh se samarth nikalee haai, aur bheed men peechhe firakar poochha mera vasr kis ne chooa? usake chelon ne us se kaha too dekhta haai, dratee tujh par giree padtee haai, aur too kahata haai ki kis ne mujhe chhua? tab us ne use dekhne ke liye jis ne yah kam kiya tha, charon or drashtti kee. tab vah sree yah janakar, ki merree kaaisee bhilai hui haai, dratee aur kanpatee hui ai, aur usake panvon par girakar, us se sab hal sach sach kah diya. us ne us se kaha putraee tere vishvas ne tuijhe changa kiya haai: kushal se ja, aur apanee is beemaree se bachhe raha.. vah yah kah hee raha tha, ki aradhanalay ke saradar ke ghar se logon ne akar kaha, ki teree bettee to mar gai ab guroo ko kyon dukh deta haai? jo bat ve kah rahe thee, us ko yeeshu ne anasunee karake, aradhanalay ke saradar se kaha mat dra keval vishvas rakh. aur us ne pataras aur yakoob aur yakoob ke bhai yooahanna ko chhod, aur kisee ko apane sath ane n diya. aur aradhanalay ke saradar ke ghar men pahunchakar, us ne logon ko bahut rote aur chillate dekha. tab us ne bheetar jakar us se kaha, tum kyon halla machate aur rote ho? ladkee maree nahee, parantu so rahee haai. ve us kee hansee karane lage, parantu us ne sab ko nikalakar ladkee ke matapiya aur apane saathaiyon ko lekar, bheetar janha ladkee padee thee, gaya. aur ladkee ka hath pakadkar us se kaha, 'taaleeta koomeen jis ka arth yah haai ki 'he ladkee, maain tujh se kahata hoo, uttn. aur ladkee turant uttkar chalane firane lagee kyonaki vah barah varsha kee thee. aur is par log bahut chaakit ho gaee. fir us ne unhen chitakar agyaa dee ki yah bat koi janane n paae aur kaha ki use kuchh khane ko diya jaae..

vahan se nikalakar vah apane desh men aya, aur usake chele usake peechhe ho liae. sabt ke din vah aradhanalay men upadesh karane laga aur bahut log sunakar chaakit huae aur kahane lage, is ko ye baten kahan se a gai? aur yah kaun sa gyaan haai jo us ko diya gaya haai? aur kaaise samarth ke kam isake hathon se pragatt hote haain? kya yah vahee bad-dhi nahee, jo mariyam ka putra, aur yakoob aur yoses aur yahooda aur shamaun ka bhai haai? aur kya us kee bahinen yahan hamare beech men naheen raha-teen? isaaliye unhen ne usake vishay meen ttokar khai. yeeshu ne un se kaha, ki bhvishyadvkta apane desh aur apane kuttumb aur apane ghar ko chhod aur kaheen bhee niradar naheen hota. aur vah yahan koi samarth ka kam n kar saka, keval thode beemaron par hath rakhkar unhen changa kiya.. aur us ne un ke aavishvas par ashcharya kiya aur charon or se gavon men upadesh karata fira.. aur vah barahon ko apane pas bulakar unhen do do karake bhejane laga aur unhen ashuuddh atmaon par aadhaikar diya. aur us ne unhen agyaa dee, ki marga ke liye lattee chhod aur kuchh n lo n to rottee, n jholee, n pattuke men paaise. parantu jootiyan paahino aur do do kurate n pahino. aur us ne un se kaha jahan kaheen tum kisee ghar men utaro to jab tak vahan se vida n ho, tab tak usee men thhare raho. jis sthan ke log tumhen grahan n kare, aur tumharee n sune, vahan se chalate hee apane talavon kee dhool jhad dalo, ki un par gava-hee ho. aur unhen ne jakar prachar kiya, ki man fir-rao. aur bahutere dushttatmaon ko nikala, aur bahut beemaron par tel malakar unhen changa kiya.. aur herodes raja ne us kee charcha sunee, kyonki usaka nam faail gaya tha, aur us ne kaha, ki yooahanna baptisma denevala mare huon men se jee utta haai, isee liye us se ye samarth ke kam pragatt hote haain. aur auron ne kaha, yah aeliyyah haai, parantu auron ne kaha, bhvishyadvkta ya bhavishyadvktaon men se kisee aek ke saman haai. herodes ne yah sun kar kaha, jis yooahanna ka sir maain ne kattvaya tha, vahee jee utta haai. kyonaki herodes ne ap apane bhai filip-pus kee patnee herodiyas ke kara, jis se us ne byah kiya tha, logon ko bhejkar yooahanna ko pakadvakar bandeegrah men dal diya tha. kyonaki yooahanna ne herodes se kaha tha, ki apane bhai kee patnee ko rakhna tuijhe uचित naheen. isaliye herodiyas us se baair rakhtee thee aur yah chahatee thee, ki use mar-ava dale, parantu aeesa n ho saka. kyonaki herodes yooahanna ko dharmee aur pavitra puroosh janakar us se drata tha, aur use bachaae rakhta tha, aur us kee sunakar bahut ghabarata tha, par anand se sunata tha. aur tteek avasar par jab herodes ne apane janm din men apane pradhaanon aur senapaatiyo, aur galeel ke bade logon ke liye jevanar kee. aur usee herodiyas kee bettee bheetar ai, aur nachakar herodes ko aur usake sath baaittnevalon ko prasann kiya tab raja ne lad-kee se kaha, too jo chahe mujh se mang maain tuijhe doonga. aur us ne shapath khai, ki maain apane adho rajy tak jo kuchh too mujh se mangee maain tuijhe doonga. us ne bahar jakar apanee mata se poochha, ki maain kya mangoon? vah bolee yooahanna baptisma denevala ka sira. vah turant raja ke pas bheetar ai, aur

us se binatee kee maain chahatee hoo, ki too abhee yooahanna bapaatisma denevale ka sir aek thal men mujhe mangava de. tab raja bahut udas hua, parantu apanee shapath ke karan aur sath baaitnevalon ke karan use ttalana n chaha. aur raja ne turant aek sipa-
hee ko agyaa dekar bheja, ki usaka sir katt laae. us ne jelakhane men jakar usaka sir katta, aur ek thal men rakhkar laya aur ladkee ko diya, aur ladkee ne apanee man ko diya. yah sunakar usake chele aa, aur us kee loth ko uttakar kabra men rakha. praeriton ne yeeshu ke pas ikatthe hokar, jo kuchh unhon ne kiya, aur sikhaya tha, sab us ko bata diya. us ne un se kaha tum ap alag kisee jangalee sthan men akar thoda vishraam karo kyonki bahut log ate jate the, aur unhen khane ka avasr bhee naheen milata tha. isaliye ve nav par chaddhkar, sunasan jagah men alag chale gaae. aur bahuton ne unhen jate dekhkar pachian liya, aur sab nagaron se ikatthe hokar vahan paaidal daude aur un se paahile ja pahunche. us ne nikalakar badee bheed dekhee, aur un par taras khaya, kyonaki ve un bhedon ke saman the, jin ka koi rakhvala n ho aur vah unhen bahut see baten sikhane laga. jab din bahut ddhl gaya, to usake chele usake pas akar kahane lage yah sunasan jagah haai, aur din bahut ddhl gaya haai. unhen vida kar, ki charon or ke ganvon aur baastaiyon men jakar, apane liye kuchh khane ko mol len. us ne unhen uttr diya ki tum hee unhen khane ko do : un-ahon ne us se kaha kya ham sau deenar kee rottiyaan mol le, aur unhen khailaen? us ne un se kaha jakar dekho tumhare pas kitanee rottiyaan hai? un-
hon ne maloom karake kaha panch aur do machhlee bhee. tab us ne unhen agyaa dee, ki sab ko haree ghaas par panati panati se baaitta do. ve sau sau aur pachas pachas karake panti panati baaitt gaae. aur us ne un panch rottiyaan ko aur do machhliyon ko liya, aur svarga kee or dekhkar dhanyavad kiya aur rottiyaan tod tod kar chelon ko deta gaya, ki ve logon ko parose, aur ve do machhaliyan bhee un sab men bantnt deen. aur sab khakar trapt ho gaae. aur unhon ne ttukadon se barah ttokaariyan bhr kar uttai, aur kuchh machh-
liyon se bhee. jinhon ne rottiyaan khai, ve panch ha-jar puroosh the.. tab us ne turant apane chelon ko barabas nav par chaddhaya, ki ve us se pahile us par baaitasaaida ko chale jana. jab tak ki vah logon ko vida kare. aur unhen vida karake pahad par praarthna karane ko gaya. aur jab sanjh hui, to nav jheel ke beech men thee, aur vah akela boomi par tha. aur jab us ne dekha, ki ve khete khete ghabara gaae haai, kyonki hava un ke virooddh the, to rat ke chauthe pahar ke nikatt vah jheel par chalate huae un ke pas aya aur un se age nikal jana chahata tha. parantu unhon ne use jheel par chalate dekhkar samajha, ki boot haai, aur chilla utte, kyonaki sab use dekhkar ghabara gaae the. par us ne turant un se baten keen aur kaha ddhad-dhs bandhaen : maain hoon dro mata. tab vah un ke pas nav par aya, aur hava thm gai: ve bahut hee ashcharya karane lage. kyonaki ve un rottiyaen ke vishay men ne samajhe the parantu un ke man kat-tor ho gaae the.. aur ve par utarakar gannesarat men pahunche, aur nav ghaa par lagai. aur jab ve nav par se utare, to log turant us ko pahachan kara. asapas ke sare desh men dode, aur beemaron ko khantton par dalakar, jahan jahan samachar paya ki vah haai, va-

han vahan liae fire. aur jahan kaheen vah ganvo, na-garo, ya bastaiyon men jata tha, to log beemaron ko bajaron men rakhkar us se binatee karate the, ki vah unhen apane vasr ke anchal hee ho choo lene de: aur jitane use choote the, sab change ho jate the..

tab fareesee aur kai aek shaasree jo yarooshalem se aae the, usake pas ikatthe huae. aur unhon ne us-ake kai chelon ko ashuuddh arthata bina hath dhaeae rottee khate dekha. kyonaki fareesee aur sab ya-hooddee, puraniyon ke reeti par chalate haain aur jab tak bhlee bhanati hath naheen dhae lete tab tak naheen khate. aur bajar se akar, jab tak san na-heen kar lete, tab tak naheen khate aur bahut see aur baten haai, jo un ke pas manane ke liye pahun-chai gai haai, jaaise kattoro, aur lotto, aur tanbe ke baratano ko dhaena-manajana. isaliye un fareesiyaon aur shaastriyaon ne us se poochha, ki tere chele kyon puraniyon ke reeton par naheen chalate, aur bina hath dhaeae rottee khate haain? us ne un se kaha ki yashaayah ne tum kapattyaien ke vishay men bahut tteek bhvishyadvanee kee jaaisa likha haai ki ye log hotton se to mera adar karate haai, par un ka man mujh se door rahata haai. aur ye vyarth meree up-asana karate haai, kyonki manushyon kee agyaon ko dhamornpadesh karake sikhate haain. kyonaki tum parameshvar kee agyaa ko ttalakar manushyon kee reetiyon ko manate ho. aur us ne un se kaha tum apa-nee reetiyon ko manane ke liye parameshvar agyaa kaaisee achchhee tarah ttal dete ho! kyonaki moosa ne kaha haai ki apane pita aur apanee mata ka adar kara or jo koi pita va mata ko bura kahe, vah avashy mar dala jaae. parantu tum kahate ho ki yadi koi apane pita va mata se kahe, ki jo kuchh tuihe mujh se labh pahunch sakata tha, vah kuraban arthata sankalp ho chuka. to tum us ko usake pita va us kee mata kee kuchh seva karane naheen dete. is prakr tum apanee reetiyon se, jinhen tum ne ttarayaa haai, parameshvar ka vachan ttal dete ho aur aeese aeese bahut se kam karate ho. aur us ne logon ko apane pas bulakar un se kaha, tum sab meree suno, aur samajho. aeese to koi vastu naheen jo manushy ko bahar se samakar ashu-uddh kar parantu jo vastuaen manushy ke bheetar se nikalatee haai, ve hee use ashuuddh karatee haain. yaadi kisee ke sunane ke kan hon to sun le. jab vah bheed ke pas se ghar men gaya, to usake chelon ne is drashttant ke vishay men us se poochha. us ne un se kaha kya tum bhee aeese na samajh ho? kya tum naheen samajhte, ki jo vastu bahar se manushy ke bheetar jatee haai, vah use ashuuddh naheen kar sakate? kyonaki vah usake man men nahee, parantu pett men jatee haai, aur sandas men nikal jatee haai? yah kahakar us ne sab bhojan vastuon ko shuuddh ttarayaa. fir us ne kaha jo manushy men se nikalata haai, vahee manushy ko ashuuddh karata haai. ky-onenki bheetar se arthata manushy me man se, bu-ree buree chinta vyaabhaichara. choree, hatya, paras-reegaman, chhl, dushthta, chhl, luchapan, kudraashti, ninda, abhaiman, aur moorkhta nikalatee haain. ye sab buree baten bheetar hee se nikalatee haain aur manushy ko ashuuddh karatee haain.. fir vah vahan

se uttkar soor aur saaida ke deshaen men aya aur aek ghar men gaya, aur chahata tha, ki koi n jane parantu vah chhpaai n saka. aur turant aek sree jis ke chhottee bettee men ashuuddh atma thee, us kee charcha sun kar ai, aur usake panvon par giree. yah yoonanee aur sooroffineekee jati kee thee aur us ne us se binatee kee, ki merree bettee men se dushtatma nikal de. us ne us se kaha, pahile ladkon ko trapt hone de, kyon-aki ladkon ko rottee lekar kuton ke age dalana uचित naheen haai. us ne us ko uttr diya ki sach haai prabhu taubhee kutte bhee to mej ke neeche balakon kee rottee ka choor char kha lete haain. us ne us sake kaha is bat ke karan chalee ja dushtatma teree bettee men se nikal gai haai. aur us ne apane ghar aakr dekha ki ladkee khatt par padee haai, aur dushtatma nikal gai haai.. fir vah soor aur saaida ke deshaen se nikalakar dikapulis desh se hota hua galeel kee jheel par pahuncha. aur logon ne aek bahire ko jo hakala bhee tha, usake pas lakar us se binatee kee, ki apana hath us par rakhe. tab vah us ko bheed se alag le gaya, aur apanee ungaliyan usake kanon men dalee, aur took kar us kee jeebh ko chooa. aur svarga kee or dekhkar ah bhree, aur us se kaha ipfatth, arthata khul ja. aur usake kan khul gaa, aur us kee jeebh kee gantt bhee khul gai, aur vah safa safa bolane laga. tab us ne unhen chitaya ki kisee se n kahana parantu jitana us ne unhen chitaya utana hee ve aur prachar karane lage. aur ve bahut hee ashcharya men hokar kahane lage, us ne jo kuchh kiya sab achchha kiya haai vah bahiron ko sunane, kee, aur goongon ko bolane kee shaktai deta haai..

8

un dinon me, jab fir badee bheed ikatthee hui, aur un ke pas kuchh khane ko n tha, to us ne apane chelon ko pas bulakar un se kaha. mujhe is bheed par taras ata haai, kyonki yah teen din se barabar mere sath haai, aur un ke pas kuchh bhee khane ko naheen. yaadi maain unhen bookha ghar bhej doo, to marga men thk kar rah jaenge kyoki in men se koi koi door se aae haain. usake chelon ne us ko uttr diya, ki yahan jungle men itanee rottee koi kahan se laae ki ye trapt hon? us ne un se poochha tumhare pas kitanee rottiyaan haain? unhon ne kaha, sata. tab us ne logon ko boomi par baaitne kee agyaa dee, aur ve sat rottiyaan lee, aur dhanyavad karake todee, aur apane chelon ko deta gaya ki un ke age rakhe, aur unhon ne logon ke age paros diya un ke pas thodee see chhottee machhaliyon bhee theen aur usane dhanyavad karake unhen bhee logon ke age rakhne kee agyaa dee. so ve khakar trapt ho gae aur shosh ttrakadon ke sat ttokare bhrakar uttaa. aur log char hajar ke lagabhg the aur us ne un ko vida kiya. aur vah turant apane chelon ke sath nav par chaddhkar dala-manoota desh ko chala gaya.. fir fareese nikalakar us se vada-avivad karane lage, aur use janchane ke liye us se koi svargeey chihh manga. us ne apanee atma men ah mar kar kaha, is samay ke log kyon chihh ddoondhte haain? maain tum se sach kahata hoo, ki is samay ke logon ko koi chihh naheen diya jaega. aur vah unhen chhodkar fir nav par chaddh gaya aur par chala gaya.. aur ve rottee lena bool gae the, aur

nav men un ke pas aek hee rottee thee. aur us ne unhen chitaya, ki dekho, fareesiyan ke khmeer aur herodes ke khmeer se chaukase raho. ve apas men vichar karake kahane lage, ki hamare pas to rottee naheen haai. yah janakar yeeshu ne un se kaha tum kyon apas men vichar kar rahe ho ki hamare pas rottee naheen? kya ab tak naheen janate aur naheen samajhte? kya tumhara man kattor ho gaya haai? kya ankhe rakhte huae bhee naheen dekhte, aur kan rakhte huae bhee naheen sunate? aur tumhen smaran naheen. ki jab maain ne panch hajar ke liye panch rottee todee theen to tum ne ttukadon kee kitane ttokaariyan bhrakar uttain? unhon ne us se kaha, sat ttokare. us ne un se kaha, sat ttokare. us ne un se kaha, kya tum ab tak naheen samajhte? aur ve baaitasaaida men aae aur log aek andho ko usake pas le aae aur us se binatee kee, ki us ko chooe. vah us andho ka hath pakadkar use ganv ke bahar le gaya, aur us kee ankhen men tookakar us par hath rakhe, aur us se poochha kya too kuchh dekhta haai? us ne ankh utta kar kaha maain manushyon ko dekhta hoon kyonki ve mujhe chalte huae dikhai dete haai, jaise ped. tab us ne fir dobara us kee ankhen par hath rakhe, aur us ne dhyan se dekha, aur changa ho gaya, aur sab kuchh safa safa dekhne laga. aur us ne us se yah kahakar ghar bheja, ki is ganv ke bheetar panv bhee n rakha.. yeeshu aur usake chele kaaisaariya filippe ke gavon men chale gae: aur marga men us ne apane chelon se poochha ki log mujhe kya kahate haain? unhon ne uttr diya, ki yooahanna baptisma denevala par koi koi ealiyyaha aur koi koi bhavishyadvakta men se ek bhee kahate haain. us ne un se poochha parantu tum mujhe kya kahate ho? pataras ne us ko uttr diya too maseeh haai. tab us ne unhen chitakar kaha, ki mere vishay men yah kisee se n kahana. aur vah unhen sikhane laga, ki manushy ke putra ke liye avashy haai, ki vah bahut dukh uttaa, aur puraniae aur mahayajak aur shaasree use tuchchh samajhkar mar dalen aur vah teen din ke bad jee utte. us ne yah bat un se safa safa kah dee: is par pataras use alag le jakar jhdikane laga. parantu us ne firakar, aur apane chelon kee or dekhkar pataras ko jhdikar kar kaha ki he shautan, mere samhane se door ho kyonaki too parameshvar kee baton par nahee, parantu manushy kee baton par man lagata haai. us ne bheed ko apane chelon samet pas bulakar un se kaha, jo koi mere peechhe ana chahe, vah apane ape se inkar kare aur apana kroos uttkar, mere peechhe ho le. kyonaki jo koi apana praan bachana chahe vah use khoega, par jo koi mere aur susamachar ke liye apana praan khoega, vah use bachaega. yaadi manushy sare jagat ko praapt kare aur apane praan kee hani uttaa, to use kya labh hoga? aur manushy apane praan ke badale kya dega? jo koi is vyaabhaicharee aur papee jaati ke beech mujh se aur merree baton se lajaega, manushy ka putra bhee jab vah paavitra dooton ke sath apane pita kee maahima saahit aega, tab us se bhee lajaega.

aur us ne un se kaha maain tum se sach kahata hoo, ki jo yahan khde haai, un men se koi aeese haai, ki jab tak parameshvar ke rajy ko samarth saahit ata hua n

dekhl le, tab tak mratyu ka svad kadapi n chakhenge.. chh: din ke bad yeeshu ne pataras aur yakoob aur yoohanna ko sath liya, aur aekant men kisee unche pahad par le gaya aur un ke samhane usaka roop badal gaya. aur usaka vasr aeesa chamakane laga aur yahan tak ati ujjaal hua, ki prathvee par koi dhaabee bhee vaaisa ujjaal naheen kar sakata. aur unhen moosa ke sath aeliyyah dikhai diya aur ve yeeshu ke sath baten karate the. is par pataras ne yeeshu se kaha he rabbee, hamara yahan rahana achchha haai: isaliye ham teen mandp banaaen aek tere liye, aek moosa ke liye, aur aek aeliyyah ke liye. kyonaki vah n janata tha, ki kya uttr de isaaliye ki ve bahut dr gaee the. tab aek badal ne unhen chha liya, aur us badal men se yah shabd nikala, ki yah mera pury putra haai us kee suno. tab unhon ne aekaaek charon aur draashti kee, aur yeeshu ko chhod apane sath aur kisee ko n dekha.. pahad se utarate liya, us ne unhen agyaa de, ki jab tak manushy ka putra mare huon men se jee n utte, tab tak jo kuchh tum ne dekha haai vah kisee se n kahana. unhon ne is bat ko smaran rakha aur apas men vada-avivad karane lage, ki mare huon men se jee uttne ka kya arth haai? aur unhon ne us se poochha, shaasree kyon kahate haai, ki aeliyyah ka pahile ana avashy haai? us ne unhen uttr diya ki eliyah sachamuch pahile akar sab kuchh sudhaarega, parantu manushy ke putra ke vishay men yah kyon likha haai, ki vah bahut dukh uttaega, aur tuchchh gina jaega? parantu maain tum se kahata hoo, ki aeliyyah to a chuka, aur jaaisa usake vishay men likha haai, unhon ne jo kuchh chaha usake sath kiya.. aur jab vah chelon ke pas aya, to dekha ki un ke charon aur badee bheed lagee haai aur shaasree un ke sath vivad kar rahen haain. aur use dekhthe hee sab bahut hee ashcharya karane lage, aur us kee or daudkar use namaskar kiya. us ne un se poochha tum in se kya vivad kar rahe ho? bheed men se aek ne use uttr diya, ki he guro, maain apane putra ko, jis men goongee atma samai haai, tere pas laya tha. jahan kaheen vah use pakadtee haai, vaheen pattkar detee haai: aur vah munh men faen bhr lata, aur dant peesata, aur sookhta jata haai: aur maain ne chelon se kaha i ki ve use nikal den parantu vah nikal n sake. yah sunakar us ne un se uttr deke kaha: ki he avishvasee logo, maain kab tak tumhare sath ra-hoonga? aur kab tak tumharee sahoonga? use mere pas lao. tab ve use usake pas le aae: aur jab us ne use dekha, to us atma ne turant use maroda aur vah boomi par gira, aur munh se faen bahate huae lottne laga. us ne usake pita se poochha is kee yah dasha kab se haai? us ne kaha, bachapan se : us ne ise nash karane ke liye kabhee ag aur kabhee panee men giraya parantu yaadi too kuchh kar sake, to ham par taras khakar hamara upakar kara. yeeshu ne us se kaha yaadi too kar sakata haai yah kya bata haai? vishvas karanevale ke liye sab kuchh ho sakata haai. balak ke pita ne turant gidgidakar kaha he prabhu, maain vishvas karata hoo, mere aavishvas ka upay kara. jab yeeshu ne dekha, ki log daudkar bheed laga rahe haai, to us ne ashuuddh atm ko yah kahakar dantta, ki he goongee aur baahiree atma, maain tujhe agyaa deta hoo, us men se nikal a, aur us men fir kabhee pravesh n kara. tab vah chillakar, aur use bahut marod kar, nikal ai aur balak mara hua sa ho gaya, yahan tak

ki bahut lage kahane lage, ki vah mar gaya. parantu yeeshu ne usaka hath pakad ke use uttaya, aur vah khda ho gaya. jab vah ghar men aya, to usake chelon ne aekant men us se poochha, ham use kya n nikal sake? us ne un se kaha, ki yah jati bina praarthna kisee aur upay se nikal naheen sakatee.. fir ve vahan se chale, aur galeel men hokar ja rahe the, aur vah apane chelon ko upadesh deta aur un se kahata tha, ki manushy ka putra manushyon ke hath men pakad-vaya jaega, aur ve use mar dalenge, aur vah marane ke teen din bad jee uttega. par yah bat un kee samajh men naheen ai, aur ve us se poochhne se drate the.. fir ve kafaranahoom men aae aur ghar men akar us ne un se poochha ki raste men tum kis bat par vivad karate the? ve chup rahe, kyonki marga men unhon ne apas men yah vada-vivad kiya tha, ki ham men se bada kaun haai? ve chup rahe, kyonki marga men unhon ne apas men yah vada-vivad kiya tha, ki ham men se bada kaun haai? tab us ne baaitkar barahon ko bulaya, aur un se kaha, yaadi koi bada hona chahe, to sab se chhotta aur sab ka sevak bane. aur us ne aek balak ko lekar un ke beech men khda kiya, aur usake god men lekar un se kaha. jo koi meere nam se aeese balakon men se kisee aek ko bhee grahan karata haai, vah mujhe grahan karata haai, aur jo koi mujhe grahan karata, vah mujhe nahee, bharan mere bhe-janevale ko grahan karata haai.. tab yoohanna ne us se kaha, he guroo ham ne aek manushy ko tere nam se dushtatmaon ko nikalate dekha aur ham use mana karane lage, kyonaki vah hamare peechhe naheen ho leta tha. yeeshu ne kaha, us ko mat mana karo kyonaki aeese koi naheen jo mere nam se samarth ka kam kare, aur jaldee se mujhe bura kah sake. kyonaki jo hamare virodh men nahee, vah hamaree or haai. jo koi aek kattora panee tumhen isaliye pilaae ki tum maseeh ke ho to maain tum se sach kahata hoon ki vah apana pratifal kisee reeati se n khaeega. par jo koi in chhotton men se jo mujh par vishvas karate haai, kisee ko ttokar khailaae to usake liye bhla yah he ki aek badee chakkee ka patt usake gale men lattkaya jaae aur vah samudra men dal diya jaae. yaadi tera hath tujhe ttokar khailaae to use katt dal. langada hokar jeevan men pravesh karana, tere liye is se bhla haai ki do hath rahate huae narak ke beech us ag men dala jaae jo kabhee bujhne kee naheen. aur yaadi tera panv tujhe ttokar khailaae to use katt dal. langada hokar jeevan men pravesh karana tere liye is se bhla haai, ki do panv rahate huae narak men dala jaae. aur yaadi teree ankh tujhe ttokar khailaae to use nikal dal, kana hokar parameshvar ke rajy men pravesh karana tere liye is se bhla haai, ki do ankh rahate huae too narak men dala jaae. jahan un ka keeda naheen marata aur ag naheen bujhtee. kyonaki har aek jan ag se nama-keen kiya jaega. namak achchha haai, par yaadi namak kee namakeenee jatee rahe, to use kis se svaadit karoge? apane men namak rakho, aur apas men mel milap se raho..

fir vah vahan se uttkar yahoodiya ke sivanon men aur yaradan ke par aya, aur bheed usake pas fir ikatthee ho gai, aur vah apanee reeati ke anasar unhen fir

upadesh dene laga. tab fareesiyon ne usake pas akar us kee pareeksha karane ko us se poochha, kya yah uchit haai, ki puroosh apanee patnee ko tyage? us ne un ko uttr diya, ki moosa ne tumhen kya agyaa dee haai? unhon ne kaha, moosa ne tyag patra likhne aur tyagane kee agyaa dee haai. yeesu ne un se kaha, ki tumhare man kee kattorata ke karan us ne tumhare liye yah agyaa likhee. par sraashtti ke arambh se parameshvar ne nar aur naree karake un ko banaya haai. is karan manushy apane mata-pita se alag hokar apanee patnee ke sath rahega, aur ve donon aek tan honge. isaliye ve ab do naheen par aek tan haain. isaliye jise parameshvar ne joda haai use manushy alag n kare. aur ghar men chelon ne is ke vishay men us se fir poochha. us ne un se kaha, jo koi apanee patnee ko tyagakar doosaree se byah kare to vah us paahilee ke virodh men vyaabhaichar karata haai. aur yaadi patnee apane pati ko chhodkar doosare se byah kare, to vah vyaabhaichar karata haai. fir log balakon ko usake pas lane lage, ki vah un par hath rakhe, par chelon ne unako dantta. yeesu ne yah dekh krudha hokar un se kaha, balakon ko mere pas ane do aur unhen mana n karo, kyonki parameshvar ka rajy aeeson hee ka haai. maain tum se sach kahata hoo, ki jo koi parameshvar ke rajy ko balak kee nai grahan n kare, vah us men kabhee pravesh karane n paega. aur us ne unhen god men liya, aur un par hath rakhkar unhen ashaesh dee.. aur jab vah nikalakar marga men jata tha, to aek manushy usake pas daudta hua aya, aur usake age ghauttne ttekakar us se poochha? he uttm guro, anant jeevan ka adhaikaree hone ke liye maain kyan karoon? yeesu ne us se kaha, too mujhe uttm kyon kahata haai? koi uttm nahee, keval aek arthata parameshvara. too agyaaon ko to janata haai hatya n karana, vyabhaichar n karana, choree n karana, jootee gavahee n dena, chhl n karana, apane pita aur apanee mata ka adar karana. us ne us se kaha, he guro, in sab ko maain ladkapan se manata aya hoon. yeesu ne us par drashtti karake us se praem kiya, aur us se kaha, tujh men aek bat kee ghattee haai ja, jo kuchh tera haai, use bech kar kangalon ko de, aur tujhe svarga men dhan milega, aur akar mere peechhe ho le. is bat se usake chihare par udasee chha gai, aur vah shaek karata hua chala gaya, kyonaki vah bahut dhaneet tha. yeesu ne charon or dekhkar apane chelon se kaha, dhanavanon ko parameshvarake rajy men pravesh karana kaaisa kaattnai haai! yeesu ne charon aur dekhkar apane chelon se kaha, dhanavanon ko parameshvar ke rajy men pravesh karana kaaisa kaattnai haai! chele us kee baton se achambhiat hua, is par yeesu ne fir un ko uttr diya, he balako, jo dhan par bhrosa rakhte haai, un ke liye parameshvar ke rajy men pravesh karana kaaisa kaattnai haai! ve bahut hee chakit hokar apas men kahane lage to fir kis ka uddhar ho sakata haai. yeesu ne un kee or dekhkar kaha, manushyon se to yah naheen ho sakata, parantu parameshvar se ho sakata haai kyonaki parameshvar se sab kuchh ho sakata haai. pataras us se kahane laga, ki dek, ham to sab kuchh chhodkar tere peechhe ho liye haain. yeesu ne kaha, maain tum se sach kahata hoo, ki aeesa koi nahee, jis ne mere aur susamachar ke liye ghar ya bhaiyon ya baahinon

ya mata ya pita ya ladke-balon ya kheton ko chhod diya ho. aur ab is samay sau guna n paa, gharon aur bhaiyon aur baahinon aur mataon aur ladke-balon aur kheton ko par upadrav ke sath aur paralok men anant jeevana. par bahutere jo pahile haai, pichhle honge aur jo pichhle haai, ve pahile honge. aur ve yarooshalem ko jate huae marga men the, aur yeesu un ke age age ja raha tha: aur ve achambha karane lage aur jo usake peechhe peechhe chalate the drane lage, tab vah fir un barahon ko lekar un se ve baten kahane laga, jo us par anevalee theen. ki dekho, ham yarooshalem ko jate haai, aur manushy ka putra mahayajakon aur shaastriayon ke hath pakadvaya jaaega, aur ve us ko ghaat ke yogy ttharaenge, aur anyajatiyon ke hath men saunpenge. aur ve us ko tttthon men udaaenge, aur us par tookenge, aur use kode mareng, aur use ghaat kareng, aur teen din ke bad vah jee uttega.. tab jabadee ke putra yakoob aur yoohanna ne usake pas akar kaha, he guro, ham chahate haai, ki jo kuchh ham tujh se mange, vahee too hamare liye kare. us ne un se kaha, tum kya chahate ho ki maain tumhare liye karoon? unhon ne us se kaha, ki hamen yah de, ki teree maahima men ham men se ek tere dahine aur doosara tere banae baaitte. yeesu n un se kaha, tum naheen janate, ki kya mangate ho? jo kattora maain peene par hoo, kya pee sakate ho? aur jo bapatisma maain lene par hoo, kya le sakate ho? unhon ne us se kaha, ham se ho sakata haai: yeesu ne un se kaha: jo kattora maain peene par hoo, tum peeonge aur jo bapatisma maain lene par hoo, use loge. par jin ke liye taaiyar kiya gaya haai, unhen chhod aur kisee ko apane daahine aur apane baaen bittana mera kam naheen. yah sunakar dason yakoob aur yoohanna par risiyane lage. aur yeesu ne un ko pas bula kar un se kaha, tum janate ho, ki jo anyajatiyon ke haakim samajhe jate haai, ve un par prabhuta karate haain aur un men jo baden haai, un par adhaikar jatate haain. par tum men aesa naheen haai, baran jo koi tum men bada hona chahe vah tumhara sevak bane. aur jo koi tum men pradhaan hona chahe, vah sab ka das bane. kyonaki manushy ka putra isaliye naheen aya, ki us kee seva ahal kee jaa, par isaaliye aya, ki ap seva tthal kare, aur bahunton kee chhudautee ke liye apana praan de.. aur ve yareeho men aa, aur jab vah aur usake chele, aur aek badee bheed yareeho se nikalatee thee, to timai ka putra baratimai aek andha bhaikharee sadk ke kinare baaitta tha. vah yah sunakar ki yeesu nasaree haai, pukar pukar kar kahane laga ki he daud kee santan, yeesu mujh par daya kara. bahunton ne use dantta ki chup rahe, par vah aur bhee pukarane laga, ki he daud kee santan, mujh par daya kara. tab yeesu ne ttharakar kaha, use bulao aur logon ne us andho ko bulakar us se kaha, ddhaddh bandha, ut, vah tuijhe bulata haai. vah apana kapada faenkakar shaeeegha utta, aur yeesu ke pas aya. is par yeesu ne us se kaha too kya chahata haai ki maain tere liye karoon? andho ne us se kaha, he rabbee, yah ki maain dekhne laagoon. yeesu ne us se kaha chala ja, tere vishvas ne tuijhe changa kar diya haai: aur vah turant dekhne laga, aur marga men usake peechhe ho liya..

jab ve yarooshalem ke nikatt jaaitoon pahad par baaitafage aur baaitaniyyah ke pas aa, to us ne apane chelon men se do ko yah kahakar bheja. ki apane samhane ke ganv men jao, aur us men panhuchate hee aek gadahee ka bachcha jis par kabhee koi naheen chaddha, bandhaahua tumhen milega, use khol lao. yaadi tum se koi poochhe, yah kyon karate ho? to kahana, ki prabhu ko is ka prayojan haai aur vah shaeegeha use yahan bhej dega. unhon ne jakar us bachche ko bahar dar ke pas chauk men bandha hua paya, aur kholate lage. aur un men se jo vahan khde the, koi koi kahane lage ki yah kya karate ho, gadahee ke bachche ko kyon khelate ho? unhon ne jaaisa yeeshu ne kaha tha, vaaisa hee un se kah diya tab unhon ne unhen jane diya. aur unhon ne bachche ko yeeshu ke pas lakar us par apane kapade dale aur vah us par baait gaya. aur bahuton ne apane kapade marga men bichhaae aur auron ne kheton men se daaliyan katt katt kar faaila deen. aur jo usake age age jate aur peechhe peechhe chale ate the, pukar pukar kar kahate jate the, ki hoshaana dhany haai vah jo prabhu ke nam se ata haai. hamare pita daud ka rajy jo a raha haai dhany haai: akash men hoshaana.. aur vah yarooshalem pahunchakar mandair men aya, aur charon or sab vastuon ko dekhkar barahon ke sath baaitaniyyah gaya kyonaki sanjh ho gai thee.. doosare din jab ve baaitaniyyah se nikale to us ko bookh lagee. aur vah door se anjeer ka aek hara ped dekhkar nikatt gaya, ki kya jane us men kuchh paae: par paton ko chhod kuchh n paya kyonki fal ka samay n tha. is par us ne us se kaha ab se koi tera fal kabhee n khaae. aur usake chele sun rahe the. fir ve yarooshalem men aa, aur vah mandair men gaya aur vahan jo lena-dena kar rahe the unhen bahar nikalane laga, aur sarrafaon ke peedhe aur ka-bootar ke bechanevalon kee chauakiyan ulatt deen. aur maandair men se hokar kisee ko baratan lekar ane jane n diya. aur upadesh karake un se kaha, kya yah naheen likha haai, ki mera ghar sab jaatiyon ke liye praarthna ka ghar kahalaagea? par tum ne ise dakuon kee khoh bana dee haai. yah sunakar mahayajak aur shaasree usake nash karane ka avasar ddoondhne lage kyonki us se drate the, isaliye ki sab log usake upadesh se chaakit hote the.. aur praati din sanjh hote hee vah nagar se bahar jaya karata tha. fir bhor ko jab ve udhar se jate the to unhon ne us anjeer ke ped ko jad tak sookha hua dekha. pataras ko vah bat smaran ai, aur us ne us se kaha, he rabbee, dek, yah anjeer ka ped jise too ne srap diya tha sookh gaya haai. yeeshu ne us ko uttr diya, ki parameshvar par vishvas rakho. maain tum se sach kahata hoon ki jo kis is pahad se kahe ki too ukhd ja, aur samudra men ja pad, aur apane man men sandeh n kare, varan prateeti kare, ki jo kahata hoon vah ho jaaega, to usake liye vahee hoga. isaliye maain tum se kahata hoo, ki jo kuchh tum praarthna karake mangon to prateeti kar lo ki tumhen mil gaya, aur tumhare liye ho jaaega. aur jab kabhee tum khde huae praarthna karate ho, to yadi tumhare man men kisee kee aur se kuchh virodha, ho to kshama karo: isaaliye ki tumhara svargeey pita bhee tumhare aparadha kshama kare.. aur yaadi tum

kshama n karo to tumhara pita bhee jo svarga men haai, tumhara aparadha kshama n karega. ve fir yarooshalem men aa, aur jab vah mandair men tthal raha tha to mahayajak aur shaasree aur puraniae usake pas akar poochhne lage. ki too ye kam kis adhaikar se karata haai? aur yah adhaikar tuihe kis ne diya haai ki too ye kam kare? yeeshu ne us se kaha: maain bhee tum se aek bat poochhta hoon mujhe uttr do: to maain tumhen bataunga ki ye kam kis adhaikar se karata hoon. yoohanna ka bapaatisma kya svarga kee or se tha va manushyon kee or se tha? mujhe uttr do. tab ve apas men vivad karane lage ki yadi ham kahe, svarga kee or se, to vah kahega fir tum ne us kee prateeti kyon naheen kee? aur yaadi ham kahe, manushyon kee or se to logon ka dr haai, kyonaki sab janate haain ki yoohanna sachamuch bhavishyadvkta haai. so unhon ne yeeshu ko uttr diya, ki ham naheen janate: yeeshu ne un se kaha, maain bhee tum ko naheen batata, ki ye kam kis adhaikar se karata hoon..

fir vah drashttant men un se baten karane laga: ki kisee manushy ne dakh kee baree lagai, aur usake charon or bada bandha, aur ras ka kund khoda, aur gummatt banaya aur kisanon ko usaka tteeka dekar paradesh chala gaya. fir fal ke mausam men us ne kisanon ke pas aek das ko bheja ki kisan se dakh kee baree ke falon ka bhag le. par unhon ne use pakadkar peetta aur choochhe hath lautta diya. fir us ne aek aur das ko un ke pas bheja aur unhon ne usaka sir faod dala aur usaka apaman kiya. fir us ne aek aur ko bheja, aur unhon ne use mar dala: tab us ne aur bahuton ko bheja: un men se unhon ne kitano ko peetta, aur kitanon ko mar dala. ab aek hee rah gaya tha, jo usaka piry putra tha ant men us ne use bhee un ke pas yah sochakar bheja ki ve mere putra ka adar karege. par un kisanon ne apas men kaha yahee to vaaris haai ao, ham use mar dale, tab meeras hamaree ho jaaegee. aur unhon ne use pakadkar mar dala, aur dakh kee baree ke bahar faenk diya. isaliye dakh kee baree ka svamee kya karega? vah akar un kisanon ko nash karega, aur dakh kee baree auron ko de dega. kya tum ne pavitra shaasr men yah vachan naheen paddha, ki jis patthar ko rajaamisyron ne nikamma ttharaya tha, vahee kone ka sira ho gaya? yah prabhu kee or se hua, aur hamaree duashti me adabtht haai. tab unhon ne use pakadna chaha kyonki samajh gae the, ki us ne hamare virodha men yah drashttant kaha haai: par ve logon se dre aur use chhod kar chale gae.. tab unhon ne use baton men fansane ke liye kai aek fereesiyaon aur herodiyon ko usake pas bheja. aur unhon ne akar us se kaha he guro, ham janate haai, ki too sachcha haai, aur kisee kee parava naheen karata kyonki too manushyon ka munh dekh kar baten naheen karata, parantu parameshvar ka marga sachchaa se batata haai. to kya kaaisa ko kar dena uchit haai, ki naheen? ham de, ya n den? us ne un ka kapatt janakar un se kaha mujhe kyon prarkhte ho? aek deenar mere pas lao, ki maain dekon. ve le aa, aur us ne un se kaha yah moorti aur nam kis ka haai? unhon ne kaha, kaaisar ka. yeeshu ne un se kaha jo kaaisar ka haai vah kaaisar ko, aur jo parameshvar ka haai parameshvar

ko do: tab ve us par bahut achambha karane lage.. fir sadookiyon ne bhee, jo kahate haain ki mare huon ka jee uttna haai hee nahee, usake pas akar use poochha. ki he guro, moosa ne hamare liye likha haai, ki yadi kisee ka bhai bina santan mar jaa, aur us kee patnee rah jaa, to usaka bhai us kee patnee ko byah le aur apane bhai ke liye vansh utpann kare : sat bhai the. paahila bhai byah karake bina santan mar gaya. tab doosare bhai ne us sree ko byah liya aur bina santan mar gaya aur vaaise hee teesare ne bhee. aur saton se santan n hui: sab ke peechhe vah sree bhee mar gai. so jee uttna par vah un men se kis kee patnee hogee? kyonaki vah saton kee patnee ho chukee thee. yeeshu ne un se kaha kya tum is karan se bool men naheen pade ho, ki tum n to paavitra shaasr hee ko janate ho, aur n parameshvar kee samarth ko. kyonaki jab ve mare huon men se jee uttnge, to un men byah shaadee n hogee par svarga men dooton kee nai hongee. mare huon ke jee uttna ke vishay men kya tum ne moosa kee pustak men jhadee kee katha men nahee paddha, ki parameshvar ne us se kaha, maain ibraaheem ka parameshvar, aur isahak ka parameshvar, aur yakoob ka parameshvar hoon? parameshvar mare huon ka nahee, varan jeevaton ka parameshvar haai: so tum badee bool men pade ho.. aur shaastriayon men se aek ne akar unhen vividh karate suna, aur yah janakar ki us ne unhen achchhee reeti se uttr diya us se poochha, sab se mukhy agyaa kaun see haai? yeeshu ne use uttr diya, sab agyaaon men se yah mukhy haai he israel suna prabhu hamara parameshvar aek hee prabhu haai. aur too prabhu apane parameshvar se apane sare man se aur apane sare praan se, aur apanee saree buddh ise, aur apanee saree shaktai se praem rakhna. aur doosaree yah haai, ki too apane padosee se apane saman praem rakhna: is se badee aur koi agyaa naheen. shaasree ne us se kaha he guro, bahut ttheek! too ne sach kaha, ki vah aek hee haai, aur use chooda aur koi naheen. aur us se sare man aur saree buaddh iddh aur sare praan aur saree shaktai ke sath praem rakhna aur padosee se apane saman praem rakhna, sare homon aur balidanon se baddhkar haai. jab yeeshu ne dekha ki us ne samajh se uttr diya, to us se kaha too parameshvar ke rajy se door naheen: aur kisee ko fir us se kuchh poochhne ka sahas n hua.. fir yeeshu ne maandair men upadesh karate huae yah kaha, ki shaasree kyonkar kahate haai, ki maseeh daud ka putra haai? daud ne apahee pavitra atma men hokar kaha haai, ki prabhu ne mere prabhu se kaha mere daahine baait, jab tak ki maain tere baaiariyon ko tere panvon kee peeddhee n kar doon. daud to ap hee use prabhu kahata haai, fir vah usaka putra kahan se thara? aur bheed ke log us kee anand se sunate the.. us ne apane upadesh men un se kaha, shaastriayon se chaukas raho, jo lambe vasr paahine huae firana. aur bajaron men namaskar, aur aradhanalayon men mukhy mukhy asan aur jevanaron men mukhy mukhy sthan bhee chahate haain. ve vidhavaon ke gharon ko kha jate haai, aur dikhane ke liye badee der tak praarthna karate rahate haai, ye adhaik dand paaenge. aur vah maandair ke bhndar ke samhane baaitkar dekh raha tha, ki log mandair ke bhndar men kis prakar paaise dalate haai, aur bahut dhanavanon ne bahut kuchh dala. itane men aek kan-

gal vidhava ne akar do damadiya, jo aek adhole ke barabar hotee haai, dalee. tab us ne apane chelon ko pas bulakar un se kaha maain tum se sach kahata hoo, ki mandair ke bhndar men dalane valon men se is kangal vidhava ne sab se baddhkar dala haai. kyonaki sab ne apane dhan kee baddhtee men se dala haai, parantu is ne apanee ghattee men se jo kuchh usaka tha, arthata apanee saree jeevika dal dee haai.

jab vah maandair se nikal raha tha, to usake chalon men se aek ne us se kaha he guro, dek, kaaise kaaise patthar aur kaaise kaaise bhvan haain! yeeshu ne us se kaha kya tum ye bade bade bhvan dekhte ho: yahan patthar par patthar bhee bacha n rahaga jo ddhaya n jaaega.. jab vah jaaition ke pahad par maandair ke samhane baaita tha, to pataras aur yakoob aur yoohanna aur andairyas ne alag jakar us se poochha. ki hamen bata ki ye baten kab hongee? aur jab ye sab baten pooree hone par hongee us samay ka kya chinh hoga? yeeshu un se kahane laga chaukas raho ki koi tumhen n bhramaae. bahutere mere nam se akar kahenge, ki maain vahee hoon aur bahuton ko bhramaenge. aur jab tum ladaaiya, aur ladaiyon kee charcha suno to n ghabarana: kyonki in ka hona avashy haai parantu us samay ant n hoga. kyonaki jati par jati, aur rajy par rajy chaddhai karega, aur har kaheen booidol hongee, aur akal padenge yah to peedaon ka arambh hee hoga.. parantu tum apane vishay men chaukas raho kyonaki log tumhen mahasabhaon men saunpenge aur tum panchayatyon men peette jaoge aur mere karan haakimon aur rajaon ke age khde kiae jaoge, taki un ke liye gavahee ho. par avashy haai ki pahile susamachar sab jatiyon men prachar kiya jaae. jab ve tumhen le jakar saunpenge, to pahile se chinta n karana, ki ham kya kahenge par jo kuchh tumhen usee ghadee bataya jaa, vahee kahana kyonki bolanevale tum naheen ho, parantu pavitra atma haai. aur bhai ko bhai, aur pita ko putra ghaat ke liye saunpenge, aur ladkebale mata-apita ke virodh men uttkar unhen marava dalenge. aur mere nam ke karan sab log tum se baair karenge par jo ant tak dhaeeraj dhare rahaga, usee ka uddhar hoga.. so jab tum us ujadanevalee gharanait vastu ko jahan utthit naheen vahan khdee dekho, paddhnevala samajh le tab jo yahoodiya men ho, ve pahadon par bhag jaen. so kotte par ho, vah apane ghar se kuchh lene ko neeche n utare aur n bheetar jaae. aur jo khet men ho, vah apana kapada lene ke liye peechhe n lautte. un dinon men jo garbhvatee aur doodha pilatee hongee, un ke liye hay haya! aur praarthna kiya karo ki yah jade men n ho. kyonaki ve din aeese klesh ke hongee, ki srashtti ke arambh se jo parameshvar ne srajee haai ab tak n to hua, aur n kabhee fir hongee. aur yaadi prabhu un dinon ko n ghattata, to koi praanee bhee n bachata parantu un chune huon ke karan jin ko us ne chuna haai, un dinon ko ghattaya. us samay yadi koi tum se kahe dekho, maseeh yahan haai, ya dekho, vahan haai, to prateeti n karana. kyonaki joote maseeh aur joote bhavishyadvakta utt khde hongee, aur chinh aur adabhut kam dikhaenge ki yadi ho sake to chune huon ko bhee bhrama den. par tum chaukas raho:

dekho, maain ne tumhen sab baten pahile hee se kah dee haain. un dinon me, us klesh ke bad sooraj andhora ho jaega, aur chand prakash n dega. aur akash se taragan girane lagenge: aur akash kee shaak-taiyan hilai jaengee. tab log manushy ke putra ko badee samarth aur mahima ke sath badalon men ate dekhenge. us samay vah apane dooton ko bhejakar, prathvee ke is chhor se akash kee us chhor tak charon disha se apane chune huae logon ko ikatthe karega. anjeev ke ped se yah drashtant seekho: jab us kee dalee komal ho jatee aur patte nikalane lagate haain to tum jan lete ho, ki graeeshmakal nikatt haai. isee reeti se jab tum in baton ko hote dekho, to jan lo, ki vah nikatt haai varan dar hee par haai. maain tum se sach kahata hoo, ki jab tak ye sab baten n ho lengee, tab tak yah log jate n rahenge. akash aur prathvee al jaenge, parantu meree baten kabhee n tllengee. us din ya us ghadee ke vishay men koi naheen janata, n svarga ke doot aur n putra parantu keval pita. dekho, jagate aur praarthna karate raho kyonki tum naheen janate ki vah samay kab aaega. yah us manushy kee see dashta haai, jo paradesh jate samay apana ghar chhod jaa, aur apane dason ko adhaikar de: aur har aek ko usaka kam jata de, aur darapal ko jagate rahane kee agyaa de. isaliye jagate raho kyonki tum naheen janate ki ghar ka svamee kab aaega, sanjh ko ya adhaee rat ko, ya murga ke bang dene ke samay ya bhor ko. aeesa n ho ki vah achanak akar tumhen sote paae. aur jo maain tum se kahata hoo, vahee sab se kahata hoo, jagate raho..

do din ke bad fasah aur akhmeeree rottee ka pavrva honevala tha: aur mahayajak aur shaasree is bat kee khoj men the ki use kyonkar chhl se pakad kar mar dalen. parantu kahate the, ki pavrva ke din nahee, kaheen aeesa n ho ki logon me balava mache.. jab vah baaitaaniyyah men shamaun koddhee ke ghar bhojan karane baaitta hua tha jab aek sree sangamaramar ke patra men jattamasee ka bahumooly shuuddh itra lekar ai aur patra tod kar itra ko usake sir par undela. parantu koi koi apane man men risiyakar kahane lage, is itra ko kyon satyanash kiya gaya? kyoki yah itra to tee sau deener se adhaik mooly men bechakar kangalon ko bantta ja sakata tha, or ve us ko jhdikane lage. yeeshu ne kaha use chhod do use kyon satate ho? us ne to mere sath bhlai kee haai. kangal tumhare sath sada rahate haain: aur tum jab chaho tab un se bhlai kar sakate ho par maain tumhare sath sada n rahoonga. jo kuchh vah kar sakee, us ne kiya us ne mere gade jane kee taaiyaree men pahile se meree deh par itra mala haai. maain tum se sach kahata hoo, ki sare jagat men jahan kaheen susamachar prachar kiya jaega, vahan usake is kam kee charcha bhee usake smaran men kee jaaengee.. tab yahooda isakariyotee jo barah men se aek tha, mahayajakon ke pas gaya, ki use un ke hath pakadva de. ve yah sunakar anandait hua, aur us ko roopaye dena sveekar kiya, aur yah avasar ddoondhne laga ki use kisse prakar pakadva de.. akhmeeree rottee ke pavrva ke paahile din, jis men se fasah ka baalidan karate the, usake chelon ne us se poochha, too kahan chahata haai, ki ham

jakar tere liye fasah khane kee taaiyaree kare? us ne apane chelon men se do ko yah kahakar bheja, ki nagar men jao, aur ek manushy jal ka ghada uttaa, huae tumhen milega, usake peechhe ho lena. aur vah jis ghar men jaae us ghar ke svamee se kahana guroo kahata haai, ki meree pahunashaala jis men maain apane chelon ke sath fasah khaun kahan haai? vah tumhen aek sajee sajai, aur taaiyar kee hui badee attaree dikha dega, vahan hamare liye taaiyaree karo. so chele nikalakar nagar men aye aur jaaisa us ne un se kaha tha, vaaisa kee paya, aur fasah taaiyar kiya.. jab sanjh hui, to vah barahon ke sath aya. aur jab ve baaitte bhojan kar rahe the, to yeeshu ne kaha maain tum se sach kahata hoo, ki tum men se aek, jo mere sath bhojan kar raha haai, mujhe pakadvaaega. un par udasee chha gai aur ve ek ek karake us se kahane lage kya vah maain hoon? us ne un se kaha, vah barahon men se ek haai, jo mere sath thalee men hath dalata haai. kyonaki manushy ka putra to, jaaisa usake vishay men likha haai, jata hee haai parantu us manushy par hay jis ke dara manushy ka putra pakadvaya jata haai! yadi us manushy ka janm hie n hotakh to usake liye bhlai hota.. aur jab ve kha hee rahe the to us ne rottee lee, aur ashaeesh mangakar todee, aur unahen dee, aur kaha, lo, yah meree deh haai. fir us ne kattora lekar dhanyavad kiya, aur unhen diya aur un sab ne us men se peeya. aur us ne un se kaha, yah vacha ka mera vah lohoo haai, jo bahuton ke liye bahaya jata haai. maain tum se sach kahata hoo, ki dakh ka ras us din tak fir kabhee n peeun.. fir ve bhjan gakar bahar jaaitoon ke pahad par gaae.. tab yeeshu ne un se kaha tum sab ttokar khaoge, kyonki likha haai, ki maain rakhvale ko maroonga, aur bhed tittr bittr ho jaaengee. parantu maain apane jee uttne ke bad tum se paahile galeel ko jaunga. pataras ne us se kaha yadi aek ttokar khaaen to khana, par maain ttokar naheen khaunga. yeeshu ne us se kaha maain tujh se sach kahata hoo, ki aj hee isee rat ko murge ke do bar bang dene se pahile, too teen bar mujh se mukar jaaega. par us ne aur bhee jor dekar kaha, yaadi mujhe tere sath marana bhee pade taubhee tera inkar kabhee n karoonga: isee prakar aur sab ne bhee kaha.. fir ve gatasamane nam aek jagah men aa, aur us ne apane chelon se kaha, yahan baaitte raho, jab tak maain praarthna karoon. aur vah pataras aur yakoob aur yoohanna ko apane sath le gaya: aur bahut hee adhaeer, aur vyakul hone laga. aur un se kaha mera man bahut udas haai, yahan tak ki maain marane par hoon: tum yahan tharo, aur jagate raho. aur vah thoda age baddha, aur boomi par girakar praarthna karane laga, ki yadi ho sake to yah ghadee mujh par se ttl jaae. aur kaha, he abba, he pita, tujh se sab kuchh ho sakata haai is kattore ko mere pas se hatta le: taubhee jaaaisa maain chahata hoon vaaisa nahee, par jo too chahata haai vahee ho. fir vah aya, aur unhen sote pakar pataras se kaha he shamaun too so raha haai? kya too aek ghadee bhee n jag saka? jagate aur praarthna karate raho ki tum pareeksha men n pado: atma to taaiyar haai, par shareer durbal haai. aur vah fir chala gaya, aur vahee bat kahakar praarthna kee. aur fir akar unhen sote paya, kyonaki un kee ankhe neend se bhree theen aur naheen janate the ki

use kya uttr den. fir teesaree bar akar un se kaha ab sote raho aur vishraam karo, bas, ghadee a pahunchee dekho manushy ka putra papiyon ke hath pakadvaya jata haai. utto, chalen: dekho, mera pakadvanevala nikatt a pahuncha haai.. vah yah kah hee raha tha, ki yahooda jo barahon men se tha, apane sath mahayajakon aur shaastriayon aur puraaniyon kee or se aek badee bheed talavaren aur laattyaiyan liae huae turant a pahunchee. aur usake pakadnevale ne unhen yah pata diya tha, ki jis ko maain choomoon vahee haai, use pakadkar yatan se le jana. aur vah aya, aur turant usake pas jakar kaha he rabbee aur us ko bahut chooma. tab unhon ne us par hath dalakar use pakad liya. un men se jo pas khde the, ek ne talavar kheench kar mahayajak ke das par chalai, aur usaka nam uda diya. yeeshu ne un se kaha kya tum dakoo janakar mere pakadne ke liye talavaren aur lattyaiyan lekar nikale ho? maain to har din mandair men tumhare sath rahakar upadesh diya karata tha, aur tab tum ne mujhe n pakada: parantu yah isaliye hua haai ki pavitra shaasr kee baten pooree hon. is par sab chele use chhodkar bhag gaae.. aur aek javan apanee nangee deh par chadar oddhe huae usake peede ho liya aur logon ne use pakada. par vah chadar chhodkar nanga bhag gaya.. fir ve yeeshu ko mahayajak ke pas le gaae aur sab mahayajak aur puraaniae aur shaasree usake yahan ikatthe ho gaae. pataras door hee door se usake peechhe peechhe mahayajak ke angan ke bheetar tak gaya, aur pyadon ke sath baaitt kar ag tapane laga. mahayajak aur saree mahasabha yeeshu ke mar dalane ke liye usake virodha men gavahee kee khoj men the, par n milee. kyonaki bahutere usake virodha men jootee gavahee de rahe the, par un kee gavahee aek see n thee. tab kitanon ne uttkar us par yah jootee gavahee dee. ki ham ne ise yah kahate suna haai ki maain is hath ke banaae huae mandair ko ddha doonga, aur teen din men doosara banaunga, jo hath se n bana ho. is par bhee un kee gavahee aek see n nikalee. tab mahayajak ne beech men khde hokar yeeshu se poochha ki too koi uttr naheen deta? ye log tere virodha men kya gavahee dete haain? parantu vah maun sadho raha, aur kuchh uttr n diya: mahayajak ne us se fir poochha, kya too us param dhany ka putra maseeh haai? yeeshu ne kaha nah maain hoon: aur tum manushy ke putra ko sarvashaaktaiman kee daahinee aur baaitte, aur akash ke badalon ke sath ate dekhoge. tab mahayajak ne apane vasr faadkar kaha ab hamen gavahon ka kya prayojan haai? tum ne yah ninda sunee: tumharee kya ray haai un sab ne kaha, vah vadha ke yogy haai. tab koi to us par tookane, aur koi usaka munh ddhanpane aur use ghoose marane, aur us se kahane lage, ki bhvishyadane kaha: aur pyadon ne use lekar thppad mare.. jab pataras neeche angan men tha, to mahayajak kee laundyaiyan men se aek vahan ai. aur pataras ko ag tapate dekhkar us par ttkattkee lagakar dekha aur kahane lagee, too bhee to us nasaree yeeshu ke sath tha. vah mukar gaya, aur kaha, ki maain to naheen janata aushra naheen samajhta ki too kya kah rahee haai: fir vah bahar devad-dhee men gaya aur murge ne bang dee. vah laundee use dekhkar un se jo pas khde the, fir kahane lagee, ki un men se aek haai. parantu vah fir mukar gaya aur thodee der bad unhon ne jo pas khde the fir pataras

se kaha nishchay too un men se aek haai kyonaki too galeelee bhee haai. tab vah dhaikkar den aur shapath khane laga, ki maain us manushy ko, jis kee tum char-cha karate ho, nahaneen janata. tab turant doosaree bar murga ne bang dee: pataras ko yah bat jo yeeshu ne us se kahee the smaran ai, ki murga ke do bar bang dene se paahile too teen bar mera inkar karega: vah is bat ko sochakar rone laga..

