

aadi men parameshvar ne akash aur prathvee kee srashti kee. aur prathvee bedaul aur sunasan padee thee aur gahare jal ke upar andhiyara tha: tatha parameshvar ka atma jal ke upar mandlata tha. tab parameshvar ne kaha, ujjjala ho: to ujjjala ho gaya. aur parameshvar ne ujjyale ko dekha ki achchha haai aur parameshvar ne ujjyale ko andhiyare se alag kiya. aur parameshvar ne ujjyale ko din aur andhiyare ko rat kaha. tatha sanjh hui fir bhor hua. is prakar pahila din ho gaya.. fir parameshvar ne kaha, jal ke beech aek aeesa antar ho ki jal do bhag ho jaae. tab parameshvar ne aek antar karake usake neeche ke jal aur usake upar ke jal ko alag alag kiya aur vaaisa hee ho gaya. aur parameshvar ne us antar ko akash kaha. tatha sanjh hui fir bhor hua. is prakar doosara din ho gaya.. fir parameshvar ne kaha, akash ke neeche ka jal aek sthan men ikattha ho jaae aur sookhee boomi dikhai de aur vaaisa hee ho gaya. aur parameshvar ne sookhee boomi ko prathvee kaha tatha jo jal ikattha hua usako us ne samudr kaha: aur parameshvar ne dekha ki achchha haai. fir parameshvar ne kaha, prathvee se haree ghaas, tatha beejavale chhotte chhotte ped, aur faladai vraksha bhee jinake beej unhee men aek aek kee jati ke anusar hote haain prathvee par ugen aur vaaisa hee ho gaya. to prathvee se haree ghaas, aur chhotte chhotte ped jin men apanee apanee jati ke anusar beej hota haai, aur faladai vraksha jinake beej aek aek kee jati ke anusar unhee men hote haain uge aur parameshvar ne dekha ki achchha haai. tatha sanjh hui fir bhor hua. is prakar teesara din ho gaya.. fir parameshvar ne kaha, din ko rat se alag karane ke liye akash ke antar men jyotiyan hon aur ve chinho, aur niyat samayo, aur dino, aur vasharen ke karan hon. aur ve jyotiyan akash ke antar men prathvee par prakash denevalee bhee tharen aur vaaisa hee ho gaya. tab parameshvar ne do badee jyotiyan banain un men se badee jyoti ko din par prabhuta karane ke liye, aur chhotte jyoti ko rat par prabhuta karane ke liye banaya: aur taragan ko bhee banaya. parameshvar ne unako akash ke antar men isaliye rakha ki ve prathvee par prakash de, tatha din aur rat par prabhuta karen aur ujjyale ko andhiyare se alag karen: aur parameshvar ne dekha ki achchha haai. tatha sanjh hui fir bhor hua. is prakar chautha din ho gaya.. fir parameshvar ne kaha, jal jeeavit praanaiyon se bahut hee bhr jaa, aur pakshaee prathvee ke upar akash hen antar men uden. isaliye parameshvar ne jaati jati ke bade bade jala-jantuon kee, aur un sab jeevit praanaiyon kee bhee srashti kee jo chalate firate haain jin se jal bahut hee bhr gaya aur aek aek jati ke udnevalee pakshiyaon kee bhee srashti kee : aur parameshvar ne dekha ki achchha haai. aur parameshvar ne yah kahake unako ashaeesh dee, ki foolo-falo, aur samudr ke jal men bhr jao, aur pakshaee prathvee par bad-dhen. tatha sanjh hui fir bhor hua. is prakar panchavan din ho gaya. fir parameshvar ne kaha, prathvee se aek aek jaati ke jeevit praanee, arthata gharelao pashu, aur renganevale jantu, aur prathvee ke vanapashu, jati jati ke anusar utpann hon aur vaaisa hee ho gaya. so parameshvar ne prathvee ke jaati jati ke

vanapashuon ko, aur jaati jati ke gharelao pashuon ko, aur jaati jati ke boomi par sab renganevale jantuon ko banaya : aur parameshvar ne dekha ki achchha haai. fir parameshvar ne kaha, ham manushy ko apane svaroop ke anusar apanee samanata men banaaen aur ve samudr kee machhliyo, aur akash ke pakshiyo, aur gharelao pashuon, aur saree prathvee par, aur sab renganevale jantuon par jo prathvee par rengate haai, adhaikar rakhen. tab parameshvar ne manushy ko apane svaroop ke anusar utpann kiya, apane hee svaroop ke anusar parameshvar ne usako utpann kiya, nar aur naree karake us ne manushyon kee srashti kee. aur parameshvar ne unako ashaeesh dee : aur un se kaha, foolo-falo, aur prathvee men bhr jao, aur usako apane vash men kar lo aur samudr kee machhaliyo, tatha akash ke paakshiyo, aur prathvee par renganevale sab jantu par adhaikar rakho. fir parameshvar ne un se kaha, suno, jitane beejavale chhotte chhotte ped saree prathvee ke upar haain aur jitane vrakshaen men beejavale fal hote haai, ve sab maain ne tum ko diae haain ve tumhare bhojan ke liye haain : aur jitane prathvee ke pashu, aur akash ke pakshaee, aur prathvee par renganevale jantu haai, jin men jeevan ke praan haai, un sab ke khane ke liye maain ne sab hare hare chhotte ped diae haain aur vaaisa hee ho gaya. tab parameshvar ne jo kuchh banaya tha, sab ko dekha, to kya dekha, ki vah bahut hee achchha haai. tatha sanjh hui fir bhor hua. is prakar chhthvan din ho gaya..

yon akash aur prathvee aur unakee saree sena ka banana samapt ho gaya. aur parameshvar ne apana kam jise vah karata tha sataven din samapt kiya. aur us ne apane kiae huae sare kam se sataven din vishraam kiya. aur parameshvar ne sataven din ko ashaeesh dee aur paavitra tharaya kyunki us men us ne apanee srashti kee rachana ke sare kam se vishraam liya. akash aur prathvee kee utpaati ka vrattant yah haai ki jab ve utpann huae arthata jis din yahova parameshvar ne prathvee aur akash ko banaya: tab maaidan ka koi paudha boomi par n tha, aur n maaidan ka koi chhotta ped uga tha, kyunki yahova parameshvar ne prathvee par jal naheen barasaya tha, aur boomi par khetee karane ke liye manushy bhee naheen tha taub-hee kuhara prathvee se uttta tha jis se saree boomi sinch jatee thee aur yahova parameshvar ne adam ko boomi kee mittee se racha aur usake natno men jeevan ka shvas foonk diya aur adam jeevata praanee ban gaya. aur yahova parameshvar ne poorva kee or adan desh men aek baattkai lagai aur vahan adam ko jise us ne racha tha, rakh diya. aur yahova parameshvar ne boomi se sab bhanati ke vraksha, jo dekhne men manohar aur jinake fal khane men achchee haain ugaa, aur baattkai ke beech men jeevan ke vraksha ko aur bhle ya bure ke gyaan ke vraksha ko bhee lagaya. aur us baattkai ko seenchane ke liye aek mahanadee adan se nikalee aur vahan se age bahakar char dhara men ho gai. paahilee dhara ka nam peeshaena haai, yah vahee haai jo haveela nam ke sare desh ko jahan sona milata haai ghore huae haai. us desh ka sona chokha hota haai, vahan motee aur sulaima-

nee patthr bhee milate haain. aur doosaree nadee ka nam geehona haai, yah vahee haai jo koosh ke sare desh ko ghere huae haai. aur teesaree nadee ka nam hiekela haai, yah vahee haai jo ashshooru ke poorva kee or bahatee haai. aur chauthree nadee ka nam farat haai. jab yahova parameshvar ne adam ko lekar adan kee battkai men rakh diya, ki vah us men kam kare aur usakee raksha kare, tab yahova parameshvar ne adam ko yah agyaa dee, ki too battkai ke sab vrakshaen ka fal bina khttk kha sakata haai: par bhle ya bure ke gyaan ka jo vraksha haai, usaka fal too kabhee n khana : kyonaki jis din too usaka fal khaae usee din avashy mar jaagea.. fir yahova parameshvar ne kaha, adam ka akela rahana achchha naheen maai usake liye aek aeesa sahayak banaunga jo us se mel khaae. aur yahova parameshvar boomi men se sab jati ke banaaile pashuuo, aur akash ke sab bhaati ke pakshiayon ko rachakar adam ke pas le aya ki dekhe, ki vah unaka kya kya nam rakhta haai aur jis jis jeevit praanee ka jo jo nam adam ne rakha vahee usaka nam ho gaya. so adam ne sab jati ke ghareloo pashuuo, aur akash ke pakshiayo, aur sab jati ke banaaile pashuuoan ke nam rakhe parantu adam ke liye koi aeesa sahayak n mila jo us se mel kha sake. tab yahova parameshvar ne adam ko bharee neend men dal diya, aur jab vah so gaya tab us ne usakee aek pasulee nikalakar usakee santee mans bhr diya. aur yahova parameshvar ne us pasulee ko jo us ne adam men se nikalee thee, sree bana diya aur usako adam ke pas le aya. aur adam ne kaha ab yah meree haddiyon men kee haddee aur mere mans men ka mans haai : so isaka nam na-ree hoga, kyonki yah nar men se nikalee gai haai. is karan puroosh apane mata pita ko chhodkar apanee patnee se mila rahega aur ve aek tan banen rahenge. aur adam aur usakee patnee donon nange the, par la-jate n the..

yahova parameshvar ne jitane banaaile pashu banaaethe, un sab men sarpa dhoorta tha, aur us ne sree se kaha, kya sach haai, ki parameshvar ne kaha, ki tum is battkai ke kisee vraksha ka fal n khana ? sree ne sarpa se kaha, is baattkai ke vrakshaen ke fal ham kha sakate haain. par jo vraksha battkai ke beech men haai, usake fal ke vishay men parameshvar ne kaha haai ki n to tum usako khana aur n usako choona, naheen to mar jaoge. tab sarpa ne sree se kaha, tum nishchay n maroge, varan parameshvar ap janata haai, ki jis din tum usaka fal khaoge usee din tumha-ree ankhe khul jaengee, aur tum bhle bure ka gyaan pakar parameshvar ke tuly ho jaoge. so jab sree ne dekha ki us vraksha ka fal khane men achchha, aur dekhne men manabha, aur buddh idene ke liye chahane yogy bhee haai, tab us ne us men se todkar khaya aur apane pati ko bhee diya, aur us ne bhee khaya. tab un donon kee ankhe khul gai, aur unako maloom hua ki ve nange haai so unhon ne anjeer ke patte jod jod kar langott bana liye. tab yahova parameshvar jo din ke ttnde samay baattkai men firata tha usaka shabd unako sunai diya. tab adam aur usakee patnee battkai ke vrakshaen ke beech yahova parameshvar se chhpai gaee. tab yahova parameshvar ne pukarakar

adam se poochha, too kahan haai? us ne kaha, maain tera shabd baree men sunakar dr gaya kyonaki maain nanga tha isaliye chhpai gaya. us ne kaha, kis ne tuijhe chitaya ki too nanga haai? jis vraksha ka fal khane ko maai ne tuijhe barja tha, kya too ne usaka fal khaya haai? adam ne kaha jis sree ko too ne mere sang rahane ko diya haai usee ne us vraksha ka fal mujhe diya, aur maai ne khaya. tab yahova parameshvar ne sree se kaha, too ne yah kya kiya haai? sree ne kaha, sarpa ne mujhe bahaka diya tab maai ne khaya. tab yahova parameshvar ne sarpa se kaha, too ne jo yah kiya haai isaliye too sab ghareloo pashuuo, aur sab banaaile pashuuoan se adhaik shaaapit haai too pett ke bal chala karega, aur jeevan bhr mittee chhatta rah-ega : aur maai tere aur is sree ke beech me, aur tere vansh aur isake vansh ke beech men baair utpann karunga, vah tere sir ko kuchal dalega, aur too usakee aedee ko dsega. fir sree se us ne kaha, maai teree peeda aur tere garbhvatee hone ke du:kh ko bahut baddhaunga too peedit hokar balak utpann karegee aur teree lalasa tere paati kee or hooee, aur vah tuijh par prabhuta karega. aur adam se us ne kaha, too ne jo apanee patnee kee bat sunee, aur jis vraksha ke fal ke vishay maai ne tuijhe agyaa dee thee ki too use n khana usako too ne khaya haai, isaliye boomi tere karan shaaapit haai: too usakee upaj jeevan bhr du:kh ke sath khaya karega : aur vah tere liye kante aur unt-kattare ugaaegee, aur too khet kee upaj khaaega aur apane mathe ke paseene kee rottee khaya karega, aur ant men mittee men mil jaagea kyonaki too usee men se nikala gaya haai, too mittee to haai aur mittee hee men fir mil jaagea. aur adam ne apanee patnee ka nam havva rakha kyonaki jitane manushy jeevit haain un sab kee aadimata vahee hui. aur yahova parameshvar ne adam aur usakee patnee ke liye chamade ke angarakhe banakar unako pahina diae. fir yahova parameshvar ne kaha, manushy bhle bure ka gyaan pakar ham men se aek ke saman ho gaya haai: isaliye ab aeesa n ho, ki vah hath baddhakar jeevan ke vraksha ka fal bhee tod ke kha le aur sada jeevit rahe. tab yahova parameshvar ne usako adan kee battkai men se nikal diya ki vah us boomi par khetee kare jis me se vah banaya gaya tha. isaliye adam ko us ne nikal diya aur jeevan ke vraksha ke marga ka pahara dene ke liye adan kee battkai ke poorva kee or karubon ko, aur charon or ghoomanevalee jvalamay talavar ko bhee niyukt kar diya..

jab adam apanee patnee havva ke pas gaya tab us ne garbhvatee hokar kaain ko janm diya aur kaha, maai ne yahova kee sahayata se aek puroosh paya haai. fir vah usake bhai haabil ko bhee janmee, aur haabil to bhed-bakaariyon ka charavaha ban gaya, parantu haain boomi kee khetee karane vala kisan bana. kuchh dinon ke pashchata kaain yahova ke pas boomi kee upaj men se kuchh bhennt le aya. aur haabil bhee apanee bhed-bakaariyon ke kai aek pahilautte bachche bhennt chaddhane le aya aur unakee char-bee bhennt chaddhai tab yahova ne haabil aur usakee bhennt ko to grahan kiya, parantu kaain aur usakee bhennt ko us ne grahan n kiya. tab kaain ati krod-

hait hua, aur usake munh par udasee chha gai. tab yahova ne kaain se kaha, too kyon krodhait hua ? aur tere munh par udasee kyon chha gai haai ? yaadi too bhla kare, to kya teree bhenntt grahan n kee jaaegee ? aur yaadi too bhla n kare, to pap dar par chhpaai rahata haai, aur usakee lalasa teree aur hogee, aur too us par prabhuta karega. tab kaain ne apane bhai haabil se kuchh kaha : aur jab ve maaidan men the, tab kaain ne apane bhai haabil par chaddhkar use ghaat kiya. tab yahova ne kaain se poochha, tera bhai haabil kahan haai ? us ne kaha maloom naheen : kya maai apane bhai ka rakhvala hoon ? us ne kaha, too ne kya kiya haai ? tere bhai ka lohoo boomi men se meree or chillakar meree dohai de raha haai ! isaliye ab boomi jis ne tere bhai ka lohoo tere hath se peene ke liye apana munh khola haai, usakee or se too shaaapit haai. chahe too boomi par khetee kare, taubhee usakee pooree upaj fir tuije n milegee, aur too prathvee par bahetoo aur bhgoda hoga. tab kaain ne yahova se kaha, mera dand sahane se bahar haai. dek, too ne aj ke din mujhe boomi par se nikala haai aur maai teree draashtti kee ad me rahoonga aur prathvee par bahetoo aur bhgoda rahoonga aur jo koi mujhe paega, mujhe ghaat karega. is karan yahova ne us se kaha, jo koi kaain ko ghaat karega us se sat guna palatta liya jaaega. aur yahova ne kaain ke liye aek chinh ttharaya aeesa ne ho ki koi use pakar mar dale.. tab kaain yahova ke sammukh se nikal gaya, aur noda nam desh me, jo adan ke poorva kee or haai, rahane laga. jab kaain apanee patnee ke pas gaya jab vah garbhvatee hui aur hanok ko janmee, fir kaain ne aek nagar basaya aur us nagar ka nam apane putra ke nam par hanok rakha. aur hanok se irad utpann hua, aur irad ne mahooyaael ko janm diya, aur mahooyaael ne matooshaaael ko, aur matooshaaael ne lemek ko janm diya. aur lemek ne do striyan byah lee : jin men se aek ka nam ada, aur doosaree ko silla haai. aur ada ne yabal ko janm diya, aur tambuon men rahana aur janavaron ka palan in dono reeatiyon ka utpadak hua. aur usake bhai ka nam yoobal haai : vah veena aur bansuree aadi bajon ke bajane kee saree reeti ka utpadak hua. aur silla ne bhee too balkaain nam aek putra ko janm diya : vah peetal aur lohe ke sab dhaaravale hathaiyaron ka gaddhnevala hua: aur too balkaain kee baahin nama thee. aur lemek ne apanee patnaiyon se kaha, he ada aur he silla meree suno he lemek kee patnaiyo, meree bat par kan lagao: maainne aek puroosh ko jo mere chott lagata tha, arthata aek javan ko jo mujhe ghaayal karata tha, ghaat kiya haai. jab kaain ka palatta sataguna liya jaaega. to lemek ka sataharaguna liya jaaega. aur adam apanee patnee ke pas fir gaya aur us ne aek putra ko janm diya aur usaka nam yah kah ke shot rakha, ki parameshvar ne mere liye haabil kee santee, jisako kaain ne ghaat kiya, aek aur vansh tthara diya haai. aur shot ke bhee aek putra utpann hua aur us ne usaka nam aenosh rakha, usee samay se log yahova se praarthna karane lage..

adam kee vanshaavalee yah haai. jab parameshvar ne manushy kee sraashtti kee tab apane hee svaroop men

usako banaya us ne nar aur naree karake manushyon kee sraashtti kee aur unhen ashaeesh dee, aur unakee sraashtti ke din unaka nam adam rakha. jab adam aek sau tees varsha ka hua, tab usake dara usakee samanata men us hee ke svaroop ke anusar aek putra utpann hua usaka nam shot rakha. aur shot ke janm ke pashchata adam att sau varsha jeeavit raha, aur usake aur bhee bette bettyaiaian utpann huin. aur adam kee kul avastha nau sau tees varsha kee hui : tatpashchata vah mar gaya.. jab shot aek sau panch varsha ka hua, tab us ne aenosh ko janm diya. aur aenosh ke janm ke pashchata shot att sau sat varsha jeevit raha, aur usake aur bhee bette bettyaiaian utpann huin. aur shot kee kul avastha nau sau barah varsha kee hui : tatpashchata vah mar gaya.. jab aenosh nabbe varsha ka hua, tab us ne kenan ko janm diya. aur kenan ke janm ke pashchata aenosh att sau pandrah varsha jeeavit raha, aur usake aur bhee bette bettyaiaian hui. aur aenosh kee kul avastha nau sau panch varsha kee hui : tatpashchata vah mar gaya.. jab kenan satt varsha ka hua, tab us ne mahalalel ko janm diya. aur mahalalel ke janm ke pashchata kenan att sau chalees varsha jeeavit raha, aur usake aur bhee bette bettyaiaian utpann hui. aur kenan kee kul avastha nau sau das varsha kee hui : tatpashchata vah mar gaya.. jab mahalalel paainsatt varsha ka hua, tab us ne yered ko janm diya. aur yered ke janm ke pashchata mahalalel att sau tees varsha jeevit raha, aur usake aur bhee bette bettyaiaian utpann hui. aur mahalalel kee kul avastha att sau panchanave varsha kee hui : tatpashchata vah mar gaya.. jab yered aek sau basatt varsha ka hua, jab us ne hanok ko janm diya. aur hanok ke janm ke pashchata yered att sau varsha jeevit raha, aur usake aur bhee bette bettyaiaian utpann hui. aur yered kee kul avastha nau sau basatt varsha kee hui : tatpashchata vah mar gaya. jab hanok paainsatt varsha ka hua, tab us ne matoosholah ko janm diya. aur matoosholah ke janm ke pashchata hanok teen sau varsha tak parameshvar ke sath sath chalata raha, aur usake aur bhee bette beattyaiaian utpann hui. aur hanok kee kul avastha teen sau paainsatt varsha kee hui. aur hanok parameshvar ke sath sath chalata tha fir vah lop ho gaya kyonaki parameshvar ne use utta liya. jab matoosholah aek sau sattasee varsha ka hua, tab us ne lemek ko janm diya. aur lemek ke janm ke pashchata matoosholah sat sau bayasee varsha jeeavit raha, aur usake aur bhee bette bettyaiaian utpann hui. aur matoosholah kee kul avastha nau sau unahatt varsha kee hui : tatpashchata vah mar gaya.. jab lemek aek sau bayasee varsha ka hua, tab us ne aek putra janm diya. aur yah kahakar usaka nam nooh rakha, ki yahova ne jo prathvee ko shaap diya haai, usake vishay yah ladka hamare kam me, aur us kattnai parishram men jo ham karate haai, ham ko shaaantai dega. aur nooh ke janm ke pashchata lemek panch sau panchanave varsha jeeavit raha, aur usake aur bhee bette bettyaiaian utpann hui. aur lemek kee kul avastha sat sau satahatt varsha kee hui : tatpashchata vah mar gaya.. aur nooh panch sau varsha ka hua aur nooh ne shom, aur ham aur yepet ko janm diya..

fir jab manushy boomi ke upar bahut baddhne lage, aur unake bettyaian utpann hui, tab parameshvar ke putraen ne manushy ke putraiyaon ko dekha, ki ve sundar haain so unhon ne jis jisako chaha un se byah kar liya. aur yahova ne kaha, mera atma manushy se sada lon vivid karata n rahega, kyonki manushy bhee shareer hee haai : usakee ayu aek sau bees varsha kee hogee. un dinon men prathvee par danav rahate the aur isake pashchata jab parameshvar ke putra manushy kee putraiyaon ke pas gaee tab unake dara jo santan utpann hua, ve putra shooraveer hote the, jinakee keetira praacheenakal se prachalit haai. aur yahova ne dekha, ki manushyon kee burai prathvee par baddh gai haai, aur unake man ke vichar men jo kuchh utpann hota haai so nirantar bura hee hota haai. aur yahova prathvee par manushy ko banane se pachhtaya, aur vah man men ati khedit hua. tab yahova ne socha, ki maai manushy ko jisakee maai ne srashtti kee haai prathvee ke upar se mita doonga kyonki maain unake banane se pachhtata hoon. parantu yahova ke anugrah kee drashtti nooh par banee rahee.. nooh kee vanshaavalee yah haai. nooh dharmee puroosh aur apane samay ke logon men khra tha, aur nooh parameshvar hee ke sath sath chalta raha. aur nooh se, shom, aur ham, aur yepet nam, teen putra utpann hue. us samay prathvee parameshvar kee drashtti men bigad gai thee, aur upadrav se bhr gai thee. aur parameshvar ne prathvee par jo draashtti kee to kya dekha, ki vah bigadee hui haai kyonaki sab praanaiyaon ne prathvee par apanee apanee chal chalan bigad lee thee. tab parameshvar ne nooh se kaha, sab praanaiyaon ke ant karane ka prashn mere samhane a gaya haai kyonaki unake karan prathvee upadrav se bhr gai haai, isaliye maai unako prathvee samet nash kar daloonga. isaliye too goper vraksha kee lakadee ka aek jahaj bana le, us men kottariyan banana, aur bheetar bahar us par ral lagana. aur is ddhng se usako banana : jahaj kee lambai teen sau hat, chaudai pachas hat, aur unchai tees hath kee ho. jahaj men aek khaidkee banana, aur isake aek hath upar se usakee chht banana, aur jahaj kee aek alang men aek dar rakhna, aur jahaj men pahila, doosara, teesara khnd banana. aur sun, maain ap prathvee par jalapralay karake sab praanaiyaon ko, jin men jeevan kee atma haai, akash ke neeche se nash karane par hoon : aur sab jo prathvee par haai mar jaeenge. parantu tere sang maai vacha bandhata hoon : isaliye too apane putrae, sre, aur bahuon samet jahaj men pravesht karana. aur sab jeeavit praanaiyaon men se, too aek aek jaati ke do do, arthata aek nar aur aek mada jahaj men le jakar, apane sath jeevit rakhna. aek aek jaati ke pakshae, aur aek aek jati ke pashu, aur aek aek jati ke boomi par renganevale, sab men se do do tere pas aeenge, ki too unako jeevit rakhe. aur bhanti bhanati ka bhojy padarth jo khaya jata haai, unako too lekar apane pas ikattha kar rakhna so tere aur unake bhojan ke liye hoga. parameshvar kee is agyaa ke anushar nooh ne kiya.

aur yahova ne nooh se kaha, too apane sare gharane samet jahaj men ja kyonki maai ne is samay ke logon men se keval tujhee ko apanee drashtti men dharmee dekha haai. sab jaati ke shuuddh pashuon men se to too sat sat, arthata nar aur mada lena : par jo pashu shuuddh naheen haai, un men se do do lena, arthata nar aur mada : aur akash ke paakshiaon men se bhee, sat sat, arthata nar aur mada lena : ki unaka vansh bachakar saree prathvee ke upar bana rahe. kyonaki ab sat din aur beetane par maain prathvee par chalees din aur chalees rat tak jal barasata rahonga jitane vastuen maain ne banain haai sab ko boomi ke upar se mita doonga. yahova kee is agyaa ke anushar nooh ne kiya. nooh kee avastha chh: sau varsha kee thee, jab jalapralay prathvee par aya. nooh apane putrae, patnee aur bahuon samet, jalapralay se bachane ke liye jahaj men gaya. aur shuuddh, aur ashuuddh dono prakar ke pashuon men se, pakshiayo, aur boomi par renganevalon men se bhee, do do, arthata nar aur mada, jahaj men nooh ke pas gaa, jis prakar parameshvar ne nooh ko agyaa dee thee. sat din ke uparant pralay ka jal prathvee par ane laga. jab nooh kee avastha ke chh: sauven varsha kee doosare maheene ka sattrahavan din aya usee din bade gahire samudr ke sab sote foott nikale aur akash ke jhrokhe khul gaee. aur vashara chalees din aur chalees rat nirantar prathvee par hotee rahee. tteek usee din nooh apane putra shom, ham, aur yepet, aur apanee patnee, aur teenon bahuon samet, aur unake sang aek aek jati ke sab banaaile pashu, aur aek aek jati ke sab ghareloo pashu, aur aek aek jati ke sab prathvee par renganevale, aur aek aek jaati ke sab udnevale pakshae, jahaj men gaee. jitane praanaiyaon men jeevan kee atma thee unakee sab jatiyaon men se do do nooh ke pas jahaj men gaee. aur jo gaa, vah parameshvar kee agyaa ke anushar sab jaati ke praanaiyaon men se nar aur mada gaee. tab yahova ne usaka dar band kar diya. aur prathvee par chalees din tak pralay hota raha aur panee bahut baddhta hee gaya jis se jahaj upar ko uttne laga, aur vah prathvee par se uncha ut gaya. aur jal baddhte baddhte prathvee par bahut hee baddh gaya, aur jahaj jal ke upar upar taairata raha. aur jal prathvee par atyant baddh gaya, yahan tak ki saree dharate par jitane bade bade pahad the, sab oob gaee. jal to pandrah hath upar baddh gaya, aur pahad bhee oob gaee aur kya pakshae, kya ghareloo pashu, kya banaaile pashu, aur prathvee par sab chalaneevale praanee, aur jitane jantu prathvee me bahutayat se bhr gaee the, ve sab, aur sab manushy mar gaee. jo jo sthl par the un men se jitanon ke nathnon men jeevan ka shvas tha, sab mar mitte. aur kya manushy, kya pashu, kya renganevale jantu, kya akash ke pakshae, jo jo boomi par the, so sab prathvee par se mitt gaee keval nooh, aur jitane usake sang jahaj men the, ve hee bach gaee. aur jal prathvee par aek sau pachas din tak prabal raha.

aur parameshvar ne nooh kee, aur jitane banaaile pashu, aur ghareloo pashu usake sang jahaj men

the, un sabhon kee sudhai lee : aur parameshvar ne prathvee par pavan bahai, aur jal ghattne laga. aur gaahire samudr ke sote aur akash ke jhrokhe band ho gae aur us se jo vashara hotee thee so bhee thm gai. aur aek sau pachas din ke pashachata jal prathvee par se lagatar ghattne laga. sataven maheene ke sat-tarahaven din ko, jahaj ararat nam pahad par ttkai gaya. aur jal dasaven maheene tak ghattta chala gaya, aur dasaven maheene ke paahile din ko, pahadon kee chottyaai dikhilai deen. fir aeesa hua ki chalees din ke pashchata nooh ne apane banaae huae jahaj kee khaidkee ko kholakar, aek kaua uda diya : jab tak jal prathvee par se sookh n gaya, tab tak kaua idhar udhar firata raha. fir us ne apane pas se aek kabootaree ko uda diya, ki dekhen ki jal boomi se ghatt gaya ki naheen. us kabootaree ko apane paar ke tale ttekane ke liye koi adhaar ne mila, so vah usake pas jahaj men lautt ai : kyonki saree prathvee ke upar jal hee jal chhaya tha tab us ne hath baddhakar use apane pas jahaja men le liya. tab aur sat din tak ttharakar, us ne usee kabootaree ko jahaja men se fir uda diya. aur kabootaree sanjh ke samay usake pas a gai, to kya dekha ki usakee chonch men jalapai ka aek naya patta haai is se nooh ne jan liya, ki jal prathvee par ghatt gaya haai. fir us ne sat din aur ttharakar usee kabootaree ko uda diya aur vah usake pas fir kabhee lauttkar n ai. fir aeesa hua ki chh: sau aek varsha ke paahile maheene ke paahile din jal prathvee par se sookh gaya. tab nooh ne jahaja kee chht kholakar kya dekha ki dharatee sookh gai haai. aur doosare maheene ke sataisaven din ko prathvee pooree reeti se sookh gai.. tab parameshvar ne, nooh se kaha, too apane putrae, patnee, aur bahuon samet jahaja men se nikal a. kya pakshae, kya pashu, kya sab bhanti ke renganevale jantu jo prathvee par rengate haai, jitane shareeradhaaree jeevajantu tere sang haai, us sab ko apane sath nikal le a, ki prathvee par un se bahut bachche utpann hon aur ve foolen-fale, aur prathvee par faail jaen. tab nooh, aur usake putra, aur patnee, aur bahuae, nikal ain : aur sab chaupaa, renganevale jantu, aur pakshae, aur jitane jeevajantu prathvee par chalate firate haai, so sab jati jati karake jahaja men se nikal aae. tab nooh ne yahova ke liye aek vedee banai aur sab shuuddh pashuuo, aur sab shuuddh paakshiaiyon men se, kuchh kuchh lekar vedee par homabali chaddhaya. is par yahova ne sukhdayak sugandha pakar socha, ki manushy ke karan maain fir kabhee boomi ko shaap n doonga, yadhyi manushy ke man men bachapan se jo kuchh utpann hota haai so bura hee hota haai taubhee jaaisa maain ne sab jeevon ko ab mara haai, vaaisa unako fir kabhee n maroonga. ab se jab tak prathvee banee rahegee, tab tak bone aur kattne ke samay, tnd aur tapan, dhoopakar aur shaetaekal, din aur rat, nirantrar hote chale jaaenge..

fir parameshvar ne nooh aur usake putraen ko ashaeesh dee aur un se kaha ki foolo-falo, aur baddho, aur prathvee men bhr jao. aur tumhara dr aur bhy prathvee ke sab pashuuo, aur akash ke sab pakshiaiyon, aur boomi par ke sab renganevale jantuo, aur samudr kee sab machhliyon par bana ra-

hega : ve sab tumhare vash men kar diae jate haain. sab chalaneevale jantu tumhara ahar honge jaaisa tum ko hare hare chhotte ped diae the, vaaisa hee ab sab kuchh deta hoon. par mans ko praan samet arthata lohoo samet tum n khana. aur nishchay maain tumhara lohoo arthata praan ka palatta loonga : sab pashuuo, aur manushy, donon se maain use loonga : manushy ke praan ka palatta maai aek aek ke bhai bandha se loonga. jo koi manushy ka lohoo ba-haaega usaka lohoo manushy hee se bahaya jaaega kyonaki parameshvar ne manushy ko apane hee sva-roop ke anusar banaya haai. aur tum to foolo-falo, aur baddho, aur prathvee men bahut bachche janma ke us men bhr jao.. fir parameshvar ne nooh aur usake putraen se kaha, suno, maain tumhare sath aur tumhare pashchata jo tumhara vash hoga, usake sath bhee vacha bandhata hoon. aur sab jeeavit praaanaaiyon se bhee jo tumhare sang haai kya pakshae kya ghareloov pashu, kya prathvee ke sab bannaile pashu, prathvee ke jitane jeevajantu jahaj se nikale haain sab ke sath bhee meree yah vacha bandhatee haai : aur maai tumhare sath apanee is vacha ko poora karoonga ki sab praanee fir jalapalay se nash n honge : aur prathvee ke nash karane ke liye fir jalapalay n hoga. fir parameshvar ne kaha, jo vacha maai tumhare sat, aur jitane jeevit praanee tumhare sang haain un sab ke sath bhee yug yug kee peead-dhiyon ke liye bandhata hoon usaka yah chihh haai : ki maain ne badal me apana dhanush rakha haai vah mere aur prathvee ke beech men vacha ka chihh hoga. aur jab maain prathvee par badal faailaun jab badal men dhanush dekh padega. tab meree jo vacha tumhare aur sab jeevit shareeradhaaree praaanaaiyon ke sath bandhaae haai usako maain smaran karoonga, tab aeesa jalapalay fir n hoga jis se sab praaanaaiyon ka vinash ho. badal men jo dhanush hoga maain use dekh ke yah sada kee vacha smaran karoonga jo parameshvar ke aur prathvee par ke sab jeevit shareeradhaaree praaanaaiyon ke beech bandhaae haai. fir parameshvar ne nooh se kaha jo vacha maain ne prathvee bhr ke sab praaanaaiyon ke sath bandhaae haai, usaka chihh yahee haai.. nooh ke jo putra jahaja men se nikale, ve shom, ham, aur yepet the : aur ham to kanan ka pita hua. nooh ke teen putra ye hee haai, aur inaka vash saree prathvee par faail gaya. aur nooh kisane ke karan laga, aur us ne dakh kee baree lagai. aur vah dakhmadha peekar matavala hua aur apane tamboo ke bheetar nanga ho gaya. tab kanan ke pita ham ne, apane pita ko nanga dekha, aur bahar akar apane donon bhaiyon ko batala diya. tab shom aur yepet donon ne kapada lekar apane kandhaen par rakha, aur peechhe kee or ulatta chalakar apane pita ke nange tan ko ddhap diya, aur ve apana mukh peechhe kiae huae the isaliye unhon ne apane pita ko nanga n dekha. jab nooh ka nasha utar gaya, tab us ne jan liya ki usake chhotte putra ne us se kya kiya haai. isaliye us ne kaha, kanan shaapit ho : vah apane bhai bandhaun ke dason ka ho. fir us ne kaha, shom ka parameshvar yahova dhany haai, aur kanan shom ka das hove. parameshvar yepet ke vash ko faailaee aur vah shom ke tambuon me base, aur kanan usaka das hove. jalapalay ke pashchata nooh saddhe teen sau varsha jeeavit raha. aur nooh kee kul

nooh ke putra jo shom, ham aur yepet the unake putra jalapralay ke pashchata utpann huae : unakee van-shaavalee yah haai.. yepet ke putra : gomer, magog, madaai, yavan, toobal, meshok, aur teeras huae. aur gomer ke putra : ashakanaj, reepat, aur togarma huae. aur yavan ke vansh men aeleesha, aur tashareesha, aur kittee, aur dodanee log huae. inake vansh anyajatiyon ke deepoon ke deshaen men aeese bannt gaa, ki ve bhainn bhainn bhashaao, kulo, aur jatiyon ke anasar alag alag ho gaae.. fir ham ke putra : koosha, aur misr, aur foot aur kanan huae. aur koosh ke putra saba, haveela, sabata, rama, aur sabootaka huae : aur rama ke putra shaba aur dadan huae. aur koosh ke vansh men nimraed bhee hua prathvee par paahila veer vahee hua haai. vahee yahova kee drashtti men parakramee shaikar khelanevala tthara, is se yah kahavat chalee haai ki nimraed ke saman yahova kee draashtti men parakramee shaikar khelanevala. aur usake rajy ka arambh shainar desh men babul, akkad, aur kalane hua. us desh se vah nikalakar ashshoora ko gaya, aur neenave, rahoboteer, aur kalah ko, aur neenave aur kalah ke beech resen haai, use bhee basaya, bada nagar yahee haai. aur misr ke vansh men loodee, anamee, lahabee, naptoohee, aur patrausee, kasaloohie, aur kaptoree log hua, kasaloohiyon me se to paalishtee log nikale.. fir kanan ke vansh men usaka jyesht seedon, tab hit, aur yaboossee, aemoree, gurgashae, hivvee, arkee, seenee, arvadee, samaree, aur hamatee log bhee huae : fir kananaiyon ke kul bhee faail gaae. aur kananaiyon ka sivana seedon se lekar garar ke marga se hokar aja tak aur fir sadom aur amora aur adama aur saboyeem ke marga se hokar lasha tak hua. ham ke vansh men ye hee huae aur ye bhainn bhainn kulo, bhashaao, deshae, aur jatiyon ke anasar alag alag ho gaae.. fir shom, jo sab aeberavanashaiyon ka moolapuroosh hua, aur jo yepet ka jyesht bhai tha, usake bhee putra utpann huae. shom ke putra : aelam, ashshoora, arpakshada, lood aur aram huae. aur aram ke putra : us, hool, geter aur mash huae. aur arpakshada ne sholah ko, aur sholah ne aeber ko janm diya. aur aeber ke do putra utpann hua, aek ka nam peleg is karan rakha gaya ki usake dinon men prathvee bannt gai, aur usake bhai ka nam yoktan haai. aur yoktan ne almodad, sholep, hasarmavet, yerah, yadoravam, ujal, dikla, obal, abeemaal, shaba, opeer, haveela, aur yobab ko janm diya : ye hee sab yoktan ke putra huae. inake rahane ka sthan mesha se lekar sapara jo poorva men aek pahad haai, usake marga tak hua. shom ke putra ye hee huae aur ye bhainn bhainn kulo, bhashaao, deshaen aur jatiyon ke anasar alag alag ho gaae.. nooh ke putraen ke gharane ye hee haain : aur unakee jatiyon ke anasar unakee vanshaavaaliyan ye hee haain aur jalapralay ke pashchata prathvee bhr kee jaatiyan inheen men se hokar bannt gai..

saree prathvee par aek hee bhasha, aur aek hee bolee thee. us samay log poorva kee aur chalate chalate shainar desh men ek maaidan pakar us men bas gae. tab ve apas men kahane lage, ki ao ham intten bana bana ke bhlee bhnaati ag men pakaae, aur unhon ne patthr ke sthan men intt se, aur choone ke sthan men mittee ke gare se kam liya. fir unhon ne kaha, ao, ham aek nagar aur aek gummatt bana le, jisakee chottee akash se bat kare, is prakar se ham apana nam karen aeese n ho ki ham ko saree prathvee par faailana pade. jab log nagar aur gummatt banane lage tab unhen dekhne ke liye yahova utar aya. aur yahova ne kaha, maain kya dekhta hoo, ki sab aek hee dal ke haain aur bhasha bhee un sab kee aek hee haai, aur unhon ne aeese hee kam bhee arambh kiya aur ab jitana ve karane ka yatn karenge, us men se kuchh unake liye anahona n hoga. isaliye ao, ham utar ke unakee bhasha men badee gadbadee dale, ki ve aek doosare kee bolee ko n samajh saken. is prakar yahova ne unako, vahan se saree prathvee ke upar faaila diya aur unhon ne us nagar ka banana chhod diya. is karan us nagar ko nam babul pada kyunki saree prathvee kee bhasha men jo gadbadee haai, so yahova ne vaheen dalee, aur vaheen se yahova ne manushyon ko saree prathvee ke upar faaila diya.. shom kee van-shaavalee yah haai. jal pralay ke do varsha pashchata jab shom aek sau varsha ka hua, tab us ne arpakshada ko janm diya. aur arpakshada ne janm ke pashchata shom panch sau varsha jeevit raha aur usake aur bhee bette bettyaiaun utpann hui.. jab arpakshada paaintees varsha ka hua, tab us ne sholah ko janm diya. aur sholah ke janm ke pashchata arpakshada char sau teen varsha aur jeevit raha, aur usake aur bhee bette bettyaiaun utpann hui.. jab sholah tees varsha ka hua, tab usake dara aeber ko janm hua. aur aeber ke janm ke pashchata sholah char sau teen varsha aur jeevit raha, aur usake aur bhee bette bettyaiaun utpann hui.. jab aeber chauntees varsha ka hua, tab usake dara peleg ka janm hua. aur peleg ke janm ke pashchata aeber char sau tees varsha aur jeevit raha, aur usake aur bhee bette bettyaiaun utpann hui.. jab peleg tees varsha ko hua, tab usake dara roo ka janm hua. aur roo ke janm ke pashchata peleg do sau nau varsha aur jeevit raha, aur usake aur bhee bette bettyaiaun utpann hui.. jab roo battees varsha ka hua, tab usake dara saroog ka janm hua. aur saroog ke janm ke pashchata roo do sau sat varsha aur jeevit raha, aur usake aur bhee bette bettyaiaun utpann hui.. jab saroog tees varsha ka hua, tab usake dara nahor ka janm hua. aur nahor ke janm ke pashchata saroog do sau varsha aur jeevit raha, aur usake aur bhee bette bettyaiaun utpann hui.. jab nahor unatees varsha ka hua, tab usake dara terah ka janm hua. aur terah ke janm ke pashchata nahor aek sau unnees varsha aur jeevit raha, aur usake aur bhee bette bettyaiaun utpann hui.. jab tak terah satr varsha ka hua, tab tak usake dara abraam, aur nahor, aur haran utpann huae.. terah kee yah vanshaavalee haai. terah ne abraam, aur nahor, aur haran ko janm diya aur haran ne loot ko janm diya. aur haran apane pita ke samhane hee, kasadiyon ke ur nam nagar me, jo usakee janmaboomi thee, mar gaya. abraam aur

nahor ne striayan byah leen : abraam kee patnee ka nam to saraai, aur nahor kee patnee ka nam milka tha, yah us haran kee bettee thee, jo milka aur yiska donon ka pita tha. saraai to banjh thee usake santan n hui. aur terah apana putra abraam, aur apana pota loot jo haran ka putra tha, aur apanee bahoo saraai, jo usake putra abraam kee patnee thee in sabhon ko lekar kasadiyon ke ur nagar se nikal kanan desh jane ko chala par haran nam desh men pahuchakar vaheen rahane laga. jab terah do sau panch varsha ka hua, tab vah haran desh men mar gaya..

yahova ne abraam se kaha, apane desha, aur apanee janmaboomi, aur apane pita ke ghar ko chhodkar us desh men chala ja jo maain tuijhe dikhaunga. aur maain tujh se aek badee jati banaunga, aur tuijhe ashaeesh doonga, aur tera nam bada karoonga, aur too ashaeesh ka mool hoga. aur jo tuijhe ashaeervad de, unhen maain ashaeesh doonga aur jo tuijhe kose, use maain shaap doonga aur boomandl ke sare kul tere dara ashaeesh paaenge. yahova ke is vachan ke anusaar abraam chala aur loot bhee usake sang chala aur jab abraam haran desh se nikala us samay vah pachahattr varsha ka tha. so abraam apanee patnee saraai, aur apane bhtejee loot ko, aur jo dhan unhon ne ikattha kiya tha, aur jo praanee unhon ne haran men praapt kiae the, sab ko lekar kanan desh men jane ko nikal chala aur ve kanan desh men a bhee gaee. us desh ke beech se jate huae abraam shakem me, jahan more ka banj vraksha haai, panhucha us samay us desh men kananee log rahate the. tab yahova ne abraam ko darshan dekar kaha, yah desh maain tere vansh ko doonga : aur us ne vahan yahova ke liye jis ne use darshan diya tha, aek vedee banai. fir vahan se kooch karake, vah us pahad par aya, jo betel ke poorva kee or haai aur apana tamboo us sthan men khda kiya jisakee pachchhim kee or to betel, aur poorva kee or aee haai aur vahan bhee us ne yahova ke liye aek vedee banai : aur yahova se praarthna kee aur abraam kooch karake dakkhian desh kee or chala gaya.. aur us desh men akal pada : aur abraam misr desh ko chala gaya ki vahan paradeshae hokar rahe – kyonki desh men bhyankar akal pada tha. fir aeesa hua ki misr ke nikatt pahunchakar, us ne apanee patnee saraai se kaha, sun, mujhe maloom haai, ki too aek sundar sree haai : is karan jab misree tuijhe dekhenge, tab kahenge, yah usakee patnee haai, so ve mujh ko to mar dalenge, par tuij ko jeetee rakh lenge. so yah kahana, ki maain usakee baahin hoon jis se tere karan mera kalyan ho aur mera praan tere karan bache. fir aeesa hua ki jab abraam misr men aya, tab misriyon ne usakee patnee ko dekha ki yah ati sundar haai. aur firaun ke haakimon ne usako dekhkar firaun ke samhane usakee prashansa kee : so vah sree firaun ke ghar men rakhee gai. aur us ne usake karan abraam kee bhlai kee so usako bhed-bakaree, gaya-baail, dasa-dasiya, gadahe-gadaahiya, aur unt n mile. tab yahova ne firaun aur usakee gharane par, abraam kee patnee saraai ke karan badee badee vipaatiyaan daaleen. so firaun ne abraam ko bulavakar kaha, too ne mujh se kya kiya haai ? too ne mujhe kyon naheen bataya ki vah teree

patnee haai ? too ne kyon kaha, ki vah teree baahin haai ? maain ne use apanee hee patnee banane ke liye liya parantu ab apanee patnee ko lekar yahan se chala ja. aur firaun ne apane adamiyon ko usake vishay men agyaa dee aur unhon ne usako aur usakee patnee ko, sab sampati samet jo usaka tha, vida kar diya..

tab abraam apanee patnee, aur apanee saree sampati lekar, loot ko bhee sang liye hua, misr ko chhodkar kanan ke dakkhian desh men aya. abraam bhed-bakaree, gaya-baail, aur sone-roope ka bada dhaneer tha. fir vah dakkhian desh se chalakar, betel ke pas usee sthan ko pahuncha, jahan usaka tamboo pahale pada tha, jo betel aur aee ke beech men haai. yah sthan us vedee ka haai, jise us ne pahale banai thee, aur vahan abraam ne fir yahova se praarthna kee. aur loot ke pas bhee, jo abraam ke sath chalatata tha, bhed-bakaree, gaya-baail, aur tamboo the. so us desh men un donon kee samai n ho sake ki ve ikatthe rahen : kyonki unake pas bahut dhan tha isaliye ve ikatthe n rah sake. so abraam, aur loot kee bhed-bakaree, aur gaya-baail ke charavahon ke beech men jhgada hua : aur us samay kananee, aur paarijee log, us desh men rahate the. tab abraam loot se kahane laga, mere aur tere beech, aur mere aur tere charavahon ke beech men jhgada n hone paae kyonki ham log bhai bandha haain. kya sara desh tere samhane naheen? so mujh se alag ho, yaadi too bain or jaee to maain daahinee or jaunga aur yadi too dahinee or jaee to maain bain or jaunga. tab loot ne ankh uttakar, yaradan naadee ke pas valee saree tarai ko dekha, ki vah sab sinchee hui haai. jab tak yahova ne sadom aur amora ko nash n kiya tha, tab tak soar ke marga tak vah tarai yahova kee baattkai, aur misr desh ke saman upaja thee. abraam to kanan desh men raha, par loot us tarai ke nagaron men rahane laga aur apana tamboo sadom ke nikatt khda kiya. sadom ke log yahova ke lekhe men bade dusht aur papee the. jab loot abraam se alag ho gaya tab usakee pashchata yahova ne abraam se kaha, ankh uttakar jis sthan par too haai vahan se uttra-dakkhian, poorva-pashchaim, charon or drashtti kara. kyonki jitane bhoome tuijhe dikhai detee haai, us sab ko maain tuijhe aur tere vansh ko yug yug ke liye doonga. aur maain tere vansh ko prathvee kee dhool ke kinakon kee nai bahut karoonga, yahan tak ki jo koi prathvee kee dhool ke kinakon ko gin sakee vahee tera vansh bhee gin sakega. ut, is desh ke lambai aur chaudai men chal fira kyonki maain use tuijhe ko doonga. isake pashchata abraam apana tamboo ukhadkar, mamra ke banjon ke beech jo hebraen men the jakar rahane laga, aur vahan bhee yahova kee aek vedee banai..

in baton ke pashchata yahova ko yah vachan darshan men abraam ke pas pahuncha, ki he abraam, mat dra teree ddhal aur tera atyant bada fal maain hoon. abraam ne kaha, he prabhu yahova maain to nirvansh hoo, aur mere ghar ka vaaris yah damishkee aeleeae-ger hoga, so too mujhe kya dega ? aur abraam ne kaha, mujhe to too ne vansh naheen diya, aur kya dekhta hoo, ki mere ghar men utpann hua aek jan mera varis hoga. tab yahova ka yah vachan usake pas pahuncha, ki yah tera vaaris n hoga, tera jo nij putra hoga, vahee tera varis hoga. aur us ne usako bahar le jake kaha, akash kee or drashti karake taragan ko gin, kya too unako gin sakata haai ? fir us ne us se kaha, tera vansh aeesa hee hoga. us ne yahova par vishvas kiya aur yahova ne is bat ko usake lekhe men dharna gina. aur us ne us se kaha maain vahee yahova hoon jo tujhe kasadiyon ke ur nagar se bahar le aya, ki tujh ko is desh ka aadhaikar doon. us ne kaha, he prabhu yahova maain kaaise janoon ki maain isaka aadhaikaree hoonga ? yahova ne us se kaha, mere liye teen varsha kee aek kalor, aur teen varsha kee aek bakaree, aur teen varsha ka aek menddha, aur aek pin-duk aur kabootar ka aek bachcha le. aur in sabhon ko lekar, us ne beech men se do ttukade kar diya, aur ttukadon ko amhane-samhane rakha : par chidiyaon ko us ne ttukade n kiya. aur jab mansaharee pakshaee lothon par jhpatte, tab abraam ne unhen uda diya. jab soorya ast hone laga, tab abraam ko bharee neend ai aur dekho, atyant bhy aur andhakar ne use chha liya. tab yahova ne abraam se kaha, yah nishchay jan ki tere vansh paraae desh men paradeshaee hokar rahenge, aur usake desh ke logon ke se do ttukade kar diya, aur un-ako char sau varsha lon dukh denge fir jis desh ke ve das honge usako maain dand doonga : aur usake pashchata ve bada dhan vahan se lekar nikal aaenge. too to apane pitaron men kushal ke sath mil jaaenge tujhe poore buddhape men mittee dee jaaenge. par ve chauthee peeddhee men yahan fir aaenge : kyon-aki ab tak aemoriyon ka adharna poora naheen hua. aur aesa hua ki jab soorya ast ho gaya aur ghaer andhakar chha gaya, tab aek angettee jis men se dhauan uttta tha aur aek jalata hua paleeta dekh pada jo un ttukadon ke beech men se hokar nikal gaya. usee din yahova ne abraam ke sath yah vacha bandhae, ki misr ke mahanad se lekar parat nam bade nad tak jitana desh haai, arthata, keniyo, kanijjaiyo, kadamoniyo, hitiayo, pareeajjaiyo, rapaiyo, aemoriyo, kanaaniyo, girgaashaiyon aur yaboosiyan ka desh maain ne tere vansh ko diya haai..

abraam kee patnee saraai ke koi santan n thee : aur usake haajira nam kee aek misree laundee thee. so saraai ne abraam se kaha, dek, yahova ne to meree kokh band kar rakhee haai so maain tujh se binatee karatee hoon ki too meree laundee ke pas ja : sambhv haai ki mera ghar usake dara bas jaae. so saraai kee yah bat abraam ne man lee. so jab abraam ko kanan desh men rahate das varsha beet chuke tab usakee sree saraai ne apanee misree laundee haajira ko lekar

apane pati abraam ko diya, ki vah usakee patnee ho. aur vah haajira ke pas gaya, aur vah garbhvatee hui aur jab us ne jana ki vah garbhvatee haai tab vah apanee svaminee ko apanee draashtti men tuchchh samajhne lagee. tab saraai ne abraam se kaha, jo mujh par upadrav hua so tere hee sir par ho : maain ne to apanee laundee ko teree patnee kar diya par jab us ne jana ki vah garbhvatee haai, tab vah mujhe tuchchh samajhne lagee, so yahova mere aur tere beech men nyay kare. abraam ne saraai se kaha, dekh teree laundee tere vash men haai : jaaisa tuihe bhla lage vaaisa hee usake sath kara. so saraai usako dukh dene lagee aur vah usake samhane se bhag gai. tab yahova ke doot ne usake jangal men shoor ke marga par jal ke aek sote ke pas pakar kaha, he saraai kee laundee hajira, too kahane se atee aur kahan ko jatee haai ? us ne kaha, maain apanee svaaminee saraai ke samhane se bhag ai hoon. yahova ke doot ne us se kaha, apanee svaminee ke pas lautt ja aur usake vash men raha. aur yahova ke doot ne us se kaha, maain tere vash ko bahut baddhaunga, yahan tak ki bahutayat ke karan usakee ganna n ho sakegee. aur yahova ke doot ne us se kaha, dekh too garbhvatee haai, aur putra janegee, so usaka nam ish-maael rakhna kyonki yahova ne tere dukh ka hal sun liya haai. aur vah manushy banaile gadahe ke saman hoga usaka hath sabake viroodh uttega, aur sab ke hath usake viroodh utteng aur vah apane sab bhai bandhauon ke madhy men basa rahega. tab us ne yahova ka nam jis ne us se baten kee the, attaelaroi rakhkar kaha ki, kaya maain yahan bhee usako jate huae dekhne pai jo mera dekhnehara haai ? is karan us kuen ka nam lahaairoi kuan pada vah to kadash aur bereed ke beech men haai. so haajira abraam ke dara aek putra jane : aur abraam ne apane putra ka nam, jise haajira jane, ish-maael rakha. jab haajira ne abraam ke dara ish-maael ko janm diya us samay abraam chhyaiaasee varsha ka tha.

jab abraam ninnanave varsha ka ho gaya, tab yahova ne usako darshan dekar kaha maain sarvashaktaiman ishvar hoon merree upaasthiaati men chal aur siddh hoto ja. aur maain tere sath vacha bandhoonga, aur tere vash ko atyant hee baddhaunga, aur tere vash ko atyant hee baddhaunga. tab abraam munh ke bal gira : aur parameshvar us se yon baten kahata gaya, dek, merree vacha tere sath bandhaave rahegee, isaliye too jaatiyon ke samooch ka moolaapita ho jaagea. so ab se tera nam abraam n rahega parantu tera nam ibraaheem hoga kyonaki maain ne tuihe jatiyon ke samooch ka moolaapita thara diya haai. aur maain tuihe atyant hee faulaun falaunga, aur tuih ko jati jati ka mool bana doonga, aur tere vash men raja utpann honge. aur maain tere sat, aur tere pashchata peeddhee peeddhee tak tere vash ke sath bhee is ashay kee yug yug kee vacha bandhata hoo, ki maain tera aur tere pashchata tere vash ka bhee parameshvar rahoonga. aur maain tuih ko, aur tere pashchata tere vash ko bhee, yah sara kanaan desha, jis men too paradeshaee hokar rahata haai, is reati doonga ki vah yug yug unakee nij boomi rahegee, aur maain unaka parameshvar rahoonga. fir parameshvar ne

ibraaheem se kaha, too bhee mere sath bandhaave hui vacha ka palan karana too aur tere pashchata tera vash bhee apanee apanee peeddhee men usaka palan kare. mere sath bandhaave hui vacha, jo tuihe aur tere pashchata tere vash ko palanee padegee, so yah haai, ki tum men se aek aek puroosh ka khtana ho. tum apanee apanee khladee ka khtana kara lena jo vacha mere aur tumhare beech men haai, usaka ya-hee chinh hoga. peeddhee peeddhee men keval tere vash hee ke log naheen par jo tere ghar men utpann ho, va paradeshaiyon ko roopa dekar mol liye jaae, aeese sab puroosh bhee jab att din ke hon jaae, tab unaka khtana kiya jaae. jo tere ghar men utpann ho, athva tere roope se mol liya jaa, usaka khtana avashy hee kiya jaae so merree vacha jisaka chinh tumharee deh men hoga vah yug yug rahegee. jo puroosh khtanarahit rahe, arthata jisakee khladee ka khtana n ho, vah praanee apane logon me se nash kiya jaa, kyonaki us ne mere sath bandhaave hui vacha ko tod diya.. fir parameshvar ne ibraaheem se kaha, teree jo patnee saraai haai, usako too ab saraai n kahana, usaka nam sara hoga. aur maain usako ashaeesh doonga, aur tuih ko usake dara aek putra doonga aur maain usako aeesee ashaeesh doonga, ki vah jati jati kee moolamata ho jaegee aur usake vash men rajy rajy ke raja utpann honge. tab ibraaheem munh ke bal gir pada aur hansa, aur apane man hee man kahane laga, kya sau varsha ke puroosh ke bhee santan hoga aur kya sara jo nabbe varsha kee haai putra janegee ? aur ibraaheem ne parameshvar se kaha, ish-maael teree drashtti men bana rahe! yahee bahut haai. tab parameshvar ne kaha, nishchay teree patnee sara ke tuih se aek putra utpann hoga aur too usaka nam isahak rakhna : aur maain usake sath aeese vacha bandhoonga jo usake pashchata usake vash ke liye yug yug kee vacha hogee. aur ish-maael ke vishay men bhee maai ne teree sunee haai : maain usako bhee ashaeesh doonga, aur use faulaun falaunga aur atyant hee baddha doonga us se barah pradhaan utpann honge, aur maain us se aek badee jaati banaunga. parantu maain apanee vacha isahak hee ke sath bandhoonga jo sara se agale varsha ke iese niyukt samay men utpann hoga. tab parameshvar ne ibraaheem se baten karanee band keen aur usake pas se upar chaddh gaya. tab ibraaheem ne apane putra ish-maael ko, usake ghar men jitane utpann huae the, aur jitane usake roopaye se mol liye gaee the, nidan usake ghar men jitane puroosh the, un sabhon ko leke usee din parameshvar ke vachan ke anasar unakee khladee ka khtana kiya. jab ibraaheem kee khladee ka khtana hua tab vah ninnanave varsha ka tha. aur jab usake putra ish-maael kee khladee ka khtana hua tab vah terah varsha ka tha. ibraaheem aur usake putra ish-maael donon ka khtana aek hee din hua. aur usake ghar men jitane puroosh the jo ghar men utpann hua, tatha jo paradeshaiyon ke hath se mol liye gaee the, sab ka khtana usake sath hee hua.

ibraaheem mamra ke banjo ke beech kadee dhoop ke samay tamboo ke dar par baaita hua tha, tab yahova ne use darshan diya : aur us ne ankhe uttakar drashtti

kee to kya dekha, ki teen puroosh usake samhane khde haain : jab us ne unhe dekha tab vah un se bhentt karane ke liye tamboo ke dar se dauda, aur boomi par girakar dandvata kee aur kahane laga, he prabhu, yadi mujh par teree anugrah kee draashtti haai to maain binatee karata hoo, ki apane das ke pas se chale n jana. maain thoda sa jal lata hoon aur ap apane panv dhaekar is vraksha ke tale vishraam karen. fir maain aek ttukada rotttee le aun aur us se ap apane jeev ko trapt karen tab usake pashchata age baddhen : kyon-aki ap apane das ke pas seeliye padhaare haain. unhon ne kaha, jaaisa too kahata haai vaaisa hee kara. so ibraaheem ne tamboo men sara ke pas faurtee se jakar kaha, teen saa maaida faurtee se goondha, aur faulake bana. fir ibraaheem gay baail ke jhund men dauda, aur aek komal aur achchha bachhda lekar apane sevak ko diya, aur usane faurtee se usako pakaya. tab us ne makkhn, aur doodha, aur vah bachhda, jo us ne pakavaya tha, lekar unake age paros diya aur ap vraksha ke tale unake pas khda raha, aur ve khane lage. unhon ne us se poochha, teree patnee sara kahan haai? us ne kaha, vah to tamboo men haai. us ne kaha maain vasant retu men nishchay tere pas fir aunga aur tab teree patnee sara ke ek putra utpann hoga. aur sara tamboo ke dar par jo ibraaheem ke peechhe tha sun rahee thee. ibraaheem aur sara dono bahut bood-dhe the aur sara ka sreedharma band ho gaya tha so sara man men hans kar kahane lagee, maain to bood-dhee hoo, aur mera paati bhee booddha haai, to kya mujhe yah sukh hoga? tab yahova ne ibraaheem se kaha, sara yah kahakar kayon hansee, ki kya mere, jo aeese buaddhiya ho gai hoo, sachamuch aek putra utpann hoga? kya yahova ke liye koi kam kattnai haai? niyat samay me, arthata vasant retu me, maain tere pas fir aunga, aur sara ke putra utpann hoga. tab sara dr ke mare yah kahakar mukar gai, ki maain naheen hansee. us ne kaha, naheen too hansee to thee.. fir ve puroosh vahan se chalakar, sadom kee or takane lage : aur ibraaheem unhen vida karane ke liye unake sang sang chala. tab yahova ne kaha, yah jo maain karata hoon so kya ibraaheem se chh-pai rakoon? ibraaheem se to nishchay aek badee aur samarthee jati upajeege, aur prathvee kee saree jatiyan usake dara ashaesh paengee. kyonaki maain janata hoo, ki vah apane putraen aur parivar ko jo usake peechhe rah jaengee agyaa dega ki ve yahova ke marga men attl bane rahe, aur dharma aur nyay karate rahe, isaaliye ki jo kuchh yahova ne ibraaheem ke vishay men kaha haai use poora kare. kyonaki maain janata hoo, ki vah apane putraen aur parivar ko jo usake peechhe rah jaengee agyaa dega ki ve yahova ke marga men attl bane rahe, aur dharma aur nyay karate rahe, isaaliye ki jo kuchh yahova ne ibraaheem ke vishay men kaha haai use poora kare. isaaliye maain utarakar dekoonga, ki usakee jaaisee chilla-hatt mere kan tak pahunchee haai, unhon ne tteek vaaisa hee kam kiya haai ki naheen : aur n kiya ho to maain use jan loonga. so ve puroosh vahan se mud ke sadom kee or jane lage : par ibraaheem yahova ke age khda rah gaya. tab ibraaheem usake sameep jakar kahane laga, kya sachamuch dushtt ke sang dharmee ko bhee nash karega? kadachita us nagar men pachas dharmee hon : to kya too sachamuch us sthan ko nash

karega aur un pachas dhaarmiyon ke karan jo us men ho n chhodega? is prakar ka kam karana tujh se door rahe ki dushtt ke sang dharmee ko bhee mar dale aur dharmee aur dushtt donon kee aek hee dasa ho. yahova ne kaha yadi mujhe sadom men pachas dharmee mile, to unake karan us sare sthan ko chhoonga. fir ibraaheem ne kaha, he prabhu, sun maain to mittee aur rakh hoon taubhee maain ne itanee ddhttiaa kee ki tujh se baten karon. kadachita un pachas dharmiyon me panch ghatt jaee : to kya too panch hee ke ghat-tne ke karan us sare nagar ka nash karega? us ne kaha, yadi mujhe us men paaintalees bhee mile, taub-hee usaka nash n karoonga. fir us ne us se yah bhee kaha, kadachita vahan chalees milen. us ne kaha, to maain chalees ke karan bhee aeese n karoonga. fir us ne kaha, he prabhu, krodha n kar, to maain kuchh aur kahoon : kadachita vahan tees milen. us ne kaha yaadi mujhe vahan tees bhee mile, taubhee aeese n karoonga. fir us ne kaha, he prabhu, sun, maain ne itanee ddhttiaa to kee haai ki tujh se baten karon : kadachita us men bees milen. us ne kaha, maain bees ke karan bhee usaka nash n karoonga. fir us ne kaha, he prabhu, krodha n kar, maain aek hee bar aur ka-hoonga : kadachita us men das milen. us ne kaha, to maain das ke karan bhee usaka nash n karoonga. jab yahova ibraaheem se baten kar chuka, tab chala gaya : aur ibraaheem apane ghar ko lautt gaya..

sanjh ko ve do doot sadom ke pas aae : aur loot sadom ke faattk ke pas baaita tha : so unako dekhkar vah un se bhentt karane ke liye utta aur munh ke bal jhukakar dandvata kar kaha he mere prabhuo, apane das ke ghar men padhaaria, aur rat bhr vishraam keejia, aur apane panv dhiaeiy, fir bhor ko uttkar apane marga par jaiae. unhon ne kaha, naheen ham chauk hee men rat bitaenge. aur us ne un se bahut binatee karake unhen manaya so ve usake sath chalakar usake ghar men aae aur us ne unake liye jevanar taai-yar kee, aur bina khmeer kee rottiyaan banakar unako khailai. unake so jane ke pahile, us sadom nagar ke purooshaen ne, javanon se lekar booddhon tak, varan charon or ke sab logon ne akar us ghar ko ghor liya aur loot ko pukarakar kahane lage, ki jo puroosh aj rat ko tere pas aae haain ve kahan haain? unako hamare pas bahar le a, ki ham un se bhog karen. tab loot unake pas dar bahar gaya, aur kivad ko apane peechhe band karake kaha, he mere bhaiyo, aeesee burai n karo. suno, meree do beattyaian haain jinhon ne ab tak puroosh ka munh naheen dekha, ichchha ho to maain unhen tumhare pas bahar le au, aur tum ko jaaisa achchha lage vaaisa vyavahar un se karo : par in purooshaen se kuchh n karo kyonaki ye meree chht ke tale aae haain. unahon ne kaha, hatt ja. fir ve kahane lage, too ek paradeshaee hokar yaahan rahane ke liye aya par ab nyayee bhee ban baaita haai : so ab ham un se bhee aadhaik tere sath burai karenge. aur ve puroosh loot ko bahut dabane lage, aur kivad todne ke liye nikatt ae. tab un pahunon ne hath bad-dhakar, loot ko apane pas ghar men kheench liya, aur kivad ko band kar diya. aur unhon ne kya chhotte, kya bade, sab purooshaen ko jo ghar ke dar par the

andha kar diya, so ve dar ko ttttolate ttttolate thk gaee. fir un pahunon ne loot se poochha, yahan tere aur kaun kaun haain? damad, bette, bettyaia, va nagar men tera jo koi ho, un sabhon ko lekar is sthan se nikal ja. kyonaki ham yah sthan nash karane par haai, isaliye ki usakee chillahatt yahova ke sammukh baddh gai haai aur yahova ne hamen isaka satyanash karane ke liye bhej diya haai. tab loot ne nikalakar apane damadon ko, jinake sath usakee bettyaien kee sagai ho gai thee, samajha ke kaha, utto, is sthan se nikal chalo : kyonaki yahova is nagar ko nash kiya chahata haai. par vah apane damadon kee drashtti men ttttha karanehara sa jan pada. jab pah fattne lagee, tab dooton ne loot se faurtee karai aur kaha, ki ut, apanee patnee aur dono bettyaien ko jo yahan haain le ja : naheen to too bhee is nagar ke adharma men bhsn ho jaagea. par vah vilamb karata raha, is se un purooshan ne usaka aur usakee patnee, aur donon beattyaien ko hath pakad liya kyonaki yahova kee daya us par thee : aur usako nikalakar nagar ke bahar kar diya. aur aeesa hua ki jab unhon ne unako bahar nikala, tab us ne kaha apana praan lekar bhag ja peechhe kee aur n takana, aur tarai bhr men n ttharana us pahad par bhag jana, naheen to too bhee bhsn ho jaagea. loot ne un se kaha, he prabhu, aeesa n kar : dek, tere das par teree anugrah kee drashtti hui haai, aur too ne is men badee krappa dikhai, ki mere praan ko bachaya haai par maain pahad par bhag naheen sakata, kaheen aeesa n ho, ki koi vipaati mujh par a pade, aur maain mar jaun : dek, vah nagar aeesa nikatt haai ki maain vahan bhag sakata hoo, aur vah chhotta bhee haai : mujhe vaheen bhag jane de, kya vah chhotta naheen haain? aur mera praan bach jaagea. us ne us se kaha, dek, maain ne is vishay men bhee teree binatee angeekar kee haai, ki jis nagar kee charcha too ne kee haai, usako maain nash n karoonga. faurtee se vahan bhag ja kyonaki jab tak too vahan n pahuche tak tak maain kuchh n kar sakoonga. isee karan us nagar ka nam soar pada. loot ke soar ke nikatt pahuchate hee soorya prathvee par uday hua. tab yahova ne apanee or se sadom aur amora par akash se gandhak aur ag barasai aur un nagaron ko aur sampoon tarai ko, aur nagaron ko aur us sampoon tarai ko, aur nagaron ke sab nivaasiyon ko, boomi kee saree upaj samet nash kar diya. loot kee patnee ne jo usake peechhe thee draashti faer ke peechhe kee or dekha, aur vah namak ka khmbha ban gai. bhor ko ibraaheem uttkar us sthan ko gaya, jahan vah yahova ke sammukh khda tha aur sadom, aur amora, aur us tarai ke sare desh kee or ankh uttkar kya dekha, ki us desh men se dhadhakatee hui bhttee ka sa dhauan utt raha haai. aur aeesa hua, ki jab parameshvar ne us tarai ke nagaron ko, jin men loot rahata tha, ulatt pulatt kar nash kiya, tab us ne ibraaheem ko yad karake loot ko us ghattna se bacha liya. aur loot ne soar ko chhod diya, aur pahad par apanee donon bettyaien samet rahane laga kyonaki vah soar men rahane se drata tha : isaliye vah usakee donon bettyaiaen vahan aek gufaa men rahane lage. tab badee bettee ne chhottee se kaha, hamara pita booddha haai, aur prathvee bhr men koi aeesa puroosh naheen jo sansar kee reeti ke anusar hamare pas aae : so a, ham apane pita ko dakhmadha pilakar,

usake sath soae, jis se ki ham apane pita ke vansh ko bachaae rakhen. so unhon ne usee din rat ke samay apane pita ko dakhmadha pilaya, tab badee bettee jakar apane pita ke pas lett gai par us ne n jana, ki vah kab lettee, aur kab utt gai. aur aeesa hua ki doosare din badee ne chhottee se kaha, dek, kal rat ko maain apane pita ke sath soi : so aj bhee rat ko ham usako dakhmadha pilaaen tab too jakar usake sath sona ki ham apane pita ke dara vansh utpann karen. so unhon ne us din bhee rat ke samay apane pita ko dakhmadha pilaya : aur chhottee bettee jakar usake pas lautt gai : par usako usake bhee sone aur uttne ke samay ka gyaan n tha. is prakar se loot kee dono bettyaiaen apane pita se garbhvatee hui. aur badee aek putra janee, aur usaka nam moab rakha : vah moab nam jaati ka jo aj tak haai moolapita hua. aur chhottee bhee aek putra janee, aur usaka nam benammee rakha vah ammona vanshaiyon ka jo aj tak haain moolapita hua..

fir ibraaheem vahan se kooch kar daakkhian desh men akar kadesh aur shoor ke beech men tthara, aur garar men rahane laga. aur ibraaheem apanee patnee sara ke vishay men kahane laga, ki vah meree baahin haai : so garar ke raja abeemelek ne doot bhejkar sara ko bulava liya. rat ko parameshvar ne svapn men abeemelek ke pas akar kaha, sun, jis sree ko too ne rakh liya haai, usake karan too mar jaagea, kyonki vah suhaagin haai. parantu abeemelek usake pas n gaya tha : so us ne kaha, he prabhu, kya too nirdosh jaati ka bhee ghaat karega ? kya usee ne svayan mujh se naheen kaha, ki vah meree baahin haai ? aur us sree ne bhee ap kaha, ki vah mera bhai haai : maain ne to apane man kee khrai aur apane vyavahar kee sachchai se yah kam kiya. parameshvar ne us se svapn men kaha, ha, maain bhee janata hoon ki apane man kee khrai se too ne yah kam kiya haai aur maain ne tujhe rok bhee rakha ki too mere viroddh pap n kare : isee karan maain ne tujh ko use choone naheen diya. so ab us puroosh kee patnee ko use faer de kyonki vah nabee haai, aur tere liye praarthna karega, aur too jeeta rahega : par yadi too usako n faer de to jan rak, ki to, aur tere jitane log haai, sab nishchay mar jaenge. bihan ko abeemelek ne tadke uttkar apane sab karmachaariyon ko bulavakar ye sab baten sunai : aur ve log bahut dr gaee. tab abeemelek ne ibraaheem ko bulavakar kaha, too ne ham se yah kya kiya haai ? aur maain ne tera kya bigada tha, ki too ne mere aur mere rajy ke upar aeesa bada pap dal diya haai ? too ne mujh se vah kam kiya haai jo uchit n tha. fir abeemelek ne ibraaheem se poochha, too ne kya samajhkar aeesa kam kiya ? ibraaheem ne kaha, maain ne yah socha tha, ki is sthan men parameshvar ka kuchh bhee bhy n hoga so ye log meree patnee ke karan mera ghaat karenga. aur fir bhee sachamuch vah meree baahin haai, vah mere pita kee bettee to haai par meree mata kee bettee naheen fir vah meree patnee ho gai. aur aeesa hua ki vah parameshvar ne mujhe apane pita ka ghar chhodkar nikalane kee agyaa dee, tab maain ne us se kaha, itanee krappa tujhe mujh par karanee hogee : ki ham donon jahan jahan jaen vahan vahan too mere vishay men kahana, ki yah mera bhai

haai. tab abeemelek ne bhed-bakaree, gaya-baail, aur dasa-dasiyan lekar ibraaheem ko dee, aur usakee patnee sara ko bhee use faer diya. aur abeemelek ne kaha, dek, mera desh tere samhane haai jahan tuijhe bhaye vahan raha. aur sara se us ne kaha, dek, maain ne tere bhai ko roope ke aek hajar tukade diae haain : dek, tere sare sangiyon ke samhane vahee teree ankhone ka parda banega, aur sabhon ke samhane too tteek hogee. tab ibraaheem ne yahova se praarthna kee, aur yahova ne abeemelek, aur usakee patnee, aur daasiyon ko changa kiya aur ve janane lageen. kyonaki yahova ne ibraaheem kee patnee sara ke karan abeemelek ke ghar kee sab striayon kee kokhon ko pooree reeti se band kar diya tha..

so yahova ne jaaisa kaha tha vaaisa hee sara kee suadhai leke usake sath apane vachan ke anusaar kiya. so sara ko ibraaheem se garbhvatee hokar usake budhaye men usee niyukt samay par jo parameshvar ne us se ttharaya tha aek putra utpann hua. aur ibraaheem ne apane putra ka nam jo sara se utpann hua tha isahak rakha. aur jab usaka putra isahak att din ka hua, tab us ne parameshvar kee agyaa ke anusaar usak khtana kiya. aur jab ibraaheem ka putra isahak utpann hua tab vah aek sau varsha ka tha. aur sara ne kaha, parameshvar ne mujhe prafauallait kar diya haai isaaliye sab sunanevale bhee mere sath prafauallait hongee. fir us ne yah bhee kaha, ki kya koi kabhee ibraaheem se kah sakata tha, ki sara ladkon ko doodha pilaaegee ? par dekho, mujh se usake budhaye men aek putra utpann hua. aur vah ladka bad-dha aur usaka doodha chhudaya gaya : aur isahak ke doodha chhudane ke din ibraaheem ne badee jevanar kee. tab sara ko misree haajira ka putra, jo ibraaheem se utpann hua tha, hansee karata hua dekh pada. so is karan us ne ibraaheem se kaha, is dasee ko putra sahit barabas nikal de : kyonki is dasee ka putra mere putra isahak ke sath bhagee n hoga. yah bat ibraaheem ko apane putra ke karan buree lagee. tab parameshvar ne ibraaheem se kaha, us ladke aur apanee dasee ke karan tuijhe bura n lage jo bat sara tuijhe se kahe, use man, kyonaki jo tera vahan kahalaagea so isahak hee se chalega. dasee ke putra se bhee maain aek jati utpann karoonga isaaliye ki vah tera vansh haai. so ibraaheem ne bihan ko tadke uttkar rottee aur panee se bhreee chamade kee thaillee bhee haajira ko dee, aur usake kandho par rakhee, aur usake ladke ko bhee use dekar usako vida kiya : so vah challee gai, aur bershoba ke jangal men bhraman karane lagee. jab thaillee ka jal chuk gaya, tab us ne ladke ko aek jhadee ke neeche chhod diya. aur ap us se teer bhr ke ttppe par door jakar usake samhane yah sochakar baaitt gai, ki mujh ko ladke kee mratyu dekhnee n pade. tab vah usake samhane baaittee hui chilla chilla ke rone lagee. aur parameshvar ne us ladke kee sunee aur usake doot ne svarga se haajira ko pukar ke kaha, he haajira tuijhe kya hua ? mat dra kyonki jahan tera ladka haai vahan se usakee avaj parameshvar ko sun padee haai. ut, apane ladke ko utta aur apane hath se sambhal kyonki maain usake dara ek badee jati banaunga. parameshvar ne usakee ankhe khol dee, aur usako aek kuna

dikhai pada so us ne jakar thaillee ko jal se bhrakar ladke ko pilaya. aur parameshvar us ladke ke sath raha aur jab vah bada hua, tab jangal men rahate rahate dhanudhararee ban gaya. vah to paran nam jangal men raha karata tha : aur usakee mata ne usake liye misr desh se aek sreee mangavai.. un dinon men aeesa hua ki abeemelek apane senapaati peekol ko sang lekar ibraaheem se kahane laga, jo kuchh too karata haai us men parameshvar tere sang rahata haai : so ab mujh se yahan is vishay men parameshvar kee kiriyaa kha, ki too n to mujh se chhl karega, aur n kabhee mere vansh se karega, parantu jaaisee karoona maain ne tuij par kee haai, vaaisee hee too mujh par aur is desh par bhee jis men too rahata haai karega ibraaheem ne kaha, maain kiriyaa khaunga. aur ibraaheem ne abeemelek ko aek kuaen ke vishay me, jo abeemelek ke dason ne bareeyai se le liya tha, ulahana diya. tab abeemelek ne kaha, maai naheen janata ki kis ne yah kam kiya : aur too ne bhee mujhe naheen bataya, aur n maai ne aj se paahile isake vishay men kuchh suna. tak ibraaheem ne bhed-bakaree, aur gaya-baail lekar abeemelek ko diae aur un donon ne apas men vacha bandhaee. aur ibraaheem ne bhed kee sat bachchee alag kar rakheen. tab abeemelek ne ibraaheem se poochha, in sat baachchaiyon ka, jo too ne alag kar rakhee haai, kya prayojan haai ? us ne kaha, too in sat bachchaiyon ko is bat kee sakshae janakar mere hath se le, ki maai ne kuna khoda haai. un donon ne jo us sthan men apas men kiriyaa khai, isee karan usaka nam bershoba pada. jab unhon ne beshorba men paraspar vacha bandhae, tab abeemelek, aur usaka senapati peekol uttkar paalish-taiyon ke desh men lautt gae. aur ibraaheem ne bershoba men jha ka aek vraksha lagaya, aur vahan yahova, jo sanatan ishar vahai, us se praarthna kee. aur ibraaheem palishtaiyon ke desh men bahut dinon tak paradeshae hokar raha..

22

in baton ke pashchata aeesa hua ki parameshvar ne, ibraaheem se yah kahakar usakee pareeksha kee, ki he ibraaheem : us ne kaha, dek, maain yahan hoon. us ne kaha, apane putra ko arthata apane ekaloute putra isahak ko, jis se too praem rakhta haai, sang lekar moriyyah desh men chala ja, aur vahan usako ek pahad ke upar jo maain tuijhe bataunga homabali karake chaddha. so ibraaheem bihan ko tadke utta aur apane gadahe par kattee kasakar apane do sevak, aur apane putra isahak ko sang liya, aur homabaali ke liye lakadee cheer lee tab kooch karake us sthan kee or chala, jisakee charcha parameshvar ne us se kee thee. teesare din ibraaheem ne ankhen uttkar us sthan ko door se dekha. aur us ne apane sevakon se kaha gadahe ke pas yaheen tthare raho yah ladka aur maain vahan tak jakar, aur dandvata karake, fir tumhare pas lautt aunga. so ibraaheem ne homabali kee lakadee le apane putra isahak par ladde, aur ag aur chhuree ko apane hath men liya aur ve donon aek sath chal pade. isahak ne apane pita ibraaheem se kaha, he mere pita us ne kaha, he mere putra, kya bat haai us ne kaha, dek, ag aur lakadee to haain par homabali ke liye bhed kahan haai ? ibraaheem ne kaha, he mere

putra, parameshvar homabaali kee bhed ka upay ap hee karega. so ve donon sang sang age chalate gaee. aur ve us sthan ko jise parameshvar ne usako bataya tha pahunchke tab ibraaheem ne vahan vedee banakar lakadee ko chun chunakar rakha, aur apane putra isahak ko bandha ke vedee par kee lakadee ke upar rakh diya. aur ibraaheem ne hath baddhakar chhuree ko le liya ki apane putra ko baali kare. tab yahova ke doot ne svarga se usako pukar ke kaha, he ibraaheem, he ibraaheema us ne kaha, dek, maain yahan hoon. us ne kaha, us ladke par hath mat baddha, aur n us se kuchh kar : kyonaki too ne jo mujh se apane putra, varan apane ekalaute putra ko bhee, naheen rakh chhoda is se maai ab jan gaya ki too parameshvar ka bhy manata haai. tab ibraaheem ne ankke uttai, aur kya dekha, ki usake peechhe aek meddha apane seengo se aek jhadee men bajha hua haai : so ibraaheem ne jake us menddhe ko liya, aur apane putra kee santee homabali karake chaddhaya. aur ibraaheem ne us sthan ka nam yahova yire rakha : isake anusaar aj tak bhee kaha jata haai, ki yahova ke pahad par upay kiya jaagea. fir yahova ke doot ne doosaree bar svarga se ibraaheem ko pukar ke kaha, yahova kee yah vaneer haai, ki maain apanee hee yah shapath khata hoo, ki too ne jo yah kam kiya haai ki apane putra, varan apane aekalaute putra ko bhee, naheen rakh chhoda is karan maain nishchay tujhe ashaeesh doonga aur nishchay tere vansh ko akash ke taraga, aur samudh ke teer kee baloo ke kinakon ke saman anaginit karoonga, aur tere vansh apane shatraon ke nagaron ka aadhaikaree hoga : aur prathvee ke saree jatiyan apane ko tere vansh ke karan dhany manengee : kyonki too ne meree bat manee haai. tab ibraaheem apane sevakon ke pas lautt aya, aur ve sab beshorba ko sang sang gaee aur ibraaheem beshorba men rahata raha.. in baton ke pashchata aeasa hua ki ibraaheem ko yah sandesh mila, ki milka ke tere bhair nahor se santan utpann huae haain. milka ke putra to ye hua, arthata usaka jetta us, aur us ka bhair booj, aur kamooael, jo aram ka pita hua. fir kesed, hajao, pildasha, yidalap, aur batooaela. in atton ko milka ibraaheem ke bhair nahor ke janmaae jannee. aur batooael ne ribaka ko utpann kiya. fir nahor ke rooma nam aek rakhelee bhee thee jis se tebah, gaham, tahasha, aur maka, utpann hue..

23

sara to aek sau sattaais baras kee avastha ko pahunchee aur jab sara kee itanee avastha hui tab vah kiryat arba men mar gai. yah to kanan desh men haai, aur hebraen bhee kahalata haai : so ibraaheem sara ke liye rone peettne ko vanha gaya. tab ibraaheem apane murde ke pas se uttkar hitiayon se kahane laga, maain tumhare beech pahun aur paradeshaee hoon : mujhe apane madhy men kaabiristan ke liye aeese boomi do jo meree nij kee ho jaa, ki maain apane murde ko gadke apane ankh kee ott karoon. hitiayon ne ibraaheem se kaha, he hamaree prabhuh, hamaree sun : too to hamaree beech men bada pradhaan haai : so hamaree kabraen men se jisako too chahe us men apane murde ko gad ham men se koi tuihe apanee kabra ke lene se n rokega, ki too apane murde ko us men gadne n paae. tab ibraaheem uttkar khda hua, aur hi-

tiayon ke sammukh, jo us desh ke nivasee the, dandvat karake kahane laga, yaadi tumharee yah ichchha ho ki maain apane murde ko gadke apanee ankh kee ott karoo, to meree praarthna haai, ki sohar ke putra aepraen se mere liye binatee karo, ki vah apanee makapelavalee gufaa, jo usakee boomi kee seema par haai usaka poora dam lekar mujhe de de, ki vah tumhare beech kaabiristan ke liye meree nij boomi ho jaae. aur aepraen to hitiayon ke beech vahan baaita hua tha. so jitane hittee usake nagar ke faattk se hokar bheetar jate the, un sabhon ke samhane us ne ibraaheem ko uttr diya, ki he meree prabhuh, aeasa nahee, meree suna vah boomi maain tujhe deta hoo, aur us men jo gufaa haai, vah bhee maain tujhe deta hoon apane jaatibhaiyon ke sammukh maain use tujh ko diae deta hoon: so apane murde ko kabra men rakh. tab ibraaheem us us desh ke nivaasiyon ke samhane dandvat kee. aur unake sunate huae aepraen se kaha, yaadi too aeasa chahe, to meree sun : us boomi ka jo dam ho, vah maain dena chahata hoon use mujh se le le, tab maain apane murde ko vahan gaonga. aepraen ne ibraaheem ko yah uttr diya, ki, he meree prabhuh, meree bat suna aek boomi ka dam to char sau shokol roopa haai par mere aur tere beech men yah kya haai ? apane murde ko kabra me rakh. ibraaheem n aepraen kee manakar usako utana roopa taul diya, jitana us ne hitiayon ke sunate huae kaha tha, arthata char sau aeese shokol jo vyapariyon men chalate the. so aepraen kee boomi, jo mamra ke sammukh kee makapela men thee, vah gufaa samet, aur un sab vrakshaen samet bhee jo us men aur usake charon aur seema par the, jitane hittee usake nagar ke faattk se hokar bheetar jate the, un sabhon ke samhane ibraaheem ke aadhaikar men pakke reeti se a gai. isake pashchata ibraaheem ne apanee patnee sara ko, us makapela valee boomi kee gufaa men jo mamra ke arthata hebraen ke samhane kanan desh men haai, mittee dee. aur vah boomi gufaa samet, jo us men thee, hitiayon kee or se kabiristan ke liye ibraaheem ke adhaikar men pakke reeti se a gai.

24

ibraaheem vraddh tha aur usakee ayu bahut bhee aur yahova ne sab baton men usako ashaeesh dee thee. so ibraaheem ne apane us das se, jo usake ghar men puraaniya aur usakee saree sampati par adhaikaree tha, kaha, apana hath meree jangha ke neechee rakh : aur mujh se akash aur prathvee ke parameshvar yahova kee is vishay men shapath kha, ki too meree putra ke liye kananiyon kee ladkiyon meen se jinake beech maain rahata hoo, kisee ko n le aagea. parantu too meree desh men meree hee kuttumbaiyon ke pas jakar meree putra isahak ke liye aek patnee le aagea. das ne us se kaha, kadaachita vah sree is desh men meree sath ana n chahe to kya mujhe tere putra ko us desh men jahan se too aya haai le jana padega ? ibraaheem ne us se kaha, chaukas rah, meree putra ko vahan kabhee n le jana. svarga ka parameshvar yahova, jis ne mujhe meree pita ke ghar se aur meree janmaboomi se le akar mujh se shapath khakar kaha, ki maain yah desh tere vansh ko doonga vahee apana doot tere age age bhejega, ki too meree putra ke liye vahan se aek sree le

aae. aur yaadi vah sree tere sath ana n chahe tab to too meree is shapath se choott jaagea : par mere putra ko vahan n le jana. tab us das ne apane svamee ibraaheem kee jangha ke neeche apana hath rakhkar us se isee vishay kee shapath khai. tab vah das apane svamee ke untto men se das untth kuchnnattkar usake sab uttm uttm padarthon men se kichh kuchh lekar chala : aur masopottamiya men nahor ke nagar ke pas pahuncha. aur us ne untton ko nagar ke bahar aek kuaen ke pas baaitaya, vah sandhya ka samay tha, jis samay stri-ayan jal bhrane ke liye nikalatee haai. so vah kahane laga, he mere svamee ibraaheem ke parameshvar, yahova, aj mere karya ko siddh kar, aur mere svamee ibraaheem par karoona kara. dekh maain jal ke is sote ke pas khda hoon aur nagaravasiyon ke beattyaien jal bhrane ke liye nikalee atee haain : so aeesa hone de, ki jis kanya se maain kahoo, ki apana ghada meree or jhuka, ki maain peen aur vah kahe, ki le, pee le, peechhe maain tere untto ko bhee peeloungee : so vah-ee ho jise too ne apane das isahak ke liye ttharaya ho isee reeati maain jan loonga ki too ne mere svamee par karoona kee haai. aur aeesa hua ki jab vah kah hee raha tha ki ribaka, jo ibraaheem ke bhai nahor ke janmaye milka ke putra, batooael kee bettee thee, vah kandho par ghada liye huae ai. vah aati sundar, aur kumaree thee, aur kisee puroosh ka munh n dekha tha : vah kuaen men sote ke pas utar gai, aur apana ghada bhr ke fir upar ai. tab vah das us se bhentt karane ko dauda, aur kaha, apane ghade me se thoda panee mujhe pila de. us ne kaha, he mere prabh, le, pee le : aur us ne faurtee se ghada utarakar hath men liye liye usako pila diya. jab vah usako pila chukee, tak kaha, maain tere untton ke liye bhee tab tak pane bhr bhr laungee, jab tak ve pee n chuken. tab vah faurtee se apane ghade ka jal haude men undelakar fir kuen par bhrane ko daud gai aur usake sab untton ke liye panee bhr diya. aur vah puroosh usakee or chupachap achambhe ke sath takata hua yah sochata tha, ki yahova ne meree yatra ko sufal kiya haai ki naheen. jab untt pee chuke, tab us puroosh ne adha tole sone ka aek natth nikalakar usako diya, aur das tole sone ke kangan usake hathon men pahina diae aur poochha, too kis kee bettee haai? yah mujh ko bata de. kya tere pita ke ghar men hamare ttkaine ke liye sthan haai ? us ne uttr diya, maain to nahor ke janmae milka ke putra batooel kee bettee hoon. fir us ne us se kaha, hamare vahan pual aur chara bahut haai, aur ttkaine ke liye sthan bhee haai. tab us puroosh ne sir jhukakar yahova ko dandvata karake kaha, dhany haai mere svamee ibraaheem ka parameshvar yahova, ki us ne apanee karoona aur sachchai ko mere svamee par se hatta naheen liya : yahova ne mujh ko tteek marga par chalakar mere svamee ke bhai bandhaun ke ghar par pahucha diya haai. aur us kny ne daudkar apanee mata ke ghar men yah sara vrattant kah sunaya. tab laban jo ribaka ka bhai tha, so bahar kuen ke nikatt us puroosh ke pas dauda gaya. aur aeesa hua ki jab us ne vah natth aur apanee baahin ribaka ke hathon men ve kangan bhee dekhe, aur usakee yah bat bhee sunee, ki us puroosh ne mujh se aeese baten kaheen bat vah us puroosh ke pas gaya aur kya dekha, ki vah sote ke nikatt untton ke pas khda haai. us ne kaha, he yahova kee or se dhany puroosh bhee-

tar a : too kyon bahar khda haai ? maain ne ghar ko, aur untto ke liye bhee sthan taaiyar kiya haai. aur vah puroosh ghar men gaya aur laban ne untton kee kaattyaian kholakar pual aur chara diya aur usake, aur usake sangee jano ke panv dhaene ko jal diya. tab ibraaheem ke das ke age jalapan ke liye kuchh rakha gaya : par us ne kaha maain jab tak apana prayojan n kah doo, tab tak kuchh n khaunga. laban ne kaha, kah de. tak us ne kaha, maain to ibraaheem ka das hoon. aur yahova ne mere svamee ko badee ashaeesh dee haai so vah mahan puroosh ho gaya haai aur us ne usako bhed-bakaree, gaya-baail, sona-roopa, dasa-dasiya, untth aur gadahe diae haai. aur mere svamee kee patnee sara ke buddhape men us se aek putra utpann hua haai. aur us putra ko ibraaheem ne apana sab kuchh de diya haai. aur mere svamee ne mujhe yah shapath khailai, ki maain usake putra ke liye kananiyon kee laddkiyon men se jin ke desh men vah rahata haai, koi sree n le aunga. maain usake pita ke ghar, aur kul ke logon ke pas jakar usake putra ke liye aek sree le aunga. tab maain ne apane svamee se kaha, kadachita vah sree mere peechhe n aae. tab us ne mujh se kaha, yahova, jisake samhane maain chala-ata aya hoo, vah tere sang apane doot ko bhejekar teree yatra ko sufal karega so too mere kul, aur mere pita ke gharane men se mere putra ke liye aek sree le a sakega. too tab hee meree is shapath se choottaga, jab too mere kul ke logon ke pas pahunchega arthata yadi ve mujhe koi sree n de, to too meree shpath se choottaga. so maain aj us kuen ke nikatt akar kahane laga, he mere svamee ibraaheem ke parameshvar yahova, yaadi too meree is yatra ko sufal karata ho : to dekh maain jal ke is kuen ke nikatt khda hoon so aeesa ho, ki jo kumaree jal bhrane ke liye nikal aa, aur maain us se kahoo, apane ghade men se mujhe thoda panee pila aur vah mujh se kahe, pee le aur maai tere untto ke peene ke liye bhee panee bhr doongee : vah vah-ee sree ho jisako too ne mere svamee ke putra ke liye ttharaya ho. maain man hee man yah kah hee raha tha, ki dekh ribaka kandho par ghada liye huae nikal ai fir vah sote ke pas utarake bhrane lagee : aur maai ne us se kaha, mujhe pila de. aur us ne faurtee se apane ghade ko kandho par se utarake kaha, le, pee le, peechhe maain tere untton ko bhee pilaungee : so maain ne pee liya, aur us ne untton ko bhee pila diya. tab maain ne us se poochha, ki too kis kee bettee haai ? aur us ne kaha, maain to nahor ke janmae milka ke putra batooael kee bettee hoon : tab maain ne usakee nak men vah natth, aur usake hathon men ve kangan pahina diae. fir maain ne sir jhukakar yahova ko dandvata kiya, aur apane svamee ibraaheem ke parameshvar yahova ko dhany kaha, kyonki us ne mujhe tteek marga se pahunchaya ki maai apane svamee ke putra ke liye usakee bhteejee ko le jaun. so ab, yadi too mere svamee ke sath krapa aur sachchai ka vyavahar karana chahate ho, to mujh se kaho : aur yadi naheen chahate ho, taubhee mujh se kah do taki maain daahinee or, va bain or fir jaun. tab laban aur batooael ne uttr diya, yah bat yahova kee or se hui haai : so ham log tujh se n to bhla kah sakate haain n bura. dek, ribaka tere samhane haai, usako le ja, aur vah yahova ke vachan ke anusar, tere svamee ke putra kee patnee ho jaae. unaka yah vachan sunakar, ibraa-

heem ke das ne boomi par girake yahova ko dandvata kiya. fir us das ne sone aur roope ke gahane, aur vasr nikalakar ribaka ko diae : aur usake bhai aur mata ne bhee us ne anamol anamol vastuaen dee. tab us ne apane sangee janon samet bhojan kiya, aur rat vaheen bitai : aur tadke uttkar kaha, mujh ko apane svamee ke pas jane ke liye vida kar do. ribaka ko apane mata ne kaha, kanya ko hamare pas kuchh din, arthata kam se kam das din rahane de fir usake pashchata vah chalee jaaegee. us ne un se kaha, yahova ne jo meree yatra ko sufal kiya haai so tum mujhe mat roko ab mujhe vida kar do, ki maain apane svamee ke pas jaun. unhon ne kaha, ham kanya ko bulakar poochhte haai, aur dekhenge, ki vah kya kahatee haai. so unhon ne ribaka ko bulakar us se poochha, kya too is manushy ke sang jaaegee? us ne kaha, han maain jaungee. tab unhon ne apanee baahin ribaka, aur usakee dhaay aur ibraaheem ke das, aur usakee sathee sabhon ko vida kiya. aur unhon ne ribaka ko ashaeervad deke kaha, he hamaree baahin, too hajaron lakhon kee adimata ho, aur tera vansh apane baairiyon ke nagaron ka aadhaikaree ho. is par ribaka apanee sahelaliyon samet chalee aur unt par chaddhke us puroosh ke peeche ho lee : so vah das ribaka ko sath lekar chal diya. isahak jo daakkhian desh men rahata tha, so lahaairoi nam kuen se hokar chala ata tha. aur sanjh ke samay vah maaidan men dhyani karane ke liye nikala tha : aur us ne ankhe uttakar kya dekha, ki unt chale a rahe haain. aur ribaka ne bhee ank uttakar isahak ko dekha, aur dekhte hee unt par se utar padee tab us ne das se poochha, jo puroosh maaidan par ham se milane ko chala ata haai, so kaun haai? das ne kaha, vah to mera svamee haai. tab ribaka ne ghoonghatt lekar apane munh ko ddhap liya. aur das ne isahak se apana sara vrantant varn kiya. tab isahak ribaka ko apanee mata sara ke tamboo men le aya, aur usako byahakar us se praem kiya : aur isahak ko mata kee mratyu ke pashchata shaaantai hui..

tab ibraaheem ne aek aur patnee byah lee jisaka nam katoora tha. aur us se jimraan, yokshaan, madana, midhan, yishabak, aur shooh utpann hue. aur yokshaan se shaba aur dadan utpann hue. aur dadan ke vansh men ashshooree, latooshae, aur lummee log hue. aur midhan ke putra aeapa, aeper, hanok, abeeda, aur aelda hua, se sab katoora ke santan hue. isahak ko to ibraaheem ne apana sab kuchh diya. par apanee rakheliyon ke putraen ko, kuchh kuchh dekar apane jeete jee apane putra isahak ke pas se poorab desh men bhej diya. ibraaheem kee saree avastha aek sau pachahattr varsha kee hui. aur ibraaheem ka deegharayu hone ke karan arthata poore buddhape kee avastha men praan choott gaya. aur usake putra isahak aur ishmaael ne, hittee sohar ke putra aepraen kee mamra ke sammukhvalee boomi me, jo makapela kee gufaa thee, us men usako mittee dee gai. arthata jo boomi ibraaheem ne hitiayon se mol lee thee : usee men ibraaheem, aur us kee patnee sara, donon ko mittee dee gai. ibraaheem ke marane ke pashchata parameshvar ne usake putra isahak ko jo lahaairoi nam kuen ke pas rahata tha ashaesh dee.. ibraaheem

ka putra ishmaael jo sara kee laundee hajira misree se utpann hua tha, usakee yah vanshaavalee haai. ishmaael ke putraen ke nam aur vanshaavalee yah haai : arthata ishmaael ka jetta putra nabayot, fir kedar, adabel, mibasam, mishma, dooma, massa, hadar, tema, yatoor, napeesha, aur kedama. ishmaael ke putra ye hee hua, aur inheen ke namon ke anusar inake ganvo, aur chhavaaniyon ke nam bhee pade aur ye hee barah apane apane kul ke pradhan hue. ishmaael kee saree avastha aek sau saaintees varsha kee hui : tab usake praan choott gau, aur vah apane logon men ja mila. aur usake vansh haveela se shoor tak, jo misr ke sammukh ashshoora kee marga men haai, bas gaae. aur unaka bhag unake sab bhaibandhauon ke sammukh pada.. ibraaheem ke putra isahak kee vanshaavalee yah haai : ibraaheem se isahak utpann hua. aur isahak ne chalees varsha ka hokar ribaka ko, jo panaram ke vasee, aramee batooalee kee bettee, aur aramee laban kee bahin bhee, byah liya. isahak kee patnee to banjh thee, so us ne usake nimitt yahova se binatee kee: aur yahova ne usakee binatee sunee, so usakee patnee ribaka garbhvatee hui. aur ladke usake garbh men apas men lipatke aek doosare ko marane lage : tab us ne kaha, meree jo aeesee hee dasa rahegee to maain kyonkar jeevit rahoongee? aur vah yahova kee ichchha poochna ko gai. tab yahova ne us se kaha tere garbh men do jatiyan haai, aur teree kokh se nikalate hee do rajy ke log alag alag honge, aur aek rajy ke log doosare se aadhaik samarthee honge aur bada betta chhotte ka adhaeen hoga. jab usake putra utpann hone ka samay aya, tab kya pragatt hua, ki usake garbh men judve balak haai. aur paahila jo utpann hua so lal nikala, aur usaka sara shareer kambal ke saman romamay tha so usaka nam aesav rakha gaya. peechee usaka bhai apane hath se aesav kee aeede pakade huae utpann hua aur usaka nam yakoob rakha gaya. aur jab ribaka ne unako janm diya tab isahak satt varsha ka tha. fir ve ladke baddhne lage aur aesav to vanavasee hokar chatur shaikar khelanevala ho gaya, par yakoob seedha manushy tha, aur tambuon men raha karata tha. aur isahak to aesav ke aher ka mans khaya karata tha, isaliye vah us se praeeti rakhta tha : par ribaka yakoob se praeeti rakhtee thee.. yakoob bhojan ke liye kuchh dal paka raha tha : aur aesav maaidan se thka hua aya. tab aesav ne yakoob se kaha, vah jo lal vastu haai, usee lal vastu men se mujhe kuchh khaila, kyonaki maain thka hoon. isee karan usaka nam aedom bhee pada. yakoob ne kaha, apana pahilautte ka adhaikar aj meree hath bech de. aesav ne kaha, dek, maai to abhee marane par hoon : so pahilautte ke adhaikar se mera kya labh hoga ? yakoob ne kaha, mujh se abhee shapath kha : so us ne us se shapath khai : aur apana pahilautte ka adhaikar yakoob ke hath bech dala. is par yakoob ne aesav ko rottee aur pakei hui masoor kee dal dee aur us ne khaya piya, tab uttkar chala gaya. yon aesav ne apana pahilautte ka adhaikar tuchchh jana..

aur us desh men akal pada, vah us paahile akal se alag tha jo ibraaheem ke dinon men pada tha. so isahak garar ko palishtaiyon ke raja abeemelek ke pas gaya.

vahan yahova ne usako darshan dekar kaha, misr men mat ja jo desh maain tuijhe bataun usee men raha. too isee desh men rah, aur maain tere sang rahaonga, aur tuijhe ashaeesh doonga aur ye sab desh maain tuij ko, aur tere vansh ko doonga aur jo shapath maain ne tere pita ibraaheem se khai thee, use maain pooree karoonga. aur maain tere vansh ko akash ke taragan ke saman karoonga. aur maain tere vansh ko ye sab desh doonga, aur prathvee ke saree jatiyan tere vansh ke karan apane ko dhany manengee. kyonaki ibraaheem ne merree manee, aur jo maain ne use saunpa tha usako aur merree agyaan vidhaiyo, aur vyavastha ka palan kiya. so isahak garar men rah gaya. jab us sthan ke logon ne usakee patnee ke vishay men poochha, tab us ne yah sochakar ki yadi maain usako apanee patnee kahoo, to yahan ke log ribaka ke karan jo param sundaree haai mujh ko mar dalenge, uttr diya, vah to merree bahin haai. jab usako vahan rahate bahut din beet gaa, tab aek din palishtaiyon ke raja abeemelek ne khaidkee men se jhankake kya dekha, ki isahak apanee patnee ribaka ke sath kreeda kar raha haai. tab abeemelek ne isahak ko bulavakar kaha, vah to nishchay teree patnee haai fir too ne kyonkar usako apanee baahin kaha ? isahak ne uttr diya, maain ne socha tha, ki aesa n ho ki usake karan merree mratyu ho. abeemelek ne kaha, too ne ham se yah kya kiya ? aese to praja men se koi teree patnee ke sath sahaj se kukarma kar sakata, aur too ham ko pap men fansata. aur abeemelek ne apanee saree praja ko agyaa dee, ki jo koi us puroosh ko va us sree ko chooaega, so nishchay mar dala jaaega. fir isahak ne us desh men jota boya, aur usee varsha men sau guna fal paya : aur yahova ne usako ashaeesh dee. aur vah baddha aur usakee unnaati hotee chalee gai, yahan tak ki vah ati mahan puroosh ho gaya. jab usake bhed-bakaree, gaya-baail, aur bahut se dasa-daasiyan hui, tab palishtee us se dah karane lage. so jitane kuon ko usake pita ibraaheem ke dason ne ibraaheem ke jeete jee khoda tha, unako palishtaiyon ne mittee se bhr diya. tab abeemelek ne isahak se kaha, hamare pas se chala ja kyonki too ham se bahut samarthee ho gaya haai. so isahak vahan se chala gaya, aur garar ke nale men tamboo khda karake vahan rahane laga. tab jo kuaen usake pita ibraaheem ke dinon men khode gaae the, aur ibraaheem ke marane ke peechhe palishtaiyon ne bhr diae the, unako isahak ne fir se khudavaya aur unake ve hee nam rakhe, jo usake pita ne rakhe the. fir isahak ke dason ko nale men khodate khodate bahate jal ka aek sota mila. tab gararee charavahon ne isahak ke charavahon se jhgada kiya, aur kaha, ki yah jal hamara haai. so us ne us kuaen ka nam aesek rakha isaliye ki ve us se jhgade the. fir unhon ne doosara kuon khoda aur unhon ne usake liye bhee jhgada kiya, so us ne usaka nam sitra rakha. tab us ne vahan se kooch karake aek aur kuaen khudavaya aur usake liye unhon ne jhgada n kiya so us ne usaka nam yah kahakar rahobot rakha, ki ab to yahova ne hamare liye bahut sthan diya haai, aur ham is desh men foolen-falenge. vahan se vah bershoba ko gaya. aur usee din yahova ne rat ko use darshan dekar kaha, maain tere pita ibraaheem ka parameshvar hoon mat dr, kyonaki maain tere sath hoo, aur apane das ibraaheem ke karan tuijhe ashaeesh doonga, aur tera vansh bad-

dhaunga tab us ne vahan aek vedee banai, aur yahova se praarthna kee, aur apana tamboo vaheen khda kiya aur vahan isahak ke dason ne aek kuaen khoda. tab abeemelek apane mitra ahujjat, aur apane senapaati peekol ko sang lekar, garar se usake pas gaya. isahak ne un se kaha, tum ne mujh se baair karake apane beech se nikal diya tha so ab mere pas kyon aae ho ? unhon ne kaha, ham ne to pratyaksha dekha haai, ki yahova tere sath rahata haai : so ham ne socha, ki too to yahova kee or se dhany haai, so hamare tere beech men shapath khai jaa, aur ham tuij se is vishay kee vacha bandhaan ki jaise ham ne tuijhe naheen chooa, varan tere sath niree bhilai kee haai, aur tuij ko kushal kshom se vida kiya, usake anasar too bhee ham se koi burai n karega. tab us ne unakee jevanar kee, aur unhon ne khaya piya. bihan ko un sabhon ne tadke uttkar apas men shapath khai tab isahak ne unako vida kiya, aur ve kushal kshom se usake pas se chale gaae. usee din isahak ke dason ne akar apane us khode huae kuaen ka vrattant suna ke kaha, ki ham ko jal ka ek sota mila haai. tab us ne usaka nam shaiba rakha : isee karan us nagar ka nam aj tak bershoba pada haai.. jab aesav chalees varsha ka hua, tab us ne hittee beree kee bettee yahoodete, aur hittee aelon kee bettee bashamat ko byah liya. aur in striayon ke karan isahak aur ribaka ke man ko khed hua..

jab isahak booddha ho gaya, aur usakee ankhen aeese dhaundhalee pad gai, ki usako soojhta n tha, tab us ne apane jette putra aesav ko bulakar kaha, he mere putra us ne kaha, kya agyaa. us ne kaha, sun, maain to booddha ho gaya hoo, aur naheen janata ki merree mratyu ka din kab hoga : so ab too apana tarakash aur dhanush adi hathaiyar lekar maaidan men ja, aur mere liye hiran ka aher kar le a. tab merree roochi ke anasar svaadisht bhojan banakar mere pas le ana, ki maai use khakar marane se pahale tuijhe jee bhr ke ashaeervad doon. tab aesav aher karane ko maaidan men gaya. jab isahak aesav se yah bat kah raha tha, tab ribaka sun rahee thee. so us ne apane putra yakooob se kaha sun, maain ne tere pita ko tere bhai aesav se yah kahate suna, ki too mere liye aher karake usaka svaadisht bhojan bana, ki maain use khakar tuijhe yahova ke age marane se paahile ashaeervad doon so ab, he mere putra, merree sun, aur yah agyaa man, ki bakaariyon ke pas jakar bakaariyon ke do achchhe achchhe bachche le a aur maain tere pita ke liye usakee roochi ke anasar un ke mans ka svaadisht bhojan banaungee. tab too usako apane pita ke pas le jana, ki vah use khakar marane se pahile tuij ko ashaeervad de. yakooob ne apanee mata ribaka se kaha, sun, mera bhai aesav to ronar puroosh haai, aur maain romaheen puroosh hoon. kadachita mera pita mujhe ttttolane lage, to maain usakee draashtti men ttg ttharounga aur ashaeesh ke badale shaap hee kamaunga. usakee mata ne us se kaha, he mere, putra, shaap tuij par naheen mujhee par pade, too keval merree sun, aur jakar ve bachche mere pas le a. tab yakooob jakar unako apanee mata ke pas le aya, aur mata ne usake pita kee roochi ke anasar svaadisht bhojan bana diya. tab ribaka ne apane pahilautte putra aesav ke sundar vasr,

jo usake pas ghar men the, lekar apane lahure putra yakoob ko paahina diae. aur bakariyon ke bachchon kee khalon ko usake hathon men aur usake chikane gale men lapett diya. aur vah svadisht bhojan aur apanee banai hui rottee bhee apane putra yakoob ke hath men de dee. so vah apane pita ke pas gaya, aur kaha, he mere pita : us ne kaha kya bat haai ? he mere putra, too kaun haai ? yakoob ne apane pita se kaha, maain tera jetta putra aesav hoon. maain ne teree agyaa me anasar kiya haai so utt aur baaitkar mere aher ke mans men se kha, ki too jee se mujhe ashaeervad de. isahak ne apane putra se kaha, he mere putra, kya karan haai ki vah tujhe itanee jaldee mil gaya ? us ne yah uttr diya, ki tere parameshvar yahova ne usako mere samhane kar diya. fir isahak ne yakoob se kaha, he mere putra, nikatt a, maain tujhe ttttolakar janoo, ki too sachamuch mera putra aesav haai va naheen. tab yakoob apane pita isahak ke nikatt gaya, aur us ne usako ttttolakar kaha, bol to yakoob ka sa haai, par hath aesav hee ke se jan padte haain. aur us ne usako naheen cheenha, kyonki usake hath usake bhai ke se ronar the. aur us ne poochha, kya too sachamuch mera putra aesav haai ? us ne kaha maain hoon. tab us ne kaha, bhojan ko mere nikatt le a, ki maai, apane putra ke aher ke mans men se khakar, tujhe jee se ashaeervad doon. tab vah usako usake nikatt le aya, aur us ne khaya aur vah usake pas dakhmadha bhee laya, aur us ne piya. tab usake pita isahak ne us se kaha, he mere putra nikatt akar mujhe chooma. us ne nikatt jakar usako chooma. aur us ne usake vasren ko sugandha pakar usako vah ashaeervad diya, ki dek, mere putra ka sugandha jo aeese khet ka sa haai jis par yahova ne ashaeesh dee ho : so parameshvar tujhe akash se os, aur boomi kee uttm se uttm upaj, aur bahut sa anaj aur naya dakhmadha de : rajy rajy ke log tere adhaeen ho, aur desh desh ke log tujhe dandvata karen : too apane bhaiyon ka svamee ho, aur teree mata ke putra tujhe dandvata karen : jo tujhe shaap den so ap hee sraapit ho, aur jo tujhe ashaeervad den so ashaeesh paen.. yah ashaeervad isahak yakoob ko de hee chuka, aur yakoob apane pita isahak ke samhane se nikala hee tha, ki aesav aher lekar a pahuncha. tab vah bhee svadisht bhojan banakar apane pita ke pas le aya, aur us ne kaha, he mere pita, uttkar apane putra ke aher ka mans kha, taki mujhe jee se ashaeervad de. usake pita isahak ne poochha, too kaun haai ? us ne kaha, maain tera jetta putra esav hoon. tab isahak ne atyant thrathr kanpate huae kaha, fir vah kaun tha jo aher karake mere pas le aya tha, aur maain ne tere aane se pahile sab men se kuchh kuchh kha liya aur usako ashaeervad diya ? varan usako ashaeesh lagee bhee rahegee. apane pita kee yah bat sunate hee aesav ne atyant unche aur du:kh bhre svar se chillakar apane pita se kaha, he mere pita, mujh ko bhee ashaeervad de. us ne kaha, tera bhai dhoortata se aya, aur tere ashaeervad ko leke chala gaya. us ne kaha, kya usaka nam yakoob yatharth naheen rakha gaya ? us ne mujhe do bar adnga mara, mera pahilautte ka adhaikar to us ne le hee liya tha : aur ab dek, us ne mera ashaeervad bhee le liya haai : fir us ne kaha, kya too ne mere liye bhee koi ashaeervad naheen soch rakha haai ? isahak ne aesav ko uttr dekar kaha, sun, maain ne usako tera svamee ttharaya, aur

usake sab bhaiyon ko usake adhaeen kar diya, aur anaj aur naya dakhmadha dekar usako pushtt kiya haai : so ab, he mere putra, maain tere liye kya karoon ? aesav ne apane pita se kaha he mere pita, kya tere man men aek hee ashaeervad haai ? he mere pita, mujh ko bhee ashaeervad de : yon kahakar aesav foott foottke roya. usake pita isahak ne us se kaha, sun, tera nivas upaja boomi par ho, aur upar se akash kee os us par pade.. aur too apanee talavar ke bal se jeeavit rahe, aur apane bhai ke adhaeen to ho, par jab too svadhaeen ho jaeega, tab usake jooae ko apane kandho par se tod faenke. aesav ne to yakoob se apane pita ke diae huae ashaeervad ke karan baair rakha so us ne socha, ki mere pita ke antakal ka din nikatt haai, fir maain apane bhai yakoob ko ghaat karoonga. jab ribaka ko apane pahilautte putra aesav kee ye baten batai gai, tab us ne apane lahure putra yakoob ko bulakar kaha, sun, tera bhai aesav tujhe ghaat karane ke liye apane man ko dhaeraj de raha haai. so ab, he mere putra, mere sun, aur haran ko mere bhai laban ke pas bhag ja aur thode din tak, arthata jab tak tere bhai ka krodha n utare tab tak usee ke pas rahana. fir jab tere bhai ka krodha ne utare, aur jo kam too ne us se kiya haai usako vah bool jae tab maain tujhe vahan se bulava bhejooenge : aeese kyon ho ki aek hee din men mujhe tum donon se rahat hona pade ? fir ribaka ne isahak se kaha, hittee ladkiyon ke karan maain apane praan se ghain karatee hoon so yadi aeese hittee ladkiyon men se, jaisee is desh kee ladkiyan haai, yakoob bhee aek ko kaheen byah le, to mere jeevan men kya labh hoga?