aur bhor hote hee turant mahayako, puraaniyo, aur shaastriayon ne varan saree mahasabha ne salah karake yeeshu ko bandhavaya, aur use le jakar peelatus ke hath saunp diya. aur peelatus ne us se poochha, kya too yahoodiyan ko raja haai? us ne us ko uttr diya ki too ap hee kah raha haai. aur mahayajak us par bahut baton ka dosh laga rahe the. peelatus ne us se fir poochha, kya too kuchh uttr naheen deta, dekh ye tujh par kitane baton ka dosh lagate haain? yeeshu ne fir kuchh uttr naheen diya yahan tak ki peelatus ko bada ashcharya hua.. aur vah us pavrva men kisee aek bandhauae ko jise ve chahate the, un ke liye chhod diya karata tha. aur baraabba nam aek manushy un balavaiyon ke sath bandhaua tha, jinhon ne balave men hatya kee thee. aur bheed upar jakar us se binatee karane lagee, ki jaaisa too hamare liye karata aya haai vaaisa hee kara. peelatus ne un ko yah uttr diya, kya tum chahate ho, ki maain tumhare liye yahoodiyan ke raja ko chhod doon? kyonaki vah janata tha, ki mahayajakon ne use dah se pakadvaya tha. parantu mahayajakon ne logon ko ubhara, ki vah baraabba hee ko un ke liye chhod de. yah soon peelatus ne un se fir poochha to jise tum yahoodiyan ko raja kahate ho, us ko maain kya karoon? ve fir chillaa, ki use kroos par chaddha de. peelatus ne un se kaha kyo, is ne kya burai kee haai? parantu ve aur bhee chillaa, ki use kroos par chaddha de. tak peelatus ne bheed ko prasann karane kee ichchha se, baraabba ko un ke liye chhod diya, aur yeeshu ko kode lagavakar saunp diya, ki kroos par chaddhaya jaae. aur sipahee use kile ke bheetar angat men le gaae jo praeetoriyon kahalata haai, aur saree palatn ko bula laae. aur unhon ne use baainjaneer vasr paahinaya aur kantton ka mukutt goonthkar usake sir par rakha. aur yah kahakar use namaskar karane lage, ki he yahoodiyan ke raja, namaskara! aur ve usake sir par sarakande marate, aur us par tookate, aur ghauttne ttekakar use pranam karate rahe. aur jab ve usaka ttttha kar chuke, to us par baainjaneer vasr utarakar usee ke kapade paahinaae aur tab use kroos par chaddhane ke liye bahar le gaae. aur sikandar aur roofaas ka pita, shamaun nam aek kurenee manushy, jo ganv se a raha tha udhar se nikala unhon ne use begar men pakada, ki usaka kroos utta le chale. aur ve use gulaguta nam jagah par jis ka arth khopadee kee jagah haai laae. aur use murra mila hua dakhrae dene lage, parantu us ne naheen liya. tab unhon ne us ko kroos par chaddhaya, aur usake kapadon par chitthiyan dalakar, ki kis ko kya mile, unhen bantti liya. aur pahar din chaddha tha, jab unhon ne us ko kroos par chaddhaya. aur usaka doshapatra likhkar usake upar laga diya gaya ki yahoodiyan ko raja. aur unhon ne usake sath

do dako, aek us kee daahinee aur aek us kee bain or kroos par chaddhaae. tab dharmashaasr ka vah vachan ki vah aparadhaiyon ke sang gina gaya poora hua. aur marga men janevale sir hila hilakar aur yah kahakar us kee ninda karate the, ki vaha! maandair ke ddhanevale, aur teen din men bananevale! kroos par se utar kar apane ap ko bacha le. isee reeti se mahayajak bhee, shaastriyon samet, apas men tttthe se kahate the ki is ne auron ko bachaya, aur apane ko naheen bacha sakata. israael ka raja maseeh ab kroos par se utar aae ki ham dekhkar vishvas karen: aur jo usake sath krooson par chaddhaae gaee the, ve bhee us kee ninda karate the.. aur dopahar hone par, sare desh men aandhiyara chha gaya aur teesare pahar tak raha. teesare pahar yeeshu ne bade shabd se pukar kar kaha, iloi, iloi, lama shabaktanee? jis ka arth haai he mere parameshvar, he mere parameshvar, too ne mujhe kyon chhod diya? jo pas khde the, un men se kitanon ne yah sunakar kaha: dekho yah aeliyyah ko pukarata haai. aur aek ne daudkar ispanj ko sirake se duboya, aur sarakande par rakhkar use chusaya aur kaha, tthar jao, dekhe, ki aeliyyah use utarane ki liye ata haai ki naheen. tab yeeshu ne bade shabd se chillakar praan chhod diye. aur maandair ka parda upar se neeche tak fattkar do ttukade ho gaya. jo soobedar usake samhane khda tha, jab use yoon chillakar praan chhodte huae dekha, to us ne kaha, sachamuch yah manushy, parameshvar ka putra tha. kai striyan bhee door se dekh rahee theen: un men maariyam magadaleenee aur chhotte yakoob kee aur yoses kee mata mariyam aur shalomee theen. jab vah galeel men t, to ye usake peechhe ho letee theen aur us kee sevattal kiya karatee theen aur aur bhee bahut see striyan thee, jo usake sath yarooshalem men ai theen.. jab sandhya ho gai, to isaliye ki taaiyaree ka din tha, jo sabt ke aek din pahile hota haai. aarimitiya ka rahenavala yoosuufa aya, jo praatishtit mantraee aur ap bhee parameshvar ke rajy kee batt johata tha vah hiyav karake peelatus ke pas gaya aur yeeshu kee loth manglee. peelatus ne ashcharya kiya, ki vah itana shaeegha mar gaya aur soobedar ko bulakar poochha, ki kya us ko mare huae der hui? so jab soobedar ke dara hal jan liya, to loth yoosufa ko dila dee. tab us ne aek patalee chadar mol lee, aur loth ko utarakar chadar men lapetta, aur aek kabra me jo chattan men khodee gai thee rakha, aur kabra ke dar par aek patthr luddhkar diya. aur maariyam magadaleenee aur yoses kee mata maariyam dekh rahee thee, ki vah kahan rakha gaya haai..

jab sabt ka din beet gaya, to maariyam magadaleenee aur yakoob kee mata mariyam aur shalomee ne sugandhiat vastuaen mol lee, ki akar us par malen. aur saptah ke paahile din badee bhor, jab sooraj nikala hee tha, ve kabra par ain. aur apas men kahatee thee, ki hamare liye kabra ke dar par se patthr kaun luddhaaega? jab unhon ne ankh uttai, to dekha ki patthr luddhka hua haai! kyonaki vah bahut hee bada tha. aur kabra ke bheetar jakar, unhon ne aek javan ko shvet vasr pahine huae dahinee or baaitte dekha, aur bahut chaakit hui. us ne un se kaha, chakit mat ho,

tum yeeshu nasaree ko, jo kroos par chaddhaya gaya tha, ddoonddhte ho: vah jee utta haai yahan naheen haai dekho, yahee vah sthan haai, jahan unhon ne use rakha tha. parantu tum jao, aur usake che-lon aur pataras se kaho, ki vah tum se pahile galeel ko jaaega jaisa us ne tum se kaha tha, tum vahee use dekhoge. aur ve nikalakar kabra se bhag gain kyonki kapakapee aur ghabarahatt un par chha gai theen aur unhon ne kisee se kuchh n kaha, kyonaki dratee theen.. saptah ke paahile din bhor hote hee vah jee utt kar paahile paahil mariyam magadaleenee ko jis men se us ne sat dushttatmaeen nikalee thee, dikhai diya. us ne jakar usake sathaiyon ko jo shaek men oobe huae the aur ro rahe the, samachar diya. aur unhon ne yah sunakar kee vah jeeavit haai, aur us ne use dekha haai prateeti n kee.. is ke bad vah doosare roop men un men se do ko jab ve ganv kee or ja rahe the, dikhai diya. unhon ne bhee jakar auron ko samachar diya, parantu unhon ne un kee bhee prateeti n kee.. peechhe vah un gyarahon ko bhee, jab ve bhojan karane baaitte the dikhai diya, aur un ke aavishvas aur man kee kattorata par ulahana diya, kyonaki jinhon ne usake jee uttne ke bad use dekha tha, inhon ne un kee prateeti n kee thee. aur us ne un se kaha, tum sare jagat men jakar saree srashtti ke logon ko susamachar prachar karo. jo vishvas kare aur bapatisma le usee ka uddhar hoga, parantu jo vishvas ne karega vah doshaee ttharaya jaaega. aur vishvas karanevalon men ye chinh hongee ki ve mere nam se dushttatmaon ko nikalenge. nai nai bhasha bolenge, sanpon ko utta lenge, aur yadi ve nashak vastu bhee pee janae taubhee un kee kuchh haani n hogee, ve beemaron par hath rakhenge, aur ve change ho jaaenge. nidan prabhu yeeshu un se baten karane ke bad svarga par utta liya gaya, aur parameshvar kee dahinee or baaitt gaya. aur unhon ne nikalakar har jagah prachar kiya, aur prabhu un ke sath kam karata raha, aur un chinhon ke dara jo sath sath hote the vachan ko, draddh karata raha. ameena..

isaliye ki bahuton ne un baton ko jo hamare beech men hotee haain iatihas likhne men hath lagaya haai. jaaisa ki unhon ne jo pahile hee se in baton ke dekhnevale aur vachan ke sevak the ham tak pahunchaya. isaliye he shraeeman thaiyuafilus mujhe bhee yah uchit maloom hua ki un sab baton ka sampoonn hal arambh se tteek tteek janch karake unhen tere liye kramanusar likoon. ki too yah jan le, ki ye baten jinakee too ne shaiksha pai haai, kaaisee atli haain.. yahoodiyan ke raja herodes ke samay aabiyyah ke dal men jakarayah nam ka aek yajak tha, aur us kee patnee haroon ke vansh kee thee, jis ka nam ileeashaiba tha. aur ve donon parameshvar ke samhane dharmeet the: aur prabhu kee saree agyaan aur vidhaiyan par nirdosh chalanvale the. un ke koi santan n thee, kyonaki ileeashaiba banjh thee, aur ve donon boodthe the.. jab vah apane dalakee parree par parameshvar ke samhane yajak ka kam karata tha. to yajakon kee reati ke anusar usake nam par chitthee nikalee, ki prabhu ke maandair men jakar dhoop jalaae. aur dhoop jalane ke samay logon kee saree mandlee bahar praarthna kar rahee thee. ki prabhu ka aek svargadoot dhoop kee vedee kee dahinee or khda hua us ko dikhai diya. aur jakarayah dekhkar ghabaraya aur us par bada bhy chha gaya. parantu svargadoot ne us se kaha, he jakarayah, bhyabheet n ho kyonki teree praarthna sun lee gai haai aur teree patnee ileeashaiba se tere liye aek putra utpann hoga, aur too usaka nam yooahanna rakhna. aur tuijhe anand aur harsha hoga: aur bahut log usake janm ke karan anandait hongee. kyonaki vah prabhu ke samhane mahan hoga aur dakhras aur madira kabhee n pieaga aur apanee mata ke garbh hee se pavitra atma se paaripoorn ho jaaga. aur israaeliyan men se bahuteron ko un ke prabhu parameshvar kee or faerega. vah aeliyyah kee atma aur samarth men ho kar usake age age chalega, ki pitaron ka man ladkebalon kee or faer de aur agyaa n mananevalon ko dhaarmiyon kee samajh par laae aur prabhu ke liye aek yogy praja taaiyar kare. jakarayah ne svargadoot se poochha yah maain kaaisee janoon? kyonki maain to boodddha hoon aur meree patnee bhee boodddhee ho gai haai. svargadoot ne us ko uttr diya, ki maain jibraail hoo, jo parameshvar ke samhane khda rahata hoon aur maain tuij se baten karane aur tuijhe yah susamachar sunane ko bheja gaya hoon. aur dekh jis din tak ye baten pooree n ho le, us din tak too maun rahega, aur bol n sakega, isaliye ki too ne meree baton kee jo apane samay par pooree hongee, prateeti n kee. aur log jakarayah kee batt dekhthe rahe aur achambha karane lage ki use maandair men aeese der kyon lagee? jab vah bahar aya, to un se bol n saka: so ve jan gaa, ki us ne mandair men koi darshan paya haai aur v un se sanket karata raha, aur goonga rah gaya. jab us kee seva ke din poore hua, to vah apane ghar chala gaya.. in dinon ke bad us kee patnee ileeashaiba garbhvatee hui aur panch maheene tak apane ap ko yah kah ke chhpaiaae rakha. ki manushyon men mera apaman door karane ke liye prabhu ne in dinon men krapadraashtti karake mere liye aeese kiya haai.. chhtvtven maheene men parameshvar kee or se

un dinon men augoostus kaaisar kee or se agyaa nikalee, ki sare jagat ke logon ke nam likhe jaen. yah paahilee nam likhai us samay hui, jab kvairiniyus sooriya ka haakim tha. aur sab log nam likhvane ke liye apane apane nagar ko gaee. so yooosufa bhee isaliye ki vah daud ke gharane aur vansh ka tha, galeel ke nasarat nagar se yahoodiya men daud ke nagar baaitalaham ko gaya. ki apanee mangetar maariyam ke sath jo garbhvatee thee nam likhvae. us ke vanhan rahate huae usake janane ke din poore hue. aur vah apana paahilautta putra jannee aur use kapade men lapettkar charanee men rakha: kyonki un ke liye saray men jagah n thee. aur us desh men kitane gaderiye the, jo rat ko maaidan men rahakar apane jhund ka pahara dete the. aur prabhu ka aek doot un ke pas a khda hua aur prabhu ka tej un ke charon or chamaka, aur ve bahut dr gaee. tab svargadoot ne

un se kaha, mat dro kyonaki dekho maain tumhen bade anand ka susamachar sunata hoon jo sab logon ke liye hoga. ki aj daud ke nagar men tumhare liye aek uddharakarta janma haai, aur yahee maseeh prabhu haai. aur is ka tumhare liye yah pata haai, ki tum aek balak ko kapade me lipatta hua aur charanee men pada paoge. tab aekaaek us svargadoot ke sath svargadooton ka dal parameshvar kee stuti karate huae aur yah kahate dikhai diya. ki akash men parameshvar kee mahima aur prathvee par un manushyon men jinase vah prasann haai shaaantai ho.. jab svargadoot un ke pas se svarga ko chale gaa, to gadeariyon ne apas men kaha, ao, ham baaitalaham jakar yah bat jo hui haai, aur jise prabhu ne hamen bataya haai, dekhien. aur unhon ne turant jakar mariyam aur yooosufa ko aur charanee men us balak ko pada dekha. inhen dekhkar unhon ne vah bat jo is balak ke vishay men un se kahee gai thee, pragatt kee. aur sab sunanevalon ne un baton se jo gadriyon ne un se kaheen ashcharya kiya. parantu mariyam ye sab baten apane man men rakhkar sochatee rahee. aur gadriye jaaisa un se kaha gaya tha, vaaisa hee sab sunakar aur dekhkar parameshvar kee maahima aur stuti karate huae lautt gaee.. jab att din poore hua, aur usake khtane ka samay aya, to usaka nam yeeshu rakha gaya, jo svargadoot ne usake pett men aane se pahile kaha tha. aur jab moosa ko vyavastha ke anasar un ke shuuddh hone ke din poore huae to ve use yarooshalem men le gaa, ki prabhu ke samane laaen. jaaisa ki prabhu kee vyavastha men likha haai ki har aek pahilautta prabhu ke liye paavitra ttharega. aur prabhu kee vyavastha ke vachan ke anasar pandukon ka aek joda, ya kabootar ke do bachche la kar baalidan karen. aur dekho, yarooshalem men shamaun nam aek manushy tha, aur vah manushy dharmee aur bhkt tha aur israel kee shaantai kee batt joh raha tha, aur paavitra atma us par tha. aur paavitra atma se us ko chitavane hui thee, ki jab tak too prabhu ke maseeh ko dekh ne lega, tak tak mratyuu ko n dekhega. aur vah atma ke sikhane se mandair men aya aur jab mata-apita us balak yeeshu ko bheetar laa, ki usake liye vyavastha kee reati ke anasar karen. to us ne use apanee god men liya aur parameshvar ka dhanyavad karake kaha, he svamee, ab too apane das ko apane vachan ke anasar shaaantai se vida karata haai. kyonaki meree ankho ne tere uddhar ko dekh liya haai. jise too ne sab deshaen ke logon ke samhane taaiyar kiya haai. ki vah any jaatiyon ko prakash dene ke liye jyoti, aur tere nij log israel kee maahima ho. aur usaka pita aur us kee mata in baton se jo usake vishay men kahee jatee thee, ashcharya karate the. tab shamaun ne un ko ashaeesh dekar, us kee mata mariyam se kaha dek, vah to israela men bahuton ke girane, aur uttne ke liye, aur aek aeesa chinh hone ke liye ttharaya gaya haai, jis ke virodha men baten kee jaaegeen – varan tera praan bhee talavar se var par chhdai jaaega– is se bahut dayon ke vichar pragatt hongee. aur ashor ke gotra me se han-nah nam fanooael kee bettee aek bhavishyadvaktain thee: vah bahut booddhee thee, aur byah hone ke bad sat varsha apane paati ke sath rah pai thee. vah chaurasee varsha se vidhava thee: aur mandair ko naheen chhodtee thee par upavas aur praarthna kar

karake rata-din upasana kiya karatee thee. aur vah us ghadee vahan akar prabhu ka dhanyavad karane lagee, aur un sabhon se, jo yarooshalem ke chhuttkaare kee batt johate the, usake vishay men baten karane lagee. aur jab ve prabhu kee vyavastha ke anusar sab kuchh nipatta chuke to galeel men apane nagar nasarat ko fir chale gaee.. aur balak baddhta, aur balavant hota, aur buaddh ise paaripoorn hota gaya aur parameshvar ka anugrah us par tha. usake mata-apita praati varsha fasah ke pabrba men yarooshalem ko jaya karate the. jab vah barah varsha ka hua, to ve pabrba kee reeti ke anusar yarooshalem ko gaee. aur jab ve un dinon ko poora karake lauttne lage, to vah ladka yeeshu yarooshalem men rah gaya aur yah usake mata-pita naheen janate the. ve yah samajhkar, ki vah aur yatraiyon ke sath hoga, aek din ka padav nikal gaee: aur use apane kuttumbaiyon aur janapahachanon men ddoondddhte yarooshalem ko fir lautt gaee. aur teen din ke bad unhon ne use maandair men upadeshakon ke beech men baaitte, un kee sunate aur un se prashn karate huae paya. aur jitane us kee sun rahe the, ve sab us kee samajh aur usake uttron se chakit the. tab ve use dekhkar chakit huae aur us kee mata ne us se kaha he putra, too ne ham se kyon aeesa vyavahar kiya? dek, tera pita aur maain kuddhte huae tuihe ddoondddhte the. us ne un se kaha tum mujhe kyon ddoondddhte? kya naheen janate the, ki mujhe apane pita ke bhvan men hona avashy haai? parantu jo bat us ne un se kahae, unhon ne use naheen samajha. tab vah un ke sath gaya, aur nasarat men aya, aur un ke vash men raha aur us kee mata ne ye sab baten apane man men rakheen.. aur yeeshu buddh iddh aur deela-daul men aur parameshvar aur manushyon ke anugrah men baddhta gaya..

fir yeeshu paavitraatma se bhra hua, yaradan se lautta aur chales din tak atma ke sikhane se jangal men firata raha aur shautan us kee pareeksha karata raha. un dinon men us ne kuchh n khaya aur jab ve din poore ho gaa, to use bookh lagee. aur shautan ne us se kaha yaadi too parameshvar ka putra haai, to is patthr se kah, ki rottee ban jaae yeeshu ne use uttr diya ki likha haai, manushy keval rottee se jeevit n rahega. tab shautan use le gaya aur us ko pal bhr men jagat ke sare rajy dikhaae. aur us se kaha maain yah sab aadhaikar, aur in ka vibhv tuijhe doonga, kyonaki vah mujhe saunpa gaya haai: aur jise chahata hoo, usee ko de deta hoon. isaliye, yaadi too mujhe pranam kare, to yah sab tera ho jaega. yeeshu ne use uttr diya likha haai ki too prabhu apane parameshvar ko pranam kara aur keval usee kee upasana kara. tab us ne use yarooshalem men le jakar mandair ke kangoore par khda kiya, aur us se kaha yadi too parameshvar ka putra haai, to apane ap ko yahan se neeche gira de. kyonaki likha haai, ki vah tere vishay men apane svar-gadooton ko agyaa dega, ki ve teree raksha karen. aur ve tuijhe hathon hath utta lenge aesa n ho ki tere panv men patthr se ttes lage. yeeshu ne us ko uttr diya yah bhee kaha gaya haai, ki too prabhu apane paramesh-var kee pareeksha n karana. jab shautan sab pareeksha kee chuka, tab kuchh samay ke liye usake pas se chala gaya.. fir yeeshu atma kee samarth se bhra hua galeel ko lautta, aur us kee charcha as pas ke sare desh men faail gai. aur vah un hee aradhanalayon men upadesh karata raha, aur sab us kee badai karate the.. aur vah nasarat men aya jahan pala posa gaya tha aur apanee reeti ke anasar sabt ke din aradhanalay men ja kar paddhne ke liye khda hua. yashaayah bhvishyadvkta kee pustak use dee gai, aur us ne pustak khola, vah jagah nikalee jahan yah likha tha. ki prabhu ka atma mujh par haai, isaaliye ki us ne kangalon ko susamachar sunane ke liye mera abhaishok kiya haai, aur mujhe isaliye bheja haai, ki bandhauon ko chhuttkare ka aur andhaen ko drashti pane ka susamachar prachar karoon aur kuchale huon ko chhudaun. aur prabhu ke prasann rahane ke varsha ka prachar karoon. tab us ne pustak band karake sevak ke hath men de dee, aur baait gaya: aur aradhanalay ke sab logon kee ankhs par lagee thee. tab vah un se kahane laga, ki aj hee yah lekhs tumhare samhane poora hua haai. aur sab ne use saraha, aur jo anugrah kee baten usake munh se nikalatee thee, un se achambha kiya aur kahane lage kya yah yoosufa ka putra naheen? us ne us se kaha tum mujh par yah kahavat avashy kahoge, ki he vaaidh, apane ap ko achchha kara! jo kuchh ham ne suna haai ki kafaranahoom men kiya gaya haai use yahan apane desh men bhee kara. aur us ne kaha maain tum se sach kahata hoo, koi bhavishyadvkta apane desh men mana-samman naheen pata. aur maain tum se sach kahata hoo, ki aeliyyah ke dinon men jab saddhe teen varsha tak akash band

raha, yahan tak ki sare desh men bada akal pada, to israael men bahut see vidhavaaen theen. par aeliyyah un men se kisee ke pas naheen bheja gaya, keval saaida ke sarafat men aek vidhava ke pasa. aur ileesha bhavishyadvkta ke samay israael men bahut se koddhee the, par naman soorayanee ko chhod un men se kai shuuddh naheen kiya gaya. ye baten sunate hee jitane aradhanalay men the, sab krodha se bhr gaee. aur uttkar use nagar se bahar nikala, aur jis pahad par un ka nagar basa hua tha, us kee chottee par le chale, ki use yahan se neeche gira den. par vah un ke beech men se nikalakar chala gaya.. fir vah galeel ke kafaranahoom nagar men gaya, aur sabt ke din logon ko upadesh de raha tha. ve us ke upadesh se chakit ho gaee kyonki usaka vachan aadhaikar saahit tha. aradhanalay men aek manushy tha, jis men ashuuddh atma thee. vah unche shabd se chilla utta, he yeeshu nasaree, hamen tuij se kya kama? kya too hamen nash karane aya haai? maain tuijhe janata hoon too kaun haai? too parameshvar ka pavitra jan haai. yeeshu ne use danttkar kaha, chup raha: aur us men se nikal gai: tab dushttatma use beech men pattkar bina haani pahunchaae us men se nikal gai. is par sab ko achambha hua, aur ve apas men baten karake kahane lage, yah kaaisa vachan haai? ki vah adhaikar aur samarth ke sath ashuuddh atmaon ko agyaa deta haai, aur ve nikal jatee haain. so charon or har jagah us kee dhoom mach gai.. vah aradhanalay men se uttkar shamaun ke ghar men gaya aur shamaun kee sas ko jvar chaddha hua tha, aur unhon ne usake liye us se binatee kee. us ne usake nikatt khde hokar jvar ko dantta aur vah us par se utar gaya aur vah turant uttkar un kee seva tthal karane lagee.. sooraj oobate samay jin jin ke yahan log nana prakar ke beemariyon men pade huae the, ve sab unhen usake pas le aae, aur us ne aek aek par hath rakhar unhen changa kiya. aur dushttatma chillatee aur yah kahatee hui ki too parameshvar ka putra haai, bahuton men se nikal gai par vah unhen danttta aur bolane naheen deta tha, kyonaki ve janate the, ki yah maseeh haai.. jab din hua to vah nikalakar aek jangalee jagah men gaya, aur bheed kee bheed use ddoondhatee hui usake pas ai, aur use rokane lagee, ki hamare pas se n ja. parantu us ne un se kaha mujhe aur aur nagaron men bhee parameshvar ke rajy ka susamachar sunana avashy haai, kyonaki maain isee liye bheja gaya hoon.. aur vah galeel ke aradhanalayon men prachar karata raha..

jab bheed us par giree padtee thee, aur parameshvar ka vachan sunatee thee, aur vah gannesarat kee jheel ke kinare par khda tha, to aesa hua. ki us ne jheel ke kinare do naven lagale hui dekhee, aur machhuve un par se utarakar jal dhae rahe the. un navon men se ek par jo shamaun kee thee, chaddhkar, us ne us se binatee kee, ki kinare se thoda hatta le chale, tab vah baaittkar logon ko nav par se upadesh dene laga. jab ve baten kar chuka, to shamaun se kaha, gaahire men le chal, aur machhaliyan pakadne ke liye apne jal dalo. shamaun ne usako uttr diya, ki he svamee, ham ne saree rat mihanat kee aur kuchh n pakada taubhee

tere kahane se jal daloonga. jab unhon ne aeesa kiya, to bahut machhaliyan ghor laa, aur un ke jal fattne lage. is par unhon ne apane saathaiyon ko jo doosaree nav par the, sanket kiya, ki akar hamaree sahayata karo: aur unhon ne akar, dono nav yahan tak bhr leen ki ve oobane lageen. yah dekhkar shamaun pataras yeeshu ke panvon par gira, aur kaha he prabhu, mere pas se ja, kyonki maain papee manushy hoon. kyonaki itanee machhaliyon ke pakade jane se use aur usake saathaiyon ko bahut achambha hua. aur vaaise hee jabadee ke putra yakooab aur yoohanna ko bhee, jo shamaun ke sahabhagee the, achambha hua: tab yeeshu ne shamaun se kaha, mat dra: ab se too manushyon ko jeevata pakada karega. aur v navon ko kinare par le aae aur sab kuchh chhodkar usake peechhe ho liae.. jab vah kisee nagar men tha, to dekho, vahan koddh se bhra hua aek manushy tha, aur vah yeeshu ko dekhkar munh ke bal gira, aur binatee kee ki he prabhu yaadi too chahe ho mujhe shuuddh kar sakata haai. us ne hath baddhakar use chooa aur kaha maain chahata hoon too shuuddh ho ja: aur usaka koddh turant jata raha. tab us ne use chitaya, ki kisee se n kah, parantu jake apane ap ko yajak ko dikha, aur apane shuuddh hone ke vishay men jo kuchh moosa ne chaddhava ttharaya haai use chaddha ki un par gavahee ho. parantu us kee charcha aur bhee faailatee gai, aur bheed kee bheed us kee sunane ke liye aur apanee bimaariyon se change hone ke liye ikatthee hui. parantu vah jaalon men alag jakar praarthna kiya karata tha.. aur aek din hua ki vah upadesh de raha tha, aur fareesee aur vyavasthapak vahan baaitte huae the, jo galeel aur yahoodiya ke har aek ganv se, aur yarooshalem se aae the aur changa karane ke liye prabhu ke samarth usake sath thee. aur dekho kai log aek manushy ko jo jhole ka mara hua tha, khatt par laa, aur ve use bheetar le jane aur yeeshu ke samhane rakhne ka upay ddoondhd rahe the. aur jab bheed ke karane use bheetar n le ja sake to unhon ne kotte par chaddh kar aur khpraail hattakar, use khatt samet beech men yeeshu ke samhane utara diya. us ne un ka vishvas dekhkar us se kaha he manushy, tere pap kshama hue. tab shaasree aur fareesee vivid karane lage, ki yah kaun haai, jo parameshvar kee ninda karata haai? parameshvar ka chhod kaun papon kee kshama kar sakata haai? yeeshu ne un ke man kee baten janakar, un se kaha ki tum apane manon men kya vivid kar rahe ho? sahaaj kya haai? kya yah kahana, ki tere pap kshama hua, ya yah kahana ki ut, aur chal fira? parantu isaaliye ki tum jano ki manushy ke putra ko prathvee par pap kshama karane ka bhee adhaikar haai us ne us jhole ke mare huae se kaha, maain tuij se kahata hoo, utt aur apanee khatt uttakar apane ghar chala ja. vah turant un ke samhane utta, aur jis par vah pada tha use uttakar, parameshvar kee badai karata hua apane ghar chala gaya. tab sab chaakit huae aur parameshvar kee badai karane lage, aur bahut drakar kahane lage, ki aj ham ne anokhee baten dekhee haain.. aur isake bad vah bahar gaya, aur levee nam aek chungee lenevale ko chungee kee chaukee par baaitte dekha, aur us se kaha, mere peechhe ho le. tab vah sab kuchh chhodkar utta, aur usake peechhe ho liya. aur levee ne apane ghar men usake liye badee javanar kee aur

chungee lenevalon kee aur auron kee jo usake sath bhojan karane baaitte the aek badee bheed thee. aur fareesee aur un ke shaasree us ke chelon se yah kahakar kudkudane lage, ki tum chungee lenevalon aur paapiyon ke sath kyon khate-peete ho? yeeshu ne un ko uttr diya ki vaaidh bhle changon ke liye nahee, parantu beemaron ke liye avashy haai. maain dharmiyon ko nahee, parantu paapiyon ko man firane ke liye bulane aya hoon. aur unhon ne us se kaha, yoohanna ke chele to barabar upavas rakhte aur praarthna kiya karate haai, aur vaaise hee fareesiyan ke bhee, parantu tere chele to khate peete haain! yeeshu ne un se kaha kya tum baraatiyon se jab tak doolha un ke sath rahe, upavas karenge. parantu ve din aaenge, jin men doolha un se alag kiya jaega, tab ve un dinon men upavas karenge. us ne ek aur drashttant bhee un se kaha ki koi manushy naye pahiravan men se faadkar purane paahiravan men paaiband naheen lagata, naheen to naya fatt jaega aur vah paaiband purane men mel bhee naheen khaega. aur koi naya dakhras puranee mashakon men nahee bhrata, naheen to naya dakhras mashakon ko faadkar bah jaega, aur mashaken bhee nash ho jaaengee. parantu naya dakhras nai mashakon men bhrana chahiye. koi manushy purana dakhras peekar naya naheen chahata kyonaki vah kahata haai, ki purana hee achchha haai..

fir sabb ke din vah kheton men se hokar ja raha tha, aur usake chele balen tod todkar, aur hathon se mal mal kar khate jate the. tab fareesiyan men se kai aek kahane lage, tum vah kam kyon karate ho jo sabb ke din karana uchit naheen? yeeshu ne un ka uttr diya kya tum ne yah naheen paddha, ki daud ne jab vah aur usake sathee bookhe to kya kiya? vah kyonkar parameshvar ke ghar men gaya, aur bhentt kee rottyaia lekar khai, jinhen khana yajakon ko chhod aur kisee ko uchit nahanee, aur apane saathaiyon ko bhee dee? aur us ne un se kaha manushy ka putra sabb ke din ka bhee prabhu haai. aur aeesa hua ki kisee aur sabb ke din ko vah aradhanalay men jakar upadesh karane laga aur vahan aek manushy tha, jis ka dahina hath sookha tha. shaasree aur fareesee us par dosh lagane ka avasir pane ke liye us kee tak men the, ki dekho ki vah sabb ke din changa karata haai ki naheen. parantu vah un ke vichar janata tha isaliye usane sookhe hathvale manushy se kaha ut, beech men khda ho: vah utt khda hua. yeeshu ne un se kaha maain tum se yah poochhta hoon ki sabb ke din kya uchit haai, bhla karan ya bura karana praan ko bachana ya nash karana? aur us ne charon or un sabhon ko dekhkar us manushy se kaha apana hath bad-dha: us ne aeesa hee kiya, aur usaka hath fir changa ho gaya. parantu ve ape se bahar hokar apas men vivid karane lage ki ham yeeshu ke sath kya karen? aur un dinon men vah pahad par praarthna karane ko nikala, aur parameshvar se praarthna karane men saree rat bitai. jab din hua, to us ne apane chelon ko bulakar un men se barah chun lia, aur un ko praerit kaha. aur ve ye haain shamaun jis ka nam us ne pataras bhee rakha aur usaka bhai andairyas aur yakooab aur yoohanna

aur filippus aur baratulamaai. aur mattee aur thoma aur halafai ka putra yakoob aur shamaun jo jelotes kahalata haai. aur yakoob ka betta yahooda aur yahooda isakariyotee, jo usaka pakadvanevala bana. tab vah un ke sath utarakar chauras jagah men khda hua, aur usake chelon kee badee bheed, aur sare yahoodiyya aur yarooshaleem aur soor aur saaida ke samudra ke kinare se bahutere log, jo us kee sunane aur apanee beemaariyon se changa hone ke liy usake pas aae the, vahan the. aur ashuuddh atmaon ke sataae huae log bhee achchhe kiae jate the. aur sab use choona chahate the, kyonki us men se samarth nikalakar sab ko changa karatee thee.. tab us ne apane chelon kee or dekhkar kaha dhany ho tum, jo deen ho, kyonaki parameshvar ka rajy tumhara haai. dhany ho tum, jo ab bookhe ho kyonaki trapt kiae jaoge dhany ho tum, jo ab rote ho, kyonaki hansoge. dhany ho tum, jab manushy ke putra ke karan log tum se baair kareng, aur tumhen nikal denge, aur tumharee ninda kareng, aur tumhara nam bura janakar katt denge. us din anaandait hokar uchhlana, kyonki dekho, tumhare liye svarga men bada praati-fal haai: un ke bapa-dade bhvishyadvktaon ke sath bhee vaaisa hee kiya karate the. parantu hay tum para jo dhanavan ho, kyonaki tum apanee shaaantai pa chuke. parantu hay tum para jo ab trapt ho, kyonki bookhe hoge: hay, tum para jo ab hansate ho, kyonki shaek karoge aur rooge. hay, tum para jab sab manushy tumhen bhla kahe, kyonki un ke bapa-dade joote bhvishyadvktaon ke sath bhee aeese hee kiya karate the.. parantu maain tum sunanevalon se kahata hoo, ki apane shatrauon se praem rakho jo tum se baair kare, un ka bhla karo. jo tumhen srab de, un ko ashaesh do: jo tumhara apaman kare, un ke liye praarthna karo. jo tere aek gal par thppad mare us kee or doosara bhee faer de aur jo teree dohar chheen le, us ko kurata lene se bhee n roka. jo koi tujh se mange, use aur jo tere vastu chheen le, us se n manga. aur jaaisa tum chahate ho ki log tumhare sath kare, tum bhee un ke sath vaaisa hee karo. yaadi tum apane praem rakhnevalon ke sath praem rakho, to tumharee kya badai? kyonki papee bhee apane praem rakhnevalon ke sath praem rakhte haain. aur yaadi tum apane bhilai karanevalon hee ke sath bhilai karate ho, to tumharee kya badai? kyonaki papee bhee aeese hee karate haain. aur yaadi tum use udhaar do, jin se fir pane kee asha rakhte ho, to tumharee kya badai? kyonaki papee paapiyon ko udhaar dete haai, ki utana hee fir paen. baran apane shatrauon se praem rakho, aur bhilai karo: aur fir pane kee as n rakhkar udhaar do aur tumhare liye bada fal hoga aur tum paramapradhaan ke santan tharoge, kyonki vah un par jo dhanyavad naheen karate aur buron par bhee krapaloo haai. jaaisa tumhara pita dayavant haai, vaaise hee tum bhee dayavant bano. dosh mat lagao to tum par bhee dosh naheen lagaya jaaga: doshae n ttharao, to tum bhee doshae naheen ttharaae jaoge: kshama karo, to tumharee bhee kshama hee jaagee. diya karo, to tumhen bhee diya jaaga: log poora nam daba dabakar aur hila hilakar aur ubhrata hua tumharee god men dalenge, kyonki jis nam se tum napate ho, usee se tumhare liye bhee napa jaega.. fir us ne un se aek drashttant kaha kya andha, andho ko

marga bata sakata haai? kya dono gadhe men naheen girenge? chela apane guroo se bada nahee, parantu jo koi siddh hoga, vah apane guroo ke saman hoga. too apane bhai kee ankh ke tinake ko kyon dekhta haai, aur apanee hee ankh ka lattha tujhe naheen soojhta? aur jab too apanee hee ankh ka lattha naheen dekhta, to apane bhai se kyonkar kah sakata haai, he bhai, tthar ja teree ankh se tinake ko nikal doon? he kapat-tee, paahile apanee ankh se lattha nikal, tab jo tinaka tere bhai kee ankh men haai, bhlee bhanti dekhkar nikal sakega. koi achchha ped nahee, jo nikamma fal laa, aur n to koi nikamma ped haai, jo achchha fal laae. har aek ped apane fal se pahachana jata haai kyonaki log jhadiyon se anjeer naheen totde, aur n jhdberee se angoor. bhla manushy apane man ke bhle bhndar se bhlee baten nikalata haai aur bura manushy apane man ke bure bhndar se buree baten nikalata haai kyonki jo man men bhra haai vahee usake munh par ata haai.. jab tum mera kahana naheen manate, to kyon mujhe he prabhu, he prabhu, kahate ho? jo koi mere pas ata haai, aur meree baten sunakar unhen manata haai, maain tumhen batata hoon ki vah kis ke saman haai? vah us manushy ke saman haai, jis ne ghar banate samay boomi gaharee khodakar chattan kee nev dalee, aur jab baddh ai to dhaara us ghar par lagee, parantu use hila n sakee kyonaki vah pakka bana tha. parantu jo sunakar naheen manata, vah us manushy ke saman haai, jis ne mittee par bina nev ka ghar banaya. jab us par dhaara lagee, to vah turant gir pada, aur vah girakar satyanash ho gaya..

jab vah logon ko apanee saree baten suna chuka, to kafaranahoom men aya. aur kisee soobedar ka aek das jo usaka pira tha, beemaree se marane par tha. us ne yeeshu kee charcha sunakar yahoodiyyon ke kai puraaniyon ko us se yah binatee karane ko usake pas bheja, ki akar mere das ko changa kara. ve yeeshu ke pas akar us se badee binatee karake kahane lage, ki vah is yogy haai, ki too usake liye yah kare. kyonaki vah hamaree jati se praem rakhta haai, aur usee ne hamare aradhanalay ko banaya haai. yeeshu un ke sath sath chala, par jab vah ghar se door n tha, to soobedar ne sake pas kai mitraen ke dara kahala bheja, ki he prabhu dukh n utta, kyonaki maain is yogy nahee, ki too meree chht ke tale aae. isee karan maain ne apane ap ko is yogy bhee n samajha, ki tere pas au, par vachan hee kah de to mera sevak changa ho jaaga. maain bhee paradhaen manushy hoon aur sipahee mere hath men haai, aur jab aek ko kahata hoo, ja, to vah jata haai, aur doosare se kahata hoon ki a, to ata haai aur apane kisee das ko ki yah kar, to vah use karata haai. yah sunakar yeeshu ne achambha kiya, aur us ne munh faerakar us bheed se jo usake peechhe a rahee tere kaha, maain tum se kahata hoo, ki maain ne israel men bhee aeese vishvas naheen paya. aur bheje huae logon ne ghar lauttkar, us das ko changa paya.. thode din ke bad vah nain nam ke aek nagar ko gaya, aur usake chele, aur badee bheed usake sath ja rahee thee. jab vah nagar ke faattk ke pas pahuncha, to dekho, log aek murade ko bahar liae ja rahe the jo apanee man ka aekalauta putra tha, aur

vah vidhava thee: aur nagar ke bahut se log usake sath the. use dekh kar prabhu ko taras aya, aur us ne kaha mat ro. tab us ne pas akar, arthee ko chhua aur ut-tanevale tthar gaa, tab us ne kaha he javan, maain tujh se kahata hoo, utt. tab vah murada utt baaitta, aur bolane laga: aur us ne use us kee man ko saup diya. is se sab par bhy chha gaya aur ve parameshvar kee badaai karake kahane lage ki hamare beech men aek bada bhvishyadvkta utta haai, aur parameshvar ne apane logon par krapa draashtti kee haai. aur usake vishay men yah bat sare yahoodiya aur as pas ke sare desh men faail gai.. aur yoohanna ko usake chelon ne in sab baton ka samachar diya. tab yoohanna ne apane chelon men se do ko bulakar prabhu ke pas yah poochhne ke liye bheja ki kya anevala too hee haai, ya ham kisee aur doosare kee batt dekhne? unhon ne usake pas akar kaha, yoohanna bapatisma denevale ne hamen tere pas yah poochhne ko bheja haai, ki kya anevala too hee haai, ya ham doosare kee batt johen? usee ghadee us ne bahuton ko beemaariyon aur peedao, aur dushttatmaon se chhudaya aur bahut se andhaen ko ankehe dee. aur us ne un se kaha jo kuchh tum ne dekha aur suna haai, jakar yoohanna se kah do ki andho dekhte haai, langade chhalate firate haai, koddhee shuuddh kiae jate haain aur kangalon ko susamachar sunaya jata haai. aur dhany haai vah, jo mere karan ttokar n khaae.. jab yoohanna ke bheje huae log chal dia, to yeeshu yoohanna ke vishay men logon se kahane laga, tum jangal men kya dekhne gae the? kya hava se hilate huae sarakande ko? to tum fir kya dekhne gae the? kya komal vasr pahine huae manushy ko? dekho, jo bhdkeela vasr paahinate, aur sukh vilas se rahate haai, ve rajabhvanon men rahate haain. to fir kya dekhne gae the? kya kisee bhavishyadvkta ko? ha, maain tum se kahata hoo, varan bhavishyadvkta se bhee bade ko. yah vaa-hee haai, jis ke vishay men likha haai, ki dek, maain apane doot ko tere age age bhejata hoo, jo tere age marga seedha karega. maain tum se kahata hoo, ki jo striayon se janmen haai, un men se yoohanna se bada koi naheen: par jo parameshvar ke rajy men chhotte se chhotta haai, vah us se bhee bada haai. aur sab sadhaaran logon ne sunakar aur chungee lenevalon ne bhee yoohanna ka bapaatisma lekar parameshvar ko sachcha man liya. par fareesiyan aur vyavasthapakon ne us se bapatisma n lekar parameshvar kee manasa ko apane vishay men ttal diya. so maain is yug ke logon kee upama kis se doon ki ve kis ke saman haain? ve un balakon ke saman haain jo ba-jar men baaitte huae aek doosare se pukarakar kahate haai, ki ham ne tumhare liye bansalee bajai, aur tum n nache, ham ne vilap kiya, aur tum n roae. kyonaki yoohanna bapaatisma denevala ne rottee khata aya, n dakhras peeta aya, aur tum kahate ho, us men dushttatma haai. manushy ka putra khata-peeta aya haai aur tum kahate ho, dekho, petoo aur piyakkad manushy, chungee lenevalon ka aur papiyon ka mitra. par gyaan apanee sab santanon se sachcha ttharaya gaya haai.. fir kisee fareesee ne us se binatee kee, ki mere sath bhojan kara so vah us fareesee ke ghar men jakar bhojan karane baaitta. aur dekho, us nagar kee aek paapinee sree yah janakar ki vah fareesee ke ghar men bhojan karane baaitta haai, sangamara-

mar ke patra men itra lai. aur usake panvon ke pas, peechee khdee hokar, rotee hui, usake panvon ko an-suon se bhaigane aur apane sir ke balon se ponchhne lagee aur usake panv barabar choomakar un par itra mala. yah dekhkar, vah fareesee jis ne use bulaya tha, apane man men sochane laga, yadi yah bhvishyadvkta hota to jan leta, ki yah jo use choo rahee haai, vah kaun aur kaaisee sree haai? kyashonaki vah to papinee haai. yah un yeeshu ne usake uttr men kaha ki he shamaun mujhe tujh se kuchh kahana haai vah bola, he guroo kaha. kisee mahajan ke do denadar the, aek panch sau, aur doosara pachas deenar dhaarata tha. jab ki un ke pas pattane ko kuchh n raha, to us ne dono ko kshama kar diya: so un men se kaun us se aadhaik praem rakhega. shamaun ne uttr diya, meree samajh men vah, jis ka us ne adhaik chhod diya: us ne un se kaha, too ne tteek vichar kiya haai. aur us sree kee or firakar us ne shamaun se kaha kya too is sree ko dekhta haai? maain tere ghar men aya parantu too ne mere panv dhaane ke liye panee n diya, par is ne mere panv ansuon se bhaigaa, aur apane balon se ponchha! too ne mujhe chooma n diya, par jab se maain aya hoon tab se is ne mere panvon ka choomana n chhoda. too ne mere sir par tel naheen mala par is ne mere panvon par itra mala haai. isaliye maain tujh se kahata hoon ki is ke pap jo bahut the, kshama hua, kyonki is ne bahut praem kiya par jis ka thoda kshama hua haai, vah thoda praem karata haai. aur us ne sree se kaha, tere pap kshama hue. tab jo log usake sath bhojan karane baaitte the, ve apane apane man men sochane lage, yah kaun haai jo papon ko bhee kshama karata haai? par us ne sree se kaha, tere vishvas ne tujhe bacha liya haai, kushal se chalee ja..

is ke bad vah nagar nagar aur ganv ganv prachar karata hua, aur parameshvar ke rajy ka susamachar sunata hua, firane laga. aur ve bahar usake sath the: aur kitanee striayan bhee jo dushttatmaon se aur beemariyon se chhudai gai thee, aur ve yah haai, mariyam jo magadaleenee kahalatee thee, jis men se sat dushttatmaanen nikalee theen. aur herodes ke bhndaree khoja kee patnee yoanna aur soosannah aur bahut see aur striayan: ye to apanee sampaati se us kee seva karatee theen.. jab badee bheed ikatthee hui, aur nagar nagar ke log usake pas chale ate the, to us ne drashttant men kaha. ki aek bone vala beej bone nikala: bote huae kuchh marga ke kinare gira, aur raunda gaya, aur akash ke pakshiyan ne use chug liya. aur kuchh chattan par gira, aur upaja, parantu taree n milane se sookh gaya. kuchh jhaadiyon ke beech men gira, aur jhaadiyon ne sath sath baddhkar use daba liya. aur kuchh achchee boomi par gira, aur ugakar sau guna fal laya: yah kahakar us ne unche shabd se kaha jis ke sunane ke kan hon vah sun len.. usake chelon ne us se poochha, ki yah drashttant kya haai? us ne kaha tum ko parameshvar ke rajy ke bhedon kee samajh dee gai haai, par auron ko drashttanton men sunaya jata haai, isaliye ki ve dekhte huae bhee n dekhe, aur sunate huae bhee n samajhen. drashttant yah haai beej to parameshvar

jo hua tha dekhkar bhage, aur nagar me, aur ganvon men jakar usaka samachar kaha. aur log yah jo hua tha usake dekhne ko nikale, aur yeeshu ke pas akar jis manushy se dushttatmaen nikalee thee, use yeeshu ke panvon ke pas kapade paahine aur sachet baaiite huae pakar dr gaae. aur dekhnevalon ne un ko bataya, ki vah dushttatma ka sataya ha manushy kis prakar achchha hua. tab giraseniyon ke as pas ke sab logon ne yeeshu se binatee kee, ki hamare yahan se chala ja kyonki un par bada bhy chha gaya tha: so vah nav par chaddhkar lautt gaya. jis manushy se dushttatmaeen nikalee theen vah us se binatee karane laga, ki mujhe apane sath rahane de, parantu yeeshu ne use vida karake kaha. apane ghar men lautt ja aur logon se kah de, ki parameshvar ne tere liye kaaise bade kam kiae haain: vah jakar sare nagar men prachar karane laga, ki yeeshu ne mere liye kaaise bade kam kiae.. jab yeeshu lautt raha tha, to log us se anand ke sath mile kyonaki ve sab us kee batt joh rahe the. aur dekho, yair nam aek manushy jo aradhanalay ka saradar tha, aya, aur yeeshu ke panvon par gir ke us se binatee karane laga, ki mere ghar chala. kyonaki usake barah varsha kee aekalautee bettee thee, aur vah marane par thee: jab vah ja raha tha, tab log us par gire padte the.. aur aek sree ne jis ko barah varsha se lohoo bahane ka rog tha, aur jo apanee saree jivika vaaidhon ke peechhe vyay kar chukee thee aur taubhee kisee ke hath se changee n ho sakee thee. peechhe se akar usake vasr ke anchal ko chooa, aur turant usaka lohoo bahana thm gaya. is par yeeshu ne kaha, mujhe kis ne chooa? jab sab mukarane lage, to pataras aur usake sathaiyon ne kaha he svamee, tuihe to bheed daba rahee haai aur tujh par giree padtee haai. parantu yeeshu ne kaha: kisee ne mujhe chooa haai kyonki maain ne jan liya haai ki mujh men se samarth nikalee haai. jab sree ne dekha, ki maain chhpaia naheen sakatee, tab kanpatee hui ai, aur usake panvon par girakar sab logon ke samhane bataya, ki maain ne kis karan se tuihe chooa, aur kyonkar turant changee ho gai. us ne us se kaha, bettee tere vishvas ne tuihe changa kiya haai, kushal se chalee ja. vah yah kah hee raha tha, ki kisee ne aradhanalay ke saradar ke yahan se akar kaha, teree bettee mar gai: guru ko du:kh n de. yeeshu ne sunakar use uttr diya, mat dra keval vishvas rakh to vah bach jaegee. ghar men akar us ne pataras aur yoohanna aur yakooab aur ladkee ke mata-apita ko chhod aur kisee ko apane sath bheetar ane n diya. aur sab usake liye ro peett rahe the, parantu us ne kaha roo mata vah maree naheen parantu so rahee haai. ve yah janakar, ki mar gai haai, us kee hansee karane lage. parantu us ne usaka hath pakada, aur pukarakar kaha, he lakadee utt! tab usake praan fir aae aur vah turant uttee fir us ne agyaa dee, ki use kuchh khane ko diya jae. usake mata-apita chaa'it hua, parantu us ne unhen chitaya, ki yah jo hua haai, kisee se n kahana..

fir us ne barahon ko bulakar unhen sab dushttatmaen aur bimaariyon ko door karane kee samarth aur adhaikar diya. aur unhen parameshvar ke rajy ka prachar karane, aur bimaroon ko achchha karane ke

liye bheja. aur us ne usase kaha, marga ke liye kuchh n lena: n to lattee, n jholee, n rottee, n roopaye aur n do do kurate. aur jis kisee ghar men tum utaro, vaheen raho aur vaheen se vida ho. jo koi tumhen grahan n karega us nagar se nikalate huae apane panvon kee dhool jhad dalo, ki un par gavahee ho. so ve nikalakar ganv ganv susamachar sunate, aur har kaheen logon ko changa karate huae firate rahe.. aur desh kee chauthai ka raja herodes yah sab sunakar ghabara gaya, kyonki kitanon ne kaha, ki yoohanna mare huon men se jee utta haai. aur kitanon ne yah, ki aeliyyah dikhai diya haai: auron ne yah, ki purane bhvishyadvktaon men se koi jee utta haai. parantu herodes ne kaha, yuhanna ka to maain ne sir kattvaya ab yah kaun haai, jis ke vishay men aeese baten sunata hoon? aur us ne use dekhne kee ichchha kee.. fir praeariton ne lautkar jo kuchh unhon ne kiya tha, us ko bata diya, aur vah unhen alag karake baaitasaaida nam aek nagar ko le gaya. yah janakar bheed usake peechhe ho lee: aur vah anand ke sath un se mila, aur un se parameshvar ke rajy kee baten karane laga: aur jo change hona chahate the, unhen changa kiya. jab din ddhlane laga, to barahon ne akar usase kaha, bheed ko vida kar, ki charon or ke gavon aur bastaiyon men jakar tkkaie, aur bhojan ka upay kare, kyonki ham yahan sunasan jagah men haain. us ne un se kaha, tum hee unhen khane ko do: unhon ne kaha, hamare pas panch rottyaiaen aur do machhlee ko chhod aur kuchh naheen: parantu yah, yadi ham jakar in sab logon ke liye bhojan mol le, to ho sakata haai: ve log to panch hajar purooshaen ke lagabhg the. jab us ne apane chelon se kaha, unhen pachas pachas karake panti men baaita do. unhon ne aeesea hee kiya, aur sab ko baaita diya. tab us ne ve panch rottyaiaen aur do machhlee lee, aur svarga kee aur dekhkar dhanyavad kiya, aur tod todkar chelon ko deta gaya, ki logon ko parosen. so sab khakar trapt hua, aur bache huae ttukadon se barah ttokaree bhrakar uttai.. jab vah aekant men praarthna kar raha tha, aur chele usake sath the, to us ne un se poochha, ki log mujhe kya kahate haain? unhon ne uttr diya, yuhanna bapaatisma denevala, aur koi ealiyyah, aur koi yah ki purane bhvishyadvktaon men se koi jee utta haai. us ne un se poochha, parantu tum mujhe kya kahate ho? pataras ne uttr diya, parameshvar ka maseeha. tab us ne unhen chitakar kaha, ki yah kisee se n kahana. aur us ne kaha, manushy ke putra ke liye avashy haai, ki vah bahut dukh uttaa, aur puraniae aur mahayajak aur shaasree use tuchchh samajhkar mar dale, aur vah teesare din jee utte. us ne sab se kaha, yadi koi mere peechhe ana chahe, to apane ap se inkar kare aur prati din apana kroos uttaaе huae mere peechhe ho le. kyonaki jo koi apana praan bachana chahega vah use khoaege, parantu jo koi mere liy apana praan khoaege vahee use bachaaеge. yaadi manushy sare jagat ko praapt kare, aur apana praan kho de, ya us kee hani uttaa, to use kya labh hoga? jo koi mujh se aur meree baton se lajaeга manushy ka putra bhee jab apanee, aur apane pita kee, aur paavitra svarga dooton kee, maahima saahit aeega, to us se lajaeга. maain tum se sach kahata hoo, ki jo yahan khde haai, un men se koi koi aeese haain ki yah tak parameshvar ka rajy n dekh le, tab tak mratyu ka svad n chakhenge. in

baton ke koi att din bad vah pataras aur yoohanna aur yakoob ko sath lekar praarthna karane ke liye pahad par gaya. jab vah praarthna kar hee raha tha, to usake chehare ka roop badal gaya: aur usaka vasr shvet hokar chamakane laga. aur dekho, moosa aur aeliyyah, ye do puroosh usake sath baten kar rahe the. ye maahima saahit dikhai diae aur usake marane kee charcha kar rahe the, jo yarooshalem men honavala tha. pataras aur usake sathee neend se bhere the, aur jab achchhee tarah sachet hua, to us kee mahima aur un do purooshaen ko, jo usake sath khde the, dekha. jab ve usake pas se jane lage, to pataras ne yeeshu se kaha he svamee, hamara yahan rahana bhla haai: so ham teen mandp banaae, aek tere liye, aek moosa ke liye, aur aek aeliyyah ke liye. vah janata n tha, ki kya kah raha haai. vah yah kah hee raha tha, ki aek badal ne akar unhen chha liya, aur jab ve us badal se ghairane lage, to dr gaee. aur us badal men se yah shabd nikala, ki yah mera putra aur mera chuna hua haai, is kee suno. yah shabd hote hee yeeshu akela paya gaya: aur ve chup rahe, aur kuchh dekha tha, us kee koi bat un dinon men kisee se n kahee.. aur doosare din jab ve pahad se utare, to aek badee bheed us se a milee. aur dekho, bheed men se aek manushy ne chilla kar kaha, he guro, maain tujh se binatee karata hoo, ki mere putra par krapadrashhti kara kyonaki vah mera aeekalauta haai. aur dek, aek dushtatma use pakadta haai, aur vah aeekaеk chilla uttta haai aur vah use aeese marodta haai, ki vah munh men faen bhr lata haai aur use kuchalakar kaatnaiaie se chhodta haai. aur maai ne tere chelon se binatee kee, ki use nikalen parantu ve n nikal sake. yeeshu n uttr diya, he avishvasee aur haattlai logo, maain kab tak tumhare sath rahaonga, aur tumhare sahoonga? apane putra ko yahan le a. vah a hee raha tha ki dushtatma ne use pattkakar maroda, parantu yeeshu ne ashuuddh atma ko danta aur lakade ko achchha karake usake pita ko saunp diya. tab sab log parameshvar ke mahasamarth se chaakit hue.. parantu jab sab log un sab kamon se jo vah karata tha, achambha kar rahe the, to us ne apane chelon se kaha ye baten tumhare kanon men paade rahe, kyonki manushy ka putra manushyon ke hath men pakadvaya jane ko haai. parantu ve is bat ko n samajhte the, aur yah un se chhpaiee rahee ki ve use janane n paae, aur ve is bat ke vishay men us se poochhne se drate the.. fir un men yah vivad hone laga, ki ham men se bada kaun haai? par yeeshu ne un ke man ka vichar jan liya : aur aek balak ko lekar apane pas khda kiya. aur un se kaha jo koi mere nam se is balak ko grahan karata haai, vah mujhe grahan karata haai, vah mere bhejanevale ko grahan karata haai kyonki jo tum men sab se chhotte se chhotta haai, vahee bada haai. tab yuhanna ne kaha, he svamee, ham ne aek manushy ko tere nam se dushttatmaon ko nikalate dekha, aur ham ne use mana kiya, kayonaki vah hamare sath hokar tere peechhe naheen ho leta. yeeshu ne us se kaha, use mana mat kar kyonki jo tumhare virodha men nahee, vah tumharee or haai.. jab usake upar uttaaе jane ke din poore hone par the, jo us ne yarooshalem ko jane ka vichar draddh kiya. aur us ne apane agee doot bheje: ve samariyon ke aek ganv men gaa, ki usake liye jagah taaiyar karen.

parantu un logon ne use utarane n diya, kyonaki vah yarooshalem ko ja raha tha. yah dekhkar usake chele yakoob aur yoothanna ne kaha he prabhu kya too chahata haai, ki ham agyaa de, ki akash se ag girakar unhen bhm kar de. parantu us ne firakar unhen dantta aur kaha, tum naheen janate ki tum kaaisee atma ke ho. kyonaki manushy ka putra logon ke praanon ko nash karane naheen baran bachane ke liye aya haai: aur ve kisee aur ganv men chale gaae.. jab ve marga men chale jate the, to kisee n us se kaha, jahan jahan too jaagea, maain tere peechhe ho loonga. yeeshu ne us se kaha, lomadiyon ke bhnt aur akash ke paakshi-ayon ke basere hote haai, par manushy ke putra ko sir dharane kee bhee jagah naheen. us ne doosare se kaha, mere peechhe ho le us ne kaha he prabhu, mujhe pahile jane de ki apane pita ko gad doon. us ne us se kaha, mare huon ko apane murade gadne de, par too jakar parameshvar ke rajy kee katha suna. aek aur ne bhee kaha he prabhu, maain tere peechhe ho loonga par paahile mujhe jane de ki apane ghar ke logon se vida ho aun. yeeshu ne us se kaha jo koi apana hath har par rakhtar peechhe dekhta haai, vah parameshvar ke rajy ke yogy naheen..

aur in baton ke bad prabhu ne satr aur manushy niyukt kiae aur jis jis nagar aur jagah ko vah ap jane par tha, vahan unhen do do karake apane age bheja. aur us ne un se kaha pakke khet bahut haain parantu majadoor thode haain: isaliye khet ke svamee se binatee karo, ki vah apane khet kattne ko majadoor bhej de. jao dekhon maain tumhen bhedon kee nain bheadyaen ke beech men bhejata hoon. isaliye n batua, n jholee, n joote lo aur n marga men kisee ko namaskar karo. jis kisee ghar men jao, pahile kaho, ki is ghar par kalyan ho. yaadi vahan koi kalyan ke yogy hoga to tumhara kalyan us par ttharega, naheen to tumhare pas lautt aagea. usee ghar men raho, aur jo kuchh un se mile, vahee khao peeo, kyonki majadoor ko apanee majadooree milanee chahie: ghar ghar n firana. aur jis nagar men jao, aur vahan ke log tumhen utare, to to kuchh tumhare samhane rakha jaae vahee khao. vahan ke beemaron ko changa karo: aur un se kaho, ki parameshvar ka rajy tumhare nikatt a pahuncha haai. parantu jis nagar men jao, aur vahan ke log tumhen grahan n kare, to usake bajaron men jakar kaho. ki tumhare nagar kee dhool bhee, jo hamare panvon men lagee haai, ham tumhare samhane jhad dete haai, taubhee yah jan lo, ki parameshvar ka rajy tumhare nikatt a pahuncha haai. maain tum se kahata hoo, ki us din us nagar kee dasa se sadom kee dasa sahane yogy hogee. hay khurajeen ! hay baaitasaaida ! jo samarth ke kam tum men kiae gaa, yaadi ve soor aur saaida men kiae jate, to ttatt oddhkar aur rakh men baaittkar ve kab ke man firate. parantu nyay ke din tumharee dasa se soor aur saaida kee dasa sahane yogy hogee. aur he kafaranahoom, kya too svarga tak uncha kiya jaaega? too to adhaelot tak neeche jaaega. jo tumharee sunata haai, vah merree sunata haai, aur jo tumhen tuchhch janata haai, vah mujhe tuchhch janata haai aur jo mujhe tuchhch janata haai, vah mere bhejanevale ko tuchhch

janata haai. ve satr anand se fir akar kahane lage, he prabhu, tere nam se dushttatma bhee hamare vash men haai. us ne un se kaha maain shautan ko bilalee kee nai svarga se gira hua dekh raha tha. dekho, maaine tumhe sanpon aur bichchhuon ko raundane ka, aur shatra kee saree samarth par adhaikar diya haai aur kisee vash se tumhen kuchh haani n hogee. taubhee is se anaandait mat ho, ki atma tumhare vash men haai, parantu is se anandait ho ki tumhare nam svarga par likhe haain.. usee ghadee vah pavitra atma men hokar anand se bhr gaya, aur kaha he pita, svarga aur prathvee ke prabhu, maain tera dhanyavad karata hoo, ki too ne in baton ko gyaaniyon aur samajhdaron se chhpa rakha, aur balakon par pragatt kiya: ha, he pit, kyonaki tuijhe yahee achchha laga. mere pita ne mujhe sab kuchh saunp diya haai aur koi naheen janata ki putra kaun haai keval pita aur pita kaun haai yah bhee koi naheen janata, keval putra ke aur vah jis par putra use prakatt karana chahe. aur chelon kee or firakar nirale men kaha, dhany haain ve ankhe, jo ye bate jo tum dekhte ho dekhtee haain. kyonaki maain tum se kahata hoo, ki bahut se bhavishyadvaktaon aur rajaon ne chaha, ki jo baten tum dekhte ho dekhen par n dekheen aur jo baten tum sunate ho sune, par n suneen.. aur dekho, aek vyavasthapak utta aur yah kahakar, us kee pareeksha karane laga ki he guro, anant jeevan ka varis hone ke liye maain kya karoon? us ne us se kaha ki vyavastha men kya likha haai? too kaaisee paddhta haai? us ne uttr diya, ki too prabhu apane parameshvar se apane sare man aur apane sare praan aur apanee saree shaaktai aur apanee saree buaddh ike sath praem rakh aur apane padosee se apane saman praem rakh. us ne us se kaha, too ne tteek uttr diya haai, yahee kara: to too jeevit rahega. parantu us ne apanee tain dharmee ttharane kee ichchha se yeeshu se poochha, to mera padosee kaun haai? yeeshu ne uttr diya ki aek manushy yarooshalem se yareeho ko ja raha tha, ki dakuon ne ghorakar usake kapade utar lia, aur marapeettkar use adhamooa chhodkar chale gaae. aur aeesa hua ki usee marga se aek yajak ja raha tha: parantu use dekh ke katarakar chala gaya. isee reeti se aek levee us jagah par aya, vah bhee use dekh ke katarakar chala gaya. parantu aek samaree yatraee vahan a nikala, aur use dekhkar taras khaya. aur usake pas akar aur usake ghaavon par tel aur dakhra dalakar pattiyan bandhae, aur apanee savaree par chaddhakar saray men le gaya, aur us kee seva tthal kee. doosare din us ne do dinar nikalakar bhattyaiare ko dia, aur kaha is kee seva tthal karana, aur jo kuchh tera aur lagega, vah maain lauttne par tuijhe bhr doonga. ab merree samajh men jo dakuon men ghair gaya tha, in teenon men se usaka padosee kaun thara? us ne kaha, vahee jis ne us par taras khaya: yeeshu ne us se kaha, ja, too bhee aeesa hee kara.. fir jab ve ja rahe the, to vah aee ganv men gaya, aur martha nam aek sree ne use apane ghar men utara. aur maariyam nam us kee aek baahin thee vah prabhu ke panvon ke pas baaittkar usaka vachan sunatee thee. par martha seva karate karate ghabara gai aur usake pas akar kahane lagee he prabhu, kya tuijhe kuchh bhee soch naheen ki merree baahin ne mujhe seva karane ke liye akelee hee chhod diya haai? so us se kah, ki merree sahayata kare. prabhu ne use uttr

diya, martha, he martha too bahut baton ke liye chinta karatee aur ghabaratee haai. parantu aek bat avashy haai, aur us uttm bhag ko mariyam ne chun liya haai: jo us se chheena n jaagea..

fir vah kisee jagah praarthna kar raha tha: aur jab vah praarthna kar chuka, to usake chelon men se aek ne us se kaha he prabhu, jaaise yooahanna ne apane chelon ko praarthna karana sikhlaya vaaise hee hamen bhee too sikha de. us ne un se kaha jab tum praarthna karo, to kaho he pita, tera nam pavitra mana jaa, tera rajy ae. hamaree din bhr kee rottee har din hamen diya kara. aur hamare papon ko kshama kar, kyonki ham bhee apane har aek aparadhae ko kshama karate haai, aur hamen pareeksha men n la.. aur us ne un se kaha, tum men se kaun haai ki usaka aek mitra ho, aur vah adhae rat ko usake pas akar us se kahe, ki he mitra mujhe teen rottyaen de. kyonaki aek yatraee mitra mere pas aya haai, aur usake age rakhne ke liye mere pas kuchh naheen haai. aur vah bheetar se uttr de, ki mujhe dukh n de ab to dar band haai, aur mere balak mere pas bichhaune par haai, isaliye maain uttkar tujhe de naheen sakata? maain tum se kahata hoo, yadi usaka mitra hone par bhee use uttkar n de, taubhee usake lajja chhodkar mangane ke karan use jitane avashyakata ho utanee uttkar dega. aur maain tum se kahata hoon ki mango, to tumhen diya jaaega ddoonddhon to tum paoge khttkhttao, to tumhare liye khola jaaega. kyonaki jo koi mangata haai, use milata haai aur jo ddoondhdhta haai, vah pata haai aur jo khttkhtata haai, usake liye khola jaaega. tum men se aeesa kaun pita hoga, ki jab usaka putra rottee mange, to use patthr de: ya machhlee mange, to machhlee ke badale use sanp de? ya anda mange to use bichchoo de? jo sab tum bure hokar apane ladkebalon ko achchhee vastuaee dena janate ho, to sargeey pita apane manganevalon ko pavitra atma kyon n dega.. fir us ne aek goongee dushtatma ko nikala: jab dushtatma nikal gai, to goonga bolane laga aur logon ne achambha kiya. parantu un men se kitanon ne kaha, yah to shautan man dushtatmaon ke pradhaan kee sahayata se dushttatmaon ko nikalata haai. auron ne us kee pareeksha karane ke liye us se akash ka aek chinh manga. parantu us ne, un ke man kee baten janakar, un se kaha jis jis raij men foott hotee haai, vah raij ujad jata haai: aur jis ghar men foott hotee haai, vah nash ho jata haai. aur yaadi shautan apana hee virodhae ho jaa, to usaka raij kyonkar bana rahega? kyonaki tum mere vishay men to kahate ho, ki yah shautan kee sahayata se dushttatma nikalata haai. bhla yadi maain shautan kee sahayata se dushttatmaon ko nikalata hoo, to tumharee santan kis kee sahayata se nikalate haain? isaliye ve hee tumhara nyay chukaenge. parantu yadi maain parameshvar kee samarth se dushttatmaon ko nikalata hoo, to parameshvar ka raij tumhare pas a pahuncha. jab balavant manushy hathaiyar bandho huae apane ghar kee rakhvallee karata haai, to us kee sanpatti bachhee rahatee haai. par jab us se bad-dhkar koi aur balavant chaddhai karake use jeet leta haai, to usake ve haathaiyar jin par usaka bhrosaa tha,

itane men jab hajaron kee bheed lag gai, yahan tak ki aek doosare par gire padte the, to vah sab se paahile apane chelon se kahane laga, ki fareeasiyon ke kapat-roopee khmeer se chaukas rahana. kuchh ddhpa nahee, jo khola n jaaga aur n kuchh chhpai haai, jo jana n jaaga. isaliye jo kuchh tum ne andhore men kaha haai, vah ujane men suna jaaga: aur jo tum ne kottariyon men kanon kan kaha haai, vah kotton par prachar kiya jaaga. parantu maain tum se jo mere mitra ho kahata hoo, ki jo shareer ko ghaat karate haain parantu usake peechhe aur kuchh naheen kar sakate un se mat dro. maain tumhen chitata hoon ki tumhen kis se drana chahia, ghaat karate kee bad jis ko narak men dalane ka aadhaikar haai, usee se dro : baran maain tum se kahata hoon usee se dro. kya do paaise kee panch gauraiyan naheen bikatee? taubhee parameshvar un men se aek ko bhee naheen boolata. baran tumhare sir ke sab bal bhee gine huae haai, so dro nahee, tum bahut gauraiyon se baddhkar ho. maain tum se kahata hoon jo koi manushyon kee samhane mujhe man lega use manushy ka putra bhee parameshvar kee svargadooton kee samahane man lega. parantu jo manushyon kee samhane mujhe inkar kare usaka parameshvar kee svargadooton kee samhane inkar kiya jaaga. jo koi manushy kee putra kee virodha men koi bat kahe, usaka vah aparadha kshama kiya jaaga. jab log tumhen sabhaon aur haakimon aur aadhaikaariyon kee samhane le jaae, to chinta n karana ki ham kis reeti se ya kya uttr de, ya kya kahen. kyonaki pavitra atma usee ghadee tumhen sikha dega, ki kya kahana chahia.. fir bheed men se aek ne us se kaha, he guro, mere bhai se kah, ki pita kee sanpaati mujhe bantte de. us ne us se kaha he manushy, kis ne mujhe tumhara nyayee ya banttnivala niyukt kiya haai? aur us ne un se kaha, chaukas raho, aur

har prakar kee lobh se apane ap ko bachaae rakho: kyonki kisee ka jeevan us kee sanpati kee bahutayat se naheen hota. us ne un se ek drashttant kaha, ki kisee dhanavan kee boomi men badee upaj hui. tab vah apane man men vichar karane laga, ki maain kya karoo, kyonki mere yahan jagah nahee, jahan apanee upaj ityadi rakoon. aur us ne kaha maain yah karoonga: maain apanee bakhariyan tod kar un se badee banaunga aur vahan apana sab ann aur sanpaati rakoonga: aur apane praan se kahoonga, ki praa, tere pas bahut vasharen kee liye bahut sanpati rakhee haai chaain kar, kha, pee, sukh se raha. parantu parameshvar ne us se kaha he moorkh, isee rat tera praan tujh se le liya jaaga: tab jo kuchh too ne ikattha kiya haai, vah kis ka hoga? aeese hee vah manushy bhee haai jo apane liye dhan battorata haai, parantu parameshvar kee drashtti men dhane naheen.. fir us ne apane chelon se kaha isaliye maain tum se kahata hoo, apane praan kee chinta n karo, ki ham kya khaaenge n apane shareer kee ki kya paahinenge. kyonaki bhojan se praa, aur vasr se shareer baddhkar haai. kauvon par dhyan do ve n bote haai, n kattu n un kee bhndar aur n khatta hota haai taubhee parameshvar unhen palata haai tumhara mooly paakshiyon se kaheen aadhaik haai. tum men se aeese kaun haai, jo chinta karane se apanee avastha men aek ghadee bhee bada sakata haai? isaliye yaadi tum sab se chhotta kam bhee naheen kar sakate, to aur baton ke liye kyon chinta karate ho? sosanon ke pedon par dhyan karo ki ve kaaise baddhte haain ve n parishram karate, n katate haain: taubhee maain tum se kahata hoo, ki sulaiman bhee, apane sare vibh me, un men se kisee aek ke saman vasr paahine huae n tha. isaliye yaadi parameshvar maaidan kee ghaas ko jo aj haai, aur kar bhad men jhonkee jaaenge, aeese paahinata haai to he alp vishvasiyo, vah tumhen kyon n pahinaaega? aur tum is bat kee khoj men n raho, ki kya khaaenge aur kya peeaenge, aur n sandeh karo. kyonaki sansar kee jatiyan in sab vastuon kee khoj men rahatee haain: aur tumhara pita janata haai, ki tumhen in vastuon kee avashyakata haai. parantu usake rajy kee khoj men raho, to ye vastuaen bhee tumhen mil jaengee. he chhotte jhun, mat dra kyonaki tumhare pita ko yah bhaya haai, ki tumhen rajy de. apanee sanpaati bechakar dan kar do aur apane liye aeese battuae banao, jo purane naheen hote, arthata svarga par aeese dhan ikattha karo jo ghattta naheen aur jis kee nikatt chor naheen jata, aur keeda naheen bigadta. kyonaki jahan tumhara dhan haai, vahan tumhara man bhee laga rahega.. tumharee kamaren bandhaee rahe, aur tumhare deeye jalate rahen. aur tum un manushyon kee saman bano, jo apane svamee kee batt dekh rahe ho, ki vah byah se kab lauttega ki jab vah akar dar khttkhatta, ate turant usake khol den. dhany haain ve das, jinhen svamee akar jagate paae maain tum se sach kahata hoo, ki vah kamar bandha kar unhen bhojan karane ko baaittaega, aur pas akar un kee seva karega. yaadi vah rat kee doosare pahar ya teesare pahar men akar unhen jagate paa, to ve das dhany haain. parantu tum yah jan rakho, ki yadi ghar ka svamee janata, ki chor kis ghadee aaga, to jagata rahata, aur apane ghar men sengha lagane n deta. tum bhee taaiyar raho kyonki jis ghadee tum sochate bhee nahee,

us ghadee manushy ka putra a javega. tab pataras ne kaha, he prabhu, kya yah drashttant too ham hee se ya sab se kahata haai. prabhu ne kaha vah vishvasayogy aur buaddhmaian bhndaree kaun haai, jis ka svamee use naukar chakaron par saradar tharaae ki unhen samay par seedha de. dhany haai vah das, jise usaka svamee akar aeesea hee karate paae. maain tum se sach kahata hoon vah use apanee sab sanpaati par saradar tharaae. parantu yadi vah das sochane lage, ki mera svamee ane men der kar raha haai, aur dason aur daasiyon ko marane peettne aur khane peene aur piyakkad hone lage. to us das ka svamee aeese din ki vah us kee batt jahata n rahe, aur aeesee ghadee jise vah janata n ho aeega, aur use bharee tadna dekar usaka bhag avishvasiyan ke sath tharaae. aur vah das jo apane svamee kee ichchha janata tha, aur taaiyar n raha aur n us kee ichchha ke anusar chala bahut mar khaega. parantu jo naheen janakar mar khane ke yogy kam kare vah thodee mar khaega, isaaliye jise bahut diya gaya haai, us se bahut manga jaaega, aur jise bahut saunpa gaya haai, us se bahut mangenge.. maain prathvee par ag lagane aya hoon aur kya chahata hoon keval yah ki abhee sulag jatee! mujhe to aek bapaatisma leta haai aur jab tak vah n ho le tab tak maain kaaisee sakatee men rahoonga? kya tum samajhte ho ki maain prathvee par milap karane aya hoon? maain kahata hoon nahee, baran alag karane aya hoon. kyonaki ab se aek ghar men panch jan apas men virodha rakhenge, teen do se do teen se. pita putra se, aur putra pita se virodha rakhega man bettee se, aur bettee man se, sas bahoo se, aur bahoo sas se virodha rakhegee.. aur us ne bheed se bhee kaha, jab badal ko pachchhim se uttte dekhte ho, to turant kahate ho, ki vashara hogee aur aeesea hee hota haai. aur jab daakkhiana chalatee dakhte ho to kahate ho, ki looh chalegee, aur aeesea hee hota haai. he kapattyaie, tum dharatee aur akash ke roop men bhed kar sakate ho, parantu is yug ke vishay men kyon bhed karana naheen janate? aur tum ap hee nirny kyon naheen kar lete, ki uchit kya haai? jab too apane mui ke sath haakim ke pas ja raha haai, to marga hee men us se choottne ho, ki vaahara aeesea n ho, ki vah tuihe nyayee ke pas kheench le jaa, aur nyayee tuihe pyade ko saunpe aur pyada tuihe bandeegrah men dal de. maain tum se kahata hoo, ki jab tak too damadee damadee bhr n dega tab tak vahan se choottne n paaega..

us samay kuchh log a pahunche, aur us se un galeeliyan kee charcha karane lage, jin ka lohoo pee-latus ne un hee ke baalidanon ke sath milaya tha. yah sun us ne un se uttr men yah kaha, kya tum samajhte ho, ki ye galeelee, aur sab galeeliyan se papee the ki un par aeeseo vipaati padee? maain tum se kahata hoo, ki naheen parantu yaadi tum man n firaooge to tum sab bhee isee reeti se nash hoge. ya kya tum samajhte ho, ki ve attarah jan jin par shaeeloh ka gummat gira, aur ve dab kar mar gae: yarooshalem ke aur sab rahanevalon se aadhaik aparadhae the? maain tum se kahata hoo, ki naheen parantu yaadi tum man n firaoge to tum bhee sab isee reeti se nash

hoge. fir us ne yah drashttant bhee kaha, ki kisee kee angoor kee baree men aek anjeer ka ped laga hua tha: vah us men fal ddoonddhne aya, parantu n paya. tab us ne baree ke rakhvale se kaha, dekh teen varsha se maain is anjeer ke ped men fal ddoonddhne ata hoo, parantu naheen pata, use katt dal ki yah boomi ko bhee kyon roke rahe. us ne us ko uttr diya, ki he svamee, ise is varsha to aur rahane de ki maain is ke charo or khodakar khad daloon. so age ko fale to bhla, naheen to use katt dalana. sabb ke din vah aek aradhanalay men upadesh kar raha tha.. aur dekho, aek sree thee, jise attarah varsha se aek durbal karanevalee dushttatma lagee thee, aur vah kubadee ho gai thee, aur kisee reeti se seedhaee naheen ho sakatee thee. yeeshu ne use dekhkar bulaya, aur kaha he naree, too apanee durbalata se choott gai. tab us ne us par hath rakhe, aur vah turant seedhaee ho gai, aur parameshvar kee badai karane lagee. isaaliye ki yeeshu ne sabb ke din use achchha kiya tha, aradhanalay ka saradar risiyakar logon se kahane laga, chh: din haai, jin men kam karana chahia, so un hee dinon men akar change hoo parantu sabb ke din men naheen. yah sun kar prabhu ne uttr dekar kaha he kapattyaie, kya sabb ke din tum men se har aek apane baail ya gadahe ko than se kholakar panee pilane naheen le jata? aur kya uchit n tha, ki yah sree jo ibraaheem kee bettee haai jise shautan ne attarah varsha se bandha rakha tha, sabb ke din is bandhan se chhudai jatee? jab us ne ye baten kahee, to usake sab virodhaee lajjait ho gaa, aur saree bheed un maahima ke kamon se jo vah karata tha, anaandait hui.. fir us ne kaha, parameshvar ka rajy kis ke saman haai? aur maain us kee upama kis se doon? vah rai ke aek dane ke saman haai, jise kisee manushy ne lekar apanee baree men boya: aur vah baddhkar ped ho gaya aur akash ke paakshiyon ne us kee daliyon par basera kiya. us ne fir kaha maain parameshvar ke rajy ki upama kis se doon? vah khmeer ke saman haai, jis ko kisee sree ne lekar teen paseree atte men milaya, aur hote hote sabb atta khmeer ho gaya.. vah nagar nagar, aur ganv ganv hokar upadesh karata hua yarooshalem kee or ja raha tha. aur kisee ne us se poochha he prabhu, kya uddhar panevalee thode haain? us ne un se kaha sabb dar se pravesh karane ka yatn karo, kyonaki maain tum se kahata hoo, ki bahutere pravesh karana chahenge, aur n kar sakenge. jab ghar ka svamee uttkar dar band kar chuka ho, aur tum bahar khde huae dar khtkht-takar kahane lago, he prabhu, hamare liye khol de, aur vah uttr de ki maain tumhen naheen janata, tum kahan ke ho? tab tum kahane lagoge, ki ham ne tere samhane khaya peeya aur too ne hamare bajaron men upadesh kiya. parantu vah kahega, maain tum se kahata hoo, maain naheen janata tum kahan ke ho, he kukarma karanevalon, tum sab mujh se dur ho. vahan rona aur dant peesana hoga: jab tum ibraaheem aur isahak aur yakoob aur sab bhvishyadvaktaon ko parameshvar ke rajy men baaitte, aur apane ap ko bahar nikale huae dekhoge. aur poorva aur paachchhima uttr aur dakkhian se log akar parameshvar ke rajy ke bhoj men bhagee honge. aur dekho, kitane pichhle haain ve pratham honge, aur kitane jo pratham haai, ve pichhle honge.. usee ghadee kitane fareeasiyo ne akar us se kaha, yahan se nikalakar chala ja ky-

onki herodes tujhe mar dalana chahata haai. us ne un se kaha jakar us lomadee se kah do, ki dekh maain aj aur kal dushttatmaon ko nikalata aur bimaroon ko changa karata hoon aur teesare din poora karoonga. taubhee mujhe aj aur kal aur parason chhalana avashy haai, kyonki ho nahee sakata ki koi bhavishyadvkta yarooshalem ke bahar mara jaae. he yarooshalem ! he yarooshalem ! too jo bhavishyadvktaon ko mar dala-tee haai, aur jo tere pas bheje gaee unhen patthravah karatee haai kitanee bar maain ne yah chaha, ki jaaise murgjee apane bachchon ko apane pankho ke neeche ikatthe karatee haai, vaaise hee maain bhee tere balakon ko ikatthe karoo, par tum ne yah n chaha. dekho, tumhara ghar tumhare liye ujad chhoda jata haai, aur maain tum se kahata hoon jab tak tum ne kahoge, ki dhany haai vah, jo prabhu ke nam se ata haai, tab tak tum mujhe fir kabhee n dekhoge..

fir vah sabb ke din fareeasiyon ke saradaron men se kisee ke ghar men rottee khane gaya: aur ve us kee ghaat men the. aur dekho, aek manushy usake samhane tha, jise jalandhar ka rog tha. is par yeeshu ne vyavasthapakon aur fareeasiyon se kaha kya sabb ke din achchha karana uchit haai, ki naheen? parantu ve chupachap rahe. tab us ne use hath laga kar changa kiya, aur jane diya. aur un se kaha ki tum men se aeesa kaun haai, jis ka gadaha ya baail kuaen men gir jaae aur vah sabb ke din use turant bahar n nikal le? ve in baton ka kuchh uttr n de sake.. jab us ne dekha, ki nevataharee log kyonkar mukhy mukhy jagahen chun lete haain to aek drashtant dekar un se kaha. jab koi tujhe byah men bulaa, to mukhy jagah men n baaitna, kaheen aeesa n ho, ki us ne tujh se bhee kisee bade ko nevata diya ho. aur jis ne tujhe aur use donon ko nevata diya haai: akar tujh se kahe, ki is ko jagah de, aur tab tujhe lajjait hokar sab se neechee jagah men baaitna pade. par jab too bulaya jaa, to sab se neechee jagah ya baait, ki jab vah, jis ne tujhe nevata diya haai aa, to tujh se kahe ki he mitra, aage bad-dhkar baait tab tere sath baaitnevalon ke samhane teree badaai hogee. aur jo koi apane ap ko bada banaaega, vah chhotta kiya jaaega aur jo koi apane ap ko chhotta banaaega, vah bada kiya jaaega. tab us ne apane nevata denevale se bhee kaha, jab too din ka ya rat ka bhoj kare, to apane mitraen ya bhaiyon ya kuttuambaiyon ya dhanavan padosiyaon ko n bula, kaheen aeesa n ho, ki ve bhee tujhe nevata de, aur tera badala ho jaae. parantu jab too bhoj kare, to kangalo, ttundo, langadon aur andhaen ko bula. tab too dhany hoga, kyonaki un ke pas tujhe badala dene ko kuchh nahee, parantu tujhe dharmiyaon ke jee uttne par is ka praatifal milega. usake sath bhojan karanevalon men se ek ne ye baten sunakar us se kaha, dhany haai vah, jo parameshvar ke rajy men rottee khaega. us ne us se kaha kisee manushy ne badee jevanar kee aur bahun-ton ko bulaya. jab bhojan taaiyar ho gaya, to us ne apane das ke hath nevatahariyon ko kahala bheja, ki ao ab bhojan taaiyar haai. par ve sab ke sab kshama mangane lage, pahile ne us se kaha, maain ne khet mol liya haai aur avashy haai ki use dekon: maain tujh se binatee karata hoo, mujhe kshama kara de. doosare

ne kaha, maain ne panch jode baail mol liae haain: aur unhen parakhne jata hoon : maain tujh se binatee karata hoo, mujhe kshama kara de. aek aur ne kaha maai ne byah kiya haai, isaaliye maain naheen a sakata. us das ne akar apane svamee ko ye baten kah sunai, tab ghar ke svamee ne krodha men akar apane das se kaha, nagar ke bajaron aur galiyon men turant jakar kangalo, ttundo, langadon aur andhaen ko yahan le ao. das ne fir kaha he svamee, jaaise too ne kaha tha, vaaise hee kiya gaya haai fir bhee jagah haai. svamee ne das se kaha, sadkon par aur badon kee or jakar logon ko barabas le hee a taaki mera ghar bhr jaae. kyonaki maain tum se kahata hoo, ki un nevate huon men se koi meree jevanar ko n chakhega. aur jab badee bheede usake sath ja rahee thee, to us ne peechhe firakar un se kaha. yaadi koi mere pas aa, aur apane pita aur mata aur patnee aur ladkebalon aur bhaiyon aur baahinon baran apane praan ko bhee aapiry n jane, to vah mera chela naheen ho sakata. aur jo koi apana kroos n uttaaee aur mere peechhe n aae vah bhee mera chela naheen ho sakata. tum men se kaun haai ki gaddh banana chahata ho, aur paahile baaitkar khrcha n jode, ki poora karane kee bisat mere pas haai ki naheen? kaheen aeesa n ho, ki jab nev dalakar taaiyar n kar sake, to sab dekhnevale yah ka-hakar use tthton men udane lagen. ki yah manushy banane to laga, par taaiyar n kar saka? ya kaun aeesa raja haai, ki doosare raja se yuddh karane jata ho, aur paahile baaitkar vichar n kar le ki jo bees hajar lekar usaka samhana kar sakata hoo, ki naheen? naheen to usake door rahate hee, vah dooton ko bhejakar mil-lap karana chahega. isee reeti se tum men se jo koi apana sab kuchh tyag n de, to vah mera chela naheen ho sakata. namak to achchha haai, parantu yadi namak ka svad bigad jaa, to vah kis vastu se svaadisht kiya jaaega. vah n to boomi ke aur n khad ke liye kam men ata haai: use to log bahar faenk dete haain: jis ke sunane ke kan hon vah sun le..

sab chungee lenevale aur papee usake pas aya karate the taki us kee sunen. aur fareesee aur shaasreee kud-kudakar kahane lage, ki yah to papiyon se milata haai aur un ke sath khata bhee haai.. tab us ne un se yah drashtant kaha. tum men se kaun haai jis kee sau bheden ho, aur un men se aek kho jaae to ninnanave ko jangal men chhodkar, us khoi hui ko jab tak mil n jaae khojata n rahe? aur jab mil jatee haai, tab vah bade anand se use kandho par utta leta haai. aur ghar men akar mitraen aur padosiyaon ko ikatthe karake kahata haai, mere sath anand karo, kyonki meree khoi hui bhed mil gai haai. maain tum se kahata hoon ki isee reeti se aek man firanevale papee ke vishay men bhee svarga men itana hee anand hoga, jitana ki ninnanave aese dharmiyaon ke vishay naheen hota, jinhen man firane kee avashyakata naheen.. ya kaun aeesee sreee hogee, jis ke pas das sikke ho, aur un men se aek kho jaae to vah deeya barakar aur ghar jhad buharakar jab tak mil n jaa, jee lagakar khojatee n rahe? aur jab mil jata haai, to vah apane sakhaiyon aur padosiniyaon ko ikatthe karake kahatee haai, ki mere sath anand karo, kyonki mera khoya hua sikka

mil gaya haai. maain tum se kahata hoon ki isee reeati se aek man firanevale papee ke vishay men parameshvar ke svargadooton ke samhane anand hota haai.. fir us ne kaha, kisee manushy ke do putra the. un men se chhuttk ke pita se kaha ki he pita sanpaati men se jo bhag mera ho, vah mujhe de deejie. us ne un ko apanee sanpaati bantt dee. aur bahut din n beete the ki chhuttk putra sab kuchh ikattha karake aek door desh ko chala gaya aur vahan kukarma men apanee sanpati uda dee. jab vah sab kuchh khrcha kar chuka, to us desh men bada akal pada, aur vah kangal ho gaya. aur vah us desh ke nivaasiyon men se aek ke yahana jo pada : us ne use apane kheton men sooar charane ke liye bheja. aur vah chahata tha, ki un faliyon se jinhen sooar khate the apana pett bhre aur use koi kuchh naheen deta tha. jab vah apane ape men aya, tab kahane laga, ki mere pita ke kitane hee majadooron ko bhojan se aadhaik rottee milatee haai, aur maain yahan bookha mar rahaan hoon. maain ab uttkar apane pita ke pas jaunga aur us se kahoonga ki pita jee maain ne svarga ke virodha men aur teree draashtti men pap kiya haai. ab is yogy naheen raha ki tera putra kahalaau, mujhe apane aek majadoor kee nain rakh le. tab vah uttkar, apane pita ke pas chala: vah abhee door hee tha, ki usake pita ne use dekhkar taras khaya, aur daudkar use gale lagaya, aur bahut chooma. putra n us se kaha pita jee, maain ne svarga ke virodha men aur teree draashtti men pap kiya haai aur ab is yogy naheen raha, ki tera putra kahalaun. parantu pita ne apane dason se kaha jhtt achchhe se achchha vasr nikalakar use pahinao, aur usake hath men angoottee, aur panvon men jootiyan paahinao. aur pala hua bachhda lakar maro taki ham khanae aur anand manaven. kyonaki mera yah putra mar gaya tha, fir jee gaya haai : kho gay tha, ab mil gaya haai: aur ve anand karane lage. parantu usaka jetta putra khett men tha : aur jab vah ate huae ghar ke nikatt pahuncha, to us ne gane bajane aur nachane ka shabd suna. aur us ne aek das ko bulakar poochha yah kya ho raha haai? us ne us se kaha, tera bhai aya haai aur tere pita ne pala hua bachhda kattvaya haai, isaliye ki use bhla changa paya haai. yah sunakar vah krodha se bhr gaya, aur bheetar jana n chaha : parantu usaka pita bahar akar use manane laga. us ne pita ko uttri diya, ki dekh maain itane varsha se taree seva kar raha hoo, aur kabhee bhee teree agyaan naheen tlaee, taubhee too ne mujhe kabhee ek bakaree ka bachcha bhee n diya, ki maain apane mitraen ke sath anand karata. parantu jab tera yah putra, jis ne teree sanpaati veshyaon men uda dee haai, aya, to usake liye too ne pala hua bachhda kattvaya. us ne us se kaha putra, too sarvada mere sath haai aur jo kuchh mera haai vah sab tera hee haai. parantu ab anand karana aur magan hona chahiae kyonki yah tera bhai mar gaya tha fir jee gaya haai kho gaya tha, ab mil gaya haai..

fir us ne chelon se bhee kaha kisee dhanavan ka aek bhndaree tha, aur logon ne usake samhane us par yah dosh lagaya ki yah teree sab sanpaati udaae deta haai. so us ne use bulakar kaha, yah kya haai jo maai tere vishay men sun raha hoon? apane bhndareepan ka

lekha de kyonaki too age ko bhndaree naheen rah sakata. tab bhndaree sochane laga, ki ab maain kya karoon? kyonki mera svamee ab bhndaree ka kam mujh se chheen le raha haai: mittee to mujh se khodee naheen jatee: aur bheekh mangane se mujhe lajja atee haai. maain saman gaya, ki kya karoonga: taki jab maain bhndaree ke kam se chhudaya jaun to log mujhe apane gharon men le len. aur us ne apane svamee ke denadaro men se aek aek ko bulakar pahile se poochha, ki tujh par mere svamee ka kya ata haai? us ne kaha, sau man tela tab us ne us se kaha, ki apanee khata-bahee le aur baaitkar turant pachas likh de. fir doosare se poochha tujh par kya ata haai? us ne kaha, sau man gehoon tab us ne us se kaha apanee khata-bahee lekar assee likh de. svamee ne us adharmee bhndaree ko saraha, ki us ne chaturai se kam kiya haai kyonki is sansar ke log apane samay ke logon kee reeti vyavaharon men jyoti ke logon se aadhaik chatur haain. aur maain tum se kahata hoo, ki adharman ke dhan se apane liye mitra bana lo taki jab vah jata rahe, to ve tumhen anant nivason men le len. jo thode se thode men sachcha haai, vah bahut men bhee sachcha haai: aur jo thode se thode men adharmee haai, vah bahut men bhee adharmee haai. isaliye jab tum adharmee ke dhan men sachche n tthare, to sachcha tumhen kaun saunpega. aur yaadi tum paraye dhan men sachche n tthare, to jo tumhara haai, use tumhen kaun dega? koi das do svaamiyon kee seva naheen kar sakata: kyonaki vah to aek se baair aur doosare se praem rakhega ya aek se mil rahega aur doosare ko tuchchh janega: tum parameshvar aur dhan donon kee seva naheen kar sakate.. fareesee jo lobhee the, ye sab baten sunakar use tttthon men udane lage. us ne un se kaha tum to manushyon ke samhane apane ap ko dharmee ttharate ho: parantu parameshvar tumhare man ko janata haai, kyonaki jo vastu manushyon kee draashtti men mahan haai, vah parameshvar ke nikatt gharanait haai. vyavastha aur bhavishyadvkta yoochanna tak rahe, us samay se parameshvar ke rajy ka susamachar sunaya ja raha haai, aur har koi us men prabalata se pravesht karata haai. akash aur prathvee ka tti jana vyavastha ke aek bindu ke mitt jane se sahaj haai. jo koi apanee patnee ko tyagakar doosaree se byah karata haai, vah vyaabhaichar karata haai, aur jo koi aeesee tyagee hui sree se byah karata haai, vah bhee vyaabhaichar karata haai. aek dhanavan manushy tha jo baainjanee kapede aur malamal pahinata aur prati din sukh-vilas aur dhooma-dhaam ke sath rahata tha. aur lajar nam ka aek kangal ghaavon se bhra hua us kee devaddhee par chhod diya jata tha. aur vah chahata tha, ki dhanavan kee mej par kee jootn se apana pett bhre baran kutte bhee akar usake ghaavon ko chattle the. aur aeesea hui ki vah kangal mar gaya, aur svargadooton ne use lekar ibraaheem kee god men pahunchaya aur vah dhanavan bhee mara aur gada gaya. aur adhaelok men us ne peeda men pade huae apanee ankenh uttai, aur door se ibraaheem kee god men lajar ko dekha. aur us ne pukar kar kaha, he pita ibraaheem, mujh par day karake lajar ko bhej de, taki vah apanee ungulee ka sira panee men bhaigokar meree jeebh ko ttndee kare, kyonki maain is jvaala men tadp raha hoon. parantu ibraaheem ne kaha he putra smaran kar, ki

too apane jeevan men achchhee vastuaen le chuka haai, aur vaaise hee lajar buree vastuaen: parantu ab vah yahan shaaantai pa raha haai, aur too tadp raha haai. aur in sab baton ko chhod hamare aur tumhare beech aek bharee gadha ttharaya gaya haai ki jo yahan se us par tumhare pas jana chahe, ve n ja sake, aur n koi vahar se is par hamare pas a sake. ibraaheem ne us se kaha, un ke pas to moosa aur bhavishyadvktaon kee pustaken haai, ve un kee sunen. us ne kaha nahee, he pita ibraaheema par yaadi koi mare huon men se un ke pas jaa, to ve man firaenge. us ne us se kaha, ki jab ve moosa aur bhvishyadvktaon kee naheen sunate, to yaadi mare huon men se koi bhee jee utte taubhee us kee naheen manenge..

17

fir us ne apane chelon se kaha ho naheen sakata ki ttokaren n lage, parantu hay, us manushy par jis ke karan ve atee haai! jo in chhotton men se kisee aek ko ttokar khailata haai, usake liye yah bhla hota, ki chakkee ka patt usake gale men lattkaya jata, aur vah samudra men dal diya jata. sachet raho yaadi tera bhai aparadha kare to use samajha, aur yaadi pachhtaae to use kshama kara. yaadi din bhr men vah sat bar tera aparadha kare aur saton bar tere pas fir akar kahe, ki maain pachhtata hoo, to use kshama kara.. tab praeriton ne prabhu se kaha, hamara vishvas baddha. prabhu ne kaha ki yadi tum ko rai ke dane ke barabar bhee vishvas hota, to tum is toot ke ped se kahate ki jad se ukhdkar samudra men lag ja, to vah tumharee man leta. par tum men se aesa kaun haai, jis ka das hal jotata, ya bhenden charata ho, aur jab vah khet se aa, to us se kahe turant akar bhojan karane baait? aur yah n kahe, ki mera khana taaiyar kara: aur jab tak maain khaun-peeun tab tak kamar bandhakar meree seva kara is ke bad too bhee khaa pee lena. kya vah us das ka nihora manega, ki us ne ve hee kam kiae jis kee agyaa dee gai thee? isee reeti se tum bhee, jab un sab kamon ko kar chuko jis kee agyaa tumhen dee gai thee, to kaha, ham nikameme das haain ki jo hamen karana chaahiae tha vahee kiya haai.. aur aesa hua ki vah yarooshalem ko jate huae samariya aur galeel ke beech se hokar jo raha tha. aur kisee ganv men praves karate samay use das koddhee mile. aur unhon ne door khde hokar, unche shabd se kaha, he yeeshu, he svamee, ham par daya kara. us ne unhen dekhkar kaha, jao aur apane tai yajakon ko dikhao aur jate hee jate ve shuuddh ho gae. tab un men se aek yah dekhkar ki maain changa ho gaya hoo, unche shabd se parameshvar kee badai karata hua lautta. aur yeeshu ke panvon par munh ke bal girakar, usaka dhanyavad karane laga aur vah samaree tha. is par yeeshu ne kaha, kya dason shuuddh n huae to fir ve nau kahan haain? kya is paradeshae ko chhod koi aur n nikala, jo parameshvar kee badai karata? tab us ne us se kaha uttkar chala ja tere vishvas ne tujhe changa kiya haai.. jab fareesiyon ne us se poochha, ki parameshvar ka rajy kab aaga? to us ne un ko uttr diya, ki pameshvar

ka rajy pragatt roop men naheen ata. aur log yah n kahenge, ki dekho, yahan haai, ya vahan haai, kyon-aki dekho, parameshvar ka rajy tumhare beech men haai.. aur us ne chelon se kaha ve din aenge, jin men tum manushy ke putra ke dinon men se aek din ko dekhna chahoge, aur naheen dekhne paoge. log tum se kahenge, dekho, vahan haai, ya dekho yahan haai parantu tum chale n jana aur n un ke peechhe ho lena. kyonaki jaaise bijalee akash kee aek or se kaundhakar akash kee doosaree or chamakatee haai, vaaise hee manushy ka putra bhee apane din men pragatt hoga. parantu pahile avashy haai, ki vah bahut dukh uttaa, aur is yug ke log use tuchchh ttharaaen. jaaisa nooh ke dinon men hua tha, vaaisa hee manushy ke putra ke dinon men bhee hoga. jis din tak nooh jahaj par n chaddha, us din tak log khate-peete the, aur un men byaha-shaadee hotee theee tab jala-pralay ne akar un sab ko nash kiya. aur jaaisa loot ke dinon men hua tha, ki log khate-peete lena-den karate, ped lagate aur ghar banate the. parantu jis din loot sadow se nikala, us din ag aur gandhak akash se barasee aur sab ko nash kar diya. manushy ke putra ke pragatt hone ke din bhee aesa hee hoga. us din jo kotte par ho aur usaka saman ghar men ho, vah use lene ko n utare, aur vaaise hee jo khet men ho vah peechhe n lautte. loot kee patnee ko smaran rakho. jo koi apana praan bachana chahe vah use khoaga, aur jo koi use khoae vah use jeevit rakhega. maain tum se kahata hoo, us rat ko manushy aek khatt par honge, aek le liya jaeega, aur doosara chhod diya jaeega. do striyan aek sath chakkee peesatee hongee, aek le lee jaegeee, aur doosaree chhod dee jaegeee. do jan khet men honge aek le liya jaeega aur doosara chhoda jaeega. yah sun unhon ne us se poochha, he prabhu yah kahan hoga? us ne un se kaha, jahan loth haai, vahan giddh ikattthe hongee..

18

fir us ne is ke vishay men ki nity praarthna karana aur hiyav n chhodna chaahiae un se yah drashttant kaha. ki kisee nagar men aek nyayee rahata tha jo n parameshvar se drata th aur n kisee manushy kee paravah karata tha. aur usee nagar men aek vidhava bhee rahatee thee: jo usake pas a akar kaha karatee thee, ki mera nyay chukakar mujhe mui se bacha. us ne kitane samay tak to n mana parantu ant men man men vicharakar kaha, yadhyapi maain n parameshvar se drata, aur n manushyon kee kuchh paravah karata hoon. taubhee yah vidhava mujhe satatee rahatee haai, isaaliye maain usaka nyay chukaunga kaheen aesa n ho ki ghadee ghadee akar ant ko mera nak men dam kare. prabhu ne kaha, suno, ki yah ad-harmee nyayee kya kahata haai? so kya parameshr apane chune huon ka nyay n chukaaga, jo rata-adin us kee duhai dete rahate aur kya vah un ke vishay men den karega? maain tum se kahata hoon vah turant un ka nyay chukaaga taubhee manushy ka putra jab aaga, to kya vah prathvee par vishvas paaga? aur us ne kitano se jo apane upar bhrosa rakhte the, ki ham dharmee haai, aur auron ko tuchchh janate the, yah drashttant kaha. ki do manushy mandair men praarthna karane ke liye gae aek fareesee tha

aur doosara chungee lenevala. fareesee khda hokar apane man men yon praarthna karane laga, ki he parameshvar, maain tera dhanyavad karata hoo, ki maain aur manushyon kee nai andhor karanevala, anyayee aur vyaabhaicharee nahee, aur n is chungee lenevale ke saman hoon. maain saptah men do bar upavas karata hoon maain apanee sab kamai ka dasavan ansh bhee deta hoon. parantu chungee lenevale ne door khde hokar, svarga kee or ankh uttana bhee n chaha, baran apanee chhatee peett-peettkar kaha he parameshvar mujh papee par daya kara. maain tum se kahata hoo, ki vah doosara naheen parantu yahee manushy dharmee tharaya jakar apane ghar gaya kyonaki jo koi apane ap ko bada banaaega, vah chhotta kiya jaaega aur jo apane ap ko chhotta banaaega, vah bada kiya jaaega.. fir log apane bachchon ko bhee usake pas lane lage, ki vah un par hath rakhe aur chelon ne dekhkar unhen dantta. yeeshu n bachchon ko pas bulakar kaha, balakon ko mere pas aane do, aur unhen mana n karo: kyonaki parameshvar ka rajy aeseen kee ka haai. maain tum se sach kahata hoo, ki jo koi paramashevar ke rajy ko balak kee nai grahan n karega vah us men kabhee praves karane n paega.. kisee saradar ne us se poochha, he uttm guro, anantajeevan ka adhaikaree hone ke liye maain kya karoon? yeeshu ne us se kaha too mujhe uttm kyon kahata haai? koi uttm nahee, keval aek, arthata parameshvara. too agyaan ko to janata haai, ki vyaabhaichar n karana, jootee gavahee n dena, apane pita aur apanee mata ka adar karana. us ne kaha, maain to in sab ko ladkapan hee se manata aya hoon. yah sun, yeeshu ne us se kaha, tujh men ab bhee aek bat kee ghattee haai, apana sab kuchh bechakar kangalon ko bant de aur tuihe svarga men dhan milega, aur akar mere peechhe ho le. vah yah sunakar bahut udas hua, kyonki vah bada dhaneer tha. yeeshu ne use dekhkar kaha dhana-vanon ka parameshvar ke rajy men praves karana kaaisa kattnai haai? parameshvar ke rajy men dhana-vaan ke praves karane se unt ka sooi ke nake men se nikal jana sahaj haai. aur sunanevalon ne kaha, to fir kis ka uddhar ho sakata haai? us ne kaha jo manushy se naheen ho sakata, vah parameshvar se ho sakata haai. pataras ne kaha dek, ham to ghar bar chhodkar tere peechhe ho liye haain. us ne un se kaha maain tum se sach kahata hoo, ki aesea koi naheen jis ne parameshvar ke rajy ke liye ghar ya patnee ya bhaiyon ya mata pita ya ladke-balon ko chhod diya ho. aur is samay kai guna adhaik n paae aur paralok men anant jeevana.. fir us ne barahon ko sath lekar un se kaha dekho, ham yarooshalem ko jate haai, aur jitaneer baten manushy ke putra ke liye bhavishyadvk-taon ke dara likhee gai haain ve sab pooree hongee. kyonaki vah anyaatiyon ke hath men saunpa jaaega, aur ve use tithon men udaenge aur usaka apaman karenge, aur us par tookenge. aur use kode mareenge, aur ghaat karenge, aur vah teesare din jee uttega. aur unhon ne in baton men se koi bat n samajhee: aur yah bat un men chhpaiee rahee, aur jo kaha gaya tha vah un kee samajh men n aya.. jab vah yareeho ke nikatt pahuncha, to aek andha sadk ke kinare baaita hua bheekh mang raha tha. aur vah bheed ke chalanee kee ahatt sunakar poochhne laga, yah kya ho raha haai? unhon ne us ko bataya, ki yeeshu nasaree ja raha haai.

tab us ne pukar ke kaha, he yeeshu daud kee santan, mujh par daya kara. jo age jate the, ve use dantnee lage ki chup rahe: parantu vah aur bhee chillane laga, ki he daud kee santan, mujh par daya kara. tab yeeshu ne khde hokar agya dee ki use mere pas lao, aur jab vah nikatt aya, to us ne us se yah poochha. too kya chahata haai, ki maain tere liye karoon? us ne kaha he prabhu yah ki maain dekhne lagoon. yeeshu ne kaha dekhne lag, tere vishvas ne tuihe achchha kar diya haai. aur vah turant dekhne laga aur parameshvar kee badaai karata hua usake peechhe ho liya, aur sab logon ne dekhkar parameshvar kee suati kee..

vah yareeho men pravesh karake ja raha tha. aur dekho, jakkai nam aek manushy tha jo chungee lenevalon ka saradar aur dhaneer tha. vah yeeshu ko dekhna chahata tha ki vah kon sa haai? parantu bheed ke karan dekh n sakata tha. kyonaki vah natta tha. tab us ko dekhne ke liye vah age daudkar aek goolar k ped par chaddh gaya, kyonaki vah usee marga se jane vala tha. jab yeeshu us jagah pahuncha, to upar draashtti kar ke us se kaha he jakkai jht utar a kyonaki aj mujhe tere ghar men rahana avashy haai. vah turant utarakar anand se use apane ghar ko le gaya. yah dekhkar sab loge kudkudakar kahane lage, vah to aek papee manushy ke yahan ja utara haai. jakkai ne khde hokar prabhu se kaha he prabhu, dekh maain apanee adhae sampati kangalon ko deta hoo, aur yadi kisee ka kuchh bhee anyay karake le liya haai to use chauguna faer deta hoon. tab yeeshu ne us se kaha aj is ghar men uddhar aya haai, isaaliye ki yah bhee ibraaheem ka aek putra haai. kyonaki manushy ka putra khoae huon ko ddoondhne aur un ka uddhar karane aya haai.. jab ve yaten sun rahe the, to us ne aek drashtant kaha, isaliye ki vah yarooshalem ke nikatt tha, aur ve samajhte the, ki parameshvar ka rajy abhee pragatt hua chahata haai. so us ne kaha, aek dhaneer manushy door desh ko chala takti rajapad pakar fir aae. aushra us ne apane dason men se das ko bulakar unhen das muhareen dee, aur un se kaha, mere lautt ane tak lena-den karana. parantu usake nagar ke rahanevale us se baair rakhte the, aur usake peechhe dooton ke dara kahala bheja, ki ham naheen chahate, ki yah ham par rajy kare. jab vah rajapad pakar lautt aya, to aesea hua ki us ne apane dason ko jinhen rokad dee thee, apane pas bulavaya taaki maloom kare ki unhon ne lena-den se kya kya kamaya. tab paahile ne akar kaha, he svamee tere mohar se das aur moharen kamai haain. us ne us se kaha dhany he uttm das, tuihe dhany haai, too bahut hee thode men vishvasee nikala ab das nagaron ka adhaikar rakh. doosare ne akar kaha he svamee teree mohar se panch aur moharen kamai haain. us ne kaha, ki too bhee panch nagaron par haakim ho ja. teesare ne akar kaha he svamee dek, teree mohar yah haai, jise maain ne angochhe men bandha rakhee. kyonaki maain tujh se drata tha, isaliye ki too kattor manushy haai: jo too ne naheen rakha use utta leta haai, aur jo too ne naheen boya, use kattta haai. us ne us se kaha he dusht das, maain tere hee munh se tuihe doshae tharata hoon: too mujhe janata tha ki kattor manushy hoo,

jo maain ne naheen rakha use utta leta, aur jo maain ne naheen boya, use kattta hoon. to too ne mere roo-paye kotte men kyon naheen rakh dia, ki maain akar byaj samet le leta? aur jo log nikatt khde the, us ne un se kaha, vah mohar us se le lo, aur jis ke pas das moharen haain use de do. unhon ne us se kaha he svamee, usake pas das moharen to haain. maain tum se kahata hoo, ki jis ke pas haai, use diya jaega aur jis ke pas nahee, us se vah bhee jo usake pas haai le liya jaega. parantu mere un baairiyon ko jo naheen चाहते थे ki maain un par rajy karoo, un ko yahan lakar mere samane ghaat karo.. ye baten kahakar vah yarooshalem kee or un ke age age chala.. aur jab vah jaaitoon nam pahad par baaitafage aur baaitaniyah ke pas pahuncha, to us ne apane chelon men se do ko yah kahake bheja. ki samhane ke ganv men jao, aur us men pahunchate hee aek gadahee ka bachcha jis par kabhee koi savar naheen hua, bandha hua tumhen milega, use kholakar lao. aur yaadi koi tum se poochhe, ki kyon kholate ho, to yah kah dena, ki prabhu ko is ka prayojan haai. jo bheje gae the unhon ne jakar jaaisa us ne un se kaha tha, vaaisa hee paya. jab ve gadahe ke bachche ko khol rahe the, to usake malikon ne un se poochha is bachche ko kyon kholate ho? unhon ne kaha, prabhu ko is ka prayojan haai. ve us ko yeeshu ke pas le aae aur apane kapade us bachche par dalakar yeeshu ko us par savar kiya. jab vah ja raha tha, to ve apane kapade marga men bichhate jate the. aur nikatt ate huae jab vah jaaitoon pahad kee ddhlan par pahuncha, to chelon kee saree mandlee un sab samarth ke kamon ke karan jo unhon ne dekhe the, anaandait hokar bade shabd se parameshvar kee stuati karane lagee. ki dhany haai vah raja, jo prabhu ke nam se ata haai svarga men shaantai aur akash mandl men mahima ho. tab bheed men se kitane fareesee us se kahane lage, he guroo apane chelon ko dant. us ne uttr diya, ki tum men se kahata hoo, yadi ye chup rahe, to patthr chilla uttenge.. jab vah nikatt aya to nagar ko dekhkar us par roya. aur kaha, kya hee bhla hota, ki too ha, too hee, isee din men kushal kee baten janata, parantu ab ve teree ankhone se chhpaai gai haain. kyonaki ve din tujh par aaenge ki tere baairree morcha bandhakar tujhe ghor lenge, aur charon or se tujhe dabaenge. aur tujhe aur tere balakon ko jo tujh men haai, mitttee men milaaenge, aur tujh men patthr par patthr bhee n chhodenge kyonki too ne vah avasar jab tujh par krapa draashtti kee gai n pahichana.. tab vah maandair men jakar bechanevalon ko bahar nikalane laga. aur un se kaha, likha haai ki mera ghar praarthna ka ghar hoga: parantu tum ne use dakuon kee khoh bana diya haai.. aur vah praati din mandair men upadesh karata tha: aur mahayajak aur shaasree aur loagon ke rais use nash karane ka avasar ddoondhthe the. parantu koi upay n nikal sake ki yah kis prakar karen kyonki sab log badee chah se us kee sunate the.