28

tab isahak ne yakoob ko bulakar ashaeervad diya, aur agyaa dee, ki too kisee kananee ladkee ko n byah lena. panaram men apane nana batooael ke ghar jakar vahan apane mama laban kee aek bettee ko byah lena. aur sarvashaaktaiman ishvar tujhe ashaeesh de, aur faula-falakar baddhaa, aur too rajy rajy kee mandlee ka mool ho. aur vah tujhe aur tere vansh ko bhee ibraaheem kee see ashaeesh de, ki too yah desh jis men too paradeshaee hokar rahata haai, aur jise parameshvar ne ibraaheem ko diya tha, usaka aadhaikaree ho jae. aur isahak ne yakoob ko vida kiya, aur vah panaram ko aramee batooael ke us putra laban ke pas chala, jo yakoob aur aesav kee mata ribaka ka bhai tha. jab isahak ne yakoob ko ashaeervad dekar panaram bhej diya, ki vah vaheen se patnee byah laa, aur usako ashaeervad dene ke samay yah agyaa bhee dee, ki too kisee kananee ladkee ko byah n lena aur yakoob mata pita kee manakar panaram ko chal diya tab aesav yah sab dekh ke aur yah bhee sochakar, ki kananee ladkiyan mere pita isahak ko buree lagatee haai, ibraaheem ke putra ishmael ke pas gaya, aur ishmael kee bettee mahalat ko, jo nabayot kee baahin bhee, byahakar apanee patnaiyon me mila liya.. so yakoob beshorba se nikalakar haran kee or chala. aur us ne kisee sthan men pahunchakar rat vaheen bitane ka vichar kiya, kyonaki soorya ast ho gaya tha so us ne us sthan ke pathron men se aek pathr le apana takiya banakar rakha, aur usee sthan men so gaya. tab us ne svapn men kya dekha, ki aek seeddhee prathvee par

khdee haai, aur usaka sira svarga tak pahuncha haai : aur parameshvar ke doot us par se chaddhte utarate haain. aur yahova usake upar khda hokar kahata haai, ki maain yahova, tere dada ibraaheem ka parameshvar, aur isahak ka bhee parameshvar hoon : jis boomi par too pada haai, use maain tujh ko aur tere vansh ko doonga. aur tere vansh boomi kee dhool ke kinakon ke saman bahut hoga, aur paachchhim, poorab, uttr, dakkhian, charon or faailata jaega : aur tere aur tere vansh ke dara prathvee ke sare kul ashaeesh paenge. aur sun, maain tere sang rahoonga, aur jahan kaheen too jaae vahan teree raksha karoonga, aur tujhe is desh men lautta le aunga : maain apane kahe huae ko jab tak poora n kar loon tab tak tujh ko n chhooonga. tab yakoob jag utta, aur kahane laga nishchay is sthan men yahova haai aur maain is bat ko n janata tha. aur bhy khakar us ne kaha, yah sthan kya hee bhyanak haai ! yah to parameshvar ke bhvan ko chhod aur kuchh naheen ho sakata varan yah svarga ka faattk hee hoga. bhor ko yakoob tadke utta, aur apane takiae ka patthr lekar usaka khmbha khda kiya, aur usake sire par tel dal diya. aur us ne us sthan ka nam betel rakha par us nagar ka nam paahile looj tha. aur yakoob ne yah mannat manee, ki yadi parameshvar mere sang rahakar is yatra men meree raksha kare, aur mujhe khane ke liye rottee, aur pahinane ke liye kapada de, aur maain apane pita ke ghar men kushal kshom se lautt aun : to yahova mera parameshvar ttharega. aur yah patthr, jisaka maain ne khmbha khda kiya haai, parameshvar ka bhvan ttharega : aur jo kuchh too mujhe de usaka dashamansh maain avashy hee tujhe diya karoonga..

29

fir yakoob ne apana marga liya, aur poovvairyon ke desh men aya. aur us ne draashtti karake kya dekha, ki maaidan men aek kuna haai, aur usake pas bhed-bakaariyon ke teen jhund baaitte huae haain kyonaki jo patthr us kuen ke munh par dhara rahata tha, jis men se jhundon ko jal pilaya jata tha, vah bharee tha. aur jab sab jhund vahan ikatthe ho jate tab charavahe us patthr ko kuaen ke munh par se luddhkakar bhed-bakaariyon ko panee pilate, aur fir patthr ko kuen ke munh par jyon ka tyon rakh dete the. so yakoob ne charavahon se poochha, he mere bhaiyo, tum kahan ke ho? unhon ne kaha, ham haran ke haain. tab us ne un se poochha, kya tum nahor ke pote laban ko janate ho ? unhon ne kaha, ha, ham use janate haain. fir us ne un se poochha, kya vah kushal se haai ? unhon ne kaha, ha, kushal se to haai aur vah dek, usakee bettee rahel bhed-bakaariyon ko liye huae chalee atee haai. us ne kaha, dekho, ab-hee to din bahut haai, pashuon ke ikatthe hone ka samay naheen : so bhed-bakaariyon ko jal pilakar fir le jakar charao. unhon ne kaha, ham abhee aesa naheen kar sakate, jab sab jhund ikatthe hote haain tab patthr kuen ke munh se luddhkaya jata haai, aur tab ham bhed-bakaariyon ko panee pilate haain. unakee yah batachee ho rahee thee, ki rahel jo pashu charaya karatee thee, so apane pita kee bhed-bakaariyon ko liye huae a gai. apane mama laban kee bettee rahel ko, aur usakee bhed-bakaariyon ko bhee dekhkar yakoob

ne nikatt jakar kuen ke munh par se patthr ko lud-dhkakar apane mama laban kee bhed-bakaariyon ko panee pilaya. tab yakoob ne rahel ko chooma, aur unche svar se roya. aur yakoob ne rahel ko bata diya, ki maain tera faufaera bhai hoo, arthata ribaka ka putra hoon : tab us ne daud ke apane pita se kah diya. apane bhanaje yakoob ko samachar pate hee laban us se bhentt karane ko dauda, aur usako gale lagakar chooma, fir apane ghar le aya. aur yakoob ne laban se apana sab vrattant varnn kiya. tab laban ne yakoob se kaha, too to sachamuch merree haddae aur mans haai. so yakoob aek maheena bhr usake sath raha. tab laban ne yakoob se kaha, bhaibandha hone ke karan tujh se sentiment seva karana mujhe uchit naheen haai, so kah maain tujhe seva ke badale kya doon ? laban ke do bettyaiaen thee, jin men se badee ka nam lia : aur chhottee ka rahel tha. lia : ke to dhaundhalee ankhe thee, par rahel roopavatee aur sundar thee. so yakoob ne, jo rahel se praeeti rakhta tha, kaha, maain teree chhottee bettee rahel ke liye sat baras teree seva karoonga. laban ne kaha, use paraae puroosh ko dene se tujh ko dena uttm hoga so mere pas raha. so yakoob ne rahel ke liye sat baras seva kee aur ve usako rahel kee praeeti ke karan thode hee dinon ke barabar jan pade. tab yakoob ne laban se kaha, merree patnee mujhe de, aur maain usake pas jaunga, kyonaki mera samay poora ho gaya haai. so laban ne us sthan ke sab manushyon ko bulakar ikattha kiya, aur unakee jevanar kee. sanjh ke samay vah apanee bettee lia : ko yakoob ke pas le gaya, aur vah usake pas gaya. aur laban ne apanee bettee lia : ko usakee laundee hone ke liye apanee laundee jilpa dee. bhor ko maloom hua ki yah to lia haai, so us ne laban se kaha yah too ne mujh se kya kiya haai ? maain ne tere sath rahakar jo teree seva kee, so kya rahel ke liye naheen kee ? fir too ne mujh se kyon aesa chhl kiya haai ? laban ne kaha, hamare yahan aeese reeti nahee, ki jettee se paahile doosaree ka vivah kar den. isaka saptaah to poora kara fir doosaree bhee tujhe us seva ke liye milegee jo too mere sath rahakar aur sat varsha tak karega. so yakoob ne aesa hee kiya, aur lia : ke saptaah ko poora kiya tab laban ne use apanee bettee rahel ko bhee diya, ki vah usakee patnee ho. aur laban ne apanee bettee rahel kee laundee hone ke liye apanee laundee bilha ko diya. tab yakoob rahel ke pas bhee gaya, aur usakee praeeti lia : se aadhaik usee par hui, aur us ne laban ke sath rahakar sat varsha aur usakee seva kee.. jab yahova ne dekha, ki lia : aapiry hui, tab us ne usakee kokh kholee, par rahel banjh rahee. so lia : garbhvatee hui, aur usake aek putra utpann hua, aur us ne yah kahakar usaka nam rooben rakha, ki yahova ne mere dukh par drashtti kee haai : so ab mera pati mujh se praeeti rakhega. fir vah garbhvatee hui aur usake aek putra utpann hua aur us ne kaha, ab kee bar to mera paati mujh se mil jaega, kyonaki us se mere teen putra utpann huae : isaliye usaka nam levee rakha gaya. aur fir vah garbhvatee hui aur usake aek aur putra utpann hua aur us ne kaha, ab kee bar to maain yahova ka dhanyavad karoonge, isaliye us ne usaka nam ya-

hooda rakha tab usakee kokh band ko gai..

jab rahel ne dekha, ki yakoob ke liye mujh se koi santan naheen hota, tab vah apanee bahin se dah karane lagee : aur yakoob se kaha, mujhe bhee santan de, naheen to mar jaungee. tab yakoob ne rahel se krodhait hokar kaha, kya maain parameshvar hoon? teree kokh to usee ne band kar rakhee haai. rahel ne kaha, achchha, merree laundee bilha hajir haai: usee ke pas ja, vah mere ghauttnon par janegee, aur usake dara mera bhee ghar basega. to us ne use apanee laundee bilha ko diya, ki vah usakee patnee ho aur yakoob usake pas gaya. aur bilha garbhvatee hui aur yakoob se usake aek putra utpann hua. aur rahel ne kaha, parameshvar ne mera nyay chukaya aur merree sunakar mujhe aek putra diya : isaaliye us ne usaka nam dan rakha. aur rahel kee laundee bilha fir garbhvatee hui aur yakoob se aek putra aur utpann hua. tab rahel ne kaha, maain ne apanee bahin ke sath bade bal se lipatkar mallayuddh kiya aur ab jeet gai : so us ne usaka nam naptalee rakha. jab lia: ne dekha ki maain janane se raahit ho gai hoo, tab us ne apanee laundee jilpa ko lekar yakoob kee patnee hone ke liye de diya. aur lia: kee laundee jilpa ke bhee yakoob se aek putra utpann hua. tab lia: ne kaha, aho bhagya! so us ne usaka nam gad rakha. fir lia: kee laundee jilpa ke yakoob se aek aur putra utpann hua. tab lia: ne kaha, maai dhany hoon nishchay striayan mujhe dhany kahengee : so us ne usaka nam ashor rakha. gehoon kee kattnee ke dinon men rooben ko maaidan men doodafal mile, aur vah unako apanee mata lia: ke pas le gaya, tab rahel ne lia: se kaha, apane putra ke doodafalon men se kuchh mujhe de. us ne us se kaha, too ne jo mere paati ko le liya haai so kya chhottee bat haai? ab kya too mere putra ke doodafal bhee lene chahatee haai? rahel ne kaha, achchha, tere putra ke doodafalon ke badale vah aj rat ko tere sang soega. so sanjh ko jab yakoob maaidan se a raha tha, tab lia: us se bhennt karane ko nikalee, aur kaha, tuihe mere hee pas ana hoga, kyonaki maai ne apane putra ke doodafal dekar tuihe sachamuch mol liya. tab vah us rat ko usee ke sang soya. tab parameshvar ne lia: kee sunee, so vah garbhvatee hui aur yakoob se usake panchavan putra utpann hua. tab lia: ne kaha, men ne jo apane pati ko apanee laundee dee, isaaliye parameshvar ne mujhe merree manjooree dee haai : so us ne usaka nam issakar rakha. aur lia: fir garbhvatee hui aur yakoob se usake chhttvn putra utpann hua. tab lia: ne kaha, parameshvar ne mujhe achchha dan diya haai ab kee bar mera paati mere sang bana rahega, kyonaki mere us se chh: putra utpann chuke haain : se us ne usaka nam jabooloon rakha. tatpashchata usake aek bettee bhee hui, aur us ne usaka nam deena rakha. aur parameshvar ne rahel kee bhee sudhai lee, aur usakee sunakar usakee kokh kholee. so vah garbhvatee hui aur usake aek putra utpann hua so us ne kaha, parameshvar ne merree namadharai ko door kar diya haai. so us ne yah kahakar usaka nam yoosefa rakha, ki parameshvar mujhe aek putra aur bhee dega. jab rahel se yoosefa utpann hua, tab yakoob ne laban se kaha, mujhe vida kar, ki maain apane desh aur sthan

ko jaun. merree striayan aur mere ladke-bale, jinake liye maain ne teree seva kee haai, unhen mujhe de, ki maain chala jaun too to janata haai ki maain ne teree kaasee seva kee haai. laban ne us se kaha, yaadi teree draashtti men maain ne anugrah paya haai, to rah ja : kyonki maain ne anubhv se jan liya haai, ki yahova ne tere karan se mujhe ashaeesh dee haai. fir us ne kaha, too tteek bata ki maain tuij ko kya doo, aur maain use doonga. us ne us se kaha too janata haai ki maain ne teree kaasee seva kee, aur tere pashu mere pas kis prakar se rahe. mere apane se pahile ve kitane the, aur ab kitane ho gae haain aur yahova ne mere ane par tuijhe to ashaeesh dee haai : par maain apane ghar ka kam kab karane paunga? us ne fir kaha, maain tuijhe kya doon? yakoob ne kaha, too mujhe kuchh n de yaadi too mere liye ek kam kare, to maai fir teree bhed-bakaariyon ko charaunga, aur unakee raksha karoonga. maain aj teree sab bhed-bakaariyon ke beech hokar nikaloonga, aur jo bhed va bakaree chitteevalee va chitkabaree ho, aur jo bhed kalee ho, aur jo bakaree chitkabaree va chitteevalee ho, unhen maain alag kar rakoonga : aur merree majadooree men ve hee tthareengee. aur jab age ko merree majadooree kee charcha tere samhane chale, tab dharma kee yahee sakshaee hogee arthata bakariyon men se jo koi n chitteevalee n chitkabaree ho, aur bhedon men se jo koi kalee n ho, so yaadi mere pas nikale, to choree kee tthareengee. tab laban ne kaha, tere kahane ke anusar ho. so us ne usee din sab dhaareevalee aur chitkabaree bakara, aur sab chitteevalee aur chitkabaree bakariyon ko, arthata jin men kuchh ujalapan tha, unako aur sab kalee bhedon ko bhee alag karake apane putraen ke hath saup diya. aur us ne apane aur yakoob ke beech men teen din ke marga ka antar ttharaya : so yakoob laban kee bhed-bakaariyon ko charane laga. aur yakoob ne chanar, aur badam, aur amorn vrakshaen kee haree haree chhdiyan lekar, unake chhlaikae kaheen kaheen chheelake, unhen dhaareedar bana diya, aeese ki un chhdiyon kee safae dee dikhai dene lagee. aur tab chheele hui chhadiyon ko bhed-bakaariyon ke samhane unake panee peene ke kattaution men khda kiya aur jab ve panee peene ke liye ai tab gabhain ho gai. aur chhadiyon ke samhane gabhain hokar, bhed-bakaariyan dhaareevalee, chitteevalee aur chitkabaree bachche janeen. tab yakoob ne bhedon ke bachchon ko alag alag kiya, aur laban kee bhed-bakaariyon ke munh ko chitteevalee aur sab kale bachchon kee or kar diya aur apane jhundon ko un se alag rakha, aur laban kee bhed-bakaariyon se milane n diya. aur jab jab balavant bhed-bakaariyan gaabhain hotee thee, tab tab yakoob un chhadiyon ko kattaution me unake samhane rakh deta tha jis se ve chhdiyon ko dekhtee hui gabhain ho jaaen. par jab nirbal bhed-bakaariyan gaabhain hotee thee, tab vah unhen unake age naheen rakhta tha. is se nirbal nirbal laban kee rahee, aur balavant balavant yakoob kee ho gai. so vah puroosh atyant dhanaddhy ho gaya, aur usake bahut see bhed-bakaariya, aur launadyaiaen aur das aur untu aur gadahe ho gae..

fir laban ke putraen kee ye baten yakoob ke sunane men ai, ki yakoob ne hamare pita ka sab kuchh chheen liya haai, aur hamare pita ke dhan ke karan usakee yah pratishtha haai. aur yakoob ne laban ke mukhde par draashti kee aur tad liya, ki vah usake prati pahale ke saman naheen haai. tab yahova ne yakoob se kaha, apane pitaron ke desh aur apanee janmaboomi ko lautt ja, aur maain tere sang ra-hoonga. tab yakoob ne rahel aur lia: ko, maaidan men apanee bhed-bakaariyon ke pas, bulavakar kaha, tumhare pita ke mukhde se mujhe samajh padta haai, ki vah to mujhe paahile kee nai ab naheen dekhta par mere pita ka parameshvar mere sang haai. aur tum bhee janatee ho, ki maain ne tumhare pita kee seva shaktai bhr kee haai. aur tumhare pita ne mujh se chhl karake merree majadooree ko das bar badal diya parantu parameshvar ne usako merree haani karane naheen diya. jab us ne kaha, ki chitteevale bachche teree majadooree ttharenge, tab sab bhed-bakaariyan chitteevale hee janane lagee, aur jab us ne kaha, ki dhaareevale bachche teree majadooree ttharenge, tab sab bhed-bakaariyan dhaareevale janane lageen. is reeati se parameshvar ne tumhare pita ke pashu lekar mujh ko de diae. bhed-bakaariyon ke gaabhain hone ke samay maain ne svapn men kya dekha, ki jo bakare bakaariyon par chaddh rahe haai, so dhaareevale, chitteevale, aur dhabbevale haai. aur parameshvar ke doot ne svapn men mujh se kaha, he yakoob : maain ne kaha, kya agyaa. us ne kaha, ankehe uttakar un sab bakaron ko, jo bakaariyon par chaddh rahe haai, dek, ki ve dhaareevale, chitteevale, aur dhabbevale haain kyonaki jo kuchh laban tujh se karata haai, so maain ne dekha haai. maain us betel ka ishvar hoo, jahan too ne aek khmbhe par tel dal diya, aur merree mannat manee thee : ab chal, is desh se nikalakar apanee janmaboomi ko lautt ja. tab rahel aur lia : ne us se kaha, kya hamare pita ke ghar men ab bhee hamara kuchh bhag va ansh bacha haai? kya ham usakee drashti men paraye n ttharene? dek, us ne ham ko to bech dala, aur hamare roope ko kha baaitta haai. so parameshvar ne hamare pita ka jitana dhan le liya haai, so hamara, aur hamare ladkebalon ko haai : ab jo kuchh parameshvar ne tujh se kaha so kara. tab yakoob ne apane ladkebalon aur striayon ko untton par chaddhaya aur jitane pashuon ko vah panaram men ikattha karake dhanadhy ho gaya tha, sab ko kanaan men apane pita isahak ke pas jane kee man-asa se, sath le gaya. laban to apanee bhedon ka un katarane ke liye chala gaya tha. aur rahel apane pita ke grahadevataon ko chura le gai. so yakoob laban aramee ke pas se choree se chala gaya, usako n bataya ki maain bhaga jata hoon. vah apana sab kuchh lekar bhaga : aur mahamad ke par utarakar apana munh gil-lad ke pahadee desh kee or kiya.. teesare din laban ko samachar mila, ki yakoob bhag gaya haai. so us ne apane bhaiyon ko sath lekar usaka sat din tak peechha kiya, aur gilad ke pahadee desh men usako ja pakada. tab parameshvar ne rat ke svapn men aramee laban ke pas akar kaha, savadhaan rah, too yakoob se n to bhla kahana aur n bura. aur laban yakoob ke pas pahunch gaya, yakoob to apana tamboo gilad nam pahadee

desh men khda kiae pada tha : aur laban ne bhee apane bhaiyon ke sath apana tamboo usee pahadee desh men khda kiya. tab laban yakoob se kahane laga, too ne yah kya kiya, ki mere pas se choree se chala aya, aur merree beattyaien ko aeese le aya, jaisa koi ta-lavar ke bal se bandee banaae gaee? too kyon chupake se bhag aya, aur mujh se bina kuchh kahe mere pas se choree se chala aya naheen to maain tujhe anand ke sath mradang aur veena bajavate, aur geet gavate vida karata ? too ne to mujhe apane bette beattyaien ko choomane tak n diya? too ne moorkhta kee haai. tum logon kee hani karane kee shaktai mere hath men to haai par tumhare pita ke parameshvar ne mujh se beetee hui rat men kaha, savadhaan rah, yakoob se n to bhla kahana aur n bura. bhla ab too apane pita ke ghar ka bada aabhailashae hokar chala aya to chala aya, par mere devataon ko too kyon chura le aya haai? yakoob ne laban ko uttr diya, maain yah sochakar dr gaya tha : ki kaheen too apanee beattyaien ko mujh se chheen n le. jis kisee ke pas too apane devataon ko paa, so jeeta n bachega. mere pas tera jo kuchh nikale, so bhai-bandhauon ke samhane pahichanakar le le. kyonaki yakoob n janata tha ki rahel grahadevataon ko chura le ai haai. yah sunakar laban, yakoob aur lia : aur donon daasiyon ke tambuon me gaya aur kuchh n mila. tab lia: ke tamboo men se nikalakar rahel ke tamboo men gaya. rahel to grahadevataon ko unt kee kattee men rakhke un par baaittee thee. so laban ne usake sare tamboo men tttolane par bhee unhen n paya. rahel ne apane pita se kaha, he mere prabhu is se aprasann n ho, ki maain tere samhane naheen uttee kyonaki maain sreedharma se hoon. so usake ddoondh ddhanddh karane par bhee grahadevata usako n mile. tab yakoob krodhait hokar laban se jhgadne laga, aur kaha, mera kya aparadha haai? mera kya pap haai, ki too ne itana krodhait hokar mera peechha kiya haai ? too ne jo merree saree samagraee ko tttolakar dekha, so tujh ko saree samagraee men se kya mila? kuchh mila ho to usako yahan apane aur mere bhaiyon ke samahane rakh de, aur ve ham donon ke beech nyay karen. in bees vasharen se maai tere pas raha un men n to teree bhed-bakaariyon ke garbh gire, aur n tere meddhon ka mans maai ne kab-hee khaya. jise banaaile jantuon ne faad dala usako maain tere pas n lata tha, usakee haani maain hee ut-tata tha chahe din ko choree jata chahe rat ko, too mujh hee se usako le leta tha. merree to yah dashta thee, ki din ko to ghaam aur rat ko pala mujhe kha gaya aur neend merree ankhon se bhag jatee thee. bees varsha tak maain tere ghar men raho chaudah varsha to maai ne teree dono beattyaien ke liye, aur chh: varsha teree bhed-bakaariyon ke liye seva kee : aur too ne merree majadooree ko das bar badal dala. mere pita ka parameshvar arthata ibraaheem ka paramesh-var, jisaka bhy isahak bhee manata haai, yaadi merree or n hota, to nishchay too ab mujhe choochhe hath jane deta. mere dukh aur mere hathon ke paarishram ko dekhkar parameshvar ne beetee hui rat men tu-jhe dapatta. laban le yakoob se kaha, ye beattyaien to merree hee haai, aur ye putra bhee merree hee haai, aur ye bhed-bakaariyon bhee merree hee haai, aur jo kuchh tujhe dekh padta haai so sab mera hee haai : aur ab maain apanee in bettyaien va inake santan se

kya kar sakata hoon ? ab a maain aur too donon apas men vacha bandho, aur vah mere aur tere beech sakshae ttharee rahe. tab yakoob ne aek patthr lekar usaka khmbha khda kiya. tab yakoob ne apane bhairandhauon se kaha, patthr ikattha karo yah sunakar unhon ne patthr ikattha karake aek ddher lagaya aur vaheen ddher ke pas unhon ne bhojan kiya. us ddher ka nam laban ne to yajra sahadutha, par yakoob ne jiliyad rakha. laban ne kaha, ki yah ddher aj se mere aur tere beech sakshae rahega. is karan usaka nam jiliyad rakha gaya, aur mijapa bhee kyonki us ne kaha, ki jab ham us doosare se door rahen tab yahova meree aur teree dekhbhal karata rahe. yaadi too meree beattyaien ko du:kh de, va unake sivy aur striyan byah le, to hamare sath koi manushy to n rahega par dekh mere tere beech men parameshvar sakshae rahega. fir laban ne yakoob se kaha, is ddher ko dekh aur is khmbhe ko bhee dek, jinko maain ne apane aur tere beech men khda kiya haai. yah ddher aur yah khmbha donon is bat ke sakshae rahe, ki hani karane kee manasa se n to maain is ddher ko langhakar tere pas jaunga, n too is ddher aur is khmbhe ko langhakar mere pas aega. ibraaheem aur nahor aur unake pita teenon ka jo parameshvar haai, so ham dono ke beech nyay kare. tab yakoob ne usakee shapath khai jisaka bhy usaka pita isahak manata tha. aur yakoob ne us pahad par melabaali chaddhaya, aur apane bhairandhauon ko bhojan karane ke liye bulaya, so unhon ne bhojan karake pahad par bat bitai. bihan ko laban tadke utta, aur apane bette beattyaien ko choomakar aur ashaervad dekar chal diya, aur apane sthan ko lautt gaya.

aur yakoob ne bhee apana marga liya aur parameshvar ke doot use a mile. unako dekhte hee yakoob ne kaha, yah to parameshvar ka dal haai so us ne us sthan ka nam mahanaaim rakha.. tab yakoob ne seir desh me, arthata aedom desh me, apane bhairaesav ke pas apane age doot bhej diae. aur us ne unhen yah agyaa dee, ki mere prabhu aesav se yon kahana ki tera das yakoob tujh se yon kahata haai, ki maain laban ke yahan paradeshaee hokar ab tak raha aur mere pas gaya-baail, gadahe, bhed-bakaariya, aur dasa-daasiyan haai: so maain ne apane prabhu ke pas isaaliye sandesha bheja haai, ki teree anugrah kee draashtti mujh par ho. ve doot yakoob ke pas lauttke kahane lage, ham tere bhairaesav ke pas gaae the, aur vah bhee tujh se bhentt karane ko char sau puroosh sang liye huae chala ata haai. tab yakoob nipatt dr gaya, aur sankatt men pada : aur yah sochakar, apane sangavalon ke, aur bhed-bakaariyo, aur gaya-baailo, aur untto ke bhee alag alag do dal kar liye, ki yadi aesav akar pahile dal ko marane lage, to doosara dal bhagakar bach jaaega. fir yakoob ne kaha, he yahova, he mere dada ibraaheem ke parameshvar, too ne to mujh se kaha, ki apane desh aur janmaboomi men lautt ja, aur maain teree bhilai karoonga : too ne jo jo kam apanee karoona aur sachchi se apane das ke sath kiae haai, ki maain jo apanee chhdee hee lekar is yaradan nadee ke par utar aya, so ab mere do dal ho gae haai, tere aeese aeese kamon men se maain aek

ke bhee yogy to naheen hoon. meree binatee sunakar mujhe mere bhairaesav ke hath se bacha : maain to us se drata hoo, kaheen aeese ne ho ki vah akar mujhe aur man samet ladkon ko bhee mar dale. too ne to kaha haai, ki maain nishchay teree bhilai karoonga, aur tere vansh ko samudr kee baloo ke kinakon ke saman bahut karoonga, jo bahutayat ke mare gine naheen jo sakate. aur us ne us din kee rat vaheen bitai aur jo kuchh usake pas tha us men se apane bhairaesav kee bhentt ke liye chhantth chhanttkar nikala arthata do sau bakariya, aur bees bakare, aur do sau bhede, aur bees meddhe, aur bachchon samet doodha denevalee tees untaniya, aur chalees gaye, aur das baail, aur bees gadaahiyan aur unake das bachche. inako us ne jhund jhund karake, apane dason ko saunpakar un se kaha, mere age baddh jao aur jhundon ke beech beech men antar rakho. fir us ne agale jhund ke rakhvale ko yah agyaa dee, ki jab mera bhairaesav tujhe mile, aur poochhne lage, ki too kis ka das haai, aur kahan jata haai , aur ye jo tere age age haai, so kis ke haain? tab kahana, ki yah tere das yakoob ke haain. he mere prabhu aesav, ye bhentt ke liye tere pas bheje gae haai, aur vah ap bhee hamare peechhe peechhe a raha haai. aur us ne doosare aur teesare rakhvalon ko bhee, varan us sabhon ko jo jhundon ke peechhe peechhe the aeese hee agyaa dee, ki jab aesav tum ko mile tab isee prakar us se kahana. aur yah bhee kahana, ki tera das yakoob hamare peechhe peechhe a raha haai. kyonaki us ne yah socha, ki yah bhentt jo mere age age jatee haai, isake dara maain usake krodha ko shaant karake tab usaka darshan karoonga ho sakata haai vah mujh se prasann ho jaae. so vah bhentt yakoob se pahile par utar gai, aur vah ap us rat ko chhavanee men raha.. usee rat ko vah utta aur apanee donon striayo, aur donon laundiaye, aur gyarahon ladkon ko sang lekar ghaatt se yabbok nadee ke par utar gaya. aur us ne unhen us nadee ke par utar diya varan apana sab kuchh par utar diya. aur yakoob ap akela rah gaya tab koi puroosh akar pah fattne tak us se mallayuddh karata raha. jab us ne dekha, ki maain yakoob par prabal naheen hota, tab usakee jangha kee nas ko choosa so yakoob kee jangha kee nas us se mallayuddh karate hee karate chaddh gai. tab us ne kaha, mujhe jane de, kyonki bhor hua chahata haai yakoob ne kaha jab tak too mujhe ashaervad n de, tab tak maain tujhe jane n doonga. aur us ne yakoob se poochha, tera nam kya haai? us ne kaha yakooba. us ne kaha tera nam ab yakoob nahee, parantu israel hoga, kyonaki too parameshvar se aur manushyon se bhee yuddh karake prabal hua haai. yakoob ne kaha, maain binatee karata hoo, mujhe apana nam bata. us ne kaha, too mera nam kyon poochhta haai? tab us ne usako vaheen ashaervad diya. tab yakoob ne yah kahakar us sthan ka nam paneael rakha: ki parameshvar ko amhane samhane dekhne par bhee mera praan bach gaya haai. panoeael ke pas se chalate chalate soorya uday ho gaya, aur vah jangha se langadata tha. israaelee jo pashuon kee jangha kee jodvale janghaanas ko aj ke din tak naheen khate, isaka karan yah bhee haai, ki us puroosh ne yakoob kee jangha kee jod men janghaanas ko choosa tha..

aur yakoob ne ankhen uttakar yah dekha, ki aesav char sau puroosh sang liye huae chala jata haai. tab us ne ladkebalon ko alag alag banttkar lia, aur rahel, usakon donon launadyaaien ko saup diya. aur us ne sab ke age ladkon samet launadyaaien ko usake peechhe ladkon samet lia: ko, aur sab ke peechhe rahel aur yoosufa ko rakha, aur ap un sab ke age baddha, aur sat bar boomi par girake dandvata kee, aur apane bhai ke pas pahuncha. tab aesav us se bhennt karane ko dauda, aur usako day se lagakar, gale se lipattkar chooma : fir ve donon ro pade. tab us ne ankhe uttakar striayon aur ladke balon ko dekha aur poochha, ye jo tere sath haain so kaun haain? us ne kaha, ye tere das ke ladke haai, jinhen parameshvar ne anugrah karake mujh ko diya haai. tab ladkon samet launadyaaien ne nikatt akar dandvata kee. fir ladkon samet lia: nikatt ai, aur unhon ne bhee dandvata kee: peechhe yoosufa aur rahel ne bhee nikatt akar dandvata kee. tab us ne poochha, tera yah bada dal jo mujh ko mila, usaka kya prayojan haai? us ne kaha, yah ki mere prabhu kee anugrah kee drashti mujh par ho. aesav ne kaha, he mere bhai, mere pas to bahut haai jo kuchh tera haai so tera hee rahe. yakoob ne kaha, naheen nahee, yahi tera anugrah mujh par ho, to meree bhennt graham kar : kyonaki maain ne tera darshan pakar, mano parameshvar ka darshan paya haai, aur too mujh se prasann hua haai. so yah bhennt, jo tuijhe bhejee gai haai, grahan kar : kyonaki parameshvar ne mujh par anugrah kiya haai, aur mere pas bahut haai. fir aesav ne kaha, a, ham baddh chalen: aur maai tere age age chaloonga. yakoob ne kaha, he mere prabhu, too janata hee haai ki mere sath sukumar ladke, aur doodha deneharee bhed-bakaariyan aur gayen haai yaadi aeese pashu aek din bhee adhaik hanke jaae, to sab ke sab mar jaenge. so mera prabhu apane das ke age baddh jaa, aur maain in pashuon kee gaati ke anusar, jo mere age haai, aur ladkebalon kee gaati ke anusar dhaere dhaere chalakar seir men apane prabhu ke pas pahunchoonga. aesav ne kaha, to apane sangavalon men se maain kai aek tere sath chhod jaun. us ne kaha, yah kyon? itana hee bahut haai, ki mere prabhu kee anugrah kee drashti mujh par bane rahe. tab aesav ne usee din seir jane ko apana marga liya. aur yakoob vahan se kooch karake sukkot ko gaya, aur vahan apane liye aek ghar, aur pashuon ke liye jhonpade banaae: isee karan us sthan ka nam sukkot pada. aur yakoob jo panaram se aya tha, so kanan desh ke shakem nagar ke pas kushal kshom se pahunchakar nagar ke samhane dere khde kiae. aur boomi ke jis khnd par us ne apana tamboo khda kiya, usako us ne shakem ke pita hamor ke putraen ke hath se aek sau kaseeton men mol liya. aur vahan us ne aek vedee banakar usaka nam aeelohe israael rakha..

aur lia: kee bettee deena, jo yakoob se utpann hai thee, us desh kee ladiyon se bhennt karane ko nikalee. tab us desh kee pradhaan hittee hamor ke putra shakem ne use dekha, aur use le jakar usake sath kukarma karake usako bhrasht kar dala. tab usaka man yakoob kee

bettee deena se lag gaya, aur us ne us kanya se praem kee baten kee, aur us se praem karane laga. aur shakem ne apane pita hamor se kaha, mujhe is ladkee ko meree patnee hone ke liye dila de. aur yakoob ne suna, ki shakem ne meree bettee deena ko ashuuddh kar dala haai, par usake putra us samay pashuon ke sang maaidan men the, so vah unake ane tak chup raha. aur shakem ka pita hamor nikalakar yakoob se batacheet karane ke liye usake pas gaya. aur yakoob ke putra sunate hee maaidan se bahut udas aur krodhahit hokar aae: kyonki shakem ne yakoob kee bettee ke sath kukarma karake israael ke gharane se moorkhta ka aeesa kam kiya tha, jisaka karana anuachit tha. hamor ne un sab se kaha, mere putra shakem ka man tumharee bettee par bahut laga haai, so use usakee patnee hone ke liye usako de do. aur hamare sath byah kiya karo apanee bettyaiaen ham ko diya karo, aur hamaree bettyaiaen ko ap liya karo. aur hamare sang base raho: aur yah desh tumhare samane pada haai is men rahakar lenaden karo, aur isakee boomi ko apane liye le lo. aur shakem ne bhee deena ke pita aur bhaiyon se kaha, yahi mujh par tum logon kee anugrah kee draashti ho, to jo kuchh tum mujh se kaha, so maain doonga. tum mujh se kitana hee mooly va badala kyon n mango, taubhee maain tumharee kahe ke anusar doonga : parantu us kanya ko patnee hone ke liye mujhe do. tab yah sochakar, ki shakem ne hamaree baahin deena ko ashuuddh kiya haai, yakoob ke putraen ne shakem aur usake pita hamor ko chhl ke sath yah uttr diya, ki ham aeesa kam naheen kar sakate, ki kisee khtanarahit puroosh ko apanee bahin den kyonaki is se hamaree namadharai hogee : is bat par to ham tumharee man lenge, ki hamaree nai tum men se har aek puroosh ka khtana kiya jaae. tab ham apanee beattyaiaen tumhen byah denge, aur tumharee beattyaiaen byah lenge, aur tumhare sang base bhee rahenge, aur ham donon aek hee samuday ke manushy ho jaenge. par yaadi tum hamaree bat n manakar apana khtana n karaoge, to ham apanee ladkee ko leke yahan se chale jaenge. usakee is bat par hamor aur usaka putra shakem prasann hue. aur vah javan, jo yakoob kee bettee ko bahut chahata tha, is kam ko karane men us ne vilamb n kiya. vah to apane pita ke sare gharane men adhaik pratishtit tha. so hamor aur usaka putra shakem apane nagar ke faattk ke nikatt jakar nagaravaasiyon ko yon samajhane lage ki ve manushy to hamare sang mel se rahana chahate haain so unhen is desh men rahake lenaden karane do dekho, yah desh unake liye bhee bahut haai fir ham log unakee bettyaiaen ko byah le, aur apanee bettyaiaen ko unhen diya karen. ve log keval is bat par hamare sang rahane aur aek hee samuday ke manushy ho jane ko prasann haai, ki unakee nai hamare sab purooshaen ka bhee khtana kiya jaae. kya unakee bhed-bakaariya, aur gaya-baail varan unake sare pashu aur dhan sampaati hamaree n ho jaaegee? itana kee karen ki ham log unakee bat man le, to ve hamare sang rahenge. so jitane us nagar ke faattk se nikalate the, un sabhon ne hamor kee aur usake putra shakem kee bat manee aur har aek puroosh ka khtana kiya gaya, jitane us nagar ke faattk se nikalate the. teesare din, jab ve log peeadit pade the, tab aeesa hua ki shaimon aur levee man yakoob

ke do putraen ne, jo deena ke bhai the, apanee apnee talavar le us nagar men nidhadk ghausakar sab purooshaen ko ghaat kiya. aur hamor aur usake putra shakem ko unhon ne talavar se mar dala, aur deena ko shakem ke ghar se nikal le gae. aur yakoob ke putraen ne ghaat kar dalane par bhee chaddhkar nagar ko isaliye loott liya, ki us men unakee bahin ashuddh kee gai thee. unhon ne bhed-bakaree, aur gaya-baail, aur gadahe, aur nagar aur maaidan men jitana dhan tha le liya. us sab ko, aur unake bala-bachcho, aur striayon ko bhee har le gae, varan ghar ghar men jo kuchh tha, usako bhee unhon ne loott liya. tab yakoob ne shaimon aur levee se kaha, tum ne jo us desh ke nivasee kanaaniyon aur paarijyaiyon ke man men meree or gharana utpann karai haai, is se tum ne mujhe sankatt men dala haai, kyonaki mere sath to thode kee log haai, so ab ve ikatthe hokar mujh par chaddhenge, aur mujhe mar dalenge, so maain apane gharane samet satyanash ho jaunga. unhon ne kaha, kya vah hamaree baahin ke sath veshya kee nai bartav kare?

tab parameshvar ne yakoob se kaha, yahan se kooch karake betel ko ja, aur vaheen raha: aur vahan ishvar ke liye vedee bana, jis ne tuihe us samay darshan diya, jab too apane bhai aesav ke dr se bhaga jata tha. tab yakoob ne apane gharane se, aur un sab se bhee jo usake sang the, kaha, tumhare beech men jo paraae devata haai, unhen nikal faenko aur apane apane ko shuuddh karo, aur apane vasr badal dalo aur ao, ham yahan se kooch karake betel ko jaen vahan maain ishvar ke liye aek vedee banaunga, jis ne sankatt ke din meree sun lee, aur jis marga se maain chalata tha, us men mere sang raha. so jitane paraae devata unake pas the, aur jitane kundli unake kanon men the, un sabhon ko unhon ne yakoob ko diya aur us ne unako us sindoor vraksha ke neeche, jo shakem ke pas haai, gad diya. tab unhon ne kooch kiya: aur unake charon or ke nagar nivaasiyon ke man men parameshvar kee or se aeese bhy sama gaya, ki unhon ne yakoob ke putraen ka peechha n kiya. so yakoob un sab samet, jo usake sang the, kanan desh ke looj nagar ko aya. vah nagar betel bhee kahalata haai. vahan us ne aek vedee banai, aur us sthan ka nam aela-betel rakha kyonki jab vah apane bhai ke dr se bhaga jata tha tab parameshvar us par vaheen pragatt hua tha. aur ribaka kee doodha pilaneharee dhaay dabora mar gai, aur betel ke neeche sindoor vraksha ke tale usako mittee dee gai, aur us sindoor vraksha ka nam allonabakkoot rakha gaya.. fir yakoob ke panaram se ane ke paschata parameshvar ne doosaree bar usako darshan dekar ashaeesh dee. aur parameshvar ne us se kaha, ab tak to tera nam yakoob raha haai par age ko tera nam yakoob n rahega, too israael kaha-laega : fir parameshvar ne us se kaha, maain sarvashaktimaan ishvar hoon: too foole-fale aur bad-dhe aur tuij se aek jati varan jaatiyon kee aek mandlee bhee utpann hogee, aur tere vansh men raja utpann hongee. aur jo desh maain ne ibraaheem aur isahak ko diya haai, vahee desh tuijhe deta hoo, aur tere peechhe tere vansh ko bhee doonga. tab parameshvar

us sthan me, jahan us ne yakoob se baten kee, unake pas se upar chaddh gaya. aur jis sthan men parameshvar ne yakoob se baten kee, vahan yakoob ne pathr ka aek khmba khda kiya, aur us par argha dekar tel dal diya. aur jahan parameshvar ne yakoob se baten kee, us sthan ka nam us ne betel rakha. fir unhon ne betel se kooch kiya aur aepraata thodee hee door rah gaya tha, ki rahel ko bachcha janane kee badee peeda ane lagee. jab usako badee badee peeda uttee thee tab dhaay ne us se kaha, mat dra ab kee bhee tere betta hee hoga. tab aeese hua, ki vah mar gai, aur praan nikalate nikalate us ne us bette ko nam benonee rakha: par usake pita ne usaka nam binyameen rakha. yon rahel mar gai, aur aepraata, arthata betalehem ke marga me, usako mittee dee gai. aur yakoob ne usakee kabra par aek khmbha khda kiya: rahel kee kabra ka vahee khmbha aj tak bana haai. fir israael ne kooch kiya, aur aeder nam gummat ke age baddhkar apana tamboo khda kiya. jab israael us desh men basa tha, tab aek din aeese hua, ki rooben ne jakar apane pita kee rakhelee bilha ke sath kukarma kiya : aur yah bat israael ko maloom ho gai.. yakoob ke barah putra huae. un men se lia: kee putra ye the arthata yakoob ka jetta, rooben, fir shaimon, levee, yahooda, issakar, aur jabooloona. aur rahel kee putra ye the arthata yoosuf, aur binyameena. aur rahel kee laundee bilha kee putra ye the arthata dan, aur naptalee. aur lia: kee laundee jilpa kee putra ye the : arthata gad, aur ashora yakoob ke ye hee putra hua, jo us se panaram men utpann huae.. aur yakoob mamra me, jo kariyataarba, arthata habraen haai, jahan ibraaheem aur isahak paradeshaee hokar rahe the, apane pita isahak ke pas aya. isahak kee avastha aek sau assee baras kee hui. aur isahak ka praan choott gaya, aur vah mar gaya, aur vah booddha aur pooree ayu ka hokar apane logon men ja mila: aur usake putra aesav aur yakoob ne usako mittee dee..

yakoob to kanan desh men rahata tha, jahan usaka pita paradeshae hokar raha tha. aur yakoob ke vansh ka vrattant yah haai : ki yoosufa satarah varsha ka hokar bhaiyon ke sang bhed-bakaariyon ko charata tha aur vah ladka apane pita kee patnee bilha, aur jilpa ke putraen ke sang raha karata tha : aur unakee buraiyon ka samachar apane pita ke pas pahunchaya karata tha : aur israel apane sab putraen se baddhke yoosufa se praeti rakhta tha, kyonki vah usake buddhaye ka putra tha : aur us ne usake liye rang biranga angarakha banavaya. so jab usake bhaiyon ne dekha, ki hamara pita ham sab bhaiyon se adhaik usee se praeti rakhta haai, tab ve us se baair karane lage aur usake sath tteek taur se bat bhee naheen karate the. aur yoosufa ne aek svapn dekha, aur apane bhaiyon se usaka varn n kiya : tab ve us se aur bhee desh karane lage. aur us ne un se kaha, jo svapn maain ne dekha haai, so suno : ham log khet men poole bandha rahe haai, aur kya dekhta hoon ki mera poola uttkar seedha khda ho gaya tab tumhare poolon ne mere poole ko charon tarafa se ghor liya aur use dandvata kiya. tab usake bhaiyon ne us se kaha, kya sachamuch too hamare upar rajy karega ? va sachamuch too ham par prabhuta karega ? so ve usake svapnon aur usakee baton ke karan us se aur bhee adhaik baair karane lage. fir us ne aek aur svapn dekha, aur apane bhaiyon se usaka bhee yon varn n kiya, ki suno, maain ne aek aur svapn dekha haai, ki soorya aur chandrama, aur gyarah tare mujhe dandvata kar rahe haain. yah svapn us ne apane pita, aur bhaiyon se varn n kiya : tab usake pita ne usako dattke kaha, yah kaaisa svapn haai jo too ne dekha haai? kya sachamuch maain aur teree mata aur tere bhai sab jakar tere age boomi par girake dandvata karenge? usake bhai to usade dah karate the par usake pita ne usake us vachan ko smaran rakha. aur usake bhai apane pita kee bhed-bakaariyon ko charane ke liye shakem ko gaee. tab israel ne yoosufa se kaha, tere bhai to shakem hee men bhed-bakaree chara rahen honge, so ja, maain tuihe unake pas bhejta hoon. us ne us se kaha jo agyaa maain haajir hoon. us ne us se kaha, ja, apane bhaiyon aur bhed-bakaariyon ka hal dekh a ki ve kushal se to haai, fir mere pas samachar le a. so us ne usako hebraen kee tarai men vida kar diya, aur vah shakem men aya. aur kisee manushy ne usako maaidan meen idhar udhar bhhtkate huae

pakar us se poochha, too kya ddoondhdtha haai? us ne kaha, maain to apane bhaiyon ko ddoondhdtha hoon : krapa kar mujhe bata, ki ve bhed-bakaariyon ko kahan chara rahe haain? us manushy ne kaha, ve to yahan se chale gaee haain : aur maain ne usako yah kahate suna, ki ao, ham dotan ko chalen. so yooosufaa apane bhaiyon ke pas chala, aur unhen dotan men paya. aur jyonhee unhon ne use door se ate dekha, to usake nikatt ane ke pahile hee use mar dalane kee yuktai kee. aur ve apas men kahane lage, dekho, vah svapn dekhnehara a raha haai. so ao, ham usako ghaat karake kisee gadhe men dal de, aur yah kah denge, ki koi dusht pashu usako kha gaya. fir ham dekhenge ki usake svapnon ka kya fal hoga. yah sunake rooben ne usako unake hath se bachane kee manasa se kaha, ham usako praan se to n maren. fir rooben ne un se kaha, lohoo mat bahao, usako jangal ke is gadhe men dal do, aur us par hath mat uttar. vah usako unake hath se chhudakar pita ke pas fir pahunchana chahata tha. so aeesa hua, ki jab yooosufaa apane bhaiyon ke pas pahuncha tab unhon ne usaka rangaabiranga angarakha, jise vah paahine huae tha, utar liya. aur yooosufaa ko uttarak gadhe men dal diya : vah gadha to sookha tha aur us men kuchh jal n tha. tab ve rottee khane ko baait gaee : aur ankehe uttarak kya dekha, ki ishmaaeliyan ka aek dal untto par sugandhadravay, balasan, aur gandharas lade hua, gilad se misr ko chala ja raha haai. tab yahooda ne apane bhaiyon se kaha, apane bhai ko ghaat karane aur usaka koon chhpane se kya lahi hoga ? ao, ham use ishmaaeliyan ke hath bech dale, aur apana hath us par n uttaae, kyonki vah hamara bhai aur hamaree haddee aur mans haai, so usake bhaiyon ne usakee bat man lee. tab midhaneeyaparee udhar se hokar unake pas pahunchen : so yooosufaa ke bhaiyon ne usako us gadhe men se kheencheke bahar nikala, aur ishmaaeliyan ke hath chandee ke bees ttukadon men bech diya : aur ve yooosufaa ko misr men le gaee. aur rooben ne gadhe par lauttkar kya dekha, ki yooosufaa gadhe men naheen haain so us ne apane vasr faade. aur apane bhaiyon ke pas lauttkar kahane laga, ki ladka to naheen haain ab maain kidhar jaun ? aur tab unhon ne yooosufaa ka angarakha liya, aur aek bakare ko marake usake lohoo men use duba diya. aur unhon ne us rang birange angarakhe ko apane pita ke pas bhejekar kahala diya ki yah ham ko mila haai, so dekhkar pahichan le, ki yah tere putra ka angarakha haai ki naheen. us ne usako paahichan liya, aur kaha, han yah mere hee putra ka angarakha haai kisee dusht pashu ne usako kha liya haai nisandeh yooosufaa faad dala gaya haai. tab yakoob ne apane vasr faade aur kamar men ttatt lapetta, aur apane putra ke liye bahut dinon tak vilap karata raha. aur usake sab bette-bettyaen ne usako shaantata dene ka yatn kiya par usako shaantai n milee aur vah yahee kahata raha, maain to vilap karata hua apane putra ke pas adhaelok men utar jaunga. is prakhar usaka pita usake liye rota hee raha. aur midhaaniyon ne yooosufaa ko misr men le jakar poteepar nam, firaun ke aek haakim, aur jalladon ke pradhaan, ke hath bech dala..

unheen dinon men aeesa hua, ki yahooda apane bhaiyon ke pas se chala gaya, aur heera nam ek adullamavasee puroosh ke pas dera kiya. vahan yahooda ne shooa nam aek kananee puroosh kee bettee ko dekha aur usako byahakar usake pas gaya. vah garbhvatee hui, aur usake aek putra utpann hua aur yahooda ne usaka nam aer rakha. aur vah fir garbhvatee hui, aur usake aek putra utpann hua aur usaka nam onan rakha gaya. fir usake aek putra aur utpann hua, aur usaka nam shola rakha gaya : aur jis samay isaka janm hua us samay yahooda kajeeb men rahata tha. aur yahooda ne tamar nam aek sree se apane jette aer ka vivah kar diya. parantu yahooda ka vah jetta aer yahova ke lekhe men dusht tha, isaaaliye yahova ne usako mar dala. tab yahooda ne onan se kaha, apanee bhaujai ke pas ja, aur usake sath devar ka dharma pooora karake apane bhai ke liye santan utpann kara. onan to janata tha ki santan to meree n ttharegee: so aeesa hua, ki jab vah apanee bhaujai ke pas gaya, tab us ne boomi par veerya girakar nash kiya, jis se aeesa n ho ki usake bhai ke nam se vansh chale. yah kam jo us ne kiya use yahova aprasann hua: aur us ne usako bhee mar dala. tab yahooda ne is dr ke mare, ki kaheen aeesa n ho ki apane bhaiyon kee nai shola bhee mare, apanee bahoo tamar se kaha, jab tak mera putra shola siyana n ho tak tak apane pita ke ghar men vidhava kee baaittee rah, so tamar apane pita ke ghar men jakar rahane lagee. bahut samay ke beetane par yahooda kee patnee jo shooa kee bettee thee so mar gai fir yahooda shaek se choottkar apane mitra heera adullamavasee samet apanee bhed-bakaariyon ka un katarane ke liye timnath ko gaya. aur tamar ko yah samachar mila, ki tera sasur apanee bhed-bakaariyon ka un katarane ke liye timnath ko ja raha haai. tab us ne yah sochakar, ki shola siyana to ho gaya par maain usakee sree naheen hone pai apana vidhavapan ka paahirava utara, aur ghoonghatt dalakar apane ko ddhanp liya, aur aenaaim nagar ke faattk ke pas, jo timnath ke marga men haai, ja baaittee: jab yahooda ne usako dekha, us ne us ko veshya samajha kyonaki vah apana munh ddhape huae thee. aur vah marga se usakee or fira aur us se kahane laga, mujhe apane pas ane de, kyonaki use yah maloom n tha ki vah usakee bahoo haai. aur vah kahane lagee, ki yadi maain tujhe apane pas ane doo, to too mujhe kya dega? us ne kaha, maain apanee bakariyon men se bakaree ka ek bachcha tere pas bhej doonga. us ne poochha, maain tere pas kya rehan rakh jaun? us ne kaha, apanee muhar, aur bajooband, aur apane hath kee chhdee. tab us ne usako ve vasatuen de dee, aur usake pas gaya, aur vah us se garbhvatee hui. tab vah uttkar chalee gai, aur apana ghoonghatt utarake apana vidhavapan ka paahirava fir pahin liya. tab yahooda ne bakaree ka bachcha apane mitra us adullamavasee ke hath bhej diya, ki vah rehan rakhee hui vastuaen us sree ke hath se chhuda le aae par vah sree usako n milee. tab us ne vahan ke logon se poochha, ki vah devadasee jo aenaaim men marga kee aek aur baaittee thee, kahan haai? unhon ne kaha, yahan to koi devadasee n thee. so us ne yahooda ke pas lauttkar kaha, mujhe vah naheen milee aur us sthan ke logon ne kaha, ki

yahan to koi devadasee n thee. tab yahooda ne kaha, achchha, vah bandhak us ke pas rahane de, naheen to ham log tuchh gine jaaenge: dek, maain ne bakaree ka yah bachcha bhej diya, par vah tuihe naheen milee. aur teen maheene ke peechhe yahooda ko yah samachar mila, ki teree bahoo tamar ne vyabhaichar kiya haai varan vah vyabhaichar se garbhvatee bhee ho gai haai. tab yahooda ne kaha, usako bahar le ao, ki vah jalai jaae. jab use bahar nikal rahe the, tab us ne, apane sasur ke pas yah kahala bheja, ki jis puroosh kee ye vastuen haai, usee se maain garbhvatee hoon fir us ne yah bhee kahalaya, ki pahichan to sahee, ki yah muhar, aur vajooband, aur chhdee kis kee haai. yahooda ne unhen pahichanakar kaha, vah to mujh se kam doshaee haai kyonki maain ne use apane putra shola ko n byah diya. aur us ne us se fir kabhee prasang n kiya. jab usake janane ka samay aya, tab yah jan pada ki usake garbh men judve bachche haain. aur jab vah janane lagee tab aek balak ne apana hath bad-dhaya: aur dhaay ne lal soot lekar usake hath men yah kahate huye bandha diya, ki pahile yahee utpann hua. jab us ne hath samett liya, tab usaka bhai utpann ho gaya: tab us dhaay ne kaha, too kyon barabas nikal aya haai ? isaliye usaka nam peres rakha gaya. peechhe usaka bhai jisake hath men lal soot bandha tha utpann hua, aur usaka nam jerah rakha gaya..

jab yoosufa misr men pahunchaya gaya, tab poteepar nam aek misree, jo firaun ka haakim, aur jalladon ka pradhaan tha, us ne usako ishmaeliyon ke hat, se jo use vahan le gaee the, mol liya. aur yoosufa apane misree svamee ke ghar men rahata tha, aur yahova usake sang tha so vah bhagyavana puroosh ho gaya. aur yoosufa ke svamee ne dekha, ki yahova usake sang rahata haai, aur jo kam vah karata haai usako yahova usake hath se sufal kar deta haai. tab usakee anugrah kee draashti us par hui, aur vah usakee seva tthal karane ke liye niyukt kiya gaya : fir us ne usako apane ghar ka adhaikaree banake apana sab kuchh usakee hath men saup diya. aur jab se us ne usako apane ghar ka aur apanee saree sampati ka adhaikaree banaya, tab se yahova yoosufa ke karan us misree ke ghar par ashaeesh dene laga aur kya ghar me, kya maaidan me, usaka jo kuchh tha, sab par yahova kee ashaeesh hone lagee. so us ne apana sab kuchh yoosufa ke hath men yahan tak chhod diya: ki apane khane kee rottee ko chhod, vah apanee sampati ka hal kuchh n janata tha. aur yoosufa sundar aur roopavana tha. in baton ke pashchata aesa hua, ki usake svamee kee patnee ne yoosufa kee or ankh lagai aur kaha, mere sath so. par us ne asveekar karate huae apane svamee kee patnee se kaha, sun, jo kuchh is ghar men haai mere hath men haai use mera svamee kuchh naheen janata, aur us ne apana sab kuchh mere hath men saup diya haai. is ghar men mujh se bada koi naheen aur us ne tuihe chhod, jo usakee patnee haai mujh se kuchh naheen rakh chhoda so bhla, maain aeesee badee dushtta karake parameshvar ka aparadhaee kyonkar banoon ? aur aesa hua, ki vah prati din yoosufa se baten karatee rahee, par us ne usakee n manee, ki usake pas lette va usake sang rahe. aek din kya hua, ki yoosufa apana

kam kaj karane ke liye ghar men gaya, aur ghar ke sevakon men se koi bhee ghar ke andar n tha. tab us sree ne usaka vasr pakadkar kaha, mere sath so, par vah apana vasr usake hath men chhodkar bhaga, aur bahar nikal gaya. yah dekhkar, ki vah apana vasr mere hath men chhodkar bahar bhag gaya, us sree ne apane ghar ke sevakon ko bulakar kaha, dekho, vah ek ibraee manushy ko hamara tiraskar karane ke liye hamare pas le aya haai. vah to mere sath sone ke matalab se mere pas andar aya tha aur maain unche svar se chilla uttee. aur meree badee chillahatt sunakar vah apana vasr mere pas chhodkar bhaga, aur bahar nikal gaya. aur vah usaka vasr usake svamee ke ghar ane tak apane pas rakhe rahee. tab us ne us se is prakar kee baten kahee, ki vah ibraee das jisako too hamare pas le aya haai, so mujh se hansee karane ke liye mere pas aya tha. aur jab maain unche svar se chilla uttee, tab vah apana vasr mere pas chhodkar bahar bhag gaya. apanee patnee kee ye baten sunakar, ki tere das ne mujh se aesa aesa kam kiya, yoosufa ke svamee ka kop bhdk. aur yoosufa ke svamee ne usako pakadkar bandeegrah me, jahan raja ke kaaidee band the, dlava diya : so vah us bandeegrah men rahane laga. par yahova yoosufa ke sang sang raha, aur us par kaaroon kee, aur bandeegrah ke daroga ke anugrah kee draashti us par hui. so bandeegrah ke daroga ne un sab bandhauon ko, jo karagar men the, yoosufa ke hath men saup diya aur jo jo kam ve vahan karate the, vah use kee agya se hota tha. bandeegrah ke daroga ke vash men jo kuchh tha kyonaki us men se usako koi bhee vastu dekhnee n padtee thee isaliye ki yahova yoosufa ke sath tha aur jo kuchh vah karata tha, yahova usako us men safalata deta tha.

in baton ke pashchata aesa hua, ki misr ke raja ke pilanehare aur pakanehare ne apane svamee ka kuchh aparadha kiya. tab firaun ne apane un donon hakimon par, arthata pilanehare ke pradhaan, aur pakaneharon ke pradhaan par krodhait hokar unhen kaaid karake, jalladon ke pradhaan ke ghar ke usee bandeegrah me, jahan yoosufa bandhaua tha, dlava diya. tab jalladon ke pradhaan ne unako yoosufa ke hath saupa, aur vah unakee seva tthal karane laga: so ve kuchh din tak bandeegrah men rahe. aur misr ke raja ka pilanehara aur pakanehara, jo bandeegrah men band the, un donon ne aek hee rat me, apane apane honahar ke anusar, svapn dekha. bihan ko jab yoosufa unake pas andar gaya, tab un par us ne jo drashti kee, to kya dekhta haai, ki ve udas haain. so us ne firaun ke un haakimon se, jo usake sath usake svamee ke ghar ke bandeegrah men the, poochha, ki aj tumhare munh kyon udas haain ? unhon ne us se kaha, ham dono ne svapn dekha haai, aur unake fal ka batanevala koi bhee naheen. yoosufa ne un se kaha, kya svapnon ka fal kahana parameshvar ka kam naheen haai? mujhe apana apana svapn batao. tab pilaneharon ka pradhaan apana svapn yoosufa ko yon batane laga: ki maain ne svapn men dekha, ki mere samhane aek dakhilata haai aur us dakhilata men teen daliyan haain: aur us men mano kaliyan lageen haai, aur ve fooleen aur usake guchchhon men dakh la-

gakar pak gai. aur firaun ka kattora mere hath men tha: so maai ne un dakhon ko lekar firaun ke kattore men nichoda aur kattore ko firaun ke hath men diya. yoosufa ne us se kaha, isaka fal yah haai ki teen daliyon ka arth teen din haai: so ab se teen din ke bheetar firaun tera sir uncha karega, aur fir se tere pad par tuijhe niyukt karega, aur too pahale kee nai firaun ka pilanehara hokar usaka kattora usake hath men fir diya karega. so jab tera bhla ho jaae tab mujhe smaran karana, aur mujh par krapa karake, firaun se meree charcha chalana, aur is ghar se mujhe chhudva dena. kyonaki sachamuch ibraaniyon ke desh se mujhe chura kar le aae haai, aur yahan bhee maai ne koi aeesa kam naheen kiya, jisake karan maain is karage men dala jaun. yah dekhkar, ki usake svapn ka fal achchha nikala, pakaneharon ke pradhaan ne yoosufa se kaha, maain ne bhee svapn dekha haai, vah yah haai: maai ne dekha, ki mere sir par safaed rottee kee teen ttokaariyan haai: aur upar kee tokaree men firaun ke liye sab prakar kee pakee pakai vastuaen haain aur pakshaee mere sir par kee ttokaree men se un vastuon ko kha rahe haain. yoosufa ne kaha, isaka fal yah haai ki teen ttokaariyon ka arth teen din haai. so ab se teen din ke bheetar firaun tera sir kattavakar tuijhe aek vraksha par ttngava dega, aur pakshaee tere mans ko noch noch kar khaaenge. aur teesare din firaun ka janmaadin tha, us ne apane sab karmachariyon kee jevanar kee, aur un men se pilaneharon ke pradhaan, aur pakaneharon ke pradhaan donon ko bandeegrah se nikalavaya. aur pilaneharon ke pradhaan ko to pilanehare ke pad par fir se niyukt kiya, aur vah firaun ke hath men kattora dene laga. par pakaneharon ke pradhaan ko us ne ttngava diya, jaaisa ki yoosufa ne unake svapnon ka fal un se kaha tha. fir bhee pilaneharon ke pradhaan ne yoosufa ko smaran n rakha parantu use bool gaya..

poore do bars ke beetane par firaun ne yah svapn dekha, ki vah neel nadee ke kinare par khda haai. aur us nadee men se sat sundar aur mottee mottee gayen nikalakar kachhar kee ghaas charane lageen. aur, kya dekha, ki unake peechhe aur sat gaye, jo kuroop aur durbal haai, nadee se nikalee aur doosaree gayen ke nikatt nadee ke tatt par ja khdee hui. tab ye kuroop aur durbal gayen un sat sundar aur mottee mottee gayon ko kha gai. tab firaun jag utta. aur vah fir so gaya aur doosara svapn dekha, ki aek dnttee men se sat mottee aur achchhee achchhee balen nikaleen. aur, kya dekha, ki unake peechhe sat balen patalee aur puravai se murajhai hui nikaleen. aur in patalee balon ne un saton mottee aur ann se bhree hui balon ko nigal liya. tab firaun jaga, aur use maloom hua ki yah svapn hee tha. bhor ko firaun ka man vyakul hua aur us ne misr ke sab jyotishaiyo, aur panditon ko bulava bheja aur unako apane svapn bataaen par un men se koi bhee unaka fal firaun se n kah saha. tab pilaneharon ka pradhaan firaun se bol utta, ki mere aparadha aj mujhe smaran aae: jab firaun apane dason se krodhait hua tha, aur mujhe aur pakaneharon ke pradhaan ko kaaid karake jalladon ke pradhaan ke ghar ke bandeegrah men dal diya tha tab ham donon

ne, aek hee rat me, apane apane honahar ke anusar svapn dekha aur vahan hamare sath aek abraee javan tha, jo jalladon ke pradhaan ka das tha so ham ne usako bataya, aur us ne hamare svapnon ka fal ham se kaha, ham men se aek aek ke svapn ka fal us ne bata diya. aur jaaisa jaaisa fal us ne ham se kaha tha, vaaisa kee hua bhee, arthata mujh ko to mera pad fir mila, par vah faansee par lattkaya gaya. tab firaun ne yoosufa ko bulava bheja. aur vah jhttpatt bandee-grah se bahar nikala gaya, aur bal banavakar, aur vasr badalakar firaun ke samhane aya. firaun ne yoosufa se kaha, maain ne aek svapn dekha haai, aur usake fal ka batanevala koi bhee naheen aur maain ne tere vishay men suna haai, ki too svapn sunate hee usaka fal bata sakata haai. yoosufa ne firaun se kaha, maai to kuchh naheen janata: parameshvar hee firaun ke liye shuubh vachan dega. fir firaun yoosufa se kahane laga, maai ne apane svapn men dekha, ki maain neel nadee ke kinare par khda hoon fir, kya dekha, ki nadee men se sat mottee aur sundar sundar gayen nikalakar kachhar kee ghaas charane lagee. fir, kya dekha, ki unake peechhe sat aur gayen nikalee, jo dubalee, aur bahut kuroop, aur durbal haain maai ne to sare misr desh men aeesee kudaul gayen kabhee naheen dekheen. aur in durbal aur kudaul gayon ne un pahalee saton mottee mottee gayon ko kha liya. aur jab ve unako kha gai tab yah maloom naheen hota tha ki ve unako kha gai haai, kyonki ve pahile kee nai jaaisee kee taaisee kudaul raheen. tab maain jag utta. fir maain ne doosara svapn dekha, ki aek hee dnttee men sat achchhee achchhee aur ann se bhree hui balen nikaleen. fir, kya dekhta hoo, ki unake peechhe aur sat balen choochhee choochhee aur patalee aur puravai se murajhai hui nikaleen. aur in patalee balon ne un sat achchhee achchhee balon ko nigal liya. ise maain ne jyotishaiyon ko bataya, par is ka samajhnehara koi naheen mila. tab yoosufa ne firaun se kaha, firaun ka svapn aek hee haai, parameshvar jo kam kiya chahata haai, usako us ne firaun ko jataya haai. ve sat achchhee achchhee gayen sat varsha haain aur ve sat achchhee achchhee balen bhee sat varsha haain svapn aek hee haai. fir unake peechhe jo durbal aur kudaul gayen nikalee, aur jo sat choochhee aur puravai se murajhai hui balen nikalee, ve akal ke sat varsha honge. yah vahee bat haai, jo maain firaun se kah chuka hoo, ki parameshvar jo kam kiya chahata haai, use us ne firaun ko dikhaya haai. sun, sare misr desh men sat varsha to bahutayat kee upaj ke honge. unake pashchata sat varsha akal ke ayege, aur sare misr desh men log is saree upaj ko bool jayenge aur akal se desh ka nash hoga. aur sukal bahutayat kee upaja desh men fir smaran n rahega kyonaki akal atyant bhyankar hoga. aur firaun ne jo yah svapn do bar dekha haai isaka bhed yahee haai, ki yah bat parameshvar kee or se niyukt ho chukee haai, aur parameshvar ise shaeghaa hee pooraa karega. isaliye ab firaun kisee samajhdar aur buddhmaiana puroosh ko ddoondh karake use misr desh par pradhaanamantraee tharaae. firaun yah kare, ki desh par aadhaikaariyon ko niyukt kare, aur jab tak sukal ke sat varsha rahen tab tak vah misr desh kee upaj ka panchamansh liya kare. aur ve in achchhe vasharen men sab prakar kee bhojanavastu ikattha kare, aur

nagar nagar men bhndar ghar bhojan ke liye firaun ke vash men karake usakee raksha karen. aur vah bhojanavastu akal ke un sat vasharen ke liye, jo misr desh men aaenge, desh ke bhojan ke nimitt rakhee rahe, jis se desh us akal se styanash n ho jaae. yah bat firaun aur usake sare karmachariyon ko achchhee lagee. so firaun ne apane karmachariyon se kaha, ki kya ham ko aeesa puroosh jaaisa yah haai, jis men parameshvar ka atma rahata haai, mil sakata haai? fir firaun ne yoosufa se kaha, parameshvar ne jo tuijhe itana gyaan diya haai, ki tere tuly koi samajhdar aur buddhmaiana naheen is karan too mere ghar ka aadhaikaree hoga, aur terree agyaa ke anusaar meree saree praja chalegee, keval rajagaae ke vishay maain tuij se bada ttharoonga. fir firaun ne yoosufa se kaha, sun, maain tuij ko misr ke sare desh ke upar aadhaikaree tthara deta hoon tab firaun ne apane hath se angoottee nikalake yoosufa ke hath men paahina dee aur usako baadddhiya malamal ke vash pahinava dia, aur usake gale men sone kee janjeer dal dee aur usako apane doosare rath par chaddhvaya aur log usake age age yah prachar karate chale, ki ghauttne ttekar dandvat karo aur us ne usako misr ke sare desh ke upar pradhaan mantrae ttharaya. fir firaun ne yoosufa se kaha, firaun to maain hoo, aur sare misr desh men koi bhee terree agyaa ke bina hath panv n hilaagea. fir firaun ne yoosufa ka nam sapan tapaneh rakha. aur on nagar ke yajak poteepera kee bettee asanat se usaka byah kara diya. aur yoosufa misr ke sare desh men daura karane laga. jab yoosufa misr ke raja firaun ke sammukh khda hua, tab vah tees varsha ka tha. so vah firaun ke sammukh se nikalakar misr ke sare desh men daura karane laga. sukal ke saton vasharen men boomi bahutayat se ann upajatee rahee. aur yoosufa un saton vasharen men sab prakar kee bhojanavastue, jo misr desh men hotee thee, jama karake nagaron men rakhta gaya, aur har aek nagar ke charon or ke kheton kee bhojanavastuon ko vah usee nagar men ikattha karata gaya. so yoosufa ne ann ko samudr kee baloo ke saman atyant bahutayat se raashai rashai karake rakha, yahan tak ki us ne unaka ginana chhod diya kyonaki ve asankhy ho gai. akal ke pratham varsha ke ane se paahile yoosufa ke do putra, on ke yajak poteepera kee bettee asanat se janme. aur yoosufa ne apane jette ka nam yah kahake manashsho rakha, ki parameshvar ne mujh se sara klesha, aur mere pita ka sara gharana bhula diya haai. aur doosare ka nam us ne yah kahakar aepraaim rakha, ki mujhe dukh bhogane ke desh men parameshvar ne faulaya falaya haai. aur misr desh ke sukal ke ve sat varsha samapt ho gaae. aur yoosufa ke kahane ke anusaar sat vasharen ke liye akal arambh ho gaya. aur sab deshaen men akal padne laga parantu sare misr desh men ann tha. jab misr ka sara desh bookhon marane laga tab praja firon se chilla chillakar rottee mangane lagee : aur vah sab misriyon se kaha karata tha, yoosufa ke pas jao: aur jo kuchh vah tum se kahe, vahee karo. so jab akal saree prathvee par faail gaya, aur misr desh men kal ka bhyankar roop ho gaya, tab yoosufa sab bhndaron ko khol kholake misriyon ke hath ann bechane laga. so saree prathvee ke log misr men ann mol lene ke liye yoosufa ke pas ane lage, kyonaki saree prathvee par bhyankar akal tha.

jab yakoob ne suna ki misr men ann haai, tab us ne apane putraen se kaha, tum aek doosare ka munh kyon dekh rahe ho. fir us ne kaha, maain ne suna haai ki misr men ann haai isaaliye tum log vahan jakar hamare liye ann mol le ao, jis se ham n mare, varan jeeavit rahen. so yoosufa ke das bhai ann mol lene ke liye misr ko gaae. par yoosufa ke bhai binyameen ko yakoob ne yah sochakar bhaiyon ke sath n bheja, ki kaheen aeesa n ho ki us par koi vipaati a pade. so jo log ann mol lene aae unake sath israael ke putra bhee aae kyonki kanaan desh men bhee bharee akal tha. yoosufa to misr desh ka aadhaikaree tha, aur us desh ke sab logon ke hath vahee ann bechata tha isaaliye jab yoosufa ke bhai aae tab boomi par munh ke bal girake dandvata kiya. unako dekhkar yoosufa ne paahichan to liya, parantu unake samhane bhola banake kattorata ke sath un se poochha, tum kahan se ate ho? unhon ne kaha, ham to kanaan desh se ann mol lene ke liye aae haain. yoosufa ne to apane bhaiyon ko paahichan liya, parantu unhon ne usako n paahichana. tab yoosufa apane un svapnon ko smaran karake jo us ne unake vishay men dekhe the, un se kahane laga, tum bhediae ho is desh kee durdasha ko dekhne ke liye aae ho. unhon ne us se kaha, nahee, nahee, he prabhu, tere das bhojanavastu mol lene ke liye aae haain. ham sab aek hee pita ke putra haai, ham seedho manushy haai, tere das bhediae naheen. us ne un se kaha, naheen nahee, tum is desh kee durdasha dekhne hee ko aae ho. unhon ne kaha, ham tere das barah bhai haai, aur kanaan deshavaasee ek hee puroosh ke putra haai, aur chhotta is samay hamare pita ke pas haai, aur ek jata raha. tab yoosufa ne un se kaha, maain ne to tum se kah diya, ki tum bhediae ho so isee reeti se tum parakhe jaoge, firaun ke jeevan kee shapat, jab tak tumhara chhotta bhai yahan n aae tab tak tum yahan se n nikalane paoge. so apane men se aek ko bhej do, ki vah tumhare bhai ko le aa, aur tum log bandhauvai men rahoge is prakar tumharee baten parakhe jaengee, ki tum men sachchi haai ki naheen. yadi sachche n tthare tab to firaun ke jeevan kee shapath tum nishchay hee bhediae samajhe jaoge. tab us ne unako teen din tak bandeegrah men rakha. teesare din yoosufa ne un se kaha, aek kam karo tab jeevit rahoge kyonki maain parameshvar ka bhy manata hoon yaadi tum seedho manushy ho, to tum sab bhaiyon men se aek jan is bandeegrah men bandhaua rahe aur tum apane gharavalee kee bookh bujhane ke liye ann le jao. aur apane chhotte bhai ko mere pas le ao is prakar tumharee baten sachchee tthareengee, aur tum mar dale n jaoge. tab unhon ne vaaisa hee kiya. unhon ne apas men kaha, ninsdeh ham apane bhai ke vishay men doshaee haai, kyonki jab us ne ham se gidgidake binatee kee, taubhee ham ne yah dekhkar, ki usaka jeevan kесе sankatt men pada haai, usakee n sunee isee karan ham bhee ab is sankatt men pade haain. rooben ne un se kaha, kya maain ne tum se n kaha tha, ki ladke ke aparahae mat bano? parantu tum ne n suna : dekho, ab usake lohoo ka palatta diya jata haai. yoosufa kee aur unakee batacheet jo aek dubhashaiya ke dara hotee thee is se unako maloom n hua ki vah unakee boleee samajhta

haai. tab vah unake pas se hattkar rone laga fir unake pas lauttakar aur un se batacheet karake un men se shaimon ko chhant nikala aur usake samhane bandhau rakha. tab yoosufa ne agyaa dee, ki unake bore ann se bhro aur aek aek jan ke bore men usake roopaye ko bhee rakh do, fir unako marga ke liye seedha do : so unake sath aeesa hee kiya gaya. tab ve apana ann apane gadahon par ladakar vahan se chal diae. saray men jab aek ne apane gadahe ko chara dene ke liye apana bora khola, tab usaka roopaya bore ke mohade par rakha hua dikhlai pada. tab us ne apane bhaiyon se kaha, mera roopaya to faer diya gaya haai, dekho, vah mere bore men haai tab unake jee men jee n raha, aur ve aek doosare kee aur bhy se takane lage, aur bole, parameshvar ne yah ham se kya kiya haai ? aur ve kanan desh men apane pita yakoob ke pas aa, aur apana sara vrattant us se is prakhar varn kiya : ki jo puroosh us desh ka svamee haai, us ne ham se kattorata ke sath baten kee, aur ham ko desh ke bheadiae kaha. tab ham ne us se kaha, ham seedho log haai, bhediae naheen. ham barah bhai aek hee pita ke putra haai, aek to jata raha, parantu chhotta is samay kanan desh men hamare pita ke pas haai. tab us puroosh ne, jo us desh ka svamee haai, ham se kaha, is se maloom ho jaega ki tum seedho manushy ho tum apane men se aek ko mere pas chhodke apane gharavalon kee bookh bujhane ke liye kuchh le jao. aur apane chhotte bhai ko mere pas le ao. tab mujhe vishvas ho jaega ki tum bhediae nahee, seedho log ho. fir maain tumhare bhai ko tumhen saunp doonga, aur tum is desh men len den kar sakoge. yah kahakar ve apane bore se ann nikalane lage, tab, kya dekha, ki aek aek jan ke roopaye kee thailee usee ke bore men rakhee haai : tab roopaye kee thaaliyon ko dekhkar ve aur unaka pita bahut dr gae. tab unake pita yakoob ne un se kaha, mujh ko tum ne nirvansh kar diya, dekho, yoosufa naheen raha, aur shaimon bhee naheen aya, aur ab tum binyameen ko bhee le jana chahate ho : ye sab vipaatiyan mere upar a padee haain. rooben ne apane pita se kaha, yadi maain usako tere pas n lau, to mere donon putraen ko mar dalana too usako mere hath men saunp de, maain use tere pas fir pahuncha doonga. us ne kaha, mera putra tumhare sang n jaega kyonki usaka bhai mar gaya haai, aur vah ab akela rah gaya : isaliye jis marga se tum jaoge, us men yaadi us par koi vipaati a pade, tab to tumhare karan maain is buddhaye kee avastha men shaek ke sath adhaelok men utar jaunga..

aur akal desh men aur bhee bhyankar hota gaya. jab vah ann jo ve misr se le aae the samapt ho gaya tab unake pita ne un se kaha, fir jakar hamare liye thodee see bhojanavastu mol le ao. tab yahooda ne us se kaha, us puroosh ne ham ko chitavanee dekar kaha, ki yadi tumhara bhai tumhare sang n aa, to tum mere sammukh n ane paoge. isaliye yaadi too hamare bhai ko hamare sang bheje, tab to ham jakar tere liye bhojanavastu mol le aaenge parantu yadi too usako n bheje, to ham n jaaenge : kyonki us puroosh ne ham se kaha, ki yadi tumhara bhai tumhare sang n ho, to tum mere sammukh n ane paoge. tab israel

ne kaha, tum ne us puroosh ko yah batakar ki hamara aek aur bhai haai, kyon mujh se bura bartav kiya ? unhon ne kaha, jab us puroosh ne hamaree aur hamare kuttumbaiyon kee dasa ko is reeti poochha, ki kya tumhara pita ab tak jeeavit haai? kya tumhare koi aur bhai bhee haai ? tab ham ne in prashnon ke anusar us se varn kiya fir ham kya janate thi ki vah kahega, ki apane bhai ko yahan le ao. fir yahooda ne apane pita israel se kaha, us ladke ko mere sang bhej de, ki ham chale jaaen is se ham, aur to, aur hamare balabachche marane n paaenge, varan jeevit rahenge. maain usaka jamin hota hoon mere hee hath se too usako faer lena: yaadi maain usako tere pas pahunchakar samhane n khdkar doo, tab to maain sada ke liye tera apardhaee thharoonga. yaadi ham log vilamb n karate, to ab tab doosaree bar lautt ate. tab unake pita israel ne un se kaha, yaadi sachamuch aeesee hee bat haai, to yah karo is desh kee uttm vastuon men se kuchh kuchh apane boron men us puroosh ke liye bhentt le jao : jaaise thoda sa balasan, aur thoda sa madha, aur kuchh sugandha dravy, aur gandharas, piste, aur badama. fir apane apane sath doona roopaya le jao aur jo roopaya tumhare boron ke munh par rakhkar faer diya gaya tha, usako bhee lete jao kadaachita yah bool se hua ho. aur apane bhai ko bhee sang lekar us puroosh ke pas fir jao, aur sarvshaaktaiman ishvar us puroosh ko tum par dayalu karega, jis se ki vah tumhare doosare bhai ko aur binyameen ko bhee ane de : aur yaadi maain nirvansh hua to hone do. tab un manushyon ne vah bhentt, aur doona roopaya, aur binyameen ko bhee sang liya, aur chal diae aur misr men pahunchakar yoosufa ke samhane khde huae. unake sath binyameen ko dekhkar yoosufa ne apane ghar ke adhaikaree se kaha, un manushyon ko ghar men pahuncha do, aur pashu marake bhojan taiyar karo kyonki ve log dopahar ko mere sang bhojan karenge. tab vah adhaikaree puroosh yoosufa ke kahane ke anusar un purooshan ko yoosufa ke ghar men le gaya. jab ve yoosufa ke ghar ko pahunchaae gae tab ve apas men drakar kahane lage, ki jo roopaya pahilee bar hamare boron men faer diya gaya tha, usee ke karan ham bheetar pahunchaae gae haain jis se ki vah puroosh ham par toott pade, aur hamen vansh men karake apane das banaa, aur hamare gadahon ko bhee chheen le. tab ve yoosufa ke ghar ke adhaikaree ke nikatt jakar ghar ke dar par is prakhar kahane lage, ki he hamare prabhu, jab ham paahilee bar ann mol lene ko aae the, tab ham ne saray men pahunchakar apane boron ko khola, to kya dekha, ki aek aek jan ka poora poora roopaya usake bore ke munh men rakha haai isaliye ham usako apane sath fir lete aae haain. aur doosara roopaya bhee bhojanavastu mol lene ke liye laae haain ham naheen janate ki hamara roopaya hamare boron men kis ne rakh diya tha. us ne kaha, tumhara kushal ho, mat dro: tumhara parameshvar, jo tumhare pita ka bhee parameshvar haai, usee ne tum ko tumhare boron men dhan diya hoga, tumhara roopaya to mujh ko mil gaya tha: fir us ne shaimon ko nikalakar unake sang kar diya. tab us jan ne un manushyon ko yoosufa ke ghar men le jakar jal diya, tab unhon ne apane panvon ko dhaya fir us ne unake gadahon ke liye chara diya. tab yah sunakar, ki aj ham ko yaheen bhोजन

karana hoga, unhon ne yoosufa ke ane ke samay tak, arthata dopahar tak, us bhentt ko ikattha kar rakha. jab yoosufa ghar aya tab ve us bhentt ko, jo unake hath men thee, usake sammukh ghar men le gaa, aur boomi par girakar usako dandvata kiya. us ne unaka kushal poochha, aur kaha, kya tumhara booddha pita, jisakee tum ne charcha kee thee, kushal se haai ? kya vah ab tak jeevit haai ? unhon ne kaha, han tera das hamara pita kushal se haai aur ab tak jeevit haai tab unhon ne sir jhukakar fir dandvata kiya. tab us ne ankhe uttakar aur apane sage bhai binyameen ko dekhkar poochha, kya tumhara vah chhotta bhai, jisakee charcha tum ne mujh se kee thee, yahee haai ? fir us ne kaha, he mere putra, parameshvar tujh par anugrah kare. tab apane bhai ke sneh se man bhr ane ke karan aur yah sochakar, ki maain kahan jakar rou, yoosufa faurtee se apanee kottree men gaya, aur vahan ro pada. fir apana munh dhaekar nikal aya, aur apane ko shaant kar kaha, bhojan paroso. tab unhon ne usake liye to alag, aur bhaiyon ke liye bhee alag, aur jo misree usake sang khate the, unake liye bhee alag, bhojan parosa isaaliye ki misree iabiryon ke sath bhojan naheen kar sakate, varan misree aeesa karana gharana samajhte the. so yoosufa ke bhai usake samhane, bade bade paahile, aur chhotte chhotte peechhe, apanee apanee avastha ke anusar, kram se baaittae gaee: yah dekh ve vismaita hokar aek doosare kee or dekhne lage. tab yoosufa apane samhane se bhojana-vastuen utta uttake unake pas bhejane laga, aur binyameen ko apane bhaiyon se pachagunee adhaik bhojanavastu milee. aur unhon ne usake sang manamana khayaa kiya.

44

tab us ne apane ghar ke aadhaikaree ko agyaa dee, ki in manushyon ke boron men jitane bhojanavastu sama sake utanee bhr de, aur aek aek jan ke roopaye ko usake bore ke munh par rakh de. aur mera chandee ka kattora chhotte ke bore ke munh par usake ann ke roopaye ke sath rakh de. yoosufa kee is agyaa ke anusar us ne kiya. bihan ko bhor hote hee ve manushy apane gadahon samet vida kiae gaee. ve nagar se nikale hee the, aur door n jane paae the, ki yoosufa ne apane ghar ke adhaikaree se kaha, un manushyon ka peechha kar, aur unako pakar un se kah, ki tum ne bhilai kee santee burai kyon kee haai? kya yah vah vastu naheen jis men mera svamee peeta haai, aur jis se vah shakun bhee vichara karata haai ? tum ne yah jo kiya haai so bura kiya. tab us ne unhen ja liya, aur aeesee hee baten un se kaheen. unhon ne us se kaha, he hamare prabhu, too aeesee baten kyon kahata haai? aeesa kam karana tere dason se door rahe. dekh jo roopaya hamare boron ke munh par nikala tha, jab ham ne usako kanaan desh se le akar tujhe faer diya, tab, bhla, tere svamee ke ghar men se ham koi chandee va sone kee vastu kyonkar chura sakate haain ? tere dason men se jis kisee ke pas vah nikale, vah mar dala jaa, aur ham bhee apane us prabhu ke das jo jaaen. us ne kaha tumhara hee kahana sahee, jisake pas vah nikale so mera das hoga aur tum log niraparadha thharoge. is par ve faurtee se apane apane bore ko utar boomi par rakhkar unhen kholane lage.

tab vah ddoondhdne laga, aur bade ke bore se lekar chhotte ke bore tak khoj kee : aur kattora binyameen ke bore men mila. tab unhon ne apane apane vasr faade, aur apana apana gadaha ladakar nagar ko lautt gaee. jab yahooda aur usake bhai yoosufa ke ghar par pahunchhe, aur yoosufa vaheen tha, tab ve usake samhane boomi par gire. yoosufa ne un se kaha, tum logon ne yah kaaisa kam kiya haai ? kya tum n janate the, ki mujh sa manushy shakun vichar sakata haai ? yahooda ne kaha, ham log apane prabhu se kya kahen ? ham kya hakakar apane ko nirdoshae thharaen ? parameshvar ne tere dason ke adharma ko pakad liya haai : ham, aur jisake pas kattora nikala vah bhee, ham sab ke sab apane prabhu ke das hee haain. us ne kaha, aeesa karana mujh se door rahe : jis jan ke pas kattora nikala haai, vahee mera das hoga aur tum log apane pita ke pas kushal kshom se chale jao. tab yahooda usake pas jakar kahane laga, he mere prabhu, tere das ko apane prabhu se aek bat kahane kee agyaa ho, aur tera kop tere das par n bhdke too to firaun ke tuly haai. mere prabhu ne apane dason se poochha tha, ki kya tumhare pita va bhai haain ? aur ham ne apane prabhu se kaha, ha, hamara booddha pita to haai, aur usake buddhaye ka aek chhotta sa balak bhee haai, parantu usaka bhai mar gaya haai, isaaliye vah ab apanee mata ka akela hee rah gaya haai, aur usaka pita us se sneh rakhta haai. tab too ne apane dason se kaha tha, ki usako mere pas le ao, jis se maain usako dekon. tab ham ne apane prabhu se kaha tha, ki yah ladka apane pita ko naheen chhod sakata naheen to usaka pita mar jaega. aur too ne apane dason se kaha, yaadi tumhara chhotta bhai tumhare sang n aa, to tum mere sammukh fir n ane paoge. so jab ham apane pita tere das ke pas gaa, tab ham ne us se apane prabhu kee baten kaheen. tab hamare pita ne kaha, fir jakar hamare liye thodee see bhojanavastu mol le ao. ham ne kaha, ham naheen ja sakate, ha, yadi hamara chhotta bhai hamare sang rahe, tab ham jaaenge : kyonaki yadi hamara chhotta bhai hamare sang n rahe, to us puroosh ke sammukh n jane paenge. tab tere das mere pita ne ham se kaha, tum to janate ho ki meree sree se do putra utpann huae. aur un men se aek to mujhe chhod hee gaya, aur maain ne nishchay kar liya, ki vah faad dala gaya hoga aur tab se maain usaka munh n dekh paya so yaadi tum isako bhee meree ankh kee ad men le jao, aur koi vipaati is par pade, to tumhare karan maain is pakke bal kee avastha men du:kh ke sath adhaelok men utar jaunga. so jab maain apane pita tere das ke pas pahunchoon, aur yah ladka sang n rahe, tab usaka praan jo isee par attkahata haai, is kara, yah dekhke ki ladka naheen haai, vah turant hee mar jaega. tab tere dason ke karan tera das hamara pita, jo pakke balon kee avastha ka haai, shaek ke sath adhaelok men utar jaaega. fir tera das apane pita ke yahan yah kahake is ladke ka jaamin hua haai, ki yadi maain isako tere pas n pahuncha doo, tab to maain sada ke liye tera aparadhae thharoonga. so ab tera das is ladke kee santee apane prabhu ka das hokar rahane kee agyaa paa, aur yah ladka apane bhaiyon ke sang jane diya jaae. kyonaki ladke ke bina sang rahe maain kyonkar apane pita ke pas ja sakega aeesa n ho ki mere pita par jo du:kh padega vah mujhe dekhna pade..

tab yoosufa un sab ke samhane, jo usake as pas khde the, apane ko aur rok n saka aur pukar ke kaha, mere as pas se sab logon ko bahar kar do. bhaiyon ke samhane apane ko pragatt karane ke samay yoosufa ke sang aur koi n raha. tab vah chilla chillakar rone laga : aur misriyon ne suna, aur firaun ke ghar ke logon ko bhee isaka samachar mila. tab yoosufa apane bhaiyon se kahane laga, maain yoosufa hoo, kya mera pita ab tab jeevit haai ? isaka uttr usake bhai n de sake kyonaki ve usake samhane ghabara gaee the. fir yoosufa ne apane bhaiyon se kaha, mere nikatt ao. yah sunakar ve nikatt gaee. fir us ne kaha, maain tumhara bhai yoosufa hoo, jisako tum ne misr aneharon ke hath beth dala tha. ab tum log mat pachhtao, aur tum ne jo mujhe yahan beth dala, is se dus mat ho kyonki parameshvar ne tumhare praanon ko bachane ke liye mujhe age se bhej diya haai. kyonaki ab do varsha se is desh men akal haai aur ab panch varsha aur aeese hee honge, ki un men n to hal chalega aur n ann katta jaaega. so parameshvar ne mujhe tumhare age isee liye bheja, ki tum prathvee par jeevit raho, aur tumhare praanon ke bachane se tumhara vansh baddhe. is reati ab mujh ko yahan par bhejanevale tum nahee, parameshvar hee tthara: aur usee ne mujhe firaun ka pita sa, aur usake sare ghar ka svamee, aur sare misr desh ka prabhut tthara diya haai. so shaeehga mere pita ke pas jakar kaho, tera putra yoosufa is prakar kahata haai, ki parameshvar ne mujhe sare misr ka svamee ttharayaa haai isaliye too mere pas bina vilamb kiae chala a. aur tera nivas goshon desh men hoga, aur to, bette, poto, bhed-bakaariyo, gaya-baailo, aur apane sab kuchh samet mere nikatt rahega. aur akal ke jo panch varsha aur honge, un men maai vaheen tera panch poshan karoonga aeese n ho ki to, aur tera gharana, varan jitane tere haai, so bookhon maren. aur tum apanee ankhon se dekhte ho, aur mera bhai binyameen bhee apanee ankhon se dekhta haai, ki jo ham se baten kar raha haai so yoosufa haai. aur tum mere sab vibhv ka, jo misr men haai aur jo kuchh tum ne dekha haai, us sab ko mere pita se varnn karana aur turant mere pita ko yahan le ana. aur vah apane bhai binyameen ke gale se lipattkar roya aur binyameen bhee usake gale se lipattkar roya. tab vah apane sab bhaiyon ko choomakar un se milakar roya : aur isake paschata usake bhai us se baten karane lage.. is bat kee charcha, ki yoosufa ke bhai aae haai, firaun ke bhvan tab panhuch gai, aur is se firaun aur usake karmacharee prasann hue. so firaun ne yoosufa se kaha, apane bhaiyon se kah, ki aek kam karo, apane pashuon ko ladakar kanan desh men chale jao. aur apane pita aur apane apne ghar ke logon ko lekar mere pas ao aur misr desh men jo kuchh achchhe se achchha haai vah maain tumhen doonga, aur tumhen desh ke uttm se uttm padarth khane ko milenge. aur tujhe agyaa milee haai, tum aek kam karo, ki misr desh se apane balabachchon aur striayon ke liye gaadiyon le jao, aur apane pita ko le ao. aur apanee samagraee ka moh n karana kyonki sare misr desh men jo kuchh achchhe se achchha haai so tumhara haai. aur israel ke putraen ne vaaisa hee kiya. aur yoosufa ne firaun kee manake unhen

gaadiyon dee, aur marga ke liye seedha bhee diya. un men se ek ek jan ko to us ne ek ek joda vasr bhee diya aur binyameen ko teen sau roope ke ttukade aur panch jode vasr die. aur apane pita ke pas us ne jo bheja vah yah haai, arthata misr kee achchhee vastuon se lade huae das gadahe, aur ann aur rottee aur usake pita ke marga ke liye bhojanavastu se laadee hui das gadaahiyan. aur us ne apane bhaiyon ko vida kiya, aur ve chal diae aur us ne un se kaha, marga men kaheen jhgada n karana. misr se chalakar ve kanan desh men apane pita yakoob ke pas pahuche. aur us se yah varnn kiya, ki yoosufa ab tak jeevit haai, aur sare misr desh par prabhuta vahee karata haai. par us ne unake prateeti n kee, aur vah apane ape men n raha. tab unhon ne apane pita yakoob se yoosufa kee saree bate, jo us ne un se kaheen thee, kah deen jab us ne un gadiyon ko dekha, jo yoosufa ne usake le ane ke liye bhejeen thee, tab usaka chitt sthiar ho gaya. aur israel ne kaha, bas, mera putra yoosufa ab tak jeevit haai : maain apanee mratyu se pahile jakar usako dekhooga..

46

tab israel apana sab kuchh lekar kooch karake bershoba ko gaya, aur vahan apane pita isahak ke parameshvar ko baalidan chaddhaae. tab parameshvar ne israel se rat ko darshan men kaha, he yakoob he yakooba. us ne kaha, kya agyaa. us ne kaha, maain ishvar tere pita ka parameshvar hoo, too misr men jane se mat dra kyonki maain tujh se vahan ek badee jati banaunga. maain tere sang sang misr ko chalata hoon aur maain tujhe vahan se fir nishchay le aunga aur yoosufa apana hath teree ankhon par lagaega. tab yakoob beshorba se chala: aur israel ke putra apane pita yakoob, aur apane bala-bachcho, aur striayon ko un gadiyon par, jo firaun ne unake le ane ko bhejee thee, chaddhakar chal pade. aur ve apanee bhed-bakaree, gaya-baail, aur kanan desh men apane ikattha kiae huae sare dhan ko lekar misr men aae. aur yakoob apane bette-bettyae, pote-potiyo, nidan apane vansh bhr ko apane sang misr men le aya.. yakoob ke sath jo israaelee, arthata usake bette, pote, aadi misr men aa, unake nam ye haain : yakoob ka jetta to rooben tha. aur rooben ke putra, hanok, palalo, hesron, aur kammree the. aur shaimon ke putra, yamooael, yameen, ohad, yakeen, sohar, aur aek kananee sree se janma hua shaaul bhee tha. aur levee ke putra, gesharen, kahat, aur mararee the. aur yahooda ke aer, onan, shola, peres, aur jerah nam putra huae to the par aer aur onan kanan desh men mar gaee the. aur issakar ke putra, tola, pubba, yob aur shaimraen the. aur jabooloon ke putra, sered, aelon, aur yahalel the. lia: ke putra, jo yakoob se panaram men utpann huae the, unake bette pote ye hee the, aur in se adhaik us ne usake sath aek bettee deena ko bhee janm diya : yahan tak to yakoob ke sab vanshavale taaintees praanee hue. fir gad ke putra, siyyon, haggee, shoonnee, aesabon, aeree, arodee, aur baree the. aur ashor ke putra, yimna, yishva, yisre, aur bareea the, aur unakee bahin serah thee, aur bareea ke putra, heber aur malkeael the. jilpa, jise laban ne apanee bettee lian ko diya tha, usake bette

pote aadi ye hee the so usake dara yakoob ke solah praanee utpann huae.. fir yakoob kee patnee rahel ke putra yoosufa aur binyameen the. aur misr desh men on ke yajak poteepara kee bettee asanat se yoosufa ke ye putra utpann hua, arthata manashsho aur aepraaima. aur binyameen ke putra, bela, beker, ash-bel, gera, naman, aehee, rosha, muppeem, huppeem, aur arda the. rahel ke putra jo yakoob se utpann huae unake ye hee putra the usake ye sab bettee pote chaudi praanee huae. fir dan ka putra hushaem tha. aur naptalee ke putra, yahasel, goonee, seser, aur shaillem the. bilha, jise laban ne apanee bettee rahel ko diya, us ke bettee pote ye hee haain usake dara yakoob ke vansh men sat praanee hue. yakoob ke nij vansh ke jo praanee misr men aa, ve usakee bahuon ko chhod sab milakar chhyaiasatt praanee hue. aur yoosufa ke putra; jo misr men us se utpann hua, ve do praanee the : is prakhar yakoob ke gharane ke jo praanee misr men aae so sab milakar satt huae.. fir us ne yahooda ko apane age yoosufa ke pas bhej diya, ki vah usako goshon ka marga dikhaae aur ve goshon desh men aae. tab yoosufa apana rath jutavakar apane pita israael se bhentt karane ke liye goshon desh ko gaya, aur us se bhentt karake usake gale se lipatta hua rota raha. tab israel ne yoosufa se kaha, maai ab marane se bhee prasann hoo, kyonki tuihe jeeavit paya aur tera munh dekh liya. tab yoosufa ne apane bhaiyon se aur apane pita ke gharane se kaha, maain jakar firaun ko yah samachar doonga, ki mere bhai aur mere pita ke sare gharane ke log, jo kanan desh men rahate the, ve mere pas a gaee haain. aur ve log charavahe haai, kyonki ve pashuon ko palate aae haain isaliye ve apanee bhed-bakaree, gaya-baail, aur jo kuchh unaka haai, sab le aae haain. jab firaun tum ko bulake poochhe, ki tumhara udhym kya haai? tab yah kahana ki tere das laddakan se lekar aj tak pashuon ko palate aae haai, varan hamare purakha bhee aeese hee karate the. is se tum goshon desh men rahane paoge kyonki sab charavahon se misree log gharana karate haain..

47

tab yoosufa ne firaun ke pas jakar yah samachar diya, ki mera pita aur mere bhai, aur unakee bhed-bakaariya, gaya-baail aur jo kuchh unaka haai, sab kanan desh se a gaya haai aur abhee to ve goshon desh men haain. fir us ne apane bhaiyon men se panch jan lekar firaun ke samhane khde kar diae. firaun ne usake bhaiyon se poochha, tumhara udhym kya haai ? unhon ne firaun se kaha, tere das charavahe haai, aur hamare purakha bhee aeese hee rahe. fir unhon ne firaun se kaha, ham is desh men paradeshae kee bhanati rahane ke liye aae haain kyonaki kanan desh men bharee akal hone ke karan tere dason ko bhed-bakaariyon ke liye chara n raha : so apane dason ko goshon desh men rahane kee agyaa de. tab firaun ne yoosufa se kaha, tera pita aur tere bhai tere pas a gaee haai, aur misr desh tere samhane pada haai is desh ka jo sab se achchha bhag ho, us men apane pita aur bhaiyon ko basa de arthata ve goshon hee desh men rahen : aur yadi too janata ho, ki un men se parishramee puroosh haai, to unhen

mere pashuon ke adhaikaree tthara de. tab yoosufa ne apane pita yakoob ko le akar firaun ke sammukh khda kiya : aur yakoob ne firaun ko ashaeervad diya. tab firaun ne yakoob se poochha, teree avastha kitane din kee hui haai? yakoob ne firaun se kaha, maain to aek sau tees varsha paradeshae hokar apana jeevan beeta chuka hoon mere jeevan ke din thode aur dukh se bhre huae bhee the, aur mere bapadade paradeshae hokar jitane din tak jeevit rahe utane din ka maain abhee naheen hua. aur yakoob firaun ko ashaeervad dekar usake sammukh se chala gaya. tab yoosufa ne apane pita aur bhaiyon ko basa diya, aur firaun kee agyaa ke anusar misr desh ke achchhe se achchhe bhag me, arthata ramases nam desh me, boomi dekar unako saunp diya. aur yoosufa apane pita ka, aur apane bhaiyon ka, aur pita ke sare gharane ka, aek aek ke balabachchon ke gharane kee ginatee ke anusar, bhojan dila dilakar unaka palan poshan karane laga.. aur us sare desh men khane ko kuchh n raha kyonki akal bahut bharee tha, aur akal ke karan misr aur kanan donon desh nash ho gaee. aur jitana roopaya misr aur kanan desh men tha, sab ko yoosufa ne us ann kee santee jo unake nivasee mol lethe ikattha karake firaun ke bhvan men pahuncha diya. jab misr aur kanan desh ka roopaya chuk gaya, tab sab misree yoosufa ke pas a akar kahane lage, ham ko bhojanavastu de, kya ham roopaye ke n rahane se tere rahate huae mar jaaen ? yoosufa ne kaha, yadi roopaye n hon to apane pashu de do, aur maain unakee santee tumhen khane ko doonga. tab ve apane pashu yoosufa ke pas le aae aur yoosufa unako ghaedo, bhed-bakaariyo, gaya-baailon aur gadahon kee santee khane ko dene laga: us varsha men vah sab jaati ke pashuon kee santee bhojan dekar unaka palan poshan karata raha. vah varsha to yon katt gaya tab agale varsha men unhon ne usake pas akar kaha, ham apane prabhu se yah bat chhupai n rakheenge ki hamara roopaya chuk gaya haai, aur hamare sab prakhar ke pashu hamare prabhu ke pas a chuke haain isaliye ab hamare prabhu ke samhane hamare shareer aur boomi chhodkar aur kuchh naheen raha. ham tere dekhte kyon mare, aur hamare boomi ko bhojan vastu kee santee mol le, ki ham apanee boomi samet firaun ke das hon : aur hamako beej de, ki ham marane n paee, varan jeeavit rahe, aur boomi n ujade. tab yoosufa ne misr kee saree boomi ko firaun ke liye mol liya kyonaki us kattnai akal ke padne se misriyon ko apana apana khet bech dalana pada : is prakhar saree boomi firaun kee ho gai. aur aek chhor se lekar doosare chhor tak sare misr desh men jo praja rahatee thee, usako us ne nagaron men likar basa diya. par yajakon kee boomi to us ne n mol lee : kyonki yajakon ke liye firaun kee or se nity bhojan ka bandobast tha, aur nity jo bhojan firaun unako deta tha vahee ve khate the is karan unako apanee boomi bechane n padee. tab yoosufa ne praja ke logon se kaha, suno, maain ne aj ke din tum ko aur tumhare boomi ko bhee firaun ke liye mol liya haai dekho, tumhare liye yahan beej haai, ise boomi men boo. aur jo kuchh upaje usaka panchamansh firaun ko dena, bakae char ansh tumhare rahenge, ki tum use apane kheton mane boo, aur apane apane balabachchon aur ghar ke aur logon samet khaya karo. un-

hon ne kaha, too ne hamako bacha liya haai : hamare prabhu ke anugrah kee draashtti ham par banee rahe, aur ham firaun ke das hokar rahenge. so yoosufa ne misr kee boomi ke vishay men aeesa niyam tharaya, jo aj ke din tak chala ata haai, ki panchamansh firaun ko mila kare keval yajakon hee kee boomi firaun kee naheen hui. aur israaelee misr ke goshon desh men rahane lage aur vahan kee boomi ko apane vash men kar liya, aur foole-fale, aur atyant baddh gaee.. misr desh men yakoob satarah varsha jeevit raha : is prakhar yakoob kee saree ayu aek sau saaintalees varsha kee hui. jab israael ke marane ka din nikatt a gaya, tab us ne apane putra yoosufa ko bulavakar kaha, yaadi tera anugrah mujh par ho, to apana hath meree jangha ke tale rakkhar shapath kha, ki maain tere sath krapa aur sachchai ka yah kam karoonga, ki tuijhe misr men mittee n doonga. jab too apane bapadadon ke sang so jaaega, tab maain tuijhe misr se utta le jakar unheen ke kabaaristan men rakooonga tab yoosufa ne kaha, maain tere vachan ke anusar karoonga. fir us ne kaha, mujh se shapath kha : so us ne us se shapath khai. tab israael ne khatt ke sirahane kee or sir jhukaya..

48

in baton ke pashchata kisee ne yoosufa se kaha, sun, tera pita beemar haai tab vah manashsho aur aepraaim nam apane donon putraen ko sang lekar usake pas chala. aur kisee ne yakoob ko bata diya, ki tera putra yoosufa tere pas a raha haai tab israael apane ko sambhalakar khatt par baait gaya. aur yakoob ne yoosufa se kaha, sarvashaktaiman ishvar ne kanaan desh ke looj nagar ke pas mujhe darshan dekar ashaeesh dee, aur kaha, sun, maain tuijhe faula-falakar baddhaunga, aur tuijhe rajy rajy kee mandlee ka mool banaunga, aur tere pashchata tere vash ko yah desh de doonga, jis se ki vah sada tak unakee nij boomi banee rahe. aur ab tere donon putra, jo misr men mere ane se pahile utpann huae haai, ve mere hee thharengae arthata jis reeti se rooben aur shaimon mere haai, usee reeti se aepraaim aur manashsho bhee mere thharengae. aur unake pashchata jo santan utpann ho, vah tere to thharengae parantu banttvare ke samay ve apane bhaiyon hee ke vash men gine jaenge. jab maain paan se ata tha, tab aepraata pahunchane se thodee hee door pahile rahel kanaan desh me, marga me, mere samhane mar gai : aur maain ne use vahee, arthata aepraata jo betaleham bhee kahalata haai, usee ke marga men mittee dee. tab israael ko yoosufa ke putra dekh pade, aur us ne poochha, ye kaun haain ? yoosufa ne apane pita se kaha, ye mere putra haai, jo parameshvar ne mujhe yahan diae haain : us ne kaha, unako mere pas le a ki maain unhen ashaeervad doon. israael kee ankhe buddhape ke karan dhaundhalee ho gai thee, yahan tak ki use kam soojhta tha. tab yoosufa unhen unake pas le gaya aur us ne unhen choomakar gale laga liya. tab israael ne yoosufa se kaha, mujhe asha n thee, ki maain tera mukh fir dekhne paunga : parantu dek, parameshvar ne mujhe tera vash bhee dikhaaya haai. tab yoosufa ne unhen apane ghautton ke beech se hattakar aur apane munh ke bal boomi par girake dandvata kee. tab yoosufa ne un donon

ko lekar, arthata aepraaim ko apane dahine hath se, ki vah israael ke baahen hath pade, aur manashsho ko apane baahen hath se, ki israael ke daahine hath pade, unhen usake pas le gaya. tab israael ne apana dahina hath baddhakar aepraaim ke sir par jo chhotta tha, aur apana bayan hath baddhakar manashsho ke sir par rak diya us ne to jan boojhkar aeesa kiya naheen to jetta manashsho hee tha. fir us ne yoosufa ko ashaeervad dekar kaha, parameshvar jisake sam-mukh mere bapadade ibraaheem aur isahak apane ko janakar chalate vahee parameshvar mere janm se lekar aj ke din tak mera charavaha bana haai aur vahee doot mujhe saree burai se chhudata aya haai, vahee ab in ladkon ko ashaeesh de aur ye mere aur mere bapadade ibraaheem aur isahak ke kahalaen aur prathvee men bahutayat se baddhen. jab yoosufa ne dekha, ki mere pita ne apana daahina hath aepraaim ke sir par rakha haai, tab yah bat usako buree lagee : so us ne apane pita ka hath is manasa se pakad liya, ki aepraaim ke sir par se uttakar manashsho ke sir par rakh de. aur yoosufa ne apane pita se kaha, he pita, aeesa naheen : kyunki jetta yahee haai apana daahina hath isake sir par rakh. usake pita ne kaha, nahee, sun, he mere putra, maain is bat ko bhlee bhanti janata hoon : yadhyapi is se bhee manushyon kee ek mandlee utpann hogee, aur yah bhee mahana ho jaega, taubhee isaka chhotta bhai is se adhaik mah-han ho jaega, aur usake vash se bahut see jaatiyan nikalengee. fir us ne usee din yah kahakar unako ashaeervad diya, ki israaelee log tera nam le lekar aeesa ashaeervad diya karenge, ki parameshvar tuijhe aepraaim aur manashsho ke saman bana de : aur us ne manashsho se pahile aepraaim ka nam liya. tab israael ne yoosufa se kaha, dek, maain to marane par hoon : parantu parameshvar tum logon ke sang rah-ega, aur tum ko tumhare pitaron ke desh men fir pahuncha dega. aur maain tuij ko tere bhaiyon se adhaik boomi ka aek bhag deta hoo, jisako maain ne aemoriyon ke hath se apanee talavar aur dhanush ke bal se le liya haai.