aek din aeesa hua ki jab vah mandair men logon ko upadesh deta aur susamachar suna raha tha, to mahayajak aur shaasre, puraaniyon ke sath pas akar khde hue. aur kahane lage, ki hamen bata, too in ka-

mon ko kis adhaikar se karata haai, aur vah kaun haai, jis ne tuijhe yah aadhaikar diya haai? us ne un ko uttr diya, ki maain bhee tum men se ek bat poochhta hoon mujhe batao. yooohana ka bapatisma svarga kee or se tha ya manushyon kee or se tha? tab ve apas men kahane lage, ki yadi ham kahen svarga kee or se, to vah kahega fir tum ne us kee prateeti kyon n kee? aur yaadi ham kahe, manushyon kee or se, to sab log hamen patthravah karenge, kyonaki ve sachamuch janate haai, ki yooohana bhvishyadvkata tha. so unhon ne uttr diya, ham naheen janate, ki vah kis kee or se tha. yeeshu ne un se kaha, to maain bhee tum ko naheen batata, ki maain ye kam kis adhaikar se karata hoon. tab vah logon se yah drashtant kahane laga, ki kisee manushy ne dakh kee baree lagai, aur kisanon ko usaka tteka de diya aur bahut dinon ke liye paredash chala gaya. samay par us ne kisanon ke pas aek das ko bheja, ki ve dakh kee baree ke kuchh falon ka bhag use de, par kisanon ne use peettkar choochhe hath lautta diya. fir us ne aek aur das ko bheja, or unhon ne use bhee peettkar aur usaka apaman karake choochhe hath lautta diya. fir us ne teesara bheja, aur unhon ne use bhee ghaayal karake nikal diya. tab dakh kee baree ke svamee ne kaha, maain kya karoon? maain apane piry putra ko bhejoonga kya jane ve usaka adar karen. jab kisanon ne use dekha to apas men vichar karane lage, ki yah to varis haai ao, ham use mar dale, ki miras hamaree ho jaae. aur unhon ne use dakh kee baree se bahar nikalakar mar dala: isaaliye dakh kee baree ka svamee un ke sath kya karega? vah akar un kisanon ko nash karega, aur dakh kee baree auron ko saunpega : yah sunakar unhon ne kaha, parameshvar aeesa n kare. us ne un kee or dekhkar kaha fir yah kya, likha haai, ki jis patthr ko rajaamistriayon ne nikamma ttharaya tha, vahee kone ka sira ho gaya. jo koi us patthr par girega vah chakanachoor ho jaega, aur jis par vah girega, use vah pees dalega.. usee ghaadee shaaastriayon aur mahayajakon ne use pakadna chaha, kyonki samajh gaa, ki us ne ham par yah drashttant kaha, parantu ve logon se dre. aur ve us kee tak men lage aur bhediye bheje, ki dharm ka bhesht dharakar us kee koi n koi bat pakade, ki use haakim ke hath aur adhaikar men saunp den. unhon ne us se yah poochha, ki he guro, ham janate haain ki too tteek kahata, aur sikhata bhee haai, aur kisee ka pakshapat naheen karata baran parameshvar ka marga sachchai se batata haai. kya hamen kaaisar ko kar dena uchit haai, ki naheen. us ne un kee chaturai ko tadkar un se kaha ek deenar mujhe dikhao. is par kis kee mootira un nam haai? unhon ne kaha, kaaisar ka. us ne un se kaha to jo kaaisar ka haai, vah kaaisar ko do aur jo parameshvar ka haai, vah parameshvar ko do. ve logoon ke samhane us bat ko pakad n sake, baran usake uttr se achaambhiat hokar chup rah gae. fir sadooos ke jo kahate haai, ki mare huon ka jee uttna haai hee nahee, un men se kitanon ne usake pas akar poochha. ki he guro, moosa ne hamare liye yah likha haai, ki yadi kisee ka bhai apanee patnee ke rahate huae bina santan mar jaa, to usaka bhai us kee patnee ko byah le, aur apane bhai ke liye vansh utpann kare. so sat bhai the, pahila bhai byah karake bina santan mar gaya. fir doosare aur teesare ne bhee us sree ko byah liya. isee reeti se saton bina santan mar

gaae. sab ke peechhe vah sree bhee mar gai. so jee uttne par vah un men se kis kee patnee hogee, kyonaki vah saton kee patnee ho chukee the. yeeshu ne un se kaha ki is yug ke santanon men to byah shaadee hotee haai. par jo log is yogy ttharenge, ki us yug ko aur mare huon men se jee uttna praapt kare, un men byah shaadee n hogee. ve fir marane ke bhee naheen kyonki ve svargadooton ke saman hongee, aur jee uttne ke santan hone se parameshvar ke bhee santan hongee. parantu is bat ko ki mare huae jee uttte haai, moosa n bhee jhaadee kee katha men pragatt kee haai, ki vah prabhu ko ibraaheem ka parameshvar, aur isahak ka parameshvar, aur yakooob ka paramashevar kahata haai. parameshvar to muradon ka naheen parantu jeevaton ka parameshvar haai: kyonki usake nikatt sab jeeavit haain. tab yah sunakar shaastriyon men se kitanon ne kaha, ki he guro, too ne achchha kaha. aur unhen fir us se kuchh aur poochhne ka hiyaav n hua.. fir us ne un se poochha, maseeh ko daud ka santan kyonkar kahata haain. daud ap bhjanasanhita kee pustak men kahata haai, ki prabhu ne mere prabhu se kaha. mere dahine baait, jab tak ki maain teere baairiyon ko tere panvon ke tale n kar doon. daud to use prabhu kahata haai to fir vah us kee santan kyonkar tthara? jab sab log sun rahe the, to us ne apane chelon se kaha. shaastriyon se chaukas raho, jin ko lambe lambe vasr paahine huae firana bhla haai, aur jinhen bajaron men namaskar, aur sabhaon men mukhy asan aur jevanaron men mukhy sthan piry lagate haain. ve vidhavaon ke ghar kha jate haai, aur dikhane ke liye badee der tak praarthna karate rahate haain: ye bahut hee dand paenge..

fir us ne ankh uttakar dhanavanon ko apana apana dan bhndar men dalate dekha. aur us ne aek kangal vidhava ko bhee us men do damaadiyan dalate dekha. tab us ne kaha maain tum se sach kahata hoon ki is kangal vidhava ne sab se baddhkar dala haai. kyonaki un sab ne apanee baddhte men se dan men kuchh dala haai, parantu is ne apanee ghattee men se apanee saree jeevika dal dee haai.. jab kitane log mandair ke vishay men kah rahe the, ki vah kaaise sundar patthron aur bhentt kee vastuon se sanvara gaya haai to us ne kaha. ve din aaenge, jin men yah sab jo tum dekhte ho, un men se yahan kisee patthar par patthar bhee n choottega, jo ddhaya n jaega. unhon ne us se poochha, he guro, yah sab kab hoga? aur ye baten jab pooree hone par hongee, to us samay ka kya chinh hoga? us ne kaha chaukas raho, ki bhramaee n jao, kyonaki bahutere mere nam se akar kahenge, ki maain vahee hoon aur yah bhee ki samay nikatt a pahuncha haai: tum un ke peechhe n chale jana. aur jab tum ladaiyon aur balavon kee charcha suno, to ghabara n jana kyonaki in ka pahile hona avashy haai parantu us samay turant ant n hoga. tab us ne un se kaha, ki jati par jati aur raji par raji chaddhai karega. aur baden baden booidol hongee, aur jagah jagah akal aur maariyan padengee, aur akash men bhyankar baten aur bade bade chinh pragatt hongee. parantu in sab baton se paahile ve mere nam ke karan tumhen pakadenge, aur

sataaenge, aur panchayatton men saupenge, aur ban-deegrah me dlavaaenge, aur rajaon aur haakimon ke samhane le jaenge. par yah tumhare liye gavahee dene ka avasar ho jaaega. isaliye apane apane man men ttan rakho ki ham pahile se uttr dene kee chinta n karenge. kyonaki maain tumhen aeesa bol aur buddh doonga, ki tumhare sab virodhaee samhana ya khndn n kar sakege. aur tumhare mata pita aur bhai aur kuttumb, aur mitra bhee tumhen pakad-vaaenge yahan tak ki tum men se kitanon ko mar-ava dalenge. aur mere nam ke karan sab log tum se baair karenge. parantu tumhare sir ka aek bal bhee banka n hoga. apane dhaeraj se tum apane praanon ko bachaaee rakhoge.. jab tum yarooshalem ko senaon se ghaira hua dekho, to jan lena ki usaka ujad jana nikatt haai. tab jo yahoodiya men hon vah pahadon par bhag jaae, aur jo yarooshalem ke bheetar hon ve bahar nikal jaen aur jo gavon men ho ve us men n janae. kyonaki yah palatta lene ke aeese din hongee, jin men likhee hui sab baten pooree ho jaaengee. un dinon men jo garbhvatee aur doodha pilatee hongee, un ke liye hay, hay, kyonaki desh men bada klesh aur in logon par badee apaati hogee. ve talavar ke kaur ho jaaenge, aur sab deshaen ke logon men bandhauae hokar pahunchaae jaaenge, aur jab tak any jaatiyon ka samay poora n ho, tab tak yarooshalem any jaatiyon se raunda jaaega. aur sooraj aur chand aur taron men chinh dikhai denge, aur prathvee par, desh desh ke logon ko sankatt hoga kyonaki ve samudra ke garajane aur laharon ke kolahal se ghabara jaaenge. aur bhy ke karan aur sansar par anevalee ghattnaon kee bantt dekhte dekhte logon ke jee men jee n rahega kyonaki akash kee shaktaiyon hilai jaaengee. tab ve manushy ke putra ko samarth aur badee mahima ke sath badal par ate dekhenge. jab ye baten hone lage, to seedho hokar apane sir upar uttana kyonaki tumhara chhuttkara nikatt hoga.. us ne un se ek drashttant bhee kaha ki anjeer ke ped aur sab pedon ko dekho, jyon-ahi un kee konpalen nikalatee haai, to tum dekhkar ap hee jan lete ho, ki graeshmakal nikatt haai. isee reeti se jab tum ye baten hote dekho, tab jan lo ki parameshvar ka raji nikatt haai. maain tum se sach kahata hoo, ki jab tak ye sab baten n ho le, tab tak is peeddhee ka kadaapi ant n hoga. akash aur prathvee ttl jaaenge, parantu meree baten kabhee n ttlengee.. isaliye savadhaan raho, aeesa n ho ki tumhare man khumar aur matavalepan, aur is jeevan kee chintaon se sust ho jaae, aur vah din tum par fande kee nai achanak a pade. kyonaki vah saree prathvee ke sab rahanevalon par isee prakar a padege. isaliye jagate raho aur har samay praarthna karate raho ki tum in sab anevalee ghattnaon se bachane, aur manushy ke putra ke samhane khde hone ke yogy bano.. aur vah din ko mandair men upadesh karata tha aur rat ko bahar jakar jaaitoon nam pahad par raha karata tha. aur bhor ko tadke sab log us kee sunane ke liye maandair men usake pas aya karate the.

akhmeereee rottee ka pavrva jo fasah kahalata haai, nikatt tha. aur mahayajak aur shaasree is bat kee khoj men the ki us ko kyonkar mar dale, par ve lo-

gon se drate the.. aur shautan yahooda men samaya, jo iskaariyotee kahalata aur barah chelon men gina jata tha. us ne jakar mahayajakon aur paharoon ke saradaron ke sath batacheet kee, ki us ko kis prakar un ke hath pakadvae. ve anandait hua, aur use roop-pade dene ka vachan diya. us ne man liya, aur avasar ddoondhne laga, ki bina upadrav ke use un ke hath pakadva de.. tab akhmeeree rottee ke pavrva ka din aya, jis men fasah ka memna balee karana avashy tha. aur yeeshu ne pataras aur yooahanna ko yah kahakar bheja, ki jakar hamare khane ke liye fasah taaiyar karo. unhon ne us se poochha, too kahan chahata haai, ki ham taaiyar karen? us ne un se kaha dekho, nagar men pravesht karate hee ek manushy jal ka ghadat uttaae huae tumhen milega, jis ghar men vah jae tum usake peechhe chale jana. aur us ghar ke svamee se kaho, ki guroo tujh se kahata haai ki vah pahunashaala kahan haai jis men maain apane chelon ke sath fasah khaun? vah tumhen aek sajee sajai badee attaree dikha dega vahan taaiyaree karana. unhon ne jakar, jaaisa us ne un se kaha tha, vaaisa hee paya, aur fasah taaiyar kiya.. jab ghadee pahunchee, to vah praearitoen ke sath bhojan karane baaita. aur us ne un se kaha mujhe badee lalasa thee, ki dukh-bhogane se paahile yah fasah tumhare sath khaun. kyonaki maain tum se kahata hoo, ki jab tak vah parameshvar ke rajy men poora n ho tab tak maain use kab-hee n khaunga. tab us ne kattora lekar dhanyavad kiya, aur kaha, is ko lo aur apas men bantto lo. kyonaki maain tum se kahata hoo, ki jab tak parameshvar ka rajy n aae tab tak maain dakh ras ab se kabhee n peeunga. fir us ne rottee lee, aur dhanyavad karake todee, aur un ko yah kahate huae dee, ki yah meree deh haai, jo tumhare liye dee jatae haai: mere smaran ke liye yahee kiya karo. isee reeti se us ne biyaree ke bad kattora mere us lohoo men jo tumhare liye bahaya jata haai nai vacha haai. par dekho, mere pakadvanevale ka hath mere sath mej par haai. kyonaki manushy ka putra to jaaisa usake liye ttharaya gaya jata hee haai, par hay us manushy par, jis ke dara vah pakadvaya jata haai! tab ve apas men poochh pachh karane lage, ki ham men se kaun haai, jo yah kam karega? un men yah vada-avivad bhee hua ki ham men se kaun bada samajha jata haai? us ne un se kaha, anayaatiyon ke raja un par prabhuta karate haain aur jo un par adhaikar rakhte haai, ve upakarak kahalate haain. parantu tum aeese n hona varan jo tum men bada haai, vah chhotte kee nai aur jo pradhan haai, vah sevak kee nai bane. kyonaki bada kaun haai vah jo bhojan par baaita ya vah jo seva karata haai? kya vah naheen jo bhojan par baaita haai? par maain tumhare beech men sevak kee nain hoon. parantu tum vah ho, jo meree pareekshaon men lagatar mere sath rahe. aur jaaise meree pita ne mere liye aek rajy ttharaya haai, vaaise hee maain bhee tumhare liye ttharata hoo, taki tum mere rajy men meree mej par khao-apio baran sinhasanon par baaittkar israael ke barah go-traen ka nyay karo. shamaun, he shamaun, dek, shautan ne tum logon ko mang liya haai ki genhoon kee nai fattke. parantu maain ne tere liye binatee kee, ki tere vishvas jata n rahe: aur jab too fire, to apane bhaiyon ko sthiar karana. us ne us se kaha he prabhu, maain tere sath bandeeagrah jane, varan marane ko

bhee taaiyar hoon. us ne kaha he pataras maain tujh se kahata hoo, ki aj murga bang dega jab tak too teen bar mera inkar n kar lega ki maain use naheen janata.. aur us ne un se kaha, ki jab maain ne tumhen battua, aur jholee, aur joote bina bheja tha, to kya tum ko kisee vastu kee ghattee hui thee? unhon ne kaha kisee vastu kee naheen. us ne un se kaha, parantu ab jis ke pas battua ho vah use le, aur vaaise hee jholee thee, aur jis ke pas talavar n ho vah apane kapade bechakar ek mol le. kyonaki maain tum se kahata hoo, ki yah jo likha haai, ki vah aparadhaiyon ke sath gina gaya, us-aka mujh men poora hona avashy haai kyonki mere vishay kee baten pooree hon par haain. unhon ne kaha he prabhu, dek, yahan do talavaren haain: us ne un se kaha bahut haain.. tab vah bahar nikalakar apanee reeati ke anusar jaaitoon ke pahad par gaya, aur chele usake peechhe ho liae. us jagah pahunchakar us ne un se kaha praarthna karo, ki tum pareeksha men n pado. aur vah ap un se alag aek ddhale faenkane ke ttppe bhr gaya, aur ghauntne ttekakar praarthna karane laga. ki he pita yaadi too chahe to is kattore ko mere pas se hatta le, taubhee meree naheen parantu teree hee ichchha pooree ho. tab svarga se aek doot us ko dikhai diya jo use samarth deta tha. aur vah atyant sankatt men vyakul hokar aur bhee day vedana se praarthna karane laga aur usaka paseena mano lohoo kee badee badee boondon kee nai boomi par gir raha tha. tab vah praarthna se utta aur apane chelon ke pas akar unhen udasee ke mare sota paya aur un se kaha, kyon sote ho? utto, praarthna karo, ki pareeksha men n pado.. vah yah kah hee raha tha, ki dekho aek bheede ai, aur un barahon men se aek jis ka nam yahooda tha unake age age a raha tha, vah yeeshu ke pas aya, ki usaka chooma le. yeeshu ne us se kaha, he yahooda, kya too chooma lekar manushy ke putra ko pakadvata haai? usake saathaiyon ne jab dekha ki kya honevala haai, to kha he prabhu, kya ham talavar chalaen? aur un men se aek ne mahayajak ke das par chalakari us-aka dahina kan uda diya. is par yeeshu ne kaha ab bas karo : aur usaka kan chookar use achchha kiya. tab yeeshu ne mahayajakon aur maandair ke paharoon ke saradaron aur puraanaiyon se, jo us par chaddh aae the, kaha kya tum mujhe dakoo janakar talavaren aur lattaiyan liae huae nikale ho? jab maain mandair men har din tumhare sath tha, to tum ne mujh par hath n dala par yah tumharee ghadee haai, aur andhakar ka adhaikar haai.. fir ve use pakadkar le chale, aur mahayajak ke ghar men laae aur pataras door hee door usake peechhe peechhe chalata tha. aur jab ve angan men ag sulagakar ikatthe baaitte, to pataras bhee un ke beech men baaitt gaya. aur aek laundee use ag ke ujjiyale men baaitte dekhkar aur us kee or takakar kahane lagee, vah bhee to usake sath tha. paranatu us ne yah kahakar inkar kiya, ki he naree, maain use naheen janata. thodee der bad kisee aur ne use dekhkar kaha, too bhee to unheen men se haai: pataras ne kaha he manushy maain naheen hoon. koi ghanthe bhr ke bad aek aur manushy draddhta se kahane laga, nishchay vah bhee to usake sath tha kyonki yah galeelee haai. pataras ne kaha, he manushy, maain naheen janata ki too kya kahata haai? vah kah hee raha tha ki t-urant murga ne bang dee. tab prabhu ne ghoomakar pataras kee or dekha, aur pataras ko prabhu kee vah

bat yad ai jo us ne kahee thee, ki aj murga ke bang dene se paahile, too teen bar mera inkar karega. aur vah bahar nikalakar foott foott kar rone laga.. jo manushy yeeshu ko pakade huae the, ve use tttthton men udakar peettne lage. aur us kee ankhe ddhan-pakar us se poochha, ki bhvishyadane karake bata ki tuijhe kisane mara. aur unhon ne bahut see aur bhee ninda kee baten usake virodha men kaheen.. jab din hua to logon ke puraaniae aur mahayajak aur shaasree ikatthe hua, aur use apanee mahasatha men lakar poochha, yaadi too maseeh haai, to ham se kah de! us ne un se kaha, yaadi maain tum se kahoon to pra-teeti n karoge. aur yaadi poonchoo, to uttr n doge. paranatu ab se manushy ka putra sarvashaaktaiman parameshvar kee daahinee aur baaitta rahega. is par sab ne kaha, to kya too parameshvar ka putra haai? us ne un se kaha tum ap hee kahate ho, kyonki maain hoon. tab unhon ne kaha ab hamen gavahee ka kya prayojan haai kyonaki ham ne ap hee usake munh se sun liya haai..

tab saree sabha uttkar use peelatus ke pas le gai. aur ve yah kahakar us par dosh lagane lage, ki ham ne ise logon ko bahakate aur kaaisar ko kar dene se mana karate, aur apane ap ko maseeh raja kahate huae suna haai. peelatus ne us se poochha, kya too yahoodiyon ka raja haai? us ne use uttr diya, ki too ap hee kah raha haai. tab peelatus ne mahayajakon aur logon se kaha, maain is manushy men kuchh dosh naheen pata. par ve aur bhee draddhta se kahane lage, yah galeel se lekar yahan tak sare yahoodi-ya men upadesh de de kar logon ko usakata haai. yah sunakar peelatus ne poochha, kya yah manushy galeelee haai? aur yah janakar ki vah herodes kee riyasat ka haai, use herodes ke pas bhej diya, kyon-aki un dinon men vah bhee yarooshalem men tha.. herodes yeeshu ko dekhkar bahut hee prasann hua, kyonaki vah bahut dinon se us ko dekhna chahata tha: isaliye ki usake vishay men suna tha, aur us-aka kuchh chinh dekhne kee asha rakhta tha. vah us ne bahuteree baten poochhta raha, par us ne us ko kuchh bhee uttr n diya. aur mahayajak aur shaasree khde huae tan man se us par dosh lagate rahe. tab herodes ne apane sipaahiyan ke sath usaka apaman karake tttthton men udaya, aur bhdkeela vasr paahinakar use peelatus ke pas lautta diya. usee din pee-latus aur herodes mitra ho gae. isake pahile ve ek doosare ke baairree the.. peelatus ne mahayajakon aur saradaron aur logon ko bulakar un se kaha. tum is manushy ko logon ka bahakanevala ttharakar mere pas laae ho, aur dekho, maain ne tumhare samhane us kee janch kee, par jin baton ka tum us par dosh lagate ho, un baton ke vishay men maain ne us men kuchh bhee dosh naheen paya haai. n herodes ne, kyonki us ne use hamare pas lautta diya haai: aur dekho, us se aeesa kuchh naheen hua ki vah mratyu ke dand ke yogy tharaya jae. isaliye maain use pittvakar chhod deta hoon. tab sab milakar chilli utte, ki is ka kam tamam kar, aur hamare liye baraabba ko chhod de. yahee kisee balave ke karan jo nagar men hua tha, aur hatya ke karan bandeegrah men dala gaya tha. par

peelatus ne yeeshu ko chhodne kee ichchha se logon ko fir samajhaya. parantu unhon ne chillakar kaha: ki use kroos par chaddha, kroos para. us ne teesa-ree bar un se kaha kyon us ne kaun see burai kee haai? maain ne us men mratyu dand ke yogy kortt bat naheen pai! isaliye maain use pittvakar chhod deta hoon. parantu ve chillaa-achillakar peechhe pad gaa, ki vah kroos par chaddhaya jaa, aur un ka chillana prabal hua. so peelatus ne agyaa dee, ki un kee binee-nee ke anusar kiya jae. aur us ne us manushy ko jo balave aur hatya ke karan bandeegrah men dala gaya tha, aur jise ve mangate the, chhod diya aur yeeshu ko un kee ichchha ke anusar saunp diya.. jab ve use liae jate i, to unhon ne shamaaain nam aek kurenee ko jo ganv se a raha tha, pakadkar us par kroos ko lad diya ki use yeeshu ke peechhe peechhe le chale.. aur logon kee badee bheed usake peechhe ho lee: aur bahut see striayan bhee, jo usake liye chhatee-peetttee aur vilap karatee theen. yeeshu ne un kee or firakar kaha he yarooshalem kee putraiyo, mere liye mat roo parantu apane aur apane balakon ke liye roo. kyonaki dekho, ve din ate haai, jin men kahenge, dhany haain ve jo banjh haai, aur ve garbh jo n jane aur ve stan jin-hon ne doodha n pilaya. us samay ve pahadon se kahane lagenge, ki ham par giro, aur tteelon se ki hamen ddhap lo. kyonaki jab ve hare ped ke sath aeesa karate haai, to sookhe ke sath kya kuchh n kiya jaeega? ve aur do manushyon ko bhgyae jo kukarmee the us-ake sath ghaat karane ko le chale.. jab ve us jagah jise khopadee kahate haain pahunchte, to unhon ne va-han use aur un kukaarmiyon ko bhee aek ko daahinee aur aur doosare ko bain aur krooson par chaddhaya. tab yeeshu ne kaha he pita, inhen kshama kar, kyon-aki ye janate naheen ki kya kar rahen haain? aur un-hon ne chitthiyan dalakar usake kapade bantt liae. log khde khde dekh rahe the, aur saradar bhee ttttha kar karake kahate the, ki is ne auron ko bachaya, yaadi yah parameshvar ka maseeh haai, aur usaka chuna hua haai, to apane ap ko bacha le. sipahee bhee pas akar aur siraka dekar usaka ttttha karake kahate the. yaadi too yahoodiyon ka raja haai, to apane ap ko bacha. aur usake upar aek putra bhee laga tha, ki yah yahoodiyon ka raja haai. jo kukarmee lattkaae gae the, un men se aek ne us kee ninda karake kaha kya too maseeh naheen? to fir apane ap ko aur hamen bacha. is par doosare ne use dantkar kaha, kya too parameshvar se bhee naheen drata? too bhee to va-hee dand pa raha haai. aur ham to nyayanusar dand pa rahe haai, kyonki ham apane kamon ka tteek fal pa rahe haain par is ne koi anuchit kam naheen kiya. tab us ne kaha he yeeshu, jab too apane rajy men aa, to meree suadhai lena. us ne us se kaha, maain tuij se sach kahata hoon ki aj hee too mere sath svargalok men hoga. aur lagabhg do pahar se teesare pahar tak sare desh men aandhiayara chhaya raha. aur soorya ka ujijala jata raha, aur mandair ka parada beech men fatt gaya. aur yeeshu ne bade shabd se pukar kar kaha he pita, maain apanee atma tere hathon men saun-pata hoon: aur yah kahakar praan chhod diae. soobe-dar ne, jo kuchh hua tha dekhkar, parameshvar kee badai kee, aur kaha nishchay yah manushy dharmee tha. aur bheed jo yah dekhne ko ikatthee hui bhee, is ghattna ko, dekhkar chhatee-peetttee hui lautt gai.

aur usake sab jan pahachan, aur jo striayan galeel se usake pas ai thee, door khdee hui yah sab dekh rahee theen.. aur dekho yoosefa nam aek mantraee jo sajjan aur dharmee puroosh tha. aur un ke vichar aur un ke is kam se prasann n tha aur vaa yaihoodiyon ke nagar arimateeya ka rahanevala aur parameshvar ke rajy kee batt johaneevala tha. us ne peelatut se pas jakar yeeshu kee loth mang lee. aur use utarakar chadar men lapetta, aur aek kabra men rakha, jo chattan men khodee hui thee aur us men koi kabhee n rakha gaya tha. vah taaiyaree ka din tha, aur sabt ka din arambh hone par tha. aur un striayon ne jo usake sath galeel se ai thee, peechhe peechhe jakar us kabra ko dekha, aur yah bhee ki us kee loth kis reeti se rakhee gai haai. aur lauttakar sugandhiat vastuaen aur itra taaiyar kiya: aur sabt ke din to unhon ne agyaa ke anusar vishraam kiya..

parantu saptah ke pahile din bade bhor ko ve un sugaandhiat vastuon ko jo unhon ne taaiyar kee thee, le kar kabra par ain. aur unhon ne patthr ko kabra par se luddhka hua paya. aur bheetar jakar prabhu yeeshu kee loth n pai. jab ve is bat se bhauchakhee ho rahee theen to dekho, do puroosh jhlakate vasr pahine huae un ke pas a khde hue. jab ve dr gai, aur dharatee kee or munh jhukaee raheen to unhon ne us ne kaha tum jeevate ko mare huon men kyon ddoondhthee ho? vah yahan nahee, parantu jee utta haai smaran karo ki us ne galeel men rahate huae tum se kaha tha. ki avashy haai, ki manushy ka putra paapiyon ke hath men pakadvaya jaa, aur kroos par chaddhaya jaae aur teesare din jee utte. tab us kee baten un ko smaran ain. aur kabra se lauttakar unhon ne un gyarahon ko, aur, aur sab ko, ye baten kah sunai. jinhon ne praeariton se ye baten kahee, ve mariyam magadaleenee aur yoanna aur yakoob kee mata mariyam aur un ke sath kee aur striayan bhee theen. parantu un kee baten unahen kahanee see samajh padee, aur unhon ne un kee prateeti n kee. tab pataras uttkar kabra par daud gaya, aur jhukakar keval kapade pade dekhe, aur jo hua tha, us se achambha karata hua, apane ghar chala gaya.. dekho, usee din un men se do jan immaus nam aek ganv ko ja rahe the, jo yarooshalem se koi sat meel kee dooree par tha. aur ve in sab baton par jo hui theen, apas men batacheet karate ja rahe the. aur jab ve apas men batacheet aur poochhtachh kar rahe the, to yeeshu ap pas akar un ke sath ho liya. parnatu un kee ankhe aeese band kar dee gain thee, ki use paahichan n sake. us ne un se poochha ye kya baten haai, jo tum chalte chalte apas men karate ho? ve udas se khde rah gae. yah sunakar, unamen se klaiyupas nam aek vyaaktai ne kaha kya too yarooshalem men akela paradeshaee haai jo naheen janata, ki in dinon men us men kya hua haai? us ne un se poochha kaun see baten? unhon ne us se kaha yeeshu nasaree ke vishay men jo parameshvar aur sab logon ke nikatt kam aur vachan men samarthee bhvishyadvkta tha. aur mahayajakon aur hamare saradaron ne use pakadva diya, ki us par mratyue kee agyaa dee jaae aur use kroos par chaddhvaya. parantu hamen asha thee, ki yahee israel ko chhuttaka dega, aur in sab baton

ke sivay is ghattna ko huae teesara din haai. aur ham men se kai striayon ne bhee hamen ashcharya men dal diya haai, jo bhor ko kabra par gai theen. aur jab us kee loth n pai, to yah kahatee hui ai, ki ham ne svargadooton ka darshan paya, jinhon ne kaha ki vah jeevit haai. tab hamare saathaiyon men se kai aek kabra par gaa, aur jaaisa striayon ne kaha tha, vaaaisa hee paya parantu us ko n dekha. tab us ne un se kaha he nirbuaddhyaie, aur bhvishyadvktaon kee sab baton par vishvas karane men mandamaatiyon kiya avashy n tha, ki maseeh ye dukh uttkar apanee maahima men pravesch kare? tab us ne moosa se aur sab bhavishyadvktaon se arambh karake sare paavitra shaasren men se, apane vishay men kee baton ka arth, unhen samajha diya. itane men ve us ganv ke pas pahunche, jahan ve ja rahe the, aur usake ddhng se aeesa jan pada, ki vah age bada chahata haai. parantu unhon ne yah kahakar use roka, ki hamare sath raha kyonaki sandhya ho chalee haai aur din ab bahut ddhl gaya haai. tab vah un ke sath rahane ke liye bheetar gaya. jab vah un ke sath bhojan karane baaita, to us ne rottee lekar dhanyavad kiya, aur use todkar un ko dene laga. tab un kee ankhe khul gain aur unhon ne use pahachan liya, aur vah un kee ankhon se chhpa gaya. unhon ne apas men kaha jab vah marga men ham se baten karata tha, aur paavitra shasr ka arth hamen samajhata tha, to kya hamare man men uttejana n utpann hui? ve usee ghadee uttkar yarooshalem ko lautt gaa, aur un gyarahon aur un ke saathaiyon ko ikatthe paya. ve kahate the, prabhu sachamuch jee utta haai, aur shamaun ko dikhai diya haai. tab unhon ne marga kee baten unhen bata deen aur yah bhee ki unhon ne use rottee todte samay kyonkar pahachana.. ve baten kah hee rahe the, ki vah ap hee un ke beech men a khda hua aur un se kaha, tumhen shantai mile. parantu ve ghabara gaa, aur dr gaa, aur samajhe, ki ham kisee boot ko dekhte haain. us ne un se kaha kyon ghabarate ho? aur tumhare man men kyon sandeh utte haain? mere hath aur mere panv ko dekho, ki maain vaheen hoon mujhe chookar dekho kyonki atma ke haddee mans naheen hota jaaisa mujh men dekhte ho. yah kahakar us ne unahen apane hath panv dikhaae. jab anand ke mare un ko prateeti n hui, aur ashcharya karate the, to us ne un se poochha kya yahan tumhare pas kuchh bhojan haai? unhon ne use boonee machhlee ka tukada diya. us ne lekar un ke samhane khaya. fir us ne un se kaha, ye meree ve baten haai, jo maain ne tumhare sath rahate hua, tum se kahee thee, ki avashy haai, ki jitane baten moosa kee vyavastha aur bhavishyadvktaon aur bhjanon kee pustakon me, mere vishay men likhee haai, sab pooree hon. tab us ne paavitra shaasr boojhne ke liye un kee samajh khol dee. aur un se kaha, yon likha haai ki maseeh dukh uttaega, aur teesare din mare huon men se jee uttega. aur yarooshalem se lekar sab jaatiyon men man firav ka aur papon kee kshama ka prachar, usee ke nam se kiya jaaega. tum in sab baten ke gavah ho. aur dekho, jis kee pratigyaa mere pita ne kee haai, maain us ko tum par utaroonga aur jab tak svarga men samarth n pao, tab tak tum isee nagar men tthare raho.. tab vah unhen baaitaaniyyah tak bahar le gaya, aur apane hath uttkar unhen ashaeech dee. aur unhen ashaeech dete

huae vah un se alag ho gaya aur svarga se utta liya
gaya. aur ve us ko dandvata karake bade anand se ya-
rooshalem ko lautt gaae. aur lagatar maandair men
upaasthiat hokar parameshvar kee stuati kiya karate
the..

he thaiyuafilus, maain ne paahilee puastaika un sab baton ke vishay men likhee, jo yeeshu ne arambh men kiya aur karata aur sikhata raha. us din tak jab vah un prariton ko jinhen us ne chuna tha, paavitra atma ke dara agyaa dekar upar uttaya n gaya. aur us ne dukh uttane ke bad bahut se pakke pramanon se apane ap ko unhen jeeavit dikhaya, aur chales din tak vah unhen dikhai deta raha: aur parameshvar ke rajy kee baten karata raha. or un se milakar unhen agyaa dee, ki yarooshalem ko n chhodo, parantu pita kee us praatigyaa ke poore hone kee batt jahate raho, jis kee charcha tum mujh se sun chuke ho. kyon-aki yoohanna ne to panee men bapatisma diya haai parantu thode dinon ke bad tum paavitraatma se bapatisma paoge. so unheen ne ikattithe hokar us se poochha, ki he prabhu, kya too isee samay israael ko rajy faer dega? us ne un se kaha un samayon ya kalon ko janana, jin ko pita ne apane hee aadhaikar men rakha haai, tumhara kam naheen. parantu jab pavitra atma tum par aaega tab tum samarth paoge aur yarooshalem aur sare yahoodiya aur samariya me, aur prathvee kee chhor tak mere gavah hoge. yah kahakar vah un ke dekhthe dekhthe upar utti liya gaya aur badal ne use un kee ankhone se chhpai liya. aur usake jate samay jab ve akash kee or tak rahe the, to dekho, do puroosh shvet vagr paahine huae un ke pas a khde hue. aur kahane lage he galeelee purooshae, tum kyon khde svarga kee or dekh rahe ho? yahee yeeshu, jo tumhare pas se svarga par utta liya gaya haai, jis reeti se tum ne use svarga ko jate dekha haai usee reeti se vah fir aaega.. tab ve jaaitoon nam ke pahad se jo yarooshalem ke nikatt aek sabt ke din kee dooree par haai, yarooshalem ko lautte. aur jab vahan pahunchte to ve us attaree par gaa, jahan pataras aur yoohanna aur yakoob aur aandairyas aur filippus aur thoma aur baratulamai aur mattee aur halafai ka putra yakoob aur shamaun jelotes aur yakoob ka putra yahooda rahate the. ye sab kai striayon aur yeeshu kee mata mariyam aur usake bhaiyon ke sath aek chitt hokar praarthna men lage rahe.. aur unheen dinon men pataras bhaiyon ke beech men jo aek sau bees vyaaktai ke lagabhg ikattithe the, khda hokar kahane laga. he bhaiyo, avashy tha ki pavitra shaasr ka vah lekha poora ho, jo paavitra atma ne daud ke mukh se yahooda ke vishay men jo yeeshu ke pakadnevalon ka aguva tha, paahile se kahee thee. kyonaki vah to ham men gina gaya, aur is sevakai men sahabhagee hua. us ne adharma kee kamai se ek khet mol liya aur sir ke bal gira, aur usaka pett fatt gaya, aur us kee sab antiadiyan nikal padee. aur is bat ko yarooshalem ke sab rahanevale jan gaa, yahan tak ki us khet ka nam un kee bhasha men hakaladama arthata lohoo ka khet pad gaya. kyonaki bhjan saahinta men likha haai, ki usaka ghar ujad jaa, aur us men koi n base aur usaka pad koi doosara le le. isaliye jitane din tak prabhu yeeshu hamare sath ata jata raha, arthata yoohanna ke bapatisma se lekar usake hamare pas se uttaae jane tak, jo log barabar hamare sath rahe. uchit haai ki un men se ek vyaaktai hamare sath usake jee uttne ka gavah ho jae. tak unhon ne do ko khda kiya, aek yusufa ko, jo bara-saba kahalata haai, jis ka upanam

yoosatus haai, doosara maatiyyah ko. aur yah kahakar praarthna kee ki he prabhu, too jo sab ke man janata haai, yah pragatt kar ki in danon men se too ne kis ko chuna haai. ki vah is sevakai aur praaritari ka pad le jise yahooda chhod kar apane sthan ko gaya. tab unhon ne un ke bare men chittithiya daalee, aur chittithe maatiyyah ke nam par nikalee, so vah un gyarah praeariton ke sath gina gaya..

jab pintekus ka din aya, to ve sab aek jagah ikattithe the. aur aekaaek akash se badee andhaee kee see sanasanahatt ka shabd hua, aur us se sara ghar jahan ve baaithe the, goonj gaya. aur unhen ag kee see jeebhen fattthe hui dikhai deen aur un men se har aek par a thhareen. aur ve sab paavitra atma se bhr gaa, aur jis prakar atma ne unhen bolane kee samarth dee, ve any any bhasha bolane lage.. aur akash ke neeche kee har aek jati men se bhkt yahoodee yarooshalem men rahate the. jab vah shabd hua to bheed lag gai aur log ghabara gaa, kyonki har aek ko yahee sunai deta tha, ki ye meree hee bhasha men bol rahe haain. aur ve sab chaakit aur achaambhiat hokar kahane lage dekho, ye jo bol rahe haain kya sab galeelee naheen? to fir kyon ham men se har aek apanee apanee janm boomi kee bhasha sunata haai? ham jo parathee aur medee aur aelamee log aur misuputaamiya aur yahoodiya aur kappadookiya aur puntus aur aasiya. aur oogiya aur pamafooliya aur misar aur libooa desh jo kurene ke as pas haai, in sab deshaen ke rahanevale aur romee pravasee, kya yahoodee kya yahoodee mat dhaaran karanevale, kreetee aur arabee bhee haain. parantu apanee apanee bhasha men un se parameshvar ke bade bade kamon kee charcha sunate haain. aur ve sab chaakit hua, aur ghabarakar aek doosare se kahane lage ki yah kya hua chahata haai? parantu auron ne ttttha karake kaha, ki ve to nai maadira ke nasho men haain.. pataras un gyarah ke sath khda hua aur unche shabd se kahane laga, ki he yahoodiyo, aur he yarooshalem ke sab rahanevale, yah jan lo aur kan lagakar meree baten suno. jaaisa tum samajh rahe ho, ye nashon men nahee, kyonki abhee to pahar hee din chaddha haai. parantu yah vah bat haai, jo yoael bhvishyadvkta ke dara kahee gai haai. ki parameshvar kahata haai, ki ant ki dinon men aeesa hoga, ki maain apana atma sab manushyon par undeloonga aur tumhare bette aur tumharee beattyaian bhavishyadaneee karengee aur tumhare javan darshan dekhenge, aur tumhare puraaniae svapt dekhenge. baran maain apane dason aur apanee dasiyan par bhee un dinon men apane atma men se undeloonga, aur ve bhavishyadaneee karengee. aur maain upar akash men adabhut kam, aur neeche dharatee par chinh, arthata lohoo, aur ag aur dhooaen ka badal dikhaunga. prabhu ke mahar aur praasiddh din ke ane se paahile soorya andhora aur chand lohoo ho jaega. aur jo koi prabhu ka nam lega, vahee uddhar paega. he israaeliyo, ye baten suno: ki yeeshu nasaree aek manushy tha jis ka parameshvar kee or se hone ka praman un samarth ke kamon aur ashcharya ke kamon aur chinhon se pragatt haai, jo parameshvar ne tumhare beech us-

ake dara kar dikhlaae jise tum ap hee janate ho. usee ko, jab vah parameshvar kee ttharai hui manasa aur honahar ke gyaan ke anusar pakadvaya gaya, to tum ne adharmiyon ke hath se use kroos par chaddhvakar mar dala. parantu usee ko parameshvar ne mratyu ke bandhanon se chhudakar jilaya: kyonki yah anahona tha ki vah usake vash men rahata. kyonaki daud usake vishay men kahata haai, ki maain prabhu ko sarvada apane samhane dekhta raha kyonki vah meree daahinee or haai, taki maain dgai n jaun. isee karan mera man anand hua, aur meree jeebh gan hui baran mera shreer bhee asha men basa rahaga. kyonaki too mere praanon ko adhaelok men n chhodega aur n apane paavitra jan ko sadne hee dega! too ne mujhe jeevan ka marga bataya hee too mujhe apane darshan ke dara anand se bhr dega. he bhaiyo, maain us kulapati daud ke vishay men tum se sahas ke sath kah sakata hoon ki vah to mar gaya aur gada bhee gaya aur us kee kabra aj tak hamare yahan vartaman haai. so bhavishyadvkta hokar aur yah janakar ki parameshvar ne mujh se shapath khai haai, ki parameshvar ne mujh se shapath khai haai, ki maain tere vansh men se aek vyaaktaai ko tere sinhasan par baaittaunga. us ne honahar ko paahile hee se dekhkar maseeh ke jee uttne ke vishay men bhavishyadane kee ki n to usaka praan adhaelok men chhoda gaya, aur n us kee deh sadne pai. isee yeeshu ko parameshvar ne jilaya, jis ke ham sab gavah haain. is prakar parameshvar ke dahine hath se savorchch pad pakee, aur pita se vah paavitra atma praapt karake jis kee pragityaa kee gai the, us ne yah undel diya haai jo tum dekhte aur sanate ho. kyonaki daud to svarga par naheen chaddha parantu vah ap kahata haai, ki prabhu ne mere prabhu se kaha mere dahine baait, jab tak ki maain tere baaiariyon ko tere panvon tale kee chaukee n kar doon. so ab israel ka sara gharana nishchay jan le ki parameshvar ne usee yeeshu ko jise tum ne kroos par chaddhaya, prabhu bhee ttharaya aur maseeh bhee.. tab sunanevalon ke day chhdai gaa, aur ve pataras aur shosh praeariton se poochhne lage, ki he bhaiyo, ham kya karen? pataras ne un se kaha, man firao, aur tum men se har aek apane apane papon kee kshama ke liye yeeshu maseeh ke nam se baptisma le to tum pavitra atma ka dan paoge. kyonaki yah pragityaa tum, aur tumharee santano, aur un sab door door ke logon ke liye bhee haai jinako prabhu hamara parameshvar apane pas bulaaega. us ne bahut or baton men bhee gavahee de dekar samajhya ki apane ap ko is teddhee jati se bachao. so jinhon ne usaka vachan grahan kiya unhon ne baptisma liya aur usee din teen hajar manushyon ke lagabhg un men mil gaae. aur ve praariton se shaiksha pane, aur sangati rakhne men aur rottee todne men aur praarthana karane men laaleen rahe.. aur sab logon par bhy chha gaya, aur bahut se adabhut kam aur chinh praeriton ke dara pragatt hote the. aur ve sab vishvas karanevale ikatthe rahate the, aur un kee sab vastuen sajhe kee thee. aur ve apanee apanee sampaati aur saman bech bechakar jaaisee jis kee avashyakata hotee thee bant diya karate the. aur ve praati din aek man hokar maandain men ikatthe hote the, aur ghar ghar rottee todte huae anand aur man kee seedhaai se bhojan kiya karate the. aur paramesh-

var kee stuti karate the, aur sab log un se prasann the: aur jo uddhar pate the, unako prabhu praati din un men mila deta tha..

pataras aur yoohanna teesare pahar praarthna ke samay mandair men ja rahe the. aur log aek janm ke langade ko la rahe the, jis ko ve prati din mandair ke us dar par jo sundar kahalata haai, baaitta dete the, ki vah mandair men janevalon se bheekh mange. jab us ne pataras aur yoohanna ko maandair men jate dekha, to un se bheekh mangle. pataras ne yoohanna ke sath us kee or dhyan se dekhkar kaha, hamaree or dekh. so vah un se kuchh pane kee asha rakhte huae un kee or takane laga. tab pataras ne kaha, chandee aur sona to mere pas haai naheen parantu jo mere pas haai, vah tuihe deta hoon: yeeshu maseeh nasaree ke nam se chal fira. aur us ne usaka daahina hath pakad ke use uttaya: aur turant usake pavon aur ttkhnon men bal a gaya. aur vah uchhlakar khda ho gaya, aur chalane firane laga aur chalata aur koodata, aur parameshvar kee stuati karata hua un ke sath maandair men gaya. sab logon ne use chalate firate aur parameshvar kee stuati karate dekhkar. us ko pahachan liya ki yah vahee haai, jo mandair ke sundar faattk par baaitt kar bheekh manga karata tha aur us ghattna se jo usake sath hui thee ve bahut achambhith aur chaakt hue.. jab vah pataras aur yoohanna ko pakade huae tha, to sab log bahut achambha karate huae us osare men jo sulaaiman ka kahalata haai, un ke pas daude aae. yah dekhkar pataras ne logon se kaha he israeliyo, tum is manushy par kyon achambha karate ho, aur hamaree or kyon is prakar dekh rahe ho, ki mano ham hee ne apanee samarth ya bhaktai se ise chalana-firata kar diya. ibraaheem aur isahak aur yakoob ke parameshvar, hamaree bapadadon ke parameshvar ne apane sevak yeeshu kee mahima kee, jise tum ne pakadva diya, aur jab peelatus ne use chhod dene ka vichar kiya, tab tum ne usake samhane usaka inkar kiya. tum ne us paavitra aur dharmee ka inkar kiya, aur binattee kee, ki aek hatyare ko tumhare liye chhod diya jaae. aur tum ne jeevan ke kartta ko mar dala, jise parameshvar ne mare huon men se jilaya aur is bat ke ham gavah haain. aur usee ke nam ne, us vishvas ke dara jo usake nam par haai, is manushy ko jise tum dekhte ho aur janate bhee ho samarth deee haai aur nishchay usee vishvas ne jo usake dara haai, is ko tum sab ke samhane bilakul bhla changa kar diya haai. aur ab he bhaiyo, maain janata hoon ki yah kam tum ne agyaanata se kiya, aur vaaisa hee tumhare saradaron ne bhee kiya. parantu jin baton ko parameshvar ne sab bhavishyadvktaon ke mukh se pahile hee bataya tha, ki usaka maseeh du:kh uttaaega unhen us ne is reeati se pooree kiya. isaliye, man firao aur lautt ao ki tumhare pap mittaae jaae, jis se prabhu ke sammukh se vishraaantai ke din aeen. aur vah us maseeh yeeshu ko bheje jo tumhare liye paahile hee se ttharaya gaya haai. avashy haai ki vah svarga men us samay tak rahe jab tak ki vah sab baton ka sudhaar n kar le jis kee charcha parameshvar ne apane paavitra bhavishyadvktaon ke mukh se kee haai, jo jagat kee utpati se hote aae haain. jaaisa ki moosa ne kaha, prabhu paramesh-

var tumhare bhaiyon men se tumhare liye mujh sa aek bhavishyadvkta uttaaega, jo kuchh vah tum se kaha, us kee sunana. parantu pratyek manushy jo us bhvishyadvkta kee n sune, logon men se nash kiya jaaega. aur samuel se lekar ukase bad balon tak jitane bhvishyadvktaon ne bat keehan un sab ne in dinon ka sandesh diya haai. tum bhavishyadvktaon kee santan aur us vacha ke bhagee ho, jo parameshvar ne tumhare bapadadon se bandhae, jab us ne ibraaheem se kaha, ki tere vansh ke dara prathvee ke sare gharane ashaeesh paaenge. parameshvar ne apane sevak ko uttakar pahil tumhare pas bheja, ki tum men se har aek kee us kee buraiyon se faerakar ashaeesh de..

jab ve logon se yah kah rahe the, to yajak aur mandair ke saradar aur sadookee un par chaddh aen. kyonaki ve bahut krodhait huae ki ve logon ko sikhate the aur yeeshu ka udaharan de dekar mare huon ke jee uttne ka prachar karate the. aur unhon ne unhen pakadkar doosare din tak havalat men rakha kyonaki sandhaya ho gai the. parantu vachan ke sunanevalon men se bahuton ne vishvas kiya, aur un kee ginatee panch hajar purooshaen ke lagabgh ho gai.. doosare din aeesa hua ki un ke saradar aur puraaniye aur shaasree. aur mahayajak hanna aur kaaifaa aur yooahanna aur sikandar aur jitane mahayajak ke gharane ke the, sab yarooshalem men ikatthe hue. aur unhen beech men khda karake poochhne lage, ki tum ne yah kam kis samarth se aur kis nam se kiya haai? tab pataras ne paavitra atma se paaripoorn hokar un se kaha. he logon ke saradaron aur puraniyo, is durbal manushy ke sath jo bhlai kee gai haai, yaadi aj ham se usake vishay men poochh pachh kee jatee haai, ki vah kyonkar achchha hua. to tum sab aur sare israaelee log jan len ki yeeshu maseeh nasaree ke nam se jise tum ne kroos par chaddhaya, aur parameshvar ne mare huon men se jilaya, yah manushy tumhare samhane bhlha changa khda haai. yah vahee patthar haai jise tum rajamisiyon ne tuchchh jata aur vah kone ke sire ka patthar ho gaya. aur kisee doosare ke dara uddhar naheen kyonki svarga ke neeche manushyon men aur koi doosara nam naheen diya gaya, jis ke dara ham uddhar pa saken.. jab unhon ne pataras aur yooahanna ka hiyav dekha, or yah jana ki ye anapaddh aur sadhaaran manushy haai, to achambha kiya fir un ko pahachana, ki ye yeeshu ke sath rahe haain. aur us manushy ko jo achchha hua tha, un ke sath khde dekhkar, ve virodha men kuchh n kah sake. parantu unhen sabha ke bahar jane kee agyaa dekar, ve apas men vichar karane lage, ki ham in manushyon ke sath kya karen? kyonki yarooshalem ke sab rahanevalon par pragatt haai, ki in ke dara aek praasiddh chinh dikhaya gaya haai aur ham usaka inkar nahanee kar sakate. parantu isaaliye ki yah bat logon men aur aadhaik faail n jaa, ham unhen dhamakaae, ki ve is nam se fir kisee manushy se baten n karen. tab unhen bulaya aur chitaunee dekar yah kaha, ki yeeshu ke nam se kuchh bhee n bolana aur n sikhana. parantu pataras aur yooahanna ne un ko utth diya, ki tum hee nyay karo, ki kya yah parameshvar ke nikatt bhlha haai, ki ham parameshvar kee bat se baddhkar tumharee bat

manen. kyonaki yah to ham men ho naheen sakata, ki jo ham ne dekha aur suna haai, vah n kahen. tab unhon ne un ko aur dhamakakar chhod diya, kyonaki logon ke karan unhen dand dene ka koi danv naheen mila, isaliye ki jo ghattna hui thee usake karan sab log parameshvar kee badai karate the. kyonaki vah manushy, jis par yah changa karane ka chinh dikhaya gaya tha, chalees varsha se aadhaik ayu ka tha. ve choottkar apane sathaiyon ke pas aa, aur jo kuchh mahayajakon aur puraaniyon ne un se kaha tha, unako suna diya. yah sunakar, unhon ne aek chitt hokar unche shabd se parameshvar se kaha, he svamee, too vahee haai jis ne savarga aur prathvee aur samudra aur jo kuchh un men haai banaya. too ne paavitra atma ke dara apane sevak hamare pita daud ke mukh se kaha, ki any jaatiyon ne hullad kyon machaya? aur desh ke logon ne kyon vyarth baten sochee? prabhu aur usake maseeh ke virodha men prathvee ke raja khde hua, aur haakim aek sath ikatthe ho gae. kyonaki sachamuch tere sevak yeeshu ke virodha me, jis too ne abhaishok kiya, herodes aur puantaiyus peelaatus bhee any jaatiyon aur israaeliyan ke sath is nagar men ikatthe hue. ki jo kuchh pahile se teree samarth aur mati se ttara tha vahee karen. ab, he prabhu, un kee dhamakiyon ko dekh aur apane dason ko yah baradan de, ki tera vachan bade hiyav se sunaen. aur changa karane ke liye too apana hath baddha ki chinh aur adabhut kam tere pavitra sevak yeeshu ke nam se kiae jaaen. jab ve praarthna kar chuke, to vah sthan jahan ve ikatthe the hil gaya, aur ve sab paavitra atma se paaripoorn ho gaa, aur parameshvar ka vachan hiyav se sunate rahe.. aur vishvas karanevalon kee mandlee aek chitt aur aek kam ke the yahan tak ki koi bhee apanee sampatti apanee naheen kahata tha, parantu sab kuchh sajhe ka tha. aur praarit badee samarth se prabhu yeeshu ke jee uttne kee gavahee dete rahe aur un sab par bada anugrah tha. aur un men koi bhee darida n tha, kyonki jin ke pas boomi ya ghar the, ve un ko bech bechakar, bikee hui vastuon ka dam late, aur use praariton ke panvon par rakhte the. aur jaaise jise avashyakata hotee thee, usake anusar har aek ko bant diya karate the. aur yooosuf nam, krupraus ka aek levee tha jisaka nam praeariton ne bara-naba arthata shaantai ka putra rakha tha. us kee kuchh boomi thee, jise us ne becha, aur dam ke roopaye lakar praariton ke panvon par rakh die..

aur hananyah nam aek manushy, aur us kee patnee safaeera ne kuchh boomi bechee. aur usake dam men se kuchh rakh chhoda aur yah bat us kee patnee bhee janatee thee, aur usake aek bhag lakar prariton ke pavon ke age rakh diya. uparantu pataras ne kaha he hananyaha! shautan ne tere man men yah bat kyon dalee haai ki too pavitra atma se joott bole, aur boomi ke dam men se kuchh rakh chhode? jab tak vah tere pas rahee, kya teree n thee? aur jab bik gai to kya tere vash men n thee? too ne yah bat apane man men kyon vicharee? too manushyon se nahee, parantu parameshvar se joott bola. ye baten sunate hee hananyah gir pada, aur praan chhod diae aur sab sunanevalon par bada bhy chha gaya. fir

javanon ne uttkar usakee arthee banai aur bahar le jakar gaddh diya.. lagabgh teen ghanthe ke bad us kee patnee, jo kuchh hua tha n janakar, bheetar ai. tab pataras ne us se kaha mujhe bata kya tum ne vah boomi itane hee men bechee thee? us ne kaha ha, itane hee men. pataras ne us se kaha yah kya bat haai, ki tum donon ne prabhu kee atma kee pareeksha ke liye aeka kiya haai? dek, tere pati ke gad-nevale dar hee par khde haai, aur tujhe bhee bahar le jaaenge. tab vah turant usake panvon par gir padee, aur praan chhod diae: aur javanon ne bheetar akar use mara paya, aur bahar le jakar usake pati ke pas gad diya. aur saree kaleesiya par aur in baton ke sab sunanevalon par, bada bhy chha gaya.. aur praeriton ke hathon se bahut chihni aur adabhat kam logon ke beech men dikhaae jate the, aur ve sab aek chitt hokar sulaaiman ke osare men ikatthe hua karate the. parantu auron men se kisee ko yah hiya n hota tha, un men ja milen taubhee log un kee badaai. karate the. aur vishvas karanevale bahutere puroosh aur striyan prabhu kee kaleesiya men aur bhee aadhaik akar milate rahe. yahan tak ki log beemaroon ko sadkon par la lakar, khatton aur khttolon par litta dete the, ki jab pataras aa, to us kee chhaya hee un men se kisee par pad jaae. aur yarooshalem ke as pas ke nagaron se bhee bahut log beemaroon aur ashuuddh atmaon ke sataae huon ka la lakar, ikatthe hote the, aur sab achchhe kar diae jate the. tab mahayajak aur usake sab sathee jo sadookiyan ke panth ke the, dah se bhr kar utte. aur praeriton ko pakadkar bandeegrah men band kar diya. parantu rat ko prabhu ke aek svargadoot ne bandeegrah ke dar kholakar unhen bahar lakar kaha. ki jao, maandair men khde hokar, is jeevan kee sab baten logon ko sunao. ve yah sunakar bhor hote hee mandair men jakar upadesh dene lage: parantu mahayajak aur usake sathaiyan ne akar mahasabha ko aur israeliyan ke sab puraniyan ko ikatthe kiya, aur bandeegrah men kahala bheja ki unhen laaen. parantu pyadon ne vahan pahunchakar unhen bandeegrah men n paya, aur lauttakar sandesh diya. ki ham ne bandeegrah ko badee chaukasee se band kiya hua, aur paharevalon ko bahar daron par khde huae paya paranatu jab khola, to bheetar koi n mila. jab maandair ke saradar aur mahayajakon ne ye baten sanee, to un ke vishay men bharee chinta men pad gae ki yah kya hua chahata haai? itane men kisee ne akar unhen bataya, ki dekho, jinhen tum ne bandeegrah men band rakha tha, ve manushy maandair men khde huae logon ko upadesh de rahe haain. tak saradar, pyadon ke sath jakar, unhen le aya, parantu barabas nahee, kyonki ve logon se drate the, ki hamen patthravah n karen. unhon ne unhen fir lakar mahasabha ke samhane khda kar disha: aur mahayajak ne un se poochha. kya ham ne tumhen chitakar agyaa n dee thee, ki tum is nam se upadesh n karana? taubhee dekho, tum ne sare yarooshalem ko apane upadesh se bhr diya haai aur us vyaktai ka lo-hoo hamaree gardan par lana chahate ho. tak pataras aur, aur praeriton ne uttr diya, ki manushyon kee agyaa se baddhkar parameshvar kee agyaa ka palan karana hee kartavya karma haai. hamaree bapadadon ke parameshvar ne yeeshu ko jilaya, jise tum ne kroos par lattkakar mar dala tha. usee ko parameshvar ne

prabhu aur uddharak ttharakar, apane daahine hath se savorchh kar diya, ki vah israeliyan ko man firav kee shaaktai aur papon kee kshama pradan kare. aur ham in baton ke gavah haai, aur pavitra atma bhee, jise parameshvar ne unhen diya haai, jo us kee agyaa manate haain.. yah sunakar ve jal gaa, aur unhen mar dalana chaha. parantu gamaleaeel nam aek faareese ne jo vyavasthapak aur sab logon men mananeeey tha, nyayalay men khde hokar praeriton ko thodde der ke liye bahar kar dene kee agyaa dee. tak us ne kaha, he israeliyo, jo kuchh in manushyon se kiya chahate ho, soch samajh ke karana. kyonaki in dinon se pahale thaiyoodas yah kahata hua utta, ki maain bhee kuchh hoon aur koi char sau manushy usake sath ho liye, parantu vah mara gaya aur jitane log use manate the, sab tittr bittr huae aur mitt gae. usake bad nam likhai ke dinon men yahooda galeelee utta, aur kuchh log apanee or kar liye: vah bhee nash ho gaya, aur jitane lage use manate the, sab tittr bittr ho gae. isaliye ab maain tum se kahata hoo, in manushyon se door hee raho aur un se kuchh kam n rakho kyonaki yadi yah dharmaya ya kam manushyon kee or se ho tab to mitt jaaega. parantu yadi parameshvar kee or se haai, to tum unhen kadapi mitt n sakoge kaheen aeese n ho, ki tum parameshvar se bhee ladanevale ttharo. tab unhon ne us kee bat man lee aur praeriton ko bulakar pittvaya aur yah agyaa dekar chhod diya, ki yeeshu ke nam se fir baten n karana. ve is bat se anandait hokar mahasabha ke samhane se chale gae, ki ham usake nam ke liye niradar hone kee ghy ho tthare. aur praati din mandair men aur ghar ghar men upadesh karane, aur is bat ka susamachar sunane se, ki yeeshu hee maseeh haai n rooke..

un dinon men jab chele bahut hone jate the, to yoonanee bhasha bolanevale ibraaniyan par kudkudane lage, ki prati din kee sevakai men hamaree vidhavaon kee suadhai naheen lee jatee. tab un barahon ne chelon kee mandlee ko apane pas bulakar kaha, yah tteek naheen ki ham parameshvar ka vachan chhodkar khailanepilane kee seva men rahen. isaliye he bhaiyo, apane men se sat sunam purooshaen ko jo paavitra atma aur buaddh ise paaripoorn ho, chun lo, ki ham unhen is kam par tthara den. parantu ham to praarthna men aur vachan kee seva men lage rahenge. yah bat saree mandlee ko achchhee lagee, aur unhon ne staifanus nam aek puroosh ko jo vishvas aur pavitra atma se paaripoorn tha, aur filippus aur prakhuroos aur neekanor aur teemon aur paraminas aur antakeevala neekulaus ko jo yahoodde mat men a gaya tha, chun liya. aur inhen praeriton ke samhane khda kiya aur unhon ne praarthna karake un par hath rakhe. aur parameshvar ka vachan faailata gaya aur yarooshalem men chelon kee ginatee bahut bad-dhtee gai aur yajakon ka aek bada samaj is mat ke adhaen ho gaya. staifaunus anugrah aur samarth men pariipoorn hokar logon men bade bade adabhat kam aur chihni dikhaaya karata tha. tab us aradhanalay men se jo libarateenon kee kahalatee thee, aur kurenee aur sikandaariya aur kilaakiya aur aeshaeeya ke logon men se kai aek uttkar staifanus se vada-vivad karane

lage. parantu us gyaan aur un atma ka jis se vah baten karata tha, ve samhana n kar sake. is par unho ne kai logon ko ubhara jo kahane lage, ki ham ne is moosa aur parameshvar ke virodha men ninda kee baten kahate suna haai. aur logon aur praacheenon aur shaastriayon ko bhdakkar chaddh aae aur use pakadkar mahasabha men le aae. aur joote gavah khde kia, jinhon ne kaha ki yah manushy is pavitra sthan aur vyavastha ke virodha men bolana naheen chhodta. kyonaki ham ne use yah kahate suna haai, ki yahee yeeshu nasaree is jagah ko ddha dega, aur un reeton ko badal dalega jo moosa ne hamen saunpee haain. tab sab logon ne jo sabha men baaitte the, us kee or takakar usaka mukhda svargadoot ka sa dekha..

tab mahayajak ne kaha, kya ye baten yon hee haai? us ne kaha he bhaiyo, aur pitaro suno, hamara pita abrahaem haran men basane se paahile jab mis-uputaamiya men tha to tejomay parameshvar ne use darshan diya. aur us se kaha ki too apane desh aur apane kuttumb se nikalakar us desh me chala ja, jise maain tujhe dikhaunga. tab vah kasadiyon ke desh se nikalakar haran men ja basa aur usake pita kee mratyu ke bad parameshvar ne usako vahan se is desh men lakar basaya jis men ab tum basate ho. aur usako kuchh meeras baran paair rakhne bhr kee bhee us men jagah n dee, parantu praatigya kee ki maain yah desha, tere aur tere bad tere vansh ke hath kar doonga yadhyapi us samay usake koi putra bhee n tha. aur parameshvar ne yon kaha ki teree santan ke log paraye desh men paradeshaee honge, aur ve unhen das banaaenge, aur char sau varsha tak dukh denge. fir parameshvar ne kaha jis jati ke ve das honge, us ko maain dand doonga aur is ke bad ve nikalakar isee jagah meree seva karenge. aur us ne us se khtane kee vacha bandhaee aur isee dasa men isahak us se utpann hua aur atven din usaka khtana kiya gaya aur isahak se yakoob aur yakoob se barah kulapaati utpann huae. aur kulapaatiyon ne yosuf se dah karake use misar desh janevalon ke hath becha parantu parameshvar usake sath tha. aur use usake sab kleshaen se chhudakar misar ke raja fir-aur ne age anugrah aur buddh idee, aur us ne use misar par aur apane sare ghar par hakim thharaya. tab misar aur kanaan ke sare desh men akal pada jis se bharee klesh hua, aur hamare bapadadon ko ann naheen milata tha. parantu yakoob ne yah sunakar, ki misar men anaj haai, hamare bapadadon ko pahilee bar bheja. aur doosaree bar yosuf apane bhaiyon par pragatt ko gaya, aur yosufuфа kee jaati firauon ko maloom ho gai. tab yosufuфа ne apane pita yakoob aur apane sare kuttumb ko, jo pachhtr vyaaktaai the, bula bheja. tab yakoob misar men gaya aur vahan vah aur hamare bapadade mar gaee. aur ve shaikim men pahunchaae jakar us kabra men rakhe gaa, jise abrahaem n chandee dekar shaikim men hamor kee santan se mol liya tha. parantu jab us pratigya ke poore hone ka samay nikatt aya, to parameshvar ne abrahaem se kee thee, to misar men ve log baddh gaee aur bahut ho gaee. jab tak ki misar men doosara raja n hua jo yosufuфа ko naheen janata tha. us ne hamaree jaati

se chaturai karake hamare bapadadon ke sath yahan tak kuvyohar kiya, ki unhen apane balakon ko faenk dena pada ki ve jeevit n rahen. us samay moosa utpann hua jo bahut hee sundar tha aur vah teen maheene tak apane pita ke ghar men pala gaya. parantu jab faenk diya gaya to firauon kee bettee ne use utta liya, aur apana putra karake pala. aur moosa ko misaariyon kee saree vidha paddhai gai, aur vah baton aur kamon men samarthee tha. jab vah chalees varsha ka hua, to usake man men aya ki maain apane israaelee bhaiyon se bhentt karoon. aur us ne aek vyaktaai par anyay hone dekhkar, use bachaya, aur misaree ko marakar sataae huae ka palatta liya. us ne socha, ki mere bhai samajhenge ki parameshvar mere hathon se un ka uddhar karega, parantu unhon ne n samajha. doosare din jab ve apas men lad rahe the, to vah vahan a nikala aur yah kahake unhen mel karane ke liye samajhaya, ki he purooshae, tum to bhai bhai ho, aek doosare par kyon anyay karate ho? parantu jo apane padosee par anyay kar raha tha, us ne use yah kahakar hatta diya, ki tujhe kis ne ham par hakim aur nyayee thharaya haai? kya jis reeti se too ne kal misaree ko mar dala mujhe bhee mar dalana chahata haai? yah bat sunakar, moosa bhaga aur midhan desh men paradeshaee hokar rahane laga: aur vahan usake do putra utpann hue. jab poore chalees varsha beet gaa, to aek svarga doot ne seenaai pahad ke jangal men use jalatee hui jhadee kee jvala men darshan diya. moosa ne us darshan ko dekhkar achambha kiya, aur jab dekhne ke liye pas gaya, to prabhu ka yah shabd hua. ki maain tere bapadado, abrahaem, isahak aur yakoob ka parameshvar hoon: tab to moosa kanp utta, yahan tak ki use dekhne ka hiyav n raha. tab prabhu ne us se kaha apane pavon se jootee utar le, kyonaki jis jagah too khda haai, vah pavitra boomi haai. maain ne sachamuch apane logon kee durdasha ko jo misar men haai, dekhee haai aur un kee ah aur un ka rona sun liya haai isaaliye unhen chhudane ke liye utara hoon. ab a, maain tujhe misar men bhenjoonga. jis moosa ko unhon ne yah kahakar nakara tha ki tujhe kis ne ham par hakim aur nyayee thharaya haai usee ko parameshvar ne haakim aur chhudanevala thharakar, us svarga doot ke dara jis ne use jhadee men darshan diya tha, bheja. yahee vyaaktaai misar aur lal samudra aur jangal men chalees varsha tak adabutt kam aur chinh dikha dikhar unhen nikal laya. yah vahee moosa haai, jis ne israeliyan se kaha ki parameshvar tumhare bhaiyon men se tumhare liye mujh sa aek bhavishyadvkta uttaaega. yah vahee haai, jis ne jangal men kaleesiya ke beech us svargadoot ke sath seenaai pahad par us se baten kee, aur hamare bapadadon ke sath tha: usee ko jeeavit vachan mile, ki ham tak pahunchaae. parantu hamare bapadadon ne us kee manana n chaha baran use hattakar apane man misar kee or faere. aur haroon se kaha hamare liye aeesa devata bana, jo hamare age age chalen kyonaki yah moosa ja hamen misar desh se nikal laya, ham naheen janate use kya hua? un dinon men unhon ne ek bachhda banakar, us kee moorat ke age bali chaddhaya aur apane hathon ke kamon men magan hone lage. so parameshvar ne munh modkar unhen chhod diya, ki akashagan poojen jaaisa bhvishyadvktaon kee pustak men likha haai

ki he israel ke gharane, kya tum jangal men chalees varsha tak pashuubaali aur annabaali mujh hee ko chaddhate rahe? aur tum molek ke tamboo aur rifaan devata ke tare ko liae firate the arthata un akaron ko jinhen tum ne dandvat karane ke liye banaya tha: so maain tumhen babur ke pare le jakar basaunga. sakshaee ka tamboo jangal men hamare bapadadon ke beech men tha jaaisa us ne ttharaya, jis ne moosa se kaha ki jo akar too ne dekha haai, usake anusar ise bana. usee tamboo ko hamare bapadade poorvakal se pakar yahoshoo ke sath yahan le ae jis samay ki unhon ne un anyajaatiyon ka aadhaikar paya, jinhen parameshvar ne hamare bapadadon ke samhane se nikal diya aur vah daud ke samay tak raha. us par parameshvar ne anugrah kiya, so us ne binatee kee, ki maain yakoob ke parameshvar ke liye nivas stha ttharaun. parantu sulaaiman ne usake liye ghar banaya. parantu param pradhahan hath ke banaae gharon men naheen rahata, jaaisa ki bhvishyadvkta ne kaha. ki prabhu kahata haai, svarga mera sihansan aur prathvee mere panvon tale kee peeddhee haai, mere liye tum kis prakar ka ghar banaoge? aur mere vishraam ka kaun sa sthan hoga? kya ye sab vastuen mere hath kee banai naheen? he hatteele, aur man aur kan ke khtanaraahit logo, tum sada pavitra atma ka samhana karate ho. jaaisa tumhare bapadade karate the, vaaise hee tum bhee karate ho. bhavishyadvktaon men se kis ko tumhare bapadadon ne naheen sataya, aur unhon ne us dharmee ke agaman ka poorvakal se sandesh denevalon ko mar dala, aur ab tum bhee usake pakadvanevale aur mar dalanevale hue. tum ne svargadooton ke dara ttharai hui vyavastha to pai, parantu usaka palan naheen kiya.. ye baten sunakar ve jal gae aur us par dant peesane lage. parantu us ne pavitra atma se paaripoorn hokar svarga kee or dekha aur parameshvar kee maahima ko aur yeeshu ko parameshvar kee dahinee or khda dekhkara. kaha dekho, maain svarga ko khula hua, aur manushy ke putra ko parameshvar ke dahinee or khda hua dekhta hoon. tab unhon ne bade shabd se chillakar kan band kar lia, aur aek chitt hokar us par jhpatee. aur use nagar ke bahar nikalakar patthravah karane lage, aur gavahon ne apane kapade utar rakhe. aur ve staufanus ko patthravah karate rahe, aur vah yah kahakar praarthna karata raha ki he prabhu yeeshu, meree atma ko grahan kara. fir ghautne ttekakar unche shabd se pukara, he prabhu, yah pap un par mat laga, aur yah kahakar so gaya: aur shaaul usake badha meen sahamat tha..

usee din yarooshalem kee kaleesiya par bada upadrav hone laga aur praeriton ko chhod sab ke sab yahoodiya aur samariya deshaen men tittr biitr ho gae. aur bhkton ne staifanus ko kabra men rakha aur usake liye bada vilap kiya. shaaul kaleesiya ko ujad raha tha aur ghar ghar ghausakar purooshaen aur striayon ko ghaseett ghaseettkar bandeegrah men dalata tha.. jo tittr biitr huae the, ve susamachar sunate huae fire. aur filippus samaariya nagar men jakar logon men maseeh ka prachar karane laga. aur jo baten filippus ne kaheen unhen logon ne sunakar aur jo chinh

vah dikhata tha unhen dekh dekhkar, aek chitt hokar man lagaya. kyonaki bahutonen men se ashuuddh atmaen bade shabd se chillatee hui nikal gai, aur bahut se jhole ke mare huae aur langade bhee achchhe kiae gae. aur us nagar men bada anand hua.. is se paahile us nagar men shamaun nam aek manushy tha, jo ttona karake samaariya ke logon ko chakit karata aur apane ap ko koi bada puroosh banata than aur sab chhotte se bade tak use man kar kahate the, ki yah manushy paramashevar kee vah shaktai haai, jo mahana kahalatee haai. us ne bahut dinon se unhen apane ttone ke kamon se chaakit kar rakha tha, isee liye ve us ko bahut manate the. parantu jab unhon ne filippus kee prateeti kee jo parameshvar kee rajy aur yeeshu ke nam ka susamachar sunata tha to log, kya puroosha, kya sree bapaatisma lene lage. tab shamaun ne ap bhee prateeti kee aur bapaatisma lekar filippus ke sath rahane laga aur chinh aur bade bade samarthon ke kam hote dekhkar chakit hota tha. jab praariton ne jo yarooshalem men the suna ki samaariyon ne parameshvar ka vachan man liya haai to pataras aur yooahanna ko un ke pas bheja. aur unhon ne jakar un ke liye praarthna kee ki pavitra atma paaen. kyonaki vah ab tak un men se kisee par n utara tha, unhon ne to keval prabhu yeeshu men nam men bapatisma liya tha. tab unhon ne un par hath rakhe aur unhon ne pavitra atma paya. jab shamaun ne dekha ki prariton ke hath rakhne se paavitra atma diya jata haai, to un ke pas roopaye lakar kaha. ki yah adhaikar mujhe bhee do, ki jis kisee par hath rakoo, vah pavitra atma paae. pataras ne us se kaha tere roopaye tere sath nash ho, kyonki too ne parameshvar ka dan roopayon se mol lene ka vichar kiya. is bat men n tera hissa haai, n bantta kyonki tera man parameshvar ke age seedha naheen. isaliye apanee is burai se man firakar prabhu se praarthna kar, sambhv haai tere man ka vichar kshama kiya jae. kyonaki maain dekhta hoo, ki too pitt kee see kadvahatt aur adharma ke bandhan men pada haai. shamaun ne uttr diya, ki tum mere liye prabhu se praarthna karo ki jo baten tum ne kahee, un men se koi mujh par n a pade.. so ve gavahee dekar aur prabhu ka vachan sunakar, yarooshalem ko lautt gaa, aur samariyon ke bahut gavon men susamachar sunate gae.. fir prabhu ke aek svargadoot ne filippus se kaha uttkar daakkhian kee or us marga par ja, jo yarooshalem se ajjah ko jata haai, aur jangal men haai. vah uttkar chal diya, aur dekho, koosh desh ka aek manushy a raha tha jo khoja aur kooshaiyon kee ranee kandake ka mantraee aur khjanchee tha, aur bhjan karane ko yarooshalem aya tha. aur vah apane rath par baaitta hua tha, aur yashaayah bhavishyadvkta kee pustak paddhta hua lautta ja raha tha. tab atma ne filippus se kaha, nikatt jakar is rath ke sath ho le. filippus ne us or daudkar use yashaayah bhavishyadvkta kee pustak paddhte huae suna, aur poochha, ki too jo paddh raha haai kya use samajhta bhee haai? us ne kaha, jab tak koi mujhe n samajhaae to maain kyanekar samajoon? aur us ne filippus se binatee kee, ki chaddhkar mere pas baaitt. paavitra shaasr ka jo adhyay vah paddh raha tha, vah yah tha ki vah bhed kee nain vadha hone ko pahunchaya gaya, aur jaaisa memna apane un kataranevalon ke samhane chupachap rahata haai, vaaise hee us ne bhee apana munh

n kholā. us kee deenata men usaka nyay hone naheen paya, aur usake samay ke logon ka varnn kaun karega, kyonki prathvee se usaka praan uttaya jata haai. is par khoje ne filippus se poochha maain tujh se binatee karata hoo, yah bata ki bhvishyadvkta yah kis vishay men kahata haai, apane ya kisee doosare ke vishay men. tab filippus ne apana munh kholā, aur isee shaasr se arambh karake use yeeshu ka susamachar sunaya. marga men chalatē chalatē ve kisee jal kee jagah pahunchen, tab khoje ne kaha, dekh yahan jal haai, ab mujhe bapaatisma lene men kya rok haai. filippus ne kaha, yaadi too sare man se vishvas karata haai to ho sakata haai: us ne uttr diya maain vishvas karata hoon ki yeeshu maseeh parameshvar ka putra haai. tab us ne rath khda karane kee agyaa dee, aur filippus aur khoja donon jal men utar pade, aur us ne use bapaatisma diya. jab ve jal men se nikalakar upar aa, to prabhu ka atma filippus ko utta le gaya, so khoje ne use fir n dekha, aur vah anand karata hua apane marga chala gaya. aur filippus ashadod men a nikala, aur jab tak kaaisariya men n pahuncha, tab tak nagar nagar susamachar sunata gaya..

aur shaaul jo ab tak prabhu ke chelon ko dhamakane aur ghaat karane kee dhaun men tha, mahayajak ke pas gaya. aur us se daamishk kee aradhanalayon ke nam par is abhaipraay kee chitthiyān mangee, ki kya puroosha, kya sre, jinhen vah is panth par paae unhen bandhakar yarooshalem men le aae. parantu chalatē chalatē jab vah damishk ke nikatt pahuncha, to aekaaek akash se usake charon or jyoti chமாகေး. aur vah boomi par gir pada, aur yah shabd suna, ki he shaaul, he shaaul, too mujhe kyon satata haai? us ne poochha he prabhu, too kaun haai? us ne kaha maain yeeshu hoon jise too satata haai. parantu ab uttkar nagar men ja, aur jo kuchh karana haai, vah tujh se kaha jaaega. jo manushy usake sath the, ve chupchap rah gaee kyonki shabd to sunate the, parantu kisee ko dakthe n the. tab shaaul boomi par se utta, parantu jab ankhe kholeen to use kuchh dikhai n diya aur ve usaka hath pakadke daamishk men le gaee. aur vah teen din tak n dekh saka, aur n khaya aur n peeya. daamishk men hananyah nam aek chela tha, us se prabhu ne darshan men kaha, he hananyaha! us ne kaha han prabhu. tab prabhu ne us se kaha, uttkar us galee men ja jo seedhaee kahalatee haai, aur yahooda ke ghar men shaaul nam aek tarasee ko poochh le kyonaki dek, vah praarthna kar raha haai. aur us ne hananyah nam aek puroosh ko bheetar ate, aur apane upar ate dekha haai taki fir se drashtti paae. hananyah ne uttr diya, ki he prabhu, maain ne is manushy ke vishay men bahuton se suna haai, ki is ne yarooshalem men tere pavitra logon ke sath badee badee buraiyan kee haain. aur yahan bhee is ko mahayajakon kee or se adhaikar mila haai, ki jo log tera nam lete haai, un sab ko bandha le. parantu prabhu ne us se kaha, ki too chala ja kyonaki yah, to anyajatiyon aur rajao, aur israaeliyan ke samhane mera nam praggatt karane ke liye mera chuna hua patra haai. aur maain use bataunga, ki mere nam ke liye use kaaisa kaaisa dukh uttana padega. tab hananyah uttkar us

ghar men gaya, aur us par apana hath rakhkar kaha, he bhai shaaul, prabhu, arthata yeeshu, jo us raste me, jis se too aya tujhe dikhai diya tha, usee ne mujhe bheja haai, ki too fir drashtti paae aur paavitra atma se paaripoorn ho jaae. aur turant us kee ankhon se chhlaike se gire, aur vah dekhne laga aur uttkar bapaatisma liya fir bhogan karake bal paya.. aur vah kai din un chelon ke sath raha jo damishk men the. aur vah turant aradhanalayon men yeeshu ka prachar karane laga, ki vah parameshvar ka putra haai. aur sab sunanevale chaakit hokar kahane lage kya yah vaahee vyaaktaai naheen haai jo yarooshalem men unhen jo is nam ko lete the nash karata tha, aur yahan bhee isee liye aya tha, ki unhon bandhakar mahayajakon ke pas le aae? parantu shaaul aur bhee samarthee hota gaya, aur is bat ka praman de dekar ki maseeh yahee haai, daamishk ke rahanevale yahoodiyan ka munh band karata raha.. jab bahut din beet gaay, to yahoodiyan ne milakar usake mar dalane kee yuktai nikalee. parantu un kee yuktai shaaul ko maloom ko gai: ve to usake mar dalane ke liye rat din faattkon par lage rahe the. parantu rat ko usake chelon ne use lekar ttokare men baaittaya, aur shaharapanah par aee lattkakar utar diya.. yarooshalem men pahunchakar us ne chelon ke sath mil jane ka upay kiya: parantu sab us se drate the, kyonki un ko prateeti n hota tha, ki vah bhee chela haai. parantu baranaba use apane sath praeariton ke pas le jakar un se kaha, ki is ne kis reeti se marga men prabhu ko dekha, aur is ne is se baten keen fir damishk men is ne kaaise hiyav se yeeshu ke nam ka prachar kiya. vah un ke sath yarooshalem men ata jata raha. aur nidhadk hokar prabhu ke nam se prachar karata tha: aur yoonanee bhasha bolanevale yahoodiyan ke sath batacheet aur vada-avivad karata tha parant use usake mar dalane ka yatn karane lage. yah janakar bhai use kaaisaariya men le aa, aur tarasus ko bhej diya.. so sare yahoodiya, aur galeel, aur samariya men kalesiya ko chaain mila, aur usakee unnaati hotee gai aur vah prabhu ke bhy aur paavitra atma kee shaantai men chalatē aur bad-dhtee jatee thee.. aur aeesa hua ki pataras har jagah firata hua, un paavitra logon ke pas bhee pahuncha, jo lua men rahate the. vahan use aecaniyas nam jhole ka mara hua aek manushy mila, jo att varsha se khatt par pada tha. pataras ne us se kaha he aeeniyasa! yeeshu maseeh tuihe changa karata haai ut, apana bichhauna bichha tab vah turant utt khd hua. aur lua aur shaaron ke sab rahanevale use dekhkar prabhu kee or fire.. yafaa men tabeetai arthata dorakas nam aek vishvasinee rahatee thee, vah bahutere bhle bhle kam aur dan kiya karatee thee. unheen dinon men vah beemar hokar mar gai aur unhon ne use nahalakar attaree par rakh diya. aur isaliye ki lua yafaa ke nikatt tha, chelon ne yah sunakar ki pataras vahan haai do manushy bhejakar us ne binatee kee ki hamare pas ane men der n kara. tab pataras uttkar un ke sath ho liya, aur jab pahunch gaya, to ve use us attaree par le gaee aur sab vidhavaan rotey hui usake pas a khdee hui: aur jo kurate aur kapade dorakas ne un ke sath rahate huae banaae the, dikhane lageen. tab pataras ne sab ko bahar kar diya, aur ghauttne ttekakar praarthna kee aur loth kee or dekhkar kaha he tabeeta utt: tab us ne apanee ankhe khol dee aur pataras ko dekhkar utt baait-

tee. us ne hath dekar use uttaya aur paavitra logon aur vidhavaon ko bulakar use jeevit aur jagrat dikha diya. yah bat sare yafaa me faail gai: aur bahuteron ne prabhu par vishvas kiya. aur pataras yafaa men shamaun nam kisee chamade ke dhandha karanevale ke yahan bahut din tak raha..

kaaisaariya men kuranealiyus nam aek manushy tha, jo italiyaneer nam palattn ka soobedar tha. vah bhkt tha, aur apane sare gharane samet parameshvar ke drata tha, aur yahooder lagon ko bahut dan deta, aur barabar parameshvar se praarthna karata tha. us ne din ke teesare pahar ke nikatt darshan men spatht roop se dekha, ki parameshvar ka ek svargadoot mere pas bheetar akar kahata haai ki he kuraneliyusa. us ne use dhyen se dekha aur drakar kaha he prabhu kya haai? us ne us se kaha, teree praarthnaen aur tere dan smaran ke liye parameshvar ke samhane pahunchen haain. aur ab yafaa men manushy bhejekar shamaun ko, jo pataras kahalata haai, bulava le. vah shamaun chamade ke dhandha karanevale ke yahan pahun haai, jis ka ghar samudra ke kinare haain. jab vah svargadoot jis ne us se baten kee theen chala gaya, to us ne do sevak, aur jo usake pas upasthiat raha karate the un men se aek bhkt sipahee ko bulaya. aur unhen sab baten batakar yafaa ko bheja.. doosare din, jab ve chalate chalte nagar ke pas pahunchen, to do pahar ke nikatt pataras kotte par praarthna karane chaddha. aur use bookh lagee, aur kuchh khana chahata tha parantu jab ve taaiyar kar rahe the, to vah besudha ho gaya. aur us ne dekha, ki akash khul gaya aur aek patra badee chadar ke saman charon konon se lattkata hua, pathvee kee or utar raha haai. jis men prathvee ke sab prakar ke chau-paae aur renganevale jantu aur akash ke pakshahee the. aur use aek aeesa shabd sunai diya, ki he pataras ut, mar ke kha. parantu pataras ne kaha, naheen prabhu, kadapi naheen kyonki maain ne kabhee koi apavitra ya ashuuddh vastu naheen khai haai. fir doosaree bar use shabd sunai diya, ki jo kuchh parameshvar ne shuuddh ttharaya haai, use too ashuuddh mat kaha. teen bar aeese hee hua tab turant vah patra akash par utta liya gaya.. jab pataras apane man men dubadha kar raha tha, ki yah darshan jo maain ne dekha kya haai, to dekho, ve manushy jinhen kuraneliyus ne bheja tha, shamaun ke ghar ka pata lagakar devad-dhee par a khde huae. aur pukarakar poochhne lage, kya shamaun jo pataras kahalata haai, yaheen pahun haai? pataras jo us darshan par soch hee raha tha, ki atma ne us se kaha, dek, teen manushy teree khoj men haain. so uttkar neech ja, aur bekhkte un ko sath ho le kyonaki maain hee ne unhen bheja haai. tab pataras ne utarakar un manushyon se kaha dekho, jiskee khoj tum kar rahe ho, vah maain hee hoon tumhare ane ka kya karan haai? unhon ne kaha kuraneliyus soobedar jo dharmee aur parameshvar se dranevala aur saree yahooder jaati men sunamee manushy haai, us ne ek paavitra svargadoot se yah chitavaneer pai haai, ki tuihe apane ghar bulakar tuij se vachan sune. tab us ne unhen bheetar bulakar un kee pahunai kee.. aur doosare din, vah unake sath gaya aur yafaa ke

bhaiyon men se kai usake sath ho liae. doosare din ve kaaisariya men pahunchen, aur kuraneliyus apane kuttumbaiyon aur piri mitraen ko ikatthe karake un kee batt joh raha tha. jab pataras bheetar a raha tha, to kuranealiyus ne us se bhentt kee, aur panvon padke pranam kiya. parantu pataras ne use uttkar kaha, khda ho, maain bhee to manushy hoon. aur usake sath batacheet karata hua bheetar gaya, aur bahut se logon ko ikatthe dekhkara. un se kaha, tum janate ho, ki anyajaati kee sangati karata ya usake yahan jana yahooder ke liye adharma haai, parantu parameshvar ne mujhe bataya haai, ki kisee manushy ko apavitra ya ashuuddh n kaho. isee liye maain jab bulaya gaya to bina kuchh kahe chala aya: ab maain poochhta hoon ki mujhe kis kam ke liye bulaya gaya haai? kuranealiyus ne kaha ki is ghadee poore char din hua, ki maain apane ghar men teesare pahar ko praarthna kar raha tha ki dekho, aek puroosh chamakeela vasr paahine hua, mere samhane a khda hua. aur kahane laga, he kuraneliyus, teree praarthna sun lee gai, aur tere dan parameshvar ke samhane smaran kiae gaee haain. is liye kisee ko yafaa bhejekar shamaun ko jo pataras kahalata haai, bula vah samudra ke kinare shamaun chamade ke dhandha karanevale ke ghar men pahun haai. tab maain ne turant tere pas log bheje, aur too ne bhla liya, jo a gaya: ab ham sab yahan parameshvar ke samhane haai, taki jo kuchh parameshvar ne tuij se kaha haai use sunen. tab pataras ne munh kholakar kaha ab mujhe nishchay hua, ki parameshvar kisee ka paksha naheen karata, baran har jati men jo us se drata aur dharm ke kam karata haai, vah use bhata haai. jo vachan us ne is-raaeliyon ke pas bheja, jab ki us ne yeesuuh maseeh ke dara jo sab ka prabhu haai shaantai ka susamachar sunaya. vah bat tum janate ho jo yooahanna ke baptisma ke prachar ke bad galeel se arambh karake sare yahoodiya men faail gai. ki parameshvar ne kis reeti se yeesuuh nasaree ko paavitra atma aur samarth se aabhaishok kiya: vah bhlai karata, aur sab ko jo shautan ke sataae huae the, achchha karata fira kyonaki parameshvar usake sath tha. aur ham un sab kamon ke gavah haain jo us ne yahoodiya ke desh aur yarooshalem men bhee kia, aur unhon ne use katt par lattkakar mar dala. us ko parameshvar ne teesare din jilaya, aur pragatt bhee kar diya haai. sab logon ko naheen baran un gavahon ko jinhen parameshvar ne pahile se chun liya tha, arthata hamako jinhon ne usake mare huon men se jee uttne ke bad usake sath khayaa peeya. aur us ne hamen agyaa dee, ki logon men prachar karo aur gavahee do, ki yah vahee haai jise parameshvar ne jeevaton aur mare huon ka nyayee ttharaya haai. us kee sab bhavishyadvkta gavahee dete he, ki jo koi us par vishvas karega, us ko usake nam ke dara papon kee kshama milegee.. pataras ye baten kah hee raha tha, ki pavitra atma vachan ke sab sunanevalon par utar aya. aur jitane khtana kiae huae vishvasee pataras ke sath aae the, ve sab chaakit huae ki anyajaatiyon par bhee paavitra atma ka dan undela gaya haai. kyonaki unhon ne unhen bhanati bhanati kee bhasha bolate aur parameshvar kee badaai karate suna. is par pataras ne kaha kya koi jal kee rok kar sakata haai, ki ye bapaatisma n paae, jinhon ne hamaree nai paavitra atma paya haai? aur us ne agyaa

dee ki unhen yeeshu maseeh ne nam men bapaatisma diya jaae: tab unhon ne us se binatee kee ki kuchh din hamare sath raha..

aur praeriton aur bhaiyon ne jo yahoodiya men the suna, ki anyajaatiyon ne bhee parameshvar ka vachan man liya haai. aur jab pataras yarooshalem men aya, to khtana kiae huae log us se vada-avivad karane lage. ki too ne khtanaraahit logon ke yahan jakar un se sath khaya. tab pataras ne unhen arambh se kramanusar kah sunaya ki maain yafaa nagar men praarthna kar raha tha, aur besudha hokar aek darshan dekha, ki aek patra, badee chadar ke saman charon konon se lattkaya hua, akash se utarakar mere pas aya. jab maain ne us par dhyan kiya, to prathvee ke chaupaee aur banapashu aur renganevale jantu aur akash ke pakshaee dekhre. aur yah shabd bhee suna ki he pataras utt mar aur kha. maain ne kaha, naheen prabhu, nahee, kyonki koi apavitra ya ashuuddh vastu mere munh men kabhee naheen gai. is ke uttr men akash se doosaree bar shabd hua, ki jo kuchh parameshvar ne shuuddh ttharaya haai, use ashuuddh mat kaha. teen bar aeesa hae hua tab sab kuchh fir akash par kheench liya gaya. aur dekho, turant teen manushy jo kaaisariya se mere pas bheje gae the, us ghar par jis men ham the, a khde hue. tab atma ne mujh se kaha, ki ye sath bekhttk ho lene ko kaha, aur ye chh: bhai bhee mere sath ho lae aur ham us manushy ke ghar men gae. aur us ne bataya, ki maain ne aek svargadoot ko apane ghar men khda dekha, jis ne mujh se kaha, ki yafaa men manushy bhejkar shamaun ko jo pataras kahalata haai, bulava le. vah tum se aeesee baten kahega, jin ke dara too aur tera sara gharana udar paega. jab maain baten karane laga, to pavitra atma un par usee reeti se utara, jis reeti se arambh men ham par utara tha. tab mujhe prabhu ka vah vachan smaran aya jo us ne kaha ki yoohanna ne to panee se bapatisma diya, parantu tum pavitra atma se bapatisma paoge. so jab ki parameshvar ne unhen bhee vahee dan diya, jo hamen prabhu yeeshu maseeh par vishvas karane se mila tha to maain kaun tha jo parameshvar ko rok sakata? yah sunakar, ve chup rahe, aur parameshvar kee badai karake kahane lage, tak to parameshvar ne anyajatiyon ko bhee jeevan ke liye man firav ka dan diya haai.. so jo log us klesh ke mare jo staifanus ke karan pada tha, tittr bittir ho gae the, ve firate firate faeneeke aur kupraus aur antakiya men pahunchre parantu yahoodiyon ko chhod kisee aur ko vachan n sunate the. parantu un men se kitane kuprausee aur kurenee the, jo antakiya men akar yunaaniyon ko bhee prabhu yeeshu ka susamachar kee baten sunane lage. aur prabhu ka hath un par tha, aur bahut log vishvas karake prabhu kee or fire. tab un kee charcha yarooshalem kee kaleesiya ke sunane men ai, aur unhon ne baranabas ko antakiya bheja. vah vahan pahunchakar, aur parameshvar kee anugrah ko dekhkar anandait hua aur sab ko upadesh diya ki tan man lagakar prabhu se lipatthe raho. kyonaki vah aek bhla manushy tha aur paavitra atma se paaripoorn tha: aur aur bahut se log prabhu men a mile. tab vah shaaul ko ddoond-

dhne ke liye tarasus ko chala gaya. aur jab un se mila to use antakiya men laya, aur aeesa hua ki ve aek varsha tak kaleesiya ke sath milate aur bahut logon ko upadesh dete rahe, aur chele sab se pahile antaakiya hee men maseeh ke kahalaee.. unheen dinon men kai bhvishyadvakta yarooshalem se antakiya men ae. un men se agabus nam ek ne khde hokar atma kee praerana se yah bataya, ki sare jagat men bada akal padega, aur vah akal klaudiyus ke samay men pada. tab cheilon ne ttharaya, ki har aek apanee apanee poonjee ke anusar yahoodiya men rahanevale bhaiyon kee seva ke liye kuchh bheje. aur unhon ne aeesa hee kiya aur baranabas aur shaaul ke hath praacheenon ke pas kuchh bhej diya..

us samay herodes raja ne kaleesiya ke kai ek vyaaktaiyon ko dukh dene ke liye un par hath dale. us ne yoohanna ke bhai yakob ko talavar se marava dala. aur jab us ne dekha, ki yahoodee log is se anandait hote haai, to us ne pataras ko bhee pakad liya: ve din akhmeere rottee ke din the. aur us ne use pakad ke bandeegrah men dala, aur rakhvalee ke liye, char char sipaahiyan ke char paharon men rakha: is manasa se ki fasah ke bad use logon ke samhane laae. so bandeegrah men pataras kee rakhvalee ho rahee thee parantu kaleesiya usake liye lau lagakar parameshvar se praarthna kar rahee thee. aur jab herodes use un ke samhane lane ko tha, to usee rat pataras do janjeeron se bandha hua, do sipaahiyan ke beech men so raha tha: aur paharooae dar par bandeegrah kee rakhvalee kar rahe the. to dekho, prabhu ka aek svargadoot a khda hua: aur us kottree men jyoti chamaake: aur us ne pataras kee pasalee par hath mar ke use jagaya, aur kaha ut, fauratee kar, aur usake hath se janjeeren khulakar gir padeen. tab svargadoot ne us se kaha kamar bandha, aur apane joote paahin le: us ne vaaisa hee kiya, fir us ne us se kaha apana vasr pahinakar mere peechhe ho le. vah nikalakar usake peechhe ho liya parantu yah n janata tha, ki jo kuchh svargadoot kar raha haai, vah sachamuch haai, baran yah samajha, ki maain darshan dekh raha hoon. tab ve paahil aur doosare pahare se nikalakar us lohe ke faattk par pahunchre, jo nagar kee or haai vah un ke liye ap se ap khul gaya: aur ve nikalakar aek hee galee hokar gae, itane men svargadoot use chhodkar chala gaya. tab pataras ne sachet hokar kaha ab maain ne sach jan liya ki prabhu ne apana svargadoot bhejkar mujhe herodes ke hath se chhuda liya, aur yahoodiyon kee saree asha tod dee. aur yah sochakar, vah us yoohanna kee mata maariyam ke ghar aya, jo marakus kahalata haai vahan bahut log ikatthe hokar praarthna kar rahe the. jab us ne faattk kee khaid-kee khtkhttai to roode nam aek daasee sunane ko ai. aur pataras ka shabd pahachanakar, us ne anand ke mare faattk n khola parantu daudkar bheetar gai, aur bataya ki pataras dar par khda haai. unhon ne us se kaha too pagal haai, parantu vah draddhta se bolee, ki aeesa hee haai: tab unhon ne kaha, usaka svargadoot hoga. parantu pataras khtkhttata hee raha: so unhon ne khaidkee kholee, aur use dekhkar chaakit ho gae. tab us ne unhen hath se saain kiya, ki chup ra-

hen aur un ko bataya, ki prabhu kis reeti se mujhe bandeegrah se nikal laya haai: fir kaha, ki yakoob aur bhaiyon ko yah bat kah dena tab nikalakar doosaree jagah chala gaya. bhor ko sipaahiyon men badee halachal hone lagee, ki pataras kya hua. jab herodes ne us kee khoj kee, aur n paya to paharooon kee janch karake agyaa dee ki ve mar dale jaen aur vah yahoodiyya ko chhodkar kaaisaariya men ja raha. aur vah soor aur saaida ke logon se bahut aprasann tha so ve aek chitt hokar usake pas aae aur balastus ko, jo raja ka aek karmacharee tha, manakar mil karata chaha kyonaki raja ke desh se un ke desh ka palan poshan hota tha. aur ththaraae huae din herodes rajavastu paahinakar sinhasan par baaita aur un ko vyakhyan dene laga. aur log pukar utte, ki yah to manushy ka naheen parameshvar ka shabd haai. usee kshan prabhu ke ek svargadoot ne turant use mara, kyonaki us ne parameshevar kee mahima nahee kee aur vah keede padke mar gaya.. parantu parameshvar ka vachan baddhta aur faailata gaya.. jab baranabas aur shaaul apane seva pooree kar chuke, to yoohanna ko jo marakus kahalata haai sath lekar yarooshalem se lautte..

antaakiya kee kaleesiya men kitane bhvishyadvkta aur upadeshak the arthata baranabas aur shamaun jo neegar kahalata haai aur lookiyus kurenee, aur desh kee chauthai ke raja herodes ka doodhabhai manahem aur shaaula. jab ve upavas saahit prabhu kee upasana kar rahe tha, to paavitra atma ne kaha mere nimitt baranabas aur shaaul ko us kam ke liye alag karo jis ke liye maain ne unhen bulaya haai. tab unhon ne upavas aur praarthna karake aur un par hath rakhkar unhen vida kiya.. so ve paavitra atma ke bheje huae silookiya ko gae aur vahan se jahaj par chaddhkar kupraus ko chale. aur salamees men pahunchakar, parameshvar ka vachan yahoodiyon kee aradhanalayon men sunaya aur yoohanna un ka sevak tha. aur us sare ttpoo men hote hua, pafaus tak pahuncha: vahan unhen bara-yeeshu nam aek yahood-ee ttonha aur jootta bhvishyadvkta mila. vah siraagiyus paulus soobe ke sath tha, jo buddhmaian puroosh tha: us ne baranabas aur shaaul ko apane pas bulakar parameshvar ka vachan sunana chaha. parantu ileemas ttonhe ne, kyonki yahee usake nam ka arth haai un ka samhana karake, soobe ko vishvas karane se rokata chaha. tab shaaul ne jis ka nam paulus bhee haai, pavitra atma se paaripoorn ho us kee or tatkattkee lagakar kaha. he sare kapatt aur sab chaturai se bhre huae shautan kee santan, sakal dharma ke baair-ee, kya too prabhu ke seedho magorn ko teddha karana n chhodega? ab dek, prabhu ka hath tujh par laga haai aur too kuchh samay tak andha rahega aur soorya ko n dekhega: tab turant dhaundhalai aur andhura us par chha gaya, aur vah idhar udhar ttttolane laga, taki koi usaka hath pakadke le chale. tab soobe ne jo kuchh hua tha, dekhkar aur prabhu ke upadesh se chakit hokar vishvas kiya.. paulus aur usake sathee pafaus se jahaj kholakar panfooliya ke piraga men aae: aur yoohanna unhen chhodkar yarooshalem ko lautt gaya. aur piraga se age baddhkar kee pisidiya ke antaakiya men pahuncha

aur sabt ke din aradhanalay men jakar baait gae. aur vyavastha aur bhavishyadvktaon kee pustak ke pad-dhne ke bad sabha ke saradaron ne un ke pas kahlata bheja, ki he bhaiyo, yadi logon ke upadesh ke liye tumhare man men koi bat ho to kaho. tab paulus ne khde hokar aur hath se saain karake kaha he is-raaeliyo, aur parameshvar se dranevalo, suno. in is-raaelee logon ke parameshvar ne hamare bapadadon ko chun liya, aur jab ye misar desh men paradeshaee hokar rahate the, to un kee unnati kee aur balavant bhujia se nikal laya. aur vah koi chalees varsha tak jangal men un kee sahata raha. aur kanan desh men sat jaatiyon ka nash karake un ka desh koi saddhe char sau varsha men in kee meeras men kar diya. is ke bad us ne samuel bhvishyadvkta tak un men nyayee ththaraae. usake bad unhon ne ek raja manga: tab parameshvar ne chalees vashau ke liye binyameen ke gotra men se ek manushy arthata keesh ke putra shaaul ko un par raja ththaraya. fir use alag karake daud ko un ka raja banaya jis ke vishay men us ne gavahee dee, ki mujhe aek manushy yishau ka putra daud, mere man ke anusar mil gaya haai. vahee mere saree ichchha pooree karega. isee ke vansh men se parameshvar ne apane pratigya ke anusar israael ke pas aek uddharakarta, arthata yeeshu ko bheja. jis ke ane se paahile yoohanna ne sab israaeliyon ko man firav kee bapatisma ka prachar kiya. aur jab yoohanna apna daur poora karane par tha, to us ne kaha, tum mujhe kya samajhte ho? maain vah naheen! baran dekho, mere bad aek anevara haai, jis ke pan-pon kee jootee maain kholane ke yogy naheen. he bhaiyo, tum jo abraheem kee santan ho aur tum jo parameshvar se drate ho, tumhare pas is uddhar ka vachan bheja gaya haai. kyonaki yarooshalem ke rahanevalon aur unake saradaron ne, n use pahachana, aur n bhvishyadvktaon kee baten samajhee jo har sabt ke din paddhee jatee haai, isaaliye use doshaee ththarakar un ko poora kiya. unhon ne mar dalane ke yogy koi dosh us men ne paya, taubhee peeltus se binatee kee, ki vah mar dala jae. aur jab unhon ne usake vishay men likhee hui sab baten pooree kee, to use kroos par se utar kar kabra men rakha. parantu parameshvar ne use mare huon men se jilaya. aur vah unhen jo usake sath galeel se yarooshalem aae the, bahut dinon tak dikhai deta raha logon kee samhane ab ve bhee usake gavah haain. aur ham tumhen us praatigya ke vishay me, jo bapadadon se kee gai thee, yah susamachar sunate haain. ki parameshvar ne yeeshu ko jilakar, vahee pratigya hamaree santan ke liye pooree kee, jaaisa doosaree bhjan men bhee likha haai, ki too mera putra haai aj maain hee ne tuihe jan-maya haai. aur usake is reeti se mare huon men se jilane ke vishay men bhee, ki vah kabhee n sade, us ne yon kaha haai ki maain daud par kee pavitra aur achal krapa tum par karoonga. isaaliye us ne aek aur bhjan men bhee kaha haai ki too apane pavitra jan ko sadne n dega. kyonaki daud to parameshvar kee ichchha ke anusar apane samay men seva karake so gaya aur apane bapadadon men ja mila aur sad bhee gaya. parantu jis ko parameshvar ne jilaya, vah sadne naheen paya. isaaliye, he bhaiyo tum jan lo ki isee ke dara papon kee kshama ka samachar tumhen diya jata haai. aur jin baton se tum moosa kee vyavastha

ke dara nirdosh naheen tthar sakate the, unheen sab se har aek vishvas karanevala usake dara nirdosh ttharata haai. isaliye chaukas raho, aeesa n ho, ki jo bhvishyadvktaon kee pustak men aya haai, tum pr bhee a pade ki he ninda karanevalo, dekho, aur chaakit ho, aur mitt jao kyonaki maain tumhare dinon men aek kam karata hoon aeesa kam, ki yadi koi tum se usakee charcha kare, to tum kabhee prateeti n karoge. un ke bahar nikalate samay log un se bina-tee karane lage, ki agale sabt ke din hamen ye baten fir sunai jaen. aur jab sabha utt gai to yahoodiyon aur yahoodee mat men aae huae bhkton men se bahutere paulus aur baranabas ke peechhe ho liae aur unhon ne un se baten karake samajhaya, ki parameshvar ke anugrah men bane raho. agale sabt ke din nagar ke praaya: sab log parameshvar ka vachan sunane ko ikatthe ho gaee. parantu yahoodee bheed ko dekhkar dah se bhr gaa, aur ninda karate huae paulus kee baton ke virodha men bolane lage. tab polus aur baranabas ne nidr hokar kaha, avashy tha, ki parameshvar ka vachan paahile tumhen sunaya jata: parantu jab ki tum use door karate ho, aur apane ko anant jeevan ke yogy naheen ttharate, to dekho, ham anyajatiyon kee or firate haain. kyonkai prabhu ne hamen yah agyaa dee haai ki maai. ne tujhe anyajatiyon ke liye jyoti ttharaya haai taki too prathvee kee chhor tak uddhar ka dar ho. yah sunakar anyajati anaandait hua, aur parameshvar ke vachan kee badaai karane lage: aur jitate anant jeevan ke liye ttharaae gaee the, unhon ne vishvas kiya. tab prabhu ka vachan us sare desh men faailane laga. parantu yahoodiyon ne bhkt aur kuleen striayon ko aur nagar ke bade logon ko usakaya, aur paulus aur baranabas par upadrav karavakar unhen apane sivanon se nikal diya. tab ve un ke samhane apane panvon kee dhool jhadkar ikuniyum ko gaee. aur chele anand se aur pavitra atma se paaripoorn hote rahe..