49

fir yakoob ne apane putraen ko yah kahakar bulaya, ki ikatthe ho jao, maain tum ko bataunga, ki ant ke dinon men tum par kya kya beetega. he yakoob ke putrae, ikatthe hokar suno, apane pita israael kee or kan lagao. he rooben, too mera jetta, mera bal, aur mere pauroosh ka paahila fal haai praatishtta ka uttm bhag, aur shaktai ka bhee uttm bhag too hee haai. too jo jal kee nain ubalanevala haai, isaliye au-ron se shraesht n thharega kyunki too apane pita kee khatt par chaddha, tab too ne usako ashuuddh kiya vaha mere bichhaune par chaddh gaya.. shai-mon aur levee to bhai bhai haai, unakee talavaren upadrav ke hathiayara haain. he mere jeev, unake marga men n pad, he meree mahima, unakee sabha men mat mila kyunki unhon ne kop se manushyon ko ghaat kiya, aur apanee hee ichchha par chalakara baailon kee poonchhen kattoo haain.. dhaikkar un-ake kop ko, jo prachand tha aur unake rosh ko, jo nir-day tha maain unhen yakoob men alag alag aur israael men tittr bittr kar doonga.. he yahooda, tere bhai

tab yoosufa apane pita ke munh par girakar roya aur use chooma. aur yoosufa ne un vaaidhon ko, jo usake sevak the, agyaa dee, ki mere pita kee loth men sugandhadravay bhro tab vaaidhon ne israel kee loth men sugandhadravay bhr diae. aur usake chalees din poore hue. kyonki jinakee loth men sugandhadravay bhre jate haai, unako itane hee din poore lagate haain : aur misree log usake liye sattt din tak vilap karate rahe.. jab usake vilap ke din beet gaa, tab yoosufa firauon ke gharane ke logon se kahane laga, yaadi tumharee anugrah kee draashtti mujh par ho to meree yah binatee firauon ko sunao, ki mere pita ne yah kahakar, ki dekh maain marane par hoo, mujhe yah shapath khailai, ki jo kabar too ne apane liye kanan desh men khudavai haai usee men maain tujhe mittee doonga isaliye ab mujhe vahan jakar apane pita ko mittee dene kee agyaa de, tatpashchata maain lautt aunga. tab firauon ne kaha, jakar apane pita kee khailai hui shapath ke anasar unako mittee de. so yoosufa apane pita ko mittee dene ke liye chala, aur firauon ke sab karmacharee, arthata usake bhvan ke puraniye, aur misr desh ke sab puraniye usake sang chale. aur yoosufa ke ghar ke sab log, aur usake bhai, aur usake pita ke ghar ke sab log bhee sang gaee par ve apane balabachcho, aur bhed-bhakaariyo, aur gaya-baailon ko goshon desh men chhod gaee. aur usake sang rath aur savar gaa, so bheed bahut bharee ho gai. jab ve atad ke khlihan tak, jo yaradan nadee ke par haai pahunchte, tab vahan atyant bharee vilap kiya, aur yoosufa ne apane pita ke sat din ka vilap karaya. atad ke khlihan men ke vilap ko dekhkar us desh ke nivasee kanaaniyon ne kaha, yah to misriyon ka koi bharee vilap hoga, isee karan us sthan ka nam abelaamiraaim pada, aur vah yaradan ke par haai. aur israel ke putraen ne us se vahee kam kiya jisakee us ne unako agyaa dee thee: arthata unhon ne usako kanan desh men le jakar makapela kee us boomivalee gufaa me, jo mamra ke samhane haai, mittee dee jisako ibraaheem ne hittee aepraen kee hath se is nimitt mol liya tha, ki vah kabaaristan ke liye usakee nij boomi ho.. apane pita ko mittee dekar yoosufa apane bhaiyon aur un sab samet, jo usake pita ko mittee dene ke liye usake sang gaee the, misr men lautt aya. jab yoosufa ke bhaiyon ne dekha ki hamara pita mar gaya haai, tab kahane lage, kadaachita yoosufa ab hamare peechhe pade, aur jitane burai ham ne us se kee thee sab ka poora palatta ham se le. isaliye unhon ne yoosufa ke pas yah kahala bheja, ki tere pita ne marane se paahile hamen yah agyaa dee thee, ki tum log yoosufa se is prakara kahana, ki ham binatee karate haai, ki too apane bhaiyon ke aparadha aur pap ko kshama kara ham ne tujh se burai to kee thee, par

ab apane pita ke parameshvar ke dason ka aparadha kshama kara. unakee ye baten sunakar yoosufa ro pada. aur usake bhai ap bhee jakar usake samhane gir pade, aur kaha, dek, ham tere das haain. yoosufa ne un se kaha, mat dro, kya maain parameshvar kee jagah par hoon ? yadhypi tum logon ne mere liye burai ka vichar kiya tha parantu parameshvar ne usee bat men bhlai ka vichar kiya, jis se vah aeesa kare, jaaaisa aj ke din pragatt haai, ki bahut se logon ke praan bache haain. so ab mat dro : maain tumhara aur tumhare bala-bachchon ka palan poshan karata rahoonga is prakar us ne unako samajha bujhakar shaaantai dee.. aur yoosufa apane pita ke gharane samet misr men rahata raha, aur yoosufa aek sau das varsha jeevit raha. aur yoosufa aepraaim ke parapoton tak dekhne paya : aur manashsho ke pote, jo makeer ke putra the, ve utpann hokar yoosufa se god men liae gae. aur yoosufa ne apane bhaiyon se kaha maain to marane par hoon parantu parameshvar nishchay tumharee suadhai lega, aur tumhen is desh se nikalakar us desh men pahuncha dega, jisake dene kee us ne ibraaheem, isahak, aur yakoob se shapath khai thee. fir yoosufa ne israaeliyon se yah kahakar, ki parameshvar nishchay tumharee suadhai lega, unako is vishay kee shapath khailai, ki ham teree haaddiyon ko vahan se us desh men le jaaenge. nidan yoosufa aek sau das varsha ka hokar mar gaya : aur usakee loth men sugandhadravay bhre gaa, aur vah loth misr men aek sandook men rakhee gai..

israel ke putraen ke nam, jo apane apane gharane ko lekar yakoob ke sath misr desh men aa, ye haain: arthata rooben, shaimon, levee, yahooda, issakar, jabooloon, binyameen, dan, naptalee, gad aur ashora. aur yosufa to misr men aur pahile hee a chuka tha. yakoob ke nij vansh men jo utpann huae ve sab sattr praanee the. aur yoosuf, aur usake sab bhai, aur us peandhee ke sab log mar mitte. aur israel kee santan foolane falane lagee aur ve atyant samarthee banate chale gae aur itana baddh gae ki kul desh un se bhr gaya.. misr men aek naya raja gae par baaita jo yoosufa ko naheen janata tha. aur us ne apanee praja se kaha, dekho, israaelee ham se ginatee aur samathrya men aadhaik baddh gae haain. isaliye ao, ham unake sath buddhmaanee se bartav kare, kaheen aeesa n ho ki jab ve bahut baddh jaae, aur yadi sangraam ka samay a pade, to hamare baaiariyon se milakar ham se laden aur is desh se nikal jaeen. isaliye unhon ne un par begaree karanevalon ko niyukt kiya ki ve un par bhar dal dalakar unako dukh diya karen tab unhon ne firaun ke liye pitom aur ramases nam bhn-daravale nagaron ko banaya. par jyon jyon ve unako dukh dete gae tyon tyon ve baddhte aur faailate chale gae isaliye ve israaeliyeon se atyant dr gae. taubhee misriyon ne israaeliyeon se kattorata ke sath sevakai karavai. aur unake jeevan ko gare, intt aur khatee ke bhanti bhantai ke kam kee kattnai seva se dukhee kar dala jis kisee kam men ve un se seva karavate the us men ve kattorata ka vyavahar karate the. shaipra aur pooa nam do ibraee dhaaiyon ko misr ke raja ne agyaa dee, ki jab tum ibraee stri-ayon ko bachcha utpann hone ke samay janmane ke patthron par baaittee dekho, tab yadi betta ho, to use mar dalana aur bettee ho, to jeeavit rahane dena. parantu ve dhaaiyan parameshvar ka bhy manatee the, isaliye misr ke raja kee agyaa n manakar ladkon ko bhee jeeavit chhod detee theen. tab misr ke raja ne unako bulavakar poochha, tum jo ladkon ko jeeavit chhod detee ho, to aeesa kyon karatee ho? dhaaiyon ne firaun ko utar diya, ki ibraee striayon misree stri-ayon ke saman naheen haain ve aeesee faurteelee haain ki dhaaiyon ke pahunchane se paahile hee unako bachcha utpann ho jata haai. isaliye parameshvar ne dhaaiyon ke sath bhilai kee aur ve log baddhkar bahut samarthee ho gae. aur dhaaiyan isaliye ki ve parameshvar ka bhy manatee theen us ne unake ghar basaae. tab firaun ne apanee saree praja ke logon ko agyaa dee, ki ibiryon ke jitane bette utpann hon un sabhon ko tum neel nadee men dal dena, aur sab beattyaien ko jeeavit rakh chhodna..

levee ke gharane ke aek puroosh ne aek levee vansh kee sree ko byah liya. aur vah sree garbhvatee hui aur usake aek putra utpann hua aur yah dekhkar ki yah balak sundar haai, use teen maheene tak chhpai rakha. aur jab vah use aur chhpai n sakee tab usake liye sarakandon kee aek ttokaree lekar, us men balak ko rakhkar neel nadee ke teer par kanson ke beech chhod ai. us balak ki bahin door khdee rahee,

ki dekhe isaka kya hal hoga. tab firaun kee bettee nahane ke liye nadee ke teer ai usakee saakhaiyan nadee ke teer teer thhalane lageen tab us ne kanson ke beech ttokaree ko dekhkar apanee daasee ko use le ane ke liye bheja. tab us ne use kholakar dekha, ki aek rota hua balak haai tab use taras aya aur us ne kaha, yah to kisee ibraee ka balak hoga. tab balak kee bahin ne firaun kee bettee se kaha, kya maain jakar ibraee stri-ayon men se kisee dhaai ko tere pas bula le aun jo tere liye balak ko doodha pilaya kare? firaun kee bettee ne kaha, ja. tab ladkee jakar balak kee mata ko bula le ai. firaun kee bettee ne us se kaha, too is balak ko le jakar mere liye doodha pilaya kar, aur maain tujhe majadooree doongee. tab vah sree balak ko le jakar doodha pilane lagee. jab balak kuchh bada hua tab vah use firaun kee bettee ke pas le gai, aur vah usaka betta thara aur us ne yah kahakar usaka nam moosa rakha, ki maain ne isako jal se nikal liya.. un dinon men aeesa hua ki jab moosa javan hua, aur bahar apane bhai bandhauon ke pas jakar unake dukhon par draashtti karane laga tab us ne dekha, ki koi misree jan mere ek ibraee bhai ko mar raha haai. jab us ne idhar udhar dekha ki koi naheen haai, tab us misree ko mar dala aur baloo men chhpai diya.. fir doosare din bahar jakar us ne dekha ki do ibraee puroosh apas men marapeett kar rahe haain us ne aparadhaee se kaha, too apane bhai ko kyon marata haai ? us ne kaha, kis ne tujhe ham logon par hakim aur nyayee thharaya ? jis bhanati too ne misree ko ghaat kiya kya usee bhanti too mujhe bhee ghaat karana chahata haai ? tab moosa yah sochakar dr gaya, ki nishchay vah bat khul gai haai. jab firaun ne yah bat sunee tab moosa ko ghaat karane kee yuaktai kee. tab moosa firaun ke samhane se bhaga, aur midhan desh men jakar rahane laga aur vah vahan aek kuaen ke pas baait gaya. midhan ke yajak kee sat bettyaian thee aur ve vahan akar jal bhrane lagee, ki kattauton men bhrake apane pita kee bhedbakaariyon ko pilaaen. tab charavah akar unako hattane lage is par moosa ne khda hokar unakee sahayata kee, aur bhed-bakaariyon ko panee pilaya. jab ve apane pita rooaal ke pas fir ai, tab us ne un se poochha, kya karan haai ki aj tum aeesee faurtee se ai ho ? unhon ne kaha, ek misree puroosh ne ham ko charavahon ke hath se chhudaya, aur hamare liye bahut jal bhrake bhed-bakaariyon ko pilaya. tab us ne apanee beattyaien se kaha, vah puroosh kahan haai ? tum usako kyon chhod ai ho ? usako bula le ao ki vah bhojan kare. aur moosa us puroosh ke sath rahane ko prasann hua us ne use apanee bettee sippora ko byah diya. aur usake aek putra utpann hua, tab moosa ne yah kahakar, ki maain any desh men paradeshaee hoo, usaka nam gesharem rakha.. bahut dinon ke beetane par misr ka raja mar gaya. aur israaelee kattnai seva ke karan lambee sans lekar ahen bhrane lage, aur pukar utte, aur unakee dohai jo kattnai seva ke karan hui vah parameshvar tak pahunchee. aur parameshvar ne unaka karahana sunakar apanee vacha ko, jo us ne ibraaheem, aur isahak, aur yakoob ke sath bandhaee thee, smaran kiya. aur parameshvar ne israaeliyeon par draashtti karake un par chitt lagaya..

moosa apane sasur yitrae nam midhan ke yajak kee bhed-bakaariyon ko charata tha aur vah unhen jangal kee paralee or horeb nam parameshvar ke parvat ke pas le gaya. aur parameshvar ke doot ne aek katteelee jhadee ke beech ag kee lau men usako darshan diya aur us ne draashtti uttakar dekha ki jhadee jal rahee haai, par bhm naheen hotee. tab moosa ne socha, ki maain udhar firake is bade achambhe ko dekoonga, ki vah jhadee kyon naheen jal jatee. jab yahova ne dekha ki moosa dekhne ko muda chala ata haai, tab parameshvar ne jhadee ke beech se usako pukara, ki he moosa, he moosa. moosa ne kaha, kya agyaa. us ne kaha idhar pas mat a, aur apane panvon se jootiyon ko utar de, kyonki jis sthan par too khda haai vah paav-itya boomi haai. fir us ne kaha, maain tere pita ka parameshvar, aur ibraaheem ka parameshvar, isahak ka parameshvar, aur yakoob ka parameshvar hoon. tab moosa ne jo parameshvar kee or niharane se drata tha apana munh ddhap liya. fir yahova ne kaha, maain ne apanee praja ke log jo misr men haain unake dukh ko nishchay dekha haai, aur unakee jo chillahatt paarishram karanevalon ke karan hotee haai usako bhee maain ne suna haai, aur unakee peeda par maain ne chitt lagaya haai isaliye ab maain utar aya hoon ki unhen misriyon ke vash se chhudau, aur us desh se nikalakar aek achchhe aur bade desh men jis men doodha aur madha kee dhaara bahatee haai, arthata kananee, hittee, aemoree, paarijje, hivvee, aur yaboossee logon ke sthan men pahunchaun. so ab sun, israaeliyon kee chillahatt mujhe sunai padee haai, aur misriyon ka un par andhor karana bhee mujhe dikhai pada haai, isaliye a, maain tujhe firaun ke pas bhejata hoon ki too merree israaelee praja ko misr se nikal le aae. tab moosa ne parameshvar se kaha, maai kaun hoon jo firaun ke pas jau, aur israaeliyon ko misr se nikal le aun ? us ne kaha, nishchay maain tere sang rahoonga aur is bat ka ki tera bhejanevala maain hoo, tere liye yeh chinch hoga ki jab too un logon ko misr se nikal chuke tab tum isee pahad par parameshvar kee upasana karoge. moosa ne parameshvar se kaha, jab maain israaeliyon ke pas jakar un se yah kahoo, ki tumhare pitaron ke parameshvar ne mujhe tumhare pas bheja haai, tab yadi ve mujh se poochhe, ki usaka kya nam haai? tab maain unako kya bataun? parameshvar ne moosa se kaha, maain jo hoon so hoon. fir us ne kaha, too israaeliyon se yah kahana, ki jisaka nam maain hoon haai usee ne mujhe tumhare pas bheja haai. fir parameshvar ne moosa se yah bhee kaha, ki too israaeliyon se yah kahana, ki tumhare pitaron ka parameshvar, arthata ibraaheem ka parameshvar, isahak ka parameshvar aur yakoob ka parameshvar, yahova usee ne mujh ko tumhare pas bheja haai. dekh sada tak mera nam yahee rahaga, aur peeddhee peeddhee men mera smaran isee se hua karega. isaliye ab jakar israaelee puraaniyon ko ikattha kar, aur un se kah, ki tumhare pitar ibraaheem, isahak, aur yakoob ke parameshvar, yahova ne mujhe darshan dekar yah kaha haai, ki maain ne tum par aur tum se jo bartav misr men kiya jata haai us par bhee chit lagaya haai aur maain ne ttan liya haai ki tum ko misr ke dukhon men se nikalakar kana-

isake pashchata moosa aur haroon ne jakar firaun se kaha, israel ka parameshvar yahova yon kahata haai, ki merree praja ke logon ko jane de, ki ve jangal men mere liye pavrva karen. firaun ne kaha, yahova kaun haai, ki maain usaka vachan manakar israeliyeon ko jane doon ? maain yahova ko naheen janata, aur maain israeliyeon ko naheen jane doonga. unhon ne kaha, ibiryon ke parameshvar ne ham se bhenntt kee haai so hamen jangal men teen din ke marga par jane de, ki apane parameshvar yahova ke liye baalidan kare, aesa n ho ki vah ham men maree faailaave va talavar chalaave. misr ke raja ne un se kaha, he

moosa, he haroon, tum kyon logon se kam chhudvane chahate ho? tum jakar apane apane bojh ko uttao. aur firon ne kaha, suno, is desh men ve lag bahut ho gae haai, fir tum unako parishram se vishraam dilana chahate ho ! aur firaun ne usee din un parishram karavanevalon ko jo un logon ke upar the, aur unakee saradaron ko yah agyaa dee, ki tum jo ab tak iten banane ke liye logon ko pual diya karate the so age ko n dena ve ap hee jakar apane liye pual ikattha karen. taubhee jitane intten ab tak unhen bananee padtee theen utanee hee age ko bhee un se banavana, intton kee ginatee kuchh bhee n ghattana kyonaki ve alasee haain is karan yah kahakar chillate haai, ki ham jakar apane parameshvar ke liye baalidan karen. un manushyon se aur bhee kattnai seva karavai gae ki ve us men parishram karate rahen aur joottee baton par dhyaan n lagaen. tab logon ke parishram karanevalon ne aur saradaron ne bahar jakar un se kaha, firaun is prakhar kahata haai, ki maain tumhen pual naheen doonga. tum hee jakar jahan kaheen pual mile vahan se usako battor kar le ao parantu tumhara kam kuchh bhee naheen ghattaya jaega. so ve log sare misr desh men tittra-abittir huae ki pual kee santee koontee battoren. aur paarishram karanevale yah kah kahakar un se jaldee karate rahe, ki jis prakhar tum pual pakar kiya karate the usee prakhar apana praatidin ka kam ab bhee poora karo. aur israeliyeon men se jin saradaron ko firaun ke paarishram karanevalon ne unaka adhaikaree tharaya tha, unhon ne mar khai, aur us se poochha gaya, ki kya karan haai ki tum ne apanee thharai hui intton kee ginatee ke anusar pahile kee nai kal aur aj pooree naheen karai ? tab israeliyeon ke saradaron ne jakar firaun kee dohai yah kahakar dee, ki too apane dason se aesa bartav kyon karata haai? tere dason ko pual to diya hee navheen jata aur ve ham se kahate rahate haai, intte banna, intten banna, aur tere dason ne bhee mar khai haain parantu dosh tere hee logon ka haai. firaun ne kaha, tum alasee ho, alasee isee karan kahate ho ki hame yahova ke liye baalidan karane ko jane de. aur jab akar apana kam karo aur pual tum ko naheen diya jaega, parantu itton kee ginatee pooree karane padegge. jab israeliyeon ke saradaron ne yah bat sunee ki unakee intton kee ginatee n ghategee, aur praatidin utana hee kam poora karana padega, tab ve jan gae ki unakee durbhagy ke din a gae haain. jab ve firaun ke sammukh se bahar nikal aae tab moosa aur haroon, jo un se bhenntt karane ke liye khde the, unhen mile. aur unhon ne moosa aur haroon se kaha, yahova tum par draashtti karake nyay kare, kyonki tum ne ham ko firaun aur usake karmachaariyon kee draashtti men gharaanait tharavakar hamen ghaat karane ke liye unakee hath men talavar de dee haai. tab moosa ne yahova ke pas laut kar kaha, he prabhu, too ne is praja ke sath aesee burai kyon kee? aur too ne mujhe yahan kyon bheja ? jab se maain tere nam se firaun ke pas baten karane ke liye gaya tab se usane is praja ke sath bura hee vyavahar kiya haai, aur too ne apanee praja ka kuchh bhee chhuttkara naheen kiya.

tab yahova ne moosa se kaha, ab too dekhaga ki maain firaun ne kya karoonga jis se vah unako barabas nikalega, vah to unhen apane desh se barabas nikal dega.. aur parameshvar ne moosa se kaha, ki maain yahova hoon. maain sarvashaktimaan ishvar ke nam se ibraaheem, isahak, aur yakoob ko darshan deta tha, parantu yahova ke nam se maain un par praggatt n hua. aur maain ne unake sath apanee vacha draddh kee haai, arthata kanan desh jis men ve paradeshaee hokar rahate the, use unhen de doon. aur israaelee jinhen misree log dasatv men rakhte haain unaka karahana bhee sunakar maain ne apanee vacha ko smaran kiya haai. is karan too israaeliyon se kah, ki maain yahova hoo, aur tum ko misriyon ke bojhon ke neeche se nikaloonga, aur unake dasatv se tum ko chhudaunga, aur apanee bhujia baddhakar aur bharee dand dekar tumhen chhuda loonga, aur maain tum ko apanee praja banane ke liye apana loonga, aur maain tumhara parameshvar ttharoonga aur tum jan loge ki maain tumhara parameshvar yahova hoon jo tumhen misriyon ke bojhon ke neeche se nikal le aya. aur jis desh ke dene kee shapath maain ne ibraaheem, isahak, aur yakoob se khai thee use men maain tumhen pahunchakar use tumhara bhag kar doonga. maain to yahova hoon. aur ye baten moosa ne israaeliyon ko sunai parantu unhon ne man kee bechaanee aur dasatv kee kroorata ke karan usakee n sunee.. tab yahova ne moosa se kaha, too jakar misr ke raja firaun se kah, ki israaeliyon ko apane desh men se nikal jane de. aur moosa ne yahova se kaha, dek, israaeliyon ne meree naheen sunee fir firaun mujh bhe bolanevale kee kyonkar sunega ? aur yahova ne moosa aur haroon ko israaeliyon aur misr ke raja firaun ke liye agyaa is abhaipraay se dee ki ve israaeliyon ko misr desh se nikal le jaen. unake pitaron ke gharanon ke mukhy puroosh ye haain : israel ke jetta rooben ke putra : hanok, pallo, hesron aur kammree the aur shaimon ke putra : yamooael, yameen, ohad, yaakin, aur sohar the, aur aek kananee sree ka betta shaaul bhee tha inheen se shaimon ke kul nikale. aur levee ke putra jin se unakee vanshaavalee chalee haai, unake nam ye haain : arthata gesharen, kahat aur mararee, aur levee ko pooree avastha aek sau saantees varsha kee hui. gesharen ke putra jin se unaka kul chala : libanee aur shaimee the. aur kahat ke putra : amraam, yisahar, hebraen aur ujjeael the, aur kahat ke pooree avastha aek sau saantees varsha kee hui. aur mararee ke putra : mahalee aur mooshae the. leaviyon ke kul jin se unakee vanshaavalee chalee ye hee haain. amraam ne apanee foofaee yokebed ko byah liya aur us se haroon aur moosa utpann hua, aur amraam ke pooree avastha aek sau saantees varsha kee hui. aur yisahar ke putra korah, nepeg aur jikree the. aur ujjeael ke putra : meeshaael, aelasapan aur sitraee the. aur haroon ne ammeenadab kee bettee, aur nahashaen kee bahin aeleeshoba ko byah liya aur us se nadab, abeeho, aeelajar aur itamar utpann huae. aur korah ke putra : asseer, aelakana aur abeeasap the aur inheen se korahiyon ke kul nikale. aur haroon ke putra aelajar ne pooteael kee aek bettee ko byah liya aur us se peenahas utpann hua jin se unaka kul chala.

leaviyon ke pitaron ke gharanon ke mukhy puroosh ye hee haain. haroon aur moosa ve hee haain jinako yahova ne yah agyaa dee, ki israaeliyon ko dal dal karake unake jatthon ke anusar misr desh se nikal le ao. ye vahee moosa aur haroon haain jinhon ne misr ke raja firaun se kaha, ki ham israaeliyon ko misr se nikal le jaenge.. jab yahova ne misr desh men moosa se yah bat kahee, ki maain to yahova hoon isaliye jo kuchh maain tum se kahoonga vah sab misr ke raja firaun se kahana. aur moosa ne yahova ko uttr diya, ki maain to bolane men bha hoon aur firon kyonkar meree sunega ?

7

tab yahova ne moosa se kaha, sun, maain tuihe firaun ke liye parameshvar sa ttharata hoon aur tera bhai haroon tera nabee ttharega. jo jo agyaa maain tuihe doon vahee too kahana, aur haroon use firaun se kahaga jis se vah israaeliyon ko apane desh se nikal jane de. aur maain firaun ke man ko kattor kar doonga, aur apane chinh aur chatmatkar misr desh men bahut se dikhlaunga. taubhee firaun tumharee n sunega aur maain misr desh par apana hath baddhakar misriyon ko bharee dand dekar apanee sena arthata apanee israaelee praja ko misr desh se nikal loonga. aur jab maain misr par hath baddha kar israaeliyon ko unake beech se nikaloonga tab misree jan lenge, ki maain yahova hoon. tab moosa aur haroon ne yahova ke agyaa ke anusar hee kiya. aur jab moosa aur haroon firaun se bat karane lage tab moosa to assee varsha ka tha, aur haroon tirasee varsha ka tha.. fir yahova ne, moosa aur haroon se is prakar kaha, ki jab firaun tum se kahe, ki apane praman ka koi chatmatkar dikhao, tab too haroon se kahana, ki apanee lattee ko lekar firaun ke samhane dal de, ki vah ajagar ban jaae. tab moosa aur haroon ne firaun ke pas jakar yahova ke agyaa ke anusar kiya aur jab haroon ne apanee lattee ko firaun aur usake karmachaariyon ke samhane dal diya, tab vah ajagar ban gaya. tab firaun ne paanditon aur ttonaha karanevalon ko bulavaya aur misr ke jadoogaron ne akar apane apane tantra mantra se vaaisa hee kiya. unhon ne bhee apanee apnee lattee ko dal diya, aur ve bhee ajagar ban gae. par haroon kee lattee unakee lattaiyen ko nigal gai. parantu firaun ka man aur hatteela ho gaya, aur yahova ke vachan ke anusar us ne moosa aur haroon kee baton ko naheen mana.. tab yahova ne moosa se kaha, firon ka man kattor ho gaya haai aur vah is praja ko jane naheen deta. isaliye bihan ko firaun ke pas ja, vah to jal kee or bahar aega aur jo lattee sarpa ban gai thee, usako hath men liae huae neel nadee ke tatt par us se bhenatt karane ke liye khdah rahana. aur us se is prakar kahana, ki ibiryon ke parameshvar yahova ne mujhe yah kahane ke liye tere pas bheja haai, ki meree praja ke logon ko jane de ki jis se ve jangal men meree upasana karen aur ab tak too ne mera kahana naheen mana. yahova yon kahata haai, is se too jan lega ki maain hee parameshvar hoon dek, maai apane hath kee lattee ko neel nadee ke jal par maroonga, aur jal lohoo ban jaaega, aur jo machhliyan neel nadee men haain ve mar jaaengee, aur neel nadee basane lagegee, aur nadee ka panee peene ke liye misriyon ka

jee n chahega. fir yahova ne moosa se kaha, haroon se kah, ki apanee lattee lekar misr desh men jitana jal haai, arthata usakee naadiya, nahare, jheel, aur pokhre, sab ke upar apana hath baddha ki unaka jal lohoo ban jaae aur sare misr desh men katt aur patthr donon bhanati ke jalapatraen men lohoo hee lohoo ho jaaega. tab moosa aur haroon ne yahova kee agyaa hee ke anasar kiya, arthata us ne lattee ko uttakar firaun aur usake karmachaariyon ke dekhte neel nadee ke jal par mara, aur nadee ka sab jal lohoo ban gaya. aur neel nadee men jo machhaliyan theen ve mar gai aur nadee se durgandha ane lagee, aur misree log nadee ka panee n pee sake aur sare misr desh men lohoo ho gaya. tab misr ke jadoogaron ne bhee apane tantra-mantrae se vaaisa hee kiya taubhee firaun ka man hat-teela ho gaya, aur yahova ke kahane ke anasar us ne moosa aur haroon kee n manee. firaun ne is par bhee dhyaan naheen diya, aur munh faer ke apane ghar men chala gaya. aur sab misree log peene ke jal ke liye neel nadee ke as pas khodane lage, kyonaki ve nadee ka jal naheen pee sakate the. aur jab yahova ne neel nadee ko mara tha tab se sat din ho chuke the..

aur tab yahova ne fir moosa se kaha, firaun ke pas jakar kah, yahova tujh se is prakar kahata haai, ki meree praja ke logon ko jane de jis se ve meree upasana karen. aur yaadi unhen jane n dega to sun, maain menddhk bhejakar tere sare desh ko haani pahunchanevala hoon. aur neel nadee menddhkon se bhr jaaege, aur ve tere bhvan me, aur tere bich-haune par, aur tere karmachaariyon ke gharon me, aur teree praja par, varan tere tandooron aur kattauiyon men bhee chaddh jaaenge. aur tujh par, aur teree praja, aur tere karmachaariyo, sabhon par menddhk chaddh jaaenge. fir yahova ne moosa ko bulavakar kaha, ki haroon se kah de, ki nadiyo, naharo, aur jheelon ke upar lattee ke sath apana hath baddhakar menddhkon ko misr desh par chaddha le aae. tab haroon ne misr ke jalashayon ke upar apana hath baddhaya aur menddhkon ne misr desh par chaddhkar use chha liya. aur jadoogar bhee apane tantra-mantraen se usee prakar misr desh par menddhk chaddha le aae. tak firaun ne moosa aur haroon ko bulavakar kaha, yahova se binatee karo ki vah menddhkon ko mujh se aur meree praja se door kare aur maain israaele logon ko jane doonga jis se ve yahova ke liye baalidan karen. tab moosa ne firaun se kaha, itanee bat par to mujh par tera ghamand rahe, ab maain tere, aur tere karmachaariyo, aur praja ke nimit kab binatee karoo, ki yahova tere pas se aur tere gharon men se menddhkon ko door kare, aur ve keval neel nadee men paae jaaen ? us ne kaha, kala. us ne kaha, tere vachan ke anasar hoga, jis se tujhe yah gyaat ho jaae ki hamare parameshvar yahova ke tuly ko auri doosara naheen haai. aur menddhk tere pas se, aur tere gharon men se, aur tere karmachaariyon aur praja ke pas se door hokar keval neel nadee men rahenge. tab moosa aur haroon firaun ke pas se nikal gae aur moosa ne un menddhkon ke vishay yahova kee dohai dee jo us ne firaun par bheje the. aur yahova ne moosa ke kahane ke anasar kiya aur menddhk gharo, angano, aur

kheton men mar gae. aur logon ne ikatthe karake unake ddher laga dia, aur sara desh durgandha se bhr gaya. parantu jab firon ne dekha ki ab aram mila haai tak yahova ke kahane ke anasar us ne fir apane man ko kattor kiya, aur unakee n sunee. fir yahova ne moosa se kaha, haroon ko agyaa de, ki too apanee lattee baddhakar boomi kee dhool par mar, jis se vah misr desh bhr men kuttakiyan ban jaaen. aur unhon ne vaaisa hee kiya arthata haroon ne lattee ko le hath baddhakar boomi kee dhool par mara, tab manushy aur pashu donon par kuttakiyan ho gai varan sare misr desh men boomi kee dhool kuttakiyan ban gai. tab jadoogaron ne chaha ki apane tantra mantraen ke bal se ham bhee kuttakiyan le aae, parantu yah un se n ho saka. aur manushyon aur pashuon donon par kuttakiyan banee hee raheen. tab jadoogaron ne firaun se kaha, yah to parameshvar ke hath ka kam haai. taub-hee yahova ke kahane ke anasar firaun ka man kattor hota gaya, aur us ne moosa aur haroon kee bat n manee. fir yahova ne moosa se kaha, bihan ko tadke uttkar firaun ke samhane khda hona, vah to jal kee or aega, aur us se kahana, ki yahova tujh se yah kahata haai, ki meree praja ke logon ko jane de, ki ve meree upasana karen. yaadi too meree praja ko n jane dega to sun, maain tujh par, aur tere karmachaariyon aur teree praja par, aur tere gharon men jhund ke jhund dans bhejoonga aur misriyon ke ghar aur unake rahane kee boomi bhee danson se bhr jaaege. us din maain goshon desh ko jis men meree praja rahatee haai alag karoonga, aur us men danson ke jhund n honge jis se too jan le ki prathvee ke beech maain hee yahova hoon. aur maain apanee praja aur teree praja men antar tharaunga. yah chinh kal hoga. aur yahova ne vaaisa hee kiya, aur firaun ke bhvan, aur usake karmachaariyon ke gharon me, aur sare misr desh men danson ke jhund ke jhund bhr gae, aur danson ke mare vah desh nash hua. tab firaun ne moosa aur haroon ko bulavakar kaha, tum jakar apane parameshvar ke liye isee desh men baalidan karo. moosa ne kaha, aeasa karana uchit naheen kyonki ham apane parameshvar yahova ke liye misriyon kee gharanait vastu balidan karenge aur yaadi ham misriyon ke dekhte unakee gharanait vastu balidan karen to kya ve ham ko patthravah n karenge ? ham jangal men teen din ke marga par jakar apane parameshvar yahova ke liye jaaisa vah ham se kahega vaaisa hee baalidan karenge. firaun ne kaha, maain tum ko jangal men jane doonga ki tum apane parameshvar yahova ke liye jangal men baalidan karo keval bahut door n jana, aur mere liye binatee karo. tab moosa ne kaha, sun, maain tere pas se bahar jakar yahova se binatee karoonga ki danson ke jhund tere, aur tere karmachaariyo, aur praja ke pas se kal hee door hon par firaun age ko kapatt karake hamen yahova ke liye baalidan karane ko jane dene ke liye naheen n kare. so moosa ne firaun ke pas se bahar jakar yahova se binatee kee. aur yahova ne moosa ke kahe ke anasar danson ke jhundon ko firaun, aur usake karmachariyo, aur usakee praja se door kiya yahan tak ki aek bhee n raha. tak firaun ne is bar bhee apane man ko sunn kiya, aur un logon ko jane n diya..

fir yahova ne moosa se kaha, firon ke pas jakar kah, ki ibiryon ka parameshvar yahova tujh se is prakar kahata haai, ki merree praja ke logon ko jane de, ki merree upasana karen. aur yaadi too unhen jane n de aur ab bhee pakade rahe, to sun, tere jo ghaade, gadahe, unt, gaya-baail, bhed-bakaree adi pashu maaidan men haai, un par yahova ka hath aeesa padega ki bahut bharee maree hogee. aur yahova israaeliyon ke pashuon men aur misriyon ke pashuon men aeesa antar karega, ki jo israaeliyon ke haain un men se koi bhee n marega. fir yahova ne yah kahakar aek samay ttharaya, ki maain yah kam is desh men kal karoonga. doosare din yahova ne aeesa hee kiya aur misr ke to sab pashu mar gaa, parantu israaeliyon ka aek bhee pashu n mara. aur firaun ne logon ko bheja, par israaeliyon ke pashuon men se aek bhee naheen mara tha. taubhee firaun ka man sunn ho gaya, aur us ne un logon ko jane n diya. fir yahova ne moosa aur haroon se kaha, ki tum donon bhtee men se aek aek mutthee rakh le lo, aur moosa use firaun ke samhane akash kee or uda de. tab vah sooksham dhool hokar sare misr desh men manushyon aur pashuon donon par fafoale aur faode ban jaagee. so ve bhtee men kee rakh lekar firaun ke samhane khde hua, aur moosa ne use akash kee or uda diya, aur vah manushyon aur pashuon donon par fafoale aur faode ban gai. aur un faodon ke karan jadoogar moosa ke samhane khde n rah sake, kyonki ve faode jaaise sab misriyon ke vaaise hee jadoogaron ke bhee nikale the. tab yahova ne firaun ke man ko kattor kar diya, aur jaaisa yahova ne moosa se kaha tha, us ne usake n sunee.. fir yahova ne moosa se kaha, bihan ko tadke uttkar firaun ke samhane khda ho, aur us se kah ibiryon ka parameshvar yahova is prakar kahata haai, ki merree praja ke logon ko jane de, ki ve merree upasana karen. naheen to ab kee bar maain tujh par, aur tere karmachariyon aur teree praja par sab prakar kee vipaati-ayan daloonga, jisase too jan le ki saree prathvee par mere tuly koi doosara naheen haai. maain ne to ab-hee hath baddhakar tujhe aur teree praja ko maree se mara hota, aur too prathvee par se satyanash ho gaya hota parantu sachamuch maain ne isee karan tujhe banaae rakha haai, ki tujhe apana samathrya dikhaa, aur apana nam saree prathvee par praasiddh karoon. kya too ab bhee merree praja ke samhane apane ap ko bada samajhta haai, aur unhen jane naheen deta ? sun, kal maain isee samay aese bharee bharee ole barasaunga, ki jin ke tuly misr kee nev padne ke din se lekar ab tak kabhee naheen pade. so ab logon ko bhejkar apane pashuon ko apane maaidan men jo kuchh tera haai sab ko faurtee se ad men chhpaile naheen to jitane manushy va pashu maaidan men rahen aur ghar men ikatthe n kiae jaen un par ole girenge, aur ve mar jaenge. isaliye firaun ke karmachariyon men se jo log yahova ke vachan ka bhy manate the un-hon ne to apane apane sevakon aur pashuon ko ghar men hak diya. par jinhon ne yahova ke vachan par man n lagaya unhon ne apane sevakon aur pashuon ko maaidan men rahane diya.. tak yahova ne moosa se kaha, apana hath akash kee or baddha, ki sare misr desh ke manushyon pashuon aur kheton kee sare

upaj par ole giren. tab moosa ne apanee lattee ko akash kee or uttaya aur yahova meghe garajane aur ole barasane laga, aur ag prathvee tak atee rahee. is prakar yahova ne misr desh par ole barasaae. jo ole girate the unake sath ag bhee milee hui thee, aur ve ole itane bharee the ki jab se misr desh basa tha tab se misr bhr men aese ole kabhee n gire the. isaliye misr bhr ke kheton men kya manushy, kya pashu, jitane the sab olon se mare gaa, aur olon se khet kee saree upaj nasht ho gai, aur maaidan ke sab vraksha toot gaae. keval goshon desh men jahan israaele basate the ole naheen gire. tab firaun ne moosa aur haroon ko bulava bheja aur un se kaha, ki is bar maain ne pap kiya haai yahova dharmee haai, aur maain aur merree praja adharnee haain. meghean ka garajana aur olon ka barasana to bahut ho gaya ab bhvishy men yahova se binatee karo tab maain tum logon ko jane doonga, aur tum n roke jaoge. moosa ne us se kaha, nagar se nikalate hee maain yahova kee or hath faailaunga, tab badal ka garajana band ho jaege, aur ole fir n girenge, is se too jan lega ki prathvee yahova hee kee haai. taubhee maain janata hoo, ki n to too aur n tere karmacharee yahova parameshvar ka bhy manenge. san aur jav to olon se mare gaa, kyonki jav kee balen nikal chukee theen aur san men fool lage huae the. par gehoon aur kaattiyai gehoon jo baddhe n the, is karan ve mare n gaae. jab moosa ne firaun ke pas se nagar ke bahar nikalakar yahova kee or hath faailaa, tab badal ka garajana aur olon ka barasana band hua, aur fir bahut menh boomi par n pada. yah dekhkar ki menh aur olon aur badal ka garajana band ho gaya firaun ne apane karmachariyon samet fir apane man ko kattor karake pap kiya. aur firaun ka man hatteela hota gaya, aur us ne israaeliyon ko jane n diya jaaisa ki yahova ne moosa ke dara kahalavaya tha..

fir yahova ne moosa se kaha, firon ke pas ja kyon-aki maain hee ne usake aur usake karmachariyon ke man ko isaliye kattor kar diya haai, ki apane chinh unake beech men dikhlaun. aur tum log apane bet-ton aur poton se isaka varn karo ki yahova ne misriyon ko kaaise tttthton men udaya aur apane kya kya chinh unake beech pragatt kiae haain jis se tum yah jan loge ki maain yahova hoon. tab moosa aur haroon ne firaun ke pas jakar kaha, ki ibiryon ka parameshvar yahova tujh se is prakar kahata haai, ki too kab tak mere samhane deen hone se sankoch karata rahega ? merree praja ke logon ko jane de, ki ve merree upasana karen. yaadi too merree praja ko jane n de to sun, kal maain tere desh men ttiiddayan le aunga. aur ve dharatee ko aeesa chha lenge, ki vah dekh n padegge aur tumhara jo kuchh olon se bach raha haai usako ve chatt kar jaengee, aur tumhare jitane vraksha maaidan men lage haain unako bhee ve chatt kar jaengee, aur ve tere aur tere sare karmachariyo, nidan sare misriyon ke gharon men bhr jaengee itanee ttiiddayan tere bapadadon ne va unake purakhon ne jab se prathvee par janme tab se aj tak kabhee n dekheen. aur vah munh faerakar firaun ke pas se bahar gaya. tab firaun ke karmacharee us se kahane lage, vah jan kab tak hamare liye fanda

fir aaleem se kooch karake israaeliyon kee saree mandlee, misr desh se nikalane ke maheene ke doosare maheene ke pandrahave din ko, seen nam jangal me, jo aaleem aur seenaai parvat ke beech men haai, a pahunchee. jangal men israaeliyon kee saree mandlee moosa aur haroon ke viroodhd bakajhk karane lagee. aur israaelee un se kahane lage, ki jab ham misr desh men mans kee hanadyaien ke pas baaitkar manamana bhojan khate the, tab yaadi ham yahova ke hath se mar dale bhee jate to uttm vahee tha par tum ham ko is jangal men isaaliye nikal le aae ho ki is sare samaj ko bookhon mar dalo. tab yahova ne moosa se kaha, dekho, maain tum logon ke liye akash se bhojan vastu barasaunga aur ye log praatidin bahar jakar pratidin ka bhojan ikattha karenge, is se maain unakee pareeksha karoonga, ki ye meree vyavastha par chalenge ki naheen. aur aeesa hoga ki chhtven din vah bhojan aur dinon se doona hoga, isaaliye jo kuchh ve us din battoren use taaiyar kar rakhen. tab moosa aur haroon ne sare israaeliyon se kaha, sanjh ko tum jan loge ki jo tum ko misr desh se nikal le aya haai vah yahova haai. aur bhor ko tumhen yahova ka tej dekh padega, kyonki tum jo yahova par budbudate ho use vah sunata haai. aur ham kya haai, ki tum ham par budbudate ho? fir moosa ne kaha, yah tab hoga jab yahova sanjh ko tumhen khane ke liye mans aur bhor ko rottee manamane dega kyonaki tum jo us par budbudate ho use vah sunata haai. aur ham kya haain? tumhara budbudana ham par naheen yahova hee par hota haai. fir moosa ne haroon se kaha, israaeliyon kee saree mandlee ko agyaa de, ki yahova ke samhane varan usake sameep ave, kyonki us ne unaka budbudana suna haai. aur aeesa hua ki jab haroon israaeliyon kee saree mandlee se aeese hee baten kar raha tha, ki unhon ne jangal kee or drashtii karake dekha, aur unako yahova ka tej badal men dikhlayi diya. tab yahova ne moosa se kaha, israaeliyon ka budbudana maain ne suna haai un se kah de, ki godhooli ke samay tum mans khaoge aur bhor ko tum rottee se trapt ho jaoge aur tum yah jan loge ki maain tumhara parameshvar yahova hoon. aur aeesa hua ki sanjh ko batteren akar saree chhavanee par baait gain aur bhor ko chhavanee ke charon or os padee. aur jab os sookh gai to ve kya dekhte haai, ki jangal kee boomi par chhotte chhotte chh-laike chhottai men pale ke kinakon ke saman pade haain. yah dekhkar israaelee, jo n janate the ki yah kya vastu haai, so apas men kahane lage yah to manna haai. tab moosa ne un se kaha, yah to vahee bhojan vastu haai jise yahova tumhen khane ke liye deta haai. jo agyaa yahova ne dee haai vah yah haai, ki tum us men se apane apane khane ke yogy battora karana, arthata apane apane praanaiyon kee ginatee ke anasar, praati manushy ke peechhe aek aek omer battorana jiske dere men jitane hon vah unheen bhr ke liye battora kare. fir israaeliyon ne vaaisa hee kiya aur kisee ne aadhaik, aur kisee ne thoda battor liya. aur jab unhon ne usako omer se napa, tab jiske pas adhaik tha usake kuchh adhaik n rah gaya, or jiske

pas thoda tha usako kuchh ghattee n hui kyonaki aek aek manushy ne apane khane ke yogy hee battor liya tha. fir moosa ne un se kaha, koi is men se kuchh bihan tak n rakh chhode. taubhee unhon ne moosa kee bat n manee isaaliye jab kisee kisee manushy ne us men se kuchh bihan tak rakh chhoda, to us men keede pad gae aur vah basane laga tab moosa un par krodh-hait hua. aur ve bhor ko praatidin apane apane khane ke yogy battor lete the, or jab dhoop kaadee hotee thee, tab vah gal jata tha. aur aeesa hua ki chhtven din unhon ne doona, arthata praati manushy ke peechhe do do omer battor liya, aur mandlee ke sab pradhaanon ne akar moosa ko bata diya. us ne un se kaha, yah to vahee bat haai jo yahova ne kahee, kyaneki kal paramavishraam, arthata yahova ke liye paavitra vishraam hoga isaaliye tumhen jo tandoor men pakana ho use pakao, aur jo sijhana ho use sijhao, aur is men se jitanache use bihan ke liye rakh chhodo. jab unhon ne usako moosa kee is agyaa ke anasar bihan tak rakh chhoda, tab n to vah basaya, aur n us men keede pade. tab moosa ne kaha, aj usee ko khao, kyonki aj yahova ka vishraamadin haai isaliye aj tum ko maaidden men n milega. chh: din to tum use battora karoge parantu satavan din to vishraam ka din haai, us men vah n milega. taubhee logon men se koi koi sataven din bhee battorane ke liye bahar gaa, parantu unako kuchh n mila. tab yahova ne moosa se kaha, tum log meree agyaaon aur vyavastha ko kab tak naheen manoge? dekho, yahova ne jo tum ko vishraam ka din diya haai, isee karan vah chhtven din ko do din ka bhojan tumhen deta haai isaliye tum apane apane yahan baaitte rahana, sataven din koi apane sthan se bahar n jana. logon ne sataven din vishraam kiya. aur israael ke gharanevalon ne us vastu ka nam manna rakha aur vah dhaaniya ke saman shvet tha, aur usaka svad madha ke bane huae puae ka sa tha. fir moosa ne kaha, yahova ne jo agyaa dee vah yah haai, ki is men se omer bhr apane vansh ke peeddhhee peeddhhee ke liye rakh chhodo, jisee ve janen ki yahova hamako misr desh se nikalakar jangal men kaaisee rottee khailata tha. tab moosa ne haroon se kaha, aek patra lekar us men omer bhr lekar use yahova ke age dhar de, ki vah tumharee peeddhhiyon ke liye rakha rahe. jaaisee agyaa yahova ne moosa ko dee thee, usee ke anasar haroon ne usako sakshaee ke sandook ke age dhar diya, ki vah vaheen rakha rahe. israaelee jab tak base huae desh men n pahunchee tab tak, arthata chalees varsha tak manna ko khate rahe ve jab tak kanan desh ke sivane par naheen pahunchee tab tak manna ko khate rahe. aek omer to aepe ka dasavan bhag haai.

fir israaeliyon kee saree mandlee seen nam jangal se nikal chalee, aur yahova ke agyaanasar kooch karake rapeedeen men apane dere khde kiae aur vahan un logon ko peene ka panee n mila. isaliye ve moosa se vadavivad karake kahane lage, ki hamen peene ka panee de. moosa ne un se kaha, tum mujh se kyon vadavivad karate ho? aur yahova kee pareeksha kyon karate ho? fir vahan logon ko panee kee pyas lagee tab ve yah kahakar moosa par budbudane lage, ki too

hamen ladkebalon aur pashuon samet pyason mar dalane ke liye misr se kyon le aya haai ? tab moosa ne yahova keel dohai dee, aur kaha, in logon se maain kya karoon? ye sab mujhe patthravah karane ko taaiyar haain. yahova ne moosa se kaha, israel ke vraddh logon men se kuchh ko apane sath le le aur jis lattee se too ne neel nadee par mara tha, use apane hath men lekar logon ke age baddh chala. dekh maain tere age chalakar horeb pahad kee aek chattan par khda rahoonga aur too us chattan par marana, tab us men se panee nikalega jisase ye log peeaen. tab moosa ne israel ke vraddh logon ke dekhte vaaisa hee kiya. aur moosa ne us sthan ka nam massa aur mareeba rakha, kayonaki israeliyeon ne vahan vadaavivad kiya tha, aur yahova kee pareeksha yah kahakar kee, ki kya yahova hamare beech haai va naheen? tab amalekee akar rapeedeem men israeliyeon se ladne lage. tab moosa ne yahoshoo se kaha, hamare liye kai aek purooshaen ko chunakar chhant le, or bahar jakar amalekiyon se lad aur maain kal parameshvar kee lattee hath men liye huae pahadee kee chottee par khda rahoonga. moosa kee is agyaa ke anusar yahoshoo amalekiyon se ladne laga aur moosa, haroon, aur hoor pahadee kee chottee par chaddh gaee. aur jab tak moosa apana hath uttaa rahata tha tab tak to israela prabal hota tha parantu jab jab yah use neeche karata tab tab amalek prabal hota tha. aur jab moosa ke hath bhr gaa, tab unhon ne aek patthr lekar moosa ke neeche rakh diya, aur vah us par baait gaya, aur haroon aur hoor aek aek alang men usake hathon ko sambhale rahen aur usake hath sooryast tak sthiar rahe. aur yahoshoo ne anucharon samet amalekiyon ko talavar ke bal se hara diya. tab yahova ne moosa se kaha, smaranarth is bat ko pustak men likh le aur yahoshoo ko suna de, ki maain akash ke neeche se amalek ka smaran bhee pooree reeti se mita daloonga. tab moosa ne aek vedee banakar usaka nam yahovanissee rakha aur kaha, yahova ne shapath khai haai, ki yahova amalekiyon se peeaddhiyon tak ladai karata rahega..

aur moosa ke sasur mian ke yajak yitrae ne yah suna, ki parameshvar ne moosa aur apanee praja israel ke liye kya kya kiya haai, arthata yah ki kis reeti se yahova israeliyeon ko misr se nikal le aya. tab moosa ke sasur yitrae moosa kee patnee sippora ko, jo paahile naaihar bhej dee gai thee, aur usake donon betton ko bhee le aya in men se aek ka nam moosa ne yah kahakar geshareem rakha tha, ki maai any desh men paradeshaee hua hoon. aur doosare ka nam us ne yah kahakar aeleeaejer rakha, ki mere pita ke parameshvar ne mera sahayak hokar mujhe firaun kee talavar se bachaya. moosa kee patnee aur putraen ko usaka sasur yitrae sang liae moosa ke pas jangal ke us sian men aya, jahan parameshvar ke parvat ke pas usaka dera pada tha. aur akar us ne moosa ke pas yah kahala bheja, ki maain tera sasur yitrae hoo, aur dono betton samet teree patnee ko tere pas le aya hoon. tab moosa apane sasur se bhent karane ke liye nikala, aur usako dandvata karake chooma aur ve paraspar kushal kshom poochhte huae dere par a gaee. vahan

moosa ne apane sasur se varnn kiya, ki yahova ne israeliyeon ke nimitt firaun aur misriyon se kya kya kiya, aur israeliyeon ne marga men kya kya kasht uttaya, fir yahova unhen kaaise kaaise chhudata aya haai. tab yitrae ne us samast bhilai ke karan jo yahova ne israeliyeon ke sath kee thee, ki unhen misriyon ke vash se chhudaya tha, magn hokar kaha, dhany haai yahova, jis ne tum ko firaun aur misriyon ke vash se chhudaya, jis ne tum logon ko misriyon kee mutthee men se chhudaya haai. ab maain ne jan liya haai ki yahova sab devataon se bada haai varan us vishay men bhee jis men unhon ne israeliyeon se aabhaiman kiya tha. tab moosa ke sasur yitrae ne parameshvar ke liye homabaali aur melabali chaddhaa, aur haroon israeliyeon ke sab puraniyon samet moosa ke sasur yitrae ke sang parameshvar ke age bhojan karane ko aya. doosare din moosa logon ka nyay karane ko baaita, aur bhor se sanjh tak log moosa ke asapas khde rahe. yah dekhkar ki moosa logon ke liye kya kya karata haai, usake sasur ne kaha, yah kya kam haai jo too logon ke liye karata haai? kya karan haai ki too akela baaita rahata haai, aur log bhor se sanjh tak tere asapas khde rahate haain? moosa ne apane sasur se kaha, isaka karan yah haai ki log mere pas parameshvar se poochhne ate haai. jab jab unaka koi mukama hota haai tab tab ve mere pas ate haain aur maain unake beech nyay karata, aur parameshvar kee vidhai aur vyavastha unhen jatata hoon. moosa ke sasur ne us se kaha, jo kam too karata haai vah achchha naheen. aur is se too kya, varan ye log bhee jo tere sang haain nishchay har jaaenge, kyonki yah kam tere liye bahut bharee haai too ise akela naheen kar sakata. isaliye ab meree sun le, maain tujh ko sammaati deta hoo, aur parameshvar tere sang rahe. too to in logon ke liye parameshvar ke sammukh jaya kar, aur inake mukamon ko parameshvar ke pas too pahuncha diya kara. inhen vidhai aur vyavastha pragatt karake, jis marga par inhen chalana, aur jo jo kam inhen karana ho, vah inako jata diya kara. fir too in sab logon men se aeese purooshaen ko chhant le, jo gunee, aur parameshvar ka bhy manane vale, sachche, aur anyay ke labh se gharana karane hon aur unako hajara-hajar, sau-sau, pachasa-pachas, aur dasadas manushyon par pradhaan niyukt kar de. aur ve sab samay in logon ka nyay kiya karen aur sab bade bade mukamon ko to tere pas le aya kare, aur chhotte chhotte mukamon ka nyay ap hee kiya karen tab tera bojhalaka hoga, kyonaki is bojhal ko ve bhee tere sath uttaaenge. yaadi too yah upay kare, aur parameshvar tujh ko aeese agyaa de, to too tthar sakega, aur ye sab log apane sthan ko kushal se pahunch sakenge. apane sasur kee yah bat man kar moosa ne usake sab vachanon ke anusar kiya. so us ne sab israeliyeon men se gunee-gunee puroosh chunakar unhen hajara-hajar, sau-sau, pachasa-pachas, dasadas, logon ke upar pradhaan tharaya. aur ve sab logon ka nyay karane lage jo mukama kaattnai hota use to ve moosa ke pas le ate the, aur sab chhotte mukamon ka nyay ve ap hee kiya karate the. aur moosa ne apane sasur ko vida kiya, aur us ne apane desh ka marga liya..

israaeliyon ko misr desh se nikale huae jis din teen maheene beet chuke, usee din ve seenaai ke jangal men aae. aur jab ve rapeedem se kooch karake seenaai ke jangal men aa, tab unhon ne jangal men dere khde kiae aur vaheen parvat ke age israaeliyon ne chhavanee dalee. tab moosa parvat par parameshvar ke pas chaddh gaya, aur yahova ne parvat par se usako pukarakar kaha, yakoob ke gharane se aeesa kah, aur israaeliyon ko mera yah vachan suna, ki tum ne dekha haai ki maai ne misriyon se kya kya kiya tum ko mano ukab pakshaee ke pankhon par chaddhakar apane pas le aya hoon. isaliye ab yaadi tum nishchay merree manoge, aur merree vacha ka palan karoge, to sab logon men se tum hee mera nij dhan ttharoge samast prathvee to merree haai. aur tum merree drashtti men yajakon ka rajy aur paavitra jaati ttharoge. jo baten tuihe israaeliyon se kahane haain ve ye hee haai. tab moosa ne akar logon ke puraniyon ko bulavaya, aur ye sab bate, jinake kahane kee agyaa yahova ne usee dee thee, unako samajhaa deen. aur sab log milakar bol utte, jo kuchh yahova ne kaha haai vah sab ham nit kareng. logon kee yah baten moosa ne yahova ko sunain. tab yahova ne moosa se kaha, sun, maain badal ke andhaiyare men hokar tere pas ata hoo, isaaliye ki jab maain tuih se baten karoon tab ve log sune, aur sada teree prateeti karen. aur moosa ne yahova se logon kee baton ka varnn kiya. tab yahova ne moosa se kaha, logon ke pas ja aur unhen aj aur kal paavitra karana, aur ve apane vasr dhae le, aur ve teesare din tak taaiyar ho rahen kyonki teesare din yahova sab logon ke dekhthe seenaai parvat par utar aaega. aur too logon ke liye charon or bada bandha dena, aur un se kahana, ki tum sachet rahon ki parvat par n chaddho aur usake sivane ko bhee n choos aur jo koi pahad ko choosae vah nishchay mar dala jae. usako koi hath se to n choos, parantu vah nishchay patthravah kiya jaa, va teer se chhedaa jae chahe pashu ho chahe manushy, vah jeevit n bache. jab mahashabd vale naraasinge ka shabd der tak sunai de, tab log parvat ke pas aen. tab moosa ne parvat par se utarakar logon ke pas akar unako paavitra karaya aur unhon ne apane vasr dhae lae. aur us ne logon se kaha, teesare din tak taaiyar ho raho sree ke pas n jana. jab teesara din aya tab bhor hote badal garajane aur bijalee chamakane lagee, aur parvat par kalee ghatta chha gai, fir naraasinge ka shabd bada bhree hua, aur chhavanee men jitane log the sab kanp utte. tab moosa logon ko parameshvar se bhennt karane ke liye chhavanee se nikal le gaya aur ve parvat ke neeche khde hue. aur yahova jo ag men hokar seenaai parvat par utara tha, is karan samast parvat dhauen se bhr gaya aur usaka dhauan bhtte ka sa utt raha tha, aur samast parvat bahut kanp raha tha fir jab naraasinge ka shabd baddhta aur bahut bharee hota gaya, tab moosa bola, aur parameshvar ne vaneer sunakar usako uttr diya. aur yahova seenaai parvat kee chottee par utara aur moosa ko parvat kee chottee par bulaya aur moosa upar chaddh gaya. tab yahova ne moosa se kaha, neeche utarake logon ko chitavane de, kaheen aeesa n ho ki ve bada todke yahova ke pas dekhne ko ghause, aur un men se bahut nash hon jaen. aur yajak

jo yahova ke sameep aya karate haain ve bhee apane ko paavitra kare, kaheen aeesa n ho ki yahova un par toot pad. moosa ne yahova se kaha, ve log seenaai parvat par naheen chaddh sakate too ne to ap ham ko yah kahakar chitaya, ki parvat ke charon aur bada bandhakar use pavitra rakho. yahova ne us se kaha, utar to ja, aur haroon samet upar a parantu yajak aur sadhaaran log kaheen yahova ke pas bada todke n chaddh aae, kaheen aeesa n ho ki vah un par toot pad. ye hee baten moosa ne logon ke pas utarake unako sunain..

tab parameshvar ne ye sab vachan kahe, ki maai tera parameshvar yahova hoo, jo tuihe dasatv ke ghar arthata misr desh se nikal laya haai.. too mujhe chhod doosaron ko ishvar karake n manana.. too apane liye koi moorti khodakar n banana, n kisee ki pratima banana, jo akash me, va prathvee par, va prathvee ke jal men haai. too unako dandvata n karana, aur n unakee upasana karana kyonki maai tera parameshvar yahova jalan rakhne vala ishvar hoo, aur jo mujh se baair rakhte haai, unake betto, poto, aur parapoton ko bhee pitaron ka dand diya karata hoo, aur jo mujh se praem rakhte aur merree agyaaon ko manate haai, un hajaron par karoona kiya karata hoon.. too apane parameshvar ka nam vyarth n lena kyonki jo yahova ka nam vyarth le vah usako nirdosh n ttharaaega.. too vishraamadin ko pavitra manane ke liye smaran rakhna. chh: din to too parishram karake apana sab kam kaj karana parantu satavan din tere parameshvar yahova ke liye vishraamadin haai. us men n to too kisee bhanti ka kam kaj karana, aur n tera betta, n teree bettee, n tera das, n teree dasee, n tere pashu, n koi paradeshaee jo tere faattkon ke bheetar ho. kyonaki chh: din men yahova ne akasha, aur prathvee, aur samudra, aur jo kuchh un men haai, sab ko banaya, aur satavan din vishraam kiya is karan yahova ne vishraamadin ko ashaeesh dee aur usako paavitra ttharaya.. too apane pita aur apanee mata ka adar karana, jis se jo desh tera parameshvar yahova tuihe deta haai us men too bahut din tak rahane pae.. too koon n karana.. too vyabhaichar n karana.. too choree n karana.. too kisee ke viroddh joottee sakhsee n dena.. too kisee ke ghar ka lalach n karana n to kisee kee sree ka lalach karana, aur n kisee ke dasa-dasee, va baail gadahe ka, n kisee kee kisee vastu ka lalach karana.. aur sab log garajane aur bijalee aur naraasinge ke shabd sunate, aur dhauan utte huae parvat ko dekhthe rahe, aur dekhke, kanpakar door khde ho gaee aur ve moosa se kahane lage, too hee ham se baten kar, tab to ham sun sakenge parantu parameshvar ham se baten n kare, aeesa n ho ki ham mar jaen. moosa ne logon se kaha, dro mata kyonki parameshvar is nimitt aya haai ki tumharee pareeksha kare, aur usaka bhy tumhare man men bana rahe, ki tum pap n karo. aur ve log to door hee khde rahe, parantu moosa us ghaer andhakare sameep gaya jahan parameshvar tha.. tab yahova ne moosa se kaha, too israaeliyon ko mere ye vachan suna, ki tum logon ne to ap hee dekha haai ki maai ne tumhare sath akash se baten kee haain. tum mere sath kisee ko

fir yahova ne moosa se kaha, sun, maain uree ke putra basalel ko, jo hoor ka pota aur yahooda ke gotra ka haai, nam lekar bulata hoon. aur maain usako parameshvar kee atma se jo buddh, i praveenta, gyaan,

aur sab prakhar ke kayorn kee samajh denevalee atma haai paripoorn karata hoo, jis se vah kareegaree ke karya buddh ise nikal nikalakar sab bhanti kee banavatt me, arthata sone, chandee, aur peetal me, aur jadne ke liye maani kattne me, aur lakadee ke khodane men kam kare. aur sun, maain dan ke gotravale aheesamak ke putra oholeeb ko usake sang kar deta hoon varan jitane buddhmaian haai un sabhon ke day men maain buddh ideta hoo, jis se jitane vastuon kee agyaa maain ne tujhe dee haai un sabhon ko ve banaaen arthata milapavala tambo, aur sakshaepatra ka sandook, aur us par ka praayaashchaittvala ddhkana, aur tamboo ka sara saman, aur saman sahit meja, aur sare saman samet chokhe sone ke deevatt, aur dhoopavedee, aur sare saman sahit homavedee, aur pae samet haudee, aur kaddhe huae vasr, aur haroon yajak ke yajakavale kam ke paavitra vasr, aur usake putraen ke vasr, aur aabhaishok ka tel, aur pavitra sthan ke liye sugandhiat dhoop, in sabhon ko ve un sab agyaaon ke anusar banaaen jo maain ne tujhe dee haain.. fir yahova ne moosa se kaha, too israeliyan se yah bhee kahana, ki nishchay tum mere vishraamadinn ko manana, kyonaki tumharee peeddhee peeddhee men mere aur tum logon ke beech yah aek chinh tthara haai, jis se tum yah bat jan rakho ki yahova hamara pavitra karanehara haai. is karan tum vishraamadinn ko manana, kyonki vah tumhare liye paavitra tthara haai jo usako apaavitra kare vah nishchay mar dala jaae jo koi us din men se kuchh kamakaj kare vah praanee apane logon ke beech se nash kiya jaae. chh: din to kam kaj kiya jaa, par satavan din paramavishraam ka din aur yahova ke liye paavitra haai isaaliye jo koi vishraam ke din men kuchh kam kaj kare vah nishchay mar dala jaae. so israaelee vishraamadinn ko mana kare, varan peeddhee peeddhee men usako sada kee vacha ka vishay janakar mana karen. vah mere aur israeliyan ke beech sada aek chinh rahega, kyonaki chh: din men yahova ne akash aur prathvee ko banaya, aur sataven din vishraam karake apana jee tinda kiya.. jab parameshvar moosa se seenaai parvat par aeese baten kar chuka, tab us ne usako apanee ungalee se likhee hui sakshaee denevalee patthar kee donon taakhtaiyan dee..

jab logon ne dekha ki moosa ko parvat se utarane men vilamb ho raha haai, tab ve haroon ke pas ikatthe hokar kahane lage, ab hamare liye devata bana, jo hamare age age chale kyonaki us puroosh moosa ko jo hamen misr desh se nikal le aya haai, ham naheen janate ki use kya hua? haroon ne un se kaha, tumharee striayon aur bette beattyaien ke kanon men sone kee jo baaliyan haai unhen todkar utaro, aur mere pas le ao. tab sab logon ne unake kanon se sone kee baliyon ko todkar utara, aur haroon ke pas le aae. aur haroon ne unhen unake hath se liya, aur aek bachhda ddhalakar banaya, aur ttankee se gadha tab ve kahane lage, ki he israel tera parameshvar jo tujhe misr desh se chhuda laya haai vah yahoe haai. yah dekhke haroon ne usake age aek vedee banavai aur yah prachar kiya, ki kal yahova ke liye

pabrba hoga. aur doosare din logon ne tadke uttkar homabaali chaddhaa, aur melabaali le aae fir baaaitkar khaya piya, aur uttkar khelane lage.. tab yahova ne moosa se kaha, neeche utar ja, kyonki teree praja ke log, jinhen too misr desh se nikal le aya haai, so bigad gaae haain aur jis marga par chalne kee agyaa maain ne unako dee thee usako jhptatt chhodkar unhon ne aek bachhda ddhalakar bana liya, fir usako dandvata kiya, aur usake liye baalidan bhee chaddhaya, aur yah kaha haai, ki he israeliyyon tumhara parameshvar jo tumhen misr desh se chhuda le aya haai vah yahee haai. fir yahova ne moosa se kaha, maain ne in logon ko dekha, aur sun, ve hatteele haain. ab mujhe mat rok, mera kop un par bhdkt utta haai jis se maain unhen bhsam karoon parantu tujh se aek badee jaati upajaunga. tab moosa apane parameshvar yahova ko yah kahake manane laga, ki he yahova, tera kop apanee praja par kyon bhdka haai, jise too bade samathrya aur balavant hath ke dara misr desh se nikal laya haai? misree log yah kyon kahane paa, ki vah unako bure aabhaipraay se, arthata pahadon men ghaat karake dharatee par se mita dalane kee manasa se nikal le gaya? too apane bhdke huae kop ko shaant kar, aur apanee praja ko aeesee haani pahuchane se fir ja. apane das ibraaheem, isahak, aur yakoob ko smaran kar, jin se too ne apanee hee kiriya khakar yah kaha tha, ki maai tumhare vansh ko akash ke taron ke tuly bahut karoonga, aur yah sara desh jisakee maain ne charcha kee haai tumhare vansh ko doonga, ki vah usake adhaikaree sadaiv bane rahen. tab yahova apanee praja kee hani karane se jo un ne kaha tha pachhtaya.. tab moosa firakar sakshae kee danon takhtaiyon ko hath men liye huae pahad se utar gaya, un takhtaiyon ke to idhar aur udhar donon alangon par kuchh likha hua tha. aur ve taakhtaiyan parameshvar kee banai hui thee, aur un par jo khodakar likha hua tha vah parameshvar ka likha hua tha.. jab yahoshoo ko logon ke kolahal ka shabd sunai pada, tab us ne moosa se kaha, chhavanee se ladai ka sa shabd sunai deta haai. us ne kaha, vah jo shabd haai vah n to jeetanevalon ka haai, aur n haranevalon ka, mujhe to gane ka shabd sun pada haai. chhavanee ke pas ate hee moosa ko vah bachhda aur nachana dekh pada, tab moosa ka kop bhdkt utta, aur us ne taakhtaiyon ko apane hathon se parvat ke neeche pattkakar tod dala. tab us ne unake banaae huae bachhde ko lekar ag men dalake foonk diya. aur peesakar choor choor kar dala, aur jal ke upar faenk diya, aur israeliyyon ko use pilava diya. tab moosa haroon se kahane laga, un logon ne tujh se kya kiya ki too ne unako itane bade pap men fansaya? haroon ne uttr diya, mere prabhu ka kop n bhdke too to un logon ko janata hee haai ki ve burai men man lagaae rahate haain. aur unhon ne mujh se kaha, ki hamare liye devata banava jo hamare age age chale kyonki us puroosh moosa ko, jo hamen misr desh se chhuda laya haai, ham naheen janate ki use kya hua? tab maain ne un se kaha, jis jisake pas sone ke gahanen ho, ve unako todkar utar laaen aur jab unhon ne mujh ko diya, maain ne unhen ag men dal diya, tab yah bachhda nikal pada haroon ne un logon ko aeese nirankush kar diya tha ki ve apane virodhaiyon ke beech upahas ke yogy hua, unako nirankush dekhkar

moosa ne chhavanee ke nikas par khde hokar kaha, jo koi yahova kee or ka ho vah mere pas ae tab sare leveey us ke pas ikatthe hue. us ne un se kaha, israel ka parameshvar yahova yon kahata haai, ki apanee apanee jangha par talavar lattka kar chhavanee se ek nikas se doosare nikas tak ghoom ghoomakar apane apane bhaiyo, sanagiyo, aur padosiyon ko ghaat karo. moosa ke is vachan ke anusar leviyon ne kiya aur us din teen hajar ke attkal log mare gaae. fir moosa ne kaha, aj ke din yahova ke liye apana yajakapad ka san-skar karo, varan apane apane betton aur bhaiyon ke bhee virooddh hokar aeese karo jis se vah aj tum ko ashaesh de. doosare din moosa ne logon se kaha, tum ne bada hee pap kiya haai. ab maain yahova ke pas chaddh jaunga sambhv haai ki maain tumhare pap ka praayashchaitt kar sakoon. tab moosa yahova ke pas jakar kahane laga, ki hay, hay, un logon ne sone ka devata banavakar bada hee pap kiya haai. taub-hee ab too unaka pap kshama kar naheen to apanee likhee hui pustak men se mere nam ko katt de. yahova ne moosa se kaha, jis ne mere virooddh pap kiya haai usee ka nam maain apanee pustak men se katt doonga. ab to too jakar un logon ko us sthan men le chal jisakee charcha maain ne tujh se kee thee dekh mera doot tere age age chalega. parantu jis din maain dand dene lagoonga us din unako is pap ka bhee dand doonga. aur yahova ne un logon par vipaati daalee, kyonaki haroon ke banaae huae bachhde ko unheen ne banavaya tha.

fir yahova ne moosa se kaha, too un logon ko jinhen misr desh se chhuda laya haai sang lekar us desh ko ja, jisake vishay maain ne ibraaheem, isahak, aur yakoob se shapath khakar kaha tha, ki maain use tumhare vansh ko doonga. aur maain tere age age aek doot ko bhejoonga, aur kananee, aemoree, hittee, paarijee, hibbee, aur yaboossee logon ko barabas nikal doonga. tum log us desh ko jao jis men doodha aur madha kee dhaara bahatee haai parantu tum hatteele ho, is karan maain tumhare beech men hoke n chaloonga, aeese n ho ki maain marga men tumhara ant kar daloon. yah bura samachar sunakar ve log vilap karane lage aur koi apane gahane paahine huae n raha. kyonaki yahova ne moosa se kah diya tha, ki israeliyyon ko mera yah vachan suna, ki tum log to hatteele ho jo maai pal bhr ke liye tumhare beech hokar chaloo, to tumhara ant kar daloonga. isaliye ab apane apane gahane apane angon se utar do, ki maain janoon ki tumhare sath kya karana chahiae. tab israaelee horeb parvat se lekar age ko apane gahane utare rahe.. moosa tamboo ko chhavanee se bahar varan door khda karaya karata tha, aur usako milapavala tamboo kahata tha. aur jo koi yahova ko ddoondhdta vah us milapavale tamboo ke pas jo chhavanee ke bahar tha nikal jata tha. aur jab jab moosa tamboo ke pas jata, tab sab log uttkar apane apane dere ke dar par khde ho jate, aur jab tak moosa us tamboo men pravesh n karata tha tab tak usakee or takate rahate the. aur jab moosa us tamboo men pravesh karata tha, tab badal ka khmbha utar ke tamboo ke dar par tthar jata tha, aur yahova moosa se baten karane lagata tha. aur sab log jab badal ke

khmbhe ko tamboo ke dar par tthara dekhthe the, tab uttkar apane apane dere ke dar par se dandvata karate the. aur yahova moosa se is prakhar amhane-samhane baten karata tha, jis prakhar koi apane bhai se baten kare. aur moosa to chhavaneen men fir ata tha, par yahoshoo nam aek javan, jo noon ka putra aur moosa ka thlualu tha, vah tamboo men se n nikalata tha.. aur moosa ne yahova se kaha, sun too mujh se kahata haai, ki in logon ko le chala parantu yah naheen bataya ki too mere sang kisako bhejega. taubhee too ne kaha haai, ki tera nam mere chitt men basa haai, aur tujh par mere anugrah kee draashtti haai. aur ab yaadi mujh par tere anugrah kee draashtti ho, to mujhe apanee gaati samajha de, jis se jab maain tera gyaan paun tab tere anugrah kee draashtti mujh par banee rahe. fir isakee bhee sudhai kar ki yah jati teree praja haai. yahova ne kaha, maain ap chaloonga aur tuijhe vishraam doonga. us ne us se kaha, yadi too ap n chale, to hamen yahan se age n le ja. yah kaise jana jae ki tere anugrah kee draashtti mujh par aur apanee praja par haai? kya is se naheen ki too hamare sang sang chale, jis se maain aur teree praja ke log prathvee bhr ke sab logon se alag ttharen? yahova ne moosa se kaha, maain yah kam bhee jisakee charcha too ne kee haai karoonga kayonki mere anugrah kee draashtti tujh par haai, aur tera nam mere chitt men basa haai. us ne kaha mujhe apana tej dikha de. us ne kaha, maain tere sammukh hokar chhalate huae tuijhe apanee saree bhilai dikhaunga, aur tere sammukh yahova nam ka prachhar karoonga, aur jis par maain anugrah karana chahoon usee par anugrah karoonga, aur jis par daya karana chanhoo usee par daya karoonga. fir us ne kaha, too mere mukh ka darshan naheen kar sakata kyonki manushy mere mukh ka darshan karake jeevit naheen rah sakata. fir yahova ne kaha, sun, mere pas aek sthan haai, too us chattan par khda ho aur jab tak mera tej tere samhane hoke chhalata rahe tab tak maai tuijhe chattan ke darar men rakoonga, aur jab tak maain tere samhane hokar n nikal jaun tab tak apane hath se tuijhe ddhanpe rahoonga fir maain apana haath utta loonga, tab too merree peett ka to darshan paega, parantu mere mukh ka darshan naheen milega..

fir yahova ne moosa se kaha, israaeliyan ko agyaa de, ki ve sab koddhiyon ko, aur jitanon ke prameh ho, aur jitane loth ke karan ashuuddh ho, un sabhon ko chhavanee se nikal den aeson ko chahe puroosh hon chahe sree chhavanee se nikalakar bahar kar den kaheen aeesa n ho ki tumharee chhavanee, jisake beech maain nivas karata hoo, unake karan ashuuddh ho jaae. aur israaeliyan ne vaaisa hee kiya, arthata aeese logon ko chhavanee se nikalakar bahar kar diya jaisa yahova ne moosa se kaha tha israaeliyan ne vaaisa hee kiya.. fir yahova ne moosa se kaha, israaeliyan se kah, ki jab koi puroosh va sree aeesa koi pap karake jo log kiya karate haain yahova ko vishvasaghaat kare, aur vah praanee doshaee ho, tab vah apana kiya hua pap man le aur poore mool men panchavan ansh bad-dhakar apane dosh ke badale men usee ko de, jisake vishay doshaee hua ho. parantu yadi us manushy ka koi kuttumbee n ho jise dosh ka badala bhr diya jaa, to us dosh ka jo badala yahova ko bhr diya jaae vah yajak ka ho, aur vah us praayaashchaitvale meddhe se aadhaik ho jis se usake liye praayaashchait kiya jaae. aur jitane pavitra kee hui vastuen israaele uttai hui bhenit karake yajak ke pas laae, ve usee kee hon sab manushyon kee pavitra kee hui vastuen usee kee ttharen koi jo kuchh yajak ko de vah usaka tthare.. fir yahova ne moosa se kaha, israaeliyan se kah, ki yadi kisee manushy kee sree kuchal chalakar usaka vishvasaghaat kare, aur koi puroosh usake sath kukarma kare, parantu yah bat usake pati se chhpaiee ho aur khulee n ho, aur vah ashuuddh ho gai, parantu n to usake virooddh koi sakshaee ho, aur n kukarma karate pakadee gai ho aur usake paati ke man men jalan utpann ho, arthata vah apane sree par jalane lage aur vah ashuuddh hui ho va usake man men jalan

fir yahova ne moosa se kaha, israelaiyon se kah, ki jab koi puroosh va sree najaeer kee mannat, arthata apane ko yahova ke liye nyara karane kee vishosh mannat mane, tab vah dakhmadha adi madira se nyara rahe vah n dakhmadha ka, n aur maadira ka siraka peea, aur n dakh ka kuchh ras bhee peea, varan dakh n khaa, chahe haree ho chahe sookhee. jitane din yah nyara rahe utane din tak vah beej se le chh-

fir yahova ne moosa se kaha, chandee kee do turahiyan gaddhke banai jaaen too unako mandlee ke bulane, aur chhaviyanion ke prasthan karane men kam men lana. aur jab ve donon faooke jaa, tab saree mandlee milapavale tamboo ke dar par tere pas ikatthee ho jaae. aur yaadi aek hee turahnee foonkee jaa, to pradhaan log jo israel ke hajaron ke mukhy puroosh haain tere pas ikatthe ho jaaen. jab tum log sans bandhakar foonko, to poorab disha kee chhaviyanion ka prasthan ho. aur jab tum doosaree ber sans bandhakar foonko, tab daakkhian disha kee chhaviyanion ka prasthan ho. unake prasthan karane ke liye ve sans bandhakar foonken. aur jab logon ko ikattha karake sabha karanee ho tab bhee foonkana parantu sans bandhakar naheen. aur haroon ke putra jo yajak haain ve un turahiyan ko foonka karen. yah bat tumharee peeddhee-peeddhee ke liye sarvada kee vidhai rahe. aur jab tum apane desh men kisee satanevale baaiire se ladne ko nikalo, tab turahiyan ko sans bandhakar foonkana, tab tumhare parameshvar yahova ko tumhara smaran aaga, aur tum apane shatrauon se bachaae jaoge. aur apane anand ke din me, aur apane niyat pabrbon me, aur maheenon ke adi me, apane homabaliyon aur melabaaliyon ke sath un turahiyan ko foonkana is se tumhare parameshvar ko tumhara smaran aaga maain tumhara paramesh-

var yahova hoon.. aur doosare varsha ke doosare maheene ke beesaven din ko badal sakshaee ke nivas par se utt gaya, tab israaelee seenaai ke jangal men se nikalakar prasthan karake nikale aur badal paran nam jangal men tthar gaya. unaka prasthan yahova kee us agyaa ke anusar jo us ne moosa ko dee thee arambh hua. aur sab se pahale to yahoodiyan kee chhavanee ke jhnde ka prasthan hua, aur ve dal bandhakar chale aur un ka senapati ammeenadab ka putra nahashaen tha. aur issakariyon ke gotra ka senapati soor ka putra natanel tha. aur jabooloniyan ke gotra ka senapati helon ka putra aleeleab tha. tab nivas utara gaya, aur geshareniyan aur maririyan ne jo nivas ko uttate the prasthan kiya. fir rooben kee chhavanee jhnde ka kooch hua, aur ve bhee dal banakar chale aur unaka senapati shadeur ka putra aeeshoor tha. aur shaimoniyan ke gotra ka senapati sooreshaai ka putra shaloomeeael tha. aur gaadiyan ke gotra ka senapati dooeal ka putra aelyasap tha. tab kahatiyan ne paavitra vastuon ko uttaae huae prasthan kiya, aur unake pahunchane tak geshareniyan aur maririyan kee chhavanee ke jhnde ka kooch hua, aur ve bhee dal banakar chale aur unaka senapati ammeehood ka putra aeeshashaama tha. aur manashshoiyan ke gotra ko senapati padasoor ka putra glemeeael tha. aur binyameeniyan ke gotra ka senapati gidonee ka putra abeedan tha. fir daniyan kee chhavanee jo sab chhavanian ke peechhe thee, usake jhnde ka prasthan hua, aur ve bhee dal banakar chale aur unaka senapati ammeeshaai ka putra akheearj tha. aur ashoriyan ke gotra ka senapati okran ka putra pajeeael tha. aur naaptaaliyan ke gotra ka senapati aenan ka putra aheera tha. israaelee isee prakar apne apne dalon ke anusar prasthan karate, aur age bad-dha karate the. aur moosa ne apne sasur rooael midhane ke putra hobab se kaha, ham log us sthan kee yatra karate haain jisake vishay men yahova ne kaha haai, ki maain use tum ko doonga so too bhee hamare sang chal, aur ham teree bhlai karengi kyonaki yahova ne israel ke vishay men bhlai hee kaha haai. hobab ne use uttr diya, ki maain naheen jaunga maain apne desh aur kuttumbaiyan men lautt jaunga. fir moosa ne kaha, ham ko n chhod, kyonki jangal men kahan kahan dera khda karana chaahiye, yah tuihe hee maloom haai, too hamare liye ankhon ka kam dena. aur yaadi too hamare sang chale, to nishchay jo bhlai yahova ham se karega usee ke anusar ham bhee tuihe se vaaisa hee karengi.. fir israaeliyan ne yahova ke parvat se prasthan karake teen din kee yatra kee aur un teenon dinon ke marga men yahova kee vacha ka sandook unake liye vishraam ka sthan ddoondhita hua unake age age chalata raha. aur jab ve chhavanee ke sthan se prasthan karate the tab din bhr yahova ka badal unake upar chhaya rahata tha. aur jab jab sandook ka prasthan hota tha tab tab moosa yah kaha karata tha, ki he yahova, ut, aur tere shatra tittr bittr ho jaae, aur tere baairree tere samhane se bhag jaaen. aur jab jab vah tthar jata tha tab tab moosa kaha karata tha, ki he yahova, hajaroon-hajar israaeliyan men lauttakar a ja..

fir ve log budbudane aur yahova ke sunate bura kahane lage nidan yahova ne suna, aur usaka pop bhdh utta, aur yahova kee ag unake madhy jal uttee, aur chhavanee ke aek kinare se bshm karane lagee. tab moosa ke pas akar chillaae aur moosa ne yahova se praarthna kee, tab vah ag bujh gai, aur us sthan ka nam tabera pade, kyonki yahova kee ag un men jal uttee thee.. fir jo milee-julee bheed unake sath thee vah kamukata karane lagee aur israaelee bhee fir rone aur kahane lage, ki hamen mans khane ko kaun dega. hamen ve machhaliyan smaran haain jo ham misr men sentament khaya karate the, aur ve kheere, aur khrabooye, aur gandane, aur pyaj, aur lahasun bhee parantu ab hamara jee ghabara gaya haai, yahan par is manna ko chhod aur kuchh bhee dekh naheen padta. manna to dhaaniye ke saman tha, aur usaka rang roop motee ka sa tha. log idhar udhar jakar use battorate, aur chakkee men peesate va okhlee men koottte the, fir tasale men pakate, aur usake faulake banate the aur usaka svad tel men bane huae puae ka sa tha. aur rat ko chhavanee men os padtee thee tab usake sath manna bhee girata tha. aur moosa ne sab gharanon ke adamiyan ko apne apne dera ke dar par rote suna aur yahova ka kop atyant bhdka, aur moosa ko bhee bura maloom hua. tab moosa ne yahova se kaha, too apne das se yah bura vyavahar kyon karata haai? aur kya karan haai, ki maain ne teree drashti men anugrah naheen paya, ki too ne in sab logon ka bhar mujh par dala haai? kya ye sab log mere hee kokh men pade the? kya maain hee ne unako utpann kiya, jo too mujh se kahata haai, ki jaaise pita doodha peete balak ko apanee god men uttaae uttaae firata haai, vaaise hee maain in logon ko apanee god men uttakar us desh men le jau, jisake dene kee shapath too ne unake poorvajon se khai haai? mujhe itana mans kahan se mile ki in sab logon ko doon? ye to yah kah kahakar mere pas ro rahe haai, ki too hame mans khane ko de. maain akela in sab logon ka bhar naheen sambhal sakata, kayonki yah meree shaaktai ke bahar haai. aur jo tuihe mere sath yahee vyavahar karana haai, to mujh par tere itana anugrah ho, ki too mere praan aekadam le le, jis se maain apanee durdasha n dekhne paun.. yahova ne moosa se kaha, israaelee puraaniyan men se sattr aeese puroosh mere pas ikatthe kar, jinaako too janata haai ki ve praja ke puraniye aur unake saradar haai ki ve praja ke puraniye aur unake saradar haain aur milapavale tamboo ke pas le a, ki ve tere sath yahan khde hon. tab maain utarakar tuihe se yahan baten karoonga aur jo atma tuihe men haai us men se kuchh lekar un men samavaunga aur ve in logon ka bhar tere sang uttaae rahenge, aur tuihe usako akele uttana n padega. aur logon se kah, kal ke liye apne ko paavitra karo, tab tumhen mans khane ko milega kyonki tum yahova ke sunate huae yah kah kahakar roae ho, ki hamen mans khane ko kaun dega? ham misr hee men bhle the. so yahova tum ko mans khane ko dega, aur tum khana. fir tum aek din, va do, va panch, va das, va bees din hee nahee, parantu maheene bhr use khate rahoge, jab tak vah tumhare nathnon se nikalane n lage aur tum ko us se gharana n ho jaa, kayonki tum logon ne

yahova ko jo tumhare madhy men haai tuchchh jana haai, aur usake samhane yah kahakar roae ho, ki ham misr se kyon nikal aae? fir moosa ne kaha, jin logon ke beech maain hoon un men se chh: lakh to pyade hee haain aur too ne kaha haai, ki maain unhen itana mans doonga, ki ve maheene bhr use khate hee rahenge. kya ve sab bhed-bakaree gaya-baail unake liye mare jaa, ki unako mans mile? va kya samudra kee sab machhaliyan unake liye ikatthee kee jaae, ki unako mans mile? yahova ne moosa se kaha, kya yahova ka hath chhotta ho gaya haai? ab too dekhga, ki mera vachan jo maain ne tujh se kaha haai vah poora hota haai ki naheen. tab moosa ne bahar jakar praja ke logon ko yahova kee baten kah sunai aur unake puraaniyon men se sattr puroosh ikatthe karake tamboo ke charon or khde kiae. tab yahova badal men hokar utara aur us ne moosa se baten kee, aur jo atma us men thee us men se lekar un sattr puraaniyon men samava diya aur jab vah atma un men ai tab ve naboo-vat karane lage. parantu fir aur kabhee n kee. parantu do manushy chhavanee men rah gaee the, jis men se aek ka nam aeladad aur doosare ka medad tha, un men bhee atma ai ye bhee unheen men se the jinake nam likh liye gaye the, par tamboo ke pas n gaee the, aur ve chhavanee hee men naboovat karane lage. tab kisee javan ne daud kar moosa ko batalaya, ki aeladad aur medad chhavanee men naboovat kar rahe haain. tab noon ka putra yahoshoo, jo moosa ka tthalua aur usake chune huae veeron men se tha, us ne moosa se kaha, he mere svamee moosa, unako rok de. moosa ne un se kaha, kya too mere karan jalata haai? bhla hota ki yahova kee saree praja ke log nabee hote, aur yahova apana atma un sabhon men samava deta! tab fir moosa israael ke puraniyon samet chhavanee men chala gaya. tab yahova kee or se aek badee andhaee ai, aur vah samudra se batteren udake chhavanee par aur usake charon or itanee le ai, ki ve idhar udhar aek din ke marga tak boomi par do hath ke lagabhg unche tak chha gaee. aur logon ne uttkar us din bhr aur rat bhr, aur doosare din bhee din bhr batteron ko batortate rahe jis ne kam se kam battora us ne das homer battora aur unhon ne unhen chhavanee ke charon or faaila diya. mans unake munh hee men tha, aur ve use khane n paae the, ki yahova ka kop un par bhdk utta, aur us ne unako bahut badee mar se mara. aur us sthan ka nam kibraethttava pada, kyonaki jin logon ne kamukata kee thee unako vahan mittee dee gai. fir israaelee kibraethttava se prasthan karake haserot men pahuncha, aur vaheen rahe..

moosa ne to aek kooshaee sree ke sath byah kar liya tha. so maariyam aur haroon usakee us byaahita kooshaee sree ke karan usakee ninda karane lage unhon ne kaha, kya yahova ne keval moosa hee ke sath baten kee haain? kya us ne ham se bhee baten naheen keen? unakee yah bat yahova ne sunee. moosa to prathvee bhr ke rahane vale manushyon se bahut adhaik namra svabhav ka tha. so yahova ne aeakaek moosa aur haroon aur maariyam se kaha, tum teenon milapavale tamboo ke pas nikal ao. tab ve teenon nikal aae. tab yahova ne badal ke khmbhe men

utarakar tamboo ke dar par khda hokar haroon aur maariyam ko bulaya so ve donon usake pas nikal aae. tab yahova ne kaha, merree baten suno: yaadi tum men koi nabee ho, to us par maain yahova darshan ke dara apane ap ko pragatt karoonga, va svapn men us se baten karoonga. parantu mera das moosa aeese naheen haai vah to mere sab gharanon me vishvas yogy haai. us se maain gupt reeati se nahee, parantu amhane samhane aur pratyaksha hokar baten karata hoon aur vah yahova ka svaroop niharane pata haai. so tum mere das moosa kee hunda karate huae kyon naheen dre? tab yahova ka kop un par bhdk, aur vah chala gaya tab vah badal tamboo ke upar se utt gayi, aur maariyam koddh se him ke saman shvet ho gai. aur haroon ne maariyam kee or draashtti kee, aur dekha, ki vah koddhin ho gai haai. tab haroon moosa se kahane laga, he mere prabhu, ham donon ne jo moorkhta kee varan pap bhee kiya, yah pap ham par n lagane de. aur maariyam ko us mare huade ke saman n rahane de, jisakee deh apanee man ke pett se nikalate hee adha-galee ho. so moosa ne yah kahakar yahova kee dohai dee, he ishvar, krpa kar, aur usako changa kara. yahova ne moosa se kaha, yadi usaka pita usake munh par tooka hee hota, to kya sat din tak vah lajjait n rahatee? so vah sat din tak chhavanee se bahar band rahe, usake bad vah fir bheetar aae paae. so maariyam sat din tak chhavanee se bahar band rahee, aur jab tak maariyam fir ane n pai tab tak logon ne prasthan n kiya. usake bad unhon ne haserot se prasthan karake paran nam jangal men apane dere khde kie..

fir yahova ne moosa se kaha, kanaan desh jise maain israaeliyan ko deta hoon usaka bhed lene ke liye purooshaen ko bheja ve unake pitaron ke prati gotra ka aek pradhaan puroosh hon. yahova se yah agyaa pakar moosa ne aeese purooshaen ko paran jangal se bhej diya, jo sab ke sab israaeliyan ke pradhaan the. unake nam ye haai, arthata rooben ke gotra men se jakakoor ka putra shamoo shaimon ke gotra men se horee ka putra shaapata yahooda ke gotra men se yosep ka putra yigala aepraaim ke gotra men se noon ka putra hosho binyameen ke gotra men se rapoo ka putra palatee jabooloon ke gotra men se sodee ka putra gaeaela yooosufa vanshaiyon me, manashsho ke gotra men se soosee ka putra gaee dan ke gotra men se gamallee ka putra ammeaela ashor ke gotra men se meekaael ka putra satoora naptalee ke gotra men se vopsee ka putra nahoobee gad ke gotra men se mackee ka putra goaola. jin purooshaen ko moosa ne desh ka bhed lene ke liye bheja tha unake nam ye hee haain. aur noon ke putra hosho ka nam us ne yahoshoo rakha. un ko kanaan desh ke bhed lene ko bhejate samay moosa ne kaha, idhar se, arthata daakshian desh hokar jao, aur pahadee desh men jakar us desh ko dekh lo ki kaaisa haai, aur us men base huae logon ko bhee dekho ki ve balavana haain va nirbal, thode haain va bahut, aur jis desh men ve base huae haain so kaaisa haai, achchha va bura, aur ve kaaisee kaaisee bastaiyon men base huae haai, aur tambuon men rahate haain va gaddh va kilon men

rahate haai, aur vah desh kaaisa haai, upaja haai va banjar haai, aur us men vraksha haain va naheen. aur tum hiya bandho chalo, aur us desh kee upaj men se kuchh lete bhee ana. vah samay pahalee pakkee dakhon ka tha. so ve chal dia, aur seen nam jangal se le rahob tak, jo hamat ke marga men haai, sare desh ko dekhbhalakar usaka bhed liya. so ve daakshian desh hokar chale, aur hebraen tak gae vahan aheeman, shoshau, aur talmaai nam anakavanshaee rahate the. hebraen to misr ke soan se sat varsha pahile basaya gaya tha. tab ve aeshakol nam nale tak gaa, aur vahan se aek dalee dakhon ke guchchhe samet tod lee, aur do manushy us aek lattee par lattkaae huae utta le chale gae aur ve anaron aur anjeeron men se bhee kuchh kuchh le aae. israaelee vahan se jo dakhon ka guchchha tod le aae the, is karan us sthan ka nam aeshakol nala rakha gaya. chalees din ke bad ve us desh ka bhed lekar lautt aae. aur paran jangal ke kadesh nam sthan men moosa aur haroon aur israaeliyon kee saree mandlee ke pas pahuncha aur unako aur saree mandlee ko sandesha diya, aur us desh ke fal unako dikhaae. unhon ne moosa se yah kahakar varnn kiya, ki jis desh men too ne ham ko bheja tha us men ham gae us men sachamuch doodha aur madha kee dhaaraen bahatee haai, aur usakee upaj men se yahee haai. parantu us desh ke nivaasee balavana haai, aur usake nagar gaddhvale haain aur bahut bade haain aur fir ham ne vahan anakavanshaiyon ko bhee dekha. daakshian desh men to amalekee base huae haain aur pahadee desh men hittee, yaaboosae, aur aemoree rahate haain aur samudra ke kinare kinare aur yaraanadee ke tatt par kananee base huae haain. par kaleb ne moosa ke samhane praja ke logon ko chup karane ke manasa se kaha, ham abhee chaddhke us desh ko apana kar len kyonaki ni:sandeh ham men aesa karane kee shaaktai haai. par jo puroosh usake sang gae the unhon ne kaha, un logon par chaddhne kee shaaktai ham men naheen haai kyonki ve ham se balavana haain. aur unhon ne israaeliyon ke samhane us desh kee jisaka bhed unhon ne liya tha yah kahakar ninda bhee kee, ki vah desh jisaka bhed lene ko ham gaye the aese haai, jo apane nivaasiyon ko nigaal jata haai aur jitane puroosh ham ne us men dekhe ve sab ke sab bade deel daul ke haain. fir ham ne vahan napeelon ko, arthata napeelee jaativale anakavanshaiyon ko dekha aur ham apanee drashtti men to unake samhane ttdai ke saman dikhai padte the, aur aeese hee unakee drashtti men maloom padte the..

14

tab saree mandlee chilla uttee aur rat bhr ve log rote hee rahe. aur sab israaelee moosa aur haroon par budbudane lage aur saree mandlee us ne kahane lagee, ki bhla hota ki ham misr hee men mar jate! va is jangal hee men mar jate! aur yahova ham ko us desh men le jakar kyon talavar se maravana chahata haai? hamaree striyan aur balabachche to loott men chalen jaenge kya hamare liye acchha naheen ki ham misr desh ko lautt jaen? fir ve apas men kahane lage, ao, ham kisee ko apana pradhaan bana le, aur misr ko lautt chalen. tab moosa aur haroon

israaeliyon kee saree mandlee ke samhane munh ke bal gire. aur noon ka putra yahoshoo aur yapunne ka putra kaalib, jo desh ke bhed lenevalon men se the, apane apane vasr faadkar, israaeliyon kee saree mandlee se kahane lage, ki jis desh ka bhed lene ko ham idhar udhar ghoom kar aae haai, vah atyant uttm desh haai. yaadi yahova ham se prasann ho, to ham ko us desh me, jis men doodha aur madha kee dhaaraen bahatee haai, pahunchakar use hame de dega. keval itana karo ki tum yahova ke virooddh balava n karo aur n to us desh ke logon se dro, kyonaki ve hamaree rottee ttharengae chhaya unake upar se hatt gai haai, aur yahova hamare sang haai un se n dro. tab saree mandlee chilla uttee, ki inako patthravah karo. tab yahova ka tej sab israaeliyon par prakashaman hua.. tab yahova ne moosa se kaha, ve log kab tak mera tiraskar karate rahenge? aur mere sab ashcharyakarma dekhne par bhee kab tak mujh par vishvas n karenge? maain unhen maree se maroonga, aur unake nij bhag se unhen nikal doonga, aur tujh se aek jati upajaunga jo un se badee aur balavant hogee. moosa ne yahova se kaha, tab to misree jinake madhy men se too apanee samathrya dikhakar un logon ko nikal le aya haai yah sunenge, aur is desh ke nivaasiyon se kahenge. unhon ne to yah suna haai, ki too jo yahova haai un logon ke madhy men rahata haai aur pratyaksha dikhai deta haai, aur tera badal unake upar tthara rahata haai, aur too din ko badal ke khmbhe me, aur rat ko agnai ke khmbhe men hokar inake age age chala karata haai. isaliye yaadi too in logon ko aek hee bar meen mar dale, to jin jatiyon ne teree keetira sunee haai ve kahengee, ki yahova un logon ko us desh men jise us ne unhen dene kee shapath khai thee pahuncha n saka, is karan us ne unhen jangal men ghaat kar dala haai. so ab prabhu kee samathrya kee maahima tere is kahane ke anusar ho, ki yahova kop karane men dhaeerajavant aur aati karoonamay haai, aur adharma aur apardha ka kshama karanevala haai, parantu vah doshaee ko kisee prakar se nirdosh n ttharaagea, aur poorvajon ke adharma ka dand unake betto, aur pota, aur parapoton ko deta haai. ab in logon ke adharma ko apanee badee karoon ke anusar, aur jaaise too misr se lekar yahan tak kshama karata raha haai vaaise hee ab bhee kshama kar de. yahova ne kaha, teree binatee ke anusar maain kshama karata hoon parantu mere jeevan kee shapath sachamuch saree prathvee yahova kee mahima se paaripoorn ho jaegee un sab logon ne jinhon ne merree maahima misr desh men aur jangal men dekhee, aur mere kiae huae ashcharyakamorn ko dekhne par bhee das bar merree pareeksha kee, aur merree baten naheen manee, isaliye jis desh ke vishay maain ne unake poorvajon se shapath khai, usako ve kabhee dekhne n paenge arthata jitanon ne mera apaman kiya haai un men se koi bhee use dekhne n paega. parantu is karan se ki mere das kaalib ke sath aur hee atma haai, aur us ne pooree reeati se mera anukaran kiya haai, maain usako us desh men jis men vah ho aya haai pahunchaunga, aur usaka vansh us desh ka adhaikaree hoga. amalekee aur kananee log tarai men rahate haai, so kal tum ghoomakar prasthan karo, aur lal samudra ke marga se jangal men jao.. fir yahova ne moosa aur

haroon se kaha, yah buree mandlee mujh par bud-budatee rahatee haai, usako maain kab tak sahata rahoon? israaelee jo mujh par budbudate rahate haai, unaka yah budbudana maain ne to suna haai. so un se kah, ki yahova kee yah vanee haai, ki mere jeevan kee shapath jo baten tum ne mere sunate kahee haai, ni:sandeh maain usee ke anasar tumhare sath vyavahar karoonga. tumharee lothen isee jangal men padee rahengee aur tum sab men se bees varsha kee va us se adhaik avastha ke jitane gine gaee the, aur mujh par budbudate the, us men se yapunne ke putra kaalib aur noon ke putra yahoshoo ko chhod koi bhee us desh men n jane paega, jisake vishay maain ne shapath khai haai ki tum ko us men basaunga. parantu tumhare balabachche jinake vishay tum ne kaha haai, ki ye loott men chale jaaenge, unako maain us desh men pahuncha doonga aur ve us desh ko jan lenge jis ko tum ne tuchchh jana haai. parantu tum logon kee lothen isee jangal men padee rahengee. aur jab tak tumharee lothen jangal men n gal jaen tak tak, arthata chalees varsha tak, tumhare balabachche jangal men tumhare vyaabhaichar ka fal bhogate huae charavahee karate rahenge. jitane din tum us desh ka bhed lete rahe, arthata chalees din unakee ginatee ke anasar, din peechhe us varsha, arthata chalees varsha tak tum apane adharma ka dand uttaaee rahoge, tab tum jan loge ki mera virodha kya haai. maain yahova yah kah chuka hoo, ki is buree mandlee ke log jo mere viroodh ikatthe huae haain usee jangal men mar mitenge aur ni:sandeh aese hee karoonga bhee. tab jin purooshaen ko moosa ne us desh ke bhed lene ke liye bheja tha, aur unhon ne lauttakar us desh kee namadharai karake saree mandlee ko kud-kudane ke liye ubhara tha, us desh kee ve namadharai karanevale puroosh yahova ke marane se usake samhane mar gaye. parantu desh ke bhed lenevale purooshaen men se noon ka putra yahoshoo aur yapunne ka putra kaalib donon jeeavit rahe. tab moosa ne ye baten sab israaeliyon ko kah sunai aur ve bahut vilap karane lage. aur ve bihan ko savee uttkar yah kahate huae pahad kee chottee par chaddhne lage, ki ham ne pap kiya haai parantu ab taaiyar haai, aur us sthan ko jaaenge jisake vishay yahova ne vachan diya tha. tab moosa ne kaha, tum yahova kee agyaa ka ullanghan kyon karate ho? yah sufal n hoga. yahova tumhare madhy men naheen haai, mat chaddho, naheen to shatrauen se har jaoge. vahan tumhare age amalekee aur kananee log haai, so tum talavar se mare jaoge tum yahova ko chhodkar fir gaee ho, isaaliye vah tumhare sang naheen rahega. parantu ve ddhtitai karake pahad kee chottee par chaddh gaa, parantu yahova kee vacha ka sandook, aur moosa, chhavanee se n hatte. ab amalekee aur kananee jo us pahad par rahate the un par chaddh aa, aur horma tak unako marate chale aae..

fir yahova ne moosa se kaha, israaeliyon se kah, ki jab tum apane nivas ke desh men pahuncho, jo maain tumhe deta hoo, aur yahova ke liye kya homabali, kya melabaali, koi havy chaddhavo, chahe vah vishosh mannat pooree karane ka ho chahe svehchhabaali

ka ho, chahe tumhare niyat samayon men ka ho, ya vah chahe gaya-baail chahe bhed-bakaariyon men ka ho, jis se yahova ke liye sukhdayak sugandha ho tab us homabaali va melabali ke sang bhed ke bachche peechhe yahova ke liye chauthai hin tel se sana hua aepa ka dasavan ansh maaida annabali karake chaddhana, aur chauthai hin dakhmadha argha karake dena. aur meddhe peechhe tihai hin tel se sana hua aepa ka do dasavan ansh maaida annabali karake chaddhana aur usaka argha yahova ko sukhdayak sugandha देनेvala tihai din dakhmadha dena. aur jab too yahova ko homabaali va kisee vishosh mannat pooree karane ke liye baali va melabali karake bachhda chaddhaa, tab bachhde ka chaddhanevala usake sang adha hin tel se sana hua aepa ka teen dasavan ansh maaida annabali karake chaddhaae. aur usaka argha adha hin dakhmadha chaddhaa, vah yahova ko sukhdayak sugandha देनेvala havy hoga. aek aek bachhde, va meddhe, va bhed ke bachche, va bakaree ke bachche ke sath isee reeti chaddhava chaddhaya jaae. tumhare balipashuon kee jitanee ginatee ho, usee ginatee ke anasar aek aek ke sath aese hee kiya karana. jitane deshvae hon ve yahova ko sukhdayak sugandha देनेvala havy chaddhate samay ye kam isee reeti se kiya karen. aur yaadi koi paradeshaee tumhare sang rahata ho, va tumharee kisee peeddhee men tumhare beech koi rahanevala ho, aur vah yahova ko sukhdayak sugandha देनेvala havy chaddhana chahe, to jis prakat tum karoge usee prakat vah bhee kare. mandlee ke liye, arthata tumhare aur tumhare sang rahanevale paradeshaee donon ke liye aek hee vidhai ho tumharee peeddhee peeddhee men yah sada kee vidhai thhare, ki jaaise tum ho vaaise hee paradeshaee bhee yahova ke liye thharata haai. tumhare aur tumhare sang rahanevale paradeshaiyon ke liye aek hee vyavastha aur aek hee niyam haai.. fir yahova ne moosa se kaha, israaeliyon ko mera yah vachan suna, ki jab tum us desh men pahuncho jahan maain tum ko liye jata hoo, aur us desh kee upaj ka ann khao, tab yahova ke liye uttai hui bhennt chaddhaya karo. apane paahile goondho huae atte kee aek papadee uttai hui bhennt karake yahova ke liye chaddhana jaaise tum khlihan men se uttai hui bhennt chaddhaoge vaaise hee usako bhee uttaya karana. apanee peeddhee peeddhee men apane paahile goondho huae atte men se yahova ko uttai hui bhennt diya karana.. fir jab tum in sab agyaaon men se jinhen yahova ne moosa ko diya haai kisee ka ullanghan bool se karo, arthata jis din se yahova agyaa dene laga, aur age kee tumharee peeddhee peeddhee men us din se us ne jitane agyaaen moosa ke dara dee haai, us men yaadi bool se kiya hua pap mandlee ke bina jane hua ho, to saree mandlee yahova ko sukhdayak sugandha देनेvala homabali karake ek bachhda, aur usake sang niyam ke anasar usaka annabali aur argha chaddhaa, aur papabali karake ek bakara chaddhae. jab yajak israaeliyon kee saree mandlee ke liye praayaashchaitt kare, aur unakee kshama kee jaaegee kyonaki unaka pap bool se hua, aur unhon ne apanee bool ke liye apana chaddhava, arthata yahova ke liye havy aur apana papabali usake samhane chaddhaya. so israaeliyon kee saree mandlee ka, aur usake beech rahanevale paradeshaee ka bhee, vah pap

kshama kiya jaaega, kyonki vah sab logon ke anajan men hua. fir yadi koi praanee bool se pap kare, to vah aek varsha kee aek bakaree papabali karake chaddhaae. aur yajak bool se pap karanevale praanee ke liye yahova ke samhane praayashchaitt kare so is praayashchaitt ke karan usaka vah pap kshama kiya jaaega. jo koi bool se kuchh kare, chahae vah paradeshaee hokar rahata ho, sab ke liye tumharee aek hee vyavastha ho. parantu kya deshaee kya paradeshae, jo praanee dhdttiai se kuchh kare, vah yahova ka anadar karanevala ttharega, aur vah praanee apane logon men se nash kiya jaae. vah jo yahova ka vachan tuchchh janata haai, aur usakee agyaa ka ttalanevala haai, isaliye vah praanee nishchay nash kiya jaae usaka adharma usee ke sir padega. jab israaelee jangal men rahate the, un dinon aek manushy vishraam ke din lakadee beenata hua mila. aur jinnako vah lakadee beenata hua mila, ve usako moosa aur haroon, aur saree mandlee ke pas le gaao. unhon ne usako havalat men rakha, kyonki aeese manushy se kya karana chahiye vah prakatt naheen kiya gaya tha. tab yahova ne moosa se kaha, vah manushy nishchay nar dala jaae saree mandlee ke log chhavanee ke bahar us par patthravah karen. so jaaais yahova ne moosa ko agyaa dee thee usee ke anusar saree mandlee ke logon ne usako chhavanee se bahar le jakar patthravah kiya, aur vah mar gaya. fir yahova ne moosa se kaha, israaeliyon se kah, ki apanee peeddhee peeddhee men apane vasren ke kor par jhalar lagaya karana, aur aek aek kor kee jhalar par aek neela faeeta lagaya karana aur vah tumhare liye aeese jhalar tthare, jis se jab jab tum use dekho tab tab yahova kee saree agyaaen tum ho smaran a jaaen aur tum unaka palan karo, aur tum apane apane man aur apanee apanee drashtti ke vash men hokar vyaabaichar n karate firo jaaise karate aae ho. parantu tum yahova kee sab agyaaon ko smaran karake unaka palan karo, aur apane parameshvar ke liye paavitra bano. maain yahova tumhara parameshvar hoo, jo tumhe misr desh se nikal le aya ki tumhara parameshvar ttharoon maain tumhara parameshvar yahova hoon..

korah jo levee ka parapota, kahat ka pota, aur yisahar ka putra tha, vah aeleeab ke putra datan aur aberam, aur pelet ke putra on, in teenon roobeaniyon se milakar mandlee ke addhai sau pradhaan, jo sabhasad aur namee the, unako sang liya aur ve moosa aur haroon ke virooddh utt khde hua, aur un se kahane lage, tum ne bahut kiya, ab bas karo kyonki saree mandlee ka aek aek manushy pavitra haai, aur yahova unake madhy men rahata haai isaliye tum yahova ke mandlee men unche padavale kyon ban baaitte ho? yah sunakar moosa apane munh ke bal gira fir us ne korah aur usakee saree mandlee se kaha, ki bihan ko yahova dikhla dega ki usaka kaun haai, aur paavitra kaun haai, aur usako apane sameep bula lega jisako vah ap chun lega usee ko apane sameep bula bhee lega. isaliye, he korah, tum apanee saree mandlee samet yah karo, arthata apana apana dhoopadan tteek karo aur kal un men ag rakhkar yahova ke samhane

dhoop dena, tab jisako yahova chun le vahee paavitra ttharega. he leviyo, tum bhee badee badee baten karate ho, ab bas karo. fir moosa ne korah se kaha, he leviyo, suno, kya yah tumhen chhottee bat jan padtee haai, ki israael ke parameshvar ne tum ko israael kee mandlee se alag karake apane nivas kee sevakai karane, aur mandlee ke samhane khde hokar usakee bhee seva tthal karane ke liye apane sameep bula liya haai aur tuihe aur tere sab levee bhaiyon ko bhee apane sameep bula liya haai? fir bhee tum yajak pad ke bhee khojee ho? aur isee karan too ne apanee saree mandlee ko yahova ke virooddh ikatthee kiya haai haroon kaun haai ki tum us par budbudate ho? fir moosa ne aeleeab ke putra datan aur aberam ko bulava bheja aur unhon ne kaha, ham tere pas naheen aeenge. kya yah aek chhottee bat haai, ki too ham ko aeese desh se jis men doodha aur madha kee dhaaraen bahatee haai isaliye nikal laya haai, ki hamen jangal men mar dale, fir kya too hamare upar pradhaan bhee banakar adhaikar jatata haai? fir too hamen aeese desh men jahan doodha aur madha kee dhaaraen bahatee haain naheen pahunchaya, aur n hamen kheton aur dakh kee bariyon ke aadhaikaree kiya. kya too in logon kee ankhon men dhooli dalega? ham to naheen aeenge. tab moosa ka kop bahut bhdh utta, aur us ne yahova se kaha, un logon kee bhentti kee or drashtti n kara. maain ne to un se aek gadaha bhee naheen liya, aur n un men se kisee kee haani kee haai. tab moosa ne korah se kaha, kal too apanee saree mandlee ko sath lekar haroon ke sath yahova ke samhane hajir hona aur tum sab apana apana dhoopadan lekar un men dhoop dena, fir apana apana dhoopadan jo sab samet addhai sau honge yahova ke samhane le jana vishosh karake too aur haroon apana apana dhoopadan le jana. so unhon ne apana apana dhoopadan lekar aur un men ag rakhkar un par dhoop dala aur moosa aur haroon ke sath milapavale tamboo ke dar par khde hue. aur korah ne saree mandlee ko unake virooddh milapavale tamboo ke dar par ikattha kar liya. tab yahova ka tej saree mandlee ko dikhai diya.. tab yahova ne moosa aur haroon se kaha, us mandlee ke beech men se alag ho jao. ki maain unhen pal bhr men bhsar karo daloon. tab ve munh ke bal girake kahane lage, he ishvar, he sab praanaaiyon ke atmaon ke parameshvar, kya aek puroosh ke pap ke karan tera krodha saree mandlee par hoga? yahova ne moosa se kaha, mandlee ke logon se kah, ki korah, datan, aur aberam ke tambuon ke asapas se hatt jao. tab moosa uttkar datan aur aberam ke pas gaya aur israaeliyon ke vraddh log usake peechhe peechhe gaee. aur us ne mandlee ke logon se kaha, tum un dusht manushyon ke deron ke pas se hatt jao, aur unakee koi vastu n chooo, kaheen aeese n ho ki tum bhee unake sab papon men fansakar mitt jao. yah sun ve korah, datan, aur aberam ke tambuon ke asapas se hatt gaee parantu datan aur aberam nikalakar apanee paatnaiyo, bentto, aur balabachchon samet apane apane dere ke dar par khde hue. tab moosa ne kaha, is se tum jan loge ki yahova ne mujhe bheja haai ki yah sab kam karo, kyonki maain ne apanee ichchha se kuchh naheen kiya. yaadi un manushyon kee mratyau aur sab manushyon ke saman ho, aur unaka dand sab manushyon ke saman ho, tab janon ki maain yahova

ka bheja hua naheen hoon. parantu yadi yahova apaanee anokhee shaktai prakatt kare, aur prathvee apana munh pasarakar unako, aur unaka sab kuchh nigal jaa, aur ve jeete jee adhaelok men ja pade, to tum samajh lo ki in manushyon ne yahova ka apaman kiya haai. vah ye sab baten kah hee chuka tha, ki boomi un logon ke panv ke neeche fatt gai aur prathvee ne apana munh khol diya aur unaka aur unaka gharadar ka saman, aur korah ke sab manushyon aur unakee saree sampati ko bhee nigal liya. aur ve aur unaka sara gharabar jeevit hee adhaelok men ja pade aur prathvee ne unako ddhnap liya, aur ve mandlee ke beech men se nasht ho gae. aur jitane israaelee unake charon or the ve unaka chillana sun yah kahate huae bhage, ki kaheen prathvee ham ko bhee nigal n le! tab yahova ke pas se ag nikalee, aur un addhai sau dhoop chaddhanevalon ko bhsam kar dala.. tab yahova ne moosa se kaha, haroon yajak ke putra aeleeajar se kah, ki un dhoopadanon ko ag men se utta le aur ag ke angaron ko udhar hee chhtaira de, kyonaki ve pavitra haain. jinhon ne pap karake apane hee praanon kee hani kee haai, unake dhoopadanon ke pattr peett peettkar banaae jaen jis se ki vah vedee ke maddhne ke kam ave kyonki unhon ne yahova ke samhane rakha tha is se ve pavitra haain. is prakar vah israaeeliyon ke liye aek nishaan thharega. so aeleeajar yajak ne un peetal ke dhoopadanon ko, jin men un jale huae manushyon ne dhoop chaddhaya tha, lekar unake pattr peettkar vedee ke maddhne ke liye banana dia, ki israaeeliyon ko is bat ka smaran rahe ki koi doosara, jo haroon ke vansh ka n ho, yahova ke samhane dhoop chaddhane ko sameep n jaa, aeesa n ho ki vah bhee korah aur usakee mandlee ke saman nasht ho jaa, jaaise ki yahova ne moosa ke dara usako agyaa dee thee.. doosare din israaeeliyon kee saree mandlee yah kahakar moosa aur haroon par budbudane lagee, ki yahova kee praja ko tum ne mar dala haai. aur jab mandlee ke log moosa aur haroon ke virooddh ikatthe ho rahe the, tab unhon ne milapavale tamboo kee or drashtti kee aur dekha, ki badal ne use chha liya haai, aur yahova ka tej dikhai de raha haai. tab moosa aur haroon milapavale tamboo ke samhane aa, tab yahova ne moosa aur haroon se kaha, tum us mandlee ke logon ke beech se hatt jao, ki maain unhen pal bhr men bhsam kar daloon. tab ve munh ke bal gire. aur moosa ne haroon se kaha, dhoopadan ko lekar us men vedee par se ag rakhkar us par dhoop dal, mandlee ke pas fauratee se jakar usake liye praayaashchaitt kara kyonaki yahova ka kop atyant bhdka haai, aur maree faailane lagee haai. moosa kee agyaa ke anusar haroon dhoopadan lekar mandlee ke beech men dauda gaya aur yah dekhkar ki logon men maree faailane lagee haai, us ne dhoop jalakar logon ke liye praayaashchaitt kiya. aur vah mudorn n aur jeevit ke madhy men khda hua tab maree thm gai. aur jo korah ke sang bhagee hokar mar gae the, unhen chhod jo log is maree se mar gae ve chaudah hajar sat sau the. tab haroon milapavale tamboo ke dar par moosa ke pas lautt gaya, aur maree thm gai..