14

ikuniyum men aeesa hua ki ve yahoodiyon kee aradhanalay men sath sath gaa, aur aeese baten kee, ki yahoodiyon aur yoonaanion donon men se bahaton ne vishvas kiya. parantu n mananevale yahoodiyon ne anyajatiyon ke man bhaiyon ke virodha men usakaa, aur bigad kar diae. aur ve bahut din tak vahan rahe, aur prabhu ke bhrose par hiyav se baten karate the: aur vah un ke hathon se chinh aur adabht kam karavakar apane anugrah ke vachan par gavahee deta tha. parantu nagar ke logon men foott pad gai thee is se kitane to yahoodiyon kee or, aur kitane praeeriton kee or ho gaee. parantu jab anyajaati aur yahoodee un ka apaman aur unhen patthravah karane ke liye apane saradaron samat un par dode. to ve is bat ko jan ga, aur lukauniya ke lusr aur dirabe nagaron me, aur asapas ke desh men bhag gaee. aur vahan susamachar sunane lage. lusr men aek manushy baaita tha, jo panvon ka nirbal tha: vah janm hee se langada tha, aur kabhee n chala tha. vah paulus ko baten karate sun raha tha aur is ne us kee or tktat-ke lagakar dekha ki is ko changa ho jane ka vishvas haai. aur unche shabd se kaha, apane panvon ke bal seedha khda ho: tab vah uchhlakar chalne firane

laga. logon ne paulus ka yah kam dekhkar lukauniya bhasha men unche shabd se kaha devata hamare pas utar aae haain. aur unhon ne baranabas ko jyos, aur paulus ko hiramases kaha, kyonaki yah baten karane men mukhy tha. aur jyos ke us maandair ka puja-ree jo us ke nagar ke samhane tha, baail aur foolon ke har faattkon par lakar logon ke sath baalidan karana chahata tha. parantu baranabas aur paulus praeeriton ne jab suna, to apane kapade faade, aur bheed men lapak gaa, aur pukarakar kahane lage he logo tum kya karate ho? ham bhee to tumhare saman dukh-sukh bhogee manushy haai, aur tumhen susamachar sunate haai, ki tum in vyarth vastuon se alag hokar jeevate parameshvar kee or firo, jis ne svarga aur prathvee aur samudra aur jo kuchh n men haai banaya. us ne beete samayon men sab jatiyon ko apane apane magorn men chalne diya. taubhee us ne apane ap ko be-gavah n chhoda kintu vah bhilai karata raha, aur akash se vashara aur falavant retu dekar, tumhare man ko bhojan aur anand se bhrata raha. yah kahakar bhee unhon ne logon ko kattnaita se roka ki un ke liye baalidan n karen.. parantu kitane yahoodiyon ne antaakiya aur ikuniyum se akar logon ko apanee or kar liya, aur paulus ko patthravah kiya, aur mara samajhkar use nagar ke bahar ghasett le gaee. par jab chele us kee charon or a khde hua, to vah utkar nagar men gaya aur doosare din baranabas ke sath dirabe ko chala gaya. aur ve us nagar ke logon ko susamachar sunakar, aur bahut se chele banakar, lusr aur ikuniyum aur antaakiya ko lautt aae. aur chelon ke man ko sthiar karate rahe aur yah upadesh dete the, ki hamen bade klesh uttakar parameshvar ke rajy men praves karana hoga. aur unhon ne har aek kaleesiya men un ke liye praacheen ttharaa, aur upavas saahit praarthna karake, unhen prabhu ke hath saunpa jis par unhon ne vishvas kiya tha. aur pisi diya se hote huae ve panfooliya men pahunche aur piraga men vachan sunakar attliya men aae. aur vahan se jahaj se antaakiya men aa, jahan se ve us kam ke liye jo unhon ne poora kiya tha parameshvar ke anugrah par saunpe gaee the. vahan pahunchakar, unhon ne kaleesiya ikatthee kee aur bataya, ki parameshvar ne hamare sath hokar kaaise bade bade kam kiae! aur anyajatiyon ke liye vishvas ka dar khol diya. aur ve chelon ke sath bahut din tak rahe..

fir kitane log yahoodiya se akar bhaiyon ko sikhane lage ki yadi moosa kee reeti par tumhara khtana n ho to tum uddhar naheen pa sakate. jab paulus aur baranabas ka un se bahut jhgada aur vada-avivad hua to yah ttharaya gaya, ki paulus aur baranabas, aur ham men se kitane aur vyaaktai is bat ke vishay men yarooshalem ko praeeriton aur praacheenon ke pas janae. so mandlee ne unhen kuchh door tak pahunchaya aur ve faeeneeke or samariya se hote huae anyajatiyon ke man faerane ka samachar sunate gaa, aur sab bhaiyon ko bahut anandait kiya. jab yarooshalem men pahunche, to kaleesiya aur praeerit aur praacheen un se anand k esath mile, aur unhon ne bataya ki parameshvar ne un ke sath hokar kaaise kaaise kam kiae the. parantu fareesiyon ke panth

men se jinhon ne vishvas kiya tha, un men se kitanon ne uttkar kaha, ki unhen khtana karana aur moosa kee vyavastha ko manane kee agyaa dena chahiae. tab praerit aur praacheen is bat ke vishay men vichar karane ke liye ikatthe huae. tab pataras ne bahut vada-vivad ke bad khde hokar un se kaha.. he bhaiyo, tum janate ho, ki bahut din hua, ki parameshvar ne tum men se mujhe chun liya, ki mere munh se anyajaati susamachar ka vachan sunakar vishvas karen. aur man ke janchanevale parameshvar ne un ko bhee hamaree nai paavitra atma dekar un kee gavahee dee. aur vishvas ke dara un ke man shuuddh karake ham men aur un men kuchh bhed n rakha. to ab tum kyon parameshvar kee pareeksha karate ho? ki chelon kee garadan par aeesa joora rakho, jise n hamare bapadade utta sake the aur n ham utta sakate. ha, hamara yah to nishchay haai, ki jis reeti se ve prabhu yeesu ke anugrah se uddhar paaenge usee reeti se ham bhee paaenge.. tab saree sabha chupchap hokar baranabas aur paulus kee sunane lagee, ki parameshvar ne un ke dara anyajatiyon men kaaise kaaise chinh, aur adabhut kam dikhaae. jab ve chup hua, to yakoob kahane laga, ki .. he bhaiyo, meree suno: shamaun ne bataya, ki parameshvar ne pahile paahil anyajaatiyon par kaaisee krapadrashti kee, ki un men se apane nam ke liye aek log bana le. aur is se bhavishyadvktaon kee baten milatee haai, jaaisa likha haai, ki is ke bad maain fir akar daud ka gira hua dera uttaunga, aur usake khndharon ko fir banaunga, aur use khda karoonga. isaliye ki shosh manushy, arthata sab anyajaati jo mere nam ke kahalate haai, prabhu ko ddoonddden. yah vahee prabhu kahata haai jo jagat kee utpati se in baton ka samachar deta aya haai. isaliye mera vichar yah haai, ki anyajaatiyon men se jo log parameshvar kee or firate haai, ham unhen du:kh n den. parantu unhen likh bhenje, ki ve mooraton kee ashuuddhtaon aur vyaabhaichar aur gala ghaentte huon ke mans se aur lohoo se pare rahen. kyonaki purane samay se nagar nagar moosa kee vyavastha ke prachar karanevale hote chale aae haai, aur vah har sabbt ke din aradhanalay men pad-dhee jatee haai. tab saree kaleesiya saahit praeriton aur praacheenon ko achchha laga, ki apane men se kai manushyon ko chune, arthata yahooda, jo barasabba kahalata haai, aur seelas ko jo bhaiyon men mukhaiya the aur unhen paulus aur baranabas ke sath antaakiya ko bhejen. aur un ke hath yah likh bheja, ki antakiya aur sooriya aur kilikiya ke rahanevale bhaiyon ko jo anyajatiyon men se haai, praeriton aur praacheen bhaiyon ka namaskara! ham ne suna haai, ki ham men se kitanon ne vahan jakar, tumhen apane baton se ghabara diya aur tumhare man ulatt diae haain parantu ham ne un ko agyaa naheen dee thee. isaliye ham ne aek chitt hokar tteek samajha, ki chune huae manushyon ko apane pyare baranabas aur paulus ke sath tumhare pas bhejen. ye to aeese manushy haai, jinhon ne apane praan hamare prabhu yeesu maseeh ke nam ke liye jokhaim men dale haain. aur ham ne yahooda aur seelas ko bheja haai, jo apane munh se bhee ye baten kah denge. paavitra atma ko, aur ham ko tteek jan pada, ki in avashyak baton ko chhod tum par aur bojh n dalen ki tum mooraton ke baali kiae huon se, aur lohoo se, aur gala ghaentte huon ke

mans se, aur vyaabhaichar se, pare raho. in se pare raho to tumhara bhla hoga age shuubh.. fir ve vida hokar antakiya men pahunchte, aur sabha ko ikatthee karake vah unhen patraee de dee. aur ve paddhkar us upadesh kee bat se ati anaandait hue. aur yahooda aur seelas ne jo ap bhee bhavishyadvkta the, bahut baton se bhaiyon ko upadesh dekar sthair kiya. ve kuchh din rahakar bhaiyon se shaaantai ke sath vida hua, ki apane bhejanevalon ke pas jaen. parantu seelas ko vahan rahana achchha laga. aur paulus aur baranabas antaakiya men rah gaae: aur bahut aur logon ke sath prabhu ke vachan ka upadesh karate aur susamachar sunate rahe. kuchh din bad paulus ne baranabas se kaha ki jin jin nagaron men ham ne prabhu ka vachan sunaya tha, ao, fir un men chalakar apane bhaiyon ko dekhien ki kaaise haain. tab baranabas ne yoohanna ko jo marakus kahalata haai, sath lene ka vichar kiya. parantu paulus ne use jo panfooliya men un se alag ho gaya tha, aur kam par un ke sath n gaya, sath le jana achchha n samajha. so aesa ttntta hua, ki ve aek doosare se alag ho gaae: aur baranabas, marakus ko lekar jahaj par kupraus ko chala gaya. parantu paulus ne seelas ko chun liya, aur bhaiyon se parameshvar ke anugrah par saunpa jakar vahan se chala gaya. aur kaleesiyaon ko sthair karata hua, sooriya aur kilikiya se hote hua nikala..

16

fir vah dirabe aur lusar men bhee gaya, aur dekho, vahan teemuathaiyus nam aek chela tha, jo kisee vishvasee yahoodinee ka putra tha, parantu usaka pita yoonanee tha. vah lusar aur ikuanium ke bhaiyon men sunam tha. paulus ne chaha, ki yah mere sath chale aur jo yahoodae log un jagahon men the un ke karan use lekar usaka khtana kiya kyonaki ve sab janate tha, ki usaka pita yoonanee tha. aur nagar nagar jate huae ve un vidhaiyon ko jo yarooshalem ke praeriton aur praacheenon ne ttharai thee, manane ke liye unhen pahunchate jate the. is prakar kaleesiya vishvas men sthair hotee gai aur ginatee men prati din baddhtee gai. aur ve oogiya aur galatiya deshaen men se hokar gaa, aur paavitra atma ne unhen aeeshaiya men vachan sunane se mana kiya. aur unhon ne moosiya ke nikatt pahunchakar, bitooniya men jana chaha parantu yeesu ke atma ne unhen jane n diya. so moosiya se hokar ve traees men aae. aur paulus ne rat ko aek darshan dekha ki aek makidunee puroosh khda hua, us se binatee karake kahata haai, ki par utarakar maakiduniya men a aur hamaree sahayata kara. usake yah darshan dekhte hee ham ne turant makiduniya jana chaha, yah samajhkar, ki parameshvar ne hamen unhen susamachar sunane ke liye bulaya haai. so traees se jahaj kholakar ham seedho sumatraake aur doosare din niyapulis men aae. vahan se ham filippe men pahunchte, jo maakiduniya praant ka mukhy nagar, aur romiyon kee bastee haai aur ham us nagar men kuchh din tak rahe. sabbt ke din ham nagar ke faattk ke bahar naadee ke kinare yah samajhkar gaa, ki vahan praarthana karane ka sthan hoga aur baaitkar un striayon se jo ikatthee hui thee, baten karane lage. aur luadiya nam thuatheera nagar kee baainjane kee kapade

bechanevalee aek bhkt sree sunatee thee, aur prabhu ne usaka man khola, taaki paulus kee baton par chitt laagaa. aur jab us ne apane gharane samet bapaatisma liya, to us ne binatee kee, ki yadi tum mujhe prabhu kee vishvasinee samajhte ho, to chalakar mere ghar men raho aur vah hamen manakar le gai.. jab ham praarthna karane kee jagah ja rahe the, to hamen aek dasee milee jis men bhavee kahanevalee atma thee aur bhavee kahane se apane svaamiyon ke liye bahut kuchh kama latee thee. vah paulus ke aur hamare peechhe akar chillane lagee ki ye manushy param pradhaan parameshvar ke das haai, jo hamen uddhar ke marga kee katha sunate haain. vah bahut din tak aeesa hee karatee rahee, parantu paulus du:akhait hua, aur munh faerakar us atma se kaha, maain tu-jhe yeeshu maseeh ke nam se agyaa deta hoo, ki us men se nikal ja aur vah usee ghadee nikal gai.. jab us-ake svaamiyon ne dekha, ki hamaree kamai kee asha jatee rahee, to paulus aur seelas ko pakad kar chauk men praadhaanon ke pas kheench le gaae. aur unhen faaujadar kee hakimon ke pas le jakar kaha ye log jo yahood ee haai, hamare nagar men badee halachal macha rahe haain. aur aese vyavahar bata rahe haai, jinhen grahan karana ya manana ham romiyan ke liye tteek naheen. tab bheed ke lage un ke virodha men ikatthe hokar chaddh aa, aur hakimon ne un ke kapade faadkar utar dale, aur unhen bet marane kee agyaa dee. aur bahut bet lagavakar unhen bandeegrah men dala aur daroga ko agyaa dee, ki unhen chaukasee se rakhe. us ne aesee agyaa pakar unhen bheetar kee kottree men rakha aur un ke panv katt men ttonk die. adhae rat ke lagabgh paulus aur seelas praarthna karate huae parameshvar ke bhjan ga rahe the, aur bandhauae un kee sun rahe the. ki itane men aekaaek bada bhuidol hua, yahan tak ki bandeegrah kee nev hil gai, aur turant sab dar khul gaae aur sab ke bandhan khul pade. aur daroga jag utta, aur bandeegrah ke dar khule dekhkar samajha ki bandhauae bhag gaa, so us ne talavar kheenchakar apane ap ko mar dalana chaha. parantu paulus ne unche shabd se pukarakar kaha apane ap ko kuchh hani n pahuncha, kyonki ham sab yahan haain. tab vah deeya mangavakar bheetar lapak gaya, aur kan-pata hua paulus aur seelas ke age gira. aur unhen bahar lakar kaha, he sahibo, uddhar pane ke liye maain kya karoon? unhon ne kaha, prabhu yeeshu maseeh par vishvas kar, to too aur tera gharana uddhar paega. aur unhon ne us ko, aur usake sare ghar ke logon ko prabhu ka vachan sunaya. aur rat ko usee ghadee us ne unhen le jakar un ke ghaav dhaae, aur us ne apane sab logon samet turant bapaatisma liya. aur us ne unhen apane ghar men le jakar, un ke age bhajan rakha aur sare gharane samet parameshvar par vishvas karake anand kiya.. jab din hua tak haakimon ne pyadon ke hath kahala bheja ki un manushyon ko chhod do. daroga ne ye baten paulus se kah sunai, ki hakimon ne tumhare chhod dene kee agyaa bhej dee haai, so ab nikalakar kushal se chale jao. parantu paulus ne us se kaha, unhon ne hamen jo rome manushy haai, doshaeetharaae bina, logon ke samhane mara, aur bandeegrah men dala, aur ab kya chupake se nikal dete haain? aeesa nahee, parantu ve ap akar hamen bahar le jaaen. pyadon ne ye baten

hakimon se kah dee, aur ve yah sunakar ki rome haai, dr gaae. aur akar unhen manaya, aur bahar le jakar binatee kee ki nagar se chale jaaen. ve bandee-grah se nikal kar luadiya ke yahan gaa, aur bhaiyon se bhennt karake unhen shaaantai dee, aur chale gaae..

fir ve amfaipualis aur apulloniya hokar thaissaluneeke men aa, jahan yahoodiyan ka aek aradhanalay tha. aur paulus apanee reeti ke anusar un ke pas gaya, aur teen sabb ke din pavitra shaasren se un ke sath vivid kiya. aur un ka arth khol kholakar samajhata tha, ki maseeh ka dukh uttana, aur mare huon men se jee uttana, avashy tha aur yahee yeeshu jis kee maain tumhen katha sunata hoo, maseeh haai. un men se kitanon ne, aur bhkt yoonaniyan men se bahuteron ne aur bahut see kuleen sitrayon ne man liya, aur paulus aur seelas ke sath mil gae. parantu yahoodiyan ne dah se bhrakar bajaroo logon men se kai dusht manushyon ko apane sath men liya, aur bheed lagakar nagar men hullad machane lage, aur yason ke ghar par chaddhai karake unhen logon ke samhane lana chaha. aur unhen n pakar, ve yah chillate huae yason aur kitanon aur bhaiyon ko nagar ke haakimon ke samhane kheench laa, ki ye log jinhon ne jagal ko ulatta pulatta kar diya haai, yahan bhee aae haain. aur yamon ne unhen apane yahan utara haai, aur ye sab ke sab yah kahate haain ki yeeshu raja haai, aur kaaisar kee agyaaon ka virodha karate haain. unhon ne logon ko aur nagar ke haakimon ko yah sunakar ghabara diya. aur unhon ne yason aur bakke logon se muchalaka lekar unhen chhod diya.. bhaiyon ne turant rat hee rat paulus aur seelas ko bireeya men bhej diya: aur ve vahan pahunchakar yahoodiyan ke aradhanalay men gaae. ye log to thaissaluneeke ke yahoodiyan se bhle the aur unhon ne badee lalasa se vachan grahan kiya, aur praati din pavitra shaasren men ddoondhte rahe ki ye baten yoheen haai, ki naheen. so un men se bahuteron ne, aur yoonanee kuleen striyan men se, aur purooshaen men se bahuteron ne vishvas kiya. kintu jab thaissaluneeke ke yahood ee jan gaa, ki paulus bireeya men bhee parameshvar ka vachan sunata haai, to vahan bhee akar logon ko usakane aur halachal machane lage. tab bhaiyon ne turant paulus ko vida kiya, ki samudra ke kinare chala jaae parantu seelas aur teemuthaiys vaheen rah gaae. paulus ke pahunchanevale use athene tak le gaa, aur seelas aur teemuthaiys ke liye yah agyaa lekar vida hua, ki mere pas bahut shaeghaa aa.. jab paulus athene men un kee batt joh raha tha, to nagar ko mooraton se bhra hua dekhkar usaka jee jal gaya. so vah aradhanalay men yahoodiyan aur bhkton se aur chauk men jo log milate the, un se har din vada-vivad kiya karata tha. tab iapikooree aur stoikee panditon men se kitanon se se tarka karane lage, aur kitanon ne kaha, yah bakavadee kya kahana chahata haai? parantu auron ne kaha vah any devataon ka pracharak maloom padta haai, kyonki vah yeeshu ka, aur punarootthan ka susamachar sunata tha. tab ve use apane sath ariyupagus par le gaae aur poochha, kya ham jan sakate haai, ki yah naya mat

jo too sunata haai, kya haai? kyonaki too anokhee baten hamen sunata haai, isaliye ham janana chahate haain ki in ka arth kya haai? isaliye ki sab athenavee aur paradeshaee jo vahan rahate the nai nai baten kahane aur sunane ke sivy aur kisee kam men samay naheen bitate the. tab paulus ne ariyupagus ke beech men khda hokar kaha he athene ke logon maain dekhtha hoo, ki tum har bat men devataon ke bade mananevale ho. kyonaki maain firate huae tumharee poojane kee vastuon ko dekh raha tha, to aek aeese vedee bhee pai, jis par likha tha, ki anajane ishvar ke liye. so jise tum bina jane poojate ho, maain tumhen usaka samachar sunata hoon. jis parameshvar ne prathvee aur us kee sab vastuon ko banaya, vah svarga aur prathvee ka svamee hokar hath ke banaae huae maandairon men naheen rahata. n kisee vastu ka prayojan rakhkar manushyon ke hathon kee seva leta haai, kyonki vah to ap hee sab ko jeevan aur svas aur sab kuchh deta haai. us ne ek hee mool se manushyon kee sab jaatiyan saree prathvee par rahane ke liye banai haain aur un ke ttharaae huae samay, aur nivas ke sivanon ko isaliye bandha haai. ki ve parameshvar ko ddoondhe, kadaachit use ttttolakar pa jaaen taubhee vah ham men se kisee se door naheen! kyonaki ham usee men jeeavit rahate, aur chalate-afirate, aur sthiar rahate haain jaaise tumharee kitane kaviyon ne bhee kaha haai, ki ham to usee ke vansh bhee haain. so parameshvar ka vansh hokar hamen yah samajhta uchit nahee, ki ishvaratv, sone ya roope ya patthr ke saman haai, jo manushy kee kareegaree aur kalpata se gaddhe gaee hon. isaliye parameshvar agyaanata ke samayon men anakanee karake, ab har jagah sab manushyon ko man firane kee agyaa deta haai. kyonaki us ne aek din ttharaya haai, jis men vah us manushy ke dara dharma se jagat ka nyay karega, jise us ne ttharaya haai aur use mare huon men se jilakar, yah bat sab par praamaanait kar dee haai.. mare huon ke punarootthan kee bat sunakar kitane to ttttha karane lage, aur kitanon ne kaha, yah bat ham tuij se fir kabhee sunenge. is par paulus un ke beech men se nikal gaya. parantu kai aek manushy usake sath mil gaa, aur vishvas kiya, jin men diyunusiys aariyupagee tha, aur damaris nam aek sree thee, aur un ke sath aur bhee kitane log the..

is ke bad paulus athena ke chhodkar kuarinthus men aya. aur vahan akvaila nam aek yahooddee mila, jis ka janm puntus ka tha aur apanee patnee pirsakilla samet italiya se naya aya tha, kyonaki klaudiys ne sab yahoodiyan ko rom se nikal jane kee agyaa dee thee, so vah un ke yahan gaya. aur usaka aur un ka aek hee udhym tha isaaliye vah un ke sath raha, aur ve kam karane lage, aur un ka udhym tamboo banane ka tha. aur vah har aek sabb ke din aradhanalay men vada-vivad karake yahoodiyan aur yoonaniyan ko bhee samajhata tha.. jab seelas aur teemuathaiys maakiduniya se aa, to paulus vachan sunane kee dhaun men lagakar yahoodiyan ko gavahae deta tha ki yeeshu hee maseeh haai. parantu jab ve virodha aur ninda karane lage, to us ne apane kapade jhad-

kar un se kaha tumhara lohoo tumharee gardan par rahe: maain nidaush hoon: ab aee maain anyajatiyon ke pas jaunga. aur vahan se chalakar vah titus yustus nam parameshvar ke aek bhkt ke ghar men aya, jis ka ghar aradhanalay se laga hua tha. tab aradhanalay ke saradar krispus ne apane sare gharane samet prabhu par vishvas kiya aur bahut se kurinthee sunakar vishvas laae aur bapatisma liya. aur prabhu ne rat ko darshan ke dara paulus se kaha, mat dr, baran kahe ja, aur chup mat raha. kyonaki maain tere sath hoon: aur koi tuij par chaddhai karake teree haati n karega kyonaki is nagar men mere bahut se log haain. so vah un men parameshvar ka vachan sikhate huae deddh varsha tak raha.. jab gaallaiyo akhaya desh ka hakim tha to yahoodee log aeka karake paulus par chaddh aa, aur use nyay asan ke samhane likar, kahane lage. ki yah logon ko samajhata haai, ki parameshvar kee upasana aeese reeti se kare, jo vyavastha ke vipareet haai. jab paulus bolane par tha, to gallaiye ne yahoodiyan se kaha he yahoodiyo, yaadi yah kuchh anyay ya dushttta kee bat hotee to uchit tha ki maain tumharee sunata. parantu yadi yah vada-vivad shabdo, aur namo, aur tumharee yahan kee vyavastha ke vishay men haai, to tum hee jano kyonaki maain in baton ka nyayee banana naheen chahata. aur us ne unhen nyay asan ke samhane se nikalaya diya. tab sab loagen ne aradhanalay ke saradar sosthianes ko pakad ke nyay asan ke samhane mara: parantu gaallaiyo ne in baton kee kuchh bhee chinta n kee.. so paulus bahut din tak vahan raha, fir bhaiyon se vida hokar kinakhaiya men isaliye sir mundaya kyonaki us ne mannat manee thee aur jahaj par sooriya ko chal diya aur usake sath pirsakilla aur akvaila the. aur us ne iafisus men pahunchakar un ko vahan chhoda, aur ap hee aradhanalay men jakar yahoodiyan se vivid karane laga. jab unhon ne us se binatee kee, ki hamare sath aur kuchh din rah, to us ne sveekar n kiya. parantu yah kahakar un se vida hua, ki yadi parameshvar chabe to maain tumhare pas fir aunga. tab iafisus se jahaj kholakar chal diya, aur kaaisariya men utar kar yarooshalem ko gaya aur kaleesiya ko namaskar karake antakiya men aya. fir kuchh din rahakar vahan se chala gaya, aur aek or se galatiya aur oogiya men sab chelon ko sthiar karake fira.. apullos nam aek yahooddee jis ka janm sikandaariya men hua tha, jo vidan puroosh tha aur paavitra shaasr ko achchhee tarah se janata tha ifisus men aya. us ne prabhu ke marga kee shaiksha pai thee, aur man lagakar yeeshu ke vishay men tteek tteek sunata, aur sikhata tha, parantu vah keval yoohanna ke bapaatisma kee bat janata tha. vah aradhanalay men nidr hokar bolane laga, par pirsakilla aur akvaila us kee baten sunakar, use apane yahan le gaee aur parameshvar ka marga us ko aur bhee tteek tteek bataya. aur jab us ne nishchay kiya ki par utarakar akhaya ko jaae to bhaiyon ne use ddhaddhs dekar chelon ko likha ki ve us se achchhee tarah mile, aur us ne pahunchakar vahan un logon kee badee sahayata kee jinhon ne anugrah ke karan vishvas kiya tha. kyonaki vah pavitra shaasr se praman de dekar, ki yeeshu hee maseeh haai badee prabalata se yahoodiyan ko sab ke samhane niroottr karata raha..

aur jab apullos kurinthus men tha, to paulus upar se sare desh se hokar iafisus men aya, aur kai chelon ko dekhkara. un se kaha kya tum ne vishvas karate samay paavitra atma paya? unhon ne us se kaha, ham ne to paavitra atma kee charcha bhee naheen sunee. us ne un se kaha to fir tum ne kis ka bapaatisma liya? unhon ne kaha yooahanna ka bapaatisma. paulus ne kaha yooahanna ne yah kahakar man firav ka bapaatisma diya, ki jo mere bad anevala haai, us par arthata yeeshu par vishvas karana. yah sunakar unhon ne prabhu yeeshu ke nam ka bapaatisma liya. aur jab paulus ne un par hath rakhe, to un par paavitra atma utara, aur ve bhainn bhasha bolane aur bhvishyadvanee karane lage. ye sab lagabgh barah purroosh the. aur vah aradhanalay men jakar teen maheene tak nidr hokar bolata raha, aur parameshvar ke rajy ke vishay men vivad karata aur samajhata raha. parantu jab kitanon ke kattor hokar us kee naheen manee baran logon ke samhane is marga ko bura kahane lage, to us ne un ko chhodkar chelon ko alag kar liya, aur praati din turannus kee patthshaala men vivad kiya karata tha. do varsha tak yahee hota raha, yahan tak ki asiya ke rahanevale kya yahooddee, kya yoonanee sab ne prabhu ka vachan sun liya. aur parameshvar paulus ke hathon se samarth ke anokhe kam dikhatta tha. yahan tak ki roomal aur angochhe us kee deh se chhulavakar beemaron par dalate the, aur un kee beemariyan jatee rahatee thee aur dushttatmaen un men se nikal jaya karatee theen. parantu kitane yahooddee jo jhada foonkee karate firate the, yah karane lage, ki jin men dushttatma hon un par prabhu yeeshu ka nam yah kahakar foonke ki jis yeeshu ka prachar paulus karata haai, maain tumhen usee kee shapath deta hoon. aur skikava nam ke aek yahooddee mahayajak ke sat putra the, jo aeesea hee karate the. par dushttatma ne uttr diya, ki yeeshu ko maain janatee hoo, aur paulus ko bhee pahachanatee hoon parantu tum kaun ho? aur us manushy ne jis men dushttatma thee un par lapakakar, aur unhen vash men likar, un par aeesea upadrav kiya, ki ve nange aur ghaayal hokar us ghar se nikal bhage. aur yah bat iafisus ke rahanevale yahooddee aur yoonanee bhee sab jan gaa, aur un sab par bhy chha gaya aur prabhu yeeshu ke nam kee badaai hui. aur jinhon ne vishvas kiya tha, un men se bahuteron ne akar apane apane kamon ko man liya aur pragatt kiya. aur jadoo karanevalon men se bahun ton ne apanee apanee pothaiyan ikatthee karake sab ke samhane jala deen aur jab un ka dam joda gaya, jo pachas hajar roopaye kee nikaleen. yon prabhu ka vachan bal poorvak faailata gaya aur prabal hota gaya.. jab ye baten ho chukee, to paulus ne atma men ttana ki makiduniya aur akhaya se hokar ya-rooshalem ko jau, aur kaha, ki vahan jane ke bad mujhe roma ko bhee dekhna avashy haai. so apanee seva karanevalon men se teemuathaiyus aur iras-tus ko makiduniya men bhejakar ap kuchh din asiya men rah gaya. us samay men panth ke vishay men bada hullad hua. kyonaki demetraiys nam ka aee sunar araatimis ke chandee ke mandair banavakar kareegaron ko bahut kam dilaya karata tha. us ne un

ko, aur, aur aeesea vastuon ke kareegaron ko ikatthe karake kaha he manushyo, tum janate ho, ki is kam men hamen kitana dhan milata haai. aur tum dekhate aur sunate ho, ki keval iafisus hee men nahee, baran praaya: sare asiya men yah kah kahakar is paulus ne bahut logon ko samajhaya aur bhramaya bhee haai, ki jo hath kee kareegaree haai, ve ishvar naheen. aur ab keval isee aek bat ka hee dr nahee, ki hamare is dhandho kee pratisthta jatee rahegee baran yah ki mahan deevee araatimis ka mandair tuchchh samajha jaega aur jis sara aasiya aur gayat poojata haai usaka mahatv bhee jata rahega. ve yah sunakar krodha se bhr gaa, aur chilla chillakar kahane lage, iafisiyon kee aratimis mahan haai! aur sare nagar men bada kola-hal mach gaya aur logon ne gayus aur aristarakhus makiduniyon ko jo paulus ke sangee yatrae the, pakad liya, aur aekachitt hokar rangashaala men daud gaae. jab paulus ne logon ke pas bheetar jana chaha to chelon ne use jane n diya. aasiya ke haakimon men se bhee usake kai mitraen ne usake pas kahala bheja, aur binatee kee, ki rangashaala men jakar jokhaim n uttana. so koi kuchh chillaya, aur koi kuchh kyonaki sabha men badee gadbadee ho rahee thee, aur bahut se log to yah janate bhee naheen the ki ham kis liye ikatthe huae haain. tab unhon ne sikandar ko, jis yahoodiyon ne khda kiya tha, bheed men se age baddhaya, aur sikandar hath se saain karake logon ke samhane uttr diya chahata tha. parantu jab unhon ne jan liya ki vah yahooddee haai, to sab ke sab aek shabd se koi do ghanthe tak chillate rahe, ki ifaasiyon kee aratimis mahan haai. tab nagar ke mantraee ne logon ko shaant karake kaha he ifisiyo, kaun naheen janata, ki ifisiyon ka nagar badee deevee aratimis ke mandair, aur jyooos kee or se giree hui moorat ka tthalu haai. so jab ki in baton ka khndn hee naheen ho sakata, to uchitt haai, ki tum chupake raho aur bina soche vichare kuchh n karo. kyonaki tum in manushyon ko laae ho, jo n maandair ke loontnevale haai, aur n hamaree deevee ke nindak haain. yaadi demetraiys aur usake sathee kareegaron ko kisee se vivad ho to kachaharee khulee haai, aur hakim bhee haain ve aek doosare par naalish karen. parantu yadi tum kisee aur bat ke vishay men kuchh poochhna chahate ho, to niyat sabha men faaisala kiya jaega. kyonaki aj ke balave ke karan ham par dosh lagaae jane ka dr haai, isaalie ki is ka koi karan nahee, so ham is bheed ke ikattha hone ka koi uttr n de sakenge. aur yah kah ke us ne sabha ko vida kiya..

jab hullad thm gaya, to paulus ne chelon ko bulavakar samajhaya, aur un se vida hokar makiduniya kee aur chal diya. aur us sare desh men se hokar aur unhen bahut samajhakar, vah yoonan men aya. jab teen maheene rahakar jahaj par sooriya kee or jane par tha, to yahooddee us kee ghaat men lage, isaliye us ne yah salah kee ki makiduniya hokar lott aae. bireeya ke purroos ka putra sopatraus aur thaisalooneekiyaon men se aaristarkhus aur sikundus aur aasiya ka tu-akhaikus aur traufimus aasiya tak usake sath ho liae. ve age jakar traeeas men hamaree batt johate rahe. aur ham akhmeeree rottee ke dinon ke ba filippe se ja-

haj par chaddhkar panch din men traees men un ke pas pahunche, aur sat din tak vaheen rahe.. saptah ke paahile din jab ham rottee todne ke liye ikatthe hua, to paulus ne jo doosare din chale jane par tha, un se baten kee, aur adhaee rat tak baten karata raha. jis attaree par ham ikatthe the, us men bahut deeye jal rahe the. aur yootukhus nam ka aek javan khaidkee par baaita hua gaharee neend se jhuk raha tha, aur jab paulus der tak baten karata raha to vah neend ke jhoke men teesaree attaree par se gir pada, aur mara hua uttaya gaya. parantu paulus utarakar us se lipatt gaya, aur gale lagakar kaha ghabarao naheen kyon-aki usaka praan usee men haai. aur upar jakar rottee todee aur khakar itanee der tak un se baten karata raha, ki pau fatt gai fir vah chala gaya. aur ve us ladke ko jeeavit le aa, aur bahut shaantai pai.. ham paahile se jahaj par chaddhkar assus ko is vichar se age gaa, ki vahan se ham paulus ko chaddha len kyonki us ne yah isaaliye ttharaya tha, ki ap hee paaidal janevala tha. jab vah assus men hamen mila to ham use chaddhkar mitulene men aae. aur vahan se jahaj khollakar ham doosare din khayius ke samhane pahunche, aur agale din samus men lagan kiya, fir doosare din meeletus men aae. kyonaki paulus ne iafisus ke pas se hokar jane kee ttanee thee, ki kaheen aeesa n ho, ki use aasiya men der lage kyonki vah jaldee karata tha, ki yadi ho sake, to use pintekus ka din yarooshalem men katte.. aur us ne meeletus se iafisus men kahala bheja, aur kaleeasiya ke praacheenon ko bulavaya. jab ve us ke pas aa, to un se kaha, tum janate ho, ki pahile hee din se jab maain aasiya men pahuncha, maain har samay tumhare sath kis prakar raha. arthata badee deenata se, aur ansoo baha bahakar, aur un pareekshaan men jo yahoodiyan ke shadyantra ke karan mujh par a padee maain prabhu kee seva karata hee raha. aur jo jo baten tumhare labh kee thee, un ko batane aur logon ke samhane aur ghar ghar sikhane se kabhee n jhjhika. baran yahoodiyan aur yoonaaniiyon ke samhane gavahee deta raha, ki parameshvar kee or man firana, aur hamare prabhu yeesu maseeh par visvas karana चाहिए. aur ab dekho, maain atma men bandha hua yarooshalem ko jata hoo, aur naheen janata, ki vahan mujh par kya kya beetega? keval yah ki pavitra atma har nagar men gavahee de dekar mujh se kahata haai, ki bandhan aur klesh tere liye taaiyar haai. parantu maain apane praan ko kuchh naheen samajhta: ki use piry janoo, baran yah ki maain apanee daud ko, aur us sevakai ko pooree karoo, jo maain ne parameshvar ke anugrah ke susamachar par gavahee dene ke liye prabhu yeesu se pai haai. aur ab dekho, maain janata hoo, ki tum sab jin se maain parameshvar ke rajy ka prachar karata fira, mera munh fir n dekhoge. isaliye maain aj ke din tum se gavahee dekar kahata hoo, ki maain sab ke lohoo se nirdosh hoon. kyon-aki maain parameshvar kee saree manasa ko tumhen pooree reeti se banane se n jhjhika. isaliye apaneer aur pooree jhund kee chaukasee karo jis se pavitra atma ne tumhen adhyaksha ttharaya haai ki tum parameshvar kee kaleeasiya kee rakhvalee karo, jise us ne apane lohoo se mol liya haai. maain janata hoo, ki mere jane ke bad faadnevale bheadiae tum men aaenge, jo jhund ko n chhodenge. tumhare hee beech men se

bhee aese aese manushy uttenge, jo chelon ko apane peechhe kheench leno ko tteddhee meddhee baten kahenge. isaliye jagate raho aur smaran karo ki maain ne teen varsha tak rat din ansoo baha bahakar, har aek ko chitaunee dena n chhoda. aur ab maain tumhen parameshvar ko, aur usake anugrah ke vachan ko saunp deta hoon jo tumharee unnati kar sakata haai, oshra sab paavitraen men sajhee karake meeras de sakata haai. maain ne kisee kee chandee sonate ya kapade ka lalach naheen kiya. tum ap hee जाने ho ki inheen hathon ne meree aur mere saathaiyon kee avashyakataaen pooree keen. maain ne tumhen sab kuchh karake dikhaya, ki is reeti se parishram karate huae nirbalon ko sambhalana, aur prabhu yeesu kee baten smaran rakhna avashy haai, ki us ne ap hee kaha haai ki lene se dena dhany haai.. yah kahakar us ne ghautne tteke aur un sab ke sath praarthna kee. tab ve sab bahut roae aur paulus ke gale men lipatt kar use choomane lage. ve vishosh karake is bat ka shaek karate the, jo us ne kahee thee, ki tum mera munh fir n dekhoge aur unhon ne use jahaj tak pahunchaya..

jab ham ne un se alag hokar jahaj khola, to seedho marga se kos men aa, aur doosare din roodus me, or vahan se patara men. aur aek jahaj faeeneeke ko jata hua mila, aur us par chaddhkar, use khol diya. jab kupraus dikhai diya, jo ham ne use baaeen hath chhoda, aur sooriya ko chalakar soon men utare kyonki vahan jahaj ka bojh utarana tha. aur chelon ko pakar ham vahan sat din tak rahe: unhon ne atma ke sikhaae paulus se kaha, ki yarooshalem men panv n rakhna. jab ve din poore ho gaa, to ham vahan se chal diae or sab striayon aur balakon samet hamen nagar ke bahar tak pahunchaya aur ham ne kinare par ghautne ttekar praarthna kee. tab aek doosare se vida hokar, ham to jahaj par chaddhe, aur ve apane apane ghar lautt gaae.. jab ham soor se jalayatra pooree karake patulimaayis men pahuncha, aur bhaiyon ko namaskar karake un ke sath aek din rahe. doosare din ham vahan se chalakar kaaisaariya men aa, aur filippus susamachar pracharak ke ghar men jo saton men se aek tha, jakar usake yahan rahe. us kee char kunvaree putriayon theen jo bhvishyadaneer karatee theen. jab ham vahan bahut din rah chuke, to agabus nam aek bhavishyadvkta yahoodiya se aya. us ne hamare pas akar paulus ka pattka liya, aur apane hath panv bandhakar kaha pavitra atma yah kahata haai, ki jis manushy ka yah pattka haai, us ko yarooshalem men yahooddee isee reeti se bandhonge, aur anayaatiyon ke hath men saunpenge. jab ye baten sunee, to ham aur vahan ke logon ne us se binatee kee, ki yarooshalem ko n jaae. parantu paulus ne uttr diya, ki tum kya karate ho, ki ro rokar mera man todte ho, maain to prabhu yeesu ke nam ke liye yarooshalem men n keval bandho jane hee ke liye baran marane ke liye bhee taaiyar hoon. jab un se n mana to ham yah kahakar chup ho gaae ki prabhu kee ichchha pooree ho.. un dinon ke bad ham bandha chhandha kar yarooshalem ko chal die. kaaisaariya ke bhee kitane chele hamare sath ho lia, aur manason nam kupraus ke aek purane chele ko sath le aa, ki ham usake yahan

ttkaien.. jab ham yarooshalem men pahunche, to bhai bade anand ke sath ham se mile. doosare din paulus hamen lekar yakoob ke pas gaya, jahan sab praacheen ikatthe the. tab us ne unhen namaskar karake, jo jo kam parameshvar ne us kee sevakai ke dara anyajaatiyon men kiae the, aek aek karake sab bataya. unhon ne yah sunakar parameshvar kee maahima kee, fir us se kaha he bhai, too dekhta haai, ki yahoodi-
 yon men se kai hajar ne vishvas kiya haai aur sab vyavastha ke liye dhaun lagaae haain. aushra un ko tere vishay men sikhaya gaya haai, ki too anyajaatiyon men rahanevale yahoodiyan ko moosa se fir jane ko sikhaya haai, aur kahata haai, ki n apane bachchon ka khtana karao or n reetiyon par chalo: so kya kiya jaae? log avashy sunenge, ki too aya haai. isaliye jo ham tujh se kahate haai, vah kara: hamare yahan char manushy haai, jinhon ne mannat manee haai. unhen lekar us ke sath apane ap ko shuuddh kara aur un ke liye khrcha de, ki ve sir mudaen: tab sab jan lege, ki jo baten unhen tere vishay men sikhai gai, un kee kuchh jad naheen haai parantu too ap bhee vyavastha ko manakar usake anasar chalata haai. parantu un anyajaatiyon ke vishay men jinhon ne vishvas kiya haai, ham ne yah nirny karake likh bheja haai ki ve maraton ke samhane baali kiae huae mans se, aur lohoo se, aur gala ghaentte huon ke mans se, aur vyabhaichar se, bache rahen. tab paulus un manushyon ko lekar, aur doosare din un ke sath shuuddh hokar mandair men gaya, aur bata diya, ki shuuddh hone ke din, arthata un men se har aek ke liye chaddhava chaddhaae jane tak ke din kab poore hongee.. jab ve sat din poore hone par the, to aasiya ke yahoodiyan ne paulus ko mandair men dekhkar sab logon ko usakaya, aur yon chillaaakar us ko pakad liya. ki he israeliyo, sahayata karo yah vahee manushy haai, jo logon ke, aur vyavastha ke, aur is sthan ke virodha men har jagah sab logon ko sikhata haai, yahan tak ki yunaaniyon ko bhee maandair men lakar us ne is paavitra sthan ko apaavitra kiya haai. unhon ne to is se paahile traufimus iafisee ko usake sath nagar men dekha tha, aur samajhte the, ki paulus use mandair men le aya haai. tab sare nagar men kolahal mach gaya, aur log daudkar ikatthe hua, aur paulus ko pakadkar maandair ke bahar ghasettee laa, aur turant dar band kiae gae. jab ve usake mar dalata chahate the, to palattn ke saradar ko sandesh pahuncha ki sare yarooshalem men kolahal mach raha haai. tab vah turant sipaahiyan aur soobedaron ko lekar un ke pas neeche daud aya aur unhon ne palattn ke saradar ko ap sipaahiyan ko dekh kar paaiilus ko marane peettne se hath uthaya. tab palattn ke saradar ne pas akar use pakad liya aur do janjeeron se bandhane kee agyaa dekar poochhne laga, yah kaun haai, aur is ne kya kiya haai? parantu bheed men se koi kuchh aur koi kuchh chillate rahe aur jab hullad ke mare tteek sachchai n jan saka, to use gaddh men le jane kee agyaa dee. jab vah seeddhee par pahuncha, to aeesa hua, ki bheed ke dabav ke mare sipaahiyan ko use uttakar le jana pada. kyonaki logon kee bheed yah chillatee hui usake peechhe padee, ki usaka ant kar do.. jab ve paulus ko gaddh men le jane par the, to us ne palattn ke saradar se kaha kya mujhe agyaa haai ki maain tujh se kuchh kahoon? us ne kaha kya too yoonanee janata haai?

kya too vah misaree nahee, jo in dinon se paahile bal-
 avai banakar char hajar kattaraband logon ko jangal men le gaya? paulus ne kaha, maain to tarasus ka ya-
 hoodee manushy hoon! kilikiya ke praasiddh nagar ka nivasee hoon: aur maain tujh se binatee karata hoo, ki mujhe logon se baten karane de. jab us ne agyaa dee, to paulus ne seeddhee par khde hokar lo-
 gon ko hath se saain kiya: jab ve chup ho gaa, to vah ibraanee bhasha men bolane laga, ki,

22

he bhaiyo, aur pitaro, mera pratyuttr suno, jo maain ab tumhare samhane kahata hoon.. ve yah sunakar ki vah ham se ibraanee bhasha men bolata haai, aur bhee chup rahe. tab us ne kaha maain to ya-
 hoodee manushy hoo, jo kilikiya ke tarasus men janma parantu is nagar men gamaleeael ke pan-
 von ke pas baaittkar paddhaya gaya, aur bapadadon kee vyavastha kee tteek reeti par sikhaya gaya aur parameshvar ke liye aeesee dhaun lagaae tha, jaise tum sab aj lagaae ho. aur maain ne puroosh aur sree donon ko bandha bandhakar, aur bandeegrah men dal dalakar, is panth ko yahan tak sataya, ki unhen marava bhee dala. is bat ke liye mahayajak aur sab puraaniye gavah haain ki un men se maain bhaiyan ke nam par chitthiyan lekar damishk ko chala ja raha tha, ki jo vahan hon unhen bhee dand dilane ke liye bandhakar yarooshalem men laun. jab maain chalate chalate damishk ke nikatt pahuncha, to aeesa hua ki do pahar ke lagabhg aeakaek aek badee jyoti akash se mere charon or chamekee. aur maain boomi par gir pada: aur yah shabd suna, ki he shaaul, he shaaul, too mujhe kyon satata haai? maain ne uttr diya, ki he prabhu, too kaun haai? us ne mujh se kaha maain yeeshu nasaree hoo, jis too satata haai? aur mere sathaiyon ne jyoti to dekhee, parantu jo mujh se bo-
 lata tha usaka shabd n suna. tab maai. ne kaha he prabhu maain kya karoon? prabhu ne mujh se kaha uttkar damishk men ja, aur jo kud tere karane ke liye ttharaya gaya haai vahan tujh se sab kah diya jaaega. jab us jyoti ke tej ke mare mujhe kuchh dikhai n diya, to maain apane sathaiyan ke hath pakade huae daamishk men aya. aur hananyah nam ka vyavastha ke anasar aek bhkt manushy, jo vahan ke rahanevale sab yahoodiyan men sunam tha, mere pas aya. aur khda hokar mujh se kaha he bhai shaaul fir dekhne laga: usee ghadee mere netra khul gae aur maain ne use dekha. tab us ne kaha hamare bapadadon ke parameshvar ne tuihe isaaliye ttharaya haai, ki too us kee ichchha ko jane, aur us dharmee ko dekhe, aur usake munh se baten sune. kyonaki too us kee or se sab manushyon ke samhane un baton ka gavah hoga, jo too ne dekhee aur sunee haain. ab kyon der karata haai? ut, bapaatisma le, aur usaka nam lekar apane papon ko dhae dala. jab maain fir yarooshalem men akar mandair men praarthna kar raha tha, to besudha ho gaya. aur us ne dekha ki mujh se kahata haai jaldee karake yarooshalem se jhtt nikal ja: kyonaki ve mere vishay men teree gavahee n manenge. maain ne kaha he prabhu ve to ap janate haai, ki maain tujh par vish-
 vas karanevalon ko bandeegrah men dalata aur jagah jagah aradhanalay men pittvata tha. aur jab tere gavah

staifanus ka lohoo bahaya ja raha tha tab maain bhee vahan khda tha, aur is bat men sahamat tha, aur us-ake ghaatakon ke kapadon kee rakhvalee karata tha. aur us ne mujh se kaha, chala ja: kyonaki maain tu-jhe anyajatiyon ke pas door door bhejoonga.. ve is bat tak us kee sunate rahe tab unche shabd se chillaa, ki aeese manushy ka ant karo usaka jeeavit rahata uchit naheen. jab ve chillate aur kapade faenkate aur akash men dhool udate the to palattn ke soobedar ne kaha ki ise gaddh men le jao aur kode marakar jancho, ki maain janoon ki log kis karan usake virodha men aeese chillaa rahe haain. jab unhon ne use tasamon se bandha to paulus ne us soobedar se jo pas khda tha kaha, kya yah uchit haai, ki tum aek romeo manushy ko, aur vah bhee bina doshaee ththaraae huae kode maro? soobedar ne yah sunakar palattn ke saradar ke pas jakar kaha too yah kya karata haai? yah to romeo haai. tab palattn ke saradar ne usake pas akar kaha mujhe bata, kya too romeo haai? us ne kaha, han. yah sunakar palattn ke saradar ne kaha ki maain ne romeo hone ka pad bahut roopaye dekar paya haai: paulus ne kaha, maain to janm se romeo hoon. tab jo log use janchane par the, ve turant usake pas se hatt gae aur palattn ka saradar bhee yah janakar ki yah romeo haai, aur maain ne use bandha haai, dr gaya.. doosare din vah tteek tteek janane kee ichchha se ki yahoodee us par kyon dosh lagate haai, usake bandhan khol diae aur mahayajakon aur saree mahasabha ko ikatthe hone kee agyaa dee, aur paulus ko neeche le jakar un ke samhane khda kar diya..

23

paulus ne mahasabha kee or tttaktkkee lagakar dekha, aur kaha, he bhaiyo, maain ne aj tak parameshvar ke liye bilakul sachche vivek se jeevan bitaya. hananyah mahayajak ne, un kee jo usake pas khde the, usake moonh par thppad marane kee agyaa dee. tab paulus ne us se kaha he choona firee hui bheet, parameshvar tuijhe marega: too vyavastha ke anasar mera nyay karane ko baaitta haai, aur fir kya vyavastha ke vi-rooddh mujhe marane kee agyaa deta haai? jo pas khde the, unhon ne kaha, kya too parameshvar ke mahayajak ko bura kahata haai? paulus ne kaha he bhaiyo, maain naheen janata tha, ki yah mahayajak haai kyonki likha haai, ki apane logon ke pradhaan ko bura n kaha. tab paulus ne yah janakar, ki ki-tane sadookee aur kitane fareesee haai, sabha men pukarakar kaha, he bhaiyo, maain fareesee aur fareesiyon ke vansh ka hoo, mare huon hee asha aur punarootthan ke vishay men mera mukama ho raha haai. jab us ne yah bat kahee to fareeasiyon aur sadookiyon men jhgada hone laga aur sabha men foott pad gai. kyonaki sadookee to yah kahate haai, ki n punarootthan haai, n svargadoot aur n atma haai parantu fareesee donon ko manate haain. tab bada halla macha aur kitane shaasree jo fareeasiyon ke dal ke the, uttkar yon kahakar jhgadne lage, ki ham is manushy men kuchh burai naheen pate aur yadi koi atma ya svargadoot us se bola hai to fir kya? jab bahut jhgada hua, to palattn ke saradar ne is dr se ki ve paulus ke ttukade ttukade n kar dalen palattn ko agyaa dee, ki utarakar us ko un ke beech men se

barabas nikalo, aur gaddh men le ao. usee rat prabhu ne usake pas a khde hokar kaha he paulus, ddhad-dhs bandha kyonki jaaisee too ne yarooshlam men meree gavahee dee, vaaisee hee tuijhe rom men bhee gavahee denee hogee.. jab din hua, to yahoodiyan ne aeka kiya, aur shapath khai ki jab tak ham paulus ko man n dale, tab tak khanae ya peeaen to ham par dhaikkara. jinhon ne apas men yah shapath khai thee, ve chalees janon ke upar the. unhon ne mahayajakon aur puraniyon ke pas akar kaha, ham ne yah ttana haai ki jab tak ham paulus ko mar n dale, tab tak yadi kuchh chakhen bhee, to ham par dhaikkar par dhaikkar haai. isaliye ab mahasabha samet palattn ke saradar ko samajhao, ki use tumhare pas le aa, mano ki tum usake vishay men aur bhee tteek janch karana chahate ho, aur ham usake pahunchane se pahile hee use mar dalane ke liye taaiyar rahenge. aur paulus ke bhanje n suna, ki ve us kee ghaat men haai, to gaddh men jakar paulus ko sandesh diya. paulus ne soobedaron men se aek ko apane pas bulakar kaha is javan ko palattn ke saradar ke pas le jao, yah us se kuchh kahana chahata haai. so us ne usako palattn ke saradar ke pas le jakar kaha paulus bandhauae ne mujhe bulakar binatee kee, ki yah javan palattn ke saradar se kuchh kahana chahata haai use usake pas le ja. palattn ke saradar ne usaka hath pakadkar, aur alag le jakar poochha mujh se kya kahana chahata haai? us ne kaha yahoodiyan ne ekasa kiya haai, ki tuij se binatee kare, ki kal paulus ko mahasabha men laa, mano too aur tteek se us kee janch karana chahata haai. parantu un kee mat manana, kyonki un men se chalees ke upar manushy us kee ghaat men haai, jinhon ne yah ttan liya haai, ki jab tak ham paulus ko man n dale, tab tak khaae, peae, to ham par dhaikkara aur abhee ve taaiyar haain aur tere vachan kee as dekh rahe haain. tab palattn ke saradar ne javan ko yah agyaa dekar vida kiya, ki kisee se n kahana ki too ne mujh ko ve baten batai haain. aur do soobedaron ko bulakar kaha do sau sipahee, sattr savar, aur do sau bhalaait, pahar rat beete kaaisariya ko jane ke liye taaiyar kar rakho. aur paulus kee savaree ke liye ghaede taaiyar rakho ki use faeliks haakim ke pas kushal se pahuncha den. us ne is prakar kee chitthee bhee likhee mahapratapee faeliks haakim ko klauadiyus loosiyas ko namaskara is manushy ke yahoodiyan ne pakadkar mar dalata chaha, parantu jab maain ne jana ki romeo haai, to palattn lekar chhuda laya. aur maain janana chahata tha, ki ve us par kis karan dosh lagate haai, isaliye use un kee mahasabha men le gaya. tab maain ne jan liya, ki ve apanee vyavastha ke vidadon ke vishay men us par dosh lagate haai, parantu mar dale jane ya bandho jane ke yogy us men koi dosh naheen. aur jab mujhe bataya gaya, ki ve is manushy kee ghaat men lage haain to maain ne turant us ko tere pas bhej diya aur muiyon ko bhee agyaa dee, ki tere samhane us par nalish karen.. so jaaise sipahiyan ko agyaa dee gai thee vaaise hee paulus ko lekar raton-rat aan-taipaatrais men laae. doosare din ve savaron ko usake sath jane ke liye chhodkar ap gaddh ko lautte. unhon ne kaaisariya men pahunchakar haakim ko chitthee dee: aur paulus ko bhee usake samhane khda kiya. us ne paddhkar poochha yah kis desh ka haai? aur jab jan liya ki kilaakiya ka haai to us se kaha jab tere mui

bhee aaege, to maain tera mukama karoonga: aur us ne use herodes ke kile me, pahare men rakhne kee agyaa dee..

24

panch din ke bad hananyah mahayajak kai puraniyon aur tiratullus nam kisee vakeel ko sath lekar aya unhon ne hakim ke samhane paulus par nalish kee. jab vah bulaya gaya to tiratullus un par dosh lagakar kahane laga, ki, he mahapratapee faeliks, tere dara hamen jo bada kushal hota haai aur tere prabandha se is jati ke liye kitanee buraiyan sudharatee jatee haain. is ko ham har jagah aur har prakr se dhanyavad ke sath manate haain. parantu isaaliye ki tujhe aur dukh naheen dena chahata, maain tujh se binatee karata hoo, ki krapa karake hamaree do aek baten sun le. kyonaki ham ne is manushy ko upadreeve aur jagat ke sare yahoodiyan men balava karanevala, aur nasariyon ke kupanth ka muakhaiya paya haai. us ne maandair ko ashuuddh karana chaha, aur ham ne use pakada. in sab baton ko jin ke vishay men ham us par dosh lagate haai, too apahee us ko janch karake jan lega. yahoodiyan ne bhee usaka sath dekar kaha, ye baten isee prakr kee haain.. jab haakim ne paulus ko bolane ke liye saain kiya to us ne uttr diya, maain yah janakar ki too bahut vasharen se is jaati ka nyay karata haai, anand se apana pratyuttr deta hoon. too ap jan sakata haai, ki jab se maain yarooshalem men bhjan karane ko aya, mujhe barah din se upar naheen hue. aur unhon ne mujhe n maandair men n sabha ke gharon me, n nagar men kisee se vivad karate ya bheed lagate paya. aur n to ve un baton ko, jin ka ve ab mujh par dosh lagate haai, tere samhane sach thara sakate haain. parantu yah maain tere samhane sach thara sakate haain. parantu yah maain tere samhane man leta hoo, ki jis panth ko ve kupanth kahate haai, usee kee reeati par maain apane bapadadon ke parameshvar kee seva karata hoon: aur jo baten vyavastha aur bhvishyadvktaon kee pustakon men likhee haai, un sab kee prateeti karata hoon. aur parameshvar se asha rakhta hoon jo ve ap bhee rakhte haai, ki dharmee aur adharmee donon ka jee uttna hoga. is se maain ap bhee yatan karata hoo, ki parameshvar kee, aur manushyon kee or mera vivek sada nirdosh rahe. bahut vasharen ke bad maain apane logon ko dan pahunchane, aur bhentt chaddhane aya tha. unhon ne mujhe mandair me, shuuddh dasha men bina bheed ke sat, aur bina danga karate huae is kam men paya - han asiya ke kai yahoodee the - un ko uchit tha, ki yadi mere virodha men un kee koi bat ho to yahan tere samhane akar mujh par dosh lagate. ya ye ap hee kahe, ki jab maain mahasabha ke samhane khda tha, to unhon ne mujh se kaun sa aparadha paya? is aek bat ko chhod jo maain ne un ke beech men khde hokar pukarakar kaha tha, ki mare huon ke jee uttne ke vishay men aj mera tumhare samhane mukama ho raha haai.. faeliks ne jo is panth kee baten tteek tteek janata tha, unhen yah hakakar ttal diya, ki jab palattn ka saradar loosiyaas aaege, to tumharee bat ka nirny karoonga. aur soobedar ko agyaa dee, ki paulus ko sukh se rakhkar rakhvalee karana, aur usake mitraen

men se kisee ko bhee us kee seva karane se n rokana.. kitane dinon ke bad faeliks apanee patnee drausilla ko, jo yahoodinee the, sath lekar aya aur paulus ko bulavakar us vishvas ke vishay men je maseeh yeeshu par haai, us se suna. aur jab vah dharna aur sanyam aur anevale nyay kee charcha karata tha, to faeliks ne bhyaman hokar uttr diya, ki abhee to ja: avasar pakar maain tujhe fir bulaunga. use paulus se kuchh roopaye milane kee bhee as thee isaaliye aur bhee bula bulakar us se baten kiya karata tha. parantu jab do varsha beet gae, to puraakiyas faestus faeliks kee jagah par aya, aur faeliks yahoodiyan ko khush karane kee ichchha se paulus ko bandhaua chhod gaya..

25

faestus un praant men pahunchakar teen din ke bar kaaisariya se yarooshalem ko gaya. tab mahayajakon ne, aur yahoodiyan ke bade logon ne, usake samhane paulus kee nalish kee. aur use se binatee karake usake virodha men yah bar chaha, ki vah use yarooshalem men bulavaa, kyonki ve use raste hee men mar dalane kee ghaat lagae huae the. faestus ne uttr diya, ki paulus kaaisariya men pahare men haai, aur maain ap jald vahan aunga. fir kaha, tum se jo addhaikar rakhte haai, ve sath chale, aur yadi is manushy ne kuchh anuachit kam kiya haai, to us par dosh lagaaen.. aur un ke beech koi att das din rahakar vah kaaisariya gaya: aur doosare din nyay asan par baaitkar paulus ke lane kee agyaa dee. jab vah aya, to jo yahoodee yarooshalem se aae the, unhon ne as pas khde hokar us par bahutere bharee dosh lagae, jin ka praman ve naheen de sakate the. parantu paulus ne uttr diya, ki maain ne n to yahoodiyan kee vyavastha ka aur n mandair ka, aur n kaaisar ka kuchh aparadha kiya haai. tab faestus ne yahoodiyan ko khush karane kee ichchha se paulus ko uttr diya, kya too chahata haai ki yarooshalem ko jaae aur vahan mere samhane tera yah mukama tay kiya jaae? paulus ne kaha maain kaaisar ke nyay asan ke samhane khda hoon: mere mukamen ka yaheen faaisala hona chahiae: jaisa too achchhee tarah janata haai, yahoodiyan ka maain ne kuchh aparadha naheen kiya. yaadi aparadhae hoon aur mar dale jane yogy koi kam kiya haai to marane se naheen mukarata parantu jin baton ka ye mujh par dosh lagate haai, yadi un men se koi bat sach n thare, to koi mujhe un ke hath naheen saunp sakata: maain kaaisar kee dohai deta hoon. tab faestus ne maantriyaon kee sabha ke sath baten karake uttr diya, too ne kaaisar kee dohai dee haai, too kaaisar ke pas jaaega.. aur kuchh din beetane ke bad agirippa raja aur biraneeke ne kaaisariya men akar faestus se bhentt kee. aur un ke bahut din vahan rahane ke bad faestus ne paulus kee katha raja ko batai ki aek manushy haai, jise faeliks bandhaua chhod gaya haai. jab maain yarooshalem men tha, to mahayajak aur yahoodiyan ke puraniyon ne us kee naalish kee aur chaha, ki us par dand kee agyaa dee jaae. parantu maain ne un ko uttr diya, ki romiyan kee yah reeati nahee, ki kisee manushy ko dand ke liye saunp de, jab tak mualaalaih ko apane muiyon ke amane samane khde hokar dosh ke uttr देने ka avasar n mile. so jab ve yahan ikatthe hua, to maain ne kuchh der n kee, parantu

doosare hee din nyay asan par baaaitkar, us manushy ko lane kee agyaa dee. jab usake mui khde hua, to unhon ne aeesee buree baton ka dosh naheen lagaya, jaaisa maain samajhta tha. parantu apane mat ke, aur yeeshu nam kisee manushy ke vishay men jo mar gaya tha, aur paulus us ko jeeavit batata tha, vivid karate the. aur maain ulajhn men tha, ki in baton ka pata kaise lagaun? isaliye maain ne us se poochha, kya too yarooshalem jaaega, ki vahan in baton ka faaisala ho? parantu jab paulus ne dohai dee, ki mere mukamen ka faaisala maharajaadhairaj ke yahan ho to maain ne agyaa dee, ki jab tak use kaaisar ke pas n bhejoo, us ke rakhvalee kee jaae. tab aagirppa ne faestus se kaha, maain bhee us manushy kee sunana chahata hoon: us ne kaha, too kal sun lega.. so doosare din, jab aagirppa aur biraneeke badee dhoomadhaam se akar palattn ke saradaron aur nagar ke bade logon ke sath darabar men pahunchte, to faestus ne agyaa dee, ki ve paulus ko le aen. faestus ne kaha he maharaja aagirppa, aur he sab manushyon jo yahan hamare sath ho, tum is manushy ko dekhte ho, jis ke vishay men sare yahoodiyan ne yarooshalem men aur yahan bhee chilli chillakar mujh se binatee kee, ki is ka jeevit rahana uchit naheen. parantu maain ne jan liya, ki us ne aeesa kuchh naheen kiya ki mar dala jaae aur jab ki us ne ap hee maharajaadhairaj kee dohai dee, to maain ne use bhejane ka upay nikala. parantu maain ne usake vishay men koi tteek bat naheen pai ki apane svamee ke pas likoo, isaliye maain use tumhare samhane aur vishosh karake he maharaja aagirppa tere samhane laya hoo, ki janchane ke bad mujhe kuchh likhne ko mile. kyonaki bandhauae ko bhejana aur jo dosh us par lagaae gaa, unhen n batana, mujhe vyarth samajh padta haai..

26

aagirppa ne paulus se kaha tujhe apane vishay men bolane kee agyaa haai: tab paulus hath baddhakar uttr dene laga, ki, he raja aagirppa, jitane baton ka yahoodee mujh par dosh lagate haai, aj tere samhane un ka uttr dene men maain apane ko dhany samajhta hoon. vishosh karake isaliye ki too yahoodiyan ke sab vyavaharon aur ivadon ko janata haai, so maain binatee karata hoo, dhaeeraj se meree sun le. jaaisa mera chal chalan arambh se apanee jaati ke beech aur yarooshalem men tha, yah sab yahoodee janate haain. ve yaadi gavahee dena chahate haai, to arambh se mujhe paahichanate haai, ki maain faareesee hokar apane dharma ke sab se khre panth ke anasar chala. aur ab us praatigyaa kee asha ke karan jo parameshvar ne hamare bapadadon se kee thee, mujh par mukama chal raha haai. usee pratigyaa ke poore hone kee asha lagaae hua, hamare barahon gotra apane sare man se rat din parameshvar kee seva karate aae haain: he raja, isee asha ke vishay men yahoodee mujh par dosh lagate haain. jab ki parameshvar mare hoon ko jilata haai, to tumhare yahan yah bat kyon vishvas ke yogy naheen samajhee jatee? maain ne bhee samajha tha ki yeeshu nasaree ke nam ke virodha men mujhe bahut kuchh karana chahiae. aur maain ne yarooshalem men aeesa hee kiya aur mahayajakon se aadhaikar pakar bahut se paavitra logon ko bandeegrah men dal,

aur jab ve mar dale jate the, to maain bhee un ke virodha men apanee sampati deta tha. aur har aradhanalay men maain unhen tadna dila dilakar yeeshu kee ninda karavata tha, yahan tak ki krodha ke mare aeesa pagal ho gaya, ki bahar ke nagaron men bhee jakar unhen satata tha. isee dhaun men jab maain mahayajakon se adhaikar aur paravana lekar daamishk ko ja raha tha. to he raja, marga men dopahar ke samay maain ne akash se soorya ke tej se bhee baddhkar aek jyoti apane aur apane sath chalanavalon ke charon or chamakatee hui dekhee. aur jab ham sab boomi par gir pade, to maain ne ibraanee bhasha me, mujh se yah kahate huae yah shabd suna, ki he shaaul, he shaaul, too mujhe kyon satata haai? paaine par lat marana tere liye kaatnai haai. maain ne kaha, he prabhu too kaun haai? prabhu ne kaha, maain yeeshu hoon: jise too satata haai. parantu too ut, apane panvon par khda ho kyonaki maain ne tujhe isaliye darshan diya haai, ki tujhe un baton par bhee sevak aur gavah tharau, jo too ne dekhee haai, aur un ka bhee jin ke liye maain tujhe darshan doonga. aur maain tujhe tere logon se aur anyajatiyon se bachata rahoonga, jin ke pas maain ab tujhe isaliye bhejate hoon. ki too un kee ankhe khole, ki ve andhakar se jyoti kee or, aur shautan ke adhaikar se parameshvar kee or firen ki papon kee kshama, aur un logon ke sath jo mujh par vishvas karane se pavitra kiae gaae haai, meeras paaen. so he raja aagirppa, maain ne us svargeey darshan kee bat n ttaale. parantu pahile daamishk ke, fir yarooshalem ke rahanevalon ko, tab yahoodiya ke sare desh men aur anyajatiyon ko samajhata raha, ki man firao aur parameshvar kee or fir kar man firav ke yogy kam karo. in baton ke karan yahoodee mujhe maandair men pakadke mar dalane ka yatan karate the. so parameshvar kee sahayata se maain aj tak bana hoon aur chhotte bade sabhee ke samhane gavahee deta hoon aur un baton ko chhod kuchh naheen kahata, jo bhavishyadvktaon aur moosa ne bhee kaha ki honevalee haain. ki maseeh ko dukh uttana hoga, aur vahee sab se paahile mare huon men se jee uttkar, hamare logon men aur anyajatiyon men jyoti ka prachar karega.. jab vah is reati se uttr de raha tha, to faestus ne unche shabd se kaha he paulus, too pagal haai: bahut vidha ne tujhe pagal kar diya haai. parantu us ne kaha he mahapratapee faestus, maain pagal nahee, parantu sachchai aur buddh ikee baten kahata hoon. raja bhee jis ke samhane maain nidr hokar bol raha hoo, ye baten janata haai, aur mujhe prateeti haai, ki in baton men se koi us se chhpaiee nahee, kyonki us ghattna to kone men naheen hui. he raja aagirppa, kya too bhvishyadvktaon kee prateeti karata haai? ha, maain janata hoo, ki too prateeti karata haai. ab aagirppa ne paulus se kaha too thode hee samajhane se mujhe maseeh bannana chahata haai? paulus ne kaha, parameshvar se meree praarthna yah haai ki kya thode me, kya bahut me, keval too hee nahee, parantu jitane log aj meree sunate haai, in bandhanon ko chhod ve meree saman ho jaaen.. tab raja aur hakim aur biraneeke aur un ke sath baaitnevale utt khde hue. aur alag jakar apas men kahane lage, yah manushy aeesa to kuchh naheen karata, jo mratyua ya bandhan ke yogy ho. aagirppa ne faestus se kaha yadi yah manushy kaaisar

kee dohai n deta, to doott sakata tha.

jab yah ttharaya gaya, ki ham jahaj par italiya ko jaae, to unhon ne paulus aur kitane aur bandhauon ko bhee yooliyus nam augustus kee palattn ke aek soobedar ke hath saunp diya. aur adramuatiyam ke aek jahaj par jo aasiya ke kinare kee jagahon men jane par tha, chaddhkar ham ne use khol diya, aur aaristarkhus nam thaissaluneeke ka aek maakidoonee hamare sath tha. doosare din ham ne saaida men langar dala aur yooliyus ne paulus par krapa karake use mitraen ke yahan jane diya ki usaka satkar kiya jaae. vahan se jahaj kholakar hava virooddh hone ke karan ham kupraus kee ad men hokar chale. aur kilikiya aur panfooliya ke nikatt ke samudra men hokar loosiya ke moora men utare. vahan soobedar ko sikandaariya ka aek jahaj itaaliya jata hua mila, aur us ne hamen us par chaddha diya. aur jab ham bahut dinon tak dhaeere dhaeere chalakar kaattnaita se kaanidus ke samhane pahunche, to isaliye ki hava hamen age baddhne n detee thee, salamone ke samhane se hokar krete kee ad men chale. aur usake kinare kinare kattnaita se chalakar shuubh langarabaree nam aek jagah pahunche, jahan se lasaya nagar nikatt tha. jab bahut din beet gaa, aur jal yatra men jakhaim isaaliye hothee thee ki upavas ke din ab beet chuke thee, to paulus ne unhen yah kahakar samajhaya. ki he sajjano mujhe aeesa jan padta haai, ki is yatra men bipaati aur bahut haani n keval mal aur jahaj kee baran hamare praanon kee bhee honevalee haai. parantu soobedar ne paulus kee baton se manjhee aur jahaj ke svamee kee baddhkar manee. aur vah bandar sthan jada kattnae ke liye achchha n tha isaaliye bahuton ka vichar hua, ki vahan se jahaj kholakar yadi kisee reeati se ho sake, to faeenaniks men pahunchakar jada katten: yah to krete ka aek bandar sthan haai jo daakkhiana-pachchhim aur uttra-pachchhim kee or khulata haai. jab kuchh kuchh daakkhianee vaha bahane lagee, to yah samajhkar ki hamara matalab poora ho gaya, langar uttaya aur kinara dhare huae krete ke pas se jane lage. parantu thodee der men vahan se aek badee andhaee uttee, jo yoorakuleen kahalaatee haai. jab yah jahaj par lagee, tab vah hava ke samhane tthar n saka, so ham ne use bahane diya, aur isee tarah bahate huae chale gaee. tab kauda nam aek chhotte se ttpoo kee ad men bahate bahate ham kaattnaita se dongee ko vash me kar sake. mallahon ne use uttakar, anek upay karake jahaj ko neeche se bandha, aur suraatis ke chorabaloo par ttikai jane ke bhy se pal aur saman utar kar, bahate huae chale gaee. aur jab ham ne andhaee se bahut hichakole aur dhakke khaa, to doosare din ve jahaj ka mal faenkane lage. aur teesare din unhon ne apane hathon se jahaj ka saman faenk diya. aur teesare din unhon ne apane hathon se jahaj ka saman faenk diya. aur jab bahut dien tak n soorya n tare dikhai dia, aur badee andhaee chal rahee thee, to ant men hamare bachane kee saree asha jatee rahee. jab ve bahut upavas kar chuke, to paulus ne un ke beech men khda hokar kaha he logo, chaahiae tha ki tum meree bat manakar, krete se n jahaj kholate aur n yah bipat aur haati uttate. parantu ab maain

tumhen samajhata hoo, ki ddhaddhs bandhae kyon-aki tum men se kisee ke praan kee hani n hooee, keval jahaj kee. kyonaki parameshvar jis ka maain haai, aur jis kee seva karata hoo, usake svargadoot ne aj rat mere pas akar kaha. he paulus, mat dra tuihe kaaisar ke samhane khda hona avashy haai: aur dek, parameshvar ne sab ko jo tere sath yatra karata haai, tuihe diya haai. isaliye, he sajjanon ddhaddhs bandhaen kyonki maain parameshvar kee prateeti karata hoo, ki jaaisa mujh se kaha gaya haai, vaaisa hee hoga. parantu hamen kisee ttpoo par ja ttkaiaa hoga.. jab chaudahaveen rat hui, aur ham aadiryaa samudra men ttkarate firate the, to adhaee rat ke nikatt mallahon ne attkal se jana, ki ham kisee desh ke nikatt pahunch rahe haain. aur thah lekar unhon ne bees purasa gehara paya aur thoda age baddhkar fir thah lee, to pandrah purasa paya. tab patthreelee jagahon par padne ke dr se unhon ne jahaj kee pichhadee char langar dale, aur bhor ka hona manate rahe. parantu jab malah jahaj par se bhagana chahate the, aur galahee se langar dalane ke bahane dongee samudra men utar dee. to paulus ne soobedar aur sipaahiyon se kaha yadi ye jahaj par n rahe, to tum naehen bach sakate. tab sipaahiyon ne rasse kattkar dongee gira do. jab bhor hone par tha, to paulus ne yah kahake, sab ko bhojan karane ko samajhaya, ki aj chaudah din huae ki tum as dekhthe dekhthe bookhe rahe, aur kuchh bhojan n kiya. isaliye tumhen samajhata hoon ki kuchh kha lo, jis se tumhara bachav ho kyonki tum men se kisee ke sir par aek bal bhee n girega. aur yah kahakar us ne rottee lekar sab ke samhane parameshvar ka dhanyavad kiya aur todkar khane laga. tab ve sab bhee ddhaddhs bandhakar bhojan karane lage. ham sab milakar jahaj par do sau chhhaitr jan the. jab ve bhojan karake trapt hua, to genhoo ko samudra men faenk kar jahaj halka karane lage. jab bihan hua, to unhon ne us desh ko naheen pahichana, parantu aek khadee dekhee jis ka chauras kinara tha, aur vichar kiya, ki yadi ho sake, to isee par jahaj ko ttkaiaaen. tab unhon ne langaron ko kholakar samudra men chhod diya aur usee samay patavaron ke bandhan khol diya, aur hava ke samhane agala pal chaddhakar kinare kee or chale. parantu do samudra ke sangam kee jagah padkar unhon ne jahaj ko ttkaiaaya, aur galahee to dhakka khakar gad gai, aur ttai n sakee parantu pichhadee laharon ke bal se toottnae lagee. tab sipaahiyon ko vichar hua, ki bandhauon ko mar dalen aeesa n ho, ki koi taairake nikal bhage. parantu soobedar ne paulus ko bachane ko ichchha se unhen is vichar se roka, aur yah kaha, ki jo taair sakate haai, pahile koodakar kinare par nikal jaaen. aur baakee koi pattron par, aur koi jahaj kee aur vastuon ke sahare nikal jaa, aur is reeati se sab koi boomi par bach nikale..

jab ham bach nikale, to jana ki yah ttpoo milite kahalata haai. aur un jangalee logon ne ham par anokhee krapa kee kyonki menh ke karan jo baras raha tha aur jade ke karan unhon ne ag sulagakar ham sab ko ttharaya. jab paulus ne lakaadiyon ka gatttha bat-torakar ag par rakha, to aek sanp anch pakar nikala aur usake hath se lipatt gaya. jab un jangaaliyon

ne sanp ko usake hath men lattke huae dekha, to apas men kaha sachamuch yah manushy hatyara haai, ki yadhyapi samudra se bach gaya, taubhee nyay ne jeeavit rahane n diya. tab us ne sanp ko ag men jhttk diya, aur use kuchh hani n pahunchee. parantu ve batt johate the, ki vah sooj jaaega, ya aekaaek girake mar jaaega, parantu jab ve bahut der tak dekhthe rahe, aur dekha, ki usaka kuchh bhee naheen bigada, to aur hee vichar kar kaha yah to koi devata haai.. us jagah ke asapas pubaaliyus nam us ttpoo ke pradhaan kee boomi thee: us ne hamen apane ghar le jakar teen din mitrabhav se pahunai kee. pubaliyus ka pita jvar aur anv lohoo se rogee pada tha: so paulus ne usake pas ghar men jakar praarthna kee, aur us par hath rakhkar use changa kiya. jab aeesa hua, to us ttpoo ke bakee beemar aa, aur change kiae gaae. aur unhon ne hamara bahut adar kiya, aur jab ham chalane lage, to jo kuchh hamen avashy tha, jahaj par rakh diya.. teen maheene ke bad ham sikandaariya ke aek jahaj par chal nikale, jo us ttpoo men jade bhr raha tha aur jis ka chinh diyusakooree tha. surakoosa men langar dal karake ham teen din ttkai rahe. vahan se ham ghoomakar regiyum men aae: aur aek din putiyulee men aae. vahan ham ko bhai mile, aur un ke kahane se ham un ke yahan sat din tak rahe aur is reeati se rom ko chale. vahan se bhai hamara samachar sunakar aappaiyus ke chauk aur teena-saraae tak hamaree bhennt karane ko nikal aae jinhen dekhkar paulus ne parameshvar ka dhanyavad kiya, aur ddhaddhs bandhaa.. jab ham rom men pahunche, to paulus ko aek sipahee ke sath jo us kee rakhvalee karata tha, akele rahane kee agyaa hui.. teen din ke bad us ne yahoodiyon ke bade logon ko bulaya, aur jab ve ikatthe huae to un se kaha he bhaiyo, maain ne apane logon ke ya bapadadon ke vyavaharon ke virodha men kuchh bhee naheen kiya, taubhee bandhaua hokar yarooshalem se romiyon ke hath saunpa gaya. unhon ne mujhe janch kar chhod dena chaha, kyonki mujh men mratyu ke yogy koi dosh n tha. parantu jab yahoodee is ke virodha men bolane lage, to mujhe kaaisar kee dohai denee padee: n yah ki mujhe apane lagon par koi dosh lagana tha. isaliye maain ne tum ko bulaya haai, ki tum se miloon aur batacheet karoon kyonki israael kee asha ke liye maain is janjeer se jakada hua hoon. unhon ne us se kaha n ham ne tere vishay men yahoodiyon se chit-thiyan pai, aur n bhaiyon men se kisee ne akar tere vishay men kuchh bataya, aur n bura kaha. parantu tera vichar kya haai? vahee ham tujh se sunana chahate haai, kyonki ham janate haai, ki har jagah is mat ke virodha men log baten kahate haain.. tab unhon ne usake liye aek din ttharaya, aur bahut log usake yahan ikatthe hua, aur vah parameshvar ke rajy kee gavahee deta hua, aur moosa kee vyavastha aur bhavishyadvktaon kee pustakon se yeeshu ke vishay men samajha samajhakar bhor se sanjh tak varnn karata raha. tab kitanon ne un baton ko man liya, aur kitanon ne prateeati n kee. jab apas men aek mat n hua, to paulus ke is aek bat ke kahane par chale gaa, ki pavitra atma ne yashaayah bhvishyadvkta ke dara tumhare bapadadon se achchha kaha, ki jakar in logon se kaha. ki sunate to rahoge, parantu n samajhoge, aur dekhthe to rahoge, parantu n bujhoge. ky-

onaki in logon ka man motta, aur un ke kan bharee ho gaa, aur unhon ne apanee ankhen band kee haai, aeesa n ho ki ve kabhee ankhen se dekhe, aur kanon se sune, aur man se samajhen aur fire, aur maain unhen changa karoon. so tum jano, ki parameshvar ke is uddhar kee katha anyajaatiyon ke pas bhejee gai haai, aur ve sunenge. jab us ne yah kaha to yahoodee apas men bahut vivad karane lage aur vahan se chale gaae.. aur vah poore do varsha apane bhade ke ghar men raha. aur jo usake pas ate the, un sab se milata raha aur bina rok ttok bahut nidr hokar parameshvar ke rajy ka prachar karata aur prabhu yeeshu maseeh kee baten sikhata raha..

aadi men vachan tha, aur vachan parameshvar ke sath tha, aur vachan parameshvar tha. yahee adi men parameshvar ke sath tha. sab kuchh usee ke dara utpann hua aur jo kuchh utpann hua haai, us men se koi bhee vastu usake bina utpann n hui. us men jeevan tha aur vah jeevan munashyon kee jyoti thee. aur jyoti andhakar men chamakatee haai aur andhakar ne use grahan n kiya. aek manushy parameshvar kee or se a upasthiat hua jis ka nam yoohanna tha. yah gavahee dene aya, ki jyoti kee gavahee de, taki sab usake dara vishvas laaen. vah ap to vah jyoti n tha, parantu us jyoti kee gavahee dene ke liye aya tha. sachchee jyoti jo har aek manushy ko prakaashait karatee haai, jagat men anevalee thee. vah jagat men tha, aur jagat usake dara utpann hua, aur jagat ne use naheen paahichana. vah apane ghar men aya aur usake apanon ne use grahan naheen kiya. parantu jitanon ne use grahan kiya, us ne unhen parameshvar ke santan hone ka adhaikar diya, arthata unhen jo usake nam par vishvas rakhte haain. ve n to lohoo se, n shareer kee ichchha se, n manushy kee ichchha se, parantu parameshvar se utpann huae haain. aur vachan dehadhaaree hua aur anugrah aur sachchai se paripoorn hokar hamare beech men dera kiya, aur ham ne us kee aeese mahima dekhee, jaaisee pita ke aekalaute kee mahima. yoohanna ne usake vishay men gavahee dee, aur pukarakar kaha, ki yah vahee haai, jis ka maain ne varnn kiya, ki jo mere bad a raha haai, vah mujh se baddhkar haai kyonaki vah mujh se pahile tha. kyonaki us kee paripoornata se ham sab ne praapt kiya arthata anugrah par anugraha. isaliye ki vyavastha to moosa ke dara dee gai parantu anugrah, aur sachchai yeeshu maseeh ke dara pahunchee. parameshvar ko kisee ne kabhee naheen dekha, aekalaute putra jo pita kee god men haai, usee ne use pragatt kiya.. yoohanna kee gavahee yah haai, ki jab yahoodiyon ne yarooshalem se yajakon aur leveeyon ko us se yah poochhne ke liye bheja, ki too kaun haai? to us ne yah man liya, aur inkar naheen kiya parantu man liya ki maain maseeh naheen hoon. tab unhon ne us se poochha, to fir kaun haai? kya too aeliyyah haai? us ne kaha, maain naheen hoon: to kya too vah bhavishyadvkta haai? us ne uttr diya, ki naheen. tab unhon ne us se poochha, fir too haai kauna? taaki ham apane bhejanevalon ko uttr den too apane vishay men kya kahata haai? us ne kaha, maain jaaisa yashaayah bhvishyadvkta ne kaha haai, jangal men ek pukaranevale ka shabd hoon ki tum prabhu ka marga seedha karo. ye faareesiyon kee or se bheje gaee the. unhon ne us se yah prashn poochha, ki yadi too n maseeh haai, aur n eeliyyah, aur n vah bhvishyadvkta haai, to fir bapaatisma kyon deta haai? yoohanna ne un ko uttr diya, ki maain to jal se bapaatisma deta hoon parantu tumhare beech men aek vyaktai khda haai, jise tum naheen janate. arthata mere bad anevale haai, jis kee jootee ka bandha maain kholane ke yogy naheen. ye baten yaradan ke par baaitaniyyah men hai, jahan yoohanna bapaatisma deta tha. doosare din us ne yeeshu ko apanee or ate dekhkar kaha, dekho, yah parameshvar ka memna haai, jo jagat ke pap utta le jata haai. yah vahee haai, jis ke vishay men maain

ne kaha tha, ki aek puroosh mere peechhe ata haai, jo mujh se shraesht haai, kyonki vah mujh se pahile tha. aur maain to use paahichanata n tha, parantu isaliye maain jal se bapaatisma deta hua aya, ki vah israel par pragatt ho jaae. aur yoohanna ne yah gavahee dee, ki maain ne atma ko kabootar kee nain akash se utarate dekha haai, aur vah us par tthar gaya. aur maain to use paahichanata n tha, parantu jis ne mujhe jal se bapaatisma dene ko bheja, usee ne mujh se kaha, ki jis par too atma ko utarate aur ttharate dekhe vahee pavitra atma se bapaatisma denevala haai. aur maain ne dekha, aur gavahee dee haai, ki yahee parameshvar ka putra haai.. doosare din fir yoohanna aur usake chelon men se do jan khde huae the. aur us ne yeeshu par jo ja raha tha draashti karake kaha, dekho, yah parameshvar ka memna haai. tab ve donon chele us kee sunakar yeeshu ke peechhe ho liae. yeeshu ne firakar aur un ko peechhe ate dekhkar un se kaha, tum kis kee khoj men ho? unhon ne us se kaha, he rabbee, arthata he guroo too kahan rahata haai? us ne un se kaha, chalo, to dekh loge. tab unhon ne akar usake rahane ka sthan dekha, aur us din usee ke sath rahe aur yah dasaven ghanthe ke lagabhg tha. un donon men se jo yoohanna kee bat sunakar yeeshu ke peechhe ho liae the, ek to shamaun pataras ka bhai andairyas tha. us ne paahile apane sage bhain shamaun se milakar us se kaha, ki ham ko khaistas arthata maseeh mil gaya. vah use yeeshu ke pas laya: yeeshu ne us par draashti karake kaha, ki too yoohanna ka putra shamaun haai, too kefaa, arthata pataras kahalaega.. oodoosare din yeeshu ne galeel ko jana chaha aur filippus se milakar kaha, mere peechhe ho le. filippus to andairyas aur pataras ke nagar baaitasaaida ka nivasee tha. filippus ne natanaael se milakar us se kaha, ki jis ka varnn moosa ne vyavastha men aur bhavishyadvktaon ne kiya haai, vah ham ko mil gaya vah yoosufa ka putra, yeeshu nasaree haai. natanaael ne us se kaha, kya koi achchheee vastu bhee nasarat se nikal sakatee haai? filippus ne us se kaha, chalakar dekh le. yeeshu ne natanaael ko apanee or ate dekhkar usake vishay men kaha, dekho, yah sachamuch israellee haai: is men kapatt naheen. natanaael ne us se kaha, too mujhe kahan se janata haai? yeeshu ne us ko uttr diya us se paahile ki filippus ne tuihe bulaya, jab too anjeer ke ped ke tale tha, tab maain ne tuihe dekha tha. natanaael ne us se kaha, too mujhe kahan se janata haai? yeeshu ne us ko uttr diya us se paahile ki filippus ne tuihe bulaya, jab too anjeer ke ped ke tale tha, tab maain ne tuihe dekha tha. natanaael ne us ko uttr diya, ki he rabbee, too parameshvar ka putra haai too israel ka maharaja haai. yeeshu ne us ko uttr diya maain ne jo tuij se kaha, ki men ne tuihe anjeer ke ped ke tale dekha, kya too isee liye vishvas karata haai? too is se bade bade kam dekhega.

fir us se kaha, maain tum se sach sach kahata hoon ki tum svarga ko khula hua, aur parameshvar ke svargadooton ko upar jate aur manushy ke putra ke upar utarate dekhoge.. fir teesare din galeel ke kana men kisee ka byah tha, aur yeeshu kee mata bhee vahan thee. aur yeeshu aur usake chele bhee us byah men

nevate gaee the. jab dakhraas ghatt gaya, to yeeshu kee mata ne us se kaha, ki un ke pas dakhraas naheen raha. yeeshu ne us se kaha, he maahila mujhe tujh se kya kama? abhee mera samay naheen aya. us kee mata ne sevakon se kaha, jo kud vah tum se kahe, vahee karana. vahan yahoodiyan ke shu-uddh karane kee reeti ke anusar patthar ke chh: mat-tke dhare the, ji men do do, teen teen man samata tha. yeeshu ne un se kaha, ab nikalakar bhoj ke pradhaan ke pas le jao. ve le gaa, jab bhoj ke pradhaan ne vah paneer chakha, jo dakhraas ban gaya tha, aur naheen janata tha, ki vah kahan se aya he, parantu jin sevakon ne paneer nikala tha, ve janate the to bhoj ke pradhaan ne doolhe ko bulakar, us se kaha. har aek manushy paahile achchha dakhraas deta haai aur jab log peekar chhk jate haai, tab madhyam deta haai parantu too ne achchha dakhraas ab tak rakh chhoda haai. yeeshu ne galeel ke kana men apana yah pahila chihni dikhakar apanee mahima pragatt kee aur usake chelon ne us par vishvas kiya.. is ke bad vah aur us kee mata aur usake bhai aur usake chele kafarana-hoom ko gaee aur vahan kuchh din rahe.. yahoodiyan ka fasah ka pabrba nikatt tha aur yeeshu yarooshalem ko gaya. aur us ne maandair men baail aur bhed aur kabootar ke bechanevalon or sarrafaon ko baaitte huae paya. aur raassaiyan ka koda banakar, sab bhedon aur baailon ko mandair se nikal diya, aur sarrafaon ke paaise bithra dia, aur peeddhon ko ulatt diya. aur kabootar bechanevalon se kaha inhen yahan se le jao: mere pita ke bhvan ko vyopar ka ghar mat banao. tab usake chelon ko smaran aya ki likha haai, 'tere ghar kee dhaun mujhe kha jaaegeen. is par yahoodiyan ne us se kaha, too jo yah karata haai to hamen kaun sa chihni dikhata he? yeeshu ne un ko uttr diya ki is mandair ko ddha do, aur maain use teen din men khda kar doonga. yahoodiyan ne kaha is mandair ke banane men chhyaiaalees varsha lage he, aur kya too use teen din men khda kar dega? parantu us ne apanee deh ke mandair ke vishay men kaha tha. so jab vah mudorn men se jee utta to usake chelon ko smaran aya, ki us ne yah kaha tha aur unhon ne paavitra shaasr aur us vachan kee jo yeeshu ne kaha tha, prateeti kee.. jab vah yarooshalem men fasah ke samay pabrba men tha, to bahuton ne un chihnon ko jo vah dikhata tha dekhkar usake nam par vishvas kiya. parantu yeeshu ne apane ap ko un ke bhrose par naheen chhoda, kyonki vah sab ko janata tha. aur use prayojan n tha, ki manushy ke vishay men koi gava-hee de, kyonki vah ap janata tha, ki manushy ke man men kya haai?

fareesiyan men se neekudemus nam aek manushy tha, jo yahoodiyan ka saradar tha. us ne rat ko yeeshu ke pas akar us se kaha, he rabbee, ham janate haai, ki too parameshvar kee are se guroo ho kar aya haai kyonaki koi in chihnon ko jo too dikhata haai, yaadi parameshvar usake sath n ho, to naheen dikha sakata. yeeshu ne us ko uttr diya ki maain tujh se sach sach kahata hoo, yadi koi naye sire se n janmen to parameshvar ka rajy dekh naheen sakata. neekudemus ne us se kaha, manushy jab booddha ho gaya,

to kyonkar janm le sakata haai? yeeshu ne uttr diya, ki maain tujh se sach sach kahata hoon jab tak koi manushy jal aur atma se n janme to vah parameshvar ke rajy men praveshe naheen kar sakata. kyonaki jo shareer se janma haai, vah shareer haai aur jo atma se janma haai, vah atma haai. achambha n kar, ki maain ne tujh se kaha ki tumhen naye sire se janm lena avashy haai. hava jidhar chahatee haai udhar chala-tee haai, aur too usake shabd sunata haai, parantu naheen janata, ki vah kahan se atee aur kidhar ko jatee haai? jo koi atma se janma haai vah aeesa hee haai. neekudemus ne us ko uttr diya ki ye baten kyonkar ho sakatee haain? yah sunakar yeeshu ne us se kaha too israaeliyan ka guroo ho kar bhee kya in baton ko naheen samajhta. maain tujh se sach sach kahata hoon ki ham jo janate haai, vah kahate haai, aur jise ham ne dekha haai us kee gavahee dete haai, aur tum hamaree gavahee grahan naheen karate. jab maain ne tum se prathvee kee baten kahee, aur tum prateeti naheen karate, to yaadi maain tum se svarga kee baten kahoo, to fir kyonkar prateeti karoge? aur koi svarga par naheen chaddha, keval vaheen jo svarga se utara, arthata manushy ka putra jo svarga men haai. aur jis reeti se moosa ne jangal men sanp ko unche par chaddhaya, usee reeti se avashy haai ki manushy ka putra bhee unche par chaddhaya jaae. taaki jo koi vishvas kare us men anant jeevan paae.. kyonaki parameshvar ne jagat se aeesa praem rakha ki us ne apna aekalauta puta de diya, taaki jo koi us par vishvas kare, vah nash n ho, parantu anant jeevan paae. parameshvar ne apane putra ko jagat men isaliye naheen bheja, ki jagat par dand kee agyaa de parantu isaaliye ki jagat usake dara udhar paae. jo us par vishvas karata haai, us par dand kee agyaa naheen hotee, parantu jo us par vishvas naheen karata, vah doshaee thara chuka isaliye ki us ne parameshvar ke aekalauta putra ke nam par vishvas naheen kiya. aur dand kee agyaa ka karan yah haai ki jyoti jagat men ai haai, aur manushyon ne andhakar ko jyoti se adhaik piri jana kyonki un ke kam bure the. kyonaki jo koi burai karata haai, vah jyoti se baair rakhta haai, aur jyoti ke nikatt naheen ata, aeesa n ho ki usake kamon par dosh lagaya jaae. parantu jo sachchai par chalata haai vah jyoti ke nikatt ata haai, taaki usake kam pragatt ho, ki vah parameshvar kee or se kiae gaee haain. is ke bad yeeshu aur usake chele yahoodiyan desh men aae aur vah vahan un ke sath rahakar bapaatisma dene laga. aur yooahanna bhee shaalema ke nikatt aeenon men bapaatisma deta tha. kyonaki vahan bahut jal tha aur log akar bapatisma lete the. kyonaki yooahanna us samay tak jelakhane men naheen dala gaya tha. vahan yooahanna ke chelon ka kisee yahoodee ke sath shu-uddh ike vishay men vada-avivad hua. aur unhon ne yooahanna ke pas akar us se kaha, he rabbee, jo vyaktai yaradan ke par tere sath tha, aur jis kee too ne gavahee dee haai dek, vah bapatisma deta haai, aur sab usake pas ate haain. yooahanna ne uttr diya, jab tak manushy ko svarga se n diya jaae tab tak vah kuchh naheen pa sakata. tum to ap hee mere gavah ho, ki maain ne kaha, maain maseeh nahee, parantu usake age bheja gaya hoon. jis kee dulaahin haai, vahee doolha haai: parantu doolhe ka mitra jo khda hua us kee sunata haai, doolhe ke shabd se bahut hashairt hota haai ab

mera yah harsha poorha hua haai. avashy haai ki vah baddhe aur maain ghatoon.. jo upar se ata haai, vah sarvottm haai, jo prathvee se ata haai vah prathvee ka haai aur prathvee kee hee baten kahata haai: jo svarga se ata haai, vah sab ke upar haai. jo kuchh us ne dekha, aur suna haai, usee kee gavahee deta haai aur koi us kee gavahee grahan naheen karata. jis ne us kee gavahee grahan kar lee us ne is bat par chhap de dee ki parameshvar sachcha haai. kyonaki jise parameshvar ne bheja haai, vah parameshvar kee baten kahata haai: kyonaki vah atma nap napakar naheen deta. pita putra se praem rakhta haai, aur us ne sab vastuen usake hath men de dee haain. jo putra par vishvas karata haai, anant jeevan usaka haai parantu jo putra kee naheen manata, vah jeevan ko naheen dekhega, parantu parameshvar ka krodha us par rahata haai..

fir jab prabhu ko maloom hua, ki fareeasiyon ne suna haai, ki yeeshu yoohanna se aadhaik chele banata, aur unhen bapatisma deta haai. yadhypi yeeshu ap naheen baran usake chele bapatisma dete the. tab yahoodiya ko chhodkar fir galeel ko chala gaya. aur us ko samariya se hokar jana avashy tha. so vah sookhar nam samariya ke aek nagar tak aya, jo us boomi ke pas haai, jis yakooob ne apane putra yoosufa ko diya tha. aur yakooob ka kooan bhee vaahen tha so yeeshu marga ka thka hua us kooan par yonhee baait gaya, aur yah bat chhutte ghanthe ke lagabgh hui. itane men aek samaree sree jal bhrane ko ai: yeeshu ne us se kaha, mujhe panee pila. kyonaki usake chele to nagar men bhojan mol lene ko gaee the. us samaree sree ne us se kaha, too yahoodee hokar mujh samaree sree se panee kyon mangata haai? kyonaki yahoodee samariyon ke sath kisee prakhar ka vyavahar naheen rakhte. yeeshu ne uttr diya, yaadi too parameshvar ke baradan ko janatee, aur yah bhee janatee ki vah kaun haai jo tujh se kahata haai mujhe panee pila to too us se mangatee, aur vah tuijhe jeevan ka jal deta. sree ne us se kaha, he prabhu, tere pas jal bhrane ko to kuchh haai bhee nahee, aur kooan gahira haai: to fir vah jeevan ka jal tere pas kaha se aya? kya too hamare pita yakooob se bada haai, jis ne hamen yah kooan diya aur apahee apane santan, aur apane ddharon samet us men se peeya? yeeshu ne us ko uttr diya, ki jo koi yah jal peeega vah fir piyasa hoga. parantu jo koi us jal men se peeega jo maain use doonga, vah fir anantakal tak piyasa n hoga: baran jo jal maain use doonga, vah us men aek sota ban jaaega jo anant jeevan ke liye umadta rahega. saee ne us se kaha, he prabhu, vah jal mujhe de taaki maain pyasee n houn aur n jal bhrane ko itanee door aun. yeeshu ne us se kaha, ja, apane paati ko yahan bula la. sree ne uttr diya, ki maain bina paati kee hoon: yeeshu ne us se kaha, too tweek kahatee haai ki maain bina paati kee hoon. kyonaki too panch paati kar chukee haai, aur jis ke pas too ab haai vah bhee tera paati naheen yah too ne sach kaha haai. sree ne us se kaha, he prabhu, mujhe gyaat hota haai ki too bhvishyadvkta haai. hamare bapadadon ne usee pahad par bhjan kiya: aur tum kahate ho ki vah jagah jahan bhjan karana chaahiae yarooshalem men haai. yeeshu ne us se kaha, he naree, merree bat

kee prateeti kar ki vah samay ata haai ki tum n to is pahad par pita ka bhjan karoge n yarooshalem men. tum jise naheen janate, usaka bhjan karate ho aur ham jise janate haain usaka bhjan karate haain kyonaki uddhar yahoodiyon men se haai. parantu vah samay ata haai, baran ab bhee haai jis men sachche bhkt pita ka bhjan atma aur sachchai se karenge, kyonki pita apane liye aeese hee bhjan karanevalon ko ddoond-dhta haai. parameshvar atma haai, aur avashy haai ki usake bhjan karanevale atma aur sachchahi se bhjan karen. sree ne us se kaha, maain janatee hoon ki maseeh jo kheestus kahalata haai, anevara haai jab vah aaga, to hamen sab baten bata dega. yeeshu ne us se kaha, maain jo tujh se bol raha hoo, vahee hoon.. itane men usake chele a gaay, aur achambha karane lage, ki vah sree se baten kar raha haai taubhee kisee ne n kaha, ki too kya chahata haai? ya kis liye us se baten karata haai. tab sree apana ghada chhodkar nagar men chalee gai, aur logon se kahane lagee. ao, aek manushy ko dekho, jis ne sab kuchh jo maain ne kiya mujhe bata diya: kaheen yah to maseeh naheen haai? so ve nagar se nikalakar usake pas aen lage. itane men usake chele yeeshu se yah binatee karane lage, ki he rabbee, kuchh kha le. parantu us ne un se kaha, mere pas khane ke liye aeese bhojan haai jise tum naheen janate. tab chelon ne apas men kaha, kya koi usake liye kuchh khane ko laya haai? yeeshu ne un se kaha, mera bhojan yah haai, ki apane bhejanevale kee ichchha ke anusar chaloon aur usaka kam poorha karoon. kya tum naheen kahate, ki kattnee hone men ab bhee char maheene pade haain? dekho, maain tum se kahata hoo, apanee ankhe ut-takar kheton par draashtti dalo, ki ve kattnee ke liye pak chuke haain. aur kattnevala majadooree pata, aur anant jeevan ke liye fal battorata haai taaki bonevala aur kattnevala donon milakar anand karen. kyonaki is par yah kahavat tweek baaittee haai ki banevala aur haai aur kattnevala aura. maain ne tumhen vah khet kattne ke liye bheja, jis men tum ne parishram naheen kiya: auron ne parishram kiya aur tum un ke paarishram ke fal men bhagee hue.. aur us nagar ke bahut samariyon ne us sree ke kahane ne, jis ne yah gavahee dee thee, ki us ne sab kuchh jo maain ne kiya haai, mujhe bata diya, vishvas kiya. tab jab ye samaree usake pas aa, to us se binatee karane lage, ki hamare yahan raha: so vah vahan do din tak dha raha. aur usake vachan ke karan aur bhee bahuteron ne vishvas kiya. aur us sree se kaha, ab ham tere kahane kee se vishvas naheen karate kyonaki ham ne ap hee sun liya, aur janate haain ki yahee sachamuch men jagat ka uddharakarta haai.. fir un do dinon ke bad vah vahan se kooch karake galeel ko gaya. kyonaki yeeshu ne ap hee sakshae dee, ki bhvishyadvkta apane desh men adar naheen pata. jab vah galeel men aya, to galeelee anand ke sath us se mile kyonaki jitane kam us ne yarooshalem men pabrba ke samay kiae the, unhon ne un sab ko dekha tha, kyonaki ve bhee pabrba men gae the.. tab vah fir galeel ke kana men aya, jahan us ne panee ko dakh ras banaya tha: aur raja ka karmacharee tha jis ka putra kafaranahoom men beemar tha. vah yah sunakar ki yeeshu yahoodiya se galeel men a gaya haai, usake pas gaya aur us se binatee karane laga ki chalakar mere putra ko changa

kar de: kyonki vah marane par tha. yeeshu ne us se kaha, jab tak tum chinh aur adabth kam n dekhoge tab tak kadaapi vishvas n karoge. raja ke karmacharee ne us se kaha he prabhu, mere balak kee mratyu hone ke pahile chala. yeeshu ne us se kaha, ja, tera putra jeeavit haai: us manushy ne yeeshu kee kahee hui bat kee prateeti kee, aur chala gaya. vah marga men ja raha tha, ki usake das us se a mile aur kahane lage ki tera ladka jeeavit haai. us n un se poochha ki kis ghadee vah achda hone laga? unhon ne us se kaha, kal sataven ghanthe men usaka jvar utar gaya. tab pita jan gaya, ki yah usee ghadee hua jis ghadee yeeshu ne us se kaha, tera putra jeevit haai, aur us ne aur usake sare gharane ne vishvas kiya. yah doosara ashcharyakarman tha, jo yeeshu ne yahoodiya se galeel men akar dikhaya..

in baton ke peechhe yahoodiyon ka aek pabrba hua aur yeeshu yarooshalem ko gaya.. yarooshalem men bhed-faatkt ke pas aek kund haai jo ibraanee bhasha men betahasada kahalata haai, aur usake panch osare haainn. in men bahut se beemar, andho, langade aur sookhe angavale panee ke hilane kee asha men pade rahate the. kyonaki niyuaktai samay par parameshvar ke svargadoot kund men utarakar panee ko hilaya karate the: panee hilate hee jo koi paahile utarata vah changa ho jata tha chahe usakee koi beemaree kyon n ho. vahan aek manushy tha, jo adtees varsha se beemaree men pada tha. yeeshu ne use pada hua dekhkar aur janakar ki vah bahut dinon se is dasha men pada haai, us se poochha, kya too changa hona chahata haai? us beemar ne us ko uttr diya, ki he prabhu, mere pas koi manushy nahee, ki jab panee hilaya jaa, to mujhe kund men utare parantu mere pahunchate pahunchate doosara mujh se paahile utar padta haai. yeeshu ne us se kaha, ut, apanee khatt uttakar chal fira. vah manushy turant changa ho gaya, aur apanee khatt uttakar chalne firane laga. vah sabt ka din tha. isaaliye yahoodee us se, jo changa hua tha, kahane lage, ki aj to sabt ka din haai, tuihe khatt uttane uchitt naheen. us ne unhen uttr diya, ki jis ne mujhe changa kiya, usee ne mujh se kaha, apanee khatt uttakar chal fira. unhon ne us se poochha vah kaun manushy haai jis ne tuij se kaha, khatt uttakar chal fira? parantu jo changa ho gaya tha, vah naheen janata tha vah kaun haai kyonaki us jagah men bheed hone ke karan yeeshu vahan se hatt gaya tha. in baton ke bad vah yeeshu ko maandair men mila, tab us n us se kaha, dek, too to changa ho gaya haai fir se pap mat karana, aeesa n ho ki is se koi bharee vipaati tuij par a pade. us manushy ne jakar yahoodiyon se kah diya, ki jis ne mujhe changa kiya, vah yeeshu haai. is karan yahoodee yeeshu ko satane lage, kyonaki vah aeese aeese kam sabt ke din karata tha. is par yeeshu ne un se kaha, ki mera pita ab tak kam karata haai, aur maain bhee kam karata hoon. is karan yahoodee aur bhee aadhaik usake mar dalane ka prayatn karane lage, ki vah n keval sabt ke din kee vidhai ko todta, parantu parameshvar ko apana pita kah kar, apane ap ko parameshvar ke tuly ttharata tha.. is par yeeshu ne un se kaha, maain tum se sach sach kahata hoo, pu-

tra ap se kuchh naheen kar sakata, keval vah jo pita ko karate dekhta haai, kyonki jin jin kamon ko vah karata haai unhen putra bhee usee reeti se karata haai. kyonaki pita putra se praeeti rakhta haai aur jo jo kam vah ap karata haai, vah sab usee dikhta haai aur vah in se bhee bade kam usee dikhaaega, taaki tum achambha karo. kyoki jaaisa pita mare huon ko uttata aur jilata haai, vaaisa hee putra bhee jinhen chahata haai unhen jilata haai. aur pita kisee ka nyay bhee naheen karata, parantu nyay karane ka sab kam putra ko saunp diya haai. isaaliye ki sab log jaaisa pita ka adar karate haain vaaise hee putra ka bhee adar karen: jo putra ka adar naheen karata, vah pita ka jis ne use bheja haai, adar naheen karata. maain tum se sach sach kahata hoo, jo mera vachan sunakar mere bhejanevale kee prateeti karata haai, anant jeevan usaka haai, aur us par dand kee agya naheen hotee parantu vah mratyu se par hokar jeevan men pravesh kar chuka haai. maain tum se sach sach kahata hoo, vah samay ata haai, aur ab haai, jis men mratak parameshvar ke putra ka shabd sunenge, aur jo sunenge ve jeeenge. kyonaki jis reeti se pita apane ap men jeevan rakhta haai, usee reeti se us ne putra ko bhee yah aadhaikar diya haai ki apane ap men jeevan rakhe. baran use nyay karane ka bhee adhaikar diya haai, isaaliye ki vah manushy ka putra haai. is se achambha mat karo, kyonaki vah samay ata haai, ki jitane kabraen men haai, usaka shabd sunakar nikalenge. jinhon ne bhlai kee haai ve jeevan ke punarootthan ke liye jee uttenge aur jinhon ne burai kee haai ve dand ke punarootthan ke liye jee uttenge. maain apane ap se kuchh naheen kar sakata jaaisa sunata hoo, vaaisa nyay karata hoo, aur mera nyay sachcha haai kyonaki maain apanee ichchha nahee, parantu apane bhejanevale kee ichchha chahata hoon. yaadi maain ap hee apanee gavahee doon to meree gavahee sachchee naheen. aek aur haai jo meree gavahee deta haai vah sachchee haai. tum ne yoohanna se puchhvaya aur us ne sachchai kee gavahee dee haai. parantu maain apane vishay men manushy kee gavahee naheen chahata taubhee maain ye baten isaaliye kahata hoo, ki tumhen uddhar mile. vah jo jalata aur chamakata hua deepak tha aur tumhen kuchh der tak us kee jyoti me, magan hona achchha laga. parantu mere pas jo gavahee haai vah yoohanna kee gavahee se badee haai: kyonki jo kam pita ne mujhe poora karane ko saunpa haai arthata yahee kam jo maain karata hoo, ve meree gavah haai, ki pita ne mujhe bheja haai. aur pita jis ne mujhe bheja haai, usee ne meree gavahee dee haai: tum ne n kabhee usaka shabd suna, aur n usaka roop dekha haai. aur usake vachan ko man men sthiar naheen rakhte kyonki jise us ne bheja us kee prateeti naheen karate. tum paavitra shaasr men ddoondhte ho, kyonaki samajhte ho ki us men anant jeevan tumhen milata haai, aur yah vahee haai, jo meree gavahee deta haai. fir bhee tum jeevan pane ke liye mere pas ana naheen chahate. maain manushyon se adar naheen chahata. parantu maain tumhen janata hoo, ki tum men parameshvar ka praem naheen. maain apane pita ke nam se aya hoo, aur tum mujhe grahan naheen karate yaadi koi aur apane hee nam se aa, to use grahan kar loge. tum jo aek doosare se adar chahate ho aur vah adar jo advait parameshvar kee or se haai, na-

heen chahate, kisee prakar vishvas kar sakate ho? yah n samajho, ki maain pita ke samhane tum par dosh lagaunga: tum par dosh laganevala to haai, arthata moosa jis par tum ne bhrosa rakha haai. kyonaki yadi tum moosa kee prateeti karate, to meree bhee prateeti karate, isaliye ki us ne mere vishay men likha haai. parantu yadi tum us kee likhee hui baton kee prateeti naheen karate, to meree baton kee kyonkar prateeti karoge..

in baton ke bad yeeshu galeel kee jheel arthata tibiriyas kee jheel ke pas gaya. aur aek badee bheed usake peechhhe ho lee kayonaki jo ashcharya karma vah beemaron par dikhata tha ve un ko dekhte the. tab yeeshu pahad par chaddhkar apane chelon ke sath vahan baaita. aur yahoodiyon ke fasah ke pabrba nikatt tha. tab yeeshu ne apanee ankhe uttakar aek badee bheed ko apane pas ate dekha, aur filippus se kaha, ki ham in ke bhojan ke liye kahan se rottee mol laaen? parantu us ne yah bat use parakhne ke liye kahee kyonki vah ap janata tha ki maain kya karoonga. filippus ne us ko uttr diya, ki do sau deenar kee rottee un ke liye pooree bhee n hongee ki un men se har aek ko thodee thodee mil jaae. usake chelon men se shamaun pataras ke bhai andairyas ne us se kaha. yahan aek ladka haai jis ke pas jav kee panch rottee aur do machhalian haain parantu itane logon ke liye ve kya haain. yeeshu ne kaha, ki logon ko baaita do. us jagah bahut ghaas the: tab ve log jo ginattee men lagabhg panch hajar ke the, baaitt gaee: tab yeeshu ne rottiyaan lee, aur dhanyavad karake baaittnevalon ko banttt dee: aur vaaise hee machhliyon men se jitane ve chahate the banttt diya. jab ve khakar trapt ho gaee to us ne apane chelon se kaha, ki bache huae ttukade battor lo, ki kuchh faenka n jaae. so unhon ne battora, aur jav kee panch rottiyaan ke ttukade jo khanevalon se bach rahe the un kee barah ttokariyan bhreen. tab jo ashcharya karma us ne kar dikhaya use ve log dekhkar kahane lage ki vah bhvishyadvkta jo jagat men ane vala tha nishchay yahee haai. yeeshu yah janakar ki ve mujhe raja banane ke liye akar pakadna chahate haai, fir pahad par akela chala gaya. fir jab sandhya hui, to usake chele jheel ke kinare gaee. aur nav par chaddhkar jheel ke par kafaranahoom ko jane lage: us samay andhora ho gaya tha, aur yeeshu abhee tak un ke pas naheen aya tha. aur andhaee ke karan jheel men lahare uttne laageen. so jab ve khete khete teen char meel ke lagabhg nikal gaa, to unhon ne yeeshu ko jheel par chalute, aur nav ke nikatt ate dekha, aur dr gaee. parantu us ne un se kaha, ki maain hoon dro mata. so ve use nav par chaddha lene ke liye taaiyar huae aur turant vah nav ke sthan par ja pahunchee jahan vah jate the. doosare din us bheed ne, jo jheel ke par khdee the, yah dekha, ki yahan aek ko chhodkar aur koi chhottee nav n thee, aur yeeshu apane chelon ke sath us nav par n chaddha, parantu keval usake chele chale gaee the. taubhee aur chhottee naven tibiriyas se us jagah ke nikatt ai, jahan unhon ne prabhu ke dhanyavad karane ke bad rottee khai thee. so jab bheed ne dekha, ki yahan n yeeshu haai, aur n usake chele, to ve bhee chhottee chhot-

tee navon par chaddh ke yeeshu ko ddoondddhte huae kafaranahoom ko pahunche. aur jheel ke par us se milakar kaha, he rabbee, too yahan kab aya? yeeshu ne unhen uttr diya, ki maain tum se sach sach kahata hoo, tum mujhe isaliye naheen ddoondddhte ho ki tum ne achaambhiat kam dekhe, parantu isaliye ki tum rottiyaan khakar trapt huae. nashaman bhojan ke liye paarishram n karo, parantu us bhojan ke liye jo anant jeevan tak tharata haai, jise manushy ka putra tumhen dega, kyonaki pita, arthata parameshvar ne usee par chhap kar dee haai. unhon ne us se kaha, parameshvar ke kayrya karane ke liye ham kya karen? yeeshu ne unhen uttr diya parameshvar ka kayrya yah haai, ki tum us par, jise us ne bheja haai, vishvas karo. tab unhon ne us se kaha, fir too kaun ka chinh dikhata haai ki ham use dekhkar teree prateeti kare, too kaun sa kam dikhata haai? hamare bapadadon ne jangal men manna khaya jaaisa likha haai ki us ne unhen khane ke liye svarga se rottee dee. yeeshu ne un se kaha, maain tum se sach sach kahata hoon ki moosa ne tumhen vah rottee svarga se n dee, parantu mera pita tumhen sachchee rottee svarga se deta haai. kyoki parameshvar kee rottee vahee haai, jo svarga se utarakar jagat ko jeevan detee haai. tab unhon ne us se kaha, he prabhu, yah rottee hamen sarvada diya kara. yeeshu ne un se kaha, jeevan kee rottee maain hoon: jo mere pas aega vah kabhee bookha n hoga aur jo mujh par vishvas karega, vah kabhee piyasa n hoga. parantu maain ne tum se kaha, ki tum ne mujhe dekh bhee liya haai, tobhee vishvas naheen karate. jo kuchh pita mujhe deta haai vah sab mere pas aega, use maain kabhee n nikaloonga. kyonaki maain apanee ichchha nahee, baran apane bhejanevale kee ichchha pooree karane ke liye svarga se utara hoon. aur mere bhejanevale kee ichchha yah haai ki jo kuchh us ne mujhe diya haai, us men se maain kuchh n khoun parantu use antim din fir jila uttaun. kyonaki mere pita kee ichchha yah haai, ki jo koi putra ko dekhe, aur us par vishvas kare, vah anant jeevan paae aur maain use anantim din fir jila uttaunga. so yahoodee us par kudkudane lage, isaliye ki us ne kaha tha ki jo rottee svarga se utaree, vah maain hoon. aur unhon ne kaha kya yah yoosufa ka putra yeeshu nahee, jis ke mata pita ko ham janate haain? to vah kyonkar kahata haai ki maain svarga se utara hoon. yeeshu ne un ko uttr diya, ki apas men mat kudkudao. koi mere pas naheen a sakata, jab tak pita, jis ne mujhe bheja haai, use kheench n le aur maain us ko antim din fir jila uttaunga. bhavishyadvktaon ke lekhn men yah likha haai, ki ve sab parameshvar kee or se sikhaae huae hongee. jis kisee ne pita se suna aur seekha haai, vah mere pas ata haai. yah nahee, ki kisee ne pita ko dekha parantu jo parameshvar kee or se haai, keval usee ne pita ko dekha haai. maain tum se sach sach kahata hoo, ki jo koi vishvas karata haai, anant jeevan usee ka haai. jeevan kee rottee maain hoon. tumhare bapadadon ne jangal men manna khaya aur mar gaee. yah vah rottee haai jo svarga se utaratee haai taaki manushy us men se khaae aur n mare. jeevan kee rottee jo svarga se utaree maain hoon. yadi koi is rottee men se khaa, to sarvada jeevat rahega aur jo rottee maain jagat ke jeevan ke liye doonga, vah mera mans haai. is par ya-

hoodee yah kahakar apas men jhgaadne lage, ki yah manushy kyonkar hamen apana mans khane ko de sakata haai? yeeshu ne un se kaha maain tum se sach sach kahata hoon jab tak manushy ke putra ka mans n khao, aur usaka lohoo n peeo, tum men jeevan naheen. jo mera mans khata, aur mera lohoo peeta he, anant jeevan usee ka haai, aur maain antim din fir use jila uttaunga. kyonaki mera mans vastav men khane kee vastu haai aur mera lohoo vastav men peen kee vastu haai. jo mera mans khata aur mera lohoo peeta haai, vah mujh men sthiar bana rahata haai, aur maain us men. jaaisa jeevate pita ne mujhe bheja aur maain pita ke karan jeevit hoon vaaisa hee vah bhee jo mujhe khaaega mere karan jeevit rahega. jo rottee svarga se utaree yahee haai, bapadadon ke saman naheen ki khaya, aur mar gaee: jo koi yah rottee khaaega, vah sarvada jeevit rahega. ye baten us ne kafaranahoom ke aek aradhanalay men upadesh dete samay kaheen. isaliye usake chelon men se bahuton ne yah sunakar kaha, ki yah bat nagavar haai ise kaun sun sakata haai? yeeshu ne apane man men yah jan kar ki mere chele apas men is bat par kudkudate haai, un se poochha, kya is bat se tumhen ttokar lagatee haai? aur yaadi tum manushy ke putra ko jahan vah pahile tha, vahan upar jate dekhoge, to kya hoga? atma to jeevanadayak haai, shareer se kuchh labh naheen: jo baten maain ne tum se kaheen haain ve atma haai, aur jeevan bhee haain. parantu tum men se kitane aeese haain jo vishvas naheen karate: kyonaki yeeshu to paahile hee se janata tha ki jo vishvas naheen karate, ve kaun haain? aur kaun mujhe pakadvaaga. aur us ne kaha, isee liye maain ne tum se kaha tha ki jab tak kisee ko pita kee or yah baradan n diya jaae tak tak vah mere pas naheen a sakata. is par usake chelon men se bahutere ultte fir gaee aur usake bad usake sath n chale. tab yeeshu ne un barahon se kaha, kya tum bhee chale jana chahate ho? shamaun pataras ne us ko uttr diya, ki he prabhuh ham kis ke pas jaaen? anant jeevan kee baten to tere hee pas haain. aur ham ne vishvas kiya, aur jan gaee haai, ki parameshvar ka pavitra jan too hee haai. yeeshu ne unhen uttr diya, kya maain ne tum barahon ko naheen chun liya? taubhee tum men se aek vyaaktaai shautan haai. yah us ne shamaun iskariyotee ke putra yahoodah ke vishay men kaha, kyonaki yahee jo un barahon men se tha, use pakadvane ko tha..