17

tab yahova ne moosa se kaha, israaeeliyon se baten karake un ke poovajon ke gharanon ke anusar, unake sab pradhaanon ke pas se aek aek chhdee le aur un barah chhadiyon men se aek aek par aek aek ke mool puroosh ka nam likh, aur leaviyon kee chhdee par haroon ka nam likh. kyonaki israaeeliyon ke poovajon ke gharanon ke aek aek mukhy puroosh kee aek aek chhdee hogee. aur un chhadiyon ko milapavale tamboo men sakshaepatra ke age, jahan maain tum logon se mila karata hoo, rakh de. aur jis puroosh ko maain chunoonga usakee chhdee men kaaliyan foott nikalengee aur israaelee jo tum par budbudate rahate haai, vah budbudana maain apane upar se door karoonga. so moosa ne israaeeliyon se yah bat kahee aur unake sab pradhaanon ne apane apane liye, apane apane poovajon ke gharanon ke anusar, aek aek chhdee use dee, so barah chhadiyan hui aur un kee chhdiyon men haroon kee bhee chhdee thee. un chhadiyon ko moosa ne saakshaepatra ke tamboo men yahova ke samhane rakh diya. doosare din moosa sakshaepatra ke tamboo men gaya to kya dekha, ki haroon kee chhdee jo levee ke gharane ke liye thee us men kaaliyan foott nikalee, arthata us men kaliyan lagee, aur fool bhee foole, aur pake badam bhee lage haain. so moosa un sab chhadiyon ko yahova ke samhane se nikalakar sab israaeeliyon ke pas le gaya aur unhon ne apanee apanee chhdee pahichanakar le lee. fir yahova ne moosa se kaha, haroon kee chhdee ko sakshaepatra ke samhane fir dhar de, ki yah un danga karanevalo ke liye aek nishaan banakar rakhee rahe, ki too unaka budbudana jo mere virooddh hota rahata haai bhvishy men rok rakhe, aeesa n ho ki ve mar jaaen. aur moosa ne yahova kee is agyaa ke anusar hee kiya.. tab israaelee moosa se kahane lage, dek, hamare praan nikala chahate haai, ham nasht hua, ham sab ke sab nasht huae jate haain. jo koi yahova ke nivas ke sameep jata haai vah mara jata haai. to kya ham sab ke sab mar hee jaaenge..

18

fir yahova ne haroon se kaha, ki pavitrasthan ke adharma ka bhar tujh par, aur tere putraen aur tere pita ke gharane par hoga aur tumhara yajak karma ke adharma ka bhar bhee tere putraen par hoga. aur levee ka gotra, arthata tere moolapuroosh ke gotravale jo tere bhai haai, unako bhee apane sath le aya kar, aur ve tujh se mil jaae, aur teree seva thal kiya kare, parantu sakshaepatra ke tamboo ke samhane too aur tere putra hee aya karen. jo tujhe saunpa gaya haai usakee aur sare tamboo kee bhee ve raksha kiya karen parantu pavitrasthan ke patraen ke aur vedee ke sameep n aae, aeesa n ho ki ve aur tum log bhee mar jao. so ve tujh se mil jaae, aur milapavale tamboo kee saree sevakai kee vastuon kee raksha kiya karen parantu jo tere kul ka n ho vah tum logon ke sameep n ane paae. aur paavitrasthan aur vedee kee rakhvalee tum hee kiya karo, jis se israaeeliyon par fir kop n bhdke. parantu maain ne ap tumhare levee bhaiyon ko israaeeliyon ke beech se alag kar liya haai, aur ve milapavale tamboo kee

seva karane ke liye tum ko aur yahova ko saunp diye gaae haain. par vedee kee aur beechavale parde ke bheetar kee baton kee sevakai ke liye too aur tere putra apane yajakapad kee raksha karana, aur tum hee seva kiya karana kyonaki maain tumhen yajakapad kee sevakai dan karata hoon aur jo tere kul ka n ho vah yaadi sameep aae to mar dala jaae.. fir yahova ne haroon se kaha, sun, maai ap tujh ko uttai hui bhentt saunp deta hoo, arthata israeliyyon kee paavitra kee hui vastuen jitanee hon unhen maain tere abhaishok vala bhag ttharakar tujhe aur tere putraen ko sada ka hak karake de deta hoon. jo paramapavitra vastu-aen ag men hom n hee jaaengee ve teree hee tthare, arthata israeliyyon kee sab chaddhavan men se unake sab annabaali, sab papabali, aur sab doshabali, jo ve mujh ko de, vah tere aur tere putraen ke liye paramapavitra ttharen. unako paramapavitra vastu janakar khaya karana unako har ek puroosh kha sakata haai ve tere liye paavitra haain. fir ye vastuen bhee teree tthare, arthata jitanee bhentt israeliyyon kee liye de, unako maain tujhe aur tere bette-bettyaen ko sada ka hak karake de deta hoon tere gharane men jitanee shuuddh hon vah unhen kha sakenge. fir uttm se uttm naya dakhmadha, aur gehoo, arthata inakee pahalee upaj jo ve yahova ko de, vah maain tujh ko deta hoon. unake desh ke sab prakare kee pahalee upaj, jo ve yahova ke liye le ae, vah teree hee tthare tere gharane men jitanee shuuddh hon ve unhen kha sakengen. israeliyyon men jo kuchh arpan kiya jaae vah bhee tere hee tthare. sab praanaaiyon men se jitanee apanee apanee man ke pahilautte ho, jinhen log yahova ke liye chaddhaae, chahe manushy ke chahe pashu ke pahilautte ho, ve sab tere hee ttharen parantu manushyon aur ashuuddh pashuon ke pahilautte ko dam lekar chhod dena. aur jinhen chhudana ho, jab ve maheene bhr ke hon tab unake liye apane ttharaae huae mol ke anasar, arthata pavitrasthan kee bees gera kee shokel ke hisab se panch shokel leke unhen chhodna. par gay, va bhedee, va bakaree ke pahilautte ko n chhodna ve to paavitra haain. unake lohoo ko vedee par chhdik dena, aur unakee charabee ko havy karake jalana, jis se yahova ke liye sukhdayak sugandha ho parantu unaka mans tera tthare, aur hilai hui chhatee, aur dahi-nee jangha bhee tera hee tthare. paavitra vastuon kee jitanee bhentten israeliyyon yahova ko de, un sabhon ko maain tujhe aur tere bette-beattyaen ko sada ka hak karake de deta hoon: yah to tere aur tere vansh ke liye yahova kee sada ke liye namak kee attl vacha haai. fir yahova ne haroon se kaha, israeliyyon kee desh men tera koi bhag n hoga, aur n unake beech tera koi ansh hoga unake beech tera bhag aur tera ansh maain hee hoon.. fir milapavale tamboo kee jo seva levee karate haain usake badale maain unako israeliyyon ka sab dashamansh unaka nij bhag kar deta hoon. aur bhavishy men israeliyyon milapavale tamboo kee sameep n aae, aeesa n ho ki unake sir par pap lage, aur ve mar jaaen. parantu levee milapavale tamboo kee seva kiya kare, aur unake adharma ka bhar ve hee uttaya karen yah tumharee peeddheeyon men sada kee vidhai tthare aur israeliyyon kee beech unaka koi nij bhag n hoga. kyonaki israeliyyon kee dashamansh yahova ko uttai hui bhentt karake denge, use maain leviyon ko nij bhag karake deta hoo, iseealiye maain ne unake

vishay men kaha haai, ki israeliyyon kee beech koi bhag unako n mile. fir yahova ne moosa se kaha, too leaviyon se kah, ki jab jab tum israeliyyon kee hath se vah dashamansh lo jise yahova tum ko tumhara nij bhag karake un se dilata haai, tab tab us men se yahova ke liye aek uttai hui bhentt karake dashamansh ka dashamansh dena. aur tumharee uttai hui bhentt tumhare hit ke liye aeesee ginee jaaengee jaaisa khlihan men ka ann, va rasakund men ka dakhraas gina jata haai. iseealiye tum bhee apane sab dashamanshaen men se, jo israeliyyon kee or se paoge, yahova ko aek uttai hui bhentt dena aur yahova kee yah uttai hui bhentt haroon yajak ko diya karana. jitanee dan tum pao un men se har aek ka uttm se uttm bhag, jo pavitra tthara haai, so use yahova ke liye uttai hui bhentt karake pooree pooree dena. isaliye too leaviyyon se kah, ki jab tum us men ka uttm se uttm bhag uttakar do, tab yah tumhare liye khalihan men ke ann, aur rasakund ke ras ke tuly gina jaaega aur usako tum apane gharanon samet sab sthanon men kha sakate ho, kyonki milapavale tamboo kee jo seva tum karoge usaka badala yahee tthara haai. aur jab tum usako uttm se uttm bhag uttakar do tab usake karan tum ko pap n lagega. parantu israeliyyon kee paavitra kee hui vastuon ko apavitra n karana, aeesa n ho ki tum mar jao..

fir yahova ne moosa aur haroon se kaha, vyavastha kee jis vidhai kee agyaa yahova deta haai vah yah haai ki too israeliyyon se kah, ki mere pas aek lal nirdosh baachhyai le ao, jis men koi bhee dosh n ho, aur jis par jooa kabhee n rakha gaya ho. tab aleeear yajak ko do, aur vah use chhavanee se bahar le jaa, aur koi usako usake samhane baalidan kar tab aleeear yajak apanee ungalae se usake kuchh lohoo lekar milapavale tamboo kee samhane kee or sat bar chhdik de. tab koi us bachhyai ko khal, mans, loho, aur gobbar samet usake samhane jalaee aur yajak devadaroo kee lakadee, joofaa, aur lal rang ka kapada lekar us ag men jis men bachhyai jalatee ho dal de. tab vah apane vasr dhaee aur snan kare, isake bad chhavanee men to aa, parantu sanjh tak ashuuddh rahe. aur jo manushy usako jalaee vah bhee jal se apane vasr dhaee aur snan kare, aur sanjh tak ashuuddh rahe. fir koi shuuddh puroosh us bachhyai kee rakh bat-torakar chhavanee ke bahar kisee shuuddh sthan men rakh chhode aur vah rakh israeliyyon kee mandlee ke liye ashuuddhta se chhudanevale jal ke liye rakhee rahe vah to papabali haai. aur jo manushy baachhyai kee rakh battore vah apane vasr dhaee, aur sanjh tak ashuuddh rahe. aur yah israeliyyon ke liye, aur unake beech rahanevale paradeashaiyon ke liye bhee sada kee vidhai tthare. jo kisee manushy kee loth chooe vah sat din tak ashuuddh rahe aeesa manushy teesare din us jal se pap chhudakar apane ko pavan kare, aur sataven din shuuddh tthare parantu yadi vah teesare din ap ko pap chhudakar pavan n kare, to sataven din shuuddh ttharega. jo koi kisee manushy kee loth chookar pap chhudakar apane ko pavan n kare, vah yahova kee nivasasthan ka ashuuddh karanevala ttharega, aur vah praanee israel men se nash kiya

jaae ashuuddhta se chhudanevala jal us par n chhdika gaya, is karan vah ashuuddh ttharega, usakee ashuuddhta us men bachee rahegee. yaadi koi manushy dere men mar jaae to vyavastha yah yah haai, ki jitane us dere men rahe, va us men jaae, ve sab sat din tak ashuuddh rahen. aur har aek khula hua patra, jis par koi ddhkana laga n ho, vah ashuuddh tthare. aur jo koi maaidan men talavar se mare huae ko, va apanee mratyu se mare huae ko, va manushy kee haddee ko, va kisee kabra ko chooa, to sat din tak ashuuddh rahe. ashuuddh manushy ke liye jalaae huae papabali kee rakh men se kuchh lekar patra men dalakar us par sote ka jal dala jaae tab koi shuuddh manushy joofaa lekar us jal men dubakar jal ko us dere par, aur jitane patra aur manushy us men ho, un par chhdike, aur haddee ke, va mare huae ke, va apanee mratyu se mare huae ke, va kabra ke choonevale par chhdik de vah shuuddh puroosh teesare din aur sataven din us ashuuddh manushy par chhdike aur sataven din vah usake pap chhudakar usako pavan kare, tab vah apane vasren ko dhaekar aur jal se snan karake sanjh ko shuuddh tthare. aur jo koi ashuuddh hokar apane pap chhudakar apane ko pavan n karaa, vah praanee yahova ke paavitra sthan ka ashuuddh karanevala ttharega, is karan vah mandlee ke beech men se nash kiya jaae ashuuddhta se chhudanevala jal us par n chhdika gaya, is karan se vah ashuuddh ttharega. aur yah unake liye sada kee vidhai tthare. jo ashuuddhta se chhudanevala jal chhdike vah apane vasren ko dhaae aur jis jan se ashuuddhta se chhudanevala jal choo jaae vah bhee sanjh tak ashuuddh rahe. aur jo kuchh vah ashuuddh manushy chooe vah bhee ashuuddh tthare aur jo praanee us vastu ko chooe vah bhee sanjh tak ashuuddh rahe..

paahile maheene men saree israaelee mandlee ke log seenaai namh jangal men a gaa, aur kadesh men rahane lage aur vahan maariyam mar gai, aur vaheen usako mittee dee gai. vahan mandlee ke logon ke liye panee n mila so ve moosa aur haroon ke virooddh ikatthe huae. aur log yah kahakar moosa se jhgadne lage, ki bhla hota ki ham us samay hee mar gae hote jab hamare bhai yahova ke samhane mar gae! aur tum yahova kee mandlee ko is jangal men kyon le aae ho, ki ham apane pashuon samet yahan mar jaae? aur tum ne ham ko misr se kyon nikalakar is bure sthan men pahunchaya haai? yahan to beech, va anjeer, va dakhilata, va anar, kuchh naheen haai, yahan tak ki peene ko kuchh panee bhee naheen haai. tab moosa aur haroon mandlee ke samhane se milapavale tamboo ke dar par jakar apane munh ke bal gire. aur yahova ka tej unako dikhai diya. tab yahova ne moosa se kaha, us lattee ko le, aur too apane bhai haroon samet mandlee ko ikattha karake unake dekhte us chattan se baten kar, tab vah apana jal degee is prakr se too chattan men se unake liye jal nikal kar mandlee ke logon aur unake pashuon ko pila. yahova kee is agyaa ke anasar moosa ne usake samhane se lattee ko le liya. aur moosa aur haroon ne mandlee ko us chattan ke samhane ikattha kiya, tab moosa ne us se kah, he danga karanevalo, suno kya ham ko is chattan men

se tumhare liye jal nikalana hoga? tab moosa ne hath uttakar lattee chattan par do bar maree aur us men se bahut panee foot nikala, aur mandlee ke log apane pashuon samet peene lage. parantu moosa aur haroon se yahova ne kaha, tum ne jo mujh par vishvas naheen kiya, aur mujhe israaeliyon kee draashti men pavitra naheen ttharaya, isaliye tum is mandlee ko us desh men pahunchane n paoge jise maain ne unhen diya haai. us sote ka nam mareeba pada, kyonki israaeliyon ne yahova se jhgada kiya tha, aur vah unake beech paavitra ttharaya gaya.. fir moosa ne kadesh se aedom ke raja ke pas doot bheje, ki tera bhai israael yon kahata haai, ki ham par jo jo klesh pade haain vah too janata hoga arthata yah ki hamare purakha misr men gae the, aur ham misr men bahut din rahe aur mistriyon ne hamare purakhaon ke sath aur hamare sath bhee bura bartav kiya parantu jab ham ne yahova kee dohai dee tab us ne hamaree sunee, aur aek doot ko bhejkar hamen misr se nikal le aya haai so ab ham kadesh nagar men haain jo tere sivane hee par haai. so hamen apane desh men se hokar jane de. ham kisee khet va dakh kee baree se hokar n chalenge, aur koon ka panee n peeenge sadka-sadk hokar chale jaaenge, aur jab tak tere desh se bahar n ho jaae, tab tak n daahine n baen mudenge. parantu aedomiyon ne usake pas kahala bheja, ki too mere desh men se hokar mat ja, naheen to maain talavar liye huae tera samhana karane ko nikaloonga. israaeliyon ne usake pas fir kahala bheja, ki ham sadk hee sadk chalenge, aur yaadi ham aur hamare pashu tera panee peeae, to usaka dam denge, ham ko aur kuchh nahee, keval panv panv chalakar nikal jane de. parantu us ne kaha, too ane n paega. aur aedom badee sena lekar bhujabal se usaka samhana karane ko nikal aya. is prakr aedom ne israael ko apane desh ke bheetar se hokar jane dene se inkar kiya isaliye israael usakee or se mud gae.. tab israaeliyon kee saree mandlee kadesh se kooch karake hor nam pahad ke pas a gai. aur aedom desh ke sivane par hor pahad men yahova ne moosa aur haroon se kaha, haroon apane logon meen ja milega kyonki tum dono ne jo mareeba nam sote par mera kahana chhodkar mujh se balava kiya haai, is karan vah us desh men jane n paega jise maain ne israaeliyon ko diya haai. so too haroon aur usake putra aleeejar ko hor pahad par le chala aur haroon ke vasr utarake usake putra aleeejar ko pahina tab haroon vaheen marakar apane logon me ja milega. yahova kee is agyaa ke anasar moosa ne kiya ve saree mandlee ke dekhte hor pahad par chaddh gae. tab moosa ne haroon ke vasr utarake usake putra aleeejar ko pahinae aur haroon vaheen pahad kee chotte par mar gaya. tab moosa aur aleeejar pahad par se utar aae. aur jab israael kee saree mandlee ne dekha ki haroon ka praan choott gaya haai, tab israael ke sab gharane ke log usake liye tees din tak rote rahe..

tab arad ka kananee raja, jo daakkhian desh men rahata tha, yah sunakar, ki jis marga se ve bheadiye aae the usee marga se ab israaele a rahe haai, israael se lada, aur un men se kitanon ko bandhaua kar liya. tab israaeliyon ne yahova se yah kahakar mannat manee,

ki yadi too sachamuch un logon ko hamare vash men kar de, to ham unake nagaron ko satyanash kar denge. israel kee yah bat sunakar yahova ne kanaaniyon ko unake vash men kar diya so unhon ne unake nagaron samet unako bhee satyanash kiya is se us sthan ka nam horma rakha gaya.. fir unhon ne hor pahad se kooch karake lal samudra ka marga liya, ki aedom desh se bahar bahar ghoomakar jaaen aur logon ka man marga ke karan bahut vyakul ho gaya. so ve parameshvar ke virooddh bat karane lage, aur moosa se kaha, tum log ham ko misr se jangal men marane ke liye kyon le aae ho? yahan n to rottee haai, aur n panee, aur hamare praan is nikammee rottee se dukhait haain. so yahova ne un logon men tej vishavale sanp bheje, jo unako dsane lage, aur bahut se israaelee mar gae. tab log moosa ke pas jakar kahane lage, ham ne pap kiya haai, ki ham ne yahova ke aur tere virooddh baten kee haain yahova se praarthna kar, ki vah sanpon ko ham se door kare. tab moosa ne unake liye praarthna kee. yahova ne moosa se kaha aek tej vishavale sanp kee pratima banavakar khmbhe par lattka tab jo sanp se dsa hua usako dekh le vah jeeavit bachega. so moosa ne peetal ko aek sanp banavakar khmbhe par lattkaya tab sanp ke dse huon men se jis jis ne us peetal ke sanp ko dekha vah jeeavit bach gaya. fir israaeliyan ne kooch karake obot men dere dale. aur obot se kooch karake abareem nam deehen men dere dale, jo poorab kee or moab ke samhane ke jangal men haai. vanha se kooch karake unhon ne jered nam nale men dere dale. vahan se kooch karake unhon ne anorn nadee, jo jangal men bahatee aur aemoriyan ke desh se nikalatee haai, usakee paralee or dere khde kiae kyonaki arnon moaabiyon aur aemoriyan ke beech hokar moab desh ka sivana ttara haai. is karan yahova ke sangraam nam pushtak men is prakhar likha haai, ki soopa men baheb, aur anorn ke nale, aur un nalon kee ddhlana jo ar nam nagar kee or haai, aur jo moab ke sivan par haai. fir vahan se kooch karake ve baair tak gae vahan vachee kooan haai jisake vishay men yahova ne moosa se kaha tha, ki un logon ko ikattha kar, aur maain unhe panee doonga.. us samay israel ne yah geet gaya, ki he kooe, ubal a, us kooen ke vishay men gao! jisako hakimon ne khoda, aur israel ke raison ne apne sonton aur laattyaien se khod liya.. fir ve jangal se mattana ko, aur mattana se nahaleael ko, aur nahaleael se bamot ko, aur bamot se kooch karake us tarai tak jo moab ke maaidan men haai, aur pisaga ke us sire tak bhee jo yashaeemon kee or jhuka haai pahunch gae.. tab israel ne aemoriyan ke raja seehon ke pas dooton se yah kahala bheje, ki hamen apne desh men hokar jane de ham mudkar kisee khet va dakh kee baree men to n jaaenge n kisee kooaen ka panee peeenge aur jab tak tere desh se bahar n ho jaaen tak sadk hee se chale jaaenge. taubhee seehon ne israel ko apne desh se hokar jane n diya varan apnee saree sena ko ikattha karake israel ka samhana karane ko jangal men nikal aya, aur yahah ko akar un se lada. tab israaeliyan ne us ko talavar se mar liya, aur anorn se yabbok nadee tak, jo ammoniyan ka sivana tha, usake desh ke aadhaikaree ho gae ammoniyan ka sivana to draddh tha. so israel ne aemoriyan ke sab nagaron ko le liya, aur un me, arthata heshabon

aur usake as pas ke nagaron men rahane lage. heshabon aemoriyan ke raja seehon ka nagar tha us ne moab ke agale raja se ladke usaka sara desh anorn tak usake hath se chheen liya tha. is karan gooddh bat ke kahanevale kahate haai, ki heshabon men ao, seehon ka nagar base, aur draddh kiya jae. kyonaki heshabon se ag, arthata seehon ke nagar se lau nikalee jis se moab desh ka ar nagar, aur anorn ke unche sthanon ke svamee bhsam huae. he moab, tujh par haya! kamosh devata kee praja nash hui, us ne apne betton ko bhego, aur apanee bettyaien ko aemoree raja seehon kee dasee kar diya. ham ne unhen gira diya haai, heshabona deebon tak nasht ho gaya haai, aur ham ne nopah aur medaba tak bhee ujad diya haai.. so israel aemoriyan ke desh men rahane laga. tab moosa ne yajer nagar ka bhed lene ko bheja aur unhon ne usake ganvon ko liya, aur vahan ke aemoriyan ko us desh se nikal diya. tab ve mudke bashaan ke marga se jane lage aur bashaan ke raja og n unaka samhana kiya, arthata ladne ko apanee saree sena samet aedrai men nikal aya. tab yahova ne moosa se kaha, us se mat dra kyonaki maain usako saree sena aur desh samet tere hath men kar deta hoon aur jaaisa too ne aemoriyan ke raja heshabonavasee seehon ke sath kiya haai, vaaisa hee usake sath bhee karana. tab unhon ne usako, aur usake putraen aur saree praja ko yahan tak mara ki usako koi bhee n bacha aur ve usake desh ke adhaikaree ko gae.

tab israaeliyan ne kooch karake yareeh ko pas yaradan nadee ke is par moab ke araba men dere khde kiae.. aur sippor ke putra balak ne dekha ki israel ne aemoriyan se kya kya kiya haai. isaliye moab yah janakar, ki israaelee bahut haai, un logon se atyant dr gaya yahan tak ki moab israaeliyan ke karan atyant vyakul hua. tab moabiyon ne midhanee puraaniyan se kaha, ab vah dal hamare charon or ke sab logon ko chatt kar jaege, jis tarah baail khet kee haree ghaas ko chatt kar jata haai. us samay sippor ka putra balak moab ka raja tha aur is ne pator nagar ko, jo mahanaad ke tatt par bor ke putra bilam ke jaatibhaiyan ke boomi thee, vahan bilam ke pas doot bheje, ki ve yah kahakar use bula laae, ki sun aek dal misr se nikal aya haai, aur boomi un se ddhk gai haai, aur ab ve mere samhane hee akar bas gae haain. isaliye a, aur un logon ko mere nimitt shaap de, kyonaki ve mujh se adhaik balavant haai. us samay sippor ka putra balak jayavant ho, aur ham sab inako apne desh se marakar nikal den kyonki yah to maain janata hoon ki jisako too ashaeervad deta haai vah dhany hota haai, aur jisako too shaap deta haai vah srapit hota haai. tab moabee aur midhanee puraaniye bhavaye kahane kee dakhshiana lekar chale, aur bilam ke pas pahunchakar balak kee baten kah sunain. us ne un se kaha, aj rat ko yahan ttkaie, aur jo bat yahova mujh se kahega, usee ke anusar maain tum ko uttr doonga tab moab ke hakim bilam ke yahan ttar gae. tab parameshvar ne bilam ke pas akar poochha, ki tere yahan ye puroosh kaun haain? bilam ne parameshvar se kaha sippor ke putra moab ke raja balak ne mere pas yah kahala bheja haai, ki sun, jo dal misr se nikal aya haai

us se boomi ddhnp gai haai isaliye akar mere liye un-hen shaap de sambhv haai ki maain unase ladkar un-ako barabas nikal sakoonga. parameshvar ne bilam se kaha, too inake sang mat ja un logon ko shaap mat de, kyonaki ve ashaeesh ke bhagee ho chuke haain. bhor ko bilam ne uttkar balak ke hakimon se kaha, tum apane desh ko chale jao kyonaki yahova mujhe tumhare sath jane kee agyaa naheen deta. tab moabee haakim chale gaee aur balak ke pas jakar kaha, ki bilam ne hamare sath ane se nah kiya haai. is par balak ne fir aur hakim bheje, jo paahilon se praatishtit aur ginatee men bhee adhaik the. unhon ne bilam ke pas akar kaha, ki sippor ka putra balak yon kahata haai, ki mere pas ane se kisee karan nah n kara kyonaki maain nishchay teree badee praatishtta karoonga, aur jo kuchh too mujh se kahe vahee maain karoonga isaliye a, aur un logon ko mere nimitt shaap de. bilam ne balak ke karmachariyon ko uttr diya, ki chahe balak apane ghar ko sone chandee se bhrakar mujhe de de, taubhee maain apane parameshvar yahova kee agyaa ko palatt naheen sakata, ki use ghat-takar va baddhakar manoon. isaliye ab tum log aj rat ko yaheen ttakai raho, taaki maain jan loo, ki yahova mujh se aur kya kahata haai. aur parameshvar ne rat ko bilam ke pas akar kaha, yaadi ve puroosh tuijhe bulane aae haai, to too uttkar unake sang ja parantu jo bat maain tuij se kahoon usee ke anusar karana. tab bilam bhor ko utta, aur apanee gadahee par kattee bandhakar moabee hakimon ke sang chal pada. aur usake jane ke karan parameshvar ka kop bhdh utta, aur yahova ka doot usaka virodha karane ke liye marga rokakar khda ho gaya. vah to apanee gadahee par savar hokar ja raha tha, aur usake sang usake do sevak bhee the. aur us gadahee ko yahova ka doot hath men nangee talavar liye huae marga men khda dikhai pada tab gadahee marga chhodkar khet men chalee gai tab bilam ne gadahee ko mara, ki vah marga par fir jaee. tab yahova ka doot dakh kee bariyon ke beech kee galee me, jisake donon or baree kee deevaar thee, khda hua. yahova ke doot ko dekhkar gadahee deevaar se aeesee satt gai, ki bilam ka panv deevaar se dab gaya tab us ne usako fir mara. tab yahova ka doot age baddhkar aek sakat sthan par khda hua, jahan n to dahinee or hattne kee jagah thee aur n bain ora. vahan yahova ke doot ko dekhkar gadahee bilam ko liye diye baaitt gai fir to bilam ka kop bhdh utta, aur us ne gadahee ko lattee se mara. tab yahova ne gadahee ka munh khol diya, aur vah bilam se kahane lagee, maain ne tera kya kiya haai, ki too ne mujhe teen bar mara? bilam ne gadahee se kaha, yah ki too ne mujh se natkhttee kee. yaadi mere hath men talavar hotee to maain tuijhe abhee mar dalata. gadahee ne bilam se kaha kya maain teree vahee gadahee naheen jis par too janm se aj tak chaddhta aya haai? kya maain tuij se kabhee aeese karatee thee? vah bola, naheen. tab yahova ne bilam kee ankhe kholee, aur usako yahova ka doot hath men nangee talavar liye huae marga men khda dikhai pada tab vah jhuk gaya, aur munh ke bal girake dandvat kee. yahova ke doot ne us se kaha, too ne apanee gadahee ko teen bar kyon mara? sun, tera virodha karane ko maain hee aya hoo, isaliye ki too mere samhane ulattee chal chalata haai aur yah gadahee mujhe dekhkar mere samhane se teen bar hatt

gai. jo vah mere samhane se hatt n jatee, to ni:sandeh maain ab tak tuij ko mar hee dalata, parantu usako jeevit chhod deta. tab bilam ne yahova ke doot se kaha, maain ne pap kiya haai maain naheen janata tha ki too mera samhana karane ko marga men khda haai. isaliye ab yaadi tuijhe bura lagata haai, to maain lautt jata hoon. yahova ke doot ne bilam se kaha, in purooshaen ke sang too chala ja parantu keval va-hee bat kahana jo maain tuij se kahoonga. tab bilam balak ke hakimon ke sang chala gaya. yah sunakar, ki bilam a raha haai, balak us se bhentt karane ke liye moab ke us nagar tak jo us desh ke arnonavale sivane par haai gaya. balak ne bilam se kaha, kya maain ne badee asha se tuijhe naheen bulava bheja tha? fir too mere pas kyon naheen chala aya? kya maain is yogy naheen ki sachamuch teree uchit pratishtha kar sakata? bilam ne balak se kaha, dekh maain tere pas aya to hoon! parantu ab kya maain kuchh kar sakata hoon? jo bat parameshvar mere munh men dalega va-hee bat maain kahoonga. tab bilam balak ke sang sang chala, aur ve kiryaatoosot tak aae. aur balak ne baail aur bhed-bakariyon ko baali kiya, aur bilam aur usake sath ke haakimon ke pas bheja. bihan ko balak bilam ko baloo ke unche sthanon par chaddha le gaya, aur vahan se usako sab israaelee log dikhai pade..

tab bilam ne balak se kaha, yahan par mere liye sat veadiyon banava, aur isee sthan par sat bachhde aur sat meddhe taaiyar kara. tab balak ne bilam ke kahane ke anusar kiya aur balak aur bilam ne milakar pratyek vedee par aek bachhda aur aek meddha chaddhaya. fir bilam ne balak se kaha, too apane homabaali ke pas khda rah, aur maain jata hoon sambhv haai ki yahova mujh se bhentt karane ko aae aur jo kuchh vah mujh par prakash karega vahee maain tuij ko bataunga. tab vah aek munde pahad par gaya. aur parameshvar bilam se mila aur bilam ne us se kaha, maain ne sat veadiyon taaiyar kee haai, aur pratyek vedee par aek bachhda aur aek meddha chaddhaya haai. yahova ne bilam ke munh men aek bal dalee, aur kaha, balak ke pas lautt jo, aur yon kahana. aur vah usake pas laut-tkar a gaya, aur kya dekhta haai, ki vah sare moabee haakimon samet apane homabali ke pas khda haai. tab bilam ne apanee gooddh bat arambh kee, aur ka-hane laga, balak ne mujhe aram se, arthata moab ke raja ne mujhe poorab ke pahadon se bulava bheja: a, mere liye yakoob ko shaap de, a, israael ko dhamakee de! parantu jinhen ishvar ne naheen shaapa diya un-hen maain kyon shaap doon? aura jinhen yahova ne dhamakee naheen dee unhen maain kaaise dhamakee doon? chhattanon kee chhotte par se ve mujhe dikhai padte haai, pahadiyon par se maain unako dekhta hoon vah aeesee jaati haai jo akelee basee rahegee, aur anyajaatiyon se alag ginee jaagee! yakoob ke dhooli ke kinake ko kaun gin sakata haai, va israael kee chau-thai kee ginatee kaun le sakata haai? saubhagy yadi meree mratyu dharmiyon kee see, aur mera ant bhee unheen ke saman ho! tab balak ne bilam se kaha, too ne mujh se kya kiya haai? us ne kaha, jo bat yahova ne mujhe sikhlai kya mujhe usee ko savadhaanee se bolana n chaahiye? balak ne us se kaha, mere sang

doosare sthan par chal, jahan se ve tuijhe dikhai denge too un sabhon ko to nahee, keval baharavalon ko dekh sakega vahan se unhen mere liye shaap de. tab vah usako sopeem nam maaidan men pisaga se sire par le gaya, aur vahan sat veadiyān banavakar pratyek par aek bachhda aur aek meddha chaddhaya. tab bilam ne balak se kaha, apane homabaali ke pas yaheen khda rah, aur maain udhar jakar yahova se bhentt karoon. aur yahova ne bilam se bhentt kee, aur us ne usake munh men aek bat dalee, aur kaha, ki balak ke pas lautt ja, aur yon kahana. aur vah usake pas gaya, aur kya dekhta haai, ki vah moabee hakimon samet apane homabali ke pas khda haai. aur balak ne poochha, ki yahova ne kya kaha haai? tab bilam ne apanee gooddh bat arambh kee, aur kahane laga, he balak, man lagakar sun, he sippor ke putra, merree bat par kan laga: ishvar manushy nahee, ki joott bole, aur n vah adamee haai, ki apanee ichchha badale. kya jo kuchh us ne kaha use n kare? kya vah vachan dekar us poora n kare? dek, ashaeervad hee dene kee agyaa maain ne pai haai: vah ashaeesh de chuka haai, aur maain use naheen palatt sakata. us ne yakoob men anarth naheen paya aur n israel men anyay dekha haai. usaka parameshvar yahova usake sang haai, aur un men raja kee see lalakar hotee haai. unako misr men se ishvar hee nikale liye a raha haai, vah to baainele sand ke saman bal rakhta haai. nishchay koi mantra yakoob par naheen chal sakata, aur israel par bhavē kahana koi arth naheen rakhta parantu yakoob aur israel ke vishay ab yah kaha jaega, ki ishvar ne kya hee vichitra kam kiya haai! sun, vah dal sinhanee kee nai uttega, aur sinh kee nai khda hoga vah jab tak aher ko n kha le, aur mare huon ke lohoo ko n pee le, tab tak n lettega.. tab balak ne bilam se kaha, unako n to shaap dena, aur n ashaeesh dena. bilam ne balak se kaha, kya maain ne tuij se naheen kaha, ki jo kuchh yahova mujh se kahega, vahee mujhe karana padega? balak ne bilam se kaha chal, maain tuij ko aek aur sthan par le chalata hoon sambhv haai ki parameshvar kee ichchha ho ki too vahan se unhen mere liye shaap de. tab balak bilam ko por ke sire par, jahan se yashaeemon desh dikhai deta haai, le gaya. aur bilam ne balak se kaha, yahan par mere liye sat veadiyān banava, aur yahan sat bachhde aur sat meddhe taaiyar kara. bilam ke kahane ke anusar balak ne pratyek vedee par aek bachhda aur aek meddha chaddhaya..

yah dekhkar, ki yahova israel ko ashaeesh hee dilana chahata haai, bilam paahile kee nai shakun dekhne ko n gaya, parantu apana munh jangal kee or kar liya. aur bilam ne ankhe uttai, aur israeliyan ko apane gotra gotra ke anusar base huae dekha. aur parameshvar ka atma us par utara. tab usane apanee gooddh bat arambh kee, aur kahane laga, ki bor ke putra bilam kee yah vanee haai, jis puroosh kee ankhen band theen usee kee yah vanee haai, ishvar ke vachanon ka sunanevala, jo dandvat men pada hua khulee hui ankhen se sarvashaktaiman ka darshan pata haai, usee kee yah vanee haai: ki he yakoob, tere dere, aur he israel, tere nivasasthan kya hee manabhavane haain! ve to nalon va ghaaattiyain

israaelee shaitteem men rahate tha, aur log moabee ladkiyon ke sang kukarma karane lage. aur jab un sreeyon ne un logon ko apane devataon ke yagyaon men nevata diya, tab ve log khakar unake devataon ko dandvata karane lage. yon israaelee balapor devata ko poojane lage. tab yahova ka kop israael par bhdkt utta aur yahova ne moosa se kaha, praja ke sah pradhaanon ko pakadkar yahova ke liye dhoop men lattka de, jis se mera bhdka hua kop israael ke upar se door ho jaae. tab moosa ne israaelee nyaiyon se kaha, tumhare jo jo adamee balapor ke sang mil gae haain unhen ghaat karo.. aur jab israaeliyan kee saree mandlee milapavale tamboo ke dar par ro rahee thee, to aek israaelee puroosh moosa aur sab logon kee ankhon ke samane aek midhanee sree ko apane sath apane bhaiyan ke pas le aya. ise dekhkar aeleear ka putra peenahas, jo haroon yajak ka pota tha, us ne mandlee men se uttkar hath men aek barachhee lee, aur us israaelee puroosh ke dere men jane ke bad vah bhee bheetar gaya, aur us puroosh aur us sree donon ke pett men barachhee bedha dee. is par israaeeliyan men jo maree faail gai thee vah thm gai. aur maree se chaubees hajar manushy mar gae.. tab yahova ne moosa se kaha, haroon yajak ka pota aeleear ka putra peenahas, jise israaeliyan ke beech meree see jalan uttee, us ne meree jalajalahatt ko un par se yahan tak door kiya haai, ki maain ne jalakar unaka ant naheen kar dala. isaliye too kah de, ki maain us se shaanati kee vacha bandhata hoon aur vah usake liye, aur usake bad usake vansh ke liye, sada ke yajakapad kee vacha hogee, kyonaki use apane parameshvar ke liye jalan uttee, aur us ne israaeliyan ke liye praayaashchaitt kiya. jo israaelee puroosh midhanee sree ke sang mara gaya, usaka nam jimraee tha, vah sal ka putra aur shaimoniyon men se apane pitaron ke gharane ka pradhaan tha. aur jo midhanee sree maree gai usaka nam kojabee tha, vah soor kee bettee thee, jo midhanee pitaron ke aek gharane ke logon ka pradhaan tha.. fir yahova ne moosa se kaha, midhaaniyan ko sata, aur unhen mara kyonaki por ke vishay aur kojabee ke vishay ve tum ko chhl karake satate haain. kojabee to aek midhanee pradhaan kee bettee aur midhaaniyan kee jaati bahin thee, aur maree ke din men por ke mamale men maree gai..

fir yahova ne moosa aur aleeejaar nam haroon yajak ke putra se kaha, israelaiyoon ke saaree mandlee men jitane bees varsha ke, va us se aadhaik avastha ke hone se israelaiyoon ke beech yuddh karane ke yogy haai, unake pitaron ke gharanon ke anasar un sabhon kee ginatee karo. so moosa aur aleeejaar yajak ne yareeho ke pas yaradan naadee ke teer par moab ke araba men un se samajhake kaha, bees varsha ke aur us se adhaik avastha ke logon kee ginatee lo, jaise ki yahova ne moosa aur israelaiyoon ko misr desh se nikale ane ke samay agyaa dee thee.. rooben jo israel ke jetta tha usake ye putra the arthata hanok, jis se hanokiyon ka kul chala aur pallo, jis se pallooyon ka kul chala hesron, jis se hesroniyon ka kul

tab noon ke putra yahoshoo ne do bheadiyan ko shaitteem se chupake se bhej diya, aur un se kaha, jakar us desh aur yareeho ko dekho. turant ve chal dia, aur rahab nam kisee veshya ke ghar men jakar so gaee. tab kisee ne yareeho ke raja se kaha, ki aj kee rat kai aek israaelee hamare desh ka bhed lene ko yahan aae huae haain. tab yareeho ke raja ne rahab ke pas yon kahalala bheja, ki jo puroosh tere yahan aae haain unhen bahar le a kyonaki ve sare desh ka bhed lene ko aae haain. us sree ne donon purooshaen ko chhpaai rakha aur is prakhar kaha, ki mere pas kai puroosh aae to the, parantu maain naheen janatee ki ve kahan ke the aur jab andhora hua, aur faattk band hone laga, tab ve nikal gaee mujhe maloom naheen ki ve kahan gaee tum faurttee karake unaka peechha karo to unhen ja pakadoge. us ne unako ghar kee chht par chaddhakar sanai kee lakaadiyan ke neeche chhpaai diya tha jo us ne chht par saja kar rakhee thee. ve puroosh to yaradan ka marga le unakee khoj men ghaatt tak chale gaee aur jyon hee unako khojanevale faattk se nikale tyon hee faattk band kiya gaya. aur ye lettne n paae the ki vah sree chht par inake pas jakar in purooshaen se kahane lagee, mujhe to nishchay haai ki yahova ne tum logon ko yah desh diya haai, aur tumhara bhy ham logon ke man men samaya haai, aur is desh ke sab nivasee tumhare karan ghabara rahe haain. kyonaki ham ne suna haai ki yahova ne tumhare misr se nikalane ke samay tumhare samhane lal samudra ka jal sukha diya. aur tum logon ne seehon aur og nam yaradan par rahanevale aemoriyan ke donon rajaon ko satyanash kar dala haai. aur yah sunate hee hamara man pighal gaya, aur tumhare karan kisee ke jee men jee n raha kyonaki tumhara parameshvar yahova upar ke akash ka aur neeche kee prathvee ka parameshvar haai. ab maain ne jo tum par daya kee haai, isaaliye mujh se yahova kee shapath khao ki tum bhee mere pita ke gharane par daya karoge, aur isakee sachchee chinhanee mujhe do, ki tum mere matapita, bhaiyan aur baahinon ko, aur jo kuchh unaka haai un sabhon ko bhee jeevit rakh chhodo, aur ham sabhon ka praan marane se bachaoge. tab un purooshaen ne us se kaha, yaadi too hamaree yah bat kisee par pragatt n kare, to tumhare praan ke badale hamara praan jaae aur jab yahova ham ko yah desh dega, tab ham tere sath krapa aur sachchai se bartav karenge. tab rahab jisaka ghar shaharapanah par bana tha, aur vah vaheen rahatee thee, us ne unako khaidkee se rassee ke bal utarake nagar ke bahar kar diya. aur us ne un se kaha, pahad ko chale jao, aeesa n ho ki khojanevale tum ko paen isaaliye jab tak tumhare khojanevale lautt n aeen tab tak, arthata teen din vaheen chhpaai rahata, usake bad apana marga lena. unhon ne us se kaha, jo shapath too ne ham ko khailai haai usake vishay men ham to nirdosh rahenge. tum, jab ham log is desh men aaenge, tab jis khaidkee se too ne ham ko utara haai us men yahee lal rang ke soot kee doree bandha dena aur apane mata pita, bhaiyo, varan apane pita ke gharane

ko isee ghar men apane pas ikattha kar rakhna. tab jo koi tere ghar ke dar se bahar nikale, usake koon ka dosh usee ke sir padega, aur ham nirdosh ttharenge: parantu yadi tere sang ghar men rahate huae kisee par kisee ka hath pade, to usake koon ka dosh hamare sir par padega. fir yadi too hamaree yah bat kisee par pragatt kare, to jo shapath too ne ham ko khailai haai us se ham nirbandha ttharenge. us ne kaha, tumhare vachanon ke anusar ho. tab us ne unako vida kiya, aur ve chale gae aur us ne lal rang kee doree ko khaidkee men bandha diya. aur ve jakar pahad tak pahunche, aur vahan khojanevalon ke lautne tak, arthata teen din tak rahe aur khojanevale unako sare marga men ddoondhte rahe aur kaheen n paya. tab ve donon puroosh pahad se utare, aur par jakar noon ke putra yahoshoo ke pas pahunchakar jo kuchh un par beeta tha usaka varnn kiya. aur unhon ne yahoshoo se kaha, nisandeh yahova ne vah sara desh hamare hath men kar diya haai fir isake sivay usake sare nivasee hamare karan ghabara rahe haain..

bihan ko yahoshoo sabere utta, aur sab israaeliyon ko sath le shaitteem se kooch kar yaradan ke kinare aya aur ve par utarane se pahile vaheen ttikai gae. aur teen din ke bad saradaron ne chhavanee ke beech jakar praja ke logon ko yah agyaa dee, ki jab tum ko apane parameshvar yahova kee vacha ka sandook aur use uttaaee huae leveey yajak bhee dekh pade, tab apane sthan se kooch karake usake peechhe peechhe chalana, parantu usake aur tumhare beech men do hajar hath ke atkal antar rahe tum sandook ke nikatt n jana. taaki tum dekh sako, ki kis marga se tum ko chalana haai, kyonki ab tak tum is marga par hokar naheen chale. fir yahoshoo ne praja ke logon se kaha, tum apane ap ko paavitra karo kyonki kal ke din yahova tumhare madhy men ashcharyakarma karega. tab yahoshoo ne yajakon se kaha, vacha ka sandook uttakar praja ke age age chalo. tab ve vacha ka sandook uttakar age age chale. tab yahova ne yahoshoo se kaha, aj ke din se maain sab israaeliyon ke sam-mukh teree prashansa karana arambh karoonga, jis se ve jan len ki jaaise maain moosa ke sang rahata tha vaaise hee maain tere sang bhee hoon. aur too vacha ke sandook ke uttanevale yajakon ko yah agyaa de, ki jab tum yaradan ke jal ke kinare pahuncho, tab yaradan men khde rahana.. tab yahoshoo ne is-raaeliyon se kaha, ki pas akar apane parameshvar yahova ke vachan suno. aur yahoshoo kahane laga, ki is se tum jan loge ki jeevit ishar tumhare madhy men haai, aur vah tumhare samahane se ni:sandeh kanaaniyo, hitiayo, hivvaiyo, pariijaiyo, girgaashaiyo, aemoriyo, aur yaboosiyon ko unake desh men se nikal dega. suno, prathvee bhr ke prabhu kee vacha ka sandook tumhare age age yaradan men jane par haai. isaliye ab israael ke gatraen men se barah purooshaen ko chun lo, ve aek aek gotra men se aek puroosh ho. aur jis samay prathvee bhr ke prabhu yahova kee vacha ka sandook uttanevale yajakon ke panv yaradan ke jal men padenge, us samay yaradan ka upar se bahata hua jal thm jaega, aur ddher hokar tthara rahega. so jab praja ke logon ne apane deron

se yaradan par jane ko kooch kiya, aur yajak vacha ka sandook uttaaee huae praja ke age age chale, aur sandook ke uttanevale yaradan par pahunche, aur sandook ke uttanevale yajakon ke panv yaradan ke teer ke jal men oob gae yaradan ka jal to kattnee ke samay ke sab din kadaron ke upar upar baha karata haai, tab jo jal upar kee or se baha ata tha vah bahut door, arthata adam nagar ke pas jo saratan ke nikatt haai rookakar aek ddher ho gaya, aur deevaa sa utta raha, aur jo jal araba ka tal, jo khara tal bhee kahalata haai, usakee or baha jata tha, vah pooree reeati se sookh gaya aur praja ke lag yareeho ke samhane par utar gae. aur yajak yahova kee vacha ka sandook uttaaee huae yaradan ke beechon beech pahunchakar sthl par sthiar khde rahe, aur sab israaelee sthl hee sthl par utarate rahe, nidan us saree jati ke log yaradan par ho gae..

jab us saree jati ke log yaradan ke par utar chuke, tab yahova ne yahoshoo se kaha, praja men se barah puroosha, arthatagotra peechhe aek aek puroosh ko chunakar yah agyaa de, ki tum yaradan ke beech me, jahan yajakon ne panv dhare vahan se barah patthar uttakar apane sath pal le chalo, aur jahan aj kee rat padav hoga vaheen unako rakh dena. tab yahoshoo ne un barah purooshaen ko, jinhen us ne is-raaeliyon ke pratyek gotra men se chhantkar tthara rakha tha, bulavakar kaha, tum apane parameshvar yahova ke sandook ke age yaradan ke beech men jakar israaeliyon ke gotraen kee ginatee ke anusar aek aek patthar uttakar apane apane kandho par rakho, jis se yah tum logon ke beech chinhanee tthare, aur age ko jab tumhare bette yah poochhe, ki in patthron ka kya matalab haai? tab tum unhen uttr do, ki yaradan ka jal yahova kee vacha ke sandook ke samhane se do bhag ho gaya tha kyonki jab vah yaradan par a raha tha, tab yaradan ka jal do bhag ho gaya. so ve patthar is-raael ko sada ke liye smaran dilanevale ttharenge. yahoshoo kee is agyaa ken anusar israaeliyon ne kiya, jaaisa yahova ne yahoshoo se kaha tha vaaisa hee unhon ne israaeliyon ne kiya, jaaisa yahova ne yahoshoo se kaha tha vaaisa hee unhon ne israaelee gotraen kee ginatee ke anusar barah patthar yaradan ke beech men se utta liae aur unako apane sath le jakar padav men rakh diya. aur yaradan ke beech jahan yajak vacha ke sandook ko uttaaee huae apane panv dhare vahan yahoshoo ne barah patthar khde karaae ve aj tak vaheen paae jate haain. aur yajak sandook uttaaee huae us samay tak yaradan ke beech khde rahe jab tak ve sab baten pooree n ho chukee, jinhen yahova ne yahoshoo ko logon se kahane kee agyaa dee thee. tab sab log faurtee se par utar gae aur jab sab log par utar chuke, tab yajak aur yahova ka sandook bhee unake dekhte par huae. aur roobenee, gadee, aur manashsho ke adho gotra ke log moosa ke kahane ke anusar is-raaeliyon ke age panati bandho huae par gae arthata koi chalees hajar puroosh yuddh ke hathaiyar bandho huae sangraam karane ke liye yahova ke samhane par utarakar yareeho ke pas ke araba men pahunche. us din yahova ne sab israaeliyanke samhane yahoshoo ke mahima baddhai aur jaaise ve moosa ka bhy man-

ate the vaaise hee yahoshoo ka bhee bhy usake jeevan bhr manate rahe.. aur yahova ne yahoshoo se kaha, ki sakshae ka sandook uttanevale yajakon ko agyaa de ki yaradan men se nikal aen. to yahoshoo ne yajakon ko agyaa dee, ki yaradan men se nikal ao. aur jyon hee yahova kee vacha ka sandook uttanevale yajak yaradan ke beech men se nikal aa, aur unake panv sthl par pade, tyon hee yaradan ka jal apane sthan par aya, aur paahile kee nain kadaro ke upar fir bahane laga. paahile maahine ke dasaven din ko praja ke logon ne yaradan men se nikalakar yareeho ke poovree sivane par gilagal men apane dere dale. aur jo barah patthar yaradan men se nikale gaee the, unako yahoshoo ne gilagal men khde kiae. tab us ne israaeliyon se kaha, age ko jab tumhare ladkebaale apane apane pita se yah poochhe, ki in patthron ka kya matalab haai? tab tum yah kahakar unako batana, ki israaelee yaradan ke par sthl hee sthl chale aae the. kyonaki jaise tumhare parameshvar yahova ne lai samudra ko hamare par ho jane tak hamare samhane se hattakar sukha rakha tha, vaaise hee us ne yaradan ka bhee jal tumhare par ho jane tak tumhare samhane se hattakar sukha rakha isaliye ki prathvee ke sab deshaen ke log jan len ki yahova ka hath balavant haai aur tum sarvada apane parameshvar yahova ka bhy manate raho..

jab yaradan ke paachchhim kee or rahanevale aemoriyon ke sab rajaon ne, aur samudra ke pas rahanevale kananiyon ke sab rajaon ne yah suna, ki yahova ne israaeliyon ke par hone tak unake samhane se yaradan ka jal hattakar sukha rakha haai, tab israaeliyon ke dr ke mare unaka man ghabara gaya, aur unake jee men jee n raha.. us samay yahova ne yahoshoo se kaha, chakamak kee chhuariyan banavakar doosaree bar israaelyon ka khtana kara den. tab yahoshoo ne chakamak kee chhuariyan banavakar khlaadiyan nam tteele par israaeliyon ka khtana karaya. aur yahoshoo ne jo khtana karaya, isaka karan yah haai, ki jitane yuddh ke yogy puroosh misr se nikale the ve sab misr se nikalane par jangal ke marga men mar gaee the. jo puroosh misr se nikale the un sab ka to khtana ho chuka tha, parantu jitane unake misr se nikalane par jangal ke marga men utpann huae un men se kisee ka khtana n hua tha. kyonaki israaelee to chalees varsha tak jangal men firate rahe, jab tak us saree jati ke log, arthata jitane yuddh ke yogy log misr se nikale the ve nash n ho gaa, kyonaki unhon ne yahova kee n manee thee so yahova ne shapath khakar un se kaha tha, ki jo desh maain ne tumhare poovrajon se shapath khakar tumhen dene ko kaha tha, aur us men doodha aur madha kee dhaaraen bahatee haai, vah desh maain tum ko naheen dikhane ka. to un logon ke putra jin ko yahova ne unake sthan par utpann kiya tha, unaka khtana yahoshoo se karaya, kyonaki marga men unake khtana n hone ke karan ve khtanaraahit the. aur jab us saree jati ke logon ka khtana ho chuka, tab ve change ho jane tak apane apane sthan par chhavanee men rahe. tab yahova ne yahoshoo se kaha, tumhare namadharai jo misriyon men hui haai use maain ne aj door kee haai. is karan us sthan ka nam aj ke

din tak gilagal pada haai.. so israaelee gilagal men dere dale huae rahe, aur unhon ne yareeho ke pas ke araba men poornmasee kee sandhya ke samay fasah mana. aur fasah ke doosare din ve us desh kee upaj men se akhmeeree rottee aur usee din se bhuna hua dana bhee khane lage. aur jis din ve us desh kee upaj men se khane lage, usee din bihan ko manna band ho gaya aur israaeliyon ko age fir kabhee manna n mila, parantu us varsha unhon ne kanan desh kee upaj men se khai.. jab yahoshoo yareeho ke pas tha tab us ne apanee ankhen uttai, aur kya dekha, ki hath men nangee talavar liye huae aek puroosh samhane khda haai aur yahoshoo ne usake pas jakar poochha, kya too hamaree or ka haai, va hamare baariyon kee or ka? us ne uttr diya, ki naheen maain yahova kee sena ka pradhaan hokar abhee aya hoon. tab yahoshoo ne prathvee par munh ke bal girakar dandvata kiya, aur us se kaha, apane das ke liye mere prabhu kee kya agyaa haai? yahova kee sena ke pradhaan ne yahoshoo se kaha, apanee jootee panv se utar dal, kyonki jis sthan par too khda haai vah paavitra haai. tab yahoshoo ne vaaisa hee kiya..

aur yareeho ke sab faattk israaeliyon ke dr ke mare lagatar band rahe, aur koi bahar bheetar ane jane naheen pata tha. fir yahova ne yahoshoo se kaha, sun, maain yareeho ko usake raja aur shooraaveeron samet tere vash men kar deta hoon. so tum men jitane yoddha haain nagar ko ghor le, aur us nagar ke charon or aek bar ghoom aen. aur chh: din tak aeesa hee kiya karana. aur jab ve jubalee ke narasinge der tak foonkate rahe, tab sab log naraasinge ka shabd sunate hee badee dhvani se jayajayakar karen tab nagar kee shaharapanah nev se gir jaaegee, aur sab log apane apane samhane chaddh jaaen. so noon ke putra yahoshoo ne yajakon ko bulavakar kaha, vacha ke sandook ko utta lo, aur sat yajak yahova ke sandook ke age age jubalee ke sat naraasinge liae chalen. fir us ne logon se kaha, age baddhkar nagar ke charon aur ghoom ao aur hathaiyaraband puroosh yahova ke sandook ke age age chalen. aur jab yahoshoo ye baten logon se kah chuka, to ve sat yajak jo yahova ke samhane sat naraasinge liye huae the naraasinge foonkate huae chale, aur yahova kee vacha ka sandook unake peechhe peechhe chala. aur haathaiyaraband puroosh naraasinge foonkanevale yajakon ke age age chale, aur peechhe vale sandook ke peechhe peechhe chale, aur yajak naraasinge foonkate huae chale. aur yahoshoo ne logon ko agyaa dee, ki jab tak maain tumhen jayajayakar karane kee agyaa n doo, tab tak jayajayakar n karo, aur n tumhara koi shabd sunane men aa, n koi bat tumhare munh se nikalane paae agyaa pate hee jayajayakar karana. us ne yahova ke sandook ko ek bar nagar ke charon or ghumavaya tab ve chhavanee men aa, aur rat vaheen kattee.. bihan ko yahoshoo sabere utta, aur yajakon ne yahova ka sandook utta liya. aur un sat yajakon ne jubalee ke sat naraasinge liae aur yahova ke sandook ke age age foonkate huae chale aur unake age hathaiyaraband puroosh chale, aur peechhevale yahova ke sandook ke peechhe peechhe chale, aur yajak naraasinge

foonkate chale gaee. is prakar ve doosare din bhee aek bar nagar ke charon or ghoomakar chhavanee men lautt aae. aur isee prakar unhon ne chh: din tak kiya. fir sataven din ve bhor ko bade tadke uttkar usee reeti se nagar ke charon or sat bar ghoom aae keval usee din ve sat bar ghoomo. tab sataveen bar jab yajak naraasinge foonkate the, tab yahoshoo ne logon se kaha, jayajayakar karo kyonaki yahova ne yah nagar tumhen de diya haai. aur nagar aur jo kuchh us men haai yahova ke liye arpan kee vastu ttharegee keval rahab veshya aur jitane usake ghar men hon ve jeevit chhode jaaenge, kyonki us ne hamare bheje huae dooton ko chhpai rakha tha. aur tum arpan kee hui vastuon se savadhaanee se apane ap ko alag rakho, aeesa n ho ki arpan kee vastu ttharakar peechhe usee arpan kee vastu men se kuchh le lo, aur is prakar israaelee chhavanee ko bhrasht karake use kasht men dal do. sab chandee, sona, aur jo patra peetal aur lohe ke haai, ve yahova ke liye paavitra haai, aur usee ke bhndar men rakhe jaeen. tab logon ne jayajayakar kiya, aur yajak naraasinge foonkate rahe. aur jab logon ne naraasinge ka shabd suna to fir badee hee dhvaani se unhon ne jayajayakar kiya, tab shaharapanah nave se gir padee, aur log apane apane samhane se us nagar men chaddh gaay, aur nagar ko le liya. aur kya puroosha, kya sre, kya javan, kya booddhe, varan baail, bhed-bakaree, gadahe, aur jitane nagar men the, un sabhon ko unhon ne arpan kee vastu janakar talavar se mar dala. tab yahoshoo ne un donon purooshaen se jo us desh ka bhed lene gaee the kaha, apanee shapath ke anusar us veshya ke ghar men jakar usako aur jo usake pas hon unhen bhee nikal le ao. tab ve donon javan bheadiae bheetar jakar rahab ko, aur usake mata-apita, bhaiyo, aur sab ko jo usake yahan rahate the, varan usake sab kuttuambaiyon ko nikal laa, aur israael kee chhavanee se bahar baaita diya. tab unhon ne nagar ko, aur jo kuchh us men tha, sab ko ag lagakar foonk diya keval chandee, sona, aur jo patra peetal aur lohe ke the, unako unhon ne yahova ke bhvan ke bhndar men rakh diya. aur yahoshoo ne rahab veshya aur usake pita ke gharane ko, varan usake sab logon ko jeevit chhod diya aur aj tak usaka vansh israaeliyon ke beech men rahata haai, kyonki jo doot yahoshoo ne yareeho ke bhed lene ko bheje the unako us ne chhpai rakha tha. fir usee samay yahoshoo ne israaeliyon ke sammukh shapath rakhee, aur kaha, ki jo manushy uttkar is nagar yareeho ko fir se banaae vah yahova kee or se shaaapit ho. jab vah usakee nev dalega tab to usaka jetta putra marega, aur jab vah usake faattk lagavaaga tab usaka chhotta putra mar jaaega. aur yahova yahoshoo ke sang raha aur yahoshoo ke keerti us sare desh men faail gai.

parantu israaeliyon ne arpan kee vastu ke vishay men vishvasaghaat kiya arthata yahooda ke gotra ka akan, jo jerahavanshaee jabdee ka pota aur kammree ka putra tha, us ne arpan kee vastuon men se kuchh le liya is karan yahova ka kop israaeliyon par bhdh utta. aur yahoshoo ne yareeho se aae nam nagar ke pas, jo betaven se laga hua betel kee poorva kee or haai,

kitane purooshaen ko yah kahakar bheja, ki jakar desh ka bhed le ao. aur un purooshaen ne jakar aae ka bhed liya. aur unhon ne yahoshoo ke pas lautkar kaha, sab log vahan n jaae, koi do va teen hajar puroosh jakar aae ko jeet sakate haain sab logon ko vahan jane ka kasht n de, kyonki ve log thode hee haain. isaliye koi teen hajar puroosh vahan gaay parantu aae ke rahanevalon ke samhane se bhagaa, tab aae ke rahanevalon ne un men se koi chhteetees puroosh mar dale, aur apane faattk se shabareem tak unaka peechha karake utarai men unako marate gaay. tab logon ka man pighalakar jal sa ban gaya. tab yahoshoo ne apane vasr faade, aur vah aur israaelee vraddh log yahova ke sandook ke samhane munh ke bal girakar prathvee par sanjh tak pade rahe aur unhon ne apane apane sir par dhool dalee. aur yahoshoo ne kaha, hay, prabhu yahova, too apanee is praja ko yaradan par kyon le aya? kya hamen aemoriyon ke vash men karake nasht karane ke liye le aya haai? bhla hota ki ham santosh karake yaradan ke us par rah jate. hay, prabhu maain kya kahoo, jab israaeliyon ne apane shatrauon ko peett dikhai haai! kyonaki kananee varan is desh ke sab nivasee yah sunakar ham ko ghor lenge, aur hamara nam prathvee par se mita dalenge fir too apane bade nam ke liye kya karega? yahova ne yahoshoo se kaha, ut, khda ho ja, too kyon is bhanati munh ke bal prathvee par pada haai? israaeliyon ne pap kiya haai aur jo vacha maain ne un se apane sath bandhaai thee usako unhon ne tod diya haai, unhon ne arpan kee vastuon men se le liya, varan choree bhee kee, aur chhl karake usako apane saman men rakh liya haai. is karan israaelee apane shatrauon ke samhane khde naheen rah sakate ve apane shatrauon ko peett dikhae haai, isaliye ki ve ap arpan kee vastu ban gaay haain. aur yaadi tum apane madhy men se arpan kee vastu ko satyanash n kar daloge, to maain age ko tumhare sang naheen raheonga. ut, praja ke logon ko pavitra kar, un se kaha ki bihan tak apane apane ko paavitra kar rakho kyonki israel ka parameshvar yahova yah kahata haai, ki he israel, tere madhy men arpan kee vastu haai isaliye jab tak too arpan kee vastu ko apane madhy men se door n kare tak too apane shatrauon ke samhane khda n rah sakega. isaliye bihan ko tum gotra gotra ke anusar sameep khde kiae jaoge aur jis gotra ko yahova pakade vah aek aek kul karake pas aae aur jis kul ko yahova pakade so gharana gharana karake pas aae fir jis gharane ko yahova pakade vah aek aek puroosh karake pas aae. tab jo puroosh arpan kee vastu rakhe huay pakada jaaga, vah aur jo kuchh usaka ho sab ag men dalakar jala diya jaae kyonki us ne yahova kee vacha ko toda haai, aur israel men anuchit karma kiya haai. bihan ko yahoshoo saavere uttkar israaeliyon ko gotra gotra karake sameep liva le gaya, aur yahooda ka gotra pakada gaya tab us ne yahooda ke parivar ko sameep kiya, aur jerahavanshaiyon ka kul pakada gaya fir jerahavanshaiyon ke gharane ke aek aek puroosh ko sameep laya, aur jabdee pakada gaya tab us ne usake gharane ke aek aek puroosh ko sameep khda kiya, aur yahooda gotra ka akan, jo jerahavanshaee jabdee ka pota aur kammree ka putra tha, pakada gaya. tab yahoshoo akan se kahane laga, he mere bette, israael ke paramesh-

var yahova ka adar kar, aur usake age angeekar kara aur jo kuchh too ne kiya haai vah mujh ko bata de, aur mujh se kuchh mat chhpaia. aur akan ne yahoshoo ko uttr diya, ki sachamuch maain ne israel ke parameshvar yahova ke viroddh pap kiya haai, aur is prakr maain ne kiya haai, ki jab mujhe loott men shainar desh ka aek sundar oddhna, aur do sau shokel chandee, aur pachas shokel sone kee aek itt dekh padee, tab maain ne unaka lalach karake unhen rakh liya ve mere dere ke bheetar boomi men gade haai, aur sab ke neeche chandee haai. tab yahoshoo ne doot bheje, aur ve us dere men daude gaee aur kya dekha, ki ve vastuen usake dere men gadee haai, aur sab ke neeche chandee haai. unako unhon ne dere men se nikalakar yahoshoo aur sab israeliyan ke pas lakar yahova ke samhane rakh diya. tab sab israeliyan samet yahoshoo jerahavanshaee akan ko, aur us chandee aur oddhne aur sone kee int ko, aur usake bette-bettyaen ko, aur usake baailo, gadahon aur bhed-bakaariyan ko, aur usake dere ko, nidan jo kuchh usaka tha un sab ko akor nam tarai men le gaya. tab yahoshoo ne us se kaha, too ne hamen kyon kasht diya haai? aj ke din yahova tuihee ko kasht dega. tab sab israeliyan ne usako patthravah kiya aur unako ag men dalakar jalaya, aur unake upar patthr dal diae. aur unhon ne usake upar patthron ka bada ddher laga diya jo aj tak bana haai tab yahova ka bhdka hua kop shaant ho gaya. is karan us sthan ka nam aj tak akor tarai pada haai..

8

tab yahova ne yahoshoo se kaha, mat dr, aur tera man kachcha n ho kamar bandhakr sab yoddhaon ko sath le, aur aee par chaddhai kara sun, maain ne aee ke raja ko usakee praja aur usake nagar aur desh samet tere vash men kiya haai. aur jaaisa too ne yareeho aur usake raja se kiya vaaisa hee aee aur usake raja ke sath bhee karana keval tum pashuon samet usakee loott to apane liye le sakoge isaliye us nagar ke peechhe kee or apane puroosh ghaat men laga do. so yahoshoo ne sab yoddhaon samet aee par chaddhai karane kee taaiyaree kee aur yahoshoo ne tees hajar purooshaen ko jo shooraveer the chunakar rat hee ko agyaa dekar bheja. aur unako yah agyaa dee, ki suno, tum us nagar ke peechhe kee or ghaat lagaee baaitte rahana nagar se bahut door n jana, aur sab ke sab taaiyar rahana aur maain apane sab sathaiyan samet us nagar ke nikatt jaunga. aur jab ve pahile kee nain hamara samhana karane ko nikale, tab ham unake age se bhagenge tab ve yah sochakar, ki ve pahile kee bhanti hamare samhane se bhage jate haai, hamara peechha karengi is prakr ham unake samhane se bhagakar unhen nagar se door nikal le jaenge tab tum ghaat men se uttkar nagar ko apana kar lena kyonki tumhara parameshvar yahova usako tumhare hath men kar dega. aur jab nagar ko le lo, tab us men ag lagakar foonk dena, yahova kee agyaa ke anusar hee kam karana suno, maain ne tumhen agyaa dee haai. tab yahoshoo ne unako bhej diya aur ve ghaat men baaitne ko chale gaa, aur betel aur aee ke madhy men aur aee kee paashchaim kee or baaitte rahe parantu yahoshoo us rat ko logon ke beech tkai

raha.. bihan ko yahoshoo savere utta, or logon kee ginattee lekar israelaee vraddh logon samet logon ke age age aee kee or chala. aur usake sang ke sab yodha chaddh gaa, aur aee nagar ke nikatt pahunchakar usake samhane uttr kee or dere dal dia, aur unake aur aee ke beech aek tarai thee. tab us ne koi panch hajar puroosh chunakar betel aur aee ke madhyast nagar kee paashchaim kee or unako ghaat men baaitta diya. aur jab logon ne nagar kee uttr or kee saree sena ko aur usakee pashchaim or ghaat men baaitte huon ko bhee itkaiane par kar diya, tab yahoshoo usee rat tarai ke beech gaya. jab aee ke raja ne yah dekha, tab ve faurttee karake savere utte, aur raja apanee saree praja ko lekar israelaaiyan kee samhane un se ladne ko nikalakar tharaae huae sthan par jo araba ke samhane haai pahuncha aur vah naheen janata tha ki nagar kee pichhlee aur log ghaat lagaee baaitte haain. tab yahoshoo aur sab israelaee un se mano har manakar jangal ka marga lekar bhag nikale. tab nagar ke sab log israelaiyan ka peechha karane ko pukar pukar ke bulaae gaee aur ve yahoshoo ka peechha karate huae nagar se door nikal gaee. aur n aee men aur ne betel men koi puroosh rah gaya, jo israelaiyan ka peechha karane ko n gaya ho aur unhon ne nagar ko khula hua chhodkar israelaiyan ka peechha kiya. tab yahova ne yahoshoo se kaha, apane hath ka barchha aee kee or baddha kyonaki maain use tere hath men de doonga. aur yahoshoo ne apane hath ke barchhe ko nagar kee or baddhaya. usake hath baddhate hee jo log ghaat men baaitte the ve jhttpatt apane sthan se utte, aur daudkar nagar men praveshe kiya aur usako le liya aur jhttpatt us men ag laga dee. jab aee ke purooshaen ne peechhe kee or firakar drashtti kee, to kya dekha, ki nagar ka dhooan akash kee or utt raha haai aur un men n to idhar bhagane kee shaktai rahee, aur n udhar, aur jo log jangal kee or bhage jate the ve firakar apane khdednevalon par toot padee. jab yahoshoo aur sab israelaiyan ne dekha ki ghaatiyan ne nagar ko le liya, aur usaka dhooan utt raha haai, tab ghoomakar aee ke purooshaen ko marane lage. aur unaka samhana karane ko doosare bhee nagar se nikal aae so ve israelaiyan ke beech men pad gaa, kuchh israelaee to unake age, aur kuchh unake peechhe the so unhon ne unako yahan tak mar dala ki un men se n to koi bachane aur n bhagane paya. aur aee ke raja ko ve jeevit pakadkar yahoshoo ke pas le aae. aur jab israelaee aee ke sab nivaasiyan ko maaidan me, arthata us jangal men jahan unhon ne unaka peechha kiya tha ghaat kar chuke, aur ve sab ke sab talavar se mare gaee yahan tak ki unaka ant hee ho gaya, tab sab israelaiyan ne aee ko lautkar use bhee talavar se mara. aur sree puroosha, sab milakar jo us din mare gaee ve barah hajar thee, aur aee ke sab puroosh itane hee the. kyonaki jab yahoshoo ne aee ke sab nivaasiyan ko satyanash n kar dala tab tab us ne apana hat, jis se barchha baddhaya tha, fir n kheencha. yahova kee us agyaa ke anusar jo us ne yahoshoo ko dee the israelaiyan ne pashu ad nagar kee loott apanee kar lee. tab yahoshoo ne aee ko foonkava diya, aur use sada ke liye khndhar kar diya : vah aj tak ujad pada haai. aur aee ke raja ko us ne sanjh tak vraksha par lattka rakha aur soorya oobate oobate yahoshoo kee agyaa se usakee loth vrash par

se utarakar nagar ke faattk ke samhane dal dee gai, aur us par patthron ka baddha ddher laga diya, jo aj tak bana haai.. tab yahoshoo ne israela ke parameshvar yahova ke liye aebal parvat par aek vedee banavai, jaaisa yahova ke das moosa ne israelaeyon ko agyaa dee thee, aur jaaisa moosa kee vyavastha kee pustak men likha haai, us ne samooche patthron kee aek vedee banavai jis par aujar naheen chalaya gaya tha. aur us par unhon ne yahova ke liye homa-bali chaddhaa, aur melabaali kiae. usee sthan par yahoshoo ne israelaeyon ke samhane un patthron ke upar moosa kee vyavastha, jo us ne likhee thee, usakee nakal karai. aur ve, kya deshakee kya paradeshae, sare israelaeele apane vraddh logo, saradaro, aur nyaayiyon samet yahova kee vacha ka sandook uttanevale leveey yajakon ke samhane us sandook ke idhar udhar khde hua, arthata adho log to girijeeem parvat ke, aur adho aebal parvat ke samhane khde hua, jaaisa ki yahova ke das moosa ne pahile agyaa dee thee, ki israelaeele praja ko ashaareevad diae jaen. usake bad us ne ashaeesh aur shaap kee vyavastha ke sare vachan, jaaise jaaise vyavastha kee pustak men likhe huae haai, vaaise vaaise paddh padhkar suna die. jitane baton kee moosa ne agyaa dee thee, un men se koi aeese bat naheen rah gai jo yahoshoo ne israelaeele ke saree sabha, aur striayo, aur bala-bachcho, aur unake sath rahanevale paradeshae logon ke samhane bhee paddhkar n sunai..

shaimashaen timna ko gaya, aur timna men aek palishtaiee sree ko dekha. tab us ne jakar apane mata pita se kaha, timna men maain ne aek paalishtaiee sree ko dekha haai, so ab tum us se mera byah kara do. usake mata pita ne us se kaha, kya tere dhaaiyon kee beattyaien me, va hamare sab logon men koi sree naheen haai, ki too khtanaheen paalishtaiyon men se sree byahane chahata haai? shaimashaen ne apane pita se kaha, usee se mera byah kara de kyonki mujhe vahee achchhee lagatee haai. usake mata pita n janate the ki yah bat yahova kee or se hotee haai, ki vah palishtaiyon ke virooddh danv ddoondddha haai. us samay to palishte israel par prabhuta karate the.. tab shaimashaen apane mata pita ko sang le timna ko chalakar timna kee dakh kee baree ke pas pahuncha, vahan usake samhane aek javan sinh garajane laga. tab yahova ka atma us par bal se utara, aur yadhyi usake hath men kuchh n tha, taubhee us ne usako aeesa faad dala jaaisa koi bakaree ka bachcha faade. apana yah kam usane apane pita va mata ko n bata-laya. tab us ne jakar us sree se batacheet kee aur vah shaimashaen ko achchhee lagee. kuchh dinon ke beetane par vah use lane ko lautt chala aur us sinh kee loth dekhne ke liye marga se mud gaya? to kya dekha ki sinh kee loth men madhaumakkhiyan ka aek jhund aur madha bhee haai. tab vah us men se kuchh hath men lekar khate khate apane mata pita ke pas gaya, aur unako yah bina bataa, ki maain ne isako sinh kee loth men se nikala haai, kuchh diya, aur un-hon ne bhee use khaya. tab usaka pita us sree ke yahan gaya, aur shaimashaen n javanon kee reeti ke anasar vahan jevanar kee. usako dekhkar ve usake sang rahane ke liye tees sangiyon ko le ae. shaimashaen ne us ne kaha, maain tum se aek pahelee kahata hoon yaadi tum is jevanar ke saton dinon ke bheetar use boojhkar arth bata do, to maain tum ko tees kurate aur tees jode kapade doonga aur yaadi tum use n bata sako, to tum ko mujhe tees kurte aur tees jode kapade dene padenge. unhon ne us se kaha, apanee pahelee kah, ki ham use sunen. us ne un se kaha, khanevale men se khana, aur balavant men se meettee vastu nikale. is pahelee ka arth ve teen din ke bheetar n bata sake. sataven din unhon ne shaimashaen kee patnee se kaha, apane pati ko fausala ki vah hamen pahelee ka arth bataa, naheen to ham tuijhe tere pita ke ghar samet ag men jalaenge. kya tum logon ne hamara dhan lene ke liye hamara nevata kiya haai? kya yahee bat naheen haai? tab shaimashaen kee patnee yah kahakar usake samhane rone lagee, ki too to mujh se praem nahee, baair hee rakhta haai ki too ne aek pahelee meree jaati ke logon se to kahee haai, parantu mujh ko usaka arth bhee naheen bataya. us ne kaha, maain ne use apanee mata va pita ko bhee naheen bataya, fir kya maain tuij ko bata doon? aur jevanar ke saton dinon men vah sree usake samhane rotee rahee aur sataven din jab us ne usako bahut tang kiya tab us ne usako pahelee ka arth bata diya. tab us ne use apanee jati ke logon ko bata diya. tab sataven din soorya oobane n paya ki us nagar ke manushyon ne shaimashaen se kaha,

madha se aadhaik kya meetta? aur sinh se aadhaik kya balavant haai? us ne un se kaha, yadi tum meree kalor ko hal men n jotate, to meree pahelee ko kabhee n boojhte.. tab yahova ka atma us par bal se utara, aur us ne ashkalon ko jakar vahan ke tees poorooshaen ko mar dala, aur unaka dhan loottkar tees jode kapadon ko pahelee ke batanevalon ko de diya. tab us-aka krodha bhdka, aur vah apane pita ke ghar gaya. aur shaimashaen kee patnee usake aek sangee ko jis se us ne mitra ka sa bartav kiya tha byah dee gai.

tab shaimashaen aija ko gaya, aur vahan aek veshya ko dekhkar usake pas gaya. jab aajaiyon ko isaka samachar mila ki shaimashaen yahan aya haai, tab unhon ne usako ghor liya, aur rat bhr nagar ke faattk par usakee ghaat men lage rahe aur yah kahakar rat bhr chupchap rahe, ki bihan ko bhor hote hee ham usako ghaat karenge. parantu shaimashaen adhaee rat tak pada rah kar, adhaee rat ko uttkar, us ne nagar ke faattk ke donon pallon aur dono bajuon ko pakadkar bendon samet ukhad liya, aur apane kanghaen par rakhkar unhen us pahad kee chottee par le gaya, jo hebraen ke samhane haai.. isake bad vah sorek nam nale men rahanevalee daleela nam aek sree se praetee karane laga. tab paalishtaiyon ke saradaron ne us sree ke pas jake kaha, too usako fausalakar boojh le ki usake mahabal ka bhed kya haai, aur kaun upay karake ham us par aeese prabal ho, ki use bandhakar daba rakhen tab ham tuihe gyarah gyarah sau ttukade chandee denge. tab daleela ne shaimashaen se kaha, mujhe bata de ki tere bade bal ka bhed kya haai, aur kisee reeati se koi tuihe bandhakar daba rakh sake. shaimashaen ne us se kaha, yadi maain sat aeesee nai nai taton se bandha jaun jo sukhai n gai ho, to mera bal ghatt jayega, aur maain sadhaaran manushy sa ho jaunga. tab paalishtaiyon ke saradar daleela ke pas aeesee nai nai sat taten le gae jo sukhai n gai thee, aur un se us ne shaimashaen ko bandhaa. usake pas to kuchh manushy kottree men ghaat lagaae baaithe the. tab us ne us se kaha, he shaimashaen, palishtee teree ghaat men haain! tab us ne tanton ko aeesa toda jaaisa san ka soot ag men choote hee toott jata haai. aur usake bal ka bhed n khula. tab daleela ne shaimashaen se kaha, sun, too ne to mujh se chhl kiya, aur joott kaha haai ab mujhe bata de ki too kis vastu se bandha sakata haai. us ne us se kaha, yadi maain aeesee nai nai rassaiyon se jo kisee kam men n ai hon kasakar bandha jau, to mera bal ghatt jaega, aur maain sadhaaran manushy ke saman ho jaunga. tab daleela ne nai nai raassaiyan lekar aur usako bandhakar kaha, he shaimashaen, palishtee teree ghaat men haain! kitane

manushy to us kottree men dhaat lagaae huae the. tab us ne unako soot kee nain apanee bhujaan par se tod dala. tab daleela ne shaimashaen se kaha, ab tak too mujh se chhl karata, aur joott bolata aya haai ab mujhe bata de ki too kahe se bandha sakata haai? us ne kaha yaadi too mere sir kee saton latten tane men bune to bandha sakoonga. so us ne use koonttee se jakada. tab us se kaha, he shaimashaen, palishtee teree ghaat men haain! tab vah neend se chaunk utta, aur koonttee ko dharan men se ukhadkar use tane samet le gaya. tab daleela ne us se kaha, tera man to mujh se naheen laga, fir too kyon kahata haai, ki maain tuij se praetee rakhta hoon? too ne ye teenon bar mujh se chhl kiya, aur mujhe naheen bataya ki tere bade bal ka bhed kya haai. so jab us ne har din baten karate karate usako tang kiya, aur yahan tak hatt kiya, ki usake nakon men dam a gaya, tab us ne apane man ka sara bhed khok-lakar us se kaha, mere sir par chhura kabhee naheen fira, kyonaki maain man ke pett hee se parameshvar ka najeer hoo, yadi maain mooda jau, to mera bal itana ghatt jaaega, ki maain sadhaaran manushy sa ho jaunga. yah dekhkar, ki us ne apane man ka sara bhed mujh se kah diya haai, daleela ne palishtaiyon ke saradaron ke pas kahala bheja, ki ab kee bar fir ao, kyonaki us ne apane man ka sab bhed mujhe bata diya haai. tab palishtaiyon ke saradar hath men roopaya liae huae usake pas gae. tab us ne usako apane ghauttnon par sula rakha aur aek manushy bulavakar usake sir kee saton latten mundva daleen. aur vah usako dabane lagee, aur vah nirbal ho gaya. tab us ne kaha, he shaimashaen, palishtee teree ghaat men haain! tab vah chaunkakar sochane laga, ki maain paahile kee nain bahar jakar jhttkoonga. vah to n janata tha, ki yahova usake pas se chala gaya haai. tab paalishtaiyon ne usako pakadkar usakee anken faod dalee, aur use aija ko le jake peetal kee beadiyon se jakad diya aur vah bundeegrah men chadkee peesane laga. usake sir ke bal mund jane ke bad fir baddhne lage.. tab paalishtaiyon ke saradar apane dagon nam devata ke liye bada yagy, aur anand karane ko yah kahakar ikatthe hua, ki hamare devata ne hamare shatra shaimashaen ko hamare hath men kar diya haai. aur jab logon ne use dekha, tab yah kahakar apane devata kee stuati kee, ki hamare devata ne hamare shatra aur hamare desh ke nash karanevale ko, jis ne ham men se bahuton ko mar bhee dala, hamare hath men kar diya haai. jab unaka man magan ho gaya, tab unhon ne kaha, shaimashaen ko bulava lo, ki vah hamare liye tamasha kare. isaaliye shaimashaen badeegrah men se bulavaya gaya, aur unake liye tamasha karane laga, aur khmbhon ke beech khda kar diya gaya. tab shaimashaen ne us ladke se jo usaka hath pakade tha kaha, mujhe un khmbhon ko jin se ghar sambhla hua haai choone de, ki maain us par ttek lagau. vah ghar to sree purooshaen se bhra hua tha palishtaiyon ke sab saradar bhee vahan the, aur chht par koi teen hajar satraee puroosh the, jo shaimashaen ko tamasha karate huae dekh rahe the. tab shaimashaen ne yah kahakar yahova kee dohai dee, ki he prabhu yahova, meree sudhai le he parameshvar, ab kee bar mujhe bal de, ki maain paalishtaiyon se apanee donon ankhon ka aek hee palatta loon. tab shaimashaen ne un donon beechavale khmbhon ko jin se ghar sambhla hua tha

pakadkar aek par to daahine hath se aur doosare par baan hath se bal laga diya. aur shaimashaen ne kaha, palishtaiyon ke sang mera praan bhee jaa. aur vah apana sara bal lagakar jhuka tab vah ghar sab saradaron aur us men se sare logon par gir pada. so jinako us ne marate samay mar dala ve un se bhee adhaik the jinhen us ne apane jeevan men mar dala tha. tab usake bhai aur usake pita ke sare gharane ke log aa, aur use uttakar le gaa, aur sora aur aeshataol ke madhy apane pita manoh kee kabar men mittee dee. usane israel ka nyay bees varsha tak kiya tha.

un dinon men israeliyan ka koi raja n tha. aur unheen dinon men daaniyan ke gotra ke log rahane ke liye koi bhag ddoondhd rahe the kyonki israelae gotraen ke beech unaka bhag us samay tak n mila tha. tab daaniyan ne apane sab kul men se panch

shooraveeron ko sora aur aeshataol se desh ka bhed lene aur us men dekh bhal karane ke liye yah kahakar bhej diya, ki jakar desh men dekh bhal kar. isaliye ve aepraaim ke pahadee desh men meeka ke ghar tak jakar vahan ttikai gaae. jab ve meeka ke ghar ke pas aa, tab us javan leveey ka bol pahachana isaliye vahan mudkar us se poochha, tujhe yahan kaun le aya? aur too yahan kya karata haai? aur yahan tere pas kya haai? us ne un se kaha, meeka ne mujh se aeesa aeesa vyavahar kiya haai, aur mujhe naukar rakha haai, aur maain usaka purohit ho gaya hoon. unhon ne us se kaha, parameshvar se salah le, ki ham jan len ki jo yatra ham karate haain vah safal hogee va naheen. purohit ne un se kaha, kushal se chale jao. jo yatra tum karate ho vah tteek yahova ke samhane haai. tab ve panch manushy chal nikale, aur laaish ko jakar vahan ke logon ko dekha ki seedoniyan kee nain nidr, bekhttke, aur shaantni se rahate haain aur is desh ka koi adhaikaree naheen haai, jo unhen kisee kam men roke, aur ye seedoniyan se door rahate haai, aur doosare manushyon se kuchh vyavahar naheen rakhte. tab ve sora aur aeshtaol ko apane bhaiyan ke pas gaa, aur unake bhaiyan ne un se poochha, tum kya samachar le aae ho? unhon ne kaha, ao, ham un logon par chaddhai karen kyonaki ham ne us desh ko dekha ki vah bahut achchha haai. tum kyon chupachap rahate ho? vahan chalakar us desh ko apane vansh men kar lene men alas n karo. vahan pahunchakar tum nidr rahate huae logon ko, aur lamba chauda desh paoe aur parameshvar ne use tumhare hath men de diya haai. vah aeesa sthan haai jis men prathvee bhr ke kisee padarth kee ghattee naheen haai.. tab vahan se arthata sora aur aeshataol se daniyan ke kul ke chh: sau purooshaen ne yuddh ke hathaiyar bandhakar prasthan kiya. unhonne jakar yahooda desh ke kiyyryatyareem nagar men dere khde kie. is karan us sthan ka nam mahanedan aj tak pada haai, vah to kiyyryatyareem ke paashchaim kee or haai. vahan se ve age baddhkar aepraaim ke pahadee desh men meeka ke ghar ke pas aae. tab jo panch manushy laaish ke desh ka bhed lene gaae the, ve apane bhaiyan se kahane lage, kya tum janate ho ki in gharon meen aek aepod, kai aek grahadevata, aek khudee aur aek ddhlee hui moorat haai? isaliye ab socho, ki kya karana chaahiye. ve udhar mudkar us javan leveey ke ghar gaa, jo meeka ka ghar tha, aur usaka kushal kshom poochha. aur ve chh: sau danee puroosh faattk men haathaiyar bandho huae khde rahe. aur jo panch manushy desh ka bhed lene gaae the, unhon ne vahan ghausakar us khudee hui moorat, aur aepod, aur grahadevatao, aur ddhlee hui moorat ko le liya, aur vah purohit faattk men un haathaiyar bandho huae chh: sau purooshaen ke sang khda tha. jab ve panch manushy meeka ke ghar men ghausakar khudee hui moorat, aepod, grahadevata, aur ddhlee hui moorat ko le aae the, tab purohit ne un se poochha, yah tum kya karate ho? unhon ne us se kaha, chup rah, apane munh ko hath se bandakar, aur ham logon ke sang chalakar, hamare liye pita aur purohit bana. tere liye kya achchha haai? yah, ki ek hee manushy ke gharane ka purohit ho, va yah, ki israelaiyan ke ek gotra aur kul ka purohit ho? tab purohit prasann hoo, so vah aepod, grahadevata, aur khudee hui moorat ko lekar

un logon ke sang chala gaya. tab ve mude, aur bal-abachcho, pashuuo, aur saman ko apane age karake chal diae. jab ve meeka ke ghar se door nikal gae the, tab jo manushy meeka ke ghar ke pasavale gharon men rahate the unhon ne ikatthe hokar daaniyon ko ja liya. aur daaniyon ko pukara, tab unhon ne munh faer ke meeka se kaha, tujhe kya hua ki too itana bada dal liae ata haai? us ne kaha, tum to mere banavaae huae devataon aur purohit ko le chale ho fir mere pas kya rah gaya? to tum mujh se kyon poochhte ho? ki tujhe kya hua haai? daaniyon ne us se kaha, tera bol ham logon men sunai n de, kaheen aesa n ho ki krod-hae jan tum logon par prahar karen? aur too apana aur apane ghar ke logon ke bhee praan ko kho de. tab daaniyon ne apana marga liya aur meeka yah dekhkar ki ve mujh se adhaik balavant haain firake apane ghar laut gaya. aur ve meeka ke banavaae huae padathorn n aur usake purohit ko sath le laaish ke pas aa, jiske log shaaantai se aur bina khtke rahate the, aur unhon ne unako talavar se mar dala, aur nagar ko ag lagakar foonk diya. aur koi bachanevala n tha, kyonaki vah seedon se door tha, aur ve manushyon se kuchh vyavahar n rakhte the. aur vah betrahhoo ke tarai men tha. tab unhon ne nagar ko draddh kiya, aur us men rahane lage. aur unhon ne us nagar ka nam israael ke aek putra apane moolapuroosh dan ke nam par dan rakha parantu paahile to us nagar ka nam laaish tha. tab daaniyon ne us khudee hui moorat ko khda kar liya aur desh kee bandhauai ke samay vah yonatan jo geshareem ka putra aur moosa ka pota tha, vah aur usake vansh ke log dan gotra ke purohit bane rahe. aur jab tak parameshvar ka bhvan shaelo men bana raha, tab tak ve meeka kee khudavai hui moorat ko sthapit kiae rahe..

bee jalane se pahile bhee yajak ka sevak akar melabali chaddhanevale se kahata tha, ki kabab ke liye yajak ko mans de vah tuij se paka hua nahee, kachcha hee mans lega. aur jab koi us se kahata, ki nishchay charbee abhee jalai jaaegge, tab jitana tera jee chahe utana le lena, tab vah kahata tha, nahee, abhee de naheen to maain chheen loonga. isaliye un javanon ka pap yahova kee draashtti men bahut bharee hua kyonaki ve manushy yahova kee bhentt ka tiraskar karate the.. parantu shamooael jo balak tha sanee ka aepod pahine huae yahova kee samhane seva tthal kiya karata tha. aur usakee mata prati varsha usake liye aek chhotta sa бага banakar jab apane paati ke sang praati varsha kee melabaali chaddhane atee thee tab bage ko usake pas laya karatee thee. aur aelee ne aelkana aur usakee patnee ko ashaervad dekar kaha, yahova is arpan kiae huae balak kee santtee jo usako arpan kiya gaya haai tuij ko is patnee ke vansh de tab ve apane yahan chale gaee. aur yahova ne hanna kee suadhail lee, aur vah garbhvatee hui or usake teen bette aur do beattyaian utpann hui. aur shamooael balak yahova ke sang rahata hua baddhta gaya. aur aelee to ati booddha ho gaya tha, aur us ne suna ki mere putra sare israel se kaaisa kaaisa vyavahar karate haai, varan milapavale tamboo ke dar par seva karanevalee striayon ke sang kukarma bhee karate haain. tab us ne un se kaha, tum aeese aeese kam kyon karate ho? maain to in sab logon se tumhare kukamorn kee charcha suna karata hoon. he mere betto, aeese n karo, kyonaki jo samachar mere sunane men ata haai vah achchha naheen tum to yahova kee praja se aparadha karate ho. yaadi aek manushy doosare manushy ka aparadha kare, tab to parameshvar usaka nyay karega parantu yaadi koi manushy yahova ke virooddh pap kare, to usake liye kaun binatee karega? taubhee unhon ne apane pita kee bat n maanee kyonaki yahova kee ichchha unhen mar dalane kee thee. parantu shamooael balak baddhta gaya aur yahova aur manushy dono us se prasann rahate the.. aur parameshvar ka aek jan aelee ke pas jakar us se kahane laga, yahova yon kahata haai, ki jab tere moolapuroosh ka gharana misr men firaun ke gharane ke vash men tha, tab kya maain us par nishchay pragatt n hua tha? aur kya maain ne use israel ke sab gotraen men se isaliye chun naheen liya tha, ki mera yajak hokar merree vedee ke upar chaddhane chaddhna, aurdhoop jalaa, aur mere samhane aepod pahina kare? aur kya maain ne tere moolapuroosh ke gharane ko israeliyon ke kul havy n diae the? isaliye mere melabali aur annabaali jinko maain ne apane dhaam men chaddhane kee agyaa dee haai, unhen tum log kyon panv tale raundate ho? aur too kyon apane putraen ka adar mere adar se aadhaik karata haai, ki tum log merree isaraelee praja kee achchhee se achchhee bhentten kha khake motte ho jao? isaliye israel ke parameshvar yahova kee yah vanee haai, ki maain ne

kaha to tha, ki tera gharana aur tere moolapuroosh ka gharana mere samhane sadaiv chala karega parantu ab yahova kee vanee yah haai, ki yah bat mujh se door ho kyonaki jo mera adar karen maain unaka adar karoon, aur jo mujhe tuchchh janen ve chhotte samajhe jaaenge. sun, ve din ate haai, ki maain tera bhujabal aur tere moolapuroosh ke gharane ka bhujabal aeese tod daloonga, ki tere gharane men koi booddha hone n paega. israel ka kitana hee kalyan kyon n ho, taubhee tuijhe mere dhaam ka dukh dekh padega, aur tere gharane men koi kabhee booddha n hone paega. maain tere kul ke sab kisee se to apanee vedee kee seva n chheenoon, parantu taubhee teree anken dekhtee rah jaaenge, aur tera man shaeakit hoga, aur tere ghar kee baddhtee sab apanee pooree javanee hee men mar mittengen. aur merree is bat ka chihh vah vipaati hogee jo hoonpee aur peenahas nam tere donon putraen par padegge arthata ve dono ke donon aek hee din mar jaaenge. aur maain apane liye aek vishvasayogy yajak tharaunga, jo mere day aur man kee ichchha ke anusar kiya karega, aur maain usaka ghar basaunga aur sthaar karoon, aur vah mere aabhaishaikt ke age sab din chala fira karega. aur aeese hoga ki jo koi tere gharane men bacha rahega vah usee ke pas jakar aek chhotte se ttukade chandee ke va aek rottee ke liye dandvata karake kahega, yajak ke kisee kam men mujhe laga, jis se mujhe aek ttukada rottee mile..

aur vah balak shamooael aelee ke samhane yahova kee seva tthal karata tha. aur un dinon men yahova ka vachan durlabh tha aur darshan kam milata tha. aur us samay aeese hua ki aelee kee ankhe to dhaung-halee hone lagee theen aur use n soojh padta tha jab vah apane sthan men letta hua tha, aur parameshvar ka deepak ab tak bujha naheen tha, aur shamooael yaheva ke maandair men janha parameshvar ka sandook tha letta tha tab yahova ne shamooael ko pukara aur us ne kaha, kya agyaa! tab us ne aelee ke pas daudkar kaha, kya agyaa, too ne to mujhe pukara haai. vah bola, maain ne naheen pukara fir ja lett raha. to vah jakar lett gaya. tab yahova ne fir pukar ke kaha, he shamooael! shamooael utkar aelee ke pas gaya, aur kaha, kya agyaa, too ne to mujhe pukara haai. us ne kaha, he mere bette, maain ne naheen pukara fir ja lett raha. us samay tak to shamooel yahova ko naheen pahachanata tha, aur n to yahova ka vachan hee us par pragatt hua tha. fir teesaree bar yahova ne shamooael ko pukara. aur vah uttke aelee ke pas gaya, aur kaha, kya agyaa, too ne to mujhe pukara haai. tab aelee ne samajh liya ki is balak ko yahova ne pukara haai. isaliye aelee ne shamooael se kaha, ja lett rahe aur yaadi vah tuijhe fir pukare, to too kahana, ki he yahova, kah, kyonaki tera das sun raha haai tab shamooael apane sthan par jakar lett gaya. tab yahova a khda hua, aur pahile kee nain pukara, shamooaela! shamooaela! shamooael ne kaha, kah, kyonaki tera das sun raha haai. yahova ne shamooael se kaha, sun, maain israela men aek kam karane par hoo, jisase sab sunanevalon par bada sannatta chha jaaega. us din maain elee ke virooddh vah sab kuchh

poora karoonga jo maain ne usake gharane ke vishay men kaha, use arambh se ant tak poora karoonga. kyonaki maain to usako yah kahakar jata chuka hoo, ki maain us adharma ka dand jise vah janata haai sada ke liye usake ghar ka nyay karoonga, kyonaki usake putra ap shaapit huae haai, aur us ne unhen naheen roka. is karan maain ne aelee ke gharane ke vishay yah shapath khai, ki aelee ke gharane ke adharma ka praayaashchait n to melabaali se kabhee hoga, aur n annabali se. aur shamooael bhor tak letta raha tab us ne yahova ke bhvan ke kivadon ko khola. aur shamooael aelee ko us darshan kee baten batanen se dra. tab aelee ne shamooael ko pukarakar kaha, he mere bette, shamooaela! vah bola, kya agyaa. tab us ne poochha, vah kaun see bat haai jo yahova ne tujh se kahee haai? use mujh se n chhpaia. jo kuchh us ne tujh se kaha ho yadi too us men se kuchh bhee mujh se chhpaiaa, to parameshvar tujh se vaaisa hee varan us se bhee aadhaik kare. tab shamooael ne usako rattee rattee baten kah sunai, aur kuchh bhee n chhpaia rakha. vah bola, vah to yahova haai jo kuchh vah bhla jane vahee karen. aur shamooael bada hota gaya, aur yahova usake sang raha, aur us ne usakee koi bhee bat nishfal hone naheen dee. aur dan se beshorba tak ke rahanevale sare israaeeliyon ne jan liya ki shamooael yahova ka nabee hone ke liye niyukt kiya gaya haai. aur yahova ne shaelo men fir darshan diya, kyonaki yahova ne apane ap ko shaelo men shamooael par apane vachan ke dara pragatt kiya..

aur shamooael ka vachan sare israael ke pas pahuncha. aur israaelee palishtaiyon se yuddh karane ko nikale aur unhon ne to aebenejer ke asa-pas chhavanee daalee, aur paalishtaiyon ne apek men chhavanee daalee. tab paalishtaiyon ne israael ke viroodh panti bandhae, aur jab ghamasan yuddh hone laga tab israaelee paalishtaiyon se har aeg, aur unhon ne koi char hajar israaelee sena ke purooshaen ko maaidan hee men mar dala. aur jab ve log chhavanee men lautt aa, tab israael ke vraddh log kahane lage, ki yahova ne aj hamen paalishtaiyon se kyon harava diya haai? ao, ham yahova kee vacha ka sandook shaelo se mang le aae, ki vah hamare beech men akar hamen shatraun ke hath se bachaae. tab un logon ne shaelon men bhejakar vahan se karoobon ke upar virajanevale senaon ke yahova kee vacha ka sandook manga liya aur parameshvar kee vacha ke sandook ke sath aelee ke donon putra, hopnee aur pinahas bhee vahan the. jab yahova kee vacha ka sandook chhavanee men pahuncha, tab sare israaelee itane bal se lalakar utte, ki boomi goonj uttee. is lalakar ka shabd sunakar palishtaiyon ne poochha, iabiryon kee chhavanee men aeese badee lalakar ka kya karan haai? tab unhon ne jan liya, ki yahova ka sandook chhavanee men aya haai. tab paalishtee drakar kahane lage, us chhavanee men parameshvar a gaya haai. fir unhon ne kaha, haya! ham par aeese bat paahile naheen hui thee. haya! aeese mahapratapee devataon ke hath se ham ko kaun bachaaega? ye to ve hee devata haain jinhon ne misriyon par jangal men sab prakar kee vipaati-ayan daalee theen. he paalishtaiyo, tum hiyav band-

hae, aur purooshaarth jagao, kaheen aeese n ho ki jaaise ibraee tumhare adhaeen ho gae vaaise tum bhee unake adhaeen ho jao purooshaarth karake sangraam karo. tab paalishtee ladai ke maaidan men toott pade, aur israaelee harakar apane apane dere ko bhagane lage aur aeese atyant sanhar hua, ki tees hajar israaelee paaidal khet aae. aur parameshvar ka sandook chheen liya gaya aur aelee ke dono putra, hopnee aur peenahas, bhee mare gae. tab aek binyameenee manushy ne sena men se daudkar usee din apne vasr faade aur sir par mittee dale huae shaelo men pahuncha. vah jab pahuncha us samay aelee, jisaka man parameshvar ke sandook kee chinta se thrathra raha tha, vah marga ke kinare kursee par baaita batt joh raha tha. aur jyonhee us manushy ne nagar men pahunchakar vah samachar diya tyonhee sara nagar chilla utta. chillane ka shabd sunakar aelee ne poochha, aeese hullad aur hahakar machane ka kya karan haai? aur us manushy ne jhtt jakar aelee ko poora hal sunaya. ael to atthanave varsha ka tha, aur usakee ankhen dhaundhalee pad gai thee, aur use kuchh soojtha n tha. us manushy ne elee se kaha, maain vahee hoon jo sena men se aya hoon aur maain sena se aj hee bhag aya. vah bola, he mere bette, kya samachar haai? us samachar देनेvale ne uttr diya, ki israaelee palishtaiyon ke samhane se bhag gae haai, aur logon ka bada bhyanak sanhar bhee hua haai, aur tere donon putra hopnee aur peenahas bhee mare gae, aur parameshvar ka sandook bhee chheen liya gaya haai. jyonhee us ne parameshvar ke sandook ka nam liya tyonhee aelee faattk ke pas kursee par se pachhad khakar gir pada aur booddhe aur bharee hone ke karan usakee gardan toott gai, aur vah mar gaya. us ne to israaeeliyon ka nyay chalee varsha tak kiya tha. usakee bahoo peenahas kee sree garbhvatee thee, aur usaka samay sameep tha. aur jab us ne parameshvar ke sandook ke chheen liae jane, aur apane sasur aur pati ke marane ka samachar suna, tab usako jachcha ka darda utta, aur vah duhar gai, aur usake ek putra utpann hua. usake marate marate un striayon ne jo usake as pas khdee theen us se kaha, mat dr, kyonki tere pratra utpann hua haai. parantu us ne kud uttr n diya, aur n kuchh dhyan diya. aur parameshvar ke sandook ke chheen liae jane aur apane sasur aur pati ke karan us ne yah kahakar us balak ka nam ikabod rakha, ki israael men se maahima utt gai! fir us ne kaha, israael men se mahima utt gai haai, kyonaki parameshvar ka sandook chheen liya gaya haai..

5

aur paalishtaiyon ne parameshvar ka sandook aebanejer se uttakar ashadod men pahuncha diya fir palishtaiyon ne parameshvar ke sandook ko uttakar dagon ke maandair men pahunchakar dagon ke pas dhar diya. bihan ko ashadodiyon ne tadke uttkar kya dekha, ki dagon yahova ke sandook ke samhane aundho moonh boomi par gira pada haai. tab unhon ne dagon ko uttakar usee ke sthan par fir khda kiya. fir bihan ko jab ve tadke utte, tab kya dekha, ki dagon yahova ke sandook ke samhane aundho munh boomi par gira pada haai aur dagon ka sir aur dono hathe-liyan devaddhee par kattee hui padee haain nidan

tagon ka keval dhad samoocha rah gaya. is karan aj ke din tak bhee dagon ke pujaree aur jitane dagon ke maandair men jate haai, ve ashadod men dagon kee devaddhee par panv naheen dharate.. tab yahova ka hath ashadodiyon ke upar bharee pada, aur vah unhen nash karane laga aur us ne ashadod aur usake as pas ke logon ke gilaattyaian nikaleen. yah hal dekhkar ashadod ke logon ne kaha, israel ke devata ka sandook hamare madhy rahane naheen paaega kyonki usaka hath ham par aur hamare devata dagon par kattorata ke sath pada haai. tab unhon ne paalishtaiyon ke sab saradaron ko bulava bheja, aur un se poochha, ham israel ke devata ke sandook se kya karen? ve bole, israel ke parameshvar ke sandook ko ghoomakar gat men pahunchaya jae. to unhon ne israel ke parameshvar ke sandook ko ghau-makar gat men pahuncha diya. jab ve usako ghau-makar vahan pahuncha, to yoon hua ki yahova ka hath us nash karane ke virooddh aeese utta ki us men atyant halachal mach gai or us ne chhotte se bade tab us nash kar ke sab logon ko mara, aur unake gilaattyaian nikalane lageen. tab unhon ne parameshvar ka sandook aekron ko bheja aur jyonhee parameshvar ka sandook aekron men pahuncha tyonhee aekronee yah kahakar chillane lage, ki israel ke devata ka sandook ghau-makar hamare pas isaliye pahunchaya gaya haai, ki ham aur hamare logon ko marava dale. tab unhon ne paalishtaiyon ke sab saradaron ko ikattha kiya, aur un se kaha, israel ke devata ke sandook ko nikal do, ki vah apen sthan par lautt jaa, aur ham ko aur hamare logon ko mar dalane n pae. us samast nagar men to mratyu ke bhy kee halachal mach rahee thee, aur parameshvar ka hath vahan bahut bharee pada tha. aur jo manushy n mare ve bhee gilaattyaian ke mare pade rahe aur nagar kee chillahatt akash tak pahunchee..

6

yahova ka sandook palishtaiyon ke desh men sat maheene tak raha. tab paalishtaiyon ne yajakon aur bhavree karanevalon ko bulakar poochha, ki yahova ke sandook se ham kya karen? hamen bataon kee kya praayashchait dekar ham use usake sthan par bhejen? ve bole, yadi tum israel ke devata ka sandook vahan bheja, jo use vaaise hee n bhejana usakee hani bhrane ke liye avashy hee doshabaali dena. tab tum change ho jaoge, aur tum jan logon ki usaka hath tum par se kyon naheen uttaya gaya. unhon ne poochha, ham usakee haani bhrane ke liye kon sa doshabaali den? ve bole, palishte saradaron kee ginatee ke anusar sone kee panch gilaattyaia, aur sone ke panch choohe kyonki tum sab aur tumhare saradar donon ek hee rog se grasit ho. to tum apanee gilaattyaian aur apane desh ke nash karanevale choohon kee bhee mooraten banakar israel ke devata kee maahima mano sambhva haai vah apana hath tum par se aur tumhare devataon aur desh par se utta le. tum apane man kyon aeese hatteele karate ho jaaise misriyon aur firauin ne apane man hatteele kar diae the? jab us ne unake madhy men achambhiat kam kia, tab kya unhon ne un logon ko jane n diya, aur kya ve chale n gaee? so ab tum aek nai gadee banao, aur aeese do dudhaar gayen

lo jo suae tale n ai ho, aur un gayon ko us gadee men jotakar unake bachchon ko unake pas se lekar ghar ko lautta do. tab yahova ka sandook lekar us gadee par dhar do, aur sane kee jo vastuen tum usakee hati bhrane ke liye doshabaali kee reeti se doge unhen doosare sandook men ghar ke usake pas rakh do. fir use ravana kar do ki chalee jae. aur dekhthe rahana yaadi vah apane desh ke marga se hokar betashomesh ko chale, to jano ki hamaree yah badee hani usee kee or se hui: aur yadi nahee, to ham ko nishchay hoga ki yah mar ham par usakee or se nahee, parantu sanyog hee se hui. un manushyon ne vaaisa hee kiya arthata do dudhaar gayen lekar us gadee men jotee, aur unake bachchon ko ghar men band kar diya. aur yahova ka sandook, aur doosara sandook, aur sone ke choohon aur apanee gilaattyaian kee mooraton ko gadee par rakh diya. tab gayen ne betashomesh ko seedha marga liya ve sadk hee sadk bambatee hui chalee gai, aur n daahine mudde aur n bayen aur palishtaiyon ke saradar unake peechhe peechhe betashomesh ke sivane tak gaee. aur betashomesh ke log tarai men gehoon katt rahe the aur jab unhon ne ankenh uttakar sandook ko dekha, tab usake dekhne se anaandait hue. aur gadee yahoshoo nam aek betashomesh kee khet men jakar vahan tthar gai, jahan aek bada patthr tha. tab unhon ne gadee kee lakadee ko cheera aur gayon ko homabaali karake yahova ke liye chaddhaya. aur leveeyon ne yahova ke sandook ko us sandook kee samet jo sath tha, jis men sone kee vastuane the, utarake us bade patthr par dhar diya aur betashomesh ke logon ne usee din yahova ke liye homabaali aur melabali chaddhae. yah dekhkar paalishtaiyon ke panchon saradar usee din aekron ko lautt gaee.. sone kee gilaattyaian jo paalishtaiyon ne yahova kee haati bhrane ke liye doshabaali karake de dee thee un men se aek to ashadod kee or se, aek ajja, aek ashkalon, aek gat, aur aek aekron kee or se dee gai thee. aur vah sone ke choohe, kya shaharapanahavale nagar, kya bina shaharapanah ke ganv, varan jis bade patthr par yahova ka sandook dhara gaya tha vahan paalishtaiyon ke panchon saradaron ke adhaikar tak kee sab baastaiyon kee ginatee ke anusar diae gaee. vah patthr to aj tak betashomesh yahoshoo ke khet men haai. fir is karan se ki betashomesh ke logon ne yahova ke sandook ke bheetar jhanka tha us ne un men se sattr manushy, aur fir pachas hajar manushy mar dale aur vahan ke logon ne isaliye vilap kiya ki yahova ne logon ka bada hee sanhar kiya tha. tab betashomesh ke log kahane lage, is pavitra parameshvar yahova kee samhane kaun khda rah sakata haai? aur vah hamare pas se kis ke pas chala jae? tab unhon ne kiriyatyareem ke nivaasiyon ke pas yon kahane ko doot bheje, ki palishtaiyon ne yahova ka sandook lautta diya haai isaaliye tum akar use apane yahan le jao..

7

tab kiriyatyareem ke logon ne jakar yahova ke sandook ko uttaya, aur abeenadab ke ghar men jo tteele par bana tha rakha, aur yahova ke sandook kee raksha karane ke liye abeenadab ke putra aeleeajar ko pavitra kiya.. kiriyatyareem men rahate rahate san-

dook ko bahut din hua, arthata bees varsha beet gaa, aur israael ka sara gharana vilap karata hua yahova ke peechhe chalanega laga. tab shamooael ne israael ke sare gharane se kaha, yaadi tum apane poorn man se yahova kee or fire ho, to paraae devataon aur ashtoret deaviyon ko apane beech men se door karo, aur yahova kee or apana man lagakar keval usee kee upasana karo, tab vah tumhen paalishtaiyon ke hath se chhudaage. tab israaeliyon ne bal devataon aur ashtoret deaviyon ko door kiya, aur keval yahova hee kee upasana karane lage.. fir shamooael ne kaha, sab israaeliyon ko mispa men ikattha karo, aur maain tumhare liye yahova se praarthna karoonga. tab ve mispa men ikatthe hua, aur jal bhrake yahova ke samhane undel diya, aur us din upavas kiya, aur vahan kahane lage, ki ham ne yahova ke virooddh pap kiya haai. aur shamooael ne mispa men israaeliyon ka nyay kiya. jab paalishtaiyon ne suna ki israaelee mispa men ikatthe huae haai, tab unake saradaron ne israaeliyon par chaddhai kee. yah sunakar israaelee palishtaiyon se bhyabheet huae. aur israaeliyon ne shamooael se kaha, hamare liye hamare parameshvar yahova kee dohai dena n chhod, jis se vah ham ko palishtaiyon ke hath se bachaae. tab shamooael ne aek doodhapiuva memna le sarvang homabali karake yahova ko chaddhaya aur shamooael ne israaeliyon ke liye yahova kee dohai dee, aur yahova ne usakee sun lee. aur jis samay shamooael homabali ho chaddha raha tha us samay palishte israaeliyon ke sang yuddh karane ke liye nikat a gaa, tab usee din yahova ne palishtaiyon ke upar badal ko bade kadk ke sath garajakar unhen ghabara diya aur ve israaeliyon se har gaee. tab israaelee purooshaen ne mispa se nikalakar paalishtaiyon ko khdeda, aur unhen betakar ke neech tak marate chale gaee. tab shamooael ne aek patthr lekar mispa aur shon ke beech men khda kiya, aur yah kahakar usaka nam aebenejer rakha, ki yahan tak yahova ne hamaree sahayata kee haai. tab paalishtee dab gaa, aur israaeliyon ke desh men fir n aa, aur shamooael ke jeevan bhr yahova ka hath palishtaiyon ke virooddh bana raha. aur aekron aur gat tak jitane nagar paalishtaiyon ne israaeliyon ke hath se chheen liae the, ve fir israaeliyon ke vash men a gaee aur unaka desh bhee israaeliyon ne paalishtaiyon ke hath se chhudaya. aur israaeliyon aur aemoriyon ke beech bhee saandhi ho gai. aur shamooael jeevan bhr israaeliyon ka nyay karata raha. vah praati varsha betel aur gilgal aur mispa men ghooma-ghoomakar un sab sthanon men israaeliyon ka nyay karata tha. tab vah rama men jahan usaka ghar tha lautt aya, aur vahan bhee israaeliyon ka nyay karata tha, aur vahan us ne yahova ke liye aek vedee banai..

se kahane lage, sun, too to ab booddha ho gaya, aur tere putra teree rah par naheen chalate ab ham par nyay karane ke liye sab jaatiyon kee reati ke anusar hamare liye ek raja niyukt kar de. parantu jo bat unhon ne kahee, ki ham par nyay karane ke liye hamare upar raja niyukt kar de, yah bat shamooael ko buree lagee. aur shamooael ne yahova se praarthna kee. aur yahova ne shamooael se kaha, ve log jo kuchh tujh se kahen use man le kyonaki unhon ne tujh ko naheen parantu mujhee ko nikamma jana haai, ki maain unaka raja n rahoon. jaaise jaaise kam ve us din se, jab se maain unhen misr se nikal laya, aj ke din tak karate aae haai, ki mujh ko tyagakar paraa, devataon kee upasana karate aae haai, vaaise hee ve tujh se bhee karate haain. isaliye ab too unakee bat mana taubhee too gambheerata se unako bhlee bhannati samajha de, aur unako batala bhee de ki jo raja un par rajy karega usaka vyavahar kis prakhar hoga.. aur shamooael ne un logon ko jo us se raja chahate the yahova kee sab baten kah sunain. aur us ne kaha jo raja tum par rajy karega usakee yah chal hogee, arthata vah tumhare putraen ko lekar apane rathon aur ghaedon ke kam par naukhar rakhega, aur ve usake rathon ke age age dauda karenge fir vah unako hajar hajar aur pachas pachas ke upar pradhan banaagea, aur kitanon se vah apane hal jutavaagea, aur apane khet kattavaagea, aur apane liye yuddh ke haathaiyar aur rathon ke saj banavaagea. fir vah tumharee beattaiyen ko lekar un se sugandhadravay aur rasoi aur rottiyaan banavaagea. fir vah tumharee kheton aur dakh aur jalapai kee baariyon men se jo achchee se achchhee hongee unhen le lekar apane karmachariyon ko dega. fir vah tumhare beech aur dakh kee baariyon ko dasavan ansh le lekar apane hakimon aur karmachariyon ko dega. fir vah tumhare dasa-dasiyon ko, aur tumhare achchhe se achchhe javanon ko, aur tumhare gadahon ko bhee lekar apane kam men lagaagea. vah tumharee bhed-bakaariyon ka bhee dasavan ansh lega nidan tum log us ke das ban jaogee. aur us din tum apane us chune huae raja ke karan dohai doge, parantu yahova us samay tumharee n sunega. taubhee un logon ne shamooael kee bat n sunee aur kahane lage, naheen! ham nishchay apane liye raja chahate haai, jis se ham bhee aur sab jatiyon ke saman ho jaae, aur hamara raja hamara nyay kare, aur hamare age age chalakar hamaree or se yuddh kiya kare. logon kee ye sab baten sunakar shamooael ne yahova ke kanon tak pahunchaya. yahova ne shamooael se kaha, unakee bat manakar unakee liye raja thara de. tab shamooael ne israaelee manushyon se kaha, tum ab apane apane nagar ko chale jao..

jab shamooael booddha hua, tab us ne apane putraen ko israaeliyon par nyayee ttharaya. usake jette putra ka nam yoel, aur doosare ka nam abiyah tha ye bershoba men nyay karate the. parantu usake putra usakee rah par n chale, arthata lalch men akar ghooos lete aur nyay bigadte the.. tab sab israaelee vraddh log ikatthe hokar rama men shamooael ke pas jakar us

binyameen ke gotra men keesh nam ka aek puroosh tha, jo apeehe ke putra bakorat ka parapota, aur saror ka pota, aur abeeael ka putra tha vah aek binyameenee puroosh ka putra aur bada shaaktaishaaelee soorama tha. usake shaaul nam ek javan putra tha, jo sundar tha, aur israeliyon men koi us se baddhkar sundar n tha vah itana lamba tha ki doosare log usake kandho hee tak ate the. jab shaaul ke pita

keesh kee gadaahiyan kho gai, tab keesh ne apane putra shaaul se kaha, aek sevak ko apane sath le ja aur gadaahiyan ko ddoondhdh la. tab vah aepraaim ke pahadee desh aur shaleesha desh hote huae gaya, parantu unhen n paya. tab ve shaaleem nam desh bhee hokar gaa, aur vahan bhee n paya. fir binyameen ke desh men gaa, parantu gadaahiyan n mileen. jab ve soofa nam desh men aa, tab shaaul ne apane sath ke sevak se kaha, a, ham lautt chale, aeesa n ho ki mera pita gadahiyan kee chinta chhodkar hamaree chinta karane lage. us ne us se kaha, sun, is nagar men parameshvar ka ek jan haai jisaka bada adaraman hota haai aur jo kuchh vah kahata haai vah bina pooru huae naheen rahata. ab ham udhar chale, sambhv haai vah ham ko hamar marga bataae ki kidhar jaen. shaaul ne apane sevak se kaha, sun, yadi ham us puroosh ke pas chalen to usake liye kya le chalen? dek, hamaree thailiyan men kee rottee chuk gai haai aur bhentt ke yogy koi vastu haai hee nahee, jo ham parameshvar ke us jan ko den. hamare pas kya haai? sevak ne fir shaaul se kaha, ki mere pas to aek shokel chandee kee chaauthai haai, vahee maain parameshvar ke jan ko doonga, ki vah ham ko bataae ki kidhar jaen. poorvakal men to israel men jab koi aeesa kahata tha, ki chalo, ham dasharee ke pas chalen kyonaki jo aj kal nabee kahalata haai vah poorvakal men dasharee kahalata tha. tab shaaul ne apane sevak se kaha, too ne bhla kaha haai ham chalen. so ve us nagar ko chale jahan parameshvar ka jan tha. us nagar kee chaddhai par chaddhte samay unhen kai ek ladiyan mileen jo panee bhrane ko nikalee theen unhon ne un se poochha, kya dasharee yahan haai? unhon ne uttr diya, ki haai dekho, vah tumhare age haai. ab faurtee karo aj unche sthan par logon ka yagya haai, isaliye vah aj nagar men aya hua haai. jyonhee tum nagar men pahuncho tyonhee vah tum ko unche sthan par khana khane ko jane se paahile milega kyonki jab tak vah n pahuncha tab tak log bhojan karenge, isaliye ki yagya ke vishay men vahee dhanyavad karata tab usake peechhe hee nyotaharee bhojan karate haain. isaliye tum abhee chaddh jao, isee samay vah tumhen milega. ve nagar men chaddh gae aur jyonhee nagar ke bheetar pahuncha tyonhee shamooael unche sthan par chaddhne kee manasa se unake samhane a raha tha.. shaaul ke ane se aek din pahile yahova ne shamooael ko yah chita rakha tha, ki kal isee samay maain tere pas binyameen ke desh se aek puroosh ko bhejoonga, usee ko too merree israaelee praja ke upar pradhaan hone ke liye aabhaishok karata. aur vah merree praja ko paalishtaiyon ke hath se chhudaaga kyonaki maain ne apanee praja par krpa draashti kee haai, isaliye ki unakee chillahatt mere pas pahuchee haai. fir jab shamooael ko shaaul dekh pada, tab yahova ne us se kaha, jis puroosh kee charcha maain ne tu se kee thee vah yahee haai merree praja par yahee aadhaikar karega. tab shaaul faattk men shamooael ke nikatt jakar kahane laga, mujhe bata ki dasharee ka ghar kahan haai? us ne kaha, dasharee to maain hoon mere age age unche sthan par chaddh ja, kyonki aj ke din tum mere sath bhoran khaoge, aur bihan ko jo kuchh tere man men ho sab kuchh maain tuihe batakar vida karoonga. aur teree gadaahiyan jo teen din tuae kho gai theen unakee kuchh bhee

shaaul tees varsha ka hokar rajy karane laga, aur us ne israeliyan par do varsha tak rajy kiya. fir shaaul ne israeliyan men se teen hajar purooshaen ko apane liye chun liya aur un men se do hajar shaaul ke sath mikamash men aur betel ke pahad par rahe, aur aek hajar yonatan ke sath binyameen ke giba men rahe aur doosare sab logon ko us ne apane apane dere men jane ko vida kiya. tab yonatan ne paalishtaiyan kee us chaukee ko jo giba men bhee mar liya aur isaka samachar paalishtaiyan ke kanon men pada. tab shaaul ne sare desh men naraasinga faunkavakar yah kahala bheja, ki ibraee log sunen. aur sab israeliyan ne yah samachar suna ki shaaul ne palish-taiyan kee chaukee ko mara haai, aur yah bhee ki palishtee israel se gharana karane lage haain. tab log shaaul ke peechhe chalakar gilgal men ikatthe ho gae.. aur paalishtee israel se yuddh karane ke liye ikatthe ho gaa, arthata tees hajar rat, aur chh: hajar savar, aur samudra ke teer kee baloo ke kinakon ke saman bahut se log ikatthe hue aur betaven ke poorva kee or jakar mikamash men chhavanee dalee. jab israaelee purooshaen ne dekha ki ham sakete men pade haain aur sachamuch log sankatt men pade the, tab ve log gufaao, jhadiyo, chattano, gaddhiyo, aur gaddhnon men ja chhpae. aur kitane ibraee yaradan par hokar gad aur gilad ke deshaen men chale gaee parantu shaaul gilgal hee men raha, aur sab log thrathrate huae usake peechhe ho laie.. vah shamooael ke ttharae huae samay, arthata sat din tak batt johata raha parantu shamooael gilgal men n aya, aur log usake pas se idhar udhar hone lage. tab shaaul ne kaha, homabali aur melabali mere pas lao. tab us ne homabali ko chaddhaya. jyon-hee vah homabali ko chaddha chuka, to kshya dekhta haai ki shamooael a pahuncha aur shaaul us se milane aur namaskar karane ko nikala. shamooael ne poochha, too ne kya kiya? shaaul ne kaha, jab maain ne dekha ki log mere pas se idhar udhar ho chale haai, aur too ttharae huae edanon ke bheetar naheen aya, aur paalishtee mikapash men ikatthe huae haai, tab maain ne socha ki palishtee gilgal men mujh par abhee a padenge, aur maain ne yahova se binattee bhee naheen kee haai so maain ne apanee ichchha

n rahate bhee homabali chaddhaya. shamooael ne shaaul se kaha, too ne moorkhta ka kam kiya haai too ne apane parameshvar yahova kee agyaa ko naheen mana naheen to yahova tera rajy israaeliyon ke upar sada sthiar rakhta. parantu ab tera rajy bana n rahega yahova ne apane liye aek aeese puroosh ko ddoondddh liya haai jo usake man ke anusar haai aur yahova ne usee ko apanee praja par pradhaan hone ko thharaya haai, kyonaki too ne yahova kee agyaa ko naheen mana.. tab shamooael chal nikala, aur gilagal se binyameen ke giba ko gaya. aur shaaul ne apane sath ke logon ko ginakar koi chh: sau paae. aur shaaul aur usaka putra yonatan aur jo log unake sath the ve binyameen ke giba men rahe aur palishtee mikamash men dere dale pade rahe. aur paalishtaiyon kee chhavanee se nash karanevale teen dal bandhakar nikala aek dal ne shoal nam desh kee or fir ke opra ka marga liya, aek aur dal ne mujhkar bethoron ka marga liya, aur aek aur dal ne mudkar us desh ka marga liya jo saboim nam tarai kee or jangal kee tarafa haai.. aur israael ke poore desh men lohar kaheen naheen milata tha, kyonki palishtaiyon ne kaha tha, ki ibraee talavar va bhala banane n panae isaliye sab israaelee apane apane hal kee falee, aur bhale, aur kulhadee, aur hansua tej karane ke liye paalishtaiyon ke pas jate the parantu unake hansuo, faalo, khetee ke traishoolo, aur kulhadiyon kee dhaare, aur paainon kee noken tteek karane ke liye ve retee rakhte the. so yuddh ke din shaaul aur yonatan ke sathaiyon men se kisee ke pas n to talavar thee aur n bhala, ve keval shaaul aur usake putra yonatan ke pas rahe. aur paalishtaiyon kee chaukee ke sipahee nikalakar mikamash kee ghaattee ko gaee..

ab paalishtaiyon ne yuddh ke liye apanee senaon ko ikattha kiya aur yahooda desh ke soko men aek sath hokar soko aur ajeka ke beech aepesadammeem men dere dale. aur shaaul aur israaelee purooshahen ne bhee ikatthe hokar aela nam tarai men dere dale, aur yuddh ke liye paalishtaiyon ke virooddh pantee bandhae. paalishtee to aek or ke pahad par aur israaelee doosare or ke pahad par aur israaelee doosare or ke pahad par khde rahe aur donon ke beech tarai thee. tab paalishtaiyon kee chhavanee men se aek veer goliyat nam nikala, jo gat nagar ka tha, aur usake deel kee lambai chh: hath aek bitta thee. usake sir par peetal ka ttop tha aur vah ek pattr ka jhlaim pahine huae tha, jisaka taul panch hajar shokel peetal ka tha. usakee ttangon par peetal ke kavach the, aur us se kandhaen ke beech barachhee bandhae thee. usake bhale kee chhd julahe ke dongee ke saman thee, aur us bhale ka fal chh: sau shokel lohe ka tha, aur badee ddhal liae huae ek jan usake age age chalata tha vah khda hokar israaelee panatiyon ko lalakar ke bola, tum ne yahan akar ladai ke liye kyon panati bandhae haai? kya maain paalishtee naahen hoo, aur tum shaaul ke adhaeen naahen ho? apane men se aek puroosh chuna, ki vah mere pas uttr aae. yaadi vah mujh se ladkar mujhe mar sake, tab to ham tumhare adhaeen ho jaenge parantu yaadi maain us par prabal hokar manro, to tum ko hamare adhaeen hokar hamaree seva karanee padegee. fir vah palishtee bola, maain aj ke din israaelee panatiyon ko lalakarata hoo, kisee puroosh ko mere pas bhejo, ki ham aek doosare se laden. us paalishtee kee in baton ko sunakar shaaul aur samast israaeliyon ka man kachcha ho gaya, aur ve atyant dr gae.. daud to yahooda ke betalehem ke us aepraatee puroosh ko putra tha, jisaka nam yishau tha, aur usake att putra the aur vah puroosh shaaul ke dinon men booddha aur nirbal ho gaya tha. yishau ke teen bade putra shaaul ke peechhe hokar ladne ko gaee the aur usake teen putraen ke nam jo ladne ko gaee the ye the, arthata jyeshtt ka nam aeleeab, doosare ka abeenadab, aur teesare ka shamma tha. aur sab se chhotta daud tha aur teenon bade putra shaaul ke peechhe hokar gaee the, aur daud betala-

hem men apane pita kee bhed bakaariyan charane ko shaaul ke pas se aya jaya karata tha.. vah paalishtee to chales din tak savye aur sanjh ko nikatt akar khda hua karata tha. aur yishau ne apane putra daud se kaha, yah aeapa bhr chabaina, aur ye das rottyaian lekar chhavanee men apane bhaiyon ke pas daud ja aur paneer kee ye das ttiikayan unake sahasrapaati ke liye le ja. aur apane bhaiyon ka kushal dekhkar un kee koi chinhane le ana. shaaul, aur ve bhai, aur samast israaelee puroosh aela nam tarai men palishatiyon se lad rahe the. aur daud bihan ko sabere ut, bhed bakariyon ko kisee rakhvale ke hath men chhodkar, un vastuon ko lekar chala aur jab sena ranboomi ko ja rahee, aur sangraam ke liye lalakar rahee thee, usee samay vah gadiyon ke padav par pahuncha. tab israaeliyon aur paalishtaiyon ne apanee apanee sena amhane samhane karake panati bannndhae. au daud apanee samagraee saman ke rakhvale ke hath men chhodkar ranboomi ko dauda, aur apane bhaiyon ke pas jakar unaka kushal kshom poochha. vah unake sath baten kar hee raha tha, ki palishatiyon kee panatiyon men se vah veer, arthata gatavasee gaaliyat nam vah paalishtee yoddha chaddh aya, aur paahile kee see baten kahane laga. aur daud ne unhen suna. us puroosh ko dekhkar sab israaelee atyant bhy khakar usake samhane se bhage. fir israaelee puroosh kahane lage, kya tum ne us puroosh ko dekha haai jo chaddha a raha haai? nishchay vah israaeliyon ko lalakarane ko chaddha ata haai aur jo koi use mar dalega usako raja bahut dhan dega, aur apanee bettee byah dega, aur usake pita ke gharane ko israel men svatantra kar dega. tab daud ne un purooshahen se jo usake as pas khde the poochha, ki jo us palishtee ko marake israaeliyon kee namadharai door karega usake liye kya kiya jaaega? vah khtanaraahit palishtee to kya haai ki jeevit parameshvar kee sena ko lalakare? tab logon ne us se vahee baten kahee, arthata yah, ki jo koi use marega us se aeese aeese kiya jaaega. jab daud un manushyon se baten kar raha tha, tab usaka bada bhai aeleeab sun raha tha aur aeleeab daud se bahut krodh hait hokar kahane laga, too yahan kya aya haai? fir jangal men un thodee see bhed bakariyon ko too kis ke pas chhod aya haai? tera abhaiman aur tere man kee burai mujhe maloom haai too to ladai dekhne ke liye yahan aya haai. daud ne kaha, maain ne ab kya kiya haai, vah to niree bat thee? tab us ne usake pas se munh faerake doosare ke sammukh hokar vaaisee hee bat kahee aur logon ne use paahile kee nai uttr diya. jab daud kee baton kee charcha hui, tab shaaul ko bhee sunai gai aushra us ne use bulava bheja. tab daud ne shaaul se kaha, kisee manushy ka man usake karan kachcha n ho tera das jakar us paalishtee se ladega. shaaul ne daud se kaha, too jakar us palishtee ke virooddh naahen yuddh kar sakata kyonki too to ladka hee haai, aur vah ladkapan hee se yoddha haai. daud ne shaaul se kaha, tera das apane pita kee bhed bakaariyan charata tha aur jab koi sinh va bhaloo jhund men se memna utta le gaya, tab maain ne usaka peechha karake use mara, aur memne ko usake munh se chhudaya aur jab us ne mujh par chaddhai kee, tab maain ne usake kesh ko pakadkar use mar dala. tere das ne sinh aur bhaloo donon ko mar dala aur vah khtanaraahit palishtee unake saman ho jaaega, ky-

onki us ne jeevit parameshvar kee sena ko lalakara haai. fir daud ne kaha, yahova jis ne mujh sinh aur bhaloo donon ke panje se bachaya haai, vah mujhe us paalishtee ke hath se bhee bachaaega. shaaul ne daud se kaha, ja, yahova tere sath rahe. tab shaaul ne apane vasr daud ko paahinaa, aur peetal ka ttop usake sir par rakh diya, aur jhlaim usako pahinaya. aur daud ne usakee talavar vasr ke upar kasee, aur chalane ka yatn kiya us ne to unako n parakha tha. isaaliye daud ne shaaul se kaha, inhen paahine huae mujh se chala naheen jata, kyonaki maain ne naheen parakha. aur daud ne unhen utar diya. tab us ne apanee lattee hath men le nale men se panch chikane patthr chhantkar apanee charavahee kee thailee, arthata apane jhole men rakhe aur apana gofan hath men lekar palishtee ke nikatt chala. aur paalishtee chalute chalute daud ke nikatt pahunchane laga, aur jo jan usakee badee ddhal liae tha vah usake age age chala. jab paalishtee ne drashtti karake daud ko dekha, tab use tuchh jana kyonaki vah ladka hee tha, aur usake mukh par lalae jhlakatee thee, aushra vah sundar tha. tab paalishtee ne daud se kaha, kya maain kutta hoo, ki too lattee lekar mere pas ata haai? tab paalishtee apane devataon ke nam lekar daud ko kosane laga. fir palishtee ne daud se kaha, mere pas a, maain tera mans akash ke pakshiyaon aur banapashuon ko de doonga. daud ne palishtee se kaha, too to talavar aur bhala aur sang liae huae mere pas ata haai parantu maain senaon ke yahova ke nam se tere pas ata hoo, jo israaelee sena ka parameshvar haai, aur usee ko too ne lalakara haai. aj ke din yahova tujh ko mere hath men kar dega, aur maain tujh ko maroonga, aur tera sir tere dhad se alag karoonga aur maain aj ke din palishtee sena kee lothen akash ke pakshiyaon aur prathvee ke jeev jantuon ko de doonga tab samast prathvee ke log jan lenge ki israael men aek parameshvar haai. aur yah samast mandlee jan legee kee yahova talavar va bhale ke dara jayavant naheen karane, isaliye ki sangraam to yahova ka haai, aur vahee tumhen hamare hath men kar dega. jab paalishtee uttkar daud ka samhana karane ke liye nikatt aya, tab daud sana kee or palishtee ka samhana karane ke liye faurttee se dauda. fir daud ne apanee thailee men hath dalakar us men se aek patthr nikala, aur use gofan men rakhkar palishtee ke mathe par aesa mara ki patthr usake mathe ke bheetar ghaus gaya, aur vah boomi par munh ke bal gir pada. yon daud ne palishtee par gofan aur aek hee patthr ke dara prabal hokar use mar dala parantu daud ke hath men talavar n thee. tab daud daudkar palishtee ke upar khda hua, aur usakee talavar pakadkar miyan se kheenchee, aur usako ghaat kiya, aur usaka sir usee talavar se katt dala. yah dekhkar ki hamara veer mar gaya paalishtee bhag gae. is par israaelee aur yahood puroosh lalakar utar, aur gat aur aekron se faattkon tak paalishtaiyon ka peechha karate gae, aur ghaayal paalishtee shaaraaim ke marga men aur gat aur aekron tak girte gae. tab israaelee paalishtaiyon ka peechha chhodkar lautt aa, aur unake deron ko loott liya. aur daud palishtee ka sir yarooshalem men le gaya aur usake hathaiyar apane dere men dhar liae.. jab shaaul ne daud ko us palishtee ka samhana karane ke liye jate dekha, tab us ne apane senapaati abner se poochha, he abner, vah javan kis ka

putra haai? abner ne kaha, he raja, tere jeevan kee shapat, maain naheen janata. raja ne kaha, too poochh le ki vah javan kis ka putra haai. jab daud palishtee ko marakar lautta, tab abner ne use palishtee ka sir hath men liae huae shaaul ke samhane pahunchaya. shaaul ne us se poochha, he javan, too kis ka putra haai? daud ne kaha, maain to tere das betaleheme yishau ka putra hoon..

jab vah shaaul se baton kar chuka, tab yonatan ka man daud par aesa lag gaya, ki yonatan use apane praan ke barabar pyar karane laga. aur us din se shaaul ne use apane pas rakha, aur pita ke ghar ko fir lautne n diya. b yonatan ne daud se vacha bandhae, kyonaki vah usako apane praan ke barabar pyar karata tha. aur yonatan ne apana бага jo vah svayan pahine tha utarakar apane vasr samet daud ko de diya, varan apanee talavar aur dhanush aur kattbaindha bhee usako de diae. aur jahan kaheen shaaul daud ko bhejata tha vahan vah jakar buddhmaanee ke sath kam karata tha aur shaaul ne use yoddhaon ka pradhaan niyukt kiya. aur samast praja ke log aur shaaul ke karmacharee us se prasann the.. jab daud us palishtee ko marakar lautta ata tha, aur ve sab log bhee a rahe the, tab sab israaelee nagaron se striyaon ne nikalakar dfa aur tikone baje liae hua, anand ke sath gatee aur nachatee hui, shaaul raja ke svagat men nikaleen. aur ve striyaon nachatee hui aek doosaree ke sath yah gatee gai, ki shaaul ne to hajaron ko, parantu daud ne lakhon ko mara haai.. tab shaaul aati krodhait hua, aur yah bat usako buree lagee aur vah kahane laga, unhon ne daud ke liye to lakhon aur mere liye hajaron ko tharaya isaaliye ab rajy ko chhod usako ab kya milana bakee haai? tab us din se bhvishy men shaaul daud kee tak men laga raha.. doosare din parameshvar kee or se aee drashtt atma shaaul par bal se utara, aur vah apane ghar ke bheetar nabooovat karane laga daud praati divas kee nain apane hath se baja raha tha. aur shaaul apane hath men apana bhala liae huae tha tab shaaul ne yah sochakar, ki maain aesa maroonga ki bhala daud ko bedhakar bheet men dhans jaa, bhale ko chalaya, parantu daud usake samhane se do bar hatt gaya. aur shaaul daud se dra karata tha, kyonaki yahova daud ke sath tha aur shaaul ke pas se alag ho gaya tha. shaaul ne usako apane pas se alag karake sahasrapaati kiya, aur vah praja ke samhane aya jaya karata tha. aur daud apanee samast chal men buddhmaanee dikhata tha aur yahova usake sath sath tha. aur jab shaaul ne dekha ki vah bahut buaddhmaian haai, tab vah us se dr gaya. parantu israael aur yahooda ke samast log daud se praem rakhte the kyonki vah unake dekhte aya jaya karata tha.. aur shaaul ne yah sochakar, ki mera hath nahee, varan paalishtaiyon hee ka hath daud par pade, us se kaha, sun, maain apanee badee bettee merab ko tuihe byah doonga itana kar, ki too mere liye veerata ke sath yahova kee or se yuddh kara. daud ne shaaul se kaha, maain kya hoo, aur mera jeevan kya haai, aur israael men mere pita ka kul kya haai, ki maain raja ka damad ho jaun? jab samay a gaya ki shaaul kee bettee merab daud se byahee jaa, tab vah

maholai adraeeael se byahee gai. aur shaaul kee bettee meekal daud se praeaiti rakhne lagee aur jab is bat ka samachar shaaul ko mila, tab vah prasann hua. shaaul to sochata tha, ki vah usake liye fanda ho, aur paalishatiyon ka hath us par pade. aur shaaul ne daud se kaha, ab kee bar to too avashy hee mera damad ho jaega. fir shaaul ne apane karmachariyon ko agyaadee, ki daud se chhpaikar aeese baten karo, ki sun, raja tujh se prasann haai, aur usake sab karmacharee bhee tujh se praem rakhte haain isaaliye ab too raja ka damad ho ja. tab shaaul ke karmachariyon ne daud se aeese hee baten kaheen. parantu daud ne kaha, maain to nirdhan aur tuchchh manushy hoo, fir kya tumharee drashtti men raja ka damad hona chhottee bat haai? jab shaaul ke karmachariyon ne use bataya, ki daud ne aeese aeese baten kaheen. tab shaaul ne kaha, tum daud se yon kaho, ki raja kanya ka mol te kuchh naheen chahata, keval paalishtaiyon kee aek sau khlaadiyan chahata haai, ki vah apane shatruon se palatta le. shaaul kee manasa yah thee, ki palishtaiyon se daud ko marava dale. jab usake karmachariyon ne daud se yah baten batai, tab vah raja ka damad hone ko prasann hua. jab byah ke din kuchh rah gaa, tab daud apane janon ko sang lekar chala, aur palishtaiyon ke do sau purooshaen ko mara tab daud unakee khlaadiyon ko le aya, aur ve raja ko gin gin kar dee gai, isaaliye ki vah raja ka damad ho jaae. aur shaaul ne apanee bettee meekal ko use byah diya. jab shaaul ne dekha, aur nishchay kiya ki yahova daud ke sath haai, aur meree bettee meekal us se praem rakhte haai, tab shaaul daud se aur bhee dr gaya. aur shaaul sada ke liye daud ka baairae ban gaya.. fir palishtaiyon ke pradhaan nikal aa, aur jab jab ve nikal aae tab tab daud ne shaaul ke aur sab karmachariyon se aadhaik buddhmaanee dikhai is se usaka nam bahut bada ho gaya..

aur shaaul ne apane putra yonatan aur apane sab karmachariyon se daud ko mar dalane kee charcha kee. parantu shaaul ka putra yonatan daud se bahut prasann tha. aur yonatan ne daud ko bataya, ki mera pita tuihe marava dalana chahata haai isaliye too bihan ko savadhaan rahana, aur kisee gupt sthan men baaita hua chhpaikar rahana aur maain maaidan men jahan too hoga vahan jakar apane pita ke pas khda hokar us se teree charcha karoonga aur yaadi muje kuchh maloom ho to tuihe bataunga. aur yonatan ne apane pita shaaul se daud kee prashansa karake us se kaha, ki he raja, apane das daud ka aparadhae n ho kyonki us ne tera kuchh aparadha naheen kiya, varan usake sab kam tere bahut hit ke haain us ne apane praan par khelakar us palishte ko mar dala, aur yahova ne samast israeliyan kee badee jay karai. ise dekhkar too anaandait hua tha aur too daud ko akaran marakar nirdosh ke koon ka papee kyon bane? tab shaaul ne yonatan kee bat manakar yah shapath khai, ki yahova ke jeevan kee shapat, daud mar dala n jaega. tab yonatan ne daud ko bulakar ye samast baten usako batai. fir yonatan daud ko shaaul ke pas le gaya, aur vah pahile kee nain usake samhane rahane laga.. tab fir ladai hone lagee aur daud jakar paal-

ishtaiyon se lada, aur unhen badee mar se mara, aur ve usake samhane se bhag gae. aur jab shaaul hath men bhala liae huae ghar men baaita tha aur daud hath se baja raha i, tab yahova kee or se aek dushtt atma shaaul par chaddha. aur shaaul ne chaha, ki daud ko aeese mare ki bhala use bedhate huae bheet men dhans jaae parantu daud shaaul kee samhane se aeese hatt gaya ki bhala jakar bheet hee men dhans gaya. aur daud bhaga, aur us rat ko bach gaya. aur shaaul ne daud ke ghar par doot isaliye bheje ki ve usakee ghaat men rahe, aur bihan ko use mar dale, tab daud kee sree meekal ne use yah kahakar jataya, ki yadi too is rat ko apana praan n bachaa, to bihan ko mara jaaega. tab meekal ne daud ko khaid-kee se utar diya aur vah bhag kar bach nikala. tab meekal ne grahadevataon ko le charapai par littaya, aur bakariyon ke roaen kee takiya usake sirahane par rakhar un ko vasr oddha diae. jab shaaul ne daud ko pakad lane ke liye doot bheje, tab vah bole, vah to beemar haai. tab shaaul ne dooton ko daud ke dekhne ke liye bheja, aur kaha, use charapai samet mere pas lao ki maain use mar daloon. jab doot bheetar gaa, tab kya dekhte haain ki charapai par grahadevata pade haai, aur sirahane par bakariyon ke roaen kee takiya haai. so shaaul ne meekal se kaha, too ne mujhe aeese dhaekha kyon diya? too ne mere shatra ko aeese kyon jane diya ki vah bach nikala haai? meekal ne shaaul se kaha, us ne mujh se kaha, ki mujhe jane de maain tuihe kyon mar daloon.. aur daud bhagakar bach nikala, aur rama men shamooael ke pas pahunchakar jo kuchh shaaul ne us se kiya tha sab use kah sunaya. tab vah aur shamooael jakar nabayot men rahane lage. jab shaaul ne daud ke pakad lane ke liye doot bheje aur jab shaaul ke dooton ne naabiyan ke dal ko naboovat karate huae dekha, tab parameshvar ka atma un par chaddha, aur ve bhee naboovat karane lage. tab shaaul ne daud ke pakad lane ke liye doot bheje aur jab shaaul ke dooton ne naabiyan ke dal ko naboovat karate hua, aur shamooael ko unakee pradhaanata karate huae dekha, tab parameshvar ka atma un par chaddha, aur ve bhee naboovat karane lage. isaka samachar pakar shaaul ne aur doot bheje, aur ve bhee naboovat karane lage. fir shaaul ne teesaree bar doot bheje, aur ve bhee naboovat karane lage. tab vah ap hee rata ko chala, aur us bade gadhe par jo sekoon men haai pahunchakar poochhne laga, ki shamooael aur daud kahan haai? kisee ne kaha, ve to rama ke nabayot men haain. tab vah udhar, arthata rama ke nabayot ko chala aur parameshvar ka atma us par bhee chaddha, aur vah rama ke nabayot ko pahunchane tak naboovat karata hua chala gaya. aur us ne bhee apane vasr utare, aur shamooael kee samhane naboovat karane laga, aur boomi par girakar din aur rat nanga pada raha. is karan se yah kahavat chalee, ki kya shaaul bhee naabiyan men se haai?

20

fir daud rama ke nabayot se bhaga, aur yonatan ke pas jakar kahane laga, maain ne kya kiya haai? mujh se kya pap hua? maain ne tere pita kee draashtti men aeese kaun sa aparadha kiya haai, ki vah mere praan kee khoj men rahata haai? us ne us se kaha, aeese

bat naheen haai too mara n jaega. sun, mera pita mujh ko bina jataae n to koi bada kam karata haai aur n koi chhotta fir vah aeese bat ko mujh se kyon chhpaiaega? aeese koi bat naheen haai. fir daud ne shapath khakar kaha, tera pita nishchay janata haai ki tere anugrah kee draashtti mujh par haai aur vah sochata hoga, ki yonatan is bat ko n janane paa, aeese n ho ki vah khedit ho jaae. parantu yahova ke jeevan kee shapath aur tere jeevan kee shapat, ni:sandeh, mere aur mratyu ke beech dg hee bhr ka antar haai. yonatan ne daud se kaha, jo kuchh tera jee chahae vah hee maain tere liye karoonga. daud ne yonatan se kaha, sun kal naya chad hoga, aur mujhe uchit haai ki raja ke sath baaitkar bhojan karoon parantu too mujhe vida kar, aur maain parason sanjh tak maaidan men chhpa rahoonga. yaadi tera pita meree kuchh chinta kare, to kahana, ki daud ne apane nagar betalehem ko shaeegha haae ke liye mujh se binatee karake chhuttee manglee haai kyonki vahan usake samast kul ke liye vaashairk yagya haai. yaadi vah yon kahe, ki achchha! tab to tere das ke liye kushal hoga parantu yadi usaka kop bahut bhdh utte, to jan lena ki us ne burai ttanee haai. aur too apane das se krapa ka vyavahar karana, kyonaki too ne yahova kee shapath khailakar apane das ko apane sath vacha bandhaa haai. parantu yaadi mujh se kuchh aparadha hua ho, to too ap mujhe mar dala too mujhe apane pita ke pas kyon pahunchaae? yonatan ne kaha, aeese bat kabhee n hogee! yadi maain nishchay janata ki mere pita ne tujh se burai karanee ttanee haai, to kya maain tujh ko n batata? daud ne yonatan se kaha, yaadi tera pita tujh ko kattor uttr de, to kaun mujhe bataaega? yonatan ne daud se kaha, chal ham maaidan ko nikal jaen. aur ve dono maaidan kee or chale gae.. tab yonatan daud se kahane laga israael ke parameshvar yahova kee shapat, jab maain kal va parason isee samay apane pita ka bhed pan, tab yadi daud kee bhilai dekho, to kya maain use samay tere pas doot bhejkar tuihe n bataunga? yaadi mere pita ka man teree burai karane ka ho, aur maain tujh par yah pragatt karake tuihe vida n karoo ki too kushal ke sath chala jaa, to yahova yonatan se aeese hee varan is se bhee adhaik kare. aur yahova tere sath vaaisa hee rahe jaaisa vah mere pita ke sath raha. aur n keval jab tak maain jeevit rahoo, tab tak mujh par yahova kee see krapa aeese karana, ki maain n maroon parantu mere gharane par se bhee apanee krapadraashtti kabhee n hattana! varan jab yahova daud ke har aek shatra ko prathvee par se nash kar chukega, tab bhee aeese n karana. is prakar yonatan ne daud ke gharane se yah kahakar vacha bandhaai, ki yahova daud ke shatrauon se palatta le. aur yonatan daud se praem rakhta tha, aur us ne usako fir shapath khailai kyonki vah us ne apane praan ke barabar praem rakhta tha. tab yonatan ne us se kaha, kal naya chad hoga aur teree chinta kee jaegee, kyonaki teree kursee khalee rahegee. aur too teen din ke beetane par turant ana, aur us sthan par jakar jahan too us kam ke din chhpaai tha, arthata aejel nam patthr ke pas rahana. tab maain usakee alang, mano apane kisee tharaae huae chinch par teen tere chalaunga. fir maain apane thhaluae chhokare ko yah kahakar bhejoonga, ki jakar teeron ko ddoondhdh le a. yadi maain us chhokare se

safa safa kahoo, ki dekh teer idhar teree is alang par haai, to too use le a, kyonaki yahova ke jeevan kee shapat, tere liye kushal ko chhod aur kuchh n hoga. parantu yadi maain chhokare se yon kahoo, ki sun, teer udhar tere us alang par haai, to too chala jana, kyonki yahova ne tuihe vida kiya haai. aur us bat ke vishay jisakee charcha maain ne aur too ne apas men kee haai, yahova mere aur tere madhy men sada rahe.. isaliye daud maaidan men ja chhpaia aur jab naya chad hua, tak raja bhojan karane ko baaitta. raja to pahile kee nain apane us asan par baaitta jo bheet ke pas tha aur yonatan khda hua, aur abner shaaul ke nikatt baaitta, parantu daud ka sthan khalee raha. us din to shaaul yah sochakar chup raha, ki isaka koi n koi karan hoga vah ashuddh hoga, ni:sandeh shuddh n hoga. fir naye chad ke doosare din ko daud ka sthan khalee raha. aur shaaul ne apane putra yonatan se poochha, kya karan haai ki yishau ka putra n to kal bhojan par aya tha, aur n aj hee aya haai? yonatan ne shaaul se kaha, daud ne betalehem jane ke liye mujh se binatee karake chhuttee manglee aur kaha, mujhe jane de kyonki us nagar men hamare kul ka yagya haai, aur mere bhai ne mujh ko vahan upasthiat hone kee agyaa dee haai. aur ab yadi mujh par tere anugrah kee draashtti ho, to mujhe jane de ki maain apane bhaiyon se bhentt kar aun. isee karan vah raja kee mej par naheen aya. tab shaaul ka kop yonatan par bhdh utta, aur us ne us se kaha, he kuttalai rajadraehee ke putra, kya maain naheen janata ki tera man to yishau ke putra par laga haai? isee se teree asha ka toottna aur teree mata ka anadar hee hoga. kyonaki jab tak yishau ka putra boomi par jeevit rahega, tab tak n to too aur n tera rajy sthiar rahega. isaliye abhee bhejkar use mere pas la, kyonki nishchay vah mar dala jaeega. yonatan ne apane pita shaaul ko uttr dekar us se kaha, vah kyon mara jaae? us ne kya kiya haai? tab shaaul ne usako marane ke liye us par bhala chala isase yonatan ne jan liya, ki mere pita ne daud ko mar dalana ttan liya haai. tab yonatan krodha se jalata hua mej par se utt gaya, aur maheene ke doosare din ko bhojan n kiya, kyonaki vah bahut kheadit tha, isaliye ki usake pita ne daud ka anadar kiya tha.. bihan ko yonatan aek chhotta ladka sang liae huae maaidan men daud ke sath tharaae huae sthan ko gaya. tab us ne apane chhokare se kaha, daudkar jo jo teer maain chalaun unhen ddoondhdh le a. chhokara daudta hee tha, ki us ne aek teer usake pare chalaya. jab chhokara yonatan ke chalaae teer ke sthan par pahuncha, tab yonatan ne usake peechhe se pukarake kaha, teer to teree paralee or haai. fir yonatan ne chhokare ke peechhe se pukarake kaha, badee faurtee kar, tthar mata! aur yonatan ka chhokara teeron ko battorake apane svamee ke pas l aya. isaka bhed chhokara to kuchh n janata tha keval yonatan aur daud is bat ko janate the. aur yonatan ne apane haathaiyar apane chhokare ko dekar kaha, ja, inhen nagar ko pahuncha. jyonhee chhokara chala gaya, tyonhee daud dakkhian disha kee alang se nikala, aur boomi par aundho munh girake teen bar dandvata kee tab unhon ne aek doosare ko chooma, aur aek doosare ke sath roa, parantu daud ko rona adhaik tha. tab yonatan ne

daud se kaha, kushal se chala ja kyonaki ham donon ne aek doosare se yah kahake yahova ke nam kee shapath khai haai, ki yahova mere aur tere madhy, aur mere aur tere vansh ke madhy men sada rahe. tab vah uttkar chala gaya aur yonatan nagar men gaya..

jab shaaul paalishtaiyon ka peechha karake lautta, tab usako yah samachar mila, ki daud aenagadee ke jangal men haai. tab shaaul samast israaeliyan men se teen hajar ko chhantkar daud aur usake janon ko banaaile bakaron kee chattanon par khojane gaya. jab vah marga par ke bhedshaalon ke pas pahuncha jahan aek gufaa thee, tab shaaul disha firane ko usake bheetar gaya. aur usee gufaa ke konon men daud aur usake jan baaithe huae the. tab daud ke janon ne us se kaha, sun, aj vahee din haai jisakee vishay yahova ne tujh se kaha tha, ki maain tere shatra ko tere hath men saunp doonga, ki too us se manamana bartav kar le. tab daud ne uttkar shaaul ke bage kee chhor ko chhpaikar

katt liya. isake peechhe daud shaaul ke bage kee chhor kattne se pachhtaya. aur apane janon se kahane laga, yahova n kare ki maain apane prabhu se jo yahova ka abhaishaikt haai aesa kam karoo, ki us par hath chala, kyonki vah yahova ka abhaishaikt haai. aeese baten kahakar daud ne apane janon ko ghaudkee laga aur unhen shaaul kee haani karane ko uttne n diya. fir shaaul uttkar gufaa se nikala aur apana marga liya. usake peechhe daud bhee uttkar gufaa se nikala aur shaaul ko peechhe se pukar ke bola, he meere prabhu, he raja. jab shaaul ne fir ke dekha, tab daud ne boomi kee or sir jhukakar dandvata kee. aur daud ne shaaul se kaha, jo manushy kahate haai, ki daud teree hani chahata haai unakee too kyon sunata haai? dek, aj too ne apanee ankhone se dekha haai ki yahova ne aj gufaa men tuihe mere hath saunp diya tha aur kisee kisee ne to mujh se tuihe marane ko kaha tha, parantu mujhe tuij par taras aya aur maain ne kaha, maain apane prabhu par hath n chalaunga kyonki vah yahova ka abhaishaikt haai. fir, he mere pita, dek, apane bage kee chhor mere hath men dekh maain ne tere bage kee chhor to katt lee, parantu tuihe ghaat n kiya is se nishchay karake jan le, ki meere man men koi burai va apardha ka soch naheen haai. aur maain ne tera kuchh apardha naheen kiya, parantu too mere praan lene ko mano usaka aher karata rahata haai. yahova mera aur tera nyay kare, aur yahova tuij se mera palatta le parantu mera hath tuij par n uttega. praacheenon ke neeti vachan ke anusar dushtta dushton se hotee haai parantu mera hath tuij par n uttega. israel ka raja kis ka peechha karane ko nikala haai? aur kis ke peechhe pada haai? aek mare kutte ke peechhe! aek pissoo ke peechhe! isaliye yahova nyayee hokar mera tera vichar kare, aur vichar karake mere mukama lade, aur nyay karake mujhe tere hath se bachaae. daud shaaul se ye baten kahee chuka tha, ki shaaul ne kaha, he mere bette daud, kya yah tera bol haai? tab shaaul chillakar rone laga. fir us ne daud se kaha, too mujh se adhaik dharmee haai too ne to mere sath bhilai kee haai, parantu maain ne tere sath burai kee. aur too ne aj yah pragatt kiya haai, ki too ne mere sath bhilai kee haai, ki jab yahova ne mujhe tere hath men kar diya, tab too ne mujhe ghaat n kiya. bhla! kya koi manushy apane shatra ko pakar kushal se jane deta haai? isaliye jo too ne aj mere sath kiya haai, isaka achchha badala yahova tuihe de. aur ab, mujhe maloom hua haai ki too nishchay raja ko jaaega, aur israel ka rajy tere hath men sthiar hoga. ab mujh se yahova kee shapath kha, ki maain tere vansh ko tere peechhe nash n karoonga, aur tere pita ke gharane men se tera nam mita n daloonga. tab daud ne shaaul se aeese hee shapath khai. tab shaaul apane ghar chala gaya aur daud apane janon samet gaddhon men chala gaya.

aur shamooael mar gaya aur samast israeliyyon ne ikatthe hokar usake liye chhatee peettee, aur usake ghar hee men jo rama men tha usako mittee dee. tab daud uttkar paran jangal ko chala gaya.. maon men aek puroosh rahata tha jisaka mal karmel men tha. aur vah puroosh bahut bada tha, aur usake teen ha-

jar bhede, aur aek hajar bakariyon theen aur vah apanee bhedon ka un katar raha tha. us puroosh ka nam nabal, aur usakee patnee ka nam abegaail tha. sree to buddhmaian aur roopavatee thee, parantu puroosh kattor, aur bure bure kam karanevala tha vah to kale-bavanshaee tha. jab daud ne jangal men samachar paya, ki nabal apanee bhedon ka un katar raha haai tab daud ne das javanon ko vahan bhej diya, or daud ne un javanon se kaha, ki karmel men nabal ke pas jakar meree or se usaka kushalakhshom poochho. aur us se yon kaho, ki too chiranjeev rahe, tera kalyan ho, aur tera gharana kalyan se rahe, aur jo kuchh tera haai vah kalyan se rahe. maain ne suna haai, ki jo too un katar raha haai tere charavahe ham logon ke pas rahe, aur n to ham ne unakee kuchh hani kee, aur n unaka kuchh khoya gaya. apane javanon se yah bat poochh le, aur ve tuij ka bataaenge. so in javanon par tere anugrah kee drashti ho ham to anand ke samay men aae haai, isaliye jo kuchh tere hath lage vah apane dason aur apane bette daud ko de. aeese aeese baten daud ke javan jakar usake nam se nabal ko sunakar chup rahe. nabal ne daud ke janon ko uttr dekar un se kaha, daud kaun haai? yishau ka putra kaun haai? aj kal bahut se das apane apane svamee ke pas se bhag jate haain. kya maain apanee rottee-paneer aur jo pashu maain ne apane kataranevalon ke liye mare haain lekar aeese logon ko de doo, jinako maain naheen janata ki kahan ke haain? tab daud ke javanon ne lauttakar apana marga liya, aur lauttakar usako se sab baten jyon kee tyon suna deen. tab daud ne apane janon se kaha, apanee apanee talavar bandha lo. tab unhon ne apanee apanee talavar bandha lee aur daud ne bhee apanee talavar banghale aur koi char sau puroosh daud ke peechhe peechhe chale, aur do sau saman ke pas rah gaee. parantu aek sevak ne nabal kee patnee abegaail ko bataya, ki daud ne jangal se hamare svamee ko ashaeervad dene ke liye doot bheje the aur us ne unhen lalakara diya. parantu ve manushy ham se bahut achchha bartav rakhte the, aur jab tak ham maaidan men rahate huae unake pas aya jaya karate the, tab tak n to hamaree kuchh hani hui, aur n hamara kuchh khoya gaya jab tak ham un ke sath bhed-bakaariyan charate rahe, tab tak ve rat din hamaree ad bane rahe. isaliye ab soch vichar kar ki kya karana chaahiae kyonaki unhon ne hamare svamee kee or usake samast gharane kee hani ttaneee hogee, vah to aeese dusht haai ki us se koi bol bhee naheen sakata. ab abegaail ne faurtee se do sau rottee, aur do kuppee dakhmadha, aur panch bheadiyyon ka mans, aur panch saa boona hua anaj, aur aek sau guchchhe kishaamisha, aur anjeeron kee do sau ttiikayan lekar gadahon par ladavai. aur us ne apane javanon se kaha, tum mere age chalo, maain tumhare peechhe peechhe aate hoon parantu us ne apane pati nabal se kuchh n kaha. vah gadahe par chaddhee hui pahad kee ad men utaree jatee thee, aur daud apane janon samet usake samahane utara ata tha aur vah unako milee. daud ne to socha tha, ki maain ne jo jangal men usake sab mal kee aeese raksha kee ki usaka kuchh bhee n khoya, yah nisan-deh vyarth hua kyonaki us ne bhilai ke badale mujh se burai hee kee haai. yaadi bihan ko ujiyala hone tak us jan ke samast logon men se aek ladke ko bhee maain jee-

vit chhodoo, to parameshvar mere sab shatrauon se aeesa hee, varan is se bhee adhaik kare. daud ko dekh abeegaail faurtee karake gadahe par se utar padee, aur daud ke sammukh munh ke bal boomi par girakar dandvata kee. fir vah usake panv par girake kahane lagee, he mere prabhu, yah aparan mere hee sir par ho teree dasee tujh se kuchh kahana chahatee haai, aur too apanee dasee kee baton ko sun le. mera prabhu us dusht nabal par chitt n lagaee kyonki jaaisa usaka nam haai vaaisa hee vah ap haai usaka nam to nabal haai, aur sachamuch us men mooddhta pai jatee haai parantu mujh teree dasee ne apane prabhu ke javanon ko jinhen too ne bheja tha n dekha tha. aur ab, he mere prabhu, yahova ke jeevan kee shapath aur tere jeevan kee shapat, ki yahova ne jo tujhe koon se aur apane hath ke dara apana palatta lene se rok rakha haai, isaliye ab tere shatra aur mere prabhu kee haati ke chahanevale nabal hee ke saman ttharen. aur ab yah bhennt jo teree dasee apane prabhu ke pas lai haai, un javanon ko dee jaae jo mere prabhu ke sath chalate haain. apanee dasee ka aparadha kshama kara kyonaki yahova nishchay mere prabhu ka ghar basaagee aur sthiar karega, isaliye ki mera prabhu yahova kee or se ladta haai aur janm bhr tujh men koi burai naheen pai jaegee. aur yadhyi aek manushy tere peechha karaneaur tere praan ka graahak hone ko utta haai, taubhee mere prabhu ka praan tere parameshvar yahova kee jeevanaroopree gattree men bandha rahega, aur tere shatrauon ke praanon ko vah mano gofan men rakhkar faenk dega. isaliye jab yahova mere prabhu ke liye yah samast bhlai karega jo us ne tere vishay men kahee haai, aur tujhe israel par pradhaan karake ttharaagee, tab tujhe is karan pachhtana n hoga, va mere prabhu ka day peeadit n hoga ki too ne akaran koon kiya, aur mere prabhu ne apana palatta ap liya haai. fir jab yahova mere prabhu se bhlai kare tab apanee dasee ko smaran karana. daud ne abeegaail se kaha, israela ka parameshvar yahova dhany haai, jis ne aj ke din mujh se bhennt karane kealiye tujhe bheja haai. aur tera vivek dhany haai, aur too ap bhee dhany haai, ki too ne mujhe aj ke din koon karane aur apana palatta ap lene se rok liya haai. kyonaki sachamuch israela ka parameshvar yahova, jis ne mujhe teree hani karane se roka haai, usake jeevan kee shapat, yaadi too faurtee karake munjh se bhennt karane ko n atee, to nisandeh bihan ko ujijala hone tak nabal ka koi ladka bhee n bachata. tab daud ne use grahan kiya jo vah usake liye lai thee fir us se us ne kaha, apane ghar kushal se ja sun, maain ne teree bat manee haai aur teree binatee grahan kar lee haai. tab abeegaail nabal ke pas lautt gai aur kya dekhtee haai, ki vah ghar men raja kee see jevanar kar raha haai. aur nabal ka man magan haai, aur vah nasho men aati choor ho gaya haai isaliyeus ne bhor ke ujijalehane se pahile us se kuchh bhee n kaha. bihan ko jab nabal ka nasha utar gaya, tab usakee patnee ne use kul hal suna diya, tab usake man ka hiyav jata raha, aur vah patthr sa sunn ho gaya. aur das din ke pashchata yahova ne nabal ko aeesa mara, ki vah mar gaya. nabal ke marane ka hal sunakar daud ne kaha, dhany haai yahova jis ne nabal ke sath meree namadharai ka mukama ladkar apane das ko burai se rok rakha aur yahova ne nabal kee buraiko usee ke sir par lad diya

haai. tab daud ne logon ko abeegaail ke pas isaliye bheja ki ve us se usakee patnee hone kee batacheet karen. to jab daud ke sevak karmel ko abeegaail ke pas pahunchte, tab us se kahane lage, ki daud ne hamen tere pas isaliye bheja haai ki too usakee patnee bane. tab vah uttee, aur munh ke bal boomi par gir dandvata karake kaha, teree dasee apane prabhu ke sevakon ke charan dhaene ke liye laundee bane. tab abeegaail faurtee se uttee, aur gadahe par chaddhee, aur usakee panch sahelian usake peechhe peechhe ho lee aur vah daud ke dooton ke peechhe peechhe gai aur usakee patnee ho gai. aur daud ne chijraail nagar kee aahinoam ko bhee byah liya, to ve donon usakee patnaiyan hui. parantushaaul ne apanee bettee daud kee patnee meekal ko laaish ke putra galleemavasee palatte ko de diya tha..

daud ne poochha, kya shaaul ke gharane men se koi ab tak bacha haai, jisako maain yonatan ke karan praeeati dikhaun? shaaul ke gharane ka seeba nam aek karmacharee tha, vah daud ke pas bulaya gaya aur jab raja ne us se poochha, kya too seeba haai? tab us ne kaha, ha, tera das vahee haai. raja ne poochha, kya shaaul ke gharane men se koi ab tak bacha haai, jisako maain parameshvar kee see praeeati dikhaun? seeba ne raja se kaha, ha, yonatan ka aek betta to haai, jo langada haai. raja ne us se poochha, vah kahan haai? seeba ne raja se kaha, vah to lodabar nagar me, ammeaeel ke putra makeer ke ghar men rahata haai. tab raja daud ne doot bhejkar usako lodabar se, ammeaeel ke putra makeer ke ghar se bulaya liya. jab mapeeboshot, jo yonatan ka putra aur shaaul ka pota tha, daud ke pas aya, tab muh ke bal girake dandvata kiya. daud ne kaha, he mapeeboshot ! us ne kaha, tere das ko kya agyaa? daud ne us se kaha, mat dra tere pita yonatan ke karan maain nishchay tujh ko praeeati dikhaunga, aur tere dada shaaul kee saree booomi tuihe faer doonga aur too meree mej par nity bhojan kiya kara. us ne dandvata karake kaha, tera das kya haai, ki too mujhe aeese mare kutte kee or draashtti kare? tab raja ne shaaul ke karmacharee seeba ko bulavakar us se kaha, jo kuchh shaaul aur usake samast gharane ka tha vah maain ne tere svamee ke pote ko de diya haai. ab se too apane betton aur sevakon samet usakee boomi par khete karake usakee upaj le aya karana, ki tere svamee ke pote ko bhojan mila kare parantu tere svamee ka pota mapeeboshot meree mej par nity bhojan kiya karega. aur seeba ke to pandrah putra aur bees sevak the. seeba ne raja se kaha, mera prabhu raja apane das ko jo jo agyaa de, un sabhon ke anusaar tera das karega. daud ne kaha, mapeeboshot rajakumaron kee nai meree mej par bhojan kiya kare. mapeeboshot ke bhee meeka nam aek chhotta betta tha. aur seeba ke ghar men jitane rahate the ve sab mapeeboshot kee seva karate the. aur mapeeboshot yarooshalem men rahata tha kyonaki vah raja kee mej par nity bhojan kiya karata tha. aur vah donon panvon ka pangula tha.

isake bad ammoniyon ka raja mar gaya, aur usaka hanoon nam putra usake sthan par raja hua. tab daud ne yah socha, ki jaaise hanoon ke pita nahash ne mujh ko praeeati dikhai thee, vaaise hee maain bhee hanoon ko praeeati dikhaunga. tab daud ne apane kai karma-

chariyon ko usake pas usake pita ke vishay shaantai dene ke liye bhej diya. aur daud ke karmacharee ammoniyon ke desh men aae. parantu ammoniyon ke haakim apane svamee hanoon se kahane lage, daud ne jo tere pas shaantai denevale bheje haai, vah kya teree samajh men tere pita ka adar karane kee manasa me bheje haain? kya daud ne apane karmachaariyon ko tere pas isee manasa me naheen bheja ki is nagar men ddoondhdh ddhanddh karake aur isaka bhed lekar isako ulatt den? isaliye hanoon ne daud ke karmachaariyon ko pakada, aur unakee adhaae-adhaae daddhee mudvakar aur adho vasr, arthata nitamb tak kattvakar, unako jane diya. isaka samachar pakar daud ne logon ko un se milane ke liye bheja, kyonki ve bahut lajate the. aur raja ne yah kaha, ki jab tak tumharee daaddhiyan baddh n jaaen tab tak yareeho men tthare raho, tab lautt ana. jab ammaaniyon ne dekha ki ham se daud aprasann haai, tab ammoniyon ne betrahob aur soba ke bees hajar aramee pyadon ko, aur hajar purushaen samet maka ke raja ko, aur barah hajar tobey purushaen ko, vetan par bulavaya. yah sunakar daud ne yoaab aur shooraaveeron kee samast sena ko bheja. tab ammoonee nikale aur faattk hee ke pas pantee bandhaee aur soba aur rahob ke aramee aur tob aur maka ke poorush un se nyare maaidan men the. yah dekhkar ki age peechhe donon or hamare virudh panti bandhaee haai, yoaab ne sab bade baddhe israaaelee veeron men se bahuton ko chhanttkar araamiyon ke samhane unakee panati bandhaai, aur aur logon ko apane bhai abeeshau ke hath saunp diya, aur us ne ammoniyon ke samhane unakee panati bandhaai. fir us ne kaha, yaadi aramee mujh par prabal hone lage, to too meree sahayata karana aur yadi ammoonee tujh par prabal hone lagonge, to maain akar teree sahayata karoonga. too hiyaab bandha, aur ham apane logon aur apane parameshvar ke nagaron ke nimitt purushaarth karen aur yahova jaaisa usako achchha lage vaaisa kare. tab yoaab aur jo log usake sath the araamiyon se yud karane ko nikatt gae aur ve usake samhane se bhage. yah dekhkar ki aramee bhag gae haain ammoonee bhee abeeshau ke samhane se bhagakar nagar ke bheetar ghause. tab yoaab ammoniyon ke pas se lauttakar yarooshalem ko aya. fir yah dekhkar ki ham israaaeliyon se har gae aramee ikatthe huae. aur hadadejer ne doot bhejkar mahanad ke par ke aramiyon ko bulavaya aur ve hadadejer ke senapaati shaevak ko apana pradhaan banakar helam ko aae. isaka samachar pakar daud ne samast israaaeliyon ko ikattha kiya, aur yaradan ke par hokar helam men pahuncha. tab aram daud ke viruddh panti bandhakar us se lada. parantu aramee israaaeliyon se bhage, aur daud ne aramiyon men se sat sau raathaiyon aur chaleey hajar savaron ko mar dala, aur unake senapati haebak ko aeesa ghaayal kiya ki vah vaheen mar gaya. yah dekhkar ki ham israaael se har gae haai, jitane raja hadadejer ke adhaen the un sabhon ne israaael ke sath sanadhai kee, aur usake adhaen ho gae. aur aramee ammoniyon kee aur sahayata karane se dr gae.

fir jis samay raja log yuddh karane ko nikala karate haai, us samay, arthata varsha ke arambh men daud ne yoaab ko, aur usake sang apane sevakon aur samast israaaeliyon ko bheja aur unhon ne ammoniyon ko nash kiya, aur rabba nagar ko ghor liya. parantu daud sarooshalem men rah gaya. sanjh ke samay daud palang par se uttkar rajabhvan ke chht par tthl raha tha, aur chht par se usako aek sre, jo ati sundar thee, nahatee hui dekh padee. jab daud ne bhejakar us sree ko puchhvaya, tab kisee ne kaha, kya yah aeleeam kee bettee, aur hittee uriyyah kee patnee batashoba naheen haai? tab daud ne doot bhejakar use bulava liya aur vah daud ke pas ai, aur vah usake sath soya. vah to retu se shuuddh ho gai thee tab vah apane ghar lautt gai. aur vah sree garbhvatee hui, tab daud ke pas kahala bheja, ki mujhe garbh haai. tab daud ne yoaab ke pas kahala bheja, ki hittee uriyyah ko mere pas bhej, tab yoaab ne uriyyah ko daud ke pas bhej diya. jab uriyyah usake pas aya, tab daud ne us se yoaab aur sena ka kushal kshom aur yuddh ka hal poochha. tab daud ne uriyyah se kaha, apane ghar jakar apane panv dhae. aur uriyyah rajabhvan se nikala, aur usake peechhe raja ke pas se kuchh inam bheja gaya. parantu uriyyah apate svamee ke sab sevakon ke sang rajabhvan ke dar men lett gaya, aur apane ghar n gaya. jab daud ko yah samachar mila, ki uriyyah apane ghar naheen gaya, tab daud ne uriyyah se kaha, kya too yatra karake naheen aya? to apane ghar kyon naheen gaya? uriyyah ne daud se kaha, jab sanadook aur israael aur yahooda jhopadiyon men rahate haai, aur mera svamee yoaab aur mere svamee ke sevak khule maaidan par dere dale huae haai, to kya maain ghar jakar khau, pee, aur apanee patnee ke sath soun? tere jeevan kee shapat, aur tere praan kee shapat, ki maain aeesa kam naheen karane ka. daud ne uriyyah se kaha, aj yaheen rah, aur kal maain tuijhe vida ka-roonga. isaaliye uriyyah us din aur doosare din bhee yarooshalem men raha. tab daud ne use nevata diya, aur us ne usake samhane khaya piya, aur usee ne use matalava kiya aur sanjh kae vah apane svamee ke sevakon ke sang apanee charapai par sone ko nikala, parantu apane ghar n gaya. bihan ko daud ne yoaab ke nam par aek chithee likhkar uriyyah ke hath se bhejadee. us chithee men yah likha tha, ki sab se ghaer yuddh ke samhane uriyyah ko rakhna, tab use chhodkar lautt abo, ki vah ghaayal ho kar mar jae. aur yoaab ne nagar ko achchhee reati se dekh bhalakar jis sthan men vah janata tha ki veer haai, usee men uriyyah ko tthara diya. tab nagar ke purushaen ne nikalakar yoaab se yuddh kiya, aur lagen men se, arthata daud ke sevakon men se kitane khet aae aur un men hittee uriyyah bhee mar gaya. tab yoaab ne bhejakar daud ko yuddh ka poora hal bataya aur doot ko agyaa dee, ki jab too yuddhka poora hal raja ko bata chuke, tab yaadi raja jalakar kahane lage, ki tum lag ladne ko nagar ke aeese nikatt kyon gaee? kya tum n janate the ki ve shaharapanah par se teer chhodenge? yarubbeshot ke putra abeemelek ko kisane mar dala? kya aek sree ne shaharapanah par se chakkee ka uparala patt us par aeesa n dala ki vah tebes men mar gaya? fir tum harapanah ke aeese nikatt kyon gaee? to too yon ka-

hana, ki tera das uriyyah hittee bhee mar gaya. tab doot chal diya, aur jakar daud se yoaab kee sab baten charnn keen. doot ne daud se kaha, ki ve log ham par prabal hokar maaidan men hamare pas nikal aa, fir ham ne unhen faattk tak khdeda. tab dhanud-hariyon ne shaharapanah par se tere janon par teer chhode aur raja ke kitane jan mar gaa, aur tera das uriyyah hittee bhee mar gaya. daud ne doot se kaha, yoaab se yon kahana, ki is bat ke karan udas n ho, kyonaki talavar jaaise isako vaaise usako nash karatee haai to too nagar ke viruddh aadhaik draddhta se ladkar use ulatt de. aur too use hiyav bandhaa. jab uriyyah kee sree ne suna ki mera paati mar gaya, tab vah apane paati ke liye rone peettee lagee. aur jab usake vilap ke din beet chuke, tab daud ne use bulavakar apane ghar men rakh liya, aur vah usakee patnee ho gai, aur usake putra utpann hua. parantu us kam se jo daud ne kiya tha yahova krodhait hua.

tab yahova ne daud ke pas natan ko bheja, aur vah usake pas jakar kahane laga, aek nagar men do manushy rahate the, jin men se aek dhaneer aur aek nirdhan tha. dhaneer ke pas to bahut see bhed-bakaariyan aur gay baail the parantu nirdhan ke pas bhed kee aek chhottee bachchee ko chhod aur kuchh bhee n tha, aur usako us ne mol lekar jilaya tha. aur vah usake yahan usake balabachchon ke sath hiee baddhee thee vah usake ttukade men se khatee, aur usake kattore men se peettee, aur usakee god me sotee thee, aur vah usakee bettee ke saman thee. aur dhaneer ke pas aek battohee aya, aur us ne us battohee ke liye, jo usake pas aya tha, bhojat banavane ko apanee bhed-bakaariyon va gay baailon men se kuchh n liya, parantu us nirdhan manushy kee bhed kee bachchee lekar us jan ke liye, jo usake pas aya tha, bhojan banavaya. tab daud ka kop us manushy par bahut bhdka aur us ne natan se kaha, yahova ke jeevan kee shapat, jis manushy ne aeesa kam kiya vah praan dand ke yogy haai aur usako vah bhed kee bachchee ka auguna bhr dena hoga, kyonki us ne aeesa kam kiya, aur kuchh daya naheen kee. tab natan ne daud se kaha, too hee vah manushy haai. israaael ka parameshvar yahova yon kahata haai, ki maain ne tera abhaishok karake tuijhe israaael ka raja ttharaya, aur maain te tuijhe shaaul ke hath se bachaya fir maain ne tere svamee ka bhvan tuijhe diya, aur tere svamee kee patnaiyan tere bhag ke liye deen aur maain ne israaael aur sahooda ka gharana tuijhe diya tha aur yaadi yah thoda tha, to maain tuijhe aur bhee bahut kuchh देनेvala tha. too ne yahova kee agyaa tuchchh janakar kyon vah kam kiya, jo usakee draashtti men bura haai? hittee uriyyah ko too ne talavar se ghaat kiya, aur usakee patnee ko apanee kar liya haai, aur uriyyah ko ammoniyon kee talavar se marava dala haai. isaaliye ab talavar tere ghar se kabhee door n hogee, kyonki too ne mujhe tuchchh janakar hittee uriyyah kee patnee ko apanee patnee kar liya haai. yahova yon kahata haai, ki sun, maain tere ghar men se vipaattai uttakar tuij par daloonga aur teree patnaiyon ko tere samhane lekar doosare ko doonga, aur vah din dupaharee men teree patnaiyon se kukarma karega. too ne to vah kam chh-

paikar kiya par maain yah kam sab israaaliyon ke samhane din dupaharee karaunga. tab daud ne natan se kaha, maain ne yahova ke viruddh pap kiya haai. natan ne daud se kaha, yahova ne tere pap ko door kiya haai. too n marega. taubhee too ne jo is kam ke dara yahova ke shatraun ko tiraskar karane ka bada avasar diya haai, is karan tera jo betta utpann hua haai vah avashy hee marega. tab natan apane ghar chala gaya. aur jo bachcha uriyyah kee patnee se daud ke dara utpann tha, vah yahova ka mara bahut rogee ho gaya. aur daud us ladke ke liye parameshvar se binatee karane laga aur upavas kiya, aur bheetar jakar rat bhr boomi par pada raha. tab usake gharane ke puraniye uttkar use boomi par se uttane ke liye usake pas gaee parantu us ne n chaha, aur unake sang rottee n khai. sataven din bachcha mar gaya, aur daud ke karmacharee usako bachche ke marane ka samachar dene se dre unhon ne to kaha tha, ki jab tak bachcha jeevit raha, tab tak us ne hamare bama-jhane par man n lagaya yaadi ham usako bachche ke mar jane ka hal sunaen to vah bahut hee aadhaik dukhee hoga. apane karmachariyon ko apas men fausafausate dekhkar daud ne jan liya ki bachcha mar gaya to daud ne apane karmachariyon se poochha, kya bachcha mar gaya? unhon ne kaha, ha, mar gaya haai. tab daud boomi par se utta, aur nahakar tel lagaya, aur vasr badala tab yahova ke bhvan men jakar dandvata kee fir apane bhvan men aya aur usakee agyaa par rottee usako parosee gai, aur us ne bhojan kiya. tab usake karmachariyon ne us se poochha, too ne yah kya kam kiya haai? jab tak bachcha jeevit raha, tab tak too upavas karata hua rota raha parantu jy-onhee bachcha mar gaya, tyonhee too uttkar bhojan karane laga. us ne uttar diya, ki jab tak bachcha jeevit raha tab tak to maain yah sochakar upavas karata aur rota raha, ki kya jane yahova maujh par aesa anugrah kare ki bachcha jeevit rahe. parantu ab vah mar gaya, fir maain upavas kyon karoon? kya maain use lautta la sakata hoon? maain to usake pas jaunga, parantu vah mere pas lautt n aeega. tab daud ne apanee patnee batashoba ko shaantai dee, aur vah usake pas gaya aur asake aek putra utpann hua, aur us ne usaka nam sulaaiman rakha. aur vah sahova ka piry hua. aur us ne natan bhvishyadvakta ke dara sandesh bhej diya aur us ne yahova ke karan usaka nam yadeedha rakha. aur yoab ne ammoniyon ke rabba nagar se laddar ranjanagar ko le liya. tab yoab ne dooton se daud ke pas yah kahala bheja, ki maain rabba se lada aur jalavale nagar ko le liya haai. so ab rahe huae logon ko ikattha karake nagar ke viruddh chhavanee dalakar use bhee le le aeese n ho ki maain use le loo, aur vah mere nam par kahalaee. tab daud sab logon ko ikattha karake rabba ko gaya, aur us se yuddh karake use le liya. tab us ne unake raja ka mukut, jo taul men kikkar bhr sone ka tha, aur us men maanai jade the, usako usake sir par se utara, aur vah daud ke sir par rakha gaya. fir us ne us nagar kee bahut hee loott pai. aur us ne usake rahanevalon ko nikalakar aro se do do ttukade karaya, aur lohe ke henge un par firavaa, aur lohe kee kulhaadiyon se unhen kattvaya, aur itt ke pajave men se chalavaya aur ammoniyon ke sab nagaron se bhee us ne aeese hee kiya. tab daud samast logon samet yarooshalem ko lautt aya.

isake bad tamar nam aek sundaree jo daud ke putra abashaalom kee baahin thee, us par daud ka putra ammon mohit hua. aur ammon apanee baahin tamar ke karan aeese vikal ho gaya ki beemar pad gaya kyonaki vah kumaree thee, aur usake sath kuchh karana ammon ko kattnai jan padta tha. ammon ke yonadab nam aek mitra tha, jo daud ke bhai shaima ka betta tha aur vah bada chatur tha. aur us ne ammon se kaha, he rajakumar, kya karan haai ki too prati din aeese dubala hota jata haai kya too mujhe n bataaega? ammon ne us se kaha, maain to apane bhai abashaalom kee baahin tamar par mohit hoon. yonadab ne us se kaha, apane palang par lettakar beemar ban ja aur jab tera pita tujhe dekhne ko aa, tab us se kahana, merree baahin tamar akar mujhe rottee khailaa, aur bhojan ko mere samhane banaa, ki maain usako dekhkar usake hath se khaun. aur ammon lettakar beemar bana aur jab raja use dekhne aya, tab ammon ne raja se kaha, merree baahin tamar akar mere dekhte do pooree banaa, ki maain usake hath se khaun. aur daud ne apane ghar tamar ke pas yah kahala bheja, ki apane bhai ammon ke ghar jakar usake liye bhojan bana. tab tamar apane bhai ammon ke ghar gai, aur vah pada hua tha. tab us ne atta lekar goondha, aur usake dekhte pooriyan. pakai. tab us ne thal lekar unako usake liye parosa, parantu us ne khane se inakar kiya. tab ammon ne kaha, mere pas se sab logon ko nikal do, tab sab log usake pas se nikal gaee. tab ammon ne tamar se kaha, bhojat ko kottree men le a, ki maain tere hath se khaun. to tamar apanee banai hui pooriyan ko uttakar apane bhai ammon ke pas kottree men le gai. jab vah unako usake khane ke liye nikatt le gai, tab us ne use pakadkar kaha, he merree baahin, a, mujh se mila. us ne kaha, he mere bhai, aeese nahee, mujhe bhrasht n kara kyonki israael men aeese kam hona naheen chahiye aeese mooddhta ka kam n kara. aur fir maain apanee namadharai liye huae kahan jaungee? aur too israaaliyon men aek mooddh gina jaaga. too raja se batacheet kar, vah mujh ko tujhe byah dene ke liye mana n karega. parantu us ne usakee n sunee aur us se balavan hone ke karan usake sath kukarma karake use bhrasht kiya. tab ammon us se atyant baair rakhne laga yahan tak ki yah baair usake pahile moh se baddhkar hua. tab ammon ne us se kaha, uttkar chalee ja. us ne kaha, aeese nahee, kyonki yah baddha upadav, arthata mujhe nikal dena us pahile se baddhkar haai jo too ne mujh se kiya haai. parantu us ne usakee n sunee. tab us ne apane tthaluae javan ko bulakar kaha, is sree ko mere pas se bahar nikal de, aur usake peechhe kivat men chittkanee laga de. vah to rangaabirangee kuta pahine thee kyonaki jo rajakumaariyan kunvaree rahatee theen ve aeese hee vasr pahinatee theen. so ammon ke tthaluae ne use bahar nikalakar usake peechhe kivat men chittkanee laga dee. tab tamar ne apane sir par rakh dalee, aur apanee rangaabirangee kuta ko faaddh dala aur sir par hath rakhe chillatee hui chalee gai. usake bhai abashaalom ne us se poochha, kya tera bhai ammon tere sath raha haai? parantu ab, he merree baahin, chup rah, vah to tera bhai haai is bat kee chinta n kara. tab tamar apane bhai abashaalom ke ghar men

man mare baaittee rahee. jab ye sab baten daud raja ke kan men padee, tab vah bahut jhunjhla utta. aur abashaalom ne ammon se bhla-bura kuchh n kaha, kyonaki ammon ne usakee bahin tamar ko bhrasht kiya tha, is karan abashaalom us se gharana rakhta tha. do parsha ke bad abashaalom ne aepraaim ke nikatt ke balhasor men apanee bhedonka un kataravaya aur abashaalom ne sab rajakumaron ko nevata diya. vah raja ke pas jakar kahanalaga, binatee yah haai, ki tere das kee bhedon ka un katarata jata haai, isaliye raja apane karmachariyo samet apane das ke sang chale. raja ne abashaalom se kaha, he mere bette, aesa naheen ham sab n chalenge, aesa n ho ki tuihe aadhaik kasht ho. tab abashaalom ne use binatee karake dabaya, parantu us ne jane se inakar kiya, taubhee use ashaeervad diya. tab abashaalom ne kaha, yadi too naheen to mere bhai ammon ko hamare sang jane de. raja ne us se poochha, vah tere sang kyon chale? parantu abashaalom ne use aesa dabaya ki us ne ammon aur sab rajakumaron ko usake sath jane diya. au abashaalom ne apane sevako ko agyaa dee, ki savadhaan raho aur jab ammon dakhmadha peekar nasho men a jaa, aur maain tum se kahoo, ammon ko mar dalana. kya is agyaa ka denevala maain naheen hoon? hiyav bandhakar purushaarth karana. to abashaalom ke sevakon ne ammon ke sath abashaalom ke agyaa ke anusar kiya. tab sab rajakumar utt khde hua, aur apane apane khchchar par chaddhkar bhag gae. ve marga hee men the, ki daud ko yah samachar mila ki abashaalom ne sab rajakumaron ko mar dala, aur un men se aek bhee naheen bacha. tab daud ne uttkar apane vasr faade, aur boomi par gir pada, aur usake sab karmacharee vasr faade huae usake pas khde rahe. tab daud ke bhai shaima ke putra yanadab ne kaha, mera prabhu yah n samajhe ki sab javan, arthata rajakumar mar dale gae haai, keval ammon mara gaya haai kyonki jis din us ne abashaalom kee bahin tamar ko bhrasht kiya, usee din se abashaalom kee agyaa se aeesee hee bat tnee thee. isaliye ab mera prabhu raja apane man men yah samajhkar ki sab rajakumar mar gae udas n ho kyonaki keval ammon hee mar gaya haai. itane men abashaalom bhag gaya. aur jo javan pahara deta th us ne ankhen uttkar dekha, ki peechhe kee or se pahad ke pas ke marga se bahut log chale a rahe haain. tab yonadab ne raja se kaha, dek, rajakumar to a gae haain jaaisa tere das ne kaha tha vaaisa hee hua. vah kah hee chuka tha, ki rajakumar pahunch gaa, aur chilla chillakar rone lage aur raja bhee apane sab karmachariyon samet bilakh bilakh kar rone laga. abashaalom to bhagakar gashoor ke raja ammeehoor ke putra talmaai ke pas gaya. aur daud apane putra ke liye din din vilap karata raha. jab abashaalom bhagakar gashoor ko gaya, tab pahaneen teen parsha tak raha. aur daud ke man men abashaalom ke pas jane kee badee lalasa rahee kyonki ammon jo mar gaya tha, is karan us ne usake vishay men shaantai pai.

aur sarooyah ka putra yoab tad gaya ki raja ka man abashaalom kee or laga haai. isaliye yoab ne tako nargar men doot bhejkar vahan se aek buddhiman sree

ko bulavaya, aur us se kaha, shaek karanevalee ban, arthata shaek ka pahirava pahin, aur tel n laga parantu aeesee sree ban jo bahut din se muae ke liye vilap karatee rahee ho. tab raja ke pas jakar aeesee aeesee baten kahana. aur yoab ne usako jo kuchh kahana tha vah sikha diya. jab vah takoin raja se baten karane lagee, tab munh ke bal boomi par gir dandvata karake kahane lagee, raja kee dohai raja ne us se poochha, tuihe kya chahiye? us ne kaha, sachamuch mera paati mar gaya, aur maain vidhava ho gai. aur teree dasee ke do bette the, aur un donon ne maaidan men mar peett kee aur unako chhudanevala koi n tha, isaalie aek ne doosare ko aesa mara ki vah mar gaya. aur yah sun sab kul ke log teree dasee ke viruddh uttkar yah kahate haai, ki jis ne apane bhai ko ghaat kiya usako hamen saunp de, ki usake mare huae bhai ke praan ke palatte men usako praan dand de aur varis ko bhee nash karen. is tarah ve mere angare ko jo bach gaya haai bujhaenge, aur mere pati ka tam aur santan dharatee par se mita dalenge. raja ne sree se kaha, apate ghar ja, aur maain tere vishay agyaa doonga. takoin ne raja se kaha, he mere prabhu, he raja, dosh mujhee ko aur mere pita ke gharane hee ko lage aur raja apanee gae samet nidash tthare. raja ne kaha, jo koi tuij se kuchh bole usako mere pas la, tab vah fir tuihe choone n paega. us ne kaha, raja apane parameshvar yahova ko smaran kare, ki koon ka palatta lenevala auair nash karane n paa, aur mere bette ka nash n hone pae. us ne kaha, yahova ke jeevan kee shapat, tere bette ka ek bal bhee boomi par girane n paega. sree bole, teree dasee apane prabhu raja se aek bat kahane paae. us ne kaha, kahe ja. sree kahane lagee, fir too ne parameshvar kee praja kee haani ke liye aeesee hee yuktai kyon kee haai? raja ne jo yah vachan kaha haai, is se vah doshae sa ttharata haai, kyonaki raja apane nikale huae ko lautna naheen lata. ham ko to marana hee haai, aur boomi par gire huae jal ke saman ttharenge, jo fir uttaya naheen jata taubhee parameshvar praan naheen leta, varan aeesee yukt karata haai ki nikala hua usake pas se nikala hua n rahe. aur ab maain jo apane prabhu raja se yah bat kahane ko ai hoo, isaka karan yah haai, ki logon ne mujhe dra diya tha isaliye teree dasee ne socha, ki maain raja se boloongee, kadaachit raja apanee dasee kee binatee ko pooree kare. nisandeh raja sunakar avashy apanee dasee ko us manushy ke hath se bachaagee jo pajhe aur mere bette donon ko parameshvar ke bhag men se nash karana chahata haai. so teree dasee ne socha, ki mere prabhu raja ke vachan se shaantai mile kyonaki mera prabhu raja parameshvar ke kisee doot kee nai bhle-bure men bhed kar sakata haai isaliye tere parameshvar yahova tere sang rahe. raja ne uttar dekar us sree se kaha, jo bat maain tuij se poochhta hoon use mujh se n chhpaia. sree ne kaha, mera prabhu raja kahe jae. raja ne poochha, is bat men kya yoab tere sangee haai? sree ne uttar dekar kaha, he mere prabhu, he raja, tere praan kee shapat, jo kuchh mere prabhu raja ne kaha haai, us se koi n dahinee or mud sakata haai aur n bai. tere das yoab hee ne mujhe agyaa dee, aur ye sab baten usee ne teree dasee ko sikhai haai. tere das yoab ne yah kam isaliye kiya ki bat ka rang badale. aur mera prabhu parameshvar ke aek doot ke tuly

buaddhiman haai, yahan tak ki dharatee par jo kuchh hota haai un sab ko vah janata haai. tab raja ne yoab se kaha, sun, maain ne yah bat manee haai too jakar abashaalom javan ko lautta la. tab yoab ne boomi par munh ke bal gir dandvata kar raja ko ashaervad diya aur yoab kahane laga, he mere prabhu, he raja, aj tera das jan gaya ki mujh par teree anagrah kee draashtti haai, kyonaki raja ne apane das kee binatee sunee haai. aur yoab uttkar gashoor ko gaya, aur abashaalom ko yarooshalem le aya. tab raja ne kaha, vah apane ghar jakar rahe aur mera darshan n paee. tab abashaalom apane ghar ja raha, aur raja ka darshan n paya. samast israael men sundarata ke karan bahut prashansa yogy abashaalom ke tuly aur koi n tha varan us men naki se sikh tak kuchh dosh n tha. aur vah varsha ke ant men apana sir munddhvata tha usake bal usako bharee jan padte the, is karan vah use mundata tha aur jab vah use mundata tab tab apane sir ke bal taulakar raja ke taul ke anusar do sau shokel bhr pata tha. aur abashaalom ke teen bette, aur tamar nam aek bettee utpann hui thee aur yah roopavatee sree thee. aur abashaalom raja ka darshan bina paee yarooshalem men do varsha raha. tab abashaalom ne yoab ko bulava bheja ki use raja ke pas bheje parantu yoab ne usake pas ane se inakar kiya. aur us ne use doosaree bar bulava bheja, parantu tab bhee us ne ane se inakar kiya. tab us ne apane sevakon se kaha, suno, yoab ka aek khet merree boomi ke nikatt haai, aur us men usaka jav khda haai tum jakar us men ag lagao. aur abashaalom ke sevakon ne us khet men ag laga dee. tab yoab utta, aur abashaalom ke ghar men usake pas jakar us se poochhne laga, tere sevakon ne merree khet men kyon ag lagai haai? abashaalom ne yoab se kaha, maain ne to tere pas yah kahala bheja tha, ki yahan ana ki maain tuihe raja ke pas yah kahane ko bhejoo, ki maain gashoor se kyon aya? maain ab tak vahan rahata to achchha hota. isaliye ab raja mujhe darshan de aur yadi maain doshaee hoo, to vah mujhe mar dale. to yoab ne raja ke pas jakar usako yah bat sunai aur raja ne abashaalom ko bulavaya. aur vah usake pas gaya, aur usake sammukh boomi par munh ke bal girake dandvata kee aur raja ne abashaalom ko chooma.

isake bad abashaalom ne rath aur ghaede, aur apate age age daudnevale pachas manushy rakh liae. aur abashaalom savere uttkar faattk le marga ke pas khda haa karata tha aur jab jab koi mui raja ke pas nyay ke liye ata, tab tab abashaalom usako pukarake poochhata tha, too kiy nagar se ata haai? aur vah kahata tha, ki tera das israael ke faulane gotra ka haai. tab abashaalom us se kahata tha, ki sun, tera paksha to tteek aur nyay ka haai parantu raja kee or se teree yunanevala koi naheen haai. fir abashaalom yah bhee kaha karata tha, ki bhla hota ki maain is desh men nyayee ttharaya jata ! ki jitane mukamavale hote ve sab merree hee pas ate, aur maain unaka nyay chukata. fir jab koi use dandvata karane ko nikatt ata, tab vah hath baddhakar usako pakadke choom leta tha. aur jitane israaelee raja ke pas apana mukama taai karane ko ate un sabhon se abashaalom aeesa hee

vyavahar kiya karata tha is prakar abashaalom ne israaelee manushyon ke man ko hari liya. char varsha ke beetane par abashaalom ne raja se kaha, mujhe hebraen jakar apanee us mannat ko pooree karane de, jo maain ne yahova kee manee haai. tera das to jab aram ke gashoor men rahata tha, tab yah kahakar yahova kee mannat manee, ki yadi yahova mujhe sachamuch yarooshalem ko lautta le jaa, to maain yahova kee upasana karoonga. raja ne us se kaha, kushal kshom se ja. aur vah chalakar hebraen ko gaya. tab abashaalom ne israael ke samast gotron men yah kahane ke liye bheadiae bheje, ki jag naraasinge ka shabd tum ko sun pade, tab kahana, ki abashaalom hebraen men raja hua ! aur abashaalom ke sang do sau nevataharee yarooshalem se gaee ve seedho man se usaka bhed bina jane gaee. fir jab abashaalom ka yagya hua, tab us ne geelovasee aheetopol ko, jo daud ka mantraee tha, bulava bheja ki vah apane nagar geelo se aae. aur rajadraeh kee goshttee ne bal pakada, kyonki abashaalom ke paksha ke log barabar baddhte gaee. tab kisee ne daud ke pas jakar yah samachar diya, ki israaelee manushyon ke man abashaalom kee or ho gaee haain. tab daud ne apane sab karmachariyon se jo yarooshalem men usake sang the kaha, ao, ham bhag chalen naheen to ham men se korha bhee abashaalom se n bachega isaliye fauta karate chale chalo, aeesa n ho ki vah fauta karake hamen a ghore, aur hamaree haani kare, aur is nagar ko talavar se mar le. raja ke karmachariyon ne us se kaha, jaaisa hamare prabhu raja ko achchha jan pade, vaaisa hee karane ke liye tere das taaiyar haain. tab raja nikal gaya, aur usake peechhe usaka samast gharana nikala. aur raja das rakheliyon ko bhvan kee chaukasee karane ke liye chhod gaya. aur raja nikal gaya, aur usake peechhe sab log nikale aur ve betamerhak men tthar gaee. aur usake sab karmacharee usake pas se hokar age gaee aur sab karatee, aur sab palettee, aur sab gatee, arthata jo chh sau purush gat se usake peechhe ho liae the ve sab raja ke samhane se hokar age chale. tab raja ne gatee ittaai se poochha, hamare sang too kyon chalata haai? lauttakar raja ke pas raha kyonki too paradshaee aur apane desh se door haai, isaliye apane sthan ko lautt ja. too to kal hee aya haai, kya maain aj tuihe apane sath mara mara firaun? maain to jahan ja samoonga vahan jaunga. too lautt ja, aur apane bhaiyon ko bhee lautta de ishchar kee karuna aur yachchai tere sang rahe. ittaai ne raja ko uttar dekar kaha, yahova ke jeevan kee shapat, aur merree prabhu raja ke jeevan kee shapat, jis kisee sthan men mera prabhu raja rahega, chahe marane ke liye ho chahe jeevit rahane ke liye, usee sthan men tera das bhee rahega. tab daud ne ittaai se kaha, par chala. so gatee ittaai apane samast janon aur apane sath ke sab bala-bachchon samet par ho gaya. sab rahanevale chillakar roae aur sab log par hua, aur raja bhee kidraen nam nale ke par hua, aur sab log nale ke par jangal ke marga kee or par hokar chal pade. tab kya dekhne men aya, ki sadok bhee aur usake sang sab leveey parameshvar kee vacha ka sandook uttaae huae haain aur unhon ne parameshvar ke sandook ko dhar diya, tab abyatar chaddha, aur jab tak sab log nagar se n nikale tak vahen raha. tab raja ne sadok se kaha, parameshvar

ke sandook ko nagar men lautta le ja. yaadi yahova ke anugrah kee drashtti mujh par ho, to vah mujhe laut-takar usako aur apane vasasthan ko bhee dikhaaega parantu yadi vah mujh se aesa kaha, ki maain tujh se prasann nahee, taubhee maain hajir hoo, jaaisa usako bhaae vaaisa hee vah mere sath batrtav kare. fir raja ne sadok yajak se kaha, kya too dashta naheen haai? so kushal kshom se nagar men lautt ja, aur tera pu-tra aheemas, aur aebyatar ka putra yonatan, donon tumhare sang lauttan. suno, maain jangal ke ghaatt ke pas tak tak thara rahoonga, jab tak tum logon se mujhe hal ka samachar n mile. tab sadok aur aeby-atar ne parameshvar ke sandook ko yarooshalem men lautta diya aur ap vahee rahe. tab daud jalapaisan ke pahad kee chaddhai par sir ddhanpe, nange panv, rota hua chaddhne laga aur jitane log usake sang the, ve bhee sir ddhanpe rote huae chaddh gae. tab daud ko yah samachar mila, ki abashaalom ke sangee ra-jadraehiyon ke sath aheetopel haai. daud ne kaha, he yahova, aheetopel kee sammati ko moorkhta bana de. jab daud chottee tak pahuncha, jahan paramesh-var ko dandvata kiya karate the, tab aerekee hooshau angarakha faade, sir par mittee dale huae us se mi-lane ko aya. daud ne us se kaha, yaadi too mere sang age jaa, tab to mere liye bhar tharega. parantu yadi too nagar ko lautkar abashaalom se kahane lage, he raja, maain tere karmacharee hoonga jaaisa maain bahut din tere pita ka karmacharee raha, vaaisa hee ab tere rahoonga, to too mere hit ke liye aheetopel kee sammati ko nishfal kar sakega. aur kya vahan tere sang sadok aur aebyatar yajak n rahenge? isaaliye rajabhvan men se jo hal tujhe sun pade, use sadok aur aebyatar yajakon ko bataya karana. unake sath to unake do putra, arthata sadok ka putra aheemas, aur ebyatar ka putra yonatan, vahan rahenge to jo samachar tum logon ko mile use mere pas unheen ke hath bheja karana. aur daud ka mitra, hooshau, na-gar ko gaya, aur abashaalom bhee yarooshalem men pahunch gaya.

daud chottee par se thodee door baddh gaya tha, ki mapeeboshot ka karmacharee meeba aek jodee, jeen bandho huae gadahon par do sau rottee, kishaamish kee aek sau ttiikaya, dhoopakal ke fal kee aek sau tti-ikaya, aur kuppee bhr dakhmadha, lade huae us se a mila. raja ne seeba se poochha, in se tera kya pray-ojan haai? seeba ne kaha, gadahe to raja ke gharane kee savaree ke liye haai, aur rottee aur dhoopakal ke fal javanon ke khane ke liye haai, aur dakhmadha isaliye haai ki jo koi jangal men thk jaae vah use peae. raja ne poochha, fir tere svamee ka betta kahan haai? seeba ne raja se kaha, vah to yah kahakar yarooshalem men rah gaya, ki ab israael ka gharana mujhe mere pita ka rajy faer dega. raja ne seeba se kaha, jo kuchh mapeeboshot ka tha vah sab tujhe mil gaya. seeba ne kaha, pranama he mere prabhu, he raja, mujh par tere anugrah kee draashtti banee rahe. jab daud raja ba-hooreem tak pahuncha, tab shaalul ka aek kuttumbee vahan se nikala, vah gera ka putra shaimnee nam ka tha aur vah kosata hua chala aya. aur daud par, aur daud raja ke sab karmachaariyon par patthr faenkane

laga aur shooraveeron samet sab log usakee daahinee bai donon or the. aur shaimnee kosata hua yon bakata gaya, ki door ho koonee, door ho ochhe, nikal ja, nikal ja ! yahova ne tujh se shaaul ke gharane ke koon ka poora palatta liya haai, jisake sthan par too raja bana haai yahova ne rajy ko tere putra abashaalom ke hath kar diya haai. aur isaaliye ki too koonee haai, too apa-nee burai men ap fans gaya. tab sarooyah ke putra abeeschau ne raja se kaha, yah mara hua kutta mere prabhu raja ko kyon shaap dene paae? mujhe udhar jakar usaka sir kattne de. raja ne kaha, sarooyah ke betto, mujhe tum se kya kama? vah jo kosata haai, aur yahova ne jo us se kaha haai, ki daud ko shaap de, to us se kaun poochh sakata, ki too ne aesa kyon kiya? fir daud ne abeeschau aur apane sab karmachaariyon se kaha, jab mera nij putra bhee mere praan ka kho-jee haai, to yah binyameenee ab aesa kyon n karen? usako rahane do, aur shaap dene do kyonaki yahova ne us se kaha haai. kadachita yahova is upadrav par, jo mujh par ho raha haai, drashtti karake aj ke shaap kee santtee mujhe bhla badala de. tab daud apane janon samet apana marga chala gaya, aur shaimnee us-akee samhane ke pahad kee alang par se shaap deta, aur us par patthr aur dhooli faenkata hua chala gaya. nidan raja apane sang ke sab logon samet apane tka-iane par thka hua pahuncha aur vahan vishraam kiya. abashaalom sab israaaelee logon samet yarooshalem ko aya, aur usake sang aheetopel bhee aya. jab daud ka mitra aerekee hooshau abashaalom ke pas pahun-cha, tab hooshau ne abashaalom se kaha, raja chiran-jeev rahe ! raja chiranjeev rahe ! abashaalom ne us se kaha, kya yah teree praeeti haai jo too apane mi-tra se rakhta haai? too apane mitra ke sang kyon na-heen gaya? hooshau ne abashaalom se kaha, aesa nahee jisako yahova aur ve log, kya varan sab is-raaaelee log chahe, usee ka maain hoo, aur usee ke sang maain rahoonga. aur fir maain isakee seva ka-roon? kya usake putra kee samhane rahakar seva n ka-roon? jaaisa maain tere pita ke samhane rahakar seva karata tha, vaaisa hee tere samhane rahakar seva ka-roonga. tab abashaalom ne aheetopel se kaha, tum log apanee sammaati do, ki kya karana chaahiye? aheetopel ne abashaalom se kaha, jin rakhealiyon ko tera pita bhvan kee chaukasee karane ko chhod gaya, un-ake pas too ja aur jab sab israaaelee yah sunenge, ki abashaalom ka pita us se ghain karata haai, tab tere sab sangee hiyav bandhonge. so usakealiye bhvan kee chht ke upar aek tamboo khda kiya gaya, aur abashaalom samaroot israael ke dekhthe apane pita kee rakhealiyon ke pas gaya. un dinon jo sammaati aheetopel deta tha, vah aeesee hotee thee ki mano koi parameshvar ka vachan poochhleta ho aheetopel chahe daud ko chahe abashalom ko, jo jo sammati deta vah aeesee hee hotee thee.

fir aheetopel ne abashaalom se kaha, mujhe barah ha-jar purush chhantne de, aur maain utkar aj hee rat ko daud ka peechha kaaroonga. aur jab vah thakit aur nirbal hoga, tab maain use pakadoonga, aur draunga aur jitane log usake sath haain sab bhagenge. aur maain raja hee ko maroonga, aur maain sab logon

ko tere pas lautta launga jis manushy ka too kho-jee haai usake milane me samast praja ka milana ho jaagea, aur samast praja kushal kshom se rahegee. yah bat abashaalom aur sab israaalee puraniyon ko uchit maloom padee. fir abashaalom ne kaha, aere-kee hooshau ko bhee bula la, aur jo vah kahega ham use bhee sunen. jab hooshau abashaalom se pas aya, tab abashaalom ne us se kaha, aheetopel ne to is prakar kee bat kahee haai kya ham usakee bat man-nen ki nahee? saadi nahee, to too kah de. hooshau ne abashaalom se kaha, jo sammati aheetopel ne is bar dee vah achchhee naheen. fir hooshau ne kaha, too to apane pita aur usake janon ko janata haai ki ve shooraaveer haai, aur bachcha chheenee hui reechh-nee ke saman odhait honge. aur tera pita yoddha haai aur aur logo ke sath rat naheen bitata. is samay to vah kisee gaddhhe, va kisee doosare sthan men chhpaai hoga. jab in men se paahile paahile koi koi mare jaae, tab isake sab sunanevale kahane lagenge, ki abashaalom ke pakshavale har gae. tab veer ka day, jo sinh ka sa hota haai, usaka bhee hiyav choott jaagea, samast israaalee to janata haai ki tera pita veer haai, aur usake sangee bade yoddha haain. isaliye meree sammati yah haai ki dan se lekar beshorba tak ra-hanevale samast israaalee tere pas samudrateer kee baloo ke kinakon ke saman akatthe kiae jaa, aur too ap hee yuddh ko jaae. aur jab ham usako kisee n kisee sthan men jahan vah mile ja pakadenge, tab jaaise os boomi par giratee haai vaaise hee ham us par toot padenge tab n to vah bachega, aur n usake sangiyon men se koi bachega. aur yaadi vah kisee nagar men ghausa ho, to sab israaalee us nagar ke pas raassaiyan le aeenge, aur ham use nale men kheenchange, ya-han tak ki usaka aek chhotta sa patthr bhee n rah jaagea. tab abashaalom aur sab israaalee purushaen ne kaha, aerekee hooshau kee bammaati aheetopel kee sammati se umtam haai. sahova ne to aheetopel kee achchhee sammati ko nishfal karane ke liye ttana tha, ki yah abashaalom hee par vipaattai dale. tab hooshau ne sadok aur aebiyatar yajakon se kaha, aheetopel ne to abashaalom aur israaalee puraniyon ko is is prakar kee sammati dee aur maain ne is is prakar kee sammati dee haai. isaliye ab fauta kar daud ke pas kahala bhejo, ki aj rat jangalee ghaatt ke pas n ttharana, avashy par hee ho jana aeese n ho ki raja aur jitane log usake sang ho, sab nash ho jaaen. yonatan aur aheemay aenarogel ke pas tthare rahe aur aek laundee jakar unhen sandesha de atee thee, aur ve jakar raja daud ko sandesha dete the ky-onki ve kisee ke dekhete nagar men nahee ja sakate the. aek chhokare ne to unhen dekhkar abashaalom ko bataya parantu ve donon fauta se chale gaa, aur aek bahareemavasee manushy ke ghar pahunchakar jisake angan men kuna tha us men utar gae. tab us-akee sree ne kapada lekar kunae ke munh par bich-haya, aur usake upar dalar hua ann faaila diya isaliye kuchh maloom n pada. tab abashaalom ke sevak us ghar men us sree ke pas jakar kahane lage, aheemas aur yonatan kahan haain? sree ne un se kaha, ve to us chhottee nadee ke par gae. tab unhon ne unhen ddoondhda, aur n pakar yarooshalem ko lautte. jab ve chale gaa, tab ye kunae men se nikale, aur jakar daud raja ko samachar diya aur daud se kaha, tum

log chalo, fauta karake nadee ke par ho jao kyonaki aheetopel ne tumharee hani kee aeesee aeesee sam-mati deer haai. tab daud apane sab sangiyan samet uttkar yaradan par ho gaya aur pah fattne tak un men se aek bhee n rah gaya jo yaradan ke par n ho gaya ho. jab aheetopel ne dekha ki meree sammaati ke anusar kam naheen hua, tab us ne apane gadahe par kattee kasee, aur apane nagar men jakar apane ghar men gaya. aur apane gharane ke vishay jo jo agyaa denee thee vah dekar apane ko faanseer laga lee aur vah mar gaya, aur usake pita ke kaabirstan men use mittee de dee gai. daud to mahanaaim men pahuncha. aur abashaalom sab israaalee purushaen samet yaradan ke par gaya. aur abashaalom ne amasa ko yoab ke sthan par pradhaan senapaati ttharaya. yah amasa aek purush ka putra tha jisaka nam is-raaalee yitrae tha, aur vah yoab kee mata, sarooiyah kee bahin, abeegal nam nahash kee bettee ke sang soya tha. aur israaaliyon ne aur abashaalom ne gi-lad desh men chhavanee dalee. jab daud mahanaaim men aya, tab ammoniyon ke rabba ke nivasee na-hash ka putra shaabee, aur lodabaravasee ammeeal ka putra makeer, aur rogaleemavasee giladee barjil-laii, charapaiya, tasale mittee ke bartan, gehoo, jav, maaida, lobiya, masoor, chabena, madha, makkhn, bhedbakariya, aur gay ke dahee ka paneer, daud aur usake sangiyan ke khane ko yah sochakar le aa, ki jangal men ve log bookhe pyase aur thke mande honge.

18

tab daud ne apane sang ke logon kee ginatee lee, aur un par sahasrpaati aur shatapati ttharaae. fir daud ne logon kee aek tihai to yoab ke, aur aek tihai sa-rooyah ke putra yoab ke bhai abeeschau ke, aur aek ti-hai gatee itteei ke, aadhaikar men karake yuddh men bhej diya. aur raja ne logon se kaha, maain bhee avashy tumhare sath chaloonga. logoen ne kaha, too jane n paagea. kyonaki chahe ham bhag jaae, taubhee ve hamaree chinta n karenge itte karite ham men se adho mare bhee jaae, taubhee ve hamaree chinta n karenge. kyonki hamaree sareekhe das hajar pur-rush haain isaliye achchha yah haai ki too nagar men se hamaree sahayata karane ko taaiyar rahe. raja ne un se kaha, jo kuchh tumhen bhaae vahee maain ka-roonga. aur raja faattk kee aek or khda raha, aur sab log sau sau, aur hazaar, hazaar karake nikalane lage. aur raja ne yoab, abeeschau, aur itte ko agyaa dee, ki mere nimiit us javan, arthata abashaalom se koma-lata karana. yah agyaa raja ne abashaalom ke vishay sab pradhaanon ko sab logon ke sunate dee. so log israaalee ka samhala karane ko maaidan men nikale aur aepraaim nam van men yuddh hua. vahan is-raaalee log daud ke janon se har gaa, aur us din aeese bada sanhar hua ki bees hajar khet aae. aur yuddh us samast desh men faail gaya aur us din jitane log talavar se mare gaa, un se bhee adhaik van ke karan mar gae. sanyog se abashaalom aur daud ke janon kee bhentt ho gai. abashaalom to aek khchhar par chaddha hua ja raha tha, ki khchhar aek bade banj vraksha kee ghanee daaliyon ke neeche se gaya, aur usaka sir us banj vraksha men atk gaya, aur vah adhar

men lattka rah gaya, aur usaka khkhchar nikal gaya. isako dekhkar kisee manushy ne yoab ko bataya, ki maain ne abashaalom ko banj vraksha men ttnga hua dekha. yoab ne batanevale se kaha, too ne yah dekha ! fir kyon use vaheen marake boomi par n gira diya? to maain tuijhe das tukade chandee aur aek kattbaind deta. us manushy ne yoab se kaha, chahe mere hath men hajar ttukade chandee taulakar diae jaaee, taub-hee rajakumar ke viruddh hath n baddhaunga kyon-aki ham logon ke sunate raja ne tuijhe aur abeeschau aur ittaai ko yah agyaa dee, ki tum men se koi kyon n ho us javan arthata abashaalom ko n chooe. yaadi maain dhakha dekar usaka praan leta, to too ap mera virodhae ho jata, kyonaki raja se koi bat chhpaiee naheen rahatee. yoab ne kaha, maain tere sang yon-hee thara naheen rah sakata ! so us ne teen lakadee hath men lekar abashaalom ke day me, jo banj vraksha men jeevaati lattka tha, chhed dala. tab yoab ke das hathaiyar ddhonevale javanon ne abashaalom ko ghorake aeesa mara ki vah mar gaya. fir yoab ne narasinga foonka, aur log inraaael ka peechha karane se lautte kyonki yoab praja ko bachana chahata tha. tab logon ne abashaalom ko utarake us van ke aek bade gadhe men dal diya, aur us par patthron ka aek bahut bada ddher laga diya aur sab israaalee apate apane dere ko bhag gaee. apane jeete jee abashaalom ne yah sochakar ki mere nam ka smaran karanevala koi putra mere naheen haai, apane liye vah latt khdee karai thee jo raja ke tarai men haai aur latt ka apana hee nam rakha, jo aj ke din tak abashaalom kee latt kahalatee haai. aur sadok ke putra aheemas ne kaha, mujhe daudkar raja ko yah samachar dene de, ki yahova ne nyay karake tuijhe tere shatrauon ke hath se bachaya haai. yoab ne us se kaha, too aj ke din samachar n de doosare din samachar dene paaga, parantu aj samachar n de, isaaliye ki rajakumar mar gaya haai. tab yoab ne aek kooshaee se kaha jo kuchh too ne dekha haai vah jakar raja ko bata de. to vah kooshaee yoab ko dandvata karake daud gaya. fir sadok ke putra aheemas ne doosaree bar yoab se kaha, jo ho so ho, parantu mujhe bhee kooshaee ke peechhe daud jane de. yoab ne kaha, he mere bette, tere samachar ka kuchh badala n milega, fir too kyon daud jana chahata haai? us ne yah kaha, jo ho so ho, parantu mujhe daud jane de. usane us se kaha, daud. tab aheemas dauda, aur tarai se hokar kooshaee ke age baddh gaya. daud to do faattkon ke beech baaita tha, ki paharua jo faattk kee chht se hokar shaharapanah par chaddh gaya tha, us ne ankenh uttakar kya dekha, ki aek manushy akela dauda ata haai. jab paharuae ne pukarake raja ko yah bata diya, tab raja ne kaha, yaadi akela ata ho, to sandesha lata hoga. vah daudte daudte nikal aya. fir paharuae ne aek aur manushy ko daudte huae dekh faattk ke rakhvale ko pukarake kaha, sun, aek aur manushy akela dauda ata haai. raja ne kaha, vah bhee sandesha lata hoga. paharuae ne kaha, pujihe to aeesa dekh padta haai ki pahale ka daudna sadok ke putra aheemas ka sa haai. raja ne kaha, vah to bhla manushy haai, to bhla sandesh lata hoga. tab aheemas ne pukarake raja se kaha, kalyan. fir us ne boomi par munh ke bal gir raja ko dandvata karake kaha, tera parameshvar yahova dhany haai, jis ne mere prabhu raja ke viruddh

hath uttanevale manushyon ko tere vash men kar diya haai ! raja ne poochha, kya us javan abashaalom ka kalyan haai? aheemas ne kaha, jab yoab ne raja ke karmacharee ko aur tere das ko bhej diya, tab mujhe badee bheed dekh padee, parantu maloom n hua ki kya hua tha. raja ne kaha hattkar yaheen khda raha. aur vah hattkar khda raha. tab kooshaee bhee a gaya aur kooshaee kahane laga, mere prabhu raja ke liye samachar haai. yahova ne aj nyay karake tuijhe un sabhon ke hath se bachaya haai jo tere viruddh utte the. raja ne kooshaee se poochha, kya vah javan arthata abashaalom kalyan se haai? kooshaee ne kaha, mere prabhu raja ke shatra, aur jitane teree haani ke liye utte haai, unakee dasha us javan kee see ho. tab raja bahut ghabaraya, aur faattk ke upar kee attaree par rota hua chaddhne laga aur chalate chalate yon kahata gaya, ki hay mere bette abashaalom ! mere bette, hay ! mere bette abashaalom ! bhla hota ki maain ap teree santee marata, hay ! abashaalom ! mere bette, mere bette !!