in baton ke bad yeeshu galeel men firata raha, kyonaki yahoodee use mar dalane ka yatn kar rahe the, isaaliye vah yahoodiya men firana n chahata tha. aur yahoodiyon ka mandpon ka pabrba nikatt tha. isaliye usake bhaiyon ne us se kaha, yahan se kooch karake yahoodiya men chala ja, ki jo kam too karata haai, unhen tere chele bhee dekhien. kyonankai aeese koi n hoga jo prasiddh hona chahe, aur chhpaikar kam kare: yadi too yah kam karata haai, to apane tai jagat par pragatt kara. kyonaki usake bhai bhee us par vishvas naheen karate the. tab yeeshu ne un se kaha, mera samay abhee naheen aya parantu tumhare liye sab samay haai. jagat tum se baair naheen kar sakata, parantu vah mujh se baair karata haai, kyon-

maariyam aur us kee baahin maratha ke ganv baaitaaniiyyah ka lajar nam aek manushy beemar tha. yah vahee mariyam thee jis ne prabhu par itra dalakar usake panvon ko apane balon se ponchha tha, isee ka bhai lajar beemar tha. so us kee baahin ne use kahala bheja, ki he prabhu, dek, jis se too praeeti rakhta haai, vah beemar haai. yah sunakar yeeshu ne kaha, yah beemaree mratyu kee nahee, parantu parameshvar kee maahima ke liye haai, ki usake dara parameshvar ke putra kee mahima ho. aur yeeshu maratha aur us kee bahan aur lajar se praem rakhta tha. so jab us ne suna, ki vah beemar haai, to jis sthan par vah tha, vahan do din aur thhar gaya. fir is ke bad us ne chelon se kaha, ki ao, ham fir yahoodiya ko chalen. chelon ne us se kaha, he rabbee, abhee to yahoodee tuihe patthravah karana chahate the, aur kya too fir bhee vaheen jata haai? yeeshu ne uttr diya, kya din ke barah ghannte naheen hote? yaadi koi din ko chale, to ttokar naheen khata haai, kyonaki is jagat ka ujala dekhta haai. parantu yadi koi rat ko chale, to ttokar khata haai, kyonaki us men prakash naheen. us ne ye baten kahee, aur is ke bad un se kahane laga, ki hamara mitra lajar so gaya haai, parantu maain use jagane jata hoon. tab chelon ne us se kaha, he prabhu, yadi vah so gaya haai, to bach jaega. yeeshu ne to us kee mratyu ke vishay men kaha tha: parantu ve samajhe ki us ne neend se so jane ke vishay men kaha. tab yeeshu ne un se safa kah diya, ki lajar mar gaya haai. aur maain tumhare karan anaandait hoon ki maain vahan n tha jis se tum vishvas karo, parantu ab ao, ham usake pas chalen. tab thoma ne jo didumus kahalata haai, apane sath ke chelon se kaha, ao, ham bhee usake sath marane ko chalen. so yeeshu ko akar yah maloom hua ki use kabra men rakhe char din ho chuke haain. baaitaaniiyyah yarooshalem ke sameep koi do meel kee dooree par tha. aur bahut se yahoodee maratha aur maariyam ke pas un ke bhai ke vishay men shaantai dene ke liye aae the. so maratha yeeshu ke ane ka samachar sunakar us se bhennt karane ko gai, parantu mariyam ghar men baaittee rahee. maratha ne yeeshu se kaha, he prabhu, yadi too yahan hota, to mera bhai kadaapi n marata. aur ab bhee maain janatee hoo, ki jo kuchh too parameshvar se mangega, parameshvar tuihe dega. yeeshu ne us se kaha, tera bhai jee uttega. maratha ne us se kaha, maain janatee hoo, ki antaim din men punarootthan ke samay vah jee uttega. yeeshu ne us se kaha, punarootthan aur jeevan maain hee hoo, ja koi mujh par vishvas karata haai vah yadi mar bhee jaa, taubhee jeeaga. aur jo koi jeevata haai, aur mujh par vishvas karata haai, vah anantakal tak n marega, kya too is bat par vishvas karatee haai? us ne us se kaha, han he prabhu, maain vishvas kar chukee hoo, ki parameshvar ka putra maseeh jo jagat men aneala tha, vah too hee haai. yah kahakar vah chalee gai, aur apanee

baahin mariyam ko chupake se bulakar kaha, guroo yaheen haai, aur tuihe bulata haai. vah sunate hee turant uttkar usake pas ai. yeeshu abhee ganv men naheen pahuncha tha, parantu usee sthan men tha jahan maratha ne us se bhennt kee thee. tab jo yahoodee usake sath ghar men the, aur use shaantai de rahe the, yah dekhhkar ki mariyam turant uttk bahar gai haai aur yah samajhkar ki vah kabra par rone ko jatee haai, usake peechhe ho liye. jab maariyam vahan pahunchee jahan yeeshu tha, to use dekhte hee usake panvon par gir ke kaha, he prabhu, yadi too yahan hota to mera bhai n marata. jab yeeshu n us ko aur un yahoodiyon ko jo usake sath aae the rote huae dekha, to atma men bahut hee udas hua, aur ghabara kar kaha, tum ne use kahan rakha haai? unhon ne us se kaha, he prabhu, chalakar dekh le. yeeshu ke ansoo bahane lage. tab yahoodee kahane lage, dekho, vah us se kaaisee praeeti rakhta tha. parantu un men se kitanon ne kaha, kya yah jis ne andho kee anken kholee, yah bhee n kar saka ki yah manushy n marata? yeeshu man men fir bahut hee udas hokar kabra par aya, vah aek gufaa thee, aur aek patthr us par dhara tha. yeeshu ne kaha patthr ko uttao: us mare huae kee baahin maratha us se kahane lagee, he prabhu, us men se ab to durgandha atee haai kyonki use mare char din ho gae. yeeshu ne us se kaha, kya maain ne tuij se n kaha i ki yadi too vishvas karege, to parameshvar kee mahima ko dekhege. tab unhon ne us patthr ko hattaya, fir yeeshu ne anken uttkar kaha, he pita, maain tera dhanyavad karata hoon ki too ne meree sun lee haai. aur maai janata tha, ki too sada meree sunata haai, parantu jo bheed as pas khdee haai, un ke karan maain ne yah kaha, jis se ki ve vishvas kare, ki too ne mujhe bheja haai. yah kahakar us ne bare shabd se pukara, ki he lajar, nikal a. jo mar gaya tha, vah kafan se hath panv bandho huae nikal aya aur usaka munh angochhe se lipatta hua tharoo yeeshu ne un se kaha, use kholakar jane do.. tab jo yahoodee mariyam ke pas aae the, aur usaka yah kam dekha tha, un men se bahuton ne us par vishvas kiya. parantu un men se kitanon ne fareeasiyon ke pas jakar yeeshu ke kamon ka samachar diya.. is par mahayajakon aur fareeasiyon ne mukhy sabha ke logon ko ikattha karake kaha, ham karate kya haain? yah manushy to bahut chinh dikhata haai. yaadi ham use yonhee chhod de, to sab us par vishvas le aenge aur romee akar hamaree jagah aur jaati donon par aadhaikar kar lenge. tab un men se kaifaas nam aek vyaktai ne jo us varsha ka mahayajak tha, un se kaha, tum kuchh naheen janate. aur n yah sochate ho, ki tumhare liye yah bhla haai, ki hamare logon ke liye aek manushy mare, aur n yah, ki saree jaati nash ho. yah bat us ne apanee or se n kahee, parantu us varsha ka mahayajak hokar bhavishyad-vnee kee, ki yeeshu us jaati ke liye marega. aur n keval us jaati ke liye, baran isaaliye bhee, ki parameshvar kee tittr bittr santanon ko aek kar de. so usee din se ve usake mar dalane kee sammati karane lage.. isaaliye yeeshu us samay se yahoodiyon men pragatt hokar n fira parantu vahan se jangal ke nikatt ke dekh men iaim nam, aek nagar ko chala gaya aur apane chelon ke sath vaheen rahane laga. aur yahoodiyon ka fasah nikatt tha, aur bahutere log fasah se paahile dihat se yarooshalem ko gae ki apane ap ko shuuddh karen.

so ve yeeshu ko ddoondhdne aur maandair men khde hokar apas men kahane lage, tum kya samajhte ho? kya vah pabrba men naheen aega? aur mahayajakon aur fareesiyon ne bhee agyaa de rakhee thee, ki yadi koi yah jane ki yeeshu kahan haai to bataa, ki use pakad len..

fir yeeshu fatah se chh: din pahile baaitaaniyyah men aya, janha lajar tha: jise yeeshu ne mare huon men se jilaya tha. vahan unhon ne usake liye bhojan taaiyar kiya, aur maratha seva kar rahee thee, aur lajar un men se aek tha, jo usake sath bhojan karane ke liye baaitte the. tab maariyam ne jattamasee ka adha ser bahumul itra lekar yeeshu ke pavon par dala, aur apane balon se usake panv ponchhe, aur itra kee sugandha se ghar sugaandhiat ho gaya. parantu usake chelon men se yahooda iskariyotee nam aek chela jo use pakadvane par tha, kahane laga. yah itra teen sau deenar men bechakar kangalon ko kayon n diya gaya? us ne yah bat isaliye n kahee, ki use kangalon kee chinta thee, parantu isaliye ki vah chor tha aur usake pas un kee thailee rahatee thee, aur us men jo kuchh dala jata tha, vah nikal leta tha. yeeshu ne kaha, use mere gade jane ke din ke liye rahane de. kyon-aki kangal to tumhare sath sada rahate haai, parantu maain tumhare sath sada n rahoonga.. yahoodiyon men se sadhaaran log jan gaa, ki vah vahan haai, aur ve n keval yeeshu ke karan aae parantu isaaliye bhee ki lajar ko denkhke, jise us ne mare huon men se jilaya tha. tab mahayajakon ne lajar ko bhee mar dalane kee sammatti kee. kyonaki usake karan bahut se yahoodee chale gaa, aur yeeshu par vishvas kiya.. doosare din bahut se logon ne jo pabrba men aae the, yah sunakar, ki yeeshu yarooshalem men ata haai. khjoor kee, daaliyan leee, aur us se bhentt karane ko nikale, aur pukarane lage, ki hoshaana, dhany israael ka raja, jo prabhu ke nam se ata haai. jab yeeshu ko aek gadahe ka bachcha mila, to us par baaitta. jaaisa likha haai, ki he siyyon kee bettee, mat dr, dek, tera raja gadahe ke bachche par chaddha hua chala ata haai. usake chele, ye baten paahile n samajhe the parantu jab yeeshu kee mahima pragatt hui, to un ko smaran aya, ki ye baten usake vishay men likhee hui theen aur logon ne us se is prakar ka vyavahar kiya tha. tab bheed ke logon ne jo us samay usake sath the yah gavahee dee ki us ne lajar ko kabra men se bulakar, mare huon men se jilaya tha. isee karan log us se bhentt karane ko aae the kyonaki unhon ne suna tha, ki us ne yah ashcharyakarma dikhaya haai. tab fareesiyon ne apas men kaha, socho to sahee ki tum se kuchh naheen ban padta: dekho, sansar usake peechhe ho chala haai.. jo log us pabrba men bhjan karane aae the un men se kai yoonanee the. unhon ne galeel ke baaitasaaida ke rahanevale filippus ke pas akar us se binatee kee, ki shraeemana ham yeeshu se bhentt karana chahate haain. filippus ne akar aadiryas se kaha tab aandairyas aur filippus ne yeeshu se kaha. is par yeeshu ne un se kaha, vah samay a gaya haai, ki manushy ke putra ki mahima ho. maain tum se sach sach kahata hoo, ki jab tak gehoon ka dana boomi men padkar mar naheen jata, vah akela rahata haai

parantu jab mar jata haai, to bahut fal lata haai. jo apane praan ko piry janata haai, vah use kho deta haai aur jo is jagat men apane praan ko aapiry janata he, vah use kho deta haai aur jo is jagat men apane praan ko apiry janata haai vah anant jeevan ke liye us kee raksha karata karega. yaadi koi meree seva kare, to mere peechhe ho le aur jahan maain hoon vahan mera sevak bhee hoga yaadi koi meree seva kare, to pita usaka adar karega. jab mera jee vyakul ho raha haai. isaaliye ab maain kya kahoona? he pita, mujhe is ghadee se bacha? parantu maain isee karan is ghadee ko pahuncha hoon. he pita apane nam kee maahima kara: tab yah akashavane hui, ki maain ne us kee maahima kee haai, aur fir bhee karoonga. tab jo log khde huae sun rahe the, unhon ne kaha ki badal garaja, auron ne kaha, koi svargadoot us se bola. is par yeeshu ne kaha, yah shabd mere liye naheen parantu tumhare liye aya haai. ab is jagat ka nyay hota haai, ab is jagat ka saradar nikal diya jaaega. aur maain yadi prathvee par se unche par chaddhaya jaunga, to sab ko apane pas kheechaooga. aeesa kahakar us ne yah pragatt kar diya, ki vah kaaisee mratyus se marega. is par logon ne us se kaha, ki ham ne vyavastha kee yah bat sunee haai, ki maseh sarvada rahega, fir too kyon kahata haai, ki manushy ke putra ko unche par chaddhaya jana avashy haai? yah manushy ka putra kaun haai? yeeshu ne un se kaha, jyoti ab thodee den tak tumhare beech men haai, jab tak jyoti tumhare sath haai tab tak chale chalo aeesa n ho ki andhakar tumhen a ghore jo andhakar men chalaata haai vah naheen janata ki kidhar jata haai. jab tak jyoti tumhare sath haai, jyoti par vishvas karo ki tum jyoti ke santan hoo.. ye baten kahakar yeeshu chala gaya aur un se chhpai raha. aur us ne un ke samhane itane chinh dikhaa, tabhee unhon ne us par vishvas n kiya. taaki yashaayah bhavishyadvkta ka vachan poora ho jo us ne kaha ki he prabhu hamare samachar kee kis ne prateeti kee haai? aur prabhu ka bhujabal kis par pragatt hua? is karan ve vishvas n kar sake, kyonki yashaayah ne fir bhee kaha. ki us ne un kee ankenh andhae, aur un ka man kattor kiya haai kaheen aeesa n ho, ki ankhon se dekhe, aur man se samajhe, aur fire, aur maain unhen changa karoon. yashaayah ne ye baten isaliye kahee, ki us ne us kee mahima dekhee aur us ne usake vishay men baten kee. tabhee saradaron men se bhee bahuton ne us par vishvas kiya, parantu fareesiyon ke karan pragatt men naheen manate the, aeesa n ho ki aradhanalay men se nikale jaaen. kyonaki manushyon kee prashansa un ko parameshvar kee prashansa se aadhaik piry lagatee thee.. yeeshu ne pukarakar kaha, jo mujh par vishvas karata haai, vah mujh par nahee, baran mere bhejanevale par vishvas karata haai. aur jo mujhe dekhta haai, vah mere bhejanevale ko dekhta haai. maain jagat men jyoti hokar aya hoon taaki jo koi mujh par vishvas kare, vah andhakar men ne rahe. yaadi koi meree baten sunakar n mane, to maain use doshaee naheen ttharata, kyonki maain jagat ko doshaee ttharane ke liye nahee, parantu jagat ka uddhar karane ke liye aya hoon. jo mujhe tuchchh janata haai aur meree baten grahan naheen karata haai us ko doshaee ttharanevala to aek haai: arthata jo vachan maain ne kaha haai, vah pichhle din men

use doshaee ttaraaega. kyonaki maain ne apaneer or se baten naheen kee, parantu pita jis ne mujhe bheja haai usee ne mujhe agyaa dee haai, ki kya kya kahoon? aur kya kya boloon? aur maain janata hoo, ki us kee agyaa anant jeevan haai isaaliye maain jo bolata hoo, vah jaaisa pita ne mujh se kaha haai vaaisa hee bolata hoon..

khopadee ka sthan kahalata haai aur ibraanee men gulagata. vahan unhon ne use aur usake sath aur do manushyon ko kroos par chaddhaya, aek ko idhar aur aek ko udhar, aur beech men yeeshu ko. aur peelatus ne aek dosha-patra likhkar kroos par laga diya aur us men yah likha hua tha, yeeshu nasaree yahoodiyon ka raja. yah dosha-patra bahut yahoodiyon ne paddha kyonaki vah sthan jahan yeeshu kroos par chaddhaya gaya tha nagar ke pas tha aur patra ibraanee aur laateenee aur yoonanee men likha hua tha. tab yahoodiyon ke mahayajakon ne peelatus se kaha, yahoodiyon ka raja mat likh parantu yah ki us ne kaha, maain yahoodiyon ka raja hoon. peelatus ne uttr diya, ki maain ne jo likh diya, vah likh diya.. jab sipahee yeeshu ko kroos par chaddha chuke, to usake kapade lekar char bhag kia, har sipahee ke liye aek bhag aur kurata bhee liya, parantu kurata bin seen upar se neeche tak buna hua tha: isaliye unhon ne apas men kaha, ham is ko n faade, parantu is par chitthee dalen ki vah kis ka hoga. yah isaliye hua, ki pavitra shaasr kee bat pooree ho ki unhon ne mere kapade apas men bant liye aur mere vasr par chitthee daale: so sipaahiyon ne aesea hee kiya. parantu yeeshu ke kroos ke pas us kee mata aur us kee mata kee bahin mariyam, klopas kee patnee aur mariyam magadaleenee khdee thee. yeeshu ne apanee mata se kaha he naree, dek, yah tera putra haai. tab us chele se kaha, yah teree mata haai, aur usee samay se vah chela, use apane ghar le gaya.. is ke bad yeeshu ne yah janakar ki ab sab kuchh ho chuka isaliye ki pavitra shaasr kee bat pooree ho kaha, maain pyasa hoon. vahan aek sirake se bhra hua bartan dhara tha, so unhon ne sirake ke bhaigoae huae ispanj ko joofae par rakhkar usake munh se lagaya. jab yeeshu ne vah siraka liya, to kaha poora hua aur sir jhukakar praan tyag diae.. aur isaliye ki vah taaiyaree ka din tha, yahoodiyon ne peelatus se binatee kee ki un kee ttange toon dee jaen aur ve utare jaen taaki sabt ke din ve krooson par n rahe, kyonki vah sabt ka din bada din tha. so sipaahiyon ne akar pahile kee ttangen todeen tab doosare kee bhee, jo usake sath krooson par chaddhaae gae the. parantu jab yeeshu ke pas akar dekha ki vah mar chuka haai, to us kee ttangen n todeen. parantu sipaahiyon men se aek ne barachhe se usaka panjar bedha aur us men se turant loho aur paneer nikala. jis ne yah dekha, usee ne gavahee dee haai, aur us kee gavahee sachhee haai aur vah janata haai, ki sach kahata haai ki tum bhee vishvas karo. ye baten isaliye huin ki pavitra shaasr kee yah bat pooree ho ki us kee koi haddee todee n jaegee. fir aek aur sthan par yah likha haai, ki jise unhon ne bedha haai, us par draashtti karenge.. in baton ke bad aramatiyah ke yosufa ne, jo yeeshu ka chela tha, parantu yahoodiyon ke dr se is bat ko chhpaiaae rakhta tha, peelatus se binatee kee, ki maain yeeshu kee loth ko le jau, aur peelatus ne us kee binatee sunee, aur vah akar us kee loth le gaya. nikudemus bhee jo paahile yeeshu ke pas rat ko gaya tha pachas ser ke lagabhg mila hua gandharas aur aelava le aya. tab unhon ne yeeshu kee loth ko liya aur yahoodiyon ke gadne kee reeti ke anasar use sugandha dravy ke sath kafan men lapetta. us sthan par jahan yeeshu kroos par chaddhaya gaya tha, ek baree thee aur us baree men ek nai kabra thee jis men kabhee

in baton ke bad jo maain ne draashtti kee, to kya dekhta hoon ki svarga men aek dar khula hua haai aur jis ko maain ne paahile turahee ke se shabd se apane sath baten karate suna tha, vahee kahata haai, ki yahan upar a ja: aur maain ve baten tujhai dikhaunga, jin ka in baton ke bad poora hona avashy haai. aur turant maain atma men a gaya aur kya dekhta hoo, ki aek sinhasan svarga men dhara haai, aur us sinhasan par koi baaitta haai. aur jo us par baaitta haai, vah yashab aur maanik sa dikhai padta haai, aur us sinhasan ke charon or marakat sa aek megadhanush dikhai deta haai. aur us sinhasan ke charon or chaubees sinhasan haai aur in sinhasanon par chaubees praacheen shvet vasr paahine huae baaitten haai, aur un ke siron par sone ke mukutt haain. aur us sinhasan men se bijaaliyan aur garjan nikalate haain aur sin-

hasan ke samhane ag ke sat deepak jal rahe haai, ye parameshvar kee sat atmaen haain. aur us sinhasan ke samhane mano billaur ke saman kanch ka sa samudra haai, aur sinhasan ke beech men aur sinhasan ke charon or char praanee haai, jin ke age peechhe ankhe hee ankhe haain. paahila praanee sinh ke saman haai, aur doosara praanee ka munh bachhde ke saman haai, teesare praanee ka munh manushy ka sa haai, aur chautha praanee udte huae ukab ke saman haai. aur charon praanaiyon ke chh: chh: pankh haai, aur charon or, aur bheetar ankhe hee ankhe haain aur ve rat din bina vishraam liae yah kahate rahate haai, ki pavitra, paavitra, paavitra prabhu parameshvar, sarvasaaktaiman, jo tha, aur jo haai, aur jo anevala haai. aur jab ve praanee us kee jo sinhasan par baaita haai, aur jo yuganuyug jeevata haai, mahima aur adar aur dhanyavad kareng. tab chaubeeson praacheen sinhasan par baaitnevale ke samhane gir padenge, aur use jo yuganuyug jeevata haai pranam kareng aur apane apane mukutt sinhasan ke samhane yah kahate huae dal denge. ki hamare prabhu, aur parameshvar, too hee mahima, aur adar, aur samarth ke yogy haai kyonaki too hee ne sab vastuen srajeen aur ve teree hee ichchha se thee, aur srajee gain..

aur jo sinhasan par baaita tha, maain ne usake dahine hath men aek pustak dekhee, jo bheetar aur bahar likhee hui bhee, aur vah sat muhar lagakar band kee gai thee. fir maain ne aek balavant svargadoot ko dekha jo unche shabd se yah prachar karata tha ki is pustak ke kholane aur us kee muharen todne ke yogy kaun haai? aur n svarga me, n prathvee par, n prathvee ke neech ke koi us pustak ko kholane ya us par draashtti dalane ke yogy nikala. aur maain foott foottkar rone laga, kyonki us pustak ke kholane, ya us par drashtti karane ke yogy koi n mila. tab un praacheenon men se aek ne mujhe se kaha, mat ro dek, yahooda ke gotra ka vah sinh, jo daud ka mool haai, us pustak ko kholane aur usakee saton muhar todne ke liye jayavant hua haai. aur maain ne us sinhasan aur charon praanaiyon aur un praacheenon ke beech me, manon aek vadha kiya hua memna khda dekha: usake sat seeng aur sat ankhe thee ye parameshvar kee saton atmaen haai, jo saree prathvee par bhejee gai haain. us ne akar usake dahine hath se jo sinhasan par baaita tha, vah pustak le lee, aur jab us ne pustak le lee, to ve charon praanee aur chaubeeson praacheen us memne ke samhane gir pade aur har aek ke hath men veena aur dhoop se bhre huae sone ke kattore the, ye to pavitra logon ke praarthnaen haain. aur ve yah naya geet gane lage, ki too is pustak ke lene, aur usakee muharen kholane ke yogy haai kyonaki too ne vadha hokar apane lohoo se har aek kul, aur bhasha, aur log, aur jaati men se parameshvar ke liye logon ko mol liya haai. aur unhen hamare parameshvar ke liye aek rajy aur yajak banaya aur ve prathvee par rajy karate haain. aur jab maai ne dekha, to us sinhasan aur un praanaiyon aur un praacheenon kee charon or bahut se svargadooton ka shabd suna, jin kee ginatee lakhon aur karodon kee thee. aur ve unche shabd se kahate the, ki vadha

kiya hua memna hee samarth, aur dhan, aur gyaan, aur shaktai, aur adar, aur mahima, aur dhanyavad ke yogy haai. fir maain ne svarga me, aur prathvee par, aur prathvee ke neech, aur samudra kee sab srajee hui vastuon ko, aur sab kuchh ko jo un men haai, yah kahate suna, ki jo sinhasan par baaita haai, usaka, aur memne ka dhanyavad, aur adar, aur mahima, aur rajy, yuganuyug rahe. aur charon praanaiyon ne ameen kaha, aur praacheenon ne girakar dandvata kiya..

6

fir maain ne dekha, ki memne ne un sat muharon men se aek ka khola aur un charon praanaiyon men se aek ka garja ka sa shabd suna, ki a. aur maain ne drashtti kee, aur dekho, aek shvet ghaeda haai, aur usaka savar dhanush liae huae haai: aur use aek mukutt diya gaya, aur vah jay karata hua nikal ki aur bhee jay praapt kare.. aur jab us ne doosaree muhar kholee, to maain ne doosare praanee ko yah kahate suna, ki a. fir aek aur ghaeda nikala, jo lal rang ka tha usake savar ko yah adhaikar diya gaya, ki prathvee par se mel utta le, taaki log aek doosare ko vadha karen aur use aek badee talavar dee gai.. aur jab us ne teesaree muhar kholee, to maain ne teesare praanee ko yah kahate suna, ki a: aur maain ne draashtti kee, aur dekho, aek kala ghaeda haai aur maain ne un charon praanaiyon ke beech men se aek shabd yah kahate suna, ki deenar ka ser bhr gehoo, aur deenar ka teen ser jav, aur tel, aur dakh-ras kee hani n karana.. aur jab us ne chauthee muhar kholee, to maain ne chauthe praanee ka shabd yah kahate suna, ki a. aur maain ne drashtti kee, aur dekho, aek peela sa ghaeda haai aur usake savar ka nam mratyu haai: aur adhaelok usake peechhe peechhe haai aur unhen prathvee kee aek chauthai par yah aadhaikar diya gaya, ki talavar, aur akal, aur maree, aur prathvee ke vanapashuon ke dara logon ko mar dalen.. aur jab us ne panchavee muhar kholee, to maain ne vedee ke neech un ke praanon ko dekha, jo parameshvar ke vachan ke kara, aur us gavahee ke karan jo unhon ne dee thee, vadha kiae gaee the. aur unhon ne bade shabd se pukar kar kaha he svamee, he pavitra, aur satya too kab tak nyay n karega? aur prathvee ke rahanevalon se hamare lohoo ka palatta kab tak n lega? aur un men se har aek ko shvet vasr diya gaya, aur un se kaha gaya, ki aur thodee der tak vishraam karo, jab tak ki tumhare sangee das, aur bhai, jo tumharee nai vadha honevale haai, un kee bhee ginatee pooree n ho le.. aur jab us ne chhtteen muhar kholee, to maain ne dekha, ki aek bada bhuindol hua aur soorya kammal kee nain kala, aur poora chandrama lohoo ka sa ho gaya. aur akash ke tare prathvee par aeese gir pade jaaise badee andhaee se hilakar anjee ke ped men se kachche fal jhde haain. aur akash aeese sarak gaya, jaaisa patra lapetne se sarak jata haai aur har aek pahad, aur ttaapo, apane apane sthan se tti gaya. aur prathvee ke raja, aur pradhaan, aur saradar, aur dhanavan aur samarthee log, aur har aek das, aur har aek svatantra, pahadon kee khohon me, aur chattanon men ja chhpaie. aur pahado, aur chattanon se kahane lage, ki ham par gir pado aur hamen usake munh se jo sinhasan par baaita haai aur memne ke prakop se chhpaio. ky-

onaki un ke prakop ka bhyanak din a pahuncha haai, ab kaun tthar sakata haai?

7

isake bad maain ne prathvee ke charon konon par char svargadoot khde dekhe, ve prathvee ke charon havaon ko thame huae the taki prathvee, ya samudra, ya kisee ped par, hava n chale. fir maain ne aek aur svargadoot ko jeevate parameshvar ke muhar liae huae poorab se upar kee or ate dekha us ne un charon svargadooton se jinhen prathvee aur samudra kee hani karane ka adhaikar diya gaya tha, unche shabd se pukarakar kaha. jab tak ham apane parameshvar ke dason ke mathe par muhar n laga de, tab tak prathvee aur samudra aur pedon ko hani n pahunchana. aur jin par muhar dehe gai, maain ne un kee ginatavee sunee, ki israael ke santanon ke sab gotraen men se aek lakh chaualees hajar par muhar dehe gai. yahooda ke gotra men se barah hajar par muhar dehe gai rooben ke gotra men se barah hajar para gad ke gotra men se barah hajar para. ashore ke gotra men se barah hajar para manaashshih ke gotra men se barah hajar para. shamaun ke gotra men se barah hajar para levee ke gotra men se barah hajar para levee ke gotra men se barah hajar para issakar ke gotra men se barah hajar para. jabooloon ke gotra men se barah hajar para yooosufa ke gotra men se barah hajar par aur binyameen ke gotra men se barah hajar par muhar dehe gai. is ke bad maain ne drashtti kee, aur dekho, har aek jaati, aur kul, aur log aur bhasha men se aek aeese badee bheed, jise koi gin naheen sakata tha shvet vasr paahine, aur apane hathon men khjoor kee daliyan liye huae sinhasan ke samhane aur memne ke samhane khdee haai. aur bade shabd se pukarakar kahate haai, ki uddhar ke liye hamare parameshvar ka jo sinhasan par baaita haai, aur memne ka jaya-jaya-kar ho. aur sare svargadoot, us sinhasan aur praacheenon aur charon praanaiyon ke charon or khde haai, fir ve sinhasan ke samhane munh ke bal gir pade aur parameshvar ko dandvata karake kaha, ameena. hamare parameshvar kee stuti, or mahima, aur gyaan, aur dhanyavad, aur adar, aur samarth, aur shaktai yuganuyug baneen rahen. ameena. is par praacheenon men se aek ne mujh se kaha ye shvet vasr paahine huae kaun haain? aur kahan se aae haain? maain ne us se kaha hee svamee, too hee janata haai: us ne mujh se kaha ye ve haai, jo us bade klesh men se nikalakar aae haain inhon ne apane apave vasr memne ke lohoo men dhaekar shvet kiae haain. isee karan ve parameshvar ke sinhasan ke samhane haai, aur usake mandair men din rat us kee seva karate haain aur jo sinhasan par baaita haai, vah un ke upar apana tamboo tanega. ve fir bookhe aur pyase n hongee: or n un par dhoop, n koi tapan padagee. kyoonaki memna jo sinhasan ke beech men haai, un kee rakhvalee karega aur unhen jeevan roopee jal ke soton ke pas le jaya karega, aur parameshvar un kee ankhon se sab ansoo ponchh dalega..

8

aur jab us ne sataveen muhar kholee, to svarga men adha ghadee tak sannatta chha gaya. aur maain ne un saton svargadooton ko jo parameshvar ke samhane khde rahate haai, dekha, aur unhen sat turahiyan dehe gain.. fir aek aur svargadoot sone ka dhoopadan liye huae aya, aur vedee ke nikatt khda hua aur us ko bahut dhoop diya gaya, ki sab pavitra logon kee praarthnaon ke sath us sonahalee vedee par jo sinhasan ke samhane haai chaddhaae. aur us dhoop ka dhauan paavitra logon kee praarthnaon sahit svargadoot ke hath se parameshvar ke samhane pahunch gaya. aur svargadoot ne dhoopadan lekar us men vedee kee ag bhree, aur prathvee par dal dehe, aur garjan aur shabd aur bijaaliyan aur booidol hone laga.. aur ve saton svargadoot jin ke pas sat turahiyan thee, faokane ko taaiyar huae.. paahile svargadoot ne turahee foonkee, aur lohoo se mile huae ole aur ag utpann hui, aur prathvee par dalee gai aur prathvee kee aek tihai jal gai, aur sab haree ghaas bhee jal gai.. aur doosare svargadoot ne turahee foonkee, to mano ag sa jalata hua aek bada pahad samudra men dala gaya aur samudra ka aek tihai lohoo ho gaya. aur samudra kee aek tihai srajee hui vastuen jo sajeev theen mar gai, aur aek tihai jahaj nash ho gaya.. aur teesare svargadoot ne turahee foonkee, aur aek bada tara jo mashaal kee nai jalata tha, svarga se tootta, aur nadiyon kee aek tihai par, aur panee ke soton par a pada aur us tor ka nam nagadauna kahalata haai, aur aek tihai panee nagadauna sa kadva ho gaya, aur bahutere manushy us panee ke kadve ho jane se mar gae.. aur chaute svargadoot ne turahee foonkee, aur soorya kee aek tihai, aur chand kee aek tihai aur taron kee aek tihai par apaati ai, yahan tak ki un ka aek tihai ang andhora ho gaya aur din kee aek tihai men ujala n raha, aur vaaise hee rat men bhee.. aur jab maain ne fir dekha, to akash ke beech men aek ukab ko udte aur unche shabd se yah kahate suna, ki un teen svargadooton kee turahee ke shabdon ke karan jin ka foonkana abhee bakee haai, prathvee ke rahanevalon par haya! haya! haya!

9

aur jab panchaven svargadoot ne turahee foonkee, to maain ne svarga se prathvee par aek tara girata hua dekha, aur use atah kund kee kunjee dehe gai. aur us ne atah kund ko khola, aur kund men se badee bhttee ka sa dhauan utta, aur kund ke dhauen se soorya aur vayu andhayaree ho gai. aur us dhauan men se prathvee par ttiiddayan nikalee, aur unhen prathvee kee bichchhuon kee see shaaktai dehe gai. aur un se kaha gaya, ki n prathvee kee ghaas ko, n kisee haariyalee ko, n kisee ped ko hani pahunchao, keval un manushyon ko jin ke mathe par parameshvar kee muhar naheen haai. aur unhen mar dalate ka to nahee, par panch maheene tak logon ko peeda dene ka adhaikar diya gaya: aur un kee peeda aeese thee, jaaise bichchoo kee dnd marane se manushy ko hottee haai. un dinon men manushy mratyuo ko ddoond-dhenge, or n paenge aur marane kee lalasa karenge, aur mratyuo us se bhagee. aur un ttiiddayon ke akar

ladai ke liye taaiyar kiae huae ghaedon ke se the, aur un ke siron par manon sone ke mukutt ke aur usake munh manushyon ke se the. aur un ke bal stri-ayon ke se, aur dant sihon ke se the. aur ve lohe kee see jhlaim pahine the, aur un ke pankhon ka shabd aeesa tha jaaisa rathon aur bahut se ghaedon ka jo ladai men daudte hon. aur un ke poonchh bichch-huon kee see thee, aur un men dnk the, aur unhen panch maheene tak manushyon ko dukh pahunchane kee jo samarth the, vah un ke poonchhon men thee. athah kund ka doot un par raja tha, usaka nam ibraanee men abaon, aur yoonanee men apullayon haai.. paahilee vipaati beet chukee, dekho ab in ke bad do vipaatiyan aur honevalee haain.. aur jab chhittven svargadoot ne turahee faookee to jo sone kee vedee parameshvar ke samhane haai usake seengo men se maain ne aeesa shabd suna. manon koi chhittven svargadoot se jis ke pas turahee thee kah raha haai ki un char svargadooton ko jo badee naadee faurat ke pas bandho huae haai, khol de. aur ve charon doot khol diae gaee jo us ghadee, aur din, aur maheene, aur varsha ke liye manushyon kee aek tihai ke mar dalane ko taaiyar kiae gaee the. aur faaujyon ke savaron kee ginatee bees karod thee maain ne un kee ginatee sunee. aur mujhe is darshan men ghaede aur un ke aeese savar dikhai dia, jin kee jhlaimen ag, aur dhoom-rakant, aur gandhak kee see thee, aur un ghaedon ke sir sinhon ke siron ke se the: aur un ke munh se ag, aur dhaua, aur gandhak nikalatee thee. in teenon mariyon arhata ag, aur dhauae, aur gandhak se jo usake munh se nikalatee thee, manushyon kee aek tihai mar daalee gai. kyonaki un ghaedon kee samarth un ke munh, aur un kee poonchhon men thee isaaliye ki un kee poonchhe sanpon kee see thee, aur un poonchhon ke sir bhee the, aur inheen se ve peeda pahunchate the. aur bakee manushyon ne jo un maariyon ne n mare the, apane hathon ke kamon se man n firaya, ki dushtatmaon kee, aur sone aur chandee, aur peetal, aur patthr, aur katt kee mooraton kee pooja n kare, jo n dek, n sun, n chal sakatee haain. aur jo koon, aur ttona, aur vyaabhaichar, aur choriya, unhon ne kee thee, un se man n firaya..

10

fir maain ne aek aur balee svargadoot ko badal oddhe huae svarga se utarate dekha, usake sir par meghad-hanush tha: aur usaka munh soorya ka sa aur usake panv ag ke khnbhe ke se the. aur usake hath men aek chhottee see khulee hui pustak thee us ne apana dahina panv samudra par, aur bayan prathvee par rakha. aur aeese bade shabd se chillaya, jaaisa sinh garajata haai aur jab vah chillaya to garjan ke sat shabd sunai diae. aur jab saton garjan ke shabd sunai de chuke, to maain likhne par tha, aur maain ne svarga se yah shabd suna, ki jo baten garjan ke un sat shabdon se sunee haai, unhen gupt rak, aur mat likh. aur jis svargadoot ko maain ne samudra aur prathvee par khde dekha tha us ne apana daahina hath svarga kee or uttaya. aur jo yuganuyug jeevata rahaga, aur jis ne savarga ko aur jo kuchh us men haai, aur prathvee ko aur jo kuchh us par haai, aur samudra ko aur jo kuchh us men haai sraja usee kee sha-

path khakar kaha, ab to aur der n hogee. baran savaten svargadoot ke shabd dene ke dinon men jab vah turahee foonkane par hoga, to parameshvar ka gupt manorath us susamachar ke anusaar jo us ne apane das bhvishyadvktaon ko diya poora hoga. aur jis shabd karanevale ko maain ne svarga se bolate suna tha, vah fir mere sath baten karane laga le ise kha jo, aur yah svargadoot samudra aur prathvee par khda haai, usake hath men kee khulee huin pustak le le. aur maain ne svargadoot ke pas jakar kaha, yah chhottee pustak mujhe de aur us ne mujh se kaha le ise kha jo, aur yah tera pett kadva to karegee, par tere munh men madha see meettee lagegee. so maain vah chhottee pustak us svargadoot ke hath se lekar kha gaya, vah mere munh men madha see meettee to lagee, par jab maain use kha gaya, to mera pett kadva ho gaya. tab mujh se yah kaha gaya, ki tuijhe bahut se logo, aur jatiyo, aur bhashaao, aur rajaon par, fir bhvishyadvvanee karanee hogee..

11

aur mujhe laggee ke saman aek sarakanda diya gaya, aur kisee ne kaha ut, parameshvar ke maandair aur vedee, aur us men bhjan karanevalon ko nap le. aur maandair ke barah ka angan chhod de us mat nap, kyonaki vah anyajatiyon ko diya gaya haai, aur ve paavitra nagar ko bayalees maheene tak raundengee. aur maain apane do gavahon ko yah adhaikar doonga, ki ttatt oddhe huae aek hajar do sau satt din tak bhvishyadvvanee karen. ye ve hee jaaitoon ke do ped aur do deevatt haain jo prathvee ke prabhu ke samhane khde rahate haain. aur yaadi koi un ko haani pahunchana chahata haai, to un ke munh se ag nikalakar un ke baairiyon ko bhm karatee haai, aur yaadi koi un ko haani pahunchana chahega, to avashy isee reeati se mar dala jaega. inhen adhaikar haai, ki akash ko band kare, ki un kee bhvishyadvvanee ke dinon men menh n barase, aur unhen sab panee par adhaikar haai, ki use lohoo banaae, aur jab jab chahen tab tab prathvee par har prakr kee apaati laaen. aur jab ve apanee gavahee de chukenge, to vah pashu jo athah kund men se nikalega, un se ladkar unhen jeetega aur unhen mar dalega. aur un kee lothen us bade nagar ke chauk men padee rahengee, jo atmaik reeti se sadom aur misar kahalata haai, jahan un ka prabhu bhee kroos par chaddhaya gaya tha. aur sab logo, aur kulo, aur bhashaao, aur jatiyon men se log un kee lothen saddhe teen din tak dekhte rahenge, aur un kee lothen kabra men rakhne ne denge. aur prathvee ke rahanevale, un ke marane se anandait aur magan hongee, aur aek doosare ke pas bhentit bhejenge, kyonki in donon bhavishyadvktaon ne prathvee ke rahanevalon ko sataya tha aur saddhe teen din ke bad parameshvar kee or se jeevan kee atma un men paait gai aur ve apane panvon ke bal khde ho gaa, aur unake dekhevalon par bada bhy chha gaya. aur unhen svarga se aek bada shabd sunai diya, ki yahan upar ao yah sun ve badal par savar hokar apane baairiyon ke dekhte dekhte svarga par chaddh gaee. fir usee ghadee aek bada bhuindol hua, aur nagar ka dasavan ansh gir pada aur us bhuindol se sat hajar manushy mar gaee aur

shosh dr gaa, aur svarga ke parameshvar kee mahima kee.. doosaree vipaati beet chuke, dekho, teesaree vipaati shacegha anevalee haai.. aur jab sataven doot ne turahee foonkee, to svarga men is vishay ke bade bade shabd hone lage ki jagat ka rajy hamare prabhu ka, aur usake maseeh ka ho gaya. aur vah yuganuyug rajy karega, aur chaubeeson praacheen jo parameshvar ke samhane apane apane sinhasan par baaithe the, munh ke bal girakar parameshvar ko dandvat karake. yah kahane lage, ki he sarvashaktiman prabhu parameshvar ko, jo haai, aur jo tha, ham tera dhanyavad karate haai, ki too ne apanee badee samrth kam men lakar rajy kiya haai. aur anyajatiyon ne krodha kiya, aur tera prakop a pada aur vah samay a pahuncha haai, ki mare huon ka nyay kiya jaa, aur tere das bhvishyadvktaon aur pavitra logon ko aur un chhotte badon ko jo tere nam se drate haai, badala diya jaa, aur prathvee ke bigadnevale nash kiae jaaen.. aur parameshvar ka jo maandair svarga men haai, vah khola gaya, aur usake maandair men us kee vacha ka sandook dikhai diya, aur bijaaliyan aur shabd aur garjan aur bhuindol hua, aur bade bade ole pade..

fir svarga par aek bada chihni dikhai diya, arthata aek sree jo soorya oddhe huae thee, aur chand usake panvon tale tha, aur usake sir par barah taron ka mukutt tha. aur vah garbhatee hui, aur chilla-tee thee kayonaki prasav kee peeda use lagee thee aur vah bachcha janane kee peeda men thee. aur aek aur chihni svarga par dikhai diya, aur dekho aek bada lal ajagar tha jis ke sat sir aur das seeng the, aur usake siron par sat rajamukutt the. aur us kee poonchh ne akash ke taron kee aek tihai ko kheen-chakar prathvee par dal diya, aur vah ajagar us sree se samhane jo jachcha thee, khda hua, ki jab vah bachcha jane to usake bachche ko nigal jaae. aur vah betta jannee jo lohe ka dand liae hua, sab jatiyon par rajy karane par tha, aur usaka bachcha aeakaek parameshvar ke pas, aur usake sinhasan ke pas uttakar pahuncha diya gaya. aur vah sree us jagal ko bhag gai, jahan parameshvar kee or se usake liye aek jagah taaiyar kee gai thee, ki vahan vah aek hajar do sau satt din tak palee jaae.. fir svarga par ladai hui, meekail aur usake svargadoot ajagar se ladne ko nikale, aur ajagar or unake doot us se lade. parantu prabal n hua, aur svarga men un ke liye fir jagah n rahee. aur vah bada ajagar arthata vahee purana sanp, jo ibalees aur shautan kahalata haai, aur sare sansar ka bhrmanevale haai, prathvee par gira diya gaya aur usake doot usake sath gira diyae gaee. fir maain ne svarga par se yah bada shabd aat huae suna, ki ab hamare parameshvar ka uddhar, aur samarth, aur rajy, aur usake maseeh ka aadhaikar pragatt hua haai kyonki hamare bhaiyon par dosh laganevala, jo rat din hamare parameshvar ke samhane un par dosh lagaya karata tha, gira diya gaya. aur ve memne ke lohoo ke kara, aur apanee gavahee ke vachan ke kara, us par jayavant hua, aur unhon ne apane praanon ko piri n jana, yahan tak ki mratyu bhee sah lee. is kara, he svagor, aur un men ke rahanevalon magan ho he prathvee, aur samudra, tum par haya! kyonki shautan bade krodha ke sath

tumhare pas utar aya haai kyonki janata haai, ki usaka thoda hee samay aur bakee haai.. aur jab ajagar ne dekha, ki maain prathvee par gira diya gaya hoo, to us sree ko jo betta jannee thee, sataya. aur us sree ko bade ukab ke do pankh diae gaa, ki sanp ke samhane se udkar jagal men us jagah pahunch jaa, jahan vah aek samay, aur samayo, aur adha samay tak palee jaae. aur sanp ne us sree ke peechhe apane munh se nadee kee nai panee bahaya, ki use is nadee se baha de. parantu prathvee ne us sree kee sahayata kee, aur apana munh kholakar us nadee ko jo ajagar ne apane munh se bahai thee, pee liya. aur ajagar sree par krodhait hua, aur usake shosh santan se jo parameshvar kee agyaaon ko manate, aur yeeshu kee gavahee dene par sthiar haai, ladne ko gaya. aur vah samudra ke baloo par ja khda hua..

13

aur maain ne aek pashu ko samudra men se nikalate huae dekha, jis ke das seeng aur sat sir the aur usake siron par ninda ke nam likhe huae the. aur jo pashu maain ne dekha, vah cheete kee nai tha aur usake panv bhaloo ke se, aur munh sinh ka sa tha aur us ajagar ne apanee samarth, aur apana sinhasan, aur bada adhaikar, use de diya. aur maain ne usake siron men se aek par aeesa bharee ghaav laga dekha, mano vah mane par haai fir usaka praanghaatak ghaav achchha ho gaya, aur saree prathvee ke log us pashu ke peechhe peechhe achhanbha karate huae chale. aur unhon ne ajagar kee pooja kee, kyonaki us ne pashu ko apana aadhaikar de diya tha aur yah kahakar pashu kee pooja kee, ki is pashu ke saman kaun haai? kaun us se lad sakata haai? aur bade bol bolane aur ninda karane ke liye use aek munh diya gaya, aur use bayalees maheene tak kam karane ka aadhaikar diya gaya. aur us ne parameshvar kee ninda karane ke liye munh khola, ki usake nam aur usake tamboo arthata svarga ke rahanevalon kee ninda kare. aur use yah adhaikar diya gaya, ki pavitra logon se lade, aur un par jay paa, aur use har aek kul, aur log, aur bhasha, aur jati par adhaikar diya gaya. aur prathvee ke ve sab rahanevale jin ke nam us memne kee jeevan kee pustak men likhe naheen gaa, jo jagal kee utpaati ke samay se ghaat hua haai, us pashu kee pooja karenge. jis ke kan hon vah sune. jis ko kaaid men padna haai, vah kaaid men padega, jo talavar se marega, avashy haai ki vah talavar se mara jaega, pavitra logon ka dhaceraaj aur vishvas isee men haai.. fir maain ne aek aur pashu ko prathvee men se nikalate huae dekha, usake memne ke se do seeng the aur vah ajagar kee nain bolata tha. aur yah us paahile pashu ka sara aadhaikar usake samhane kam men lata tha, aur prathvee aur usake rahanevalon se us paahile pashu kee jis ka praanghaatak ghaav achchha ho gaya tha, pooja karata tha. aur vah bade bade chihni dikhatata tha, yahan tak ki manushyon ke samhane svarga se prathvee par ag barasa deta tha. aur un chihnon ke karan jinhen us pashu ke samhane dikhanee ka adhaikar use diya gaya tha vah prathvee ke rahanevalon ko is prakar bhrmata tha, ki prathvee ke rahanevalon se kahata tha, ki jis pashu ke talavar lagee thee, vah jee gaya haai, us kee moorat banao. aur use us pashu kee

moorat men praan dalane ka adhaikar diya gaya, ki pashu kee moorat bolane lage aur jitane log us pashu kee moorat kee pooja n kare, unhen marava dale. aur us ne chhotte, bade, dhanee, kangal, svatrant, das sab ke dahine hath ya un ke mathe par aek aek chhap kara dee. ki us ko chhod jis par chhap arthata us pashu ka nam, ya usake nam ka ank ho, aur ko len den n kar sake. gyaan isee men haai, jise buaddh iho, vah is pashu ka ank jod le, kyonki manushy ka ank haai, aur usaka ank chh: sau chhyaiasatt haai..

14

fir maain ne draashtti kee, aur dekho, vah memna siyyon pahad par khda haai, aur usake sath aek lakh chaulaees hajar jan haai, jin ke mathe par usaka aur usake pita ka nam likha hua haai. aur svarga se mujhe aek aeesa shabd sunai diya, jo jal kee bahut dhaaraon aur bade garjan ka sa shabd tha, aur jo shabd maain ne suna vah aeesa tha, mano veena bajanevale veena bajate hon. aur ve sinhasan ke samhane aur charon praanaiyon aur praacheenon ke samhane mano, yah naya geet ga rahe the, aur un aek lakh chaulaees hajar jano ko chhod jo mol liae gae the, koi vah geet n seekh sakata tha. ye ve haai, jo striayon ke sath ashuddh naheen hua, par kunvare haain: ye ve hee haai, ki jahan kaheen memna jata haai, ve usake peechhe ho lete haain: ye to parameshvar ke nimitt pahile fal hone ke liye manushyon men se mol liae gae haain. aur un ke munh se kabhee joott n nikala tha, ve nirdosh haain.. fir maain ne aek aur svargadoot ko akash ke beech men udte huae dekha jis ke pas prathvee par ke rahanevalon kee har aek jati, aur kul, aur bhasha, aur logon ko sunane ke liye sanatan susamachar tha. aur us ne bade shabd se kaha parameshvar se dro aur us kee mahima karo kyonki usake nyay karane ka samay a pahuncha haai, aur usaka bhjan karo, jis ne svarga aur prathvee aur samudra aur jal ke sote bannaee.. fir is ke bad aek aur doosara svargadoot yah kahata hua aya, ki gir pada, yah bada babul gir pada jis ne apane vyaabhaichar kee kopamay maadira saree jatiyon ko pilai haai.. fir in ke bad aek aur svargadoot bade shabd se yah kahata hua aya, ki jo koi us pashu aur us kee moorat kee pooja kare, aur apane mathe ya apane hath par us kee chhap le. to vah parameshvar ka prakop kee niree maadira jo usake krodha ke kattore men dalee gai haai, peeage aur pavitra svargadooton ke samhane, aur memne ke samhane ag aur gandhak kee peeda men padega. aur un kee peeda ka dhauan yuganuyug uttta rahega, aur jo us pashu aur us kee moorat kee pooja karate haai, aur jo usake nam hee chhap lete haai, un ko rat din chaain n milega. paavitra logon ka dhaeraj isee men haai, jo parameshvar kee agyaan ko manate, aur yeeshu par vishvas rakhte haain.. aur maain ne svarga se yah shabd suna, ki likh jo murade prabhu men marate haai, ve ab se dhany haai, atma kahata haai, han kyonaki ve apane parishramon se vishraam paenge, aur un kee kayrya un ke sath ho lete haain.. aur maain ne drashtti kee, aur dekho, aek ujala badal haai, aur us badal par manushy ke putra sareekha koi baaita haai, jis ke sir par sone ka mukutt aur hath men chokha hansua haai. fir aek aur svargadoot ne mandair men

se nikalakar, us se jo badal par baaita tha, bade shabd se pukarakar kaha, ki apana hansua lagakar lavanee kar, kyonki lavane ka samay a panhucha haai, isaliye ki prathvee kee khetee pak chukee haai. so jo badal par baaita tha, us ne prathvee par apana hansua lagaya, aur prathvee kee lavanee kee gai.. fir aek aur svargadoot us mandair men se nikala, jo svarga men haai, aur usake pas bhee chokha hansua tha. fir aek aur svargadoot jis ag par adhaikar tha, vedee men se nikala, aur jis ke pas chokha hansua tha, us se unche shabd se kaha apana chokha hansua lagakar prathvee kee dakh lata ke guchchhe katt le kyonaki us kee dakh pak chukee haai. aur us svargadoot ne prathvee par apana hansua dala, aur prathvee kee dakh lata ka fal kattkar, apane parameshvar ke prakop ke bade ras ke kund men dal diya. aur nagar ke bahar us ras kund men dakh raunde gae, aur ras kund men se itana lo-hoo nikala ki ghaedon ke lagamon tak pahuncha, aur sau kos tak bah gaya..

15

fir maain ne svarga men aek aur bada aur adabhut chihni dekha, arthata sat svargadoot jin ke pas saton pichhlee vipaatiayan thee, kyonki un ke ho jane par parameshvar ke prakop ka ant haai.. aur maain ne ag se mile huae kanch ka sa aek samudra dekha, aur jo us pashu par, aur us kee moorat par, aur usake nam ke ank par jayavant huae the, unhen us kanch ke samudra ke nikatt parameshvar kee veenaon ko liae huae khde dekha. aur ve parameshvar kee das moosa ka geet, aur memne ka geet ga gakar kahate the, ki hee svrashaktaiman prabhu parameshvar, teree kayrya bade, aur adabhut haai, hee yug yug ke raja, teree chal tteek aur sachchee haai. hee prabhu, kaun tuij se n drega? aur tere nam kee mahima n karega? kyonki keval too hee paavitra haai, aur saree jaatiyan akar tere samhane dandvata kareengee, kyonaki tere nyay ke kam pragatt ho gae haain.. aur is ke bad maain ne dekha, ki svarga men sakshaee ke tamboo ka maandair khola gaya. aur ve saton svargadoot jin ke pas saton vipaatiayan thee, shuuddh aur chamakatee hui maanai pahine huae chhatee par sunahale pattukee bandho huae maandair se nikale. aur un charon praanaiyon men se aek ne un saton svargadooton ko parameshvar ke, jo yuganuyug jeevata haai, prakop se bhre huae sat sone ke kattore daie. aur parameshvar kee maahima, aur us kee samarth ke karan mandair dhauen se bhr gaya aur jab tak un saton svargadooton kee saton vipaatiayan samapt n hui, tab tak koi maandair men n ja saka..

16

fir maain ne maandair men kisee ko unche shabd se un saton svargadooton se yah kahate suna ki jao, parameshvar ke prakop ke saton kattoron ko prathvee par undel do.. so paahile ne jakar apana kattora prathvee par undel diya. aur un manushyon ke jin par pashu kee chhap thee, aur jo us kee moorat kee pooja karate the, aur jo prakar ka bura aur dukhdai faoda nikala.. aur doosare ne apana kattora samu-

17

aur jin sat svargadooton ke pas ve sat kattore the, un men se aek ne akar mujh se yah kaha ki idhar a, maain tujhe us badee veshya ka dand dikhau, jo bahut se paaniyon par baaittee haai. jis ke sath prathvee ke rajaon ne vyaabhaichar kiya, aur prathvee ke rahanevale usake vyaabhaichar kee maadira se matavale ho gaee the. tab vah mujhe atma men jangal ko le gaya, aur maain ne kiraamijee rang ke pashu par jo ninda ke namon se chhpai hua tha aur jis ke sat sir