19

tab yoab ko yah samachar mila, ki raja abashaalom ke liye ro raha haai aur vilap kar raha haai. isaliye us din ka vijay sab logon kee samajh men vilap hee ka karan ban gaya kyonaki logon ne us din suna, ki raja apane bette ke liye kheadit haai. aur us din log aeesa munh churakar nager men ghause, jaaia log yuddh se bhag ane se lajjait hokar munh churate haain. aur raja munh ddhanpe huae chilla chillakar pukarata raha, ki hay mere bette abashaalom ! hay abashaalom, mere bette, mere bette ! tab yoab ghar men raja ke pas jakar kahane laga, tere karmachariyon ne aj ke din tera, aur tere bette-beattyaien ka aur teree patnaiyon aur rakheliyon ka praan to bachaya haai, parantu too te aj ke din un sabhon ka munh kala kiya haai isaliye ki too apane baaiariyon se praem aur apane praeamiyon se baair rakhta haai. too ne aj yah pragatt kiya ki tuijhe haakimon aur karmachariyon kee kuchh chinta naheen varan maain ne aj jan liya, ki yadi ham sab aj mare jate aur abashaalom jeevit rahata, to too bahut prasann hota. isaliye ab uttkar bahar ja, aur apane karmachariyon ko shaantai de taheen to maain yahova kee shapat khakar kahata hoo, ki yadi too bahar n jaaega, to aj rat ko aek manushy bhee tere sang n rahega aur tere bachapan se lekar ab tak jitane vipaattaiyan tuij par padee haain un sab se yah vipaattai badee hogee. tab raja uttkar faattk men ja baaita. aur jab sab logon ko yah bataya gaya, ki raja faattk men baaita haai tab sab log raja ke samhane aae. aur israaalee apane apane dere ko bhag gaee the. aur israaael ke sab gotron men sab log apas men yah kahakar ddhgadte the, ki raja ne hamen hamare shatrauon ke hath se bachaya tha, aur paalishtaiyon ke hath se usee ne hamen chhudaya parantu ab vah abashaalom ke dr ke mare desh chhodkar bhag gaya. aur abashaalom jisako ham ne apana raja hone ko abhaishok kiya tha, vah yuddh men mar gaya haai. to ab tum kyon chup rahate? aur aja ko lautta le apane kee charcha kyon naheen karate? tab raja daud ne sadok aur aebyatar yajakon ke pas kahala bheja, ki yahoodee puraniyon se kaho, ki tum log raja ko bhvan

pahunchane ke liye sab se peechhe kyon hote ho jab ki samast israaael kee batacheet raja ke sunane men ai haai, ki usako bhvan men pahunchaae? tum log to mere bhai, varan meree hee haddee aur mans ho to tum raja ko lauttane men sab ke peechhe kyon hote ho? fir amasa se yah kaho, ki kya too meree haddee aur mans naheen haai? aur yadi too yoab ke sthan par sada ke liye senapaati n tthare, to parameshvar mujh se vaaisa hee varan us se bhee adhaik kare. is prakas us ne sab yahoodee purushaen ke man aeese apanee or kheench liya ki manon aek hee purush tha aur unhon ne raja ke pas kahala bheja, ki too apane sab karpachariyon ko sang lekar lautt a. tab raja lautt kar yaradan tak a gaya aur yahoodee log gilagal tak gaee ki us se milakar use yaradan par le aae. yahoodi-iyon ke sang gera ka putra binyameenee shaimnee bhee jo bahooreemee tha fauta karake raja daud se bhentt karane ko gaya usake sang hajaan binyameenee purush the. aur shaaul ke gharane ka karmacharee seeba apane pandrah putraen aur bees dason samet tha, aur ve raja ke samhane yaradan ke par panv paaidal utar gae. aur aek beda raja ke parivar ko par le ane, aur jis kam men vah use lagane chahe usee men lagane ke liye par gaya. aur jab raja yaradan par jane par tha, tab gera ka putra shaimnee usake pavon par girake, raja se kahane laga, mera prabhu mere dosh ka lekha n kare, aur jis din mera prabhu raja yarooshalem ko chhod aya, us din tere das ne jo kuattlai kam kiya, use aeese smaran n kar ki raja use apane dhyan men rakhe. kyonaki tera das janata haai ki maain ne pap kiya dek, aj apane prabhu raja se bhentt karane ke liye yoosufa ke samast ghrane men se maain hee pahila aya hoo. tab sarooyah ke putra abeeshau ne kaha, shaimnee ne jo yahova ke aabhaishaukt ko shaap diya tha, is karan kya usako vadhaa karana n chaahiye? daud ne kaha, he sarooyah ke betto, mujhe tum se kya kaa, ki tum aj mere virodhae tthare ho? aj kya is-raaael men kisee ko praan dand milega? kya maain naheen janata ki aj maain israaael ka raja hua hoo? fir raja ne shaimnee se kaha, tuihe praan dand n milega. aur raja ne us se shapath bhee khai. tab shaaul ka pota mapeeboshot raja se bhentt karane ko aya us ne raja ke chale jane ke din se usake kushal kshom se fir ane ke din tak n apane pavon ke nakoon katte, aur n apanee daddhee banavaai, aur n apane kapade dhaulavaae the. to jab yarooshaleemee raja se milane ko gaa, tab raja ne us se poochha, he mapeeboshot, too mere sang kyon naheen gaya tha? us ne kaha, he mere prabhu, he raja, mere karmacharee ne mujhe dhaekha diya tha tera das jo pangu haai isaliye tere das ne socha, ki maain gadahe par kattee kasavakar us par chaddh raja ke sath chala jaunga. aur mere karmacharee ne mere prabhu raja ke samhane meree chugalee khai. parantu mera prabhu raja parameshvar ke doot ke saman haai aur jo kuchh tuihe bhaae vahee kara. mere pita ka samast gharana teree or se praan dand ke yogy tha parantu too ne apane das ko apanee mej par khanevalon men gina haai. mujhe kya hak haai ki maain raja kee or dohai doon? raja ne us se kaha, too apanee bat kee charcha kson karata rahata haai? meree agyaa yah haai, ki us boomi ko tum aur seeba donon apas men bant lo. mapeeboshot ne raja se kaha, mere prabhu raja jo kushal kshom se apane ghar

aya haai, isaaliye seeba hee sab kuchh le le. tab giladee barjillaa rogaleem se aya, aur raja ke sath yaradan par gaya, ki usako yaradan ke par pahunchaae. baarjillaa to vraddh purush tha, arthata assee parsha kee ayu ka tha jab tak raja mahanaaim men rahata tha tab tak vah usake palan poshan karata raha kyonaki vah bahut dhancee tha. tab raja ne barjillaa se kaha, mere sang par chal, aur maain tuihe yarooshalem men apane pas rakhar tera palan poshan karonga. baarjillaa ne raja se kaha, mujhe kitane din jeevit rahana haai, ki maain raja ke sang yarooshalem ko jaun? aj maain assee varsha ka hoo kya maain bhle-bure ka vivek kar sakata hoo? kya tera das jo kuchh khata peeta haai usaka svad paahichan sakata haai? kya mujhe gavaaiyyon va gayikaon ka shabd ab sun padta haai? tera das ab apane prabhu raja ke liye kyon bojh ka karan ho? tere das raja ke sang yaradan par hee tak jaega. raja isaka aeese bada badala mujhe kyon de? apane das ko lauttne de, ki maain apane hee nagar men apane mata pita ke kaabirstan ke pas maroon. parantu tera das kimham upaasthiat haai mere prabhu raja ke sang vah par jaae aur jaaisa tuihe bhaae vaaiya hee us se vyavahar karana. raja ne kaha, ha, kimhan mere sang par chalega, aur jaaisa tuihe bhaae vaaisa hee maain us se vyavahar karoonga varan jo kuchh too mujh se chahega vah maain tere liye karoonga. tab sab log yaradan par gaa, aur raja bhee par hua tab raja ne baarjillaa ko choomakar ashaeervad diya, aur vah apane sthan ko lautt gaya. tab raja gilgal kee or par gaya, aur usake sang kimham par hua aur sab sahoodee logon ne aur adho israaaelee logon ne raja ko par pahunchaya. tab sab israaaelee purush raja ke pas aa, aur raja se kahane lage, kya karan haai ki hamare yahoodee bhai tuihe choree se le aa, aur parivar samet raja ko aur usake sab janon ko bhee yaradan par le aae haain? sab yahoodee purushaen ne israaaelee purushaen ko uttar diya, ki karan yah haai ki raja hamare gotra ka haai. to tum log is bat se kyon roott gaee ho? kya ham ne raja ka diya hua kuchh khaya haai? va us ne hamen kuchh dan diya haai? israaaelee purushaen ne yahoodee purushaen ko uttar diya, raja men das ansh hamare haain aur daud men hamara bhag tumhare bhag se bada haai. to fir tum ne hamen kyon tuchh jana? kya apane raja ke lautta le ane kee charcha paahile ham hee ne n kee thee? aur yahoodee purushaen ne israaaelee purushaen se aadhaik kadee dand kaheen.

vahan sanyog se shoba nam aek binyameenee tha, vah ochha purush bikree ka putra tha vah naraasinga foonkakar kahane laga, daud men hamara kuchh ansh nahee, aur n yishau ke putra men hamara koi bhag haai he israaaeliyo, apane apane dere ko chale jao ! isaliye sab israaaelee purush daud ke peechhe chalana chhodkar bikree ke putra shoba ke peechhe ho liae parantu sab yahoodee purush yaradan se yarooshalem tak apane raja ke sang lage rahe. tab daud yarooshalem ko apane bhvan men aya aur raja ne un das rakhealiyon ko, jinhen vah bhvan kee chaukasee karane ko chhod gaya tha, alag aek ghar men rakha, aur unaka palan poshan karata raha, parantu un se sa-

havas n kiya. isaliye ve apanee apanee mratyu ke din tak vidhavanan kee se dasha men jeevit hee band rahee. tab raja ne amasa se kaha, yahoodee purushaen ko teen din ke bheetar mere pas bula la, aur too bhee yahan upaasthiat rahana. tab amasa yahoodiyon ko bulane gaya parantu usake tharaae huae samay se adhaik rah gaya. tab daud ne abeeschau se kaha, ab bikree ka putra shoba abashaalom se bhee hamaree aadhaik hani karega isaaliye too apane prabhu ke logon ko lekar usake peechha kar, aeesa n ho ki vah gaddhvale nagar pakar hamaree drashti se chhpa jae. tab yoaab ke jan, aur karetee aur palettee log, aur sab shooraaveer usake peechhe ho liae aur bikree ke putra shoba ka peechha karane ko yarooshalem se nikale. ve gibbon men us bharee patthar ke pas pahunchhe hee the, ki amasa un se a mila. yoaab to yoddha ka vasr faette se kase huae tha, aur us faette men aek talavar usakee kamar par apanee myan men bandhaee hui thee aur jab vah chala, tab vah nikalakar gir padee. to yoaab ne amasa se poochha, he mere bhai, kya too kushal se haai? tab yoaab ne apana dahina hath baddhakar amasa ko choomane ke liye usakee daddhee pakadee. parantu amasa ne us talavar kee kuchh chinta n kee jo yaab ke hath men thee aur us ne use amasa ke pett men bhonk dee, jis se usakee antadiyan nikalakar dharatee par gir padee, aur us ne usako doosaree bar n mara aur vah mar gaya. tab yoaab aur usaka bhai abeeschau bikree ke putra shoba ka peechha karane ko chale. aur usake pas yaab ka aek javan khda hokar kahane laga, jo koi yoaab ke paksha log daud kee or ka ho vah yoaab ke peechhe ho le. amasa to sadk ke madhy apane lohoo men lott raha tha. to jab us manushy ne dekha ki sab log khde ho gaee haai, tab amasa ko sadk par se maaidan men utta le gaya, aur jab dekha ki jitane usake pas ate haain ve khde ho jate haai, tab us ne usake upar aek kapada dal diya. usake sadk par se sarakaae jane par, sab log bikree ke putra shoba ka peechha karane ko yoaab ke peechhe ho lie. aur vah sab israaelee gotron men hokar abel aur betamaka aur beariyon ke desh tak pahuncha aur ve bhee ikatthe hokar usake peechhe ho lie. tab unhon ne usako betamaka ke abel men ghor liya aur nagar ke samhane aeesa damadama bandha ki vah shaharapanah se satt gaya aur yoaab ke sang ke sab log shaharapanah ko girane ke liye dhakka dene lage. tab aek buaddhiman rootraee ne nagar men se pukara, suno ! suno ! yoaab se kaho, ki yahan aa, taki maain us se kuchh baten karoon. jab yoaab usake nikatt gaya, tab sree ne poochha, kya too yoaab haai? us ne kaha, ha, maain vahee hoo. fir us ne us se kaha, apanee dasee ke vachan suna. us ne kaha, maain to sun raha hoo. vah kahane lagee, praacheenakal men to log kaha karate the, ki abel men poochha jae aur is reeti jhgae ko nipatta dete the. maain to melaamilapavale aur vishvasayogy israaeeliyon men se hoo parantu too aek pradhan nagar nash karane ka yatn karata haai too yahova ke bhag ko kyon nigal jaega? yoaab ne uttar dekar kaha, yah mujh se door ho, door, ki maain nigal jaun va nash karoon ! bat aeesee naheen haai. shoba nam aepraaim ke pahadee desh ka aek purush jo bikree ka putra haai, us ne daud raja ke viruddh hath uttaaya haai to tum log keval usee ko saunp do, tab maain nagar ko chhodkar chala jaunga. sree ne yoaab se kaha, usaka

sir shaharapanah par se tere pas faenk diya jaega. tab sree apanee buaddhimanee se sab logon ke pas gai. tab unhon ne bikree ke putra shoba ka sir katkar yoaab ke pas faenk diya. tab yoaab ne naraasinga foonka, aur sab log nagar ke pas se alag alag hokar apane apane dere ko gaee. aur yoaab yarooshalem ko raja ke pas lautt gaya. yoaab to samast israaelee sena ke upar pradhaan raha aur yahoyada ka mutra banayah karetiyon aur paletiyon ke upar tha aur adoram begaron ke upar tha aur aheelood ka putra yahoshahaapat itihah ka lekhh tha aur shaya mantraee tha aur sadok aur aebyatar yajak the aur yairee ira bhee daud ka aek mantraee tha.

daud ke dinon men lagatar teen bars tak akal pada to daud ne yahova se praarthna kee. yahova ne kaha, yah shaaul aur usake koonee gharane ke karan hua, kyonki us ne giboniyon ko marava dala tha. tab raja ne giboniyon ko bulakar un se baten keen. gibonee log to israaeeliyon men se naheen the, ve bache huae aemoriyon men se the aur israaeeliyon ne unake sath shapath khai thee, parantu shaaul ko jo israaeeliyon aur yahoodiyon ke diye jalan hui thee, is se us ne unhen mar dasane ke liye yatn kiya tha. tab daud ne giboniyon se poochha, maain tumhare liye kya karoon? aur kya karake aeesa prayashchait karoo, ki tum yahova ke nij bhag ko ashaeervad de sako? giboniyon ne us se kaha, hamare aur shaaul va usake gharane ke madhy rupaye paaise ka kuchh jhgada naheen aur n hamara kam haai ki kisee israaelee ko mar dalen. us ne kaha, jo kuchh tum kaho, vahee maain tumhare liye karoonga. unhon ne raja se kaha, jis purush ne ham ko nash kar diya, aur hamare viruddh aeese yuktai dee ki ham aeese satyanash ho jae, ki israael ke desh men age ko n rah sake, usake vansh ke sat jan hamen saunp diae jae, aur ham unhen yahova ke liye yahova ke chune huae shaaul kee giba nam baste men faansee denge. raja ne kaha, maain unako saunp doonga. parantu daud ne aur shaaul ke puta yonatan ne apas men yahova kee shapath khai thee, is karan raja ne yonatan ke putra mapeeboshot ko jo shaaul ka pota tha bacha rakha. parantu amanee aur mapeeboshot nam, ayya kee bettee rispa ke donon putra jo shaaul se utpann huae the aur haaul kee bettee meekal ke panchon bette, jo vah maholavasee barjillai ke putra adraeeael kee or se the, inako raja ne pakadvakar giboniyon ke hath saunp diya, aur unhon ne unhen pahad par yahova ke samhane faansee dee, aur saton aek sath nash hue. unaka mar dala jana to kattnee ke pahile dinon me, arthata jab kee kattnee ke arambh men hua. tab ayya kee bettee rispa ne ttatt lekar, kattnee ke arambh se lekar jab tak akash se un par atyant vrashti n padee, tab tak chattan par use apane neeche bichhayee rahee aur n to din men akash ke pakshiyon ko, aur n rat men banaaile pashuon ko unhen choone diya. jab ayya kee bettee shaaul kee rakhelee rispa ke is kam ka samachar aud ko mila, tab daud ne jakar shaaul aur usake putra yonatan kee haddiyon ko giladee yabesh ke logon se le liya, jinhon ne unhen betashaan ke us chauk se chura liya tha, jahan palishtaiyon ne unhen us din tanga tha, jab unhon

ne shaaul ko gilbo pahad par mar dala tha to vah van-
han se shaaul aur usake putra yonatan kee haaddiyan
ko le aya aur faanyee paae huon kee haddiyan bhee
ikatthee kee gai. aur shaaul aur usake putra yonatan
kee haddiyan binyameen ke desh ke jela men shaaul
ke pita keesh ke kabirstan gadee gai aur daud kee sab
agyaon ke anusar kam hua. aur usake bad paramesh-
var ne desh ke liye praarthna sun lee. paalishtaiyon
ne dasraael se fir yuddh kiya, aur daud apne janon
samet jakar paalishtaiyon se ladne laga parantu daud
thk gaya. tab yishabobanob, jo rapai ke vansh ka tha,
aur usake bhale ka fal taul men teen sau shokel pee-
tal ka tha, aur vah nai talavar bandho huae tha, us ne
daud ko marane ko ttana. parantu sarooyah ke putra
abeebhau ne daud kee sahayata karake us paalishtee
ko aesa mara ki vah mar gaya. tab daud ke janon ne
shapath khakar us se kaha, too fir hamare sang yuddh
ko jane n paega, aeesa n ho ki tere marane se israael
ka dijh bujh jaae. isake bad paalishtaiyon ke sath gob
men fir yuddh hua us samay hooshaai sabbakaai ne ra-
paivanshaee sap ko mara. aur gob men paalishtaiyon
ke sath fir yuddh hua us men betalehem vasee yaray-
oragee ke putra aelhanan ne gatee golyat ko mar
dala, jisake bachhen kee chhd jolahe kee dongee ke
saman thee. fir gat men bhee yuddh hua, aur vahan
aek badee deel ka rapaivanshaee purush tha, jisake
aek aek hath panv me, chh chh ungalee, arthata gi-
natee men chaubees ungaaliyan theen. jab us ne is-
raael ko lalakra, tab daud ke bhai shaima ke putra
yohanatan ne use mara. ye hee char gat men us ra-
pai se utpann huae the aur ve daud aur usake janon se
mar dale gaae.

aur jis samay yahova ne daud ko usake sab shatrauon
aur shaaul ke hath se bachaya tha, tab us ne yahova ke
liye is geet ke vachan gaae us ne kaha, yahova meree
chattan, aur mera gaddh, mera chhudanevala, mera
chattanaroopee parameshvar haai, jisaka maain sha-
ranagat hoo, meree ddhal, mera bachanevala seeng,
mera uncha gaddh, aur mera sharansthan haai, he
meree uddhar katrta, too upadrav se mera uddhar
kiya karata haai. maain yahova ko jo stuati ke yogy
haai pukaroonga, aur apane shatrauon se bachaya
jaunga. mratyu ke tarangon ne to meree charon or
ghora dala, nastaikapan kee dhaaraon ne mujh ko
ghabadala diya tha adhaelok kee rassaiyan meree charon
or thee, mratyu ke fande meree samhane the. apane
sankatt men maain ne yahova ko pukara aur apane
parameshvar ke sammukh chillaya. aunn us ne meree
bat ko apane maandair men se sun liya, aur meree do-
hai usake kanon men pahunchee. tab prathvee hil gai
aur dol uttee aur akash kee neven kanpakar bahut hee
hil gai, kyonaki vah ati krodhait hua tha. usake nath-
non se dhauna nikala, aur usake munh se ag nikalakar
bhsam karane lagee jis se koyale dahak utte. aur vah
svarga ko jhukakar neeche utar aya aur usake panvon
ke tale ghaer andhakar chhaya tha. aur vah karoob
par savar hokar uda, aur pavan ke pankhon par chad-
dhkar dikhai diya. aur us ne apane charon or ke anad-
haiyare ko, meghaen ke samooh, aur akash kee kalee
ghattaon ko apana mandp banaya. usake sammukh

kee jhlak to usake age age thee, ag ke koyale dahak
utte. yahova akash men se garaja, aur paramaprad-
haan ne apanee vaneer sunai. us ne teer chala chalakar
meree shatrauon ko titar bitar kar diya, aur bijalee gira
girakar usako parast kar diya. tab samudra kee thah
dikhai dene lagee, aur jagat kee neven khul gai, yah to
yahova kee dant se, aur usake nathnon kee sans kee
jhonk se hua. us ne upar se hath baddhakar mujhe
thanm liya, aur mujhe gahare jal men se kheenchakar
bahar nikala. us ne mujhe meree balavant shatra se, aur
meree baaiariyon se, jo mujh se aadhaik samath the,
mujhe chhuda liya. unhon ne meree vipaattai ke din
mera samhata to kiya parantu yahova mera ashray
tha. aur us ne mujhe nikalakar chadee sthan men
pahunchaya us ne mujh ko chhudaya, kyonaki vah
mujh se prasann tha. yahova ne mujh se meree dharma
ke anusar vyavahar kiya meree kamon kee shuuddhata
ke anusar us ne mujhe badala diya. kyonaki maain ya-
hova ke magan par chalata raha, aur apane paramesh-
var se munh modkar dusht n bana. usake sab niyam
to meree samhane bane rahe, aur maain usakee vid-
haiyon se hatt n gaya. aur maain usake thak khra
bana raha, aur adharma se apane ko bachaae raha, jis
men meree fansane ka dr tha. isaliye yahova ne mujhe
meree dharma ke anusar badala diya, meree us shu-
uddhata ke anusar jise vah dekhta tha. dayavant ke
sath too apane ko dayavant dikhata khre purush ke
sath too apane ko khra dikhata haai shuuddh ke sath
too apane ko shuuddh dikhata aur tteddhe ke sath
too tirachha banata haai. aur deen logon ko to too
bachata haai, parantu abhaimaaniyon par draashtti
karake unhen neecha karata haai. he yahova, too
hee mera deepak haai, aur yahova meree aandhiyare
ko door karake ujjiyala kar deta haai. teree sahay-
ata se maain dal par dhaava karata, apane paramesh-
var ke sahayata se maain shaharapanah ko faand jata
hoo. ishtar kee gaati khree haai yahova ka vachan
taya hua haai vah apane sab sharanagaton kee ddhal
haai. yahova ko chhod kya koi ishvar haai? hamare
parameshvar ko chhod kya aur koi chattan haai? yah
vahee ishvar haai, jo mera ati draddh kila haai, vah
khre manushy ko apane marga men laie chalata haai.
vah meree paairon ko harinaiyon ke se bana deta haai,
aur mujhe unche sthanon par khda karata haai. vah
meree hathon ko yuddh karana sikhata haai, yahan tak
ki meree banhen peetal ke dhanush ko jhuka detee
haain. aur too ne mujh ko apane uddhar kee ddhal
dee haai, aur teree namrata mujhe baddhatee haai.
too meree paairon ke liye sthan chauda karata haai, aur
meree paair naheen fisale. maain ne apane shatrauon
ka peechha karake unhen satyanash kar diya, aur jab
tak unaka ant n kiya tab tak n lautta. aur maain ne
unaka ant kiya aur unhen aeesa chhed dala haai ki ve
utt naheen sakate varan ve to meree panvon ke neeche
gire pade haain. aur too ne yuddh ke liye meree ka-
mar balavant kee aur meree virodhaiyon ko meree hee
samhane parast kar diya. aur too ne meree shatrauon
ke peett mujhe dikhai, taki maain apane baaiariyon
ko katt daloon. unhon ne batt to johee, parantu koi
bachanevala n mila unhon ne yahova kee bhee batt jo-
hee, parantu us ne unako koi uttar n diya. tab maain
ne unako koott koottkar boomi kee dhooli ke saman
kar diya, maain ne unhen sadkon aur galee koochon

kee keechad ke saman pattkakar charon or faaila diya. fir too ne muujhe praja ke jhgodan se chhudakar any jatiyon ka pradhanaan hone ke liye merree raksha kee jin logon ko maain n janata tha ve bhee mere adhaeen ho jaaenge. paradeshae merree chapaloosee karenge ve mera nam sunate hee mere vash men aeenge. paradeshae murjhaaenge, aur apane kotton men se thrathrate huae nikalenge. yahova jeeavit haai merree chattan dhany haai, aur parameshvar jo mere uddhar kee chattan haai, usakee maahima ho. dhany haai mera palatta lenevala ishvar, jo desh desh ke logon ko mere vash men kar deta haai, aur mujhe mere shatrauon ke beech se nikalata haai ha, too mujhe mere virodhaiyon se uncha karata haai, aur upadravee purush se bachata haai. is kara, he yahova, maain jaati jati ke samhane tera dhanyavad karoonga, aur tere nam ka bhjan gaunga. vah apane tharaae huae raja ka bada uddhar karata haai, vah apane abhaishaikt daud, aur usake vansh par yuganuyug karuna karata rahega.

23

daud ke antaim vachan ye haain yishau ke putra kee yah vaneae haai, us purush kee vaneae haai jo unche par khda kiya gaya, aur yakoob ke parameshvar ka abhaishaikt, aur israael ka madhaur bhjan ganevala haai yahova ka atma mujh men hokar bola, aur usee ka vachan mere munh men aya. israael ke parameshvar ne kaha haai, israael kee chattan ne mujh se baten kee haai, ki manushyon men prabhuta karanevala aek dhama hoga, jo parameshvar ka bhy manata hua prabhuta karega, vah mano bhor ka prakash hoga jab soorya nikalata haai, aesea bhor jis men badal n ho, jaaisa vashara ke bad nirmal prakash ke karan boomi se haree haree ghaas ugatee haai. kya mera gharana ishvar kee draashtti men aesea naheen haai? us ne to mere sath sada kee aek aeesea vacha bandhaae haai, jo sab baton men tteek kee hui aur attl bhee haai. kyonki chahe vah usako pragatt n kare, taubhee mera poorn uddhar aur poorn abhailasha ka vishay vahee haai. parantu ochhe log sab ke sab nikammee jhaadiyon ke saman haain jo hath se pakadee naheen jateen aur jo purush unako chooe use lohe aur bhale kee chhd se susaajait hona chaahiye. isaliye ve apane hee sthan men ag se bhm kar diae jaenge. daud ke shoorageeron ke nam ye haain arthata tahakamonee yoshshobyashshobet, jo saradaron men mukhy tha vah aesee adeeno bhee kahalata tha jis ne aek hee samay men att sau purush mar dale. usake bad ahohee dodaai ka putra eleeara tha. vah us samay daud ke sang ke teenon veeron men se tha, jab ki unhon ne yuddh ke liye ekatrait huae paalishtaiyon ko lalakara, aur israaelee purush chale gaee the. vah kamar bandhakar paalishtaiyon ko tab tak marata raha jab tak usaka hath thik n gaya, aur talavar hath se chipatt n gai aur us din yahova ne badee vijay karai aur jo log usake peechhe ho liae ve keval lootne hee ke liye usake peechhe ho liae. usake bad age nam ek pahadee ka putra shamma tha. paalishtaiyon ne ikatthe hokar ek sthan men dal bandha, jahan masoor ka ek khet tha aur log unake dr ke mare bhage. tab us ne khet ke madhy men khde hokar usee bachaya, aur palishtaiyon ko mar liya aur yahova ne badee vijay dilai. fir

teeson mukhy saradaron men se teen jan kattnee ke dinon men daud ke pas adullam nam gufaa men aa, aur palishtaiyon ka dal rapaim nam tarai men chhavanee kiae huae tha. us samay daud gaddh men tha aur us samay paalishtaiyon kee chaukhee betalehem men thee. tab daud ne badee abhailasha ke sath kaha, kaun mujhe betalehem ke faattk ke pas ke kuen ka panee pilaaega? to ve teenon veer palishtaiyon kee chhavanee men toott pade, aur betalehem ke faattk kee kuaee se panee bhrake daud ke pas le aae. parantu us ne peene se inakar kiya, aur yahova ke samhane ardhha karake undela, aur kaha, he yahova, mujh se aesea kam door rahe. kya maain un manushyon ka loho peeun jo apane praanon par khelakar gaee the? isaliye us ne us panee ko peene se inakar kiya. in teen veeron ne to ye hee kam kiae. aur abeeschau jo sarooyah ke putra yoab ka bhai tha, vah teenon se mukhy tha. us ne apana bhala chalakar teen sau ko mar dala, aur teenon men namee ho gaya. kya vah teenon se aadhaik pratishtit n tha? aur isee se vah unaka pradhanaan ho gaya parantu mukhy teenon ke pad ko n pahuncha. fir yahoyada ka putra banayah tha, jo kabaselavasee aek bade kam karanevale veer ka putra tha us ne sinh sareekhe do moabiyon ko mar dala. aur barfa ke samay us ne aek gadhe men utarake aek sinh ko mar dala. fir us ne aek roopavana misraee purush ko mar dala. misraee to hath men bhala liae huae tha parantu banayah aek lattee hee liae huae usake pas gaya, aur misraee ke hath se bhala ko chheenakar usee ke bhale se usee ghaat kiya. aesee aesea kam karake yahoyada ka putra banayah un teenon veeron men namee ho gaya. vah teeson se adhaik pratishtit to tha, parantu mukhy teenon ke pad ko n pahuncha. usako daud ne apanee nij sabha ka sabhasad niyukt kiya. fir teeson men yoab ka bhai asahela betalehemee dodo ka putra aelhanan, herodee shamma, aur aeleea, peletee heles, takoi ikkesh ka putra ira, anatotee abeeaejaer, hooshai mabunne, ahohee salmon, natopahee maharaai, aek aur natopahee bana ka putra heleb, binyameeniyon ke giba nagar ke reebai ka putra huttaa, piratonee, banayah, gash ke nalon ke pas rahanevala hai, arabha ka abeealbon, bahooramee ajamavet, shaalabonee aelyahaba, yashon ke vansh men se yonatan, pahadee shamma, araree shaarar ka putra aheeam, ahasabaai ka putra aeleepelett maka desh ka, geeloi aheetopel ka putra aealeam, kammenee hesrae, arabee paraai sobai natan ka putra yigal, gadee bane, ammonee selek, berotee naharaai ko sarooyah ke putra yoab ka hathaiyar dhonevala tha, yeteree ira, aur gareb, aur hittee uriyah tha sab milakar saaiintees the.

24

aur yahova ka kop israaeeliyon par fir bhdka, aur us ne daud ko inakee hani ke liye yah kahakar ubhara, ki israael aur yahooda kee ginatee le. so raja ne yoab senapaati se jo usake pas tha kaha, too dan se beshba tak rahanevale sab israaelee gotron men idhar udhar ghoom, aur tum log praja kee ginatee lo, taki maain jan loon ki praja kee kitanee ginatee haai. yoab ne raja se kaha, praja ke log kitanee kyon n ho, tera parameshvar yahova unako sauguna

baddha de, aur mera prabhu raja ise apanee ankhon se dekhne bhee paae parantu, he mere prabhu, he raja, yah bat too kyon chahata haai? taubhee raja kee agyaa yoab aur senapatiyon par prabal hui. so yoab aur senapati raja ke sammukh se israaalee praja kee ginatee lene ko nikal gae. unhon ne yaradan par jakar aroer nagar kee daahinee or dere khde kia, jo gad ke nale ke madhy men aur yajer kee or haai. tab ve gilad men aur tahateemhodashae nam desh men gaa, fir danyan ko gaa, aur chakkar lagakar seedon men pahuncha tab ve sor nam draddh gaddh, aur hibbaiyon aur kananiyon ke sab nagaron men gae aur unhon ne yahooda desh kee dakkhian disha men beshonba men daura nipattaya. aur sab desh men idhar udhar ghoom ghoomakar ve nau maheene aur bees din ke beetane par yarooshalem ko aae. tab yoab ne praja kee ginatee ka jod raja ko sunaya aur talavar chalanevale yoddha israaalee ke to att lak, aur yahooda ke panch nakh nikale. praja kee ganna karane ke bad daud ka man vyakul hua. aur daud ne yahova se kaha, yah kam jo maain ne kiya vah mahapap haai. to ab, he yahova, apane das ka adharma door kara kyonaki mujh se badee moorkhta hui haai. bihan ko jab daud utta, tab yahova ka yah vachan gad nam nabee ke pas jo daud ka dasa tha pahuncha, ki jakar daud se kah, ki yahova yon kahata haai, ki maain tujh ko teen vipattaiyan dikhata hoo un men se aek ko chun le, ki maain use tujh par daloon. so gad ne daud ke pas jakar isaka samachar diya, aur us se poochha, kya tere desh men sat varsha ka akal pade? va teen maheene tak tere shatra tera peechha karate rahen aur too un se bhagata rahe? va tere desh men teen din tak maree faailee rahe? ab soch vichar kar, ki maain apane bhejanevale ko kya uttar doon. daud ne gad se kaha, maai bade sankatt men hoo ham yahova ke hath men pade, kyonki usakee daya badee haai parantu manushy ke hath men maain n paoonga. tab yahova israaaleiyon men bihan se le tharaae huae samay tak maree faailae raha aur dan se lekar beshba tak rahanevale praja men se satta hajar purush mar gae. parantu jab doot ne yarooshalem ka nash karane ko us par apana hath baddhaya, tab yahova vah vipattai dalakar shaeakit hua, aur praja ke nash karanevale doot se kaha, bas kara ab apana hath kheencha. aur yahova ka doot us samay arauna nam aek yaboossee ke khalihan ke pas tha. to jab praja ka nash karanevale doot daud ko dikhai pada, tab us ne yahova se kaha, dek, pap to maain hee ne kiya, aur kuattlita maain hee ne kee haai parantu in bhedon ne kya kiya haai? so tera hath mere aur mere pita ke gharane ke viruddh ho. usee din gad ne daud ke pas akar us se kaha, jakar arauna yaboossee ke khalihan men yahova kee ek vedee banava. so daud yahova kee agyaa ke anusar gad ka vah vachan manakar vahan gaya. jab arauna ne draashtti kar daud ko karmachaariyo samet apanee or ate dekha, tab arauna ne nikalakar boomi par muh ke bal gir raja ko dandvata kee. aur arauna ne kaha, mera prabhu raja apane das ke pas kyon padhaara haai? aud ne kaha, tujh se yah khlihan mol lene aya hoo, ki yahova kee aek bedee banavau, isaaliye ki yah vyaadhai praja par se door kee jaae. arunar ne daud se kaha, mera prabhu raja jo kuchh use achchha lage so lekar chaddhaae dek, homabali ke liye to baail haai,

aur danchane ke haathaiyar, aur baailon ka saman idhan ka kam denge. yah sab arauna ne raja ko de diya. fir arauna ne raja se kaha, tera parameshvar yahova tujh se prasann hoes. raja ne arauna se kaha, aeese nahee, maai ye vastuen tujh se avashy dam dekar loonga maain apane parameshvar yahova ko sentament ke homabaali naheen chaddhane ka. so daud ne khalihan aur baailon ko chandee ke pachas shokel pen mol liya. aur daud ne vahan yahova kee aek bedee banavakar homabaali aur melabali chaddhaae. aur yahova ne desh ke nimitt binatee sun lee, tab vah vyaadhai israaalee par se door ho gai.

daud raja booddha varan bahut puraaniya hua aur yadhyapi usako kapade oddhaye jate the, taubhee vah garma n hota tha. so usake karmachariyon ne us se kaha, hamare prabhu raja ke liye koi javan kunvaree ddoonddhee jaa, jo raja ke sammukh rahakar usakee seva kiya kare aur tere pas letta kare, ki hamare prabhu raja ko gama pahunche. tab unhon ne samast israaelee desh men sundar kunvaree ddoonddhte ddoonddhte abeeshtag nam aek shooneemin ko paya, aur raja ke pas le aae. vah kanya bahut hee sundar thee aur vah raja kee dasee hokar usakee seva karatee rahee parantu raja us se sahabas n hua. tab haggeet ka putra adoniyyah sir uncha karake kahane laga ki maain raja hoonga so us ne rath aur savor aur apane age age daudne ko pachas purush rakh liae. usake pita ne to janm se lekar use kabhee yah kahakar udas n kiya tha ki too ne aesa kyon kiya. vah bahut roopavan tha, aur abashaalom ke peechhe usaka janm hua tha. aur us ne sarooyah ke putra yoab se aur aebyatar yajak se batacheet kee, aur unhon ne usake peechhe hokar usakee sahayata kee. parantu sadok yajak yahoyada ka putra banayah, natan nabee, shaimree rei, aur daud ke shooreveron ne adoniyyah ka sath n diya. aur adoniyyah ne johelet nam patthr ke pas jo aenarogel ke nikatt haai, bhed-baail aur taaiyar kiae huae pashoo bali kia, aur apane bhai sab rajakumaron ko, aur raja ke sab yahoodde karmachariyon ko bula liya. parantu natan nabee, aur banayah aur shooreveron ko aur apane bhai sulaaiman ko us ne n bulaya. tab natan ne sulaaiman ke mata batashoba se kaha, kya too ne suna haai ki haggeet ka putra adoniyyah raja ban baaitta haai aur hamara prabhu daud hase naheen janata? isaliye ab a, maain tuijhe aeesees sammati deta hoo, jis se too apana aur apane putra sulaaiman ka praan bachaae. too daud raja ke pas jakar, us se yon pooch, ki he mere prabhu ! he raja ! kya too ne shapath khakar apanee dasee se naheen kaha, ki tera putra sulaaiman mere peechhe raja hoga, aur vah meree rajagee par virajega? fir adoniyyah kyon raja ban baaitta haai? aur jab too vahan raja se aeesees baten karatee rahegee, tab maain tere peechhe akar, teree baton ko pusht karoonga. tab batashoba raja ke pas kottree men gai raja to bahut booddha tha, aur usakee seva tthal shooneemin abeeshtag karatee thee. aur batashoba ne jhukakar raja ko dandvata kee, aur raja ne poochha, too kya chahatee haai? us ne uttar diya, he mere prabhu, too ne to apane parameshvar yahova kee shapath khakar apanee dasee se kaha tha ki tera putra sulaaiman mere peechhe raja hoga aur vah meree gae par virajega. ab dekh adoniyyah raja ban baaitta haai, aur ab tak mera prabhu raja ise naheen janata. aur us ne bahut se baail taaiyar kia, pashu aur bheden bali kee, aur sab rajakumaron kee aur aebyatar yajak aur yoab senapaati ko bulaya haai, parantu tere das sulaaiman ko naheen bulaya. aur he mere prabhu ! je raja ! sab isaaelee tuijhe tak rahe haain ki too un se kahe, ki hamare prabhu raja kee gae par usake peechhe kaun baaittega. naheen to jab hamara prabhu raja, apane purakhaon ke sang soaega, tab maain aur mera putra sulaaiman donon aparadhae gine jaenge. yon

batashoba raja se baten kar hee rahee thee, ki natan nabee bhee a gaya. aur raja se kaha gaya ki natan nabee hajir haai tab vah raja ke sammukh aya, aur muh ke bal girakar raja ko dandvata kee. aur natan kahane laga, he mere prabhu, he raja ! kya too ne kaha haai, ki adoniyyah mere peechhe raja hoga aur vah meree gae par virajega? dekh us ne aj neeche jakar bahut se baail, taaiyar kiae huae pashu aur bheden bali kee haai, aur sab rajakumaron aur senapatiyon ko aur aebyatar yajak ko bhee bulaiya haai aur ve usake sammukh khate peete huae kah rahe haain ki adoniyyah raja jeeavit rahe. parantu mujh tere das ko, aur sadok yajak aur yahoyada ke putra banayah, aur tere das sulaaiman ko us ne naheen bulaya. kya yah mere prabhu raja kee or se hua? too ne to apane das ko yah naheen jataya haai, ki prabhu raja kee gae par kaun usake peechhe virajega. daud raja ne kaha, batashoba ko mere pas bula lao. tab vah raja ke pas akar usake samhane khdee hui. raja ne shapath khakar kaha, yahova jo mera praan sab jokhaimon se bachata aya haai, usake jeevan kee shapat, jaisa maain ne tuijhe se israael ke parameshvar yahova kee shapath khakar kaha tha, ki tera putra sulaaiman mere peechhe raja hoga, aur vah mere badale meree gae par virajega, vaaisa hee maain nishchay aj ke din karoonga. tab batashoba ne boomi par munh ke bal gir raja ko dandvata karake kaha, mera prabhu raja daud sada tak jeeavit rahe ! tab daud raja ne kaha, mere pas sadok yajak natan nabee, ahoyada ke putra banayah ko bula lao. so ve raja ke samhane aae. raja ne un se kaha, apane prabhu ke karmachariyo ko sath lekar mere putra sulaaiman ko mere nij khchchar par chaddhao aur geehon ko le jao aur vahan sadok yajak aur natan nabee israael ka raja hone ko usaka abhaishok karen tub tum sab narasinga foonkakar kahana, raja sulaaiman jeevit rahe. aur tum usake peechhe peechhe idhar ana, aur vah akar mere sinhasan par viraje, kyonki mere badale men vahee raja hoga aur usee ko maain ne israael aur yahooda ka pradhaan hone ko ttharaya haai. tab yahoyada ke putra banayah ne kaha, ameen ! mere prabhu raja ka parameshvar yahova bhee aeese hee kahe. jis reeti yahova mere prabhu raja ke sang raha, usee reeti vah sulaaiman ke bhee sang rahe, aur usaka rajy mere prabhu daud raja ke rajy se bhee aadhaik baddhaae. tab sadok yajak aur natan nabee aur yahoyada ka putra banayah karetiyon aur paletiyon ko sang liae huae neeche gaa, aur sulaaiman ko raja daud ke khchchar par chaddhakar geehon ko le chale. tab sadok yajak ne yahova ke tamboo men se tel bhra hua seeng nikala, aur sulaaiman ka raiyaabhaishok kiya. aur ve narasinge foonkane lage aur sab log bol utte, raja sulaaiman jeevin rahe. tab sab log usake peechhe peechhe bansulee bajate aur itana bada anand karate huae upar gaa, ki unakee dhvaani se prathvee dol uttee. jab adoniyyah aur usake sab nevataharee kha chuke the, tab yah dhvani unako sunai paadee. aur yoab ne narasinge ka shabd sunakar poochha, nagar men halachal aur chillhatt ka shabd kyon ho raha haai? vah yah kahata hee tha, ki aebyatar yajak ka putra yonatan aya aur adoniyyah ne us se kaha, bheetar a too to bhla manushy haai, aur bhla samachar bhee laya hoga. yonatan ne adoniyyah se kaha, sachamuch hamare prabhu raja daud ne su-

laaiman ko raja bana diya. aur raja ne sadok yajak, natan nabee aur yahoyada ke putra banayah aur karetiyon aur paletiyon ko usake sang bhej diya, aur unhon ne usako raja ke khchchar par chaddhaya haai. aur sadok yajak, aur natan nabee ne geehon men usaka rajyaabhaishok kiya haai aur ve vahan se aeesa anand karate huae upar gaee haain ki nagar men halachal mach gai, aur jo shabd tum ko sunai pad raha haai vahee haai. sulaaiman rajagaee par viraj bhee raha haai. fir raja ke karmacharee hamare prabhu daud raja ko yah kahakar dhany kahane aa, ki tera parameshvar, sulaaiman ka nam, tere nam se bhee mahan kare, aur usaka rajy tere rajy se bhee adhaik baddhaae aur raja ne apane palang par dandvata kee. fir raja ne yah bhee kaha, ki israael ka parameshvar yahova dhany haai, jis ne aj mere dekhte aek ko meree gaee par virajaman kiya haai. tab jitane nevataharee adoniyyah ke sang the ve sab thrathra gaa, aur uttkar apana apana marga liya. aur adoniyyah sulaaiman se dr kar atta, aur jakar vedee ke seengon ko pakad liya. tab sulaaiman ko yah samachar mila ki adoniyyah sulaaiman raja se aeesa dr gaya haai ki us ne vedee ke seengon ko yah kahakar pakad liya haai, ki aj raja sulaaiman shapath khaae ki apane das ko talavar se n mar dalega. sulaaiman ne kaha, yaadi vah bhla-manasee dikhaae to usaka aek bal bhee boomi par girane n paaega, parantu yaadi us men dushttta pai jaa, to vah mara jaaega. tab raja sulaaiman ne logon ko bhej diya jo usako vedee ke pas se utar le aae tab us ne akar raja sulaaiman ko dandvata kee aur sulaaiman ne us se kaha, apane ghar chala ja.

2

jab daud ke marane ka samay nikatt aya, tab us ne apane putra sulaaiman se kaha, ki maain lok kee reeaty par kooch karanevala hoo isaliye too hiyah bandhakar purushaarth dikha. aur jo kuchh tere parameshvar yahova ne tujhe saunpa haai, usakee raksha karake usake magan par chala karana aur jaaisa moosa kee vyavastha men likha haai, vaaisa hee usakee vidhaiyon tatha agyao, aur niyamo, aur chitauaniyon ka palan karate rahana jis se jo kuchh too kare aur jahan kaheen too jaa, us men too safal hoae aur yahova apana vah vachan poora kare jo us ne mere vishay men kaha tha, ki yadi teree santan apanee chal ke vishay men aeese savadhaan rahe, ki apane sampoon day aur sampoon praan se sachchai ke sath nit mere sammukh chalate rahen tab to israael kee rajagaee par virajanevale kee, tere kul परिवार men ghattee kabhee n hogee. fir too svayan janata haai, ki sarooyah ke putra yoab ne mujh se kya kya kiya ! arthata us ne ner ke putra abner, aur yeter ke putra amasa, israael ke in do senapaatiyon se kya kya kiya. us ne un donon ko ghaat kiya, aur mel ke sapay yuddh ka lohoo bahakar us se apanee kamar ka kamaraband aur apane pavon kee jootiyan bhaigo deen. isaliye too apanee buaddhi se kam lena aur us pakke balavale ko adhaelok men shaanti se utarane n dena. fir giladee barjillaai ke putraen par krapa rakhna, aur ve teree mej par khanevalon men rahe, kyonki jab maain tere bhai abashaalom ke samhane se bhaga ja raha tha, tab unhon ne mere pas akar

vaaisa hee kiya tha. fir sun, tere pas binyameenee gera ka putra bahooreemee shaimee rahata haai, jis din maain mahanaaim ko jata tha us din us ne mujhe kadai se shaap diya tha par jab vah meree bhenntt ke liye yaradan ko aya, tab maain ne us se yahova kee yah shapath khaai, ki maain tuijhe talavar se n mar daloonga. parantu ab too se nidash n thharana, too to buaddhiman purush haai tuijhe maloom hoga ki usake sath kya karana chaahiye, aur us pakke balavale ka lohoo bahakar use adhaelok men utar dena. tab daud apane purakhaon ke sang so gaya aur daudamur men use mittee dee gai. daud ne israael par chalees varsha rajy kiya, sat varsha to us ne habraen men aur taaintees varsha yarooshalem men rajy kiya tha. tab sulaaiman apane pita daud kee gaee par virajaman hua aur usaka rajy bahut draddh hua. aur haggeet ka putra adoniyyah, sulaaiman kee mata batashoba ke pas aya, aur batashoba ne poochha, kya too mitrabhav se ata haai? us ne uttar diya, ha, mitrabhav se ! fir vah kahane laga, mujhe tujh se ek bat kahane haai. us ne kaha, kah ! us ne kaha, tuijhe to maloom haai ki rajy mera ho gaya tha, aur samast israaelee meree or munh kiae the, ki maain rajy karon parantu ab rajy palattkar mere bhai ka ho gaya haai, kyonaki vah yahova kee or se usako mila haai. isaliye ab maain tujh se aek bat mangata hoo, mujh se nahee n karana us ne kaha, kahe ja. us ne kaha, raja sulaaiman tujh se nahee n karega isaliye us se kah, ki vah mujhe shooneemin abeeshtag ko byah de. batashoba ne kaha, achchha, maain tere liye raja se kahoongee. tab batashoba adoniyyah ke liye raja sulaaiman se batacheet karane ko usake pas gai, aur raja usakee bhenntt ke liye utta, aur use dandvata karake apane sinhasan par baaitt gaya fir raja ne apanee mata ke liye aek sinhasan rakhi diya, aur vah usakee daahinee or baaitt gai. tab vah kahane lagee, maain tujh se aek chhotta sa varadan mangatee hoo isaliye pujh se nahee n karana, raja ne kaha, he mata manga maain tujh se nahee n karoonga. us ne kaha, vah shooneamin abeeshtag tere bhai adoniyyah ko byah dee jae. raja sulaaiman ne apanee mata ko uttar diya, too adoniyyah ke liye shooneemin abeeshtag hee ko kyo mangatee haai? usake liye rajy bhee mang, kyonki vah to mera bada bhai haai, aur usee ke liye kya ! aebyatar yajak aur sarooyah ke putra yoab ke liye bhee manga. aur raja sulaaiman ne yahova kee shapath khakar kaha, yadi adoniyyah ne yah bat apane praan par khelakar n kahee ho to parameshvar mujh se vaaisa hee kya varan us se bhee aadhaikare. ab yahova jis ne puje sthiar kiya, aur mere pita daud kee rajagaee par virajaman kiya haai aur apane vachan ke anusar mere ghar basaya haai, usake jeepan kee shapath aj hee adoniyyah mar dala jaaega. aur raja sulaaiman ne yahoyada ke putra banayah ko bhej diya aur us ne jakar, usako aeesa mara ki vah mar gaya. aur aebyatar yajak se raja ne kaha, anatot men apanee boomi ko ja kyonki too bhee praandand ke yogy haai. aj ke din to maain tuijhe n mar daloonga, kyonaki too mere pita daud ke samhane prabhu yahova ka sandook uttaya karata tha aur un sab dukhon men jo mere pita par pade the too bhee dukhee tha. aur sulaaiman ne aebyatar ko yahova ke yajak hone ke pad se utar diya, isaliye ki jo vachan yahova ne aelee

ke vansh ke vishay men shaeelo men kaha tha, vah pooro ho jaae. isaka samachar yoab tak pahuncha yoab abashaalom ke peechhe to naheen ho liya tha, parantu adoniyyah ke peechhe ho liya tha. tab yoab yahova ke tamboo ko bhag gaya, aur vedee ke seengon ko pakad liya. jab raja sulaaimaan ko yah samachar mila, ki yoab yahova ke tamboo ko bhag gaya haai, aur vah vedee ke pas haai, tab sulaaimaan ne yahoyada ke putra banayah ko yah kahakar bhej diya, ki too jakar use mar dala. tab banayah ne yahova ke tamboo ke pas jakar usase kaha, raja kee yah agyaa haai, ki nikal a. us ne kaha, nahee, maain yaheen mar jaunga. tab banayah ne lauttakar yah sandesh raja ko diya ki yoab ne mujhe yah uttar diya. raja ne us se kaha, usake kahane ke anusar usako mar dal, aur use mittee de aeesa karake nidashaen ka jo koon yoab ne kiya haai, usako dosh too mujh par se aur mere pita ke gharane par se door karega. aur yahova usake sir vah koon lautta dega kyonaki us ne mere pita daud ke bina jane apane se adhaik dhama aur bhle do purushaen par, arthata israaael ke pradhaan senapaati ner ke putra abner aur yahooda ke pradhaan senapaati yeter ke putra amasa par tootkar unako talavar se mar dala tha. yon yoab ke sir par aur usakee santan ke sir par koon sada tak rahega, parantu daud aur usake vansh aur usake gharane aur usake rajy par yahova kee or se shaanati sadaaiv tak rahegee. tab yahoyada ke putra banayah ne jakar yoab ko mar dala aur usako jangal men usee ke ghar men mittee dee gai. tab raja ne usake sthan par yahoyada ke putra banayah ko pradhaan senapaati ttharaya aur aebiyatar ke sthan par sadok yajak ko ttharaya. aur raja ne shaimee ko bulava bheja, aur us se kaha, too yarooshalem men apana aek ghar banakar vaheen rahana aur nagar se bahar kaheen n jana. too nishchay jan rakh ki jis din too nikalakar kidraen nale ke par utare, usee din too nisandeh mar dala jaega, aur tera lohoo tere hee sir par padega. shaimee ne raja se kaha, bat achchhee haai jaaisa mere prabhu raja ne kaha haai, vaaisa hee tera das karega. tab shaimee bahut din yarooshalem men raha. parantu teen varsha ke vyateet hone par shaimee ke do das, gat nagar ke raja maka ke putra akeesh ke pas bhag gaa, aur shaimee ko yah samachar mila, ki tere das gat men haain. tab shaimee uttkar apane gadahe par kattee kasakar, apane das ko ddoondhdhne ke liye gat ko akeesh ke pas gaya, aur apane dason ko gat se le aya. jab sulaaimaan raja ko isaka samachar mila, ki shaimee yarooshalem se gat ko gaya, aur fir lautt aya haai, tab us ne shaimee ko bulava bheja, aur us se kaha, kya maain ne तुज्हे yahova kee shapath n khailai thee? aur तुज्हे se chitakar n kaha tha, ki yah nishchay jan rakh ki jis din too nikalakar kaheen chala jaa, usee din too nisandeh mar dala jaega? aur kya too ne mujh se n kaha tha, ki jo bat maain ne sunee, vah achchhee haai? fir too ne yahova kee shapath aur meree draddh agyaa kyon naheen manee? aur raja ne shaimee se kaha, ki too ap hee apane man men us sab dushthta ko janata haai, jo too ne mere pita daud se kee thee? isaaliye yahova tere sir par teree dushthta lautta dega. parantu raja sulaaimaan dhany rahega, aur daud ka rajy yahova ke samhane sadaaiv draddh rahega. tab raja ne yahoyada ke putra banayah ko agyaa dee, aur us ne bahar

jakar, usako aeesa mara ki vah bhee mar gaya. aur sulaaimaan ke hath me rajy draddh ho gaya.

3

fir raja sulaaimaan misra ke raja firaun kee bettee ko byah kar usako damad ban gaya, aur usako daudapur men lakar jab nak apana bhvan aur yahova ka bhvan aur yarooshalem ke charon or kee shaharapanah n banava chuka, tab tak usako vaheen rakha. kyonaki praja ke log to unche sthanon par baali chaddhate the aur un dinon tak yahova ke nam ka koi bhpan naheen bana tha. sulaaimaan yahova se praem rakhta tha aur apane pita daud kee vidhaiyon par chalata to raha, parantu vah unche sthanon par bhee baali chaddhaya aur dhoop jalaya karata tha. aur raja gibbon ko baali chaddhane gaya, kyonki mukhy uncha sthan vahee tha, tab vahan kee vedee par sulaaimaan ne aek haajar homabali chaddhaae. gibbon men yahova ne rat ko svapn ke dara sulaaimaan ko darshan dekar kaha, jo kuchh too chahe ki maain तुज्हे doo, vah manga. sulaaimaan ne kaha, too apane das mere pita daud par badee karuna karata raha, kyonaki vah apane ko tere sammukh janakar tere sath sachchai aur dharm aur manakee seedhaai se chalata raha aur too ne yahan tak us par karuna kee thee ki use usakee gaee par birajanevala aek putra diya haai, jaaisa ki aj vartaman haai. aur ab he mere parameshvar yahova ! toone apane das ko mere pita daud ke sthan par raja kiya haai, parantu maain chhotta ladka sa hoo jo bheetar bahar ana jana naheen janata. fir tera das teree chunee hui praja ke bahut se logon ke madhy men haai, jinakee ginatee bahutayat ke mare naheen ho sakatee. too apane das ko apanee praja ka nyay karane ke liye samajhne kee aeesee shaaktai de, ki maain bhle bure ko parakh sakoon kyonaki kaun aeesa haai ki teree itanee badee praja ka nyay kar sake? is bat se prabhu prasann hua, ki sulaaimaan ne aeesa varadan manga haai. tab parameshvar ne us se kaha, isaaliye ki too ne yah varadan manga haai, aur n to deerdhayu aur n dhan aur n apane shatraun ka nash manga haai, parantu sapajhne ke vivek ka varadan manga haai isaliye sun, maain tere vachan ke anusar karata hoo, तुज्हे buaddhi aur vivek se bhra man deta hoo, yaha tak ki tere saman n to तुज्हे se paahile koi kabhee hua, aur n bad men koi kabhee hoga. fir jo too ne naheen manga, arthata dhan aur maahima, vah bhee maain तुज्हे yahan tak deta hoo, ki tere jeevan bhr koi raja tere tuly n hoga. fir yadi too apane pita daud kee nai mere magan men chalata hua, meree vidhaiyon aur agyaan ko manata rahega to maain teree ayu ko baddhaunga. tab sulaaimaan jag utta aur dekha ki yah svapn tha fir vah yarooshalem ko gaya, aur yahova kee vacha ke sandook ke samhane khda hokar, homabaali aur melabali chaddhaa, aur apane sab karmachaariyon ke liye jevanar kee. us samay do veshyaen raja ke pas akar usake sammukh khdee hui. un men se ek stree kahane lagee, he mere prabhu ! maain aur yah sree donon ek hee ghar men rahatee haain aur isake sang ghar men rahate huae mere ek bachcha hua. fir mere jachcha ke teen din ke bad aeesa hua ki yah sree bhee jachcha ho gai ham to sang hee sang thee, ham donon ko chhodkar ghar men aur koi

bhee n tha. aur rat men is sree ka balak isake neech dabakar mar gaya. tab is ne adhaee rat ko uttkar, jab teree daasee so hee rahee thee, tab mera ladka mere pas se lekar apanee chhatee men rakha, aur apana mara hua balak meree chhatee men litti diya. bhor ko jab maain apana balak doodha pilane ko uttee, tab use mara hua paya parantu bhor ko maain ne dhyan se yah dekha, ki vah mera putra nahee haai. tab doosaree sree ne kaha, naheen jeevit putra mera haai, aur mara putra tera haai. parantu vah kahatee rahee, naheen mara hua tera putra haai aur jeevit mera putra haai, yon ve raja ke samhane baten karatee rahee. raja ne kaha, aek to kahatee haai jo jeeavit haai, vah-hee mera putra haai, aur mara hua tera putra haai aur doosaree kahatee haai, nahee, jo mara haai vahee tera putra haai, aur jo jeeavit haai, vah mera putra haai. fir raja ne kaha, mere pas talavar le ao so aek talavar raja ke samhane lai gai. tab raja bola, jeeavit balak ko do ttukade karake adha isako aur adha usako do. tab jeeavit balak kee mata ka man apane bette ke sneh se bhr aya, aur us ne raja se kaha, he mere prabhu ! jeevit balak usee ko de parantu usako kisee bhanti n mara. doosaree sree ne kaha, vah n to mera ho aur n tera, vah do ttukade kiya jaae. tab raja ne kaha, paahilee jo jeeavit balak do kisee bhanti usako n paro kyonki usakee mata vahee haai. jo nyay raja ne chukaya tha, usaka samachar samast israael ko mila, aur unhon ne raja ka bhy mana, kyonaki unhon ne yah dekha, ki usake man men nyay karane ke liye parameshvar kee buaddhi haai.

israaaliyon ke misra desh se nikalane ke char sau asseeven varsha ke bad jo sulaaiman ke israael par rajy karane ka chautha varsha tha, usake jeev nam doosare maheene men vah yahova ka bhvan banane laga. aur jo bhvan raja sulaaiman ne yahova ke liye banaya usakee lambai satt hat, chaudai bees hath aur unchai tees hath kee thee. aur bhvan ke mandair

ke samhane ke osare kee lambai bees hath kee thee, arthata bhvan kee chaudai ke barabar thee, aur osare kee chaudai jo bhvan ke samhane thee, vah das hath kee thee. fir us ne bhvan men sthiar jhlaimleedar khaidkiyan banai. aur us ne bhvan ke asapas kee bheeton se satte huae arthata maandair aur darshana-sthan donon bheeton ke asapas us ne manjilen aur kottriyan banai. sab se neechavelee manajil kee chaudai panch hat, aur beechavelee kee chh hat, aur uparavelee kee sat hath kee thee, kyonaki us ne bhvan ke asapas bheet ko bahar kee or kusadar banaya tha isaliye ki kadiyan bhvan kee bheeton ko pakade huae n hon. aur banate samay bhpan aeese patthron ka banaya gaya, jo vahan le ane se pahile gaddhkar tteek kiae gae the, aur bhvan ke banate samay hathaide vasoolae va aur kisee prakhar ke lohe ke aujar ka shabd kabhee sunai naheen pada. bahar kee beechavelee kottriyan ka dar bhvan kee dahinee alang men tha, aur log chakkaradar seaadhiyon par hokar beechavelee kottriyan men jate, aur un se uparavelee kottariyon par jaya karate the. us ne bhvan ko banakar poora kiya, aur usakee chht devadaru kee kaadiyon aur takhton se banee thee. aur poore bhvan se lagee hui jo manajilen us ne banai vah panch hath unchee thee, aur ve devadaru kee kadiyon ke dara bhvan se milai gai theen. tab yahova ka yah vachan sulaaiman ke pas pahuncha, ki yah bhvan jo noo bana raha haai, yaadi too merree vidhaiyon par chalega, aur mere niyamon ko manega, aur merree sab agyaaon par chalata hua unaka palan karata rahega, to jo vachan maain ne tere vishay men tere pita daud ko diya tha usako maain poora karoonga. aur maain israaaliyon ke madhy men nivas karoonga, aur apanee israaelee praja ko n tajoonga. so sulaaiman ne bhvan ko banakar poora kiya. aur us ne bhvan kee bheeton par bheetaravar devadaru kee takhtabandee kee aur bhvan kee farsha se chht tak bheeton men bheetaravar lakadee kee takhtabandee kee, aur bhvan ke farsha ko us ne sanovar ke takhton se banaya. aur bhvan kee pichhlee alang men bhee us ne bees hath kee dooree par farsha se le bheeton ke upar tak devadaru kee takhtabandee kee is prakhar us ne paramapavitra sthan ke liye bhvan kee aek bheetaree kottree banai. usake samhane ka bhvan arthata maandair kee lambai chalees hath kee thee. aur bhvan kee bheeton par bheetaravar devadaru kee lakadee kee takhtabandee thee, aur us men itdraayan aur khaile huae fool khude the, sab devadaru hee tha patbhr kuchh naheen dikhai padta tha. bhvan ke bheetar us te aek darshan sthan yahova kee vacha ka sandook rakhne ke liye taaiyar kiya. aur us darshana-sthan kee lambai chaudai aur unchai bees bees hath kee thee aur us ne us par chokha sona maddhvaya aur vedee kee takhtabandee devadaru se kee. fir sulaaiman ne bhvan ko bheetar bheetar chokhe sone se maddhvaya, aur darshana-sthan ke samhane sone kee sankalen lagai aur usako bhee sone se maddhvaya. aur us ne poore bhvan ko sone se maddhvakar usaka poora kam nipatta diya. aur darshana-sthan kee pooree vedee ko bhee us ne sone se maddhvaya. darshana-sthan men us ne das das hath unche jalapai kee lakadee ke do karoob bana rakhe. aek karoob ka aek pankh panch hath ka tha, aur usaka doosara pankh bhee panch hath ka tha, aek

tab sulaaيمان ne israaelee puraaniiyon ko aur go-traen ke sab mukhy purush jo israaeeliyon ke poor-vajon ke gharanon ke pradhaan the, unako bhee ya-rooshalem men apane pas is manasa se ikattha kiya, ki ve yahova kee vacha ka sandook daudapur arthata siyon se upar le aen. so sab israaelee purush aeta-neem nam sataven maheene ken parva ke samay raja sulaaيمان ke pas ikatthe huae. jab sab israaelee pu-raniye aa, tab yajakon ne sandook ko utta liya. aur yahova ka sandook, aur milap ka tambo, aur jitane pavitra patra us tambo men the, un sabhon yajak aur lebeey log upar le gae. aur raja sulaaيمان aur samast israaelee mandlee, jo usake pas iatthee hui thee, ve rub sandook kee samhane itanee bhed aur baail bali kar rahe the, jinakee ginattee kisee reeati se naheen ho sakatee thee. tab yajakon ne yahova kee vacha ka sandook usake sthan ko arthata bhvan kee darshana-sthan me, jo paramapaavitra sthan haai, pahunchakar karoobon kee pankhon kee tale rakh diya. karoob to sandook kee sthan kee upar pankh aeese faailae huae the, ki ve upar se sandook aur usake dndon ko ddhanke the. dnde to aeese lambe the, ki unake sire us paavitra sthan se jo darshana-sthan kee samhane tha dikhai padte the parantu bahar se ve dikhai naheen padte the. ve aj kee din tak yaheen vatamapan haain. sandook men kuchh naheen tha, un do pattariyon ko chhod jo moosa ne horeb men usake bheetar us samay rakhee, jab yahova ne israaeeliyon ke misra se nikalane par unake sath vacha bandhaae thee. jab ya-jak pavitrasthan se nikale, tab yahova ke bhvan men badal bhr aya. aur badal kee karan yajak seva tthal karane ko khde n rah sake, kyonki yahova ka tey ja-hova ke bhvan men bhr gaya tha. tab sulaaيمان ka-hane laga, yahova ne kaha tha, ki maain ghaer and-hakar men vas kiae rahoonga. sachamuch maain ne tere liye aek vasasthan, varan aeese draddh sthan ba-naya haai, jis men too yuganuyug bana rahe. aur raja ne israael kee poorree sabha kee or munh faerakar usako ashaeervad diya aur poorree sabha khdee rahee. aur us ne kaha, dhany haai israael ka parameshvar yahova ! jis ne apane munh se mere pita daud ko yah vachan diya tha, aur apane hath se usee poorva kiya haai, ki jis din se maain apanee praja israael ko misra se nikal liya, tab se maain ne kisee israaelee gotra ka koi nagar naheen chuna, jis men mere nam kee ni-vas ke liye bhvan banaya jaae parantu maain ne daud ko chun liya, ki vah meree praja israael ka aadhaika-ree ho. mere pita daud kee yah manasa to thee ki is-raael ke parameshvar yahova kee nam ka aek bhvan banaae. parantu yahova ne mere pita daud se kaha, yah jo teree manasa haai, ki yahova kee nam ka aek bh- van banaa, aeese manasa karakee too ne bhla to kiya taubhee too us bhvan ko n banaaega tera jo nij pu-tra hoga, vahee mere nam ka bhvan banaaega. yah jo vachan yahova ne kaha tha, usee us ne poorva bhee kiya haai, aur maain apane pita daud kee sthan par ut-

tkar, yahova ke vachan ke anasar israaael kee gaee par virajaman hoo, aur israaael ke parameshvar yahova ke nam se is bhvan ko banaya haai. aur is men maain ne aek sthan us sandook ke liye ttharaya haai, jis men yahova kee vah vacha haai, jo us ne hamare purakhaon ko misra desh se nikalane ke samay un se bandhaae thee. tab sulaaiman israaael kee pooree sabha ke dekhthe yahova kee vedee ke samhane khda hua, aur apane hath svarga kee or faailakar kaha, he yahova ! he israaael ke parameshvar ! tere saman n to upar svarga me, aur n neeche prathvee par koi ishvar haai tere jo das apane sampoorn man se apane ko tere sammukh janakar chalate haai, unake liye too apanee vacha mooree karata, aur karuna karata rahata haai. jo vachan too ne mere pita daud ko diya tha, usaka too ne palan kiya haai, jaaisa too ne apane munh se kaha tha, vaaisa hee apane hath se usako poora kiya haai, jaaisa aj haai. isaliye ab he israaael ke parameshvar yahova ! is vachan ko bhee poora kar, jo too ne apane das mere pita daud ko diya tha, ki tere kul me, mere samhane israaael kee gaee par virajanevale sadaiv bane rahenge itana ho ki jaaise too svayan mujhe sammukh janakar chalata raha, vaaishe hee tere vansh ke log apanee chalachalan men aeesee hee vaukasee karen. isaliye ab he israaael ke parameshvar apana jo vachan too ne apane das mere pita daud ko diya tha use sachcha siddh kara. kya parameshvar sachamuch prathvee par vas karega, svarga men varan sab se unche svarga men bhee too naheen samata, fir mere banaae huae is bhvan men kyonkar samaaega. taub-hee he mere parameshvar yahova ! apane das kee praarthna aur gidgidahatt kee or kan lagakar, merree chillahatt aur yah praarthna sun ! jo maain aj tere samhane kar raha hooa ki teree ankh is bhvan kee or arthata isee sthan kee or jisake vishay too ne kaha haai, ki mera nam vahan rahega, rat din khulee rahen aur jo praarthna tera das is sthan kee or kare, use too sun le. aur too apane das, aur apanee praja israaael kee praarthna jisako ve is sthan kee or gidgida ke karen use sunana, varad svarga. men se jo tera nivasasthan haai sun lena, aur sunakar kshama karana. jab koi kisee doosare ka aparadha kare, aur usako shapath khailai jaa, aur vah akar is bhvan men teree vedee ke samhane shapath khaa, tab too svarga men sun kar, arthata apane dason ka nyay karake dusht ko dusht tthara aur usakee chal usee ke sir lautta de, aur nidash ko nidash ttharakar, usake dharma ke anasar usako fal dena. fir jab neree praja israaael tere viruddh pap karane ke karan apane shatrauon se har jaa, aur teree or firakar tera nam le aur is bhvan men tujh se gidgidahatt ke sath praarthna kare, tab too svarga men se sunakar apanee praja israaael ka pap kshama karana aur unhen is desh men lautta le ana, jo too ne unake purukhaon ko diya tha. jab ve tere viruddh pap kare, aur is karan akash band ho jaa, ki vashara n hoa, aeese samay yadi ve is sthan kee or praarthna karake tere nam ko manen jab too unhen dukh deta haai, aur apane pap se fire, to too svarga men se sunakar kshama karana, aur apane daso, apanee praja israaael ke pap ko kshama karana too jo unako vah bhla marga dikhata haai, jis par unhen chalana chahiye, isaliye apane is desh par, jo too ne apanee praja ka bhag kar diya haai, panee barasa dena. jab is desh men

kal va maree va jhulas ho va gerui va ttiiddayan va keede lagen va unake shatra unake desh ke faattkon men unhen ghor rakhe, athva koi vipaattai va rog kyon n ho, tab yaadi koi manushy va teree praja israaael apane apane man ka dukh jan le, aur gidgidahatt ke sath praarthna karake apane hath is bhvan kee or faailaen to too apane svagay nivasasthan men se sunakar kshama karuna, aur aeesea karana, ki aek aek ke man ko janakar usakee samast chal ke anasar usako fal dena too hee to sab adaamiyon ke man ke bhedon ka janane vala haai. tab ve jitane din is desh men rahe, jo too ne unake purakhaon ko diya tha, utane din tak tera bhy manate rahen. fir paradeshaee bhee jo teree praja israaael ka n ho, jab vah tera nam sunakar, door desh se aa, vah to tere bade tam aur balavant hath aur baddhai hui bhujja ka samachar paae isaaliye jab aeesea koi akar is bhvan kee or praarthna kare, tab too apane svagay nivasasthan men se sun, aur jis bat ke liye aeesea paradeshaee tujhe pukare, usee ke anasar vyavahar karana jis se prathvee ke sab deshaen ke log tera nam janakar teree praja israaael kee nai tera bhy mane, aur nishchay jane, ki yah bhvan jise maain ne banaya haai, vah tera hee kahalata haai. jab teree praja ke log jahan kaheen too unhen bheje, vahan apane shatrauon se ladai karane ko nikal jaae, aur is nagar kee or jise too ne chuna haai, aur is bhvan kee or jise maain ne tere nam par banaya haai, yahova se praarthna kare, tab too svarga men se unakee praarthna aur gidgidahatt sunakar unaka nyay kara. nishpap to koi manushy naheen haai yaadi ye bhee tere viruddh pap kare, aur too un par kop karake unhen shaauon ke hath kar de, aur ve unako bandhaua karake apane desh ko chahe vah door ho, chahe nikatt le javaae, to yaadi ve bandhauai ke desh men soch vichar kare, aur firakar apane bandhaua karanevalon ke desh men tujh se gidgidakar kahen ki ham ne pap kiya, aur kuattlita or dushttita kee haai aur yaadi ve apane un shatrauon ke desh men jo unhen bandhaua karake le gaee ho, apane sampoorn man aur sampoorn praan se teree or firen aur apane is desh kee or jo too ne unake purukhaon ko diya tha, aur is nagar kee or jise too ne chuna haai, aur is bhvan kee or jise maain ne tere nam ka banaya haai, tujh se praarthna kare, to too apane svagay nivasasthan men se unakee praarthna aur gidgidahatt sunana aur unaka nyay karana, aur jo pap teree praja ke log tere viruddh karege, aur jitane aparadha ve tere viruddh karege, sab ko kshama karake, unake bandhaua karanevalon ke man men aeesee daya upajana ki ve un par daya karen. kyon-aki ve to teree praja aur tera nij bhag haain jinhen too lohe ke bhtthe ke madhy men se arthata misra se nikal laya haai. isaliye teree ankhen tere day kee gidgidahatt aur teree praja israaael kee gidgidahatt kee or aeesee khulee rahe, ki jab jab ve tujhe pukare, tab tab too unakee sun le kyonaki he prabhu yahova apane us vachan ke anasar, jo too ne hamare purakhaon ko misra se nikalane ke samay apane das moosa ke dara diya tha, too ne in logon ko apana nij bhag hone ke liye prathvee kee sab jaatiyon se alag kiya haai. jab sulaaiman yahova se yah sab praarthna gidgidahatt ke sath kar chuka, tab vah jo ghauttne tteke aur akash kee or hath faailaee huae tha, so yahova kee vedee ke samhane se utta, aur khda ho, samast is-

raaelee sabha ko unche svar se yah kahakar ashaeer-vad diya, ki dhany haai yahova, jis ne tteek apane kathn ke anusar apanee praja israael ko vishraam diya haai, jitanee bhlai kee baten usane apane das moosa ke dara kahee thee, un men se aek bhee bina pooree huae naheen rahee. hamara parameshvar yahova jaise hamare purakhaon ke sang rahata tha, vaaise hee hamare sang bhee rahe, vah ham ko tyag n de aur n ham ko chhod de. vah hamare man apanee or aeesa firaae rakhe, ki ham usake sab magan par chala kare, aur usakee agyaaen aur vidhaiyan aur niyam jinhen usane hamare purakhaon ko diya tha, nit mana karen. aur meree ye baten jinakee maain ne yahova ke samhane binatee kee haai, vah din aur rat hamare parameshvar yahova ke man men bane rahe, aur jaaisa din din prayojan ho vaaisa hee vah apane das ka aur apanee praja israael ka bhee nyay kiya kare, aur is se prathive kee sab jaatiyan yah jan le, ki yahova hee parameshvar haai aur koi doosara naheen. to tumhara man hamare parameshvar yahova kee or aeesee pooree reeati se laga rahe, ki aj kee nai usakee vidhaiyon par chalate aur usakee agyaaen manate raho. tab raja samast israael samet yahova ke sammukh melabali chaddhane laga. aur jo pashu sulaaيمان ne melabaali men yahova ko chaddhaa, so bais hajar baail aur aek lakh bees hajar bhedhen theen. is reeti raja ne sab israaeliyan samet yahova ke bhvan kee praatishtta kee. us din raja ne yahova ke bhvan kee samhanevale angan ke madhy bhee ek sthan paavitra kiya aur homabaali, aur annabali aur melabaliyon kee charabee vaheen chaddhai kyonaki jo peetal kee vedee yahova kee samhane thee, vah unake liye chhottee thee. aur sulaaيمان ne aur usake sang samast israael kee aek badee sabha ne jo hamat kee ghaattee se lekar misra ke nale tak ke sab deshaen se iatthee hui thee, do saptah tak arthata chaudah din tak hamare parameshvar yahova kee samhane parva ko mana. fir atven din us ne praja ke logon ko vida kiya. aur ve raja ko dhany, dhany, kahakar us sab bhlai ke karan jo yahova ne apane das daud aur apanee praja israael se kee thee, anaandait aur magan hokar apane apane dere ko chale gaae.

jab sulaaيمان yahova ke bhvan aur rajabhvan ko bana chuka, aur jo kuchh us ne karana chaha tha, use kar chuka, tab yahova ne jaaise giban men usako darshan diya tha, vaaise hee doosaree bar bhee use darshan diya. aur yahova ne us se kaha, jo praarthna gidgidahatt kee sath too ne mujh se kee haai, usako maain ne suna haai, yah jo bhvan too ne banaya haai, us men maain ne apana nam sada ke liye rakhtar use pavitra kiya haai aur meree ankhen aur mera man nity vaheen lage rahenge. aur yade too apane pita daud kee nai man kee khrai aur sidhaai se apane ko mere samhane janakar chalat rahe, aur meree sab apagyaaen ke anusar kiya kare, aur meree vidhaiyon aur niyamon ko manata rahe, to maain tera rajy israael ke upar sada ke liye sthir karoonga jaaise ki maain ne tere pita daud ko vachan diya tha, ki tere kul men israael kee gaae par virajanevale sada bane rahenge. parantu yadi tum log va tumhare vansh ke

log mere peechhe chalana chhod den aur meree un agyaaen aur vidhaiyon ko jo maain ne tum ko dee haai, n mane, aur jakar paraye devataon kee upasana kare aur unhen dandvat karane lage, to maain israael ko is desh men se jo maain ne unako diya haai, katt daloonga aur is bhvan ko jo maain ne apane nam ke liye paavitra kiya haai, apanee drashtti se utar doonga aur sab deshaen ke logon men israael kee upama dee jayegee aur usaka drashttant chalega. aur yah bhvan jo unche par raheta, to jo koi isake pas hokar chalega, vah chakit hoga, aur talee bajaega aur ve poochhenge, ki yahova ne is desh aur is bhvan kee sath kyon aesa kiya haai tab log kahenge, ki unhon ne apane parameshvar yahova ko jo unake purakhaon ko misra desh se nikal laya tha. tajakar paraye devataon ko pakad liya, aur unako dandvat kee aur unakee upasana kee is karan yahova ne yah sab vipaattai un par dal dee. sulaaيمان ko to yahova ke bhvan aur rajabhvan donon ke banane men bees varsha lag gaae. tab sulaaيمان ne sor ke raja heeram ko jis ne usake manamane devadaroo aur sanovar kee lakadee aur sona diya tha, galee desh ke bees nagar diae. jab heeram ne sor se jakar un nagaron ko dekha, jo sulaaيمان ne usako diae the, tab ve usako achchhe n lage. tab us ne kaha, he meree bhai, ye nagar kya too ne mujhe diae haain? aur us ne unaka nam kabool desh rakha. aur yahee nam aj ke din tak pada haai. fir heeram ne raja ke pas satt kiikkar sona bhej diya. raja sulaaيمان ne logon ko jo begaree men rakha, isaka prayojan yah tha, ki yahova ka aur apana bhvan banaa, aur millo aur yarooshalem kee shaharapanah aur hasor, maagio aur gejer nagaron ko draddh kare. gejer par to misra ke raja firau ne chaddhai karake use le liya aur ag lagakar foonk diya, aur us nagar men rahanevale kanaanaiyon ko mar dalakar, use apanee bettee sulaaيمان kee ranee ka nij bhag karake diya tha, so sulaaيمان ne gejer aur neechevale bathoren, balat aur tamar ko jo jangal men haai, draddh kiya, ye to desh men haain. fir sulaaيمان kee jitane bhnadar ke nagar the, aur usake rathon aur savaron ke nagar, unako varan jo kuchh sulaaيمان ne yarooshalem, labanon aur apane rajy ke sab deshaen men banana chaha, un sab ko us ne draddh kiya. aemoree, hittee, parijjee, hibbee aur yaboossee jo rah gaae the, jo israaeliyan men ke n the, unake vansh jo unake bad desh men rah gaa, aur unako israaelee satyanash n kar sake, unako to sulaaيمان ne das kar ke begaree men rakha, aur aj tak unako vahee dasa haai. parantu israaeliyan men se sulaaيمان ne kisee ko das n banaya ve to yodha aur usake karmacharee, usake hakim, usake saradar, aur usake ratho, aur savaron ke pradhaan hue. jo mukhy hakim sulaaيمان ke kamon ke upar tthar ke kam karanevalon par prabhuta karate the, ye panch sau pachas the. jab firau kee bettee daudapur men se apane us bhvan ko a gai, jo us ne usake liye banaya tha tab us ne millo ko banaya. aur sulaaيمان us vedee par jo us ne yahova ke liye banai thee, praati varsha men teen bar homabaali aur melabali chaddhaya karata tha aur sath hee us vedee par jo yahova ke sammukh thee, dhoop jalaya karata tha, is prakar us ne us bhvan ko taaiyar kar diya. fir raja sulaaيمان ne aesyonaageber men jo aedom desh me lal samudra ke teer aelot ke pas haai, jahaj banaae. aur

jahajon men heeram ne apane adhaikar ke mallahan ko, jo samudra se janakaree rakhte the, sulaaiman ke sevakon ke sang bhej diya. unhon ne opor ko jakar vahan se char sau bees kikkar sona, raja sulaaiman ko lakar diya.

jab shaeeba kee ranee ne yahova ke nam ke vishay sulaaiman kee keett sunee, tab vah kattnai kattnai prashnon se usakee preeeksha karane ko chal padee. vah to bahut bharee dal, aur masalo, aur bahut sone, aur manai se lade untth sath liye huae yarooshalem ko ai aur sulaaiman ke pas pahunchakar apane man kee sab baton ke vishay men us se baten karane lagee. sulaaiman ne usake sab prashnon ka uttar diya, koi bat raja kee buaddhi se aeesee bahar n rahee ki vah usako n bata saka. jab shaeeba kee ranee ne sulaaiman kee sab buaddhimanee aur usaka banaya hua bhvan, aur usakee mej par ka bhojan dekha, aur usakee karmacharee kis reeti baaitte, aur usakee tthanluae kis reeti khde rahate, aur kaaise kaaise kapade paahine rahate haai, aur usakee pilanevale kaaise haai, aur vah kaaisee chaddhai haai, jis se vah yahova ke bhvan ko jaya karata haai, yah sab jab us ne dekha, tab vah chakit ho gai. tab us ne raja se kaha, tere kamon aur buaddhimanee kee jo keett maain ne apane desh men sunee thee vah sach hee haai. parantu jab tak maain ne ap hee akar apanee ankhon se yah n dekha, tab tak maain ne un baton kee prateet n kee, parantu isaka adha bhee mujhe n bataya gaya tha teree buddhimanee aur kalyan us keett se bhee baddhkar haai, jo maain ne sunee thee. dhany haain tere jan ! dhany haain tere ye sevak ! jo nity tere sammukh upaasthiat rahakar teree buddhi kee baten sunate haain. dhany haai tera parameshvar yahova ! jo tujh se aeesea prasann hua ki tujhe israael kee rajagaee par virajaman kiya yahova israael se sada praem rakhta haai, is karan us ne tujhe nyay aur dharma karane ko raja bana diya haai. aur us ne raja ko aek sau bees kikkar sona, bahut sa sugandha drayy, aur maanai diya jitanu sugandha drayy shaeeba kee ranee ne raja sulaaiman ko diya, utana fir kabhee naheen aya. fir heeram ke jahaj bhee jo opeer se sona late the, vah bahut see chandan kee lakadee aur maanai bhee laae. aur raja ne chandan kee lakadee se yahova ke bhvan aur rajabhvan ke liye jangale aur gavaaiyon ke liye veena aur sarangiyan banavai aeesee chandan kee lakadee aj tak fir naheen ai, aur n dikhai padee haai. aur shaeeba kee ranee ne jo kuchh chaha, vahee raja sulaaiman ne usakee ichchha ke anusar usako diya, fir raja sulaaiman ne usako apanee udarata se bahut kuchh diya, tab vah apane janon samet apane desh ko lautt gai. jo sona prati varsha sulaaiman ke pas pahuncha karata tha, usaka taul chhsau chhyaiasatt kikkar tha. is se aadhaik saudagaron se, aur vyopaariyon ke len den se, aur dogalee jaatiyon ke sab rajao, aur apane desh ke gavarnaro se bhee bahut kuchh milata tha. aur raja sulaaiman ne sona gaddhbakar do sau badee badee ddhalen banavai aek aek ddhal men chh chh sau shokel sona laga. fir us ne sona gaddhvakar teen sau chhottee ddhalen bhee banavai aek aek chhottee ddhal me, teen mane sona laga aur raja ne un-

ako labanonnee van nam bhvan men rakhva diya. aur raja ne hatheedant ka aek bada sinhasan banavaya, aur uttam kundan se maddhvaya. us sinhasan men chh seeaddhiyan theen aur sinhasan ka sirahana pichhadee kee or gol tha, aur baaittne ke sthan kee donon alag ttek lagee thee, aur donon ttekon ke pas ek ek sinh khda hua bana tha. aur chhhon seeddhiyon kee donon alang aek aek sinh khda hua bana tha, kul barah hue. kisee rajy men aeesea kabhee naheen bana aur raja sulaaiman ke peene ke sab patra sone ke bane the, aur labanonnee ban nam bhvan ke sab patra bhee chokhe sone ke the, chandee ka koi bhee n tha. sulaaiman ke dinon men usaka kuchh lekha n tha. kyonaki samudra par heeram ke jahajon ke sath raja bhee tashash ke jahaja rakhta tha, or teen teen varsha par tashash ke jahaja sona, chandee, hatheedant, bandar aur mayoor le ate the. is prakhar raja sulaaiman, dhan aur buaddhi men prathvee ke sab rajao se baddhkar ho gaya. aur samast prathvee ke log usakee buaddhi kee baten sunane ko jo parameshvar ne man men utpann kee thee, sulaaiman ka darshan pana चाहते थे. aur ve praati varsha apanee apanee bhent, arthata chandee aur sone ke patra, vasr, shasr, sugandha drayy, ghaede, aur khchchar le ate the. aur sulaaiman ne rath aur savar ikatthe kar lia, to usake chaudah sau rat, aur barah hajar savar hua, aur unako us ne rathon ke nagaron me, aur yarooshalem men raja ke pas ttthara rakha. aur raja ne bahutayat ke kara, yarooshalem men chandee ko to aeesea kar diya jaaise patthar aur devadaroo ko jaaise neeche ke desh ke goolara. aur jo ghaede sulaaiman rakhta tha, ve misra se ate the, aur raja ke vyoparee unhen jhund jhund karake tttharae huae dam par liya karate the. aek rath to chh sau shokel chandee par, aur aek ghaeda deddh sau shokel par, misra se ata tha, aur isee dam par ve hittaiyon aur aram ke sab rajao ke liye bhee vyopaariyon ke dara ate the.

parantu raja sulaaiman firaun kee bettee, aur bahuteree aur paraye striayon se, jo moabee, amonee, aedomee, seedotee, aur hittee thee, praeeati karane laga. ve un jaatiyon kee thee, jinake vishay men yahova ne israaeeliyon se kaha tha, ki tum unake madhy men n jana, aur n ve tumhare madhy men ane paae, ve tumhara man apane devataon kee or nisandeh faerengee unheen kee praeeati men sulaaiman lipt ho gaya. aur usake sat sau raaniya, aur teen sau rakhealiyan ho gai theen aur usakee in striayon ne usaka man bahaka diya. so jab sulaaiman boodha hua, tab usakee striayon ne usaka man paraye devataon kee or bahaka diya, aur usaka man apane pita daud kee nai apane parameshvar yahova par pooree reati se laga n raha. sulaaiman to seedoniyon kee ashatoret nam devee, aur ammoniyan ke milkom nam gharaanait devata ke peechhe chala. aur sulaaiman ne vah kiya jo yahova kee draashtti men bura haai, aur yahova ke peechhe apane pita daud kee nai pooree reati se n chala. un dinon sulaaiman ne yarooshalem ke samhane ke pahad par moaabiyon ke kamosh nam gharaanait devata ke liye aur ammoniyan ke molek nam gharaanait devata ke

liye ek ek uncha sthan banaya. aur apanee sab paraye striayon ke liye bhee jo apane apane devataon ko dhoop jalateen aur baalidan karatee thee, us ne aeesa hee kiya. tab yahova ne sulaaimaan par krodha kiya, kyonaki usaka man israaael ke parameshvar yahova se fir gaya tha jis ne do bar usako darshan diya tha. aur us ne isee bat ke vishay men agyaa dee thee, ki paraye devataon ke peechhe n ho lena, taubhee us ne yahova kee agyaa n manee. aur yahova ne sulaaimaan se kaha, tujh se jo aeesa kam hua haai, aur merree bandhaai hui vacha aur dee hui veehdhai too ne pooree naheen kee, is karan maain jaij ko nishchay toojh se chheenakar tere aek karmacharee ko de doonga. taubhee tere pita daud ke karan tere dino men to aeesa n karoonga parantu tere putra ke hath se rajy chheen loonga. fir bhee maain poorn rajy to n chheen loonga, parantu apane das daud ke kara, aur apane chune huae yarooshaleem ke kara, maain tere putra ke hath men aek gotra chhod doonga. so yahova ne aedomee hadad ko jo aedomee rajavansh ka tha, sulaaimaan ka shatra bana diya. kyonaki jab daud aedom men tha, aur yoab senapaati mare hoon ko mitt dene gaya, yoab to samast israaael samet vahan chh maheene raha, jab tak ki us ne aedom ke sab murushaen ko nash n kar diya tab hadad jo chhotta ladka tha, apane pita ke kai aek aedomee sevakon ke sang misra ko jane kee manasa se bhaga. aur ve midhan se hokar paran ko aa, aur paran men se kai purushaen ko sang lekar misra men firauin raja ke pas gaa, aur firauin ne usako ghar diya, aur usako bhojan milane kee agyaa dee aur kuchh boomi bhee dee. aur hadad par firauin kee bade anugrah kee draashtti hui, aur us ne usako apanee salee arthata tahapanes rane kee bahin byah dee. aur tahapanes kee bahin se ganoobat utpann hua aur isaka doodha tahapanes ne firauin ke bhvan men chhudaya tab banoobat firauin ke bhvan men usee ke putraen ke sath rahata tha. jab hadad ne misra men rahate yah suna, ki daud apane purakhaon ke sang so gaya, aur yoab senapaati bhee mar gaya haai, tab us ne firauin se kaha, mujhe agyaa de ki maain apane desh ko jaun ! firauin ne us se kaha, kyon? merree yahan tuijhe kya ghattee hui ki too apane desh ko jala jana chahata haai? us ne uttar diya, kuchh naheen hui, taubhee mujhe apashy jane de. fir parameshvar ne usaka aek aur shatra kar diya, arthata aelyada ke putra rajon ko, vah to apane svamee soba ke raja hadadejer ke pas se bhaga tha aur jab daud ne soba ke janon ko ghaat kiya, tab rajon apane pas kai purushaen ko ikatthe karake, aek dal ka pradhaan ho gaya, aur vah daamishk ko jakar vaheen rahane aur rajy karane laga. aur us haani ko chhod jo hadad ne kee, rajon bhee, sulaaimaan ke jeevan bhr asraaael ka shatra bana raha aur vah israaael se gharana rakhta hua aram par rajy karata tha fir nabat ka aur sarooah nam aek vidhava ka putra yarobam nam aek aepraamee saredabasee jo sulaaimaan ka karmacharee tha, us ne bhee raja ke viruddh sir uttaya. usaka raja ke viruddh sir attane ka yah karan hua, ki sulaaimaan millo ko bana raha tha or apane pita daud ke nagar ke darar band kar raha tha. yarobam bada hooraveer tha, aur jab sulaaimaan ne javan ko dekha, ki yah parishramee ha tab us ne usako yoosufa ke gharane ke sab kam

par mukhaiya ttharaya. unheen dinon men yarobam yarooshaleem se nikalakar ja raha tha, ki shaeeelobasee ahiyyah nabee, nai char oddhe huae marga par us se mila aur keval ve hee donon maaidan men the. apaair ahiyyah ne apanee us nai char ko le liya, aur use faadkar barah ttukade kar diae. tab us ne yarobam se kaha, das ttukade le ke kyonaki, israaael ka parameshvar yahova yon kahata haai, ki sun, maain rajy ko sulaaimaan ke hath se chheen kar das gotra tere hath men kar doonga. parantu merree das daud ke karan aur yarooshaleem ke karan jo maain ne israaael ke sab gotraen men se chuna haai, usaka aek gotra bana rahaga. isaka karan yah haai ki unhon ne mujhe tyag kar seedoniyon kee devee ashtoret aur moabiyon ke devata kamoshah, aur ammoniyon ke devata milkom ko dandvat kee, aur merree magan par naheen chale aur jo merree drashtti men tteek haai, vah naheen kiya, aur merree vedhaiyon aur niyamon ko naheen mana jaisa ki usake pita daud ne kiya. taubhee maain usake hath se poorn rajy n le loonga, parantu mera chuna hua das daud jo merree agyaaen aur vidhaiyan manata raha, usake karan maain usako jeevan bhr pradhaan ttharae rakoonga. parantu usake putra ke hath se maain rajy arthata das gotra lekar tuijhe de doonga. aur usake putra ko maain aek gotra doonga, isaliye ki yarooshaleem arthata us nagar men jise apana nam rakhne ko maain ne chuna haai, merree das daud ka deepak merree samhane sadaiv bana rahe. parantu tuijhe maain tthara loonga, aur too apanee ichchha bhr israaael par rajy karega. aur yaadi too merree das daud kee nai merree sab agyaae, aur merree magan par chale, aur jo kam merree drashtti men tteek haai, vahee kare, aur merree vidhaiyan aur aaan manata rahe, to maain tere sang rahoonga, aur jis tanah maain ne daud ka gharana banaae rakha haai, vaaise hee tere bhee gharana banaae rakoonga, aur tere hath israaael ko doonga. is pap ke karan maain daud ke vansh ko dukh doonga, taubhee sada tak naheen. aur sulaaimaan ne yarobam ko mar dalana chaha, parantu yarobam misra ke raja shaeshak ke pas bhag gaya, aur sulaaimaan ke marane nak vaheen raha. sulaaimaan kee aur sab baten aur usake sab kam aur usakee buaddhimanee ka varn, kya sulaaimaan ke itihash kee pustak men naheen likha haai? sulaaimaan ko yarooshaleem men sab israaael par rajy karate huae chalees varsha beete. aur sulaaimaan apane purakhaon ke sang soya, aur usako usake pita daud ke nagar men mittee dee gai, aur usaka putra rahoobiyaam usake sthan par raja hua.

rahoobiyaam to shakem ko gaya, kyonaki sab israaaelee usako raja banane ke liye vaheen gaee the. aur jab nabat ke putra yarobam ne yah suna, jo ab tak misra men rahata tha, thyonaki yarobam sulaaimaan raja ke dr ke mare bhgakar misra men rahata tha. so un logon ne usako bulava bheja tab yarobam aur israaael kee samast sabha rahoobiyaam ke pas jakar yon kahane lagee, ki tere pita ne to ham logon par bhaaree joa dal rakha tha, to ab too apane pita kee kaattnai seva ko, aur us bharee joa ko, jo us ne ham par

dal rakha haai, kuchh halaka kara tab ham tere adhaen rahenge. us ne kaha, ubhee to jao, aur teen din ke bad mere pas fir ana. tab ve chale gae. tab raja rahoobiyaam ne un booddhon se jo usake pita sulaaيمان ke jeevan bhr usake samhane upaasthiat raha karate the sammati lee, ki is praja ko kaaisa uttar dena uchit haai, is men tum kya sammati dete ho? unhon ne usako yah uttar diya, ki yadi too abhee praja ke logon ka das banakar unake adhaen ho aur un se madhaur baten kahe, to ve sadaaiv tere adhaen bane rahenge. rahoobiyaam ne us sammati ko chhod diya, jo booddhon ne usako dee thee, aur un javanon se sammati lee, jo usake sang bade huae the, aur usake sammukh upaasthiat raha karate the. un se us ne poochha, maain praja ke logon ko kaaisa uttar doon? us men tum kya sammaati dete ho? unho ne to mujh se kaha haai, ki jo joora tere pita ne ham par dal rakha haai, use too halaka kara. javanon ne jo usake sang bade huae the usako yah uttar diya, ki un logon ne tujh se kaha haai, ki tere pita ne hamara joora bharee kiya tha, parantu too use hamare liaee halaka kara too un se yon kahana, ki meree chhnigulaiya mere pita kee kamar se bhee motte haai. mere pita ne tum par jo bharee joora rakha tha, use maain aur bhee bharee karoonga mera pita to tum ko kodon se tadna deta tha, parantu maain bichchhuon se doonga. teesare din, jaaise raja ne ttharaya tha, ki teesare din mere pas fir ana, vaaise hee yarobam aur samast prajagan rahoobiyaam ke pas upasthiat huae. tab raja ne praja se kadee baten kee, aur booddhon kee dee hui sammaati chhodkar, javanon kee sammati ke anusar un se kaha, ki mere pita ne to tumhara joora bharee kar diya, parantu maain use aur bhee bharee kar doonga mere pita ne to kodon se tum ko tadna dee, parantu maain tum ko bichchhuon se tadna doonga. so raja ne praja kee ban naheen manee, isaka karan yah haai, ki jo vachan yahova ne shaeeelovasee ahiyyah ke dara nabat ke putra yarobam se kaha tha, usako poora karane ke liye us ne aeesa hee ttharaya tha. jab sab israaael ne dekha ki raja hamaree naheen sunata, tab ve bole, ki daud ke sath hamara kya ansha? hamara to yishau ke putra men koi bhag naheen ! he israaael apane apane dere ko chale jao ab he daud, apane hee gharane kee chinta kara. so israaael apane apane dere ko chale gae. keval jitane israaaeleele yahooda ke nagaron men base huae the un par rahoobiyaam rajy karata raha. tab raja rahoobiyaam ne adoram ko jo sab begaron par aadhaikaree tha, bhej diya, aur sab israaaeliyon ne asako patthravah kiya, aur vah mar gaya tab rahoobiyaam fauta se apane rath par chaddhkar yarooshalem ko bhag gaya. aur israaael daud ke gharane se fir gaya, aur aj tak fira jua haai. yah sunakar ki yarobam lautt aya haai, samast israaael ne usako mandlee men bulava bhejake, poorn israaael ke upar raja niyukt kiya, aur yahooda ke gootra ko chhodkar daud ke ghaaran se koi mila n raha. jab raobiyaam yarooshalem ko aya, tab us ne yahooda ke poorn gharane ko, aur binyameen ke gootra ko, jo milakar aek lakh assee hajar achchhe yoddha the, ikattha kiya, ki ve israaael ke gharane ke sath ladkar sulaaيمان ke putra rahoobiyaam ke vash men fir rajy kar den. tab parameshvan ka yah vachan parameshvar ke jan shamayah ke pas pahuncha ki ya-

hooda ke raja sulaaيمان ke pu,a rahoobiyaam se, aur yahooda aur binyameen ke sab gharane se, aur sab logon se kah, yahova yon kahata haai, ki gharane bhai israaaeliyon par chaddhai karake yuddh n karo tum apane apane ghar lautt jao, kyonaki yah bat meree hee or se hui haai. yahova ka yah vachan manakar unhon ne usake anusar lautt jane ko apana apana marga liya. tab yarobam aepraaim ke pahadee desh ke shakem nagar ko draddh karake us men rahane laga fir vahanse nikalakar panooael ko bhee draddh kiya. tab yarobam sochane laga, ki ab rajy daud ke gharane ka ho jaaega. yaadi praja ke log yarooshalem men bali karane ko jaae, to unaka man apane svamee yahooda ke raja rahoogiyaam kee or firega, aur ve mujhe ghaat karake yahooda ke raja rahoobiyaam ke ho jaaenge. to raja ne sammati lekar sone ke do bachhde banaae aur logon se kaha, yarooshalem ko jana tumharee shaktai se bahar haai isaliye he israaael apane devataon ko dekho, jo numhen misra desh se dikal laae haain. to us ne aek bachhde ko betel, aur doosare ko dan men sthpit kiya. aur yah bat pap ka karan hui kyonaki log us aek ke samhane dandvat karane ko dan tak jane lage. aur us ne unche sthanon ke bhvan banaa, aur sab prakar ke logon men se jo leveevanshaee n the, yajak ttharaae. fir yarobam ne attven maheene ke pandrahaven din yahooda ke parva ke saman aek parva ihara diya, aur vedee par bali chaddhane laga is reeti us ne betel men apane banaae huae bachhdon ke liye vedee par, baali kiya, aur apane banaae huae unche sthnon ke yajakon ko betel men tthara diya. aur jis maheene kee us ne apane man men kalpana kee thee arthata attven maheene ke pandrahaven din ko vah betel men apanee banai hui vedee ke pas chaddh gaya. us ne israaaeliyon ke liye aek pabrva tthara diya, aur dhoop jalane ko vedee ke pas chaddh gaya.

13

tab yahova se vachan pakar parameshvar ka bak jan yahooda se betel ko aya, aur yarobam dhoop jalane ke liye vedee ke pas khda tha. us jan ne yahova se vachan pakar vedee ke viruddh yon pukara, ki vedee, he vedee ! yahova yon kahata haai, ki sun, daud ke kul men yoshihiyyah nam ek ladka utpann hoga, vah un unche sthnon ke yajakon ko jo tujh par dhoop jalate haai, tujh par bali kar dega aur tujh par panushyon kee haddiyan jalai jaengee. aur us ne, usee din yah kahakar us bat ka aek chi bhee bataya, ki yah vachan jo yahova ne kaha haai, isaka chi yah haai ki yah vedee fatt jaaengee, aur is par kee rakh gir jaaengee. tab aeesa hua ki parameshvar ke jan ka yah vachan sunakar jo us ne betel ke viruddh pukar kar kaha, yarobam ne vedee ke pas se hath baddhakar kaha, usako pad lo tab usaka hath jo usakee or baddhaya gaya tha, sookh gaya aur vah use apanee or kheench n saka. aur vedee fatt gai, aur us par kee rakh gir gai so vah chi poora hua, jo parameshvar ke jan ne yahova se vachan pakar kaha tha. tab raja ne parameshvar ke jan se kaha, apane parameshvar yahova ko mana aur mere liye praarthna kar, ki mera hath jyon ka tyo ho jaae tab parameshvar ke jan ne yahova ko man-aya aur raja ka hath fir jyon ka tyon ho gaya. tab raja ne parameshvar ke jan se kaha, mere sang ghar

chalakar apana praan ttnda kar, aur maain tujhe dan bhee doonga. parameshvar ke jan ne raja se kaha, chahe noo mujhe apana adha ghar bhee de, taubhee tere ghar n chaloonga aur is sthn men maain n to rottee khaunga aur n panee peeunga. kyonaki yahova ke vachan ke dara mujhe yon agyaa milee haai, ki n to rottee khana, aur n panee peena, aur n us marga se lauttna jis se too jaaega. isaliye vah us marga se jise betel ko gaya tha n lauttakar, doosare marga se chala gaya. betel men aek booddha nabee rahata tha, aur usake aek bette ne akar us se un sab kamon ka varnn kiya jo parameshvar ke jan ne us din betel men kiae the aur jo baten us ne raja se kahee thee, unako bhee us ne apane pita se kah sunaya. usake betton ne to yah dekha tha, ki parameshvar ka vah jan jo yahooda se aya tha, kis marga se chala gaya, so unake pita ne un se poochha, vah kis marga se chala gaya? aur us ne apane betton se kaha, mere liye gadahe par kattee bandhaer tab anhon ne gadahe par kattee bandhae, aur vah us par chaddha, aur parameshvar ke jan ke peechhe jakar use aek banjavraksha ke tale baaita hua paya aur us se moochha, parameshvar ka jo jan yahooda se aya tha, kya too vahee haai? us ne kaha ha, vahee hooooo. us ne us se kaha, mere sang ghar chalakar bhojan kara. us ne us se kaha, maain n to tere sang lautt sakata, aur n tere sang ghar men ja sakata hoo aur n maain is sthan men tere sang rottee khaunga, va panee peeunga. kyonaki yahova ke vachan ke dara mujhe yah agyaa milee haai, ki vahan n to rottee khana aur n panee peena, aur jis marga se too jaaega us se n lauttna. us ne kaha, jaaisa too nabee haai vaaisa hee maain bhee nabee hoo aur mujh se ek doot ne yahova se vachan pakar kaha, ki us purush ko apane sang apane ghar lautta le a, ki vah rottee khaa, aur panee pee. yah us ne us se joott kaha. ataev vah usake sang lautt gaya aur usake ghar men rottee khai aur manee peeya. aur jab ve mej par baaithe hee the, ki yahova ka vachan us nabee ke pas pahuncha, jo doosare ko lautta le aya tha. aur us ne parameshvar ke us jan ko jo yahooda se aya tha, pukar ke kaha, yahova yon kahata haai isaliye ki too ne yahova ka vachan n mana, aur jo agyaa tere parameshvar yahova ne tujhe dee thee use bhee naheen mana parantu jis sthan ke vishay us ne tujh se kaha tha, ki us men n to rottee khana aur n panee peena, usee men too ne lautt kar rottee khai, aur panee bhee piya haai is karan toojhe apane purakhaon ke kaabirstan men mittee naheen dee jaaege. jab yah kha pee chuka, tab us ne parameshvar ke us jan ke liye jisako vah lautta le aya tha gadahe par kattee bandhaai. jab vah marga men chal raha tha, to aek sinh use mila, aur usako mar dala, aur usake loth marga par padee rahee, aur gadaha usake pas khda raha aur sinh bhee loth ke pas khda raha. jo log udhar se chale a rahe the unhon ne yah dekh kar ki marga par aek loth padee haai, aur usake pas sinh khda haai, us nagar men jakar jahan vah booddha nabee rahata tha yah samachar sunaya. yah sunakar us nabee ne jo usako marga par se lautta le aya tha, kaha, parameshvar ka vahee jan hoga, jis ne yahova ke vachan ke viruddh kiya tha, is karan yahova ne usako sinh ke panje men padne diya aur yahova ke us vachan ke anusar jo us ne us se kaha tha, sinh ne use faadkar mar dala hoga. tab us ne apane betton se kaha, mere liye gadahe par kat-

tee bandhae jab unhon ne kattee bandhae, tab us ne jakar us jan ke loth marga par padee hui, aur gadahe, aur sinh donon ko loth ke pas khde huae paya, aur yah bhee ki sinh ne n to lauth ko khaya, aur n badahe ko faada haai. tab us booddhe nabee ne parameshvar ke jan ke loth uttakar gadahe par lad lee, aur usake liye chhatee peettne laga, aur use mittee dene ko apane nagar men lautta le gaya. aur us ne usake loth ko apane kaabirstan men rakha, aur log hay, mere bhai ! yah kahakar chhatee peettne lage. fir use mittee dekar us ne apane betton se kaha, jab maain mar jaunga tab mujhe isee kabirstan men rakhna, jis men parameshvar ka yah jan rakha gaya haai, aur merree haddiyan usee kee haddiyan ke pas dhar dena. kyonaki jo vachan us ne yahova se pakar betel kee vedee aur shaenmaron ke nagaron ke sab unche sthanon ke bhvanon ke viruddh pukar ke kaha haai, vah nishchay poora ho jaaega. isake bad yarobam apanee buree chal se n fira. us ne fir sab prakr ke logo men se unche sthanon ke yajak banaa, varan jo koi chahata tha, usaka sanskar karake, vah usako unche sthanon ka yajak hone ko tthara deta tha. aur yah bat yarobam ke gharane ka pap ttharee, is karan usaka vinash hua, aur vah dharatee par se nash kiya gaya.

us samay yarobam ka betta aabiiyah rogee hua. tab yarobam ne apanee sree se kaha, aesa bheshe bana ki koi tujhe pahichan n sake ki yah yarobam kee sree haai, aur shaelo ko chalee ja, vahan to aabiiyah nabee rahata haai jis ne mujh se kaha tha ki too is praja ka raja ho jaaega. usake pas too das rottee, aur papaadiyan aur ek kuppee madha liye huae ja, aur vah tujhe bataega ki ladke ko kya hoga. yarobam kee sree ne vaaisa hee kiya, aur chalakar haelo ko pahunchee aur aabiiyah ke ghar par ai aabiiyah ko to kuchh soojh n padta tha, kyonaki buddhaye ke karan usakee anken dhaundhalee pad gai theen. aur yahova ne aabiiyah se kaha, sun yarobam kee stree tujh se apane bette ke vishay men jo rogee haai kuchh poochhne ko atee haai, too us se ye ye baten kahana vah to akar apane ko doosaree aurat banaaenge. jab aabiiyah ne dar men ate huae usake panv kee ahatt sunee tab kaha, he yarobam kee sree ! bheetar a too apane ko kyon doosaree stree banatee haai? mujhe tere liye bharee sandesh mila haai. too jakar yarobam se kah ki israael ka parameshvar yahova tujh se yon kahata haai, ki maain ne to tujh ko praja men se baddhakar apanee praja israael par pradhaan kiya, aur daud ke gharane se rajy chheenakar tujh ko diya, parantu too mere das daud ke saman n hua jo merree agyaaon ko manata, aur apane poorn man se mere peechhe peechhe chalata, aur keval vahee karata tha jo merree draashti men tteek haai. too ne un sabhon se baddhkar jo tujh se paahile the burai, kee haai, aur jakar paraye devata kee upasana kee aur mooraten ddhalakar banai, jis se mujhe krodhait kar diya aur mujhe to peett ke peechhe faenk diya haai. is karan maain yarobam ke gharane par vipaattai daloonga, varan maain yarobam ke kul men se har aek ladke ko or kya bandhaua, kya svadhaen israael ke madhy har bak rahanevale ko bhee nasht kar daloonga aur

jaaisa koi gobar ko tab tak uttata rahata haai jab tak vah sab utta taheen liya jata, vaaise hee maain yarobam ke gharane ke safaii kar doonga. yarobam ke gharane ka jo koi nagar men mar jaa, usako kutte khaaenge aur jo maaidan men mare, usako akash ke pakshaee kha jaaenge kyonki yahova ne yah kaha haai ! isaliye too utt aur apane ghar ja, aur nagar ke bheetar tere panv padte hee vah balak tar jaaega. use to samast israaelee chhatee peettkar mittee denge yarobam ke santanon men se keval usee ko kabar milegee, kyonki yarobam ke gharane men se usee men kuchh paya jata haai jo yahova israael ke prabhu kee daashtti men bhla haai. fir yahova israael ke liye aek aeesa raja khda karega jo usee din yarobam ke gharane ko nash kar dalega, parantu kaba? yah abhee hoga. kyonaki yahova israael ko aeesa marega, jaaisa jal kee dhaara se narakatt hilaya jata haai, aur vah unako is achchee boomi men se jo us ne unake purakhaon ko dee thee ukhadkar mahanaad ke par tittara-bittar karega kyonki unhon ne ashora tam mooraten apane liye banakar yahova ko krodha dilaya haai. aur un papon ke karan jo yarobam ne kiae aur israael se karaae the, yahova israael ko tyag dega. tab yarobam kee sree bida hokar chalee aur tirajaa ko ai, aur vah bhvan kee devaddhee par jaisie hee pahunchee ki vah balak mar gaya. tab yahova ke vachan ke anusar jo us ne apane das ahiyyah nabee se kahalaya tha, samast israael ne usako mittee dekar usake liye shaek manaya. yarobam ke aur kam arthata us ne kaaisa kaaisa yuddh kiya, aur kaaisa rajy kiya, yah sab israael ke rajaon ke itihasee kee pustak men likha haai. yarobam bais varsha tak rajy karake apane purakhaon ke sath so gaya aur nadab nam usaka putra usake sthan par raja hua. aur sulaaيمان ka putra rahoobiyyam yahooda men rajy karane laga. rahoobiyyam ikatalees varsha ka hokar rajy karane laga aur yarooshaleem jisako yahova ne sare israaeleee gotraen men se apana nam rakhne ke liye chun liya tha, us nagar men vah satrah varsha tak rajy karata raha aur usakee mata ka nam nama tha jo ammonee sree thee. aur yahoodee log vah karane lage jo yahova kee draashtti men bura haai, aur apane purakhaon se bhee aadhaik pap kake usakee jalan bhdikai. unhon ne to sab unche tteelon par, aur sab hare vrakshaen ke tale, unche sthan, aur latte, aur ashora nam mooraten banaa leen . aur unake desh men purushagamee bhee the nidan ve un jaatiyon ke se sab ghainaune kam karate the jinhen yahova ne israaeeliyon ke samhane se nikal diya tha. raja sahoobiyyam ke panchaven varsha men misra ka raja shaeeshak, yarooshaleem par chaddhai karake, yahova ke bhvan kee anamol vastuen aur rajabhvan kee anamol vastuae, sab kee sab utta le gaya aur sone kee jo ddhalen sulaaيمان ne banai theen sab ko vah le gaya. isaliye raja rahoobiyyam ne unake badale peetal kee ddhalen banavai aur unhen paharuon ke pradhaanon ke hath saunp diya jo rajabhvan ke dar kee rakhvalee karate the. aur jab jab raja yahova ke bhvan men jata tha tab tab paharuoe unhen utta le chalate, aur fir apanee kottree men lauttakar rakh dete the. rahoobiyyam ke aur sab kam jo us ne kiae vah kya yahooda ke rajao ke itihasee kee pustak men naheen likhe haain? rahoobiyyam aur yarobam men to sada ladai hotee rahee. aur rahoobiyyam jisakee mata nama nam

aek ammonin thee, apane purakhaon ke sath so gaya aur unheen ke pas daudapur men usako mittee dee gai aur usaka putra ahiyyam usake sthan par rajy karane laga.

nabat ke putra yarobam ke rajy ke attarahaven varsha men aabiyyam yahooda par rajy karane laga. aur vah teen varsha tak yarooshaleem men rajy karata raha. usakee mata ka nam maka tha jo abashaalom kee putraee thee vah vaaise hee papon kee leek par chalata raha jaisie usakee pita ne us se pahilee kiae the aur usaka man apane parameshvar yahova kee or apane paradada daud kee nai pooree reeti se siddh n tha taubhee daud ke karan usake parameshvar yahova ne yarooshaleem men use aek deepak diya arthata usakee putra ko usake bad tharaya aur yarooshaleem ko banaae rakha. kyonaki daud vah kiya karata tha jo yahova kee draashtti men tteek tha aur hittee uriyyah kee bat ke sivy aur kisee bat men yahova kee kisee agyaa se jeevan bhr kabhee n muda. rahoobiyyam ke jeevan bhr to usake aur yarobam ke beech ladai hotee rahee. aabiyyam ke aur sab kam jo us ne kia, kya ve yahooda ke rajaon ke iatihas kee pustak men naheen likhe haain? aur aabiyyam kee yarobam ke sath ladai hotee rahee. nidan aabiyyam apane purakhaon ke sang soya, aur usako daudapur men mittee dee gai, aur usaka putra asa usake sthan par rajy karane laga. israael ke raja yarobam ke beesaven varsha men asa yahooda par rajy karane laga aur yarooshaleem men ikatalees varsha tak rajy karata raha, aur usakee mata aabishaalom kee putraee maka thee. aur asa ne apane moolapurush daud kee nai vahee kiya jo yahova kee draashtti men tteek tha. us ne to purushagamiyon ko desh se nikal diya, aur jitane mooraten usake purakhaon ne banai thee un sabhon ko us ne door kar diya. varan usakee mata maka jis ne ashora ke liye aek ghainaune moorat banai thee usako us ne rajamata ke pad se utar diya, aur asa ne usakee moorat ko katt dala aur kidraen ke nale men foonk diya. parantu unche sthan to ddhaae n gaee taubhee asa ka man jeevan bhr yahova kee or pooree reeti se laga raha. aur jo sona chandee aur patra usake pita ne arpan kiae the, aur jo usane svayan arpan kiae the, un sabhon ko us ne yahova ke bhvan men pahuncha diya. aur asa aur israael ke raja basha ke beech unake jeevan bhr yuddh hota raha aur israael ke raja basha ne yahooda par chaddhai kee, aur rama ko isaliye draddh kiya ki koi yahooda ke raja asa ke pas ane jane n paae. tab asa ne jitana sona chandee yahova ke bhvan aur rajabhvan ke bhndaron men rah gaya tha us sab ko nikal apane karmachaariyon ke hath sonpakar, daamishkavasee aram ke raja benhadad ke pas jo hejyon ka pota aur tabirmmon ka putra tha bhejkar yah kaha, ki jaaisa mere aur tere pita ke madhy men vaaisa hee mere aur tere madhy bhee vacha bandhaee jaae dek, maain tere pas chandee sone kee bhennt bhejata hoo, isaliye a, israael ke raja basha ke sath kee apanee vacha ko ttal de, ki vah mere pas se chala jaae. raja asa kee yah bat manakar benhadad ne apane dalon ke pradhaanon se israaelee nagaron par chaddhai karavakar iyyon, dan, abelvetmaka aur samast kinneret ko aur nap-

aur basha ke vishay yahova ka yah vachan hananee ke putra yehoo ke pas pahuncha, ki maain ne tujh ko mittee par se uttakar apanee praja israaael ka pradhan kiya, parantu too yarobam kee see chal chalata aur meree praja israaael se aeese pap karata aya haai jin se ve mujhe krodha dilate haain. sun, maain basha aur usake gharane kee pooree reeti se safai kar doonga aur tere gharane ko nabat ke putra yarobam ke saman kar doonga. basha ke ghar ka jo koi nagar men mar jaa, usako kutte kha dalenge, aur usaka jo koi maaidan men mar jaa, usako akash ke pakshaee kha dalenge. basha ke aur sab kam jo us ne kia, aur usakee veerata yah sab kya israaael ke rajaon ke iatihas kee pustak men naheen likha haai? nidan basha apane purakhaon ke sang so gaya aur tirsaa men use mittee dee gai, aur usaka putra aela usake sthan par raji karane laga. yahova ka jo vachan hananee ke pu-

aur tishabee aeliyyah jo gilad ke paraeesiyon men se tha us ne ahab se kaha, israaael ka parameshva yahova jisake sammukh maain upasthit rahata hoo, usake jeevan kee shapath in vashan men mere bina kahe, n to menh barasega, aur n os padegee. tab yahova ka yah vachan usake pas pahuncha, ki yahan se chalakar poorab or mukh karake kareet nam nale pen jo yaradan ke samhane haai chhpaai ja. usee nale ka panee too piya kar, aur maain ne kauvon ko agyaa dee haai ki ve toojhe vahan khailaen. yahova ka yah vachan manakar vah yaradan ke samhane ke kareet nam nale men jakar chhpaai raha. aur sabere aur sanjh ko kauve usake pas rottee aur mans laya karate the aur vah nale ka panee piya karata tha. kuchh dinon ke bad us desh men vashara n hone ke karan nala sookh gaya. tab yahova ka yah vachan usake pas pahuncha, ki chalakar seedon ke sarapat nagar men jakar vaheen rah sun, maain ne vahan kee aek vidhava ko tere khailane kee agyaa dee haai. so vah vahan se chal diya, aur sarapat ko gaya nagar ke faattk ke pas pahunchakar us ne kya dekha ki, aek vidhava lakadee been rahee haai, usako bulakar us ne kaha, kisee patra men mere peene ko thoda panee le a. jab vah lene ja rahee thee, to us ne use pukar ke kaha apane hath men aek tukada rottee bhee mere pas letee a. us ne kaha, tere parameshvar yahova ke jeevan kee shapath mere pas ek bhee rottee naheen haai keval ghade men mutthee bhr maaida aur kuppee men thoda sa tel haai, aur maain do ek lakadee beenakar liae jatee hoo ki apane aur apane bette ke liye use pakau, aur ham use khae, fir mar jaen. aeliyyah ne us se kaha, mat dra jakar apanee bat ke anusar kar, parantu paahile mere liye aek chhottee see rottee banakar mere pas le a, fir

isake bad apane aur apane bette ke liye banana. kyon-aki israaael ka parameshvar yahova yon kahata haai, ki jab tak yahova boomi par menh n barasaega tab tak n to us ghade ka maaida chukega, aur n us kuppee ka tel ghattega. tab vah chalee gai, aur aeliyyah ke vachan ke anusar kiya, tab se vah aur sree aur usaka gharana bahut din tak khate rahe. yahova ke us vachan ke anusar jo us ne aeliyyah ke dara kaha tha, n to us ghade ka maaida chuka, aur n us kuppee ka tel ghatt gaya. in baton ke bad us sree ka betta jo ghar kee svaminee thee, rogee hua, aur usaka rog yahan tak baddha ki usaka sans lena band ho gaya. tab vah aeliyyah se kahane lagee, he parameshvar ke jan ! mera tujh se kya kama? kya too isaaliye mere yahan aya haai ki mere bette kee mratyu ka karan ho aur mere pap ka smaran dilaee ? us ne us se kaha apana betta mujhe de tab vah use usakee god se lekar us attaree par le gaya jahan vah svayan rahata tha, aur apanee khatt par litti diya. tab us ne yahova ko pukarakar kaha, he mere parameshvar yahova ! kya too is vidhava ka betta mar dalakar jisake yahan maain ttkai hoo, is par bhee vipaattai le aya haai? tab vah balak par teen bar pasar gaya aur yahova ko pukarakar kaha, he mere parameshvar yahova ! is balak ka praan is men fir dal de. aeliyyah kee yah bat yahova ne sun lee, aur balak ka praan us men fir a gaya aur vah jee utta. tab aeliyyah balak ko attaree par se neechhe ghar men le gaya, aur aeliyyah ne yah kahakar usakee mata ke hath men saunp diya, ki dekhtera betta jeevit haai. sree ne aeliyyah se kaha, ab mujhe nishchay ho gaya haai ki too parameshvar ka jan haai, aur yahova ka jo vachan tere munh se nikalata haai, vah sach hota haai.

bahut dinon ke bad, teesare varsha men yahova ka yah vachan aeliyyah ke pas pahuncha, ki jakar apane apap ko ahab ko dikha, aur maain boomi par menh barasa doonga. tab aeliyyah apane ap ko ahab ko dikhane gaya. us samay shaemaron men akal bharee tha. isaliye ahab ne obadhah ko jo usake gharane ka deevan tha bulavaya. obadhah to yahova ka bhy yahan tak manata tha ki jab ijaebel yahova ke naabiyon ko nash karatee thee, tab obadhah ne aek sau nabiyon ko lekar pachasa-pachas karake gufaanon men chhpaai rakha aur ann jal dekar unaka palana-poshan karata raha. aur ahab ne obadhah se kaha, ki desh men jal ke sab soton aur sab nadiyon ke pas ja, kadachit itanee ghaas mile ki ham ghodon aur khchcharon ko jeeavit bacha sake, aur hamare sab pashu n mar jaaen. aur unhon ne apas men desh bantta ki us men hokar chalen aek or ahab aur doosaree obadhah chala. obadhah marga men tha, ki aeliyyah usako mila use charanh kar vah munh ke bal gira, aur kaha, he mere prabhu aeliyyah, kya too haai? us ne kaha han maain hee hoo jakar apane svamee se kah, ki eliyah mila haai. us ne kaha, maain ne aeesa kya pap kiya haai ki too mujhe marava dalane ke liye ahab ke hath karana chahata haai? tere parameshvar yahova ke jeevan kee shapath koi aeesee jati va rajy nahee, jis men mere svamee ne tujhe ddoondhne ko n bheja ho, aur jab un logon ne kaha, ki vah yahan naheen haai, tab us ne us rajy va jati ko isakee shapath khailai ki aeliyyah

naheen mila. aur ab too kahata haai ki jakar apane svamee se kah, ki aeliyyah mila ! fir jyon hee maain tere pas se chala jaunga, tyon hee yahova ka atma tujhe n jane kahan utta le jaaega, so jab maain jakar ahab ko bataunga, aur too use n milega, tab vah mujhe mar dalega parantu maain tera das apane ladhapan se yahova ka bhy manata aya hoo ! kya mere prabhu ko yah naheen bataya gaya, ki jab ijaebel yahova ke naabiyon ko ghaat karatee thee tab maain ne kya kiya? ki yahova ke nabiyon men se aek sau lekar pachaya-pachay karake gufaaon men chhpaai rakha, aur unhen ann jal dekar palata raha. fir ab too kahata haai, jakar apane svamee se kah, ki aeliyyah mila haai ! tab vah mujhe ghaat karega. aeliyyah ne kaha, senaon ka yahova jisake samhane maain rahata hoo, usake jeevan kee shapath aj maain apane ap ko use dikhaunga. tab obadhah ahab se milane gaya, aur usako bata diya, so ahab aeliyyah se milane chala. aeliyyah ko dekhte hee ahab ne kaha, hee israaael ke satanevale kya too hee haai? us ne kaha, maain ne israaael ko kasht naheen diya, parantu too hee ne aur tere pita ke gharane ne diya haai kyonki tum yahova kee agyaao ko ttalakal bal devataon kee upasana karane lage. ab doot bhejakar sare israaael ko aur bal ke saddhe char sau nabiyon aur ashora ke char sau naabiyon ko jo ijaebel kee mej par khate haai, mere pas kamrmel parvat par ikattha kar le. tab ahab ne sare israaaeliyon ko bula bheja aur naabiyon ko kamrmel parvat par ikattha kiya. aur aeliyyah sab logon ke pas akar kahane laga, tum kab tak do vicharon men lattke rahoge, yadi yahova parameshvar ho, to usake peechhe ho leoe aur yaadi bal ho, to usake peechhe ho leo. logon ne usake uttar men aek bhee bat n kahee. tab aeliyyah ne logon se kaha, yahova ke nabiyon men se keval maain hee rah gaya hoo aur bal ke nabee saddhe char sau manushy haain. isaliye do bachhde lakar hamen diae jae, aur ve aek apane liye chhunakar use ttukade ttukade kattkar lakadee par rakh de, aur kuchh ag n lagaen aur maain doosare bachhde ko taaiyar karake lakadee par rakoon, aur kuchh ag n lagaunga. tab tum to apane davata se praarthna karana, aur maain yahova se praarthna karoon, aur jo ag girakar uttar de vahee parameshvar tthare. tab sab log bol utte, achchhee bata. aur aeliyyah ne bal ke nabiyon se kaha, pahile tum aek bachhda chhunakar taaiyar kar lo, kyonki tum to bahut ho tab apane devata se praarthna karana, parantu ag n lagana. tab unhon ne us bachhde ko jo unhen diya gaya tha lekar taaiyar kiya, aur bhor se lekar dopahar tak vah yah kahakar bal se praarthna karate rahe, ki he bal hamaree sun, hee bal hamaree sun ! parantu n koi shabd aur n koi uttar denevala hua. tab ve apanee banai hui vedee par uchhlane koodane lage. dopahar ko aeliyyah ne yah kahakar unaka ttttha kiya, ki unche shabd se pukaro, vah to devata haai vah to dhyaan lagaee hoga, va kaheen gaya hoga va yatra men hoga, va ho sakata haai ki sota ho aur use jagana chahiae. aur unhon ne bade shabd se pukar pukar ke apanee reeti ke anusar chhuriyon aur baarchhrien se apane apane ko yahan tak ghaayal kiya ki lohoo luhan ho gae. ve dopahar bhr hee kya, varan bhentt chaddhane ke samay tak nabooavatt karate rahe, parantu koi shabd sun n pada aur n to kisee ne uttar diya aur n kan lagaya. tab aeliyyah ne sab logon se kaha, mere nikatt

ao aur sab log usake nikatt aae. tab us ne yahova kee vedee kee jo girai gai thee marammat kee. fir aeliyyah ne yakoob kee putraen kee ginatee ke anusar jisake pas yahova ka yah pachan aya tha, ki tera nam israaael hoga, barah patthar chhantte, aur un patthron se yahova ke nam kee aek vedee banai aur usake charon or itana bada aek gadha khod diya, ki us men do saa beej sama sake. tab us ne vedee par lakadee ko sajaya, aur bachhde ko ttukade ttukade kattkar lakadee par dhar diya, aur kaha, char ghade paneer bhr ke homabaali, pashu aur lakadee par undel do. tab us ne kaha, doosaree bar vaaisa hee karo tab logon ne doosaree bar vaaisa hee kiya. fir us ne kaha, teesaree bar karo tab logon ne teesaree bar bhee vaaisa hee kiya. aur jal vedee ke charon or bah gaya, aur gadhe ko bhee us ne jal se bhr diya. fir bhentt chaddhane ke samay aeliyyah nabee sameep jakar kahane laga, hee ibraaheem, isahak aur israaael ke parameshvar yahova ! aj yah pragatt kar ki israaael men too hee parameshvar haai, aur maain tera das hoo, aur maain ne ye sab kam tajh se vachan pakar kiae haain. hee yahava ! meree sun, meree sun, ki ye log jan len ki hee yahova, too hee parameshvar haai, aur too hee unaka man lautta leta haai. tab yahova kee ag akash se pragatt hui aur homabaali ko lakadee aur patthron aur dhooli samet bhsam kar diya, aur gadhe me jal bhee sukha diya. yah dekh sab log munh ke bal girakar bol utte, yahova hee parameshvar haai, yahova hee parameshvar haai aeliyyah ne un se kaha, bal ke naabiyon ko pakad lo, un men se aek bhee choottte n pae tab unhon ne unako pakad liya, aur aeliyyah ne unhen neeche kishaen ke nale men le jakar mar dala. fir aeliyyah ne ahab se kaha, uttkar kha pee, kyonki bharee vashara kee sanasanahatt sun padtee haai. tab ahab khane peene chala gaya, aur aeliyyah kamrmel kee chottee par chaddh gaya, aur boomi par gir kar apana munh ghautton ke beech kiya. aur us ne apane sevak se kaha, chaddhkar samudra kee or draashtti kar dek, tab us ne chaddhkar dekha aur lautkar kaha, kuchh naheen deekhta. aeliyyah ne kaha, fir sat bar ja. sataveen bar us ne kaha, dekh samudra men se manushy ka hath sa aek chhotta adal utt raha haai. aeliyyah ne kaha, ahab ke pas jakar kah, ki rath jutava kar neeche ja, kaheen aeese n ho ki noo vashara ke karan ruk jae. thodee hee der men akash vayu se udai hui ghattao, aur andhaee se kala ho gaya aur bhree vashara hone lagee aur ahab savar hokar yijrael ko chala. tab yahova kee shaaktai aeliyyah par aeese hui ki vah kamar bandhakar ahab ke age age yijrael tak daudta chala gaya.

tab ahab ne ijaebel ko aeliyyah ke sab kam vistar se bataae ki us ne sab nabiyon ko talavar se kis prakar mar dala. tab ijaebel ne aeliyyah ke pas aek doot ke dara kahala bheja, ki yadi maain kal isee samay tak tera praan unaka sa n kar daloon to devata mere sath vaaisa hee varan us se bhee adhaik karen. yah dekh aeliyyah apana praan lekar bhaga, aur yahooda ke beshba ko pahunchakar apane sevak ko vaheen chhod diya. aur ap jangal men aek din ke marga par jakar aek jha ke ped ke tale baaitt gaya, vahan us ne yah

kah kar apane mratyu manglee ki he yahova bas haai, ab mera praan le le, kyonaki maain apane purakhaon se achchha naheen hoo. chah jha ke ped tale lett kar so gaya aur dekho aek doot ne use chookar kaha, uttkar kha. us ne draashtti karake kya dekha ki mere sirahane patthron par pako ui ek rottee, aur ek surahee paneh dhara haai tab us ne khaya aur piya aur fir lett gaya. doosaree bar yahova ka doot aya aur use chookar kaha, uttkar kha, kyonki tujhe bahut bharee yatra karanee haai. tab us ne uttkar khaya piya aur usee bhajan se bal pakar chalees din rat chhalate chhalate parameshvar ke parvat horeb ko pahuncha. vahan vah aek gufaa men jakar tkai aur yahova ka yah vachan usake pas pahuncha, ki he aeliyyah tera yahan kya kama? un ne uttar diya senaon ke parameshvar yahova ke nimitt mujhe badee jalan hui haai, kyoki israaealoon ne teree vacha al dee, teree bediyon ko gira diya, aur tere nabiyan ko talavar se ghaat kiya haai, aur maain hee akela rah gaya hoo aur ve mere praanon ke bhee khojee haain. us ne kaha, nikalakar yahova ke sammukh parvat par khda ho. aur yahova pas se hokar chala, aur yahova ke samhane ek badee prachand andhaee se pahad fattne aur chattanent toottne lagee, taubhee yahova us andhaee men n tha fir andhaee ke bad boonidol hooa, taubhee yahova us boonidol men n tha. fir boonidol ke bad ag dikhai dee, taubhee yahova us ag men n tha fir ag ke bad aek daba hua dhaeema shabd sunai diya. yah sunate hee aeliyyah ne apana munh char se ddhanpa, aur bahar jakar gufaa ke dar par khda hua. fir aek shabd use sunai diya, ki he aeliyyah tera yahan kya kama? us ne kaha, mujhe senaun ke parameshvar yahova ke nimitt badee jalan hui, kyonaki israaealoon ne teree vacha ttal dee, aur teree vediyon ko gira diya haai aur tere nabiyan ko talavar se ghaat kiya haai aur maain hee akela rah gaya hoo aur ve mere praanon ke bhee khojee haain. yahova ne us se kaha, lauttkar damishk ke jangal ko ja, aur vahan pahunchakar aram ka raja hone ke liye hajaael ka, aur israaael ka raja hone ko nimashae ke pote yehoo ka, aur apane sthan par nabeen hone ke liye abelamahola ke shaapat ke putra aelesha ka aabhaishok karana. aur hajaael ke talavar se jo koi bach jae usako yehoo mar dalega aur jo koi yehoo ke talavar se bach jae usako aelesha mar dalega. taubhee maain sat hajar israaealoon ko bacha rakoonga. ye to ve sab haai, jinhon ne n to bal ke age ghautne tteke, aur n munh se use chooma haai. tab vah vahan se chal diya, aur shaapat ka putra aelesha use mila jo barah jodee baail apane age kiae huae ap barahaveen ke sath hokar hal jot raha tha. usake pas jakar aeliyyah ne apanee char us par dal dee. tab vah baailon ko chhodkar aeliyyah ke peechhe dauda, aur kahane laga, mujhe apane mata-apita ko choomane dee, tab maain tere peechhe chaloonga. us ne kaha, lautt ja, maain ne tujh se kya kiya haai? tab vah usake peechhe se lautt gaya, aur aek jodee baail lekar baali kia, aur baailon ka saman jalakar unaka mans paka ke apane logon ko de diya, aur unhon ne khaya tab vah kamar bandhakar aeliyyah ke peechhe chala, aur usakee seva tthal karane laga.

karane laga. jab yahoshaapat raji karane laga, tab vah paantees varsha ka tha. aur pachees parsha tak yaroshalem men raji karata raha. aur usakee mata ka nam ajooba tha, jo shailhee kee bettee thee. aur usakee chhal sab prakar se usakee pita asa kee see thee, arthat jo yahova kee draashtti men tteek haai vahee vah karata raha, aur us se kuchh n muda. taubhee unche sthan ddhaae n gaa, praja ke log unche sthanon par us samay bhee baali kiya karate the aur dhoop bhee jalaya karate the. yahoshaapat ne israaael ke raja se mel kiya. aur yahoshaapat ke kam aur jo veerate us ne dikhai, aur us ne jo jo ladaiyan kee, yah sab kya yahooda ke rajaon ke itihar kee pustak men naheen likha haai? purushagamiyon men se jo usake pita asa ke dinon men rah gaae the, unako us ne desh men se nash kiya. us samay edam men koi raja n tha ek nayab rajakaj ka kam karata tha. fir yahoshaapat ne tashash ke jahaj sona lane ke liye ooper jane ko banava lia, parantu ve aeshyonageber men toott gaa, asaliye vahan n ja sake. tab ahab ke putra ahajyah ne yahoshaapat se kaha, mere jahaajiyon ko apane jahaajiyon ke sang, jahajon men jane de, parantu yahoshaapat ne inakar kiya. nidan yahoshaapat apane purakhaon ke sang so gaya aur usake purakhaon ke sath usake moolapurush daud ke nabar men mittee dee gai. aur usaka putra yahoram usake sthan par raji karane laga. yahooda ke raja yahoshaapat ke satrahaven varsha men ahab ka putra ahajyah shaemaron men israaael par raji karane laga aur do varsha tak israaael par raji karata raha. aur us ne vah kiya, jo yahova kee draashtti men bura tha. aur usakee chaj usake mata pita, aur nabat ke putra yarobam kee see thee jis ne israaael se pap karavaya tha. jaise usaka pita bal kee upasane aur use dandvat karane se israaael ke parameshvar yahova ko krodhait karata raha vaaise hee ahajyah bhee karata raha.

ahab ke marane ke bad moab israaael ke viruddh ho gaya. aur ahajyah aek jhlaimileedar khaidkee men se, jo shaemaron men usake attaree men thee, gir pada, aur beemar ho gaya. tab us ne dooton ko yah kahakar bheja, ki tum jakar aekron ke balajaboob nam devata se yah poochh ao, ki kya maain is beemaree se bachoonga ki naheen? tab yahova ke doot ne tishabee aeliyyah se kaha, uttkar shaemaron ke raja ke dooton se milane ko ja, aur un se kah, kya israaael men koi parameshvar naheen jo tum aekron ke balajaboob devata se poochhne jate ho? isaliye ab yahova tujh se yon kahata haai, ki jis palang par too pada haai, us par se kabhee n uttega, parantu mar hee jaaega. tab aeliyyah chala gaya. jab ahajyah ke doot usake pas lautt aa, tab us ne un se poochha, tum kyon lautt aae ho? unhon ne us se kaha, ki ek manushy ham se milane ko aya, aur kaha, ki jis raja ne tum ko bheja usake pas lauttkar kaho, yahova yon kahata haai, ki kya israaael men koi parameshvar naheen jo too ekron ke balajaboob devata se poochhne ko bhejate haai? is karan jis palang par too pada haai, us par se kabhee n uttega, parantu mar hee jaaega. us ne un se poochha, jo manushy tum se milane ko aya, aur tum se ye baten kahee, usaka kaaisa ranga-roop tha? unhon ne usako uttar diya, vah to ronar manushy tha aur apaanee kamar men chamade ka faentta bandho huae tha. us ne kaha, vah tishabee aeliyyah hoga. tab us ne usake pas pachas sipaahiyon ke aek pradhaan ko usake pachason sipaahiyon samet bheja. pradhaan ne usake pas jakar kya dekha ki vah pahad kee chottee par baaitta haai. aur us ne us se kaha, he parameshvar ke bhkt raja ne kaha haai, ki too utar a. aeliyyah ne us pachas sipaahiyon ke pradhaan se kaha, yadi maain parameshvar ka bhkt hoo to akash se ag girakar tuijhe tere pachason samet bhm kar dale. tab akash se ag utaree aur use usake pachason samet bhm kar diya. fir raja ne usake pas pachas sipaahiyon ke aek aur pradhaan ko, pachason sipaahiyon samet bhej diya. pradhaan ne us se kaha he parameshvar ke bhkt raja ne kaha haai, ki fauta se too utar a. aeliyyah ne uttar dekar un se kaha, yadi maain parameshvar ka bhkt hoo to akash se ag girakar tuijhe, tere pachason samet bhm kar dale tab akash se parameshvar kee ag utaree aur use usake pachason samet bhm kar diya. fir raja ne teesaree bar pachas sipaahiyon ke aek aur pradhaan ko, pachason sipaahiyon samet bhej diya, aur pachas ka vah teesara pradhaan chaddhkar, aeliyyah ke samhane ghautton ke bal gira, aur gidgida kar us se kahane laga, he parameshvar ke bhkt mera praan aur tere in pachas dason ke praan teree draashti men anamol tharen. pachas pachas sipaahiyon ke jo do pradhaan apane apane pachason samet pahile aae the, unako to ag ne akash se girakar bhm kar dala, parantu ab mera praan teree draashti men anamol thare. tab yahova ke doot ne uliyyah se kaha, usake sang neech ja, us se pat dra. tab aeliyyah uttkar usake sang raja ke pas neech gaya. aur us se kaha, yahova yon kahata haai, ki too ne to aekron ke balajaboob devata se poochhne ko doot bheje the to kya israaael men koi parameshvar naheen ki jis se too poochh sake? is karan too jis palang par pada haai, us

par se kabhee n uttega, parantu mar hee jaaega. yahova ke is vachan ke anusar jo aeliyyah ne kaha tha, vah mar gaya. aur usake santan n hone ke karan yahoram usake sthan par yahooda ke raja yahoshaapat ke putra yahoram ke doosare varsha men rajy karane laga. ahajyah ke aur kam jo us ne kiae vah kya israaael ke rajaon ke itihasee kee pustak men naheen likhe haain?

yahooda ke raja yahoshaapat ke attarahaven varsha men ahab ka putra yahoram shaimaron men rajy karane laga, aur barah parsha tak rajy karata raha. us ne vah kiya jo yahova kee draashtti men bura haai naubhee us ne apane mata-pita ke barabar naheen kiya varan apane pita kee banavai hui bal kee latt ko door kiya. taubhee vah nabat kee putra yarobam ke aeese papon men jaaise us ne israaael se bhee karaae lipatta raha aur un se n fira. moab ka raja mesha bahut see bhed-bakaariyan rakhta tha, aur israaael ke raja ko aek lakh bachche aur aek lakh meddhon ka un kar kee reeat se diya karata tha. jab ahab mar gaya, tab moab ke raja ne israael ke raja se bal-ava kiya. us samay raja yahoram ne shaemaron se nikalakar sare israael kee ginatee lee. aur us ne jakar yahooda ke raja yahoshaapat ke pas yon kahala bheja, ki moab ke raja ne mujh se balava kiya haai, kya too mere sang moab se ladne ko chalega? us ne kaha, han maain chaloonga, jaaisa too vaaisa maai, jaaisee teree praja vaaisee meree praja, aur jaaise tere dhaede vaaise mere bhee ghaede haain. fir us ne poochha, ham kis marga se jaaen? us ne uttar diya, aedom ke jangal se hokara. tab israael ka raja, aur yahooda ka raja, aur aedom ka raja chale aur jab sat din tak dhoomakar chal chuke, tab sena aur usake peechhe peechhe chalaneevalee pashuon ke liye kuchh panee n mila. aur israael ke raja ne kaha, hay ! yahova ne in teen rajaon ko isaaliye ikattha kiya, ki unako moab ke hath men kar de. parantu yahoshaapat ne kaha, kya

yahan yahova ka koi nabee naheen haai, jisake dara ham yahova se poochhen? israaael ke raja ke kisee karmacharee ne uttar dekar kaha, ha, shaapat ka putra aelesha jo aeliyyah ke hathon ko dhaulaya karata tha vah to yahan haai. tab yahoshaapat ne kaha, usake pas yahova ka vachan pahuncha karata haai. tab israaael ka raja aur yahoshaapat aur aedom ka raja usake pas gaae. tab aelesha ne israaael ke raja se kaha, mera tujh se kya kam haai? apane pita ke bhavishyadvaktaon aur apanee mata ke naabiyon ke pas ja. israaael ke raja ne us se kaha, aeesa n kah, kyonaki yahova ne in teenon rajaon ko isaaliye ikattha kiya, ki inako moab ke hath men kar de. aelesha ne kaha, senaon ka yahova jisake sammukh maain upasthiat raha karata hoo, usake jeevan kee shapath yadi maain yahooda ke raja yahoshaapat ka adar man n karata, to maain n to teree or muh karata aur n tujh par draashtti karata. ab koi bajavaaiyya mere pas le ao. jab bajavaaiyya bajane laga, tab yahova kee shaaktai aelesha par iui. aur us ne kaha, is nale men tum log itana khodo, ki is men gadhe hee gadhe ho jaaen. kyonaki yahova yon kahata haai, ki tumhare samhane n to vayu chalegee, aur n vashara hogee taubhee yah nala panee se bhr jaaega aur apate gay baailon aur pashuon samet tum peene paoge. aur isako hala-kee see bat janakar yahova moab ko bhee tumhare hath men kar dega. tab tum sab gaddhvale aur uttam nagaron ko nash karana, aur sab achchhe vrakshaen ko katt dalana, aur jal ke sab kheton ko bhr dena, aur sab achchhe kheton men patthr faenkakar unhen bigad dena. vihan ko annabaali chaddhane ke samay aedom kee or se jal bah aya, aur desh jal se bhr gaya. yah sunakar ki rajaon ne ham se yuddh karate ke liye chaddhai kee haai, jitane moabiyaon kee avastha hathaiyar bandhane yogy thee, ve sab bulakar ikatthe kiae gaa, aur sivane par khde hue. bihan ko jab ve utte us samay soorya kee kiranon us jal par aeesee padeen ki vah moabiyaon kee paralee or se lohoo sa laal dikhai pada. to ve kahane lage vah to lohoo hoga, nisandeh ve raja aek doosare ko marakar nash ho gaae haai, isaaliye ab hee moabiyo loott lene ko jao aur jab ve israaael kee chhavanee ke pas aae hee the, ki israaaelee uttkar moabiyaon ko marane lage aur ve unake samhane se bhag gaae aur ve moab ko marate marate unake desh men pahunch gaae. aur unhon ne nagaron ko ddha diya, aur sab achchhe kheton men aek aek purush ne apana apana matthr dal kar unhon bhr diya aur jal ke sab soton ko bhr diya aur sab achchhe achchhe vrakshaen ko katt dala, yahan tak ki keerhareshot ke patthr to rah gaa, parantu usako bhee charon or gofan chalaneevalon ne jakar mara. yah dekhkar ki ham yuddh men har chale, moab ke raja ne sat sau talavar rakhnevalee purush sang lekar aedom ke raja tak panti cheerakar pahunchane ka yatn kiya parantu pahunch n saka. tab us ne apane jette putra ko jo usake sthan men rajy karanevala tha pakadkar shaharapanah par homabaali chaddhaya. is karan israaael par bada hee krodh hua, so ve use chhodkar apane desh ko lautt gaae.

bhavishtyadvktaon ke chelon kee paatnaiyon men se aek sree ne aeleesha kee dohai dekar kaha, tera das mera paati mar gaya, aur too janata haai ki vah yahova ka bhy pananevala tha, aur jisaka vah karjadar tha vah aya haai ki mere donon putraen ko apane day banane ke liye le jaee. aeleesha ne us se poochha, maain tere liye kya karoon? mujh se kah, ki tere ghar men kya haai? us ne kaha, teree dasee ke ghar men aek handee tel ko chhod aur kuchh taheen haai. us ne kaha, too bahar jakar apanee sab padosinon se khalee baratan mang le a, aur thode baratan n lana. fir too apane betton samet apane ghar men ja, aur dar band karaken un sab baratanon men tel undel dena, aur jo bhr jaee unhen alag rakhna. tab vah usake pas se chalee gai, aur apane betton samet apane ghar jakar dar band kiya tab ve to usake pas baratan late gaee aur vah undelatee gai. jab baratan bhr gaa, tab us ne apane bette se kaha, mere pas aek aur bhee le a, us ne us se kaha, aur baratan to naheen raha. tab thm us gaya. tab us ne jakar parameshvar ke bhkt ko yah bata diya. or us ne kaha, ja tel bechakar ren bhr de aur jo rah jaa, us se too apane putraen sahit apana nirvah karana. fir aek din kee bat haai ki aeleesha shooneem ko gaya, jahan aek kuleen sree thee, aur us ne use rottee khane ke liye binatee karake vivash kiya. aur jab jab vah udhar se jata, tab tab vah vahan rottee khane ko utarata tha. aur us sree ne apane paati se kaha, sun yah jo bar bar hamare yahan se hokar jaya karata haai vah mujhe parameshvar ka koi pavitra bhkt jan padta haai. to ham bheet par aek chhottee uparauttee kottree banaae, aur us men usake liye aek khat, aek mej, aek kusa aur aek deevatt rakhe, ki jab jab vah hamare yahan aa, tab tab usee men ttikai kare. aek din kee bat haai, ki vah vahan jakar us uparauttee kottree men ttikai aur usee men lett gaya. aur us ne apane sevak gehajee se kaha, us shuuneamin ko bula le. usake bulane se vah usake samhane khdee hui. tab us ne gehajee se kaha, is se kah, ki too ne hamare liye aeesee badee chinta kee haai, to tere liye kya kiya jaaee? kya teree charcha raja, va pradhaan senapaati se kee jaaee? us ne uttar diya maain to apane hee logon men rahatee hoo. fir us ne kaha, to isake liye kya kiya jaaee? gehajee ne uttar diya, nishchay usake koi ladka nahee, aur usaka pati boodha haai. us ne kaha, usako bula le. aur jab us ne use bulaya, tab vah dar men khdee hui. tab us ne kaha, basant retu men din poore hone par too aek betta chhatee se lagaagee. sree ne kaha, he mere prabhu ! he parameshvar ke bhkt aeese nahee, apanee dasee ko dhaekha n de. aur sree ko garbh raha, aur vasant retu ka jo samay aeleesha ne us se kaha tha, usee samay jab din poore hua, tab usake putra utpann hua. aur jab ladka bada ho gaya, tab aek din vah apane pita ke pas lavanevalon ke nikatt nikal gaya. aur us ne apane pita se kaha, ah ! mera sir, ah ! mera sira. tab pita ne apane sevak se kaha, isako isakee mata ke pas le ja. vah use uttakar usakee mata ke pas le gaya, fir vah dopahar tak usake ghautton par baaita raha, tab mar gaya. tab us ne chaddhkar usako parameshvar ke bhkt kee khatt par litti diya, aur nikalakar kivat band kiya, tab utar gai. aur us ne apane paati se pukarakar kaha, mere pas aek sevak aur aek gadahee turant bhej de ki

maain parameshvar ke bhkt ke yahan jhtt patt ho aun. us ne kaha, aj too usake yahan kyon jaegee? aj n to nayee chand ka, aur n vishraam ka din haai us ne kaha, kalyan hoga. tab us sree ne gadahee par kattee bandha kar apane sevak se kaha, hanke chala aur mere kahe bina hankane men ddhlaiai n karana. to vah chalate chalate karmel parvat ko parameshvar ke bhkt ke nikatt pahunchee. use door se dekhkar parameshvar ke bhkt ne apane sevak gehajee se kaha, dek, udhar to vah shooneemin haai. ab us se milane ko daud ja, aur us se pooch, ki too kushal se haai? tera paati bhee kushal se haai? aur ladka bhee kushal se haai? poochhne par sree ne uttar diya, ha, kushal se haain. vah pahad par parameshvar ke bhkt ke pas pahunchee, aur usake panv pakadne lagee, tab gehajee usake pas gaya, ki use dhakka dekar hatta, parantu parameshvar ke bhkt ne kaha, use chhod de, usaka man yyakul haai parantu yahova ne mujh ko naheen bataya, chhapi hee rakha haai. tab vah kahane lagee, kya maain ne apane prabhu se putra ka var manga tha? kya maain ne n kaha tha mujhe dhaekha n de? tab aeleesha ne gehajee se kaha, apanee kamar bandha, aur meree chhdee hath men lekar chala ja, marga men yaadi koi tuijhe mile to usaka kushal n poochhna, aur koi tera kushal poochhe, to usako uttar n dena, aur meree yah chhdee us ladke ke munh par dhar dena. tab ladke kee man ne aeleesha se kaha, yahova ke aur tere jeevan kee shapath maain tuijhe n chhodoongee. to vah uttkar usake peechhe peechhe chala. un se paahile pahunchakar gehajee ne chhdee ko us ladke ke munh par rakha, parantu koi shabd n sun pada, aur n us ne kan lagaya, tab vah eeleesha se milane ko lautt aya, aur usako batalaadiya diya, ki ladka naheen jaga. jab aeleesha ghar men aya, tab kya dekha, ki ladka mara hua usakee khatt par pada haai. tab us ne akela bheetar jakar kivat band kiya, aur yahova se praarthna kee. tab vah chaddhkar ladke par is reati se lett gaya ki apana munh usake munh se aur apanee ankhen usakee ankhen se aur apane hath usake hathon se mila diye aur vah ladke par pasar gaya, tab ladke kee deh garma hone lagee. aur vah use chhodkar ghar men idhar udhar tthalane laga, aur fir chaddhkar ladke par pasar gaya tab ladke ne sat bar chheenka, aur apanee ankhen kholeen. tab aeleesha ne gehajee ko bulakar kaha, shooneamin ko bula le. jab usake bulane se vah usake pas ai, tab us ne kaha, apane bette ko utta le. vah bheetar bai, aur usake pavon par gir boomi tak jhukakar dandvat kiya fir apane bette ko uttakar nikal gai. tab aeleesha gilagal ko lautt gaya. us samay desh men akal tha, aur bhvishtyadvktaon ke chele usake samhane baaitte huae the, aur us ne apane sevak se kaha, handa chaddhkar bhvishtyadvktaon ke chelon ke liye kuchh paka. tab koi maaidan men sag todne gaya, aur us jangalee lata pakar apanee ankavar bhr indraayan tod le aya, aur faank faank karake pakane ke liye hande men dal diya, aur ve usako n pahichanate the. tab unhon ne un manushyon ke khane ke liye hande men se parosa. khate samay ve chillakar bol utte, he parameshvar ke bhkt hande men mahur haai, aur ve us men se kha n sake. tab aeleesha ne kaha, achchha, kuchh maaida le ao, tab us ne use hande men dal kar kaha, un logon ke khane ke liye paros de, fir hande men kuchh hani kee vastu n rahee.

aur koi patushy balashaaleesha se, pahile upaje huae jav kee bees rottyaia, aur apanee boree men haree balen parameshvar ke bhkt ke pas le aya to aeleesha ne kaha, un logon ko khane ke liye de. usake thhaluae ne kaha, kya maain sau manushyon ke samhane itana hee rakh doon? us ne kaha, logon ko de de ki khe, kyonki yahova yon kahata haai, unake khane ke bad kuchh bach bhee jaega. tab us ne unake age dhar diya, aur yahova ke vachan ke anusar unake khane ke bad kuchh bach bhee gaya.

aram ke raja ka naman nam senapati apane svamee kee drashtti men bada aur pratishtit pumsh tha, kyonki yahova ne usake dara aramyon ko vijayee kiya tha, aur yah shooraveer tha, parantu koddhee tha. aramee loeg dal bandhakar israaael ke desh men jakar vahan se aek chhottee ladkee bandhauvai men le aae the aur vah naman kee patnee kee vas karatee thee. us ne apanee svamin se kaha, jo mera svamee shaemaron ke bhavishyadvkta ke pas hota, to kya hee achchha hota ! kyonaki vah usako koddh se changa kar deta. to kisee ne usake prabhu ke pas jakar kah diya, ki israaalee ladkee is prakas kahatee haai. aram ke raja ne kaha, too ja, maain israaael ke raja ke pas aek patra bhejoonga tab vah das kikkar chandee aur chhhajar ttukade sona, aur das jode kapade sath lekar ravana ho gaya. aur vah israaael ke raja ke pas vah patra le gaya jis men yah likha tha, ki jab yah patra tuihe mile, tab janana ki maain ne naman nam apane aek karmacharee ko tere pas isaaliye bheja haai, ki too usaka koddh door kar de. is patra ke pad-dhne par israaael ka raja apane vasr faadkar bola, kya maain maranevala aur jilanevala parameshvar hoo ki us purush ne mere pas kisee ko isaaliye bheja haai ki maain usaka koddh door karoon? soch vichar to karo, vah mujh se jhgade ka karan ddoondhdhta hoga. yah sunakar ki israaael ke raja ne apane vasr faade haai, parameshvar ke bhkt aeleesha ne raja ke pas kahala bheja, too ne kyon apane vasr faade haain? vah mere pas aa, tab jan lega, ki israaael men bhavishyadvkta to haai. tab naman dhaedon aur rathon samet aeleesha ke dar par akar khda hua. tab aeleesha ne aek doot se usake pas yah kahala bheja, ki too jakar yaradan men sat bar dubakee mar, tab tera sha-reer jyon ka tyon ho jaega, aur too shuuddh hoga. parantu naman krodhait ho yah kahata hua chala gaya, ki maain ne to socha tha, ki avashy vah mere pas bahar aega, aur khda hokar apane parameshvar yahova se praarthna karake koddh ke sthan par apana hath faerakar koddh ko door karega ! kya damishk kee abana aur parpar nadiyan israaael ke sab jalashayon se attam naheen haain? kya maain un men snan karake shuuddh naheen ho sakata hoo? isaaliye vah jalajalahatt se bhra hua lauttakar chala gaya. tab usake sevak pas akar kahane lage, he hamare pita yaadi bhvishyadvkta tuihe koi bharee kam karane kee agyaa deta, to kya too use n karata? fir jab yah kahata haai, ki snan karake shuuddh ho ja, to kitana dhaaik ise manana chaahiye. tab us ne parameshvar ke bhkt ke vachan ke anusar yaradan ko jakar us men sat bar dubakee maree, aur usaka shareer chhotte ladke ka

sa ho gaya aur vah shuuddh ho gaya. tab vah apane sab dal bal samet parameshvar ke bhkt ke yahan lautt aya, aur usake sammukh khda hokar kahane laga sun, ab maain ne jan liya haai, ki samast prathvee men israaael ko chhod aur kaheen parameshvar naheen haai. isaaliye ab apane das kee bhentti grahan kara. aeleesha ne kaha, yahova jisake sammukh maain upasthiat rahata hoo usake jeevan kee shapath maain kuchh bhentti n loonga, aur jab us ne usako bahut vavash kiya ki bhentti ko grahan kare, tab bhee vah in-akar hee karata raha. tab naman ne kaha, achchha, to tere das ko do khchchar mittee mile, kyonaki age ko tera das yahova ko chhod aur kisee ishvar ko homa-bali va melabali n chaddhaaega. aek bat to yahova tere das ke liye kshama kare, ki jab mera svamee rimmon ke bhvan men dandvat karane ko jaa, aur vah mere hath ka sahara le, aur yon mujhe bhee rimmon ke bhvan men dandvat karanee pade, tab yahova tere das ka yah kam kshama kare ki maain rimmon ke bhvan men dandvat karoon. us ne us se kaha, kushal se bida ho. vah usake yahan se thodee door jala gaya tha, ki parameshvar ke bhkt aeleesha ka sevak gehajee sochane laga, ki mere svamee ne to us aramee naman ko aeesa hee chhod diya haai ki jo vah le aya tha usako us ne n liya, parantu yahova ke jeevan kee shapath maain usake peechhe daudkar us se kuchh n kuchh le loonga. tab gehajee naman ke peechhe dauda, aur naman kisee ko apane peechhe daudta hooa dekhkar, us se milane ko rath se utar pada, aur poochha, sab kushal kshom to haai? us ne kaha, ha, sab kushal haai parantu mere svamee ne mujhe yah kahane ko bheja haai, ki epraaim ke pahadee desh se bhvishyadvktaon ke chelon men se do javan mere yahan ab-hee aae haai, isaadiye unake liye ek kikkar chandee aur do jode vasr de. naman ne kaha, do kikkar lene ko prasann ho, tab us ne us se bahut binatee karake do kikkar khndee alag thailiyon men bandhakar, do jode vasr samet apane do sevakon par lad diya, aur ve unhen usake age age le chale. jab vah tteele ke pas pahuncha, tab us ne un vastuon ko un se lekar ghar men rakh diya, aur un manushyon ko bida kiya, aur ve chale gaae. aur vah bheetar jakar, apane svamee ke samhane khda hua. aeleesha ne us se poochha, he gehajee too kahan se ata haai? us ne kaha, tera das to kaheen naheen gaya, us ne us se kaha, jab vah purush idhar munh faerakar tuij se milane ko apane rath par se utara, tab vah poora hal mujhe maloom tha kya yah samay chandee va vasr va jalapai va dakh kee baariya, bhed-bakaariya, gayabaail aur dasa-dasee lene ka haai? is karan se naman ka koddh tuihe aur tere vansh ko sada laga rahega. tab vah him sa shvet koddhee hokar usake samhane se chala gaya.

aur bhavishyadvktaon ke chelon men se kisee ne aeleesha se kaha, yah sthan jis men ham tere samhane rahate haai, vah hamare liye sakat haai. isaaliye ham yaradan tak jaae, aur vahan se aek aek ballee lekar, yahan apane rahane ke liye aek sthan bana len us ne kaha, achchha jao. tab kisee ne kaha, apane dason ke sang chalane ko prasann ho, us ne kaha, chalata hoo. to vah unake sang chala aur ve yaradan ke teer

pahunchakar lakadee kattne lage. parantu jab aek jan ballee katt raha tha, to kulhadee bentt se nikalakar jal men gir gai so vah chillakar kahane laga, hay ! mere prabhu, vah to manganee kee thee. parameshvar ke bhkt ne poochha, vah kahan giree? jab us ne sthan dikhaya, tab us ne aek lakadee kattkar vahan dal dee, aur vah laha paneer par taairane laga. us ne kaha, use utta le, tab us ne hath baddhakar use le liya. oair aram ka jaja israael se yuddh kar raha tha, aur sammati karake apane karmachariyon se kaha, ki amuk sthan par meree chhavanee hogee. tab parameshvar ke bhkt ne israael ke raja ke pas kahala bheja, ki chaukasee kar aur amuk sthan se hokar n jana kyonaki vahan aramee chaddhai karanevale haain. tab israael ke raja ne us sthan ko, jisakee charcha karake parameshvar ke bhkt ne use chitaya tha, bhejkar, apanee raksha kee aur us prakar aek do bar naheen varan bahut bar hua. is karan aram ke raja ka man bahut ghabara gaya so us ne apane karmachariyon ko bulakar un se poochha, kya tum mujhe n bataoge ki ham logon men se kaun israael ke raja kee or ka haai? usake aek karmacharee ne kaha, he mere prabhu ! he raja ! aeesa nahee, aeleesha jo israael men bhvishyadvkta haai, vah israael ke raja ko ve baten bhee bataya karata haai, jo too shayan kee kottree men bolata haai. raja ne kaha, jakar dekho ki vah kahan haai, tab maain bhejkar use pahadva mangaunga. aur usako yah samachar mila ki vah dotan men haai. tab us ne vahan ghaedon aur rathon samet aek bharee dal bheja, aur unhon ne rat ko akar nagar ko ghor liya. bhor ko parameshvar ke bhkt ka tthalua utta aur nikalakar kya dekhta haai ki ghaedon aur rathon samet aek dal nagar ko ghore huae pada haai. aur usake sevak ne us se kaha, hay ! mere svamee, ham kya karen? us ne kaha, mat dra kyonaki jo hamaree or haai, vah un se adhaik haai, jo unakee or haain. tab aeleesha ne yah praarthna kee, he yahova, isakee anken khol de ki yah dekh sake. tab yahova ne sevak ke anken khol dee, aur jab vah dekh saka, tab kya dekha, ki aeleesha ke charon or ka pahad aagnaimay ghaedon aur rathon se bhra hua haai. jab aramee usake pas aa, tab aeleesha ne yahova se praarthna kee ki is dal ko andha kar dala. aeleesha ke is vachan ke anusar us ne unhen andha kar diya. tab aeleesha ne un se kaha, yah to marga naheen haai, aur n yah nagar haai, mere peechhe ho lo maain tumhen us panushy ke pas jise tum ddoondh rahe ho pahunchaunga. tab us ne unhen shaemaron ko pahuncha diya. jab ve shaemaron men a gaa, tab aeleesha ne kaha, he yahova, in logon kee anken khol ki dekh saken. tab yahova ne unakee anken kholee, aur jab ve dekhne lage tab kya dekha ki ham shaemaron ke madhy men haain. unako dekhkar israael ke raja ne eeleesha se kaha, he mere pita, kya maain inako mar loon? maain unako mar loon? us ne uttar diya, mat mara. kya too unako mar diya karata haai, jinako too talavar aur dhanush se bandhaua bana leta haai? too unako aain jal de, ki kha peekar apane svamee ke pas chale jaen. tab us ne unake liye badee jevanar kee, aur jab ve kha pee chuke, tab us ne unhen bida kiya, aur ve apane svamee ke pas chale gae. isake bad aram ke dal israael ke desh men fir n aae. parantu isake bad aram ke raja bennhadad ne apanee samast sena ikatthee karake, shaemaron par chaddhai

kar dee aur usako ghor liya. tab shaemaron men bada akal pada aur vah aeesa ghaira raha, ki ant men aek gadahe ka sir chandee ke assee ttukadon men aur kab kee chauthai bhr kabootar kee beett panch ttukadee chandee tak bikane lagee. aur israael ka raja shaharapanah par tthal raha tha, ki aek sree ne pukar ke us se kaha, he prabhu, he raja, bacha. us ne kaha, yadi yahova tujhe n bachaa, to maain kahan se tujhe bachaun? kya khlihan men se, va dakhras ke kund men se? fir raja ne us se poochha, tujhe kya hua? us ne uttar diya, is sree ne mujh se kaha tha, mujhe apana betta de, ki ham aj use kha le, fir kal maain apana betta doongee, aur ham use bhee khaengee. tab mere bette ko pakakar ham ne kha liya, fir doosare din jab maain ne is se kaha ki apana betta de ki ham use kha le, tab is ne apane bette ko chhpaai rakha. us sree kee ye baten sunate hee, raja ne apane vasr faade vah to shaharapanah par tthal raha tha, jab logon ne dekha, tab unako yah dekh pada ki vah bheetar apanee deh par ttatt paahine haai. tab vah bol utta, yadi maain shaa-pat ke vutra aeleesha ka sir aj usake ghad par rahane doo, to parameshvar mere sath aeesa hee varan is se bhee adhaik kare. aeleesha apane ghar men baaitta hua tha, aur puraaniye bhee usake sang baaitte the. so jab raja ne apane pas se aeb jan bheja, tab us doot ke pahunchane se paahile us ne puraniyon se kaha, dekho, is koonee ke bette ne kisee ko mera sir kattte ko bheja haai isaliye jab vah doot aa, tab kivad band karake roke rahana. kya usake svamee ke panv kee ahatt usake peechhe naheen sun padtee? vah un se yon baten kar hee raha tha ki doot usake pas a pahuncha. aur raja kahane laga, yah vipaattai yahova kee or se haai, ab maain age ko yahova kee batt kyon johata rahoon?

tab aeleesha ne kaha, yahova ka vachan suno, yahova yon kahata haai, ki kal isee samay shaemaron ke faattk men saa bhr maaida aek shokel men aur do saa jav bhee aek shokel men bikega. tab us saradar ne jisake hath par raja taakiya karata t, parameshvar ke bhkt ko uttar dekar kaha, sun, chahe yahova akash ke jhrokhe khole, taubhee kya aesee bat ho sakegee? us ne kaha, sun, too yah apanee ankhon se to dekhega, parantu us ann men se kuchh khane n paaega. aur char koddhee faattk ke bahar the ve apas men kahane lage, ham kyon yahan baaitte baaitte mar jaen? yaadi ham kahe, ki nagar men jaee, to vahan mar jaengee kyonaki vahan manhagee padee haai, aur jo ham yaheen baaitte rahe, taubhee mar hee jaenge. to ao ham aram kee sena men pakade jaen yaadi ve ham ko jilaae rakhen to ham jeevit ranenge, aur yaadi ve ham ko mar dale, taubhee ham ko marana hee haai. tab ve sanjh ko aram kee chhavanee men jane ko chale, aur aram kee chhavanee ke chhor par pahunchakar kya dekha, ki vahan koi naheen haai. kyonaki prabhu ne aram kee sena ko rathon aur ghaedon kee aur bharee sena kee see ahatt sunai thee, aur ve apas men kahane lage the ki, suno, israael ke raja ne hittee aur misraee rajaon ko betan par bulavaya haai ki ham par chaddhai karen. isaliye ve sanjh ko uttkar aese bhag gaa, ki apane dere, ghaede, gadahe, aur chhavanee

jaaisee kee taaisee chhod-chhad apana apana praan lekar bhag gaee. to jab ve koddhee chhavanee kee chhor ke deron ke pas pahunchhe, tab aek dere men ghausakar khaya piya, aur us men se chandee, sona aur vasr le jakar chhpai rakha fir lauttakar doosare dere men ghaus gaee aur us men se bhee le jakar chhpai rakha. tab ve apas men aek kahane lage, jo ham kar rahe haain vah achchha kam naheen haai, yah anand ke samachar ka din haai, parantu ham kisee ko naheen batate. jo ham pah fattne tak tthare rahen to ham ko dand milega so ab ao ham raja ke gharane ke pas jakar yah bat batala den. tab ve chale aur nagar ke chaukeedaron ko bulakar bataya, ki ham jo aram kee chhavanee men gaa, to kya dekha, ki vahan koi naheen haai, aur manushy kee kuchh ahatt naheen haai, keval bandho hooae ghaede aur gadahe haai, aur dere jaaise ke taaise haain. tab chaukeedaron ne pukar ke rajabhvan ke bheetar samachar diya. aur raja rat hee ko uttha, aur apane karmachariyon se kaha, maain tumhen batata hoo ki araamiyon ne ham se kya kiya haai? ve janate haai, ki ham log bookhe haain is karan ve chhavanee men se maaidan men chhpane ko yah kahakar gaee haai, ki jab ve nagar se nikalenge, tab ham unako jeevit hee pakadkar nagar men ghausane paaenge. parantu raja ke kisee karmacharee ne uttar dekar kaha, ki jo ghaede tagar men bach rahe haain un men se log panch ghaede le, aur unako bhejakar ham hal jan len. ve to israaalee kee sab bheed ke saman haain jo nagar men rah gaee haain varan israaalee kee jo bheed mar mitt gai haai ve usee ke saman haain. so unhon ne do rath aur unake ghaede liye, aur raja ne unako aram kee seena ke peechhe bheja aur kaha, jao, dekho. tab ve yaranan tak unake peechhe chale gaa, aur kya dekha, ki poora marga vasren aur patraen se bhra pada haai, jinhen araamiyon ne utavalee ke mare faenk diya tha tab doot lautt aa, aur raja se yah kah sunaya. tab logon ne nikalakar aram ke deron ko loott liya aur yahova ke vachan ke anusar aek saa maaida aek shokel me, aur do saa jav aek shokel men bikane laga. aur raja ne us saradar ko jisake hath par vah takiya karata tha faattk ka adhaikaree ttharaya tab vah faattk men logon ke pavon ke neeche dabakar mar gaya. yah parameshvar ke bhkt ke us vachan ke anusar hua jo us ne raja se usake yahan aane ke yamay kaha tha. parameshvar ke bhkt ne jaaisa raja se yah kaha tha, ki kal isee samay shamaron ke faattk men do saa jav aek shokel me, aur aek saa maaida aek shokel men bikega, vaaisa hee hua. aur us saradar ne parameshvar ke bhkt ko, uttar dekar kaha tha, ki sun chahe yahova akash men jhrokhe khole taubhee kya aeese bat ho sakegee? aur us ne kaha tha, sun, too yah apanee ankhon se to dekhega, parantu us ann men se khane n paagea. so usake sath tteek vaaisa hee hua, ataaev vah faattk men logon ke panvon ke neeche dabakar mar gaya.

jis sree ke bette ko aelesha ne jilaya tha, us se us ne kaha tha ki apane gharane samet yahan se jakar jahan kaheen too rah sake vahan raha kyonki yahova kee ichchha haai ki akal pade, aur vah is desh men sat varsha tak bana rahega. parameshvar ke bhkt ke is

vachan ke anusar vah sree apane gharane samet palishtaiyon ke desh men jakar sat varsha rahee. sat varsha ke beetane par vah palishtaiyon ke desh se lautt ai, aur apane ghar aur boomi ke liye dohai dene ko raja ke pas gai. raja parameshvar ke bhkt ke sevak gehajee se baten kar raha tha, aur us ne kaha ki jo bade bade kam aelesha ne kiye haain unahen mujh se varn kar. jab vah raja se yah varn kar hee raha tha ki aelesha ne aek murde ko jilaya, tab jis sree ke bette ko us ne jilaya tha vahee akar apane ghar aur boomi ke liye dohai dene lagee. tab gehajee ne kaha, he mere prabhu! he raja! yah vahee sree haai aur yahee usaka betta haai jise aelesha ne jilaya tha. jab raja ne stree se moochha, tab us ne us se sab kah diya. tab raja ne aek hakim ko yah kahakar usake sath kar diya ki lo kuchh isaka tha varan jab se is ne desh ko chhod diya tab se isake khet kee jitanee amadanee ab tak hui ho sab isee faer de. aur aelesha daamishak ko gaya. aur jab aram ke raja benhadad jo rogee tha yah samachar mila, ki parameshvar ka bhkt yahan bhee aya haai, tab us ne hajaan se kaha, bhentt lekar parameshvar ke bhkt se milane ko ja, aur usake dara yahova se yah pooch, ki kya benhadad jo rogee haai vah bachega ki naheen? tab hajaan bhentt ke liye daamishk kee sab uttam uttam vastuon se chalees unt laadvakar, us se milane ko chala, aur usake sammukh khda hokar kahane laga, tere putra aram ke raja benhadad ne mujhe tujh se yah poochhne ko bheja haai, ki kya maain jo rogee hoo to bachoonga ki naheen? aelesha ne us se kaha, jakar kah, too nishchay bach sakata, taubhee yahova ne mujh par pragatt kiya haai, ki too nisandeh mar jaagea. aur vah usakee or tkattke bandha kar dekhta raha, yahan tak ki vah lajjait hua. aur parameshvar ka bhkt rone laga. tab hajaan ne poochha, mera prabhu kyon rota haai? us ne uttar diya, isaliye ki mujhe maloom haai ki noo israaaliyon par kya kya upadrav karega unake gaddhvale tagaron ko too foonk dega unake javanon ko too talavar se ghaat karega, unake balabachchon ko too pattk dega, aur unakee garbhvatee striayon ko too cheer dalega. hajaan ne kaha, tera das jo kutte sareekha haai, vah kya haai ki aeesa bada kam kare? aelesha ne kaha, yahova ne mujh par yah pragatt kiya haai ki too aram ka raja ho jaagea. tab vah aelesha se bida hokar apane svamee ke pas gaya, aur us ne us se poochha, aelesha ne tujh se kya kaha? us ne uttar diya, us ne mujh se kaha ki benhadad nisandeh bachega. doosare din us ne rajai ko lekar jal se bhaigo diya, aur usako usake munh par aeesa oddha diya ki vah mar gaya. tab hajaan usake sthan par rajy karane laga. israaalee ke raja ahab ke putra yoram ke panchaven varsha me, jab yahooda ka raja yahoshaapat jeevit tha, tab yahoshaapat ka putra yahoram yahooda par rajy karane laga. jab vah raja hua, tab battaes varsha ka tha, aur att varsha tak ya-rooshalem men rajy karata raha. vah israaalee ke rajaan kee see chal chala, jaaise ahab ka gharana chala tha, kyonki usakee sree ahab kee bettee thee aur vah us kam ko karata tha jo yahova kee drashtti men bura haai. taubhee yahova ne yahooda ko nash karana n chaha, yah usake das daud ke karan hua, kyonaki us ne usako vachan diya tha, ki tere vansh ke nimitt maain sada tere liye aek deepak jalata hua rakooonga. usake dinon men edom ne yahooda kee adhaeenata

chhodkar apana ek raja bana liya. tab yoram apane sab rath sath liye huae sair ko gaya, or rat ko uttkar un aedomiyon ko jo use ghore huae the, aur rathon ke pradhaanon ko bhee mara aaair log apane apane dere ko bhag gaee. yon aedom yahooda ke vash se choott gaya, aur aj tak vaaisa hee haai. us samay libna ne bhee yahooda kee adhaeenata chhod dee. yoram ke aur sab kam aur jo kuchh us ne kiya, vah kya yahooda ke rajaon ke iatihas kee pustak men naheen likha haai? nidan yoram apane purakhaon ke sang so gaya aur unake beech daudapur men use mittee dee gai aur usaka putra ahajyah usake sthan par rajy karane laga. ahab ke putra israael ke raja yoram ke barahaven varsha men yahooda ke raja yahoram ka putra ahajyah rajy karane laga. jab ahajyah raja bana, tab bais varsha ka tha, aur yarooshalem men aek hee varsha rajy kiya. aur usakee mata ka nam atalyah tha, jo israael ke raja omraee kee potee thee. vah ahab ke gharane kee se chhal chala, aur ahab ke gharane kee nai vah kam karata tha, jo yahova kee draashtti men bura haai, kyonki vah ahab ke gharane ka damad tha. aur vah ahab ke putra yoram ke sang gilad ke ramot men aram ke raja hajaal se ladne ko gaya, aur aramiyon ne yoram ko ghaayal kiya. so raja yoram isaliye lautt gaya, ki yijraail men un ghaavon ka ilaj karaa, jo usako aramiyon ke hath se us samay lage, jab vah hajaal ke sath lad raha tha. aur ahab ka putra yoram to yijraail men rogee raha, is karan yahooda ke raja yahoram ka putra ahajyah usako dekhne gaya.

tab aeleesha bhavishyadvkta ne bhavishyadvktaon ke chelon men se aek ko bulakar us se kaha, kamar bandha, aur hath men tel kee yah kuppee lekar gilad ke ramot ko ja. aur vahan pahoonchakar yehoo ko jo yahoshaapat ka putra aur nimashae ka pota haai, ddoondhdh lena tab bheetar ja, usakee khda karakar usake bhiyon se alag aek bheetaree kottree men le jana. tab tel kee yah kuppee lekar tel ko usake sir par yah kah kar dalana, yahova yon kahata haai, ki maain israael ka raja hone ke liye tera abhaishok kar deta hoo. tab dar kholakar bhagana, vilamh n karana. tab vah javan bhvishyadvkta gilad ke ramot ko gaya. vahan pahunchakar us ne kya dekha, ki senapati baaitte haae haain tab us ne kaha, he senapaati, mujhe tujh se kuchh kahana haai. yehoo ne poochha, ham sabhon men kis se ? us ne kaha he senapati, tuihee se ! tab vah uttkar ghar men gaya aur us ne yah kahakar usake sir par tel dala ki israael ka parameshvar yahova yon kahata haai, maain apanee praja israael par raja hone ke liye tera abhaishok kar deta hoo. to too apane svamee ahab ke gharane ko mar dalana, jis se mujhe apane das bhavishyadvktaon ke varan apane sab dason ke koon ka jo ijaebel ne bahaya, palatta mile. kyonaki ahab ka samast gharana nash ho jaagea, aur maain ahab ke vansh ke har bak ladke ko aur israael men ke kya bandhaua, kya svadhaeen, har aek ko nash kar daloonga. aur maain ahab ka gharana nabat ke putra yorobam ka sa, aur aahiyyah ke putra basha ka sa kar doonga. aur ijaebel ko yijraail kee boomi men kutte khaenge, aur usako mittee denevala koi n hoga. tab vah dar kholakar bhag gaya. tab yehoo apane svamee

ke karmachariyon ke pas nikal aya, aur aek ne us se poochha, kya kushal haai, vah bavala kyon tere pas aya tha? us ne un se kaha, tum ko maloom hoga ki vah kaun haai aur us se kya batacheet hui. unhon ne kaha joott haai, hamen bata de. us ne kaha, us ne mujh se kaha to bahut, parantu matalab yah haai ki yahova yon kahata haai ki maain israael ka raja hone ke liye tera abhaishok kar deta hoo. tab unhon ne jhtt apana apana vasr utar kar usake teeche seeddhee hee par bichhaya, aur naraasinge foonkakar kahane lage, yehoo raja haai. yon yehoo jo nimashae ka pota aur yahoshaapat ka putra tha, us ne yoram se rajadraeh kee goshttee kee. yoram to sab israael samet aram ke raja hajaal ke karan gilad ke ramot kee raksha kar raha tha parantu raja yoram ap apane ghaav ka jo aram ke raja hajaal se yuddh karane ke samay usako aramiyon se lage the, unaka ilaj karane ke liye yijraail ko lautt gaya tha. tab yehoo ne kaha, yadi tumhara aeesa man ho, to is nagar men se koi nikal kar yijraail men sunane ko n jane paae. tab yehoo rath par chaddhkar, yijraail ko chala jahan yoram pada hua tha aur yahooda ka raja ahajyah yoram ke dekhne ko vahan aya tha. yijraail kee gummat par, jo paharua khda tha, us ne yehoo ke sang ate huae dal ko dekhkar kaha, mujhe aek dal deekhta haai yoram ne kaha, aek savar ko bulakar un logon se milane ko bhej aur vah un se poochhe, kya kushal haai? tab bak savar us se milane ko gaya, aur us se kaha, raja poochhta haai, kya kushal haai? yehoo ne kaha, kushal se tera kya kama? hattkar mere peechhe chala. tab paharuae ne kaha, vah doot unake pas pahuncha to tha, parantu lauttkar naheen aya. tab usane doosara savar bheja, aur us ne unake pas pahunchakar kaha, raja poochhta haai, kya kushal haai? yehoo ne kaha, kushal se tera kya kama? hattkar mere peechhe chala. tab paharuae ne kaha, vah bhee unake pas pahuncha to tha, parantu lauttkar naheen aya. hankana nimashae ke pote yehoo ka sa haai vah to baudhe kee nai hankata haai. yoram ne kaha, mera rath jutava. jab usaka rath jut gaya, tab israael ka raja yoram aur yahooda ka raja ahajyah, dono apane apane rath par chaddhkar nikal gaa, aur yehoo se milane ko bahar jakar yijraail nabot kee boomi men us se bhennt kee. yehoo ko dekhte hee yoram ne poochha, he yehoo kya kushal haai, yehoo ne uttar diya, jab tak teree mata ijaebel chhinaalapan aur ttona karatee rahe, tab kushal kahana? tab yaram ras faer ke, aur ahajyah se yah kahakar ki he ahajyah vishvasaghaat haai, bhag chala. tab yehoo ne dhanush ko kan tak kheencharak yoram ke pakhaudon ke beech aeesa teer mara, ki vah usaka day faodkar nikal gaya, aur vah apane rath men jhukakar gir pada. tab yehoo ne bidakar nam apane aek saradar se kaha, use uttkar yijraailee nabot kee boomi men faenk de smaran to kar, ki jab maain aur to, ham dono aek sang savar hokar usake pita ahab ke peechhe peechhe chal rahe the tab yahova ne us se yah bhree vachan kahavaya tha, ki yahova kee yah vaneae haai, ki nabot aur usake putraen ka jo koon hua, use maain ne dekha haai, aur yahova kee yah vaneae haai, ki maain usee boomi men tujhe badala doonga. to ab yahova ke us vachan ke anusar use uttkar usee boomi men faenk de. yah dekhkar yahooda ka raja ahajyah baree ke bhvan ke marga se

bhag chala. aur yehoo ne usaka peechha karake kaha, use bhee rath hee par maro to vah bhee yibalam ke pas kee goor kee chaddhai par mara gaya, aur magio tak bhgakar mar gaya. tab usake karmachaariyon ne use rath par yarooshalem ko pahunchakar daudapur men usake purakhaon ke beech mittee dee. ahajyah to ahab ke putra yoram ke gyarahaven varsha men yahooda par rajy karane laga tha. jab yehoo yijraail ko aya, tab ijaebel yah sun apanee ankhone men surma laga, apana sir sanvarakar, khaidkee men se jhankane lagee. jab yehoo faattk men hokar a raha tha tab us ne kaha, he apane svamee ke ghaat karane vale jimrae, kya kushal haai? tab us ne khaidkee kee or munh uttakar poochha, merree or kaun haai? kauna? is par do teen khojne ne usakee or jhanka. tab us ne kaha, use neeche gira do. so unhone ne usako neeche gira diya, aur usake lohoo ke kuchh chheente bheet par aur kuchh ghaedon par pede, aur unhone ne usako panv se latad diya. tab vah bheetar jakar khane peene laga aur kaha, jao us sraaapit sree ko dekh lo, aur use mittee do vah to raja kee bettee haai. jab ve use mittee dene gaa, tab usakee khopadee panvon aur hathealiyon ko chhodkar usaka aur kuchh n paya. so unhone ne lautkar us se kah diya tab us ne kaha, yah yahova ka vah vachan haai, jo us ne apane das tishabee aeliyyah se kahalavaya tha, ki ijaebel ka mans yijraail kee boomi men kutton se khaya jaaga. aur ijaebel kee loth yijraail kee boomi par khad kee nai padee rahegee, yahan tak ki koi n kahega, yah ijaebel haai.

ahab ke to sattu bette, pote, shaemaron men rahate the. so yehoo ne shaemaron men un puraniyon ke pas, aur jo yijraail ke hakim the, aur jo ahab ke ladkevalon ke palanevale the, unake pas patra likhkar bheje, ki tumhare svamee ke bette, pote to tumhare pas rahate haai, aur tumhare rat, aur dhode bhee haai, aur tumhare aek gaddhvala nagar, aur hathaiyar bhee haain to is patra ke hath lagate hee, apane svamee ke betton men se jo sab se achchha aur yogy ho, usako chhantkar, usake pita kee gaee par baaittao, aur apane svamee ke gharane ke liye lado. parantu ve nipatt dr gaa, aur kahane lage, usake samhane do raja bhee tthar n sake, fir ham kahan tthar sakege? tab jo raj gharane ke kam par tha, aur jo nagar ke upar tha, unhone ne aur puraniyon aur ladkebalon ke palanevalon ne yehoo ke pas yon kahala bheja, ki ham tere das haai, jo kuchh too ham se kahe, use ham karenge ham kisee ko raja n banaaenge, jo tuihe bhaae vaheen kara. tab us ne doosara patra likhkar unake pas bheja, ki yadi tum merree or ke ho aur merree mano, to apane svamee ke betton poton ke sir kattvakar kal isee samay tak mere pas yijraail men hajir hona. rajaputra to jo sattu mathusy the, ve us nagar ke raison ke pas palate the. yah patra unake hath lagate hee, unhone ne un sattaron rajaputraen ko pakadkar mar dala, aur unake sir ttokaariyon men rakhkar yijraail ko usake pas bhej diae. aur aek doot ne usake pas jakar bata diya, ki rajakumaron ke sir agaae haain. tab us ne kaha, unhen faattk men do ddher karake bihan tak rakho. bihan ko us ne bahar ja khde hokar sab logon se kaha, tum to nidash

ho, maain ne apane svamee se rajadraeh kee goshttee karake use ghaat kiya, parantu in sabhon ko kis ne mar dala? ab jan lo ki jo vachan yahova ne apane das aeliyyah ke dara kaha tha, use us ne poora kiya haai jo vachan yahova ne ahab ke gharane ke vishay kaha, us men se aek bhee bat bina pooree huae n rahegee. tab ahab ke gharane ke jitane log yijraail men rah gaa, un sabhon ko aur usake jitane pradhaan purush aur mitra aur yajak the, un sabhon ko yehoo ne mar dala, yahan tak ki us ne kisee ko jeeavit n chhoda. tab vah vahan se chalakar shaemaron ko gaya. aur marga men charavahon ke un katarane ke sthan par pahuncha hee tha, ki yahooda ke raja ahajyah ke bhi yehoo se mile aur jab us ne poochha, tum kaun ho? tab unhone ne uttar diya, ham ahajyah ke bhai haai, aur rajamutraen aur rajamata ke betton ka kushalakshom poochhne ko jate haain. tab us ne kaha, inhen jeevit pakado. so unhone ne unako jo bayalees purush the, jeeavit pakada, aur un katarate ke sthan kee babalee par mar dala, us ne un men se kisee ko n chhoda. jab vah vahan se chala, tab rekab ka putra yahonadab samhane se ata hua usako mila. usaka kashal us ne poochhkar kaha, mera man to teree or nishkapatt haai so kya tera man bhee vaaisa hee haai? yahonadab ne kaha, ha, aeesa hee haai. fir us ne kaha, aeesa ho, to apana hath mujhe de. us ne apana hath use diya, aur vah yah kahakar use apane pas rath par chaddhane laga, ki mere sang chala. aur dek, ki mujhe yahova ke nimitt kaaisee jalan rahatee haai. tab vah usake rath par chaddha diya gaya. shaemaron ko pahunchakar us ne yahova ke us vachan ke anusar jo us ne aeliyyah se kaha tha, ahab ke jitane shaemaron men bache rahe, un sabhon ko mar ke vinash kiya. tab yehoo ne sab logon ko ikattha karake kaha, ahab ne to bal kee thodde hee upasana kee thee, ab yehoo usakee apasana baddhke karega. isaliye ab bal ke sab naabiyo, sab upasakon aur sab yajakon ko mere pas bula lao, un men se koi bhee n rah jaae kyonaki bal ke liye mera aek bada yagya honevala haai jo koi n aae vah jeeavit n bachege. yehoo ne yah kam kamatt karake bal ke sab upasakon ko nash karane ke liye kiya. tab yehoo ne kaha, bal kee aek paavitra mahasabha ka prachar karo. aur logon ne prachar kiya. aur yehoo ne sare israael men doot bheje tab val ke sab upasak aa, yahan tak ki aeesa koi n rah gaya jo n aya ho. aur ve bal ke bhvan men itane aae, ki vah aek sire se doosare sire tak bhr gaya. tab us ne us manushy se jo vasr ke ghar ka adhaikaree tha, kaha, bal ke sab upasakon ke liye vasr nikal le a so vah unake liye vasr nikal le aya. tab yehoo rekab ke putra yahonadab ko sang lekar bal ke bhpan men gaya, aur bal ke upasakon se kaha, ddoondhkar dekho, ki yahan tumhare sang yahova ka koi upasak to naahen haai, keval bal hee ke upasak haain. tab ve melabaali aur homabali chaddhane ko bheetar gaee. yehoo ne to assee purush bahar tthara kar un se kaha tha, yadi un manushyon men se jinhen maain tumhare hath kar doo, kortt bhee bachane paa, to jo use jane dega usaka praa, usake praan kee santeee jaagee. fir jab homabali chaddh chuka, tab sanhoo ne paharuon aur saradaron se kaha, bheetar jakar unhen mar dalo koi nikalane n paae. tab unhone ne unhen talavar se mara aur paharuae aur saradar unako bahar faenkakar bal ke bhvan ke nagar ko gaee. aur un-

hon ne bal ke bhvan men kee latten nikalakar foonk deen. aur bal kee latt ko unhon ne tod dala aur bal ke bhvan ko ddhakar payakhana bana diya aur vah aj tak aeesea hee haai. yon yehoo ne bal ko israaael men se nash karake door kiya. aitaubhee nabat ke putra yarobam, jis ne israaael se pap karaya tha, usake papon ke anasar karane, arthata betel aur dan men ke sone ke bachhdon kee pooja, us se yehoo alag n hua. aur yahova ne yehoo se kaha, isaliye ki noo ne vah kiya, jo merree drashtti men tteek haai, aur ahab ke gharane se merree ichchha ke anasar bartav kiya haai, tere parapote ke putra tak teree santan israaael kee gaee par birajatee rahegee. parantu yehoo ne israaael ke parameshvar yahova kee yavastha par poorn man se chalane kee chaukasee n kee, varan yarobam jis ne israaael se pap karaya tha, usake papon ke anasar karane se vah alag n hua. un dinon yahova israel ko ghattane laga, isaliye hajael ne israel ke un sare deshaan men unako mara yaradan se poorab kee or gilad ka sara desha, aur gadee aur roobenee aur manashshoi ka desh arthata aroaer se lekar jo anan kee tarai ke pas haai, gilad aur bashan taka. yehoo ke aur sab kam aur jo kuchh us ne kiya, aur usakee poorn veerata, yah sab kya israaael ke rajaon ke itihas kee pustak men naheen likha haai? nidan yehoo apane purakhaon ke sang so gaya, aur shaemaron men usako mittee dee gai, aur usaka putra yahoahaj usake sthan par raja ban gaya. yehoo ke shaemaron men israaael par rajy karane ka samay to atthais varsha ka tha.

jab ahajyah kee mata atalyah ne dekha, ki mera putra mar gaya, tab us ne poore rajavansh ko nash kar dala. parantu yahoshoba jo raja yoram kee bettee, aur ahajyah kee baahin thee, us ne ahajyah ke putra yoash ko ghaat honevale rajakumaron ke beech men se churakar dhaai samet bichhaune rakhne kee kottree men chhpa diya. aur unhon ne use atalyah se aeesea chhpa rakha, ki vah mara n gaya. aur vah usake pas yahova ke bhvan men chhvarsha chhpa raha, aur atalyah desh par rajy karatee rahee. sataven varsha men yahoyada ne jalladon aur paharuon ke shatapaatiyon ko bula bheja, aur unako yahova ke bhvan men apane pas le aya aur un se vacha bandhaee aur yahova ke bhvan men unako shapath khailakar, unako rajaputra dikhaya. aur us ne unhen agyaa dee, ki aek kam karo arthata tum men se aek tihai log jo vishraamadin ko anevale ho, vah rajabhvan ke pahare kee chaukasee karen. aur aek tihai log soor nam faattk men tthare rahe, aur aek tihai log paharuon ke peechhe ke faattk men rahen yon tum bhvan kee chaukasee karake logon ko roke rahana. aur tumhare do dal arthata jitane vishraam din ko bahar janevale hon vah raja ke asapas hokar yahova ke bhvan kee chaukasee karen. aur tum apane apane hath men haathaiyar liye huae raja ke charon or rahana, aur jo koi pantiyon ke bheetar ghausana chahe vah mar dala jaa, aur tum raja ke ate-jate samay usake sang rahana. yahayada yajak kee in sab agyaon ke anasar shatapaatiyon ne kiya. ve vishraamadin ko anevale aur janevale donon dalon ke apane apane janon ko sang

lekar yahoyada yajak ke pas gaee. tab yajak ne shatapaatiyon ko raja daud kee barchhe, aur ddhalen jo yahova ke bhvan men theen de deen. isaliye ve paharuoe apane apane hath men haathaiyar liae huae bhvan kee dakkhianee kone se lekar uttaree kone tak vedee aur bhvan ke pas raja ke charon or usakee ad karake khde huae. tab us ne rajakumar ko bahar lakar usake sir par mukut, aur sakshaepatra dhar diya tab logon ne usaka abhaishok karake usako raja banaya fir talee baja bajakar bol utte, raja jeevit rahe. jab atalyah ko paharuon aur logon ka halachal sun pada, tab vah unake pas yahova ke bhvan men gai. aur us ne kya dekha ki raja reeti ke anasar khmbhe ke pas khda haai, aur raja ke pas pradhaan aur turahee bajanevale khde haain. aur log anand karate aur turaahiyan baja rahe haain. tab atalyah apane vasr faadkar rajadraeha rajadraeh yon pukarane lagee. tab yahoyada yajak ne dal ke aadhaikaree shatapaatiyon ko agyaa dee ki use apanee pantiyon ke beech se nikal le jao aur jo koi usake peechhe chale use talavar se mar dalo. kyonaki yajak ne kaha, ki vah yahova ke bhvan men n mar dalee jaae. isaliye unhon ne donon or se usako jagah dee, aur vah us marga ke beech se chalee gai, jis se ghaede rajabhvan men jaya karate the aur vahan vah mar dalee gai. tab yahoyada ne yahova ke, aur raja-praja ke beech yahova kee praja hone kee vacha bandhaai, aur us ne raja aur praja ke madhy bhee vacha bandhaai. tab sab logon ne bal ke bhvan ko jakar ddha diya, aur usakee vadiyan aur mooraten bhlee bhnti tod deen aur matan nam bal ke yajak ko vediyon ke samhane hee ghaat kiya. aur yajak ne yahova ke bhvan par aadhaikaree tthara diae. tab vah shatapaatiyo, jalladon aur paharuon aur sab logon ko sath lekar raja ko yahova ke bhvan se neeche le gaya, aur paharuon ke faattk ke marga se rajabhvan ko pahuncha diya. aur raja rajagaee par virajaman hua. tab sab log anandait hua, aur nager men shaantai hui. atalyah to rajabhvan ke pas talavar se mar dalee gai thee. jab yoash raja hua, us samay vah sat parsha ka tha.

yehoo ke sataven varsha men yoash rajy karane laga, aur yarooshalem men chalees varsha tak rajy karata raha. usakee mata ka nam sibya tha jo beshba kee thee. aur jab tak yahoyada yajak yoash ko shaiksha deta raha, tab tak vah vahee kam karata raha jo yahova kee draashtti men tteek haai. taubhee unche sthan giraae n gaee praja ke log tab bhee unche sthan par bali chaddhate aur dhoop jalate rahe. aur yoash ne yajakon se kaha, pavitra kee hui vastuon ka jitana rupaya yahova ke bhvan men pahunchaya jaa, arthata gine huae logon ka rupaya aur jitane rupaye ke jo koi yogy ttharaya jaa, aur jitana rupaya jisakee ichchha yahova ke bhvan men le aane kee ho, in sab ko yajak log apanee jan pahachan ke logon se liya karen aur bhvan men jo kuchh tootta footta ho usako sudhaar den. taubhee yajakon ne bhvan men jo tootta footta tha, use yoash raja ke teisaven varsha tak naheen sudhaara tha. isaliye raja yoash ne yahoyada yajak, aur aur yajakon ko bulavakar poochha, bhvan men jo kuchh tootta footta haai, use tum kyon naheen sudhaarate? ab se apanee jan pahachan ke logon

se aur rupaya n lena, aur jo tumhen mile, use bhvan ke sudhaarane ke liye de dena. tab yajakon ne manaliya ki n to ham praja se aur rupaya len aur n bhvan ko sudhaarane. tab yahoyada yajak ne aek sandook le, asake ddkhane men chhed karake usako yahova ke bhvan men anevalon ke dahine hath par vedee ke pas dhar diya aur dar kee rakhvalee karanevalee yajak us men vah sab rupaya dalate lage jo yahova ke bhvan men laya jata tha. jab unhon ne dekha, ki sandook men bahut rupaya haai, tab raja ke pradhnan aur mahayajak ne akar use thailiyon men bandha diya, aur yahova ke bhvan men paae huae rupaye ko gin liya. tab unhon ne us taule huae rupaye ko un kam karanevalon ke hath men diya, jo yahova ke bhvan men adhaikaree the aur inhon ne use yahova ke bhvan ke bananevale baddhiyo, rajo, aur sangatarashaen ko diye. aur lakadee aur gaddhe huae patthr mol lene me, varan jo kuchh bhvan ke tootte footte kee marammat men khrcha hota tha, us men lagaya. marantu jo rupaya yahova ke bhvan men ata tha, us se chandee ke tasale, chimatte, kattore, turaahiyon aadi sone va chandee ke kisee prakr ke patra n bane. parantu vah kam karanevale ko diya gaya, aur unhon ne use lekar yahova ke bhvan kee marammat kee. aur jinake hath men kam karanevalon ko dene ke liye rupaya diya jata tha, un se kuchh hisab n liya jata tha, kyonki ve sachchai se kam karate the. jo rupaya doshabaalayon aur papabaaliyon ke liye diya jata tha, yah to yahova ke bhvan men n lagaya gaya, vah yajakon ko milata tha. tab aram ke raja hajaan ne gat nagar par chaddhai kee, aur us se ladai karake use le liya. tab us ne yarooshalem par bhee chaddhai karane ko apana munh kiya. tab yahooda ke raja yoash ne un sab paavitra vastuon ko jinhen usake purakha yahoshaapat yahoram aur ahajyah nam yahooda ke rajaon ne pavitra kiya tha, aur apane paavitra kee hui vastuon ko bhee aur jitana sona yahova ke bhvan ke bhndaron men aur rajabhvan men mila, us sab ko lekar aram ke raja hajaan ke pas bhej diya aur vah yarooshalem ke pas se chala gaya. yoash ke aur sab kam jo us ne kiya, vah kya yahooda ke rajaon ke iatihas ke pustak men naheen likhe haain? yoash ke karmachariyon ne rajadraeh kee goshttee karake, usako millo ke bhvan men jo silla kee utarai par tha, mar dala. arthata shaimat ka putra yojakar aur shaemer ka putra yohajabad, jo usake karmacharee the, unhon ne use aeesa mara, ki vah mar gaya. tab use usake purakhaon ke beech daudapur men mittee dee, aur usaka putra amasyah usake sthan par rajy karane laga.

yahooda ke raja ahaj ke barahaven varsha men aela ka putra hosho shaemaron me, israaael par rajy karane laga, aur nau varsha tak rajy karata raha. us ne vahee kiya jo yahova kee draashtti men bura tha, parantu israael ke un rajaon ke barabar naheen jo us se pahile the. us par ashshoor ke raja shalmaneser ne chaddhai kee, aur hosho usake adhaeen hokar, usako bhennt dene laga. parantu ashshoor ke raja ne hosho ko rajadraeh kee goshttee karanevala jan liya, kyonaki us ne so nam misra ke raja ke pas doot bheje, aur ashshoor ke raja ke pas saaliyana bhennt bhejane chhod dee is karan ashshoor ke raja ne usako band kiya, aur bedee dalakar bandegrahal men dal diya. tab ashshoor ke raja ne poore desh par chaddhai kee, aur shaemaron ko jakar teen varsha tak use ghore raha. hosho ke nauven varsha men ashshoor ke raja ne shaemaron ko le liya, aur israaael ko ashshoor men le jakar, halah men aur gojan kee nadee habor ke pas aur madiyon ke nagaron men basaya. isaka yah karan haai, ki yadhyapi israaaeliyon ka parameshvar yahova unako misra ke raja firaun ke hath se chhudakar misra desh se nikal laya tha, taubhee unhon ne usake viruddh pap kiya, aur paraye devataon ka bhy

mana. aur jin jatiyon ko yahova ne israaaeliyon ke samhane se desh se tikala tha, unakee reeti par, aur apane rajaon kee chalai hui reetiyon par chhalate the. aur israaaeliyon ne kapatt karake apane parameshvar yahova ke viruddh anuchit kam kia, arthar paharuon ke gummat se lekar gaddhvale nagar tak apanee saree bastaiyon men unche sthan par bana laie aur sab unchee pahadiyon par, aur sab hare vukshaen ke tale latten aur ashora khde kar laie. aur aeese unche sthanon men un jatiyon kee nai jinako yahova ne unake samhane se nikal diya tha, dhoop jalaya, aur yahova ko krodha dilane ke yogy bure kam kiae. aur mooraton kee upasana kee, jisake vishay yahova ne un se kaha tha ki tum yah kam n karana. taubhee yahova ne sab bhvishyadvktaon aur sab dashaiyoon ke dara israaael aur yahooda ko yah kah kar chitaya tha, ki apanee buree chal chhodkar us saree yvavastha ke anusar jo maain ne tumhare purakhaon ko dee thee, aur apane das bhavishyadvktaon ke hath toomhare pas pahunchai haai, meree agyaaon aur vidhaiyon ko mana karo. parantu unhon ne n mana, varan apane un purakhaon kee nai, jinhon ne apane parameshvar yahova ka vishvas n kiya tha, ve bhee hatteele ban gae. aur ve usakee vidhaiyon aur apane purakhaon ke sath usakee vacha, aur jo chitauaniyan us ne unhen dee thee, unako tuchchh janakar, nikamme baton ke peechhe ho laie jis se ve ap nikamme ho gaa, aur apane charon or kee un jaatiyon ke peechhe bhee ho laie jinake vishay yahova ne unhen agyaa dee thee ki unake se kam n karana. varan unhon ne apane parameshvar yahova kee sab agyaaon ko tyag diya, aur do bachhdon kee mooraten ddhalakar banai, aur ashora bhee banai aur akash ke sare ganon ko dandvat kee, aur bal kee upasana kee. aur apane bette-bettyaen ko ag men hom karake chaddhaya aur bhavee kahanevalon se poochhne, aur ttona karane lage aur jo yahova kee draashtti men bura tha jis se vah krodhait bhee hota haai, usake karane ko apanee ichchha se bik gae. is karan yahova israaael se aati krodhait hua, aur unhen apane samhane se door kar diya yahooda ka gotra chhod aur koi bacha n raha. yahooda ne bhee apane parameshvar yahova kee agyaaen n manee, varan jo vidhaiyan israaael ne chalai thee, un par chalane lage. tab yahova ne israaael kee saree santan ko chhod kar, unako dukh diya, aur loottnevalon ke hath kar diya, aur ant men unhen apane samhane se nikal diya. us ne israael ko to daud ke gharane ke hath se chheen liya, aur unhon ne nabat ke putra yarobam ko apana raja banaya aur yarobam ne israael ko yahova ke peechhe chhalane se door kheenchakar un se bada pap karaya. so jaaise pap yarobam ne kiae the, vaaise hee pap israaaelee bhee karate rahe, aur un se alag n huae. ant men yahova ne israaael ko apane samhane se door kar diya, jaaise ki us ne apane sab das bhvishyadvktaon ke dara kaha tha. is prakar israaael apane desh se nikalakar ashshoor ko pahanchaya gaya, jahan vah aj ke din tak rahata haai. aur ashshoor ke raja ne babel, koota, abva hamat aur sapavaainm nagaron se logon ko lakar, israaaeliyon ke sthan par shaemaron ke nagaron men basaya so ve shaemaron ke aadhaikaree hokar usake nagaron men rahane lage. jab ve vahan pahile paahile rahane lage, tab yahova ka bhy n manate the, is karan yahova ne unake beech sinh

bheje, jo unako mar dalane lage. is karan unhon ne ashshoor ke raja ke pas kahala bheja ki jo jatiyan too ne unake deshaen se nikalakar shaemaron ke nagon men basa dee haai, ve us desh ke devata kee reeati naheen janatee, us se us ne usake madhy sinh bheje haain jo unako isaliye mar dalate haain ki ve us desh ke devata kee reeati naheen janate. tab ashshoor ke raja ne agyaa dee, ki jin yajakon ko tum us desh se le aa, un men se aek ko vahan pahuncha do aur vah yahan jakar rahe, aur vah unako us desh ke devata kee reeti sikhaae. tab jo yajak shaemaron se nikale gaee the, un men se aek jakar betel men rahane laga, aur unako sikhane laga ki yahova ka bhy kis reeti se manana chahiye. taubhee aek aek jati ke logon ne apane apane nij devata banakar, apane apane basaae huae nagar men un unche sthanon ke bhvanon men rakha jo shaemaroniyon ne basaae the. babel ke manushyon ne to sukkotabanot ko, koot ke panushyon ne nergal ko, hamat ke manushyon ne ashaeema ko, aur aabvaiyon ne nibhi, aur tatrak ko sthaapit kiya aur sapavamee log apane betton ko adrammelek aur anammelek nam sapavaainm ke devataon ke liye hom karake chaddhane lage. yon ve yahava ka bhy manate to the, parantu sab prakar ke logon men se unche sthanon ke yajak bhee tthara dete the, jo unche sthanon ke bhvanon men unake liye baali karate the. ve yahova ka bhy manate to the, parantu un jatiyon kee reeati par, jinake beech se ve nikale gaee the, apane apane devataon kee bhee upasana karate rahe. aj ke din tak ve apanee pahilee reeatiyon par chalte haai, ve yahova ka bhy naheen manate. n to upanee vidhaiyon aur niyamon par aur n us yvavastha aur agyaa ke anasar chalte haai, jo yahova ne yahovab kee santan ko dee thee, jisaka nam us ne israaael rakha tha. un se yahova ne bacha bandhakar unhen yah agyaa dee thee, ki tum paraye devataon ka bhy n manana aur n unhen dandvat karana aur n unakee upasana karana aur n unako bali chaddhana. parantu yahova jo tum ko bade bal aur bad-dhai hui bhujia ke dara miyara desh se nikal le aya, tum usee ka bhy manana, usee ko dandvat karana aur usee ko bali chaddhana. aur us ne jo vidhaiyan aur niyam aur jo yvavastha aur agyaaan tumhare liye likhee, unhen tum sada chaukasee se manate raho aur paraye devataon ka bhy n manana. aur jo vacha maain ne tumhare sath bandhaee haai, us ne boolana aur paraye devataon ka bhy n manana. keval apane parameshvar yahova ka bhy panana, vahee tum ko tumhare sab shatruon ke hath se bachaagea. taubhee unhon ne n mana, parantu ve apanee pahilee reeati ke anasar karate rahe. ataeve ve jaatiyan yahova ka bhy manatee to thee, parantu apanee khudee hui mooraton kee upasana bhee karatee rahee, aur jaaise ve karate the vaaise hee unake bette pote bhee aj ke din tak karate haain.

aela ke putra israaael ke raja hoshko ke teesare varsha men yahooda ke raja ahaj ka putra hijaaikiyyah raja hua. jab vah raji karane laga tab pachchees varsha ka tha, aur unatees varsha tak yarooshalem men raji karata raha. aur usakee mata ka nam abee tha, jo

jakaryah kee bettee thee. jaaise usake moolapurush daud ne kiya tha jo yahova kee draashtti men tteek haai vaaisa hee us ne bhee kiya. us ne unche sthan gira dia, latton ko tod diya, ashora ko katt dala. aur peetal ka jo sanp moosa ne banaya tha, usako us ne is karan choor choor kar diya, ki un dinon tak israaelee usake liye dhoop jalate the aur us ne usaka nam nahushatan rakha. vah israaael ke parameshvar yahova par bhrosa rakhta tha, aur usake bad yahooda ke sab rajaon men koi usake barabar n hua, aur n us se paahile bhee aeesa koi hua tha. aur vah yahova se lipatta raha aur usake peechhe chalana n chhoda aur jo agyaaan yahova ne moosa ko dee thee, unaka vah palan karata raha. isaliye yahova usake sang raha aur jahan kaheen vah jata tha, vahan usaka kam safal hota tha. aur us ne ashshoor ke raja se balava karake, usakee adhaeenata chhod dee. us ne paalishtaiyon ko gajjaa aur usake sivanon tak, paharuon ke gummat aur gaddhvale nagar tak mara. raja hijaaikiyyah ke chaute varsha men jo aela ke putra israaael ke raja hoshko ka satavan varsha tha, ashshoor ke raja shalmaneser ne shaemaron par chaddhai karake use ghor liya. aur teen varsha ke beetane par unhon ne usako le liya. is prakar hijaaikiyyah ke chhttven varsha men jo israaael ke raja hoshko ka nauvan varsha tha, shaemaron le liya gaya. tab ashshoor ka raja israaael ko bandhaua karake ashshoor men le gaya, aur halah men or gojan kee nadee habor ke pas aur madiyon ke nagaron men use basa diya. isaka karan yah tha, ki unhon ne apane parameshvar yahova kee bat n manee, varan usakee vacha ko toda, aur jitane agyaaan yahova ke das moosa ne dee thee, unako ttal diya aur n unako suna aur n unake anasar kiya. hijaaikiyyah raja ke chadahaiven varsha men ashshoor ke raja sanhereeb ne yahooda ke sab gaddhvale nagaron par chaddhai karake unako le liya. tab yahooda ke raja hijaaikiyyah ne ashshoor ke raja ke pas lakeesh ko kahala bheja, ki mujh se apardaha hua, mere pas se lautt ja aur jo bhr too mujh par dalega usako maain uttaunga. to ashshoor ke raj ne yahooda ke raja hijaaikiyyah ke liye teen sau kikkar chandee aur tees kikkar lona tthara diya. tab jitane chandee yahova ke bhvan aur rajabhvan ke bhndaron men milee, us sab ko hijaaikiyyah ne use de diya. us samay hijaaikiyyah ne yahova ke mandair ke kivadon se aur un khmbhon se bhee jin par yahooda ke raja hijaaikiyyah ne sona maddha tha, sone ko chheelakar ashshoor ke raja ko de diya. taubhee ashshoor ke raja ne tatrnat, rabasarees aur rabashaake ko badee sena dekar, lakeesh se yarooshalem ke pas hijaaikiyyah raja ke viruddh bhej diya. so ve yarooshalem ko gaee aur vahan pahunchakar upar ke pokhre kee nalee ke pas dhoibiyon ke khet kee sadk par jakar khde huae. aur jab unhon ne raja ko pukara, tab hilaikiyyah ka putra aelyakeem jo rajagharane ke kam par tha, aur shobna jo mantraee tha aur asap ka putra yoah jo iatihas ka likhnevala tha, ye teenon unake pas bahar nikal gaee. rabashaake ne un se kaha, hijaaikiyyah se kaho, ki maharajaadhairaj arthata ashshoor ka raja yon kahata haai, ki too kis par bhrosa karata haai? too jo kahata haai, ki mere yahan yuddh ke liye yuaktai aur parakram haai, so to keval bat hee bat haai. too kis par bhrosa rakhta haai ki too ne mujh se balava kiya

jab hijaaikiyyah raja ne yah suna, tab vah apane vasr faad, ttatt oddhkar yahova ke bhpan men gaya. aur us ne aelyakeem ko jo rajagharane ke kam par tha, aur shobna mantraee ko, aur yajakon ke puraaniyon ko, jo sab ttatt oddhe huae the, amos ke putra yashaayah bhavishyadvakta ke pas bheji diya. unhon ne us se kaha, hijaaikiyyah yon kahata haai, aj ka din sankat, aur ulahane, aur ninda ka din haai bachche janmane par huae par jachcha ko janm dene ka bal n raha. kadachit tera parameshvar yahova rabashaake kee sab baten sune, jise usake svamee ashshoor ke raja ne jeevate parameshvar kee ninda karane ko bheja haai, aur jo baten tere parameshvar yahova ne sunee haain unhen dpatte isaaliye too in bache huon ke liye jo rah gaee haain praarthna kara. jab hijaaikiyyah raja ke karmacharee yashaayah ke pas aa, tab yashaayah ne un se kaha, apane svamee se kaho, yaheva yon kahata haai, ki jo vachan too ne sune haai, jinake dara ashshoor ke raja ke janon ne meree ninda kee haai, unake karan mat dra. sun, maain usake man men praerana karoon, ki vah kuchh samachar sunakar apane desh ko lautt jaa, aur maain usako usee ke desh men talavar se marava daloonga. tab rabashaake ne lautkar ashshoor ke raja ko libna nagar se yuddh karate paya, kyonki us ne suna tha ki vah lakeesh ke pas se utt gaya haai. aur jab us ne koosh ke raja tirhaka ke vishy yah suna, ki vah mujh se ladne ko nikala haai, tab us ne hijaaikiyyah ke pas dooton ko yah kah kar bheja, tum yahooda ke raja hijaaikiyyah se yon kahana tera parameshvar jisaka too bhrosa karata haai, yah kahakar tujhe dhaekha n dene paa, ki yarooshalem ashshoor ke raja ke vash men n padega. dek, too ne to suna haai ashshoor ke rajaon ne sab deshaen se kaaisa yiyavahar kiya haai unhen satyanash kar diya haai. fir kya too bachege? gojan aaair haran aur resep aur talassar men rahanevale aedenee, jin jatiyon ko mere purakhaon ne nash kiya, kya un men se kisee jaati ke devataon ne usako bacha liya? hamat ka raja, aur arpad ka raja, aur samavaainm nagar ka raja, aur hena aur iyva ke raja ye sab kahan rahe? is patraee ko hijaaikiyyah ne dooton ke hath se lekar pad-dha. tab yahova ke bhvan men jakar usako yahova kee samhane faaila diya. aur yahova se yah praarthna kee, ki he israaael ke parameshvar yahova ! he karoobon par virajanevale ! prathvee ke sab rajyon ke upar kee val too hee parameshvar haai. akash aur prathvee ko too hee ne banaya haai. he yahova ! kan lagakar sun, he yahova ankh kholakar dek, aur sanhereeb ke vachanoen ko sun le, jo us ne jeevate parameshvar kee ninda karane ko kahala bheje haain. he yahova, sach to haai, ki ashshoor ke rajaon ne jatiyon ko aur unake deshaen ko ujada haai. aur unake devataon ko ag men jhenka haai, kyonaki ve ishvar n the ve manushyon ke banaae huae katt aur patthr hee ke the is karan ve unako nash kar sake. isaliye ab he hamare parameshvar yahova too hamen usake hath se bacha, ki prathvee ke rajy rajy ke log jan len ki keval too hee yahova haai. tab amos ke putra yashaayah ne hijaaikiyyah ke pas yah kahala bheja, ki israaael ka parameshvar yahova yon kahata haai, ki jo praarthna too ne ashshoor ke raja sanhereeb ke vishay mujh

un dinon men hijakiyyah aeese rogee hua ki marate par tha, aur amos ke putra yashaayah bhavishyadvakta ne usake pas jakar kaha, yahova yon kahata haai, ki apane gharane ke vishay jo agyaa denee ho vah de kyonaki too naheen bachega, mar jaega. tab us ne bheet kee or munh faer, yahova se praarthna karake kaha, he yahova ! maain bintee karata hoo, smaran kar, ki maain sachchai aur khre man se apane ko tere sammukh janakar chalata aya hoo aur jo tujhe achchha tagata haai vahee maain karata aya hoo. tab hijakiyyah bilak bilak kar roya. aur aeese hua ki yashaayah nagar ke beech tak jane bhee n paya tha ki yahova ka yah vachan usake pas pahuncha, ki lauttakar meree praja ke pradhaan hijakiyyah se kah, ki tere moolapurush daud ka parameshvar yahova yon kahata haai, ki maain ne teree praarthna sunee aur tere ansoo dekhe haain dek, maain tujhe changa karata hoo parason too yahova kee bhvan men ja sakega. aur maain teree ayoo pandrah varsha aur baddha doonga. aur ashshoor ke raja ke hath se tujhe aur is nagar ko bachaunga, aur maain apane nimitt aur apane das daud ke nimitt is nagar kee raksha karoonga. tab yashaayah ne kaha, anjeeron kee aek ttiikaya lo. jab unhon ne use lekar faode par bandha, tab vah changa ho gaya. hijakiyyah ne yashaayah se poochha, yahova jo mujhe changa karega aur maain parason yahova kee bhvan ko ja sakoonga, isaka kya chinh hoga? yashaayah ne kaha, yahova jo apane kahe huae vachan ko poora karega, is bat ka yahova kee or se tere liye yah chinh hoga, ki dhoopaghaadee kee chhaya das ansh age baddh jaagee, v das ansh ghatt jaagee. hijakiyyah ne kaha, chhaya ka das ansh age naddhna to halakee bat haai, isaalie aeese ho ki chhaya das ansh peechhe lautt jaae. tab yashaayah bhvishyadvakta ne yahova ko pukara, aur ahaj kee ghoopaghaadee kee chhaya, jo das ansh ddhl chukee thee, yahova ne usako peechhe kee or lautta diya. us samay baladan ka putra barodakabaladan jo babel ka raja tha, us ne hijakiyyah ke rogee hone kee charcha sunakar, usake pas patraee aur bhent bhejee. unake lanevalon kee manakar hijakiyyah ne unako apane anamol padathn ka sab bhndar, aur chandee aur sona aur sugandha dravy aur uttam tel aur apane hathaiyaron ka poora ghar aur apane bhndaron men jo jo vastuen thee, ve sab dikhai hijakiyyah kee bhvan aur rajy bhr men koi aeese vastu n rahee, jo us ne unhen n dikkhai ho. tab yashaayah bhvishyadvakta ne hijakiyyah raja ke pas jakar puchha, ve manushy kya kah gaae? aur kahan se tere pas aae the? hijakiyyah ne kaha, ve to door desh se arthata babel se aae thee. fir us ne poochha, tere bhvan men unhon ne kya kya dekha haai? hijakiyyah ne kaha, jo kuchh mere bhvan men haai, vah sab unhon ne dekha. mere bhndaron men koi aeese vastu nahee, jo maain ne unhen n dikhai ho. yashaayah ne hijakiyyah se kaha, yahova ka vachan sun le. aeese din anevale haai, jin men jo kuchh tere bhvan men haai, aur jo kuchh tere murakhaon ka rakha hua aj ke din tak bhndaron men haai vah sab babel ko utt jaagea yahova yah kahata haai, ki koi vastu n bachegee. aur jo putra tere vansh men utpann ho, un men se bhee kitanon ko ve band-

jab manashsho rajy karane laga, tab vah barah var-sha ka tha, aur yarooshalem men pachapan varsha tak rajy karata raha aur usakee mata ka nam heepseeba tha. us ne un jaatiyon ke ghainaune kamon ke anasar, jinako yahova ne israaealiyon ke samhane desh se nikal diya tha, vah kiya, jo yahova kee draashtti men bura tha. us ne un unche sthanon ko jinako usake pita hijaakiyyah ne nash kiya tha, fir banaya, aur israael ke raja ahab kee nai bal ke liye veadiyon aur ek ashora banavai, aur akash ke kul gan ko dandvat aur una-kee upasana karata raha. aur us ne yahova ke us bh-van men vediyon banai jisake vishay yahova ne kaha tha, ki yarooshalem men maain apana nam rakoonga. varan yahova ke bhvan ke donon anganon men bhee us ne akash ke kul gan ke liye veadiyon banai. fir us ne apane bette ko ag men hom karake chaddhaya aur shuubhashuubh muhuttanko manata, aur ttona karata, aur ojhon aur boot siddhivalon se yyavahar karata tha varan us ne aeese bahut se kam kiae jo ya-hova kee drashtti men bure haai, aur jin se vah krod-hait hota haai. aur ashora kee jo moorat us ne khu-davai, usako us ne us bhvan men sthapit kiya, jisake vishay yahova ne daud aur usake putra sulaiman se kaha tha, ki is bhvan men aur yarooshalem me, jisako maain ne israael ke sab gotraen men se chun liya haai, maain sadaaiv apana nam rakoonga. aur yaadi ve meree sab agyaanon ke aur mere dase moosa kee dee hui pooree yyavastha ke anasar karane kee chaukasee kare, to maain aeese n karoonga ki jo desh maain ne israael ke purakhon ko diya tha, us se ve fir nikalakare mare mare firen. parantu unhon ne n mana, baran manashsho ne unako yahan tak bhttki diya ki unhon ne un jatiyon se bhee baddhkar burai kee jinhen yahova ne israaealiyon ke samhane se vinash kiya tha. isaliye yahova ne apane das bhavishyad-vktaon ke dara kaha, ki yahooda ke raja manashsho ne jo ye gharanait kam kia, aur jitane buraiyan ae-moriyon ne jo us se paahile kee thee, un se bhee adhaik buraiyan keen aur yahoodiyan se apanee ba-nai hui mooraton kee pooja karava ke unhen pap men fansaya haai. is karan israael ka parameshvar yahova yon kahata haai ki suno, maain yarooshalem aur ya-hooda par aeesee vipaattai dalana chahata hoo ki jo koi usaka samachar sunega vah bade sannatte men a jaaega. aur jo mapane kee doree maain ne shaemaron par dalee haai aur jo sahal maain ne ahab ke gharane par lattkaya haai vahee yarooshalem par dalooonga. aur maain yarooshalem ko aeese pochoonga jaise koi thalee ko ponchhta haai aur use ponchhkar ulatt deta

jab yoshiyyah rajy karane laga, tab vah att varsha ka tha, aur yarooshalem men aekatees varsha tak rajy karata raha. aur usakee mata ka nam yadeeda tha jo boskatavasee adaya kee bettee thee. us ne vah kiya, jo yahova kee draashtti men teek haai aur jis marga par usaka moolapurush daud chala tteek usee par vah bhee chala, aur us se n to daahinee or aur n bai or muda. apane rajy ke attarahaven varsha men raja yoshiyyah ne asalyah ke putra shaapan mantraee ko jo mashuullam ka pota tha, yahova ke bhvan men yah kahakar bheja, ki hilaakiyyah mahayajak ke pas jakar kah, ki jo chandee yahova ke bhvan men lai gai haai, aur darapalon ne praja se ikatthee kee haai, usako jodkar, un kam karanevalon ko saunp de, jo yahova ke bhvan ke kam par mukhaiye haain fir ve usako yahova ke bhvan men kam karanevale ka-reegaron ko de, isaaliye ki us men jo kuchh tootta footta ho usakee ve marammat karen. arthata bad-dhiyo, rajon aur sangatarashaen ko de, aur bhvan kee marammat ke liye lakadee aur gaddhe huae patthr mol lene men lagaen. parantu jinake hath men vah chandee saunpee gai, un se hisab n liya gaya, kyonki ve sachchai se kam karate the. aur hilaakiyyah ma-

hayajak ne shaapan mantraee se kaha, mujhe yahova ke bhvan men yvavastha kee pustak milee haai tab hilaakiyyah ne shaapan ko vah pustak dee, aur vah use paddhne laga. tab shaapan mantraee ne raja ke pas lauttkar yah sandesh diya, ki jo chanadee bhvan men milee, use tere karmachaariyo ne thailiyan men dal kar, unako saump diya jo yahova ke bhvan men kam karanevale haain. fir shapan mantraee ne raja ko yah bhee bata diya, ki hilaakiyyah yajak ne use aek pustak dee haai. tab shapan use raja ko paddhkar sunane laga. yvavastha kee us pustak kee baten sunakar raja ne apane vasr faade. fir us ne hilaakiyyah yajak, shaapan ke putra aheekam, meekayah ke putra akabor, shaapan mantraee aur asaya tam apane aek karmacharee ko agyaa dee, ki yah pustak jo milee haai, usakee baton ke vishy tum jakar meree or praja kee aur sab sahoodiyan kee or se yahova se poochho, kyonaki yahova kee badee hee jalajalahatt ham par is karan bhdkee haai, ki hamare purakhaon ne is pustak kee baten n manee ki kuchh hamare liye likha haai, usakee anusar karate. hilaakiyyah yajak aur aheekam, akabor, shaapan aur asaya ne hulda naabiya ke pas jakar us se baten kee, vah us shallom kee patnee thee jo tikava ka putra aur harhas ka pota aur vasren ka rakhvala tha, aur vah sree yarooshalem ke naye ttole men rahatee thee . us ne un se kaha, israel ka parameshvar yahova yon kahata haai, ki jis purush ne tum ko mere pas bheja, us se yah kaho, yahova yon kahata haai, ki sun, jis pustak ko yahooda ke raja ne paddha haai, usakee sab baton ke anusar maain is sthan aur isake nivaasiyon par vipaattai dala chahata hoo.n un logon ne mujhe tyag kar paraye devataon ke liye dhoop jalaya aur apanee banai hui sab vastuon ke dara mujhe krodha dilaya haai, is karan meree jalajalahatt is sthan par bhdkegee aur fir shaant n hogee. parantu yahooda ka raja jis ne tumhen yahova se poochhne ko bheja haai us se tum yon kaho, ki israelaai ka parameshvar yahova kahata haai. isaliye ki too ve baten sunakar deen hua, aur meree ve baten sunakar ki is sthan aur isake nivaasiyon ko dekhkar log chaakit honge, aur shap diya kareng, too ne yahova ke samhane apana sir navaya, aur apane vasr faadkar mere samhane roya haai, is karan maain ne teree sunee haai, yahova kee yahee vanee haai. isaliye dek, maain aeesa karoonga, ki too apane purakhaon ke sang mil jaaega, aur too shaanati se apanee kabar ko pahunchaya jaaega, aur jo vipaattai maain is sthan par dala chahata hoo, us men se tuihe apanee okhon se kuchh bhee dekhna n padega. tab unhon ne lauttkar raja ko yahee sandesh diya.

raja ne yahooda aur yarooshalem ke sab puraaniyon ko apane pas ikattha bulavaya. aur raja, yahooda ke sab logon aur yarooshalem ke sab nivaasiyon aur yajakon aur naabiyan varan chhotte bade saree praja ke logon ko sang lekar yahova ke bhvan men gaya. tab us ne jo vacha kee mustak yahova ke bhvan men milee thee, usakee sab baten unako paddhkar sunai. tab raja ne khmbhe ke pas khda hokar yahova se is ashay kee vacha bandhae, ki maain yahova ke peechhe peechhe chaloonga, aur apane sare man aur sare praan se us-

akee agyaaee, chitauaniyan aur vidhaiyan ka nit palan kiya karoonga? aur is vacha kee baton ko jo is pustak men likhee haai pooree karoonga. aur sab praja vacha men sambhagee hui. tab raja ne hilaakiyyah mahayajak aur usakee neeche ke yajakon aur darapalon ko agyaa dee ki jitane patra bal aur ashora aur akash ke sab gan ke liye bane haai, un sabhon ko yahova ke maandair men se nikal le ao. tab us ne unako yarooshalem ke bahar kidraen ke kheton men foonkakar unakee rakh betel ko pahuncha dee. aur jin pujaariyon ko yahooda ke rajaon ne yahooda ke nagaron ke unche sthanon men aur yarooshalem ke aspas ke sthanon men dhoop jalane ke liye tharaya tha, unako aur jo bal aur soorya-chandrama, raashaichakr aur akash ke kul gan ko dhoop jalate the, unako bhee raja ne door kar diya. aur vah ashora ko yahova ke bhvan men se nikalakar yarooshalem ke bahar kidraen nale men livale gaya aur vaheen usako foonk diya, aur peesakar bukaneer kar diya. tab vah bukaneer sadhaaran logon ke kabaron par faenk dee. fir purushagaamiyon ke ghar jo yahova ke bhvan men the, jahan striayan ashora ke liye parde buna karatee thee, unako us ne ddha diya. aur us ne yahooda ke sab nagaron se yajakon ko bulavakar geba se beshba tak ke un unche sthanon ko, jahan un yajakon ne dhoop jalaya tha, ashuuddh kar diya aur faattkon ke unche sthan arthata jo sthan nagar ke yahoshoo nam hakim ke faattk par the, aur nagar ke faattk ke bheetar janevale kee bai or the, unako us ne ddha diya. taubhee unche sthanon ke yajak yarooshalem men yahova kee bedee ke pas n aa, ve akhmeeree rottee apane bhiyon ke sath khate the. fir us ne topet ko jo hinnomavanshaiyon kee tarai men tha, ashuuddh kar diya, taaki ki apane bette va bettee ke molok ke liye ag men hom karake n chaddhaae. aur jo ghaede yahooda ke rajaon ne soorya ko arpan karake, yahova ke bhvan ke dar par natanmelek nam khoje kee bahar kee kottre men rakhe the, unako us ne door kiya, aur soorya ke rathon ke ag men foonk diya. aur ahaj kee attaree kee chht par jo vediyan yahooda ke rajaon kee banai hui thee, aur jo vediyan manashsho ne yahova ke bhvan ke donon anganon men banai thee, unako raja ne ddhakar pees dala aur unakee bukaneer kidraen nale men faenk dee. aur jo unche sthan israelaai ke raja sulaaiman ne yarooshalem kee poora or aur vikaree nam pahadee kee daakhkhan alang, ashtoret nam seedoniyan kee ghainaunee de-vee, aur kamosh nam moabiyan ke ghainaune devata, aur milkom nam ammoniyan ke ghainaune devata ke liye banavaae the, unako raja ne ashuuddh kar diya. aur us ne latton ko tod diya aur ashoron ko katt dala, aur unake sthan manushyon kee haddiyan se bhr diae. fir betel men jo vedee thee, aur jo uncha sthan nabat ke putra yarobam ne banaya tha, jis ne israelaai se pap karaya tha, us vedee aur us unche sthan ko us ne ddha diya, aur unche sthan ko foonkakar bukaneer kar diya aur ashora ko foonk diya. aur yoshaaiyyah ne fir kar vahan ke pahad kee kabaron ko dekha, aur logon ko bhejakar un kabaron se haaddiyan nikalava deen aur vedee par jalavakar usako ashuuddh kiya. yah yahova ke us vachan ke anusar hua, jo parameshvar ke us bhkt ne pukarakar kaha tha jis ne inheen baton kee charcha kee thee. tab us ne poochha, jo khmbha mujhe

dikhai padta haai, vah kya haai? tab nagar ke logon ne us se kaha, vah parameshvar ke us bhkt jan kee kabar haai, jis ne yahooda se akar isee kam kee char-cha pukarakar kee jo too ne betel kee vedee se kiya haai. tab us ne kaha, usako chhod do usakee haad-diyon ko koi n hattaa. tab unhon ne usakee haad-diyon us nabee kee haddiyon ke sang jo shaemaron se aya tha, rahane dee. fir unche sthan ke jitane bhpan shaemaron ke nagaron men the, jinako israael ke rajaon ne banakar yahova ko ris dilai thee, un sabhon ko yoshaiyyah ne gira diya aur jaaisa jaaisa us ne betel men kiya tha, vaaisa vaaisa un se bhee kiya. aur un unche sthanon ke jitane yajak vahan the un sabhon ko us ne unhee vadiyon par baali kiya aur un par manushyon kee haddiyon jalakar yarooshalem ko lautt gaya. aur raja ne saree praja ke logon ko agyaa dee, ki is vacha kee pustak men jo kuchh likha haai, usake anusar apane parameshvar yahova ke liye fasah ka parva mano. nishchay aeesa fasah n to nyayiyon ke dinon men mana gaya tha jo israael ka nyay karate the, aur n israael va yahooda ke rajaon ke dinon men mana gaya tha. raja yoshaiyyah ke attarahaven varsha men yahova ke liye yarooshalem men yah fasah mana gaya. fir ojhe, bootaasiddhivale, grahadavata, mooraten aur jitane ghainaunee vastuen yahood desh aur yarooshalem men jahan kaheen dikhai padee, un sabhon ko yoshaiyyah ne us manasa se nash kiya, ki yvavastha kee jo baten us pustak men likhee theen jo hilaakiyyah yajak ko yahova ke bhvan men milee thee, unako vah pooree kare. aur usake tuly n to us se paahile koi aeesa raja hua aur n usake bad aeesa koi raja utta, jo moosa kee pooree yvavastha ke anusar apane poorn man aur moorn praan aur poorn shaaktai se yahova kee or fira ho. taubhee yahova ka bhdka hua bada kop shaant n hua, jo is karan se yahooda par bhdka tha, ki manashsho ne yahova ko krodha par krodha dilaya tha. aur yahova ne kaha tha jese maain ne israael ko apane samhane se door kiya, vaaise hee sahooda ko bhee door karoonga aur is yarooshalem nagar se jise maain ne chuna aur is bhvan se jisake vishay maain ne kaha, ki yah mere nam ka nivas hoga, maain hath uthaunga. yoshaiyyah ke aur sab kam jo us ne kia, vah kya yahooda ke rajaon ke iatihas kee pustak men naheen likhe haain? usake dinon men firauna-nako nam misra ka raja ashshoor ke raja ke viruddh parat mahanad tak gaya to yoshaiyyah raja bhee usaka samhana karane ko gaya, aur us ne usako dekhthe hee maagio men mar dala. tab usake karmachaariyon ne usakee loth aek rath par rakh maagio se le jakar yarooshalem ko pahunchai aur usakee nij kabar men rakh dee. tab sadhaaran logon ne yoshaiyyah ke putra yahoahaj ko lekar usaka aabhaishok karake, usake pita ke sthan par raja niyukt kiya. jab yahoahaj rajy karane laga, tab vah teriras varsha ka tha, aur teen maheene tak yarooshalem men rajy karata raha aur usakee mata ka nam hamootal tha, jo libnavasee yirmayah kee bettee thee. us ne iek apane purakhaon kee nai vahee kiya, jo yahova kee draashti men bura haai. usako firauna-nako ne hamat desh ke ribala nagar men bandha rakha, taki vah yarooshalem men rajy n karake paa, fir us ne desh par sau kikkar chandee aur kikkar bhr sona juramana kiya. tab firauna-nako ne yoshaiyyah

ke putra aelyakeem ko usake pita yoshaiyyah ke sthan par raja niyukt kiya, aur usaka nam badalakar yahoyakeem rakha aur yahoahaj ko le gaya. so yahoahaj misra men jakar vaheen mar gaya. yahoyakeem ne firaun ko vah chandee aur sona to diya parantu desh par isaliye kar lagaya ki firaun kee agyaa ke anusar use de sake, arthata desh ke sab logon se jitana jis par lagana laga, utanee chandee aur sona us se firauna-nako ko dene ke liye le liya. jab sahyoyakeem rajy karane laga, tab vah pachees parsha ka tha, aur gyarah varsha tak yarooshalem men rajy karata raha aur usakee mata ka nam jabeeda tha jo roomavasee adayah kee bettee thee. us ne tteek apane purakhaon kee nai vah kiya jo yahova kee draashti men bura haai.

usake dinon men babel ke raja nabookadanessar ne chaddhai kee aur yahoyakeem teen varsha tak usake adhaeen raha tab us ne fir kar us se balava kiya. tab yahava ne usake viruddh aur yahooda ko nash karane ke liye kasadiyo, araamiyo, moaabiyon aur ammoniyon ke dal bheje, yah yahova ke us vachan ke anusar hua, jo us ne apane das bhvishyadvktaon ke dara kaha tha. nisandeh yah yahooda par yahova kee agyaa se hua, taki vah unako apane samhane se door kare. yah manashsho ke sab papon ke karan hua. aur nidashaen ke us koon ke karan jo us ne kiya tha kyonaki us ne yarooshalem ko nidashaen ke koon se bhr diya tha, jisako yahova ne kshama karana n chaha. yahoyakeem ke aur sab kam jo us ne kia, vah kya yahooda ke rajaon ke iatihas kee pustak men naheen likhe haain? nidan yahoyakeem apane purakhaon ke sang so gaya aur usaka putra yahoyakeem usake sthan par raja hua. aur misra ka raja apane desh se bahar fir kabhee n aya, kyonaki babel ke raja ne misra ke nale se lekar parat mahanad tak jitana desh misra ke raja ka tha, sab ko apane vash men kar liya tha. jab yahoyakeem rajy karane laga, tab vah attarah varsha ka tha, aur teen maheene tak yarooshalem men rajy karata raha aur usakee mata ka nam tahushta tha, jo yarooshalem ke aelanatan kee bettee thee. us ne tteek apane pita kee nai vah kiya, jo yahova kee draashti men bura haai. usake dinon men babel ke raja nabookadanessar ke karmachariyon ne yarooshalem par chaddhai karake nagar ko ghor liya. aur jab babel ke raja nabookadanessar ke karmacharee nagar ko ghere huae the, tab vah ap vahan a gaya. aur yahooda ka raja yahoyakeem apanee mata aur karmachaariyo, hakimon aur khojon ko sang lekar babel ke raja ke pas gaya, aur babel ke raja ne apane rajy ke attven varsha me unako pakad liya. tab us ne yahova ke bhvan men aur rajbhvan men rakha hua poora dhan vahan se nikal liya aur sone ke jo patra israael ke raja sulaaiman ne banakar yahova ke mandair men rakhe the, un sabhon ko us ne ttukade ttukade kar dala, jaaisa ki yahova ne kaha tha. fir vah poore yarooshalem ko arthata sab haakimon aur sab dhana-vanon ko jo milakar das hajar the, aur sab kareegaron aur loharon ko bandhaua karake le gaya, yahan tak ki sadhaaran logon men se kangalon ko chhod aur koi n rah gaya. aur vah yahoyakeem ko babel men le gaya aur usakee mata aur striayon aur khojon ko

aur desh ke bade logon ko vah bandhaua karake yarooshalem se babel ko le gaya. aur sab dhanavan jo sat hajar the, aur kareegar aur lohar jo milakar aek hajar the, aur ve sab veer aur yuddh ke yogy the, unhen babel ka raja bandhaua karake babel ko le gaya. aur babel ke raja ne usake sthan par usake chacha matanyah ko raja niyukt kiya aur usaka nam badalakar sidaakiyyah rakha. jab sidaakiyyah rajy karane laga, tab vah ikkees varsha ka tha, aur yarooshalem men gyarah varsha tak rajy karata raha aur usakee mata ka nam hamootal tha, jo libnavasee yirmayah kee bettee thee. us ne tteek yahoyakeem kee leek par chalakar vahee kiya jo yahova kee draashtti men bura haai. kyona ki yahova ke kop ke karan yarooshalem aur yahooda ko aeesee dasha hui, ki ant men us ne unako apane samhane se door kiya.

hijaakiyyah raja ke chaudahaven varsha me, ashshoor
 ke raja sanhereeb ne yahooda ke sab gaddhvale
 nagaron par chaddhai karake unako le liya. aur
 ashshoor ke raja ne rabashaake kee badee sena dekar
 lakeesh se yarooshalem ke pas hijaakiyyah raja ke vi-
 rooddh bhej diya. aur vah uttee pokhre kee nalee
 ke pas dhabeabiyon ke khet kee sadk par jakar khda
 hua. tab hilkaiyyah ka putra aelyakeem jo rajagha-
 rane ke kam par niyukt tha, aur shobna jo mantraee
 tha, aur asap ka putra yoah jo iatihas ka lekhk tha, ye
 teenon us se milane ko bahar nikal gaae.. rabashaake
 ne un se kaha, hijaakiyyah se kaha, maharajadhairaj
 ashshoor ka raja yon kahata haai ki too kisaka bhrosa
 kiae baaitta haai? mera kahana haai ki kya munh se
 baten banana hee yuddh ke liye parakram aur yuaktai

 balava kiya haai? sun, too to us kuchale huae narakatt
 arthata misr par bhrosa rakhta haai us par yaadi koi
 ttek lagaae to vah usake hath men chubhkar chhed

 hee karata haai jo us par bhrosa rakhte haain. fir yadi
 too mujh se kahe, hamara bhrosa apane parameshvar
 yahova par haai, to kya vah vahee naheen haai jisake
 unche sthanon aur vediyon ko ddha kar hijaakiyyah
 ne yahooda aur yarooshalem ke logon se kaha ki tum
 is vedee ke samhane dandvata kiya karo? isaliye ab

mere svamee ashshoor ke raja ke sath vacha bandha tab maain tuihe do hajar ghaede doonga yaadi too un par savar chaddha sake. fir too rathon aur savaron ke liye misr par bhrosa rakhkar mere svamee ke chhotte se chhotte karmacharee ko bhee kaaise hatta sakega? kya maain ne yahova ke bina kahe is desh ko ujadne ke liye chaddhai kee haai? yahova ne mujh se kaha haai, us desh par chaddhai karake use ujad de.. tab aelyakeem, shobna aur yoah ne rabashaake se kaha, apane dason se aramee bhasha men bat kar kyonaki ham use samajhte haain ham se yahoodee bhasha men shaharapanah par baaitte huae logon ke sunate baten n kara. rabashaake ne kaha, kya mere svamee ne mujhe tere svamee hee ke va tumhare hee pas ye baten kahane ko bheja haai? kya us ne mujhe un logon ke pas naheen bheja jo shaharapanah par baaitte haain jinhen tumhare sang apanee vishtta khana aur apana mootra peena padega? tab rabashaake ne khde hokar yahoodee bhasha men unche shabd se kaha, maharajaadhairaj ashshoor ke raja kee baten suno! raja yon kahata haai, hijaaikiyyah tum ko dhaekha n de, kyonaki vah tumhen bacha n sakega. aeesa n ho ki hijaaikiyyah tum se yah kahakar bhulava de ki yahova nishchay ham ko bachaaega ki yah nagar ashshoor ke raja ke vash men n padega. hijaaikiyyah kee mat suno ashshoor ka raja kahata haai, bhenntt bhejekar mujhe prasann karo aur mere pas nikal ao tab tum apanee apandee dakhilata aur anjeer ke vraksha ke fal kha paoge, aur apane apandee kund ka panee piya karoge jab tak maain akar tum ko aese desh men n le jaun jo tumhare desh ke saman anaj aur naye dakhmadha ka desh aur rottee aur dakh kee baariyon ka desh haai. aeesa n ho ki hijaaikiyyah yah kahakar tum ko bahakaake ki yahova ham ko bachaaega. kya aur jaatiyon ke devataon ne apandee apandee desh ko ashshoor ke raja ke hath se bachaya haai? hamat aur arpad ke devata kahan rahe? sapavaraim ke devata kahan rahe? kya unhon ne shaemaron ko mere hath se bachaya? desh desh ke devataon men se aeesa kaun haai jis ne apandee desh ko mere hath se bachaya ho? fir kya yahova yarooshaleem ko mere hath se bachaaega? parantu ve chup rahe aur usake uttre men aek bat bhee n kahee, kyonki raja kee aeseee agyaa thee ki usake uttre n dena. tab hilkaaiyyah ka putra aelyakeem jo rajagharane ke kam par niyukt tha aur shobna jo mantraee tha aur asap tha, inhon ne hijaaikiyyah ke pas vasr faade huae jakar rabashaake kee baten kah sunai..

37

jab hijaaikiyyah raja ne yah suna, tab vah apandee vasr faad aur ttatt oddhkar yahova ke bhvan men gaya. aur us ne aelyakeem ko jo rajagharane ke kam par niyukt tha aur shobna mantraee ko aur yajakon ke puraaniyon ko jo sab ttatt oddhe huae the, amos ke putra yashaayah nabee ke pas bhej diya. unhon ne us se kaha, hijaaikiyyah yon kahata haai ki aj ka din sankatt aur ulahane aur ninda ka din haai, bachche janmane par huae par jachcha ko janane ka bal n raha. sambhva hai ki tere parameshvar yahova ne rabashaake kee baten sunse jise usake svamee ashshoor ke raja ne jeevate parameshvar kee ninda karane ko bheja haai, aur ja baten tere parameshvar yahova ne sunse haain un-

hen dapatte so too in bache huon ke liye jo rah gaee haai, praarthna kara.. jab hijaaikiyyah raja ke karmacharee yashaayah ke pas aae. tab yashaayah ne un se kaha, apandee svamee se kaho, yahova yon kahata haai ki jo vachan too ne sunse haain jinake dara ashshoor ke raja ke janon men meree ninda kee haai, unake karan mat dra. sun, maain usake man men praerana karoonga jis se vah kuchh samachar sunakar apandee desh ko lautt jaee aur maain usake usee desh men talavar se marava daloonga.. tab rabashaake ne lauttkar ashshoor ke raja ko libna nagar se yuddh karate paya kyonki us ne suna tha ki vah lakeesh ke pas se utt gaya haai. us ne koosh ke raja tirhaka ke vishay yah suna ki vah us se ladne ko nikala haai. tab us ne hijaaikiyyah ke pas dooton ko yah kahakar bheja. ki tum yahooda ke raja hijaaikiyyah se yon kahana, tera parameshvar jis par too bhrosa karata haai, yah kahakar tuihe dhaekha n dene paae ki yarooshaleem ashshoor ke raja ke vash men n padega. dek, too ne suna haai ki ashshoor ke rajaon ne sab deshaen se kaaise vyavahar kiya ki unhen satyanash hee kar diya. fir kya too bach jaega? gojaan aur haran aur reseep men rahanevalee jin jatiyon ko aur talassar men rahanevalee aedenee logon ko mere purakhaon ne nash kiya, kya unake devataon ne unhen bacha liya? hamat ka raja, arpad ka raja, sapavaraim nagar ka raja, aur hena aur ivva ke raja, ye sab kahan gaee? is patraee ko hijaaikiyyah ne dooton ke hath se lekar paddha tab us ne yahova ke bhvan men jakar us patraee ko yahova ke samhane faaila diya. aur yahova se yah praarthna kee, he senaon ke yahova, he karoobon par virajaman israel ke parameshvar, prathvee ke sab rajyon ke upar keval too hee parameshvar haai akash aur prathvee ko too hee ne banaya haai. he yahova, kan lagakar suna yahova ankh kholakar dekh aur sanhereeb ke sab vachanon ko sun le, jis ne jeevate parameshvar kee ninda karane ko likh bheja haai. he yahova, sach to haai ki ashshoor ke rajaon ne sab jatiyon ke deshaen ko ujada haai aur unake devataon ko ag men jhonka haai kyonaki ve ishvar n the, ve keval manushyon kee kareegaree, katt aur patthr hee the is karan ve unako nash kar sake. ab he hamare parameshvar yahova, too hamen usake hath se bacha jis se prathvee ke rajy rajy ke log jan len ki keval too hee yahova haai.. tab amos ke putra yashaayah ne hijaaikiyyah ke pas yah kahala bheja, israel ka parameshvar yahova yon kahata haai, too ne jo ashshoor ke raja sanhereeb ke vishay men mujh se praarthna kee haai, usake vishay yahova ne yah vachan kaha haai, siyyon kee kumaree kanya tuihe tuchchh janatee haai aur tttttt men udatee haai yarooshaleem kee putraee tuih par sir hilatee haai.. too ne kis kee namadharai aur ninda kee haai? aur too jo bada bol bola aur ghamand kiya haai, vah kis ke virooddh kiya haai? israel ke paavitra ke virooddh! apandee karmachaariyon ke dara too ne prabhu kee ninda karake kaha haai ki bahut se rath lekar maain parvaton kee chottiyai par varan labanon ke beech tak chaddh aya hon maain usake unche unche devadaron aur achchhe achchhe sanaubaron ko katt daloonga aur usake door door ke unche sthanon men aur usake van kee faladai baariyon men pravesh karoonga. maain ne khudavakar panee piya aur misr kee naharon men panv dharate hee unhen sukha diya.

kya too ne naheen suna ki praacheenakal se maain ne yahee ttana aur poovakal se isakee taaiyaree kee thee? isaliye ab maain ne yah poora bhee kiya haai ki too gaddhvale nagaron ko khndhar kee khndhar kar de. isee karan unake rahanevalon ka bal ghatt gaya aur ve vismait aur lajjait hue: ve maaidan ke chhotte chhotte pedon aur haree ghaas aur chht par kee ghaas aur aeese anaj ke saman ho gaae jo baddhne se paahile hee sookh jata haai.. maain to tera baait-tna, kooch karana aur lautt ana janata hoon aur yah bhee ki too mujh par apana krodha bhdkata haai. is karan ki too mujh par apana krodha bhdkata aur tere aabhaiman kee baten mere kanon men padee haai, maain teree nak men nakel dalakar aur tere munh men apanee lagam lagakar jis marga se too aya haai usee marga se tujhe lautta doonga.. aur tere liye yah chinh hoga ki is varsha to tum use khaage jo ap se ap uge, aur doosare varsha vah jo us se utpann ho, aur teesare varsha beej bokar use lavane paoge aur dakh kee bariyan lagane aur unaka fal khane paoge. aur yahooda ke gharane ke bache huae log fir jad pakadenge aur foolen-falenge kyonaki yarooshalem se bache huae aur siyyon parvat se bhage huae log nikalenge. senaon ka yahova apanee jalan ke karan yah kam karega.. isaliye yahova yashshoor ke raja ki vishay yon kahata haai ki vah is nagar men pravesh karane, varan is par aek teer bhee marane n paagea aur n vah ddhal lekar isake samhane ane va isake vi-rooddh damadama bandhane paagea. jis marga se vah aya haai usee se vah lautt bhee jaagea aur ve is nagar men pravesh n karane paagea, yahova kee yahee vanees haai. kyonaki maain apane nimitt aur apane das daud ke nimit, is nagar kee raksha karake use bachaunga.. b yahova ke doot ne nikalakar ashshooriyoon kee chhavanee men aek lakh pachasee hajar puurooshaen ko mara aur bhor ko jab log savere utte tab kya dekha ki loth hee loth padee haain. tab ashshoor ka raja sanhereeb chal diya aur lauttkar neenave men rahane laga. vahan vah apane devata nisrok ke maandair men dandvata kar raha tha ki itane men usake putra adrammelek aur sharesen ne usako talavar se mara aur ararat desh men bhag gae. aur usaka putra aesarhaon usake sthan par rajy karane laga..

38

un dinon men hijaaikiyyah aeese rogee hua ki vah marane par tha. aur amos kee putra yashaayah nabee ne usake pas jakar kaha, yahova yon kahata haai, apane gharane ke vishay jo agyaa denee ho vah de, kyonaki too n bachega mar hee jaega. tab hijaaikiyyah ne bhee kee or munh faerakar yahova se praarthna karake kaha he yahova, maain binatee karata hoo, smaran kar ki maain sachchai aur khre man se apane ko tere sammukh janakar chalata aya hoon aur jo teree draashtti men uchit tha vahee karata aya hoon. aur hijaaikiyyah bilak bilakakar rone laga. tab yahova ka yah vachan yashaayah ke pas pahuncha, jakar hijaaikiyyah se kah ki tere moolapuroosh daud ka parameshvar yahova yon kahata haai, maain ne teree praarthna sunee aur tere ansoo dekhe haain sun, maain teree ayu pandrah varsha aur baddha doonga. ashshoor ke raja ke hath se maain teree aur is nagar

39

us samay baladan ka putra marodak baladan, jo babul ka raja tha, us ne hijaaikiyyah ke rogee hone aur fir change ho jane kee charcha sunakar usake pas patraee aur bhentt bhejee. in se hijaaikiyyah ne prasann hokar apane anamol padathorn ka bhndar aur chandee, sona, sugandha dravy, uttm tel or bhndaron men jo vastuen thee, ve sab unako dikhlain. hijaaikiyyah kee bhvan aur rajy bhr men koi aeeseee vastu naheen rah gai jo us ne unhen n dikhai ho. tab yashaayah nabee ne hijaaikiyyah raja ke pas jakar poochha, ve manushy kya kah gae? aur ve kahan se tere pas aae the? hijaaikiyyah ne kaha, ve to door desh se arthata babul se mere pas aae the. fir us ne poochha, tere bhvan men unhon ne kya kya dekha haai? hijaaikiyyah ne kaha, jo kuchh mere bhvan men haai vah sab unhon ne dekhe

haai mere bhndaron men koi aeese vastu naheen jo maain ne unhen n dikhai ho.. tab yashaayah ne hi-jaaikiyyah se kaha, senaen aur yahova ka yah vachan sun le: aeese din anevale haai, ji men jo kuchh tere bhvan men haai aur jo kuchh aj ke din tak tere purakhaon ka rakha hua tere bhndaron men haai, vah sab babul ko utt jaeega yahova yah kahata haai ki koi vastu n bachegee. aur jo putra tere vansh men utpann ho, un men se bhee kitanon ko ve bandhauai men le jaeenge aur vah khoje banakar babul ke rajbhvan men rahenge. hi-jaaikiyyah ne yashaayah se kaha, yahova ka vachan jo too ne kaha haai vah bhla hee haai. fir us ne kaha, mere dinon men to shaantai aur sachchai banee rahegee..

jo maain unake liye karoonga aur ve sab kalyan aur shaaantai kee charcha sunakar jo maain un se karoonga, dreng aur thrathraenge ve prathvee kee un jaatiyon kee draashtti men mere liye hasharanevale aur stuati aur shaebha ka karan ho jaaenge. yahova yon kahata haai, yah sthan jisake vishay tum log kahate ho ki yah to ujad ho gaya haai, is men n to manushy rah gaya haai aur n pashu, arthata yahooda desh ke nagar aur yarooshalem kee sadken jo aeese sunasan padee haain ki un men n to koi manushy rahata haai aur n koi pashu, inheen men harsha aur anand ka shabd, dulce-dulhain ka shabd, aur is bat ke kahanevalon ka shabd fir sunai padega ki senaon ke yahova ka dhanyavad karo, kyonki yahova bhla haai, aur usakee karuna sada kee haai. aur yahova ke bhvan men dhanyavadabali lanevalon ka bhee shabd sunai dega kyonaki maain is desh kee dasa pahile kee nai jyon kee tyon kar doonga, yahova ka yahee vachan haai. senaon ka yahova kahata haai sab gavaron samet yah sthan jo aeesa ujad haai ki is men n to manushy rah gaya haai aur n pashu, isee men bhed-bakaariyan baaitanevale charavahe fir basenge. pahadee desh men aur neeche ke desh me, dakkhian desh ke nagaron me, binyameen desh me, aur yarooshalem ke as pas, nidan yahooda desh ke sab nagaron men bhed-bakaariyan fir gina-ginakar charai jaaenge, yahova ka yahee vachan he. yahova kee yah bhee vaneer haai, dek, aeese din anevale haain ki kalyan ka jo vachan maain ne israaael aur yahooda ke gharanon ke vishay men kaha haai, use poora karoonga. un dinon men aur un samayon men maain daud ke vansh men dharma kee ek dal ugaunga aur vah is desh men nyay aur dharma ke kam karega. un dinon men yahooda bacha rahega aur yarooshalem nidr basa rahega aur usaka nam yah rakha jaega athraata yahova hamaree dhaarmikata. yahova yon kahata haai, daud ke kul men israaael ke gharane kee gaee par virajanevale sadaiv bane rahenge, aur leveey yajakon ke kulon men praatidin mere liye homabaali chaddhanevale aur annabaali jalanevale aur melabali chaddhanevale sadaiv bane rahenge. fir yahova ka yah vachan yirmayah ke pas pahuncha, yahova yon kahata haai, maain ne din aur rat ke vishay men jo vacha bandhaee haai, jab tum usako aeese tod sako ki din aur rat apane apane samay men n ho, tab hee jo vacha maain ne apane das daud ke sang bandhaee haai toot sakege, ki tere vansh kee gaee par virajanevale sadaiv bane rahenge, aur merree vacha merree seva tthal karatevale leveey yajakon ke sang bandhaee rahege. jaaisa akash kee sena kee ginatne aur samudra kee baloo ke kinakon ka pariman naheen ho sakata haai usee prakar maain apane das daud ke vansh aur apane sevak leveiyan ko baddhakar anaaginit kar doonga. yahova ka yah vachan yirmayah ke pas pahucha, kya too ne naheen dekha ki ye log kya kahate haai, ki, jo do kul yahova ne chun liae the un donon se us ne ab hath uthaya haai? yah kahakar ki ye merree praja ko tuchchh janate haain aur ki yah jati unakee drashtti men gir gai haai. yahova yon kahata haai, yadi din aur rat ke vishay merree vacha attl n rahe, aur yadi akash aur prathvee ke niyam meree ttharaae huae n rah jaae, tab hee maain yakoob ke vansh se hath uthaunga, aur ibraaheem, isahak aur yakoob ke vansh par prabhuta

jab babul ka raja nabookadanessar apane sarae sena samet aur prathvee ke jitane rajy usake vash men the, un sabhon ke logon samet yarooshalem aur usake sab ganvon se lad raha tha, tab yahova ka yah vachan yirmayah ke pas pahuncha, israael ka parameshvar yahova yon kahata haai, jakar yahooda ke raja sidaakiyyah se kah, yahova yon kahata haai, ki dek, maain is nagar ko babul ke raja ke vash men kar dene par hoo, aur vah ise faunkava dega. aur too usake hath se n bachega, nishchay pakada jaaega aur usake vash men kar diya jaaega aur teree ankhen babul ke raja ko dekhengee, aur tum amhane-samhane baten karoge aur too babul ko jaaega. taubhee he yahooda ke raja sidaakiyyah, yahova ka yah bhee vachan tun jise yahova tere vishay men kahata haai, ki too talavar se mara n jaaega. too shaantai ke sath marega. aur jaaisa tere pitaron ke liye arthata jo tujh se paahile raja the, unake liye sugandha dravy jalaya gaya, vaaisa hhee tere liye bhee jalaya jaaega aur log yah kahakar, hay mere prabhu ! tere liye chhatee peettenge, yahova kee yah-hee vane haai. ye sab vachan yirmayah bhvishyadvakta ne yahooda ke raja sidaakiyyah se yarooshalem men us samay kahe, jab babul ke raja kee sena yarooshalem se aur yahooda ke jitane nagar bach gaee the, un se arthata lakeesh aur ajeka se lad rahee thee kyonaki yahooda ke jo gaddhvale nagar the un men se keval ye hee rah gaee the. yahova ka yah vachan yirmayah ke pas us samay aya jab sidaakiyyah raja ne sarae praja se jo yarooshalem men the yah vacha bandhaai ki dason ke svadhaeen hone ka prachar kiya jaa, ki sab log apane apane dasa-dasee ko jo ibraee va iabirn hon svadhaeen karake jane de, aur koi apane yahudee bhai se fir apane seva n karaae. tab sab haakimon aur sarae praja ne yah pran kiya ki ham apane apane dasa-daasiyon ko svatantra kar denge aur fir un se apane seva n karaaenge so us pran ke anusar unako svatantra kar diya. parantu isake bad ve fir gaee aur jin dasa-daasiyon ko unhon ne svatantra karake jane diya tha unako fir apane vash men lakar das aur dasee bana liya. tab yahova kee or se yah vachan yirmayah ke pas pahuncha, israael ka parameshvar yahova tum se yon kahata haai, jis samay maain tumhare pitaron ko dasatv ke ghar arthata misra desh se nikal le aya, us samay maain ne ap un se yah kahakar vacha bandhae ki tumhara jo ibraee bhai tumhare hath men becha jaae usako tum sataven baras men chhod dena chh baras to vah tumharee seva kare parantu isake bad tum usako svatantra karake apane pas se jane dena. parantu tumhare pitaron ne meree n sunee, n meree or kan lagaya. tum abhee fire to the aur apane apane bhai ko svatantra kar dene ka prachar karake jo kam meree draashti men bhla he use tum ne kiya bhee tha, aur jo bhvan mera kahalata haai us men meree samhane vacha bhee bandhae the par tum bhitt gaee aur mera nam is reeati se ashuuddh kiya ki jin dasa-daasiyon ko tum svatantra karake unakee ichchha par

chhod chuke the unhen tum ne fir apane vash men kar liya haai, aur ve fir tumhare dasa- dasiyan ban gaee haain. is karan yahova yon kahata haai ki tum ne jo meree agyaa ke anusar apane apane bhai ke svatantra hone ka prachar naheen kiya, so yahova ka yah vachan haai, suno, maain tumhare is prakar se svatantra hone ka prachar karata hoo ki tum talavar, maree aur mahangee men padoge aur maain aesa karoonga ki tum prathvee ke rajy rajy men mare mare firege. aur jo log meree vacha ka ullanghan karate haain aur jo pran unhon ne meree samhane aur bachhde ko do bhag karake usake donon bhagon ke beech hokar kiya parantu use poor n kiya, arthata yahooda desh aur yarooshalem nagar ke haakim, khoje, yajak aur sadhaaran log jo bachhde ke bhagon ke beech hokar gaee the, unako maain unake shatrauon arthata unake praan ke khojiyon ke vash men kar doonga aur unakee loth akash ke paakshiyaon aur maaidan ke pashuon ka ahar ho jaengee. aur maain yahooda ke raja sidaakiyyah aur usake hakimon ko unake shatrauon aur unake praan ke khojiyon arthata babul ke raja kee sena ke vash men kar doonga jo tumhare samhane se chalee gai haai. yahova ka yah vachan haai ki dekho, maain unako agyaa dekar is nagar ke pas lautta le aunga aur ve ladkar ise le lenge aur foonk denge aur yahooda ke nagaron ko maain aesa ujad doonga ki koi un men n rahega.

yoshaaiyyah ke putra yahooda ke raja yahoyakeem ke rajy men yahova kee or se yah vachan yirmayah ke pas pahuncha rekabiyaon ke gharane ke pas jakar un se baten kar aur unhen yahova ke bhvan kee aek kottree men le jakar dakhmadha pila. tab maain ne yajanyah ko jo habassaiyyah ka puta aur yirmayah ka putra tha, aur usake bhaiyaon aur sab putraen ko, nidan rekabiyaon ke sare gharane ko sath liya. aur maain unako parameshvar ke bhvan me, yigdalyah ke putra hanan, jo parameshvar ka aek jan t, usakee kottree men le aya jo hakimon kee us kottree ke pas the aur shalloom ke pratra devaddhee ke rakhvale maseyah kee kottree ke upar the. tab maain ne rekabiyaon ke gharane ko dakhmadha se bhre huae hande aur kattore dekar kaha, dakhmadha peo. unhon ne kaha, ham dakhmadha n peeenge kyonki rekab ke putra yonadab ne jo hamara purakha tha ham ko yah agyaa dee thee ki tum kabhee dakhmadha n peena n tum, n tumhare putra. n ghar banana, n beej bona, n dakh kee baree lagana, aur n unake aadhaikaree hona parantu jeevan bhr tambuon hee men rahana jis se jis desh men tum paradashae ho, us men bahut din tak jeete raho. isaliye ham rekab ke putra apane purakha yonadab kee bat manakar, usakee sarae agyaaon ke anusar chalate haai, n ham aur n hamaree striyaan va putra-putraiyaan kabhee dakh madha peetee haai, aur n ham ghar banakar un men rahate haain. ham n dakh kee baree, n khet, aur n beej rakhte haain ham tambuon hee men raha karate haai, aur apane purakha yonadab kee bat manakar usakee sarae agyaaon ke anusar kam karate haain. parantu jab babul ke raja nabookadanessar ne is desh par chaddhai kee, tab ham ne kaha, chalo, kasadiyaon aur aramiyaon ke

dalón ke dr ke mare yarooshalem men jaaen. is karan ham ab yarooshalem men rahate haain. tab yahova ka yah vachan yirmayah ke pas pahuncha. israael ka parameshvar senaon ka yahova yon kahata haai ki jakar yahooda desh ke logon aur yarooshalem nagar ke nivaasiyon se kah, yahova kee yah vanee haai, kya tum shaiksha manakar meree n sudoge? dekho, rekab ke putra yonadab ne jo agyaa apane vansh ko dee thee ki tum dakhmadha n peena so to manee gai haai yahan tak ki aj ke din bhee ve log kuchh naheen peete, ve apane purakha kee agyaa manate haain par yadhyi maain tum se bade yatn se kahata aya hoo, taaibhee tum ne meree naheen sunee. maain tumhare pas apane sare das nabiyon ko bada yatn karake yah kahane ko bhejata aya hoo ki apanee buree chal se firo, aur apane kam sudhaaro, aur doosare devataon ke peechhe jakar unakee upasana mat karo tab utum is desh men jo maain ne tumhare pitaron ko diya tha aur tum ko bhee diya haai, basane paoge. par tum ne meree or kan naheen lagaya n meree sunee haai. dekho rekab ke putra yonadab ke vansh ne to apane purakha kee agyaa ko man liya par tum ne meree naheen sunee. isaliye senaon ka parameshvar yahova, jo israael ka parameshvar haai, yon kahata haai ki dekho, yahooda desh aur yarooshalem nagar ke sare nivaasiyon par jitanee vipaattai dalane kee maain ne charcha kee haai vah un par ab dalata hoo kyonki maain ne unako sunaya par unhon ne naheen suna, maain ne unako bulaya par unhon ne uttar n diya. aur rekabiyon ke gharane se yirmayah ne kaha, israael ka parameshvar senaon ka yahova tum se yon kahata haai, isaliye ki tum ne jo apane purakha yonadab kee agyaa manee, varan usakee sab agyaon ko man liya aur jo kuchh us ne kaha usakee anasar kam kiya haai, isaliye israael ka parameshvar senaon ka yahova yon kahata haai, rekab ke putra yonadab ke vansh men sada aeesa jan paya jaaega jo mere sam-mukh khda rahe.

fir yoshihiyyah ke putra yahooda ke raja yahoyakeem ke rajy ke chauthe baras men yahova kee or se yah vachan yirmayah ke pas pahuncha, aek pustak lekar jitane vachan maain ne tuij se yoshihiyyah ke dinon se lekar arthata jab maain tuij se baten karane laga us samay se aj ke din tak israael aur yahooda aur sab jatiyon ke vishay men kahe haai, sab ko us men likh. kya jane yahooda ka gharana us saree vipaattai ka samachar sunakar jo maain un par dalane kee kalpana kar raha hoo apanee buree chal se fire aur maain unakee adharna aur pap ko kshama karoon. to yirmayah ne neriyyah ke putra barook ko bulaya, aur barook ne yahova ke sab vachan jo us ne yirmayah se kahe the, usake mukh se sunakar pustak men likh diae. fir yirmayah ne barook ko agyaa dee aur kaha, maain to bandha hua hoo, maain yahova ke bhvan men naheen ja sakata. so tu upavas ke din yahova ke bhvan men jakar usake jo vachan too ne mujh se sunakar likhe haai, pustak men se logon ko paddhkar sunana, aur jitane yahoodae log apane apane nagaron se aenge, unako bhee paddhkar sunana. kya jane ve yahova se gidgidakar praarthna karen aur apanee apanee bu-

ree chal se firen kyonki jo krodha aur jalalahatt yahova ne apanee is praja par bhdhane ko kaha haai, vah badee haai. yirmayah bhvishyadvkta kee is agyaa ke anasar neriyyah ke putra barook ne, yahova ke bhvan men us pustak men se usake vachan paddhkar sunaae. aur yoshihiyyah ke putra yahooda ke raja yahoyakeem ke rajy ke panchaven baras ke nauden maheene men yarooshalem men jitane log the, aur yahooda ke nagaron se jitane log yarooshalem men aae the, unhon ne yahova ke samhane upavas karane ka prachar kiya. tab barook ne yahova ke bhvan men sab logon ko shaapan ke putra gamaryah jo pradhaan tha, usakee kottree men jo upar ke angan men yahova ke bhvan ke naye faattk ke pas thee, yirmayah ke sab vachan pustak men se paddh sunaae. tab shaapan ke putra gamaryah ke bette meekayah ne yahova ke sare vachan pustak men se sune. aur vah rajabhvan ke pradhaan kee kottree men utar gaya, aur kya dekha ki vahan aeelashama pradhaan aur shamayah ka putra dalayah aur ababor ka putra aelanatan aur shaapan ka putra gamaryah aur hananyah ka putra sidaakiyyah aur sab hakim baaitt huae haain. aur meekayah ne jitane vachan us samay sune, jab barook ne pustak men se logon ko paddh sunaae the, ve sab varnn kiae. unhen sunakar sab haakimon ne yahoodae kee jo natanyah ka putra or sholemyah ka puta aur kooshaee ka parapota tha, barook ke pas yah kahane ko bheja, ki jis pustak men se too ne sab logon ko paddh sunaya he, use apane hath men leta a. so neriyyah ka putra barook vah pustak hath men liae huae unake pas aya. tab unhon ne us se kaha, ab baaitt ja aur hamen yah paddhkar suna. tab barook ne unako paddhkar suna diya. jab ve un sab vachanon ko sun chuke, tab thrathrate huae aek doosare ko dekhne lage aur unhon ne barook se kaha, ham nishchay raja se in sab vachanon ka varnn karenge. fir unhon ne barook se kaha, ham se kah, kya too ne ye sab vachan usake mukh se sunakar likhe? barook ne un se kaha, vah ye sab vachan apane mukh se mujhe sunata gaya or maain inhen pustak men syahee se likhta gaya. tab haakimon ne barook se kaha, ja, too apane apako aur yirmayah ko chhpai, aur koi n janane paee ki tum kahan ho. tab ve pustak ko aeelashama pradhaan kee kottree men rakhkar raja ke pas angan men aae aur raja ko ve sab vachan kah sunaae. tab raja ne yahoodae ko pustak le aane ke liye bheja, us ne use aeelashama pradhaan kee kottree men se lekar raja ko aur jo haakim raja ke as pas khde the unako bhee paddh sunaya. raja shaetetakal ke bhvan men baaitta hua tha, kyonki nauden maheena tha aur usake samhane angeettee jal rahee thee. jab yahoodae teen char prasht paddh chuka, tab us ne use chakoo se katta aur jo ag angeettee men thee us men faenk diya so angeettee kee ag men pooree poostak jalakar bhsam ho gai. parantu n koi dra aur n kisee ne apane kapade faade, arthata n to raja ne aur n usake kamrachaariyon men se kisee ne aeesa kiya, jinhon ne ve sab vachan sune the. aelanatan, aur dalayah, aur gamaryah ne to raja se binatee bhee kee thee ki pustak ko n jalaa, parantu us ne unakee aek n sunee. or raja ne rajaputra yarahamel ko aur ajraaeael ke putra sarayah ko aur abdel ke putra sholemyah ko agyaa dee ki barook lekhk aur yirmayah bhvishyadvkta ko

pakad le, parantu yahova ne unako chhpai rakha. jab raja ne un vachanon kee pustak ko jo barook ne yirmayah ke mukh se sun sunakar likhee thee, jala diya, tab yahova ka yah vachan yirmayah ke pas pahuncha ki fir aek aur pustak lekar us men yahooda ke raja yahoyakeem kee jalai hai paahilee pustak ke sab vachan likh de. aur yahooda ke raja yahoyakeem ke vishay men kah ki yahova yon kahata haai, too ne us pustak ko yah kahakar jala diya haai ki too ne us men yah kyon likha haai ki babul ka raja nishchay akar is desh ko nash karega, aur us men n to manushy ko chhodega aur n pashu ko. isaliye yahova yahooda ke raja yahoyakeem ke vishay men yon kahata haai, ki usako koi daud kee gaee par virajaman n rahega aur usakee loth aeese faenk dee jaaegee ki din ko dhaam men or rat ko pale men padee rahegee. aur maain usako aur usake vansh aur karmachariyon ko unake adharma ka dand doonga aur jitanee vipaattai maain ne un par aur yarooshalem ke nivaasiyon aur yahooda ke sab logon par dalane ko kaha haai, aur jisako unhon ne sach naheen mana, un sab ko maain un par daloonga. tab yirmayah ne doosaree pustak lekar neriyyah ke putra barook lekhh ko dee, aur jo pustak yahooda ke raja yahoyakeem ne ag men jala dee thee, us men ke sab vachanon ko barook ne yirmayah ke mukh se sun sunakar us men likh diae aur un vachanon men unake saman aur bhee bahut see baten baddha dee gai.

aur yahoyakeem ke putra konyah ke sthan par yoshiyyah ka putra sidaakiyyah rajy karane laga, kyonki babul ke raja nabookadanessar ne usee ko yahooda desh men raja tharaya tha. parantu n to us ne, n usake karmachariyon ne, aur n sadhaaran logon ne yahova ke vachanon ko mana jo us ne yirmayah bhvishyadvkta ke dara kaha tha. sidaakiyyah raja ne sholemyah ke putra yahookal or maseyah ke putra samanyah yajak ko yirmayah bhvishyadvkta ke pas yah kahala bheja, ki, hamare nimitt hamare parameshvar yahova se praarthna kara. us samay yirmayah bandeegrah men n dala gaya tha, or logon ke beech aya jaya karata tha. us samay firaun kee sena chaddhai ke liye misra se nikalee tab kasadee jo yarooshalem ko ghore huae the, usaka samachar sunakar yarooshlem ke pas se chale gae. tab yahova ka yah vachan yirmayah bhvishyadvkta ke pas pahuncha, israael ka parameshvar yahova yon kahata haai, yahuda ke jis raja ne tum ko praarthna karane ke liye mere pas bheja haai, us se yon kaho, ki dek, firaun kee jo sena tumharee sahayata ke liye nikalee haai vah apane desh misra men lautt jaaegee. aur kasadee fir vapis akar is nagar se ladenge ve isako le lenge aur foonk denge. yahova yon kahata haai, yah kahakar tum apane apane man men dhakeha n khao ki kasadee hamare pas se nishchay chale gaee haain kyonaki ve naheen chale gaee. kyonaki yadi tum ne kasaadiyon kee saree sena ko jo tum se ladtee haai, aeese mar bhee liya hota ki un men se keval ghaayal log rah jate, taubhee ve apane apane tamboo men se uttkar is nagar ko foonk dete. jab kasadiyon kee sena firaun kee sena ke dr ke mare yarooshalem ke pas se

kooch kar gai, tab yirmayah yarooshalem se nikalakar binyameen ke desh kee or isaaliye ja nikala ki vahan se aur logon ke sang apana ansh le. jab vah binyameen ke faattk men pahuncha, tab yiriyyah namak paharuon ka aek saradar vahan tha jo sholemyah ka putra aur hananyah ka pota tha, aur us ne yirmayah bhvishyadvkta ko yah kahakar pakad liya, too kasadiyon ke pas bhaga jata haai. tab nirmayah ne kaha, yah joott haai maain kasaadiyon ke pas naheen bhaga jata hoo. parantu yiriyyah ne usakee aek n mune, so vah use pakadkar haakimon ke pas le gaya. tab haakimon ne yirmayah se krodhait hokar use pittvaya, aur yonatan pradhaan ke ghar men bandee banakar dlava diya kyonaki unhon ne usako sadhaaran bandeegrah bana diya tha. yirmayah us talaghar men jis men kai aek kottriyan thee, rahane laga. usake bahut din beetane par sidaakiyyah raja ne usako bulava bheja, aur apane bhvan men us se chhpakar yah prashn kiya, kya yahova kee or se koi vachan paiuncha haai? yirmayah ne kaha, ha, pahuncha haai. vah yah haai, ki too babul ke raja ke vash men kar diya jaega. fir yirmayah ne sidaakiyyah raja se kaha, maain ne tere, tere karmachariyon ka, y teree praja ka kya apardha kiya haai, ki tum logon ne mujh ko bandeegrah men dlavaya haai? tumhare jo bhvishyadvkta tum se bhavishyadane karake kaha karate the ki babul ka raja tum par aur is desh par chaddhai naheen karega, ve ab kahan haai? ab, he mere pubhu, he raja, meree praarthna grahan kar ki mujhe yonatan pradhaan ke ghar men fir n bhej, naheen to maain vahan mar jaunga. tab sidaakiyyah raja kee agyaa se yirmayah pahare ke angan men rakha gaya, aur jab tak nagar kee sab rottee n chuk gai, tab tak usako rotteevalon kee dookan men se praatidin aek rottee dee jatee thee. or yirmayah pahare ke angan men rahane laga.

fir jo vachan yirmayah sab logon se kahata tha, unako mattan ke putra shapanyah, pashahoor ke putra gadalyah, sholemyah ke putra yookal aur malkaiyyah ke putra pashahoor ne suna, ki, yahova yon kahata haai ki jo koi is nagar men rahega vah talavar, pahangee or maree se marega parantu jo koi kasadiyon ke pas nikal bhage vah apana praan bachakar jeeavit rahega. yahova yon kahata haai, yah nagar babul ke raja kee sena ke vash men kar diya jaega aur vah isako le lega. isaliye un haakimon ne raja se kaha ki us purush ko marava dal, kyonaki vah jo is nagar men bache huae yodaon aur any sab logon se aeese aeese vachan kahata haai jis se unake hath panv ddheele ho jate haain. kyonaki vah purush is praja ke logon kee bhilai naheen varan burai hee chahata haai. sidaakiyyah raja ne kaha, suno, vah to tumhare vash men he kyonaki aeese naheen ho sakata ki raja tumhare virud kujh kar sake. tab unhon ne yirmayah ko lekar rajaputra malkaiyyah ke us gadhe men jo pahare ke angan men tha, raassaiyon se utarakar dal diya. aur us gadhe meen panee naheen keval daladal tha, aur yirmayah keechad men dhans gaya. us samay raja binyameen ke faattk ke pas baaitta tha so jab ebedamelek kooshaee ne jo rajabhvan men ek khoja tha, suna, ki unhon ne yirmayah ko

gadhe men dal diya haai— tab aebedamelek rajabhvan se nikalakar raja se kahane laga, he mere svamee, he raja, un logon ne yirmayah bhvishyadvkta se jo kuchh kiya haai vah bura kiya haai, kyonki unhon ne usako gadhe men dal diya haai vahan vah bookh se mar jaaga kyonaki nagar men kuchh rottee naheen rahee haai. tab raja ne aebedamelek kooshaee ko yah agyaa dee ki yahan se tees purush sath lekar yirmayah bhvishyadvkta ko marane se paahile gadhe men se nikala. so aebedamelek utane purushaen ko sath lekar rajabhvan ke bhndar ke talaghar men gaya aur vahan se fattepurane kapade aur chithde lekar yirmayah ke pas us gadhe men raassaiyon se utar diae. aur aebedamelek kooshaee ne yirmayah se kaha, ye purane kapade aur chithddhe apanee kankhon men raassaiyon ke neeche rakh le. so yirmayah ne vaaisa hee kiya. tab unhon ne yirmayah ko rassaiyon se kheenchar, gadhe men se nikala. aur yirmayah pahare ke angan men rahane laga. sidaakiyyah raja ne yirmayah bhvishyadvkta ko yahova ke bhvan ke teesare dar men apane pas bulava bheja. aur raja ne yirmayah se kaha, maain tujh se aek bat puchhta hoo mujh se kuchh n chhpaia. yirmayah ne sidaakiyyah se kaha, yaadi maain tujhe batau, to kya too mujhe marava n dalega? aur chahe maain tujhe sammati bhee doo, taubhee too merree n manega. tab sidaakiyyah raja ne akele men yirmayah se shapath khai, yahova jis ne hamara yah jeev racha haai, usake jeevan ke saugandha n maain to tujhe marava daloonga, aur n un manushyon ke vash men kar doonga jo tere praan ke khojee haain. yirmayah ne sidaakiyyah se kaha, senaon ka parameshvar yahova jo israael ka parameshvar haai, vah yon kahata haai, yadi too babul ke raja ke hakimon ke pas sachamuchh nikal jaa, tab to tera praan bachega, aur yah nagar foonka n jaaga, aur too apane gharane samet jeevit rahega. parantu, yadi too babul ke raja ke hakimon ke pas n nikal jaa, to yah nagar kasaadiyon ke vash men kar diya jaaga, or ve ise foonk denge, aur too unake hath se bach n sakega. sidaakiyyah ne yirmayah se kaha, jo yahoodee log kasaadiyon ke pas bhag gaee haai, maain un se drata hoo, aeese n ho ki maain unake vash men kar diya jaun aur ve mujh se ttttha karen. yirmayah ne kaha, too unake vash men n kar diya jaaga jo kuchh maain tujh se kahata hoo use yahova kee bat samajhkar man le tab tera bhla hoga, aur tera praan bachega. aur yaadi too nikal jana sveekar n kare to jo bat yahova ne mujhe darshan ke dara batai haai, vah yah haai dek, yahooda ke raja ke ranavas men jitanee striayan rah gai haai, ve babul ke raja ke hakimon ke pas nikal kar pahunchai jaengee, aur ve tujh se kahengee, tere mitraen ne tujhe bahakaya, aur unakee ichchha pooree ho gai aur jab tere panv keech men dhans gaee to ve peechhe fir gaee haain. teree sab striayan aur ladkebaale kasadiyon ke pas nikal kar pahunchaee jaenge aur too bhee kasadiyon ke hath se n bachega, varan too pakadkar babul ke raja ke vash men kar diya jaaga or is nagar ke foonke jane ka karan too hee hoga. tab sidaakiyyah ne yirmayah se kaha, in baton ko koi n janane paa, to too mara n jaaga. yaadi hakim log yah sunakar ki maain ne tujh se batacheet kee haai tere pas akar kahane lage, hamen bata ki too ne raja se kya kaha, ham se koi bat n

chhpaai, aur ham tujhe n marava dalenge aur yah bhee bata, ki raja ne tujh se kya kaha, to too un se kahana, ki maain ne raja se gidgidakar binatee kee thee ki mujhe yonatan ke ghar men fir bapis n bhej naheen to vahan mar jaunga. fir sab hakimon ne yirmayah ke pas akar poochha, aur jaaisa raja ne usako agyaa dee thee, tteek vaaisa hee us ne unako uttar diya. so ve us se aur kuchh n bole aur n vah bhed khula. is prakar jis din yarooshalem le liya gaya us din tak vah pahare ke angan hee men raha.

yahooda ke raja sidaakiyyah ke rajy ke nauven varsha ke dasaven maheene me, babul ke raja nabookadanessar ne apanee saree sena samet yarooshalem par chaddhai karake use ghor liya. aur sidaakiyyah ke rajy ke gyarahaven varsha ke chauthe maheene ke nauven din ko us nagar kee shaharapanah todee gai. so jab yarooshalem le liya gaya, tab nergalasareser, aur samagarnabo, aur khejon ka pradhaan sarsakeem, aur magon ka pradhaan nergalasareser adi, babul ke raja ke sab hakim beech ke faattk men pravesh karake baaitt gaee. jab yahooda ke raja sidaakiyyah aur sab yodaon ne unhen dekha tab rat hee rat raja kee baree ke marga se donon bheeton ke beech ke faattk se hokar nagar se nikalakar bhag chale aur araba ka marga liya. parantu kasaadiyon kee sena ne unako khdedkar sidaakiyyah ko yareeho ke araba men ja liya aur unako babul ke raja nabookadanessar ke pas hamat desh ke ribala men le gaee aur us ne vahan usake dand kee agyaa dee. tab babul ke raja ne sidaakiyyah ke putraen ko usakee ankhone ke samhane ribala men ghaat kiya aur sab kuleen yahoodiyan ko bhee ghaat kiya. us ne sidaakiyyah kee ankhone ko faudva dala aur usako babul le jane ke liye beadiyon se jakadva rakha. kasadiyon ne rajabhvan aur praja ke gharon ko ag lagakar foonk diya, or yarooshalem kee shaharapanah ko ddha diya. tab jalladon ka pradhaan naboojaradan praja ke bache huon ko jo nagar men rah gaee the, aur jo log usake pas bhag aae the unako arthata praja men se jitane rah gaee un sab ko bandhau karake babul ko le gaya. parantu praja men se jo aeese kangal the jinake pas kuchh n tha, unako jalladon ka pradhaan naboojaradan yahooda desh men chhod gaya, aur jate samay unako dakh kee baariyan aur khet de diae. babul ke raja nagookadanessar ne jalladon ke pradhaan naboojaradan ko yirmayah ke vishay men yah agyaa dee, ki usako lekar us par krapadraashtti banaae rakhna aur usakee kuchh hani n karana jaaisa vah tujh se kahe vaaisa hee us se vyavahar karana. so jalladon ke pradhaan naboojaradan aur khejon ke pradhaan naboojaradan aur magon ke pradhaan nergalasareser jyotishaiyon ke saradar, aur babul ke raja ke sab pradhaanon ne, logon ko bhejkar yirmayah ko pahare ke angan men se bulava liya aur gadalyah ko jo aheekam ka putra aur shaapan ka pota tha saunp diya ki vah use ghar pahunchaee. tab se vah logon ke sath rahane laga. jab yirmayah pahare ke angan men kaaid tha, tab yahova ka yah vachan usake pas pahuncha, ki, jakar aebedamelek kooshaee se kah ki israael ka parameshvar senaon ka yahova tujh se yon kahata haai, dek, maain apane ve vachan jo maain

ne is nagar ke vishay men kaho haain is prakar poora karoonga ki isaka kushal n hoga, haani hee hogee, or us samay unaka poora hona tuihe dikhai padega. parantu yahova kee yah vaneer haai ki us samay maain tuihe bachaunga, aur jin manushyon se too bhy khata haai, too unake vash men naheen kiya jaaega. kyonaki maain tuihe, nishchay bachaunga, aur too talavar se n marega, tera praan bacha rahega, yahova kee yah vaneer haai. yah is karan hoga, ki too ne mujh par bhrosa rakha haai.

jab jalladon ke pradhaan naboojaradan ne yirmayah ko rama men un sab yaroshalemee aur yahooder bandhauon ke beech hathkadiyon se bandha hua pakar jo babul jane ko the chhuda liya, usake bad yahova ka vachan usake pas pahuncha. jalladon ke pradhaan naboojaradan ne yirmayah ko us samay apane pas bula liya, or kaha, is sthan par yah jo vipaattai padee haai vah tere parameshvar yahova kee kaher hui thee. or jaaisa yahova ne kaha tha vaaisa hee us ne poora bhee kiya haai. tum logon ne jo yahova ke virud pap kiya or usakee agyaa naheen manee, is karan tumharee yah dasa hui haai. ab maain teree in hathkaadiyon ko katte deta hoo, aur yadi mere sang babul men jana tuihe achchha lage to chal, vahan maain tuij par krapadrashti rakoonga aur yadi mere sang babul jana tuihe n bhao, to yaheen rah ja. dek, sara desh tere samhane pada he, jidhar jana tuihe achchha aur tteek janche udhar hee chala ja. vah vaheen tha ki naboojaradan ne fir us se kaha, gadalyah jo aheekam ka putra aur shaapan ka pota haai, jisako babul ke raja ne yahooda ke nagaron par aadhaikaree tharaya haai, usake pas lautt ja aur usake sang logon ke beech rah, va jahan kaheen tuihe jana tteek jan pade vaheen chala ja. so jalladon ke pradhaan ne usako seedha aur kuchh dravy bhee dekar vida kiya. tab yirmayah aheekam ke putra gadalyah ke pas mispa ko gaya, aur vahan un logon ke beech jo desh men rah gaate the, rahane laga. yodaon ke jo dal dihat men the, jab unake sab pradhaanon ne apane janon samet suna ki babul ke raja ne aheekam ke putra gadalyah ko desh ka aadhaikaree tharaya haai, aur desh ke jin kangan logon ko vah babul ko naheen le gaya, kya purusha, kya sre, kya balabachche, un sabhon ko use saunp diya haai, tab natanyah ka putra ishmaael, kareh ke putra yohanan, yonatan aur tanhooset ka putra sarayah, aepaai natopavasee ke putra aur kisee makavasee ka putra yajanyah apane janon samet gadalyah ke pas mispa men aae. aur gadalyah jo aheekam ka putra aur shaapan ka pota tha, us ne un se aur unake janon se shapath khakar kaha, kasaadiyon ke adhaeen rahane se mat dro. isee desh men rahate huae babul ke raja ke adhaeen raho tab numhara bhla hoga. maain to iseealiy mispa men rahata hoon ki jo kasadee log hamare yahan aae, unake samhane haajir hua karon parantu tum dakhmadha aur dhoopakal ke fal aur tel ko battorake apane baratanon men rakho aur apane liae huae nagaron men base raho. fir jab moaabiyo, ammoniyo, aedomiyan aur any sab jatiyon ke beech rahanevale sab yahoodiyan ne suna ki babul ke raja ne yahoodiyan men se kuchh logon ko bacha

liya aur un par gadalyah ko jo aheekam ka putra aur shaapan ka pota haai adhaikaree niyukt kiya haai, tab sab yahooder jin jin sthanon men titara-abitar ho gaee the, vahan se lauttkar yahooda desh ke mispa nagar men gadalyah ke pas, aur bahut dakhmadha aur dhoopakal ke fal battorane lage. tab kareh ka putra yohanan aur maaidan men rahanevale yodaon ke sab dalon ke pradhaan mispa men gadalyah ke pas akar kahane lage, kya too janata haai ki ammoniyan ke raja balees ne natatyah ke putra ishmaael ko tuihe jan se marane ke liye bheja haai? parantu aheekam ke putra gadalyah ne unakee prateeti n kee. fir kareh ke putra yohanan ne gadalyah se mispa men chhpaikar kaha, mujhe jakar natanyah ke putra ishmaael ko mar dalane de or koi ise n janega. vah kyon tuihe mar dale, aur jitane yahooder log tere pas ikatthe huae haain ve kyon titara-abitar ho jaen aur bache huae yahooder kyon nash hon? yaheekam ke putra gadalyah ne kareh ke putra yohanan se kaha, aeesa kam mat kar, too ishmaael ke vishay men joott bolata haai.

aur sataven maheene men aeesa hua ki ishmaael jo natanyah ka putra aur aeleeshaama ka pota aur rajavansh ka aur raja ke pradhaan purushaen men se tha, so das jan sang lekar mispa men aheekam ke putra gadalyah ke pas aya. vahan mispa men unhon ne aek sang bhojan kiya. tab natanyah ke putra ishmaael aur usake sang ke das janon ne uttkar gadalyah ko, jo aheekam ka putra aur shapan ka pota tha, or jise babul ke raja ne desh ka adhaikaree tharaya tha, use talavar se aeesa mara ki vah mar gaya. aur ishmaael ne gadalyah ke sang jitane yahooder mispa men the, aur jo kasadee yoda vahan mile, un sabhon ko mar dala. gadalyah ke mar dalane ke doosare din jab koi ise n janata tha, tab shakem aur shaelo aur shaemaron se assee purush daddhee mudaa, vasr faade, shareer cheere huae aur hath men annabali aur loban liae hua, yahova ke bhvan men jane ko ate dikhai diae. tab natanyah ka putra ishmaael un se milane ko mispa se nikala, aur rota hua chala. jab vah un se mila, tab kaha, aheekam ke putra gadalyah ke pas chalo. jab ve us nagar men aae tab natanyah ke putra ishmaael ne apane sangee janon samet unako ghaat karake gadhe men faenk diya. parantu un men se das manushy ishmaael se kahane lage, ham ko n mara kyonaki hamare pas maaidan men rakha hua gehoo, jav, tel aur madha haai. so us ne unhen chhod diya aur unake bhaiyon ke sath naheen mara. jis gadhe men ishmaael n un logon kee sab lothen jinhen us ne mara tha, gadalyah kee loth ke pas faenk dee thee, yah vahee gadha haai jise asa raja ne israael ke raja basha ke dr ke mare khudavaya tha, usako natanyah ke putra ishmaael ne mare huon se bhr diya. tab jo log mispa men bache huae the, arthata rajakumaariyan aur jitane aur log mispa men rah gaee the jinhen jalladon ke pradhaan naboojaradan ne aheekam ke putra gadalyah ko saunp diya tha, un sabhon ko natanyah ka putra ishmaael bandha hua karake ammoniyan ke pas le jane ko chala. jab kareh ke putra yohanan ne aur yodaon ke dalon ke un sab pradhaanon ne jo usake sang the, suna, ki natanyah ke putra ishmaael ne yah sab bu-

rai kee haai, tab ve sab janon ko lekar natanyah ke putra ishmaael se ladne ko nikale aur usako us bade jalashay ke pas paya jo giban men haai. kareh ke putra yohanan ko, aur dalon ke sab pradhaanon ko dekhkar jo usake sang the, ishmaael ke sath jo log the, ve sab anaandait hue. aur jitane logon ko ishmaael mispa se bandhaua karake liae jata tha, ve palattkar kareh ke putra yohanan ke pas chale aae. parantu natanyah ka putra ishmaael att purush samet yohanan ke hath se bachakar ammoniyon ke pas chala gaya. tab praja men se jitane bach gaae the, arthata jin yodao, striayo, balabachchon aur khojon ko kareh ka putra yohanan, aheekam ke putra gadalyah ke mispa men mare jane ke bad natanyah ke putra ishmaael ke pas se chhudakar giban se faer le aya tha, unako vah apane sab sangee dalon ke pradhaanon samet lekar chal diya. aur betalehem ke nikatt jo kimham kee saray haai, us men ve isaliye ttkai gaae ki misra men jaen. kyonaki ve kasaadiyon se drate the isaka karan yah tha ki aheekam ka putra gadalyah jise babul ke raja ne desh ka adhaikaree ttharaya tha, use natanyah ke putra ishmaael ne mar dala tha.

42

tab kareh ka putra yohanan, hoshayah ka putra yajanyah, dalon ke sab pradhaan aur chhotte se lekar bade tak, sab log yirmayah bhvishyadvkta ke nikatt akar kahane lage, hamaree binatee grahan karake apane parameshvar yahova se ham sab bache huon ke liye praarthna kar, kyonaki too apanee ankhon se dekh raha haai ki ham jo pahale bahut the, ab thode hee bach gaae haain. isaliye praarthna kar ki tera parameshvar yahova ham ko bataae ki ham kis marga se chale, aur kaun sa kam karen? so yirmayah bhvishyadvkta ne un se kaha, maain ne tumharee sunee haai dekho, maain tumhare vachanon ke anasar tumhare parameshvar yahova se praarthna karoonga or jo uttar yahova tumhare liye dega maain tum ko bataunga maain tum se koi bat n chhpaiaunga. tab unhon ne yirmayah se kaha, yaadi tera parameshvar yahova tere dara hamare pas koi vachan pahunchaee aur ham usake anasar n kare, to yahova hamare beech men sachcha aur vishvasayogy sakshaee tthare. chahe vah bhlee bat ho, chahe buree, taubhee ham apane parameshvar yahova kee agyaa, jisake pas ham tuijhe bhejate haai, manenge, kyonaki jab ham apane parameshvar yahova kee bat manen tab hamara bhla ho. das din ke beetane par yahova ka vachan yirmayah ke pas pahuncha. tab us ne kareh ke putra yohanan ko, usake sath ke dalon ke pradhaanon ko, aur chhotte se lekar bade tak jitane log the, un sabhon ko bulakar un se kaha, israael ka parameshvar yahova, jisake pas tum ne mujh ko isaaliye bheja ki maain tumharee binatee usake age kah sunau, vah yon kahata haai, yaadi tum isee desh men rah jao, tab to maain tum ko nash naheen karoonga varan banaae rakoonga aur tumhen n ukhaoonga, varan rope rakoonga kyonaki tumharee jo haani maain ne kee haai us se maain pachhtata hoo. tum babul ke raja se drate ho, so us se mat dro yahova kee yah vaneee haai, us se mat dro, kyonaki maain tumharee raksha karane aur tum ko usake hath se bachane ke liye

tumhare sath hoo. maain tum par daya karoonga, ki vah bhee tum par daya karake tum ko tumharee boomi par fir se basa dega. parantu yadi tum yah kahakar ki ham is desh men n rahenge apane parameshvar yahova kee bat n mano, aur kaho ki ham to misra desh jakar vaheen rahenge, kyonaki vahan n ham yud dekhenge, n naraasinge ka shabd sunenge aur n ham ko bhojan kee dhattee hoga, to, he bache huae yahoodiyo, yahova ka yah vachan suno israael ka parameshvar senaon ka yahova yon kahata haai, ki yadi tum sachamuch misra kee or jane ka munh karo, aur vahan rahane ke liye jao, to aeesa hoga ki jis talavar se tum drate ho, vahee vahan misra desh men tum ko ja legee, aur jis mahangee ka bhy tum khate ho, vah misra men tumhara peechha n chhodegee aur vaheen tum maroge. jitane manushy misra men rahane ke liye usakee or munh kare, ve sab talavar, mahangee aur maree se marenge, aur jo vipaattai maain unake beech daloonga, us se koi bacha n rahaga. israael ka parameshvar senaon ka yahova yon kahata haai, ki jis prakas se mera kop aur jalajalahatt yarooshalem ke nivaasiyon par bhdkt uttee the, usee prakas se yaadi tum misra men jao, to meree jalajalahatt tumhare upar aeesee bhdkt utteege ki log chakit honge, aur tumharee upama dekar shaap diya karenge aur tumharee ninda kiya karenge. tum us sthan ko fir n dekhne paoge. he bache huae yahoodiyo, yahova ne tumhare vishay men kaha haai, misra men mat jao. tum nishchay jano ki maain ne aj tum ko chitakar yah bat bataa deee haai. kyonaki jab tum ne mujh ko yah kahakar apane parameshvar yahova ke pas bhej diya ki hamare nimitt hamare parameshvar yahova se praarthna kar aur jo kuchh hamara parameshvar yahova kahe usasee ke anasar ham ko bata aur ham vaaisa hee karenge, tab tum jan boojhke apane hee ko dhaekha dete the. dekho, maain aj tum ko bataae deta hoo, parantu, aur jo kuchh tumhare parameshvar yahova ne tum se kahane ke liye mujh ko bheja haai, us men se tum koi bat naheen manate. ab tum nishchay jano, ki jis sthan men tum parade-shaee hoke rahane kee ichchha karate ho, us men tum talavar, mahangee aur maree se mar jaooge.

43

jab yirmayah unake parameshvar yahova ke ve sab vachan kah chuka, jinake kahane ke liye us ne usako un sab logon ke pas bheja tha, tab hoshaaya ke putra ajaryaaah aur kareh ke putra yohanan aur sab abhaimanee purushaen ne yirmayah se kaha, too joott bolata haai. hamare parameshvar yahova ne tuijhe yah kahane ke liye naheen bheja ki misra men rahane ke liye mat jao parantu neriiyah ka putra barook tuij ko hamare virud usakata haai ki ham kasaadiyon ke hath men paden aur ve ham ko mar dalen va bandhaua karake babul ko le jaen. so kareh ka putra yohanan aur dalon ke sab pradhaanon aur sab logon ne yahova kee yah agyaa n manee ki ve yahooda ke desh men hee rahen. aur kareh ka putra yohanan aur dalon ke aur sab pradhaan un sab yahoodiyan ko jo anyatiyan ke beech titarabitar ho gaae the, aur un men se lauttakar yahooda desh men rahane lage the, ve unako le gaae— purusha, sre, balabachche, rajaku-

maariya, aur jitane praanaiyon ko jalladon ke pradhan naboojaradan ne gadalyah ko jo aheekam ka putra aur shaapan ka mota tha, saunp diya tha, unako aur yirmayah bhvishyadvkta aur neariyyah ke putra barook ko ve le gae aur yahova kee agyaa n manakar ve misra desh men tahapanhes nagar tak a gae. tab yahova ka yah vachan tahapanhes men yirmayah ke pas pahuncha apane hath se bade patthr le, aur yahoodee purushaen ke samhane us itt ke chabootare men jo tahapanhes men firauin ke bhvan ke dar ke pas haai, choona faer ke chhpai de, aur un purushaen se kah, ki israaael ka parameshvar, senaon ka yahova, yon kahata haai, dekho, maain babul ke raja apane sevak nabookadanessar ko bulava bhejoonga, aur vah apana sinhasan in patthron ke upar jo maain ne chhpai rakhe haai, rakhega aur apana chhtra inake upar tanavaaega. vah ake misra desh ko marega, tab jo maranevale hon ve mratyu ke vash me, jo bandhaue honevale hon ve bandhauai me, aur jo talavar ke liye hen ve talavar ke vash men kar diae jaaenge. maain misra ke devalayon men ag lagaunga aur vah unhen faunkava dega aur bandhauai men le jaaega aur jaaisa koi charavaha apana vasr oddhta haai, vaaisa hee vah misra desh ko samett lega aur tab bekhittke chala jaaega. vah misra desh ke sooryagrah ke khmbhon ko tuudva dalega aur misra ke devalayon ko ag lagakar fornkava dega.

44

jitane yahoodee log misra desh men migdol, tahapanhes aur nop nagaron aur patraes desh men rahate the, unake vishay yirmayah ke pas yah vachan pahuncha, israaael ka parameshvar, senaon ka yahova yon kahata haai ki jo vipaattai maain yarooshalem aur yahooda ke sab nagaron par dal chuka hoo, vah sab tum logon ne dekhee haai. dekho, ve aj ke din kaaise ujade huae aur nirjan haai, kyonaki unake nivaasiyon ne vah burai kee jis se unhon ne mujhe ris dilai thee ve jakar doosare devataon ke liye dhoop jalate the aur unakee upasana karate the, jinhen n to tum aur n tumhare purakha janate the. taubhee maain apane sab das bhavishyadvktaon ko bade yatn se yah kahane ke liye tumhare pas bhejata raha ki yah gharaanaait kam mat karo, jis se maain gharana rakhta hoo. par unhon ne meree n sunee aur n meree or kan lagaya ki apanee burai se firen aur doosare devataon ke liye dhoom n jalaaen. is karan meree jalajalahatt aur kop kee aj yahooda ke nagaron aur yarooshalem kee sadkon par bhdh gai aur ve aj ke din tak ujad aur sunasan pade haain. ab yahova, senaon ka parameshvar, jo israaael ka parameshvar haai, yon kahata haai, tum log kyon apanee yah badee hani karate ho, ki kya purusha, kya sre, kya balak, kya doodhaapiuva bachcha, tum sab yahooda ke beech se nash kiae jao, aur koi n rahe? kyonaki is misra desh men jahan tum paradeshaee hokar rahane ke liye aae ho, tum apane kamon ke dara, arthata doosare devataon ke liye dhoop jalakar mujhe ris dilate ho jis se tum nash ho jaoge or prathve bhr kee sab jaatiyon ke log tumharee jati kee namadharai karenga aur tumharee upama dekar shaap diya karenga. jo jo buraiyan tumhare purakha, yahooda ke raja aur unakee striaya, aur tumharee stri-

aya, varan tum ap yahooda desh aur yarooshalem kee sadkon men karate the, kya use tum bool gae ho? aj ke din tak unaka man choor naheen hua or n ve drate haain aur n meree us vyavastha aur un vidhaiyon par chalate haain jo maain ne tumhare poorvajon ko aur tum ko bhee sunavai haain. is karan israaael ka parameshvar, senaon ka yahova, yon kahata haai, dekho, maain tumhare virud hokar tumharee haani karoonga, taaki sab yahoodiyan ko ant kar doon. aur bache huae yahoodee jo hatt karake misra desh men akar rahane lage haai, ve sab mitt jaaenge is misra desh men chhotte se lekar bade tak ve talavar aur mahangee ke dara marak mitt jaaenge aur log unhen kosenge aur chaakitt honge aur unakee upama dekar shaap diya karenga aur ninda bhee karenga. so jaaisa maain ne yarooshalem ko talavar, mahangee aur maree ke dara dand diya haai, vaaisa hee misra desh men rahanevalon ko bhee dand doonga, ki jo bache huae yahoodee misra desh men paradeshaee hokar rahane ke liye aae haai, yadhyapi ve yahooda desh men rahane ke liye lautne kee badee aabhailasha rakhte haai, taubhee un men se aek bhee bachakar vahan n lautne paaga keval kuchh hee bhage huon ko chhod koi bhee vahan n lautne paaga. tab misra desh ke patraes men rahanevale jitane purush janate the ki unakee striayan doosare devataon ke liye dhoop jalatee haai, aur jitane striayan badee mandlee men pas khdee thee, un sabhon ne yirmayah ko yah uttar diya, jo vachan too ne ham ko yahova ke nam se sunaya haai, usako ham naheen sunane kee. jo jo mannaten ham man chuke haain unhen ham nishchay pooree kareenge, ham svarga kee ranee ke liye dhoop jalaaenge aur tapavan denge, jaaise ki hamare purakha log aur ham bhee apane rajaon aur aur hakimon samet yahooda ke nagaron men aur yarooshalem kee sadkon men karate the kyonaki us samay ham pett bhrake khate aur bhle change rahate aur kisee vipaattai men naheen padte the. parantu jab se ham ne svarga kee ranee ke liye dhoop jalana aur tapavan dena chhod diya, tab se ham ko sab vastuon kee ghattee haai aur ham talavar aur mahangee ke dara mitt chale haain. aur striayon ne kaha, jab ham svarga kee ranee ke liye dhoop jalateen aur chandraakar rottiayan banakar tapavan detee thee, tab apane apane pati ke bin jane aese naheen karatee theen. tab yirmayah ne, kya sre, kya purusha, jitane logon ne yah uttar diya, un sab se kaha, tumhare purakha aur tum jo apane rajaon aur hakimon aur logon samet yahooda desh ke nagaron aur yarooshalem kee sadkon men dhoop jalate the, kya vah yahova ke dhyan men naheen aya? kya us ne usako smaran n kiya? so jab yahova tumhare bure aur sab gharanaait kamon ko aur aadhaik n sah saka, tab tumhara desh ujdakar nirjan aur sunasun ho gaya, yahan tak ki log usakee upama dekar shaap diya karate haai, jaaise ki aj hota haai. kyonaki tum dhoop jalakar yahova ke virud pap karate aur usakee naheen sunate the, aur usakee vyavastha aur vidhaiyon aur chitauaniyon ke anusaar naheen chale, is karan yah vipaattai tum par a padee haai, jaaise ki aj haai. fir yirmayah ne un sab logon se aur un sab striayon se kaha, he sare misra desh men rahanevale yahoodiyo, yahova ka vachan suno israaael ka parameshvar, senaon ka yahova, yon ka-

hata haai, ki tum ne aur tumharee striayon ne mannatenee manee aur yah kahakar unhen pooree karate ho ki ham ne svarga kee ranee ke liye dhoop jalane aur tapavan dene kee jo jo mannatenee manee haain unhen ham avashy hee pooree karenge aur tum ne apane hathon se aeesa hee kiya. so ab tum apanee apanee mannaton ko manakar pooree karo ! parantu he misra desh men rahanevale sare yahoodiyo yahova ka vachan suno suno, maain ne apane bade nam kee shapath khai haai ki ab poore misra desh men koi yahooddee manushy mera nam lekar fir kab-hee yah n kahane paagea ki prabhu yahova ke jeevan kee saugandha. suno, ab maain unakee bhilai nahee, hani hee kee chinta karoonga so misra desh men rahanevale sab yahooddee, talavar aur mahangee ke dara mittkar nash ho jaaenge jab tak ki unaka sarvanash n ho jaae. aur jo talavar se bachakar aur misra desh se lauttakar yahooda desh men pahunchenge, ve thode hee honge aur misra desh men rahane ke liye aae huae sab yahoodiyan men se jo bach paaenge, ve jan lenge ki kisaka vachan poora hua, mera vah unaka. is bat ka maain yah chhin deta hoo, yahova kee yah vane haai, ki maain tumhen isee sthan men dand doonga, jis se tum jan loge ki tumharee haani karane men mere vachan nishchay pooree honge. yahova yon kahata he, dekho, jaaisa maain ne yahooda ke raja sidaakiyyah ko usake shatra arthata usake praan ke khojee babul ke raja nabookadanessar ke hath men kar diya, vaaise hee maain misra ke raja firaun hopra ko bhee usake shatraun ke, arthata usake praan ke khojiyon ke hath men kar doonga.

jab sidaakiyyah rajy karane laga, tab vah ikkees varsha ka tha aur yarooshalem men gyarah varsha tak rajy karata raha. usakee mata ka nam hamootal tha jo libnavasee yirmayah kee bettee thee. aur us ne yahoyakeem ke sab kamon ke anusar vahee kiya jo yahova kee draashtti men bura haai. nishchay yahova ke kop ke karan yarooshalem aur yahooda ke aeesee dasha hui ki ant men us ne unako apane samhane se door kar diya. aur sidaakiyyah ne babul ke raja se balava kiya. aur usake rajay ke nauven varsha ke dasaven maheene ke dasaven din ko babul ke raja nabookadanassar ne apane saree sena lekar yarooshalem par chaddhai kee, aur us ne usake pas chhavanee karake usake charon or kila banaya. yon nagar ghora gaya, aur sidaakiyyah raja ke gyarahaven varsha tak ghaira raha. chauthe maheene ke nauven din se nagar men mahangee yahan tak baddh gai, ki logon ke liye kuchh rottee n rahee. tab nagar kee shaharapanah men darar kee gai, aur donon bheeton ke beech jo faattk raja kee baree ke nikatt tha, us se sab yoda bhagakar rat hee rat nagar se nikal gae, aur araba ka marga liya. us samay kasadee log nagar ko ghore huae the. parantu unakee sena ne raja ka peechha kiya, aur usako yareeho ke pas ke araba men ja pakada tab usakee saree sena usake pas se titara-abitar ho gai. so ve raja ko pakadkar hamat desh ke ribala men babul ke raja ke pas le gae, aur vahan us ne usake dand kee agyaa dee. babul ke raja ne sidaakiyyah ke putraen ko usake samhane ghaat kiya, aur yahooda ke sare haakimon ko bhee ribala men ghaat kiya. fir babul ke raja ne sidaakiyyah kee ankhon ko faudva dala, aur usako bediyan se jakadkar babul tak le gaya, aur usako bandeegrah men dal diya. so vah mratyu ke din tak vaheen raha. fir usee varsha arthata babul ke raja nabookadanassar ke rajy ke unneesaven varsha ke panchaven maheene ke dasaven din ko jalladon ka pradhaan naboojaradan jo babul ke raja ke sam-mukh khda rahata tha yarooshalem men aya. aur us ne yahova ke bhvan aur rajabhvan aur yarooshalem ke sab bade bade gharon ko ag lagavakar faunkava diya. aur kasadiyon kee saree sena ne jo jalladon ke pradhaan ke sang thee, yarooshalem ke charon or kee sab shaharapanah ko ddha disha. aur jalladon ka pradhaan naboojaradan kangal logon men se kitanon ko, aur jo log nagar men rah gae the, aur jo log babul ke raja ke pas bhag gae the, aur jo karreegar rah gae the, un sab ko bandhaua karake le gaya. parantu, dihat ke kangal logon men se kitanon ko jalladon ke pradhaan naboojaradan ne dakh kee bariyon kee seva aur kisanee karane ko chhod diya. aur yahova ke bhvan men jo peetal ke khmbhe the, aur kuarsiyan aur peetal ke hauj jo yahova ke bhvan men the, un sabhon ko kasadee log lodkar unaka peetal babul ko le gae. aur handiyo, faavaadiyo, kaainchiyo, kattoro, ghooopadano, nidan peetal ke aur sab patraen ko, jin se log seva thal karate the, ve le gae. aur tasalo, karachho, kattoriyo, hanadiyo, dee-

teesaven varsha ke chauthe maheene ke panchaven din, maain bandhauon ke beech kabar naadee ke teer par tha, tab svarga khul gaya, aur maain ne paramesh-var ke darshan paae. yahoyakeem raja kee bandhauai ke panchaven varsha ke chauthe maheene ke panchaven din ko, kasaadiyon ke desh men kabar naadee ke teer par, yahova ka vachan boojee ke putra yahe-jakel yajak ke pas pahucha aur yahova kee shaaktai us par vaheen pragatt hui. jab maain dekhne laga, to kya dekhta hoo ki uttar disha se badee ghatta, aur laharatee hui ag sahit badee andhae a rahee haai aur ghatta ke charon or prakash aur ag ke beechon-beech se jhlakaya hua peetal sa kuchh dikhai deta haai. fir usake beech se char jeevadhaariyon ke saman kuchh nikale. aur unaka roop manushy ke saman tha, parantu un men se har aek ke char char mukh aur char char pankh the. unake panv seedho the, aur unake panvon ke taluae bachhdon ke khuron ke se the aur ve jhlakaae huae peetal kee nai chamakate the. unakee charon alang par pankhon ke neeche manushy ke se hath the. aur un charon ke mukh aur pankh is prakar ke the unake pankh ek doosare se paraspas mile huae the ve apane apane samhane seedho hee chalate huae mudte naheen the. unake samhane ke mukhon ka roop manushy ka sa tha aur un charon ke dahinee or ke mukh sinh ke se, bai or ke mukh baail ke se the, aur charon ke peechhe ke mukh ukab pakshaee ke se the. unake chehare aeese the. aur unake mukh aur pankh upar kee or alag alag the har ek jeevadhaaree ke do do pankh the, jo ek doosare ke pankhon se mile huae the, aur do do pankhon se unaka shareer ddhnpe hua tha. aur ve seedho apane apane samhane hee chalate the jidhr atma jana chahata tha, ve udhar hee jate the, aur chalate samay mudte naheen the. aur jeebadhaariyon ke roop angaron aur jalate huae paleeton ke saman dikhai dete the, aur vah ag jeevadhaariyon ke beech idhar udhr chalatee firaatee hui bada prakash detee rahee aur us ag se bijalee nikalatee thee. aur jeevadhaariyon ka chalana-firana bijalee ka sa tha. jab maain jeevadhaariyon ko dekh hee raha tha, to kya dekha ki boomi par unake pas charon mukhen kee ginatee ke anusar, aek aek paahiya tha. paahiyaon ka roop aur banavatt faerojee kee see thee, aur charon ka aek hee roop tha aur unaka roop aur banavatt aeese thee jaaise aek paahiye ke beech doosara paahiya ho. chalate samay ve apanee charon alangon kee or chal sakate the, aur chalane men mudte naheen the. aur un charon pahiyon ke ghore bahut bade aur dravane the, aur unake ghoron men charon or anken hee anken bhree hui theen. aur jab jeevadhaaree chalate the, tab paahiye bhee unake sath chalate the aur jab jeevadhaaree boomi par se uttte the, tab paahiye bhee uttte the. jidhar atma jana chahatee thee, udhar hee ve jate, aur jab paahiye jeevadhaariyon ke sath uttte the kyonaki unakee atma pahiyon men thee. jab ve chalate the tab ye bhee chalate the aur jab jab ve khde hote the tab ye bhee khde hote the aur jab ve boomi par se uttte the tab paahiye bhee unake sath uttte the kyonaki jeevadhaariyon kee atma paahiyaon men thee. jeevadhaariyon ke siron ke upar akash-

aur us ne mujh se kaha, he manushy ke santan, apane panvon ke bal khda ho, aur maain tujh se baten ka-roonga. jaaise hee us ne mujh se yah kaha, tyon-hee atma ne mujh men samakar mujhe panvon ke bal khda kar diya aur jo mujh se baten karata tha maain ne usakee sunee. aur us ne mujh se kaha, he manushy ke santan, maain tuihe israaaeliyon ke pas arthata balava karanevalee jaati ke pas bhejata hoo, jinhon ne mere viruddh balava kiya haai unake purakha aur ve bhee aj ke dil tak mera aparadha karate chale aae haain. is peeddhree ke log jinake pas maain tuihe bhejata hoo, ve nirlaji aur haattee haain aur too un se kahana, prabhu yahova yon kahata he, is se ve, jo balava karanevale gharane ke haai, chahe ve sunen v n sune, taubhee ve itana jan lenge ki hamare beech aek bhvishyadvkta pragatt hua haai. aur he manushy ke santan, too un se n drana chahe tuihe kanto, uttkattaron or bichchuon ke beech bhee rahana pade, taubhee unake vachanon se n drana yadhypy ve balavai gharane ke haai, taubhee n to unake vachanon se drana, aur n unake munh dekhkar tera man kachcha ho. so chahe ve sunen ya n sunen taubhee too mere vachan un se kahana, ve to bade balavai haain. parantu he manushy ke santan, jo maain tujh se kahata hoo, use too sun le, us balavai gharane ke saman too bhee balavai n banana jo men tuihe deta hoo, use munh kholakar kha le. tab maain ne drashtti kee aur kya dek, ki meree or aek hath baddha hua haai aur us men aek pusatak haai. usako us ne mere samhane kholakar faailaya, or vah donon or likhee hui thee aur jo us men likha tha, ve vilap aur shaek aur dukhbhre vachan the.

tab us ne mujh se kaha he manushy ke santan, jo tujhe mila haai use kha le arthata is pustak ko kha, tab jakar israael ke gharane se baten kara. so maain ne munh khola aur us ne vah pustak pujhe khaila dee. tab us ne mujh se kaha, he manushy ke santan, apne pustak jo maain tuihe deta hoo use pacha le, aur apanee antaadiyan is se bhr le. so maain ne use kha liya aur mere munh men vah madha ke tuly meettee lagee. fir us ne mujh se kaha, he manushy ke santan, too israael ke gharane ke pas jakar unako mere vachan suna. aikyanki too kisee anakhee bolee va kattnai bhashaavalee jati ke pas naheen bheja jata haai, parantu israael hee ke gharane ke pas bheja jata haai. anakhee bolee va kattnai bhashaavalee bahut see jaatiyon ke pas jo teree bat samajh n sake, too naheen bheja jata. nisandeh yaadi maain tuihe aeeson ke pas bhejato to ve teree sunate. parantu israael ke gharanevalee teree sunane se inakar kareng ve meree bhee sunane se inakar karate haain kyonki israael ka sara gharana ddheett aur kattor man ka haai. dek, maain tere mukh ko unake mukh ke samhane, aur tere mathe ko unake mathe ke samhane, ddheett kar deta hoo. maain tere mathe ko heere ke tuly kada kar dota hoo jo chakamak patthr se bhee kada hota haai so too un se n drana, aur n unake munh dekhkar tera man kachha ho kyonki ve balavai gharane ke haain. fir us ne mujh se kaha, he manushy ke santan, ikatane vachan maain tuij se kahoo, ve sab day men rakh aur kanon se suna. aur un bandhauon ke pas jakar, jo tere jati bhai haai, un se baten karana aur kahana, ki prabhu yahova yon kahata haai chahe ve sune, v n sunen. tab atma ne mujhe uttaya, aur maain ne apane peechhe badee ghadghadahatt ke sath aek shabd suna, ki yahova ke bhvan se usaka tej dhanya haai. aur usake sath hee un jeevadhaaraiyon ke pankhon ka shabd, jo aek doosare se lagate the, aur unake sang ke paahiyon ka shabd aur aek badee hee ghadghadahatt sun padee. so atma mujhe uttkar le gai, aur maain kattnai dukh se bhra hua, aur man men jalata hua chala gaya aur yahova kee shaaktai mujh men prabal thee aur maain un bandhauon ke pas aya jo kabar naadee ke teer par telabeeb men rahate the. aur vahan maain sat din tak unake beech vyakul hokar baaitta raha. sat din ke vyateet hone par yahova ka yah vachan mere pas pahuncha, he manushy ke santan maain ne tuijhe israael ke gharane ke liye paharua niyukt kiya haai too mere munh kee bat sunakar, unhen meree or se chitana. jab maain dushtt se kahoon ki too nishchay marega, aur yadi too usako n chitaa, aur n dushtt se aeese bat kahi jis se ki vah sachet ho aur apana dushtt marga chhodkar jeeavit rahe, to vah dushtt apane adharma men fansa hua marega, parantu usake koon ka lekha maain tuijhe se loonga. par yaadi too dushtt ko chitaa, aur vah apanee dushttta or dushtt parga se n fire, to vah to apane adharma men fansa hua mar jaega parantu too apane praanon ko bachaega. fir jab dhama jan apane dharma se firakar kuttlai kam karane lage, aur maain usake samhane ttokar rakoo, to vah mar jaega, kyonaki too ne jo usako naheen chitaya, isaaliye vah apane pap men fansa hua marega aur jo dharma ke karma us ne kiae ho, unakee sudhai

n lee jaaegee, par usake koon ka lekha maain tuijhe se loonga. parantu yadi too dhama ko aesa kahakar chitaa, ki vah pap n kare, aur vah pap se bach jaa, to vah chitaunee ko grahan karane ke karan nishchay jeevit rahega, aur too apane praan ko bachaega. fir yahova kee shaktai vaheen mujh par pragatt hui, aur us ne mujh se kaha, uttkar maaidan men ja aur vahan maain tuij se baten karoonga. tab maain uttkar maaidan men gaya, aur vahan kya dekha, ki yahova ka pratap jaaisa mujhe kabar naadee ke teer par, vaaisa hee yahan bhee dikhai padta haai aur maain munh ke bal gir pada. tab atma ne mujh men samakar mujhe panvon ke bal khda kar diya fir vah mujh se kahane laga, ja apane ghar ke bheetar dar band karake baaitt raha. aur he manushy ke santan, dekh ve log tuijhe rassaiyon se jakadkar bandha rakhenge, aur too nikalakar unake beech kare naheen paega. aur maain teree jeebh tere taloo se lagaunga jis se too mauain rahakar unaka dantnevala n ho, kyonaki ve balavai gharane ke haain. parantu jab jab maain tuij se baten karo, tab tak tere munh ko kholoonga, aur too un se aesa kahana, ki prabhu yahova yon kahata haai, jo sunta haai vah sun le aur jo naheen sunata vah n sune, ve to balavai gharane ke haain hee.

4

aur he manushy ke santan, too aek itt le aur use apane samhane rakhkar us par aek nagar, arthata yarooshalem ka chitra kheencha tab use ghor arthata usake viruddh kila bana aur usake samhane damadama bandha aur chhavanee dal, aur usake charon or yuddh ke yantra laga. tab too lohe kee thalee lekar usako lohen kee shaharapanah manakar apane or us nagar ke beech khda kara tab apana munh usake samhane karake use ghorava, is reeti se too use ghor rakhna. yah israael ke gharane ke liye chihni ttharega. fir too apane banyen panjar ke bal lettakar israael ke gharane ka adharma apane upar rakh kyonki jitane din too us panjar ke bal letta rahega, utane din tak un logon ke adharma ka bhar sahata raha. maain ne unake adharma ke bashan ke tuly tere liye din ttharae haai, arthata teen sau nabbe dina utane din tak too israael ke gharane ke adharma ka bhar sahata raha. aur jab itane din poore ho jaae, tab apane dahine panjar ke bal lettakar yahooda ke gharane ke adharma ka bhar sah lena maain ne usake liye bhee aur tere liye aek varsha kee santee aek din arthata chalees din ttharae haain. fir too yarooshalem ke ghorane ke liye banh ughaade huae apana munh ughar karake usake viruddh bhavishyadane karana. aur dek, maain tuijhe rassaiyon se jakaoonga, aur jab tak usake ghorane ke din poore n ho, tab tak too karavatt n le sakega. aur too gehoo, jav, sem, masoor, bajara, aur kaattyai gehoon lekar, aek basan men rakhkar un se rottee banaya karana. jitane din too apane panjar ke bal letta rahega, utane arthata teen sau nabbe din tak use khaya karana. aur jo bhejan too khaa, use taul taulakar khana, arthata praati din bees bees shokol bhr khaya karata, aur use samay samay par khana. panee bhee too mapakar piya karana, arthata praati din heen ka chhttvann ansh peena aur usako samay samay par peena. aur apana bhojan

jab kee rottiyaen kee nai banakar khaya karana, aur usako manushy kee bishtta se unake dekhte danaya karana. fir yahova ne kaha, isee prakar se israaael un jatiyon ke beech apane apane rottee ashuuddhata se khaya karenge, jahan men unhen barabas pahunchaunga. tab maain ne kaha, hay, yahova paramesh-var dek, mera man kabhee ashuuddh naheen hua, aur n maain ne bachapan se lekar ab tak apane mratyu se mare huae va faade huae pashu ka mans khaya, aur n kisee prakar ka ghainauna mans mere punh men kabhee gaya haai. tab us ne mujh se kaha, dek, maain ne tere liye manushy kee vishtta kee santee gobar ttharaya haai, aur usee se too apane rottee banana. fir us ne mujh se kaha, he manushy ke santan, dek, maain yarooshalem men annaroopee adhaar ko door karoonga so vahan ke log taul tolakar aur chinta kar karake rottee khaya karenge aur map mapakar aur vismait ho hokar pane piya karenge. aur is se unhen rottee aur pane kee ghattee hogee aur ve sab ke sab ghabaraaenge, aur apane adharma men fanse huae sookh jaaenge.

5

aur he manushy ke santan, aek paanee talavar le, aur use na ke chhure ke kam men lakar apane sir aur daddhee ke bal moond dala tab taulane ka kantta lekar balon ke bhag kara. jab nagar ke ghairane ke din poore ho, tab nagar ke bheetar aek tihai ag men dalakar jalana aur aek tihai lekar charon or talavar se marana or aek tihai ko pavan men udana, aur maain talavar kheenchakar usake peechhe chalaunga. tab in men se thode se bal lekar apane kapade kee chhor men bandhana. fir un men se bhee thode se lekar ag ke beech dalana ki ve ag men jal jaaen tab usee men se aek lo bhdakar israaael ke sare dharane men faail jaaenge. prabhu yahova yon kahata haai, yarooshalem gesee hee haai maain ne usako anyajatiyon ke beech men ttharaya, aur vah charon or deshaen se ghairae haai. us ne mere niyamon ke viruddh kam karake anyajatiyon se adhaik dushtta kee, aur meree vidhaiyon ke viruddh charon or ke deshaen ke logoen se adhaik burai kee haai kyonaki unhon ne mere niyam tuchh jane, aur ve meree vidhaiyon par naheen chale. is karan prabhu yahova yon kahata haai, tum log jo apane charon or kee jaatiyon se adhaik hullad machate, aur n meree vidhaiyon par chalte, n mere niyamon ko manate aur apane charon or kee jaatiyon ke niyamon ke anusar bhee n kiya, is karan prabhu yahova yon kahata haai, dek, maain svayan tere viruddh hoo aur anyajatiyon ke dekhte maain tere beech nyay ke kam karoonga. aur tere sab ghainaune kamon ke karan maain tere beech aeesa karoonga, jaisa n ab tak kiya haai, aur n bhavishy men fir karoonga. so tere beech ladke-bale apane apane bap ka, aur bap apane apane ladkebalon ka mans khaaenge aur maain tujh ko dand doonga, aur tere sab bache huon ko charon or titara-abitar karoonga. isaliye prabhu yahova kee yah vane haai, ki mere jeevan kee saugandha, isaliye ki too ne mere paavitrasthan ko apane saree ghainaune mooraton aur sare ghainaune kamon se ashuuddh kiya haai, maain tujhe ghattaunga, aur tujh par daya

kee draashtti n karoonga, aur tujh par kuchh bhee komalata n karoonga. teree aek tihai to maree se maregee, aur tere beech bookh se mar mittegee aek tihai tere as pas talavar se maree jaaenge aur aek tihai ko maain charon or titara-abitar karoonga aur talavar kheenchakar unake peechhe chalaunga. is prakar se mera kop shaant hoga, aur apane jalajalahatt un par pooree reeti se bhdakar maain shaantai paunga aur jab maain apane jalajalahatt un par pooree reeti se bhdka chukoo, tab ve jan lenge ki mujh yahova hee ne jalan men akar yah kaha haai. aur maain tujhe tere charon or kee jaatiyon ke beech, sab battohiyon ke dekhte huae ujaonga, aur teree namadharai karaunga. so jab maain tujh ko kop aur jalajalahatt aur risavalee ghaudkiyon ke sath dand doonga, tab tere charon or kee jaatiyon ke samhane namadharai, ttt-tha, shaiksha aur vismay hoga, kyonaki moojh yahova ne yah kaha haai. yah us samay hoga, jab maain un logon ko nash karane ke liye tum par mahangee ke teekhe teer chalakar, tumhare beech mahangee bad-dhaunga, aur tumhare annaroopee adhaar ko door karoonga. aur maain tumhare beech mahangee aur dushtt jantu bhejoonga jo tumhen nisantan karenge aur maree aur koon tumhare beech chalte rahenge aur maain tum par talavar chalavaunga, mujh yahova ne yah kaha haai.

6

fir yahova ka yah vachan mere pas pahuncha. he matushy ke santan apna mukh israaael ke pahadon kee or karake unake viruddh bhavishyadane kar, aur kah, he israaael ke pahado, prabhu yahova ka vachan suno ! prabhu yahova pahadon aur pahadiyon se, aur nalon aur taraiyon se yon kahata haai, dekho, maain tum par talavar chalavaunga, aur tumhare pooja ke unche sthanon ko nash karoonga. tumharee vediyon ujadengee aur tumharee soorya kee praatimaen todee jaaengee aur maain tum men se mare huon ko tumharee mooraton ke age faenk doonga. maain israaaeliyon kee lothon ko unakee mooraton ke samhane rakoonga, aur unakee had-diyon ko tumharee vediyon ke as pas chhtaira doonga tumhare jitane basaae huae nagar haai, ve sab aese ujad jaaenge, ki tumhare pooja ke unche sthan bhee ujad ho jaaenge, tumharee vadiyan ujadengee aur ddhai jaaenge, tumharee mooraten jatee rahengee aur tumharee soorya kee pratimaen kattee jaaengee aur tumharee saree karegare mittai jaaenge. aur tumhare beech mare huae girenge, aur tum jan loge ki maain yahova hoo. taubhee maain kitanon ko bacha rakoonga. so jab tum desh men titara-abitar hoge, tab anyajatiyon ke beech tumhare kuchh log talavar se bach jaaenge. aur ve bache huae jog, un jatiyon ke beech, jin men ve bandhauae hokar jaaenge, mujhe smaran karenge aur yah bhee ki hamara vyaabhaicharee day yahova se kaaise hatt gaya haai aur vyaabhaichaarinee kee see hama-ree anken mooraton par kaaisee lagee haain jis se yahova ka man tootta haai. is reati se un buraiyon ke kara, jo unhon ne apane sare ghainaune kam karake kee haai, ve apane drashtti men ghainaune tthareng. tab ve jan lenge ki maain yahova hoo, aur

unakee saree haani karane ko maain ne jo yah kaha haai, use vyarth naheen kaha. prabhu yahova yon kahata haai, ki apana hath marakar aur apana panv pattkakar kah, israaael ke gharane ke sare ghainaune kamon par hay, hay, kyonaki ve talavar, book, aur maree se nash ho jaaenge. jo door ho vah maree se marega, aur jo nikatt ho vah talavar se mar dala jaega aur jo bachakar nagar men rahate huae ghora jaa, vah bookh se marega. is bhanti maain apanee jalajalahatt un par pooree reati se utaroonga. aur jab har aek unchee pahadee aur pahadon kee har aek chhotte par, aur har aek hare ped ke neeche, aur har aek ghane banjavraksha kee chhaya me, jahan jahan ve apanee sab mooraton ko sukhdayak sugandha dravy chaddhate haai, vahan unake mare huae log apanee veadiyon ke as pas apanee mooraton ke beech men pade rahenge tab tum log jan loge ki maain yahova hoo. maain apana hath unake viruddh baddhakar us desh ko sare gharon samet jangal se le dibala kee or tak ujad hee ujad kar doonga. tab ve jan lenge ki maain yahova hoo.

7

fir yahova ka yah vachan mere pas pahuncha, he manushy ke santan, prabhu yahova israaael kee boomi ke vishay men yon kahata haai, ki ant hua charon konon samet desh ka ant a gaya haai. tera ant bhee a gaya, aur maain apana kop tujh par bhd-kakar tere chalachalan ke anusar tujhe dand doonga aur tere sare ghainaune kamon ka fal tujhe doonga. meree dayadrashti tujh par n hogee, aur n maain kotalata karoonga aur jab tak tere ghainaune pap tujh men bane rahenge tab tak maain tere chalachalan ka fal tujhe doonga. tab too jan lega ki maain yahova hoo. prabhu yahova yon kahata haai, vipaattai haai, aek badee vipaattai haai ! dekho, vah atee haai. ant a gaya haai, sab ka ant aya haai vah tere viruddh jaga haai. dekho, vah ata haai. he desh ke nivasee, tere liye chakr ghoom chuka, samay a gaya, din nikatt haai pahadon par anand ke shabd ka din nahee, hullaad hee ka hoga. ab thode dinon men maain apanee jalajalahatt tujh par bhdkaunga, aur tujh par poora kop undeloonga aur tere chalachalan ke anusar tujhe dand doonga. aur tere sare ghainaune kamon ka fal tujhe bhugataunga. meree dayadrashti tujh par n hogee aur n maain tujh par kopalata karoonga. maain teree chalachalan ka fal tujhe bhugataunga, aur tere ghainaune pap tujh men bane rahenge. tab tum jan loge ki maain yahova dand denevala hoo. dekho, us din ko dekho, vah ata haai ! chakr ghoom chuka, chhdhee fool chukee, abhaiman foola haai. upadrav baddhte baddhte dushthta ka dand ban gaya un men se koi n bachega, aur n unakee bheed-bhad, n unakee dhan men se kuchh rahega aur n un men se kisee ke liye vilap sun padega. samay a gaya, din nikatt a gaya haai n to mol lenevala anand kare aur n bechanevala shaek kare, kyonaki unakee saree bheed par kop bhdh utta haai. chahe ve jeevit rahe, taub-hee bechanevala bechee hui vastu ke pas kabhee laut-tne n paaga kyonki darshan kee yah bat desh kee saree bheed par ghattegee koi n lauttega koi bhee manushy, jo adharma men jeevit rahata haai, bal n

pakad sakega. unhonne narasinga foonka aur sab kuchh taaiyar kar diya parantu yuddh men koi naheen jata kyonaki desh kee saree bheed par mera kop bhdka hua haai. bahar talavar aur bheetar mahangee aur maree haain jo maaidan men ho vah talavar se marega, aur jo nagar men ho vah bookh aur maree se mara jaega. aur un men se jo bach nikalenge ve bachenge to sahee parantu apane apane adharma men fase rahakar taraiyon men rahanevalee kabootaron kee nai pahadon ke upar vilap karate rahenge. sab ke hath ddheele aur sab ke ghauttne aati nirbal ho jaaenge. aur ve kamar men ttatt kasenge, aur unake roae khde hongee sab ke munh sookh jaaenge aur sab ke sir moonde jaaenge. ve apanee chandee sadkon men faenk denge, aur unaka sona ashuuddh vastu chhharega yahova kee jalan ke din unaka sona chandee unako bacha n sakegee, n us se unaka jee santusht hoga, n unake pett bhrenge. kyonki vah unake adharma ke ttokar ka karan hua haai. unaka desh jo shaebhayaman aur shairomanai tha, usake vishay men unhon ne garva hee garva karake us men apanee gharanait vastu un kee moorate, aur gharanait vastuen bana rakhee, is karan maain ne use unake liye ashuuddh vastu ttarayaya he. aur maain use lootne ke liye paradeashaiyon ke hat, aur ghan chhaeenane ke liye prathvee ke busht logon ke vash men kar doonga aur ve use apaavitra kar dalenge. maain un se munh faer loonga, tab ve mere raakshiat sthan ko apaavitra karenge dakoo us men ghausakar use apavitra karenge aek sankal bana de, kyonki desh anyay kee hatya se, aur nagar upadrav se bhra hua haai. maain anyajaatiyon ke bure se bure logon ko launga, jo unake gharon ke svamee ho jaaenge aur maain samathairyon ka garva tod doonga aur unake pavitrasthan apavitra kiaa jaaenge. satyanash hone par haai tab ddoondhne par bhee unhen shaantai n milengee. vipaattai par vipaattai aagee aur utdee hui charcha par charcha sunai padeggee aur log bhavishyadvakta se darshan kee bat poochhenge, parantu yajak ve pas se vyavastha, aur puraaniye ke pas se sammaati dene kee shaaktai jatee rahegee. raja to shaek karega, aur rais udaseeroopee vasr paahinenge, aur desh ke logon ke hath ddheele padenge. maain unake chalan ke anusar un se bartav karoonga, aur unakee kamai ke saman unako dand doonga tab ve jan lenge ki maain yahova hoo.

8

fir chhttven varsha ke chhttven maheene ke pan-chaven din ko jab maain apane ghar men baaita tha, aur yahoodiyon ke puradiye mere samhane baaitthe, tab prabhu yahova kee shaktai vaheen mujh par pragatt hui. aur maain ne dekha ki ag ka sa aek roop dikhi deta haai usakee kamar se neeche kee or ag haai, aur usakee kamar se upar kee or jhlakaae huae peetal kee jhlak see kuchh haai. us ne hath sa kuchh baddhakar mere sir ke bal pakade tab atma ne mujhe prathvee aur akash ke beech men uttakar parameshvar ke dikhaae huae darshanon men yarooshalem ke maandair ke bheetar, angan ke us faattk ke pas pahucha diya jisaka munh uttar kee or haai aur jis men us jalan upajanevalee pratima ka sthan

tha jisake karan desh upajata haai. fir vahan israael ke parameshvar ka tej vaaisa hee tha jaaisa maain ne maaidan men dekha tha. us ne mujh se kaha, he manushy ke santan, apaneek ankhenn uttar kee or uttakar dekh. so maain ne apanee ankhenn uttar kee or uttakar dekha ki vedee ke faattk kee uttar kee or usake praveshasthan hee men vah dah upajanevalee praatima haai. tab us ne mujh se kaha, he manushy ke santan, kya too dekhta haai ki ye log kya kar rahe haain? israael ka gharana kya hee bade gharaanait kam yahan karata haai, taki maain apane paavitrasthan se door ho jaun parantu too in se bhee aadhaik gharaanait kam dekhega. tab vah mujhe angan ke dar par le gaya, aur maain ne dekha, ki bheet men aek chhed haai. tab us ne mooj se kaha, he manushy ke santan, bheet ko faod to maain ne bheet ko faodkar kya dekha ki aek dar haai us ne mujh se kaha, bheetar jakar dekh ki ye log yahan kaaise aaise aur aati gharaanait kam kar rahe haain. so maain ne bheetar jakar dekha ki charon or kee bheet par jaati jati ke renganevalee jantuon aur gharaanait pashuon aur israael ke gharane kee sab mooratann kee chitra khaiche huae haain. aur israael ke gharane ke puraaniyon men se sattar purush jin ke beech men shaapan ka putra yajanyah bhee haai, ve un chitraen ke samhane khde haai, aur har aek purush apane hath men ghoopadan liae huae haai aur dhoop ke dhooen ke badal kee sugandha utt rahee haai. tab us ne mujh se kaha, he manushy ke santan, kya too ne dekha haai ki israael ke gharane ke puraniye apanee apanee nakkashaeevalee kotttriyon ke bheetar arthata andhi-ayare men kya kar rahe haain? ve kahate haain ki yahova ham ko naheen dekhta yahova ne desh ko tyag diya haai. fir us ne mujh se kaha, too in se aur bhee aati gharaanait kam dekhega jo ve karate haain. tab vah mujhe yahova ke bhvan ke us faattk ke pas le gaya jo uttar kee or tha aur vahan sitrayan baaittee hui tammooj ke liye ro rahee theen. tab us ne mujh se kaha, he manushy ke santan, kya too ne yah dekha haai? fir in se bhee bade gharaanait kam too dekhega. tab vah mujhe yahova ke bhvan ke bheetaree angan men le gaya aur vahan yahova ke bhvan ke dar ke pas osare aur vedee ke beech koi pachchees purush apanee peett yahova ke bhvan kee or aur apane mukh poorva kee or kiae huae the aur ve poorva disha kee or soorya ko dandvata kar rahe the. tab us ne mujh se kaha, he manushy ke santan, kya too ne yah dekha? kya yahooda ke gharane ke liye gharaanait kamon ka karana jo ve yahan karate haain chhottee bat haai? unhone apane desh ko upadrav se bhr diya, aur fir yahan akar mujhe ris dilate haain. varan ve dalee ko apanee nak ke age liae rahate haain. isaliye maain bhee jalajalahatt ke sath kam karooonga, n maain daya karooonga aur n maain komalata karooonga aur chahe ve mere kanon men unche shabd se pukare, taubhee maain unakee bat n sunoonga.

9

fir us ne mere kanon men unche shabd se pukarakar kaha, nagar ke adhaikaariyon ko apane apane hath men nash karane ka hathaiyar liae huae nikatt lao. is par chhpurusha, uttar kee or uparee faattk ke marga

se apane apane hath men ghaat karane ka hathaiyar liae huae aae aur unake beech san ka vasr paahine, kamar men likhne kee davat bandho huae aek aur purush tha aur ve sab bhvan ke bheetar jakar peetal kee vedee ke pas khde huae. aur israael ke parameshvar ka tej karooon par se, jinaake upar vah raha karata tha, bhvan kee devaddhee par utt aya tha aur us ne us san ke vasr pahine huae purush ko jo kamar men davat bandho huae tha, pukara. aur yahova ne us se kaha, is yarooshalem nagar ke bheetar idhar udhar jakar jitane manushy un sab gharaanait kamon ke karan jo us men kiae jate haai, sansen bhrate aur dukh ke mare chillate haai, unake mathon par chinch kar de. tab us ne mere sunate huae doosaron se kaha, nagar men unake peechhe peechhe chalakar marate jao kisee par daya n karana aur n komalata se kam karana. booddhe, yuva, kunvaree, balabachche, striaya, sab ko marakar nash karo, parantu jik kisee manushy ke mathe par vah chinch ho, usake nikatt n jana. aur mere pavitrasthan hee se arambh karo. aur unhon ne un puraaniyon se arambh kiya jo bhvan ke samhane the. fir us ne un se kaha, bhvan ko ashuuddh karo, aur anganon ko lothon se bhr do. chalo, bahar nikalo. tab ve nikalakar nagar men marane lage. jab ve mar rahe the, aur maain akela rah gaya, tab maain munh ke bal gira aur chillakar kaha, hay prabhu yahova ! kya too apanee jalajalahatt yarooshalem par bhdakar israael ke sab bache huon ko bhee nash karega? tab us ne mujh se kaha, israael aur yahooda ke gharanon ka adharma atyant hee aadhaik haai, yahan tak ki desh hatya se aur nagar anyay se bhr gaya haai kyonki ve kahate hen ki yahova ne prathvee ko tyag diya aur yahova kuchh naheen dekhta. isaliye un par daya n hogee, n maain komalata karooonga, varan unakee chal unheen ke sir lautta doonga. tab maain ne kya dekha, ki jo purush san ka vasr paahine huae aur kamar men davat bandho tha, us ne yah kahakar samachar diya, jaaise too ne agyaa dee, maain ne vaaise hee kiya haai.
